

They Were Winners!

Lake Forest bands were rated high in parade competition which capped the 61st Annual Delaware Volunteer Firemen's Association Convention held in Rehoboth last week. Spartan Jill Oakley [right] was selected the best Drum Major in the competition, while the Lake Forest High School band, under the direction of Dale Burkhard, captured the second place trophy for high school bands. Making its first appearance of the season, the W.T. Chipman Junior Band [far right], directed by Alex Becton, was a second place winner in the junior high division. The parade, which lasted for over two hours, boasted fourteen bands.

Frederica Mayor Resigns

Dan Griffith was recently selected by his fellow members on the Frederica Town Council to fill the spot left vacant by Mayor Ezekiel Dill who resigned earlier this month.

Dill's surprise resignation from the Mayor's post and from his seat on the town council came in the wake of rumors that he had interfered in the legal process of a case in which another council member's son was arrested for driving under the influence of alcohol.

Dill said the rumors were completely unfounded. He told the *Journal* Monday night that he did not try to have the case dropped and that it was not his business to interfere with the work of the state police. (Frederica does not have its own police force, but rather hires off duty state police to patrol the town for a limited number of hours each week.)

Dill also denied that the other council

Kids Play Hooky & Barn Burns

Two youngsters playing hooky from school Monday apparently decided that playing with fire was more entertaining than hitting the books. The results was a fire that cost Canterbury area farmer Milton Griffith his barn and 3,000 bales of hay. The 24 x 180 square foot building and the hay stored there were valued by the Fire Marshal's office at about \$7,000.

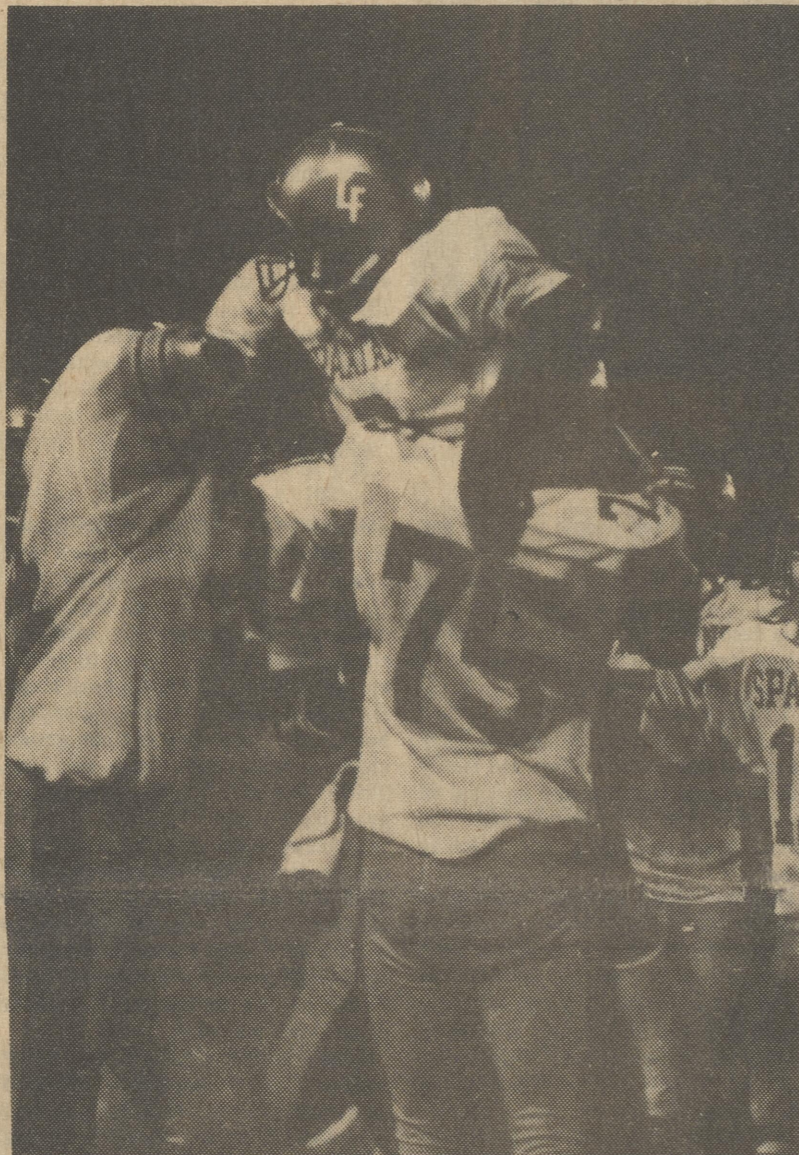

The two youngsters, ages 10 and 13 were reported to have been playing in the barn when they lit matches and tossed them into the hay. They were subsequently arrested.

Three fire companies, Magnolia, Felton and Harrington responded to the scene where it required several hours to control the fire. The building and its contents were a total loss.

Milford Plans 9th Harvest Festival

The Greater Milford Chamber of Commerce will celebrate the "Ninth Annual Harvest Festival" in Milford on Friday, Saturday and Sunday, October 2nd, 3rd and 4th. Many activities are planned for this weekend, designed to recognize agri-business in our area.

On Friday, the annual Outstanding Farmer and Farm Family award will be

A cause for celebration - Spartan Kevin Smith is hoisted on the strong shoulders of Rodney Abrams as his jubilant teammates react to the touchdown that put the Spartans ahead of Dover's Senators in the first half of a game that concluded in an astounding 6-6 tie. (See story on page 8).

Dr. Powell To Welcome Parents

Parents who have not already made his acquaintance will have an opportunity to meet new Lake Forest Superintendent Dr. Edward M. Powell at open house nights scheduled at the district schools during the next two weeks. Dr. Powell has announced plans to attend each of the annual open house sessions. Schedules and plans for open house in the six area schools are as follows:

October 5: Lake Forest East Elementary, Frederica 7 p.m. - Principal Richard Seyler will greet parents in the auditorium where he will introduce faculty and describe some of the school's programs. Afterwards parents will be invited to visit their children's classrooms.

Police Say "Take your keys"

Three Stolen Cars Recovered

Following a series of three car thefts from in front of Quillen's Market on Dorman Street in Harrington, local police were cautioning residents to secure their cars and - please - to remove their keys while shopping.

From September 21 thru 28, three vehicles were taken from in front of Quillens Market while their owners were inside shopping. All three had left their keys in their cars.

The first two cars were located not long after the thefts, and on Monday, a

17-year-old juvenile was stopped by state police as he was traveling north on U.S. 13 behind the wheel of the third. The young man, a Lincoln resident, was charged with all three counts of theft as well as with failure to stop at the command of a police officer and driving without a license.

The first theft occurred about 8:40 p.m. on September 21 when a car owned by Rosalie Voshell of Harrington disappeared from Quillen's parking lot. The vehicle was later found on

County Rt. 431 about 1 1/2 miles east of Harrington.

On September 26, Saturday, another car, the property of Cindy Edge of Harrington, was taken at the same location about 9:50 p.m. It was discovered on Wolcott Street in town at 1:27 a.m. on the 27th.

In a final joy ride, the youth took another car, this one belonging to L.H. Simpson of Harrington, from in front of Quillen's at 8:20 a.m. Monday. He was picked up by state police on U.S. 13.

LF Board/Teachers Still Not Talking

More than a week has passed since Lake Forest teachers through their representative organization, The Lake Forest Education Association, declared an "impasse" in contract talks with the Board of Education. Since that time the LFEA has not returned to the bargaining table. No representatives of the teachers group attended the Tuesday, September 22 negotiations session set by the Board.

In claiming impasse last week the LFEA asked that the two sides

approach the Federal Mediation and Conciliation Commission to secure an impartial mediator. Asked recently whether there were any other conditions that would bring the teachers back to the bargaining table, LFEA President Ed Gabrielson said the board would have to show willingness to talk with the teachers in three areas in which it has said, in writing, that it will not negotiate. Those are the procedures for teacher layoffs, hourly pay for duties beyond the normal school

day and arbitration. The Board of Education, in turn, feels there is no need for a mediator. In the words of member Cliff Chambers, "As far as the board is concerned, we do not think an impasse has been reached."

Board President and spokesman James Gussett explained this position Monday by making three points:

1) He said a large part of the contract has not yet been discussed and wondered how there could be an impasse on something that has not been fully discussed.

2) He further pointed out that the Board does have a second compensation offer to make to the teachers, but because of the LFEA ultimatum and declaration of impasse, has been unable to present it.

3) He claimed the negotiations have so far been lopsided with the Board making no demands. What has happened, he said, is a review of the proposed contract as rewritten by the teachers. He said of the 33 articles of the contract, five had not been discussed 16 had not been tentatively agreed upon, and on 12 there had been no agreement. He said he had assumed that those on which there had been no agreement would be put "on hold" to be reviewed after the whole contract had been discussed.

Gussett went further to say that there is not a single board member who "...does not feel very strongly that teachers should get a raise" in accordance with "What is fair and what is consistent." But he said, "teachers and rightly so" are concerned with getting the best possible contract. But the

Burglary Still Unsolved

A burglary at the Vernon Road property of Esther Grossi last week remains unsolved as Harrington police continue their investigation. And police had yet to determine what had been taken from the building which is being converted to an antique shop.

Sometime between Tuesday, September 22, and Thursday, September 24, an unknown person or persons apparently forced a door open at the rear of the property and broke a glass window from an inside door. The entry was discovered on Thursday morning by a painter working on the premises.

Delaware State Police from the Sussex criminalistics unit assisted local police in the investigation which is not yet complete.

The Grossi property is better known in Harrington as the Fleming Mansion.

In other recent action, the Harrington police arrested six juveniles in a theft of several cases of sodas from Quillen's Market and 9 adults involved in a disturbance on Fleming Street over the Labor Day weekend. The adults who had been wielding sticks and a fire axe, pled guilty to disorderly conduct, were fined and released. The theft case involving the juveniles is pending trial in Family Court.

Local and state police were also involved in an investigation and arrest following the theft of three autos from Quillen's Market parking lot. (See separate *Journal* story.)

Dodson To Be Indicted in Murder

State Police detectives at the Criminal Investigation Unit in Georgetown advise that they have a suspect in the slaying of William S. Hastings.

Hastings was slain on November 3rd of 1980 at the Lord's Package Store, 501 Market Street in Bridgeville, where he was working as a clerk in what detectives believe was an aborted robbery attempt.

Investigators state that David Wayne Dodson, 29, who is currently serving life plus 30 years in the Patuxent Correctional Institute, in Jessup, Maryland, for two murders he previously committed, will be indicted on October 26 in Delaware on charges of 1st degree murder and attempted robbery.

Dodson escaped from the Patuxent Correctional Institute August 21, 1980 and remained at large until he was caught in the act of committing a theft on Tilghman Island, Maryland on June 5th of 1981 and officials learned his identity.

Investigators believe that while he was at large, Dodson lived in the Federalsburg area making occasional trips into Delaware and to the Tilghman Island area.

Detectives, after a lengthy and exhaustive investigation into the slaying developed leads and uncovered evidence linking Dodson to the crime and advise that he has been a prime suspect in the slaying for the past several weeks.

Area Goal - \$4,361

United Way Sets Goal

With the local United Way campaign launched recently, Harrington area chairman Linda Fleming said a goal of \$3461 has been set for the 1981 fund raising effort. That represents a 10% increase over last year's \$3146.

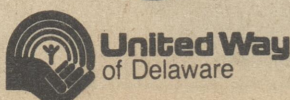

Encouraging the participation of volunteers and donors, Ms. Fleming reminded area citizens that "A contribution to United Way buys a lot of service. There are 54 United Way agencies in Delaware helping all kinds of people in hundreds of ways. Nineteen of these are in Kent County and of these, the Harrington Senior Center is one beneficiary. Be a part of it. United Way is the way to give, way to go.

United Way is for pulling together because a community isn't just where you live...it's what you care about. United Way agencies give us a chance to organize, to solve community problems. Check into it. Volunteers and contributions are needed.

United Way is all yours. It belongs to you - the contributors and volunteers who make it possible. United Way not only helps those in need, but it helps you, your family, your friends. Give the United Way."

LATE BULLETIN - Homicide-

Milford Police were yesterday working on an apparent murder of 17 year old Stephanie Swift of the Indian River School District. Miss Swift was discovered dead in a car in front of Leggett's store in the Milford Plaza Shopping Center yesterday morning. Milford police confirmed the death as a homicide, but no other details were available for publication at the time of this writing.

Delaware Diamonds

by Joyce Jefferson

Joseph Miller of New Castle County, yeoman, had purchased from Thomas Lawrence of the city of Philadelphia, Merchant, and Rachel his wife the lands which had been conveyed to Lawrence by several deeds from John Housman. One of these deeds dated in November 1730 mentioned that he was selling 400 acres, part of a larger tract called Caroon Manor, bounded on the north by Jones Creek, on the northwest by lands of Robert Bedwell and originally surveyed and laid out in 1679.

Scharf's History of Delaware relates: "To the north west of 'Caroon Manor' and adjoining the village of Magnolia, lies a tract of land called 'The Plains. It was taken up by Robert Bedwell, under a warrant granted 'at a Court held for St. Jones County the 19th of November, 1680. Present: Mr. Francis Whitwell, Mr. John Hilliard, Mr. Edward Pack, Justices. It was surveyed December 20th, the same year and contained 800 acres. This tract lay a short distance west of the Magnolia and Dover Road, and extended to the corporate limites of the village, crossing the road from Magnolia to Canterbury, and from thence it extended in a

southwest direction...to Double Runs Branch". Scharf does not mention however that these lands were still claimed by the Indians; and Robert Bedwell found it necessary to purchase these acres from them.

12 February 1674, Mohockett, Indian of Cohansy in the government of West Jersey on the east side of Delaware Bay or River, did for full and valuable consideration already paid by Frances Whitwell of New Kent also St. Jones sell all that parcel of land called Whitwells Chance upon Duck Creeke being 1000 acres of English measure and another tract called Benni field being 1000 acres more adjoining to the former.

FFA Members At Exposition

Lake Forest Future Farmers of America members attended The Eastern States Exposition in Springfield, Mass. on September 18, 19, and 20. They represented Delaware in regional FFA contests.

The following are the names of the members, the contest they were in, and how they placed in the contest. David McMaster, Joy Starkey, Sandy Testerman, and Jeff Tucker participated in Milk Quality and Dairy Products, which placed 7th. Tim Welch and Curtis Reed attended the Small Engine Trouble Shooting and Repairs contest and received 4th place. Roy Killen drove in the Tractor Driving Contest and won 10th place. John Wilkins participated in the Farm Management contest and received 8th place.

In November the Lake Forest Future

Farmers will be sending various teams to Kansas City, Missouri, to participate in National FFA contests. They will also be representing Delaware.

LF Board

board has to look at the matter from the standpoint of what is best for teachers, administration, students and the community. He did not imply that teachers lacked concern for students.

Gusset also said professional negotiators called in early in the contract talks had done little more than "exchange...a lot of verbiage."

The Lake Forest Board was meeting in executive session as *The Harrington Journal* went to press. Presumably the outcome of that session during which personnel and the negotiations were to be discussed, would be the extension of the teachers' expired contract for another month.

Correction

Correction: The *Journal* stated incorrectly last week that Ed Gabrielson had said at the September 21 meeting of the Lake Forest School Board that "binding arbitration" is not illegal in Delaware. The correct term should be "advisory arbitration". Binding arbitration is contrary to state law; advisory arbitration is not. Gabrielson was speaking in reply to School Board President James Gusset's claim that arbitration, an issue over which the board refuses to negotiate, is illegal.

Our apologies for any misunderstandings caused by the error.

Do You Remember? . . .

(Continued from Grace Welch's Heritage Day Address, the first two parts which appeared in previous weeks. This is the conclusion.)

These things are all a part of our everyday past, but what part does each one of us hold dear to our hearts? A different memory, one no one else may share, unless we let them.

Harrington has produced many fine statesmen. Our first mayor, by virtue of being chairman of City Council, M. Clarence Morris. Our first elected Mayor, Mr. Wilbur Jacobs...who went on to the Legislature and accomplished much "too" much to list here today, however he was the one responsible for getting two statues in Washington for DE. He also was responsible for Harrington becoming a town. Then there was Dr. W.T. Chipman, Mr. Jehu Camper and Mr. Robert Quillen, Mrs. Laura Belle Wilson...the list goes on and on. What is important is they are, or were, from Harrington, therefore there are people who have memories of them which we should record for posterity.

As progress does, it came to Harrington in the form of improved farming techniques, mechanized farm equipment and automobiles. Mr Dupont

built U.S. 13 and people were off and running to see the rest of the world. Shopping in Wilmington became the thing to do and businesses in Harrington declined. Thank goodness many of them survived and now we seem to be on the upswing again.

World War II saw many women taking jobs outside the home. They were helping the war effort and family life in Harrington changed as it did all over the U.S. Do you remember the Draft Board and O.P.A. and rationing books?

One farm East of town became an airport and is still known today by Airport Farm. Every weekend thrill seekers gathered for an Air Show of sorts. It was, perhaps, a way of feeling close to the boys overseas who were flying planes in the war. Parachutists put on displays. Carl Goodson of Orange Park, Fla., was one of these.

One young fellow fresh home from the service, decided to get his pilot's license. Later he would take his girl for airplane rides. Since they both enjoyed flying, they decided to get married in the air...and you thought only the kids of today did unconventional things didn't you? They had a hard time convincing the Preacher that it was safe to marry them in an airplane. Finally 5 people crowded into an airplane intended for 4 and they circled the airport...Out the window came a roll of toilet paper...the ceremony had begun; when the ceremony was over, they threw out another roll. After letting the nervous minister and atten-

Time Running Out On GI Bill

Time is running out for approximately 900,000 veterans to use educational benefits of the GI Bill, now in its 37th year.

About one-fifth of the 4.3 million eligible veterans will lose their eligibility for benefits this year, according to the Veterans Administration. The law permits a veteran to use the education benefits within 10 years following discharge from service, or by Dec. 31, 1989, whichever is earlier.

A new program, which requires financial participation by service personnel, is available for those who entered the military after Dec. 31, 1976.

Veterans who want more information on GI Bill eligibility should contact the nearest VA regional office.

dants out, the bride and groom circled the field and then came down and joined the others for a reception.

I could talk to you all day about memories others have been willing to share with me, I am trying to gather enough material to write a book about Harrington, DE...We have a Heritage here, and I hope someday our grandchildren will read what we have written and say: "It must have been a great place to live!"

If you have memories whether humorous or historical, please write them down or call myself, or Mr. Ken McKnatt. Better yet, today Mrs. Anne Minner is roving recorder and Mrs. Mildred Minner is in the Senior Center. Please let one or the other of them record your memories.

Dill Resigns

(Continued from page 1)

member, Virginia Simpler, had ever asked him to interfere.

He said it was the confusion of stories and rumors circulating about the incident that caused his resignation.

This was his second time to serve as Mayor of Frederica. He filled the shoes of former Mayor Bud Nashold following the latter's resignation until his own defeat in a bid for re-election to council in March 1980. Then he was appointed by the council to step in after his successor, Larry Mannering, resigned.

In the March 1981 election, Dill was the popular write-in choice for a council seat in a contest for which no one had filed.

For Dan Griffith, this is also a return shot at being mayor as for the second time he steps into Dill's shoes.

Following Dill's 1980 defeat he was selected as mayor, a post in which he served until March 1981.

In Frederica there is no separate election for mayor. The post is filled by the town council from among its own members at the reorganization meeting which follows each annual election. Although Dan Griffith has agreed to serve in the mayor's spot, Dill's seat on the council remains vacant. At this writing, there was no indication as to when that seat might be filled.

Two Delaware Farms Take Spotlight in Competition

HARRISBURG - "Heatheringington Star-doms Babette" was named grand champion female of the Guernsey Show Sept. 24 during the Pennsylvania All-American Dairy Show at the Farm Show Complex in Harrisburg.

"Babette," a two year old cow, was shown by Waverly Farm of Clearbrook Virginia. She was winner of the senior championship title and also won the best udder division in her class.

The reserve grand champion female was exhibited by Gaywinds Farm of Keymar, Maryland. Their entry, "Gaywinds Golden Cindy," won the three year old competition, and was named senior champion female.

Delaware farms were in the spotlight during the Jersey bull competition. "Kalmar Jody Blue Dino," owned by Kalmar Farm of Harrington, Delaware, was named senior champion. The reserve grand champion bull title went to a junior yearling, "Kalmar W. F. Paytons George," shown by J & S Jerseys of Bear, Delaware. The bull was also named junior champion bull of the Jersey Show.

A Pennsylvania entry, "Rosalee Silver Surville," won the reserve junior champion bull title. The junior yearling bull was shown by Mathern W. Mellott of Wallymae Farms., Harrisonville, Fulton County.

New York State entries captured junior champion female titles. "Lavenders Karen Panda of SSF," shown by Silver Spring Farm of Syracuse, New York, was dubbed junior champion. "Pacesetter Flower of SSF," a senior yearling heifer, won the reserve junior championships. She was exhibited by Gretchen Buecheler of Marcellus, New York.

Silver Spring Farm of Syracuse, New York, was named the premier breeder of the Jersey Show, while the premier exhibitor was Waverly Farm, Robert

HOW DO AAA MEMBERS SPELL RELIEF FROM AUTO REPAIR PROBLEMS?

AARS... Approved Auto Repair Service, the exciting new program recently announced by the Delaware Motor Club.

The AARS sign above an auto repair facility means that it has passed the most rigid AAA standards of workmanship, cleanliness and customer service equipment.

AAA members know that the Delaware Motor Club will stand beside them if repairs have been improperly completed at one of the approved facilities.

AARS is another reason why it pays to belong to the Delaware Motor Club. For membership information call the nearest office.

By Joann Wyatt 398-8943

Mrs. Helen Horner of Chesapeake, Va. spent the weekend with Mr. and Mrs. Charles Peck.

Miss Paula Levers celebrated her eighth birthday on Monday, September 21. Friends and family helped her celebrate with ice cream and cake. Happy Birthday, Paula!

Mr. Henry Bullock was surprised with two parties on his seventh fifth birthday, Sept. 24. One was on September 22 at his and his wife's home with thirty two guests. The other was at the home of Mrs. Doris Hurd on September 24, with twelve guests. Fun was had by all. Happy Birthday, Mr. Bullock!

Everyone is invited to come on out and support the Ladies Auxiliary of the Houston Fire Co. The Ladies are serving a buffet dinner on Sunday, October 4 from 1 to 4 p.m. Beef and dumplings, turkey, etc.

Get well wishes go out to Mrs. Ruth Peck.

The Fireman's Convention was held in Rehoboth this weekend. On Saturday afternoon both our bands, W. T. Chipman Jr. H. S. Band and The Lake Forest Marching Spartans participated in the parade. Chipman placed second in Jr. High School bands. Lake Forest placed second and had best drum majorette in Sr. High division. Congratulations on a job well done. You really make us proud!

Get well wishes go out to Miss Linda Phelps.

The Lake Forest Band Boosters held their regular monthly meeting on Monday evening, September 28 at the High School.

Happy Anniversary wishes go out to Mr. and Mrs. George Lankford on their twenty fifth wedding anniversary.

Children's crusade at Calvary Wesleyan Church will be Tuesday through Friday evenings 7:00 to 8:00 p.m. and Saturday afternoon 1:30 p.m. Puppets, songs, music and Bible lessons. The closing service will be in the fellowship hall next Sunday for all children ages 3 to 12.

Get well wishes go out to Mrs. Ann Pizzuto.

Mr. and Mrs. Paul Welch were Sunday dinner guests of Mr. and Mrs. Carroll Welch, Sr.

Mr. and Mrs. Woodrow Welch entertained to a family dinner on Saturday night. Those attending were Mr. Marine Welch of Rehoboth, Mr. and Mrs. Carroll Welch, Sr., Mr. and Mrs. Dunworth Welch, Mrs. Agnes Welch and John Mitchell. They were celebrating three birthdays. Happy Birthday to the Welch's!

Anne's Kitchen

About this time of year I start going through my cookie recipes and plan for the holidays. There are a few standards I make each year, and I try to add something new and different. The first time I tried this cookie recipe, it became a standard. You can make the dough ahead, clean up the mess and save the baking for several days later when you have more time. They store especially well in a tin or jar, and as with most butter cookies, aging of about one week makes them even better.

Sliced thin, about 1/8" or even less, they are a delicate butter cookie. Sliced thicker, up to 1/4", they are more of a short bread type of cookie. When making the latter, you may want to decorate with candy sprinkles, cherries or sugar before baking. For larger cookies, just make bigger rolls. Shape in round, square, diamond or anything else you can come up with. You can't change the homemade goodness with the shape.

I usually set my oven at 350 degrees but on occasion have had to slightly vary temperature. Time is something else you will have to use your judgment

on. A lightly browned bottom is what I go by. My first cookie sheet gives me my cue.

EASY BUTTER COOKIES

- 1 lb. butter
- 1 1/2 cups sugar
- 3 whole eggs
- 2 teaspoons flavoring of your choice
- 1 cup finely chopped nuts (optional)
- 5 cups flour

1. Cream butter and sugar
2. Add eggs one at a time, beating after each addition.
3. Add flavoring, blend
4. If using nuts, blend in now
5. Beat at low speed and add flour, sifting while adding.
6. Divide dough into as many rolls as you feel comfortable working with. Shape rolls and wrap in waxed paper, chill till firm or several days.
7. Pre-heat oven, slice rolls and place 1 1/2" apart on ungreased cookie sheet. Bake.
8. Remove to wire rack and cool completely for several hours. Store about one week.

Smile! A lady (the first) is to join the Supreme Court Friday, September 25, 1981. Her name is S. D. O'Conner. Hip-Hip-Hurrah!

Sylvia was leader at Bible Study Monday morning. The topic was more on thoughts, "Are we guilty of telling God what to do or do we try to find out what is his will? A prayer was said for Annabel Morrow. Closing hymn was "Beyond The Sunset". There were twenty-seven present. All enjoyed the singing before and after the discussion. The hour ended on an inspirational note.

Members' Meeting Monday Afternoon - Brought to order by President Maurice Adams. Pledge of Allegiance by all; prayer by Sylvia Meredith. Building Fund Committee Chairman is Maurice Adams. Mildred Minner asked for a sum for crafts. Bazaar was dated for November 19, 1981, luncheon of course, goes along with the Bazaar. Merle Roth is Chairman. Meeting adjourned at 2:00.

Band practice Tuesday morning - twenty-one Jolly Timers sallied forth to give out the sounds we look forward to each week. Julia sang some solos - "Some Where My Love," "Love Makes The World Go Round," and "Forever and Ever." All were beautiful!

Ceramics, dolls, pool, checkers and all the usual activities went on at the Center Wednesday. Now - in the evening a Recognition Dinner for R.S.V.P. helpers was held at the

Square Club, Dover. Sponsored by Modern Maturity Center. Several from Harrington attended the festive occasion. Roxanne Brown received a nice plaque for service rendered! We are so happy for her.

Barbara Evans was here again with the crafts. Tables were full, folks busy and happy - stuffed Christmas trees, mice (cute as a button), gingerbread boys and girls, and lots of other things, too many to mention here. Come on around and see and also help to make for the Bazaar November 19, 1981.

Bowling at Milford Lanes Thursday afternoon. What fun! Lots of ladies doing dolls and ceramics. Kitchen is busy too.

Donna Webb of Modern Maturity Center talked on breakfast. She stated that breakfast is the most important meal of the day. When you skip breakfast you have physical and mental fatigue. It is no help in losing weight. A good, easy, nutritious breakfast is 2 oz. bran flakes, 1 cup skim milk and 4 oz. orange juice (equals 205 calories). Not too many dishes to wash though. Makes it sound even better! Donna gave a rhyme about eating: "Breakfast should be eaten like a king, lunch like a prince, supper like a pauper."

Best Wishes to all. Thanks to all volunteers! We need you! Don't forget the rummage sale, in October. We would appreciate anything you are tired of.

Bazaar November 19, 1981. Come in and see a friend. Faith.

Mr. and Mrs. Joe Holmes from Charlotte, North Carolina have returned home after spending a week with Mr. and Mrs. Albert Webb. Mr. and Mrs. Holmes are former Houston residents.

Luncheon guests on Thursday of Mrs. Anna English were Mrs. Julia Davis, Mrs. Myrtle Calhoun, Mrs. Doris Hudson and Mrs. Catherine Evans all of Greenwood.

Mrs. Edna Sapp was a Sunday dinner guest of Mr. and Mrs. Maurice Blessing of Milford.

Mrs. Helen Prettyman spent several days last week with Mr. and Mrs. Kenneth Prettyman and family of Seaford. On Friday evening, Mr. and Mrs. Francis Simpson entertained as dinner guests, Mr. and Mrs. Andy Simpson, Miss Donna Hammond, Jerry Goldberg all of Charlestown West Virginia and Mr. and Mrs. Albert Webb, Mr. and Mrs. Wayne Simpson and family and Mr. and Mrs. Gary Simpson and family.

On Sunday, Mrs. Anna English, Mrs. Ruth Reese and Mr. and Mrs. John

Lemmon had lunch with Miss Gail Lemmon of Arlington, Virginia and then toured places of interest in Washington, D.C.

Mr. and Mrs. Lewes Shine and daughter Joanne of Henderson, North Carolina spent the weekend with her father Mr. Willis Clifton.

Mr. and Mrs. Harry W. Towers recently visited New Orleans spending several days there and visited historical sights throughout the south. On the way home they stopped at Myrtle Beach, S.C. and enjoyed the beach for several days.

Mr. and Mrs. Andy Simpson, Mr. Jerry Goldberg, Miss Donna Hammond were weekend guests of Mr. and Mrs. Albert Webb. On Sunday evening Mr. and Mrs. Webb entertained at a buffet supper for family members and their guests.

The Houston town board meeting will not be held on Thursday Oct. 1st. It will be held Thursday Oct. 8th at 7:30 at the Fire House.

Connie Kay Morgan is still a patient in Milford Memorial Hospital.

We are sorry to report that Mr. James V. Harrington, age 83 passed away in the Milford Memorial Hospital. Sympathy is extended to all the family. He will be sadly missed by all who know him.

Ladies Auxiliary of the Houston Volunteer Fire Co. are having a beef, dumping and turkey etc. buffet dinner on Sunday, October 4th from 1 to 4 p.m. Adults \$5.50, children 6-10, \$2.75 and under 6 free.

Gabfest

By Pat Hatfield 349-4255

We had a frost scare this week, but the weather man was wrong. We do enjoy the crisp, cool fall days that are just under the frost line. Today, it is warming up again. As we sat in the yard chairs, I reminded Dad that these golden days of autumn are doubly precious because they can't last. Too soon, they'll be only a memory.

It is time to get in the house plants and to check our supply of bird seed for our little winter guests. And the mops and the dust cloths will swish merrily as we clean the closets and reline the shelves. When the last fly is swatted I have lots of polishing to do. The last of the summer bouquets are precious, too, the late roses, the marigolds and the rose o'sharon. We have no gift for chrysanthemums. Every year or so we buy some more clumps and tend them, but they do not like us. This year we have one small clump which is producing buds.

My red geranium which my friend, Bonnie, brought to me in the hospital last spring, was put out in the yard and it is astonishing. I refuse to break it up, but in order to bring it into the house for the winter, I shall have to find a small tub. The white one she gave me is healthy, but small. It is lovely, too, but I go for red. I love all the gypsy colors, reds, blue, yellows and greens, the vivid shades. They nourish the spirit!

Tess and I were recalling the other

evening our autumn days as little girls growing up in Delaware, when we went chestnutting and hickorynutting and we searched the woodland edges in the meadows with my grandmother as she gathered her pennyroyal and other wild herbs to use for medicines. We would not trade one bit of our childhood for all the commercial glitter that surrounds our grandchildren, compassed about by fantastic toys and gadgets that they soon tire of and discard. What a heritage we have...I can still hear the rustle of the wee gray squirrel as he scampers through the trees hiding his share of the nuts; I can smell the brown leaves as we shuffled through them, and I can hear the soft swish of the tall pines as the wind swept through. I can see the orange persimmons clinging to the bare twigs of a roadside tree; I can smell the pungent odor of the pennyroyal under the hot afternoon sun as we crushed the one with our feet. I can taste the sassafras tea that we brewed from the chips of bark we gathered. It turned a lovely pink color when you added milk. Now, they are screaming at us that it probably causes cancer! Well, we drank gallons of it. My grandmother said it was a fine tonic for the blood, and we've been a cancer-free family. It is too bad we live in a nation of fear. We not only fear total elimination—we are suspecting everything we eat to do us in!

Greenwood

Greenwood Library News: On October 13th your library will again offer a story-hour for pre-schoolers. The time will be from 10 a.m. to 11 a.m. Plan now to bring your child for this fun session.

October 19 brings another elementary age film to the library at 4 p. m. This time the film is "Cricket in Times Square", a story about a cricket who plays all types of music and who helps a friend revive his parent's newspaper business.

The same evening, October 19, there will be a film shown which will be of more interest to adults. The film, "Williamsburg Restored" shows historic, archaeological and architectural studies necessary for the authentic restoration and reconstruction of Colonial Williamsburg, Va.

A film of interest to younger children, "Curious George" will be shown on Saturday, October 24. All the boys and girls know about Curious George and his adventures. Come and see this one.

Also on October 15, there will be a showing of items that you could make for Christmas. Decorations and gift items will be on display. If, after viewing them, you are interested in making any, we will set a date for you to enjoy a workshop for making these Christmas items. If you wish more information, call the library 349-5209.

Gladys Yeako will be the leader for the Bazaar November 19, 1981.

Miss Ricker at Nursing School

Miss Susan Ricker of Harrington, Delaware is one of thirty students who entered the Macqueen Gibbs Willis School of Nursing at Easton, Maryland this month. A graduate of Lake Forest High School, Miss Ricker attended the University of Delaware prior to starting her nursing education.

After an initial orientation program, the students in the Class of 1984 started a busy schedule which combines academic subjects and nursing

workshops for both young and older.

St. Johnstown United Methodist Church reminds you to mark your calendars with the date of its Homecoming Services on November 1, at 2:30 p.m. with the Rev. Dr. J. Gordon Stapleton, District Superintendent as speaker.

Mr. & Mrs. Jack Scott entertained to a cook-out and covered dish dinner on their lawn on Sunday afternoon. Many of the members and friends of Greenwood United Methodist Church enjoyed the food and the fellowship on the beautiful lawn, and the young people enjoyed games.

Plans are going forward for celebrating the 25th anniversary of the founding of Greenwood Lions Club. This will be in the form of a dinner with a program of special music and honored guests, on November 7.

Mrs. Louise Pittman was a Sunday caller at the home of Mr. & Mrs. Allison Davis.

Julia Davis, Doris Hudson, Myrtle Calhoun, and Catharine Evans were Thursday luncheon guests of Mrs. Anne English of Houston.

Williams Attending Swarthmore

SWARTHMORE, Pa.—Patrik Williams, son of Roger and Sara Williams of Felton, Del., entered Swarthmore College as a freshman on September 5. He is a graduate of Lake Forest High School.

Blessing Honored

The principal, Dr. Margaret B. Phelps, of Lake Forest High School today released the name of 1 senior who is being commended in the twenty-seventh annual (1982) National Merit Scholarship Program. Letters of Commendation will be presented to Donna L. Blessing, who placed among the top 51,000 participants in the current competition.

Of some 1.2 million students who entered the 1982 Merit Scholarship competition by taking a qualifying test in 1980, about 36,000 are being commended this month, as they begin their final year of high school. These participants scored high, but slightly below students in their respective states who qualified as Merit Program Semifinalists.

Swarthmore College is a small, selective liberal arts college with an engineering department, located in suburban Philadelphia. Founded by the Religious Society of Friends as a co-ed institution in 1864, the non-sectarian school strives to maintain the Quaker tradition of excellence it has provided since its founding.

There are 319 students in the entering class. They are drawn from 37 states and several foreign countries including China, Japan, Greece and Singapore. They are an elite group from 1866 applicants for admission.

Classes began at Swarthmore September 8.

Offers The New "All Savers Tax Exempt Certificate Of Deposit."

October 1st through October 3rd
12.61% Annual Investment Yield (TAX FREE)
 on the All New Savers' Certificates

HERE ARE THE FACTS:

What is the purpose of the All Savers Certificate?

The All Savers Certificate has been created by Congress as an incentive to save. All the interest on this certificate within prescribed limits -- is tax-excluded from your Federal Income Tax. Also, the All Savers Act was enacted to help housing. It requires that the major portion of the new savings created by this certificate be used for residential and agricultural financing.

How much interest do I earn tax-free?

As the Law now reads, this is a once-in-a-lifetime opportunity to earn as much as \$2,000 in tax-free interest if you file jointly (\$1,000 for single returns). Any interest earned in excess of these sums is taxable.

What is the smallest sum I may deposit?

You may deposit as little as \$500. Regulations permit you to deposit any larger amount you wish. Discuss with us the maximum deposit that will still be completely free of Federal taxes.

May I add to my certificate?

No, you are not allowed to add to any existing certificate. Each certificate is issued for one year. You may, however, purchase additional certificates in any sum of \$500 or more.

What will my interest rate be?

Your certificate will have an interest rate equal to 70% of the average investment yield on 52-week Treasury Bills as of the most recent auction date. Thus, when the 52-week treasury rate is 15% your interest rate is 10.5% tax-free! The interest rate changes monthly, so check with us for the current rate.

Is my interest rate guaranteed?

Yes, the rate in effect when you open your All Savers Certificate remains in effect for one year. You know exactly how much income you will receive. Your interest rate will not fluctuate.

How does the All Savers Certificate help me?

It means you, too, can now earn tax-free interest. This privilege, previously available only to those in a high tax bracket, is now offered to anyone who can set aside \$500 or more for one year. What is best, the new savings method reduces your taxes where it counts the most--at the top bracket of your income.

I have already earned enough interest to qualify for the \$400 joint (\$200 single) exclusion from my Federal income tax for 1981. May I also exclude any interest I receive in 1981 from an All Savers Certificate?

Certainly. The only restriction in the All Savers Act is that interest received from your All Savers Certificate in 1981 cannot also be deducted under the general interest exclusion of the earlier law.

Will the All Savers Certificate help me if I own 6-Month Certificates?

More than likely, but it will depend on your income bracket and the current rates for both types of certificates.

If you are in one of the higher tax brackets, you will usually get a much better net yield from an All Savers Certificate, but only up to the maximum interest limitation of \$2,000.

If your income falls into one of the lower brackets, you may be better off staying with 6-month certificates. The chart below provides a useful guide in helping you to a decision. Please come in to talk with us, and get all the facts. (It will be important to first look up the net taxable income you reported on last year's Federal income tax form.)

Will the All Savers Certificate help me if I own Money Market Mutual Fund Shares?

Again, more than likely. But, as in the previous comparison, it is necessary to check current rates for both forms of investment. After learning these rates, the decision will hinge on your top tax bracket. The higher your bracket, the more advantageous is the All Savers Certificate.

May I collect interest prior to maturity without penalty?

Yes. Interest received prior to maturity is not a premature distribution. You'll receive a #1099 form annually reporting your tax-free interest for the preceding year.

Is there a penalty for early withdrawal?

Yes. If any portion of a certificate is redeemed, disposed of or used as collateral or security for a loan before maturity, the interest earned on that certificate is not tax-exempt. Also, the penalty for early withdrawal on a one-year certificate is loss of 3 months interest on the amount withdrawn.

Is my certificate insured?

Yes. Ask for specific insurance information.

THIS COMPARISON CHART SHOWS TAXABLE INTEREST YIELD REQUIRED TO MATCH THE ALL SAVERS CERTIFICATE TAX-FREE RATES.

Support Spartan Teams

SPORTS

The Chipman football team warmed up in a scrimmage against Dover last week. The Junior Spartans will take on Caesar Rodney's Riders in their first game on Monday at 4 p.m. It will be a home game.

Spartans Stop Dover in 6-6 Tie

Picking up the pieces - Spartans and Senators recover after combat collision. Lake Forest varsity players visible in the moments after clash are #72 - Charles Hudson and #59 Fred Coenen.

When does a tie seem like a victory? And how is it that a head football coach can be both disappointed and pleased at the same time?

The answer to the first question is that when your team denies a tough rated northern division Henlopen conference opponent the victory it has always had and was predicted to win again this year, a tie seems like a win, if not an upset. That is especially true when statistics show that your team outplayed its rival.

The answer to the second question was provided by Spartan football coach Jim Fleming who pronounced himself very pleased with the performance of his varsity squad as it held Dover to a 6-6 tie in Friday night's contest in Senator territory. Dover, coming off a 22-0 defeat of upstate Christiana, was expected to take the Spartans who lost their opener with Seaford 6-27. But Fleming was also disappointed for his team. He felt they deserved the win.

Statistics bear him out. Lake Forest piled up 248 offensive yards while allowing the Senators only 89. During the first half of the game, the Spartans dominated the contest, confining their opponents to their own end of the field and drawing first blood in a third quarter play from Gladden to Benson to Smith. It was the second week in a row that the Lake Forest eleven has held a northern division foe scoreless for the first half of the game.

Senior Kevin Smith scored the Lake Forest touchdown on a pass from another senior Dale Benson who heaved the ball thirty yards down the sideline to find Smith in the open. The play, originating with junior quarterback, Brian Gladden who rolled right to pitch to Benson, consumed 33 yards. Gladden's subsequent conversion kick failed, but the Spartans left the field after the first half the 6-0 leaders.

Dover scored in the third quarter on a two yard push over the goal line by Curtis Trott. The TD capped a 9 play drive after the Senators intercepted an option pitch by Brian Gladden to move the ball from Dover's 42 yard line to Lake Forest's 38. Dover's conversion attempt, by Don Problarp also failed.

The Spartans were within scoring distance several times during the fourth quarter. But if they were to play the game of "if", a penalty after they drove 64 yards to land on the Senators 2 yard line in a first and goal situation might prove to have been the heart-breaker. It seemed difficult to impossible for the Senators to have denied the Spartans the final two yard. But a chin strap penalty sent Lake Forest back five yards, not far, but enough to break the momentum and strengthen the resolve of the defenders.

Coach Fleming said the Lake Forest helmets have a four-point strap attachment. Billy Scott, returned to the fray in the thick of things, had one unannounced. He and his teammates failed to notice, but the referees did not.

A fumble following the penalty led to a Dover recovery. The Spartans stopped the Senators on their own 33 and were quickly within scoring position again. But a field goal attempt by Brian Gladden missed the mark.

In the closing moments of the game several Senator attempts to get downfield by air wound up as incomplete passes, and the clock ran out.

Fleming was particularly proud of his team's defensive effort against Dover on Friday night. The Spartans spent much of last week working on defensive techniques after holding Seaford scoreless in the first half only to fall prey to the Bluejays when they returned to the field after halftime activities.

As it looks forward to its first southern division contest scheduled against Laurel on Friday night, the Spartan squad will be working on refining its offense. The kicking game, which may be hurting in the snap as much as the kick, will also get some attention.

Although Laurel has suffered two straight losses, Fleming says the team is not to be taken lightly. Like Lake Forest, the Laurel team held a northern division opponent, Cape Henlopen scoreless through the first half in last Friday's game.

An unidentified Spartan, perhaps Brian Gladden [#12] seems surrounded by Dover Senators in Friday night's duel.

Final Qualifications For Deer Shotgun Season

Refuge Manager Don Perkuichin announced that the final qualifications test for shotgun deer hunters will be given October 24th from 9:00 a.m. to 2:00 p.m. at the Dover Air Force Base Small Arms Range. Any person who does not now possess a valid hunter

qualification card who plans to hunt this fall should plan to attend this session. Valid qualification cards are required for all Refuge deer hunters. Persons wishing to qualify with muzzleloaders for the 1982-83 season may also qualify on the 24th.

LF Soccer Team Loses Two

by Jimmie D. Schuman, Jr.

Lake Forest High School soccer team lost to Cape Henlopen on Tuesday of last week, and on Saturday night they lost to Milford.

The Cape Henlopen game was played at Cape, and the score was 3-1.

Lake Forest took the lead early in the first half on a goal by Mike Howton. Cape's first goal came on a penalty shot that tied the game at the half 1-1. The

penalty hurt Lake Forest as they were never able to regain their momentum. Cape scored two more goals to second half bringing the final score to 3-1.

The Milford game was played on Saturday night at Milford. Lake Forest fell to the undefeated Milford team by a score of 2-0. Both teams played superbly, but Lake Forest lacked the scoring drive, and Milford scored a goal each half.

Brothers Compete in Half Marathon

This past Sunday over 2200 runners competed in the Severn River Half Marathon held at Annapolis Naval Academy. The 13.1 mile route gave the runners a complete tour of the Academy grounds.

Brad Morris completed the course in a time of 1 hr. 29 min., placing him in 258th position.

Nick Morris finish in 1081st place place with a time of 1 hr. 48 min. 23 seconds.

The two are preparing for this year's 9th Annual Maryland Marathon (26.2 mi.) held in Baltimore, Md.

OOOOOF!—A member of Lake Forest's J.V. Football team gets his man in a scrimmage against Dover on Monday.

Spartan Hockey Team Ties S.C., Loses to Seaford

Lake Forest's varsity hockey girls proved an even match for Sussex Central in a 1-1 contest last Wednesday. But its Monday battle against top-rated Seaford proved uphill all the way. And the Spartans never got away from the foot. They lost 0-6.

Spartan Coach Pat Dyal was pleased with the effort against Sussex Central, a team which she had said would provide a pretty good match for her girls.

In the Sussex Central game, the Spartans were able to prevent Seaford from scoring. Lake Forest's score came near the end of the half when junior Deedee White took the ball down the field by herself.

"In the second half," said Dyal, "they just kept coming at us, and I knew they would score." However the Spartans limited S.C. to just one in a successful defensive effort backed by goalie Suzie Asbury who had eleven saves.

All in all, Dyal felt her girls fielded the best team in a game that was a rough, physical contest and should have come away with the win to accompany their bruises.

In Monday's confrontation with Seaford, the top ranked team in the Henlopen conference, Dyal wasn't expecting a win. But she hoped her girls could stay in the game. For the first half, matters were not so bad as SEaford was able to score only once.

But in the second half, the Spartans were confined to their own end of the field as Seaford piled up five more goals.

Dyal said she doubted Lake Forest had more than two shots on the goal during the whole game.

The J.V. team, coached by Bonnie Simon, defeated Sussex Central 2-0 last Wednesday and lost to Seaford 0-1 Monday afternoon.

Tomorrow the Spartan hockey teams will meet Woodbridge on home territory in southern Henlopen competition.

Spartans Outrun Seaford, 20-43

by Keith S. Burgess

Lake Forest's cross country Spartans, coached by Jim Blades, easily raced by Seaford's Blue Jays at Seaford in the dual-meet opener.

Seaford's Shannon was the individual winner, running the new 2.6 miles Williams Pond Course, in 15.06. Spartan James Lofland was a threat, until the last few yards and clocked 15.11.

Maurice Coverdale, Terry Caskey, Larry Guessford and freshman newcomer, Mike Melvin, all broke 16 minutes to give Lake Forest the victory. Robbie Manaraze, Manny Hernandez completed the Spartan top seven.

Lafayette Bell, Chris Caskey, Jerry Mosley, Albert Burns, Rick Silkworth,

Mike Grogan, Danny Haines, Jeff Caldwell, Fred Goodman and John Caskey were other locals to complete the grind in sterling fashion.

Tara Gladden, a freshman prospect, outran six Seaford lasses to win the girls' race in 20.08. Coach Blades hopes to be able to field a legal girls' team of five or more runners by the next meet.

Vikings Defeat Spartan Harriers

by Keith S. Burgess

Jim Blades' Spartan cross-country team is at 1-1 after a 16-45 defeat at Cape Henlopen State Park last week. Lake Forest has a good team with several experienced veterans and some excellent young prospects. But Cape Henlopen is loaded with raw talent, the 1980 state champion, Tony Sheppard, plus Danny Harmon and Hank Stack, both of whom have beaten Sheppard already.

The above three runners tied for first place as Maurice Coverdale was the only Lake Forest runner to get in the top five. Manny Hernandez ran a fine race to get eighth, as did Larry Guessford in ninth.

James Lofland twisted an ankle, but held on for 12th, Mike Melvin, the promising freshman who has already won his varsity letter (LF) ran very well for 14th and fifth place on his team. Terry Caskey was accidentally struck by a tree limb, but persevered to finish 15th followed by Robbie Manaraze, who has also won his letter. Lafayette Bell and Danny Haines, two excellent ninth-grade harriers were next.

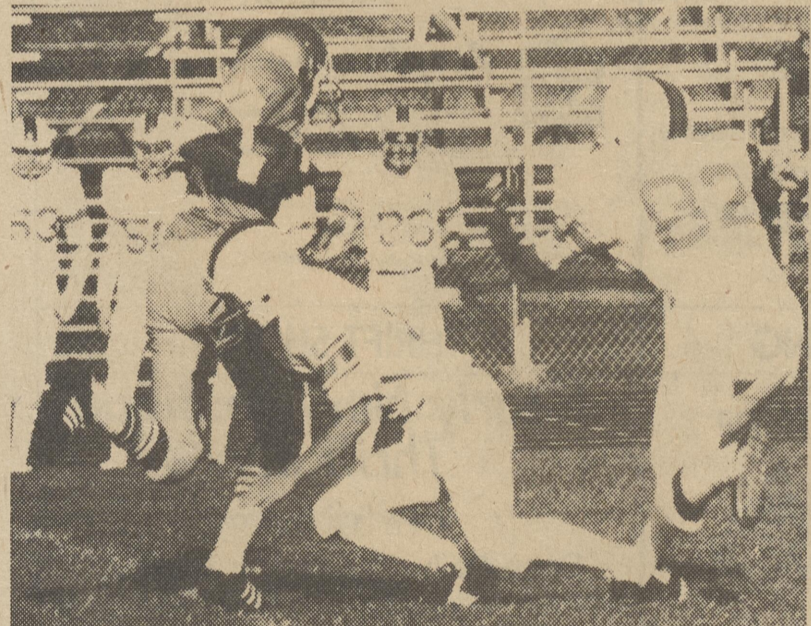

Joe Gourley and Mark Goodman, two newcomers, showed good ability, over the 2.9 miles sandpile.

Tara Gladden won a three-girl race in 20.50 and also beat a half dozen boys.

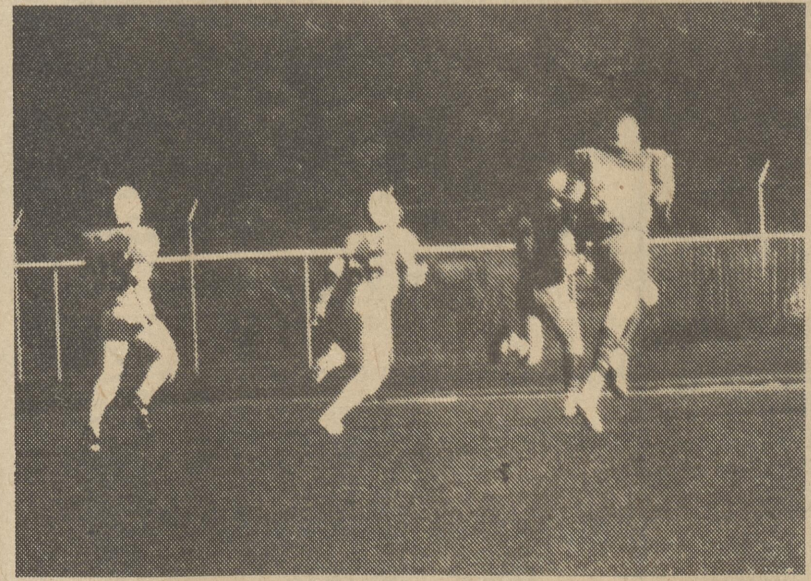

During Fire Prevention Week, October 4-10, Delaware Volunteer Firemen are promoting a new fire rescue sticker. The sticker is designed to be alert firemen of the presence of invalids, bedridden persons or children when they respond to a blaze. The simplified red and blue sticker should be less confusing than others that are ornate or hard to read. Firemen ask that it be displayed prominently on the front door or the door that firemen would see first upon their arrival.

The chances for escape seemed slim for the Spartan J.V. [above, dark shirt] but in a matter of seconds he was long gone across the goal line with two Dover J.V. Senators and a teammate in pursuit. The action took place in the Spartan-Senator J.V. scrimmage on Monday.

Hunter Safety Courses Still Offered

Hunters, this is the law: all persons under the age of 18 must satisfactorily complete a hunter safety course in order to purchase a Delaware hunting license. The state Division of Fish and Wildlife will be conducting classes in area beginning this month. All classes begin at 7:00 p.m. and run until 10:00 p.m. each night.

Since establishing the Hunter Training Program in 1970, 16,000 Delaware hunters have completed the course. Aside from the emphasis on safety, other topics include: land owner/hunter relations, ethical behavior, wildlife identification and Conservation Law.

For further information, write to: Hunter Education Program, Division of Fish and Wildlife, P.O. Box 1401, Dover, DE 19901; or call (302) 736-4431.
