Harrington Janecees & Rotarians say

"Tie A Yellow Ribbon"

The Harrington Janecees are currently observing National Freedom Week, October 11-18 by placing a yellow ribbons in prominent public places. Those so far marked are The First National Bank (on the time and temperature clock), Peoples Bank, The Harrington Fire Hall (on the flag pole), the Senior Center and the Post Office.

The week of Nov. 4, National Hostage Week both the Harrington Rotary Club and the Janecees will

continue the effort. The Rotary will place yellow ribbons on street signs, and the Janecees will offer yellow bows to be placed on private residences. These can be ordered from Cheryl Harrington by calling 398-8013 or writing to the Harrington Janecees at P.O. Box 53, Harrington, DE 19952.

November 4, 1980, election day will mark one year in captivity for the American hostages in Iran.

Thompson Elected VP of PEI

Harrington businessman William G. Thompson has been elected vice president of the Petroleum Equipment Institute, international trade association for the petroleum marketing equipment industry. Thompson, president of Callis-Thompson, Inc., was elected at the association's 30th annual convention and exposition of petroleum marketing equipment held in St. Louis, Sept. 23-25. He will take office January 1, 1981.

Thompson graduated from the University of Pennsylvania and attended the Wharton Graduate School of Business. From 1965 to 1970, he was an officer in the U.S. Navy submarine school and received the Navy Commendation Medal. He joined

Callis-Thompson in 1971 and was recently elected President of the firm. The firm is a multi-branch cooperation which distributes petroleum marketing equipment throughout the mid-Atlantic region.

Thompson has been active in PEI for several years and serves on the PEI Education Committee. He is also vice chairman of the Governor's Natural Areas Advisory Council for the State of Delaware, a member of the Lewes Rotary Club and the Lewes Historical Society.

Thompson and his wife, Jennifer have two children.

The Petroleum Equipment Institute has over 800 member companies throughout the free world.

Doing double duty as Little Miss Fire Prevention for the Harrington Volunteer Fire Company, Little Miss Harrington, Carin Janelle Newman, pauses for a picture taking session with a pal, Smokey the Bear, during the Fire Prevention Day activities last Saturday. Miss Newman is the daughter of the Reverend and Mrs. Ray Newman of Harrington.

Drainage, Street Patching Occupy Harrington Council

Drainage problems and the progress of the street patching program occupied much of the attention of the Harrington City Council at Monday night's regular session.

Jim Carroll of Grant Street approached the Council with a proposed for the solution of a long term drainage problem there. Estimated cost of the proposed is about \$12,000. The Council promised to take the suggestion under consideration. But Carroll, who says the town has been dragging its feet on the matter since he was on the Council in 1973, says he will be patient for another month, but will not wait a year. Carroll had previously stated that he might take legal action if the town does not act. Several families are affected by the Grant Street drainage problem.

The proposed solution to another drainage problem in the North Street area got a closer look as Council members noted that an existing catch basin is connected to an old drainage pipe on private property. If the pipe can be blown out and is usable, the problem may be retively simple to correct with the construction of a couple of new catch basins. But if the line is not in good shape there may be a thorny legal problem about the city's authority and responsibility for construction on private property.

Harringtonians "should be proud of our streets," said Mayor Arthur Cahall as the Council considered the completion of the extensive patch program now in progress. Tilson Warren is going the work. The Council Monday night approved the inclusion of a catch basin or manhole nearest the Fire House on Fleming and Mechanic Street, patching on the section of Fleming between Commerce and Mechanic, six addition patches on Clark Street, two at Center Street and 2nd Avenue, one at the bridge on 2nd Avenue, and one on Brown and Commerce Streets in the program.

In other business, The Harrington City Council:

-approved an increased charge for water and sewer hookups from \$100 to \$150 each. Bob Hassett, Supervisor of Public Works, told the Council the city was losing over \$70 every-time it made a new connection (of both sewer and water) under the old fees.

-was warned that the cost of trash collection will increase drastically over what it is now. Hasset said the city would be about \$6,680 short of what is currently proposed in the budget.

-heard that city worker John Lister was injured in a lawn mower accident in which several of his toes were cut off.

-agreed to send a written protest to Conrail over train delays that tie up traffic in town. In recent days an ambulance was delayed as much as 15 minutes at a crossing.

-voted 4-1-1 to pay Bob Hassett an additional \$525 for the period from May through September that he has been handling 2 jobs-street supervisor and manager of the sewer and water system. Hassett was assigned double duty after the fury of Street Supervisor Dale Phillippi. The move was opposed by Council member Ray Newman who said he was against setting a precedent when the same consideration was not afforded other city employees who may be called on to handle extra responsibilities. Newman was in favor of considering a salary increase for Hassett in the upcoming budget. Councilman Harrington abstained on the question.

-gave Police Chief Carl McIlroy permission to hire Jeffery Cook in the town's force if CETA approval is

Janecee Auction Set for Saturday

The Harrington Janecees are inviting the community to donate and participate in the fun of an auction for the benefit of the Harrington Public Library. The auction is set for this Saturday, October 18 at Taylor and Messick.

Donations of any auction items or baked good can be proffered by calling Becky Mcknatt at 398-3228.

The fun can be shared by all those who turn out on Saturday evening.

The Janecees have adopted the library as their year-long funding project.

Phone Company Lays New Cable in Frederica

Diamond State Telephone Construction crews have started work on a \$125,000 cable project in Frederica.

According to John H. Lehman, Engineer in charge of the project, "We will be installing and connecting over 12,000 feet of 900 pair buried and underground cable."

"Beginning at the intersection of Front Street and Route 113A, buried cable will be placed on Route 113A

and Route 113 dual highway for 11,500 feet. At this point, underground cable will be placed in existing conduit to the intersection of Route 113 and Route 18."

The project will provide additional cable facilities in the northern section of the Frederica Central Office area. The job is expected to be completed by the end of 1980.

Robin Outten Honored

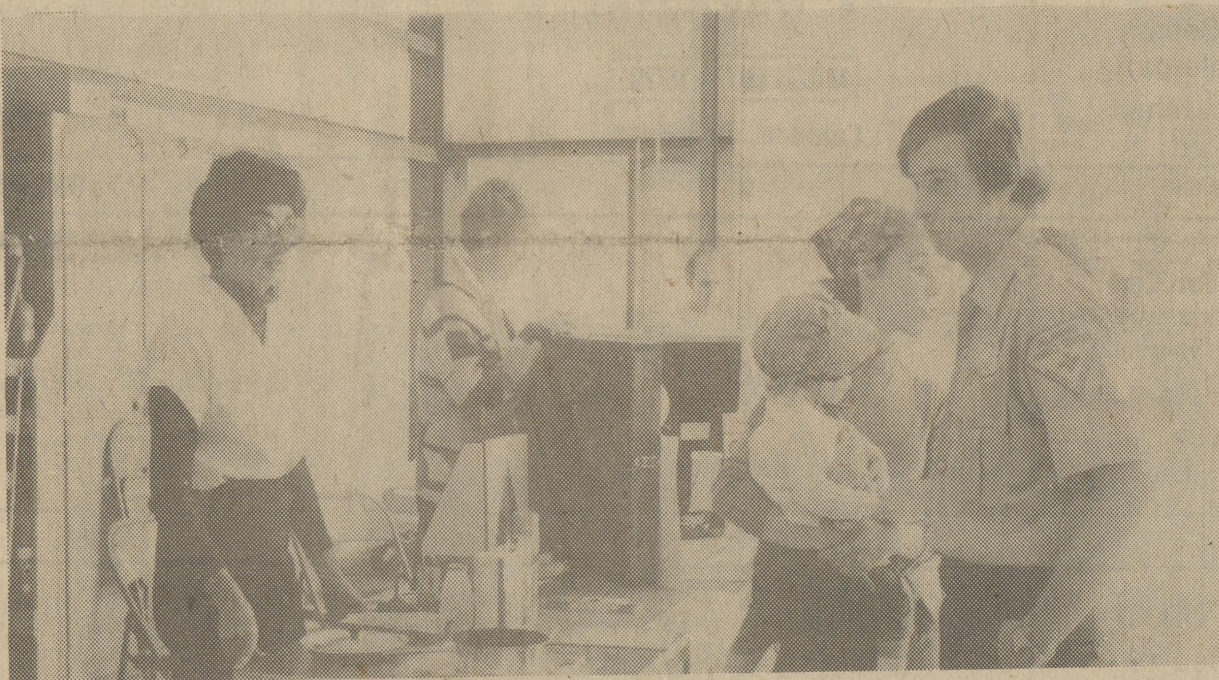

Robin L. Outten [center] of Harrington, Delaware a fifth-year pharmacy student at the Philadelphia College of Pharmacy and Science [PCPS], recently received the 1980 Mortar and Pestle Dean's Award.

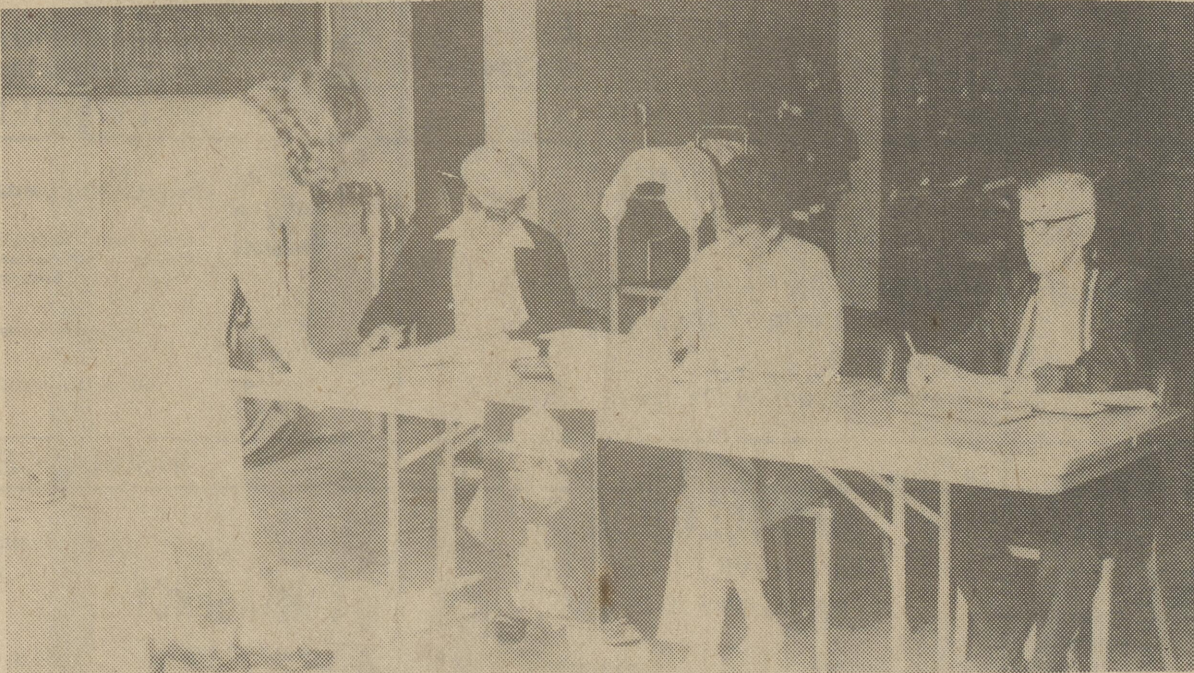

This award is sponsored by the McNeil Consumer Products Company and the recipient is selected based on outstanding performance in the area of pharmacy administration.

In addition to receiving a hand-turned replica of an early American mortar and pestle, Robin is eligible to compete with the recipients of this award at the other colleges of pharmacy for a \$2,000 scholarship. This scholarship is awarded to the individual writing the best essay on the topic, "The Role of the Pharmacist in Consumer and Physician Education."

With Robin are PCPS Dean of Faculty Daniel A. Hussar [right] and Dr. Mavis J. Myers [left], Professor of Pharmacy Administration and Associate Dean for Pharmacy at PCPS.

Instructors from the Delaware State Fire School were anxious to discuss smoke alarms and other aspects of fire prevention and safety during Fire Prevention Day in Harrington.

Getting ready for the 1980 election-A voter registers Saturday as Kenneth McKnatt, Mary Tucker and Lawrence Price [left to right] look on.

Harrington UNICEF Day: October 25

Halloween, Oct. 31, is a traditional day of giving. A day when ghosts, goblins, super-hero, astronauts, monsters, princesses or a child's favorite movie star visit our doorsteps, hoping to receive a piece of candy or other treats. While Oct. 31 is National UNICEF day, Harrington residents will answer the door on Oct. 25, helping America ask for the gift of life through UNICEF, the United Na-

tions Children's Fund. This year, UNICEF is celebrating 30 years of Trick or Treat for UNICEF.

Our donations are vital to UNICEF's ability to respond when needed. Only voluntary contributions make this possible. UNICEF works side-by-side with the local government and community to fight poverty malnutrition and disease. We can all

be a part. Each donation you make will go a long way in the war against world hunger and malnutrition.

Remember: October 25-UNICEF DAY FOR HARRINGTON!

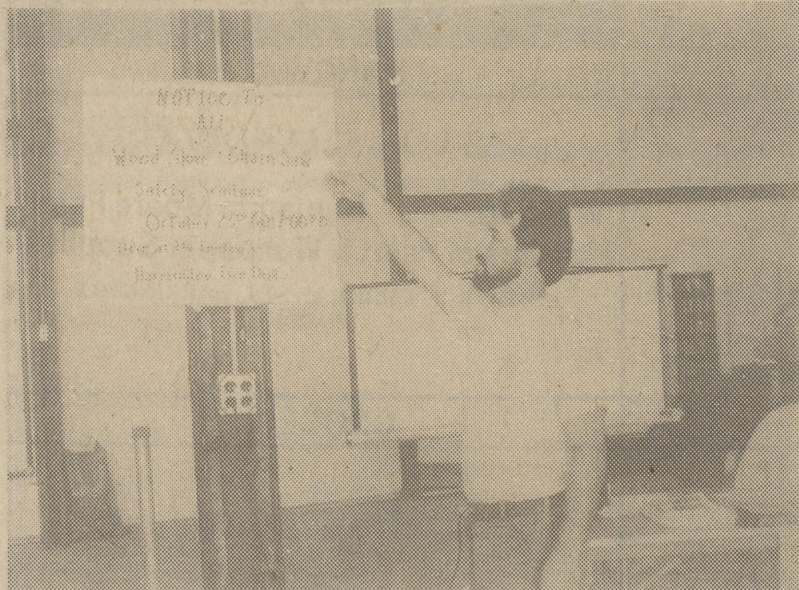

Local Halloween Will Be Oct. 31

By the calendar and by action of the Harrington City Council Halloween will be observed on Friday October 31, 1980. Trick or Treaters will be permitted out between the hours of 6 and 8 p.m. The activity will be limited to those 14 and under.

Apologies.....

In case there were any misunderstandings in the Journal's report on the September 23 special meeting of the Harrington Council, it should be noted that City Clerk Norma Short's reason for not wishing to be appoint-

ed acting city manager was the fact that she is not a city resident as the law requires. It had nothing whatever to do with the lack of qualification by this able and dedicated city employee.

Harrington Volunteer Fire Company Member Gary Harrington has a point to remember-The Fire Company will sponsor a Wood Stove and Chain Saw Safety Seminar next Thursday, October 23, 1980, at 7 p.m. Last year a similar effort was a success, and the local company is expecting a good turnout this year.

forthcoming and pening an interview by the Mayor and Council members Wyatt and Lobo. Councilman Brode opposed the hiring on the grounds that it was unfair to hire someone the city knew it would have to drop once the 18 months of CETA funding was over.

-agreed to paint striping to indicate a no parking area at the corner of Commerce and Mechanic Street (at the old Harrington Journal building) where double parking and parking on what is essentially a sidewalk or private area, is a problem, moving a stop sign forward at that location was also discussed.

-heard that area residents are still concerned that the Center St. property which was once the Millard Cooper Funeral Home is being improperly used as a residence. The Council directed Alderwoman Anna Hampton to take whatever legal steps might be necessary to assure the current use is not in conflict with the zoning. It was also reported that a rezoning application has been submitted.

-by taking no action rejected a definition of "family" submitted by the local Planning and Zoning Commission. The Council, which is trying to define the limits and qualifications of a group permitted to inhabit a one-family residence, has been likewise unhappy about a similar definition proposed by its attorney Harry Ferry. For legal and zoning purposes, the Council is finding it difficult to say what a "family" is.

Members of the congregation at Asbury United Methodist Church in recent weeks banded together to form a hard-working crew to fix up and spruce up the church and Sunday school buildings. Much of the work was done and all was in readiness as the church hosted members of the Harrington Volunteer Fire Company and its Ladies Auxiliary, celebrated Layman's Sunday and welcomed the John Dressler's of Milford for a musical evening-all last Sunday. [See page 6]. Just four of the volunteer crew are pictured above. They are Marge Olson, Mary E. Nelson, Earl Nelson (behind the table) and Eric Olson in front. The work force included a number of others.

**GREENWOOD HI-FLYERS BEGIN
NEW YEAR**

The new 4-H year started with a bang! Russell Carlisle and his mother went to Busch Gardens with other members of Sussex County. Sharon Mast and Cathy Baker and family attending 4-H Day at the University of Delaware Football Game. Russell Carlisle gave a demonstration at Trap Pond.

What will our Window Display look like? A committee met and chose the theme "Elect 4-H". Those on the committee were: Ted Durig, Leigh Durig, Cathy Baker, Kelly O'Bier, Renee Vincent, Ronnie Reed, and Amy Elliott. The final result was on display in the Greenwood Building and Loan Window to observe National 4-H Week, October 6-12.

The club was represented at the Sussex County Jr. Council meeting, Oct. 6, 1980 by Russell Carlisle, Ted

Durig, Mark McDowell, Cathy Baker and Kelly O'Bier.

On Oct. 7th, 24 members, 4 leaders and 8 visitors attended the Greenwood Hi-Flyers 4-H meeting. We have nine new members: Kelli Phillips, Bridget Phillips, Shannon Webb, Scott Webb, Robin Williamson, Brian Williamson, Jackie Gillespie, Sam Gillespie and Tracy Parsons. Welcome!

News of the Pumpkin Contest to be October 23rd made everyone anxious to get started on ideas. The club was also selling Thanksgiving and Christmas napkins. 4-H Pins were given out to those members completing a project for the 1979-80 year.

Due to the election the next meeting will be November 10, 1980 7:00 at the Greenwood Fire Company Building.

Sussex 4-H

Three Sussex County 4-H clubs did an outstanding job of publicizing to their communities through window displays during Nation 4-H Club Week.

"4-H Expanding Horizons" by the Lord Baltimore Helping Hands 4-H club was selected as the overall winner. Their colorful display featured

hot air balloons emphasizing the skills and values learned through 4-H. The Broadkill Kool Kats with "Get Hooked on 4-H" and Bridgeville Wild Cats with "Sail Ahead with 4-H" second and third respectively.

Thirteen clubs participated in the events designed to publicize 4-H local communities emphasizing 4-H activities, events, projects and skills.

Other participating clubs and their awards were: Blue winners: Seaford Blue Jays, Greenwood Hi-Flyers, Bridgeville Live Wires, Dublin Hill, Hollymount and Sandy Fields. Red awards went to: Blue Hen Workers, Mt. Pleasant, State Line and Sycamore.

The winning display will represent Sussex County in the State Educational Display Contest held later in the 4-H year. It will also be on display at various 4-H events.

All 4-H members are invited to decorate a pumpkin for the Kin Pumpkin Contest. All pumpkins must be at the Substation by 3:30 p.m. October 23. Four divisions are available-Artistic, Funny, Scary, and Character. This is a county wide community service project. All pumpkins will be delivered to area hospitals and nursing homes following the event.

Poultry Health meeting set for Oct. 21 -22

Last minute details have been completed for the 15th National Meeting on Poultry Healthy and Condemnations which will be held at Del-Mar-Va Convention Hall in Delmar, Md. on Oct. 21 and 22. This annual event, which has become one of the leading poultry health gatherings, is expected to attract nearly 500 industry people from all over the nation. In addition to a general session, separate sessions will be held on topics dealing with special problems of grow-out and poultry processing. The meeting is sponsored by Delmarva Poultry Industry, Inc., the regional trade association that represents Delmarva's huge broiler business.

Among the thirty-seven participants at the meeting will be Dr. Jeffrey J. Jackson, extension wildlife specialist from the University of Georgia, who will discuss rodent and sparrow control in poultry houses; Roy V. Beauchamp, vice-president of Chesapeake Food, Inc., who will participate on a panel concerned with the control of fowl cholera; and Dr. H. Graham Purchase, acting chief,

Dr. Jeffrey J. Jackson

Livestock and Veterinary Sciences staff of the USDA, who will discuss recent developments in the control of Marek's disease in the U.S. and Australia.

Registration forms, programs and other details of the conference may be obtained by contacting Delmarva Poultry Industry, Inc., R.D. 2 Box 47, Georgetown, DE 19947 (302/856-2971

Boy Scouts enrollment Up

Dr. Jervis Cooke, Vice-President of Membership for the Del-Mar-Va Council, Boy Scouts of America, reports increased enrollment for the first time in several years at the end of the third quarter of 1980.

School Night for new members, held in late September, brought in 1400 new Cub Scouts with more applications yet to be received. Special School Night meetings for 11-13 year olds are scheduled this month to be followed immediately by a camping weekend at Camp Nanticoke or Camp Rodney.

As a pilot project last year, the "instant" camping experience brought in several hundred new recruits. The plan will be expanded this year under the leadership of Dr. Lloyd Trimble of Wilmington and nine district chairmen on of peninsula.

Following several years of declining enrollment, the Council has "turned the corner" following a complete review of trends and programs.

Get Together and Talk With Our Neighbors

Gabfest

by Pat Hatfield

Speaking of autumn, what is your observation with woolly bears this year? Dad says that all he has seen are very blonde, and many other observers have seen only blondes. According to old-time legend this means a mild winter. Yesterday, when I was coming in from the mailbox, I saw my first one of the season. I have to report that it was a rich, dark brown with black ends. Well, we can enjoy the old legends and indulge in our small fantasies, and no harm done if we take it in the proper perspective. But we know whose Hand guides the weather, don't we?

Have you heard the Mockers sing during the crisp, cool evening? They are really "turned on". It is their swan song...their sage of Indian summer...their eulogy to the Great Creator of all creatures, great and small.

This is certainly the year of the praying mantis. Every day, one or two large ones, apparently mothers heavy with eggs, show up on the window screens.

We cannot completely get the garden ready for winter yet, because we are still picking lima beans, green peppers, and tomatoes. Dad has his gla bulbs up and cleaned and stored and yesterday he cleaned out the

large Iris bed. It does look so nice and neat. The strawberry beds for next year look fine and we are looking forward to luscious crop of the favorite berry. The late potatoes were not really a success. Evidently the weather was too hot at planting time. But there are a few hills.

Kale and turnip greens are now on the menu frequently, and we are looking forward to the turnips. Turnips are a fine addition to beef and vegetable soup.

I am putting greens in the freezer. We find we like them better cooked first, with a slab of salt pork, cooled and frozen better than blanching them. This cooked way retains the flavor and they are so handy for winter meals, all ready to dump into the pan and heat.

I finally made it with the plants! Rumors of frost in the air being mentioned on the weather forecasts made me a bit jittery. So, out I went, with potting soil, shears, insect spray, and other tools of the trade and proceeded to accomplish the project. They look so lovely on the windowsill in front of the picture window in the dining room. I hope I won't discourage them too much. I never know what to say to them. Usually I put them down firmly and say "Now, grow or else". I think they just the "or else!"

Rev. Watson of Harrington Baptist Church was the leader of Bible Study at the Center Monday morning. His discussion was on Hebrews-Chapter 11. The folks that talked to me said it was an enlightening hour. Rev. Watson left them with the thought, "Believe and Faith" is the lesson in brief. Mrs. Watson was at the piano and accompanied the folks as they sang several hymns. Rev. Watson closed the time with a prayer. There were several present.

Monday afternoon Donna Webb of Manna was here.

Tuesday morning is happy time at the Center. The Kitchen band-better known as the Jolly Timers practice.

Sunday Oct. 12, they went to Hockessin. They performed well. On Heritage Day at Felton Oct. 4, the Jolly Timers did another good job. Tell you folks they are great. Stop by and give them a listen. When they play "Roll Out The Barrel," you beg for just one more time," it is such a catchy tune. Those present this week was Ina Hughes, Piano-Andy Anderson, Clarinet- Tony Perrone, Trumpet-Florence Minner, Kazoo-Pearl Hickman Kazoo-Mamie Adams, Kazoo-Ella Golt, Kazoo-Gladys Hill, Horn Kazoo-Bertha Dean, Kazoo and small tamborine-Annabel Morrow, large tamborine Marian Russum-Pot of Beans-Roxanne Brown, tamborine-Mildred Vincent, maracas, Elma Thorpe, Clankers-Elsie Neal, Bells-Marion Brown, Candy box drum-Es-sie Redden, Washboard and thimble-Cleora Willey, Small bells-Ola Tilden, Clinders-Jo Burke Washboard & Thimble.

Tuesday afternoon Ruth Nasser and this month her subject was Crater Lake. She presented beautiful slides. Ruth is such a pleasant person, we are so happy to have her at the Center.

Wednesday morning just seemed to be a bit different, even in the early hours. Then lunch time. It was served sit down style. The smiling men, donned their aprons and served every one. My it was nice! After lunch Gene called our attention to the fact that this was award Day. Gene proceeded to call names of those who had done volunteer work of all kind. Charlotte gave each a certificate and corsage. After the ceremony, cake was ser-

ved. It was a nice day.

Thursday morning Aubrey Brown with the assistance of his small daughter gave a talk on how to take care of yourself with fire. About home alarms and told of the display at the Firehouse. They are Volunteers, The Harrington Fire Co., and we do thank you men so much!!

Thursday afternoon the folks played Bingo. Elizabeth called. As usual all enjoyed themselves. Cam our Dast driver took some folks local shopping.

Friday was a quiet day, about third went to Inner Harbor, Md. the pool room was busy-bingo was in progress again-Anna Mae, Essie and Mamie worked on a plaited rug.

Birthday Party Oct. 21, 1980. Don't forget guest day. And if you are reading this and are 60-come on over. See you at the Center.

Best Wishes to All. Be kind to each other. Happy Birthday you Oct. folks. And I know a lady in Md. who reads this so that goes for you Alice. Being nice to people is not so hard to do-when the people your being nice to are always so nice to you. C.A.M.-Faith.

Membership Drive for Senior Citizen Center.

We are designating the month of October as our "Membership Drive". We need to grow and we need everyone's help. By growing in numbers, we can hopefully grow in size through an addition to our building. If we stay the same, are chances are less for getting the funds that expansion. Every Friday during October will be "Bring A Guest Day". Plan to bring a guest or have a guest join you here. A guest will feel more comfortable if they are not the only "New face in the crowd". Your guest can plan to spend the day, have lunch, and join in on the afternoon activities we will plan for these special days. You must sign your guest up by Wednesday of that week so we have the right count for lunch. If you know someone over sixty, call them and invite them here, tell them what it has meant to you to be a member. Make arrangements with either Charlotte or Gene to have them join us another day during this month. If this is to work, we need everyone's help.

National School Lunch Week

October 12-18 is National School Lunch Week here in the Lake Forest School District and all over the USA. What is it? National School Lunch Week is a special time set apart to promote a greater awareness of nutrition and what it means to the child in school.

Law requires that school food service programs safeguard the health and well being of our nation's children.

The noon meal served at school provides the children with one-third of the amount of food recommended

to meet his daily needs. Breakfast is served in each school and is available for every student. The cost is .25. This meal is also planned to meet one-third of the students daily nutritional needs.

National School lunch week has been celebrated since 1946-34 years! The Lake Forest School Food Service program has a yearly budget of \$600,000. Approximately 2,200 lunches are served every day and nearly one-fourth of those hungry children have also had a nourishing breakfast in school.

We are in what could be called a computer age. Computers in some shape and form are everywhere, doing all kinds of jobs. Computers are doing a lot for agriculture and will be doing for farmers in the future.

Computers are essentially a tool to process a lot of information very quickly. Dairy Farmers reap the benefits of computer science in the Dairy Herd Improvement Association Programs. Information from each cow in the herd is obtained, milk samples are sent in to the lab, and data is processed through the computer. A dairyman is then able to evaluate which cows are productive and which need to be culled. Here in Kent County, Dave Woodward and George Haelein have used a small portable computer right on the farm to actually figure the most effective least-cost ration for a particular herd, at a particular time of year, and for particular types of feed on hand. Quick and dramatic milk production increases have been the result of this information.

It is obvious that the computer age makes data processing easier for the agricultural scientists, as well as many agribusinessmen who use computers for bookkeeping and inventory purposes. But what about the actual commercial farmer?

An outgoing program in Kentucky gives us some insight into what computers can do for farmers. In 1979, 200 Kentucky farmers started using the "Green Thumb Box" system which is a computer assisted rapid information delivery system. This system links farmers with information stored in the computer at the University of Kentucky campus in Lexington. The information is from

four main sources: The University of Kentucky College of Agriculture, the National Weather Service, the Chicago Board of Trade, and the Mercantile Exchange. The farmer has access through a green box attached to his television which displays the data he requests right on his screen. His request is received and answers in a few seconds.

Farmers on this system relate that it has been useful in helping them make production and market decisions. They have at their fingertips the latest information on a pesticide recommendation, how fast a new weather front is moving in, or the up-to-the-minute price of corn at the Commodity Market in Chicago. The system has helped producers gain reliable information very quickly, and thus facilitate making sound decisions.

The program has been a pilot program in Kentucky. It is not available in many areas of the country, including Delaware. Such systems are probably on the horizon in many parts of the country. However, I think this type of "public system" may be obsolete before it is very widespread.

The relative low cost of small computers, coupled with the ease of operation may make the privately owned computer as essential and important to the farmer as his tractor and pick-up truck. This type of computer will not only give him access to a wide range of production and market information, but also help keep farm records and be a convenient tool for business and financial planning. The computer may soon be as big a part of the farmer's desk and office as a pocket calculator is now.

Letters to the Editor

As a like long resident of Harrington, I was always proud of our community and our school. We had one of the highest rated schools in the state and our adults took an interest in the education of our children.

Our community has just celebrated our Heritage Day with a lot of fanfare, but at present we are looking forward to a very bleak future.

Our children can't even get a decent education because our schools are more interest in extracurricular activities than in education. Our Lake Forest District can afford an olympic swimming pool and tennis courts at the high school, but our elementary and junior high students do not have books.

Our sixth grade students at Lake Forest South Elementary are making due with 35 English books for a class of over 100 students. When I approached the school board regarding this I was informed that this practice of all work being done in class and no homework was the teachers policy. After talking to the teachers I can tell you this is a lot of BULL! Not only do the teachers not get the books they need but they are given the ultimatum of take what you can get or do without altogether.

Our P.T.A. was disbanded years ago and since that time the standard of education in our area has gone swiftly downhill. Our teachers can teach and our children can not learn with out the proper utensils.

Take a look at your childrens book, that is the few that they have to bring home. The science books are over twelve years old and do not even mention the modern discoveries in space travel or communications. Do you realize how much our children are missing with books of this age? And English and science are not the only problem areas. There are also insufficient Social Studies books.

Our community has lost interest in our youth and our future when we permit this sort of deficit in education to continue year after year.

PLEASE, can't we have a little cooperation from the rest of your

parents in getting our P.T.A. going again and providing our children with the education they need????

Doris Wechtenhiser Draper

Dear Sir:

In just a little more than 2 weeks the voters in Harrington will be asked to decide the fate of their library by means of a referendum. Before they vote, however, I feel they should be made aware of exactly what is at issue. Being a property owner in Harrington myself, and being in a position to know the facts, I felt I should inform the voters.

The Harrington Public Library is not just a building full of books. We provide a wide range of services for every age and for everyone-the handicapped included. Through our library you may obtain films, records, talking books, braille books, and large print books. You may also borrow works of art to hang in your home. Through our Direct Rapid Interlibrary Loan service you have access to books at the Division of Libraries as well as the Wilmington Institute and the University of Delaware. We have over 5,000 books housed in our library for your use including the Delaware Code and a large collection of children's books. And for your convenience we subscribe to more than 30 magazines and newspapers. Through our rental plan we have 40 new books (bestsellers) every month.

We provide children's programs during the summer and films every Thursday after school.

All of these services for \$9,676-including the Librarians salary of \$4,576 per year.

Now that you know the facts, the choice is yours on election day.

Sincerely,
Christine K. Hayward
Librarian, Harrington Public Library

Chipman Scrimmages with Laurel

by "Gabby"

The Chipman Jr. Spartans home opener with Laurel was cancelled, it is understood, by the fact that Laurel had only had a week of practice and was not ready. So a scrimmage session between the two teams took place instead of the scheduled game. Nevertheless the youngsters had a decent size crowd of spectators.

The coaches showed good judgement because Laurel was definitely out-classed and it would have been senseless to risk injury. Old "Gabby" was glad to see that quite a few fans showed up and stayed even though no regulation game was played.

In a fast action hockey game last Thursday the Chipman hockey team defeated Wm Henry of Dover by a score of 2-0. This was accomplished by Elizabeth Watkinson and Beth Reed scoring a goal a piece. The Chipman defense made it easy for their teammate goal tenders to register a shut-out.

Lake Forest's Soccer team played Sussex Central to a 1-1 deadlock on Tuesday at Lake Forest. The Spartans took the lead in the first half when Alan Courtney hit the net on a penalty kick.

Sussex Central rebounded in the second half with a goal by Fred Walls after an assist from Stan De Celles. The Spartans had 21 shots on goal to Centrals 6.

Then on Thursday the Spartans hosted the Riders from Caesar Rodney. The Riders took a first half lead on goals by Scott Gordon and Herb Krebs. The Spartans evened it up in the second half with scoring shots by Jimmie Schuman and Bobby Dyer.

Gordon and Krebs then repeated their first half feat to give CR a 4-2 victory.

Floyd romps as Lake Forest beats Woodbridge 40 - 22

by "Gabby"

Lake Forest's Spartans had things pretty much their own way in the first quarter against Woodbridge at Bridgeville Friday night. They piled up a 26-0 score by the end of the first quarter. Kevin Smith started it with a 24 yard pass reception from Brian Gladden. The kick for the extra point missed.

Nate Floyd then scored on a four yard run. Gladden's kick was good. Next came Jeff Deshields with a run of 50 yards for a TD with Gladden hitting again. On their fourth possession the Spartans scored again with Nate Floyd hitting paydirt again with a 30 yard gallop. The two point pass attempt failed.

hit the scoreboard first with a one yard run by Callahan. The extra points pass by didn't work. The Spartan's retaliated with Dale Benson snagging a Gladden pass for a 41 yard TD. Gladden's kick was good.

It looked like a different Blue Raider team came on the field for the second half with the defense standing out. In addition to holding the Spartans scoreless in the third quarter, they blocked a Gladden punt and Willey fell on it in the end zone for a Woodbridge score. The Raiders added two more on a pass from Banks to Neal. On the following Spartans possession, Willey recovered a fumbled handoff setting up a score on Callahan's two yard run. Callahan added two more on a pass from Banks.

The fourth quarter saw an exchange of interceptions with Jim Dennis intercepting Gladden's pass on his own 35 and running it back to the Spartan 48. The Dale Benson got revenge by intercepting a Woodbridge pass. On the next play Nate Floyd streaked 51 yards for his third touchdown of the game. Gladden added the final score with a good kick, making it Lake Forest 40 Woodbridge 22.

Besides his three TD's Nate Floyd had 174 yards rushing with 13 carriers. Jeff Deshields followed with 106 yards. Gladden passed for 116 yards in the first half but couldn't seem to hit the target in the second half.

Harriers defeat Indian River

by Keith S. Burgess

Indian River cross-country team is the first such team in several years, at that Sussex County school. Coach Joe Palermo, therefore has to start from scratch, without one single harrier veteran.

Against Lake Forest, a school with more experience than any downstate team, dating back to 1957, the Indians could offer only token resistance.

At the one mile point, Lake Forest had the first dozen or so runners. The visitors Handy rallied to finish tenth and ran well enough to show promise for the future.

Jim Blades Spartans are 3-1, for 1980 as Jay Howerin and James Lofland ran 15.25 and 15.31, for first and second. George Barnett and John Greene were three seconds apart as the hard working, Greene set a new personal mark (15.56).

After Maurice Coverdale in fifth, came Ken Kline in a lifetime best of 16.10. Tom Silksworth completed the top seven scorers, as Lake Forest racked up a perfect 15-50, for the second time this fall, on the 2.7 miles local course.

Larry Guessford and Rob Manaraze, set new personal marks of 16.26 and 16.30, respectively. After the first Indian came Charlie Benson, Chris Caskey, Jerry Mosley and Mike Grogan, each one running faster than every before.

Gina Turner, a very courageous young lady, has bronchitis and sore legs but continues to fight very hard, as she tries to regain the form, that established her as one of the girl runners, on the Delmarva Peninsula.

Meanwhile, at Lake Forest and many other schools, boys with the slim body structure which most, but not all, top cross-country runners are riding the bench, as members of the other fall sports teams. More power to those who are achieving something in other sports, but many of them will never rise above mediocrity and don't have enough brains to know it. Sheri Coburn is another excellent dist off runner with loads of courage, who is sidelined, by injury. It takes lots of guys to run cross-country. Only a small percentage of todays youth apparently qualify.

Layfayette Bell the No. 1 Chipman runner was clocked in an excellent 17.13. Bell's time would have beaten all Indian River runners save one. It also moves him to No. 6 on the all time W.T. Chipman School list. Rick Silksworth, another eighth grader, also set a personal mark of 17.49. Danny Haines and John Norris were third and fourth. Norris, a seventh grader, ran his first race ever and did a beautiful job. Others to run well were: Jeff Caldwell, Tom Milligan, Len Catalano, John Anderson and John Ottinger.

Morris brothers run at Ocean City

Brad and Nick Morris continued their running ways at Ocean City's 10 mile sun run this past Saturday. In a field of over 1,000 runners.

Brad's time of 69:34 placed him at 139th. Nick placed 161st with a time of 71:11. Both bettered their previous personal records by 7 minutes. For their effort, they were each awarded a bronze medal which was awarded to the first 200 finishers. Brad and Nick are former cross-country runners for the Harrington school district.

TOP HORSEMEN RATE THE LEADING SOPHOMORE PACERS

Horseman of the week, DELVIN MILLER, a Hall of Fame horseman, continues to be a major force on the Grand Circuit at age 66. He has won races all over the world and is considered the sport's good-will ambassador. His top sophomore pacer in 1980 has been the consistent Tyler B.

"Nobody's going to beat Niatross. If you asked an artist to paint a horse, and wanted him to paint the perfect animal, you'd get a picture of Niatross."

"NIATROSS is just a great horse. Everyone's always asking me is he could have beat Bret Hanover, Adios and all the other great champions. No question about it. He'd have beaten them and all their records. He's a the easiest-going horse for speed and he's the right size. The horse doesn't take anything out of himself. The only place I can fault that horse is that he doesn't have a pretty head as some horses, but that's not here nor there. I was as Lexington when Billy Direct went in 1:55--that was sensational; I was there when Greyhound trotted his championship miles and thought that was great. Niatross really didn't surprise me. I predicted 1:50.2, but I told friends not to be surprised at anything he did. I told one person he might pace in 1:49. I don't think any horse will beat

his (1:49.1) record for five or six years-unless he beats it! He's about two or three seconds better than the other 3-year-olds out this year...JUST IN PASSING has got the ability to go free-legged as he did October 1 when he time-trialed at Lexington in 1:53.2. He's a great looking horse, great-gaited and everything. He could go on to be a heck of a horse if he races another year...I think TYLER B can beat 1:53 in a race. STORM DAMAGE, most days, could beat Tyler B. and was probably capable of going in 1:52 under the right conditions. I'd have rated Storm Damage highly, but he's been retired to stud. As for Tyler B., he was a bit ill the last few days of Lexington's meeting. The only reason we raced him in The Tattersalls Pace (Oct. 3) was to get a race into him before The Messenger. He wasn't quite as sharp as he's been, but he's still a good horse. Look up his record. The colt's been very consistent, won over a half-million dollars. He doesn't pull or ram, races relaxed, and has got speed for a big horse. He's raced well on half-mile tracks. He felt awfully good when we trained him last Sunday morning. He'll be right for the Messenger...TREN-TION TIME didn't act like himself at Lexington. He may be better at Roosevelt since he seems to favor half-mile tracks. Billy's (Houghton, trainer of Trenton Time) a smart

horseman. He'll have the horse ready. I don't think BRUCE GIMBLE is quite as good on a half-mile track. He was super at Lexington, beat our horse. But I don't think he can really beat the top ones all the time. He's raced good this year. Don't sell him short. He'll improve in another year if they race him...FUNDAMENTALIST has got speed and can go good...Post Position means a lot in a race over a half-mile track. The draw for The Messenger will be important to most of the horses. You won't see anyone going for records in the race. They've got the records. It's just a question of how easy Clint (Galbraith, trainer of Niatross) can win when he claims the Triple Crown... This year's group of 3-year-olds is the best that's ever been. I think Niatross could beat all the Free-For-All pacers out today and the other sophomore pacers would give them a pretty good race. But I don't expect any of them to try older horses this year.

SOPHOMORE PACERS IN ACTION RECENTLY:

Niatross time-trialed in 1:49.1 on Oct. 1--the fastest mile by a harness horse in the sport's 174-year history. Justin Passing time-trialed in 1:53, 2 on Oct. 1. Bruce Gimble won The Tattersalls Pace in straight heats of 1:56.1-1:57.1 on Oct. 3. Tyler B finished second in both miles and Trenton Time was third twice.

Georgetown, De.-When the excitement of summer has passed but before the winter blahs set-in, Sussex County 4-h'ers and Leaders create their own excitement, the Annual Achievement Banquet. This is a long anticipated event as 4-H'ers are recognized for their outstanding accomplishments.

Faith McIlvain, Vice-President of the Jr. Council served as emcee for the evening. Following the American and 4-H pledges led by Jenny Smith, Bridgeville Livewires, Kirk Messick, State Line and Chris Kittila Seaford Blue Jays, and Chris Majchrzak, Sandy Fields all enjoyed a delicious meal.

Excitement filled the air as County Awards were presented. To qualify for an award, 4-H'ers must complete a record book and submit it for judging. It was evident that many successfully completed more than one.

Trophies and plaques were sponsored by William Vanderwende and Sons Mr. and Mrs. Dennard R. Hill, A.W. Perdue and Sons, and the Sussex County Livestock Club.

Scholarships were provided by Paramount Poultry, Inc. a division of Cargill's Inc. 4-H Jr. Council, Sussex County 4-H Leaders' Association, Seaford Blue Jays 4-H Club and friends of Steve Cooper.

Highlight of the evening was the announcement of the 1980 State winners. These 4-H'ers will travel to Chicago in November to participate in National 4-H Congress.

Individual winners were now the only ones receiving awards. Clubs, leaders, and Jr. leaders were also recognized. Twelve clubs received a blue seal for their outstanding work Local ones were: Bridgeville Dublin Hill, Greenwood, Hi-Flyers.

Standing behind every 4-H'er is an understanding and dedicated adult volunteer leader. Leaders receiving their basic leader pins were: Landy Correll, Charles Baker, Fay Friedel, Joyce Hastings, Karen Johnston, Dottie Miller, Regina Thek, Myra McCarron, Allan Kittila, Madeline Rementer, Eddie Justice and Clay Vincent.

Leaders receiving 5 year awards were: Dorothy Loockerman, Blanche Gundry, Pat Wheeldeon, Susan White, Dan Vanderwende, and Becky Vanderwende.

Ten year pins were awarded to Pat Correll and Bette Phillips. Neva McClary received the 15 year clover, Carlene Jones the 20 year clover, Grace Hastings the 25 year clover and Mrs. Alphonso Evans the 30 year clover.

This year six new members were inducted into the Link Association. This group consisting of 4-H Alumni provide financial and physical support for the Sussex County 4-H program. The chain of Links will be strengthened by: Dorothy Loockerman, Bridgeville; Vance Phillips and Clay Vincent, Laurel; Karen Taylor, Seaford and Sarah HuKill and Pam Knopp, Lewes.

SPECIAL NOTICE

NOTICE OF SPECIAL ELECTION TO TRANSFER TAXES FOR SCHOOL PURPOSES TO BE HELD IN LAKE FOREST SCHOOL DISTRICT

NOTICE IS HEREBY GIVEN that a Special Election shall be held on the 28th day of October, A.D. 1980, in the Lake Forest School District, pursuant to a resolution adopted September 15, 1980, by the Board of Education of Lake Forest School District in accordance with the provisions of Chapter 19 of Title 14 of the Delaware Code, as amended, in order to permit the voters of said School District to vote for or against the transfer of taxes for school purposes by reducing the rate of taxation for DEBT SERVICE from the present rate of thirty-five cents (\$.35) per One Hundred Dollars (\$100) of assessed valuation to twenty cents (\$.20) per One Hundred Dollars (\$100) of assessed valuation of the real estate in the School District, and increasing the rate of taxation for CURRENT EXPENSE from seventy-five cents (\$.75) to ninety cents (\$.90) per One Hundred Dollars (\$100) of assessed valuation of the real estate in the School District, pursuant to and in accordance with Chapter 19 of Title 14 of the Delaware Code, as amended. The Purpose of the proposed additional taxes is as follows:

Providing additional operating funds for school educational programs to partially offset cost increases due to inflation of the national economy. The polling places for the election shall be the school buildings maintained by the School District, located at Frederica, Harrington, and Felton, Kent County, Delaware.

The polls for said election will be open at one o'clock P.M., and will remain open until eight o'clock, P.M., Eastern Standard Time.

At said election voters will be provided with ballots upon which are printed the words "FOR TAX TRANSFER" and "AGAINST TAX TRANSFER", each followed by a blank square in which the voter shall place a cross mark in the square after the item for which he wishes to cast his vote.

Every citizen, male or female, residing in said school district on the day of the election shall be deemed to be a qualified voter and entitled to vote at said special school election, regardless of whether he or she is a registered voter at the time of said election.

By order of the Board of Education of Lake Forest School District.
Dated: September 15, 1980.

Dear Friends,
Our basic fears about death often deter us from making plans adequately to protect our families upon our death. We seem to feel that if we don't talk about death or make necessary plans, death will not come. By not arranging for the inevitable, we usually cause greater problems for our survivors.
