# Former Councilmen give their views on new City Hall

**David F. Coady**  
Tuesday, August 2 is referendum day for the voters of Harrington. The voters will be asked to say yes or no to a proposal to allow the City Government to borrow \$125,000. This is to be used to purchase, renovate and furnish property at 110 Center Street. The building would become Harrington's new city hall/police station. In an effort to inform the citizens of Harrington, the Harrington Journal

interviewed former councilmen to ascertain their opinions on the proposal. The questions asked were: 1. Does the city need a new City Hall? 2. Is the proposal to purchase property at 110 Center Street the best route for the city to take? 3. If not, what is?  
\*G. Robert Quillen: 1. Yes, the city definitely needs a new city hall. 2. No, it is not. 3. I believe the best proposal would be to erect a new building on the Liberty Street property. Any proposal

to purchase an existing building takes away property taxes from the city. If the city must purchase an existing building, I would prefer it to be downtown.  
\*William Minner: Yes, but the city is paying off too much in loans as it is. 2. City Hall should not be in a residential neighborhood. 3. I would prefer it if City Hall would be located downtown.  
\*Harold Brode: 1. Definitely do. 2. I

am not opposed to the idea of Center Street, but if I were still on the Council, I would first find out the opinion of the residents in the area.  
\*Arthur Cahall: 1. Definitely. 2. It is a nice piece of property but not the best for the amount of money involved. 3. I would have to know more before suggesting an alternative.  
\*Wilson Bradley: 1. No it does not. Harrington does not need an elaborate

building for City Hall. After all, we are not Dover. I think they should rent an office where you can pay taxes and do the bookkeeping. They can erect a "butler" building for the police. I don't think the city offices and the police should be in the same building.  
\*Dr. Vincent Lobo: 1. Absolutely. 2. It is the best for the amount of money available. 3. I would like to see a new building.

\*Jack Aptt: 1. Yes, there is no question that we do. 2. I do not believe that the Center Street property is worth what the city is paying. If I remember correctly, the building did not bring \$45,000 at auction. 3. What is needed is to put everything under one roof including the library.  
\*Ernest Killen (Former Mayor): 1. Not so sure. 2. No. 3. It should be located downtown.

## Above all - It's still an Agricultural Fair

**by David F. Coady**  
To some, it's the one week out of the year that top named entertainers come to lower Delaware. To others, it's a week when amusement park rides are available locally. To still others, it's a week of showground activities with harness racing, stock car racing, demolition derbies and others. There are those that look forward to the side shows and carnival-like atmosphere with cotton candy, hot dogs and hamburgers, complete with the ever-present pesky fly. To politicians, it's a chance to pump hands, back slapping and the ever popular baby kissing. Then of course, there is the giant arts and crafts and with everything from wicker products to jewelry on display and sale. But if one wishes, at no extra cost to the admission charge, he can wonder through the stables, observe the judging and have a look at the latest in agricultural products. On display is "The Long Green Line" of John Deere products at the Taylor &

Messick area, the latest in Ford products on display by Delmarva Ford dealers, the latest in International Harvester and all the other big names in tractors, combines and ancillary equipment. There is the latest in grain storage, handling and drying equipment by Long, Butler, New Holland and others. There is on display the most advanced irrigation equipment. Delaware leads the nation in no-till planting and the equipment needed for this is on display the most advanced irrigation equipment. Delaware leads the nation in no-till planting and the equipment needed for this is on display for those who take time out from the spending spree going on elsewhere. It costs you nothing extra to thrill your child by sitting him on some of the giant equipment used by today's farmer. Some come with such options as air conditioning and stereos. Then for a stroll through the buildings that house the prize beef cattle, dairy cows and hogs. What city-bred child

would not be enthralled by being able to see first hand all the farm animals. One of the most important aspects of the Fair is the youth competitions involving 4-H'ers and the Future Farmers of America (FFA). These youngsters work all year on a project to be judged at the Fair. The Fair brings together, once a year, the farmer, the businessman and the scientist. They have a chance to swap ideas, discuss techniques and try and solve problems. Also, on hand is the conservationist whose job it is to see that the land is used properly so it will still be productive for future generations. Ever wonder what it is that makes America the best fed nation in the world or why our farmer is so productive that the Federal Government is paying him not to grow? It's all on display at the Delaware State Fair. It is not the races, the amusement park rides, the singer or the side shows. After all, the reason for the Fair's very being is -- Agriculture.

## Holston accuses Harrington City Hall of selective enforcement of laws

**by David F. Coady**  
At Monday night's Public Hearing on property at 62 East Street, property owner Thomas Holston of Houston accused the City Government of selective enforcement. "If a black owns a house without sanitation facilities or electricity, it's okay, but as soon as a white buys property, he must fix it up or demolish it," Holston said. Holston stated that he had purchased the property sight unseen as an investment. "It was built within the last ten years and it must have been passed by a building inspector. I couldn't believe that it didn't even have a bathroom,"

Holston stated. Holston produced a copy of a letter requesting permission to move the house to Wolcott Street where he intended to make renovations. "I only received \$800 per year rent on the house and those renting said they would not pay a cent more. I started eviction procedures because I couldn't afford to fix up the house when I received that kind of rent," Holston said. Holston produced a one line letter of rejection by City Building Inspector Ernest Gallo on his request to move the house from East Street to Wolcott Street. "I do not intend to spend any money to fix

up the property in the neighborhood it's in," Holston said. Holston accused people of the neighborhood of stealing the "no trespassing" signs, tearing off the boards that he used to block off doors and windows and other damage. He said that after mowing down the weeds, squatters just moved in. As the City Building Inspector was not available to make comment, Mayor Mann suggested that the public hearing should be adjourned to such time that he is available. Council agreed and the public hearing adjourned.

## Harrington Library marks 5th Birthday

The Harrington Public Library quietly marks its fifth anniversary this week. Things were not so quiet five years ago, on June 27, 1983 when Governor Pete du Pont, State Librarian Sylvia Short and then Harrington Mayor "Buck" Cahall joined other dignitaries to dedicate the new building and the new service for Harrington. The dedication turned out to be somewhat of a cliffhanger as the day before the ceramics were on and the 12x40 foot modular building had not arrived. People from the Governor's office on down worried that the building might have gotten lost on its trip up from Virginia. However, it arrived on time to be placed on the Commerce St. site prepared by the city and to be stocked with books sent down by the State Division of Libraries before the ceremonies began. Governor du Pont, on his way to annual Governor's Day festivities at the Delaware State Fair stopped by to highlight the dedication. Harrington was the first of three Delaware communities to receive a modular unit for use as a library. Similar units were installed in Greenwood and Bethany Beach later that same summer. For the first two years of operation, the state paid the librarian's salary and most of the other costs of library services. The building came from federal funds and were to remain in the communities as long as they were used as libraries. Two years after their installation, the Greenwood and Bethany Beach libraries were absorbed into the Sussex County library system. Kent county has no such system, and the cost of local library services was assumed by the City of Harrington which now provides a librarian, maintains and insures the building, pays utility costs and the costs of a rental program which puts twenty new books on the shelves each month. It also assumes the cost of magazine subscriptions. The library is further supported by the Friends of the Harrington Public Library. This group sponsors a number of fund raisers which pay for other library services. Recently the group paid over \$800 to keep the Harrington Public Library plugged into the computer which makes the resources of libraries throughout the state available

to local users. (Donations from *The Harrington Journal* and the Burrsville Ruritan Club assisted with this project.) The Friends biggest fund raisers has been the chicken barbecue on Heritage Day. Others have included an annual Wine and Cheese Party in December, book sales and a barn dance at Welch's Seed Service on the first three Heritage Days. Since it opened its doors, the Harrington Library has provided a variety of services: Under the guidance of three successive librarians (Jacquie Davis, Chris Hayward and Betty Ann VanVessen) the library has been open 26 hours a week offering a wide

selection of fiction, non-fiction, reference materials and periodicals for adults and children. The computer terminal and the CAT FICHE (a microfiche reader and over 200 pieces of 4x6" microfilm) make available to Harrington users more than 200,000 different library materials in the state's 29 libraries. These can be requested through an inter-library loan. A weekly film and storytime for children is held on Thursday afternoon at 3:30. Each year a summer reading program for children is conducted. This year's edition invites kids to "Dive In"

## Doug Collins killed in auto accident

**by Harry G. Farrow, Jr.**  
WHITELEYSBURG, MD - While traveling toward Greensboro, Md. late Saturday afternoon, July 23, 1983, the wrecker which Doug Collins was driving overturned, throwing Collins out of the vehicle resulting in his death. He was transported by the Greensboro, Md. ambulance to Easton Memorial Hospital where he was pronounced dead on arrival. Robert Douglas Collins would have been 20 years old on September 22, 1983. The passenger in the wrecker with Collins, Robert Todd Gruwell, age 22, was admitted to the same hospital for possible head injuries. He was kept overnight and released. Doug Collins was a mechanic at Taylor & Messick Co. on the Vernon Road, in Harrington, where the company acts as a John Deere dealership. The business is owned by his maternal grandparents, Walter and Marie Messick. His father, Robert L. (Bobby) Collins is also employed there.

Young Collins had been employed full time at the Company since his 1981 graduation from Lake Forest High School where he played a star role on the Lake Forest Spartans baseball team. He had continued his baseball pursuits playing on the Taylor & Messick sponsored team. He will be buried in his baseball uniform. He is survived by his parents, Robert L. and Dorothy M.; one sister, Rebecca L., of Harrington; his maternal grandparents, Walter and Marie Messick, of Harrington; his paternal grandparents, Robert T. and Elizabeth of Harrington; and his paternal great-grandmother, Theresa Selders of Harrington. Funeral services were 2 p.m. Tuesday at the Calvary Wesleyan Church, Delaware Avenue, Harrington. Friends called from 7 p.m. to 9 p.m. Monday at the McKnatt Funeral Home, 50 Commerce St., Harrington. Burial was in Hollywood Cemetery, Harrington.

## Conrail responds to complaints

**by David F. Coady**  
Mr. Joe Morris, Trainmaster at the Harrington Yard of Conrail has stated that due to complaints received from residents near the Center Street crossing and the Liberty Street crossing, he has scheduled as much shifting to be done at the south end of

the city as possible. What shifting that must be done in the north end yards will be done during daylight hours. Morris also said that there has been problems with some of the gates at the crossing in Harrington. He has ordered crews to expedite repairs.

## Heat stress can be dangerous

Hot weather can mean DANGER especially to older people. The strain of 90°F temperatures combined with high humidity can cause severe illness or even death if preventive measures are not taken. Heat stress can cause medical problems including heat exhaustion, heat stroke, heart failure and stroke. The dangers are increased by existing

problems with the cardiovascular system, obesity, existing infections and diseases, or consumption of alcoholic beverages. In addition, the use of certain prescription drugs may increase vulnerability to the heat. If you take medicine for high blood pressure, nervousness, depression, poor circulation

## Delaware Crime Stoppers offers cash for tips

Delaware Crime Stoppers will soon be familiar to Delawareans. Modeled after successful efforts throughout the country, Crime Stoppers pays up to \$1,000 cash for information that leads to the arrest and indictment of serious criminals. Since callers need not use their name, there is no chance of retaliation.

To work, Crime Stoppers needs support from police, media, businesses and community. It is a non-profit corporation that publicizes a Crime of the Week, usually a serious felony. Callers providing anonymous tips on that crime, or any other felony, are given a code number. If the information proves valuable, the Board of Directors of the corporation pays up to \$1,000 cash.

The first Crime of the Week began April 4. Each Monday, a new crime will be publicized throughout Delaware.

Former Governor Elbert N. Carvel and former Senator J. Caleb Boggs, are honorary co-chairmen for Crime Stoppers. Mr. Norman Powell was recently appointed Board Chairman. Board members represent the media, businesses, and private citizens throughout Delaware.

Information on the following crime of

the week will pay up to \$1,000 cash for information leading to an arrest and indictment.

### CRIME OF THE WEEK

One person was shot and another stabbed in two separate church burglaries. The first burglary occurred on Sunday, July 19, 1981 at the Immaculate Heart of Mary Rectory on Weldin Road in Wilmington. The burglar was surprised by the victim who was shot in the arm with a handgun. Under similar circumstances, the Holy Rosary Church on Philadelphia Pike in Claymont was burglarized on Wednesday, September 1, 1982. A victim at this church surprised the burglar and was stabbed with a knife. In both cases, the burglar fled on foot. The first suspect was a black male about 30 years old, 5'9", weighing 165 pounds with short, straight hair, moustache, and small beard. The second suspect was a black male, about 30, 5'8" with bushy hair.

If you have any information concerning this crime, phone 1-800-TIP-3333, weekdays, 9 a.m. to 5 p.m. Up to \$1,000 reward for publicized and unpublicized felonies. You DO NOT have to reveal your name.

## Lightning

Do you know that lightning is the greatest killer of our weather hazards? It kills more people in the United States than tornadoes, floods and hurricanes. During a 34-year study period, 1940-1973, lightning was the cause of the deaths of nearly 7,000 Americans. During the same period about 6,300 were killed by hurricanes and tornadoes combined. Lightning does not make the news headlines as it affects a small area and takes its victims generally one to two at a time. In Maryland, 99 persons were killed by lightning during the years 1959 to

1980. This included the deaths of 81 persons in an airplane disaster which was attributed to a lightning strike. The following are lightning victims so far this year:

Two persons were killed and seven injured, one seriously, when lightning struck a crowd hurrying for shelter at Dover on May 15th; one man was killed while on a boat in the Severn River, Md. on May 23rd; and four construction workers were hospitalized by lightning which struck a vehicle nearby at Cockeysville, Md. on May 26th.

In 1841, Michael Faraday discovered how to induce an electric current by rotating a wire around a magnet.

Mead, the mildly alcoholic beverage that was the favorite drink of Queen Elizabeth I, was made by combining honey and water with spices, herbs and lemons. After boiling, it was left to stand for three months. Finally it was bottled, and considered fit to drink six weeks later.

to reading. Fifty Harrington area youngsters are enrolled.

Film projectors, a selection of 8 and 16 millimeter films, and the latest - a Polaroid Sun Camera - are available for loan to adults (18 and over) library users with a valid library card.

Since 1,000 people visited the library during its first weeks, use of the services has been steady. In June, 453 people visited the library and 1,095 items were circulated.

The local library has continued to be community-service oriented, sponsor-

ing a number of programs over the five years. The most successful of these was the inauguration of Heritage Day. The first Harrington Heritage Day, held in August 1979, was the first birthday celebration of the Harrington Public Library and the Greater Harrington Historical Society. The celebration was a community-wide success. Now guided by a "Heritage Day Committee" made up of representatives of many local organizations, the fifth annual celebration is set for September 17, 1983.

## Miller to participate in U.D. advanced study program

Melanie A. Miller, a resident of Greenwood and a student of Woodbridge High School, has been chosen to take part in the University of Delaware's Advanced Studies Program, a five-week academic program on the university's Newark campus designed for outstanding high school students who have completed the 11th grade.

The Advanced Studies Program, held

from June 26 to July 29, features courses from academic disciplines ranging from the social sciences and humanities to the mathematical and natural sciences taught by university faculty members known for their teaching excellence. Students in this program are taking a primary course such as "Greek Drama and Modern Culture" or "Mathematical Models in the Real World" and two minor courses in writing and computer programming. They also participate in extracurricular activities such as tennis and volleyball and live on campus during the five-week program.

Melanie is the daughter of Charles and Celia Miller, R.D. 2, Greenwood.

## Community Calendar

**JULY 28** - Governor du Pont will sign the new City Charter for Harrington into law on Thursday, July 28, 1983, at 1:30 p.m. The signing will take place at Council Chamber, 103 Fleming Street.

**SATURDAY, JULY 30** - Attend the Shore Talk titled "Blue Crabs," on Saturday, July 30, at Cape Henlopen State Park Nature Center and learn about the biology of the blue crab. The talk and slide program, which begins at 7:30 p.m. will be presented by Rick Cole, Delaware's Supervisor of Shellfisheries. Cole, who is responsible for the state's crabs, clams, oysters and lobsters, will discuss the research and management of blue crabs, a commercial and recreational resource in Delaware.

"Acid Rain," a Shore Talk geared to give the lay person a basic understanding of the acid rain issue, will be presented in a slide program at 7:30 p.m. Wednesday, August 3 in the Nature Center.

Joseph Scudlark, an acid rain monitoring station manager in Lewes, will present the program. Scudlark will talk about acid rain sources, the pH scale, environmental effects and long-term trends in acidity.

**AUGUST 5** - The Kent County Cooperative Extension Service is sponsoring its 4th Annual Farm and Fin Tour. The bus will depart North Bowers Beach at 8:30 a.m. The ag tour will end at about 2:30 p.m. The fishing will start at 3 p.m. and continue to 8 p.m. The cost is: ag tour only \$5.00 and ag tour and fishing tour \$20.00. Contact Bob Hochmuth, 300 S. New St., Rm 2206, Dover, DE 19901. Telephone: 736-1448.

**AUGUST 9, 1983** - New welding methods will be demonstrated at a welding clinic sponsored and arranged by Taylor's Hardware Company in Harrington, on August 9th, 1983 at 7:30 p.m. Hands-on experience and coaching from an expert will enable beginners to learn good welding quickly. Amateurs and old pros alike will see how to get broken machinery back to work fast with a new easy-to-use Century welder. This new welder does the work of five welders in one.

A Century factory expert will demonstrate overhead welding, the

easy way. Clinic participants will find out about modern AC and DC electrodes.

There will be door prize drawing for those present and refreshments will be served. For additional information and reservations, contact Bob Taylor at 398-3291.

**WEDNESDAY, AUGUST 10, 1983** - Camp Barnes Benefit Stock Car Race, Wednesday, August 10, 1983, U.S. 13 Speedway, Rt. 13, Delmar, Del. **AUGUST 13** - A Funtastic Fair will be held on August 13th from 9 to 4 at St. Bernadette's Church on the corner of Dixon and Liberty St. in Harrington. Flea Market rental space is available for \$5.00. Bring your own table. For reservations call 398-4453 or 697-1237. There will be fun, food and crafts. Rain date August 20.

**SEPTEMBER 2, 3, and 4** - Plans are now underway for the Somerset County Art Association's Annual Arts and Crafts Festival held in conjunction with the 36th Annual National Hard Crab Derby and Fair, Labor Day weekend, Sept. 2, 3, and 4, 1983.

The location of the Festival is on the M.A.C. Center grounds next to the Crab Derby grounds, easily accessible to foot traffic.

The festival is open to all artists and craftsmen, amateur and professional-18 years old and up. It is a non-juried show—no judging awards, commissions or sales charge. It is usually a very good selling weekend. Last year's show attracted over 5,000 visitors. We expect a much larger crowd this year, due to our location.

The hours for the festival will be: Friday, Sept. 2, 1:00 - 6:00 p.m.; Saturday and Sunday, Sept. 3 and 4, 10:00 a.m. - 6:00 p.m. Applications have been mailed, but an entry blank will be furnished upon request. ## Heat stress

[Continued from page 1]

tion, or sleeping, check with your doctor or pharmacist for advice.

Many people feel hot and uncomfortable during periods of hot weather, and may notice a lack of energy or loss of appetite. These are MILD SIGNS, and unless they last a long time, there is no need to be alarmed.

Certain other symptoms indicate SERIOUS SIGNS of heat stress. Any appearance of these signs should be reported to your doctor or another source of medical help. The serious signs of heat stress include:

Dizziness, Rapid Heartbeat, Diarrhea, Nausea, Throbbing Headaches, Dry Skin (No Sweating), Chest Pain, Great Weakness, Mental Changes, Breathing Problems, Vomiting, Cramps.

There are a number of steps which will minimize the chance of heat stress and reduce the discomfort associated

with the long hot days of summer. Staying as cool as possible with the use of air conditioning and fans can produce relief, especially if you have a medical condition such as heart disease.

Cool baths and showers, lightweight loose fitting clothing, adequate fluids, light meals, and reduced activity can all increase comfort while reducing this risk. The increased consumption of salt or potassium should be checked with your doctor.

The Division of Aging encourages older persons to consider these important facts. More information can be obtained by phoning or writing the Division of Aging:

# State Fair attendance record is likely

by William T. Ficka

After a bad storm Thursday night (preview night), throngs of people took advantage of a bright sunny Friday as they attended the official opening of the 1983 Delaware State Fair.

Fair officials feel confident that the attendance record of 177,000 set in 1981 will be surpassed.

DeLane Edwards, a veteran member of the sales audit team, looked at the untold thousands filing through the gates last Saturday and said, "It's a larger crowd than on Saturday last year."

Many had come to see country music legend Conway Twitty.

Twitty, holder of 43 No. 1 hits, more than any other country singer, performed before a sellout crowd.

Twitty didn't let his fans down. He sang 15 songs, starting off with "Hello, Darlin'" and winding up with the crowd-pleasing "It's Only Make Believe."

Earlier in the day, thousands more witnessed the slambang commotion and mayhem of the Giant Demolition Derby.

Between shows the thousands of

fairgoers attended the various exhibits while the kids enjoyed the rides and games on the midway.

Two favorites among the many rides offered by the James E. Strates Shows are the thrilling "Pirate" and the daredevil "Enterprise," neither of which is for the faint of heart.

Some 220 exhibits are on display at this 64th annual fair, with some exhibitors coming from as far away as Florida, according to Gary Simpson, a fair manager.

Food is in plentiful supply, ranging

from the traditional hot dog to sausage and cheese steak subs in addition to roast chicken, funnel cakes, lemonade, hamburgers, cheeseburgers, popcorn, you name it.

One of the best food bargains is at the corn on the cob stand, operated by Sandi and Carl Allen of Dover. Tender and juicy buttered corn can be bought at three ears for a dollar.

"This is our first year, and it's going very well. We intend to come back next year," Mrs. Allen said.

Delaware Dairymen offers 20 ounces of ice cold milk for 50 cents.

Then, of course, there is the free ice water under the grandstand.

Monday night saw the flamboyant "Chicago Knockers," an all-girl mud wrestling team, put on a knockabout show.

Also on view were the livestock and country music talent contests along with a dog show (details and the names of all the winners will be in our next issue).

Still to come are the championship

stock car races tonight, Governor's Day tomorrow, which is also Senior Citizens Day, and Hardee's Day, also tomorrow, when the kids can go on as many rides as they wish for \$5 and a free Hardee's ticket.

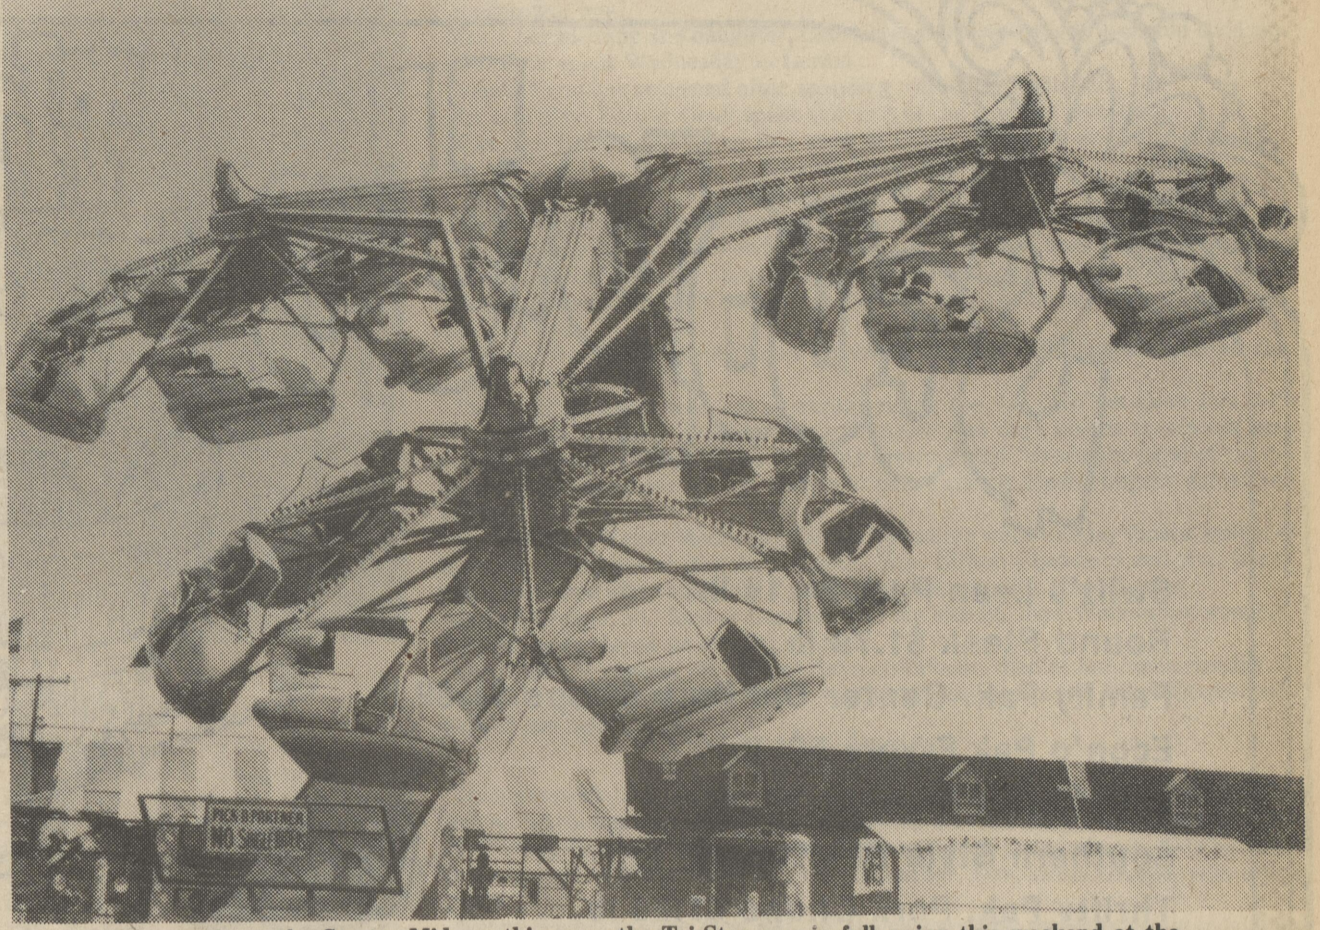

Bobby Rydell and The Shirelles come in on Friday and Ricky Skaggs and Charly McClain appear on Saturday.

Thursday, Friday and Saturday will feature fireworks displays.

If all goes as well as fair officials anticipate, the 1981 attendance record is sure to fall.

## Chicago Knockers a knockout

by William T. Ficka

In one of the wildest, wackiest sport spectacles to come down the pike since the roller derby, a bevy of beauties called the "Chicago Knockers" punched kicked, banged and slammed each other onto a mud-filled wrestling mat.

The spectacle, 40 percent sport and 60 percent showmanship, is called mud wrestling.

And the fans loved it. Virtually all the shapely young girls are former champion runners, swimmers and gymnasts.

They possess the energy of an exploding atomic bomb.

There are 36 girls in the show, eight to a team, and they are rotated.

From the moment they walked on stage before a near-sellout crowd Monday night at the Harrington Fairgrounds, hoopla and hysteria took over.

In brief, the "Chicago Knockers" were knockouts.

Tom Sailor, the affable, outgoing manager of the show also doubled as master of ceremonies.

When asked where he finds the girls, he replied, "They come to us now."

The show has gained nationwide popularity after appearing in over 40 states, including a recent appearance

in Madison Square Garden.

This was their first appearance in Delaware.

"The girls will be on the 'Real People' television show in a month or two," Sailor said, "I can't tell you what it's about, but I know everyone will enjoy it. It's called, 'Operation Rosebud.'"

The girls carry such imaginative stage names as Nighthawk, Golden Girl, Baby Bomber, Firefox, Sweet City Sue and Madame X.

In addition to their athletic prowess, the girls demonstrated a showmanship worthy of a Ziegfeld.

The mud-filled wrestling mat was set on a stage in front of the grandstand.

Before the first team match began, Sailor announced that the rules forbid kicking, biting, scratching and other indiscretions.

But the girls apparently didn't hear this, since they immediately proceeded to break all the rules.

And this was only the beginning.

Soon the dynamic damsels were splattering the photographers with mud, pummeling attendants against the stage's back wall, hurling mudballs at spectators and, in general, creating a madhouse of mayhem.

One contestant scaled the fence and pursued her opponent into the

grandstand to continue the bout among the spectators.

Delaware radio personalities "Big Al" Frazier, Jack Renault, Clint Edwards and Randy Tucker engaged the girls in combat.

But alas, the men were no match for the fair sex.

In the showdown match between Nighthawk and Madame X against Clint Edwards and Jack Renault, the girls reigned supreme when Madame X pinned Jack Renault.

Jack loved it.

He grabbed the mike and said, "That wasn't a pin, it was fun."

The show's finale featured Sailor against two of the "Chicago Knockers."

If Rodney Dangerfield gets no respect, Sailor got even less. Within minutes, he was hurled from the stage and through the chain link fence in front of the grandstand.

Undaunted, he climbed back to the mat, only to go down to defeat.

If the show ever comes back to Delaware, get your tickets well in advance because it will be standing room only.

The girls will never make the wrestling world forget Jim Londos. But Londos wasn't nearly as pretty.

The Chicago Knockers were the feature attraction in front of the grandstand. The "Mud-Wrestlers" were well received by the near sell-out crowd. Here "Fire Fox" flips Baby Bomber in a fierce takedown. It all looked for real to a cheering audience. Photo by HGF.

Happy Birthday August Folks!  
Smile! It will help drive the heat away!! Hasn't it been hot? Wish we could save this weather for next winter - As I write this a thunder storm is going on, the rain has finally arrived; perhaps gardens will pop up and produce their quota!  
Reverend Beyer of Trinity-Prospect-Salem and Bethel-Church was leader of Bible Study Monday morning at the Center. Virginia Smith was at the piano and she also offered prayer. Several favorite hymns were sung. Reverend Beyer told her life story. It was enjoyed by all in attendance. A couple of hymns and then a closing prayer by Reverend Beyer. Present were Annabel Morrow, Mildred Vincent, Clara Judy, Amy Poynter, Ethel Holden, Mamie Adams, Cecil and Sylvia Meredith, Ola Tilden, Anna Mae Short, Elwood Morris, Francis Wright, Mary Sapp, Tony Perrone, Thelma Legates, Catherine Donovan, Jo Burke, Marion and Roxanne Brown, Etzel McCready and Florence Minner.  
Snoky Baby is Sallie Pleasanton's black, curly haired, girl poodle. "Baby" likes to play ball and horsy. Baby gets her dinner before the rest of the family. She is four years old. Sallie keeps a new ball handy just in case Baby breaks the old one.  
Snoky Baby is quite sure she will get

the individual attention of her mistress the first thing in the morning. John is proud of Smoky Baby and it is his joy to hold her!  
Sylvia Meredith directed "Senior Sounds" Wednesday morning. Virginia Smith was at the piano. After many favorite songs they sang several hymns. Present were Sylvia, Cecil Meredith, Margurite Nachod, Margaret Standaert, Mary Sapp, Thelma Legates, Frances Wright, Tony Perrone, Elwood Morris, Ola Tildon, Gladys Hill, Mamie Adams, Anna Mae Short, Jo Burke and me. It was just beautiful, beautiful, beautiful!!!

The trip to "Inner Harbor, Wednesday was a complete success. They are still talking about it, which tells me all was well!!

Crafts, ceramics, Thursday all day, there will be lots of small things for sale Hereitage Day. The ladies are busy! Bowling at Milford Lanes as usual. Pool, well, honey, it is fun to watch and listen even if you do not play. Come on in, the men will welcome you. Maybe they would let a woman play, but none has dared.

Friday was coupon day before we played bingo. Lots of fun. See you at the fair! Best wishes to all. Thanks all volunteers!! See you at the Center. Be kind to each other. Faith!

Nine-year-old John Greene of Felton last week received a state police citation for his part in the capture of two robbery suspects on June 22nd. John, son of Mr. and Mrs. Philip Greene of Felton Manor was mowing the grass when he saw two men in the woods near his home. He told his mother, Mrs. Doris Greene, who called police.

Kenny Rogers and the First Edition, the nation's first pop-rock group to host its own prime-time TV Show, "Rollin' on the River", will headline two grandstand shows at 7:30 and 9 p.m. on Friday, July 27, at the Delaware State Fair in Harrington. The First Edition was formed when three members of The New Christy Minstrels decided to go on their own. The group soon became a top recording and concert favorite with young America with a long list of record hits. They included "But You Know I Love You", "Ruby, Don't Take Your Love To Town", and "Reuben James".

**ANNIVERSARIES** - Mr. and Mrs. Robert Warren, Jr., Ron and Terry Gough.

To welcome the bride-to-be, a variety shower was given Jeannie Mutzbaugh, by her Aunt Alma and Kathy Hampton, on July 18th, 1983, at Kathy Hampton's home in Milford, Del.

Mrs. Julie Ward of Felton has arrived home after visiting with her family in the State of Washington for 3 weeks. The plane flight was frightening as they were in a terrible thunderstorm part of the way. Julie said the lightning was blue. After the storm, the sights below were beautiful as were snow-capped Rocky Mountains. The temperature was 49° there and raining quite a bit. She said she was glad to get back to Delaware to enjoy the heat.

The water safety course for Troop 113 of Felton boy scouts will be held at the Delaware State College, Monday through Thursday this week and next week.

Mr. Frances Baker has returned home from Kent General Hospital but will continue his treatment - for a while, best wishes to you.

Scott Stumpf arrived home Saturday after a full week of camping with the Boy Scouts at Camp Nanticoke at Sharptown, Maryland.

While at camp, Scott earned 3 merit badges (rowing, fishing and basketry) and 4 skill awards. He camped with a group from Salisbury, Md. and made a lot of new friends. A special thanks to Mr. Doyle who helped to make his stay an enjoyable one.

A baby shower was held for both Mrs. Bonnie Kaye Webb and Mrs. Holly Carrol on Monday evening, July 18, 1983. The shower was held at the home of Holly Carrol. Mrs. Webb is the former Bonnie Kaye Poynter, daughter of Mr. and Mrs. Robert Poynter of Felton. The shower was given by Mrs. Bonnie Carter, Mrs. Jackie Webb, Mrs. Lee Porter, Mr. Terry Carroll and Mrs. Marti Carroll. Both babies are expected to arrive in the middle of August.

Extending our sincere thoughts to Mrs. Fred Biggs in her bereavement of her grandmother. Knit Wit Craft members.

The Felton Sunday School will sponsor a skating party on August 3, 1983. For more information, contact Vonna Hobbs.

The Knit Wit Craft Club will be held at Brenda's, this Thursday, 7:30 p.m. This will be our last meeting until September.

One of the old almanacs gives us a fine poem for July that really fits the July we are going through right now. It was written by W.O.B. Peabody and goes like this: "How fast the rapid hours retire! How soon the spring was done! And now no cloud keeps off the fire of the bright, burning sun."

We are trying to slide through it with as much ease as possible. I sit by the fan and read, and of course reading is

one of my favorite things. The old almanacs recall many old sayings, some familiar and some new to me. One says: "The discontented man finds no easy chair;" "When the well's dry, we know the worth of water;" "All whom you see dance are not all that merry;" "All are not holy who lift their hands to heaven;" "Corn should be knee high by the Fourth of July;" These remind me

**SMOKE HARMS CHILDREN**  
Smoking parents may contribute to the development of respiratory disease in their children. According to the British Medical Journal, children exposed to parents' cigarette smoke at home had twice as many lung problems as children living with non-smoking parents. Infants are especially susceptible to this smoke, which impairs their defenses against infection. Be fair to your children and don't pollute the air they must breathe.

## Sports Quiz

by William T. Ficka

There was no winner in the July 13 quiz, which means there is now a \$15 prize for the July 20th quiz.

Send a letter of postcard with your answers to Sports Editor, Harrington Journal, P.O. Box 239, Harrington, Del. 19952. Only those entries we receive in the mail will be eligible. The correct entries will be placed in a container and the first one drawn will be declared the winner. This week's winner will be drawn August 5 and announced in the August 10 issue. If there is no winner \$5 will be added to the next week's prize.

1. Who was the Philadelphia Phillies' manager recently fired?
2. Who is now managing the Phillies?
3. Wh won the British Open golf tournament this year?

4. The answer to question three has now won the British Open how many times?
5. Great Nero, the horse stabled in Greenwood, Del., won the \$1,251,000 Meadowlands Pace on July 15. True or false?
6. A 44-year-old pitcher cut by the Cardinals recently retired. He played for the Phillies from 1976 to 1979. Who is he?
7. Only two players ever batted over .400 three times in their major league careers. Who are they?
8. Did Sandy Koufax ever pitch a perfect game?
9. Man O'War won 20 of 21 races. The only horse to beat him had an appropriate name. What was it?
10. What woman has won the most Wimbledon singles titles?

## Sports Laffs

by William T. Ficka

The lineman was the greatest young football prospect to come to the college in a generation. But he wasn't exactly what you could call a mental giant.

He showed up at practice one day with twoback eyes, a swollen lip and a broken nose.

"What happened to you?" gasped the coach.

"I was talking to Tim O'Malley, the bartender, and I criticized the Pope," replied the player.

"Why in the world did you criticize the Pope? You know Tim is Catholic," said the coach.

"I knew Tim was Catholic," the player exclaimed, "but I didn't know the Pope was."

\*\*\*\*\*

Another story concerning the Pope involved Joe Medwick, the last National Leaguer to win the triple crown.

When Medwick was with the St. Louis Cardinals, he and a group of entertainers had an audience with the Pope.

The pontiff asked for the occupation of each person.

"I'm a comedian," said the first.

"I'm a singer," said the second.

Medwick was asked the same question.

"Your Holiness," replied Medwick, "I'm a Cardinal."

When Satchel Paige played for Cleveland, the club owner noticed that two tickets were left at the press gate every day in the name of "Mrs. Satchel Paige."

The owner hadn't heard of Paige being married.

"Are you married, Satch?" he asked.

"No," replied Paige, "but I'm in great demand."

Ralph Hanover, winning the one million plus race at Meadowlands on July 8, 1983. Jim Rafferty - Turfotos.

## Hanover moves to top of earnings list

COLUMBUS, Ohio - Ralph Hanover, victorious in the July \$251,000 Meadowlands Pace, emerged from the race as the leading money-winning harness horse thus far in 1983. The victory boosted the seasonal earnings for the three-year-old colt to \$811,625. Ralph Hanover is owned by the Waples, Pointsetta, and Grant's Direct Stables of Ontario.

In contrast, the leading thoroughbred money-winner, Sunny's Halo, has earned \$671,190.

Shannon Fancy, an upset winner in Tuesday's \$1,062,000 Sweetheart Pace for two-year-old fillies, made the big leap to the runner-up position on the earnings list. She has now earned \$555,742 for her owner D. Alvin Cummins of Lexington, Kentucky.

After the dust from the million dollar races had settled, Cam Fella dropped to third among the earnings leaders.

Voted Harness Horse of the Year for 1982, Cam Fella extended his winning streak to eight with a victory on Sunday in Canada, increasing his earnings to \$479,850.

Joie De Vie is the leading money-winning trotter with \$318,904. This places the three-year-old colt fifth on the earnings list.

Ralph Hanover (3-year-old pacing colt), \$811,625; Shannon Fancy (2-year-old pacing filly) - \$555,742; Cam Fella (4-year-old pacing horse) - \$479,850; Umbrella Fella (3-year-old pacing colt) - \$351,037; Joie De Vie (3-year-old trotting colt) \$318,904; Apache Circle (2-year-old pacing colt) - \$307,140; Allwin Steady (3-year-old pacing colt) - \$301,475; Time To Cash (3-year-old pacing colt) - \$281,875; Hit Parade (2-year-old pacing filly) - \$276,500; Trim The Tree (3-year-old pacing colt) - \$274,800.

## Paddock Notes

COLUMBUS, Ohio - The Grand Circuit is roaring into high gear these days, with most of harness racing's attention focused as always on the three-year-old colts. The trotting and pacing ranks have produced two very different pictures so far, with Ralph Hanover emerging as the top pacer, but no trotter clearly asserting divisional dominance.

Ralph Hanover, a Meadow Skipper colt trained by Stew Firlotte for the Pointsetta Stables, the Grant's Direct Stable, and the Waples Stable, Inc. of driver Ron Waples, has won six of eight races this year, with his only setback coming in the two-heat Confederation Cup, where he reportedly didn't like the surface. Victories in the Messenger Stake, first jewel in Pacing's Triple Crown, and the \$1,251,000 Meadowlands Pace have helped boost Ralph's earnings to \$811,623 this year, tops among all racehorses of any breed.

The trotting division has seen a variety of horses take recent top stakes. Joie De Vie has won the two richest races so far, the Dexter Cup and the Yonkers Trot (a Trotting Triple Crown event), but he has been beaten on several other occasions. The ill-fated Dancer's Crown, who died Tuesday due to intestinal problems, had split two seasonal starts, and he had been ranked number one in many quarters despite his lack of 1983 racing. Sherwood Lobell, a three-time conqueror of Joie De Vie, has also been in the limelight.

The three-year-olds will be at Vernon Downs on July 22 and 23 and they will then move to The Meadowlands for two weeks of action, with the trotters set to go in harness racing's premier event,

the \$1,000,000 Hambletonian, on Saturday, August 6. The next few weeks could well see a trotter emerge as a dominant force, and also should test the early supremacy of Ralph Hanover.

\*\*\*\*\*

While the spotlight generally shines on the Grand Circuit youngsters, harness racing's grand old man, Rambling Willie, has launched his umpteenth comeback. Away from racing for three months, the indestructible 13-year-old gelding was a very creditable sixth at Sportsman's Park in his return on Tuesday, parked out most of the way and still beaten only 3 1/2 lengths while being timed in 2:01 1/5 over a very sloppy oval. Willie, just \$6,684 short of supplanting Niatross as harness racing's all-time money-winning performance, will reportedly stay in his native Chicago until he breaks the money record.

\*\*\*\*\*

John Campbell and Bill O'Donnell, dominating the driving standings at the mighty Meadowlands, still rank 1-2 in North American dash-winning and money-winning statistics. Campbell is narrowing in on 300 victories for the year, almost all of which have been achieved at the Jersey oval, with O'Donnell in second, some 40 victories behind. The earnings derby finds Campbell and O'Donnell nose and nose for the lead, with each man having driven the winners of \$3.5 million already this year. For point of reference: other than Campbell and O'Donnell, no other driver has won \$3.7 million in one season, and both drivers should reach that figure by the end of July.

MEETING: There will be a meeting of the Advisory Council on Fish and Game on Tuesday, August 9, 1983, at 7:30 p.m. in the auditorium of the Richardson and Robbins Building, 89 Kings Highway, Dover. Two items on the agenda are of importance to sportsmen. The possibility of establishing a minimum size of flounder and a proposal to stabilize waterfowl seasons. The only way the Advisory Council can receive input from Sportsmen is if these public meeting are well attended.

TOURNAMENT WINNER: Becky

Wolf won the Lewes Harbor Marina Tournament with a 56 1/2 pound yellow fin caught aboard the Miss Kirstin. Dick Duppsstad with a 54-pounder took second place. Third place went to Ed Snyder with a 48 1/2 pound tuna.

Don't forget the Marlin Tournament scheduled for August 5 and 6 at Lewes Harbor Marina. Phone Joyce Mears at 654-9917 for more information.

The 10th Annual \$25,000 White Marlin Open is scheduled for Ocean City, Md., August 21-26. Phone 301-289-6383 for more information.

## New Wave Swim Team

Lake Forest "New Wave" swim team had an exciting home meet on July 18 with Wicomico Swim Club of Salisbury. The final score 292 Wicomico to 247 "New Wave". It was a close meet with each event and only hundredths of a second separating 1st and 2nd place swimmers. The two most exciting events were the 8 and under girls medley relay and 10 and under girls medley relay. The 8 and under girls were Kelly MacMillan (our only 8 year old); Maggie Mason (5 yrs.); Tasha Berry (6 yrs.); and Alyss Lange (3 yrs.). The 10 and under girls were Michele Dill, Jill Blades, Angie Mason and Becky Chambers. They missed first place with 1:30 Wicomico to New Wave 1:32. The event had most of the crowd on their feet cheering the swimmers on. In our 14 and under girls, Denise Gregory took first in both 50 m. back and freestyle, which were very close events with Wicomico.

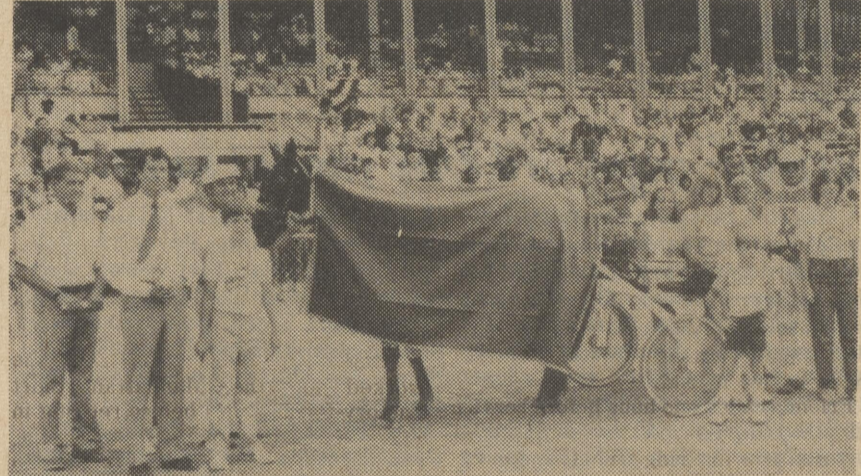

New Wave has several swimmers who are "record breakers" thus far in a 25m pool: 6 and under girls - Tasha Berry 25m free, Rebekah Crockett 25m Back. 8 and under boys Mike Drew 25m breaststroke. 10 and under boys Dan Voshell 50m butterfly, Jason Monroe 25m Free, 100m I.M., 50m breaststroke and 50m free. 12 and under girls, Kelly Rawding 50m free, 50m back, 50m breaststroke and 100m I.M., Paige Parker 50m breaststroke,

50m back and 100m I.M. 14 and under girls Kris Reid 50m free; 14 and under boys Chris Drew 50m breaststroke; 15 and over boys Dan Haines 50m free, 50m butterfly and 100m I.M.

On July 27th New Wave swimmers went to Arby-Pepsi Invitational at Salisbury State College. The following eleven swimmers were heat winners: Mike Drew, Angie Mason, Jill Blades, Brian Haley, Jason Monroe, Joe Gannon, Dan Voshell, Kelly MacMillan, Wesley Wood, Paige Parker and Chris Drew. The following six swimmers were 4th through 6th place ribbon winners: Mike Drew, Tasha Berry, Joe Gannon, Maggie Mason, Kris Reid and Chris Drew. The following four swimmers were 1st through 3rd place medal winners: Kelly MacMillan, Kelly Rawding, Chris Drew and Dan Haines.

Many "New Wave" swimmers will be competing in the Delaware State Meet at Wilmington Aquatic Club the 25-27 July. We wish each of them luck and a fast swim.

New Wave swimmers have tow duel meets left before the championships on the 6th of August at Seaford. August 1 New Wave will travel to Dover and swim with Maple Dale Swim team. Then on August 4 New Wave will travel again to Seaford to meet with Seaford Golf and Country swim team.

Me and My Stuff won the first race at the Delaware State Fair on Thursday night. Pictured are, left, State Representative, Bobby Quillen, owners Paul Aburrow and Ernest Torbert. Driver Eddie Davis is at the far right.

## Harness Racing opens the Fair

by Harry G. Farrow, Jr.

Fairgoers were treated to harness racing on Thursday which opened the Fair. With a free gate, the grandstand and general grounds were overrun with fair enthusiasts.

The harness racing program featured six stake races for 2 year olds in the Delaware Development program.

In the first race a \$3,800 mile pace for 2 year old fillies, Me and My Stuff by Miracle Hanover out of Asher Wil, owned by Paul A. Aburrow of Chevy Chase, Md. and Ernest W. Torbert of Houston, DE and driven to victory by national champion Eddie Davis. The time for the mile was 2:10:1 over a fast track. Davis was in command the whole mile with the youthful filly.

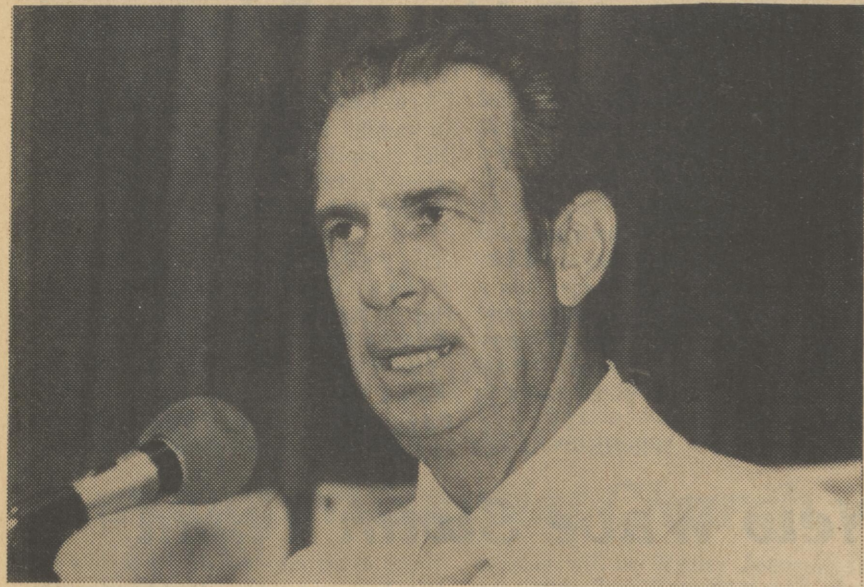

In the second race, the fastest event of the night and by far the most exciting, Cindy Ellen driven to victory by Richard Lewis edged out Sterling K owned by Russell Kirby of Milford, De. The 2-year filly pace featured these two fillies exchanging the lead twice during the race. The time for the mile was 2:08 flat. Cindy Ellen a Big A filly out of Nina Neil and owned by Dan Parker of Laurel, De. Sterling K is by Shadow Almahurst out of Dawk K mare which is also owned by Mr. Kirby. Dawn K is by Adios Harry with Tommy Rose dam, also owned by Mr. Kirby. Tommy Rose has produced 9 foals all of which have gotten to the

racetrack with Even Rudy winning over \$120,000. Two of Tommy Rose's foals have times under 2:00 minutes. Sterling K went the mile at Brandywine earlier in the season in a non-wagering and non-paying race in 2:04:4. The filly definitely shows promise. Genial Giant a brown colt won the 3rd race in 2:08:1. Also a Big A colt out of Raven Rebel and owned by Alvin M. Lineweaver of Maurertown, Va. and driven by Alvin Lineweaver.

Tappahanna Storm a brown gelding by Mr. Executive out of Almeda and owned and driven by Carl E. Thompson of Hartly, Del. won in a time of 2:20.

Royal Richard by Widows Royal out of Meaney owned by Paul W. Short of Georgetown won the 5th race for 2 year old colts and geldings in 2:13:3. The final race was won by Sandra P. a brown filly by Triple T. Crown out of Mollie Scotch owned by Clay Hammer of Bedford, Pa. in 2:20:4. Local driver J.D. Dennis was driving Corey Beth by Red Rodney out of Flying Beauty and owned by Nellie H. Dennis went off stride early in the race. Talking to J.D. Dennis following the race he said "...the filly got her tongue on top of the bit, and when I just touched the reins it was hurting the underside of her tongue....which caused her to go off stride".

### Lou Johnson wins coveted motor sports award at the Fair

by Harry G. Farrow, Jr.

HARRINGTON FAIRGROUND RESTAURANT - Last Friday, Lou Johnson was awarded the Kent County Motorsports Troph for best all around performance by a race car driver at last years Delaware State Fair. Johnson competed in both the Late Model and the Modified heats and features to pile up the most points in order to win the first of this most coveted award. The sponsor of the award is Jack Whitby president of Kent County Motor Co. Whitby was a former sportsman driver at the local racetracks, and thereby close enough to the sport to have an appreciation for such award.

Highlight of the festivities was the remarks by guest speaker former NASCAR Grand National driver, Ned Jarrett, who spoke on the will to win. Johnson, in accepting the award said "...I owe it mostly to Harry Dutton who let me drive his modified in the feature. The 5th place finish there enabled him to garner enough points to win the championship". He was a flag to flag winner in the Late Model feature last year. Johnson has been a track champion at US 13 in the past.

In prior years the winner of the modified feature at the Delaware State Fair has been traditionally hailed as the Delaware State Champion. Prior winners of that have been mostly notably Harold Bunting of Milford, Delaware, who now pilots the 30 car of Blue Hen Racing Team. A mishap a month ago at Flemington which resulted in Bunting getting a broken collar bone has only slowed the great champion slightly. He was back racing within two weeks following the injury.

Highlight of the luncheon award was the presence of former NASCAR Grand National driver Ned Jarrett. He served as the luncheon's guest speaker. Jarrett was a six year veteran of the NASCAR wars and during that short period won two Grand National titles. He is currently 7th on the all time win list topped by Richard Petty. Jarrett quit racing to everyone's surprise when his career seemed to be in "its prime". He often tells sportswriters that he did so after he had accomplished certain milestones. One of those milestones was winning the Southern 500 at Darlington. Jarrett said had the purses been then

what they are today, he might have stayed around longer. "I think certainly something like that would have caused me to prolong my career." Jarrett raced with such greats as "Fire Ball" Roberts, Junior Johnson, Tiny Lund, Rex White, Lee Baker and Buck Baker. He was one of the so called originals of NASCAR. "The sport had a bad image 25...30 years ago. My father was a good Christian and he believed in a good Christian family life. He felt auto racing was associated with either bootleggers.....or just someone who had lost his mind". Jarrett contends that he had a fierce desire to race cars. "So...my partner and I would go to the local track and race. I stayed out of the race car initially because of the feelings my father had toward the sport. One night my partner got sick. So we went way back in the infield away from the pits and changed shirts. I drove - finishing second. This was the best performance our car had made. So I got the nod to drive. The night soon came when I won and the identity was discovered. My father then came forward and said if you like it that much then I want you to drive and he became my biggest supporter."

He concluded his remarks by saying that race drivers must be prepared to make tremendous sacrifices in order to get to the top. "Because it is a very fierce sport. Set your goals high enough that you will succeed regardless of where they land. But race car drivers must believe that they will succeed, they must know that", he said.

Net Jarrett ran 54 races his first year of full time competition on the old NASCAR circuit. That was 1960. He won 5 races his first year as a rookie. He shot to the forefront very quickly. He feels that the growth of the business can be attributed to the manufacturers going out of racing to the extent where they were sponsoring many cars in each field. "If things didn't go right for them they would pull out and quit. This hurt racing. Today with the sponsors coming into the sport you don't have that. Sponsors are very good for this sport.....and I believe it is the difference today of where we stand with this sport. It is healthy and solvent," he said.

## U.S. 13 Speedway

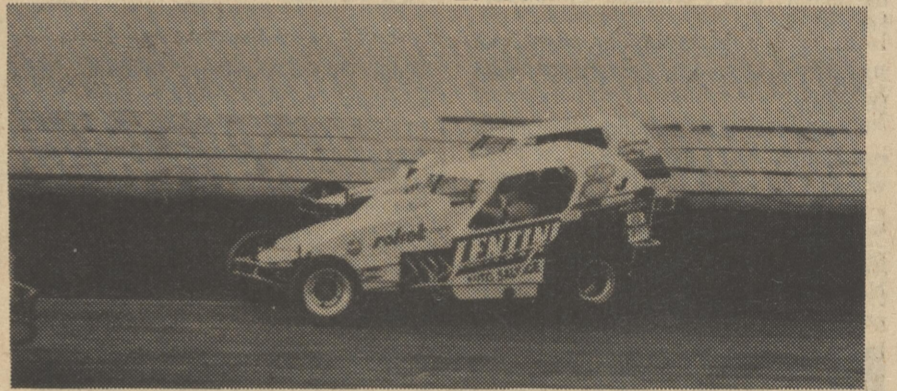

by Shirley Baker

A full moon plagued the late model division at U.S. 13 Speedway Saturday night but once they got things ironed out Walt Breeding of Federalsburg, MD got his 4th victory of the 83 season. The limited late models had their problems also when the field was red flagged because of a pile-up which resulted in Preston Beach being taken to the hospital. When their checkered flag dropped, Steve Dutton of Milford was the winner.

rRick Schroder, Ed Drury, David Hill and Dwane Shannon were all damaged in the late models' third attempt to take the green. When the green went down Nick Kincaid led only half a lap before Breeding took over with Lou Johnson 3rd. Kelly Hastings moved around Johnson on lap 3 and stayed there comfortably until Joe Gaita started challenging on lap 10. Hastings charged hard on a 12th circuit restart but Kincaid held solid. Two laps later Hastings luck ran out as he had a wheel fold bringing out the second caution. On the restart Kincaid pushed Gaita out of the way to maintain 2nd. Gaita never gave up and Steve Hill moved in to make it more difficult. Gaita gave up the fight on lap 20 and Hill took up where he left off but with one lap to go Hill also suffered a flat and brought out the yellow. On the green, white, checkered finish Johnson swung into 2nd putting Kincaid 3rd but the full moon made everyone fighters. Kincaid

took 2nd back when the white flag was waving and Johnson had no choice but to settle for 3rd, Bob Vickers was 4th, Alex Beaumont 5th with Ken Storm, Steve Hill, Eddie Williams, Harlan Williams and Joe Gaita following. The heats were won by Joe Gaita of Hampton, Va. and Lou Johnson of Lewes, Del.

The limited late models saw Keith Jerman hold the initial lap while Mel Joseph, Jr. worked his way to the top. Joseph passed John Kenney before the second lap to take the top spot. Steve Dutton was 2nd with Nick Light 3rd. By the 4th lap Joseph had developed tire problems and spun in turn one. The restart was a no go which enabled Joseph to get back out and start in the rear. As the race resumed, Joseph had trouble finding a hole to squeeze through but by lap 7 the field had spread out and Joseph moved into 5th and started picking off a car each lap. Kenney was 2nd and the hardest to get around but Kenney's car gave up in a cloud of smoke. The long distance between Dutton and Joseph was closed for the restart. Joseph applied the pressure for the lead but Dutton kept his cool. Mel spun on turn two. With three laps remaining Joseph weaved through 7 cars to finish 3rd leaving the winners circle open to a different driver and 2nd spot to Wayne Cusick. Frank McKinney was 4th with Sammy Lowe 5th.

## Carman cops 3rd late model main

A late race charge in the 12-lap Late Model Feature enabled Ringoes, NJ's Dean Carman to ride to this third win of the season. Carman did not take command until less than three laps were remaining. He then held on by mere inches to defeat 7-time winner Gary Raymond for the victory.

Ed Harrington led the initial two circuits prior to Roy Hallquist taking charge. A 6th lap restart enabled Raymond to outrun his teammate Hallquist for the lead.

Two laps later, Carman moves under Hallquist for the start of his surge, taking second. He closes fast on Raymond and blasts around the outside of him. On the 10th go Carman had his hands full the remainder of the way, holding off Raymond for a hard-earned win. Hallquist held on for third, trailed by Phil Cox and Clay Butler.

**FLEMINGTON FAIR SPEEDWAY**  
Results as of 7-23-83  
1ST HEAT (6 laps) - Ollie Butler, Jr., Gary Raymond, Joe Mazza, Steve Voorhees, Art Untamo, Steve Slowinski; 2ND HEAT (6 laps) - Roy Hallquist, Dean Carman, Ed McCarthy, Bruce Plemenik, Clay Butler, Jeff Johnson.

### Earnhardt breaks losing streak

Dale Earnhardt of Kannapolis, N.C. driver of the Bud Moore prepared Wrangler Jeans Ford, snapped a 39-race non-winning streak by capturing the Busch Nashville 420 NASCAR Winston Cup Grand National race Saturday night, July 16, at Nashville (Tenn.) International Raceway.

Earnhardt's last victory had been in the 1982 TranSouth 500 at Darlington (S.C.) Raceway. The Wrangler Jeans team returned to winning form in convincing fashion, however, taking the lead 144 laps from the end of the race and winning by an 11-second margin over second-place Darrell Waltrip of Franklin, Tenn., driver of the Pepsi Challenger Chevrolet.

Waltrip had won four consecutive NASCAR Winston Cup events at Nashville. Coincidentally, the last car owner besides Junior Johnson to have won at Nashville had been Moore in the 1981 Marty Robbins 420; the last driver besides Waltrip in a non-Moore-prepared entry to win at Nashville had been Earnhardt in the 1980 Busch Nashville 420.

Meanwhile, Bobby Allison driver of the Miller High Life Buick, remained solidly in the NASCAR Winston Cup points standings lead. Allison holds a 202-point edge over second-place and two-time defending Winston Cup champion Waltrip (2629-2427).

Bill Elliott of Dawsonville, Ga., driver of the Melling Oil Pumps Ford, is third with 3280, while Harry Gant of Taylorsville, N.C., driver of the Skoal Bandit Buick, is fourth with 2363, and STP Pontiac driver Richard Petty of Randleman, N.C. is fifth with 2300. Rounding out the top 10 are Neil Bonnett, 2260; Terry Labonte, 2089; Joe Ruttman, 2070; Earnhardt, 2051; and Ricky Rudd, 2042.

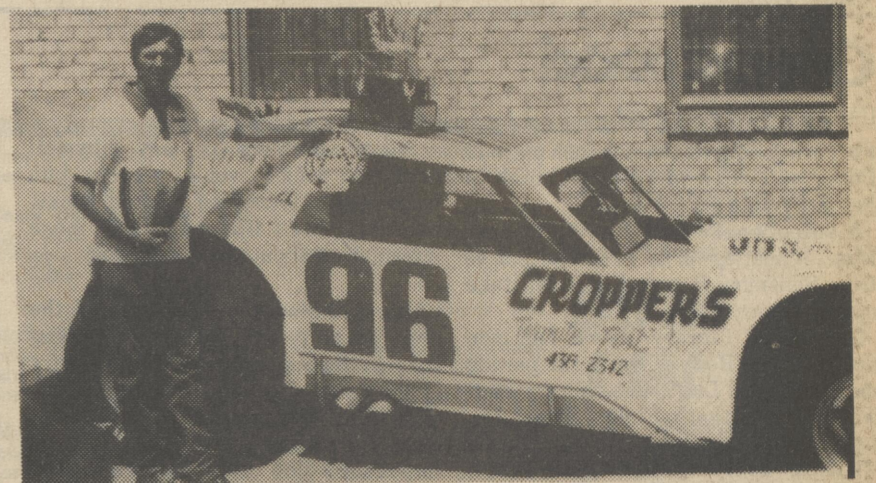

Waltrip regained the lead from Allison in money-winnings with \$341,480 to Allison's \$338,500. Petty is third with \$236,825, followed by Gant (\$230,750); Earnhardt (\$222,681); Bonnett (\$213,970); Cale Yarborough (\$208,255); Elliott (\$189,425); Dave Marcis (\$161,635); and Buddy Baker (\$154,985).

Trevor Boys of Calgary, Alberta, driver of the Hylton-McCraig Chevrolet was the highest finishing Champion Spark Plug Rookie of the Year contender in the Busch Nashville 420. Sterling Marlin of Columbia, Tenn., driver of Roger Hanby's HESCO Exhaust Pontiac, still leads the standings with 168 points while Ronnie Hopkins of Greenville, S.C. is second with 117 and Boys is third with 95.

Ron Bouchard of Fitchburg, Mass., driver of Jack Beebe's Race Hill Farm Buick, won the Busch Pole Award, his first of the season and the 10th driver to capture one this year. Marlin was the Busch Beer fastest second-round qualifier.

Earnhardt won the Gillette-Atra Lap Leader Award by leading 212 of the event's 420 laps. Waltrip leads the \$20,000 season-long standings with 1626 laps - led to the 937 of second-place Allison.

Tim Richmond of Ashland, Ohio, driver of Raymond Beadle's Old Milwaukee Pontiac, won the second Chameleon Change Award of the season by improving his starting position 10 spots during the Busch Nashville 420 (from 13th to third). Richmond and Morgan Shepherd of Conover, N.C., driver of J.D. Stacy's ACM Equipment Sales Buick, have each won a Chameleon Change Award since the program began at the midway point of the 1983 Winston Cup season.

Lou Johnson was awarded the Kent County Motor Company Motorsports championship for 1982.

### U.S. 13 Speedway - and URC sprints

by Shirley Baker

U.S. 13 Speedway played host to the URC Sprints for the second time this season Saturday night and as usual they drew a large crowd. To please the crowd Dave Kelly from Macungie Pa. and Bob Weaver of York Pa. did double duty and stayed out front fighting for the only place to be, on top. Kelly's Globe #17 came to a halt on lap 17 when the fuel cell broke and he quickly emerged from the car when pieces started flying around inside the cockpit. Weaver piloted the Bill Brian #16 and went on for his first sprint win making him the 12th different winner in 15 events. Don Kreitz was 2nd, Bob Wilkins 3rd, Ed Wylie 4th, and Charlie Massey 5th.

Kelly and Weaver jumped in their modifieds for the nightcap which came a little after midnight and between rain drops. A light drizzle kept the track just damp enough for Kelly and Weaver to set a blistering pace while Walt Breeding and Jerry Dickerson and the rest of the field shuffled for

positions. By lap 4 John Kozak moved into take 4th and after the first caution took over 3rd with Richard MJarvis slipped into 5th. Kelly and Weaver pulled away from the field and by lap 9 a six car battle had developed for 3rd spot. The race was starting to look like an instant replay of the earlier sprint feature. Ronnie Tobias moved into 4th with Breeding 5th. On the 25th lap restart the pressure mounted. Weaver had his hands full holding Kozak to 3rd. Kozak took 2nd and Tobias moved into 3rd with 3 laps to go. Weaver was not satisfied with 4th and fought back to take 3rd and then on to get 2nd at the wire.

HEATS: Bob Weaver and Bob Toreky with Ronnie Tobias taking the consolation.

FEATURE: D. Kelly; B. Weaver; J. Kozak; R. Tobias; W. Breeding; R. Jarvis; R. Keys; D. Scott; D. Trice; M. Hudson; J. Dickerson; M. Henry; J. Sapp; G. Trice; B. Trice; D. Dean; H. Bunting; M. Filipkowski (B. Toreky; H. Browning no show).

the immaculate re-built Rolfe Schnur-owned racer driven last year by Jimmy Brenn. "Hager's crew warned me he would be breathing down my neck with five laps remaining in the thirty lap feature, and there he was."

With the drop of the green, Fred Dmuhowski bolted out to the early lead with Fisher glued to his rear bumper. On the second lap, it was Fisher putting the Grant King-built Modified out in front.

Hager moved into contention on the eighth circuit, taking fourth from Fritz Epright. One more time around and the big, Easton, PA Express passed Ray Bateman for third. Then the next circuit Hager overtook Dmuhowski for the runner-up slot. By this time Fisher was nearly half a straightaway in front.

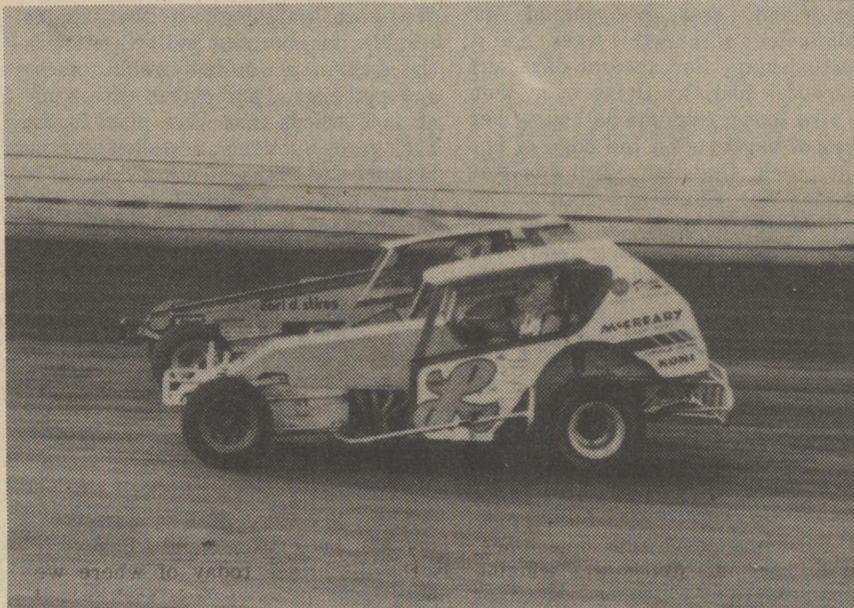

A Don Menzel spin-out with twelve

laps remaining closed things up. The remainder of the way it was a barn burner, between Fisher and Hager with Larry Kline just off the pace. Hager constantly tried the inside route on Fisher, but came up short.

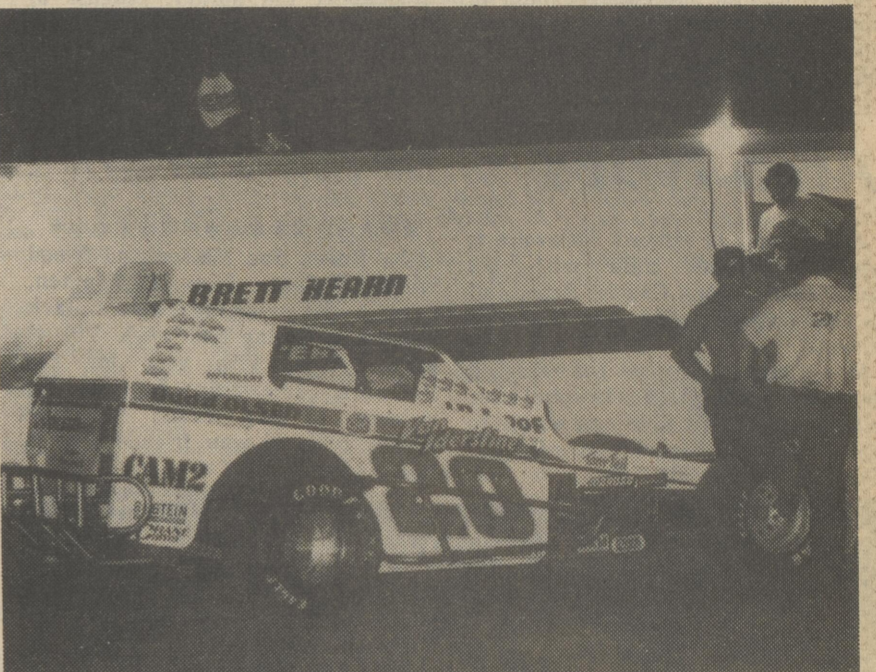

Fisher always seemed to have that extra burst of speed when he needed it. This was enough to hold off the constant challenges of Hager, and take a hard-earned and well-deserved victory.

"Fisher really would have had to make a bad mistake for me to get by, and he didn't do that," stated Hager. "For the fifth week in a row my motor ran on seven cylinders, and tonight that wasn't a help at all."

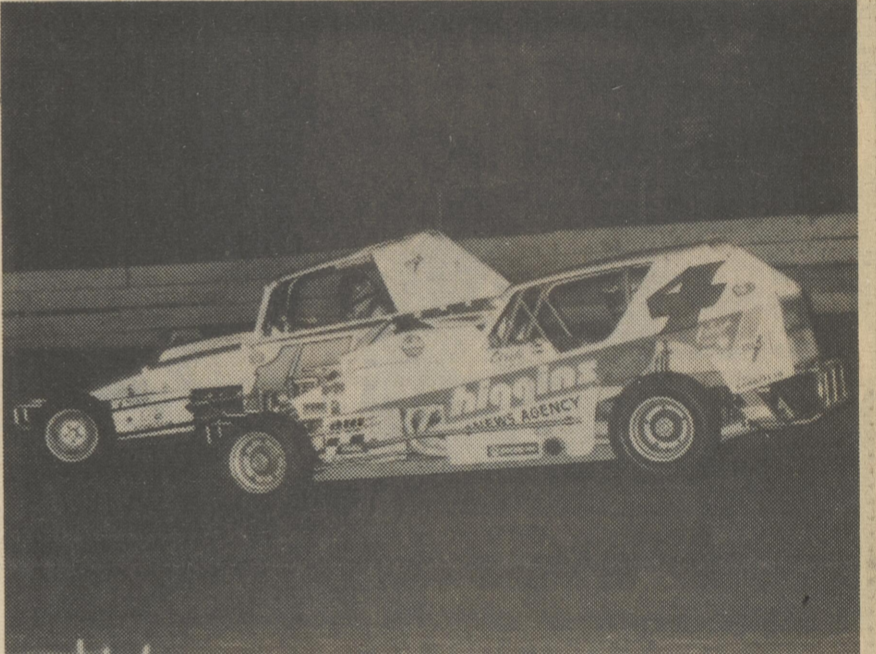

Behind Fisher and Hager came Kline in another fine effort, trailed by Dmuhowski in his best ride this year, and Darryl Carman.

### Come to the Fair!!!

**Astro-Analysis**  
 By Sonia McGinnis  
 HOROSCOPE FOR THE WEEK OF JULY 31, 1983

**ARIES** [March 21-April 19] - The prospects of new adventures keep you enthusiastically involved and you welcome the chance to show how capable you are. Business transactions run smoothly. A week of enjoying recreational events too.

**TAURUS** [April 20-May 20] - It's easy to communicate with those you dwell with so express opinions, share ideas openly. Your knack for decorating helps make home improvements enjoyable; use ingenuity, with your good skills.

**GEMINI** [May 21-June 21] - Your proficiency at handling multiple duties with efficiency gives a head start, gains recognition you deserve. Keep a tight rein on personal finances, avoid extravagant urges.

**CANCER** [June 22-July 21] - This can be a fast paced week so good planning is essential. Focus on money making plans, take full advantage of the chance to put your good earning skills to their fullest use.

**LEO** [July 22-August 21] - You get the green light for taking the initiative, pursuing your own aims. A week when airing those expansive ideas pays off handsomely. Personal appearance is important now so shop for new attire.

**VIRGO** [August 22-September 22] - You can enjoy a more settled and relaxed week with a chance for more prosperity as well. Be willing to work in the background, assuming a less conspicuous role. Show compassion toward those less fortunate.

**LIBRA** [September 23-October 22] - Hopes and dreams are more likely to be realized at this time; major problems are easily settled. Emphasis is placed on friends so establish closer ties, share confidences. Old acquaintances are particularly helpful.

**SCORPIO** [October 23-November 21] - Your actions are more noticeable now so concentrate on making your best impression and showing that you are responsible. Good also for establishing better work habits.

**SAGITTARIUS** [November 22-December 20] - You are extremely receptive to new challenges and learning more difficult tasks. Taking up additional studies could be particularly rewarding on a long range basis so go for it.

**CAPRICORN** [December 21-January 20] - Your capacity for getting to the bottom of things, problem solving gets positive results and aids in pursuits of new ventures. Follow your intuitive urges when faced with important decision making.

**AQUARIUS** [January 21-February 19] - Associates are essential for a truly productive week so show diplomacy, give others the benefit of the doubt. Be willing to put aside old methods; keep an open mind about new ways of doing things.

**PISCES** [February 20-March 20] - Partnership offers could be profitable; don't make snap decisions or judgments however. Check out all the legal aspects before making definite plans with others. Show versatility and the willingness to be open minded.

### Gab Fest

[Continued from page 5]

of another one....My grandfather Bennett was a beekeeper and he used to say--"A swarm of bees in June is worth a silver spoon", but "A swarm of bees in July is not worth a fly".

The mocking bird sings in the hot summer moonlight. They tell me that the most beautiful bird song in the world is that of the English nightingale. I have never heard that, but it does seem that our own mockingbird would run pretty close.

My friend, Tess, has shared her wildlife story with us this week, and it is astonishing. For several days she observed a blue jay flying over from the bird feeder and sitting among her boxes of begonias on the edge of her front porch. One day when she was watering her plants she noticed two small plants coming up out of the soil. Since this was potting soil she wondered how that could have

happened. After a few days she could identify them as small sunflower plants and also found a sunflower seed on top of the ground beside them. The only explanation we have is that the blue jay "planted" them! Can this be true? Do they, like the squirrels, stash away food for the winter? Certainly, there are a lot of things in nature that will truly astonish us if we look closely.

We have a story of our own this time. We were watching out the kitchen window one morning and delighting in the antics of a wee baby rabbit, as he galloped around and played with a pile of dead weeds that were piled in the back yard. Suddenly, he rolled over on his back and began "dusting" himself in the crumbled leaves like the birds and the chickens do. Dad said, "Well, I've looked at rabbits all my life and I've never seen one "dusting" before.

### Vincent Family Reunion

On Sunday, June 19, 1983, the descendants of George B. and Georgia Jones Vincent held a family reunion at Angola by the Bay.

Approximately seventy family members were present, coming from Florida, Ohio, Virginia, Maryland, Pennsylvania and Delaware. All of the six surviving children of George and Georgia Vincent attended with their families. They are George B. Vincent, Jr. of Farmington, Louder Vincent of Harrington, Philip Vincent of Harrington, Laura Vincent Griffith of Greenwood, Gladys Vincent King of Wilmington and Oak Orchard, and Annie Vincent Bruner of Fort Lauderdale, Florida.

Gifts were given to Ruth Adams Vincent and Laura Vincent Griffith, the oldest family members present. The gift for the youngest family member present was given to two and one-half month old Laura Rowan, great-great-granddaughter of George and Georgia Vincent. The largest family group attending was the Louder Vincent family with nine persons, including two children and four grandchildren.

Everyone enjoyed a delicious picnic lunch and celebrated Fathers Day with a beautifully decorated cake. The next reunion will be held in June, 1984.

## Letters to the Editor

### Open Letter to the Citizens of Harrington

Dear Editor:

The day they dropped the bomb, August 6, 1945, was the day I arrived in Harrington, Delaware. That day, 38 years ago, I really loved the town of Harrington. There were stores everywhere in this town. What has happened? Does anyone know?

The big town then had only two police officers, both of them were chiefs, one on the night shift, the other on the day shift.

At that time there were, as I remember, Greenburg's Liquor Store, hotels, The Chicken Basket on the highway, a get-together for all the commoners, Swain's Hotel and bar, Peoples Restaurant, where all the folks from town used to go, a bottle of vodka or a bottle Old Southern Comfort on most of the tables, and Dodge had a good time, too. In case of a fight, the state police were always there to help if needed, otherwise, Officer Voss or Officer Morgan never had much trouble with the situations. We had butcher shops, shoe stores, ready-to-wear dress shops, little old Benny Brownstein sold hot dogs, Coca-Colas and peanuts on Saturday nights. The American Store, Swain's Groceries and Butcher Shop, Ramsdel's Butcher and Grocery Store and Sam Short had a General Store with everything. He had credit for his customers. There were no credit cards then. Anyone with a good job or a good face could get credit. The "Railroad Town", as it was known then, gave all railroaders all the credit

they needed, and there were no gates. We had a steam engine that burned black smoke all over town, especially when the workmen had a heavy day of switching back and forth. Now people of this town can't even burn trash. Back then nearly everyone had some kind of old drum that they could get rid of most of their trash in. Now we have out-of-town collectors picking up our trash which costs all of us citizens in town a lot of money for those services. As I have noticed in the last few years, the town of Harrington has a lot more policeman now. I have watched how they stay out on the highway, both sides of the road on Rt. 13, catching speeders. One day I saw a whole arrest team. I counted 5 cars stopped at one time!!!! I don't know what else happened, but every time I ever got stopped, I had to pay a fine. I say that if this town needs a Chief and six little Indians to rebuild the city with fines, I couldn't even vote for a phoney government to buy a 75-year-old house that has been remodeled several times. Just because the mayor on down the line, or anyone else, may think that it's a good buy, not everyone agrees. A tax-paying citizen of the Grand Ole Town of Harrington, Charles A. Price, Sr., 112 Wolcott Street.

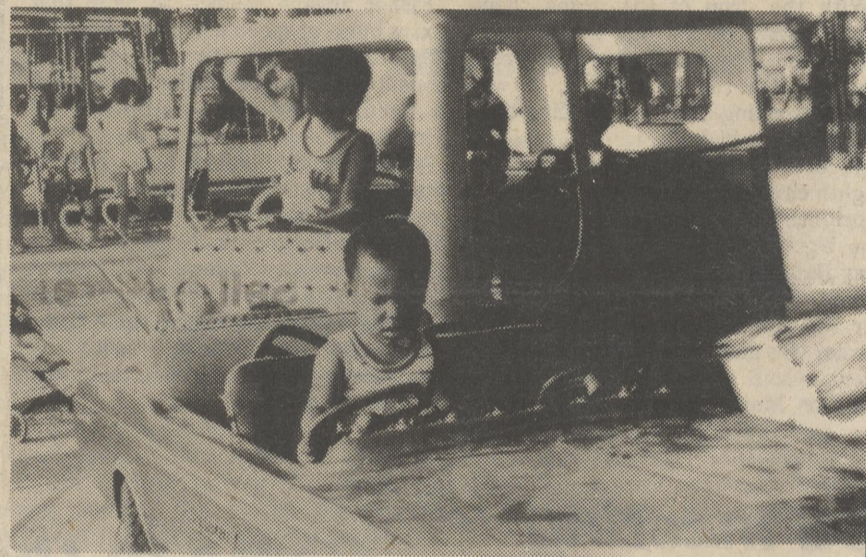

P.S. - Come August 2nd, I'll be around to cast my vote against anything like it. The City Management needs a new building like I need a hole in my head.

Dear Editor:

Dear Mr. Farrow and Assoc. The Friends of the Harrington Public Library want to thank you for your thoughtful and generous contribution. Through such generosity can the Friends help to supplement the library needs. In this way we hope to help

develop our library without putting all the burden on the city. As the library serves our community, it is only fair that the community help the library.

Thank you,  
Sincerely,  
Jennie Chasanov, Treasurer
