Winds & tides take beach toll

There were reports of high water and flooding up and down the Delaware coast over the weekend. But for Bowers Beach resident George Green, who is employed at JP's Bait and Tackle Shop it was all par for the course.

Green said with the high tides because of the full moon and strong northeast winds, there had been water in the streets at Bowers all or most of last week.

Green doesn't get worried, he says, until it gets 14 inches in his house. And since his house is on relatively high ground, many of his neighbors are in a lot deeper before he starts to get gray hair. "High water..." he said, "We're used to it."

Farther down the coast, there was more evidence of the effects of the storm. At Fenwick Island where Dr. Vincent Lobo of Harrington has a summer home, the high water took out the first line of the snow fence (the fence that is used as a retainer on the dune.) Lobo said the water went up to the dunes and there was "considerable erosion on the north side of the bridge."

The waves, he reported, were high with the northeast wind and the moon was just right. Route 54 outside of Fenwick to Selbyville and to Swan Keys was flooded. There was also a lot of flooding from the bays as the tides went up.

Lobo said that no one seemed to be in danger, but he did see a lot of floating debris. And farther south at Ocean City (Md.) the water did come across some of the streets ends.

Actually the storm which cruised the Atlantic Coast over the weekend was a source of concern. Rainfall was light. But the combination of northeast winds and high tides brought water up under the boardwalk at Rehoboth Beach.

In addition to Bowers, there was flooding at Slaughter Beach around Mispillion Lighthouse, the marina and in the Cedar Creek area.

In other places, beach erosion was a major concern. At Broadkill there appeared to be some washover at the southern end and water was up under several cottages.

In Lewes, there was a washover in the Roosevelt Inlet area, and at Cape Henlopen State Park the washover occurred in the Whiskey Beach Grind area. This, according to Robert Henry of the states Soil and Water Conservation Division, said was in the southern undeveloped part of the park south of the military installation.

There was also major erosion at Indian River Inlet and some at Fenwick Island where the first line of sand fences disappeared.

Henry said predicted high tides on Saturday were to have been 1.6 feet above normal, but that the strong north winds probably added as much as two feet to level. The winds also helped keep the water in the bays and marshes. Henry said a windshift to northwest on Sunday alienated the situation.

Gwen Sheree Stubbs is Little Miss Delaware 1981.

Local miss is De. Little Miss

Gwen Sheree Stubbs, 5 year old daughter of Bill and Nancy Stubbs of rural Felton was crowned Little Miss Delaware 1981 in a pageant held at the Dover Sheraton on October 18. Gwen bounced her way through the competition announcing at one point that her favorite food was "corn on the cob with lots of salt". She's a kindergarten student at Lake Forest North Elementary.

Runner up was Danielle Carroll of Seaford.

Audrey Holt of Seaford was crowned Miss Preteen Delaware and Kelly Walmsley of Laurel was chosen Miss Photogenic.

In July, Gwen and Audrey will go to Roanoke, Va. for the national finals.

"Everywhere we go, people want to know, who we are..." chanted this enthusiastic group at Lake Forest High School on Sunday. They are AFS students from all over the peninsula and representing many countries who spent the weekend here.

LF hosts international weekend

The Lake Forest Chapter of the American Field Service and eleven area families played hosts to an international gathering this past weekend as 14 AFS Students spending the year with families on the Delmarva Peninsula paid a visit.

The local AFS organization headed by its president Ruth Ricker and faculty adviser Lynda Gannon welcomed the visiting group which arrived in time to have lunch and to visit classes at the high school on Friday night. That evening the visitors attended the Spartan-Eagle football game at the home stadium.

Saturday was a free day for the students to get acquainted with their host families and to participate in any activities they had planned. There was the option for the students and their

hosts to use the high school pool during the afternoon if they so chose.

On Saturday night, St. Bernadette's Church hall was the scene of a dance from 7 to 9 p.m. and the starting point for a hayride which concluded at the Gannon farm near Vernon where everyone got to roast hot dogs and toast marshmallows.

A family covered dish dinner in the Lake Forest cafeteria on Sunday afternoon brought a full weekend to a close.

AFS guests and their weekend hosts were as follows:

Helen Smitterbury of Sweden and Lelia Taolma of Argentina spent the weekend with Ruth and Roberta Ricker and their family including Dr. and Mrs. Robert Ricker.

Teachers get extension, talks go on?

The Lake Forest Board of Education Monday night acted to extend its contract with district teachers for two more weeks, until November 30. Meanwhile it also revealed that quiet negotiations between the two sides had resumed and that those talks had hit an apparent snag.

The Board, in a statement by member Rick Feutz said the teachers organization had flatly refused its latest salary offer which offered Lake Forest teachers an average 43% increase in the local supplement portion of their pay. The local supplement, a small percentage of the teacher's total salaries, most of which are paid by the state, is the only part of their pay under negotiation. Feutz said the board's proposal would raise the average teacher's local supplement from \$1387 per year to \$1987. He claimed the teacher's association had "flatly rejected" that proposal.

Speaking for the LFEA, its president Ed Gabrielson said it was not true the teachers had rejected the proposal. He later explained to the *Journal* that the association had questioned the terms under which the proposal was made, wanting to know just how the increase was to be distributed and whether it included salary alone or salary and benefits. He felt the board had misunderstood the intent of that questioning and that the two sides were a lot closer to agreement than it appeared.

Gabrielson said progress had been made over the past two weeks with the board and the teachers agreeing, among other things, to a two year duration for the new contract. According to Feutz statement, the board and the association have also agreed on increasing the number of seniority steps in the local supplement pay schedule, thereby "reward(ing) seniority and give(ing) incentive to educational advancement by out staff."

Feutz' statement on behalf of the board went as follows:

"Thursday, Nov. 5th and Thursday, Nov. 12th The Lake Forest Board of Education met with the Association's Bargaining Committee in an attempt to restart the stalled negotiations. The focus of these talks was a new compensation package for the teachers.

"The Board and the Association agreed on increasing the number of seniority steps on the supplemental pay schedule from five to fourteen and adding separate schedules for those teachers with a Master's degree and those with a Master's plus 45. This expansion of the supplement schedule reflects the Board's desire to reward seniority and to give incentive to educational advancement by our staff.

"Additionally, the Board proposed a two year increase in the supplement schedule which would result in a 43% increase in the average salary supplement paid to the Lake Forest teaching staff. The average teacher's supplement for the present staff under the current supplement schedule is \$1387. The Board proposal would raise this average supplement to \$1987. Unfortunately this proposal was flatly rejected.

"Because of this, the Lake Forest Board of Education and the Lake Forest Education Association remain at impasse and will continue the

process of selecting the third mediator."

Gabrielson told the board the teachers agreed with everything in the statement except the contention that the association had rejected the pay offer. That, he said, was untrue.

Gabrielson later said the association and, he thought, the board hoped direct negotiations could continue and

the long, uncertain mediation route be avoided.

In other business the Lake Forest School Board

read a letter of congratulations to Coach Jim Fleming, his assistants and the whole Spartan varsity football team on their Southern Henlopen

Bazaar tomorrow

Seniors offer lunch & shopping

The Harrington Senior Center is all set to open the doors on its annual bazaar tomorrow morning, Thursday, November 19. Christmas shoppers, lunches and others, take note. The doors open at 10 a.m. and will remain open until 2:30 p.m. Lunch will be served from 11 until 2.

This year's luncheon will feature homemade soup, sandwiches and pie. Sandwich choices are turkey salad,

tuna salad and ham; the soup will be old fashioned, homemade bean and dessert offers a selection of apple, coconut or pumpkin pie. Coffee and other beverages will also be available.

For shoppers the bazaar will offer lots of homemade crafts, ceramics and baked goods. And for both lunchers and shoppers, the Senior Center's hospitality will be a welcoming factor.

Governor du Pont had time to listen to some of the stories told at the Harrington Senior Center before lunching there on Friday.

Governor visits Senior Center

Governor du Pont paid an annual visit to the Harrington Senior Center on Friday, arriving in time to chat with its members before having lunch with them.

Following lunch, the Governor gave a brief address before holding a question and answer session. He complimented the Harrington Center as being one of the "friendliest" in the state and said while he drops in at others on occasion, this is the only one he visits regularly. He has stopped in for a luncheon visit for the past two years at the invitation of Gene Price.

The future of Social Security and the status of grant funds for the Center's building program were big concerns of members in attendance.

The Governor said he thought Social Security would remain secure despite all the federal cutbacks and the state of the economy. He said the Grants in Aid program is undergoing re-evaluation, but that with the sale of Farmers Bank and other developments, the state should be in sound financial shape. The Senior Center, he said, should keep its application for funds current.

Letter: A plea for a friend

Dear Sir:
I am writing to you because I was born in Harrington, but my parents moved to Georgia when I was 6 years old. My parents were killed in an auto accident. I was raised in Ga. by foster parents until I was 18. I am now in prison and I have never felt more lonely in my life.

I don't have anyone to write to nor anyone to write to me. I do believe that some of my relatives still live in or around Harrington and I thought that if maybe you could find the kindness in your heart to publish my letter in your newspaper maybe some of my relatives or someone who knew them might read it and write to me.

I would also like to correspond with anyone as a Pen Pal who lives in or around Harrington. I am 26 years old and white but loneliness picks no certain age or race. And if there is anyone who reads my letter and would like a friend to share a smile with from time to time, please write and I will answer.

I would really appreciate if anyone who does write would please enclose a

self-addressed, stamped envelope. Thank you very much for your time and understanding sir.

Respectfully,

37 promoted

Lake Forest High School Principal Dr. Margaret Phelps reported that recent competing tests resulted in the promotion of 37 high school students from one level to the next. The texts were given in October and the promotions made at the end of the first marking period. The students promoted had been held back because of previous failure in some areas of the tests. The 37 have now overcome that setback.

North of Hudson's Lott was a tract of 287 acres called "Quiet Entry" which was owned by Andrew Caldwell, Jr. in 1746. The track "Quiet Entry" passed into the possession of Christopher Green in 1750. In later years it passed to Robert Catlin. Upon this tract, one mile north of Canterbury, was located a meeting house by the Methodists. 16 May 1781 Christopher Green conveyed one acre to Dr. Wm. Bowness, Wm. Virdin, Joseph Purdin, Andrew Purdin, John Gildersleve, Philip Barratt, Caleb Furbee, Oliver Crawford, James Green, John Morris and John Purdin. "upon express purpose of building a Preaching House or Chapel thereon" and "that the said Preachers Preach no other doctrine than is contained in Mr. John Wesley's Notes upon the New Testament, and four Volumes of Sermons". The chapel was built the same year and known as "Green's Chapel" and "Quiet Entry".

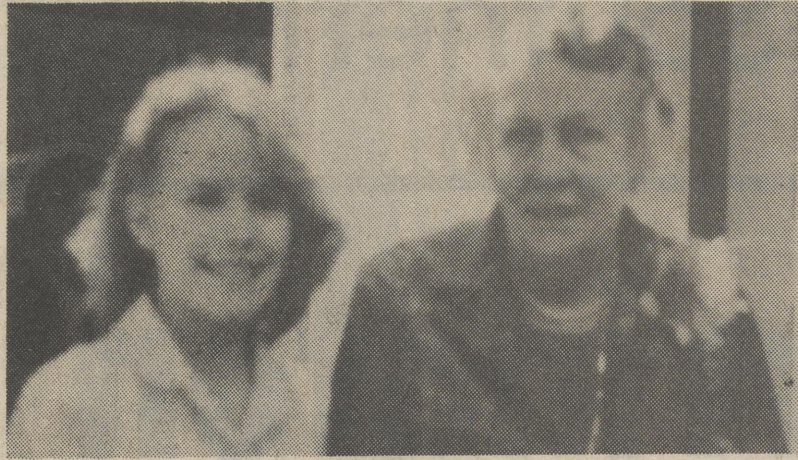

Early preaching had been in the homes of several area residents. In the *Garden of Methodism* by E.C. Hallman the list of places visited by Bishop Francis Asbury include: William Virdens, lived near Canterbury, preaches 14 Jan 1778; Jun 1779; 10 Aug 1779. Maxfields, lived in neighborhood of Canterbury, preaches there 11 Dec 1778; visits and preached 22 Nov 1779. Dehadaways, lived south of Canterbury, preaches there 29 Dec 1779. Green's Chapel located north of Canterbury, preaches there 27 Mar

1810. Philemon Green lived close to Green's Chapel and was a located minister. Dines there 27 Mar 1810. There was a cemetery at Green's Chapel which was still evident in 1888, but the building no longer existed. A new church called Bethesda was built in the village of Canterbury, with a new cemetery, Bethesda was dedicated 26 Oct 1856 by the Rev. John D. Onins of Philadelphia and the Rev. Daniel Lambden (born Kent County 5 Aug 1790, died Willow Grove 11 Apr 1865. Buried Camden, De.) the preacher in charge. This church was improved in 1917 and by 1948 was known only as Canterbury Methodist Episcopal Church.

The Kent and Sussex Tombstone Record by Walter G. Tatnall (Delaware Archives) lists the following early burials in Bethesda Cemetery: Harry Gullett born 12 May 1811 died 27 Jul 1911; Mary Gullett born 27 May 1813 died 14 May 1914; Anne Thomas died 20 Jun 1914 age 81 years; Sarah A. Edith Barratt Lensen [right] of Darien, Connecticut, was on hand to mark Heritage Sunday at Barratt's Chapel on November 15. She is the great-great-great-granddaughter of Phillip Barratt, once Sheriff of Kent County, who gave the land for the chapel which on Sunday celebrated its 201st anniversary and the 197th anniversary of the meeting of Francis Asbury and Thomas Lake. With her is great, great niece Evie Barratt who celebrated her birthday on Sunday. Mrs. Lensen was the recipient of a citation from Governor du Pont, and the chapel received a Bible handed down from Henry, Phillip Barratt's third son. The Bible was presented by another member of the Barratt family.

Eddie Mae Cooper took the quilt she has donated for Lake Forest Band fund raising activities to the First National Bank on Friday. Unconfirmed plans are for appearances at the Felton Bank, Delaware Trust in Frederica and Peoples Bank in Harrington on succeeding weekends.

Rev. Koning of Nazarene Church, Harrington, Del. was leader of Bible Study Monday morning at the Center. Rev. Koning gave a most inspiring prayer to begin the morning and the week. The folks picked the songs they sang when they were children. It truly was a pleasant song fest. Some of the songs were: "Jesus Loves Me", "Love Lifted Me", "Jesus Loves The Little Children", "Be Careful Little Eyes What You See". His topic was 1st John, Chapter 2, 1st verse-14. Closed with "Beyond The Sunset". There were 25 present.

Monday afternoon, Members Meeting was called to order by Pres. Maurice Adams; he asked all to say the Pledge of Allegiance and remain standing for a prayer by Sylvia Meredith. Sec. Andy Anderson read the minutes of the last meeting. Merle Roth read the financial report. The Christmas Parry and trips were discussed. Charlotte wanted to know if the folks would like a Suggestion Box. All agreed. Maurice asked for an adjournment.

"Oh, Our Delaware", "Deck The Halls", "Silver Bells", and "Jingle Bells", remind us now that Christmas is not too far away and the Jolly Timers truly make the music resound through-

Gabfest

By Pat Hatfield 349-4255

Why in the world are we so busy in this day and age? I wish I had the answer. Is it too many committees? Too many organizations? This is only Wednesday. I look back on the last few days, considering the activity, all of which was pleasant. On Saturday evening, we had the Lions Club 25th anniversary dinner; Sunday morning, of course, church; Sunday afternoon a wedding, followed by the reception; rushed down afterward for 5 o'clock dinner with Ellen and the family; couldn't make Bible Study Sunday evening; Monday evening the Lioness Club met here; Tuesday evening, Administrative Board Meeting for Dad; evening at a friend's house for newspaper assignment for me; tonight, Lions Club meeting and dinner for

Dad, dinner with my friend, Tess, for me. I haven't looked at the calendar for Thursday and Friday yet, but on Saturday we plan to attend the turkey and clam fritter dinner at Frederica and on Sunday we are to join our cousins from Felton to go out with them to dinner at Milford. I love every minute of these goings-on, but it is a hassle to fit everything in.

I think how calm and peaceful it was in the late eighteen hundreds in my little grandmother's small house with her seven children. True she was up at five a.m. so that she would have grandfather's breakfast ready for him when he came in from visiting his traps. If weather permitted, a firm routine was followed. Monday was

Anne's Kitchen

Probably the most popular of all Italian Biscotti (Biscuits) are "Biscotti All' Anaci" or "Anise Biscuits". Italian pastry shops have trays piled high with them, and the aroma fills the shop. If you follow the steps carefully, you can make them too. They are delicious and light and go very well with after-dinner "Espresso", an after-dinner liqueur or any way you might care to enjoy them. The ingredients are few, but each one very important. Be sure you have what you need before you start.

"Biscotti All' Anaci"

- 2 eggs
- 5/8 cup sugar
- 1 1/4 cups pastry flour (sifted)
- 1 teaspoon anise extract

1. Place eggs and sugar in bowl and beat 10 minutes. Add anise extract.
2. Add flour slowly, blending gently and well.
3. Butter and flour a loaf pan 4 inches wide. Pour in batter and bake at 375 degrees 20 minutes.
4. Remove from pan, leaving oven on. Cut loaf into 1" slices and place slices on buttered baking dish. Return to oven. Brown slices first on one side and then the other. Browning will take about 5 minutes each side. Cool, place in cookie tin, age two days before serving.

ENJOY!

Greenwood Lions celebrate

Saturday, November 7, was a red-letter day for Lionism in Greenwood. On that evening at the Woodbridge Elementary School cafeteria the Greenwood Lions celebrated their 25th anniversary.

There are two Charter members who still remain in the Club Membership. Jake Hatfield has been with them from the very beginning. Allison Davis is also a Charter Member, but was not able to attend the affair because of his health. Mr. & Mrs. Robert Bergman were present, and Bob is also a Charter Member, but left the area some years ago. Mr. & Mrs. Charles Jones were not able to attend because of complications at home at the last minute. Charles was also a Charter member, but dropped out some years ago.

Many Lions from various Clubs in District 22-D were present, some from Milton, Georgetown, (which is Greenwood's sponsoring club), Wilmington, Wilmington Manor, Seaford, Millford, Frederica, etc.

A delicious menu was prepared and served by the ladies of the Greenwood School cafeteria, prime rib, green beans, baked potato, salad, hot rolls, coffee and dessert.

The President of the Greenwood Club, King Lion C.W. Ferrar, called the meeting to order. Richard Denn, Tail Twister, led the salute to the flag. Jake Ricker of the Georgetown Club led in the singing of "America" and a Lions Club song. The invocation was given by the Rev. Paul H. Wragg, pastor of Greenwood United Methodist Church.

Lion Horace Maloney, Jr., Treasurer of the Club, was a most excellent Toastmaster, carrying the rhythm of the evening along with a bit of humorous comment now and then as only a good Toastmaster can. He added a bit of pathos in his speech as he spoke touchingly of his father from whom he

first learned something of what Lionism stands for. He introduced other guests and dignitaries, ending with the presentation of King Lion, "Chuck" Ferrar.

The Charter Monarch, Jake Hatfield, came to the podium and welcomed everybody. He commented briefly on his experiences of the past years. He was warmly welcomed with a standing ovation, after which he introduced his lovely wife, Lioness Pat Hatfield, who had written a whole history of the Club in rhyme. The audience responded with a long standing ovation, after which Pat was presented with a beautiful bouquet of autumn flowers.

The Georgetown president, Lion Layton Johnson, Deputy District Governor, Marshall Reynolds and District Governor, James J. Minnich, all brought congratulations to the local Club.

Past International Director, Ralph Helm, speaker of the evening, brought a most inspiring message on Lionism and its place in the world today. He emphasized the fact that if every Club in the District and every member of that Club put as much enthusiasm and effort into it as the small Club here in Greenwood, they could turn the state upside down. Incidentally, Greenwood has only 14 members, but in the last three years they have put a total of \$30,000 into this community.

A group from Milford entertained the audience. Hilda Jaywork did a humorous wedding skit; Randy Holleger did his ventriloquist act, and Peggy Mills played the guitar and sang a medley of country western songs, ending with several beautiful hymns.

Miss Grace Porter entertained with music at the piano during the evening.

The evening closed with Jake Ricker leading the group in singing "God Bless America" and the benediction given by the Rev. Paul H. Wragg.

"Let's Clear the Air"

"Let's Clear the Air" is the theme for this year's Great American Smokeout sponsored by the American Cancer Society. The Smokeout is held each year on the Thursday before Thanksgiving...which falls this year on November 19th.

The 1981 goal of the Great American Smokeout is to get at least one in every five smokers to give up cigarettes from midnight to midnight on Thursday, November 19th. Hopefully people will give up cigarettes for good after proving they can do without them for a day.

The Kent County Unit of the American Cancer Society is doing its part to help in the effort. A special program is scheduled Thursday, Nov. 19 on the downtown plaza at the Bank of Delaware on Lockerman Street. Mayor Joseph N. McDonough will read a proclamation naming Nov. 19, 1981 as a day to stop smoking. The Frog will also be visiting eight elementary schools in Kent County with emphasis on 4th grade students.

1. Don't carry a lighter or matches; hide all ashtrays.
2. When the urge to smoke hits, take a deep breath. Hold it for ten seconds, then release it slowly. Taking deep, rhythmic breaths is similar to smoking, only you'll inhale clean air, not poisonous gases.
3. Spend your day in places where smoking is prohibited—a library, theater, or museum. Lunch with friends also trying to quit at a restaurant with a "no smoking" section.
4. Eat rather than smoke, but stick to low caloric, high nutritional foods—fresh fruit, raisins, crisp, crunch vegetables.

bles. Or substitute sugarless gum for a cigarette. Other "pacifiers" to try: lemon drops, cloves, beef jerky, apple slices, celery sticks, unbuttered popcorn.

5. Exercise to help relieve tension. Climb stairs rather than take the elevator, get off the bus a stop before your destination and walk the rest of the way.

6. Drink liquids—lots of them. Water, herbal teas, fruit juices, and certain soft drinks all fit the bill. Pass up coffee, soft drinks containing caffeine, and alcohol as they all can increase your urge to smoke.

7. Keep your hands occupied. Try doodling, knitting, working with a calculator (figure out the money you'll save by quitting cigarettes).

8. Change your habits connected with smoking. If you always had a cigarette on your office break, opt for a low-calorie snack and juice or tea instead.

9. Wrap your cigarettes in a sheet of paper, then rubberband. If you *must* reach for a cigarette, you'll have more difficulty getting to one and will be made aware of your action. Rewrap cigarettes afterward.

10. Tell all your friends that you are definitely quitting. Ask them to help keep you from backsliding. Ask family and co-workers who smoke not to do so around you.

11. Treat your body and soul with kindness. Indulge in a bath, massage, nap. Listen to your favorite music, take in a movie. Enjoying these activities in the absence of smoking will help you realize that you don't need a cigarette to have a good time.

wash day. The clothes were put to boil in the big, old wash boiler on top of the kitchen range. Then they were rubbed on the washboard (the kind we now decorate with flowers and hang in our livingrooms!). After the rinse and hanging, with the things that needed bleaching spread out on the grape arbor or rose bushes so the sun could do its work, then the wash water was emptied around the flower beds.

After the noon meal was eaten and cleared away, Grandmother washed her face and combed her hair, polished her spectacles, and put on a clean white apron. Then she had two hours to sit and rock on the back porch.

Now, my question is this: With all these modern "inconveniences" at my disposal and buttons to push for this and that, why don't I have time to sit and rock? Is it too much social activity or too many committee meetings?

Once during the winter my grandmother had a quilting party and perhaps two more times during the winter she

attended a quilting party in someone else's home. The men drove the ladies over and they visited around the kitchen stove until about 4 p.m. when they went to their homes to get the milking done and the chores finished. Then they came back for a hearty country meal and more toasting around the kitchen stove until the ladies finished their last row of quilting.

And, once during the winter, grandmother entertained the "Ladies Aid" which corresponds to our women's organization today. This was always in the evening, and the entire family came. The men had already made freezers of ice cream and the ladies had made marvelous layer cakes. The children played games quietly until time for refreshments, after the business of the church had been conducted.

Once in the spring the social event was the school picnic and in the fall, the school held a Box and Shadow Social in the school house.

And that was it! Everybody had lots of time. Great life, wasn't it?

CHIROPRACTIC OUTLOOK
By Dr. Lynn E. Walsh

The Jolt of Jogging

An astonishing number of people are running or jogging these days. This form of activity may do wonders for the cardiovascular system, but it creates havoc to almost every other part of the body.

Running simply puts intense stress on the body, most especially the focal point of the human structure, the spine.

The central nervous system originates in the brain and extends down through the spinal column, reaching every part of the body through the peripheral nervous system. Interference anywhere in this region impedes the functional processes of the body and decreases blood flow. The chiropractor uses his expertise in gently aligning the spine and vertebra, bring the patient's body back to an optimum level of function.

Spartans pluck Eagles, add feathers to their crown

James Browne [22] in the ball carrier as he breaks away with a little help from Gus Teague [52], Hershel Harmon [55], Sheldon Powell [5] and Keith Church [76].

Spartan senior Dale Benson traverses the end zone in triumph after scoring TD #1 as Lake Forest proceeded to take down Smyrna for the win that made them #1 in the Henlopen South.

Thunk! - Spartan Jeff Dickerson upends an Eagle as three teammates including Marvin Deshields stand ready to assist.

"Go out there and do what you do best." - The line was overheard on the sidelines at the Spartan/Eagle showdown Friday night. It was addressed by a Lake Forest coach to the Spartan defensive unit about to take the field. And, as they have for about 98 percent of the season, the Spartans did just that. Defense is definitely what they do best.

What the Spartan defensive unit accomplished on Friday was shutting down the Eagles for three quarters to make it possible for Lake Forest to win two things - the game (21-9) and the Southern Division Henlopen Conference Championship. The Spartans thus finished division competition with a perfect 5-0 record...Overall, their season stands at 6-2-1. Their latest accomplishment adds to a season of

firsts for the team: first time not to be beaten by Dover, first time to beat CR, first time to claim the division crown.

The players who have made this possible have turned in creditable performances, both offensive and defensive units. In a number of cases they are the same people. But it is the Spartan defense which has proved most reliable. Call them scrappy...call them speedy...call them aggressive...call on them to do the job. They do it. They are outside linebackers Kevin Smith and Marvin DeShields, defensive ends Charles Hudson and LaMont Robinson, tackles Hershel Harmon and Fred Coenen, inside linebackers Gus Teague and Jeff Dickerson, cornerbacks Gerald "Peanut" Perry and Billy Scott, and safety Dale Benson.

When not on the field, the Spartan

defense is usually at the sidelines chanting the encouragement, "Let's go, O" and the Spartan offense also did the job last week, scoring two touchdowns in the second quarter (courtesy of Dale Benson) and a third in the fourth quarter (via Tony Scott after a pass reception from Brian Gladden). Gladden also kicked the three extra points for the Spartans' total of 21.

The game got off on a slightly different foot, the Eagles', as Lake Forest won the toss for about the first time this year and elected to receive. Less than a minute later, Billy Scott took the ball and scampered down the sidelines and into Smyrna's end zone. The Spartan celebration was cooled quickly when he was ruled out of bounds. Not all observers saw it that way, but the referee's eye and word were official.

The rest of the quarter was scoreless, but action in its closing seconds set up the first TD. In this instance a Smyrna error when Eagle Mike Nelson was charged with roughing the kicker put the Spartans on their opponents 28 with a first and ten situation. Just into the second quarter the Spartans took advantage of that field position with a 19 yard pass from Gladden to Kevin Smith. Dale Benson, returning to full-time action after some time out because of a back injury, finished the job with a 6 yard run through the Eagles line for the 6 points. Gladden made it 7-0.

On the next series of plays Lake Forest caught the Eagles short of the first down but then lost the ball as Ralph Taylor fumbled on the Spartan 22. The Eagles were definitely within scoring range, but then the Spartan defense took over, pushing Smyrna back 14 yards in four plays, denying them both score and first down.

The Spartans took over, but were assigned illegal-use-of-hands penalty that left them with third and 23 to go in their own territory. At this point, Coach Jim Fleming elected to play conservative (and wise as it turned out) football as he elected to punt on the third down, putting the ball down field where the Spartan defense could be expected to contain the Eagles. Again the defensive unit did the job, turning the ball over to the offense in safer territory where the fumble, a weakness the Spartan veer offense is prone to, would not have such lethal consequences.

As Smyrna punted, Spartan Gerald "Peanut" Perry got a good latch on the ball for a 36 yard return. Two Gladden passes, one Benson nine yard bulldozer and one successful kick later, Lake Forest was ahead 14-0.

The second half was penalty ridden as yellow flags rained down, at times it seemed, on almost every play.

The third quarter remained scoreless, but the Eagles got on the board early in the fourth with a 36 yard field goal from their fine quarterback Macky Trabado.

But then Dale Benson, who plays both sides, opened up the way for the Spartan TD that put the game out of the Eagles' reach. Benson, responsible for several pass deflections, made a diving interception of a long Trabado pass, and the Spartans were on again. Brian Gladden hit Tony Scott, 52 yards

down field, and Scott breezed into the end zone. With Gladden's successful kick, the score went to 21-3.

No quitters, the Eagles came back for a last minute touchdown, but were unable to make the two point conversion. Once they tried, and the Spartan defense held only to have the play recalled on a penalty. Twice they tried, but the Spartans held firm.

Final score in the game was 21-9. In terms of captured territory, the Spartans outdid the Eagles 335 yards to 127. Billy Scott, returning to active duty after an ankle injury that kept him on the bench for most of three games, shared ground gaining honors with James Browne. Both were credited with 66 yards. Dale Benson was close with 58, and Brian Gladden threw for 103.

Riding the crest of the conference crown victory, Coach Fleming credited his defense with a superb job and with keeping the Spartans in control for most of the game. And he sees an offensive unit that is continually improving, minimizing errors and cutting down on the number of fumbles.

The Spartans have just one regular season game left - the annual battle for the bell with the Milford Bucs. Lake Forest expects to ring that bell this year and to bring it home. The intense rivalry between the two teams should keep both Spartans and Bucs up for the game.

Then, for Lake Forest, it will be state tournament time with the first battle to be waged in the home stadium at 10 a.m. on Saturday, November 28. The Spartans opponent then could be Archmere, but that has not been finally settled.

What does Fleming think of his team's tournament chances? - Well - "We'll have to play good football" - But the Spartans have shown they can do that if you think you can.....

Kevin Smith scrambles after catching a long pass.

Dover Downs opens with record crowd

DOVER, DE.-Sunday, Dover Downs opened its Fall-Winter meet with a crowd of 2785 which was higher than last year's record crowd.

The fans were treated to a demonstration of driving talent as Eddie Davis of Smyrna who is the leading dash winner in North America and Herve Filion of Westbury, N.Y. battled it out all day.

The fastest mile of the day was the 11th race in 2:01:2 won by True Promise and reined to victory by David Banks.

The "Jr. Monster Mile" will open tonight at 8:00 p.m. with a 10 race card. Racing will continue through March 28th with dark days on Mondays and Tuesdays.

Spartans host state cross country meets

by Keith S. Burgess

For the second straight year, Killen's Pond State Park was the site of the Delaware State High School Cross-Country Championships.

When Harrington High started the sport, in 1958, only schools in the Wilmington area were running in the fall.

This district has won seven state championships and is the only school, south of the canal to be given the honor of hosting the state meet.

Salasianum School, St. Mark's and Cape Henlopen went 1-2-3, in the Division I or larger schools meet.

Howard, McKean, Tatnall and Lake Forest were the first four schools in the 12-school Division II meet.

Cross-Country scoring is predicated on the performance of each team's first five finishers.

It is possible to have the first four finishers, in a big meet, then lose everything, when the fifth runner on your team comes in too far back.

The Spartans were in contention when senior Maurice Coverdale (11th) junior James Lofland (12th) and senior Terry Caskey (15th) finished.

The Spartans could have taken the team title by getting two men across, in the neighborhood of 20th and 21st positions.

team, until a stress fracture, ended his senior season before the first meet.

Finally Lafayette Bell, another excellent freshman, in his third year of cross-country, was bothered by a back ailment, all the campaign.

It certainly appears that Coach Jim Blades, had a state champion team, in early September, before the hard luck set in.

Freshman Danny Haines and junior Robby Manaraze were 51 and 53, in the 84 man race and should team with Lofland, Melvin, Bell, Chris Caskey,

Mike Grogan, Billy Haggerty (up from Chipman) and several others, to give Lake Forest its 25th consecutive winning season in 1981.

All in all, 1981 has been a rewarding year, when it is considered that despite all the adversities, Lake Forest stayed competitive all year and always gave a good account of themselves.

Spartan girls vie in state meet

by Keith S. Burgess

In the first girls' state championship cross-country meet ever held in Delaware, Lake Forest's girls were the hosts, at the 3.1 miles Killen's Pond State Park Course.

Earlier this fall, Jim Blades had finally persuaded enough girls (five or more) to run cross-country, so that the Spartans could be officially a part of this landmark event.

Freshman Tara Gladden has done an outstanding job, this season and easily ranks in the top ten, in the Henlopen Conference, in her first year of the hill-and-dale sport.

state meet, in a field of 66 runners, to lead Lake Forest to eighth place of fourteen teams.

Sheri Coburn was 27th, Gina Turner was 36th, Pam Pierce, a runner only a few days was 37th.

Now that the ground has been broken, we look for increased participation, in both girls and boys cross-country, starting in 1982.

Spartan harriers, congrats on a fine finish!

Winter season begins - 93 young swimmers show promise

As of Saturday, the young swimmers of the Lake Forest Community Swim Team had 93 members.

Dennis Berry, Head Coach for the "New Wave" team said, "We are very pleased with the turnout. There are new faces, and many of our summer swimmers returned.

into place". "We are shooting for improvement without the pressure of winning.

The team is now listed at 93 with the bulk of the swimmers in the 12 and under age group.

Haines, Charles Moller, Sarah Schmittenger, Jill Blades and Becky Chambers. In the upper age group, Robbie Bates and Kelly Rawding should be on point grabbers for the New Wave.

These include Paige Parker, Beth Reed, Walt Schmittenger, David Chambers, Bryan Hughes and Ken Monroe, and Kristen Reid. Many of the swimmers will improve during the season and the coaches invite the community to attend the swim meets that are to be held at Lake Forest High School Pool during the season.

Spartans on All Conference rosters

-Cross Country-

Spartan harrier James Lofland, who placed twelfth in 17:44 in the Division II running in last week's state cross country meet at Killens Pond, has been named to the 1981 All Conference Team.

His teammate, Maurice Coverdale, is a selection on this year's second team in the Henlopen Conference.

Three lady harriers were second team All-Conference choices. They are seniors Gina Turner and Sheri Coburn and sophomore Pam Pierce.
