

Four vie for two council seats in Felton

Felton voters go to the polls next Monday night to select two of four candidates who have filed for seats on the town council. Incumbent Tom Jenner has chosen to run for a second term. He is joined in the race by George Egler, Fred Greenly III and Clarence Hurd.

Tom Jenner says he seeks a second term on the council because there are several things in progress that he would like to see through to completion. One of the two he

specifically mentioned is the new sewer system, now in place, and approaching the point at which residents can hook up. Jenner would also like to see some more work done on the railroad station. The town purchased the building in 1981 and has since done some restoration work there. Efforts to have the building nominated for the National Register of Historic Places were successful. The council has plans to turn it into town offices. Jenner, a salesman with Dover

Electric Supply, lives on Church Street in Felton.

George Egler just ran for the Felton Town Council last year on the invitation of one of the Council members. He did not win a seat last year, but the support he got, he says, encouraged him to try again this year. He also says the reason he is running for council is that he likes Felton and wants to become more a part of it.

Egler, who lives on Railroad Avenue, has been a resident of Felton for the

past five years and of the area for the past ten. He is employed with the civil service at Dover Air Force Base.

Fred Greenly, III, who lives on High Street in Felton is a computer programmer with Delmarva Data Center in Denton, MD. Asked by several of his fellow citizens to run for the Council, Greenly cites one goal at present - to work in harmony with the other members of the town's governing body.

Clarence Hurd is a lifetime resident of

the Felton-Viola area. He now lives on Sewell Street. He is running for town council because he feels the need to contribute toward making the town a little better. He says he will be available "If I can be of help." Now on disability retirement, Hurd was formally a security guard at Delaware Correctional Center in Smyrna and later worked for Carl King.

Leaving the Council will be Fred Casper of G & B Market in Felton. Casper, who has served three two-year

terms, says he just felt it was time to take a break.

Election hours are from 5 p.m. to 8 p.m. next Monday, March 7, at the fire hall with voting by machine. All Felton residents of at least 30 days who are 18 or older are eligible to vote.

Because of the election the usual Felton Town Council meeting will be postponed until Monday, March 14. At that time the Council will reorganize for the year.

Luff gets salary increase

Acting Lake Forest Superintendent Melvin Luff last week was awarded a salary to go with his increased responsibilities. Luff will get \$37,000, the same salary paid to Dr. Edward M. Powell, minus the \$2,000 so-called "expense account", which was, in effect, a part of Powell's salary, bringing it to \$39,000. Powell paid taxes on the additional \$2,000 and did not have to account for its expenditure. The Lake Forest Board also voted to make the increase retroactive to Jan. 14, 1983, the effective date of Powell's resignation.

As Deputy Superintendent, Luff was making \$35,565. The raise granted by

the school board amounts to \$1,435.

Meanwhile the board has been advertising for a replacement for the superintendent. Board President Rick Feutz reported that 30 some letters of intent had been received in response to that advertisement. The board was expecting actual applications to start coming in.

With the choice of a 13 member selection committee, the superintendent selection process is in gear. The board expects to have a new Lake Forest superintendent on board by July 1, 1983.

Lynn Outten is Harrington Jayceettes' choice

At their February 9th meeting, the Harrington Jayceettes nominated Barbara Lynn Outten to represent Harrington as a candidate in the Delaware Jayceettes 1983 Outstanding Young Women Program.

This program is designed to honor candidates throughout the State for their outstanding service to the community in areas of leadership, personal improvement, and voluntary service, among others.

Lynn graduated from Harrington High School in 1969 and then went on to Delaware Technical and Community College where she received her Associate degree.

Since then she has become quite active in the Ladies Auxiliary of the Harrington Fire Company, holding the position of Recording Secretary for seven of her nine years of membership. Lynn has participated in 95% of the projects and dinners run by the Auxiliary.

In 1969 Lynn joined the Harrington High School Alumni Association. She was the Association's Recording Secretary for two years and Alumni News Chairman for three years.

As an active member of the Harrington Jayceettes, Lynn has held all offices, including President for two terms. She has been State Secretary in the Delaware Jayceettes, and was State Awards Chairman for two years.

Lynn Outten

Her participation has been most positive through her continued support in more than 95% of all projects run and meetings held, during her 9 years of membership.

Since 1977, Lynn has been nominated as an Outstanding Young Woman of America for three years, a Key Woman for the Delaware Jayceettes for four years, and in 1981, she was nominated by the Harrington Chamber of Commerce as Harrington's "Outstanding Citizen of the Year".

Gladden, Abrams on Gold All Star Team

The All-Star football players have been selected for the annual Blue-Gold game to be held on Saturday, June 25.

Each coach from every Delaware high school submitted up to five candidates from his particular school. The head and assistant coaches for the Blue & Gold teams then selected their players based on recommendations and scouting reports. Every high school is represented by at least one player and some by more. All players are graduating seniors.

This year's Gold All-Stars, representing downstate schools in all counties, are: Vincent Williams - Caesar Rodney; C.J. Bailey, II, Andrew Melton - Cape Henlopen; James Conkey, Rich Trimarco - Christiana; Ward Harris - Delmar; Bryan Heverin - John Dickinson; Paul Isenberg, Joseph Seymore, James White, Jr. - Dover; Rick Viets - Glasgow; Anthony Williams - Indian River; Brian Gladden - Lake Forest; Merv Oney - Laurel; Darnell Archie - Middletown; Rodney Abrams - Lake Forest; Thomas Ermak, Rob Hall, John Lane, Jr. - Newark; William Brogan - St. Andrews; Matt Janicki, Jr., John McBride, Brendan McCall, Raymond Otlowski, Michael Turek - St. Mark's; Joe Cianci, Marcus Trammell - Seaford; Darren Greloch, James "Macky" Trabaud - Smyrna; Jesse Atkinson, Sam Dennis, Jamie Rogers, Pete Rowley, John Young - Sussex Central; Nolan Worthy - Woodbridge, and Gregg Skibicki - Milford.

The Gold team will be coached by Dave Bloodworth from Sussex Central and assistant coaches Walt

Sterwin, Smyrna, and Mike Norton, Sussex Central.

All of the 1983 Delaware All-Star football players, cheerleaders, game queen candidates and band members met each other for the first time Sunday, February 20, at two Participant's Day meetings. Participants representing the Blue team met at Alexis I. Du Pont High School. Gold participants met at Smyrna High School.

The 1983 All-Star Blue Gold Game will be held on Saturday, June 25, at the University of Delaware stadium.

This is the first year in the game's 28 year history that it will be played in June rather than in August.

Bridgeville Banks Store robbed

Banks Convenience Store, 12 S. Main St., Bridgeville was robbed at gun point at 2:28 a.m. on February 24. The robber entered the store, wearing gloves and a ski mask. He pointed a handgun at the clerk on duty, Audrey Patterson and demanded all the money from the cash register. The thief fled with \$39 in cash.

Meet Alex Finale of a 5 Part Story

Alex's Story can't go much further than we are now. As you can see, he looks normal and healthy - just like anyone else's 10 month old baby.

Thank goodness for his Mom and Dad, who gave all they could to make sure that everything was being done to the utmost to help their son. Thank goodness for their families who helped them in many ways, and their friends who stood by them.

Sudden Infant Death Syndrome touched many lives through Alex. Now, there are many more people who know what SIDS can be about. But this has been a happy story, with a happy "fairytale" ending. However there are a few facts about Sudden Infant Death Syndrome that should not be forgotten:

1. SIDS is the number one cause of death in infants after the first week of life.

2. About 6,000 - 7,000 babies die of SIDS every year in the U.S. (about two per 1,000 live births).

3. The cause is not suffocation, aspiration, or regurgitation.

SIDS occurs among families of all social and economic backgrounds.

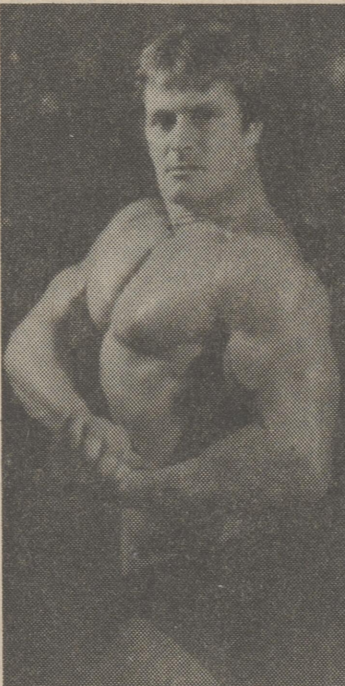

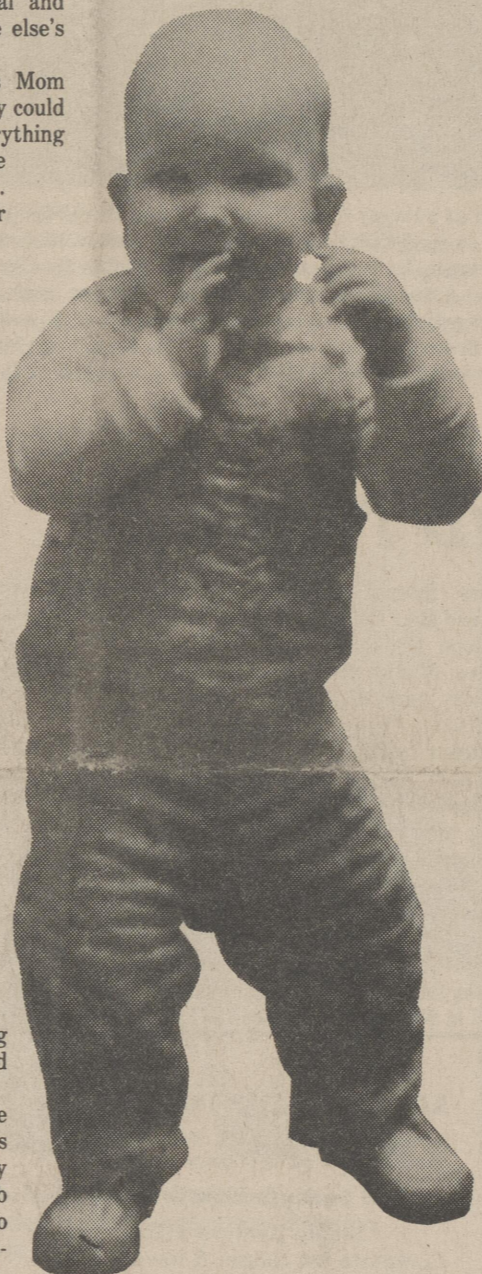

5. Because of the nature of SIDS, no single test has been discovered to identify which infants will succumb to it; therefore, there is no general means of prevention.

TONIGHT, Wednesday night, March 2, at Asbury United Methodist Church in Harrington from 5 until 7:30 p.m., the Harrington Jayceettes will be serving a homemade spaghetti and meatballs or meatsauce dinner, also including salad, Italian bread, jello and beverage. It is all you can eat, served family style. The cost is \$3.50 for adults and \$2.00 for children under 12 years old. Tickets will be available at the door.

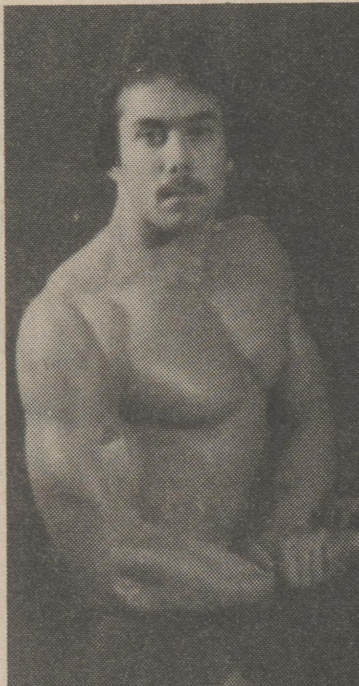

Funds raised through the dinner will go towards the purchase of an apnea monitor for Milford Memorial Hospital. The monitor could help other youngsters like Alex.

For more information on Sudden Infant Death Syndrome, you can contact: National SIDS Foundation, Two Metro Plaza - Suite 205, 8240 Professional Place, Landover, MD 20785, phone (301) 459-3388.

If you need counseling services, contact Peoples Place, or a local pediatrician. The Harrington Jayceettes also have many pamphlets and more literature available upon request.

Frederica election is no contest

Two candidates filed for two seats that will be open in the Frederica Town Council. With the February 25 filing deadline past, that means the town's 1983 municipal election is no contest and there will not have to be an election.

Tom Wilmire and Dennis Peabody, who filed for Council, will take their seats when the town holds its reorganization meeting next Thursday, March 10, in the Town Hall at 7 p.m. The regular meeting will be held as usual, tonight, March 2, at 7 p.m.

Wilmire is already on the Council. He was appointed as a replacement in the wake of Ezekiel Dill's resignation more than a year ago.

Dennis Peabody will fill the other vacant seat on the Council. That post has been vacant since last spring when Dan Griffith, then serving as Frederica mayor, resigned. The council did not appoint anyone to fill that spot. Since Griffith's resignation, the town's governing body has operated with just four members. Helen Powers was selected from those four to be mayor.

2nd anniversary of a hobby grown up

by Barbara C. Brown

Today marks the second anniversary of a very special date for Bob and Diane Austin. Just two years ago, on March 2, 1981, they opened Austin's Health Studio on U.S. 13 just south of the Woodside light. The opening marked two things - the start of a real venture and a family hobby grown up into a business.

The business really did begin as a hobby. Some years ago, the Austin family started working out with weights at home. That was somewhat before the emphasis on health and physical fitness became so strong. Dave Austin, who works with his parents in the business, says he may have used the weight room at Lake Forest High School on occasion while he was a student there, but his family had more equipment at home. At the time, there were no gyms in the area except for small weight rooms at the Dover YMCA and at the air base.

When the Austins were ready to embark on that venture and to turn their hobby into a business, Bob Austin was able to put his previous business experience to work. He had been a plumbing and heating contractor and also had some experience in putting up buildings. With a little help on the electrical wiring, the Austins were able to build their own studio.

The finished structure covers approximately 4,000 square feet. It houses weight machines, olympic weights and showers and lockers, both men and women.

At the health center, the Austins offer programs for those who want to lose weight and also for those who

want to gain. Muscle toning, building muscle size and strength and all the elements that go into body building are among the programs available.

Those programs are open to individuals and to family groups. Thirteen is about the youngest age at which anyone could get started. Personal health and interest would determine the upper age bracket.

The Austins offer a full line of protein and supplements along with advice on nutrition to accompany their programs. They also urge participants to keep in close contact with their personal physicians.

People come for various reasons. Parents may find that two or three evenings spent working out at Austins is a wholesome form of activity that is also attractive to their teens. The Austins emphasize the importance of rest, good nutrition and proper care of the body along with avoiding drugs and smoking.

Couples often take advantage of the programs, as do families and individuals with specific goals. Ladies with the beach scene in mind may come to Austins with the thought of getting into shape. But Bob Austin cautions that it takes more than a couple of months before summer to accomplish that goal. Keeping in shape, he says, is a year round, life long thing.

Those who do enroll at the studio will find a friendly, accepting atmosphere. Unlike the lady who had to clean her house before the cleaning lady came, it is unnecessary for a person to get into shape before starting at Austins.

[Continued on page 2]

Health center has 2nd anniversary

(continued from page 1)

Everyone there, according to Bob Austin, is working on some kind of problem.

Body Building

With the facilities and programs available, it was natural that Austin's become involved in the world of competitive body building. The have had a degree of success. Just last month, Bob Mason who trains at Austin's, won the Mr. Delaware title in the Mr. Delaware Physique contest held at Dickenson High School.

Others from Austin's who have been successful include Danny Zimmerman who was Mr. Eastern Shore 1982. In that contest Zimmerman won trophies for Best Arms, Best Back and Most Muscular. He came in second in the short men's division in the Mr. Delaware 1983 contest.

Dave Austin came in second in the junior (teen) division of the '82 Mr. Eastern Shore Contest where he was judged the one with the Best Arms and

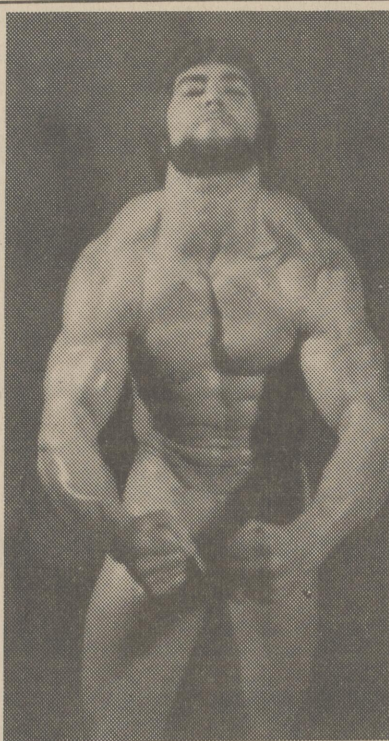

Best Back. Another teen, Robert Carter, was fifth in this year's Mr. Delaware Contest, his first competition.

The Mr. Delaware 1983 competition was likewise the first for Mike Gondolfo who competed in the Tall Man's Class. In that same class, Mark Alison of Austin's came in third and won a trophy for Best Back.

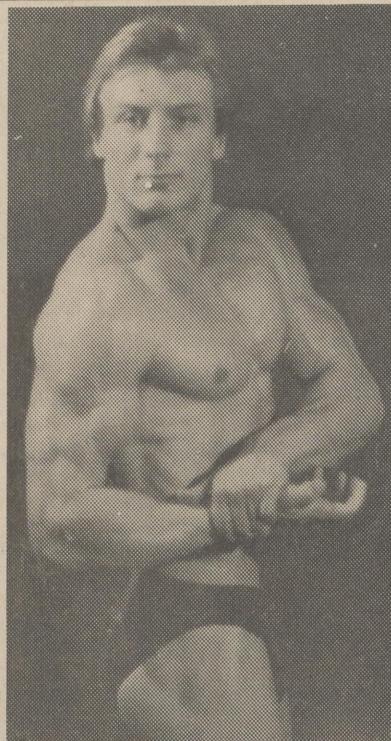

In a somewhat different competitive event, Power Lifting, the Austin's Ed Northfield was first in the 1983 Salisbury Nautilus Invitational Bench Press. Northfield lifted 400 pounds.

In future years, ladies may be getting into their own version of the competition. Several at Austin's are now in training for forthcoming Miss Delaware and Miss Teen Delaware contests.

In future years, Austin's hope to sponsor its own competitive events in both physique and power lifting.

SEAFORD CHRISTIAN ACADEMY NEWS

Faculty Spotlight

Mr. William Gardner
Fourth and Fifth Grade

William Gardner is a resident of Seaford and has been all of his life. After attending and graduating from the Seaford schools, he enrolled and graduated from Salisbury State in 1980 with a B.S. in music education. Mr. Gardner's extensive music training has earned him K-12 certification in general music, choral music, and instrumental lessons, band. He lacks 3 hours for a minor in natural science. Presently Mr. Gardner is teaching general music in grades 3 through 6 (all students learn to play the recorder), two levels of choir (grades 3 - 9), are expecting another in June. Mr. Gardner enjoys operating a ham radio and photography. In fact, most of the pictures in our monthly news are taken by him.

SCHOOL LIBRARY OPENS

On the first of February (I love to read month) the new school library opened. Nearly 2000 volumes, plus reference books, are available. The school goal, announced last spring, of opening and properly processing and cataloging 2000 volumes by June, should be realized. Several hundred books will be added yearly to the library. School librarian, Sandra Salomon, is commended for completing this huge task which was begun last summer.

AWANA Clubs

The Seaford Christian Academy, a ministry of the First Baptist Church of Seaford, sponsors the Awana Clubs held each Friday from 7 - 9 p.m. AWANA means APPROVED WORKMAN ARE NOT ASHAMED. This motto is taken from 1st Timothy 2:15. Each week between 50 and 60 clubbers from kindergarten to grade 8 attend club meetings. There are over 5,000 Awana clubs throughout the United States and some foreign nations. The Awana program consists of games, crafts, Bible memory and council ring. A child does not have to be a student of the Seaford Christian Academy to attend Awana.

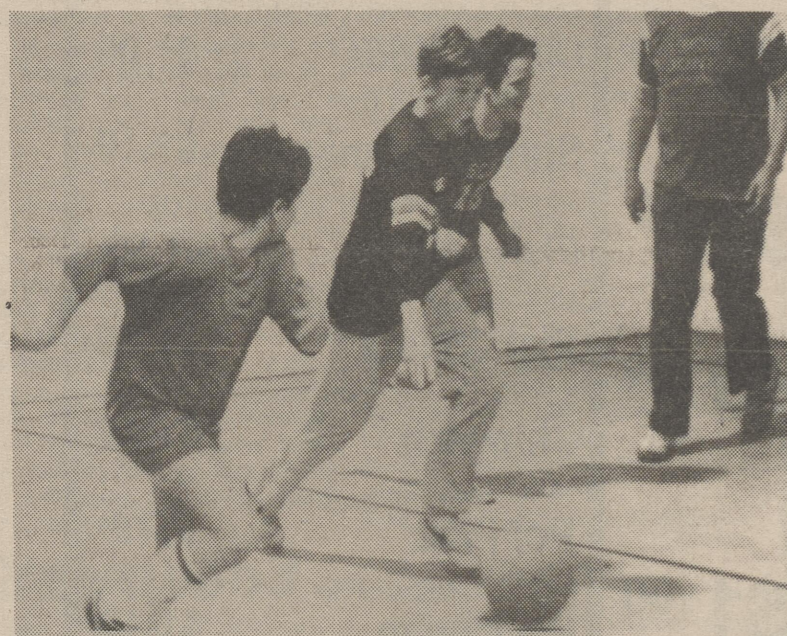

David Reirden was among the soloists when the Lake Forest Jazz Ensemble directed by Dale Burkhard traveled to Indian River High School to participate in a jazz festival and competition on Saturday.

4-H Junior Council Weekend scheduled

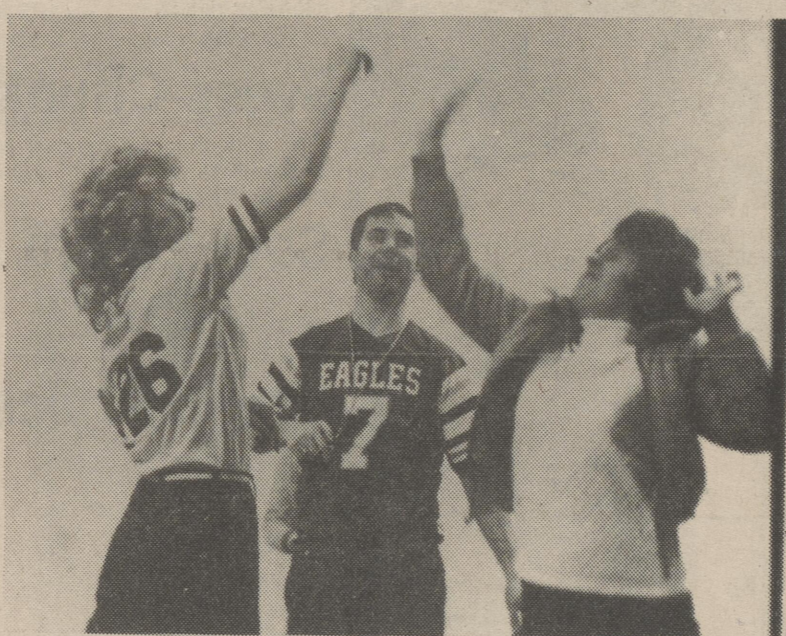

Because of popular demand, the Junior Council will be planning and taking part in their own Junior Council Weekend at Camp Arrowhead near Angola. All Junior Council members, 4-Hers ages 13 and up, and Club Officers are invited to attend. Some of the activities that will be taking place are: Guest speakers and demonstrations, games and recreation, tennis, baseball, a dance, and much, much more. And, now that some of you are older, you can actually help plan and work on the activities for our Younger Member Weekend in April. The cost is \$5, and all checks should be made payable to Sussex County 4-H Clubs. Entry deadline is March 8.

4-H public speaking winners announced

"Child Abuse", a speech by Amy Messick, won first place in the Senior Division of the 4-H Public Speaking Contest. Amy is 14 years old and a member of the Bridgeville Wildcats 4-H Club. Twelve year old Elizabeth Jackson's speech entitled "The Hypnotist" won first place in the Junior Division. This Seaford Blue Jay 4-H Club member told the audience how to use hypnosis in their everyday life. Amy Webb, a member of the Hollymount 4-H Club won first place in the Beginner's Division. Amy is 9 years old and the title of her speech was "A Tribute to My Friend - Mr. Mrgan Magoo." Approximately 30 4-Hers participated in the Public Speaking Contest this year. Blue Ribbon winners were: Robbie Cooper, Margaret Eger, Roger Hudson, Breck Vanderwende, Carolyn Sipes, Amy Webb, Carla Jo Bailey, Hope Messick, Elizabeth Jackson, Mike Arthur, Katrina Workman, Carole Fleetwood, and Amy Messick. Those 4-Hers receiving red ribbons were: Stephanie Fox, Susie Sipes, Karen Lofland, Becky O'Day, Michelle Miller, Ginger Hastings, Vivian Mills, Kim Evans, Neil Bullock, Lisa Eger, Amanda Pulley, Jacalyn Taylor, Chris Majchrzak, Janelle Taylor, and Sandy Miller. Emcees for the contest were: Jacalyn Taylor, Amy Messick, Janelle Taylor and Carole Fleetwood. The hosts and hostesses were Sandy Miller, Joe Houtman and Chris Majchrzak. The judges were Mrs. Billie Shaffer and Mrs. Lynda Gannon, teachers at Lake Forest High School.

The faculty men and fathers gained revenge by beating the SCA boys team 69-44.

The SCA girls basketball team defeated a team of faculty women and mothers on Thursday, February 17, by a score of 14-8.

Hunting and Fishing on Delmarva

by Dave Coady
 The New Castle County Spring Chapter of Ducks Unlimited has set the date for its 46th annual banquet. The banquet will be held at the John M. Clayton Hall, University of Delaware, Newark at 5:30 p.m. on March 19. Tickets are \$37.50 each and include a one-year membership in DU and a subscription to the organization's magazine. Those interested should phone Urie Boulden at (302) 368-2553. The Delaware State Chapter of Trout Unlimited will hold its Annual Conservation Banquet on Saturday, March 5th at the University of Delaware's John M. Clayton Hall in Newark. There will be a social hour starting at 5 p.m. with dinner at 6 p.m. The guest speaker will be Mr. Poul Jorgenson. Mr. Jorgenson is a well known fisherman, conservationist and author of several books on fishing. Tickets are \$15.00 each. Phone Bruce Hashinger (302) 834-8045 or Rich Cochran (302) 731-1287. Next week I begin a series on the proposed Finfish Law in Delaware. If you or your organization have any information or news of interest to hunters and fisherman, please contact me C/O the Harrington Journal, P.O. Box 239, Harrington, DE or call 398-3206.

Letter to the Sports Editor

Dear Editor:
 The Harrington Jaycees would sincerely like to thank the Harrington Lions Club and its president, Ken Walls, for sponsorship in the 1983 Pepsi-WSTW Easter Seals Marathon Volleyball game. This is the first time the two community organizations have jointly participated in a state function. In the volleyball event, the Harrington Jaycees finished first in their bracket, thus getting a trophy. The events started Saturday at Dover High School and continued into Sunday night. The tournament was a success and included a field of 31 teams. We would also like to thank Gordy Cockburn (The State Chairman for the Delaware Easter Seals Marathon) and Mrs. Romaine Welch (Harrington representative for Easter Seals) for all their help and cooperation. Tom Lyons, President Harrington Jaycees

LF Swimmers

Lake Forest's "New Wave" age group swim team has traveled a considerable distance since its first season, two years ago. In 1981, in its first encounter with the Wicomico team, the New Wave got trounced by well over 100 points. In two 1982 meets, Lake Forest edged ahead of Wicomico by 7 and 13 points. Earlier this season the New Wave swimmers were 10 points ahead when pool conditions at Wicomico forced the meet to be canceled in progress. Last Saturday in the Lake Forest pool, the local community swim team beat Wicomico 379-234, a 145 point margin.

The meet completed the winter season and gave the New Wave a 3-2 winning record.

New Wave coach Dennis Berry cited a swim program that has grown and blossomed around a core of improving young swimmers as a major factor in Lake Forest's progress.

Berry, who said earlier this year that individual progress would be a bigger emphasis than winning dual meets, reports that nine team records were broken in the Wicomico meet. And as individual swimmers worked to upgrade the level of their performance, 23 "C" level times, 17 "B" level times and 2 "A" level times. It is the "A" times that are the qualifying goal for competition at national levels. Eleven year old Kelly Rawding recorded both "A" level times.

In the Boys 8 & under group Wesley Wood surprised and delighted his teammates with a win in the 25 meter freestyle. Wesley is just 6 years old. He has been swimming with the New Wave since he was 4. Now he is a serious contender. Michael Drew in the same group led the relay teams and took individual seconds in butterfly and breaststroke. He has consistently placed second throughout the season.

In the Girls 8 and under class Tasha Berry another 6 year old was also in

New Wave's Jill Blades discusses strategy with a teammate as they wait for the starter to call the swimmers in Saturday's meet with Wicomico.

contention, placing third just eight tenths of a second off the first place winner.

Angie Mason and Julie Smith were leading point getters in the Girls 10 and under group. Angie took two firsts and led her team in the relays. In the same age group Sara Schmittinger won the 50 meter freestyle and placed second in the backstroke while teammate Jana Smith had two firsts and one second, Jana, who swam "B" times for most of the day, set a team record in the butterfly. Jill Blades, a nine year old who was ill at the beginning of the season, narrowly missed beating Jana in one event. She was three tenths of a second off her older teammate's first place time. Jill also placed third in the individual medley in which she took 9 seconds off her own record.

The Boys 10 and under team comprised of John Chambers, Brian Haley, Doug Reid and Danny Voshell had their best day all year.

The Girls 12 and under group completely dominated its Wicomico opponents by sweeping every event with either first and second or first second and third. In that group Kelly Rawding swam A level times to win both freestyle and butterfly events. Kelly Snow Jones and Paige Parker continued to swim well. Paige won the backstroke, and Kelly, the breaststroke and individual medley. Vicki Swain, who placed second in the butterfly and third in the individual medley, had her best performance to date.

The 13 and over group swam most of the "B" level times. In the boys' group Brian Hughes swam his best times so far (and that includes his times as a member of the high school team). Danny Haines is getting ready for Mid Atlantic competition in New Jersey. In the same group Chris Drew and Robbie Bates, still in junior high, swam almost as well as their high school teammates.

The girls in the group also had their best times to date. Kristin Reid, who will be moving up to the high school next year, had a first in the backstroke, a second and a "B" time in the breaststroke and set team records in both events. Kristin swam with the medley relay team which improved its time over the high school season. Valerie Parker, Joyce Oakley and Lori Wilson had their best times to date, and Patti Drew also recorded outstanding times.

This year's New Wave Team has been coached by Dennis Berry and Kathy Monroe.

Coach Berry has a list of swimmers that he thinks may improve their times enough to rate an invitation to join the All Star Zone team representing the Mid Atlantic Region by summer. These include Danny Haines, Robbie Bates, Chris Drew, Kristin Reid, Kelly Snow Jones, Kelly Rawding and Paige Parker.

LF Girls' Basketball

Lake Forest girls' varsity basketball team finished their 1982-83 basketball season with a 13 - 3 record that left them in second place just two games behind Northern Henlopen Champions, Sussex Central. The Golden Knights from Central were 15-1. The Spartans and the Cape Henlopen Vikings posted identical conference records. However, since Lake Forest beat Cape twice during the regular season, the Vikings had to bow to the Spartans.

Pat Dyal's Spartans are now state tournament bound for the third straight year. Lake Forest will face Blue Hen Flight B runner up A.I. DuPont in the opening round AT Seaford High School this Friday, March 4, at 6:30 p.m.

Spartans fall short of 1st place tie Three points (2 plus a tie breaker) separated the Spartan girls last week from a victory over Sussex Central that would have forced a playoff for first place in the Henlopen North. The score in the Spartan/Golden Knight rematch was 58-56.

For most of the game, the totals indicated a standoff. The two teams were tied 6-6 at the end of the first quarter and 25-25 at halftime.

For a brief time in the second quarter, the Knights took a 10 point lead. However, the Spartans recovered in time to even the score by the end of the

period. In the second half, the situation was almost reversed. Leading S.C. by three points at the end of the third quarter, Lake Forest at one time built up a nine points advantage. However, the Knights, like the Spartans, are not ones to give up when behind. On the strength of a 19 point fourth quarter (12 of those points from center Pam Cannon) S.C. erased that advantage and had added a two point margin when the clock ran out.

Both teams were in foul trouble by halftime. The result was a third quarter played at a pace that seemed gingerly by comparison with the earlier periods. Scrapy Spartan Dee Dee White fouled out and had to spend most of the final three quarters on the bench. A number of other key players for both teams were on four and hanging.

The honor of being top Spartan scorer has been shared by several girls throughout the season. That is, perhaps, an indication of a strong, well-balanced team. Pam Pierce, with 17 points, earned that honor in the Sussex Central game. But Pam Harris contributed 12, while White and Carolyn Browne scored ten each as that balance continued. Anita Sherwood was good for 4, and Stephanie Tolson, another Spartan who has been

a leading scorer, contributed 3. The game left the Spartans with a 12-3 conference and 14-4 overall record and put them back in a second place tie with Cape Henlopen. Looking toward the state tournament Lake Forest had an advantage in having the Vikings, twice.

At the point, only one game, last Friday's contest against the Dover Senators remained in the regular season.

Sussex entral, 14-1, had wrapped up the Northern Division title and would face Indian River for the Henlopen championship.

Girls romp past Dover

The Spartan girls' basketball team had no trouble defeating Dover in the final game of the regular season Friday. The girls were 69-47 victors. Lake Forest had a slim one-point lead at the end of the first quarter, but romped over the Spartans 21 - 9 in the second. The Spartans never lost the lead.

Four Spartans scored in double figures. They were led by senior DeeDee White with 16 points. Sophomore Stephanie Tolson had 15; junior Pam Pierce, 11, and sophomore Carolyn Browne, 10. Angie Akins added 8 points, and Pam Harris, 3. Harris, 3.

LF Boys' Basketball

3 quarters good, but 2nd spells defeat

If basketball victories were counted in quarters, the Lake Forest Spartans would have won two (the first and the fourth) against Sussex Central on February 22. In another (the third) they would have missed a tie by one point. If those three quarters were added together, the Spartans would have found themselves ahead of the

Knights, 51-43. But then there was that second quarter. In that period Lake Forest was outscored 4-1 as the Knights put up 28 points over the Spartans' 7. The difference was the game, a 71-58 victory for Sussex Central.

Down by 18 points by halftime and 19 at the end of the third quarter, the Spartans never called it quits. They

battled back and, at one time, narrowed the margin to 8 points.

Tony Scott, with 21 points, was far and away the top scorer for Lake Forest. The remainder of the Spartan total was contributed by Kevin Murray, 8; Brian Gladden, Vincent Thorp and Stanton Spencer, 6 each;

"Jump rope for Heart"

Approximately 150 young people from the Lake Forest School District will jump into action in the high school gym this Saturday morning. The youngsters, ages 3 to 12, will be turning the ropes in efforts to raise funds for the Heart Association. The occasion is the Second Annual Jump Rope for Heart.

Last year, Lake Forest raised just over \$3,700 in the three hour event. That was the 3rd highest among 23

schools participating statewide.

Peggy Coyle, physical education teacher at Lake Forest North Elementary is serving as District Jump Rope for Heart Coordinator for the second straight year. Assisting her are Betty Myers (5th grade teacher, Lake Forest South) - emcee, Jean Callaway (nurse, Lake Forest North), Jim Blades (high school, physical educa-

uncle who was visiting us sallied forth into the garden to plant the peas and onions for my mother on St. Patrick's Day. When he was about halfway finished, the sun went behind a cloud and a heavy snow flurry raged for a few minutes. My uncle kept on waving and singing as we watched from the kitchen window. It soon passed, the sun came out and the job got done.

I'm sharing another prayer with you. It is called "A Prayer For March", and I think the loveliest one yet. These will be nice for your scrapbook and used every year: "Father, God, Today in my yard I raked away the accumulation of dead, soggy leaves, and guess what I found. Pale, waxy crocuses and green

spears of tulips and daffodils, piercing their way to sunlight, the beginnings of the garden I planned when I planted them. Lord, you had big plans for me in your garden, this lovely world. Today, I am reminded that it is time for me as well to push through the debris of winter. My shabby habits and attitudes so that I can grow and share the world for gifts and graces."

Yes, the time of the flowers will soon be here. I've always felt there must be something terribly wrong with an individual who does not love flowers and children. The great poet, William Wordsworth, once said: "To me, the meanest flower that blows can give thoughts that do often lie too deep for

tears." An unknown author gives us another thought to ponder: "The forests would be silent indeed, if no birds sang except the ones who sang best." And James Russell Lowell once said: "A weed is no more than a flower in disguise". He probably liked odd things like me. I love so many of the roadside weeds; and, once many years ago, I decorated the church altar with daisies, Queen Anne's Lace, and orange Butterfly Weed. Most everyone loved it, but for those who did not, I merely said to them: "My Lord is the Christ of the Dusty Road, and He made these flowers to bring beauty to those who pass this way."

their trips, camping and other activities. Thanks to the public for their support to these young scouts where they are knocking on your door for your support. It is greatly appreciated. Honoring Mrs. Nancy McFarland and her group of Tiger-Cubs, the newest scouts this year, as being guests at the banquet.

Honors and many thanks are extended to Mr. Tom McFarland and his boy scout troop 113, assisting in the dining hall and kitchen duties. Mr. Robert Voras of the Webelo's with the entire group of scouts offered the closing prayer in unison. The entire evening was very delightful.

that you are tired of. All will be appreciated!

Bingo, well it is always a great time to be at the Center. Meals are tasty, friends plentiful, help for taxes and other things are available! Come on in and be with nice folks.

Best wishes to all homebonds and to

all who are ill either in the hospital or at home and prayer for those in sorrow!

Pick your friends but not to pieces! Thank all volunteers! A special hello to you out-of-towners. Hi, Joan, I made it!

All the flowers of all the tomorrows are in the seeds of today. Faith.

Don't forget the poultry training for the 4-H group at Chipman High School, Wednesday, March 2, 1983.

Congratulations to Bill and Mary Green on the birth of their first grandchild, a son, born to Mr. and Mrs. Walley Wooters of Frederica at Milford Hospital, 7 lb. 12 oz.

On Tuesday, Feb. 15th Mr. and Mrs. Harry Towers celebrated their 42nd wedding anniversary. They had dinner at the Chesapeake Bay Sea Food House near Washington, D.C.

Mr. Josiah Parvis is now recuperating at home after being a patient in the Milford Memorial Hospital.

Letters to the Editor

Why not be a Friend?

Dear Editor:

Open Letter to the Citizens of Harrington and "Friends of the Harrington Public Library".

In July, the Library will celebrate its 5th anniversary. We should feel a great deal of pride and accomplishment in this. The library has grown over the past five years. Our goal is to expand. We hope that all the citizens of Harrington will become library supporters. We offer a large variety of books, magazines, records, movies and tapes. This past year we purchased a computer to connect us with a central library system. If we don't have what

you want, or if we cannot get it for you, we can, through the computer, tell you where it is available.

The City of Harrington owns the building the library is housed in and pays the librarian's salary and for maintenance on the building. The city also pays the rental in the bestseller loan program at the library.

In addition to purchasing the computer system, the Friends group, through money making events, buys books and other items for the library.

Certainly the library is an asset to the city of Harrington. It is something we

can all be proud of.

Why not be a Friend of the Library? It only costs a \$1.00 per person. If everyone in Harrington became a friend, we could have our expansion for our 5th anniversary party.

Think about it! The library is there for you, will you be there for the library?

Sincerely,
JoAnne Clough,
President of the
Friends of the
Harrington Public Library

Brake for children and animals

Dear Editor:

Although what I'm about to say would not seem too important to a lot of people, it was very important to my family. Saturday night, our puppy, who would have been a year old Sunday, ran away. Consequently, she was struck by a car on Delaware Avenue and killed. We had searched for our puppy for two hours, and we finally stopped a Harrington policeman, Officer Cook, and asked him for his assistance. It was close to 11:00 p.m. when Officer Cook came to our house with our puppy's collar and

reluctantly told my husband that "Sparky" was dead. The motorist who struck our dog left her in the middle of the road. Officer Cook moved her to the sidewalk and removed her collar. If you have ever lost your dog and have had the fear of finding her dead, you will understand how we appreciated Officer Cook finding our "Sparky", moving her to the side and bringing her collar to us for identification. I would like to thank Officer Cook for his kindness and for saving us the heartache of coming upon our "Sparky"

lying in the middle of the road, dead. I would also like to thank my parents for coming out on that frigid night, picking up "Sparky" and burying her.

It is very important that we drive the speed limit, not only "braking" for children but also "braking" for innocent animals. We loved "Sparky" very much and will miss her very much. She was that little ray of sunshine in our lives whenever she greeted us at the door after a long day's work.

Thank you,
Carol Ann Porter

Community involvement needed

Dear Editor:

On Thursday, February 17, 1983, the Harrington Heritage Day Committee met to make plans for Heritage Day 1983.

Of all the organizations who participated in Heritage Day 1982, only 4 were represented at this meeting to plan this year's event!

Heritage Day does not magically appear each year in September. It requires a great deal of planning. This is a community event requiring

community involvement. We need help with this year's event. We have tentatively set the date for September 24, 1983. But it won't happen without some help. We are in need of the following: An overall chairman for Heritage Day and an entertainment chairman. Both of these positions are vital to the success of the day. If you care for your community, if you enjoy the "Heritage Day

Experience", please come forward and volunteer your time.

Surely there are a number of people in our community who have ideas and time to give to this celebration.

Please come to our next meeting - Tuesday, March 8, 7:30 at the Senior Center.

Thank you,
Christine K. Hayward
Chairman, Heritage Day 1982

Jerome Harris, 5; Darryl Tolson, 4; and Kermit Mosley, 2.

Ron Pritchett had 31 points for the Knights.

Spartans finish season against Dover

Tony Scott and Jerome Harris put up a dozen apiece to lead the Spartans in

scoring against Dover's Senators Friday night. Kevin Murray added 7, while Brian Gladden and Robert May were good for a half dozen each. Darryl Tolson added 4, and Stanton Spencer and Vincent Thorpe both scored 2 points.

At the foul line Scott was 2 for 4; Harris, 4 for 4; Spencer, 2 for 2; and Murray 1 for 5.

The 51 points Lake Forest totaled left the team well behind the 88 the Senators put on the boards as the Spartans finished their 82-83 season.

tion) and Dennis Berry (high school, aquatics) - sound system.

Participants (both young people and adult volunteers) will meet at the high school gym at 8:30 a.m. The action will begin at 9 and continue until noon.

Individual participants have gathered sponsors for so much per minute per

team of 6.

Prizes for funds raised will be awarded on an individual basis as follows:

\$25 - Jump Rope for Heart T-shirt,
\$50 - gym bag, \$100 - windbreaker,
\$200 - warm-up suit.

All participants will receive certifi-

cates the day of the event.

Again this year, Hardees Restaurant is supplying the orange juice for the participants.
