Harrington City Council:

New assessment lowers tax rate 78%

by Harry G. Farrow, Jr.

The new assessed amount is in for the Town of Harrington. It is a record amount topping the measuring stick at a whopping \$29,402,246.00 as compared to the old amount 12 years ago of \$11,500,000. At the same time, Councilman Curtis Melvin voted to base the tax rate for the twenty nine million figure at 32 cents per \$100 which is a record low. The old figure of a year ago was \$1.21 per \$100. This is a reduction of the tax rate by 78% or 89 cents lower.

A year ago the tax rate was \$1.00 per \$100, and the council voted to raise it by 21% to \$1.21. At the time, this created quite a stir in the community; however the amount of tax dollars then as compared to the new assessment ...and the reduced tax rate will be approximately the same figure, which is \$90,229.00, which figure was bud-

Mayor Al Mann praised the new assessment and lower tax rate saying ...because the 100% tax base will be attractive to lenders and the low tax rate will be very attractive to new businesses and industry". He also trash picked up at the regular rate. It added that the tax list will be hung in was decided at Monday's meeting that

strategic places in the Town "at City Hall, Post Office, and the like. The citizens can come and review the lists and amounts throughout the day. The appeals will then be heard on May 6,7,8, and the 10th by appointment", added the Mayor.

In other action, the Council denied a request by Robert A. Passerin to have the piece of property east of Town on Route 14, across from Hollywood Cemetery, rezoned as follows: 3.16 acrs from R-1, single family dwellings, to C-1, commercial, and 14.84 acres from R-1 to M.H.P., mobile home park. The Town's Planning and Zoning

Commission had voted in favor of the

The Council discussed picking up trash belonging to people living outside the Town limits "...in areas where they pass these places with the trash truck in order to make their turn arounds". These areas are Weiner Avenue, Wheeler's Park, and west on Route 14 to Buck's Auto Repair. It could not be determined at Monday night's meeting whether there were 6 or 26 such stops. These people have been having their

these people will now be charged at one and one half times the regular fee for such service. In another trash related matter, illegal depositors were discussed, but at the present time it is unsure if these matters can be enforceable. It will be under the new code according to Mayor Mann. BUT would be violators run the risk of severe fines for any infractions along these lines, and the Council intends on testing the

concluding matters

Concluding matters related to awarding the bid to replace a pump at #1 well located at the present water tower to Shannahan Artisan Well Co. in the amount of \$4,929. The next bidder was Delmarva Drilling Co. for \$4950. A change was introduced to the Zoning Map in that Article 7 now will have a clause requiring a site development map first before any building permits or mobile home stands will be issued for the project. A federal grant will be presented at a public hearing on April 19th at 7:30 p.m. at City Hall based on a survey of certain areas of the Town that could be eligible for this grant. East will send sixth grades to North 6th grades

Beginning in September 1982 most school year the board reserved the students (it was the largest or second Lake Forest East Elementary in Frederica will go to North in Felton. A few, who live closer to Harrington, will be relocated at Lake Forest South. The decision to move the sixth grades out of East came at MOnday night's meeting of the Lake Forest Board of Education. The move was one of several alternatives under consideration as the board mulled over ways to alleviate overcrowded conditions at the Frederica school.

Other options reviewed by the board and discussed in a public session held in the gym at Frederica in March included a building program at East, moving a number of students across all grade levels through sixth grade by redrawing district lines, trying to get some sort of mobile or trailer classrooms and doing nothing.

In acting on a motion by Cliff Chambers to move the sixth grades. beginning in September of the 1982-83

situation at this time next year when projected enrollment at East might tell the same or a different story.

As the Lake Forest Board was deciding what to do about overcrowded East Elementary, Superintendent Dr. Edward Powell made some long range proposals for the rehabilitation and use of the district's buildings. Powell asked the board for authority to request advance planning money from the State Department of Public Instruction to hire an architect to do a cost estimate to help determine the feasibility of any or all of the following projects:

1. renovate Lake Forest North in its entirety. Powell said the work needed on the physical facilities there would probably cost more than the district would ever be able to afford on the basis of current state and local funding. It needs extensive work, he said, "to bring it back into the 20th century." Since North once housed over 900

sixth graders who would have attended right of taking a new look at the largest elementary school in the state) and now enrolls about 680, it is the only place in the district where there is any extra space. Powell proposed the renovation include centralizing district offices there. That would include administrative, maintenance and central storage. That would free additional classrooms at Lake Forest South and W.T. Chipman in Harrington where the district's offices are now scattered throughout the building.

> 2. adding four additional classrooms at Lake Forest East in Frederica so that an overcrowded situation forcing the district to move a grade or take other such stopgap measures is not likely to recur.

3. a minor renovation at South and at W.T. Chipman which would include turning administrative offices there back into classrooms.

4. erecting a storage building behind Lake Forest High School. (Continued on page 2

Frederica will urge back accounts to pay up

Town Council last week will urge town make reasonable arrangements in that residents who have overdue tax water time to catch up on their bill by making and/or trash bills to pay up. Frederica Mayor Don Griffith suggested a three step effort: 1. A letter sent to overdue accounts

by general delivery. 2. A more strongly worded letter sent

by registered or certified mail. 3. Action to collect the money, probably by turning still delinquent accounts over to the town sollicitor.

Council member Rosalie Cline stressed the fact that partial payments in a sincere attempt to pay up would be acceptable and encouraged.

In Free Enterprise (FIFE). Their biographies will be included in the next addition to the current seventy two volume works, recognized as the most comprehensive national illustrated reference by librarians, colleges, newspapers and governmental agencies of outstanding Americans past and present was based on their creative support of our National Heritage. Taylor and Wagner and the directors of Peoples Bank of Harrington have provided invaluable guidance

In 1888 the late James White realized that while publications such as Burke's Peerage and other works covered the careers of many Europeans, no complete reference existed in this Nation despite the great and extensive contributions Americans had made to the progress of mankind. The work of the Cyclopedia is being continued by the founder's great grandson, William H. White in collaboration with the American Institute of Fellows In Free

Enterprise. Other recepients of the awards presented on April 2, 1982 at the Cosmos Club in Washington, D.C. were President Ronald Reagan, Governor Pierre S. duPont IV, Dr. Norman Vincent Peale, Claire Giannini Hoffman, Dr. Raymond Miller, Pierre S. duPont, Thomas N. Stainback CCE, William M. Eagles, M.D., Percy Shue, Patsy Limpert, A. Atwater Kent, Jr., General Harold K. Johnson U.S.A. (Ret.), Charles Maddock, Dr. Robert Hollis, Willard S. Speakman (posthumous), Mrs. Catherine Hanke, Mrs. Alverta Wenrick, The Honorable Robert Milligan.

Cal Hollis III, of Houston, long a champion of basic education, has been active in FIFE since its inception in 1972. His wife, Vicki, illustrated most of the books You Can Do It! for middle school students.

Calvin V. Hollis, Jr., also of Houston, is President of FIFE as well as its Founder and Chairman of the Board of Trustees. Mary Hollis serves as Assistant Treasurer.

Following is the text of a letter from President Ronald Reagan to the recipients of the award:

I am delighted to extend warmest greetings as the American Institute of Fellows in Free Enterprise presents its James Terry White Memorial Awards. Each of you receiving this award has demonstrated the qualities of leadership and creative service. Your spirit of excellence and drive for achievement reflect those same values which have made our country great.

Your example is an inspiration to us all. You have my heartfelt congratulations and best wishes for every continued success in the years ahead.

years.

Powell also said that while a referendum would be needed to approve funding, the district, with a healthy balance in its debt service account, is in a healthy position. Depending upon what projects were started first, he did not thinik it would affect local taxes for the next four or five years.

There is no denying that a package mix is fast, easy and sometimes quite good. When it comes to Brownies you can find several mixes that will do fine. But when you want something special with that chocolate homemade goodness a mix just won't do. Try this recipe and I'm sure you will agree.

Brownies

2/3 cups flour (self-rising) 1 cup sugar 1/3 cup shortening

2 squares unsweetened chocolate melt-

2 eggs 1/2 cup chopped nuts

1 teaspoon vanilla 1. Sift flour once. Measure into sifter

with 1/2 cup sugar.

 Melt shortening with chocolate.
 Beat eggs till thick and light. 4. Add 1/2 cup sugar gradually, beating well. Add chocolate, nuts and

5. Bake in greased 8" x 8" x 2" square pan at 350F oven about 30 minutes.

Do not overbake. 6. Cool in pan and cut in squares.

Gab Fest by Pat Hatfield

I believe it was the poet, Shelley who said, "O Wind if Winter comes, can Spring be far behind." Well, those nice warm days told us that Spring had come indeed and we accepted that gratefully. But Winter still had a trump card to play, and we are trying to cope. Like Tracy Bagli, our weather gal, we had retired some of our winter garb, including for me, my "long johns" and various sweaters and hoods. They are back in use today, and everything that can produce heat is humming away. Still we are not too warm, with this terrific wind. Reminds me of an old epitaph found on a tombstone in Medway, Mass. It says: "Beneath this stone, a lump of clay, Lies Uncle Peter Daniels, Who, too early, in the month of May, Took off his winter flannels!"

I have a little something to pass on, mostly for amusement, I guess, to the parents who are involved in raising children in this day and age. Some of it is humorous, but some is good common sense. I found the titles of some old books on manners, behavior and so on. 'The School of Good Manners", "Youth's Behavior", "Duties of Children", "Little Truths" and the everpopular, "Little Pretty Pocketbook."

Reverend Watson of Baptist Church, Harrington was leader of Bible Study Monday morning. Mrs. Watson was here also and played the piano for all the beautiful hymns that were sung. Rev. Watson had his study and discussion. 1st Corinthians. Chapter 15, verse 16 and John chapter II, verse 25. He also used 10th chapters of John, Tomans, chapter 6 verses 1 thru 16, 1st Corinthians 15 chapter, verses 42 thru

It was a very devotional hour. Closed with a prayer by Rev. Watson and a hymn Beyond the Sunset. Present were Sylvia and Cecil Meredith, Mildred Vincent, Catherine Donovan, Thelma Legates, Amy Poynter, Francis Wright, Etzel McCready, Ethel Holden, Clara Judy, Earl Nelson, Mary E. Nelson, Tony Perrone, Essie Redden, Sallie Needles, Florence Minner, and Juanita McLain. Reverend Watson also opened the Bible Study - Resurrection - with a prayer.

My, oh, my it truly does not seem like spring. It is cold and windy and snowing in lots of places, though not here in any great amount. A very few flurries. It must do a lot of changing to get ready for the Easter Parade. Believe me, it is cold. I'm writing this for prosterity!

Bridge had lots of fun Monday! Lots of bidding, some going set. Making a lot but the main ingredient - FUN!

Some were doing ceramics, some crocheting, others reading, while some chatted or watched those SOAPS. Pool table hummed.

Tuesday several went to New York to Radio City. They had nasty weather, but I know their spirits were high enough to overcome that. The folks reported a beautiful stage show, a 150th "Encore" anniversary. They did run into a blizzard. The dinner was plentiful and delicious. The restaurant was noted for its scrumptious bread. Several brought some home.

At this writing, a hat parade at the Center is pending. As i view the hats, Kathleen Montague's looks really, really "fetching". I tell you, Minnie Pearl takes a back seat to this one!

Borling, pool, ceramics, bridge, tasty meals, jigsaw, chickens, TV, reading, etc all at the Harrington Senior Center. Best wishes to all who are ill. homebounds or in sorrow. Be kind to each other.

Thanks to all the volunteers! Faith!

LUCIUS L. LEWIS, JR. Services for Lucius L. Lewis, Jr. 23, of 504 DuPont Ave., Lewes, who died Saturday, April 10, 1982 in an auto accident will be this afternoon in Lewes. Mr. Lewis was pronounced dead of

multiple injuries at the scene, on Delaware 9 just west of Lewes, after his car ran off the highway and hit a utility pole, state police said.

Mr. Lewis was a plumber's helper for John Tarzos of Rehoboth Beach.

He is survived by two daughters, Lakesha Lewis of Slaughter Neck, and Mickeya K. A. Brown of Lewes; his mother and father, Lucius L. Sr. and Louvenia Lewis of Milford; three brothers, Adongo, Darren, and Darryl, all of Milford, and two sisters, Joyce Lewis of Milford, and Altrmase I. Lewis of Hollywood, Fla.

Services will be this afternoon at 1 at the St. George AME Church, Park Ave., Lewes where friends called Tuesday night. Burial will be in Old Hickory Cemetery, Slaughter Neck.

Asbury United Methodist Church

On Saturday, April 10, the children of Asbury attended an Easter egg hunt. There were games and treats for everyone. There were four winners in the egg decorating contest. These winners are Heather Beauchamp, Brian Dillinger, Todd Hughes and Tawnya Minner. The children who were the lucky winners of Easter bunnies are Brian Hendricks, Tracey Hughes, Jason Monroe and Erin Vogelien. Todd Hughes guessed the number of jelly beans in a jar. Thank you Mrs. Barbara Welch for organizing such a fun day for the children of Asbury.

3rd and 4th grade class won the attendance banner and they received perfect attendance ribbons. Mrs. Reed's 5th and 6th grade class also had perfect attendance.

Spartan girls 2nd in 8-team meet

by Keith S. Burgess
Lake Forest's girls track team showed

great depth, scoring in all 16 events, to finish second to powerful Dover, in the eight-team girls division of the third annual Keith S. Burgess Invitational track meet.

Joanne Smith is just a ninth grader, but set a new Lake Forest record in winning the long jump. Smith then teamed with freshman, Patti Drew and Carolyn Browne and veteran Sheri Durant for a third in the 800 meter

Donna Pardee, Spartan record-holder in the 400 and 800 meter runs, trailed one of Dover's tough Winsley twins, in the 400 meters, but didn't quit, kept the pressure on and finally passed the Senator, in the stretch to win a thriller in 62.6.

Laurel's talented veteran, Connie Brown, won the 800 meters, as expected, but was nearly surprised at Greenwood and Woodbridge. the tape, by Lake Forest's doughty

1600 meter relay. Warren Pierce, Warren, Winder and Sheri Coburn were third, in the 3200 meter relay. Warren, a first-year-trackperson, running her first competitive half mile, ws a pleasant surprise.

Angie Akins, recently set a new Spartan record in the shot put. Saturday she added a couple of feet to that mark by hurling the iron ball 33 feet, 4 2 inches, for a fine, secondplace finish. And she's a rookie.

Carolyn Browne did not far well in the finals of the 100 meter dash, but set a Spartan record of 12.6 in an earlier Valuable second place points were

scored by Karen Gibbs, in the high jump, Sharon Burton in the discus, Caritha Clarke, in the triple jump.

Tara Gladden was fourth in the 3200 meters, behind Melissa Wilson of

Durant, Drew, Pandora Scott and Pam Pierce. Brown, vastly more Elaine Akins were fourth in the 800 experienced, barely held on to win, in meter relay. Ann Irby scored in both hurdle events, for the Spartans, who Pierce, Pardee, Carolyn Winder and tallied 101 points to easily out-distance Sondra finished second to Dover in the everyone but Dover.

Nelson Mosley makes an all-out effort in one of the events at the KSB Invitational on Saturday. Earlier in the week Mosley finished third in the 400 meter run in a dual meet with Caesar Rodney.

Track men rout Caesar Rodney

by Keith S. Burgess

Jim Baldes is always a winning cross-country coach and almost always a winning track coach. He's come up with another strong squad of thin clads. After close loss to Cape Henlopen that could have gone either way, the Spartans have handily defeated Milford and Caesar Rodney.

The Riders were routed 100-41, at Lake Forest, last week. Gerald "Peanut" Perry led the Spartans with wins, in the 100 (10.8) and 200 (23.2) meter runs. Perry also anchored the winning 400 meter relay unit of James Browne, Ralph Young, Ray DeShields and

Rob Prutzman, who broke a sevenyear-old school record in the discus, improved that mark by more than a foot to 138 feet, 11 inches. He was also a double winner, taking the shot put with a distance of 44 feet, 9 inches. Page Pulley was second in each weight

Tony Scott was a third double winner, running the 300 meter intermediate hurdles in 42.3 and leaping 44 feet, 6 inches in the triple jump. Tony had a second, in the 110 meter, high hurdles behind teammate Jerome Scott. Jerome, in town, was second to Tony, in the intermediates. Micah Parker was 3rd in both hurdles.

Fred Goodman cleared 6 feet to win the high jump, followed by James Browne and Mark Goodman.

Dave Decker pole vaulted 11 feet, 6 inches to key a 1-2-3 sweep with Jim Shuman and Josh Howard.

Shuman 19-9, Kevin Smith 19-4 and Jerome Scott 19-3, did the same in the long jump. Smith and Fred Goodman

finished behind Tony Scott, in the

triple jump. Larry Guessford was second in the 3200 meter run. Maurice Coverdale,

third in the 1600 meter run, in 5.02, is the Spartan record holder, in what is a new event in Delaware.

BURNING EYES By the end of the day,

some people experience blurred vision, burning eyes and headaches, yet examinations they don't need glasses. A probable cause is nervous tension. Anxiety stimulates excessive muscle activity, which could bring about these symptoms by the end of a busy day. To counteract these vision problems, simply relax. Plan a daily relaxation period in quiet, comforsurroundings. With eyes closed, allow your mind to unwind from the day. Not only will this aid your eyes, but your entire wellbeing
