Referendum May Decide Library's Future

On Monday afternoon the Harrington Public Library was busy with students working on reports for school. Next Tuesday's referendum may decide whether they continue to have that resource available.

Tuesday's national election date is a special day in the state and across the nation. But for Harrington voters there is an additional decision to make as they are asked to come to a separate poll to express their opinion on the fate of the Harrington Public Library.

Next Tuesday, Nov. 1, 1980, from 12 noon until 7 p.m., in the new Fire

Company building, the City of Harrington will conduct a public opinion referendum on the question: "Do you wish the City of Harrington to fund the Harrington Public Library with direct or indirect taxes?" While the outcome of the referendum is not legally binding, it is expected to influence the voting of Council members as they decide whether or not to

give the library the \$4500 allocated in the proposed 1981 budget.

The referendum question proposes neither the raising of taxes nor the creation of a new tax. It simply asks whether voters want some of their tax money used for the purpose of funding the library. The money is already there to be used. The Harrington Public Library

opened its doors in July of 1978 after the City of Harrington accepted an offer by the State Division of Libraries to provide a building and pay for the first two years of service. The understanding was that the city would provide the location for the building. It was further understood that the community could keep the

Newman Says "Keep the Library"

"The library, by itself, would never cause us to raise taxes... (and) to make the library bear the brunt of it, is definitely wrong and unfair," said the Reverend Ray Newman, Harrington City Councilman, in the face of the questions about the upcoming referendum concerning the fate of the Harrington Public Library. He further stated, "I am in favor of having the library and keeping it. I feel we ought

to keep it and at least give it a chance to work."

Pointing to the library's programs and educational benefits to the community, the Reverend Newman said, "If we lose it now, it's gone." He also said he would be in favor of the library even if it meant establishing a direct library tax, but he underscored the fact that the money requested to

Wyatt Speaks Out Against Library

This week Councilman Jack Wyatt expressed his views on the upcoming referendum vote on the Harrington Public Library. "First of all, I am not against the library. I am looking to the future. In the '80 budget we allowed \$3000 for the library, and in the '81 budget, they are asking for \$4500. It appears to me that each year they will be asking for more and more. Where are the funds coming

from? When the library issue first came up, the Council did not at that time take into consideration the future as far as finances were concerned. At the time, I was opposed to a library. I felt then as I do now that we could not afford a library... unless we raise the needed revenue. This is why I sought a referendum... so the taxpayers can

Felton's Fletcher Nursing Home Purchased by Slutters

The Fletcher Nursing Home, long an institution in Felton, will change ownership and change its name after Friday, Oct. 31. The nursing home, started at least 26 years ago by Eva Fletcher and her son and his wife Mr. and Mrs. Ernest Fletcher has been purchased by Jim and Rose Sluter of Felton. After Friday it will be the Golden Years Manor.

The Slutters will continue to operate their other business-J & R Gift Shop-in Felton, and Jim will continue with his job as a technician at Avenue Medical in Dover where he has had seven years of experience fitting braces and artificial limbs.

In the meantime, Rose Sluter is going to school at Del Tech to become qualified as a nursing home administrator.

Equipped to handle ten patients now, the nursing home is undergoing renovation to meet state standards for an increased patient capacity of about 14.

The Slutters will also be employing

a new staff. They are accepting patients now.

Citing age and health as reasons Eva Fletcher says she is ready for retirement. She bought her son's interest in the home some years ago, but he continued in the capacity of administrator. He is also involved in the insurance business. Another son, Francis, and his wife have been owners of a convalescent home in Felton.

Mrs. Fletcher, formerly Eva Mae Killen, was born in 1903 about five miles west of Felton. Later, she spent some years in Trenton, NJ, where she met and married her husband. The Fetters subsequently moved to Harrington and then to Felton. Mr. Fletcher was employed by the railroad.

Some nurses' training sparked the interest which led Mrs. Fletcher to open the nursing home. But now she says, "I think I've served my term," and seems ready to pass the business on to new hands.

Library Referendum

building so long as it remained in use as a library. After the initial two years, the state funding would end and the local community would have to look for ways to pay for library services. The City Council accepted the state's offer, purchased ground for the library and appointed an Advisory Council to guide it.

When the 1980 budget was approved, the Council agreed to include \$2,644 to fund the library for the final quarter of the fiscal year to cover the gap left when the state ended its direct support in July.

For the final quarter of 1980, the money appropriated by the city was 100 percent of the library's budget for that period. The \$4500 proposed for allocation to the library in the city's 1981 budget is just 46 percent of the library's total budget for the year-\$9676. It is just about enough to pay the salary of one part-time librarian. The library's budget breaks down into the following categories:

Personnel (1 person/25 hour week)	\$4,576
Utilities	480
Book Collection (Rental fees for keeping current books-best sellers-on the shelves)	4,320
Magazine and Newspaper Subscriptions	300
Total	\$9,676

Circulation figures show the Harrington Public Library has served 9,380 persons and circulated 27,601 articles (books, magazines, films, etc.) in its little more than two years

of existence.

Currently the library houses a permanent book collection of some 4500 to 5000 volumes. In addition, the McNaughton Plan a rental system, makes it possible each month to add 40 new titles selected from best sellers and books in demand. These are replaced as demand dwindles.

The DRILL (Delaware Rapid Inter-Library Loan) program makes almost any book or library item available to Harrington library users within a few days at the most. A number of other services are available, and the library has initiated and participated in a variety of community programs: after school films, a macrame class puppet shows, Heritage Day celebrations and others.

In contrast to the two hours every other week previously provided by the Bookmobile, the Harrington library is open to the public 25 hours each week. There is no charge to those who use its services.

Next Tuesday's referendum will be held at a separate location - the Harrington Volunteer Fire Company's new building - from the general election polls. For those who usually vote at the local fire hall it will be a matter of only a few steps to indicate their preference on the city referendum. But for those whose polling place is at school, it will mean an extra stop.

Harrington residents 18 and older are eligible and encouraged to vote. (See separate Journal article for two opposing views on the library question).

Book Fair Earns \$550 for School Library

A successful fall book fair at Lake Forest South Elementary recently earned \$550 for the school library. According to the librarian, Jo Anne Clough, the money will be spent to buy films for the library. These are loaned to the classrooms so that all the students can enjoy them.

In addition to the students who purchased books and posters during the day, a number of parents stopped in on Tuesday evening, November 14, during South's open house, to support the effort.

Book Fair Poster Winners Announced

As part of the advance publicity for the book fair, Mrs. Clough conducted a poster contest. This drew 146 entries in second through sixth grades. The two winners selected at each grade level are as follows:

Second Grade:First-Thomas Webster Second-Dawn Schaffner. Third Grade: First-Abby Adams, Second-Earle Dempsey, Fourth Grade:First-Linda Wittle, Second-Tammy Melvin. Fifth Grade: First-David Banta, Second-Myko Yeomans, Sixth Grade: First-Marvin McDonald, Second-Genia Rash.

The \$3 first prizes and \$2 second prizes were awarded in merchandise from the fair.

In addition to the prize winners, twelve entries were selected for honorable mention. These were contributed by James Ewell, David Welch, Aquilla Coleman, Roger Trice Julie Paskey, Dawn Roberts, Vincent Donato, Christ Minner, Leroy Lahman, Diana Hayward, Dawn Walls and Scott Rust.

Mr. Simeon V. Bullock celebrated his 95th birthday last Tues. Oct. 21 pictured is Mrs. Walter [Marie] Messick, his daughter, who gave him a sweater for his birthday Mrs. Messick visits him 3 times a day doing his housework and gathering wood for his stove. decide. If the taxpayers would like to see the library stay, then we should place a library tax on them. We did not have to raise taxes this year because the police brought in enough in fines to offset that. We must look to the future...will we always have the

needed funds for the library? I am asking the citizens of Harrington and especially the citizens of the first ward to give this considerable thought. Your vote will be my decision to either raise taxes or establish a tax to keep the library.

Newman

(Continued from Page one)

fund the library this year is already available in the general fund as indicated by the proposed 1981 budget. "This year," he said, "to keep the library, it is not necessary to raise taxes."

Asked about future years and whenever the library, alone, would ever make it necessary to raise taxes, Newman replied, "No! I don't feel that the library in itself would ever cause us to raise taxes."

Inflation, he said, has increased the cost of many city services. But he questioned whether the city would seriously consider dropping those services because of increasing costs and called it "wrong and unfair" to make the library "bear the brunt".

As example of increasing costs, Newman pointed out that at its most recent meeting, the Harrington City Council found it necessary to up the fees for water and sewer hook-ups

and heard that the cost of trash disposal may drastically increase. Just last year, he pointed out the need for 24-hour police protection for homes and businesses in Harrington resulted in the city's adding a fifth man to its four-man police force, a 25 percent increase. And he doubted the city would drop police protection or trash pick-up because rising costs might result in higher fees or increased taxes.

Newman also mentioned the fact the library is asking for only about half of its budget from the city and that a number of organizations and individuals in Harrington have considered important enough to give it their support. These include financial support in the form of individual donations and fund-raising efforts by such groups as the Harrington Janecees and the Friends of the Harrington Public Library.

Gabfest

by Pat Hatfield

Theses cool days make us think of the fun of being in the kitchen, cooking up something tasty. It is a time, for hot apple cobbler and homemade breads.

I've been looking over the precious old cookbook loaned to me by my neighbor, Kathryn Richards; and, under the recipes for cakes, there is this little poem:

"Breathes there a man with soul so dead He loves not new-baked gingerbread? Who, stepping through the kitchen door, On baking day sees goodly store Of fragrant, amber-shadowed cake, And, half-unconscious, does not break A ragged chuck! Ah, toothsome bliss! He is a churl who knows not this."

Here is my own favorite recipe for gingerbread which I have used for 52 years. It is good, and takes only one egg.

Cream 1/2 cup butter and lard mixed. (I use Crisco). & 1/2 cup sugar Add one beaten egg and 1 cup of cooking molasses. Sift the following ingredients and add: 2 1/2 cups flour, 1 1/2 teas. soda, 1/2 teas. cloves, 1 teas. cinnamon, 1 teas. ginger, 1/2 teas. salt. This mix will be stiff. Now add 1 cup of very hot water and beat until smooth. Bake in greased pan about 350.

In the old cookbooks I notice that the recipes for dessert become very expensive by today's standards. I'm so anxious to try one of the Corn-starch cakes. Here is one from the Rural Cook Book. "2 cups of white sugar and 1 cup of butter creamed together. (Old time cooks did this

creaming by hand, and claimed that the heat of your hand made a creamer mix). Add 1 cup of sweet milk, the whites of five eggs beaten until very stiff, 1 cup cornstarch, 2 cups of flour, 2 teas. baking powder and 2 teas. of extract of lemon. (I would probably use vanilla). Bake slowly in moderate oven.

Did I tell you in a previous column about the astonishing paragraph under cakes? It says: "When eggs are short in winter, snow may be used as a substitute- one of the R.N.Y. housewives says, and that 1 cupful of snow, beaten in after the ingredients are put together, is equal to two eggs."

Can you believe that? How can this be? And who in the world was the brave Colonial housewife who dreamed it up?

We are now feasting on fall apples and making all kinds of desserts with them. I made Ellen Apple Pies for her birthday and she said she enjoyed it more than the traditional cake. When Dad's birthday comes, I usually make his favorite sweet potato pie and sometimes, also, his applesauce or carrot cake.

Yesterday I was doing a roast for the oven so I made an Apple Crisp to use all the oven heat. When I was a little girl my mother made this but it was called "Brown Betty" in those days. The one I made just now had a new twist. It came from the Wood-bridge Band cookbook. Along with the dry mix to sprinkle over the sliced apples, you add one unbeaten egg & toss it with fork. Very Good.

St. Stephen's Episcopal Church

Twelve couples renewed their marriage vows last Saturday night at St. Stephen's Episcopal Church. The Marriage Ceremony began at about 6:15, after a fifteen minute "rehearsal" in the parish hall. The couples, who have been married anywhere from 3 years to 47 years, entered together to the "Wedding March" and assembled in the front pews of the church. The marriage ceremony was conducted by the Reverend Bruce Shortell, with his wife at his side, as all couples renewed their vows. Scripture readings were done by Ken Correll, Earleen Stanley and Bob Evers. Those who had new wedding rings or rings that had not previously been blessing, had them blessed as part of the service.

After mutual congratulations in the parish hall, most of the couples ate dinner at the Sheraton Inn in Dover, and shared stories about their original wedding day.

Letters to the Editor

Days of Our Years

October 27, 1950
Elwood Gruwell was re-elected president of the Harrington-Felton local of the Interstate Milk Producers Cooperative at its annual dinner meeting Wednesday night at the Firehouse.

Renny French, son of Mr. and Mrs. Reynolds French, celebrated his birthday by having a party for his little friends. Among the 42 guests were Arty Taylor, Susan Brown, David Brobst, Elma Ray Masten, Gayle Umphlett, Kenna Jo McKnatt, Paul Callaway, Billy McColley Douglas Mills, Barry Fry, Johnny Greenhough, Fred Greenly, Jr., Charlotte Rapp, Ronald Hughes and Ricky Tee.

Four horses piled up in a spectacular spile at the Yonkers Raceway harness track Tuesday night sending two drivers to the hospital and seriously injuring one of the racers. My Scott, second on the rail took a misstep and his driver, Paul Vinyard, said he couldn't hold him...My Scott suffered a broken leg...My Scott's owner, Reese Harrington, telephoned from Harrington, and instructed his groom to do all possible to save the 10-year-old black stallion, but it appeared the horse which has won \$3280 this year would have to be destroyed. The ten-year-old pacer, affectionately known as "Scotty" and considered one of the finest race horses on the peninsula...was buried yesterday in the infield at the Kent & Sussex Raceway where he had run his last race during the recent meet...My Scott, also known as "the iron-healed horse of Delaware," was sired by His Majesty out of Black Maria, one of the toughest horses to come out of New Jersey.

Twenty Years Ago

Saturday, October 29, has been designated as Homecoming Day for Harrington High...Our varsity squad meets with John McClayton's football team on the local gridiron in what promises to be a very exciting game.

Prior to the game a parade will be held in honor of the occasion. The homecoming queen, Miss Kathy Holmway, and her court, Suzi Collins and Delores Brown, will reign over the parade. At half-time, George Pfeiffer one of our star contenders, will crown the queen.

A fire hasn't got a chance at Frederica School...A new, automatic fire detection system has the school bugged around the clock.

At the October 12th meeting of the Felton Community Firemen's Auxiliary, the following officers were elected and installed, president, Mrs. Harry Clark, vice president, Mrs. Everett Warrington; recording secretary, Mrs. Johnnie Dill; assistant recording secretary, Mrs. Charles Bostick; financial secretary, Mrs. Pearl Delong; assistant financial secretary, Mrs. William Green; treasurer, Mrs. O.B. McGinness and assistant, treasurer, Mrs. George Harrington.

Felton

by Shirley Warren 284-4313

Saturday, October 25, Raymond and Shirley Warren and family Ray Jr. Cindy Dyer, Sharon and Jay ate oysters and crabs at the Tilghman Island, Md. I am sorry to say that was all we enjoyed because it rained and the wind blew all day.

The Manship United Methodist Church near Felton was the setting for the wedding of Donna Jean Kemp and Terry Lee Calhoun on Saturday October 11. Reverend Lawrence Berry performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Harry C. Kemp of Felton and the parent of the groom are Mr. and Mrs. Leroy Calhoun.

Given in marriage by her father. The bride wore a floor length gown of organza and venise lace with Bishop sleeves, Queen Anne neckline. The gown trimmed with venise lace over a deep ruffled shirt that fell into a chapel length train. A matching camelot headpiece was attached to a walking length mantilla veil. Donna carried a cascade of white carnations, red roses, baby's breath and ivy.

Serving as her sister's Matron of honor was Marsha Jester. The bride-maid's were Connie Harrington, friend of the bride, Karen Wothers, cousin of the bride and Shelly Calhoun, sister of the groom. The flower girl was Carrie Leigh Jester,

Births: Oct. 20-Mr. & Mrs. Laurent Herbert, Harrington, girl; Oct. 23-Mr. & Mrs. Clayton Bender, Harrington, boy; Oct. 25-Mr. & Mrs. Frank Rose, Felton, boy.

To Our Readers: Beginning November 14, 1980, the yearly "paid in advance" price of the Harrington Journal will be 3 per year. Copies sent out of the state will be \$3.50 per-year rate. Single copies will sell for 7 cents each...After November 14, three-year renewals will be \$7.50.

Gals to Race at Harrington-For the first time on the Delmarva Peninsula, the gals will be battling it out in actual harness racing competition tomorrow evening...

...the final week of action at Harrington's Silver Anniversary meeting. Among the competitors who'll be up behind Class C-3 pacers are Janice Murling Lofland of Georgetown and JoAnne De Berr of Felton.

Simeon V. Bullock celebrated his 85th birthday Wednesday. A family gathering was held Sunday evening at the home of Mr. & Mrs. Walter Messick.

The United Fund Drive in Harrington is 80 percent complete says David Jones, local chairman.

Dennis Wright, a 13-year-old freshman harrier, led Lake Forest's javees to close second place finish in the junior division of the Lake Forest Invitational... Chris Adamo has improved steadily all season.

The Secretary of the Navy has awarded Roger E. Brown, Gunner's Mate 2nd class, U.S. Navy, the grandson of Mr. and Mrs. Elmer Brown of Harrington, The Purple Heart, the Bronze Star Medal with Combat "V" and Navy commendation medal with Combat "V".

At Harrington Raceway, driver Jack Parker, and owner, Ed Hemby of New Market, England, accepted The Harrington Journal Trophy presented by Mrs. Carrington Burgess, wife of the publisher of the local weekly. Hemby's six-year-old Burns Hanover gelding, Billy Burns, won the event in 2:12 2/5.

New senior class officers at LFHS are Aleta Mason, Beverly Calloway, Karen Besselleu and Ned Parsons. The officers of the junior class are Thea Quillen, Terry Hart, Gail Cohee and Mike Davis.

There is absolutely no truth to the rumor that Bruce Burton spent the weekend in the pressbox at W.T. Chipman School, Harrington. The lovely young football Spartan had received a broken leg earlier this season. He had been carried up the steps to the press box by Lake Forest High football coaches Bill and Tom Muehleisen, prior to the start of the Laurel-Lake Forest set-to. When Lake Forest scored twice in the last two minutes to win a 14-13 thriller, the excited brothers Muehleisen forgot their wounded warriors, and the latter had to catch another ride from the lofty perch.

Dear Editor:

As fifth-graders at Lake Forest South in Harrington, we need to help support the Harrington Library.

We might need a book to do a report for school. The library in the school might now have the book we want to do our report on. Another reason is it's a very good place to study.

Sometimes it even shows movies for you to watch. They have movies for girls and boys and sometimes they have cartoons. I'm asking the people of Harrington to vote yes on the Library Referendum on November 4, at Harrington firehouse.

Sincerely,

Dear Editor:

As fifth-graders at Lake Forest South in Harrington, we need the Harrington Public Library.

We need a nice quiet place to study. The Library is open to all people to use. They show movies too!

For these reasons we ask the voters of Harrington to vote yes on the Library, Referendum on November 4th, at Harrington firehouse.

Sincerely,

Tracy Brown, Chris Minner, Donnie McCloskey, Dena Russum, Rhonda Poore, Cathy Stubbs.

We are the students of Mrs. Shaw's 6th grade class, Lake Forest South Elementary School. We want to urge all registered voters to vote "yes" for the Harrington Library Referendum issue. We are not old enough to vote but the library is very important to us.

We use the library for extra reference material for school projects. We borrow books for pleasure reading. We enjoy the films that the library shows.

Some of the our parents use the library. We had heard that many senior citizens use the library. It is a quiet and peaceful place to go. It is warm in winter and cool in summer. Since the since the books are loaned free of charge, this is an inexpensive way to read. We really do need our library! Please vote "yes" on November 4th.

For parents, I would like you to vote yes, to keep it open. The date is Nov. 4th at the Fire Hall from 12-7 p.m. It will not raise taxes. If you vote "no" that means our town will not have any of these things.

Some movies they have on every Thursday are educational and are very interesting.

Thank you, Stacy Bond

Dear Editor:

Dear Editor,

We would like to keep Harrington's library in Harrington. We want our parents to vote "Yes" for the referendum on November 4, 1980.

We like to use our library to help us read better. Some of us go because we just like to read and can find books on many subjects there. Sometimes we go to see the films on Thursday. Others go to read about different careers. Some of us just like to go and look at the many different books.

We feel that reading is important in helping us to become better citizens. If we have a library in our own town more of us will use it than if we had to drive to another town.

Yours truly, Mrs. Collins 4th grade

To the Citizens of Harrington:

Harrington City Council has called for a referendum Election Day, Nov. 4. The referendum asks whether the citizens of Harrington wish city money, through direct or indirect taxes, to be used to support the library. A "yes" vote on the referendum does not mean City Council will raise taxes to support the library. The \$4500, requested to support the library is already in the proposed 1981 city budget. A 1980 surplus makes it possible for the city to fund the library, plus a number of other things, and still end up with a balanced budget.

In the referendum, the city is simply asking for your opinion on whether to use money it already has, or anticipates having, as revenue for the coming year to continue library services here. Almost all of the money the city has to spend on indirectly (federal revenue sharing funds from federal income tax dollars, etc.)

The city has already spent some of your tax dollars to buy the land on which the library building sits, and to fund the library from the end of July until October. The library was accepted by the Harrington City Council early in 1978. The state supported the library for its first two years with the understanding that the local community would look for ways to continue its services thereafter.

The library is asking the city for only a portion (\$4500) of its \$9876 budget for the year. The library has been promised some revenue sharing funds from the Kent County Levy Court. Also, all profits from fund raising activities of the Friends of the Harrington Public Library go toward support of the library. In addition, the Harrington Janecees have very generously made the library their project for the year, and will be conducting many money-raising events during the year.

The Friends of the Harrington Public Library are asking for your "yes" vote on the upcoming referendum.

Sincerely Friends of the Harrington Public Library

Harriers Rout Smyrna, Dover

by Keith S. Burgess

After a one-point loss to unbeaten Sussex Central, Lake Forest got back on the winning track by easily winning cross county meets from Smyrna and Dover.

Jim Blades Spartans are 5-3, with one meet left and thus have recorded another winning season, the 23rd in a row since the pioneer season of 1958.

The Smyrna and Dover meets were held at the three mile distance, instead of the the normal 2.7 mile distance in order to better prepare the teams for the upcoming state meet, to be held here, on Nov. 12th.

The state championship meet is to be held on a different, 3.1 miles or 5,000 meters course, at Killen's Pond State Park.

Smyrna's powerful giant, Eric Bryk raced three miles in a swift 16.21 to take individual honors, but the Spartans easily won the team battle, by a score of 21-38. Jay Howerin, James Lofland, Maurice Coverdale and George Barnet held the next four spots. After a Smyrna runner, in sixth, came the improving duo of John Green and Larry Guessford, to give the victors six of the first eight runners. Robby Manaraze on the comeback trail, after being hampered a long time by injury, ran very well, as did Tom Silkworth, who was only three seconds behind Manaraze.

Eighth-grader, Lafayette Bell, was outstanding for W.T. Chipman School as were Bill Haggerty, "The Irish Mail" and Rick Silkworth.

Good efforts were turned in by Jeff Caldwell, John Anderson, Tom Milligan, Len Catalano and John Ottinger.

Dover, like Smyrna had an outstanding individual as the Senator's Baustert, was first, but Spartan depth was too much for the visitors, enabling the locals to record an easy 22-36 triumph.

Running the three mile course for the second time, Jim Blades's charges were running faster times in almost every case. Howerin improved 24 seconds, Lofland 13, Coverdale 30 and Barnet 32, to again finish 2, 3, 4 and 5. Green improved 44 seconds, Guessford 29, Manaraze 22 and Silkworth 18.

Green and Guessford were 8th and 9th respectively.

Manny Hernandez and Terry Caskey, a pair of runners, who have ability, but aren't often sound of limb, managed to run well, in this one.

Other Spartans to show improvement were Jerry Mosley, Ken Kline, Mike Grogan, Charlie Benson and Mike Lamphier.

Lafayette Bell, a probable varsity top seven, next fall, ran 19.23 for three miles. Billy Haggerty, still only 11 improved a whopping 50 seconds, to 19.40. Jeff Caldwell, rated a good prospect, is now an excellent one after improving 88 seconds, in three days. Other seventh-eighth graders to do better this time were: John Anderson, Tom Milligan, Len Catalano, John Ottinger, Gary Price.

Dover showed up with a full girls team. Lake Forest had three distaff runners, but one of them Sherri Coburn is sidelined with bum wheels, in what was to have been her fifth harrier season.

Spartan Gina Turner improved 1 1/2 minutes to whip the entire Dover girls' team, and her sister Linda ran the race of her life to beat most of the visitors, but Lake Forest was three girls short of having an official team.

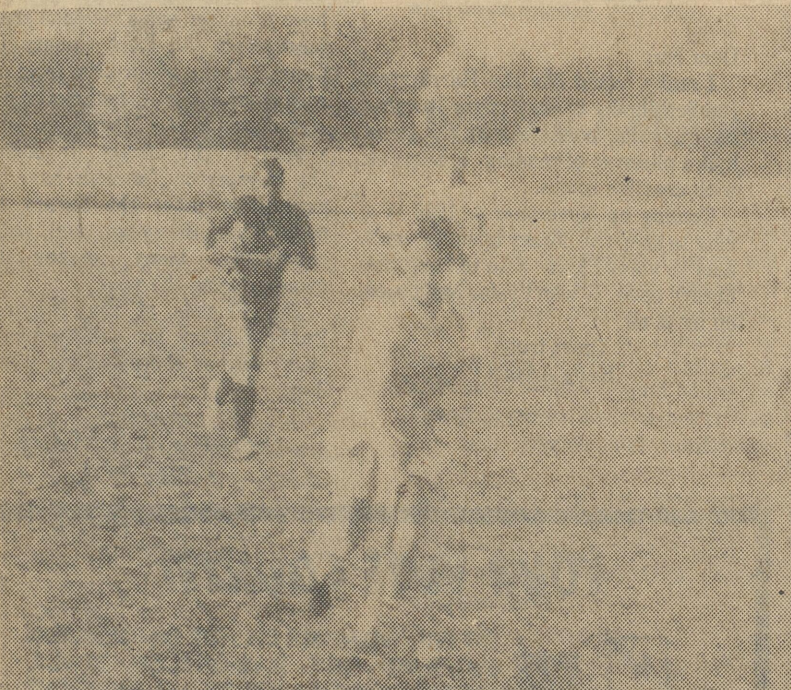

Spartans Jay Howerin and James Lofland come up beside a Dover runner early in Thursday's meet.

by "Gabby"

The Chipman Jr. Spartans romped against Sussex Central last Thursday afternoon at the Chipman field. The offense was led by Dana Murray with 40 yards rushing and 100 yards on pass receptions for 2 touchdowns and Michael Parker with 65 yards rushing with 2 TD' to his credit. Robbie Rennie completed 7 of 10 passes for 177 yards and 1 TD. A lot of credit must go to the offensive line for the protection for the passes and blocking for the runners.

The defense was led by Dana Murray with 9 tackles and William Scott with 8. Buck Bordley and Von Seth each had an interception to contain Central.

The Jr. Spartan's record now stands at 3 wins and 1 loss to a powerful Caesar Rodney.

Congressman Tom Evans is working...

For You

- He continually fights inflation by opposing legislation which wastes your hard-earned tax dollars.
- He cuts through government red tape for thousands of Delawareans.
- He successfully pushed through legislation to help people... from the young family who needs a hand in buying that first house, to older Americans who need protection in case of eviction from their apartment.
- He stands up to the powerful oil companies by supporting key legislation like the Windfall Profits tax, oil spill protection for Delaware, the Alaska Lands Act and an end to foreign tax benefits for oil companies.

For Delaware

- He led the fight in Congress to end harmful ocean dumping of sludge off our beaches.
- He got the money for vitally needed projects in Delaware, including the College of Marine Studies at Lewes, the deepening of the Lewes Harbor, navigational aids for the Delaware River and Bay, the improvement of our roads and highways, and the repair of the rail lines throughout our State.
- He battles for bills in Washington that mean jobs in Delaware, such as bringing the Coast Guard Research and Development facility to Lewes.

For America

- He believes that the leaders of our Nation should worry less about whether other countries like us and instead, should worry more about whether they respect us.
- He has consistently stood up for a stronger national defense, long before it became politically popular.
- He has successfully introduced legislation to strengthen and expand Voice of America broadcasts to the trouble spots of the world.

On November 4th, vote for Tom Evans

HE'S WORKING FOR YOU...FOR DELAWARE...FOR AMERICA

Understanding A.C.T.

On Sept. 17, 1787, the Constitution of the United States was presented to the States! The states refused to ratify the Constitution without a Bill of Rights. Therefore, on September 25, 1789, our Bill of Rights was submitted for final approval. Finally, on December 15, 1791, the Constitution with the Bill of Rights became the "Supreme Law of the Land".

From December 15, 1791 to NOW, every "public Servant" has been required by oath of affirmation to uphold and defend the Constitution of the United States of America before taking office.

You do not have to look very hard to realize that our "Public Servants" have not been upholding the Constitution...for a long time.

It is the duty of every citizen to preserve the freedom for which our Founding Fathers fought and dies. We, as a people, have neglected that duty.

Thus, the need for and rapid growth of A.C.T. and similar organizations has become quite apparent.

UNDERSTANDING AMERICANS FOR CONSTITUTIONAL TAXATION. The name being descriptive of its purpose, you will find A.C.T. to be an association of concerned citizens freely banding together for individual rights and protection. Through united strength gained, protection for YOUR HERITAGE (inheritance) as well is afforded.

Hundreds of study hours have gone into finding out about John Hancock and the other 55 men who had the courage to declare their (our) independence! These men came from all walks of life, and through their strong desire for freedom, they became the founding fathers of the greatest country on earth.

Our founding fathers relied upon the Magna Carta- June 15, 1215; the Mayflower Compact Nov. 11, 1620; the Declaration of Rights- Oct. 14, 1774, and they finally declared our independence...on July 4, 1776.

Pumpkins disguised as spiders, sheep, clowns, pirates and Miss Piggy for all vied for top honors in the contest. After the judging, pumpkins were delivered to local hospitals, nursing homes, and shutins as a county-wide community service project.

Pumpkins were entered in one of

four divisions: Character, Funny, Artistic, and Scary. This year's winners were: Character-1. Robin Hickman, Lord Baltimore, 2. Amy Messick, Bridgeville Wildcats, 3. Kevin Donovan, also of the Bridgeville Wildcats. Funny-1. Keith Tull, Dublin Hill, 2. Laura Madara, Lord Baltimore, 3. Christy Adams, Sycamore. Artistic-1. Jennifer Messick, Bridgeville Wildcars, 2. An open letter to the voters of Kent County:

The Democrat party has controlled the county courthouse row offices for decades. All seven row offices are currently held by Democrats.

I believe, and I hope you agree, that it is time for a change! The Republican party, this year, is giving the voters of Kent County a real choice; a choice to put the same good ol' boys back in office or to put real qualified business people in the courthouse to get more for our Tax dollars.

We have four people running for office who are professionals at business: Jo Ann Hill for Comptroller, who has 25 years experience as an accountant; Carlton Seward for Sheriff, who owns Smyrna Billiards, and is a town councilman in Smyrna; Emily George Morris for Prothonotary, who is the executive director of the Capitol Green Day Care Center; and Sandy Wolleyhan Dean, for Register of Wills who manages her own tax business.

If you agree with me, vote on November 4th

WHY SHOULD YOU RE-ELECT BILL TORBERT KENT COUNTY COMPTROLLER?

BILL TORBERT is a native of Dover and has been President of Torbert Funeral Chapels for 25 years.

BILL TORBERT has experience serving Kent County residents; he has been an elected official for 18 years...

- Kent County Coroner, 8 years
- President, Kent County Levy Court, 2 years
- Kent County Comptroller, 8 years

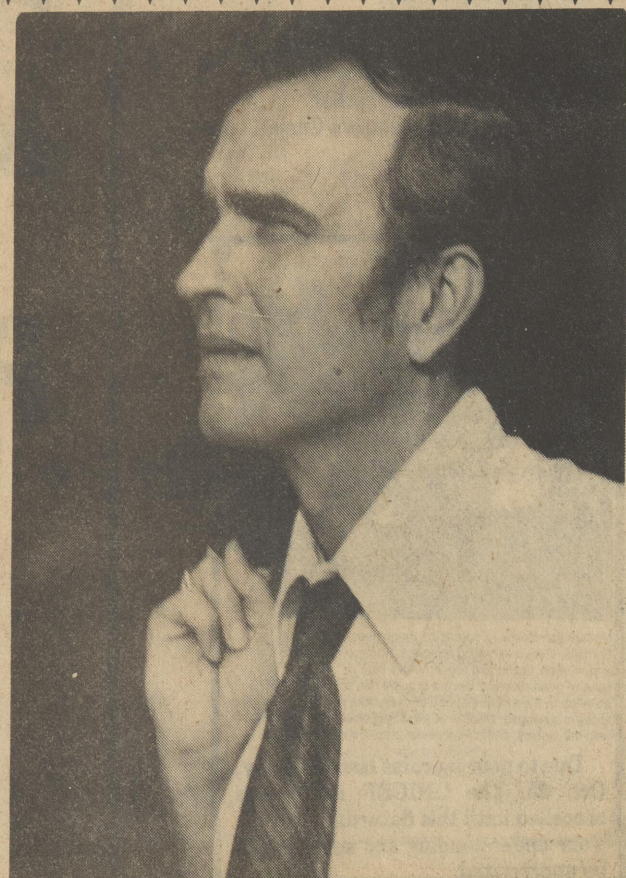

BILL TORBERT has an outstanding record—

• He proposed and had regulations passed to allow Kent County to put temporary monies in short-term investments. This enables us to earn more interest on money that we are holding for less than 30 days.

• He proposed and had legislation passed to allow Kent County to get competitive bids on investments, allowing us to receive the highest interest available on tax dollars which would normally sit in a regular savings account. Last year, Kent County taxpayers earned over 1/2 million dollars in interest, which helps keep our taxes low.

Before you vote on

Dear Friends,
With today's increased divorce rate, thousands of grandparents wonder-is their relationship with grandchildren a favor or a right to be lawfully claimed. Several states have already enacted "Grandparents' rights" statutes.
Lorella Davidson, a Michigan grandmother, has founded Grandparents anonymous to lobby state legislatures for grandparents' visitation rights.

Easy To Eat Eggplant And Pasta Casserole

Time to think about easy all-in-one casseroles. Here's one where we've combined garden vegetables, cheese and a canned pasta product. You don't have to be Italian to prepare it, or enjoy eating it. If the family never liked eggplant dishes, here's betting they'll like this one. Try it, you'll like it.

EGGPLANT AND PASTA CASSEROLE
1 teaspoon salt
1 medium-sized eggplant, sliced 1/2" thick
1/2 cup cooking oil
1/2 cup chopped onions
2 cans (15 oz. each) Chef Boy-ar-dee® Mini-bites™ (mini cheese ravioli & meatballs in tomato sauce)
1 cup grated Mozzarella cheese
Salt eggplant slices; place waxed paper over them; weight with large platter for 15 minutes. Dry slices with absorbent paper. Fry eggplant slices in cooking oil; drain on absorbent paper. Saute onions lightly. Arrange a layer of fried eggplant on top of Mini-bites; then, sauteed onions. Sprinkle with half of grated Mozzarella cheese. Continue layering: Mini-bites, eggplant slices, then cheese. Bake uncovered for 20 to 25 minutes in 350°F oven or until cheese is golden. Serves 4-6.
