

Leyanna charged with attempted murder

by Harry G. Farrow, Jr.
 GEORGETOWN, DE - James Leyanna, 27, was arrested on Sunday night and taken before a Magistrate at Georgetown by State Police from Troop 4 and charged with two counts of attempted murder. He is being held at Sussex County Correctional Institute in lieu of \$201,000 bail.
 Leyanna is charged with attempted

murder of Debora Wyatt, age 22, and her son, Robert D. Lankford, Jr., age 5, with whom he lived.
 According to State Police account of the incident, at approximately 11 p.m., two people, Teresa Wyatt, a sister of Debora Wyatt and Terry L. Garris, who also lived in the mobile home, heard a commotion in the bedroom. When they entered the bedroom,

James Leyanna was seen with a knife in his hand, slashing at Debora Wyatt and her son.
 Teresa Wyatt and Terry Garris were able to subdue Leyanna and disarm him. Leyanna was, however, able to inflict stab wounds to the back of Debora Wyatt as well as slashing wounds to the throats of both Debora Wyatt and her son before being

disarmed. The Georgetown Fire Company transported the pair to Seaford's Nanticoke Hospital where both underwent emergency operations. They are listed in critical but stable condition.
 On May 21, 1978, James Leyanna, then of Mastens Corner, was charged with murdering Neal Kimmey of Harrington. Leyanna was arrested by

State Police from Troop 5, Bridgeville. He was arraigned in June of 1978 at Magistrate Court #6 at Harrington where he was released from the murder charge. The reason given for dropping the charge was due to insufficient evidence and lack of probable cause to support the murder charge.
 An attempted indictment was

brought against Leyanna at the Grand Jury level, but it, also, resulted in the charge being dropped.
 NOTE: A Robert Lankford, Jr. fund has been set up at the First National Bank in Harrington. Donations will be greatly appreciated.]

Connie Gerardi wins \$150 U.S. Savings Bond

Lake Forest High School Senior Constance Ann Gerardi will enter the University of Delaware in September to study chemical engineering. Connie is one of five children, so college expenses are a major consideration. However, she has already taken several steps toward clearing the financial hurdles. She is a member of The Office Education Association and recently began putting her high school business courses to use in the labor market. She is a part-time clerk-typist at the Milford Sure-Crop Fertilizer Company, where she will work full time as soon as school is out.
 Connie's other major effort has been to apply for scholarships and enter contests. She credits her tenth grade English teacher, Mrs. Billie Shaffer, for help in sorting through this maze. Connie states that Mrs. Shaffer

"always makes herself available to talk with students or to help them. There's never a limit on her time." Mrs. Shaffer particularly likes the annual Ability Counts Journalism Contest sponsored by the Governor's Committee on Employment of the Handicapped. A friend of Connie's, Lake Forest U.S. graduate Karen Wothers, entered the Ability Counts Contest in 1980 at Mrs. Shaffer's urging. Karen won second prize that year.
 Connie's mother and her present English teacher, Ms. A.J. Williamson, participated in the awards ceremony in Governor du Pont's Dover Office on Tuesday, April 19. The Governor presented Connie with a \$150 U.S. Savings Bond as Delaware's 1983 second place winner. The prize money was contributed by the American

Legion, the Veterans of Foreign Wars, the Disabled American Veterans, and the Delaware Paralyzed Veterans Association.
 Connie gives Mrs. Williamson much of the credit for her award winning report, calling her "the most excellent English teacher you can imagine." The topic for the 1983 reports was Independence for Disabled People Through Technology. Connie says the topic made her think of the independence achieved by Mrs. Carol Glasspool of Felton, who is severely disabled from polio myelitis. In describing Mrs. Glasspool, she coined the word "handicapable". The daughter of Wanda and Eugene Gerardi, Connie lives about five miles west of Harrington on the Whiteleysburg Road.

Governor du Pont presents check to Connie Gerardi, second place winner in Ability Counts Journalism Contest.

Bowers names street in memory of Joey Harvey

by Harry G. Farrow, Jr.
 NORTH BOWERS BEACH, DE - Joe Harvey was just four years old in 1970 when his father and mother came to live in Bowers Beach as "transplanted farmers" from their native state of New Jersey. He was a very friendly and outgoing youngster. He used to walk up and down the street which is now named for him. He was friendly to the many old people who still live on the street.
 Joey and his dog went for a walk that

fatal Sunday wondering through the Murderkill River. The dog came back, but Joey didn't. He walked out too far and stepped into one of those treacherous treacherous holes that catches you without warning, pulling you down into the dark, murky waters of the Murderkill.
 So it got young Joey Harvey. A loveable child - as any child is at four, he, also, loved his town of Bowers and those friendly old people that he used

to talk to daily.
 The town didn't forget Joey. On Thursday, April 14, at the council meeting, the Bowers Council named a street for him. That's like the people of Bowers - the salt of the earth, good people. They never forget what you did for them - they remember and particularly their own. It's obvious from the preceding that young Joey was one of them.

Harrington's new charter to be voted on May 9

by David F. Coady
 At this past Tuesday's Special Meeting of the Harrington City Council, it was agreed to hold a vote on the proposed new City Charter at the next regularly scheduled meeting of the council on May 9. Several citizens were present to ask questions. All but one left before the proposed charter was discussed because the council decided to hold the workshop meeting before discussing the charter.
 After the Workshop Meeting was finished and the council was ready to discuss the new charter, City Solicitor, William Walls, asked for an executive session. This proved to be lengthy and only former Mayor Arthur B. Cahall III remained from the small group of citizens that had been present. Cahall questioned the portion of the charter dealing with the annual citizens meeting.
 Cahall felt that the proposed charter

should include language that would guarantee the citizens the right to speak out at the annual meeting.
 Councilman Curtis Melvin pointed out that the only change to the proposed charter was that "the Mayor or his appointee shall chair the meeting."
 "Under the old charter, there wasn't any provision to require any member of the city council to attend the annual meeting," Melvin said.
 Cahall said that he still felt it was good to have an annual meeting that would encourage citizens to speak out on issues and that this should be spelled out in any new charter. Cahall read written remarks by Sue Ellen Dennis in which she asked if the new charter would give the council, at some later date, the authority to grant itself a salary. In the opinion of the council this is not the case.
 Mayor Al Mann read the resolution

adopting the charter and asked if the members wanted to entertain a motion adopting the new charter. City Solicitor William Walls was of the opinion that the new charter should be typed in one document before voting.
 Councilman Ray Gagne requested that the solicitor have copies of the new charter available for council members by May 6 to enable councilman an opportunity to study it before the next meeting. The council agreed to vote on the new charter at its next regular monthly meeting on May 9.
 CORRECTION
 In last week's story on the location of the proposed new city hall, it was stated that the City Council was discussing alterations to property on Liberty Street. The story should have read alterations to property on Center Street.

Laura Enslin chosen Miss Delaware-Teen-USA 1983

Saturday night, April 23, 1983, was the big night for Laura Enslin of Wilmington. She was chosen from among 16 contestants at the Milford High School Auditorium, to represent Delaware at the Miss TEEN-USA pageant in Lakeland, Florida, in August 1983. Laura is a sophomore at Wilmington High School and enjoys music and plays several instruments.
 Sponsors for her pageant entry fee were: Knottts, Inc., Corneliuss Carrol, David Casto, James Enslin, Rose Magel, William Enslin and Mr. and Mrs. R. Enslin all from Wilmington.
 Laura Enslin, 16, from Wilmington, is the first Miss Delaware-Teen-USA 1983 crowned on Saturday, April 23, 1983 at the Milford High School Auditorium.

John M. Curtis to be alumni banquet speaker

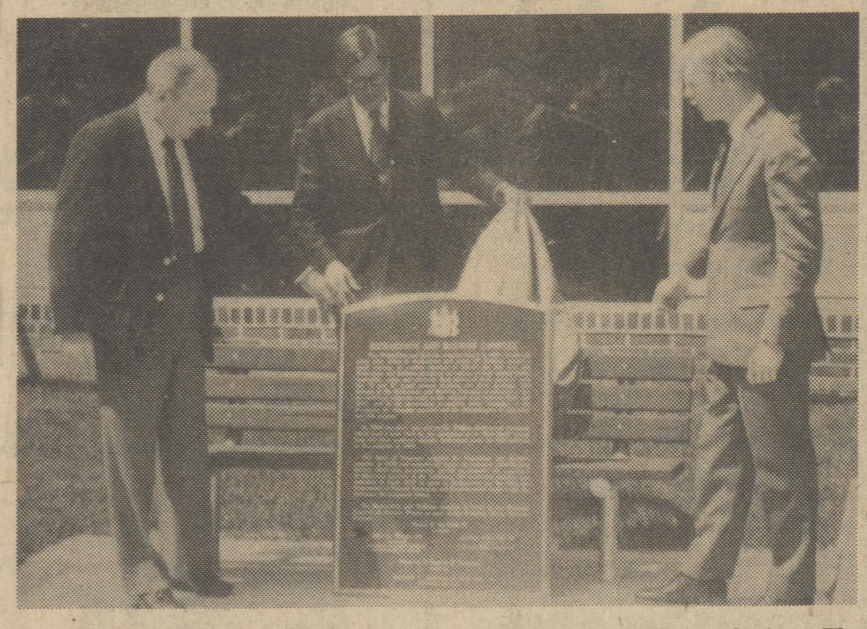

John M. Curtis, class of 1937, will be the featured speaker at the 27th Annual Banquet of the Harrington High School Alumni Association. Banquet will be held on May 7, 1983, in the W.T. Chipman School Cafeteria.
 Deadline for reservation will be Wednesday, May 4, 1983.
 Because of the favorable response from our membership last year, a reception for all those who plan to attend the annual dinner and dance will be held in the Fieldhouse prior to the banquet. This will provide a period of socializing with old acquaintances as well as new ones. We are looking forward to seeing you there.

Winterthur in Odessa - spring opening soaked

by Harry G. Farrow, Jr.
 ODESSA, DE. For the first time since its inception "Odessa in the Spring" was marred by rain. Otherwise dampened but not in spirit. Visitors, nonetheless, turned out to see craftsmen exhibit and demonstrate a craft from Tole Painting to blacksmithing as well as musical renditions of early America done by the McDrical Singers of Wilmington.
 Mrs. Fran Sandlen of Dover, fresh from a teaching seminar on tole

painting in New Orleans, demonstrated her craft of tole painting, which was an early American art. Local craftsmen Charlie Hrupsa and Joe Hughes demonstrated their crafts of broom making and basket weaving respectively.
 Hrupsa makes the well known "corn broom" in the same manner as they did in early America. "I grow my own broom corn right there on the farm", said Hrupsa. Hughes, well known in this area for his craft of basket

weaving, continues to practice his art "shoeless".
 Al Moolenshot, a blacksmith from Rising Sun, Md., had a display of wrought iron lamps which were engineered to a perfection. He displayed originals and reproductions. The central structure focused on at Odessa is the Corbett Sharp House. Corbett Sharp is the magnificent, Georgian, many roomed house built in 1772. It is probably the best example of perfect Georgian style in the entire state.
 H. Rodney Sharp bought the house in 1938 and set about its present restored form. Sharp, a graduate of the University of Delaware, came to Odessa right after graduation, as a school teacher in the Appoquinimink School. He later, became its principal. He was accomplished as a musician. While playing his music with a group in Wilmington, he caught the eye of Isabell du Pont. They were married and he joined the du Pont Company as an accountant. They never moved to the Corbett house on a permanent basis but

Last Thursday the official dedication of the newest state facility took place. The Richardson & Robbins building was dedicated for the Department of Natural Resources and Environmental Health. Rotary exchange student addresses Milford Rotary

by Harry G. Farrow, Jr.
 GEYER'S RESTAURANT, MILFORD, DEL - Tom Burnett, an electrical contractor from Mount Vernon, MD (near Salisbury) addressed the Milford Rotary Club on Monday night. He spoke about his role a year ago as a member of a 5 man Rotary Group Exchange program from this area. The team was made up of 2 from Wilmington, 1 from Dover, 1 from Salisbury, and 1 from Princess Anne, MD. It was the Princess Anne Rotary Club which nominated Burnett on July 1, 1981. The team spent 6 weeks in Chile. This program sponsored by Rotary International is one of thousands funded such programs.
 "You will find as you travel abroad that Rotary is the most outstanding of all civic organizations.....worldwide.....outside of the U.S.," said Burnett. The team in visiting Chile fulfilled the aim of this particular program, which was to better understand the custom and practices of another country from an economical, cultural, and governmental level.
 Burnett answered questions from Rotarians about the trip to Chile after he had given a basic introductory address about Chile. Although the economy in Chile is going well "...capitalism doesn't seem to be working there." In 1965 when the present government came to power, which is a dictatorship "...but a controlled dictatorship, they had announced then a 20 year program." This period will be up in 1985, at which time the country "...will have a Bill of Rights and a Constitution...much like ours."
 The biggest example of capitalism is the largest copper mine in the World. "Here 8000 men work at each shift". Burnett also reported that their school system is a good one although there is no political science taught in the schools.
 According also to Burnett, Chile has very little poverty and no unemployment. "Everyone works.....particularly if you want to eat," said Burnett. There is a small number associated with the poverty class. "This is

RICKY SKAGGS
 At the age of 28, Ricky Skaggs is considered one of the biggest stars on Country music's horizon. In 1982 he was named "Male Vocalist Of The Year" and in a list just released by the Academy of Country Music, he was nominated in 4 separate categories for awards to be made on live national television May 9 from California. Those nominations include the prestigious "Entertainer Of The Year" award as well as "Male Vocalist Of The Year", "Single Record Of The Year" and "Album Of The Year". Only the great Willie Nelson ever equalled the number of nominations garnered by the popular Skaggs.
 Skaggs two-show appearance will also feature the beautiful and talented, Charly McClain. While Skaggs is noted for his solid entrenchment in the traditional strains of Country music and Bluegrass, McClain's style has found acceptance from the Contemporary music field as well. With such hits as "Who's Cheatin' Who", "The Very Best Is You", "Men" and "Sleeping With The Radio On", McClain has been able to garner a wide range of fans.

less than four and one half percent," said Burnett. Chile also has a national register where everyone from birth has their information about themselves fed into the computer. "This information is important because it controls what the people can do who they work for and where you can live. This enables them to keep...for instance the poverty class from making a run on the cities...which could make for more poverty. "It works...it really does", concluded Burnett.

When Tom Burnett was nominated, he was nominated among 280 other aspirant prospects from around the Peninsula. from that 280 persons...the list was narrowed to 18 and from that 18 down to five. "We have many interviews by other Rotarians from many areas of the Peninsula. They wanted to know if we could handle sensitive political questions...or other questions in other sensitive areas. My remarks were simply...once the wheel of that airplane

leaves American soil we are well on our way to becoming guests of a foreign nation. We therefore should not do or say things that would tend to embarrass our host or our country...or Rotary. You just don't do that", said Burnett.

Tom Burnett is a graduate of the University of Maryland. He taught in the secondary schools as a vocational teacher prior to being selected by Rotary to make this trip. He is now an electrical engineer in Somerset County where Princess Anne is located.

Tom Burnett was not a member of Rotary when he was selected for this mission. He could not have been according to how the fund is set up and was established. He is now a member of the Princess Anne Rotary Club. Rotary Clubs from around the Peninsula are constantly looking for prime candidates to represent them and the International order. If you know of a worthy candidate, tell a Rotary member in your community. They are willing to community service.

Students attend Folk Music assembly

On Tuesday, April 19th, students in grades 2 - 6 attended a Folk Music Assembly, provided by our PTA. This was a one man show, with entertainment provided by Popejoy. He played

different types of string instruments such as the banjo, fiddle, harp and he also talked to children about the history, sounds and names of each instrument.

What it was like to be a ball at the Olympics of the Mind

by Timmy Shih, grade four

Once a couple of people made me a ball, by crumbling up some newspaper and taped it into a ball, which made me. They put me in some blue stuff. It made me hard. They painted me black for this thing called Olympics of the Mind.

One day people were talking about Olympics of the Mind. So the next day I got loaded on to a truck and I found myself in a theater, on stage. After that, some

music started and then I was in a cannon! Then this thing came and hit me in the butt, and I was flying through the air. I hit a cardboard dragon and got a big bruise on my head. "Ouch, that hurt". They put me and my sisters in a pail and put me in a very, very noisy room after I got ten bruises. I was pretty scared. What else would happen? I got back to the place where I was made but I had bandages all over me...

STAMPS NOW!

The wonderful world of postage stamps has a fascinating history.

THEN: The first postage stamp and hobbyist appeared in 1840. On May 6th the United Kingdom and Ireland issued the world's first postage stamps, "Penny Black" and the "Two Penny Blue," depicting the young Queen Victoria.

NOW: Today there are well over 350,000 different stamp issues in Scott's world stamp catalogs. Aside from expediting our mail, collecting postage stamps is the world's most fascinating hobby. Want to know more about stamp collecting? Send \$1.25 and receive a stamp starter kit from the American Stamp Dealers' Association, Five Dakota Drive, Lake Success, NY 11042.

Learning Center children visit the beach house in Lewes

The East Learning Center classes of Mrs. Judy Paul and Collette Moder visited the Beach House in Lewes, Delaware. The Beach House presents an environmental education program for special education children. During the day the children saw large aquariums of fishes and other sea life. They

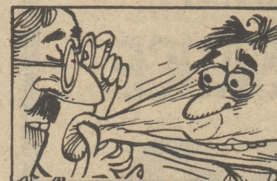

took an outdoor trip and participated in a scavenger hunt. As a follow-up in Mrs. Paul's class the children

are identifying their shell collections and presenting their displays to the classes. Mr. Clem O'Toole served as a parent chaperone on the trip.

East Elementary Principal attends National Convention

Richard Seyler, Principal of the Lake Forest East Elementary School and President-Elect of the Delaware Elementary Principals' Association recently attended the National Elementary Principals' Convention in St. Louis, Missouri. The theme of the convention was "Technology: Gateway to Learning" and featured such major speakers as Secretary of Education Terrel Bell, former

Congresswoman Shirley Chisholm, Dr. Jonas Salk and Dr. James Tunney, educator and NFL official. The convention also included a special previe of Disney Production's new Epcot Center and many seminars, workshops and interaction labs. Mr. Seyler also had the opportunity to visit the famous Gateway Arch, the historic riverfront area and the Clydesdales at Anheuser-Busch Museum.

Senior Center by Dorothy Graham

Smile! Before I forget it! We have been having such gorgeous flowers in the Center, brought in by Mrs. Kathryn Masten, Gladys Hill, Nellie Tyler and Irene Legates. Beauties, every one! Something else that was brought in real cute was a bag of potatoes. Honestly, they looked so real, one person said she didn't want any old cold potatoes. They were made of silk or nylon stockings etc. Ruth Bradley brought this in. They were really, real looking!

Reverend Beyer of Trinity and Prospect Church was leader of Bible Study Monday morning. Virginia Smith was at the piano. Sylvia, Cecil Meredith, Frances Wright, Clara Judy, Ethel Holden, Tony Perrone, John McCreedy, Thelma Legates, Catherine Stevens, Mary Sapp, Lillie McBride, M. Nachod, Florence Minter, Jo Burke, Etzel McCreedy, Irene Larrimore, Mamie Adams, Florence Fortney, Roxanne and Marian Brown, Gladys Hill, Elwood Morris and Louis Gerardi took part in the devotional hour. Reverend Beyer gave an opening and closing prayer. Several favorite hymns were sung and the subject for study was Acts, Chapter 5, verse 29 thru 42. Reverend Beyer gave a bit of advice, "We should get back to the old fashion way of doing things."

Sylvia called the Jolly Timers together Tuesday morning. Present also were Cecil Meredith, Mildred Vincent, Louis Gerardi, Tony Perrone, Marion, Roxanne Brown, Virginia Smith, "Andy" Anderson, Bertha Dean, Ella Golt, John McCreedy, Jo Burke, Elwood Morris, Mamie Adams, Gladys Hill and Elma Thorpe. The kitchen band is remarkable, so interesting! Come in and enjoy it with us!

Senior Sounds make a grand entrance wherever they go. They specialize in hymns and good they are, too. Singing beautifully was Frances Wright, Mary Sapp, Catherine Donovan, Cecil

Meredith, Louis Gerardi, Andy Anderson, Thelma Legates, Clara West, Florence Minter, Anna Mae Short, Jo Burke, Elwood Morris, Mamie Adams, Gladys Hill, Lillian Pearson, Roxanne and Marion Brown, Virginia Smith was at the piano and Sylvia Meredith directed. If you want to treat yourself, come in on Wed. morning.

Wednesday was card day for me at Kathryn Smith's. It was fun, fun. We played 6 tables. Dessert, um-um-um good. Apricot special, luscious and delightfully finished off on top with fancy ridges. Hot coffee, crackers and candy. Scores - well, Mary E. Nelson was high!!! She had some good partners, right!!! Love ya!

Clint called - local shopping and the bus was soon filled. Pool, crafts, ceramics. Along with Nell Bausell's Humanities Program, Bowling and Bingo all play an important part in Harrington Senior Center. Join in the fun. There is lots of reading, TV, friendship and tasty meals also at the Center. Meals courtesy of Manna and Modern Maturity Center, Dover.

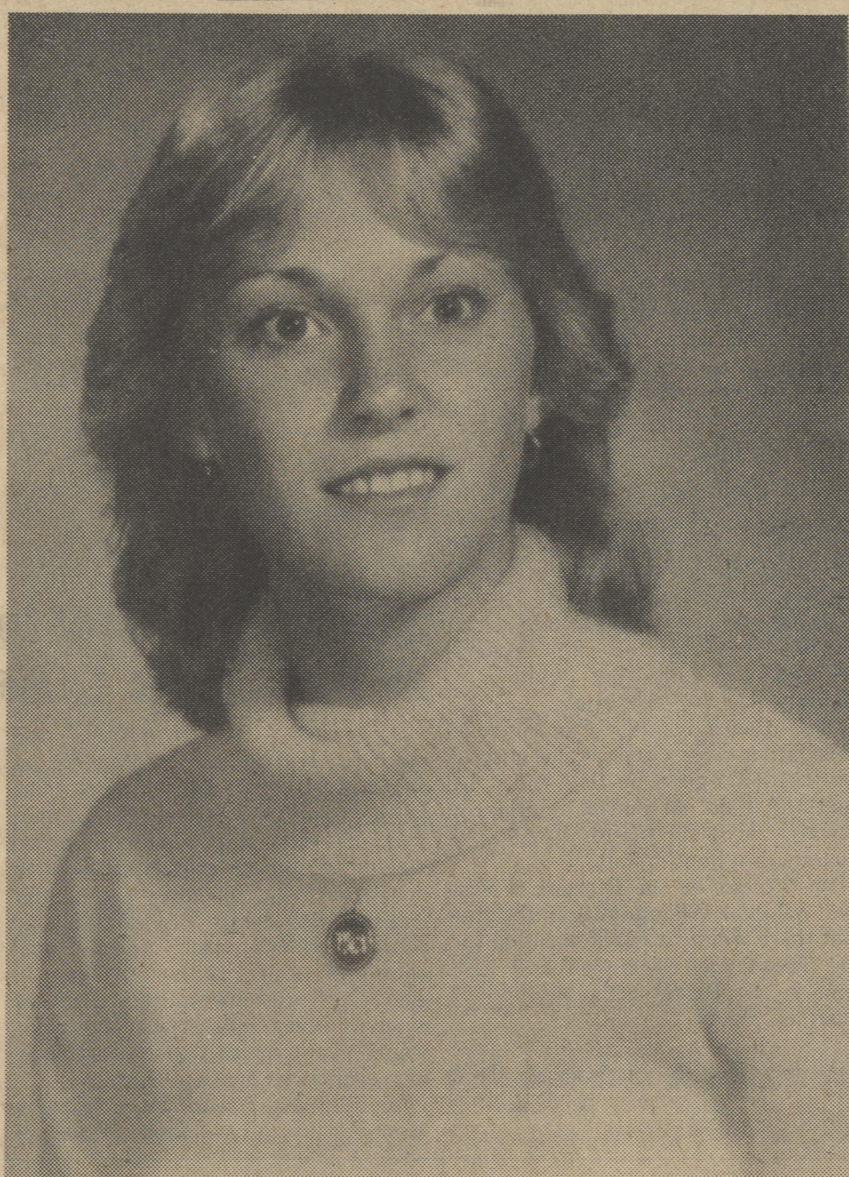

Spanish Class each Monday with Elsie Vineyard. She is a kind, gentle teacher. She makes it interesting!

R.S.V.P. Awards to members for Volunteer Hours. We do thank every volunteer so very, very much for their cooperation. Without them, well, it would be much harder to run.

Thank you Volunteers, so much!! Have you checked trips? Best wishes to all homebouds and those ill either in hospital or home or in sorrow.

Life is like a game of cars - when you are in love, it's hearts, when you are engaged, it's diamonds, when you are married, it's clubs, when you are dead, it's spades.

Special Hello to All out of town readers, love you!! Faith.

Happy Birthday wishes go out to Mrs. Melody Schaffner!

On Saturday, April 23, Harrington took part in a bikeathon for St. Jude's Children's Hospital. Although the turnout was small, the pledges were great. All who rode and sponsored deserve three cheers. There were fifteen riders including Mrs. Donna Calhoun, Kelly Calhoun, Sonya and Kim Wessels, John McCartney, Dickie Lander, Craig McClaine, Mike Lamphier, Bill Bader, Earl Custer, Kelly Barter, Brenda Bartsch, Genia Rash and Freddie and Shauna Wyatt. Mike Lamphier rode fifty miles total, Mrs. Donna Calhoun rode thirty miles, Kelly Calhoun rode twenty two miles, Bill Bader rode twenty six miles, Dickie Lander, Craig McClaine and John McCartney and Kelly Barter all rode fifteen miles. All the others rode ten miles. A job well done. A big thank you goes out to Mrs. Barbara Brown, Mr. and Mrs. Vincent Lamphier, Donald Lee Porter, Jr. Troy Dennis, Mr. Terry Helsel, Lori Ann Wyatt, Mrs. Marion Liska, Mrs. Jean Wessells and my hubby Fred Wyatt. Love ya all.

Can't say how proud I am to know such fine people. You're great! Also a big thanks to Mr. Bobby Taylor who arranged for Fire Police. Thanks to Mr. Nelson Reed, Mr. Frank Spence and the Fire Police did a fine job. Mrs. Louise Aptt who filled out sponsor forms deserves a big thanks, too! Harrington Police Chief Carl McIlroy and Officer Ron Fortin worked out the route and were a great help. The pledges amounted to \$771.80. A job well done by all involved. Thank you sponsors!

Several local businesses donated prizes, food and drink. They were Kirby and Holloway, Richard Ratledge and Sunbeam, Hi Grade Dairy,

Quillen's Market, Food Rite, Banks Market, the Harrington Pharmacy, Taylor's Hardware, the National 5 & 10, Taylor and Messick, the Loft, Peoples Bank and First National Bank. Thank you all for everything!

I hope I didn't forget anybody, if I did please forgive me, it wasn't intentional. Again thanks for everything, you're great, I love ya all!

Happy Birthday wishes go out to Mr. Archie Moore!

Mr. Leroy Wyatt is a patient in the Salisbury Peninsular Hospital. We wish him a speedy recovery!

OF THE WEEK

BREAST FEEDING

"Babies breast-fed during the first 6 months of life may enjoy fewer visits to the doctor for illness than do babies bottle-fed from birth," says Dr. R. Paine of U. of Iowa. He lists these advantages:

1. Human milk has high levels of fatty acids, important in baby's brain development.
2. Human milk contains immune substances that protect baby against certain bacteria and viruses.
3. Breast-fed babies may have fewer allergy problems. Dr. Paine urges that nursing mothers follow a naturally wholesome diet.

 The Ducks Unlimited Weakfish Tournament will be held on June 4. The entry fee is \$100. There will be a maximum of six people per boat allowed. Cash prizes will be awarded for largest weakfish, second largest weakfish, largest bluefish and largest flounder. For more information contact Dick Keck, Lewes, Delaware. Phone 302-645-6506.
HATCHERY CLOSING: Delaware's Congressman, Tom Carper, has announced his opposition to Reagan Administration plans to shut down a Richmond, Virginia National Fish Hatchery. Closing the hatchery will severely disrupt Delaware's freshwater sports fishing industry, Carper said in a letter to Congressman Sidney Yates, Chairman at the subcommittee charged with examining the Reagan proposal.
 According to Carper without the national hatcheries, Delaware will

have to reduce its trout-stocking program by one-half to two-thirds.
DSSA: The Delaware Saltwater Sportsfish Association is supporting compromise legislation prepared by Norman Wilder in an effort to resolve the conflict between its organization and the Delaware Waterman's Association (DWA). Wilder was Director of the Delaware Game and Fish Commission from 1948 through 1971. Under the "Wilder Proposal", the state would designate recreational finfish. Commercial fisherman would be allocated 20% of the harvest of any fish so designated. 80% of the harvest would be reserved for recreational fishing.
1983-1984 HUNTING SEASON: The Department of Fish and Wildlife held a public meeting at The Grange in Dover this past Saturday. The meeting was a public discussion on the forthcoming hunting season. More than 70 hunters from throughout the state attended. Most of the hunters were there to discuss the duck season.
 The consensus of opinion was, that in order to preserve the black duck, there must be restrictions placed on hunting it. Most hunters want the duck season divided into two parts with the Thanksgiving and Christmas Holidays incorporated into it. Approximately a dozen hunters made proposals for

dates for the 83-84 season.
 In excess of three-quarters of those attending the meeting walked out after the discussion had finished on the coming duck season. This was to prove foolish on their part as the next item on the agenda up for discussion was the coming goose season. The duck and goose season have traditionally opened on the same date. There is far more revenue generated from goose than duck hunting.

It was proposed, without opposition, that goose season be opened on October 31. The season would run for 90 days. Federal restrictions allow a 50 day duck season. Many states, Delaware among them, do not permit hunting on Sunday but Federal regulations require that Sundays be counted as a day of hunting.
 The Pennsylvania Congressional Delegation (Tom Carper take note) is working on legislation that will allow states that do not permit hunting on Sundays to exclude the counting of Sunday as a hunting day.
 The Director of the Division of Fish and Wildlife, William Wagner, stated that there will be a public meeting the last Tuesday of each month at 7:30 p.m. in the Richardson and Robbins Building, Dover.

5-0 Trackmen beat Indians, Bulldogs

by Keith S. Burgess
 At the halfway mark of the season, Jim Blades' Lake Forest High boys' track team is unbeaten, in dual meet competition, with a 5-0 record. Indian River (117-24) and Laurel (115-27) were the latest opponents. Each foe could only win two of seventeen events, against the well-balanced Spartans.
 Danny Donovan set a school record in the 3200 meters (10:43.2) and also took the 1600. Mike Melvin was second each time, with Bob Smith and Chris Caskey recording thirds.
 Rob Prutzman again tallied the weight double, with wins in the shot (47.6) and the discus (146-1) Young backups, sophomore Kermit Moseley and freshman Barry Chaffinch, both are improving and tabbed thirds, in the shot and discus respectively.
 Versatile Tony Scott doubled by taking the 300 hurdles (42.4) and the triple jump (44.7). Mike Briggs was runner-up, in the triple jump. Jerome Harris took second, in the 30 hurdles and won the 110 meter high hurdles with Scott in second. Diminutive Micah Parker was third in each time-topping event.
 Nelson "The Boss" Moseley clocked a very good 51.9 in the 400 meters, nosing out Indian River's talented Handy brothers. Nelson later joined Jerry Moseley, Marvin Parker and Jerome Harris for an easy win in the 1600 relay.
 Ralph Taylor unleashed a superlative effort in the long jump, 21 feet 1 inch, with Daryl Benson close behind (20-9) Taylor, Ray DeShields, Ralph Young and Jay Harmon annexed the 400 relay. Benson, Herman, Young and Marvin Parker did the same in the 800 relay. DeShields and Young were 1-2, in the 200 meters.
 Harmon, Mark Goodman and Paul

Meding swept the high jump. Ken Hutchins and Doug Hufstutler were first and second, in the pole vault.
 At Laurel, Rob Prutzman's usual weight double consisted of 49 feet, 10 1/4 inches, in the 12-lb. shot and 141 ft. 6 inches, in the discus. Keith Church was second, in the shot. Barry Chaffinch (110 feet) and Kermit Moseley (109-6) recorded new personal marks, spinning the platter.
 Jerome Harris annexed the hurdle events, taking the 110 highs, in 15.2 and the 300 intermediates, in 41.6.
 Tony Scott was second and third in the hurdles and keyed a sweep, in the triple jump with Mike Briggs and Daryl Benson.
 Nelson Mosley and Marvin Parker went 1-2 in the 400 meters then joined Daryl Tolson and Jerome Harris to capture the mile relay.
 Rolson and Jerry Moseley occupied the first two places, in the 800 meter run. Tolson's 2:05.5 is a fine effort, for this talented first-year trackman. Ray DeShields won the 100 meters, while Ralph Young and newcomer Frank Coverdale were first and second at 200 meters.
 DeShields, Young, Ralph Taylor and Jay Harmon annexed the 400 relay, while Harmon, Young, Daryl Benson and Marvin Parker did the same in the 800 relay.
 Ralph Taylor, Maurice Parker, Stanton Spencer were 1-2-3, in the long jump, as were James Browne (6 ft) Jay Harmon and Mark Goodman, in the high jump. Browne regularly jumps several inches higher than his head.
 Dan Donovan and Mike Melvin were first and second, at 3200 meters, with Donovan getting second at 1600 meters.
 Donovan was "Trackman of the Week" last week. Tony Scott was named for this week.

Spartans shine in Delmarva relays

by Keith S. Burgess
 Jim Blades' Spartan boys' and girls' track team each finished third, in Saturday's Delmarva Relays, in Salisbury, Md.
 The boys were missing at least four key performers, but managed to win three events and set new relay marks in two of the three.
 Tony Scott, Mike Briggs and Daryl Benson combined for 128 feet, 3/4 inch, to set a new mark, then Scott cleared 6 feet, 2 inches and James Browne and Jay Harmon made 6 feet, for a new mark of 18 feet, 2 inches, in the high jump. The versatile Scott had not high jumped for two years and competed only briefly, in that event, in 1980-81.
 Lake Forest's other victory came as Rob Prutzman, Keith Church and Kermit Moseley, united for 119 feet, 6 inches, in the shot put.
 Ralph Taylor, Daryl Benson and Jerome Harris were third, in the long jump. The sprint medley unit of Jerome Harris, Ralph Young, Tony Scott and Jerry Moseley were sixth. Josh Howerin cleared 11 feet for the first time, as he and Doug Hufstutler combined for 20 feet 6 inches in the pole vault.
 With a couple of people missing, the Spartan sprinters surprised by running their best times of the year, in both the 400 and 800 relays. The 800 unit of Jay Harmon, Ralph Young, Ralph Taylor and Daryl Benson won the heat in 1:33.7. James Browne

replaced Benson for the 400 meter relay. The Spartans were second in their heat and fifth overall, in 44.7 only 4/100 of a second away from the Lake Forest record.
 The Spartans tied for thirds place in the 15-school meet, with 43 points. Archbishop Curley of Baltimore scored only 17 points, as one of the many schools that ate the Spartans dust.
 Lake Forest's girls were third, but were only five points out of first. The Spartans won the distance medley with freshman Denise Donato running the opening 800 meters leg. Donna Pardee, the 400 meters, Pam Pierce, the 1200 meters and freshman Kelli Pelton, the 1600 meters. All four of these girls showed great courage in the come-from-behind victory.
 Earlier the locals used the same athletes to get 4th in the 3200 relay, in 10:39, only 3+ seconds away from the school record. Pam Pierce outran two of Delaware's best distance runners of the last two or three years, in these two races.
 Pierce, Pardee, Debbie Jester and Carolyn Winder ran 4:22 for third, in the 1600 relay. Joann Smith, Anita Sherwood, Patti Drew, and Carolyn Browne ran 1983's fastest Spartan efforts, in both the 400 and 800 relays. In the 400, their 51.5 missed a school record by three-tenths and got them a fourth place. In the 800, the quartet 1:48.9, also nearly a new school record.

Sports Laffs

by William T. Ficks
 Kute Rockne, famed football coach, was of Norwegian ancestry but was known as "The Swede" at Notre Dame. Jim Crowley, one of the celebrated Four Horsemen, was having difficulty in learning a new play.
 Growing impatient, Rockne roared,

"Crowley, can you name anyone dumber than a dumb Irishman?"
 "Yes."
 Dick Hanley, while head coach of Northwestern, watched in dismay as his team played Minnesota. There had been an incredible 35 fumbles. Hanley told a substitute back to warm up.

Sports Quiz

Swimming pool operation workshop to be held at Lake Forest

A workshop in swimming pool operation will be held on May 7th, at the Lake Forest High School. The program will be held from 9 a.m. until 4:30 p.m. and will provide information in how to operate swimming pools in backyards and in large community settings. Workshop Director, Dennis Berry, stated that "many pool operators desire further training in operating procedures, the costs of running a pool have grown to a point where every dollar that is wasted on improper water balance hurts."
 The day-long workshop features speakers from the State Board of

Health, The Red Cross and University of Delaware. Roger Baumgardner, who is an environmental engineer for the State Division of Environmental Health, will be discussing pool chemistry, water balance and state regulations as they relate to pools. Edgar Johnson, Aquatic Director at the University of Delaware, will discuss programming facilities for cost recovery. Shawn Stevens from the American Red Cross in Wilmington and Dale Rothenberger from Kane High School in Pennsylvania will discuss lifeguarding procedures, techniques, and preview the new Red Cross

lifeguard training program, which will be in effect next year.
 This program is offered in conjunction with both the State and National Aquatic Councils and offers and teaches in-service from the Department of Public Instruction. It will be held at the Natorium Complex at Lake Forest High School, which was selected this past summer as a Facility of Merit for its programming and facility operation.
 People interested in this workshop should call Dennis Berry at 284-9816 for registration information.

Spartans are 5-0, in girls track

by Keith S. Burgess

Two more easy victories for Jim Blades' Lake Forest girls' track team, were recorded at the expense of Indian River, 103-29 and Laurel 89-43. At this writing, the Spartans are 5-0 with only one serious contender, Seaford, left on the slate.
 We've been predicting that ninth-grader Kelli Pelton would set new Spartan marks, at 1600 and 3200 meters, if and when good weather and good competition were at hand.
 Kelli couldn't wait for either eventuality and on a cold day, ran virtually unopposed to a new, Spartan standard, at 1600 meters (5:49.34) then shattered the 3200 meter mark by 20 seconds clocking 12:30.7. It might be interesting to prognosticate what her marks will be after May 28th.
 Tara Gladden was second at 1600 meters, while improving Denise Cain, chopped 13 full seconds off her personal best to narrowly miss completing a sweep.
 Tainted Spartans Caritha Clarke and Carolyn Browne, doubled in the romp.
 Clarke was first in the 100 hurdles, triple jump and added a third, behind Spartan Joann Smith's winning effort, in the long jump. Debbie Jester and Lynn Mills completed the 100 hurdles sweep, did Pam Smith and Christine Nichols in the triple jump.
 Carolyn Browne dashed 100 meters, in 12.5 and 200 meters, in 26.8 then joined JoAnn Smith, Patti Drew and Sheri Durant, to win the 400 meter relay. Drew, Durant, Carola Davis and Candi Short relayed to victory, at 800 meters.
 Pam Pierce was a triple winner. Pam cleared 4-8 in the high jump, ran 400 meters in 1:03.45, then 800 meters in 2:39.06. Carolyn Winder was second, in the 400, with Shirilaine Goodman third in the 800.

Angie Akins, (34-1 1/2) Severa Harris and Sharon Burton swept the shot, while Burton (93-4) Akins and Caroleatha Smith did the same in the discus. Debbie Jester took the 300 hurdles at Laurel, the opposition was stronger but the issue was never in doubt.
 Two school marks were set, in the weight events. In each case, the efforts were the best in Delaware this spring. And in each case the performances were bettered, by inches in New Castle County, two days later.
 Sharon Burton threw the discus, 113 feet, 11 inches, while Angie Akins hurled the shot 37-1 to establish the new standards. Burton and Severa Harris garnered the remaining shot points, while Caroleatha Smith was second in the discus.
 Kelli Pelton, Carolyn Browne and Pam Pierce were double winners. Pelton just missed her newly established school marks in the 1600 and 3200 meter runs. Browne took both short sprints. Pam Pierce captured the middle distances, 400 and 800 meters, clocking 2:32.9, in the latter, for one of her best efforts ever. Pam also finished second to Patti Drew in the high jump.
 Caritha Clarke was first, in the triple jump, with Pam Smith third. Clarke was second to Ann Irby, in the 100

Milford to hold Flounder Tournament

by David F. Coady
MILFORD - The Greater Milford Chamber of Commerce has announced that it will host the First Annual World Championship Flounder/Fluke Tournament to be held on September 17, 1983. A maximum of 200 boats will be allowed to enter the tournament. Over \$12,000 in cash and merchandise will be awarded to the top 200 place winners. In addition \$25,000 in cash and \$25,000 in merchandise will be awarded to the angler catching a new all-tackle world record summer flounder/fluke. As the September 17

date is after Labor Day, it is hoped that the tournament will extend the tourist season on Delaware coast.
 The flounder/fluke tournament follows the success of the Chamber's annual \$100,000 World Championship Weakfish/Sea Trout Tournament. The weakfish/sea trout tournament, to be held May 17, 19 and 21, is now in its fifth year. Anyone wishing more information on either tournament may phone the Greater Milford Chamber of Commerce. In Delaware phone (302) 422-3302 and out-of-state phone toll free 1-800-345-4444.

Caesar Rodney 7, Lake Forest 6

by William T. Ficks
 A Camden-Wyoming -- a double play with the bases loaded snuffed out a sixth inning Spartan rally as Lake Forest lost to Caesar Rodney 7-6 last Thursday.
 The win leaves CR at 3-0 in conference play and 6-1 overall.
 The loss drops the Spartans to 2-1 in conference and 2-2 overall.
 Scott Kenney and John Haney contributed two hits and two RBI to the Rider victory.
 Tom Walsh relieved starter Steve Lord in the sixth inning with one out and the bases loaded.
 Ernie Elzey knocked in a run with an infield single, bringing the Spartans within one run of CR.
 With the score 7-6, Walsh ended the rally when pinchhitter Mike Dill

banged into a double play.
 Lee Collins, who took the loss, went the distance for Lake Forest.
 Richie Sapp and Rodney Abrams launched home runs in the Spartan's losing effort. Lake Forest had a double and two singles from Jeff Thompson.

Public Library- Harrington's poor cousin

by David F. Coady

It appears that Harrington's Public Library is on the bottom of the list of priorities being considered by the City Fathers. The number one priority is a new City Hall. That the city needs a new city hall cannot be argued, but at what price. The City Council is considering purchasing a building on Center Street for the new City Hall. The council believes that the price, \$80,000, is reasonable. The building is large enough to house the City Hall, Police Station, Alderman's Court, Public Library and still have room left over.

When it was pointed out that there may be "Federal strings" attached if the public library were to be included in the plans, the council, with only one dissenting voice, dropped the library from any plans. The City Fathers want the new Hall to be the cultural Center of Harrington. Would citizens who are reluctantly going to the new complex to pay taxes, license fees, fines or other such charges really appreciate it. If the library is not included, is the proposed building not too large for what will be housed in it.

With the library included in the building, artwork by local citizens could be displayed. The City Hall could become a cultural center. Those who would visit a library are in a different frame of mind than those paying bills. As Councilman Gagne pointed out, forget about Center Street if the library is not included. The City Fathers have already pointed out that the building would be too large. A smaller, less expensive location should be considered.

If the library is included, then Center Street should be considered. There would be long term savings to the taxpayer. With only one building, heating and air conditioning charges would be lower. Only one electrical bill to pay and the library could have a telephone extension off the City Hall line. Do not make hasty decisions; check out the so-called Federal strings first. Consult more with the voters or you may lose everything.

Roth wants tougher Child Pornography Laws

WASHINGTON - Calling child pornography "the most depraved crime that occurs in our society today," Senator William V. Roth, Jr., R-Del., has co-sponsored a bill that would stiffen federal laws and penalties against anyone who distributes child pornography.

The legislation, the Sexual Exploitation of Children Act of 1983, would make any interstate distribution or distribution by mail of child pornography a federal crime. Current law does not treat child pornography as a federal offense unless it is done for

commercial or money-making purposes.

The bill would also increase the fines for those persons who engage in the commercial sale of the material from \$10,000 to \$75,000 for the first offense and from \$15,000 to \$150,000 for a second offense.

"Child pornography is perhaps the most depraved crime that occurs in our society today," Roth said.

The Sexual Exploitation of Children Act of 1983 is currently awaiting consideration by the Senate Judiciary subcommittee on Juvenile justice.

Letters to the Editor

Dear Editor:

I read Mr. David F. Coady's article concerning a new state holiday.

Tell Mr. Coady I know the answer to his question asking for the name of the first American head of state.

George Washington was not the first head of state. Maryland signed the Articles of Confederation in 1781. John Hanson, who signed for Maryland, was elected president of the Assembly.

His formal title was "President of the United States in Congress Assembled."

Even George Washington himself addressed Hanson as "President of the United States."

Sincerely,
Victoria Ficka

Delaware Crime Stoppers offers cash for tips

Delaware Crime Stoppers will soon be familiar to Delawareans. Modeled after successful efforts throughout the country, Crime Stoppers pays up to \$1,000 cash for information that leads to the arrest and indictment of serious criminals. Since callers need not use their name, there is no chance of retaliation.

To work, Crime Stoppers needs support from police, media, businesses and community. It is a non-profit corporation that publicizes a Crime of the Week, usually a serious felony. Callers providing anonymous tips on that crime, or any other felony, are given a code number. If the information proves valuable, the Board of Directors of the corporation pays up to \$1,000 cash.

The first Crime of the Week began April 4. Each Monday, a new crime will be publicized throughout Delaware. Former Governor Elbert N. Carvel and former Senator J. Caleb Boggs,

are honorary co-chairmen for Crime Stoppers. Mr. Norman Powell was recently appointed Board Chairman. Board members represent the media, businesses, and private citizens throughout Delaware.

Information on the following crime of the week will pay up to \$1,000 cash for information leading to an arrest and indictment:

CRIME - ARMED ROBBERY

The Super Soda Center on State Street in Dover was recently robbed. The armed robber entered the store about 10:00 p.m. on Saturday, February 5, 1983. The suspect waved the weapon, then struggled with the clerk. He then fled with cash in a dark green or black oldsmobile. The car had four doors, bearing Delaware tags. The robber is a black male, 20 to 25 years old, about 5'10", wearing a mask and green fatigues. He had a short, afro haircut.

Host families sought for AISE

Host families are being sought for twenty five high school students from Sweden, Norway, Denmark, Finland, Germany, Spain, France, Italy, Columbia, Brazil, Canada and Japan for the school year 1983-84, in a program sponsored by the American Intercultural Student Exchange.

The students, age 15 through 17 arrive in the United States in August 1983, attend the local high school, and return to their home country in late June 1984. The students, all fluent in English, have been screened by their school representatives in their home countries and have spending money and medical insurance.

AISE is also seeking American High School Students age 16 through 17, who would like to spend a high school year in Sweden, Norway, Finland, Germany, Spain, or France, or participate in a five week Host Family stay in Sweden, Norway, Finland, Spain or Columbia.

Host families with small children are welcome to participate in this program. Host families may deduct \$50 per month for Income Tax purposes.

Families interested in this program should contact the person named above immediately. Letters should contain the prospective Host Family's telephone number.

Zeitler returns from National 4-H conference

Kim Zeitler

Kim Zeitler of Harrington returned home last week from Washington, D.C., where she was a delegate to the 53rd National 4-H Conference, April 9-15. Held at the National 4-H Center, the conference provided a forum for more than 300 4-H members, volunteer leaders and extension staff from 46 states, the District of Columbia, Puerto Rico, the Virgin Islands and Canada to chart future directions for the nationwide 4-H youth program of the cooperative Extension Service.

Dr. Allen Schmieder, director, National Teachers Center Programs, U.S. Department of Education, was the keynote at the opening session. He spoke on the National 4-H theme, "Pathways to the Future."

During much of the week, the young people and adults worked together in consulting groups to address specific 4-H program areas and concerns. Kim participated in the Leadership/Teaching Roles in 4-H consulting group. Recommendations made in this area included the idea of Middle Management, more Key-Leaders, and more responsibilities for the Teen 4-H'ers.

Thursday was one of the most exciting days for the 4-H'ers, starting at the Department of Agriculture where they were greeted by Secretary of Agriculture, John Block. Ray Lett, his executive assistant, discussed current agricultural issues with them. Both are former 4-H'ers. Later on Capitol Hill, Kim dined in the House of Representatives Restaurant with Congressman Tom Carper and his wife, Dianne. She is a former Sussex County 4-H'er. Following lunch, Kim met with Senators Biden and Roth. Agricultural issues were discussed at each of these meetings.

Other activities during the week included theatre and dance performances and a "night view" tour of our nation's capital. Oklahoma Congressman Mike Synar, a 4-H alumnus, was the guest speaker at the Thursday night banquet. Following the banquet, the Clover Ball was staged at the New Zealand Embassy. "It was the most exciting week of my life," says Kim.

The conference closed Friday morning with an audio-visual presentation of the "Conference in Review," directed by Mark Dearmon, North Carolina State University Cooperative Extension Service.

Kim plans to share her experiences at the conference with other 4-H members and leaders. She plans to start a state 4-H Jr. Leaders Program, and add new ideas to the County 4-H system.

The annual conference is conducted by the Extension Service, USDA, the Cooperative Extension Service of the state land-grant universities and National 4-H Council. You can obtain more information about 4-H by calling Marion MacDonald at 736-1448.

Kim is a Junior at Lake Forest High School. She is a member of the National Honor Society, the Secretary of the Student Government Association, a member of the Yearbook Club, and the Math League. She is the president of the Harrington Sunshine 4-H Club, and Vice President of Kent County 4-H Jr. Leaders. Upon graduation she plans to attend the University of Delaware to major in Chemical Engineering. Kim is the daughter of Herman and Mary Jane Zeitler.

Little League Love Affair

by William T. Ficka

When you support the Harrington Little League you do more than just buy a few bats and balls. You support a tradition, a love affair, a way of life that bridges the generations. When the Little Leaguers hear the cry "Play Ball" the thoughts of many fathers float back in time to the days of their youth. Boyhood dreams vanish. Illusions become tarnished. Reputations are sullied. But one thing remains intact — the heroes of our youth. Nothing can darken the shining glory that surrounds our boyhood idols. No scandal, no carping critic, no overpaid present day superstar, not even death itself, can erase the golden moments they gave us. As he watches the Little Leaguers take the field, the father sees specters of bygone baseball exploits flash across his mind's eye.

Commentary

He sees Ted Williams refusing to protect his .400 batting average by sitting out a doubleheader on the last day of the season. Williams plays both games, goes 6 for 8 and finishes the season with .406. He watches Joe DiMaggio hit in 56 consecutive games. After going hitless in the fifty-seventh game, he immediately starts another streak, hitting safely in the next 17 games. He sees Mel Ott lift his right foot before blasting the ball into the right field stands. He looks at Bob Feller pitch a no-hitter on opening day. To his three no-hitters, Feller adds 12 one-hitters. He sees Johnny Vander Meer pitch two consecutive no-hitters. He watches Willie Mays make an incredible catch to rob Vic Wertz of an inside-the-park homer in the first game of the 1954 World Series. The catch saves the game and the Giants go on to take Cleveland in four straight. He sees Ted Williams, 19 years and two wars after hitting .406, hammer a towering homer in his last official major league at bat. The father's reverie is interrupted when he sees his son come to bat. Twenty years from now, the father muses, his son will have a son of his own. And his son will tell the boy about his own heroes. He'll tell him about Reggie Jackson and Pete Rose, about Steve Carlton, Nolan Ryan, The father will see the same specters from the past next year and every All of which makes baseball more than just a sport or a mere game. Like the tales of Scheherazade, the story of baseball goes on forever. From father to son to grandson baseball lore is handed like a valuable family heirloom. And this is why the Little League is so important. Baseball gives the boy an opportunity to concoct dreams, the father a chance to relive memorable moments, and the entire family an occasion to build a storehouse of memories that will last a lifetime. A boy in a baseball uniform can do more to unite a family than a dozen counselors. The father will see the same specters from the past next year and every year thereafter. But there will be a new hero added to his private Valhalla. The new phantom player from yesteryear performing impossible baseball feats will be — his son.

of Wilmington, Del. Drawing of prizes for the ladies was pleasurable and Grace Havelow was a lucky winner. Cub Scout Master, Ron Stumpf of Pack 141, Felton, and John Hinspeter, Scout Master of Boy Scout Troop 113, Felton, camped at the Petersburg C & R Center, Wild Life Area, 22, 23, 24th of April, 1983. They participated in the planting of trees, first aide and exercises, what a super fun for the group of 25 scouts present. Rev. Cathell, Church of God arrived for the morning service for the scouts, parents and Scout Masters.

Mrs. Naomi Minner of Wilmington, Del. and Lola O'Day of Felton, have arrived home from their trip to Darien, Georgia, visiting Mr. and Mrs. Marshall Ellingsworth, formerly of Felton. We had a lay over of 5 hours in Savannah, Ga., we took the bus tour of Historic Savannah, Ga., a city of charm and history. Squares, landscaped parks, and beautiful churches. Enjoying the beauty of azaleas and dogwood in bloom. The Historic Waterfront now restored, there you see 55 shops and restaurants. We toured the birthplace and home of Juliette Gordon, founder of the Girl Scouts of America.

chatting with us as we finished our evening meal about five p.m. and suddenly Ted called, "Come see the bunnies!" We crowded around the back door to watch. Four little brown cottontails were romping and scampering like kittens. They leaped up into the air, played leapfrog, and chased each other across the meadow and the plowed ground at top speed. Suddenly Ted spied another coming up over the ditch bank, so we had six. Truly they personified the joy of living. I have just prepared umpteen cups of fruit jello and some butterscotch puddings and stored them in the "fridge". This will maintain my image with the grandchildren if they happen to come in. Whenever they appear they

Continuing our trip to Dorien for the Shrimpers in the Blessing of the Fleet. The events started on Wednesday, April 13th with the Community Prayer Service, 14th, Fisherman's Supper, 15th, Fair of Arts & Crafts, 16th the mile long parade, fire trucks, floats, bands, clowns, Hobo train, Red Fez Shrine Club, Antique cars, Congressman Lindsay Thomas and Darien's Mayor Jimmie George and many, many more sights. April 17th, Blessing of the Fleet, Darien River Bridge, 18 shrimp boats. Stan Cottrell was guest speaker for Sunday worship and Father Joseph Costello offered blessings for shrimp boats. It is estimated 30,000 people attended the festivities over the weekend. The hospitality of Polly and Marshall's neighbors Bob and Rose Cowart, took us on a tour of Darien and the old cemetery in the Civil War days very neatly kept with azaleas and dogwood all through. The cemetery in full bloom. The Cowarts also gave us a welcome by inviting us all over to their home for a good old fashioned southern cooked dinner prepared by Rose.

first look into the refrigerator. If no puddings or something like does not seem to be there they cast around the kitchen to see if they can locate a pan of gingerbread or Brownies, or cookies. If there is nothing anywhere they are shocked. They feel that Grandma must be at Death's door, because "There is nothing to eat." How about our April snow? The weather continues to frustrate and astonish us. Usually, I go along with the philosophy of Riley, the Hoosier poet, who wrote: "It ain't no use to grumble and complain, It's just as cheap and easy to rejoice; When God sorts out the weather and sends rain-Why, rain's my choice!"

Remember when The Harrington Railroad Station looked like this? It was between 1925 and 1930. The Station housed the Restaurant run by Huck Palmer. It is boasted that patrons were being served till wee hours of the morning. Nimrod Minner was station master and George Hansen was ticket agent during this period. Boy Scout Troop 141 News

by Bill Garton
Asst. Scout Master

Ask Boy Scout Troop 141, of Felton an earful. They'll tell you they've been members and friends in the active in such things as two campouts at the Norman G. Winder's C & R Center in Petersburg. There they participated in two separate hiking ventures. One was a three mile hike, the other, five miles. After each weekend outing the boys, not to mention their leaders, were peoped out but proud of their accomplishments.

Days are filled with opportunities to complete skills contributing to badges and awards. These committees were headed up by Tom Carter, Joe Gannon and Tom Wilmore.

Nighttime presented constructive relaxation with a chance for the boys to see educational films brought in by Garton on such subjects as hunting and its safety, wildlife and habitat, farming and environmental control.

Chow time at the campouts lacked nothing. Though the boys were "roughing it," they never missed a home cooked meal. Does western omelets or chicken and homemade slippery dumplings sound good? How about a pot of chuck wagon chili? Chef Garton is teaching the boys to cook. That should be good news to some moms.

Between campouts they've participated in a fund raising flea market headed up by Fred Biggs. With the success of their table, which consisted of generous donations by family members and friends in the community, the boys were able to raise at the Norman G. Winder's C & R Center in Petersburg. There they participated in two separate hiking ventures. One was a three mile hike, the other, five miles. After each weekend outing the boys, not to mention their leaders, were peoped out but proud of their accomplishments.

Among their fund raisers have been a chartered bus to Maryland's Inner Harbor. It was most successful. Another trip will be scheduled in the future. Another fund raiser was the selling of light bulbs.

Boy Scout Troop 141 will be sponsoring a Spaghetti Dinner at the Felton Fire House on May 22nd from 2:00 p.m. til 7:00 p.m. The price will be \$3.00 for adults, \$1.50 for children 6 to 12 and children under 6 are FREE. Carry-outs will be available. Come out and enjoy a delicious dinner while supporting the Boy Scouts. On behalf of all the leaders, Scout Master Tom Carter, Assistant Scout Masters, Tom Wilmore, Bill Garton and Joe Gannon, "Thank you, boys, for working so hard and doing so well." To all who supported local Troop 141 in their endeavors, we thank you. You are much appreciated.

Hickory Ridge Congregational Methodist Church

Let Their Eyes Be Opened, a timely new documentary film, will be shown at Hickory Ridge Congregational Methodist Church, 3/4 mile north of Greenwood, Delaware on U.S. 13, on May 7, 1983 at 7:30 p.m.

Let Their Eyes Be Opened gives a condensed but representative view of humanism, a new religion that is sweeping through our culture. Throughout America and the world the backbone of society, "the family",

is under attack because of the humanistic world view that basically says, "If it is pleasing to man, do it, as long as it doesn't hurt anyone."

What is the Christian perspective of humanism? This thought-provoking explanation will provide a solid platform for discussion by all people who care about the direction in which our schools are leading today's children.

use it to close our meetings -- "May the blessings of God Almighty, Father, Son and Holy Spirit rest upon us in all our work and worship done in His name. May He give us light to guide us, courage to support us and love to unite us now and forever more. Amen." The meeting was adjourned at 2:10 and refreshments were served by Jeanette Legates.

66 YEARS AGO - April 19, 1917 - Our society met at the home of Miss Annie Callaway Thursday afternoon April 19 at 2 p.m. The society was brought to order by the pastor, he then read a few verses from the Bible followed by prayer led by pastor. We then had role cal. Those present were as follows: Mrs. Noah Cain, Mrs. George Ross, Mrs. Alex Smith, Miss Laura Smith, Mrs. Harry Sullivan, Mrs. Laurence Sullivan, Mrs. Jesse Ward and Miss Annie Callaway. The minutes were read and approved. Mrs. Kelso, Mrs. Wroten and Mrs. Callaway joined the society that day. Mrs. Hands and Mrs. Baker were visitors at the meeting. The bill of the repairs on the inside of parsonage was then taken up and it was decided we pay our part of same which amounted to \$2.20. It was paid by treasurer to pastor and he gave her a receipt for same. Mrs. Hands and Mrs. Baker each gave 5 cents to the society. The pastor then turned over \$2.59 to the society which he had left from the Home Department Quarterly after he had settled all bills for same. We then adjourned expecting to meet again May 17th at the home of Miss Ellen Hopkins. Receipts for April 19 - \$1.45. Mrs. L.E. Sullivan, Sec.

Astro-Analysis
By Sonia McGinnis
HOROSCOPE FOR THE WEEK OF APRIL MAY 1, 1983
ARIES [March 21-April 19] - Your quest for adventure could lead to an exciting week; good for short trips and dealings with relatives. Take extra precaution with expenses, guard personal resources.
TAURUS [April 20-May 20] - Imaginative ideas keep you occupied experimenting with new things. You're prone to become too involved with more endeavors than you can handle. Key this week is to focus on one source of interest at a time.
GEMINI [May 21-June 21] - Creative urges should be encouraged and developed this week. Avoid those who tend to gossip or cause misunderstandings. Keep company with reliable friends whose judgment you trust.
CANCER [June 22-July 21] - Your high hopes of achievement and ambitions can be realized as you now get credit for efforts you've previously invested. Good planetary positions enhance your chances for advancing favorably.
LEO [July 22-August 21] - Not a week to contradict those in command; use your energy for other interests. Put career ideas on the back burner for time being. Good for communicating with, improving relations with kin, contacting out of town acquaintances.
VIRGO [August 22-September 22] - Be willing to set aside old methods for modern ones. Your confidence in mate or partners ability to handle things is heightened and teamwork is your greatest of achievements.
LIBRA [September 23-October 22] - This can be a highly competitive week but you remain in complete control. Show others that you are cooperative and willing to show objectivity. Consider any new offers carefully, make no quick decisions.
SCORPIO [October 23-November 21] - Your prompt attention to details keeps you in good standing with peers. Put your talents to best use, plan your week so attention can be given to the most demanding obligations.
SAGITTARIUS [November 22-December 20] - Week promises to continue to be as lively as past few days; set priorities, get most important matters tended to first. Social activities could be your best investment so accept invitations, circulate.
CAPRICORN [December 21-January 20] - As you're more family oriented this week you should plan things that can be conducted at home; not a week to mix business with personal matters, however. Take the advice offered by one who is more experienced.
AQUARIUS [January 21-February 19] - Your far-sighted abilities enable you to make better judgments, see things in a different light. You're now in a position to handle several things effectively; dependability is best trait this week.
PISCES [February 20-March 20] - You can resolve more m...cs with less difficulty but keep a tight rein on purse strings. Be receptive to new ways and means of increasing capital.
