

Motel and restaurant open in Harrington

by Harry G Farrow, Jr.

HARRINGTON, DEL. - The great land boom is on in Harrington. The sound of hoof beats and the appearance of Conestoga wagons are missing to be sure, but business seems to be on the upswing again in Harrington.

A syndicate of investors have put together a business venture which has produced a motel capable of accomodating people for 28 rooms. Added to this modern motel structure is a first class restaurant, which includes snack bar, banquet room and cocktail lounge. The name of this new structure is Colony Inn Motel and

Restaurant.

The partners to this venture are John Koutoufaris of The Blue Coat Inn in Dover, Francis Silicato of Silicato Construction, Frank Paquette who is general supervisor for this venture and Silicato Construction Company, Mika Guida Clothing, Davis Wood of L & W Insurance Agency, and Roger Moore Masonary Construction business in Harrington.

According to Frank Paquette, one of the partners, the Milford Chamber of Commerce did a traffic survey and study of the areas of Harrington and Milford for suitable places to establish

a motel and restaurant. The Harrington site just north of the intersection of US 13 and State Route 14 was the site for the Harrington venture. The area in Milford selected for another similar operation is that area just north of the Milford by-pass at the Bay Fisherman and Nu Car Toyota. A motel will be going up there after the Harrington site gets underway. Paquette said "...the real person who helped us the most was David Jones (executive V.P. and Cashier of the 1st National Bank of Harrington) who secured the Industrial Revenue Bonds for us which enabled us

to build this complex." The Peoples Bank of Harrington has also joined in the financing. The bonds were sold at 75% of the prime interest rate for 15 years. The Milford site calls for 60 units whereas the Harrington site can be expanded to between 52 and 76 units.

The cost of the Harrington operation will go over one million dollars. "The theme is to save the transitory customers through the motel but serve the local people at the restaurant, and I think our family styled choice on the menu will serve everyone well," said Paquette.

This is the new motel at Harrington which recently opened for travelers and guests. Photo by HGF

Houston housewife calls for independent audit of Lake Forest School Board

by David F. Coady

Houston housewife Doris Draper claims that the Lake Forest School Board's accounting is such that it should be audited by an independent source. Draper went on to claim that, "The state seems to go along with any of the board's explanations about the use of funds."

Draper is compiling, in her Houston home, records of the school board's increased spending over the past several years. She regularly attends meetings and alerts friends when she believes things are getting out of hand. Draper says she is appalled at the apathy of many parents in the district. She recently questioned the board about the expenses incurred in recruiting a new superintendent of schools for the Lake Forest district. She was told that the board spent \$800 on advertising in the Delaware State News, the News Journal, Philadelphia Enquirer and the Washington Post.

The board refused to disclose such expenses as the cost of motels, meals and traveling spent on interviewing

perspective candidates.

The new superintendent, Gerald Lysik, will be paid \$37,500 and will be reimbursed \$500 for moving expenses. Draper asks, "Why all the extra expenses when we have a qualified man in the district passed over for promotion the last three times?"

Other questions and answers that Draper has on file are: Why have professional services risen 2670% over the past three years from \$880 to \$24,000? There was a professional fee of \$3,525 for negotiators used in teacher's contract talks. (The present contract has expired).

Where did the staff travel to amount to \$17,800? Professional conferences and mileage charges. Mr. Stoops' three conferences \$2,200; Dr. Powell, \$1,136; Principal's conferences - \$2,900; Athletic Conferences - \$1,930; Teacher's conference - \$7,700.

What is the total cost of maintaining the swimming pool? Do not know - there is no way we can determine.

Draper had a total of 15 questions that she put to the school board with the

same vague answers. She pointed out that the science books used in the school district are so out of date that they predict that "In your lifetime, man will walk on the moon."

Draper questions the school board's priorities in the required and elective credits needed for graduation. The required credits are: English - 4; Social Studies - 3; Math - 1 (to be increased to 2); Science - 1 (to be increased to 2); Physical Education - 1 and Health - 1/2. Some of the present electives that a student can earn credits for are: Team sports, drama, needlecraft, chorus and horsemanship.

Draper feels that parents must become more active within the district and call for an independent audit of the funds and be more outspoken with regards to the curriculum offered.

NOTE: The school tax rate for Lake Forest School District was raised last Monday night by approximately 6 percent, from \$1.13 per \$100 of assessed value to \$1.20. The vote was taken at 11:05 p.m. Monday night.

Perfect Beauty kept her Delaware record in line on Saturday night when she trotted the mile at Brandywine in 2:01:1 and won the final leg of the Show Case Stakes.

Felton woman killed by auto

CANTERBURY - A 51-year-old Felton Woman died Thursday after she walked into the path of a car driven by a Wilmington man, state police said.

Maudie R. Cummings was dead on arrival at Kent General Hospital in Dover around 11 p.m. Thursday, May 19. Robert Mathies, 55, was treated for shock at the same hospital after Cummings walked in front of his car on U.S. 13 at around 10:15 p.m., police said.

According to police, Mathies was driving north on the highway when Cummings walked into the right lane, where she was hit. She was thrown 120 feet.

Mathies, of the 700 block E. 22nd St., Wilmington, was not intoxicated and was not charged in connection with the accident, police said.

Cummings was Delaware's 29th traffic fatality this year. At this time last year, 40 people had died in state traffic accidents, police said.

NOTICE
Next week's edition of The Harrington Journal will be on the newstands one day later than usual due to the holiday which falls on Monday.

Foster Flint inducted to Sports Hall of Fame

MANCHESTER, N.H. - The Saint Anselm College Varsity Club has announced that Dr. Foster "Red" Flint of Bridgeville, Del. has been inducted into the College's Athletic Hall of Fame at the Third Annual Hall of Fame Dinner here on May 20, 1983.

A 1937 graduate of Saint Anselm, Flint starred in varsity football at the Catholic College for four seasons and captained the 1936-37 "historic" Hilltop varsity squad which compiled a 6-0-1 record. Dr. Flint retired from a career in education and administration six years ago after serving as superintendent of schools in the Woodbridge School District from 1957-77.

In 1932 Flint attended St. Anselm Prep School and captained the football team to an undefeated season. The Saint Anselm Prep team allowed only one touchdown in its 6-0 season.

The 1933 football took on varsity status at Saint Anselm and Flint immediately asserted himself as an invaluable starter in the Hilltoppers' line.

In 1935 Saint Anselm put together a 3-2 season but suffered a severe, 34-0 setback at the hands of Holy Cross.

In 1936 when Saint Anselm defeated

the University of New Hampshire, 31-2 in Durham, N.H., on the occasion of the dedication of the New Hampshire stadium (now Cowell Stadium), New Hampshire entered the game having doused the University of Vermont by a huge score, while the Hilltoppers had nipped Providence, 7-2 a week earlier. Following the New Hampshire win, the stage was set for the season-ending trip to the Holy Cross gridiron.

Saint Anselm College arrived at Holy Cross with a 6-0 record, not having had a touchdown scored against it the entire season. Fired by Flint, the Saint Anselm line held Holy Cross' All America running back "Bullet" Bill Osmanski to the least amount of yardage he had gained in a game in his four-year career at the Cross. The game ended in a scoreless tie - a huge upset for the Hilltoppers.

The Holy Cross team of 1936 appeared in the Orange Bowl and invited upstart Saint Anselm back to Worcester the next year - the last time the two teams ever met.

The 1936 Hilltop team was the only undefeated team that Cleo O'Donnell had ever coached up until that time. In

1938 after a brief rebuilding period O'Donnell put together another 6-0-1 masterpiece which sent Concord's (N.H.) Ray "Scooter" McLean to the Chicago Bears and professional football fame.

Flint, who was named All-New England following his outstanding senior season, joins '40, John Foley '43 of Plymouth, N.H., and teammates Leo Conneron '37 (deceased) and Joe Grogan '36 of Holden, Mass., in the College's Hall of Fame.

In 1943 Flint received his master's of education degree from Boston University where he also received his doctorate in education in 1954.

He worked for two years as supervising principal at Fisher's Island in New York and in 1957 accepted a position in the Woodbridge (Del.) School District which he was apart of until his retirement in 1977. Flint is a member is a member emeritus of the Delaware Association of School Administrators and the American Association. Flint and his wife Janice have one son, Foster Flint, Jr., who is a Lieutenant Colonel in the United States Air Force.

Constance Gerardi AAUW Scholarship Award Winner

On May 16, the Dover Branch of AAUW awarded Constance Gerardi a \$400.00 scholarship. Connie graduates from Lake Forest High School this June and plans to major in chemical engineering at the University of Delaware. A member of the National Honor Society, she was also the recipient of the William Danforth, "I Date You" award which recognizes leadership potential. And she took second place in the Governor's essay contest, "Independence for Disabled People Through Technology."

Connie is presently Future Farmers of America (FFA) Sweetheart and will represent Delaware at the national competition in November. She currently serves as president of Lake Forest FFA and has previously served as its secretary and treasurer. Moreover, in 1980, she received the silver medal for FFA showmanship (dairy cattle) at the national competition. Also active in the Office Education Association (OEA), Connie won third place in the national job interview contest her junior year and first place at this year's national convention in Chicago.

Other honors and awards she has received are: U.S. Business Education Association Award, U.S. Agricultural

Constance Gerardi

Award, election as American Legion Auxiliary's Girls' State Governor by her peers, and subsequent appointment as one of the Girls' Nation Senators, going on to represent Delaware in Washington, D.C. Connie has also been involved in Math League, Drama Club, Band, and Student Council at Lake Forest High.

This was the thirty-sixth year of awarding scholarships by AAUW Dover Branch on the basis of Academic performance and potential, school and community service, and financial need.

We hope everyone has a safe and happy Memorial Day Holiday!

Cheese & Butter Distribution

The Division of State Service Centers has announced dates and locations for statewide distribution of USDA Surplus Cheese and Butter.

Nearly 150,000 pounds of the surplus food will be distributed next week through the state's service centers, according to that division's deputy director, Jack Holloway.

"The important difference with this distribution is that no senior citizens (60 and over) will be served through our centers", according to Holloway.

Eligibility for the cheese and butter through the service centers for those under 60 are:
1. Food stamp of public assistance recipients; or
2. Families who have applied for or who are receiving unemployment compensation; or
3. Persons who are receiving social security disability benefits.

Persons wishing to participate in the

program will be required to provide their name, address, and signature, as well as the appropriate benefit identification card. (Food Stamp ID, Medicaid Card, Unemployment Card, or Medicare Card for persons on social security disability).

According to Holloway, more than twice as many families will be served this time because each family will be limited to one 5 pound block of cheese and 2 pounds of butter regardless of family size.

Persons should apply at the locations nearest their homes at the following dates and times:

Wednesday, May 25, 8:30 a.m. - 4:30 p.m.

Williams State Service Center
805 River Road, Dover 19901

Prayer for Peace, Memorial Day 1983

By the President of the United States of America

A PROCLAMATION

Each year, for more than 100 years, we have gathered on Memorial Day to pay tribute to those men and women who have fallen in battle, sacrificing their lives to preserve our freedom and world peace. In doing this, we are reminded that neither peace nor liberty is guaranteed, and that our national ideals remain threatened by global conflict, economic crises, violence, and aggression. Throughout our history, America has been a symbol of hope for all people. We must always accept the many responsibilities that this requires. Thus, we are prepared to assist other nations in their struggle for economic progress; to help those in other lands who suffer from political repression and injustice; to deter aggression by strengthening democracy around the globe; and work tirelessly toward a world without war.

Those who have sacrificed their lives for our country serve as a reminder that our work is unfinished. With vision and purpose and a prayer in our hearts, let us dedicate ourselves to their memory.

In recognition of those Americans to whom we pay tribute today, the Congress, by joint resolution of May 11, 1950 [64 Stat. 158], has requested the President to issue a proclamation calling upon the people of the United States to observe each Memorial Day as a day of prayer for permanent peace and designating a period on that day when the people of the United States might unite in prayer.

NOW, THEREFORE, I, RONALD REAGAN, President of the United States of America, do hereby designate Memorial Day, Monday, May 30, 1983, as a day of prayer for permanent peace, and I designate the hour beginning in each locality at 11 o'clock in the morning of that day as a time to unite in prayer. I urge the press, radio, television, and all other information media to cooperate in this observance.

I also request the Governors of the United States and the Commonwealth of Puerto Rico and the appropriate officials of all local units of government to direct that the flag be flown at half-staff during this Memorial Day on all buildings, grounds and naval vessels throughout the United States and in all areas under its jurisdiction and control, and I request the people of the United States to display the flag at half-staff from their homes for the customary forenoon period.

IN WITNESS WHEREOF, I have hereunto set my hand this 4th day of April, in the year of our Lord nineteen hundred and eighty-three, and of the Independence of the United States of American the two hundred and seventh.
Ronald Reagan

Poultry exhibit commemorates 60 years of progress

History and nostalgia will keynote a special poultry exhibit at the 36th Delmarva Chicken Festival on June 17 and 18 in Milford, Delaware. The exhibit, coordinated by personnel in Poultry Extension at the Universities of Maryland and Delaware and Agricultural Engineering Extension, University of Maryland, will spotlight the 60th anniversary of Delmarva's broiler industry and the 35th anniversary of the first Chicken-of-Tomorrow Contest, a nationwide competition that led the way to today's plump, tender meat-type bird.

In commemoration of the founding of Delmarva's broiler industry, displays will feature equipment, breeds, and processing practices of 1923. In contrast, exhibits showing present-day birds and their modern lifestyle will depict changes and improvements which have occurred over the 60-year period. Pictorial displays will salute the pioneers responsible for the early development and growth of the industry.

In recognition of its significance to the broiler industry, records and memorabilia from the Chicken-of-Tomorrow competition will be on exhibit. Visitors will observe that the 1948 "chicken of

tomorrow," has been surpassed by chicken of today. Films of the contest (Continued on page 2)

DELAWARE STATE FAIR HEADLINERS

Earlier in the day on July 27th, the Fair's grandstand will be filled with fans eagerly awaiting the start of the first nationally sanctioned tractor pull to have ever been held in Delaware. Although tractor pulling has been staged there for the past seven years, this will be the first where contestants can gain national points toward the year end championship and thus it's expected to draw contestants from all parts of the United States. In addition to the Wednesday "Pull" an additional event will also be staged the following day, July 28.

The Fair will also continue with its popular rodeo, an event termed as the only original American sport. Six championship events will be held as well as a number of specialty routines such as trick roping and riding. The rodeo will be held on Sunday evening, July 24.

Wise graduates Cum Laude

Eric Wise

J. Eric Wise graduated Cum Laude from Old Dominion University, Norfolk, Virginia on May 14th. Wise received a B.S. in Electrical Engineering Technology. A member of Tau Alpha Pi National Honor Society, he is also a member of the engineering professional association, Institute of Electrical and Electronic Engineers.

The recent graduate is the son of Mr. and Mrs. William A. Wise of Harrington, and the grandson of Mr. and Mrs. Byron Wise of Seaford and Mr. and Mrs. Jesse Trotta, Sr. of Harrington.

Wise is a 1981 graduate of Delaware Technical and Community College, Terry Campus, and a 1979 graduate of Lake Forest High School.

Cheese & Butter

Edward W. Pyle State Service Center Omar-Roxana Rd., Frankford 19945

Holloway stated that, as usual, the surplus food will be distributed on a first-come-first-served basis. Again he reiterated that NO senior citizens would be served through the service centers. In Kent County, seniors who have pre-registered for cheese and butter may pick the product up May 24th, 9 a.m. - 3 p.m. and in Sussex County, seniors may pick up commodities at their nearest senior centers also on Tuesday, May 24th, 9 a.m. - 3 p.m.

GIANT FRYPAN KEEPS ON COOKIN' CHICKEN

Delmarva's giant frypan, a trademark of the annual Chicken Festival, was constructed in 1950 by Mumford Sheet Metal Works in Selbyville, Delaware. Believed to be the world's largest frypan at the time of construction, the skillet was donated to Delmarva Poultry Industry, Inc. for use in promoting chicken. Over the years, more than 100 tons of chicken have been fried in the gas-fired structure which will make its 33rd appearance at the 1983 Delmarva Chicken Festival in Milford, Delaware on June 17 and 18.

Poultry Exhibit

(continued from page 1)

and the broiler industry of the era will be available for public viewing.

Completing the exhibit will be visual displays highlighting the 35-year history of the Delmarva Chicken Festival, an event that originated as a backdrop for the 1948 Chicken-of-Tomorrow finals held in Georgetown, Delaware and has continued over the years as a Delmarva tradition.

From baby chicks, to educational information and a nostalgic look at the history of the broiler industry, "The Poultry Industry - 60 Years of Progress," will appeal to festival visitors of all ages.

The exhibit will be open to the public at no charge. Exhibit hours are 10 a.m. to 8 p.m. daily.

Campaign was a success

At a recent meeting of the Kent County Auxiliary to the Easter Seal Society of Del-Mar, it was disclosed that collections for Easter Seals in this County this year have surpassed our goal. The Harrington Sunshine 4-H Club worked hard in collecting \$207.02 in our Lily Day Parade. The Easter Seal Society of Del-Mar is a direct service agency and we are grateful to each volunteer for the hours of work that were spent in helping us to continue serving crippled children and adults. We also appreciate the support the contributors have given us.

Community Calender

MAY 25 - Come One, Come All! To Lake Forest's rollicking Talent Show Wednesday evening, May 25 at 7:30 p.m. You will see students and staff roll out the barrel of fun as they sing, dance, do magic, and tickle your funnybone.

Lake Forest North Elementary Spelling Bee

Lake Forest North Elementary School held its PTA sponsored Spelling Bee for grades 3-6 on Wednesday evening, April 27. Judy Craig, 4th grade teacher and Sylvia Kemp, PTA President, organized the "Bee". The PTA provided trophies for the top three winners at each grade level, in addition to giving small plaques to each contestant. The awards were presented by the principals, Frank Young and Robert Hawkins. The "pronouncer" was a teacher, Dolores Swain and the judges were William Hannah, Counselor and Jean Callaway, School Nurse. Over 150 parents and friends attended the affair. The competition included 32 students, or 2 pupils from each classroom. Each classroom had Spelling Bees during the second and third weeks of April and sent their two best spellers to the school spell-off.

The End — by Billy Hill

The following creative essay was written several months ago by Billy Hill, as a writing assignment in Miss Lynch's class. We found it very fascinating and thought parents might enjoy reading it.

The bitter cold Rehoboth winds tore at my face as I drove along the snowswept beach in my new jeep. I thought back a few years about the big blizzard that hit the whole east coast. I think it was 1992, but I'm not sure. As I looked up at the pale blue sky, I noticed it was beginning to snow. I was so consumed by the sky, I didn't notice a gigantic wave coming towards me. I don't know if it was a tidal wave, or what it was, because I didn't see it. Anyway, it knocked my jeep and me into a snow bank. When I landed, things went topsy-turvy. Time seemed to slow down.

How long I lay there, I don't know. When I finally climbed out of the snow bank, I was covered with snow. This may seem strange, but for some reason, even though it was February, I was quite warm. As I stood, trying to wipe off the snow, I noticed that it glowed; not a real bright glow, but a soft, warm glow. I saw a seagull sitting next to me. When I touched it, the poor bird disintegrated! Then, to my shock and amazement, I discovered that the snow I had just wiped off was growing back! "Hold on now, Bill," I said to myself, "There has to be a reasonable explanation to this. I'm dreaming. That's right -- I'm dreaming. In a minute I'll wake up and be plain, old Bill Hill again." I slowly walked up the boardwalk steps. They creaked ominously as I crept to the top. There was no one there. I saw a small, dark blue newspaper vendor. Even as I looked at the date of the paper, I realized I had been in the snow bank for over a week! I was shocked!

As I stood there on the deserted boardwalk, I got a cold, chilling feeling. Was I the last person in Rehoboth Beach, or Delaware, or anywhere??

THE END???

Lake Forest Spelling Bee Winners

The Lake Forest School District Spelling Bee was held on Tuesday evening, May 10 at the Lake Forest North Elementary School. The winners were Tara Belcher, grade 4, from East Elementary; Eric Reinhold, grade 5, North Elementary, and Scott Talley, grade 6, North Elementary. Each winner received a trophy and a check for \$15.00. They will also participate in the State Spelling Bee on May 22 at Wesley College. The other winners who also received trophies which were presented by principals Frank Young and Earl Griffin were:

1st Place Spelling Bee Winners - Scott Talley, Grade 6, North Elementary; Eric Reinhold, Grade 5, North Elementary and Tara Belcher, Grade 4, East Elementary.

Lake Forest Girl Places 2nd In Read-A-Thon

Lea Fitzgerald of Lake Forest Elementary South recently placed second in a statewide read-a-thon competition sponsored by the M.S. Chapter of Delaware. Fitzgerald earned the M.S. Chapter a total of \$220.40 in her sponsored read-a-thon. She is the daughter of Steven and Teresa Fitzgerald of 27 Clark Street, Harrington. For her efforts, Lea has won a trip to Washington, D.C. The total raised for the M.S. Chapter was \$2,010.81. Melaine Mofeff was the top reader.

South Elementary Students of the Month

- APRIL**
Powell - Thomas Deusa; Lekites - Jeff Trader; Wolak - Joan Messick; Woodford - Darrell Hughes; Patterson - Tammy Scouten; Dixon - Collins - Rob Taylor; Adrian Harris; Jenkins - Gibson - Chrissy Kelbaugh; Myers - Roger Trice; Minner - Charlotte Woodridge; Lynch - worth - Trina Lake; Chrystal Govatos; Drummond - Jimmy Donohan; Green - Tracey Hughes; Shaw - Tina Bunting; Miller - Donald Pierson.

Over The Backyard Fence

Senior Center by Dorothy Graham

Smile! Life is great enough - quite! Henry Moore.

Have you noticed that most of the greatest - most beautiful - spectacular - dramatic things that take place are silent - consider - the flowers - trees budding - snow capped mts. - crystal clear streams - a sleeping child - anyone in prayer. All silent but all dramatic.

Reverend Beyer of Trinity, Prospect, Bethel Salem Church was leader of Bible Study Monday morning at the Center. Thelma Legates, Frances Wright, Catherine Donovan, Marion, Roxanne Brown, Jo Burke, Mildred Vincent, Virginia Smith, Clara Judy, Tony Perrone, Anna Mae Short, Ethel Holden, Gladys Hill, Mamie Adams, Florence Minner, Irene Larrimore, Ola Tildon, Elwood Morris, Etzel McCready and Annabel Morrow all took part in the study of Luke, Chapter 11, verse 1-4, John, chapter 14, verse 25-29; Acts 2nd chapter, verse 1-4. Reverend Beyer gave an opening and closing prayer. Several old hymns were favored. Virginia Smith was at the piano.

Ina Hughes called the Jolly Timers together Tuesday morning. Sixteen answered the call. Some had gone to Dover, Blue Hen Mall. Those present were John McCready, Mamie Adams, Cecil and Sylvia Meredith, Mildred Vincent, Elwood Morris, Tony Perrone, Louis Gerardi, Annabel Morrow, Roxanne and Marion Brown, Lillie McBride, Ella Golt, Virginia Smith, Ola Tildon and Bertha Dean. It is so nice to hear the Kitchen Band play!

Happy Birthday to you, cake was absolutely beautiful and delicious too! Movie by Dave McCracken was nice and enjoyed by all. Friends greeted friends. Cards and ice cream complete the picture of birthday party time at the center Tuesday afternoon.

Nell Bausell reviewed the tapes of Local Humanities. The program was truly interesting. Anna Mae Short told of her serenading. It was funny to hear her tell about it. Others told of where they went to school and of that particular school too. Others told of the stories and what and how they exhibited their ware. I remembered the huge coffee grinder of Mrs. Langrell's store. The coffee did smell so good as it was whirled around in the coffee grinder.

RSVP pins were given out Thursday morning. When you volunteer at the center ask about RSVP. Esther of RSVP gave the awards and a short, pleasant talk.

Bowling at Milford Lanes Thursday afternoon. Celebrated Senior Citizens Day at the Center with a fantastic covered dish luncheon. What was on the menu? Well, it would be easier to tell you what wasn't on the counter. Every dish delicious! Friends, crafts, ceramics, pool.

Did you hear the one about the race between the cabbage - the faucet and the tomatoes. Well here it is - the cabbage was a head, the faucet was running slowly and the tomatoes were trying to catch up! (Organic Gardener).

Thank you volunteers. You are so-so kind. Those who labor in the kitchen need a special thank you! Every one is equally important, that's true, but somehow the dinner seems so important to all.

Best wishes to all homebounds, those ill at home or in the hospital. A prayer for those in sorrow. Be kind to each other.

Ask for a saying - One lady said her mother used to tell her, "use your head and save your heels."

Love you - Faith!
See you at the Center!

Lou Ann McNatt

McKnatt/Stratton to Wed

Mr. and Mrs. L. Donald McNatt are pleased to announce the engagement of their daughter Lou Ann of Annapolis, Md. to Robert B. Stratton the third, son of Mr. and Mrs. Robert B. Stratton Jr. of Winter Park, Fl.

The bride to be is a graduate of Lake Forest High School, Felton, Del. and Delaware Technical and Community

College, Wilmington, Del. She is currently associated with Dr. Stanley Block D.D.S. of Annapolis. Her fiancé is a graduate of Neshannock High School, New Castle, Pa. He is serving with the United States Navy, as a member of the C.I.N.C. Band in Naples Italy.

A December wedding is planned.

Gab Fest by Pat Hatfield

May 17 and the sunshine is brilliant today, but the house is closed against the cold and the heater is running. But we still give thanks that we escaped the high winds and violent thunder storms that hit part of Delmarva. The weather bureau seems reluctant to call them tornadoes, but when your house is in kindling wood, it doesn't much matter what name you put to them. Our hearts go out to those who have suffered such a terrible loss. And now, Denver, Colorado is trying to recover from a terrific blizzard.

Many of our birds have had their homes destroyed, too. Nests are blown from the trees, but we do not know which they are. The cardinals visit the feeder several times during the day and evening. My friend, Tess, looked in her bird book and identified my strange bird visitor as a Cedar Waxwing. She said they were around her Dad's farm when she was growing up, but I had never seen one before. Evidently he only stayed one day. He was probably in migrant on and only stopped by for a bite of lunch.

We had a small tragedy in our wild life world this week. One morning we discovered that a week rabbit had tried to cross the highway and met his death. Dad picked up his little lifeless form, murmuring "Poor lil' feller". It hurt, but we know that Nature will make its own balance and we know that our Heavenly Father has said that "not even a sparrow falls without His knowledge."

I hope my house plants are making it out under the trees. In a great burst of

confidence I hauled them out on one of those hot days when the temperature was around 85. They say you should talk to your plants. I don't think I say the right thing. I just waved my hand and said, "O.K., Kids, you're on your own, see you in September!"

On our breakfast bar, there is one perfect rose, a pink Radiance, our first. It is so perfect you think it is artificial. And the foliage is lovely, too. We are already getting troubled with black spot, but the cold, damp weather fosters this.

Our glad bulbs are in and we anticipate those blooms. Something is eating the tomato plants, but we cannot find the culprit. We cannot think it is the bunnies, since there is so much clover available. However, they will eat grape leaves. I have seen them stand on their hind legs to reach this delectable.

Someone has said that "The chief objection to gardening is that by the time your back gets used to it, your enthusiasm is gone!" Dad is not affected that way though. His enthusiasm is ever present until the last square of earth is again tugged away for the winter.

Beautiful spring that we looked forward to so eagerly will soon give way to summer. Henry Wadsworth Longfellow said: "If spring came but once in a century instead of once a year, or burst forth with the sound of an earthquake and not in silence, what wonder and expectation there would be in all hearts, to behold the miraculous change."

Piano recital set for 27th

The annual piano recital by the pupils of Mr. Melvin Brobst will be held this Friday evening, May 27, in the Fellowship Hall of Trinity United Methodist Church on Commerce Street, beginning at 7:30 p.m.

Students participating are Chad Collins, Kathy Masten, David Jarrell,

All relatives and friends of these young people are invited to attend.

Barner graduates from Tarkio College

Mr. Mike Barner, who graduated from Laké Forest High School in Felton, Delaware is the son of Mr. and Mrs. John A. Barner of Frederica. Mr. Barner graduated from Tarkio College, Tarkio, Missouri, May 15, 1983 and just completed a successful ten week Student Teaching experience in the Tarkio, Missouri High School.

Barner was President of Theta Chi Fraternity, Manager of the Football Team for four years, Manager of the Basketball Team for two years, and

played on the football team for one year. He graduated with a Social Studies/History Degree with A Coaching endorsement.

Ruritan National Anniversary

The first Ruritan Club was organized on May 21, 1928, at Holland, Virginia. This is our fifty-fifth birthday. The week of May 15 through May 22 was designated as Ruritan Week with Sunday, May 15, being Ruritan Sunday.

The members and their wives of the Burrsville Ruritan Club attended

Burrsville. The club consists of 34 members from Maryland and Delaware. This year's president is George Lacey from Denton, Maryland. Under his leadership we have raised money through a spring auction sale held each year at Taylor & Messick John Deere Dealership in Harrington. Our spring supper was a success as was our annual fall dinner.

Many worthy community activities and support of other organizations are our main functions. Community service, fellowship and goodwill are our objectives.

[Submitted by the Ruritan Club]

Felton/Sandtown by Lola O'Day, 284-9175

BIRTHDAYS - J.D. Satterfield, Beth Draper, Denise Renee Thompson, Chris Harvey, Gardner Kersey, Marsha Lee Moore, Rawlins Minner, Patty Gott, Karen Wothers, Violette Massy, Barbara Martin, Steve Sipple, David Kelly, Charles McGinnis, Jeannie Wood, Mildred S. Warren, Charlotte Millman, Wanda Lee Sipple, Virgil Jarrell, Ann Chambers.

ANNIVERSARIES - Mr. and Mrs. Lester A. Killen, Mr. and Mrs. Ronald Draper, Mr. and Mrs. David Billings, Mr. and Mrs. StanStachecki, Mr. and Mrs. Don Brittingham, Mr. and Mrs. Hubert Massey.

Mr. and Mrs. Steve Apple of Wilmington, Del. were Thursday visitors of L. O'Day.

Cub Scout's Master Ron Stumpf reporting Pack 141 Felton, Pack Meeting, May 27, V.C.F. Ruritan Club in Viola, Del.

While there Karen Ann celebrated her 16th birthday with a party. Mrs. Harrington also spent some time with her son and wife, Mr. and Mrs. J. Harrington, Jason and Deric. Mrs. Harrington also attended Grandparent's Day at "Applewild School."

Rev. Mills is the new priest at St. Stephen's Episcopal Church.

The Lake Forest Spartan Marching Band traveled to Wildwood, N.J. on Saturday, May 21 to participate in a parade to help climax a Tall Cedars Convention. They took third place honors.

Congratulations! The band is under the direction of Mr. Dale Burkhard.

The Tall Cedars are one great bunch of people. They work hard all year for Muscular Dystrophy. They have an obvious love of life, an open heart and mind and a lot of fun. It was a great experience for everyone involved. A big "thanks" goes out to Carol and Joan Oakley and family, you're great, we love ya!

Happy Birthday wishes go out to Danny Sheline!

Get well wishes go out to Mrs. Naomi Wilhelm.

Asbury United Methodist Church held their annual picnic in Collins Hall on Sunday afternoon. It was well attended and enjoyed by all.

Mr. and Mrs. Luther Smith of Easton,

Days of Our Years by Carol Ann Porter

DAYS OF OUR YEARS

Thirty Years Ago
Friday, May 30, 1953

Dairy Queen of Harrington, recently constructed on U.S. 13 between Delaware 14 and the railroad branchline, began operations last week under the proprietorship of Mr. and Mrs. William J. Irwin, Jr. formerly of Philadelphia. Mrs. Irwin is the daughter of M.M. Stuart, of Harrington.

Five persons were injured in an automobile accident at Jester's Corner, on Route 71, near Kirkwood, early Saturday. Removed to the Delaware Hospital were Charles Fountain, 41, of Dover, Gayle Smith, 27, of Harrington, Stanley A. Clark, 28, of Harrington, Robert Sheats, 21, of Middletown and Mrs. Helen Sheats, 26, also of near Middletown.

The State Highway Department has fixed Friday, May 29, as the date for opening the new dual highway from Camden Campmeeting Woods to Canterbury, which will be a continuation of U.S. Route 13.

George Whitehouse, 33, of Philadelphia, captain of the party boat, Phyllis Kay, out of Bowers Beach, was killed when his car struck a tree south of Dover early Sunday morning.

Nancy Nelson won first in the local essay contest sponsored by the Callaway-Kemp-Raughley-Tee Post No. 7, American Legion Auxiliary. She placed second in the state contest, and will receive a \$25 award which will be given her at the State Convention held in Dover in July.

Twenty Years Ago
Friday, May 31, 1963

Felton High School's 74th commencement will be held in the school auditorium June 6, at 8 p.m. Thirty seniors will receive their diplomas.

The Delaware River and Bay Authority Tuesday doubled passenger car tolls for Delaware Memorial Bridge, effective July 1. The new schedule raises the 25 cent toll for passenger cars and light trucks to 50 cents.

Newly elected Jaycee officers are Secretary, Walter Lang; President, William Kramedias; Vice President, Bob Taylor; Treasurer, Donald Jarrell; and Directors Jay Brumley and Victor Falt.

Thomas E. Brown, FN M Division, is presently serving on the U.S.S. Francis Marion, in the United States Navy. Tom is the son of Mr. and Mrs. Edgar Brown, RFD 2, Harrington. He is a 1962 graduate of Harrington High School.

SALE AT MASTEN HGME CENTER IN MILFORD - Screen wire, 10 cents a foot; 20 gallon galvanized garbage can, \$2.99; zip top trash burner, \$2.69; long handle shovel, \$2.25; metal wheel barrow, \$7.95; 50 ft. garden hose, \$1.99; 6 ft. picnic table and benches, \$13.88.

Mayor and Mrs. Fulton Downing spent a few days last week in New York City. Several people of Harrington attended the piano recital in Milford on Saturday given by the pupils of Mr. and Mrs. Leon Donovan.

Miss Leona Dickrager and Miss Pletzing spent a day recently in Valley Forge.

Ten Years Ago
Thursday, May 31, 1973

On April 4, six members of the Lancer staff were inducted into the Quill and Scroll, an honorary society for high school journalists. A candlelight ceremony, performed by Mrs. Young, accompanied by members' pledges of service to the newspaper and the community. Received into membership were: Gloria Dill, Raymond Blanchette, Lisa Callaway, Jeff Coltrain, Harry Hallock and Paul Scovil.

The public is cordially invited to attend a short program and social hour honoring Joseph Bedford. Mr. Bedford will be retiring after 34 years of service in the Harrington Lake Forest School District.

Pvt. Kenneth W. Hughes, son of Mrs. Grace Hughes of 121 Railroad Ave., Harrington has reported for duty at the Fleet Marine Force, Atlantic, Norfolk, Va.

The Builders' Class of Asbury United Methodist Church is sponsoring an ice cream festival Friday, June 1.

PRICES AT QUILLEN'S DAIRY MARKET - 2 loaves Koester bread, 2/69 cents; 2 1/2 oz. cans Musselman's apple sauce, 45 cents; 1/2 gal. Clorox Bleach, 39 cents; All soap powders, 3 lb., 10 oz. box, 69 cents; Ground chuck, \$1.09 a lb.; Kraft pure orange juice, 32 oz., 39 cents.

Houston by Margaret Thistlewood, 422-4944

The Williamsville Historical Society will sponsor a flea market and strawberry social on June 4, 9 a.m. to 5 p.m. at Griffith's Chapel in Williamsville near Houston. Table rental \$5.00. Call for reservations and more information, 422-4785 or 422-5403.

Weekend guests of Mr. and Mrs. Charles Kane were Bridget Bates of Florida and William Wilson of New Jersey.

Cindy Trader and Donald Welch were

married on Friday evening May 6th at the Houston Methodist Church. Reception was held in Fellowship Hall. Mr. and Mrs. Francis Simpson, Pauline Morgan and Connie, Edna Sapp, and Anna English were Sunday dinner guests of Dorothy Minner of Camden.

Homemakers club attended a band concert in Dover on Thursday, later they held their monthly meeting at the home of Ella Simpson.

Greenwood by Pat Hatfield, 349-4255

Mr. and Mrs. Norman Cannon attended the Spring Honors Banquet of the College of Business and Economics of the University of Delaware held in the John M. Clayton Hall.

Their daughter, Nora, was inducted into the Omic Delta Epsilon International Honor Society which recognizes scholastic attainment in Economics.

The Honorable Thomas P. Carper

gave the address. Mrs. Ellen Bollinger of Bridgeville, Mr. Lawrence Meredith, and Mr. Horace A. Maloney, Jr. were Tuesday morning guests at the Jacob Hatfields for morning coffee hour.

Sports

Spartan girls romp to state track championship

by Keith S. Burgess

It was strictly no contest, as Jim Blades' Lake Forest girls' track team, amassed a whopping 144 points, en route to the Delaware Division II Girls State Track title, Friday at Dover High.

Cape Henlopen was a distant second with 79 points. Seaford was third with 58 1/2. Last year's champions, Howard of Wilmington had 49 points, in fourth place.

Lake Forest was runnerup, in this meet the last two years, but were not to be denied this time.

Blades employed a strategy that some coaches don't bother with, that padded the Spartans' victory margin, by eleven points. In each event, each school may add one non-qualifier to the entry list. If for any reason, any event does not have a full quota of athletes show up, then these alternates may compete. For Lake Forest 11 points were scored by non-qualifying athletes. A coach has to be thinking, all the time, to get every possible advantage for his athletes.

Caritha Clarke, a junior, had her finest hour. Caritha was a double state champion winning the 100 meter high hurdles and the triple jump. Clarke also placed fourth, in the long jump behind the second place effort of Joann Smith. Ann Irby was fifth in the hurdles, while Pam Smith was fourth and Christine Nichols was sixth, in the triple jump.

Another event, in which Lake Forest scored, three people, was the shot put. Angie Akins won the event with a Spartan record toss of 37 feet, 10 inches. Severa Harris was third and Sharon Burton was sixth. Burton also was second, in the discus.

Kellie Pelton, a ninth grader, had a banner day. She is Division II state champ at 1600 meters, after running a

Lake Forest record time of 5.39. A strong, finishing kick carried Kelli from third to first by inches at the tape. Later Pelton was runnerup, at 3200 meters in 12.297, her second school record of the night.

Sophomore Denise Donato was 4th at 1600 meters in 5.58.3, her first trip under 6 minutes. Tara Gladden was sixth, at 3200 meters.

Another Spartan state champ is Carolyn Browne, winner at 200 meters in 25.9 seconds.

The other Spartan victory came at 3200 meters relay, as Pam Pierce, Denise Donato, Debbie Jester and Donna Pardee won eased up in 10.23.6. Carolyn Browne was second (12.5) at 100 meters, then anchored Lake Forest to a school record 50.9, in the 400 meter relay. Joann Smith, Patti Drew and Anita Sherwood also ran in that race. Smith, Drew, Sherwood and Christine Nichols were fourth, in the 800 meters (1.50.2).

Ann Irby and Debbie Jester did not place in the 300 meter hurdles, but clocked 51.5 and 51.6, respectively, well under the old Spartan standard of 52.1.

Donna Pardee (62.3) and Carolyn Winder (63.6) were second and fourth respectively, at 400 meters, while Pam Pierce (2.29.3) was third, at 800 meters. The above three girls and Debbie Jester were sixth, in the 1600 meters relay, in 4.22.

All these girls, who finished in the first six places, helped Lake Forest pile up the points, in the lopsided win.

Lake Forest loses only four girls by graduation. Baxter Smith at W.T. Chipman School, had an undefeated girls team and will be sending up some good material. It is expected that Lake Forest will be even stronger, next spring.

Sportlite--Commentary

by William T. Ficks

Why isn't Forrest "Spook" Jacobs in the Delaware Sports Hall of Fame?

If he doesn't belong in the Hall, then my name is Adolph Schickelgruber.

As Al Smith used to say, "Let's look at the record."

"Spook" spent 17 years playing professional baseball, and later served as manager, coach and scout.

For many years he administered the annual Milford Rotarian sports banquets in addition to managing youth baseball teams. He also served as sports editor of the Milford Chronicle.

Today he owns and operates the "Mr. Donut" shop in Milford.

He owns a lifetime batting average of over .300 for his 17 years in professional ball. Three of those years were spent in the majors.

"Spook" broke in as a rookie second baseman with the Philadelphia Athletics in 1954.

Unfortunately for "Spook" the day of the astronomical baseball salaries had not yet dawned. Baseball players were

not converted into instant millionaires back in 1954.

He played 132 games at the then major league minimum of \$6,000 a year.

Although he was the second highest batter on the club in his rookie year, he was refused a raise the following year.

After playing through 1956 in the majors, he played five years of winter baseball in Cuba.

His son, Bobby Jacobs, a distinguished athlete himself wrote a letter to the News-Journal papers acclaiming the accomplishments of his father.

Young Jacobs was a star athlete at Milford and Lake Forest High Schools.

He went on to Virginia Wesleyan, where he made the Division III All-America teams in both baseball and soccer.

He is now in his fourth year as a minor league umpire.

In his letter, the son points out that "People are trying to nominate and admit people into the Hall of Fame who

Perfect Beauty keeps record intact

by Harry G. Farrow, Jr.

BRANDYWINE RACEWAY, WILMINGTON, DEL - Perfect Beauty was back in the winner's circle again Saturday night as she won the final leg of the Show Case Stakes at Brandywine. It was her fifteenth straight victory in Delaware and the one race she had last fall at Lexington, Ky. Her string of over all straight victories was snapped a week ago Sunday at Rosecroft Raceway.

According to Brandywine Public Relations Director Marv Backrad, Ross Hayter said Beauty was her old self again. She left with the starting gate and took the lead right away coming from her 6th post position. She cut out

the mile and trotted to an easy victory without a stretch drive in 2:01.1. She outclassed the field and showed she still has what it takes to be a "world's champion."

Critics of Beauty's loss at Rosecroft said she was given a bad ride, because she spent a lot of energy chasing the starting gate that particular night. Hayter according to Backrad said she had an off night. Hayter is the leading driver at the current Brandywine meet, and is regarded as one of the best reinsmen in the country today.

The track conditions on Saturday night at Brandywine were wet and sloppy.

Steve Troyer, Greenwood Mennonite School, in the shot put.

David Chupp, Greenwood Mennonite School, at the finish of the 800m relay.

Greenwood Mennonite does well in regional track meet

by Mickey Chaffinch

Greenwood Mennonite School participated in track meets with their senior and junior high school teams on May 18 and 19th. The meets were held at Messiah College, near Harrisburg, Pa. They were sponsored by MACSA (Mid-Atlantic Christian School Association) and attended by over 90 schools from Maine, Va., Del., NY., Pa., N.J. and Conn.

GMS Senior high boys and girls teams both won first place. Individual boys winners in the Sr. meet were: Steve Troyer, shot put, 43' 3" (school record and MACSA record); Steve Troyer, discus, 113'; David Chupp, 100 m, 12.1 sec. (Chupp also placed second in the long jump with a fine 20' 6" jump and anchored the 800 and 1600 m relay teams which finished first with times of 1:43 and 3:55) Other top finishers were: Marlin Kauffman, (freshman), second in the 1600; Chuck Craft, third in the 1600 and third in shot put; Brent Gehman, second in the 800; Melvyn

Miller, second in the discus. Freshman, Richard Swartzentruber and Bradley Gehman also scored in the 800 and 400 respectively. Individual winners in the girls meet were: Amy Wright, 400, 1:07 (school record); Becki Chisenhall, 200 m, Lori Messick, 800 m. Other top finishers - amy Wright, second in the 100 m; Faith Chupp, third in the high jump; Laura Anderson, third in the 800 m. Chisenhall, Chupp and Troyer are seniors.

The junior high school teams did not fare as well as the senior high teams. Outstanding efforts included: Shelly Miller, track, 800 m (2:46, school record) and fourth in the 100 m; Michelle Melvin, fourth in the long jump; and a third place finish in the 400 m relay, anchored by Shelly Miller.

Many of the junior high team members set personal records including Theresa Miller, 1:15 in the 400 m and Mike Chupp, 13'4" in the long jump.

Hunting and Fishing on Delmarva

by David F. Coady

WEAKFISH TOURNAMENT - In spite of all the rain the World Class Weakfish Tournament was completed. The winners are: Charter Boats - First Place Miss Ginger; Second Place Miss Kirstin and Third Place Miss Kirstin. Anglers: First Place Leroy Walter of Pa. - 14 lb. 8 oz.; Second Place Jim Love of Rehoboth 12 lb. 4 oz. and Third Place Charles Geraci of Pa. 12 lb.

Private Boats - First Place Wave Dancer, Second Place boat owned by Mike Stallings and Third Place Three J's. First Place Angler Luis Almando of Rehoboth 13 lb. 2 oz.; Second Placed Joe Rowan of Rehoboth 11 lb. 12 oz. and Third Place John Baylor of Pa. 11 lb. 9 oz.

The State Police Fishing Tournament will be held on May 28 at the Cedar Creek launch area. For more information contact Troop 3, Camden. Telephone 736-4863.

COMMERCIAL VS. SPORT FISHERMAN - It now appears that sport fishermen not only have the numbers but also the financial clout to be a force to be reckoned with in Delaware. The Delaware Saltwater Sports Fishing Association (DSSA) has been fighting for revision or Rejection of SB 107. David Ben Rockland recently

completed a doctoral thesis at the University of Delaware on the economics of fishing in the river and the bay. The Rockland study reveals that revenues generated from recreational fishing to be approximately \$13 million compared to \$3 million by commercial fishing. Although not designed to do so, the report will add more political clout to sports fishing interests.

SAFETY - Jellyfish, rip currents, crashing waves and beach patrols along Delmarva's beaches are just a few of the topics covered in a new slide-tape presentation entitled "Beach Safety on the Delmarva Peninsula," now available from the University of Delaware Sea Grant Marine Advisory Service. (MAS).

The 20-minute presentation, complete with script, slides and cassette tape, is available for free loan to any interested group or organization. A limited number of copies are also available for purchase at \$50.

To get a copy of "Beach Safety on the Delmarva Peninsula," call Delaware MAS at (302) 645-4346, Maryland MAS at (301) 454-6054, Virginia MAS at (804) 642-2111 or the Delmarva Aquatics Council at (301) 266-6100.

Sports Quiz

by William T. Ficks

Last Week's winner in the Sports Quiz was Johnny Szostak of Felton, Del. He will receive a \$10.00 check from the Harrington Journal. Whoever sends the first letter or postcard with all ten questions answered correctly this week will receive a \$5.00 check from the Harrington Journal. Be sure to include your name and address. The winner of this week's sports quiz will be drawn on June 3 and announced in the June 8th issue. Starting this week all entries must be mailed to: Sports Editor c/o Harrington Journal. All correct responses will be placed in a container and the first one drawn will be declared the winner. Only one entry for each expert. If there is no winner, \$5.00 will be added to next week's prize.

Delaware Crime Stoppers offers cash for tips

Delaware Crime Stoppers will soon be familiar to Delawareans. Modeled after successful efforts throughout the country, Crime Stoppers pays up to \$1,000 cash for information that leads to the arrest and indictment of serious criminals. Since callers need not use their name, there is no chance of retaliation.

To work, Crime Stoppers needs support from police, media, businesses and community. It is a non-profit corporation that publicizes a Crime of the Week, usually a serious felony. Callers providing anonymous tips on that crime, or any other felony, are given a code number. If the information proves valuable, the Board of Directors of the corporation pays up to \$1,000 cash.

The first Crime of the Week began April 4. Each Monday, a new crime will be publicized throughout Delaware.

Former Governor Elbert N. Carvel and former Senator J. Caleb Boggs,

are honorary co-chairmen for Crime Stoppers. Mr. Norman Powell was recently appointed Board Chairman. Board members represent the media, businesses, and private citizens throughout Delaware.

Information on the following crime of the week will pay up to \$1,000 cash for information leading to an arrest and indictment:

Anne Manchester disappeared from Villa Belmont Apartments in Newark on Saturday, June 29, 1980. She has not been seen since. She was described in 1980 as 28 years old, 5'2", 115 pounds with long brown hair and brown eyes. Her apartment was found unlocked. Still in the apartment were her pocketbook, keys, wallet, and other personal items. Her car was parked in front of the building. She was nearing the completion of a Master's Degree at the University of Delaware. Crime Stoppers is seeking any information concerning Anne Manchester.

Greenwood High School Reunion

by June Bostick

"With the Hopes of the Past, we Ring the Bells of the Future!" was the theme of the 1983 Greenwood Alumni Association Annual Banquet and Dance held Saturday, May 14, at Woodbridge Elementary School in Greenwood. This was also the motto of the class of 1938, the year of the first Greenwood High School Alumni Banquet.

Honored classes included 1908, 13, 18, 23, 28, 33, 38, 42, 48, 53, 58, 63, and 69.

Kenneth McIlvaine, class of 1944, president conducted the business meeting. Two members of the class of 1913, Mrs. Sadie Jones Hill and Mrs. Virginia Lyons Conaway, were honored for being the oldest alumni present. Rose Handloser traveled from the Union of South Africa where she is a missionary to receive the gift for the alumni coming the longest distance. The gift for the alumni coming the greatest distance within the United States was won by Treva Yoder Kurtz who came from Florida. Louis Everline won an award for being the 45th alumni to make dinner reservations.

Various other gifts were presented to Mary Morris Young, Ken Warren, Charles Ruggiero.

Louis Mills and Jane Lord Messick were the lucky winners of cakes donated by Beverly Breeding and Mary Wiseman.

Two \$100.00 alumni awards were presented to two seniors of Woodbridge High School whose parent or parents were graduate of Greenwood High School. Renee Vincent, daughter of Mr. and Mrs.

Raymond Vincent, and Gary Dickerson, Jr., son of Mr. and Mrs. Gary Dickerson were the winners. Renee won the William Horner Music Award while Gary received the Anna Tucker Award. A necrology service for the 1982-83 deceased members were offered by LeRoy Calhoun.

Robert Messick submitted the slate of officers for 1983-84. They are: President - Ron Breeding; 1st Vice President - Carlos Wiseman; 2nd Vice President - Orville Hammond; Secretary - June Warrington Bostick; Asst. Secretary - Beulah Houston Kulmack; Treasurer - Raymond Baker; Asst. Treasurer - Helen Duker Wilson.

Following the business meeting entertainment was provided by the Stoney Creek Cloggers.

Completing the evening were the annual dance with music provided by Wiskey Junction, Bingo and a hobby show.

During the evening there was much remembering as 'things used to be' by those attending and of the many changes 45 years have brought.

From the first graduating class in 1903 until 1969 there was a Greenwood High School. In 1969 Greenwood consolidated with Bridgeville to become Woodbridge School District. Currently there is an Elementary School in Greenwood. But in the memories of those attending the Banquet and from viewing photographs and other items brought back, Greenwood High School will always hold an important place in the lives of the graduates.

Publisher's Choice

by Harry G. Farrow, Jr.

"...regardless of the aches and pains, there are really no excuses..."

It has come to my attention that many citizens were upset with this newspaper for not either covering the recent Harrington High School Alumni Association annual dinner, or in the alternative, not coming up with a follow-up story.

It has been the custom to attend the function each year, which is widely acclaimed by all, but this year I was ill. At the time of the annual function I was in bed flat of my back with not enough strength to make a fist. Colds and general wear and tear had pulled my resistance down.

In the past it has been very difficult for me to get good pictures because a strong flash...real strong flash has been needed to get enough light on the subject at the stage area. My suggestion last year was that this year we wait until after the program and line up the alumni for the pictures. This is difficult to do I realize, because this

means two trips for the alumni to the stage area. Also in the past, Sam Mackert has done an outstanding job with the picture taking, and we have always worked with him and D.D. Derrickson with what pictures they wanted printed. In most instances we have run the pictures over a two week period, because there just isn't always enough room for them in one publication. We try to do the best we can, for we realize the importance of this organization. Trying is not always good enough.

It is too bad a certain merchant in the local shopping center chose to make remarks uncomplimentary about this newspaper due to the failure to cover the annual affair. I think the staff does and has done a pretty good job here with everything considered. I don't think this newspaper can be charged with improper service to the community. My suggestion to him would be more ads in the newspaper makes for a better newspaper, because the readers will get more news.

Spartans are third in state track meet

by Keith S. Burgess

Lake Forest's Spartan boys did an excellent job, at the Division II State track meet. The Spartans were third behind Howard and Cape Henlopen, with Woodbridge and Seaford next.

The Spartans had state champions, in Tony Scott and Rob Prutzman. Tony triple jumped over 46 feet, with Mike Briggs fourth. Tony also was 5th, in the 300 hurdles and fourth behind Jerome Harris third in the 110 meter high hurdles.

Prutzman spun the discus 146 feet with freshman, Barry Chaffinch, finishing sixth. Prutzman hurled the 12 pound shot, 51 feet, 9 inches. This second place effort is also a new Spartan mark.

Ralph Taylor and Maurice Parker were third and fourth in the long jump. James Browne and Jay Harmon occupied the same spots, in the high

jump. Darrell Tolson turned in another strong effort, in the 800 meter run. Tolson ran a good 2:02, for third place and beat some very good runners, with vastly more experience than he.

Nelson Mosley, an excellent 400 meter runner, pulled a muscle and could not approach the 50 seconds flat mark, he made last week.

With two regulars out of the 1600 relay, Coach Blades gave the nod to substitutes, Jerome Harris and Jerry Mosley. This pair joined Sheldon Powell and Marvin Parker to enter the Spartan record book with a 3:32.8 clocking. Earlier Jerry Mosley, Chris Caskey, Sheldon Powell and Darrell Tolson were third, in the 3200 meter relay, in 8:34.7.

Dan Donovan ran 10.40 for 3200 meters to also set a new, school mark.

Burrsville Ruritan hosts Harrington Rotary

At their regular meeting on May 12, the Burrsville Ruritan had as their guests members of the Harrington Rotary Club. This was a project of the Business and Professional Committee of the Ruritans to get better acquainted with other service clubs in the area.

After a delicious dinner served by the Ladies of the Burrsville Methodist Church, we settled back to hear a program on our Social Security System. Mr. Bill O'Leary, Assistant Manager of the Dover office, spoke of the many changes in the social security system from its inception in 1935 to

present 1983 changes. Many interesting questions were asked of Mr. O'Leary and he responded very well.

Mr. O'Leary stated he had faith in our system and he believed the system is stable but will need adjustments in the future to remain secure.

He stressed that Social Security was only intended as a supplement to a person's retirement plan. He urged everyone not to be totally dependent on Social Security for retirement purposes. [Submitted by the Burrsville Ruritan Club]

Washington College holds Commencement

A total of 106 bachelor of arts and 15 bachelor of science degrees were conferred upon graduating seniors during Washington College's first commencement of its third century May 15. In addition, the college awarded 17 master of arts degrees, along with one other bachelor of arts degree completed last summer.

Walter Cronkite, CBS News special correspondent, delivered the address to the senior class. Honorary doctoral degrees were presented to Mr. Cronkite and to Eugene B. Casey, friend of the college and husband of Board of Visitors and Governors member Betty Casey.

For contributions to his profession, Second Judicial Circuit Court Judge George B. Rasin, Jr. '37, and for selfless efforts in behalf others, Maurice L. Rayme '31 each received an Alumni Citation.

Daniel L. Premo, professor of history and political science, delivered a tribute to Garry E. Clark, who led the college as Acting President during its 1982 bicentennial anniversary and

served as Academic Dean through the first year of its third century.

Washington College is a small, private, coeducational liberal arts and sciences institution located in historic Chestertown on Maryland's Eastern Shore. Celebrating its 201st anniversary this year, it is the tenth oldest chartered college in the nation and the oldest in Maryland. Named for George Washington, who served on the college's first Board of Visitors and Governors, Washington College is the only institution that bears his name with his express consent.

DEGREES CONFERRED - May 15, 1983 - Bachelor of Arts:

Irwin Gwynne Burton, III, Milford, Delaware; Thomas Marsh Summers, Milford, Del.

Bachelor of Science: David Wade Singer, Greensboro, Maryland.

Master of Arts - Paul Gregory Blumberg, Greensboro, Maryland; Stephen Kent Radis, Seaford, Delaware.

Master of Arts: Paul Gregory Blumberg, Greensboro, Maryland.

Colby Sherman celebrated 10th birthday

On May 14, 1983, Kathie and Wilbert Sherman had a 10th birthday party for their son Colby. They had 16 birthday guests attend: Alex and Angie Argo, Terry Hill, Joey and Lance Lane, Angie and Margaret Mason, Brian Bird, John and Shannon Magrew, Aaron Rhoades, Jennifer and Lia Safe, Sister Cherite and Brother Robert Sherman and Grandmom Lord - Betty Lord. They played games and had lots of fun. The presents were opened, ice cream, cake, snacks, and drinks were given out. As the party ended about 4 p.m. we had a grand finale that was unexpected. A group of six balloons floated over us and landed in the field

across from us. The children ran to capture the balloons and gave them to Kathie. Attached to the balloons were 13 tags from the City Temple Baptist Church in Baltimore, Md. Kathie will be mailing to them the information needed to aid the Sunday School through a successful mission. It will be interesting to get a response back from

them knowing how surprised they were to think that someone did see their balloons in flight and did see them land. Also, the information on the tags was not damaged so that they could be read and mailed back successfully. [Submitted by Kathie Sue Sherman]

Commentary

[Continued from page 7]

are playing softball, squash and other sports that are really not sports of major interest in the state of Delaware or the United States."

The son reviews his father's background and goes on to say, "It seems odd that a man with a professional lifetime batting average of well over .300 is not in Delaware's Sports Hall of Fame, and people who are in much lesser-known sports are being nominated and inducted."

This letter is more than just filial devotion on Bobby's part. This is a young man cognizant of the ins and outs of the sports world on the high school, college and professional levels. He presents hard facts that cannot be ignored.

Here we have a man, "Spook" Jacobs, whose deeds on the diamond alone should automatically insure him a place in the Hall.

He was born in Cheswold and has resided in Delaware more than 20 years since his retirement.

Those 20-plus years have been largely devoted to sports affairs and functions of one kind or another. He has managed, instructed and developed young athletes; he has brought an expert knowledge to reporting the sports scene; and he has organized sports banquets that were among the best sports blowouts in the state.

Surely this is a man whose election to the Delaware Sports Hall of Fame is long overdue.

Columbus, Ohio, where he once played, inducted him into their Sports Hall of Fame in 1978.

The selection committee should follow the Columbus move and, without further ado, induct Forrest "Spook" Jacobs into the Delaware Sports Hall of Fame where he belongs.

Trash? ...or Treasure!

GET CASH ON THE SPOT FOR YOUR ALUMINUM CANS AT REYNOLDS RECYCLING

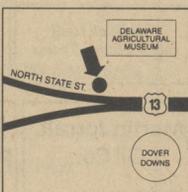

Recycling—easy to do, profitable, too! And now, Reynolds makes it convenient for you—just bring your aluminum cans to the conveniently-located Reynolds Recycling Center in Dover and get paid 24¢ per pound, cash on the spot.

Join the thousands of Delawareans who are helping to conserve energy and our natural resources, while keeping our environment clean—and getting paid cash for their efforts, too!

Aluminum recycling, made easy the Reynolds way. Reynolds also accepts certain other aluminum products—for information and prices, telephone toll-free 1-800-228-2525.

Here's where we are in Dover:

Reynolds Aluminum Recycling Center, 1076 North State St. at Route 13 next to the Delaware Agricultural Museum Open Tues. thru Sat. 9:30 AM to 5 PM.

Astro-Analysis
By Sonia McGinnis

HOROSCOPE FOR THE WEEK OF MAY 30, 1983

ARIES [March 21-April 19] - By midweek you get the proper motivation needed to explore new areas of opportunity. Taking up studies that help to expand horizons, afford the chance for interesting endeavors is indicated.

TAURUS [April 20-May 20] - Intellectual capabilities are sharpened as week progresses and your innovative ideas can be applied to a constructive, worthwhile purpose. Further aims by getting finances in proper order, this should be top priority.

GEMINI [May 21-June 21] - As a more energetic trend approaches you can successfully branch out in new directions. Your enterprising efforts, coupled with creative abilities gives you the advantage now.

CANCER [June 22-July 21] - Your convincing personality helps to win the confidence of others who can assist in furthering your own causes. By communicating closely with reliable, trusted friends you can conquer most any situation effectively.

LEO [July 22-August 21] - Although social events continue to be a prominent part of week's activities less emphasis should be placed on these events and more upon creating more stable career plans.

VIRGO [August 22-September 22] - Main highlights this week occur with working conditions. Prepare for the chances of advancement, gaining more public recognition. Be willing to extend a helping hand to people in less fortunate situation.

LIBRA [September 23-October 22] - Confusing issues are more easily resolved this week and things can get back to a more comfortable routine. Not a time to shirk responsibilities, however. Welcome the chance to meet new challenges.

SCORPIO [October 23-November 21] - Your quest for getting to the bottom of things and solving problems keeps you occupied. Encounters with relatives end in your favor so don't show flexibility about important issues.

SAGITTARIUS [November 22-December 20] - Cooperative associates help you with meeting deadlines, fulfilling obligations. A joint relationship proves far more prosperous than assuming full responsibilities, showing too much independence at this time.

CAPRICORN [December 21-January 20] - Pay particular attention to the details this week; tie up all loose ends. People you're in close contact with are more than willing to help out, offer suggestions and advice.

AQUARIUS [January 21-February 19] - Matters that center around home environment are much improved and you get along famously with relatives and kin. Good also for embarking on a redecorating scheme that improves decor.

PISCES [February 20-March 20] - By playing the role of protegee of one who is more knowledgeable you gain new insight and can view things in a more objective manner. Not a week for snap decisions, however.

GOOD NEWS FOR TELEPHONE CUSTOMERS IN THE HARRINGTON 398 EXCHANGE.

You've got electronic telephone switching. One of the most modern telephone systems in the world. Naturally, there are a few changes in dialing directions and telephone sounds. But it's all been designed to make your telephone service faster and more convenient.

International Direct Distance Dialing.
 Now you're able to dial direct to many foreign countries. For complete dialing instructions, check the Customer Guide section of your telephone directory.

You've Got A New Sounding Dial Tone.
 Your dial tone now has a more even tone. Also, you won't hear any clicks or background sounds when you dial. We know it's not what you're used to hearing; however, there is nothing wrong with your phone. SPECIAL NOTE: You're no longer able to ring an extension phone by dialing a special code or by dialing your own number and hanging up.

Important Notice for Party Line Customers: Now You Must Dial 7 Digits To Reach Your Party Line Directly.
 Here's the new way to call another person on your party line. Dial all 7 digits of the party line number. You'll hear a busy signal. Hang up immediately. Now, your phone will ring. When the ringing stops, your party is on the line. If your party is not home, your phone will continue to ring. You can stop the ring by picking up your receiver and hanging up.

Touch-Tone® Service.
 Push button phones, the fastest, quietest, most modern way to call now operate even faster. Your Service Representative will be glad to provide you with the details.

Custom Calling Services.
 Individual line customers can enjoy a whole new world of telephone convenience. Call Waiting lets you answer a second call while you're already on the phone. Call Forwarding lets you transfer phone calls to another phone while you're away. 3-Way Calling lets you add a third party to any conversation. And Speed Calling lets you dial frequently called numbers in less than half the time. For more information on these services, call your Service Representative. The number is on the front page of your telephone bill.

Faster Disconnections.
 Your line now disconnects within seconds when either you or the person you're speaking with hangs up. Goes to an extension phone or moves a plug-in phone. This prevents anyone from tying up your line.
