

# Board fails to make Garey replacement

by Harry G. Farrow, Jr.

FELTON - In a marathon meeting at the high school on Monday night, the Lake Forest School Board members... or what was left of it... could not reach a vote on a suitable replacement for resigning board member Bill Garey. Rick Feutz read aloud letters from seven applicants. They were Marvin E. Brown, a former school board member, John M. Curtis, Jr., Doris W. Draper,

Albert C. Price, retiring school board member, George H. Jones, Frank A. Soriano, and Gordon C. Rennie.

Following the reading of the letters, school board president Rick Feutz asked for a motion to approve one of the candidates. Board member James Gussett nominated Marvin E. Brown. With only C. Wallace Caulk, Jr. left to make a second, the motion failed. Price had removed himself from the

procedure since he was a candidate, and Garey by this time was officially off. Next, Feutz asked for another nomination, and Caulk nominated Jones. Again the second on the motion failed. Feutz then asked for a motion to adjourn the meeting after agreeing to table the matter of a replacement for Garey at a future date at the discretion of the school board president, Feutz. Following the meeting, the feeling

was that since the law does not make it mandatory to fill the vacancy set about by Garey's motion, it is quite possible that the Board will continue with just four members until next year's election in May. "At that time the district voters will be voting for two members to come on the Board. A full 5 year term and the remainder of the 2 years left on Garey's term. Each candidate would have to decide on which office to

seek", said Feutz.

Of the candidates appearing at the meeting on Monday night, retiring board member, Albert C. Price, said he filed for the remaining one year on Garey's term, "...because long standing supporters had asked me to file and I wanted to see the minor capital improvements program through to completion". In other matters, the Board decided

to table the decision to move all district administrative offices to South "B". The presentation made by Charles Saulisbury was directed at a major

savings to the district by closing down the cafeteria at South "B". Saulisbury said "...the district is big business. We have 326 on the payroll with a \$7 million dollar budget". The students at South "B" would move to South "A".

## Chicken Festival fun and frolics

by William T. Ficks

It was a chicken lover's delight. It was a child's magic wonderland. It was a music lover's dream. It was a girl watcher's Utopia. It was all of these things and more.

It was the 36th annual Delmarva Chicken Festival. Favored with two beautiful spring days, festival goers strolled the Milford High School grounds from Friday, 10 a.m. to Saturday, 6 p.m.

The festival featured beauty contests, rides and games, magic and puppet shows, hot air balloon rides, music and dancing, arts, crafts and antiques along with contests, displays and exhibits.

A special poultry exhibit inside the school commemorated 60 years of progress for Delmarva's broiler industry.

"It was in 1923 that we went into commercial production," said Edward H. Ralph, Executive Secretary, Delmar Poultry Industry, Inc.

"We rank fourth in production in the country and we have the most concentrated area," Ralph added.

The industry produced 471 million broilers last year.

The always popular beauty contest was held in the school auditorium. An abundance of feminine pulchritude displayed itself as 19 teenage beauties vied for the 1983 Delmarva Poultry Princess title.

Mollie Lu Shannahan of St. Michaels, Md. won the Poultry Princess crown while Milford's Janiece Lynn Wallace, a four-year-old honey blonde walked off with the "Little Princess" laurels.

Shannahan performed a flute solo of "Annie's Song" for her talent number.

As first prize winner she picked up a \$1,000 scholarship and a Hess Apparel \$200 gift certificate among other tributes.

Robyn Denise Holston of Georgetown was voted "Miss Congeniality." The little Wallace girl, daughter of

Roy and Carol Wallace of Milford, recited "Five Little Ducks" en route to winning her "Little Princess" crown.

Janiece was in the festival press room with her parents on Saturday afternoon.

"We're very proud of her," said Mrs. Wallace. Janiece flashed a winning smile and showed the poise of a young Helen Hayes.

Her father and older sister stood proudly a few feet away, realizing that for today the limelight belonged to Janiece.

Runner-up in the Little Miss Pageant was "Miss Felton," Carrie Leigh Jester, daughter of Mr. and Mrs. William G. Jester.

A variety of entertainment was on tap both days of the festival.

Flip Richards and his wife performed a magic act while the Banjo Dusters, Crabmeat Thompson and the Don Del Singers provided musical entertain-

ment along with the Senior Citizens Band and the United States Army Field Band "The Volunteers." A dance group performed in the school auditorium while belly dancers gyrated on the outside stage.

The football field was the site of a chicken plucking contest for media personnel.

Feathers were flying as James W. Tomey, Delaware State News Community Relations Director, was declared the winner.

A second plucking contest for past winners was won by Otto K. Lange of Salisbury, Md. Lange had won in 1980 and 1981.

The egg-throwing contest was won by Robert H. Isaacs of Georgetown and his brother Wayne P. of Milford.

Dorothy LaChance of Salisbury won the frypan-throwing contest, which was for women only, when she hurled

The two young ladies will reign for the coming year as representatives of Delmarva's giant poultry industry.

## Public opinion on proposed new City Hall

by David F. Coady

As everyone should know by now, the Harrington City Council has scheduled a Public Meeting for 7:30 p.m., June 28, at City Hall for the purpose of hearing public comment on a proposal to borrow \$125,000. The money is to be used to purchase and renovate property located at 110 Center Street, Harrington. The building would be used for a new City Hall. This would include City offices, Council Chambers, Alderman's Court and the City Police Department. It is not clear at this time if the public library would be included.

As a public service, the Harrington Journal undertook a survey of public opinion from residents and merchants in Harrington. The following two questions were asked:

1. What is your opinion with regards to a new City Hall being located at 110 Center Street? Keep in mind this complex would house City Hall, Council Chambers, Alderman's Court and the Police Department.
2. If City Hall is moved to 110 Center Street, should the public library be located within the new complex?

### RESPONSES:

Viola Jacobs, 101 E. Center St. 1. It's a nice place, but I don't know where in the world anyone would find parking. 2. I have no comment on the

library. Mrs. Terry Stewart, 106 E. Center St. 1. It's all right. It doesn't really matter to me. 2. The library should be included.

Margaret Melvin, 308 2nd Avenue. 1. I would be very pleased to see City Hall move to Center Street. 2. I don't care about the library, I never use it.

Albert Price, 209 E. Center St. 1. This is strictly a residential neighborhood and moving City Hall here would commercialize it. Especially considering that the Police Department is open 24 hours a day. I am in the real estate business, and I know property values. What they propose to pay for the building is too expensive for the value of property in Harrington. 2. I have no qualms about the library being included, but I believe that it is more central where it is, and the federal government will take back the building.

Rhonda Hitchens, 100 E. Center St. 1. I think it is okay, but I would rather see them locate downtown. I think they should fix up a building downtown even if it is more expensive. 2. The library is fine where it is.

Russell Legates, 108 E. Center St. 1. There is not enough parking in the area. We already have a parking problems. The price seems too steep.

2. It would be nice to have the library at City Hall but the parking situation would be even more acute.

Ruth Brode, 310 2nd Ave. 1. It doesn't make any difference to me. 2. The library is more central where it is.

Jeanie Gamido, 107 E. Center St. 1. I'm not really in favor of City Hall moving here. I live right across the street and have small children playing outside. I do not want to see an increase in traffic. 2. If City Hall does move here, the library should be included. The library deserves better facilities.

Rosella Humes, 200 E. Center St. 1. I don't know where everyone will be able to park. There is parking problems in the area already. I would like to know the price that is being paid for the property. 2. The library is more accessible where it is, but I would not have any objections to moving it.

Donald Chalmers (barber shop, Mechanic St.). 1. I haven't given it much thought one way or the other. 2. The library should be moved if City Hall has the room. It would be less expensive to operate if everything was at one location.

Clarence Collins (Collins Clothiers, 40 Commerce St.) 1. The property is not worth the price they propose to pay for it. I am definitely opposed to it. They

should worry more about fixing up the downtown area. There is a building available that would suit their needs that used to house the offices of Delmarva Power and Light. 2. I am not against the library being located in City Hall.

Robert Taylor (Taylor's Hardware, 41 Commerce St.) 1. I would prefer to have City Hall located downtown. I appreciate that the City Councilmen have put a lot of work into the feasibility of where to locate City Hall. I worry about locating it in a residential neighborhood but would not be opposed to it if the residents do not object. I would like to know a breakdown of the cost. 2. I believe it would be better for the library if it were located in the City Hall building. It would save money and make the library more accessible. I understand that the Federal Government will take back the present library building if it moves.

NOTE: The Harrington Journal does not claim that this was a scientific poll. Names were selected from the Cross Reference Directory, Greater Dover and Lower Delaware, December 1982 edition. Telephone numbers were selected and phoned. Three attempts were made where the line was either busy or there was no answer.

## Plant lover's paradise

by William T. Ficks

The Choptank Nursery on Rt. 14 near the Maryland line is a plant lover's paradise.

As you walk among the more than 50,000 plants and trees you get the feeling you're on the set of a Tarzan jungle movie.

Carl and Jeanne Senos, along with their 18-year-old daughter Lori, are overseers and caretakers of all this scenic beauty. Another daughter, 21-year-old Rene, had assisted at the nursery but is now attending the University of Delaware. The Senoses also employ two neighbors, Bob and Jenny Evers.

They opened the nursery in 1973 as wholesalers and in the fall of 1982 entered retail sales.

Mr. Senos, who has a B.S. degree in horticulture from the University of Delaware, plus 16 years experience, also does residential and commercial landscaping.

Among the local businesses embellished by his landscaping talents are Peoples Bank, Hi-Grade Dairy and Restaurant, Chick's and the First National Bank in Canterbury. He also landscaped the American Legion's Memorial Garden.

He is a past president of the Delaware Nurserymen's Association.

His wife, Jeanne, a registered nurse at Kent General Hospital in Dover, is also president of Caroline County Business and Professional Women.

"We've been so busy here, I've had to cut back my hours at the hospital," she said.

She recently opened the Tree House Crafts shop on the nursery grounds. The shop features hand-crafted items such as buckets, churns, split oak baskets, ducks, counted cross stitching, afghans, pillows, cloth vegetables, ceramics and corn husk and pine cone wreaths.

All items are hand-crafted by area residents.

When asked where she finds time for all these activities, she laughed, "There's no time to be bored."

The nursery has twenty-six growing houses and two propagation houses. Lori is chief propagator.

Azaleas are a speciality of the nursery.

Among the top sellers are such long-enduring favorites as roses, rhododendrons and hollies.

"We've also done a tremendous business in mulch. It's been going out by the truckload," Mrs. Senos said.

Also on display are houseplants and hanging baskets. Among the trees are White Pine, Douglas Fir, Canadian Hemlock, Blue Atlas Cedar, Deodar Cedar, Purple Leaf Plum and Japanese Black Pine.

If you've been longing to go back to nature, take a ride out Rt. 14 to the serenity and tranquil beauty of a little bit of heaven called Choptank Nursery.

## Auxiliary presents \$50,000 to Milford Memorial Hospital

The Auxiliary of Milford Memorial Hospital presented \$50,000.00 to Joseph B. Ahlschier, Hospital President, at their meeting June 14th in the Hospital's Administration Building. The gift is the Auxiliary's contribution to the cost of the CT Scanner which was installed in the Hospital in February. The CT Scanner is an expensive, sophisticated diagnostic tool that greatly increases the Radiology Department's ability to make rapid, accurate medical diagnoses.

Mrs. S.M.D. Marshall, Jr., Auxiliary President, presided at the morning meeting and introduced the Auxiliary's two guests of honor, Mrs. Wm. Carlton Clifton of Milton and Mrs. Wilmer Stradley of Milford. Mrs. Marshall explained that the \$50,000.00 gift to the Hospital included the record-breaking profits from the Auxiliary's 1983 Hospital Fair, earnings from the operation of the Hospital Gift Shop, receipts from the Auxiliary membership drive and Christmas greeting advertisement, and two generous gifts from friends of the Auxiliary and the Hospital. Mrs. George T. Evans, Jr., Hospital Fair co-chairman, presented

Mr. Ahlschier with a check for \$29,053.07 from Hospital Fair receipts, the largest net profit in the history of the Hospital Fair. Mrs. Charles Hammond, Hospital Shop co-chairman, presented current Gift Shop earnings, and Mrs. L. Hayes Dickerson, Auxiliary vice-president, presented membership and Christmas advertisement receipts to Mr. Ahlschier.

The Auxiliary was warmly thanked by Mr. Ahlschier on behalf of the Hospital Board of Directors and Administration and praised for its continuous, generous support of many important Hospital activities. He said that this year's Auxiliary gift to the Hospital was truly remarkable and that the success of the 1983 Hospital Fair properly reflected the community's excellent support of Milford Memorial Hospital.

Following presentation of the Auxiliary gift, three new Auxiliary officers were installed by Mrs. Leslie Dobson. Mrs. L. Hayes Dickerson was installed as 2nd vice-president, Mrs. Clyde Wilkins became the new treasurer, and Mrs. Harriet Hastings was installed as recording secretary.

**DELAWARE STATE FAIR HEADLINERS**

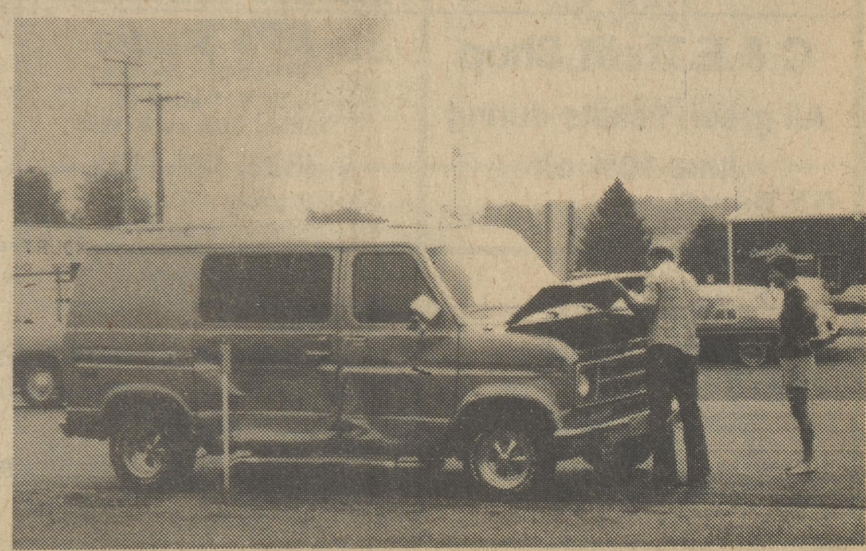

The 1983 Delaware State Fair will be the site of the first Delaware State National Truck and Tractor Pulling competition. The National Tractor Pullers Association's Wrangler championship series event will take place in front of the Grandstand at 12 Noon on Wednesday and Thursday, July 27th and 28th.

The national competitors will compete for a portion of the \$100,000 Wrangler championship series money (and crown).

This event will include national competitors with super stock tractors, modified tractors, and FWD trucks, built strictly for tractor and truck pulling competition.

Two vehicles collided Monday morning at the intersection of Delaware Avenue and U.S. 13. Charged in the accident was Ralph Butler, Jr. of Harrington in the van, for inattentive driving when he allegedly pulled into the path of the Honda Accord driven by Lowell Joyce of Dover. Joyce was hospitalized with chest injuries and possible broken ribs. Roger Redden of Harrington was parked in the intersection and received damages to the left front of his vehicle. Photo by HGF.

## Local dairy operation recipient of 1983 Environmental Award

Townsend Grain and Feed Company of Townsend, A & E Vogl Brothers, a dairy operation west of Harrington, and GM Assembly Division of General Motors Corporation, Wilmington have been named recipients of the Governor's Advisory Council on Environmental Control's Fourth Annual Environmental Achievement Awards. The companies were selected for outstanding progress in creating a cleaner environment for the people of Delaware through establishing and maintaining environmental control equipment in their operations. Lt. Governor Michael Castle presented the awards at 1:30 p.m. Wednesday, June 15, 1983 at Legislative Hall, Dover.

In January 1982 the Vogls were applying their dairy manure at will and very rarely used a soil test. A year after working with the Cooperative Extension Service they adopted a management plan that uses soil tests, manure analyses, manure spreader calibration and modifications, dairy manure storage facilities, plastic covered broiler manure piles, restricted application of manure in a buffer area around ditches and proper timing of manure spreading to reduce loss of nutrients to ground and surface water

due to leaching and runoff.

The Vogl brothers are also using no-till farming which is the state of the art in corn production. They have successfully integrated poultry manure applications on no-till corn, where timing is extremely crucial and makes the difference between success and failure. The integration of poultry and dairy manure utilization requires planning, proper management, and good timing to maximize the benefits of both types of manure. These management practices have enabled the Vogls to reduce fertilizer costs by thousands of dollars by utilizing a valuable reusable resource. In the future, they plan to develop another manure storage facility and make spreader modifications.

In their continued efforts to develop and maintain a practical management plan of their farming operation, A & E Vogl Brothers are exemplary of many Delaware farmers who coexist with their environment and produce abundant food without degradation of our natural resources of soil and water.

A & E Vogl Brothers represents the first agricultural business that has been selected for Delaware's environmental award.

Lt. Governor Mike Castle congratulates Ernest Vogl, Jr., whose Harrington dairy farm is the first agricultural business to win the state's Environmental Achievement Award. Left to right, Mr. and Mrs. Ernest Vogl, Sr., Isaac Thomas, a member of the Governor's Council on Environmental Control; State Farm Bureau president Jack Tarburton, Vogl and wife Kathy, and the lieutenant governor.

### CORRECTION

Mrs. Grace Welch, a Heritage Day Worker would like to clear up a misunderstanding in last week's report on the Heritage Committee. Mr. Coady reported that the Heritage Committee had 31 of 38 (advertising) commitments, when in reality the Committee actually has 31 out of 38 CRAFTSPEOPLE who have responded to the invitation to participate in the

Heritage Day festivities. Mrs. Welch would also like to stress that the Heritage Committee needs every donor and pledge just as though they were never promised anything last Monday night. Their budget has been between \$800.00 to \$1000.00 and this year they feel that it will actually be closer to \$1200.00 to \$1500.00. They appreciate the Council's donation but plead with all prospective donors to please not cut their donations down!

The Blue-Gold All-Star Band and the Gold Cheerleaders performed on the bandstand in Rehoboth Beach on Saturday to help celebrate All Star Day there and to stir up interest in the 28th Annual Blue-Gold All-Star Football Game to be played this coming Saturday, June 25 at the University of Delaware Stadium. Starring selected seniors from the 1982 high school varsity football teams up and down the state, the Blue Gold Game is a big fund raiser for Delaware's retarded children. It also promotes increased understanding through the "Hand-in-Hand" program which makes buddies of All Star participants and retarded children. Traditionally played in August, the Blue-Gold game moves to June for the first time this year.

## Chicken Festival

[continued from page 1]

the cast iron skillet over 61 feet. Angelo Abbate Jr., a 24-year-old Houston resident with a gargantuan appetite, won the chicken-eating contest when he devoured nine pieces of fried chicken in two five-minute sessions. All that was left on his plate was a pile of shiny, stripped-clean bones.

Over 10,000 pounds of fried and barbecued chicken were consumed at the two-day festival.

Delmarva's giant frypan, trademark of the festival, was given a good workout. Between 7,000 and 8,000 pieces of chicken were fried in the two days.

The huge frypan was constructed in 1950 by the Mumford Sheet Metal Works of Selbyville. At the time it was known as the world's largest frypan. It is ten feet in diameter, eight inches

deep and requires 140 gallons of cooking oil. It can cook 800 quarters of chicken at one time.

Beginning in 1984 a chicken-cooking contest will be held on alternate years. The new cook-off will be a regional competition for 12 northeastern states and the District of Columbia, the marketing area for Delmarva chickens. Finalists will be selected to compete in Salisbury, Md. during the 1984 Delmarva Chicken Festival.

Between 20,000 and 25,000 attended the event, according to Peggy J. Bramble of the festival press office.

As the festival wound down and the crowd headed for the parking lot, an elderly lady remarked, "I really had a good time."

You might even say - it was finger licking good.

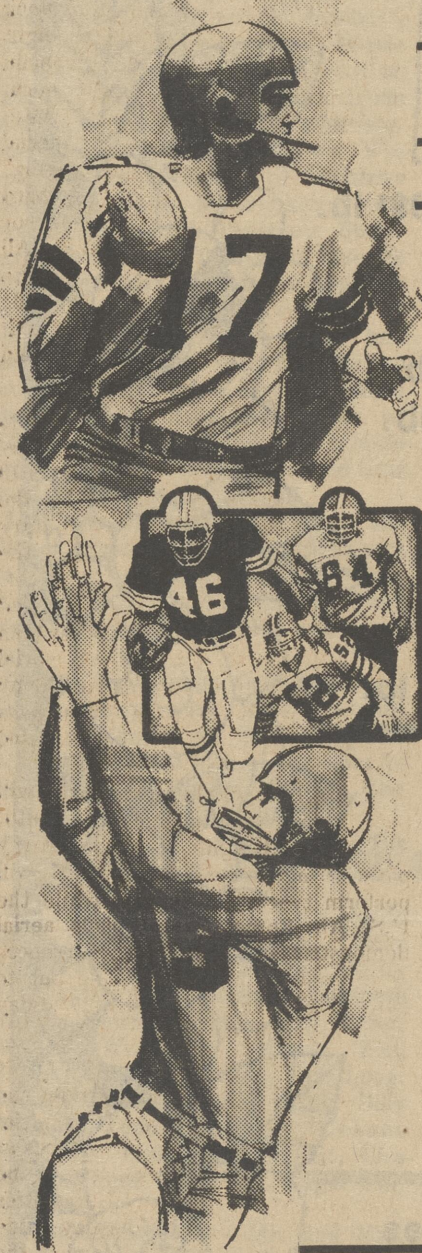

More than 10,000 lbs. of chicken was consumed at the 36th Annual Delmarva Chicken Festival held in Milford, Delaware on June 17th and 18th.

## Hunting and Fishing on Delmarva

by David F. Coady  
**PROPOSED NEW LAWS:** In the last days of this session of the General Assembly, there are several bills of interest for the outdoorsman. They are printed here without my personal opinion. H.B. 117 W/HA1 (West and Clendaniel) - opens stateland to chasing of Red Fox from January 30 - April 30. Note: This bill has been opposed by the Governor's Advisory Council on Fish and Game. S.B. 44 and H.B. 98 (companion bills) - gives reciprocity of licensing to non-residents. H.B. 183 - restricts artists in State Duck Stamp contest to resident artists. H.B. 229 - Permits use of dogs to hunt deer in Sussex County the last two days of our season. H.B. 149 - Check-off system for State Income Tax to benefit non-game, endangered species and national areas programs.

**PUBLIC MEETING:** There will be a public meeting of the Advisory Council on Fish and Game on Tuesday, June 28, 1983, at 7:30 p.m. in the auditorium of the Richardson and Robbins Building, 89 Kings Highway, Dover. Prior to the regular meeting, there will be a Public Hearing on Stabilized Hunting Seasons for Non-Migratory Species beginning at 7:00 p.m. Items on the agenda for the regular meetings

are: 1. Report on the use of Duck Stamp funds for Canadian Project. 2. Stabilized Waterfowl Seasons. 3. Discussion on Public Hearing (format, procedures, etc.) to make it more productive.

**FISHING TOURNAMENT:** July 16 is the date for the Tuna Tournament at Lewes Harbor Marina. Contact Joyce Mears 645-9917.

**COAST GUARD CLOSURES OFFICE** - Delaware yacht owners who want to document their vessels with the Coast Guard will have to deal with the Philadelphia office after June 30, when the office in the Boggs Federal Building, Wilmington, closes. Documentation with the U.S. government is a popular alternative to state registration. Listing the yacht as a Delaware corporation and use of Wilmington as a home port - thus avoiding taxes in other states - will still be possible, according to Coast Guard Capt. Robert E. Shenke, in charge of the Marine Inspection Office. But the paperwork will have to be processed in Philadelphia. Officials said the move is part of a consolidation effort by the Coast Guard. Shenke said the Wilmington office once had seven employees, all now either transferred or retired.

## Perfect Beauty demolishes Liberty Bell field

by Harry G. Farrow, Jr.  
**LIBERTY BELL, PHILADELPHIA, PA** - Last Thursday night, Harrington's own, Perfect Beauty, owned by Delbert Cain, made her maiden voyage to Liberty Bell Park and clipped the mile in the Penns Landing Trot stake in 1:59.4. It was the fastest time for "Beauty" this year. It also equalled the fastest time for 3-year-old trotting filly on a five-eighths mile. Duenna is the co-holder of the mark driven by Stanley Dancer.

Perfect Beauty, who is trained by Sam Matthews of Harrington, started from the no. 1 post and cut out the mile winning by four and one half lengths. This race was the second in a three part series. Perfect Beauty missed the first one, but has now qualified for the final leg this Saturday night at Liberty

Bell. The purse will be \$22,000.

In Saturday's race Comet Hanover passed Idle Love in the stretch to be the closest to the high flying filly. This Saturday night, she is expected to get some stiff competition from Bambino's Rocky, who won the first leg, but skipped the most recent event.

The win in the Penns Landing Trot worth \$7,500 raised her season's earnings to \$49,840 and lifetime winnings to \$68,492.

Following a recent win at Brandywine when she beat a star studded field of Grand Circuit trotters, Living Hall of Famer, Joe O'Brien said "...she is the best that I have seen when I can't remember, and I think that I can say that I have seen some good ones. She just out-classed us tonight. She was all by herself."

## Sports Laffs

by William T. Ficks  
 The football coach caught one of his players drinking beer in a local pub. The next day he called the lad into his office.

To demonstrate the injurious effects of alcohol, he produced a glass of water and a glass of alcohol.

From a small box he withdrew a fat, wriggling worm, which he dropped into the water.

Nothing happened.

He took the worm from the water and put it into the alcohol.

The worm died almost immediately.

"Now, son," asked the coach, "what did you learn from that?"

"That's easy, coach," answered the boy, "I learned that if I drink lots of alcohol I'll never have worms."

drowning. Which one would you save?" the diehard Philly fan was asked.

"Are you kidding," roared the Philly fanatic, "my brother can't even hit minor league pitching."

"Look, please don't call anymore," the football coach said into the phone, "we just can't give anymore scholarships."

Overhearing this, a public relations man said, "What's the matter, doesn't the player have any talent?"

"That's the problem," said the coach, "this player's got everything - can kick like Groza, pass like Namath, run like O.J. Simpson - stands 6'4" and weighs 240."

"Grab him," said the p.r. man, "with a guy like that, we'll make the Rose Bowl."

"Year sure," said the coach regretfully, "but this is a girl."

## Top Colts in Battle Sunday night

The top three-year-olds in North America converged on Brandywine Sunday night, June 12, to contest the premier pacing event in the Delaware Valley, the 24th renewal of the \$100,000 Battle of the Brandywine.

An allstar cast of nine sophomores assembled for the Battle.

Knight Time and Betting Time taking split divisions of the first Battle in 1960...Vicar Hanover taking the 1964 Battle, the first of three victories in the race for Billy Haughton...and Super Wave closing out the 1960's and the half-mile era at Brandywine with the first 2:00 mile in the Battle, a 1:59.4 effort.

The 1970's produced several outstanding Battles....Columbia George and

Albatross lowering the Battle standard the first two years of the fiveeight track....Bill Haughton adding his third Battle crown in 1975 with Bret's Champ, while Nero buzzed to victory in the other division....Nat Lobell taking the first \$100,000 Battle in 1977....and the great Somsam holding off a stellar field in the 1979 Battle.

The three Battles of this decade have also been memorable....Niatross effortlessly defeating his competitors in 1980....Artie's Dream pacing an amazing 1:55.1 over a decidedly-off track in the 1981 race....and Icarus Lobell emerging victorious in an extraordinary four-horse photo to win last year's edition.

### Montgomery Wins First Trucker's Big Rig 200

Cincinnati, Ohio driver Doyle Montgomery battled bad weather and Jeff Salmon to win the inaugural Trucker's Big Rig 200 at Dover Downs International Speedway. The first time event drew a sizeable crowd to the one mile super speedway.

The rain plagued event ended 7 1/2 hours after its scheduled start, a tribute to the race fans and competitors who stuck it out to witness the fine racing. 73 laps of the 200 mile race were run under yellow flag conditions, making the average speed for the race 72.853 mph.

Montgomery, who has competed in every great American truck race (GATR) sanctioned race with the exception of Milwaukee last year, led the race 3 times. The 49-year old Montgomery started the race from the inside of the 4th row and grabbed the lead for the first time on lap 156 from Salmon.

The lead was short-lived as Salmon came battling back 5 laps later to retake the top spot. Salmon, who led the most laps with 79, relinquished the lead back to Montgomery just one lap later as the lead duo continued to swap the #1 position.

Salmon challenged again and took the lead holding until the final caution

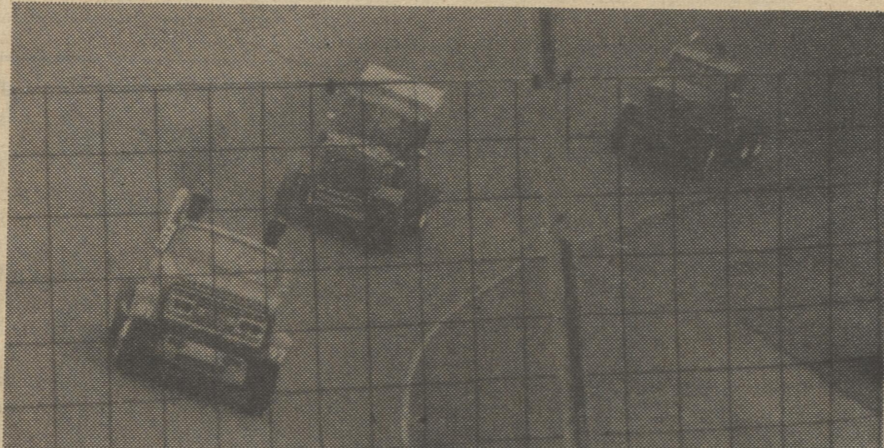

ended on lap 195. When the green flag came out for the final time, the stage was set for a furious dash to the finish, but Salmon, a native of Raleigh, N.C., was unable to continue his challenge when he ran out of fuel with a couple of laps to go.

Mike Adams, who had won the pole position for the race, led the event for 62 laps before dropping out with engine failure on lap 152. The race took 2 hours, 44 minutes and 43 seconds to run and featured 15 lead changes among 4 drivers. 27 trucks started the race.

GATR all-time winner, Charlie Baker finished 3rd, while Randy Johnson and Luther Burton rounded out the top five. Junior Reed of Franklin, Tenn., was the highest finisher in the DANA Stock Truck Division and finished the race 9th overall.

On Saturday, Johnson, driving a 1946 Corbett out of N.C., won the drag race and easily took the 15-lap dash after Utley crashed. The eventual winner of the Trucker's Big Rig 200, Doyle Montgomery, finished 3rd, just 2 points back.

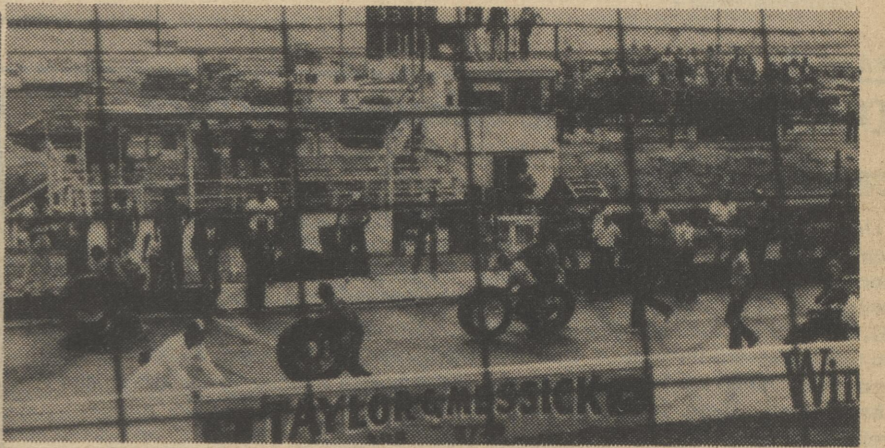

The next event scheduled at Dover Downs International Speedway will be Sept. 18, Delaware 500 NASCAR Winston Cup Grand National Race.

### Delaware Crime Stoppers offers cash for tips

Delaware Crime Stoppers will soon be familiar to Delawareans. Modeled after successful efforts throughout the country, Crime Stoppers pays up to \$1,000 cash for information that leads to the arrest and indictment of serious criminals. Since callers need not use their name, there is no chance of retaliation.

To work, Crime Stoppers needs support from police, media, businesses and community. It is a non-profit corporation that publicizes a Crime of the Week, usually a serious felony. Callers providing anonymous tips on that crime, or any other felony, are given a code number. If the information proves valuable, the Board of Directors of the corporation pays up to \$1,000 cash.

The first Crime of the Week began April 4. Each Monday, a new crime will be publicized throughout Delaware.

Former Governor Elbert N. Carvel and former Senator J. Caleb Boggs, are honorary co-chairmen for Crime Stoppers. Mr. Norman Powell was

recently appointed Board Chairman. Board members represent the media, businesses, and private citizens throughout Delaware.

Information on the following crime of the week will pay up to \$1,000 cash for information leading to an arrest and indictment:

#### CRIME OF THE WEEK June 20, 1983

Twenty-six burglaries occurred between January 1, and February 28, 1983 in Brookside, Scottfield, and Chestnut Hill Estates. They all happened between 7:00 p.m. and 9:00 a.m. In all cases front or back doors were forced open. Stolen were items such as stereo equipment, jewelry, and money. No one was apparently home at the times of any of these burglaries.

Phone number: 1-800-TIP-3333, weekdays 9 a.m. to 5 p.m. Up to \$1,000 reward for publicized or unpublicized felonies. You DO NOT have to reveal your name.

On hand for the groundbreaking ceremony for the addition to the Hugh M. Morris Library at the University of Delaware were [from left] J. Bruce Bredin, chairman of the Board of Trustees; Dr. Carol E. Hoeffcker, Richards Professor of History and former president of the University Faculty Senate; the Hon. Robert F. Gilligan, majority leader of the Delaware House of Representatives; the Hon. Richard S. Cordrey, president pro tempore of the Delaware Senate; university President E.A. Trabant; Gordon Pfeiffer, president of the University of Delaware Library Associates; Susan Brynteson, director of libraries at the university; and Delaware Gov. Pierre S. du Pont IV. The state of Delaware has committed a maximum of \$9 million toward the \$15 million library expansion and renovation. For every 40 cents the university raises in cash, the state will contribute 60 cents. The Morris Library was first completed in 1963, and the new addition will mean a doubling of present study seating, a tripling of present faculty study areas and almost a doubling of collection storage space.

### Meet the Cat Fiche

The public is invited to attend a special reception at the Harrington Public Library on June 27, 1983 from 5 to 7 p.m. to "Meet the Cat Fiche," the Delaware Union Computer Output Microfiche Catalog. This new technical development lists more than 400,000 different titles located in many Delaware libraries. "Cat Fiche" will identify which library has the materials a patron seeks, enabling him/her to use the Interlibrary Loan system to obtain those materials.

MILFORD - Dr. John W. Annand, 61, of 203 S.E. Front St., died of cancer Wednesday, June 15, 1983, in Milford Memorial Hospital.

Dr. Annand served on the staff of Milford Memorial Hospital, where he and Dr. Felix Mick were instrumental in starting the coronary care unit. He also had a family practice in Milford.

He moved to Milford in 1956 from Georgetown, where he had served on the staff of Beebe Hospital. From 1947 to 1949, he served in the Army Medical Corps. Dr. Annand attended the University of Delaware, and was a graduate of Temple Medical School in Philadelphia.

He is survived by his wife, Felice Annand; four sons, Douglas of

Houston, and Stewart, Christopher and Charles, all of Milford; five daughters, Melanie Annand of Tallahassee, Fla., Eleanor Annand of San Francisco, and Sheila Annand, Jackie Kemp and Elizabeth Annand, all of Milford; a brother, Frank of Charleston, W.Va., a sister, Julia Greer of Woodbridge, Va.; and one granddaughter.

Memorial services were Monday at 10 a.m. at St. John's Catholic Church, Seabury Avenue and School Place. Instead of flowers, the family suggests contributions to the Dr. John Annand Memorial Fund in care of Milford Memorial Hospital, Clarke Avenue, Milford 19963.

**MACK WILSON BUTLER**

DOVER - Mack Wilson Butler, 76, of 220 N. New St., died of heart disease Tuesday, June 14, 1983, in Kent General Hospital.

Mr. Butler retired three years ago after operating his own furnace-repair business in the Dover area. Prior to that, he was a civilian employee at the Dover Air Force Base. During World War II, he served in the Merchant Marine.

He is survived by his wife, Leonora; three sons, Raymond E. of Dover; John R. of Wyoming, and E. Lee of Magnolia; a daughter, Rose Marie Blank of Magnolia; a stepdaughter, Vicky Lamma of Dover; a brother, George of Hartly; 15 grandchildren and seven great-grandchildren.

Services were Friday at noon at the Trader Funeral Home, 12 Lotus St., where friends called Thursday evening. Burial was in Barrett's Chapel Cemetery, Frederica.

**CORA SHOCKLEY PALMER**

SEAFORD - Cora Shockley Palmer, 88, of Seaford, died of congestive heart failure Tuesday, June 14, 1983, in the Seaford Health and Health Care Center.

Mrs. Palmer was an elementary school teacher in the Greensboro, Md., and Rehoboth Beach areas in the late 1920's and early 1930's. She was a member of St. John's United Methodist Church where she taught Sunday School. She was also a member of the Seaford Acorn Club.

Her husband, Ralph Palmer, died in 1967. She is survived by a son, R. Byron Palmer Sr. of Seaford; a brother, Carvil Shockley of Baltimore; a sister, Dorothy S. Truitt of Rehoboth Beach; two grandsons and four great-grandchildren.

Services were Friday at 11 a.m. at the St. John's United Methodist Church, Pine Street. Graveside services were Friday at 1 p.m. in the Epworth Methodist Cemetery in Rehoboth Beach. Instead of flowers, the family suggests contributions to the Memorial Fund of St. John's United Methodist Church, Pine Street, Seaford, 19973.
