

Public hearing held on proposed new City Hall for Harrington

by David F. Coady
 More than 20 citizens were at the Public Hearing called by the Harrington City Council to discuss the purchase of property at 110 Center St. for a new City Hall. After opening remarks by Mayor Alfred Mann in which he praised the Building Committee for putting in a lot of time and hard work, he introduced the Committee. The members of the Building Committee are Ray Gagne, Curtis Melvin and Jack Wyatt.

Brown calls unity top priority for Lake Forest Board of Education

Marvin Brown says his top priority as a member of the Lake Forest Board of Education will be to "try to bring some unity" to the policy making body governing district schools.

In a special meeting Wednesday, June 29, Brown was selected to fill the void left by the resignation of Bill Garey. He will serve until the next regular school board election (May, 1984). At that time, district voters will choose someone to fill the vacancy for the remaining year of Garey's five year term. Brown indicated last week there is "a strong possibility" he will consider running in that election.

The unity of which Brown spoke seems to have eluded the Lake Forest Board over recent months. It was most conspicuous by its absence in the very process by which he was selected to fill the board vacancy. The special meeting at which he was chosen was necessitated by the fact that the board, at its regular meeting on June 20, had reached an impasse over the choice. Last week's meeting, at the outset an apparent relay with variations of the previous scenario, seemed headed for the same impasse.

In convening last Wednesday's special meeting, Lake Forest Board president Rick Feutz made two things clear. First, he said the selection of a replacement for Garey was high priority. (It had been indicated earlier that the board might just operate with four members

until the next regular election.) Feutz said, "As long as I'm president, it will be on the agenda at every meeting until it's resolved...We need a five member, not a four member board."

Feutz also made it clear that state law requires a majority vote of the board to make any decision. With a four-member board, three votes would be needed to take action. That would hold true even if one of the four excluded himself from voting. With Albert Price (retiring from his regular seat but interested in filling the Garey vacancy) not voting, the remaining three members would have to be unanimous in the choice of Garey's successor.

It was evident last Wednesday night that there was to be no unanimity. As the scenario unfolded, Albert Price stepped down from the board table because he was still a candidate under consideration.

Board member James Gussett then nominated Price for the vacancy. His motion got no second until Feutz turned the president's chair over to Wallace Caulk so that he could second the motion. On the roll call, Feutz and Gussett supported the motion; Caulk was opposed. The motion was defeated for lack of the required majority of three.

After Feutz resumed the president's chair, Caulk nominated attorney George Jones to succeed Garey. Gussett seconded the motion, but then

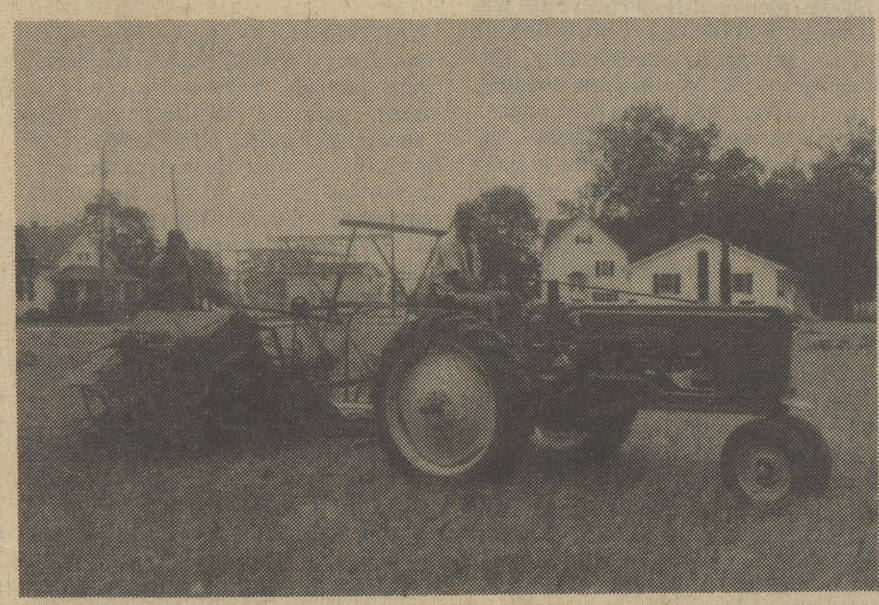

voted against it, as did Feutz. With the motion defeated, the board was back at ground zero.

At that point Gussett asked that Albert Price return to the board table. Upon rejoining the voting board, Price requested that his name be withdrawn from consideration. Gussett then nominated Marvin Brown whose name he had proposed a week earlier. Brown got the needed three votes from Gussett, Feutz and Price. Caulk, voting no, remained the odd man out.

Sara Williams, unofficial spokesperson for a citizens' group that has been closely observant and outspokenly critical of the Lake Forest Board, called the maneuvering by which the choice was made "very crass". (She said "uncouth" was the first term that came to mind, but that she had searched for a "nicer word".)

Williams' only comment on the person selected was to wonder whether he (Brown) was fully aware of the sunshine laws which limit the things public bodies such as the board can discuss in private session. The citizens' group has been most critical over the secrecy which it feels has surrounded some board decisions.

Now that Garey's replacement has been made, Williams said the most important matters facing the district are increasing teachers' salaries and

The implement revolutionized the agriculture industry in its day because it cut 6' at the draw bar and tied the grain in shocks to be thrashed later. The wheat which the binder cut here will be thrashed on Thursday [Senior Citizens Day] and Friday [farm equipment demonstration day] of the upcoming Delaware State Fair. Delaware State Police request public assistance

The Delaware State Police is requesting media assistance in locating an unidentified white male, approximately 65-70 years old, small framed, driving what is believed to be a 1963 white, off-white or beige Chevrolet four door, who assisted a rape victim during the early morning hours of Monday, July 4, 1983. After the rape occurred, somewhere in the Seaford-Atlanta-Bridgeville area, the victim managed to escape. According to her recollection, she ran for a short distance and came upon a farm house wherein the unidentified elderly farmer came to her assistance. The farmer, along with his sister, provided the victim with clothing and transported her to a girlfriend's house in a Seaford area apartment complex.

At this point, detectives have been unable to locate the crime scene and it is believed that the identity of the farmer and the location of his residence would be beneficial in locating the crime scene.

Information regarding the identity of the victim's assistant should be directed to Delaware State Police, Troop 4, Georgetown, Delaware, telephone 856-5444. The unidentified man is not being sought for prosecution and he is in no personal jeopardy. All information will be treated as confidential.

Viper in the vault

by William T. Ficks
 We've heard of bats in the belfry and kittens in the canary cage - but never vipers in the vault.

That is, not until this past Friday afternoon.

About 3 p.m. that day, 17-year-old Susan Paladino of Harrington, barged into the Harrington Journal office to see her mother, Anne, our general manager.

"You'll never believe what happened to me!" she exclaimed.

"I just came from Peoples Bank. I was waiting in line when a lady came out of the vault screaming. Would you believe there was a snake in the bank," she said excitedly.

We looked at Susan. Then we looked at each other.

We wondered if she had been affected by the heat.

"I'm not fooling. Man, I'm keeping my money in the mattress," Susan laughed.

It had to be the heat. She is a clean-living young lady. She doesn't drink. She doesn't smoke those funny cigarettes.

But we decided to check her story anyway.

A visit to the bank revealed that Susan's story was as sound as sacred scripture.

"It was too big to come in through a crack. Someone must have brought it in as a prank, but it wasn't very funny," said Mr. Robert Everline, bank cashier.

"It was some kind of viper. It was about two feet long and about that thick," Everline continued, as he made a circle with his thumb and middle finger indicating that the intruder was

about an inch in diameter.

Mrs. Cheryl Manship, the bank teller who discovered the reptile in the book vault, was still visibly shaken.

"I just don't want to talk about it," she said at first.

Later, looking more relaxed, Manship smiled, "It really scared me when it hissed at me. I can't wait for 7 o'clock (quitting time) to come."

No one was harmed, thanks to the quick thinking of Mr. J. Edward Taylor, bank president.

Grabbing a snow shovel, Taylor, assisted by Mr. Barry A. Breeding, bookkeeping department manager, directed a few well-placed blows on the hissing snake, and dispatched the uninvited guest to seventh heaven.

We hope no one is missing a pet snake.

Jane Towers, new Group Representative for Blood Bank of Delaware

[Reprinted from the Spring 1983 issue of the Bloodlet Gazette, a Blood Bank of Delaware newspaper].

"Helping to contribute to quality health care in Kent and Sussex Counties" is Jane Towers' goal. Jane recently accepted the position of Group Representative and will be marketing the Blood Bank's Group Program in the two counties. Her intention is to inform people about the benefits of Blood Bank membership by speaking at civic and social organizations.

Jane is a long-time resident of Milford. She joined the Blood Bank's Donor Operations Department in 1978 and has been working on board the Bloodmobile and at the Dover Blood Center.

One of her first duties is to visit existing groups and provide them with the necessary materials to keep members informed about their Blood Bank benefits. She will also be contacting businesses and organizations that do not already sponsor the Group Plan.

If you know of a business or organization that may be interested in

Jane Towers receiving information about Blood Bank of Delaware's Group Plan, please contact the Group Department by calling: In Kent and Sussex Counties, 422-3234 or in New Castle County, 737-8408.

Snake short circuits rural Greenwood??

The rural residents of the Greenwood area were without electric service between 11:00 a.m. and 2:30 p.m. yesterday. A spokesman for Delaware Electric Cooperative, Layton Wheeler, stated that the loss of electrical service was due to a faulty switch at the Greenwood sub-station. Wheeler would neither confirm nor deny reports that a snake in the sub-station was the culprit. "At this time, I can't say if it was or was not a snake that caused the trouble," Wheeler said. The Greenwood sub-station serves rural Greenwood, Milford and Hickman.

Silver Lake Housing Complex to be dedicated on Tuesday

The Silver Lake Estates housing development in Milford will officially open its doors to 146 low and moderate income elderly persons and families on Tuesday, July 12, at 1:30 p.m. The dedication ceremony, with Lt. Governor Michael N. Castle officiating, will be held at the site on Linstone Lane, off North Front Street, with State, Kent County and Milford officials participating.

In announcing the ceremony, Acting Secretary of the Department of Community Affairs, Frances M. West, noted that ground was broken last year on July 12 for the State's third largest subsidized housing development downstate, and praised the project owner and developer, Transcon Builders, Inc. of Cleveland, Ohio, for completing construction four months ahead of schedule.

The Delaware State Housing Authority is holding the \$5,209,639 mortgage on the development it financed with funds generated through a revenue bond sale in May, 1982. Families with limited incomes -- not to exceed \$12,500 for 1 person, \$14,250 for 2, \$16,050 for 3, etc. -- will pay 30 per cent of total family income for rent and utilities, with the balance of the

HUD established "fair market rent" made up from Section 8 subsidies from the Federal government. Sixty-five units have already been leased and the rent-up process is proceeding smoothly.

The 146-unit project consists of 114 apartments, primarily one-bedroom, for the elderly in a four story, T-shaped elevator building, and 32 two-bedroom family units in four separate garden apartment buildings. Twelve units in the complex are designed exclusively for handicapped residents. Exterior finish is brick and vinyl siding. The first floor in the elderly building will contain a furnished multi-purpose community room with kitchen facilities, manager's office and reception area. Coin operated laundry rooms will be located on each floor, handrails, sprinklers and smoke detectors in all hallways; and each elderly unit will be carpeted and air conditioned. The project is adjacent to Milford Plaza shopping center and within walking distance of medical facilities and schools.

Participants in Tuesday's ceremonies, in addition to Lt. Governor Castle, will be Senator Ruth Ann Minner, Representative Harry K.F. Terry,

Update: Four escape from Delaware Correctional Center

On Tuesday, June 28, 1983, the Division of State Police formed a task force of six troopers to pursue the investigation of leads toward the ultimate capture of four prisoners who escaped from the Delaware Correctional Center on Sunday, June 26th. The task force is composed of criminal investigators from Troop 2, State Road, and Troop 3, Camden.

The six detectives have begun to follow up leads, locate and interview family and associates of the escapees both in and out of the State, and check places known to have been frequented by the men.

Warrants are on file charging David Andrews, 33, Charles Craig, 24, Bruce Donophan, 28, and Ronald Johnson, 25, each with escape. Investigators have

also charged Paula Johnson, 18, of Wyoming, Delaware, with conspiracy in the escape and/or flight of one or more of those who are sought by police. The whereabouts of Miss Johnson, sister of Ronald Johnson, are unknown.

An A.P.B. (All Points Bulletin) for the east coast was issued on Tuesday, June 28. Information indicates that one or more of the escapees has fled Delaware. The task force intends to receive assistance from the F.B.I and seek federal warrants for unlawful flight to avoid prosecution.

At least three "sightings" of one or more of the men were reported to police Tuesday. Two reports occurred in New Castle County, DE, and one

Board of Education

allocating more money for textbooks. Board member Gussett and Caulk, who found themselves at loggerheads over the choice of Gary's successor, both said they would have been willing to compromise on a candidate. But they said there had been no pre-meeting attempt to reach such a compromise. Gussett said he did not support George Jones as a candidate because he felt someone was needed who would have a positive attitude toward new district superintendent Gerald Lysik who will assume his duties this month. He said he had no indication Jones would not be supportive, but Price and Brown whom he did back, have served on the board either recently or in the past, and Brown chaired the superintendent selection committee. Gussett said after the recent unsettled atmosphere, the board needs some "stability".

Caulk indicated he would have supported one of the other candidates remaining. (John Curtis, Jr., Doris W. Draper, Frank Soriano, and Gordon Rennie were the others interested.)

Both Caulk and Gussett said the most important issue now facing the board is the contract negotiations with Lake Forest teachers. Those are slated to begin in August.

Brown brings with him ten years of prior experience on the board. He served on the first Lake Forest Board of Education when it was made up of eleven members - five from Harrington, five from Felton and one from Frederica. He took the post by appointment after Charles West who narrowly defeated him in the 1969 board election was rendered ineligible by state board decision to include the area where West lived in the Milford School District. The next year Brown made a successful bid to fill the seat for the remaining four years.

While on the board Brown served as negotiator the first time teachers were allowed by state law to bargain for their contracts. He also weathered Lake Forest's first and only teacher strike, a brief affair in 1975.

A retired employee of the Diamond State Telephone Company and now employed by the state's Department of Agriculture, Brown says his recent experience as chairman of the citizens' committee that assisted the board in the superintendent selection process

stirred up the interest that led to his bid to replace Gary. He chaired both the committee that selected Dr. Edward M. Powell and the one that helped choose his successor.

Although some may view Brown as the candidate of Rick Feutz and James Gussett as opposed to Wallace Caulk, says, "I want to make it clear that I am not on the board to join any particular faction...but to represent all the people of Lake Forest...I have no axe to grind....I don't see anybody on the board with whom I cannot work." Brown says with two new members coming on the board and a new superintendent taking over, the coming months will demand 100% cooperation from everyone.

He agrees with the criticism of some that the streamlining of the board meeting process instituted by Dr. Powell tended to shut out the public. Board meetings were so cut and dried that all the decisions seemed to have been made beforehand. There was little or no discussion of issues or explanation of what was going on. But Brown also thinks that process has started to reverse with board meetings becoming more open over the last two or three months.

Brown, along with Roberta O'Neal will be sworn in at the Lake Forest Board's annual reorganization meeting this evening, July 6, or tomorrow evening, July 7. O'Neal will be the first woman to serve on the Lake Forest Board, the first candidate in recent years to have been unopposed for election and the first district teacher of recent experience to serve. She retired in 1982. As she joins the board, she will share policy making responsibilities with one former student. Marvin Brown was in her gym classes when she first came to teach in Harrington 44 years ago.

The reorganization meeting will also bring the question of who will serve as president of the Lake Forest Board for the coming year. Traditionally the board fills that spot by rotation. This year was to have been Bill Gary's turn. Whether the post will go to Gary's successor, Brown, or whether one of the three remaining members will be chosen remains to be seen. It would be most unlikely for the Board to tap "freshman member" O'Neal.

Jaycettes get new name at 9th annual meeting in Hartford

HARTFORD, Conn. - Over ten thousand Jaycees, Jaycee Women and their families representing all 50 states, gathered in Hartford, The Connecticut Capitol was the host city for the 9th Annual Meeting of the U.S. Jaycettes June 20-23, the main purpose of which was the name change and the election of national officers for 1983-84.

During the business meeting the name of the organization was changed by an overwhelming vote of the delegation from U.S. Jaycettes to U.S. Jaycee Women.

Delegates elected Joan Harrison of Connecticut from a field of three candidates to serve as national president during the coming year. Serving on the executive board of directors as State President from Delaware is Peggy Tracy of Newark. Entertainers and celebrities attending included Little Anthony, The Drifters, and The Chiffons, who

opened the convention with oldie music; and TV personality Danny Thomas, who met with the U.S. Jaycee Women to promote the work of St. Jude Children's Research Hospital.

Other features of the four-day event include the presentation of national awards to chapters and individuals who have excelled during the past year. Delaware was recognized for having a growth year with their roster now totalling 202 members in 10 chapters throughout the state.

Attending the convention from Harrington was Harrington's Jaycee Women President, Janet M. Rettig. Janet spent the week in Hartford attending the various meetings and elections. It is hoped that more Harrington Jaycee Women will be able to attend the convention to be held next year in Atlanta, Georgia as it will be the tenth anniversary of the U.S. Jaycee Women.

"Cop-Killer" bullet controversy

The following letter was received by N.T. "Pete" Shields, Chairman of Handgun Control, Inc., 810 18th Street, N.W., Washington, D.C. 20006, [202] 638-4723:

Dear Editor: Nine years ago, my wife and I lost a son to the American Handgun War. Since then, I've been fighting for a federal law controlling handguns, and I've seen a lot of hostility, anger and even ugliness from the other side. But recently, I've seen the worst yet. I've seen the National Rifle Association (NRA) come out in opposition to a ban on a type of ammunition; a bullet that has only one real use -- to kill police officers.

Technically, these bullets are known as armor-piercing ammunition; realistically, they are cop-killers.

Developed 12 years ago, these Teflon-coated bullets were originally intended to help police stop criminals fleeing in cars. But they proved too powerful. They went right through the cars, endangering bystanders. Soon, the police stopped using them. The manufacturers kept making them, and they were discovered by the most vicious element of the criminal class, especially the drug dealers.

The criminals needed something to counter the effectiveness of the vests

that police officers have been wearing in increasing numbers since the mid-1970's (and which saved over 400 lives from 1976 to 1981). The vests proved so effective against conventional ammunition that spouses and children gave them as Christmas presents. Even President Reagan wears one, ever since he was shot by John Hinckley.

The President's vest would have done him no good against a cop-killer bullet. In a recent police test, a vest was folded over twice and then shot with an armor-piercing .38. The bullet pierced the vest -- and two and a half big city phone books!

We at Handgun Control, Inc., join the police chiefs of America and all other law enforcement officials whose troops stand in the front line against these bullets, in calling for a ban on armor-piercing handgun bullets. And the responsible manufacturers are with us; they have stopped making the bullets. But KTW, which makes the most popular version, thinks it is enough to stamp the boxes: "For Police Use Only." And when DuPont refused to sell them any more Teflon, a company spokesman said, "We can be devious and get it from another source."

I think that's reprehensible. But I

think the stand of the NRA is even worse. Despite its oh-so-cosmetic national advertising campaign designed to show its members as "just plain folks," behind the scenes, the NRA, under its militant leaders, is surpassing its old tricks. It opposes a ban on these bullets.

Eight states now have laws against these bullets and at least seven more are working on them. Legislation to outlaw the bullets has already passed in California. But clearly, federal legislation is needed to stop the threat. There is a bill in the Congress, sponsored by Sen. Daniel Moynihan and Rep. Mario Biaggi (a former policeman who was wounded 10 ten times) that would work. The Law Enforcement Officers Protection Act (S555 & H.R. 953) would outlaw armor-piercing handgun bullets. Already, 13 Senators and 146 Representatives are cosponsoring the Moynihan-Biaggi bill.

Soft body armor cannot stop these bullets. But our elected representatives can. It remains to be seen whether they will listen to the pleas of our police or to the extremists at the National Rifle Association.

N.T. "Pete" Shields, Chairman Handgun Control, Inc.

Franklin Hendricks of Harrington was recently cited for leaving tall grass around his farm site on the Vernon Road. Mrs. Peggy Curtis gave him this miniature grass cutter to do the job. From the looks of the grass around him, he has done just that.

Update: Escapees

to the Centreville Barracks of the Maryland State Police. The latter reported three of the four escapees to have been seen in a vehicle in the Massey, Maryland, area an area familiar to Bruce Donohan. All reports were acted upon by the

respective police jurisdictions without any apprehensions.

Anyone with information concerning any of the four escapees is requested to contact the task force at Troop 2, 232-4411, or Troop 3, 736-4863. Confidentiality will be maintained.

Representative Quillen calls for truth in utility tax statements

DOVER - In an effort to help Delaware businesses and charities understand the true price of energy, the House of Representatives has passed House Bill 158, sponsored by Representative Robert Quillen (R-Harrington). This bill allows utilities to itemize all taxes on bills.

"For many customers, there is a 5% hidden tax on their electric and natural gas bills. A small businessman in my district brought this problem to my attention. He wanted the tax clearly stated," said Quillen.

"Under the current system, people are unable to determine their true utility costs because the tax is added into the total bill but current law requires that the tax not be shown. This is unfair," Quillen said.

In 1971, a 5% tax was applied to all sales of electricity and natural gas in the State. In 1976, the tax on residential sales was repealed. However, the tax still applies to commercial and industrial customers, as well as to the accounts of charitable organizations. When the bill passed, the legislation mandated that the tax on gas and electric sales could not be shown separately on the customer's bill. Quillen introduced H.B. 158 on April 20, 1983.

"I am urging the House of Representatives to consider this legislation as a means of making it easier for those paying the tax to understand the true cost of their utilities," Quillen said.

Buckworth's Bill passes, will aid teachers

DOVER - With passage of FY 84 Budget today, by the General Assembly, funding was approved for teachers to take summer courses at Delaware State College for free.

This project was undertaken by Representative Jerry Buckworth (R-Wyoming) to enable downstate public school teachers easier access to summer courses to improve their efficiency.

This funding was obtained by presenting the concept to the Joint Finance Committee. Approval was

granted authorizing Delaware State College to maintain a summer school for public school teachers thereby giving an additional location other than the University of Delaware as a place to attend refresher courses.

Representative Buckworth stated, "I want to thank members of the Joint Finance Committee for their foresight in recognizing that continuing education for our teachers should not be denied due to distance or economic reasons."

In order to report both views on the teflon-coated bullets in question, Mr. Dave Coady contacted the National Rifle Association which responded promptly with the letter below. Also available for examination is the packet containing copies of the NRA, Treasury Department and Justice Department testimony on this issue. This packet is at The Harrington Journal and may be examined upon request.

National Rifle Association of America Institute for Legislative Action 1600 Rhode Island Avenue, N.W. Washington, D.C. 20036 July 1, 1983

Dear Mr. Coady:

The so-called "cop-killer" bullet issue has received quite a bit of inaccurate and emotional press coverage of late. As I am sure you can imagine the popular press are not interested in giving the reasons why the NRA is opposed to any given piece of legislation. More newspapers are sold with headlines such as NRA Opposes Banning of "Cop-Killer" Bullets, than NRA Opposes H.R. 953 Because....

The NRA opposes the federal legislation as introduced by Congressman Biaggi in the 97th Congress and the identical bill as introduced in the

98th Congress.

H.R. 953 attempts to define what constitutes a "restricted handgun bullet". H.R. 953 and its definition, if enacted into law, would not only outlaw the manufacture and/or sale of KTW bullets, but such conventional ammunition such as .41 magnum, .44 magnum and .30 carbine, to name but a few. The definition is too broad.

The other side of the coin is as follows; the kevlar soft body armor is NOT designed to be bullet proof, but bullet resistant. The vests are designed to protect against a perceived "threat level", i.e. what the officer is likely to encounter on the street -- that is .22, .32, .38, and not AP handgun and/or high powered rifle cartridges.

There are many conventional handgun cartridges that will penetrate the Type II soft body armor worn by law enforcement officers, not just the KTW. The fact is that officers do not encounter such ammunition on the street with any frequency. In 18 years of production, not one so-called "cop-killer" bullet has been used against the soft-body armor worn by police officers.

Additionally, there are legitimate uses for the so-called "cop-killer" KTW bullet. As you may have read in the press, more and more sophisticated criminals are wearing soft-body

armor. The police should be able to respond and they cannot while using conventional .38 special, be it +P or otherwise.

Further, while most departments prohibit shooting at fleeing felons in automobiles, department guidelines do allow return fire when the car is parked with an armed felon inside. Again, the +P .38 special will not penetrate many car bodies.

The "cop-killer" bullet issue has been manipulated by the politicians and the press to the point where many people have taken positions without the requisite background information.

To that end, this packet contains copies of the NRA, Treasury Department and Justice Department testimony on this issue. You will note that we agree with the Treasury position--something that rarely occurs.

It is also interesting to note that Congressman Biaggi took none of these criticisms into consideration when he reintroduced his legislation H.R. 953, as it is identical to his previous legislation.

Thanks again for taking the time to consider the relevant information.

Sincerely, James Jay Baker Federal Liaison Governmental Affairs

Delaware Crime Stoppers offers cash for tips

Delaware Crime Stoppers will soon be familiar to Delawareans. Modeled after successful efforts throughout the country, Crime Stoppers pays up to \$1,000 cash for information that leads to the arrest and indictment of serious criminals. Since callers need not use their name, there is no chance of retaliation.

To work, Crime Stoppers needs support from police, media, businesses and community. It is a non-profit corporation that publicizes a Crime of the Week, usually a serious felony. Callers providing anonymous tips on that crime, or any other felony, are given a code number. If the information proves valuable, the Board of Directors of the corporation pays up to \$1,000 cash.

The first Crime of the Week began April 4. Each Monday, a new crime will be publicized throughout Delaware.

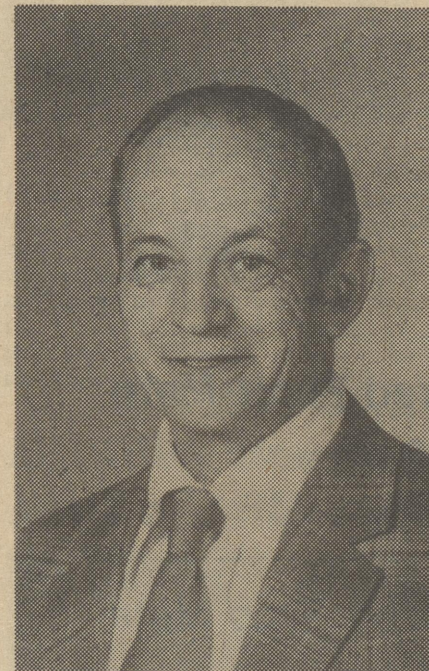

Former Governor Elbert N. Carvel and former Senator J. Caleb Boggs, are honorary co-chairmen for Crime Stoppers. Mr. Norman Powell was

recently appointed Board Chairman. Board members represent the media, businesses, and private citizens throughout Delaware.

Information on the following crime of the week will pay up to \$1,000 cash for information leading to an arrest and indictment:

Mansure and Prettyman, Inc. on Stonehill Road, Augustine Hills was burglarized three times this past winter. The dates were January 29, and February 7 and 11, 1983. Each time the front window was broken and large amounts of clothing were taken totaling many thousands of dollars. Items taken included rain coats, overcoats, suits, and sport coats. All three crimes occurred at night and the burglary alarm sounded.

If you have any information concerning this crime please call 1-800-TIP-3333, weekdays from 9 a.m. to 5 p.m. Up to \$1,000 reward is given for publicized and unpublicized felonies. You DO NOT have to reveal your name.

Ernest W. Walpole, U. of D. extension agricultural engineer for 20 years, retired June 30. He helped Delmarva poultry industry make many broiler housing improvements.

Local Interest

by Joann Wyatt, 398-3943

On Saturday evening Annette Welch and her parents entertained at a picnic and pool party. Her guests were Mr. and Mrs. Gene Turner and children, Lynda and Brad of Vernon; Mr. and Mrs. John Clark and children J.R. and Crystal; Mr. Jim Campbell and children Sherrie and James of Milford. Later the guests gathered inside for a musical evening with guitar, saxophone and mouth organ. Everyone had a lovely evening.

Mr. and Mrs. John Winkler and Brandi entertained to a family barbeque on Monday, July 4. All had a nice day.

Happy Birthday wishes go out to Mr. Bill Winkler!

Mr. and Mrs. Carroll Welch, Jr. and granddaughter, Crystal Clark, Mr. and Mrs. Louis Welch, Mr. David Welch, Mr. Edgar Welch and Mrs. Lillian Boone were all weekend visitors with their parents, Mr. and Mrs. Carroll Welch, Sr.

Mr. and Mrs. Herman Entzian, Mr. and Mrs. Charles Coverdale, Mr. and Mrs. Raymond Brown, Mr. and Mrs. James Larimore, Mrs. Norma Jean Bradley and grandson and Mr. and Mrs. Homer Sherwood were all visitors of Mr. and Mrs. Elmer Brown this week.

Mrs. Elmer Brown visited with Mrs. Georgia Jacobs on Monday afternoon. Mr. and Mrs. Fred Wyatt, Jr., Lori

Ann, Freddie, Shauna, Jennie and Mr. Ron Fortin spent Sunday in Rehoboth celebrating Lori Ann's birthday.

Mr. and Mrs. Fred Martin attended a family reunion at the home of Mr. and Mrs. Robert Martin in Laurel, Delaware.

Mr. and Mrs. Daniel McSweeney recently and quietly observed their 37th wedding anniversary. A cousin, Mrs. Kathryn Donovan Hill living in Brenton Lake, West Chester, Pa. not knowing it was nearing their wedding anniversary came down, what a happy and grand surprise for Amelia and Dan. Ones remembering Kathryn will be pleased to hear she is as pretty and lovely as ever. Kathryn has limited her driving and a nice neighbor, Mrs. Fleming drove her down. Danny isn't very well and Amelia is recuperating from a concussion. Having a close and good family, a few dear friends and nice neighbors are priceless and make life worth living for tomorrow. They received a beautiful card and nice letter from their niece and nephew L. Amelia and Jos. P. Naurer. It makes one proud to see youth time and life not wasted, training starts at home. Weekend visitors were Mr. and Mrs. Andrew Donovan, Jr. and Mrs. Jas. N. Donovan.

Hope all had a happy fourth! Well wishes to all. Take care, share a smile, God Bless.

Mr. and Mrs. James A. DeVoe

Cornish/DeVoe Wed

Roxanne L. Cornish, daughter of Mr. and Mrs. Richard Cornish of Harrington and Gambrills, Maryland and the granddaughter of George Cornish, formerly of Harrington and James A. DeVoe, son of Mr. and Mrs. Malcolm DeVoe of Garnerville, N.Y., were married recently at St. Margaret's Catholic Church, Pearl River, N.Y. with Father Francis Duff officiating at a traditional candlelight.

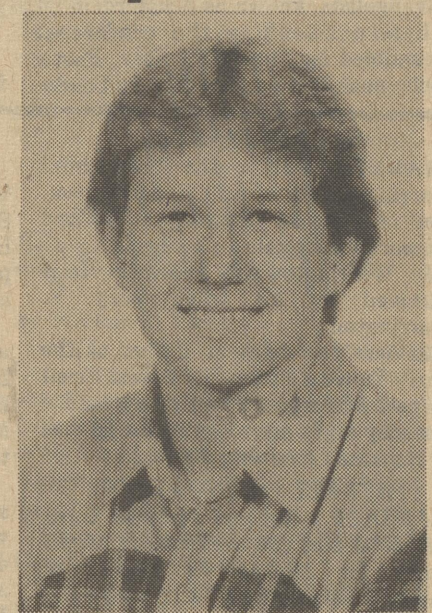

A reception was held at the Haverstraw, N.Y. Lodge of Elks. The bride was attended by JoAnne Gissoni as Maid of Honor and bridesmaids were Caroline Galdi, Kathy Hekl, Margie Pitcher. April Marie Cornish served as flower girl for her aunt.

Thomas DeVoe served as his brother's best man. Serving as ushers were the bride's brothers, Durand, Dr. Richard, Regan and Roderick, also Peter Hekl, brother-in-law of the groom. Anthony Delia was the ring bearer.

The bride is a graduate of Rockland, N.Y. Community College and is employed by Lone Star Industries as a secretary. The groom is a graduate of DeVry Institute of Technology, Phoenix, Arizona and is employed by the Eastman Kodak Co. as an equipment service manager.

After a honeymoon in the Poconos, the couple are taking up residence in their new home in Garnerville, N.Y.

Local musician chosen for European tour band

Gary Price

Gary A. Price has been notified that he has been selected for membership in the American Musical Ambassadors Band. This highly select concert band, composed of outstanding high school and university students from all over the United States and Canada, will tour several European countries for three weeks in July and August. Gary, son of Mr. and Mrs. Albert C.

Price of 209 Center St., Harrington, is a member of the Lake Forest High School Band directed by Dale Burkhart.

Professor Maxine Lefever, an assistant director with the Purdue University Bands and director of the AMA tour, has announced that conductors for the 1983 tour are Professor Stanley DeRusha, director of bands at Michigan State University, and Professor Craig Kirschhoff, director of bands at The Ohio State University.

The tour group will visit Paris, Lucerne, Lugano, Milan, Venice, Innsbruck, Salzburg, Wiesbaden, Amsterdam, and London. Highlights of the tour will include concerts in the concert halls and parks of Europe. Students will visit many sites of musical and historical importance as well as the popular tourist attractions. The purpose of the tour is to foster cultural and personal relationships between students of the United States and the people of Europe. In past years students of the AMA tours, through their high standards of musical excellence and equally high standards of personal excellence, have indeed served as fine representatives of American Youth and as ambassadors of good will through their music for audiences throughout Europe.

Dr. Glen Graybeal joins medical staff of Milford Memorial Hospital

Dr. Glen E. Graybeal, general surgeon, joins medical staff of Milford Mem. Hospital.

Glen E. Graybeal, M.D., General Surgeon with a sub-specialty in Vascular Surgery, has been appointed to the Medical Staff of Milford Memorial Hospital according to an announcement by Joseph B. Ahlschier, Hospital President. Vascular surgery is the treatment of diseases of the arteries and veins. On July 1st Dr. Graybeal joined the practice of Graybeal and Crabb, P.A. with offices

on Clarke Avenue in Milford.

Dr. Graybeal was born in Wilmington, Delaware and moved to Milford at age five. After graduation from Milford Senior High School in 1971, he entered the University of Delaware where he was graduated, Phi Beta Kappa, in 1974. His degree in medicine was conferred by Jefferson Medical College, Philadelphia, Pennsylvania in 1978. Following graduation from medical school, he entered a residency program in General Surgery at the Wilmington Medical Center in Wilmington, Delaware which was completed in June of 1983.

During his fifth year of surgical residency, he was chief surgical resident and pursued the study and practice of his sub-specialty in peripheral vascular surgery. In addition to this sub-specialty, Dr. Graybeal is professionally qualified to do permanent placement of cardiac pacemakers.

Dr. Graybeal and his wife, the former Susan Wilkins of Milford, have purchased a home in Woodshaven, Milford where they are living with their eleven month-old daughter, Jennifer. Dr. Graybeal is the son of Dr. and Mrs. C. Edward Graybeal of Milford.

As recreational activities, Dr. Graybeal enjoys photography, gardening, fishing, tennis, sailing, and other out-of-doors activities.

Harrington Sunshine 4-H

The main reason that I wish I were years younger is because there is still so much to learn.....so much to enjoy.....so much to marvel at.

I have just read about a family who lives about eighty miles north of New York City who discovered a most unusual maple tree growing out of a stone wall in their yard. The odd thing about this little tree is that it never produces two leaves alike. Mrs. Smith says she has collected and pressed over 200 leaves from this tree and no two leaves are alike! She contacted a local horticulturist and he has clipped 18 twigs from the tree for study and grafting. He says they cannot use seeds because that would mix the genes. He finds that not only are the lobes of each leaf different, but the lobes within the individual leaf are different. He describes this as an extremely rare mutation. He believes that the strange shapes of the leaves are the result of a genetic mutation gone haywire. They hope, among other cases, in their study of nature's phenomenon to discover how the organs of a particular species produce with particular shapes.

Isn't this simply fascinating to think about?

Another scientific discovery I've been reading about concerns the fact that some trees, when attacked by insects, bugs, etc., will change their chemical formula to produce leaves that will not

nourish or encourage the attacking insect. Now hear this.....not only does this tree attempt to protect itself, but trees that are nearby (but not yet attacked by the enemy) will change their chemical formula also thus discouraging the nearby enemy against moving onto them.

I shall follow this research with great interest. Truly the Creator has given us so much, much of which we are yet too blind to see.

One reason Dad gets so much fun out of gardening he likes to observe nature at work and learn more. For some years we have grown lima beans with posts, wire and string, getting a larger yield than with the old method of poles. This year he has designed a new layout. He has put boards around the top of the posts with string spanning the space overhead.

The peas did not produce this year. We think, due to the fact that the ground could not be prepared early enough. Even Burpee's Best failed us. Well, you win some, you lose some.

HIGH HEELS

With women's shoe fashions dictating a narrow toe and high heel, a new wave of foot problems is predicted. This includes metatarsalgia & pain in ankles, knees, and back. "You can resolve a fair amount of back pain in women by simply changing to a lower heel", says Dr. Vert Mooney, orthopedic surgeon. Mooney adds, "Women undergo 40 times more bunion surgery than men." Low heels and good fit are the answers.

Smile! Stop! Look! and Listen! There is a world of treasures around you, and they are yours for the seeing and hearing!

Mrs. Clara Judy was leader of Bible Study Monday morning at the Center. Several favorite songs were sung. Mrs. Judy read a story - "Living," everyone enjoyed it immensely. Poem read by Virginia Smith - "Attitude of Gratitude." by George Anderson. Great!

Mrs. Clara Judy had as a lesson, Romans, Chapter 1. Present for the discussion and inspirational hour were Rev. and Mrs. Hackett, Amy Poynter, Ethel Holden, Clara Judy, Elwood Morris, Virginia Smith, Frances Wright, Anna Mae Short, Louis Gerardi, Tony Perrone, Jo Burke, Catherine Donovan, Mamie Adams, Gladys Hill, Ola Tildon, Thelma Legates, Annabel Morrow and Sylvia Meredith. Closing song "Beyond The Sunset." Benediction, Hebrews, 13 - 20-21.

Senior Sounds traveled to Country Rest Home, Greenwood Monday afternoon. All were quite happy with the results of the visit.

Jolly Timers were called together by Ina Hughes at the keyboard. Finger-snapping, toe-tapping music is truly good to hear. Presenting music was Sylvia and Cecil Reidith, Mamie Adams, Elwood Morris, Anna Mae Short, Ola Tildon, Ella Golt, Bertha Dean, Gladys Hill, Virginia Smith, Andy Anderson, Jo Burke, Lillie McBride and Tony Perrone.

Legal Aid was here Monday and attended some important business for some folks (privately).

Tuesday morning Janet Parks of Modern Maturity Center came with RSVP awards and explained the whys and where for RSVP. Ask everyone to be sure and fill out a form so they could get credit for the Center. Janet is a very personable lady.

Patrick McCann gave an interesting talk on insurance for Senior Citizens. He answered all questions. Lots of information given in a very understanding way.

The Birthday gifts were well received. Local shopping with Clint Thursday, bowling at Milford Lanes Thursday afternoon.

We were treated to a very personal picture show Wednesday afternoon by Charlotte and Gene. They took turns showing slides and narrating. It was so nice seeing familiar faces of the past and present. Thanks so much you grand Director.

Hope you have a wonderful 4th. Good friends, good times, good food!

Bingo, pool, ceramics, crafts, needlework of all kinds, checkers, cards, reading and just plain good old fashioned talking makes us all most happy!!

Best wishes to all - thank all volunteers. So nice to know you are out there but please come on in and spend some time with us.

It is so nice to have you around. Be kind to each other, love you, faith!

Rev. Robinson elected president of Association of Churches

At a recent meeting of the Ministers and Lay representatives of the Association of Churches of this area, Reverend Jack Robinson, Pastor of Asbury United Methodist Church, was elected President for the coming year. Other officers elected were: Secretary, Father Charles Brown of St. Bernadette's Roman Catholic Church; Treasurer, Frances Benson of St. Paul's A.M.E. Church and Publicity, Lawrence Kates of Felton United Methodist Church.

The Ministers of area Churches have been meeting as a Ministerium for some time. Recently it was decided to

include a lay person from each of the member Churches, also in addition to the ministers, and to change the name of the organization to "The Lake Forest Association of Churches." Churches comprising the Association are located in Harrington, Greenwood, Frederica and Felton.

In addition to the election of the Officers, the members of the Association voted to sponsor a Food Pantry without any ties to the County or State Government. This action was taken to expedite the delivery of food to those in need. The Food Pantry will be housed at Trinity United Methodist

Church. Each Church is to delegate one person to serve on the Food Pantry Committee with Rev. Carole Byer, Trinity United Methodist Church, as Chairman.

The Association will also maintain an Oil Fund to supply heating oil to those in need and a clothes closet.

The Association will continue to hold Ecumenical Services three times a year. They are a Service of Prayer for Christian Unity held in February; Good Friday Service; and Thanksgiving Service. The services will be rotated at the member Churches.

Million dollar mark reached in annual Catholic appeal

The Catholic Diocese of Wilmington announced recently that the Annual Catholic Appeal which had a goal of \$900,000 has surpassed that amount by \$110,132. A special ceremony was held in the Office of The Most Rev. Thomas J. Mardaga, Bishop of the Diocese which covers Delaware and The Eastern Shore of Maryland, to recognize the first time in its eight year history that an Annual Appeal has surpassed the million dollar mark.

Making the report to the Bishop on

behalf of the Appeal Steering Committee were Chairman, Edward B. Brennan and Vice-Chairman, James V. Healy. Both chairmen have been actively involved in raising the necessary funds to support some 20 agencies, offices and programs throughout the local diocese.

Diocesan departments and agencies supported by this drive include: Catholic Social Services (Southern Division); the Office of Religious Education; Parish Outreach; Family

Life Bureau; Catholic Youth Organization; Crisis Alleviation; Urban Spanish Apostolate; Liturgical Formation; Justice and Peace Commission; Campus Ministry; Rural and Migrant Ministry; and the Department of Social Concerns.

The Appeal also provides a subsidy to five Catholic High Schools: St. Elizabeth, Padua Academy and St. Mark's in the Wilmington area; Holy Cross in Dover; and SS. Peter and Paul in Easton, Maryland.

Hunting and Fishing on Delmarva

by David F. Coady
NEW WATERFOWL ALLIANCE: A new organization, The National Waterfowl Alliance - Waterfowl Unlimited, USA, patterned after Ducks Unlimited, is raising funds for Waterfowl Habitat in America. Thirty to 40 percent of the Waterfowl hunted in America are hatched in the United States.

DU works for the Ducks in Canada and now we're going to work for the waterfowl in the USA," says Jerry Allen, founder and president of the national, non-profit group of waterfowlers. For more information write: The National Waterfowl Alliance, National Headquarters, P.O. Box 50, Edgefield, S.C. 29824.

NATIONAL HUNTING AND FISHING DAY CONTEST: A poster will be worth a \$1,000 U.S. Savings Bond to the student who wins the grand prize in the 1983 National Hunting and Fishing Day Poster Contest. Fifty-one other students in grades five through 12 will win national prizes ranging from \$50 to \$500 savings bonds. Over \$20,000 in savings bonds have been awarded since the contest was established in 1978.

The 52 national prizes will be awarded to the students who best illustrate the theme of the 1983 NHF Day Poster Contest, "Sportsmen and Conservation - Building a Future for Wildlife." For information on how to sponsor or

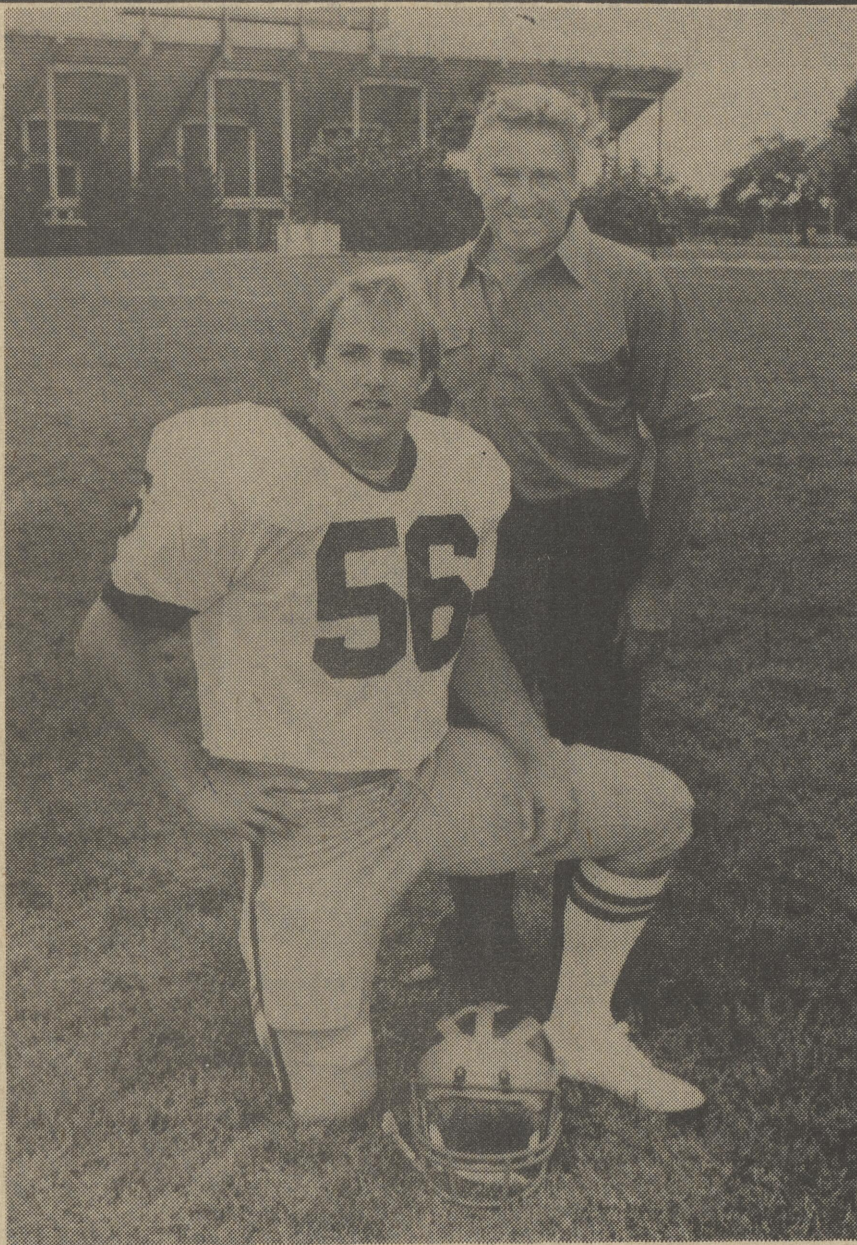

participate in the contest, write: NHF Day Poster Contest, P.O. Box 1075, Riverside, CT 06878.

SMALLMOUTH BASS RECORD: The Delaware Sport Fishing Tournament is looking for former Bear, Delaware resident Donald Homes, who has been listed since 1968 as the record holder for a 5 lb. 5 oz. smallmouth caught July 25 of that year in Red Mill Pond.

"I doubt that a smallmouth bass was caught in Red Mill Pond because the species is not normally found below the Christiana River drainage system," says Roy Miller, supervisor or fisheries for the State Division of fish and Wildlife and Tournament Director. All records for the first three years of the 17-year-old angling competition have been lost.

WEAKFISH RECORD: Raymond Faber of Birdsboro, Pennsylvania has set a new state record for weakfish (sea trout) with a 17 lb. 3 oz. Fish caught on a bucktail and rubber worm at Brandywine Shoal. It was weighed in at Cedar Creek Marina. The unofficial world record is a 19 pounder caught this spring off Virginia.

The Delaware Sport Fishing Tournament is open to all anglers. There is no entry fee. For more information or a listing of official tournament weighing stations contact: Tournament Director, Division of Fish and Wildlife, P.O. Box 1401, Dover, Del. 19903.

NEWARK, DE - Head Coach Tubby Raymond of the University of Delaware poses with recently elected University of Delaware 1983 football captain Greg Robertson. Robertson is a senior linebacker for the Blue Hens who last year finished as national runner-ups in Division I-AA and are bidding for a return appearance in the NCAA championship game. Robertson, a business major from Seaford,

Delaware, was the Blue Hens second leading tackler last season with 69 stops. The Hens open their 11-game schedule September 10 at home against West Chester. They have road games at William & Mary, Rhode Island and James Madison while Penn, Lehigh, Massachusetts, Towson State, Temple, Holy Cross and Bucknell invade Delaware Stadium in addition to West Chester.

Mark Tozer wins Georgetown run

by Keith S. Burgess

Mark Tozer is apparently from the same mold, as his brother Chuck. The latter attended Lake Forest High, a few years ago, for one semester. Chuck was Henlopen cross country champion and sparked the Spartans to an undefeated season. Mark started his running career, at least three years earlier than did Chuck. For this reason we feel that he will post faster clockings than did his older brother.

Last fall Mark was No. 2 on the Chipman harrier squad, as a seventh grader, behind Ray Powell, a tremendous eighth grade prospect.

At the Liberty Bell 5 kilometer (31/8 miles) race, at Georgetown Saturday, Mark won the 13-and-under division, in 21 minutes. Mark, 12, finished 30

seconds ahead of Will Stack (13). Stack is one of five talented runners, all from the same Lewes family.

Tozer was 17th of 54 runners overall. He finished behind Caesar Rodney varsity runner, Stacy Smith and just ahead of female winner, Shelley Smith, who won several state championships, when she was at C.R.

Bill Thompson, formerly of Harrington, finished in 25th place. His young son George competed also. Bill Thompson ran on one of the early Harrington High Cross-Country teams in the fifties. He is now a marathoner, with a best time of 3 hours and 20 minutes. If he can cut 10 minutes off this clocking, he will qualify for the prestigious Boston Marathon.

Joie De Vie top harness horse in June

COLUMBUS, Ohio - Owner Maurice Siegel gambled \$55,000 in June just to enter his trotter Joie De Vie in two races. His gamble paid off handsomely as Joie De Vie won the \$486,150 Yonkers Trot on June 11 and the \$376,004 Dexter Cup on June 24 and earned honors as Harness Horse of the Month for June.

Siegel, of Palos Verdes Estates, California, bred Joie De Vie, but did not make the payments to keep him eligible to the pair of rich trotting races. So he was required to pay a \$25,000 supplementary starting fee at Yonkers and a \$30,000 supplemental fee in the Dexter Cup.

In those two races, however, Joie De

Vie earned \$253,139. The next start for the powerful bay trotter is Sunday (July 3) in the American-National at Sportsman's Park in Chicago. In that race he will meet the unbeaten Dancer's Crown for the first time. Dancer's Crown, champion two-year-old trotter of 1982, has ten wins in ten lifetime starts.

Also earning acclaim for a perfect record in June was Cam Fella, the 1982 Harness Horse of the Year. The popular four-year-old pacer was undefeated during the month, sweeping the rich Driscoll Pacing Series at The Meadowslands in New Jersey and pushing his career earnings to the \$1,350,000 mark.

Sports Laffs

by William T. Ficks
 Here's a few anecdotes featuring Lefty Gomez, one of the most colorful characters in all baseball history. Lefty's lively fastball was matched by a lively sense of humor.

Gomez, a notoriously weak hitter, once hit a triple.
 "Let me steal home," he suggested to the third-base coach.
 "It's taken you five years to get here," the coach replied, "why not enjoy it."
 As a kid pitcher in the minors, Lefty found himself three months behind in his room rent.
 His landlady knocked on the door for the umpteenth time demanding Lefty's rent money.
 "Just think," Gomez appealed, "some day you'll be able to say the great Lefty Gomez once lived in this room."

"If I don't see some money right now," the landlady barked, "I'll be able to say it tomorrow."

Gomez was on the mound. Rudy York was at the plate. Lefty turned around and saw Joe DiMaggio playing a very shallow center field. Gomez turned white. He waved him back. Joe backed up a few steps. Lefty waved him farther back. After the game Lefty approached Joe.

"You know York hits the ball a country mile. Why did you move in so close?"
 "The writers keep saying I'm a great center fielder," said DiMaggio, "I'm supposed to make the fans forget Tris Speaker."
 "Keep playing in for guys like York," retorted Lefty, "and you'll make them forget Gomez."

COLUMBUS, Ohio - John Campbell, a 28-year-old native of Ontario, sits atop both the dash-winning and money-winning statistics for 1983, according to figures recently released by the U.S. Trotting Association's computer.

Racing against the top harness drivers in the world at New Jersey's Meadowlands, Campbell has won 246 races and \$2,713,518. If Campbell continues at this pace, he will win over 500 races and close to \$6 million this year.

Last year's money leader, Bill O'Donnell, is second to Campbell in this year's chase, less than \$250,000 behind, and third in the dash statistics, with 1981 champion Eddie Davis currently ranking second in that category.

So dominant are Campbell and O'Donnell at The Meadowlands that they have won one-third of the races there between them. In the money category, their nearest rival nationally

Michel Lachance, is over \$1 million behind.

DASHES WON	
1. John Campbell	246

Great Nero sets Maryland record

by David F. Coady

Great Nero driven by Bobby Myers set a Maryland state record for all ages in winning the \$140,550 Terrapin Stake at Freestate Raceway, Laurel, Md. on July 1. Great Nero won in a time of 1 minute, 55 seconds in setting the new record.

Great Nero is stabled at the Bobby Myers Stable, Greenwood, Del. The three-year-old is trained by Morgan McInnis. The owners are Ashton Lewis of Gatesville, N.C. and Ferner Perry of Suffolk, Va.

Great Nero is entered in the elimination for the Meadowlands Pace this coming Friday. The \$1,000,000 Meadowland Pace will be run the following Friday. In 13 starts this year, Nero has four wins and his worst finish was placing fourth.

Driver, Bobby Myers says he believes Great Nero, in winning the Terrapin Stake in a time of 1 minute, 55 seconds, has beaten the record for the best time for a Delaware horse which was set by Adios Harry.

Shore Talk
 "Jaws" jumps to mind when someone says "shark", but shark fishermen like the thrill of reeling in one of these ocean predators.
 "Shark Fishin'", the seventh Shore Talk at Cape Henlopen State Park, will be presented by Pete Floyd, a Lewes headboat captain, at 7:30 p.m. July 9 in the Seaside Nature Center.
 Floyd, who specializes in shark fishing, holds the record for the largest tiger shark caught off Delaware's coast -- 800 pounds worth. This year, he reeled in a 625 pound sand tiger shark.

As the captain of Lewes' Skipjack for 10 years, Floyd will pass on a bit of his expertise at the lecture.

 On July 13, at 7:30 p.m., "Canoeing in Delaware" will be given by William Hall, who is currently employed with the Seagrass Marine Advisory Service of the University of Delaware. It will be held in the Seaside Nature Center. A brief summary of the state's canoeing opportunities, such as the stream from the Piedmont in New

Castle County and downstate coastal streams, will be included in the lecture. Attention will be given to native flora and fauna the canoeer may see.
 Hall, a former science teacher, is fascinated by outdoor education, especially aquatic marine systems. He has canoeed throughout the mid-Atlantic in both white water and estuaries.
 Shore Talks are sponsored by the University of Delaware's Marine Advisory Service and the state Division of Parks and Recreation.

Slocum, Baker and Vorhees top July 4th weekend at Bridgeport

BRIDGEPORT, N.J. - The streak of different winners in the modified ranks continued last Saturday night at the Bridgeport N.J. Raceway and Fairgrounds as Chip Slocum of Trenton, N.J. charged from his 16th starting position to take the lead on lap eight.

Barry Burkhart overtook the leader on lap 15 but Slocum returned the top spot on the 17th tour and rode to his first career Bridgeport victory. The win brought Slocum a hefty \$1,300 and he became the tenth different winner

in eleven racing events this season at Bridgeport.

Burkhart rallied to a second place finish with Fred Orchard third, John Bennett fourth, and John Pinter fifth. Rounding out the top ten were Dale Wissler, Al DeAngelis, Scott Tobias, Tom Capie, and Howie Crounce. Heat events were won by Billy Ellis, McMe DeSantis, and Jimmy Horton. The consolation victory went to Gary Shimp who violently flipped on the first lap of the modified main. Shimp remained in the hospital overnight for observation.

U.S. 13 Speedway

DELMAR, DE - Billy Towers of Milford captured his first victory of the '83 season at U.S. 13 on Saturday night.

Jack Sapp led the first four circuits. Towers coming from his 6th starting position took the lead from slowly fading Sapp. Bob Toreky, last week's feature winner, locked in with Towers in a battle for the #1 spot. Towers in his Covey Car Care '82 T-Bird worked to perfection and was able to hold off each advancing lap by Toreky's T&T Budd Olsen built Spirit.

Feature Finish: B. Towers; B. Toreky, H. Browning, R. Keys, D. Trice, G. Trice, C. Phillips, J. Sapp, K. Sauder, J. Martin, J. Dickinson, C. Todd, M. Henry, L. Johnson, J. Martin.

Heats were won by Ron Keys and Bob Toreky.

Eddie Pettyjohn in the Hitchens Brothers #880 powered his way to victory lane in both halves of the holiday Twin 20's in the Late Model Division.

In the early going of the first win twenty, Lou Johnson took command over the field. Johnson was never seriously challenged as he cruised around the 1/2 mile clay oval.

Pettyjohn, who took over 2nd from David Hill on the fifth circuit was no match for Johnson. A caution on the 11th lap for Alex Beaumont in the #22A brought Pettyjohn on Johnson's bumper. During the 15th lap Johnson's universal joint came apart and the torque tube broke in the Springfield Racing Team #96, bringing out the caution and ending his chances for the

night. With the green lights back on Pettyjohn held down the number one spot with David Hill, Nelson James and Will Cagle fighting for the 2nd, 3rd and 4th positions.

Eddie held a comfortable lead during the remaining laps and when the checkered flag fell it was Pettyjohn picking up his first win since 1978 followed by Will Cagle, D. Hill, Nelson James and Jimmy Skinner. Ed Brown, Sr., John Garzia, Alex Beaumont, Ed Drury and Eddie Williams completed the top ten.

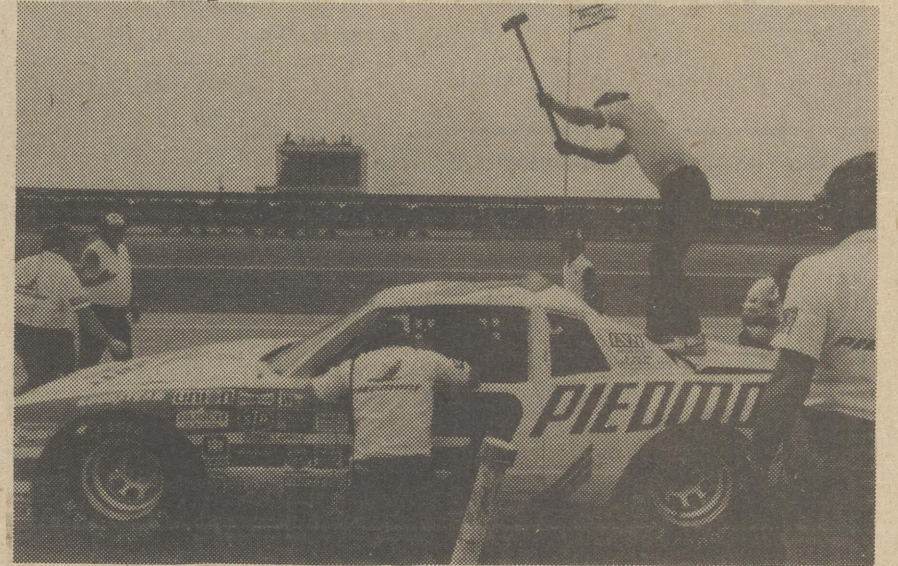

The 2nd Twenty lapper saw last week's winner Steve Hill move into the early lead followed by Cagle, James and Pettyjohn. A three way battle for the number one spot between Hill, Cagle, and Pettyjohn had the crowd on their feet.

On the ninth go round, Pettyjohn and Cagle moved by Hill into the number one and two spots. Pettyjohn began opening daylight over Cagle and Hill.

Pettyjohn finished in picture perfect form taking home the \$1500.00 prize money for both feature wins followed by Cagle, David Hill who took the third spot from Nelson James who had to settle for 4th, with Ed Brown, Sr. rounding out the top five. Bill Towers, Jim Skinner, S. Hill, Eddie Williams and Ed Drury filled out the top ten.

The Limited Late Model feature again went to Mel Joseph, Jr. Jack Macklin finished 2nd after working his way from his 15th starting position. Frank McKinney was third followed by Gerald Jester and Phil Wells.

The Super Slide wet track class was won by Messick over Doug Robinson.

TALLADEGA, AL - The competition at Talladega makes people do strange things. A member of the crew on the Piedmont Airlines Pontiac uses a sledge hammer to get the car back in action in the recent Winston 500. Driver Ricky Rudd was involved in a multi-car accident on lap 72, and spent several minutes in the pits getting his car track-worthy again. He stayed in the race finishing 8th, one lap down. Rudd will bring a new car to the World's Fastest Speedway for the July 31st Talladega 500. [Alabama International Motor Speedway Press Dept.]

Astro-Analysis
 By Sonia McGinnis

HOROSCOPE FOR THE WEEK OF JULY 10, 1983
ARIES [March 21-April 19] - As week moves along interests and activities can effectively be achieved in a domestic setting. Home life holds more importance, too. Although some travel is indicated this week some caution should be exercised.

TAURUS [April 20-May 20] - The interactions you have with associates could provide a chance to latch onto a good program that enhances personal aims. Your ability to handle public relations matters in a diplomatic manner keeps you in good standing with others.

GEMINI [May 21-June 21] - Chances are better now for adding to personal income and assets. Key this week is to focus interests firmly, don't scatter interests and energy in too many areas.

CANCER [June 21-July 21] - A positive attitude keeps you in command and most goals are more easily reached this week. Avoid situations that could be misinterpreted; keep all activities strictly above board.

LEO [July 22-August 21] - This can be an easier week with less aggravations and setbacks. Use excess time to catch up with pending obligations and to set new priorities. Matters can be more effectively settled on a low-key basis.

VIRGO [August 22-September 22] - Although career is highlighted with work activities continuing to hold precedence you can now successfully branch out into other areas. New acquaintances could motivate good business ventures.

LIBRA [September 23-October 22] - Your insight helps you to meet work related challenges more readily, show some assertiveness toward furthering aims. You can advance more rapidly at this time so go for it.

SCORPIO [October 23-November 21] - New intellectual interests keep you busy this week. Associates enjoy your pursuits, making joint plans for future travels. Make long distance travel arrangements and plans with partner.

SAGITTARIUS [November 22-December 20] - Concerns should be focused on expansive projects that have long-range potential and include others who share your goals. By applying good teamwork things are accomplished with greater ease.

CAPRICORN [December 21-January 20] - Offerings from partners or contractual opportunities should be carefully considered. You get new chances that require joining forces with close associates and getting along harmoniously.

AQUARIUS [January 21-February 19] - Good cooperation from those you work closely with helps you to meet deadlines, get obligations out of way early in week. Be prompt for appointments, take the initiative.

PISCES [February 20-March 20] - Getting along with opposite sex is imperative for both social and business matters. Things progress at a good pace with ample time to divide interests on an equal basis.
