

Harrington Journal to hold Halloween Party

The Harrington Journal is planning a Halloween Party at the W.T. Chipman School Fieldhouse on Saturday, October 30th from 6:00 p.m. to 8:00 p.m. "In light of the events surrounding this particular holiday season regarding poisons and contamination of foods and drugs, it is believed that parents both here at *The Journal* and elsewhere in the community would be more comfortable knowing their children are in a protected situation. It is urged that all parents in the Harrington community send their children to the Fieldhouse between 6 and 8 p.m. rather than sending them out into the community or outside the community", said a spokesman for the newspaper.

A planned program will be conducted by the staff at the newspaper as well as many volunteers. Plan to be at the Fieldhouse rather than Trick or Treating through the community. The party will be for children up through 14 years of age. Parents are invited to attend along with their children.

Party-goers should come in costume. There will be judging and prizes in various categories. Please join *The Journal* in starting what may be a new tradition of happy and safe Halloween celebrations. Treats will be handed out at the party under close supervision.

Come and have a ghost of a good time.

The meaning of Halloween

by Harry G. Farrow, Jr.

Halloween is a custom started over 2000 years ago by the Celts. These were people who lived in Great Britain, Ireland, and Northern France. Historically the Celtic people ended their calendar year on October 31st. November 1st was the beginning of their new year. This was to become known as All Saints Day. It was also known as Allhallows, and the evening before was called Halloween.

The Celts were known to celebrate Halloween by implementing the events which we associate with custom and practice today like trick or treating by youngsters, scary story telling, and dressing up in costumes. The Celts believed that Halloween was the night of the year the dead returned to earth and sought out their homes. Spirits, witches, demons, goblins and the likes roamed the earth at this time. The Celts would also as a general practice, gather at a central place in their various villages.

They would gather around a huge bon fire, and parade around this fire dressed in animal dress or in some made-up costume. They would offer sacrifices of all kinds from crops to animals and even in

some cases humans. From the bon fire they would relight the fires in their homes to mark the beginning of the new year.

They also were the first to make lanterns from vegetables. Early on they would carve out beets, potatoes and later pumpkins, insert candles in them to make lanterns.

The pumpkin would later become known as a jack-o'-lantern. It was believed a man named Jack who was a miser was forbidden to enter Heaven after he died and he was forbidden to enter Hell because he had played tricks on the devil. So he was to walk the face of the earth until Judgement Day.

Today's fortune telling, costumes and trick or treat still reflect the traditions of Halloween. Today we

hear of stories played on youngsters who come trick or treating where glass, pins, and needles are sometime found. An early custom allowed for the burying of coins in fruit and cakes where the person who found them was believed to be rewarded in the future with a larger sum of money. It might also mean a broken tooth. A hidden ring could mean marriage in the near future whereas a thimble might mean no marriage ever.

Today, gathering of candies and children dressed in costumes going from house to house are more meaningful to the tradition of Halloween and what we associate with it today. Here in the United States, children gather money in black and orange boxes for UNICEF. The money is used to buy food, provide medical care and other services for the world's needy.

Halloween then has from the beginning been rooted in religion of some sort. You can say that originally its pre-Christian notions led to the beliefs of the dead returning with witches, goblins and demons walking the face of the earth, but today, for the most part, it is a colorful festival time of the year. Let's hope so this year!

Halloween - Take extra care

I remember as a child growing up on my hometown and what good times Halloween held. A couple of friends and myself would dress up and go door to door trick or treating. It was not uncommon to go to almost every house in town and fill up one or two grocery bags full of good stuff. Usually about halfway through the evening my friends and I would sit down someplace under a street light and just about overdose on sweets. The rest was usually taken home and devoured the next week. I guess just like the 25 cents a

gallon of gas those days are gone forever.

We at the Harrington Police Dept. would like to please take this opportunity to caution both the children and parents of this area. For two years in a row objects have been found in candy in Harrington and Felton. Razor blades in chewing gum type candy and pins and needles in apples. A child getting something like this and not knowing it could have horrible results. It's unthinkable why a person would do this, but there are those in our

communities that have. Please check all your candy for anything like this. Parents consider accompanying your children door-to-door and observe what is given to them. If you suspect something is questionable, throw it away, and please, if you discover anything save the item and notify the police at once. The officer will ask a few basic questions, but what is also important is that announcements can be put on all local news stations to warn others if the

More tips for a safe Halloween

Give your ghouls and goblins a safe Halloween. Send them out with flashlights and reflective clothing so they can see and be seen in the dark.

Costumes should be warm enough for the weather and short enough for safe footing. Masks should fit so they won't interfere with vision. Make-up can often take the place of a mask, the home economist suggests.

Parents should accompany younger children, and older ones should travel in groups. Parents should know where the youngsters plan to go and when they will return home. It's safest for children to stay in their own neighborhoods and visits people

they know and trust.

Children should not eat their booty until parents have inspected it. Discard unwrapped goodies, and cut fruit into pieces before eating to check for foreign objects.

Parents who object to the candy glut can encourage neighbors to give boxes of raisins, coins, or novelty items such as erasers instead of sweets.

Families who live in areas where trick-or-treating seems impractical or unsafe might consider inviting a few children over for a Halloween party. With proper attention to safety, Halloween 1982 can be a treat for everyone.

Jaycees announce Parade

The Harrington Jaycees are proud to announce that they will hold their sixteenth annual Christmas Parade on Saturday, December 4th. In the event of inclement weather the parade will be postponed until the following Satur-

day. The parade will begin promptly at 1:30 p.m. and all entries will begin lining up at 12:30 p.m. Any group or individual wishing to enter the parade should contact Bob Everline at

Teacher of the Year nominations

Sixteen persons have been named for the title of Delaware Teacher of the Year for 1983. The thirteen women and three men were selected as representatives of the best traits of Delaware's 5500 teachers and for their superior ability to inspire students

with a love of learning. The state Teacher of the Year will be declared Nov. 8 by William B. Keene, state superintendent of schools, at a dinner held in Dover.

Members of the State Department of Public Instruction review materials submitted about the candidates and observe each of them at work in the classroom. Final recommendation is made by a panel of six judges, which includes the three most recent Teacher of the Year.

The 16 nominees are: Patricia C. Jones, English, Lake Forest High School, Lake Forest Teacher of the Year; Sarah J. Greene, second grade, at Woodbridge Elementary School, Woodbridge Teacher of the Year; Martina C. Hayward, special education, Silver Lake Elementary,

New Assistant Principal

At the August meeting of the Lake Forest Board of Education, Robert Hawkins was approved as Assistant Principal for the North Elementary School. Mr. Hawkins is a much needed addition to our school which has 715 pupils. 188 of our students are sixth graders.

Robert Hawkins has 20 years of experience in education, starting in 1955 when he taught for a year in Evansville, Indiana, before entering the Air Force for two years. From 1965-68, he served as Elementary Principal of the W. Park Place in Newark, Delaware, before becoming Director of Elementary and Special Education at the Department of Public Instruction in Dover for five years. From 1973-78, Mr. Hawkins served as Principal of the Wallin School in New Castle, Delaware, before going into educational consultant work. Last year Mr. Hawkins worked as a part-time special education teacher at our school. It is indeed a pleasure to have someone with these qualifications to assist us with our many responsibilities. Smile! Marriage is something you have to give your whole mind to. *Ibsen*.

Reverend Miller of Calvary Wesleyan Church in Harrington was the leader at Bible Study Monday morning. Sylvia Meredith was at the organ and Clara Judy at the piano. Reverend Miller began and ended the service with a prayer. He chose James, Chapter 5, verses 7-12. Reverend Miller said "We should wait on the Lord." He gave a very interesting and happy hour. Those participating were Annabel Morrow, John McCready, Roxanne, Marion Brown, Florence Minner, Amy Poynter, Etzel McCready, Ella Golt, Sallie Pleasanton, Mammie Adams, Gladys Hill, Juanita McLain, Elwood Morris, Ethel Holden, Clara Judy, Elwood Murray, Tony Perrone, Mildred Vincent, Frances Wright, Thelma Legates, Catherine Donovan and Cecil Meredith.

The Jolly Timers give the Center a swinging time Tuesday mornings. Virginia Smith and Sylvia Meredith took turns at the piano. The music, singing and people all go to make it an enjoyable session. Swinging and swaying with Virginia and Sylvia were Ella Golt, Andy Anderson, Jo Burke, Gladys Hill, Roxanne, Marion Brown, Florence Minner, Annabel Morrow, Lillie McBride, Bertha Dean, Elwood Morrow, Elma Thorpe, Ola Tildon,

Mammie Adams, Tony Perrone, John McCready, Mildred Vincent and Cecil Meredith.

There are Birthday Parties and then there are Birthday Parties. Well, Tuesday's was a super duper one! Everyone was in a gala mood! Every nook and corner was bubbling over with enthusiasm. It was good to be present. Why don't you try and be there next month. You will be happy! Movie presentation by Dave McCracken. He does an excellent job. The cake was all spooky looking, but surely was tasty.

Senior Sounds numbered seventeen. Virginia Smith and Sylvia Meredith took turns at the piano. They venture out into all phases of music and we are glad. Variety is the spice of life!

Bowling at Milford Lanes Thursday. Crafts galore, ceramics a plenty, Bazaar Nov. 5. Come share a day with a friend!

Williamsburg "The Pottery," Nov. 8. Call the Center for information, 398-4224. Anyone that is!

Have you been thinking of your grass skirts? Well, don't forget the Hawaiian trip later.

Best wishes to All. Thanks all volunteers!

Wit is the salt of conversation, not the food. *Hazlitt*.

David R. Legates spent the weekend in upper Montclair, N.J. where he participated in the Middle Atlantic States Conference of the National Association of American Geographers and Cometologists. Legates presented his paper which is to be published in Austria in the Journal of Meteorology, Geographics and bio climatology which is the second most prestigious climatology journal in the world. Legates is studying for a Masters degree at the University of Delaware. He is the son of Mr. and Mrs. Russell K. Legates of Center Street, Harrington. Congratulations, David!

Happy Birthday wishes go out to Mrs. Elsie Pitlick!

Mr. Rick Wyatt, Ms. Marianne Durr and sons J.R. and Ronald of New Castle were the Friday evening dinner guests of Mr. and Mrs. Fred Wyatt, Jr. and family.

Little Miss Erin Vogelien has had the misfortune of breaking her arm. We all hope it heals fast and feels better soon.

Happy Birthday Mark Gannon!

We had a lovely day for homecoming. The parade was held in Frederica this year and was well attended. At the game, Miss Valerie Voshell was crowned the 1982 Homecoming Queen, congratulations Valerie! Both the W.T. Chipman Jr. High School Band and the Lake Forest Marching Spartans participated in the parade and they both performed in the halftime festivities. The Dover High School Band performed the pre-game show. Both shows were enjoyed by all!

The Lake Forest Band Boosters held their monthly meeting Monday evening, October 25 at the High School. We would like to take this opportunity to thank Mrs. Joan Oakley for chairing our Booster Social last Wednesday evening, and Mrs. Shelby Harrington for chairing our bake sale at the homecoming game. Both were a success! Thanks again!

Belated Happy Anniversary wishes go out to Mr. and Mrs. "Huck" Welsh!

Karen Taylor.

Kim Zeitler told us about her demonstration for Leggett's. Robin Zareo reported on the newspaper article in the paper about our 4-H leader.

New Business:
On Oct. 30th is County Achievement Banquet - Mrs. Yannucci is in charge of the tickets.

Gab Fest

by Pat Hatfield 349-4255

Many of our readers have made their annual trip to New England to see the autumn foliage. For those of us who cannot go, I remind you that the autumn foliage in Delaware is also pretty nice. My own trips to New England have been in mid-summer, and the silver birches were my biggest thrill.

The almanac gives us this small poem for October. There is no author given: "Pumpkins, turkeys, hillsides glowing with color, Three weeks out of four completely solar, Hunter's and Harvest moons visit this sky, Forest rangers shudder, the woods are too dry."

And here is a special Prayer for October, with no author given: "Generous Father, Things are shaping up... Bushel baskets of garnet apples, pumpkin pyramids, cornstalk teepees, Row upon row of jewel-colored fruits, And vegetables in gleaming glass preserving jars... Lord, as I store up these provisions, let me also make room for the spiritual plenty that You provide: a harvest of faith, Laid by to feed my soul when winter comes."

Now that the freezing season is about done, I've been trying to get myself all prepared for the winter. While Dad was in Philadelphia having his eye checkup, I used that time to get my own eyes re-examined. This came out well with no glaucoma in sight. Now I am fighting a severe flare-up of arthritis. I've had some bloodwork done and received one of those new

pneumonia shots that are supposed to last for five years. Sometimes I think I would like to be Garith's little turtle and just pull my head back into my shell and hibernate until the springtime.

Today, I'm coping with a sore mouth and stitches from having four teeth removed. Never a dull moment!

I expect the sentence most often heard in America is, "Let's have a cup of coffee!" This custom goes way back. "The Public Advisor" in England in the year 1657, has this paragraph: "In Bartholomew Lane on the backside of the Old Exchange, the drink called "Coffee" is for sale. It is a very wholesome and physical drink, having many excellent virtues, closes the orifice of the stomach, fortifies the heat within, helpeth digestion, quickens the spirits, maketh the heart lightsome, is good against eyesores, cough or colds rhumes, consumption, headache, dropsy, gout, scurvy, King's evil, and many others. Is to be sold both in the morning and at three o'clock in the afternoon."

Now, coming closer to our own time, in 1977, the "Commentary", United States, says: "Just one cup of coffee does amazing things to the body. The temperature of the stomach jumps ten to fifteen percent; salivary glands double their flow; the heart beats fifteen percent faster; the lungs work thirteen percent harder; blood vessels dilate in the brain and near the heart; the metabolism rate goes up 25 percent and the workload of the kidneys doubles." (And, at \$4.00 a pound or thereabouts, it also flattens the purse!)

Greenwood

by Pat Hatfield 349-4255

Greenwood United Methodist Church observed Laity Sunday on the 17th, with Leonard Chaffinch bringing a fine message.

On Sunday evening Kitty Coleman shared highlights of her recent trip to China.

Hickory Ridge Congregational Methodist Church reports that they have been contacted to help in providing gifts for the patients at the Hospital for the Chronically Ill at Smyrna. As usual we will do this early in December. The hospital suggests the following items: tissues, deodorant, soap, shaving cream, stamps, stationery, games, wallets, pocketbooks, scarves, puzzles, checkers, dominoes, stretch socks, knitted booties, afghans, fruits and puddings. Do not send aspirin or other medication. Do not gift wrap. Donate wrappings separately if desired.

Mrs. Mary Ann Stumpf, Mrs. Lillian Moore and Eddie Moore, had a very enjoyable Sunday afternoon at the Agriculture Museum in Dover, watching the demonstrations of the making of apple cider, butter making, seeing the Dairy Princess, broom making, quilts and demo of steam engines. Little Miss Angela Stumpf enjoyed the Hughes family's entertainment of Blue Grass music. There was a record crowd for the festival.

Trick or Treat, children please be careful, at the same time have fun. Mind your parents on the treats, bring it all home to share.

A very pretty wedding was solemnized in our church sanctuary on Saturday, October 9, when Tommy Jones and Robin Jory exchanged vows in the presence of many friends and relatives. We have seen this young couple grow up in our church, and we pray God's blessing on their life together.

Remember the sick in our community, Ruby Bragg, George Johnson, Belva Baker, Bessie Adams, Dollie Schlabach, Otto Wiederkehr, Bill Siebert, Noah Cain and Bill Spanish.

St. Johnstown Methodist Church in Greenwood will celebrate their Annual Homecoming on November 7, at 2 p.m. More details next week.

Saturday visitor at the Jacob Hatfields was Mr. Charles Hatfield of Felton. Wednesday caller was Elaine Hashman.

Mr. and Mrs. Jacob Hatfield were Sunday dinner guests of their daughter and family, Mr. and Mrs. Gary Bollinger in Bridgeville.

Pork Recipe Contest

Entries are being accepted for the 1983 Delmarva Pork Congress' Favorite Pork Recipe Contest. Deadline is January 1. The contest is open to both young people and adults.

All recipes must feature pork or pork products. Finalists will bring their completed dishes to the Wicomico Youth and Civic Center in Salisbury, Md., for judging on Wednesday evening, January 19, 1983.

Judging will be based on four factors: pork cut selection, preparation, flavor, and appearance of the finished dish.

Judges will look for recipes that appear appetizing, are innovative but fairly easy to prepare, use generally available pork cuts suited to the cooking method chosen, and are

seasoned enough to be tasty but mild enough to please most people. Ingredients that are a little different and recipes others would want to try are most likely to produce winners.

Cash prizes will be awarded for first, second and third places in both youth and adult divisions.

The contest is sponsored by the Delaware and Maryland Pork Producers Associations, the Delaware and Maryland Porkettes, and the Cooperative Extension Services of Delaware and Maryland. To obtain an entry form, contact county extension offices in either state. Offices in Delaware are located in Newark, 738-1239, Dover 736-1448 and Georgetown, 856-5250.

MOUTHWASH HAZARD

Most mouthwashes contain 10 to 20% of alcohol - stronger than many wines. Very young children, attracted by the pleasant color, taste, and smell, have promptly drunk a whole bottle of mouthwash, then lost consciousness. Those taken to a hospital were given sugar intravenously and recovered. Other children, not taken to a hospital, have died. The same problem occurs with wines and liquors - keep all alcohol-containing fluids away from children.

Area Church News

St. Bernadette's Catholic Church News

ANNOINTING OF THE SICK - As Roman Catholics we believe that we encounter the Lord in His ministry to us in the seven sacraments. The sacrament that continues His healing ministry is called the Anointing of the Sick. In the celebration of this sacrament, the priest anoints the person with the Oil of the Sick, and prays for healing and strength. The sacrament is celebrated for those who are ill or approaching old age. We invite those who are ill and able to come to Church, and those who are approaching old age (you determine the age), to attend a special Mass on Sunday, October 31, at 2 at St. Bernadette's in Harrington, during which we will anoint those who wish to receive this Sacrament of the Church.

SEARCH - MARK - The Youth Ministry Office of the Diocese is sponsoring a Search retreat for high school junior and seniors on Nov. 12-14 in Jamison, PA and a Mark retreat for freshmen and sophomores on Nov. 5-7 at Claymont, DE. For information call the office at 1-658-3800.

ADULT CHOIR - There will be an organizational meeting of a choir for St. John's on Tuesday, November 2 at 7:30 in the Church following the 7:00 Mass.

CONFIRMATION - PARENTS MEETING - On Tuesday, Nov. 2 at 7:30 in Church Hall at St. John's.

HEAR YE! HEAR YE! ALL 5th, 6th, 7th and 8th GRADE BOYS AND GIRLS WHO LIKE TO SING - We need your participation for our Junior Christmas Choir for Christmas Eve Mass, 7:00 p.m. I guarantee we will have a good time. Practices will usually be held on Saturdays officially starting October 20th at St. John's for 1 hour. Call for time. If you are interested, please join us. For further information call Mrs. Bradley at 422-8699 no later than 8:00 p.m.

LECTORS - We are striving to get our act together in regard to the music program at St. John's. We will be learning new hymns this year, hopefully hire an organist, and would like to institute the ministry of cantor or song leader to lead the community as we worship the Father in song. If God gave you the gift of a singing voice, please consider using that gift for the good of us all. Training will be provided. Please call Fr. Charlie,

those whose names are given to us. Envelopes are available in the packets and at the entrances of the Church.

422-5123, to volunteer. The more people, the easier for all.

NEWS OF ST. BERNADETTE'S RELIGIOUS EDUCATION CLASSES
[Continued from last week]
GRADE 6 - Mrs. Kukulka - So far this month we've discussed God's acceptance of us as individuals and compared this to God's acceptance of His disciples as individuals. Each one of us is different in his own way. Everyone is different in temperament and we all have our own faults. We've studied the human qualities of the disciples.

Also discussed Jesus' parables, concentrating on the *Good Samaritan*, which also included a discussion on prejudice. We've talked about certain values in our lives and how much they've meant to us.

For the rest of the month we will be discussing centering our lives on Jesus, finding simplicity care, trust, and concern in life and our responsibility in making the right decision. God made us free but doesn't force a decision upon us.

GRADE 7 - Mrs. Vogl - So far this year, we have discussed the Jewish lineage as we set the stage for our study of the sacraments. We are going to place emphasis on our part in the Christian Community & how we can help each other fulfill our responsibility. This month we will discuss the Church as sacrament in Jesus as sacrament of the Father. These will be the basis for our study of the Church's Seven Sacraments.

GRADE 8 - Mrs. Drew and Mrs. Gyranuk - We study the early Church & from its beginning at Pentecost. We will compare the elements of the early Church that are still present today to the changes that occurred through growth and adaption to different needs. We will also discuss the imagery and symbolism of the Church.

Verses for thought: "Scripture cannot be broken." (John 10:35) "All Scripture is inspired by God." (2nd Timothy 3:16).

Prospect U.M. Women

The October meeting of the Prospect U.M.W. was held at the Church on the 21st at 1 p.m.

Mrs. Catherine Donovan led us in devotions by reading Psalm 100. Mrs. Virginia Smith read a poem, "October Sunset" and Mrs. Ada Wagemaker read a poem, "Up Stream". Mrs. Donovan read selections from Helen Steiner Rice. Rev. Beyer closed devotions with a prayer and all praying the Lord's Prayer. Mrs. Gertrude Hopkins read a selection from the late Rev. Turkington's book. It was called "My Old Friend Lizzie" and was about his car.

Roll call was taken with each member answering with a Bible Verse. There were 21 present.

Calvary Wesleyan Church

Mid week service and activities start at 6:15 on Wednesday evening with the Children's Choir meeting for rehearsal. CYC and Adult Bible study follows at 7:00. The adult Bible study is taken from 1st Timothy and the theme is, "The Local Church and its Ministry."

A full schedule of Sunday Services begin at 9:30 with the Sunday School session. The Worship service starts at 10:40. Anniversary Sunday will be observed with Carlton Goodhand serving as leader. An anniversary dinner will follow the morning service in the Fellowship Hall.

A HYMN Sing will be held on Sunday evening starting at 7:00. The theme will be "HARVEST TIME" with Mrs. Thelma Miller arranging the program. Plan to attend this special service of songs, music and fellowship.

Senior Choir rehearsal starts at 6:00

on Sunday evenings. The Choir is practicing music for the Christmas Cantata. All members are requested to be present. Harry Bradford, Jr. is the director.

Birthdays greetings this week to Rhonda Hitchens, Richard Baker, Jessica Perdue, Elsie Pitlick, Chaplain Wilbur Bubb and Mark Cannon.

Mrs. Mary Lou Sherwood will start a teaching program for Nursery age children up to 3 years. The first session will be on Sunday, Nov. 7 during the Sunday School hour.

Twenty nine adults and children toured the General Foods plant in Dover last Thursday evening. Harold Rothel and Kenny Garey served as tour directors.

PLEASE remember the TIME CHANGE this weekend. Turn clocks back one hour on Saturday night.

Harrington Baptist Church

Revival services begin Sunday at the Morning Worship hour with Rev. Bob Depp. These services will continue til Friday, Nov. 5th at 7 p.m. Special music will be provided.

Saturday, 9 a.m. - Brotherhood Retreat at the home of Don Reisinger with Brother Depp speaking in the morning and after lunch another special speaker. All men and young men are invited to this special time of

prayer, Bible study and Christian fellowship.

Saturday, 10 a.m. - 12 noon - Acteens, GA's and Mission Friends will meet for mission study. These groups take in ages 3 through high school.

Radio ministry each Sunday morning at 10:30 a.m. on WYUS 93AM with Pastor Watson.

Wednesday night services at 7 p.m. with prayer and Bible study.

Wesley College News

Wesley College Sunday will be observed in the Peninsula Conference on Sunday, November 7, 1982. The Peninsula's only church-related institution of higher education should be mentioned in some way in every conference church that day. Many churches are also planning to use special bulletin inserts and offering envelopes, while others will be hosting a speaker from the college.

Dr. R. Jervis Cooke, President of Wesley College, will be preaching on behalf of the college at Atonement Church in Claymont. The Rev. Alen Clark, Professor of History and Curator at Barratt's Chapel, will be preaching on the East New Market

Charge. Professor Terrance Higgins of the Biology Department and Director of Environmental Sciences Program, will be the preacher at Calvary Church in Milford. In addition to his duties at the college, Mr. Higgins is an active member of Trinity Church in Maryland and as Associate Lay Leader in the Easton District.

Dr. Walter J. Mars, Vice-President for Academic Affairs, will speak on the college at the Greenwood Charge, while Dean of Admissions, Doris Freeman, will be at Wesley Church in Dover. Also giving 3 to 5-minute presentations on the college, will be June Katz, Director of Alumni Affairs, who will be at Melson Church in Delmar, and Professor Ellen Hamilton, who will speak on her home charge, the Kenton-Clayton Charge.

Chaplain John Brittain will be speaking at the Wyoming Church on Sunday November 14 when they will be observing Wesley College Sunday. Local churches are urged to observe this special day on another date if November 7 is not convenient. For a speaker at another time, contact the Chaplain's office at 302-736-2485.

Our unit will visit Neighborhood House in Wilmington on November 12th for the morning. We will be taking used clothing for the new Thrift Shop at Neighborhood House.

Homecoming will be November 7th at 2 p.m. at Prospect with Rev. Bob Ross as the speaker and The Good Shepherds of the Milford area will bring us some special music as well as some of our own talent. Please join us if you can.

The Manor House Bazaar in Seaford will be November 3rd and 4th with a roast beef dinner on Wednesday and a chicken salad platter on Thursday. Tables with crafts, homemade goods, garden produce, clothes and flowers will abound as well as the bargain basement. The Prospect U.M.W. will contribute \$25.00 to the Manor House Bazaar.

Mrs. Ada Wagemaker presented the church with a beautiful painting of the Last Supper. It will be hung in the Sunday School rooms.

Our "Mile of Pennies" is coming along nicely. We have a 5-gallon jar in the back of the church and each Sunday we put our pennies in the jar and watch it grow, grow, grow. It has been estimated that a mile of pennies is somewhere just over \$1,000. It will be deposited in our building fund.

Haven Hill visitors for November 16th will be Phoebe Anthony and Julie Camper.

The meeting adjourned at 2:10 p.m. and delicious homemade cookies and punch was served by Vivian Dill.

A LITTLE BIT OF HISTORY: Since its inception and to this day, the ladies of Prospect have met the third Thursday afternoon of each month. We are fortunate to have the book which contains the record of the forming of the "Ladies Aid Society". The minutes of the first meeting are as follows:

October 12, 1916 - "After announcement made at the church, a number of the members and friends of Prospect met at the home of Mr. Alex Smith, Thursday afternoon, Oct. 12, at 2 p.m. for the object of forming a Ladies' Aid Society of said church.

The meeting was opened with prayer by pastor, the pastor then gave a full explanation as to the work of the Society and what it would mean to the church.

All ladies present expressed their desire to join the Society which are as follows:

Mrs. Noah Cain, Mrs. George Ross, Mrs. Alex Smith, Mrs. Jesse Ware, Mrs. Harry Sullivan, Mrs. Lawrence (Elsie) Sullivan, Miss Laura Smith, Miss Ellen Hopkins.

We first had an election of officer which resulted as follows:

President, V. President, Secretary, Treasurer, Mrs. Noah Cain, Mrs. George Ross, Mrs. Lawrence (Elsie) Sullivan, Miss Laura Smith.

We took up the questions of putting new locks on the doors of the church also fixing the windowlights and shutter of church. This was left in the hands of our president, and to report to the members at next meeting what success she had met with.

It was decided that the Society would meet the third Thursday afternoon of each month. We also decided that each member pay 5 cents a month dues.

As there was no other business the meeting was brought to a close with prayer by the pastor after which we adjourned to meet the third Thursday afternoon in November at the home of Mr. Harry Sullivan.

Mrs. L.E. Sullivan, Secretary

Spartans succumb to Senators, 12-0

The Lake Forest Spartan football team was its own worst enemy as it held out for nearly three quarters in Saturday's Homecoming game, only to succumb to Dover's Senators, 12-0. The game was scoreless until the final 2 minutes of the third quarter when Dover scored after a Lake Forest turnover. The Spartans missed two golden opportunities to score in what should have been at least a tied game. In the first quarter a penalty robbed Lake Forest of a touchdown; in the third, an interception as Spartan quarterback Gary Moore threw the ball into the waiting arms of a Senator in the end zone, killed

Lake Forest's hopes of scoring. In the pictures (clockwise from upper left) Rodney Abrams (#75) climbs over a pile of Senators intent on crushing a Spartan ball carrier (possibly James Browne); Ralph Taylor (#25) runs into trouble as two teammates rush in from behind; Brian Hudson (#87) seems poised for take off; Hudson is the ball carrier as Tony Scott bends across the field; and Brian Gladden, still out of action except for punting gets off a high spiraling kick.

30 shots to 1

by Doug Huffstutler
The Lake Forest Soccer Team took 30 shots on goal to upend the winless Seaford Blue Jays, 3-0.

Tim Noble and David Marvel scored for the Spartans. Duane Hammond and

Greg Ecenrode assisted Noble's goal, and Darryl Tolson assisted Marvel's goal.

The Spartan defense consisting of David Lapinsky, Nelson Mosley, Tony Smith, Albert Silbereisen and Roland Cohee only allowed one shot to be taken on goal. Ron Graleski and Bill Bailey combined their efforts in the goal for the shut out.

Other outstanding players were Bobby Grant, Mike Laskowski and Marvin Parker.

Harrington Little League

Harrington Little League will have a managers' and coaches' meeting at Calvary Wesleyan Fellowship Hall, 242 Delaware Avenue, on Monday, November 1 at 7 p.m. The subject of the meeting is Little League equipment and presentation of equipment. Managers for the 1983 season will also be discussed. Anyone interested in being a manager or who would like to attend the meeting is welcome.

Spartans fall to 1st place Milford

by Doug Huffstutler
The Lake Forest Varsity Soccer team dropped to third place last week when first place Milford beat the Spartans 3-0.

Lake Forest dominated the first half, keeping the ball in Milford's end most of the time.

The Spartans had many opportunities to score, outshooting Milford 10-8 in the first half, but the ball just wouldn't go in the net. Milford scored their first goal on a penalty kick. Ron Graleski and Bill Bailey combined for 16 saves. Other outstanding performances were by David Lapinsky, Nelson Mosley, Mike Laskowski, Greg Ecenrode, Bobby Grant, Marvin Parker, Tony Smith, Albert Silbereisen, Tim Noble, Darryl Tolson, Duane Hammond, Roland Cohee, David Marvel and Neil Hooven. The loss drops the Spartans record to 5-3-1.

Picking pumpkins for Halloween

Third graders at Lake Forest South Elementary in Harrington recently visited the Lyons farm to learn about pumpkins. At the conclusion of the visit they were able to choose their own pumpkins for a Halloween jack-o-lantern or pie.

Later on the whole school (grades 2-6) took part in a pumpkin decorating contest. Winners were announced on Monday.

Included here are pictures of the pumpkin picking, thank you letters to Mr. Lyons and the contest winners.

[The pumpkin picking was a project of the Harrington Jaycees.]

Dear Mr. Lyons,
Thanks for letting us pick a pumpkin, and thanks for talking to us. I like the pumpkins. I'm going to make a jack-a-lantern with mine. Thanks for telling us how to grow things. I enjoyed coming out this morning.
by Robert Smith

Dear Mr. Lyons,
Thank you for the pumpkins. I hope we get to come back next time. I like the farm very much.
by Stephanie Willey

Dear Mr. Lyons,
Thank you for the pumpkins. And I enjoyed coming and meeting you. You have a nice farm and some nice pumpkins. Have a nice time.
by Michael E. Davis

Dear Mr. Lyons,
Thank you for the pumpkins and for inviting us to your pumpkin patch. I will like to plant a pumpkin, too, one day.
by Schneir May

Dear Mr. Lyons,
Thank you for letting us come. I really liked seeing the vines and the little pumpkin that was growing. Thank you for letting us pick our own pumpkin. You really had a lot of good pumpkins. I really bet you went through a lot of trouble getting all that ready for us. I really liked the trip.
Tammy Motter

Dear Mr. Lyons,
I liked coming out to your house. I liked your different kinds of pumpkins you had. My teacher and the class like it, too. I am going to make a face with my magic markers. Thank you.
Jennifer Stubbs

Dear Mr. Lyons,
Thank you for letting us pick your pumpkins from your patch. I like farms and I like your farm. I hope we get to come again. I enjoyed the trip. Thank you for letting us come.
Billy Benard

Dear Mr. Lyons,
I wish I could come again for another pumpkin. And I like you so much. I like your mother, too. I like your pumpkin patch. I want to come back next year.
Thank you,
Albert Dill, Jr.

Dear Mr. Lyons,
Thank you for letting us come to the pumpkin farm. I got a good pumpkin. It was fun. I like how you cut open the pumpkin. I had a

pumpkin patch and all of the pumpkins died. Thank you for the pumpkin.

From,
Mark Breeding

Dear Mr. Lyons,
I thank you for the pumpkin. I had a good time. The pumpkin was pretty. I could never have had a better time in my life. I am going to make a pretty pumpkin. I hope next year the children will have a good time, too.
By Donnell Hollingsworth

Dear Mr. Lyons,
Thank you for letting me come to your farm. I learned much about pumpkins. I really like my little pumpkin. I'm going to make a jack-o-lantern out of my pumpkin. I'll give him a great big smile to wear.
Thank you,
Dawn Minner

And made his face. But I haven't cut out his face. Then I will be done. This is a thank you note. You are a nice man.
From Jennifer Rouse

Dear Mr. Lyons,
Thank you for the trip. I had a good time at the pumpkin farm. I'm going to make the pumpkin into a face for Halloween. I hope next year the third graders will get to come.

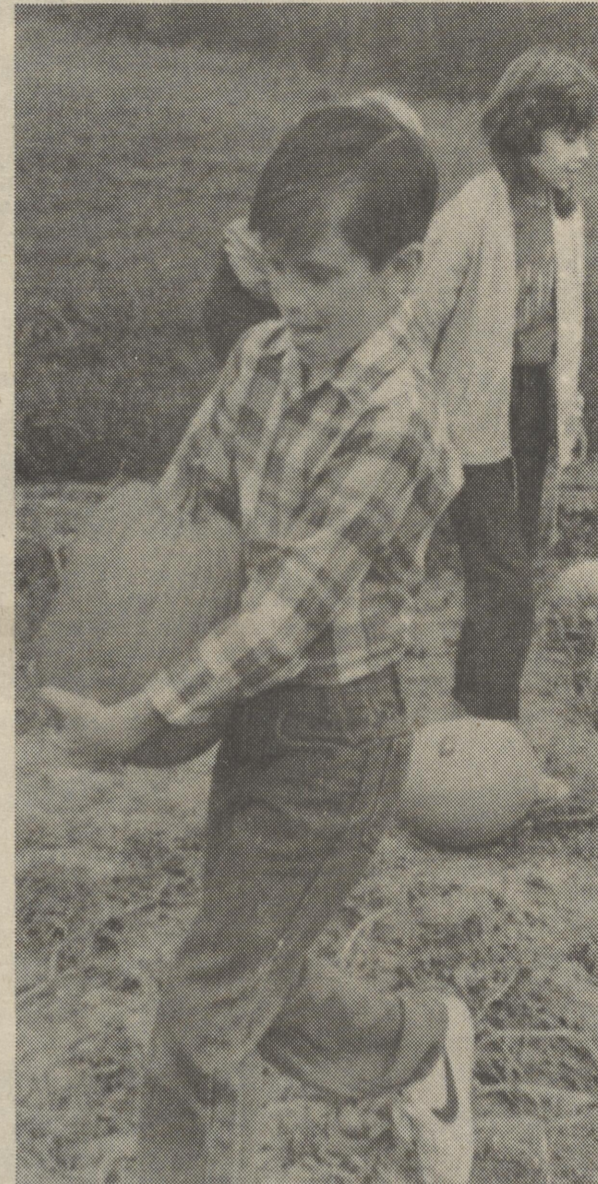

Thank you,

About Smokey the Bear....Dear Sir:

Fire prevention week falls in October. As a part of that observance, third graders in Mrs. Joan Myers third grade class at Lake Forest South Elementary read a story about fire fighter "Smokey the Bear". However, the story did not answer all their questions, so they wrote letters. Here are a few:

Does he wear a ranger hat?
Thank you,
Howard Young

Dear Sir,

We read a story about Smokey the bear. I liked it. If I went to see Smokey in the zoo, what part of the zoo would he be in? Is he playful? Is he cute? Does he like kids? Will you answer my questions because I want to know about him.

Thank you,
Brandi Winkler

Dear Sir,

We read a story about Smokey. Will you please answer my questions? How old is Smokey? How did he get his name? What color is his fur? How did he survive the fire? What zoo is he in? Is he cute? Does he like kids?

Dear Sir,

I read a story about Smokey and I had a few questions to ask about him.

1. How is Smokey doing at the zoo?
2. What zoo does Smokey live in now?
3. Does he have any bear friends?
4. How did Smokey survive the fire?
5. Is Smokey a playful bear?
6. How big is Smokey?
7. How old is Smokey?
Can you please answer these questions? If you cannot answer them all don't worry about it because I just want to know a little bit about him. Thank you.

Ashton Garey

Dear Sir,

We read a story about Smokey and we would like to ask some questions about Smokey.

Is Smokey cute?
How old is Smokey?
Does he like kids?
What zoo is he in?
What color is his fur?
Is he nice?
What colors does he like?
Do a lot of kids come and see him?
Thank you for taking the time to answer my questions.

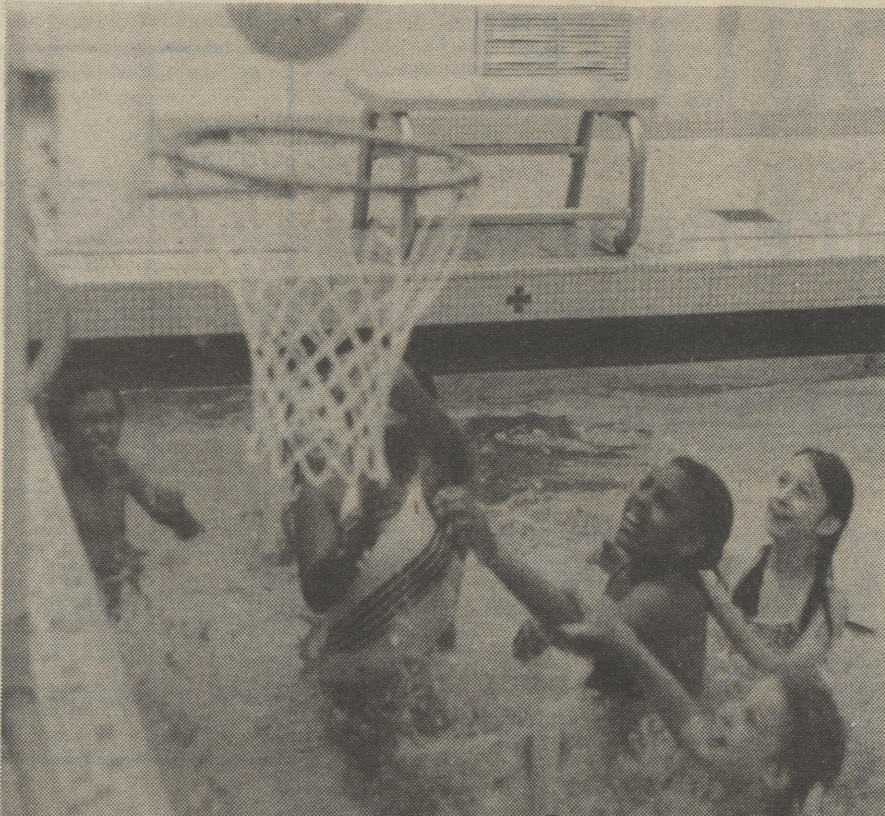

Stephanie Brown

Dear Sir,

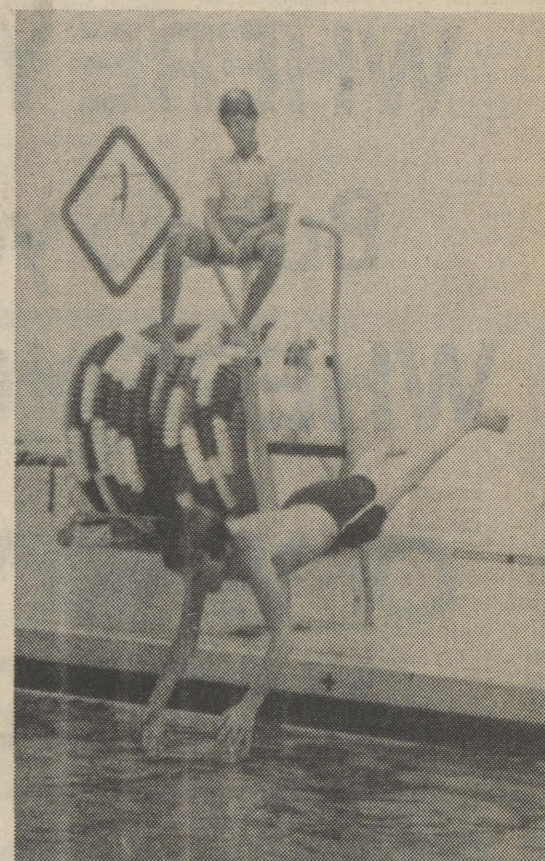

We read a story about Smokey. Will you please answer these?
Is Smokey playful?
How old is Smokey?
What color are his eyes?
What color is his fur?
Is he nice?
Can we see him at the zoo?
What does he eat?
Thank you

Felton Fire Company makes Fire Prevention Awards

Results of the annual poster and essay contest sponsored by the Felton Fire Company were announced last week. This year's theme for the posters and essays was "How Smoke Detectors Save Lives." Contest co-chairmen Roland Neeman and Larry Sipple visited Lake Forest North on Wednesday to present trophies to the winners.

First place winners will go on to represent Felton in Kent County competition.

Here are the winners:

First & Second Grades (posters): 1st - Carmela Shelman, Mrs. Swain's class; 2nd - Dale Scott, Mrs. Swain's class; 3rd - Wade Carter, Mrs. Ward's class.

Third & Fourth Grade

(posters): 1st - Frank Hinspeter, Mrs. Blocker's class; 2nd - Kathy Drabant, Mr. Ward's class; 3rd - Sammie Childers, Mrs. Blocker's class.

Fifth & Sixth Grades (essays) - 1st - Stacey Mosley, Mr. Gabrielson's class; 2nd - Edith Senter, Mrs. Jerman's class; 3rd - Rachel Gussett, Mr. Zimmer's class.

The prize winning essays follow:

First Place Winner
"How Smoke Detector Save Lives"
by Stacey Mosley
The most important thing to have in a house are smoke detectors.

Hundreds of people have been saved by smoke detectors. Smoke detectors are very sensitive in different ways, because when smoke gets too close to the detector it has a noise that goes off and warns you that there is a fire.

A smoke detector is a device used in homes and other buildings to warn people of smoke or a fire.

There are two different types of smoke detectors, battery operated and electrical detectors.

It is very important to make sure that the smoke detector works. Test them once or twice a month to see whether it is working properly.

You should have at least two smoke detectors in a house. If you have an electric smoke detector, you should have one battery operated smoke detector because of an electrical fire.

If the electric goes off right away, the electric smoke detectors will not work. The battery operated smoke detector will help then. Be sure to keep a check on your batteries in your battery operated smoke detector.

Smoke detectors combines sensors that detect both slowly smoldering fires and rapid flaming fires.

Smoke detectors are made mainly to save peoples lives. If a fire starts, it warns them in time so they can get out of the house or building.

Every house should have a smoke detector. If you happen to know of someone that doesn't have a smoke detector make sure you tell them "How Smoke Detectors Save Lives."

Second Place Winner
"How Smoke Detectors Save Lives"

because they are open space.

Bedrooms are very important places to have smoke detectors. Many fires begin at night when families are asleep. You should especially have smoke detectors in a baby's or child's room, because you never know if a child is playing with matches.

The room in which you have fireplaces need smoke detectors, too. If a spark flies out of the fireplace and starts smoldering in a rug, a fire can start very easily.

We are very lucky to have smoke detectors, so be wise and put them in your home for safety and protection.

Third Place Winner
"How Smoke Detectors Save Lives"
by Rachel Gussett
Millions of people all over America have installed

smoke detectors. For a good reason. They save lives.

Suppose you had a family of four. Two adults and two children. Now you may think there is no way a fire is going to start in my house. Well, you are wrong. Nobody, not even a fireman can predict when or where a fire might start. But a smoke detector can tell you it has started.

Smoke detectors may be a bother if you are cooking up a storm or burning wood in the fire place. Well, keep it anyway. To summarize it all up, smoke detectors are a good thing to have.

Remember you can't just install a smoke detector and leave it go. Every once in a while you should check to see if it works or if it needs new batteries. Use reliable

long life batteries. For safeties sake.

Your family must rely on more than smoke detectors if there is a fire. You should practice fire drills maybe with a smoke detector so your children know what to do.

There is also another possibility. Suppose you were in a hotel or motel. Whether it is a law or not smoke detectors should be enforced as a necessary part of a building. Just remember that the fire detector is only the first step in getting out of the building. Always have a plan of escape ready.

Now I hope you see that smoke detectors help save lives. Smoke detectors are very important whether you live by yourself or you have twenty children.

Stirring up spooky stories

Ghastly - Ghostly - Spooky - Shiver - Shake. Some youngsters in classes at Lake Forest East Elementary in Frederica sharpened their Halloween vocabulary by writing stories for a bulletin board. Here are just a few of them:

It was Halloween night and Mother was helping me get into my costume. When I went outside I saw an old house and I peeked in the doorway. I thought nothing was in there. All of a sudden the ghastly old house started making noises. A ghost, witch and goblin flew down the stairs. I started to shiver and shake. I ran out the door, closed the gate and ran home. I never went back again.

Jenny D.
THE WITCHES HOUSE - Every Halloween at 12:00 the witches and goblins and ghouls come out to scare and haunt everyone. At witches hour, not everyone is in bed.

Cari Freeman
Is there a scary old house on your block? If there is, do you see people come out

white as a ghost. Because there is ghastly goblins. Skeletons send shivers up your spine. That's what Halloween is all about.

Charles Z.

HALLOWEEN - I went trick or treatin one spooky night. Bats and witches filled the air. That made me shiver and shake. The first house I went to has a goblin

in the window. That was very scary. The trees at the next house had branches hanging close to the ground. It was a ghastly sight.

Wendi S.

Shawn Timson, Kelly Beissel and Jodi Dearhoff, all three fifth graders, were the winners in a poster contest to promote a "Spooky Carnival" at Lake forest East Elementary in Frederica. Tiffany Jones [not pictured] dreamed up the best name for the Halloween event sponsored this Saturday, October 30, by the PTAG. Hours are 11 a.m. - 2p.m. The "Spooky Carnival" will be held in the gym. Families are invited.

Coming Events

[continued from page 2]

NOVEMBER 6 - Tilghman Island, MD - This tiny fishing community will be host once again this year to the Tilghman Island Day celebration. The date of the 11th annual observation will be Nov. 6, Saturday from 10 a.m. to 5 p.m.

Tilghman, situated at the end of Maryland Route 33, is bounded on the north by Knapps River and on the west by Chesapeake Bay. It lies in the section of the Maryland Eastern Shore which served as the setting for James Michener's best selling novel, "Chesapeake."

The characters and places in Michener's novel are fictitious, but they are based on a people and a land strongly influenced by the surrounding water. Tilghman Island is one of the few remaining fishing villages on the bay and it is the life and work of the watermen who live and labor here that will be featured on Nov. 6.

Tilghman is extremely narrow, the community straddling a single road which runs the length of the island. Visitors are asked NOT to cross the bridge in their cars, but to park in the designated north of the bridge. Buses will be available to take them into "town."

Visitors will be asked to make a donation of \$2 per person or \$5 per family, including all children under 16, at one of the old pilot houses north of the bridge. This will entitle the visitor to ride the shuttle buses, view the exhibits and possibly win one of the Tilghman Island Day prizes. The ticket does not cover the cost of any food. Rain date is Nov. 7, noon to 5 p.m.

For information, call 301-886-2276 in the evening and 301-886-2632 during the day, or write Tilghman Island Day, Tilghman, MD 21671.

NOVEMBER 9 & 11 - The Kent County Heart Association will offer CPR classes to the public, free of charge, beginning with the first class scheduled for November 9 & 11, 1982. Classes are held on Tuesday and Thursday evenings at Kent Co-Tech North, from 7 p.m. until 10 p.m. For more information on future classes, and to register, call the Heart Office at 734-9321.

Dr. Spalt to address 1st Parkinson Disease Foundation meeting - Dr. Harry Spalt, Neurologist from Milford, will be the speaker at the first meeting of the newly formed support group of the Parkinson Disease Foundation. The support group was formed in the Milford-Greenwood area to help the patients and their families better understand Parkinson disease and the variety of new drugs available for use. The first meeting will be held

Thursday, Nov. 11th at the Greenwood Mennonite Church on the Milford-Greenwood Road, Rt. 36, at 7 p.m. Dr. Harry Spalt, Neurologist from the Dickinson Medical Group in Milford will be the speaker. Dr. Spalt moved to the Milford area from Baltimore a few years ago, but has spent many years as head of the Eaton Research Laboratory in Norwich, N.Y. working on the discovery of L-Dopa which was a breakthrough in the treatment of Parkinson Disease.

There will be no dues and anyone interested in more information about this disease is invited to come. People in the Social Services and Professional field are especially invited. Refreshments will be served. For additional information, call Virginia Swartzentruber of Greenwood 349-4373 or Mary Keller of Milford 422-9377.

NOVEMBER 4 - Greater Harrington Chamber of Commerce Night at the Races - Harrington Raceway. November 4, 1982 at 6:30 p.m. Buffet Dinner. Tickets \$8.50. Contact Kenna Adams at 398-8216 after 3 p.m.

NOVEMBER 14 - Spaghetti Dinner - A real Italian style spaghetti and meatball dinner will be held on Sunday, November 14, from 1 to 5 p.m., at St. Bernadette's Church Hall, Dixon and Liberty Streets, in Harrington, Del. Adults \$4 and children under 12, \$1.50. All take-out dinners are \$4, and are available from 1 to 4 p.m. Containers will be provided. For advance ticket sales, please call Libby Knox at 398-3523; Jessie Trotta, Sr. 398-3713 or Tony Perrone, Jr. at 398-8467.

DANCE FOR HEART - OCTOBER 18 to DECEMBER 5 - The American Heart Assoc. of Del. is sponsoring a

Dance For Heart from October 18 to December 5 throughout the state. The event will be co-sponsored by various aerobic exercise, dance instructors, companies, studios, clubs and fitness centers. It is aimed at illustrating cardiovascular benefits of continued participation in an exercise program while raising money to support the research and community programs of the American Heart Assoc. For more information contact your local Heart Assoc. in New Castle County, call 654-5269; in Kent, 734-9321; in Sussex, 856-7386.

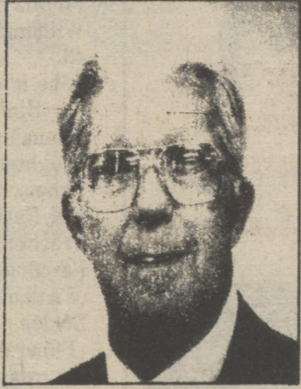

NOVEMBER 3 - Seaford, Delaware's Manor House Bazaar will be held Wednesday, November 3, 1982 from 3 - 8 p.m. Dinner is at 6 p.m. \$5.00 adults and \$3.00 children under 12. Thursday, November 4 - 10 a.m. - 2 p.m. Luncheon at 1 p.m. \$4.00 adults and \$2.00 children. Sponsored by Methodist Churches of Peninsula Conference.

The United States has about one-fourth of the world's estimated recoverable coal reserves.

New Eyes for the Needy

Short Hills, N.J. - Mrs. Perry Nelson, President of New Eyes for the Needy, Inc. offers new hope for thousands of people who can't afford to buy eyeglasses - and therefore must go through life with impaired vision.

New Eyes for the Needy collects used metal and plastic framed eyeglasses from people who wish to donate them to the cause, melts down metal frames, then uses the money to buy new glasses for those with impaired sight in the U.S. New Eyes for the Needy also collects discarded jewelry for the same purpose. The plastic framed glasses

are tested and graded and shipped overseas to medical missions. Mrs. Nelson said, "We estimate over 150,000 people will benefit from the New Eyes for the Needy program in the coming year. It's one of the few charities on earth that doesn't ask for money - uses something you no longer want."

If you wish to donate either your discarded eyeglasses or jewelry to this excellent cause, send them to: New Eyes for the Needy, 549 Millburn Ave., Short Hills, N.J. 07078.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

ARMY/AIR FORCE HOMETOWN NEWS - Pvt. Charles T. Brewington, III, son of Victoria H. and Charles Brewington of Rural Route 3, Milford, Del., has completed basic training at Fort Knox, Ky.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

He is a 1982 graduate of Milford Senior High School.

Bill Roth... a Senator the people of Delaware can be proud of.

U.S. Senator Bill Roth has a personal commitment to being a good, responsible representative of the people. His experience and ability to get things done is evident, not only in his many accomplishments, but also in what others say about him:

TAXES

"You and Jack Kemp remain the architects of one of the most important vanguards in fiscal legislation. I know this, the President knows this, and the American people know this."

Howard H. Baker, Jr.
Senate Majority Leader

"The National Taxpayers Union is pleased to name you a 'Taxpayers' Best Friend in Congress'... we want to thank you on behalf of all taxpayers for playing an important role in the effort to reduce spending and lessen the already heavy burden on the American taxpayer."

George E. Snyder, President
National Taxpayers Union

JOBS

"During our efforts in Washington... Bill Roth was without a doubt, our strongest Republican voice in the Senate. He spoke on our behalf. He went out and got votes. He helped in every way he could. In other words, he effectively represented the workers and the people of this State."

Lee Iacocca

"The only relief for the ailing housing industry this year came about through your efforts to enact mortgage revenue bond changes in the tax bill."

Thomas W. White
Executive Vice President
Council of State Housing Agencies

SENIOR CITIZENS

"The help which you have afforded us has saved the taxpayers thousands of dollars and prevented the Center from having to use already limited funds to accomplish a task which could be accomplished with many benefits to all concerned and at a substantial savings in cost."

Robert A. Bonniwell
Executive Director
Modern Maturity Center

EDUCATION

"It is reassuring that you share our commitment to public education and are willing to stand up for the future of education in our country."

Mary Ann Leveridge, President
The National PTA

"I want you to know how very much the Delaware Division of Libraries appreciates your assistance to the Frankford Public Library... The Division of Libraries all send their deepest appreciation for your efforts and those of your staff."

Sylvia Short
State Librarian

PUBLIC HOUSING

"The Southbridge Tenant Council wishes to express our sincere thanks for your tireless efforts in assisting the Wilmington Housing Authority and its tenants.

We realize how difficult it was to get changes after the budgets were set. We know that many residents, senior citizens and

families can at least not worry or continue to have the fear of the possibility that they might lose their homes."

Minnie Carter, Chairperson
Southbridge Tenant Council

VOLUNTEER FIRE SERVICES

"As we have said so many times in Delaware, if the fire services of the nation had the support that the volunteers in Delaware have from our Senatorial delegation, they would be extremely fortunate."

E. James Monihan, Chairman
National Volunteer Council

THE DISADVANTAGED

"The effort and concern you and your staff has shown demonstrates to us and the poor of Sussex County that you are indeed interested in insuring equity in programs."

Daniel S. Kuennen
SCCAA Board President

"Please accept our thanks for providing the necessary funds which enables us to help this neglected minority (mentally handicapped adults). It is through your efforts and foresight that such a unique program is available in Delaware."

Rosario R. Limmina, Executive Director
Adult Special Education Program

CIVIL RIGHTS

"On behalf of the Conference on Civil Rights, we want to express our deepest appreciation for your support of a strong and effective extension of the Voting Rights Act. We are particularly grateful for your early cosponsorship and for your opposition to all attempts to weaken the legislation."

Benjamin L. Hooks, Chairman
Leadership Conference on Civil Rights

FARMERS

"... I sincerely appreciate Senator Bill Roth's efforts on behalf of a sensible and reasonable free enterprise—farming."

John F. Walton, President
Delaware Farm Bureau

HELPING PEOPLE

"Surely one measure of a good Congressman is the degree of humanity with which he responds to calls for assistance from his constituents. In this case, the response from Senator Roth was both indescribably thorough and compassionate."

Lillian W. Ferguson
Newark, Delaware

"We are indeed grateful for your continuing support of Poland and your interest in the Polish community. We know that through your effort our government will help the Polish people in their struggle."

T. W. Tomkowitz, Chairman
Aid to Poland Committee

On November 2, vote for U.S. Senator Bill Roth, so he can continue his work on your behalf.

Letters to the Editor

Dear Editor:

"Too busy to listen.....?"
My husband and I were hurriedly finishing up our evening chores after a hard day's work and getting ready for the next day's hectic schedule. My eleven-year-old son came into the room where we were working and commenced to tell us a tale about a friend in his class at school. He went on and on with his story, and neither my husband nor I were paying much attention to him. Finally, I broke in....."Would you please get out of here and leave us alone. Can't you see we are busy and don't have time to listen to such foolishness?" With the little episode forgotten, I began to clean out bureau drawers, when I came across an old newspaper clipping, dated 1976. I read it and cried and then promised myself that I would listen to my son's little story the next time, no matter how unimportant it may seem to me. Let me share the discovery I made with you.

A PARENT'S PRAYER

"OH, GOD, make me a better parent. Help me to understand my children, to listen patiently to what they have to say and to understand all their questions kindly. Keep me from interrupting them, talking back to them and contradicting them. Make me as courteous to them as I would have them be to me. Give me the courage to confess my sins against my children and ask them forgiveness, when I know what I have done wrong.

"May I not vainly hurt the feelings of my children. Forbid that I should laugh at their mistakes, or resort to shame and ridicule as punishment. Let me not tempt a child to lie and steal. So guide me hour by hour that I may demonstrate by all I say and do that honesty produces happiness.

"Reduce, I pray, the meanness in me. May I cease to nag; and when I am out of sorts, help me, O Lord, to hold my tongue. Blind me to the little errors of my children and help me to see the good things that they do. Give me a ready word for honest praise.

Author unknown

How many times do we walk up to our children, hug them and tell them we love them? If your kids are like mine, they might call for the men in the little white coats to come pick you up if you attempted this feat. Try it today, and it will be much easier tomorrow. Believe me, you will see a difference in your kids and a difference in yourself.

Carol Ann Porter

Dear Editor:

Why has Tom Carper Democrat Congressional candidate, not revealed his position on the 'death penalty'? Is that because he's against it? I suppose he's one of those politicians who doesn't think the "death penalty" is a deterrent to crime. Well, as far as I'm concerned he can spend the next two years re-thinking his position, because he will have plenty of time. I am voting for Tom Evans.

Sincerely,
Tom Widzowski

Kaat, Sutter purchase interest in champion trotter

COLUMBUS, OHIO - Jim Kaat and Bruce Sutter may have been busy concentrating on the Milwaukee Brewers for the past week, but that hasn't stopped them from purchasing a share in a world champion trotter.

It was announced today that the two ace relief pitchers for the St. Louis Cardinals have acquired an interest in Arndon, the fastest trotter in standardbred history.

Arndon was recently syndicated and has been retired to stud at historic Meadow Lands Farm in western Pennsylvania.

Kaat and Sutter are not the first major leaguers to invest in harness

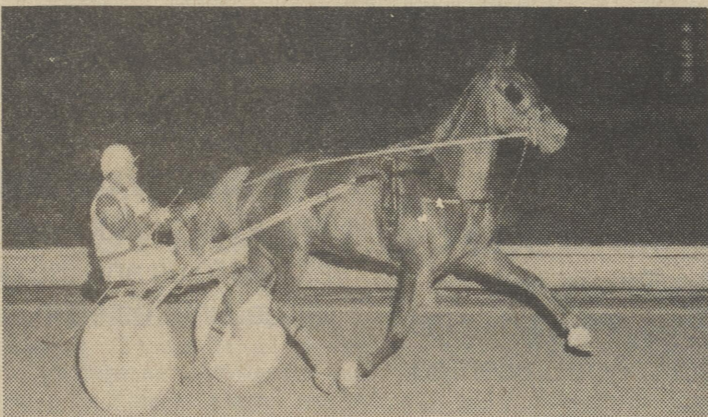

horses, however. Charlie "King Kong" Keller played for the New York Yankees for over a decade, finishing his career in 1953 and is now a leading standardbred owner and breeder. Former Yankee pitcher Whitey Ford has also owned harness horses.

Delvin Miller, who drove Arndon to his record shattering 1:54 mile on Oct. 5 in Lexington, stood the famed pacing sire Adios at Meadow Lands Farm for 15 years. It was Miller who was instrumental in getting Kaat and Sutter to purchase part of Arndon.

Arndon was bred and owned throughout his racing career by Roy McKenzie of New Zealand. He will retain an interest in the horse.

On Tuesday October 26th, this 3ft. scale model of the New Castle County Vietnam Veterans Memorial by Charles Parks was unveiled. The statue will be erected in Brandywine Park in Wilmington along Bayard Avenue near the intersection of 18th Street.

Perfect Beauty, record 1:57 3/5, was shown at Harrington Raceway last Thursday. She is Delaware Valley Harness Horse of the Year.

Added features highlight Dover Downs season opener

DOVER, DE - New sell-cash betting windows, an added trifecta feature race, and color television race monitors throughout the facility highlight the innovations made by Dover Downs Raceway for its upcoming harness horse racing season.

The sell-cash computerized system, designed for small tracks such as Dover Downs, is being installed by GSC Totalisator Corp. of Mystic, Connecticut. The new system will allow patrons to conduct all transactions at just one window. Winning tickets can be cashed, one or a variety of bets can be placed on one ticket, and even different denominations of bets can be handled on the single ticket. Dover Downs plans to have 64 windows, each capable of handling all transactions. Previously, patrons had to cash winning tickets at a cashiers window and then move to various sellers windows to wager on an upcoming race.

In addition to the convenience provided to race patrons, the new system allows for substantial savings in operations and energy. It will utilize only half the space needed by a previous system on the main display or "tote" board in the infield. "This system offers Dover Downs tremendous flexibility to accommodate our patrons. We are happy to offer this greater service and convenience while at the same time generating savings for our facility," said Dover Downs President and General Manager Denis McClynn. "We think the fans will enjoy and adapt to the new system in a very short period of time."

Another added attraction is the introduction of a second trifecta wagering race into the daily racing card. The third and final races of each card will now be trifecta wagering events. The first race of the card will remain the first half of a daily double event. The second race includes the second half of the daily double, plus exacta wagering. The third race will be open for trifecta wagering and then the remaining race, except the final event, will include exacta wagering. Win, Place and Show wagering is available on all races.

"The trifecta wager is the most popular feature bet among our race patrons. We are grateful to the Delaware State Harness Racing Commission for their approval of this addition," said McClynn. "We feel we now have a well-rounded wagering format that our patrons will find attractive."

Fans will also be able to view the action on the racetrack via new color television race monitors that will be positioned throughout the facility.

Dover Downs Raceway opens its harness horse racing season on Sunday afternoon, November 14 with a 12-race card. Post time is 1 p.m. The track will be dark Mondays and Tuesdays of each week. A ten race card is scheduled for Wednesday and Thursday evenings and 12-races are highlighted on Friday and Saturday evenings. Post time for the evening races will be 8 p.m. Sunday afternoon 12-race card post time remains 1 p.m. The season will run through Saturday, March 26.

Lake Forest Homecoming

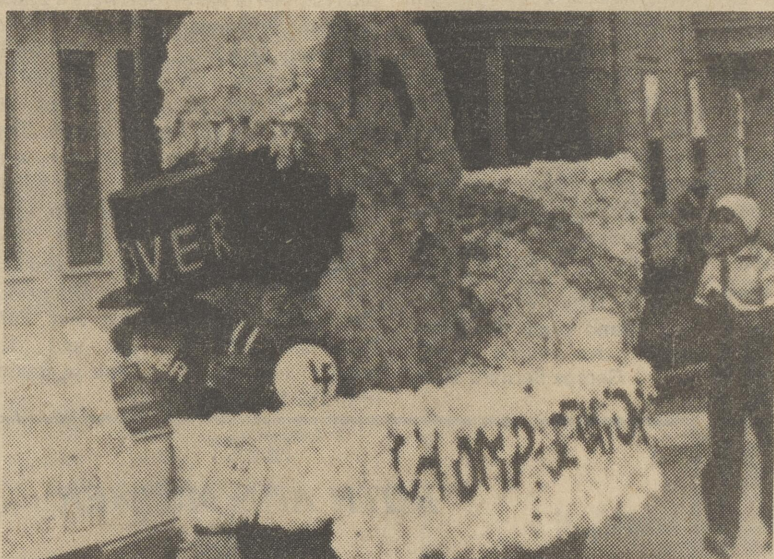

Music in the Round - The Lake Forest Spartan band awaits the signal of drum major Mike Lamphier before fanning out onto the field at the start of the Homecoming halftime show.

... "Roll with the Spartans and coast over Dover" -- The Senior float in the Homecoming parade on Saturday morning. The football team did not manage to follow their advice, but the float won.

Last year's Miss Lake Forest, Ruth Knapp, returned to take part in Saturday's Lake Forest Homecoming parade in Frederica.

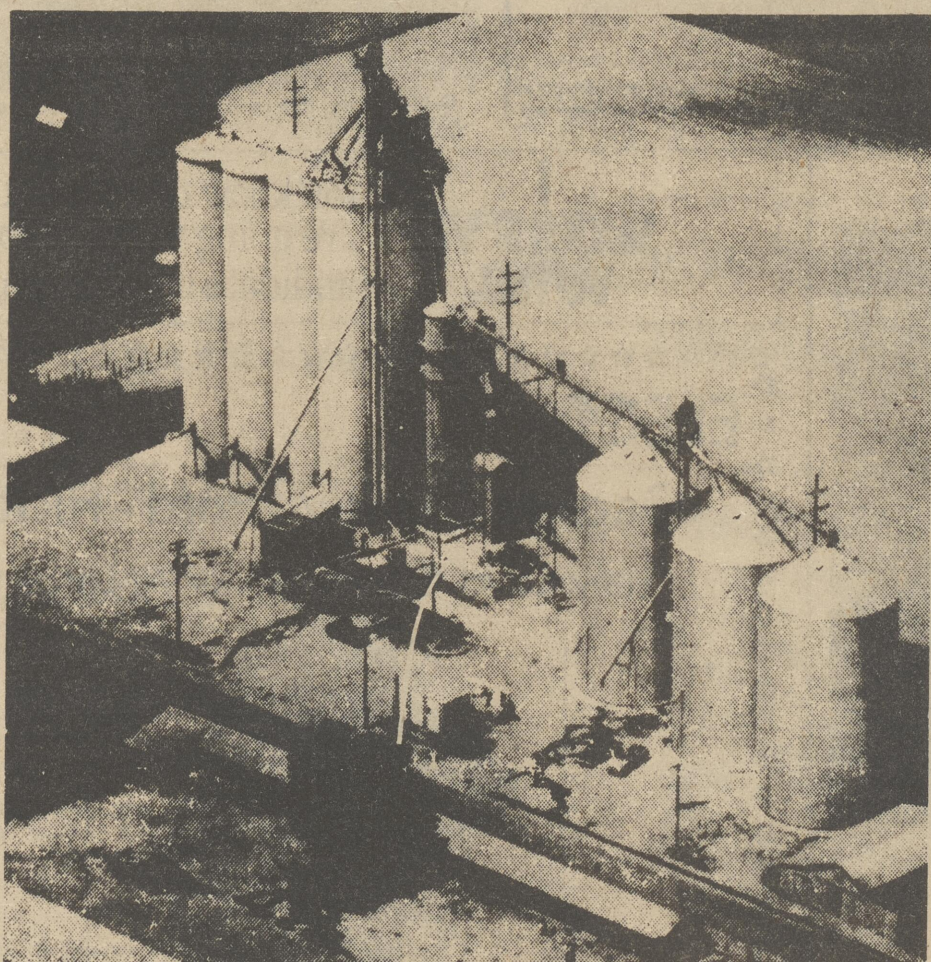

"Chomp the Senators" is the advice the freshman float offered on Saturday. The "Pac-Man" theme won the class second place in the Homecoming parade float competition. The seniors were first, the sophomores third and the juniors fourth.

Senior Gerald "Peanut" Perry was a soloist during halftime activities at Saturday's Homecoming game.

Pam Pierce [left] and Sondra Warren are two versatile Spartans who help round out the top three on the Lake Forest girls cross country team. Both girls also play varsity field hockey.

Four Spartan Harriers traverse the final mile in a home meet against Seaford. Lake Forest depth helped the Spartans prevail over the Bluejays who sent the first man over the finish line in record breaking time for the 3 mile course.

Spartan runners beat Seaford, lose at CR

by Keith S. Burgess

Lake Forest's surprising cross-country team entered its 25th year with a chance at posting its first losing season ever. But the every-season-a-winning-one tradition is still intact. The locals downed an improving Seaford team 25.32 then lost to a strong, Caesar Rodney septel 23-33, at Caesar Rodney. The Spartans have a 5-1 record with two meets left.

Seaford's Joey O'Donnell, a tall, skinny whirlwind, shattered the course record at Killen's Pond when he romped three miles in 15.40, cutting 22

seconds off the old mark. The red-headed, Blue Jay, a junior, wasted two autumns, playing football, on the JV level before finally realizing that his particular talents were much better suited to the hill-and-dale sport. If he'd started earlier, he might have been state champ this year. He looks like a sure bet to win a college scholarship even with the late start.

Spartan sophomore, Dan Haines, was second in 17.06, his personal best here and the top Spartan effort of 1982, at Killen's Pond. Danny Donovan was third, with Mike Melvin, running a

strong fifth, only a second or two behind Seaford's second runner. Rob Manaraze, who has missed a couple of meets with leg problems, returned to post a new, personal best, to finish 7th, as did Bob Smith, who was 8th. Seaford's third runner was 9th, followed by six Spartans, in a row. The first three, Chris Caskey, freshman Billy Haggerty and John Caskey mad their fastest trips ever. Manaraze is "Harrier of the Week".

Mike Grogan, Jerry Mosley and Mark Goodman were next, with Mike Mosley and Tommy Milligan finishing soon after.

Caesar Rodney's rough, root-strewn course is a layout that gives the hometown squad a slightly-more-than-normal, home course advantage.

The Spartans made a strong run, at the Riders and were in contention most of the way. Two factors swung the balance to Caesar Rodney. After Steve Garrett, one of lower Delaware's finest came Dillard and McCusker, two first-year harriers, who are both strong runners. Lake Forest needed to put a couple of men ahead of McCusker, but he was too tough. The second factor of lesser importance, was the inability of the Spartans to finish anyone ahead of the three Riders, who came in eighth, ninth and tenth. This trio are runners of only average ability.

The fine running of Danny Donovan, Dan Haines, Mike Melvin and Rob Manaraze, 4th, 5th, 6th and 7th respectively, kept the issue in doubt until the last half mile.

Spartan girl harriers are 4-0

Pam Pierce, a strong, versatile athlete is going to earn two varsity letters this fall. Pierce, who scored three goals against Dover last week works out with the cross-country team on Saturday and runs in meets (if there is no hockey game on those days.)

Contrast Pam with many kids, male and female, walking the halls of Lake Forest and competing in NO sports, this autumn.

Pam is "Harrier of the Week" after winning the race against Seaford and finishing second to Caesar Rodney's Tina Mahar, in a meet at Camden-Wyoming. Lake Forest won both tests and is now the only unbeaten Henlopen Conference team.

Pam ran three miles in 20.43 against Seaford her fastest clocking yet. Tara Gladden (20.54) was next, in her best

effort ever here. Sondra Warren, another fine hockey player who is equally at home in cross-country, made her first start of 1982 and ran fifth (22.15) which is her fastest three miles ever. Finally sophomore Debbie Jester and freshman, Shiraine Goodman, Lake Forest's last two scoring runners (in 6th and 7th) were faster than ever before, against one of the two toughest Spartan rivals on the schedule. The final score was 21 - 36.

The other challenge, on the schedule, came from Caesar Rodney, but the result was the same. The Spartans prevailed 23-34, to the surprise of some of the Rider runners and fans who didn't know about Sondra Warren and may have underestimated Pam Pierce and Tara Gladden. Pierce finished much closer to Tina Maher, than most distaff harriers do. Tara Gladden was a strong 3rd, with Warren easily finishing 5th.

Debbie Jester and Shiraine Goodman ended all Rider hopes, with their occupancy of the 6th and 7th spots. Ann Irby an improving harrier who is a fine hurdler in the spring rounded out the top ten finishers, with Becky Brown and Maria Kazlauskas, also running well.

Astro-Analysis
By Sonia McGinnis

HOROSCOPE FOR THE WEEK OF OCTOBER 31, 1982
ARIES [March 21-April 19] - Your profound interest in matters which are inconspicuous helps you solve problems. An active week also with partnership involvements. Future security can be made more stable now.

TAURUS [April 20-May 20] - Take full advantage of the favorable work relationship you've developed with associates. People are now extremely congenial and agree with your ideas and suggestions more readily. Good for marital, closely related affairs.

GEMINI [May 21-June 21] - Not a week to act with impulse. Think things through with care, especially where career decisions or employment matters are involved. Show courtesy and appreciation to people who come through for you.

CANCER [June 22-July 21] - Romance is most likely to be the biggest issue now as most things turn out in your favor. Your generosity could prove an expensive extravagance if more caution isn't exercised.

LEO [July 22-August 21] - People who are older and more experienced should play a significant role in your present plans. Family ties can definitely be strengthened as more patience and understanding are prevalent.

VIRGO [August 22-September 22] - An ideal time for working on favorite hobbies and creating, developing lucrative new projects. Also good for furthering aims and setting new and constructive goals. Divide your time accordingly.

LIBRA [September 23-October 22] - Although some caution should be used with money, protecting resources, the main issues should now be aimed toward positive developments, adding to and stabilizing these concerns. Fortunate for both work and business involvements.

SCORPIO [October 23-November 21] - You're prone to act more independently and successfully this week. You accelerate to the top with most involvements and others seek out your fine leadership qualities. Be prepared for a busy week.

SAGITTARIUS [November 22-December 20] - Make good use of imagination for artistic projects in order to reach aims; definite goals must now be set. Be more sympathetic toward people who are in a less fortunate position.

CAPRICORN [December 21-January 20] - Horizons can now be broadened, hopes and dreams are more attainable. Your quest for adventure places you in a good position for a more interesting week.

AQUARIUS [January 21-February 19] - Work and career related matters turn out quite satisfactorily this week as you're associated with influential people who can help to further aims. Many good opportunities come to the fore.

PISCES [February 20-March 20] - Conditions affecting long-range plans turn out quite favorable at this time. Corresponding and contacts that you make to distant places reap future rewards.
