## RR Station Listed on National Register

Two years of effort by the Felton Town Council and especially by Council member Don Jacobs bore visible fruit Monday night as Mayor William Myers accepted a framed certificate testifying to the fact that the railroad station purchased by the community in the summer of 1979 has been placed on the National Register of Historic Places. The presentation was made by Dan Griffith, Chief of the Bureau of Archeology and Historic Presentation of the state's Division of Archeological and Cultural Affairs.

Before presenting the certificate, Griffith explained the purpose and scope of the national register program. His explanation was accompanied by a slide presentation "The National Register in Delaware." Three stages of the program, he said, include survey, evaluation to determine the historic significance of the proposed sites or buildings and protection. The latter is accomplished through national register designation which safeguards against

the hasty destruction of historic buildings and through 50/50 matching funds for certain kinds of restoration. In some cases, owners of income producing properties listed on the National Register may get tax credits. This last could not apply to the Felton Railroad Station.

Of the 300 buildings or sites in Delaware so far listed on the National Register, the majority are well preserved homes exhibiting a variety of lifestyles of the past. Also included are some industrial sites, places of business, public buildings and places of worship that have been significant in Delaware's history.

Felton was finally successful in purchasing the station from the bankrupt Penn Central Company in the summer of 1979. Efforts to have the building, which was constructed somewhere around 1865, listed on the National Register, have been in progress since that time. The station and many others

like it on the Delmarva Peninsula were once busy centers of freight and passenger service. The last passenger trains went through Felton sometime in the 1950's. Although the building had been used from time to time for equipment storage, it was standing vacant and in some disrepair at the time the town purchased it for \$5,000.

At that time, it was estimated that \$20,000 to \$25,000 would be needed for restoration of the building, including its ornate 19th century windows and converting it to use as a town hall. Completion of that work is still sometime in the future.

Initial attempts to get it on the National Register were turned down in Washington. But Jacobs persisted and with help of state officials, the project was at last a success. Presentation of the certificate was not made until Monday, but the railroad station has actually been listed in the National Register since July 13.

Spartan Dale Benson was a leading ground gainer for Lake Forest in Friday night's 26-0 victory over Laurel. Lake Forest went for a total of 496 offensive yards while pushing the Bulldogs back to a minus 16. [Story on page eight].

## Felton to Host Lake Forest 1981 Homecoming Parade

The condition of the streets with work on the sewer system still in progress is somewhat uncertain, but the town of Felton thinks it will be able to handle Lake Forest's Homecoming Parade scheduled for Saturday, October 24. After some discussion of the situation Monday night, the Felton Council agreed the town could host this year's parade sponsored by the Lake Forest Student Government Association. The action came in response to a letter from Karen Gibbs of the SGA requesting permission to hold the parade in Felton and inviting the town Council to ride in it.

It has been the policy of the Lake Forest School Board for the past several years that the Homecoming Parade rotate between the town's three major communities - Felton, Frederica and Harrington. Last year's edition was held in Harrington, and the parade the year before, the first ever to be planned for Frederica, was cancelled by rain.

This year's parade is to begin at 10 a.m. on Saturday, October 24. That afternoon the Spartans will take on Indian River with the crowning of the 1981 Homecoming Queen and other appropriate ceremonies planned for halftime.

Felton Town Council member Don Jacobs agreed to work with the SGA in planning the parade route and coordinating other efforts with the town.

In other business Monday night the Felton Council:

- voted its blessing by letter to Gary Gay's effort to get a license to sell beer for consumption on the premises only at his High Street business, the Depot.
- decided to spend \$1700 for a fire hydrant replacement with a cutoff valve.

- heard Mayor William Myers vote that the sewer construction is as much as 70% complete.

- accepted a certificate acknowledging the listing of the railroad station on the National Register of Historic Places (see separate Journal story).

## Disc Golf, Anyone?

On Saturday, October 10, Delawareans are invited to grab a frisbee and head for Killens Pond State Park for a day of fun playing one of America's newest and fastest growing recreational activities - disc golf.

Killens Pond, located just east of Felton, will be the scene of a Fun Frisbee Golf Tournament that day between the hours of 11:00 a.m. and 2:00 p.m. Jointly sponsored by the State Division of Parks and Recreation and the newly established Governor's Council on Physical Fitness, the disc golf tournament is a part of the many festivities planned for Governor's Health Week. The fun tournament is free and open to kids and adventurous adults of all ages. This tournament is for those who've never given disc golf a try before. They will be able to get in a little fresh air and exercise while getting a chance to be one of the first to try this newly constructed 18 hole disc golf course.

For the uninitiated, disc golf is very similar to the kind most people know,

the variety where they keep trying to beat a poor little white ball to death with a stick and then chasing after it so it won't get away. Each station is of a different length and design and a par score has been assigned for each hole. But instead of a white ball and cups to hit them into, the game of disc golf features frisbees and hanging baskets. The game is a test of one's skill at judging distances, heights, and angles and then being able to translate that information to the throwing hand.

There will be frisbees available for loan for those that forget their discs, and professional models will be available for purchase.

Killens Pond State Park also features a Life Course Fitness Trail just waiting to be tried. The entrance to the 21 station course is located near the picnic grounds. For further information on this or other state parks activities, interested persons can contact the Division of State Parks, Recreation Section, P.O. Box 1401, Dover, DE 19901 or call (302) 736-4413.

## Wood-Coal Safety Seminar Set for Fire Hall

The Harrington Fire Company is proud to announce a Kerosene Heater, Wood-Coal Safety Seminar, to be held at our station on October 10, 1981 at 9:00 a.m. concluding at noon. This Seminar is the first of its type to be offered anywhere in that it will focus around the controversial issue of the small, portable kerosene heater. While it is not our policy to endorse any type of supplemental home heating appliance, we feel the public should be informed in the matter of safety in order to better protect our people and our territory. Speakers will include a representative from Paradee Oil Co., a local dealer for Kero-Sun heaters, displays will be set up by Taylor's Hardware. A representative from the University of Delaware Cooperative Extension Service will be on hand to discuss wood and coal heating installations.

With the proximity of the coming winter many of you are considering the installation of one of these types of systems. This valuable seminar could save you time and money as well as educate you in the matter of some of the installation and operation problems you could be facing with either of your choices.

Since Oct. 4th to Oct. 10 is National Fire Prevention Week, we feel this seminar is the crowning touch to our activities in observance of this important area.

The Harrington Fire Company wishes to take this opportunity to thank the citizens of our territory for their support and to wish everyone a fire safe winter season.

Come on out to our seminar, sample our refreshments, ask any questions you may have and let's get acquainted. After all, we have many things in common, mostly an interest in saying lives and property.

## Police Look for Help in Murder Inquiry

Milford Police are still requesting anyone with information about the death of Stephanie Swift, 17, of Parson Thorne Apartments on Northwest Front Street to contact them. The young woman, a senior at Indian River High School near Dagsboro, was found strangled Tuesday morning, September 29, in a car parked at the Milford Shopping Center. Miss Swift, 5-foot-7 and 135 pounds, was discovered slumped over the back seat of a faded blue Chevrolet Camaro by an employee of Leggett's Department Store in the shopping center. Police said an autopsy revealed that she had not been sexually assaulted.

Miss Swift had recently moved from her parent's home in Millsboro to the residence of her fiancé, Williams A. Fensterer at the Parson Thorne Apartments. Fensterer was questioned in the case, but Milford Police say he is still not a suspect.

## 2 Area Students in Who's Who

Ms. Renee Outten of Center Street, Ext., Harrington, DE and Ms. Tanya R. Hayes of RD#1 Box 27, Greenwood, DE have been selected as college students whose names will appear in Who's Who Among Students in American Universities and Colleges.

The daughter of Mr. and Mrs. Tighman L. Outten, Renee is a 1977 graduate of Lake Forest High School and a June, 1981 graduate of Goldey Beacom College in Wilmington, DE where she earned a Bachelor of Science Degree in Office Administration.

## LSEA/LF Board Set Separate Meetings

The Lake Forest Board of Education and the Lake Forest Education Association continue to be at impasse over whether there is an "impasse" in the teachers' contract talks with the district. There seems to be little visible progress toward resumption of the contract talks between the two sides. Meanwhile, the Board has planned another negotiating session, and the teachers have planned a public parents' meeting.

The school board met in special session on Tuesday, Sept. 29, to renew the "Master Agreement" between the two sides, thereby extending the teachers' old contract through October 31.

At the special session, the Lake Forest Board also set tomorrow evening at 7 p.m. in the high school library as the date and time for a collective bargaining meeting. In a statement made following the session, Board President James Gussett extended an invitation to LFEA President Ed Gabrielson to attend the meeting. The agenda recommended by the Board

includes discussion of compensation and other items the board and the teachers have "not yet tentatively agreed upon."

However, the LSEA, which declared an impasse on September 7, is not likely to attend that meeting unless the Board presents a proposal in writing that slows some substantial effort toward compromise.

James Caruth, a spokesman for the state teachers organization - DSEA, said recently that motivation behind declaring impasse was to bring in an experienced, knowledgeable and impartial mediator to help get the talks moving. However, the Lake Forest school board has not given indication that it will accept any kind of mediation, and Caruth wonders why it is such a stumbling block.

He pointed to a recent court ruling that one party in a dispute can declare an impasse and said that current situation in which LSEA has made that declaration is in the second 10-day phase of a three step program.

The first step was the ten day period following the declaration during which the Board and the teachers could have

followed the LSEA suggestion that the Federal Mediation and Conciliation Commission be approached to provide a mediator. The first deadline passed on September 30. During the present ten-day phase, there would be time for selection of a three-member mediation panel consisting of a representative selected by the board, one by the teachers and a third person on whom the two parties could mutually agree.

The next step would be for the DSEA to take the Lake Forest Board of Education to court if it continues to resist all efforts at mediation.

Caruth emphasized the teacher's willingness to return to negotiation if the Board submitted in writing some concrete proposal that showed willingness to make progress in the negotiations. Simply listing an agenda to be discussed would not be enough.

The LSEA has set next Wednesday, October 14, at 7:30 p.m. in the Harrington Fire Hall as a Concerned Parent's Meeting to air its position and to answer questions district residents may have about the impasse and the progress of the negotiations.

## A Birthday Visit with J. Stanley Wyatt

Mr. J. Stanley Wyatt, who celebrated his 85th birthday on Wednesday, September 16, says his family owned one of the first automobiles in town, a 1918 Model T Ford purchased at Warren Motors which once occupied the site where Watkins Auto Parts is now located. But it is the auto he credits with turning Harrington from a once prosperous and even bustling community to the relatively quiet town it is today.

When Mr. Wyatt speaks of a bustling town, he thinks of the Harrington he remembers on Saturday visits when Commerce Street was lined with horses and buggies, and as many as 1500 people crowded into town to do their shopping or trading and their visiting. Saturday in town was a social as well as a business occasion. Now people who pilot the "horseless" carriage all over the state's network of highways seem to have a lot less time to visit.

Mr. Wyatt was born in 1896 in

Caroline County, Maryland, just over the Delaware-Maryland line. In 1904 his family moved to a farm west of Harrington. By 1928 he was a town resident. He was an only child whose mother died when he was ten. During his early years he and his father, Robert H. Wyatt, made many Saturday trips to town.

He recalls stopping at Ezekiel Fleming's business establishment where he saw the spoke factory and gristmill operation and watched oxen hauling logs into the sawmill.

Wyatt also remembers Arly Salisbury's basket mill where Quillen Shopping Center is today, and three tomato

canneries that were in operation - Reese's, Vane's and Harrington Canner.

Like others who came to Harrington he and his father may have stopped for water at the wooden pump which stood for years at the corner of Clark and Commerce Street. That supplied visitors and their animals; town residents had their own wells and employed the outhouse in lieu of a septic system.

When they decided to take the train to Dover, the Wyatts could leave their horse and carriage at Spurry's Livery Stable which was to become familiar to a later generation of Harrington resi-

## TRIM Shapes Up New Program

TRIM, a new exercise program which combines both aerobics and isotonic principles will open up a coed fitness class - "Synergetics" next Wednesday, October 14 at St. Stephens Episcopal Church in Harrington. The Coed Synergetics Class will meet at the church hall on Mondays and Wednesdays from 5:30 to 6:30 p.m. This coming Monday, October 12, there will be a free orientation session at the same location at 6:30. The public is invited.

A Ladies TRIM class started last month at St. Stephens and is in progress on Mondays and Wednesdays from 4:00 to 5:00 p.m.

Both programs use exercise keyed to music and are planned to increase aerobic (heart/lung) capacity as well as to tone muscles.

According to local instructor, Joyce Simmons, the programs, which will remain open to those interested in joining at any time, have been medically tested for safety and effectiveness. She advises those attending the free orientation session to wear loose clothing and tennis shoes. Those interested in further information call her at 736-6083 on evenings or week-ends.

Some Harringtonians thought that the railroad crossing on Center Street was, at long last, going to be upgraded. But this work crew last week was just busy repairing a rail.

## Wyatt Birthday Visit

[Continued from page 1] dents as the Pennsupreme.

With muddy country roads uncertain thoroughfare for the early automobile, the railroad provided the most dependable source of transportation other than the horse. The railroad was the catalyst that turned a country crossroads into the city of Harrington, and Wyatt can remember the time when six to eight passenger trains passed through each day. That was in addition to all the freight activity. On a number of occasions each year, Wyatt and his father would take the train to spend the day in the state capital. The round trip cost 67 cents and they could get dinner at a popular eating spot for 50 cents. Depending upon which train you took, he also remembers the one way trip to Dover as consuming as little as 28 minutes.—And the automobile is supposed to be an improvement.

When the last passenger train passed through Harrington, Mr. Wyatt took his five grandchildren (one of them named Robert H.) to Dover by car and then returned to Harrington on the train.

When Mr. Wyatt was a schoolboy, he attended Thomas's, a one-room country school where eight grades, for many, completed an education. By the time he was an adult, many of those country school children were coming to Harrington and school buses were needed. For three years he drove the first bus route in the Whiteleysburg area. But even then motorized transportation had often to depend on four-footed horse power. Roads were still dirt transformed by weather into mud. There were some mud holes where the bus had to be towed both ways. His father frequently came to his

aid with a team of mules.

It took not only the automobile, but the construction of "stone" roads to change the life style centered in the local community. The first of those hard surfaced roads in this area Mr. Wyatt remembers as being built on the stretch from Harrington to Vernon. He says they built a narrow gauge railroad to carry the cement and other materials out to Vernon where they were mixed on the site.

Stanley Wyatt went into the fuel business in Harrington when fuel was mostly coal or wood. As oil heaters and furnaces came into use, he gradually changed his operation to suit his customer's needs. For some 22 years that business was Camper and Wyatt (the Camper was Harvey, an uncle of Jehu Camper). Then for another 22 years, he was on his own before selling out in 1970 to Peck Brothers.

Although he grew up on a farm, he never went into farming for himself. However, he does own a farm of 172 acres which has been tilled by the same tenant for 34 years.

Life was not all work or business, and Mr. Wyatt recalls being a part of a Harrington band which took part in parades (mostly firemen's) and provided music for an annual "Rabbits Foot Minstrel" which was a highlight of local entertainment at the Reese Theatre. He played the tuba. He says a Mr. William A. Smith of Harrington got a Mr. June Riebold (spelling uncertain) from New Jersey to come down once a week to instruct the band.

Retired now, he takes pride in a garden and the fruit trees which have produced an abundance of Red and Golden Delicious apples this year. From some of these he will make apple cider, and others will be used by his wife for applesauce. He has also kept a shop where he sometimes fashions wooden implement handles.

On the occasion of his 85th birthday, he received greetings from Congressman Tom Evans, Senator Joseph Biden, Governor du Pont and the White House.

## Days of Our Years

### DAYS OF OUR YEARS -Thirty Years Ago- October 5, 1952

Pupils of Harrington Public Schools were in jeopardy Monday afternoon when a fire broke out in the cupola of the elementary building, but there were no casualties. The blaze confined for the most part to the dome and the roof, was extinguished within three-quarters of an hour. While it was difficult to estimate the damages, it was figured out that the blaze and water would result in a loss, covered by insurance, of \$15,000. While the elementary building was undergoing repairs, there were only three groups using classrooms on the second floor, a two-story brick structure built in 1912. These groups were two groups of the fourth grade taught by Mrs. Minnie Slaughter and Mrs. Florence Long, and one group, taught by Mrs. Earle M. Nelson, of the fifth grade.

Charley Derrickson, engineer on HF1, who completed 40 years of service on the 26th of September, was presented a 40 year button by Superintendent Longenfeller last Monday evening. Charlie started his railroad career as a newsboy on May 15, 1910, selling papers, cigars, etc. on trains between Harrington and Wilmington.

Ernie Homewood returned to duty Monday after three weeks surf fishing. As in last year's jaunt, his big catch this year was in the vicinity of the radar tower where he claims he has a working agreement with the radar operators and with the fish themselves and knows all the time just where the big ones are.

(A race horse) Sigrid's Girl, owned by J.W. Downing of Mochiponge, Va., was killed early Thursday morning when she escaped from the Kent & Sussex Fairgrounds and collided with a truck on U.S. 13.

For years and years Al Horn conducted a bakery in Harrington. He is one of the best bakers in the country and was a splendid citizen, liberal, even generous in his contributions to this community. Now Al has closed his bakery and moved to Baltimore. The big bakeries squeezed the life out of his business. Thus another triumph for "Free Enterprise?" (From the editorial page).

### -Twenty Years Ago- October 6, 1961

Miss Debbie Cannon, daughter of Mr. and Mrs. J. Hubert Cannon of Andrews ville will represent the Farmington Volunteer Fire Company in the fifth annual Del-Mar-Va Firemen's Association Miss Fire Prevention Contest.

Senior Personalities from Harrington School Notes: Barbara Jean Spicer, Lydia Jean McFarland, Merritt Camper, Charlotte Louise Rapp and Becky Moore.

Cliff Miller, bulletin editor at the local Rotary Club, was the guest speaker at a 100% attendance meeting Tuesday evening at the Wonder R Restaurant. His line of thought was to remind that Harrington is still a railroad town with 88 tax paying active and retired property owners.

Monday evening the Harrington Moose Lodge No. 534 will offer another event in their program of community projects by presenting Mr. and Mrs.

William Harris, former Arthur Murray instructors, in two and a half hours of free dancing lessons.

Do you get up early Sunday morning? If you had been to the front of the post office Sunday morning at 6:30 a.m., you would have seen Explorer Post No. 76 getting ready to start on a 50-mile bicycle ride. The boys who took the trip were Ronnie Hughes, Marshall Hatfield, Lester Minner, John Greenhaugh, Artie Taylor, Doug Moore, Gary Porter, Donald Wells, Ricky Jester and Post Advisers Roland Hitchens and Bill Walls.

### -Ten Years Ago- October 7, 1971

The long, bitter controversy between the police force and the City Council came to a head Monday evening when the City Council fired the police chief and accepted the resignations of two other members of the force, reducing it to one. Councilman William A. Minner, Fourth Ward, who made the motion to fire Robert B. Martin, the \$135 per week chief, charged him with insubordination... after firing the chief, the Council read letters of resignation from the chief Cpl. Theodore D. Higby and Patrolman William Mintzer.

The recent storm, which reached hurricane force in the South, is thought to have brought a look-down fish up to our waters from the Florida area. The scientific name is selenia; the color is silver with yellow stripes, and it has very long dorsal fins...The fish was netted after school at Slaughter's Beach when Mr. Workman took 5 boys down to collect some animals for a salt water aquarium. Billy Wright and Donald Welch waded near shore with a 6-foot seine to catch the fish as Hal Brown, David Simpson, and Billy Leonard waited on shore with jars to put the new fish in.

Mr. and Mrs. Ivan Yoder of Andrews ville celebrated their 25th wedding anniversary Sept. 26 at their home.

Burwood Duke, a three-year old Rodill colt owned by the Burwood Stables of Harrington, trotted 2:15 4/5 with Eddie Taylor at the reins to win the Harrington Journal Feature at Harrington Raceway Friday night.

The Lake Forest FFA meat judging team, which consisted of Jim Fitzhugh, Jim Messick and Eric Hobbs participated in the state meat judging contest at Kling's Meat Market on Sept. 15.

Spartan Harrier of the week: Larry Dill, who was recruited for Harold McDonald's Lake Forest cross-country team by a friend.

Al Wood's Lake Forest Spartans have a 2-1 record after outscoring Sussex Central 14-6 in a football game played at Harrington Friday night. Lawrence Sorden set up the first score of the day... (when he)...swept end for twenty yard. Rick Porter, a fullback with speed, power and deception (did we leave anything out?) dodged and darted down the left side for eleven yards and a six pointer...Frank Daniels... added the extra point... (In the second half)...Sorden... scooped up a fumble and dashed 15 yards to put the game on ice...Frank Daniels split the uprights, but had to do it again from five yards farther out after an infraction, he dood it!

## Letter to the Editor

Dear Mrs. Grace Welch

On behalf of the Nanticoke Heritage Committee, I wish to thank you and the Harrington Journal for the beautiful and sensitive story you wrote in the September 15 issue concerning our centennial Powwow. Your story captures the essence of what we intended our Powwow to be and tells us that we were successful in communicating our message.

We are pleased that the Heritage Days were also successful and doubly appreciate your coverage of our Powwow after delivering the keynote address at Harrington. What a busy weekend you must have had!

As anyone who is active in heritage-related concerns knows, the work is long and the progress slow. Support such as yours goes a long way in keeping our spirits up and encouraging us to continue.

Thanks so much for your wonderful story and the Journal's extensive coverage.

Sincerely,  
Jean Norwood, Project Director  
Nanticoke Heritage Committee

## Gary Price Chosen for Youth Band

Lake Forest High School band student Gary Price was selected to be a member of the All American Youth Band. Gary will become a part of a select group of young band members throughout the country to participate in this honor band. Gary, who plays trumpet, will travel with the youth band on a musical tour of Spain, giving concerts in various cities. Gary is the son of Albert and Elma Price of Harrington.

# WE TEACH THE CHILDREN, WHO CARES??!

Lake Forest teachers want you to know the seriousness of the impasse in negotiating our new contract. In addition to what you read in the papers or hear on radio, we want you—the citizens who really employ us—to know the fact in straight talk.

Following nine months of negotiations, teachers declared impasse when the school board unilaterally refused to discuss a number of issues we consider vital for education and the smooth operation of our school district. The impasse simply means that an objective third party will be called in to help us and the school board reach an agreement.

### What do teachers want?

fair treatment and the right to representation, rights all U.S. citizens should enjoy. a grievance procedure that will allow for an impartial person to render decisions. The current procedure can be likened to a baseball game between the teachers and the school board, with a school board member as umpire. That's not fair.

a fair layoff and recall policy. The school board refuses to negotiate this as part of our contract.

a fair salary increase, that will raise our pay from one of the lowest in the state to be competitive with other teachers downstate.

adequate compensation for our duties. None of us expects to get rich teaching children, but we do expect to earn enough to keep bread on the table for our own children. Did you know that since 1975, we have received a local salary increase of only 22 cents per day? As a taxpayer, you should know that a fair pay raise for teachers will not increase your taxes.

These are a few of the issues at stake in the current teachers negotiations. Issues which the administration would like us to forget.

If you would like to hear some straight talk from the teachers on these and other issues, please attend the concerned parents meeting.

## Westville 4-H Club

Sept. 24th, parent night supper was a great success, 65 parents and 4-H members attended. Turkey and ham supplied by club, covered dishes brought by families. The evening was arranged by Lisa Webb, Beth Webb, Kara Van Vesson and David Pritchett. Flowers used to decorate the Willow Run Ruritan Club made the evening very inviting. There were 9 new members enrolled: Jeffrey Alexander, Kelly Blackburn, Tomothy Bond, Adam and Erin Hawk, Mike Sanders, Sherry Sharp, Darron Todd and Amy Webb.

Awards were presented, the high honors as a special recognition were

received by Beth Webb, Maria Sbriglia and Lisa Webb received the next high honors. Maria Sbriglia entered the State Project, she wrote Book on Bread. There were 7 entries made and Maria's was chosen first which entitled her to represent the State of De. at the National 4-H convention in Chicago, Ill. in November, 81.

Their 4-H dance, the first dance of the fall was very well attended. Their next dance is to be for Halloween, wearing Costumes. Prizes will be given for the most original and the scariest costume. Dances are held at Willow Run Ruritan Club, fee \$1.50 at the door, Date, Oct. 30th.

## State 4-H Horse Show Held

The 16th Annual State of Delaware 4-H Horse Show was held on Sunday, September 20, 1981, at Dr. W.L. Mroz' Red Gate Farm near Dover. The show was open to 4-H members between the ages of 9 and 19.

Champion in the Western Pleasure Horse division is Ginger Aikens, of Milton. Scott Torgerson, of Felton, is reserve champion. Champion in the Western Pony division is Steve Sterling, of Smyrna. Reserve champion is Dale Jarman, Camden-Wyoming.

In the English Pleasure Pony division, the championship goes to Karen Horeis, Felton. Janette Armstrong, Wilmington, takes the reserve championship. English Pleasure Horse champion is Jody Steele, of Dover, Joan Edwards, of Dover, is reserve champion.

In the Hunter Horse division, Joan Edwards is champion and Janette Armstrong is reserve champion.

Janette Armstrong also takes the Hunter Pony championship, and Karen Horeis takes the reserve championship.

The Beatrice Campbell Perpetual Trophy is presented each year to the

4-H youth who has accumulated the most points in both fitting and showing and horsemanship classes. This year's winner is Joan Edwards.

All exhibitors were required to prepare their own animals for the fitting and showmanship classes. Their only assistance could be in holding, leading, and loading.

The show was sponsored by the Delaware Cooperative Extension Service in cooperation with the Delaware 4-H Horse Advisory Committee.

## Band Takes 2nd

The W.T. Chipman Jr. Band won 2nd place in the firemen's parade held on Sept. 26 in Rehoboth Beach. This was the very first firemen's parade that a Chipman Band has ever participated. In addition to this being their first firemen's parade, this was also the earliest that the band has ever appeared in the fall marching season. Director Alex Becton was very pleased with the results of his young inexperienced group. Becton said the band would like to thank the Harrington Fire Company for the invitation and for providing the transportation.

## Arts Calendar

**OCTOBER 10** - Final preparations are being made for the 1st Annual "Fall Flair For Art." More than 2400 square feet of space has been contracted for this, outdoor art festival. The art festival is being co-sponsored by the Dover Lions Club, the Kent County Arts Council and area merchants. The event is set for October 10, 1981 from 10 A.M. to 4 P.M. at Mirror Lake, Lookerman Street near Legislative Hall in Dover.

Already more than 60 artists from throughout the Delmarva Peninsula are registered for this event. To register please call Judy Hallett (302) 734-3330. 4 X 8 sections of space are being rented for \$10.00 per section. The art festival is free to the public.

**October 10** - Five representatives from one of the world's leading art auctioneer and appraisal firms will be at the Delaware Art Museum for the annual Appraisal Day Saturday, October 10, from 10 a.m. to 4 p.m. The public is invited to bring in their attic treasures and prized heirlooms for a

talk with the experts. For more information about the Collectors Circle of the Delaware Art Museum or about Appraisal Day, call the Museum at 571-9590.

## Senior Center

By Dorothy Graham 398-3780

Smile! Tho at times it is hard, look around and you will be sure to choose your own troubles.

Reverend Markley of Trinity and Prospect Church was leader at Bible Study Monday morning at the Center. His topic - Chapter 4 of Ruth. He talked of life, redemption, love, family, restoring usefulness, and living each day in Faith! Present for the inspirational hour were Elma Thorpe, Essie Redden, Sylvia and Cecil Meredith, Florence Roe, John McCready, Florence Minner, Mildred Vincent, Marion Brown, Thelma LeGates, Mamie Adams, Tony Perrone, Pearl Hickman, Laurence Kates, Juanita McLain and Francis Wright.

Mildred Vincent received a big pot of yellow mums from R.S.V.P. Mildred is on the visiting forum. Also attending the Governors Day from the Center was Mary Sapp, Catherine Stevens, Francis Wright, Mildred and Bill Butler. The menu was varied and delicious: roast pig, cheese, apples, bread, coffee, orange juice, plain cider and spiced cider. The flowers were a complete and pleasant surprise to Mildred; everyone received a sweet and pretty carnation at the entrance. The Governor's Mansion was open for touring if you wanted. Those that saw the frog race truly thought it was interesting. The balloon man was getting his share of attention.

## Houston

By Margaret Thistlewood 422-4944

Houston Town Board will meet Thursday evening, Oct. 8th at 7:30 in the Fire Hall.

Mr. and Mrs. Ernest Harding entertained at a family dinner on Saturday, Mr. and Mrs. William Robinson, Mrs. Charlotte Stevenson of Felton, Stanley Harding of Milford and Mrs. Jane Coppage of Chesapeake City.

Mrs. Ruth Carmine underwent surgery last week and is a patient in the Milford Memorial Hospital. We hope she soon will be able to be home.

Beat the band - well come on around to Harrington Center every Tuesday morning. "Meet Me In St. Louis", "Sweet Rose O'Grady" and "The Band Played On" were among the happy songs echoing thru the Center.

Bingo, bingo - Wednesday was a busy day - calendars, pool, ceramics, dolls. Marion Brown called for bingo. Roxanne was the lucky one to take home the pumpkin. Hope she brings in a pie next week.

Turkey and all the fixings truly made the Center smell like home on Thanksgiving day on Thursday. The pool table was busy and happy. Bowling over at Milford Lanes. Barbara Evans was here with her crafts. The parlor was buzzing - cutting, snipping, trimming, crocheting - you name it, the ladies were doing it. You will be able to see their creations at the Bazaar November 19, 1981. There will be a luscious lunch too. Plan to be present and bring a friend to see a friend.

Have you checked for trips; there just might be something new on the trip board at the Center, of course.

Shopping at Dover Friday. It is a change anyway.

Rummage sale - October 27, 1981. If you have anything for the sale or white elephant sale, call or bring it in and it will be greatly appreciated.

Thanks to all volunteers! Best Wishes and kind thoughts to everyone. Love ya! Faith.

## Greenwood

The Greenwood United Methodist Charge has purchased a film projector and will enjoy their first evening with it on Sunday evening, October 11, at 6 p.m. at the Greenwood Church. The film to be shown is a Billy Graham film entitled, "No Longer Alone". Do circle your calendars and come enjoy it with us. There will be a free-will offering and refreshments afterward. Everyone welcome!

Hickory Ridge Congregational Methodist Church reports that Allen Everline's Class of "Young Teens" is running well over twenty members.

Four new members were received into the fellowship of the church on Sunday, September 13. They are Chuck and Kathy Crompton, Bonnie Smith and Wanda Bawel.

Hickory Ridge Revival will be held October 11 through Oct. 18.

The Greenwood Early Attic Antiques Shop participated in the Antique Show recently at Salisbury Mall. We will be seeing you at the Centenary United Methodist Church Antiques Show and sale in Laurel, Delaware on October 6, 7 and 8, 10 a.m. to 9 p.m. Tuesday and Wednesday and 10 a.m. to 4 p.m. on Thursday.

On October 10 and October 17, the Greenwood Lions Club will hold a Turkey Shoot. The location will be given by signs on Main Street in Bridgeville.

Hams and turkeys will be awarded to the winners. On the final Saturday, October 17, a winner will be awarded a #1100, twelve gauge shotgun and case.

The Greenwood Lioness Club will provide refreshments for sale each day.

## Gabfest

By Pat Hatfield 349-4255

Sometimes I think the poets and the prose writers express their most beautiful thoughts in the autumn rather than in the spring. As I read I often wish I had the gift to put upon paper all of the beauty that permeates my whole being as I look, speechless, upon the wonder of the world. But I can always share with you what I am reading.

Dennis N. Crews writes this lovely Fall Essay which he calls "Changing Images". Quote: "The march of the seasons is quickening its pace, and in the woods a thousand tasks are underway. Hunting and gathering, burrowing and storing-these are the orders of the day."

While all the little creatures go about their work in deadly earnest, we who fancy ourselves to be wiser ruminate sagely over the brevity of the summer, the coolness of the evenings and the price of Arab oil. Above all the bustle and folly the autumn sun benignly smiles, no more or less swiftly keeping its appointed rounds, but only a little further south each passing day.

This morning the fallen leaves along the edge of the woods were gilded with frost, a gentle but firm reminder of the impending season. It is eternally strange and wonderful that this process of furling sails, of toughening and dying, should culminate in nature's

most passionate and glorious extravaganza of the year.

The meadow so recently singing with color has turned a mellow, agreeable brown. Tiny, bobbing cones and pods are even now scattering the promise of next year's harvest yet it is a silent and hidden work, known only to the wind.

This is a time of changes, of preparation and long last looks. The things I see today will never again appear in exactly the same way, and I treasure these images." (unquote)

All this is so true. So look well, and photograph these images in your own hearts.

These cool nights are bringing into our home some unwanted visitors.

Visible evidence has caused me to set up some mouse traps. We have alerted our good service man to come and spray around the yard to eliminate this, but he has not reached us yet. Meanwhile, I suffer. I have a deep reverence for all life, and it just tears me up to face that small defenseless broken bit of creature in the trap...the little eyes always open and so bright...the wee ears...the unbelievably tiny paws with each nail so perfect...the soft, gray fur. And he only wanted a bit of warmth and a few crumbs. He did not mean any harm, and I have taken the precious gift of life away from him.

Mrs. Green is one of Felton's oldest citizens and is still active and really spry. Gifts were received and refreshment, ice cream, cake and sodas were enjoyed throughout the evening. "Happy Birthday from all of us."

## Anne's Kitchen

If something spicy is on your mind these days, but you can't put your finger on what it is you want, you came to the right place. Have I got a recipe for you! This is one of those plan ahead for a busy day suppers since it tastes even better the next day. No reason however, not to serve it the same day since it certainly will be delicious. Simple, easy, tasty, but you will have to strain your budget a little for the steak. A boneless, not too tough cut works best. On one occasion, I did use boned pork chops, but a good quality that didn't help the cost much.

### "SPANISH STEAK"

Enough boneless steak for 4-5 servings  
1/4 cup flour  
1/4 cup cooking oil  
1 onion (cut up)

1 four oz. can mushrooms (drained)  
2 or 3 peppers (sweet)  
1 fourteen oz. bottle ketchup  
7 oz. water (or enough to cover meat)  
1 1/2 teaspoons soy sauce

- Score steak
- Pound in flour
- Brown quickly in hot oil
- Add cut up onions, peppers and mushrooms
- At the same time, add ketchup, water and soy sauce. Meat should be covered with liquid.
- Simmer till meat is tender, allowing sauce to dry up a little and thicken. If sauce evaporates too quickly, add a little more water.

Serve with boiled rice and a crisp salad.

ENJOY

## Your Area Church News

### How to Choose the Perfect Pastor

The perfect Pastor preaches exactly five minutes. He condemns sin roundly but never hurts anyone's feelings. He works from 8 a.m. until midnight, and is also the Church's sexton, gardener, and all-round genius of a handyman.

one of them should be perfect. Have faith in this letter. One Parish broke the chain and got its old Pastor

back in less than three months. (Taken from the St. Stephen's Episcopal Church Newsletter).

## Calvary Wesleyan Church

The perfect Pastor makes \$50.00 a week, wears good clothes, drives a good car, buys good books and donates \$30.00 a week to the Parish. He is 29 years old and has 40 years of experience. Above all else he is handsome. The perfect Pastor has a burning desire to work with teens, and he spends most of his time with senior citizens. He smiles all the time with a straight face, because he has a sense of humor that keeps him seriously dedicated to his parish. He makes fifteen calls a day on his people and is always in his office to be handy when needed.

The activities on Wednesday evening this week include Children's Choir at 6:30 and CYC at the same hour. The Youth service begins at 7:00. The Missionary society, under the leadership of Lois Carpenter, also meets at 7:00. CYC Sunday will be observed this week in the Sunday School starting at 9:30 a.m. All CYC'ers and their parents are invited. Awards will be given to those who missed the Honor Council

last May. Rev. Miller will be preaching in both the Morning and Evening services this week. Special songs by John and Peggy Mervine, Carlton Goodhand and The Men's Chorus. Morning worship service starts at 10:40 and the Evening Gospel Hour is at 7:00. Birthday greetings this week to: Mrs. Ethel Sherwood, Michelle Hill, Jack Carpenter, Bonnie Brown, Todd Farrow, Holly Perdue and Joyce Downs.

## Asbury United Methodist

The perfect Pastor always has time for all parish committees. He attends the meetings of all the Parish organizations and is always out evangelizing the unchurched. The perfect Pastor can always be found in some other parish. If your Pastor does not measure up, simply send this to six other parishes that are tired of their Pastor too. Then bundle up your Pastor and send him to the Church at the top of the list. In one week you will receive 1643 Pastors and

Sunday, October 11 is Laity Sunday. The morning service will be conducted by the lay people of the church. Bob Taylor, Lay Leader, is in charge of the service. The guest speaker will be Mable Jean Donovan of Prospect United Methodist Church. Sunday evening at 7:00 p.m. Asbury Church will hold a special service sponsored by the Evangelism Committee. The guest speaker will be Dr. Irwin Carpenter who is a retired

United Methodist minister and former Chaplain of the United States Air Force. Dr. Carpenter now gives of his time to inform visitors about the history of Barratt's Chapel. A series of these special services has been planned for October. In addition to inspirational speakers and special music, favorite hymns will be sung by the congregation. Everyone is welcome to attend these services.

## Reformation Lutheran Church

SPECIAL EVENTS FOR OCTOBER:

### SHARE YOUR HARVEST WITH THE HUNGRY

The Christian Service Committee has designated Sun., Oct. 18, as a day to remember the ongoing problem of WORLD HUNGER. In addition to a special offering for the World Hunger Appeal of the L.C.A., we are asking all home gardeners in the congregation to bring any surplus vegetables or fruits to Church on the 18th. Those who can use these donated vegetables may take

them for the price of a free-will offering to the World Hunger Appeal.

### WHERE LUTHER WALKED

This film produced by Aid Association for Lutherans highlights the life and land of Martin Luther. It will be shown on Sunday, October 25th, during the Adult Sunday School Class. Please join us for this unique opportunity.

### MIDWEEK WORSHIP OPPORTUNITY

We often feel that by Wednesday we need a lift to get us through the week. A spiritual lift of devotions could be that answer. Beginning Oct. 7 at 7:15

a.m. we will be offering morning worship including prayer, scripture and meditation time for those who can join us before going to work. The worship will last 15 minutes followed by a cup of coffee.

### RECYCLE DAY

October 24 from 9-11 a.m. is the day to bring your newspapers and especially aluminum cans and aluminum articles to the church parking lot. For the newspapers: if they are put in the shed before the 24th, please stack them neatly and try to have them tied. Aluminum cans, etc., need not be crushed, simply put them in a box or plastic garbage bag. The proceeds of the Recycling efforts will be matched through the Lutheran Brotherhood Branch #2840, Reformation Church Council, Branch Matching Program...for the use of the Youth Ministry program of the Church.

YOUTH GROUP WILL MEET SUNDAY, Oct. 18 following church until 3 p.m. Planned are the finishing of the remodeling of the Pit and practice for a play for Reformation Sunday. Come and join us, all teenagers from 7th through 12th grade. (Bring a bag lunch and work clothes.)

### A CHRISTIAN COMMUNITY CENTER FOR MIGRANT RURAL POOR

CASA SAN FRANCISCO has opened its doors to migrant rural agricultural workers in Sussex County. The center is located at 127 Broad Street, Milton, and will house the work of the Franciscan Sisters. The purpose of the Center will be: to carry out a Franciscan Charism and witnessing of the Gospel, through advocacy for the poor, and overcoming the social barriers, misunderstandings and poverty which make up the everyday difficulties of the farmworker.

We at Reformation have been involved in this program indirectly with support for several years. We hope to more directly aid this ministry outreach program. If you can help by furnishing any of the needed items, please call Pastor Ranney, 422-9117, or Sister Jackie Bricketto, 684-8694.

### CHARLES E. CEPHAS

BRIDGEVILLE-Charles E. Cephas, 61, of 111 First St., died Friday, October 2, in Milford Memorial Hospital after a short illness.

He worked for Lester C. Newton Trucking Co. of Seaford as a driver for 42 years.

He is survived by his wife, Owena B.; son, Charles L. of Wilmington, three daughters, Nancy L. Cephas, Katrina D. Cephas, and Cheryl R. Cephas, all of Bridgeville; three sisters, Marian P. Dexter, Louise Smith and Mary Cannon, all of Bridgeville, and two grandchildren.

Services were Tuesday afternoon 2 at the Mt. Calvary United Methodist Church, Church Street, Bridgeville. Friends called Monday night from 6 to 8 at the church and on Tuesday from 11 until the service. Burial was in Mt. Calvary Cemetery, Middleford, near Seaford.

### WILLIAM W. LYONS, JR.

DOVER-William W. Lyons, Jr., 62, of 165 Highview Ave., Dover, died Friday, October 2, at Kent General Hospital after a short illness.

Mr. Lyons retired in April as a laboratory technician for the General Foods Corp. food products division in Dover after 16 years.

He is survived by his wife, Margaret Lyons; a son, William C. of Lincoln; four stepsons, William C. Doughty of Houston, Texas, Donald C. Doughty of Stockton, Md., Ronald G. Doughty of Houston, Del., and Gary L. Doughty of

Burial was in Barratt's Chapel Cemetery, Frederica.

### THOMAS H. HARRINGTON SR.

MILFORD-Services for Thomas H. Harrington, Sr., 54, who died Sept. 30 in an auto accident on South Little Creek Road near Little Creek, will be Thursday afternoon at 1 at the Gruwell Funeral Home, Milford-Harrington Highway, Milford.

Mr. Harrington was driving on South Road, police said, when his car left the road, hit a utility pole and caught fire. He was pronounced dead at the scene.

Mr. Harrington, of 204 S. E. Second St., Milford, was owner of the Milford Bus Station as well as other businesses.

Mr. Harrington was owner of the Milford Bus Center, Inc. for the past year. Before that, he owned Bulkhead Inc. of Ocean City, Md., for about five

or six years and Harrington Equipment Co. of Milford for two years, respectively.

A master sergeant in the Army during World War II, Mr. Harrington was awarded the Purple Heart and the Bronze Star for his service in the European Theater. He is survived by his wife, Pauline; a daughter, Diane Camper of Milford; a son, Thomas Jr. of Milford; a sister, Helen Quillen of Milford; and four grandchildren.

Friends may call at the Gruwell Funeral Home tonight. Burial will be in Odd Fellows Cemetery, Milford.

### JOHN WYLIE

HARTLY-John Wylie, 61, died Saturday, October 3, at his home on Hartly-Marydel Road after a long illness.

Mr. Wylie was a radio technician at Dover Air Force Base from 1961 until he became ill. He retired in 1961 as a technical sergeant in the U.S. Air Force after 20 years in the service.

He is survived by his wife, Dorothy Jean Wylie; two stepsons, Donald W. Morris Jr. of Virginia Beach, Va., and Bruce W. Morris of Parlin, N.J.; a stepdaughter, Brenda K. Jones of Bridgeville; a brother, Ray of Houston, Texas; and a sister, Mildred Weaver of Malvern, Ark.

Services will be Thursday morning at 10 at the Faries Funeral Home, 1250 S. Governors Ave., Dover, where friends may call tonight. Burial will be in Arlington National Cemetery, Arlington, Va. Instead of flowers, the family suggests contributions to the Hartly Fire Company, Hartly, 19953.

## Offers The New "All Savers Tax Exempt Certificate Of Deposit."

Effective October 5th  
**12.14% Annual Investment Yield**  
**(TAX FREE)**  
on the All New Savers' Certificates

### HERE ARE THE FACTS:

**What is the purpose of the All Savers Certificate?**

The All Savers Certificate has been created by Congress as an incentive to save. All the interest on this certificate within prescribed limits -- is tax-excluded from your Federal Income Tax. Also, the All Savers Act was enacted to help housing. It requires that the major portion of the new savings created by this certificate be used for residential and agricultural financing.

**How much interest do I earn tax-free?**

As the Law now reads, this is a once-in-a-lifetime opportunity to earn as much as \$2,000 in tax-free interest if you file jointly (\$1,000 for single returns). Any interest earned in excess of these sums is taxable.

**What is the smallest sum I may deposit?**

You may deposit as little as \$500. Regulations permit you to deposit any larger amount you wish. Discuss with us the maximum deposit that will still be completely free of Federal taxes.

**May I add to my certificate?**

No, you are not allowed to add to any existing certificate. Each certificate is issued for one year. You may, however, purchase additional certificates in any sum of \$500 or more.

**What will my interest rate be?**

Your certificate will have an interest rate equal to 70% of the average investment yield on 52-week Treasury Bills as of the most recent auction date. Thus, when the 52-week treasury rate is 15% your interest rate is 10.5% tax-free! The interest rate changes monthly, so check with us for the current rate.

**Is my interest rate guaranteed?**

Yes, the rate in effect when you open your All Savers Certificate remains in effect for one year. You know exactly how much income you will receive. Your interest rate will not fluctuate.

**How does the All Savers Certificate help me?**

It means you, too, can now earn tax-free interest. This privilege, previously available only to those in a high tax bracket, is now offered to anyone who can set aside \$500 or more for one year. What is best, the new savings method reduces your taxes where it counts the most--at the top bracket of your income.

**I have already earned enough interest to qualify for the \$400 joint (\$200 single) exclusion from my Federal income tax for 1981. May I also exclude any interest I receive in 1981 from an All Savers Certificate?**

Certainly. The only restriction in the All Savers Act is that interest received from your All Savers Certificate in 1981 cannot also be deducted under the general interest exclusion of the earlier law.

**Will the All Savers Certificate help me if I own 6-Month Certificates?**

More than likely, but it will depend on your income bracket and the current rates for both types of certificates.

If you are in one of the higher tax brackets, you will usually get a much better net yield from an All Savers Certificate, but only up to the maximum interest limitation of \$2,000.

If your income falls into one of the lower brackets, you may be better off staying with 6-month certificates. The chart below provides a useful guide in helping you to a decision. Please come in to talk with us, and get all the facts. (It will be important to first look up the net taxable income you reported on last year's Federal income tax form.)

**Will the All Savers Certificate help me if I own Money Market Mutual Fund Shares?**

Again, more than likely. But, as in the previous comparison, it is necessary to check current rates for both forms of investment. After learning these rates, the decision will hinge on your top tax bracket. The higher your bracket, the more advantageous is the All Savers Certificate.

**May I collect interest prior to maturity without penalty?**

Yes. Interest received prior to maturity is not a premature distribution. You'll receive a #1099 form annually reporting your tax-free interest for the preceding year.

**Is there a penalty for early withdrawal?**

Yes. If any portion of a certificate is redeemed, disposed of or used as collateral or security for a loan before maturity, the interest earned on that certificate is not tax-exempt. Also, the penalty for early withdrawal on a one-year certificate is loss of 3 months interest on the amount withdrawn.

**Is my certificate insured?**

Yes. Ask for specific insurance information.

But where's the ball? - Woodbridge [left] and Lake Forest [right] varsity hockey players seem to have let something escape them.

# SPORTS

## Spartans Trounce Laurel

half, completely dominating Woodbridge.

The win can be credited as a complete team effort, but Spartans Debbi Todd, who assisted on the goal, and goalie Suzie Asbury, with five saves, are also worthy of note.

Pat Dyal, pleased with her team's performance, said the girls had spent the Tuesday intervening between the Seaford and Woodbridge games working on passing. It showed, she said, in Wednesday's contest.

Dyal also said the Woodbridge hockey team Lake Forest faced on Wednesday was vastly improved over the squad the Spartans scrimmaged in the pre-season.

Following the varsity game, Bonnie Simon's JV girls capped the day with a fine 3-0 win over the Raiders JV squad.

The three goals were scored by Pam Pierce and Pam Kreer in the first half, and Karen Sipple in the second half. The JV team is also ahead on the season with a 2-1-1 record; their only loss by a slim 0-1 margin to Seaford. JV Coach Bonnie Simon is also extremely happy with her team's progress thus far. She says they

started out without enough girls, but did some recruiting that paid off. A couple of the recruits had not played before, but, she says, they all are learning quickly and doing quite well. Simon feels she has some good varsity prospects.

The JV's tie in the opening contest with Dover was a scoreless battle, so their other scores came in the match against Sussex Central and were credited to Teresa Moody and Beth Reed. Beth is a freshman and a veteran of Chipman hockey experience who plays both on the JV and the varsity teams.

Freshman Elizabeth Watkinson is another Chipman hockey veteran who has made the varsity team in her first year at the high school.

This week both teams faced a three game schedule. Yesterday they traveled to Smyrna (see results next week); tomorrow they meet Indian River on Spartan turf; and on Friday, October 9, the make-up game against Caesar Rodney has been scheduled to take place on the Riders' field. The CR game was to have been the season opener, but was postponed by rain.

The Lake Forest varsity football team racked up its first win of the 1981 season Friday night by trouncing Laurel's Bulldogs on their own territory. The score was 26-0. And in view of the game stats, the only surprising thing was that it wasn't higher. The Spartans piled up 496 offensive yards while holding Laurel to minus 16.

With the victory, Lake Forest evened its record at 1-1-1. Laurel remains winless and scoreless on the season.

James Browne, a junior, was responsible for two of the Spartan touchdowns, while seniors Billy Scott and Dale Benson each provided one. Junior Brian Gladden contributed two successful kicks for the extra points.

Brown's touchdown came in the final quarter of the game and were for 8 or 9 and 20 plus yards, respectively. Scott crossed the goal line on a four-yard sprint in the first quarter, and Dale Benson ran 8 yards for a TD in the third.

Scott's TD was the first of the evening and the only score in the first half of the game. The toss for the opening kickoff went to the Bulldogs who elected to receive. However, Lake Forest quickly denied Laurel the first down and took over the field only to miss the same fate by a narrow margin. On the fourth down Lake Forest decided to carry the ball rather than punt. Dale Benson was successful in getting the necessary yardage, and this sparked the drive that ended in Scott's TD early in the quarter.

Lake Forest nearly made it to the scoreboard a second time in the first quarter. But despite an impressive total of yards gained, they were unable to score again before halftime.

Spartan Coach Jim Fleming, pleased by the win, was not so happy with the team's offensive effort. He felt the scoreboard should have showed more for the number of yards gained, and he laid the blame to a failure to execute on offense. Fleming also noted there were seven Spartan fumbles two of them

recovered by Laurel, and too many penalties.

Despite what may have been lacking in offense, the Spartans outran and overran their opponents, pushing them back to negative yardage. On one down, Lake Forest sacked the Bulldogs in three straight plays.

The game, played on a field swept by brisk autumn winds was not without its quirks. In the third quarter, the Spartans recovered a Bulldog fumble only to hear that because of an "inadvertent whistle" by a referee, the whole down was cancelled. So it was back to the original line of scrimmage with first-in-ten for Laurel.

At one point, following a Spartan TD, the referees (or someone) had the teams lined up on the wrong end of the field for the kickoff until somebody obviously said "Now, wait a minute..." At the end of the game, with the Lake Forest second team on the field, Spartan Gerald Perry loped away and very nearly made it into the end zone to add another six points to the score. He missed by what appeared to be inches. In the next play, he was sacked for 15 yards.

This Friday the Spartans, on the road for the past two games, return home to face what Jim Fleming calls a "very respectable" Woodbridge team. The Raiders defeated Milford on September 25 and reduced the Indian River lead to two points for an 18-16 finish in last Friday night's contest.

As they get ready for Woodbridge, the Spartans will be concentrating on offensive execution, an aspect of the game that Fleming says requires more discipline and a lot more practice. He also says the team will be working on the necessary defense to counter the problems on offense he expects from the Raiders.

The Woodbridge game, which will begin at 8 p.m. in the Lake Forest stadium, will be the Spartans' second encounter in southern division Henlopen competition.

## Win Boosts Hockey Spirits

Pat Dyal's Spartan Varsity Hockey Team lifted its spirits and improved its record last Wednesday with a 1-0 win over Woodbridge. The victory was just what the doctor ordered to boost any sagging spirits left over from the previous Monday's loss to the Henlopen conference leading Seaford. It also

served to put the Spartans' season record ahead, bringing it to 2-1-1.

Deedee White was responsible for the Spartan goal which came in the first half of the game. That finished the scoring, but the Lake Forest girls continued playing well in the second

## Spartan Soccer Team Scores 1st Win

by Jimmie D. Schuman, Jr.

Lake Forest's soccer team hit the win column Tuesday with a win over Seaford.

Lake Forest beat Seaford at home by a score of 3-1. Players who scored for Lake Forest were Mike Monroe with an assist from Kevin Moehlenkamp, Mike Howton with an assist from Jimmie Schuman and Tim Nobel on a penalty shot.

Lake's defense shut Seaford out until the last two minutes of play when Seaford scored from the field.

Lake Forest lost to Holy Cross on Thursday at Holy Cross. The score was 3-1.

Lake Forest's goal was scored by Tim Nobel on an assist from Mike Monroe. Holy Cross had two penalty shots on goalie Kevin Moehlenkamp who got his hand on both of them. The first one got by but Kevin made a great save on the second.

## JV Soccer Team Undefeated

by Jimmie D. Shuman, Jr.

The Lake Forest J.V. soccer team is undefeated so far this year.

Their record is 3-0-1. They've beaten Milford, Seaford and Cape Henlopen. They tied Holy Cross 2-2.

So far this season Mike Collier has scored 7 goals; Darryl Tolson has scored 5 goals, and Joe Dopirak has scored 2 goals.

## Spartans 5th in 23-Team Meet

by Keith S. Burgess

The Salisbury State College Cross-Country Invitational has been a fixture on the Lake Forest schedule, since its inception. The Spartans have won this meet, in the past and have been runner-ups or is it runners-up, several times. No matter how few kids Lake Forest coach Jim Blades may have on his team, a good showing almost always happens. Running against 23 teams from Northern Delaware to the tip of the peninsula, the Spartans outran all but four and this occurred despite the loss of veteran senior, Tom Silkworth with a stress fracture and a sub-par performance from standout, James Lofland, who was seventh at Salisbury, in 1980. Lofland didn't report for cross-country until after school started, this season and managed only a 22nd place finish. In top form, he would have been in the top five and his team would have been third.

Larry Guessford, who has been having a fine senior season, was ill and had to show a lot of courage, to run three miles on the Parkside High Course, in 18.35, some one minute, 25 seconds, off his best previous three-mile clocking.

Maurice Coverdale, currently holding the No. 1 ranking, has been a harrier since age 9. He was 12 at Salisbury in 17.21. Terry Caskey (18.04) and freshman, Mike Melvin (18.26) were the third and fourth Spartans at Salisbury. Lake Forest annexed the jayncee

## Felton Little League

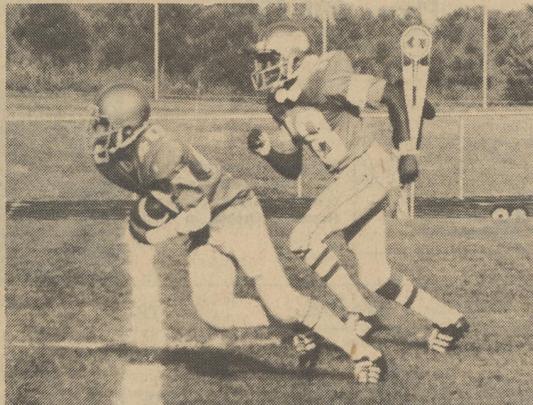

Election of officers and a ladies auxiliary president will take place at a meeting of the Felton Little League, Thursday, October 8, at 7:30 in the Lake Forest North Elementary School Cafeteria. You are urged to attend.

The Felton Little League is taking a survey to see how many would be interested/eligible to participate in a senior league in Felton. If you qualify and would be interested in playing this summer or next, please contact Mr. Hawkins 284-3911 or Mr. Willis 284-3914.

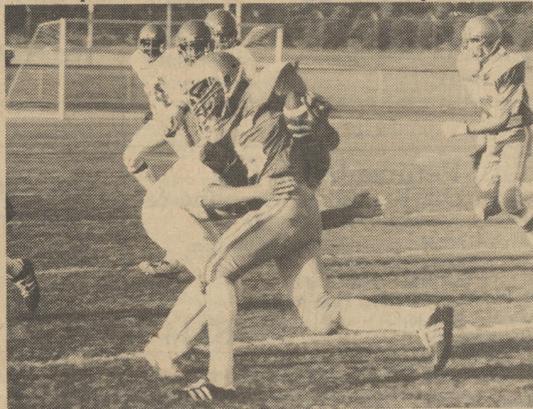

The reaction of the Spartan JV hockey player [left] tells the story. This shot ended in the net for one of the teams three goals against Woodbridge.

## Spartan Harriers Defeat Laurel

by Keith S. Burgess

Jim Blades' Lake Forest cross-country team, won its second meet in three starts, by outpointing Laurel 21-39 at Killen's Pond State Park last week.

Larry "The Bird" Guessford, who showed very little promise in his first two years of hill and dale competition, is now reaping the reward for his perseverance. First, a duckling, later, a swan, Guessford was an eagle against Laurel. He flew past all competition and recorded a 17.10 clocking, for three miles, on a windy day. James Lofland was next in 17.23, followed by Mike Fuller of Laurel, who had outrun the entire Lake Forest squad, in the Lake Forest Invitational in September.

Terry Caskey, apparently healthy after a couple of years of reduced activity, due to injuries, was fifth in one of his top efforts ever, followed by veterans Maurice Coverdale and Manny Manaraze and freshman Mike Melvin who is having an excellent season in his first year of cross-country.

Freshman Danny Haines, another top prospect was only ten seconds behind Melvin. Other Spartans to do well were Robbie Manaraze, Albert Burns, Chris Caskey, Mike Lamphier, Mike Grogan, Lafayette Bell, Rick Silkworth, Fred Goodman and John Caskey.

As behooves the "Father of Downstate Cross-Country" who scribbles this column, we continually urge Lake Forest boys and girls, especially those who weigh the least to give cross-country a try. We know there are many students walking the halls, who could become excellent runners for what sport is as instinctive and natural as running. Very little technique and equipment is needed. Only loyalty, courage and hard work is required.

But our pleas fall on deaf ears. Some kids are lazy, others would rather ride the bench, at the lowest levels of the football and soccer teams, because those teams compete in front of larger crowds and have cheerleaders and sometimes a band, to urge them on to an occasional victory.

We are not aiming at those athletes, who show ability and have a future, in soccer and football. But, we know some of these players, yes and some of the hockey players, too, are going nowhere in their chosen sports. A certain

race, led by Albert Brown's fifth place finish. Lafayette Bell was eighth, closely shadowed by Robbie Manaraze. Mike Grogan and Mike Lamphier, scored the deciding points, with Rick Silkworth only five seconds behind the improving Lamphier. Chris Caskey was the seventh finishing Spartan. Other locals, on the winning team were: Jerry Mosley, Jeff Caldwell, John Caskey and Fred Goodman.

Freshman Tara Gladden ran an excellent race, finishing 17th of 75 girls, in 22.35 only five girls from the Henlopen Conference, finished ahead of her.

Sheri Cobwin and Justine Caskey were other Spartan girls to complete the three-mile endurance test.

Caesar Rodney's Shelley Smith and Dover's Noreen Maher were first and fifth, both are seniors, while Woodbridge's Melissa Wilson a slender eighth grader from Greenwood, looks like a future star.

percentage of those kids could make it big in cross country. Anyone who observes a few gym classes can spot a few natural runners.

Tara Gladden outran the entire Laurel girls team, winning in 21.54, a new, personal best despite the wind. Sheri Coburn, who is an outstanding runner, with a string of credits going back five years, hasn't had good luck physically, for a couple of years. She clocked 23.55 and is hoping she won't have anymore setbacks, as she strives to regain her top form of the past.
