City Council votes to rent 110 Center St.

HARRINGTON, DE - A special session of the Harrington City Council was held on August 24, 1983. At this meeting the City Council voted unanimously to rent property at 110 Center Street. This property will be used as the new City Hall and Police Station. The terms are rent of \$100 per month with the city being responsible

for all maintenance and repairs. The lease is for one year. The terms are the same as the previous lease the city had with the Fire Company. The city is to notify the Fire Company of its intentions not to renew its lease on the property at 103 Fleming Street. The City Council had estimated that it would cost approximately \$5,000 to

repair the heating system at the Fleming Street property before winter. Council admits that there will be expenses in moving to the new location but believe that the move is best for the city. In August, the citizens of Harrington had rejected by a vote of 235 to 38 a

proposal to purchase the same property that they are now intending to rent. One of the reasons given by Mayor Mann for the rejection of the referendum was that the Center Street property is in a residential neighborhood. Several other locations were looked into by Council but

rejected as being cost prohibitive. Among these were the Old Marshall's Bar on Delaware Avenue and the former U.L. Harmon Lumber Company on Hanley St. At the August 24 meeting the Building Committee gave its recommendation to rent the Center Street

property and the full council concurred with that recommendation. The Building Committee will continue to seek a final solution to the problem of a permanent City Hall for Harrington. The next regularly scheduled meeting of City Council is Monday, September 12, at 103 Fleming Street.

Persons 60 and older to receive free cheese and butter

The Division of Purchasing in cooperation with the Division of State Service Centers and Senior Centers has announced the resumption of the distribution of USDA surplus cheese and butter to those age 60 and over. In Kent and Sussex Counties, seniors will be served on a first come, first served basis on Tuesday, September 28, also at the Senior Centers closest to where they live. State Service Center Deputy Director Jack Holloway stated the dates and locations for the rest of the eligible population: Food Stamp and Public Assistance recipients, and those receiving Unemployment Compensation and Social Security Disability) will be announced in mid September. As with the previous distribution, these Service Center locations will serve those under age 60 on a first

come first served basis. No senior citizen will be served at these sites, according to Holloway. **KENT COUNTY** (First Come First Served - September 28th - 9 a.m. - 3 p.m.) - Kenton Senior Center, Milford Senior Center, Dover Senior Center, Harrington Senior Center and Frederica Senior Center. **SUSSEX COUNTY** - (First Come First Served - September 28th 9 a.m. - 3 p.m.) - Bridgeville Nutrition Center; Georgetown Nutrition Center, Lewes Nutrition Center, Roxana Nutrition Center, Slaughter Neck Nutrition Center, Nanticoke Indian Association, Greenwood Nutrition Center, Laurel Nutrition Center, Oak Orchard Nutrition Center, Seaford Nutrition Center and Cape Henlopen Senior Center, Inc.

Brian Manges of Harrington was the 1982 dash champion at Harrington Raceway with 30 wins. Manges will return again this year to defend his crown. Brian is the son of respected trainer-driver Del Manges and Dorothy Manges, who also owns horses. Johnny Childress was the 1982 best percentage driver at Harrington Raceway with a .387 average. Childress will also return. Photos courtesy of Brandywine Raceway.

Houston Council says "no" to Federal funds

HOUSTON, DE- Town resident Harry W. Towers urged the town council to reject any federal grants at last Thursday night's council meeting. "It's not hard to say no, you just say no," Towers said. S. Michael Thompson of the Kent County Department of Community Develop-

ment came to Houston at the request of Mayor Richard Rollison to assist the town in applying for a federal grant. Towers' warning that "federal funds means federal strings" carried the day and the town will not be applying for any federal funds.

Greensboro woman dies from injuries

Jackie Blunt, 38, from Greensboro, Maryland, died in the Kent General Hospital, Wednesday, August 31, 1983. Jackie Blunt was injured in an automobile accident on Friday, August 26, and has been in the intensive care unit at Kent General Hospital on life support systems since she had open heart surgery following the accident. Police said that the life support

systems were removed Wednesday morning and that she died at 9:35 a.m. Jackie Blunt was a passenger in a car driven by her son Donald Blunt, 16, when a car driven by Thomasena E. Derrickson, 34, of near Houston, pulled from the southbound lanes of Kent 125 into the intersection and was hit by the car driven by Donald Blunt. Police said charges are pending a review of the case.

Altercation ends with injury to trooper

Six Delaware State Troopers were asked to assist agents from the Alcohol Beverage Control Commission in their efforts to execute warrants against four subjects who were all part owners of the Brothers Club, a popular night spot on U.S. 113 just north of

Ellendale. At approximately 3:00 a.m. on the morning of September 4, 1983, the troopers and the agents converged on the establishment and closed down its operation. At that time, there were still approximately 100 patrons inside the building. As the troopers were in the process of dispersing the crowd, one subject refused to leave and became involved in an altercation with two troopers. The troopers placed the subject under arrest for disorderly conduct and as the troopers were attempting to handcuff the subject, all three fell to the ground. Trooper First Class Ronald Thomas from Troop 5, Bridgeville, sustained a broken left arm from the fall. Tony A. Watts, 25, of Box 768, Felton, Delaware was arrested for resisting arrest and disorderly conduct. He was arraigned at Court 3 in Georgetown where he was committed to Sussex Correctional Institute in lieu of \$2,000.00 secured bond.

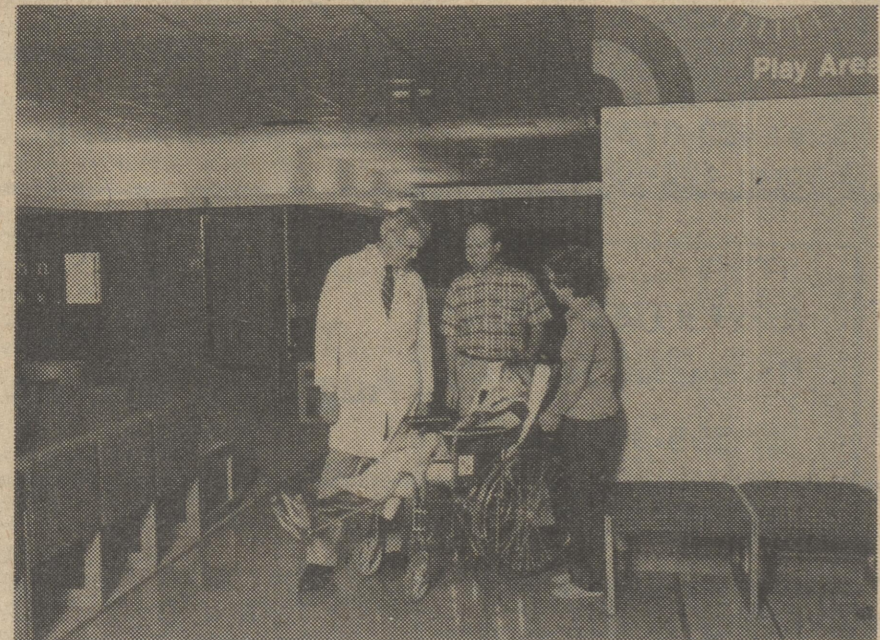

A.I. du Pont Institute opens new clinic

All outpatient operations of the Alfred I. duPont Institute are now being conducted in the Institute's new state-of-the-art facility on the grounds of the Nemours Estate in Wilmington, Delaware. The September 6 move of the Ambulatory Care Center, where

over 30,000 patient visits were made in 1982, signals major improvements in the delivery of health care in the 43-year-old pediatric orthopaedic facility. The new Ambulatory Care Center provides approximately six times the

amount of space found in the former clinic, where activities ceased on Wednesday, August 31. Patients and visitors in the new building will enjoy greater privacy in large modern examination rooms, spacious new restrooms, changing and feeding rooms for mothers with infants, and private lockers for personal belongings. Some other new features of the new hospital include computerized radiology equipment, nuclear medicine and ultrasound services, and a snack area.

Another major patient care improvement related to the move to the new building involves the conversion of the patient registration and appointment scheduling system from a manual to be computerized system. This system, which is designed to assure more efficient delivery of patient care services, will also process appointment reminder cards for regular mailings. The Ambulatory Care Center's operations now in the new building include, in addition to clinics, the following departments: Admissions, Child Life, Family Services, Orthotics, Out-patient Financial Services, and Radiology. The Physical Therapy and Occupational Therapy Departments have, since February 1983, conducted all activities in the new building. When completely open, in late 1984, the new facility will offer the most modern health care technology available in hospitals today.

Medical Director, G. Dean MacEwen, M.D., greets patient Holly Fisher and parents Mr. and Mrs. Gary Fisher of Rockingham, North Carolina, in the new Ambulatory Care Center of the Alfred I. duPont Institute. Since Tuesday, September 6, all outpatient activities of the children's hospital are now being conducted in the new Ambulatory Care Center.

Have you seen this woman? Reward for information leading to her return

Shirley L. Weckerly, a 58-year-old Dover resident, who was last seen on Thursday, September 1, 1983, at Hardees Restaurant on Rt. 113 in Dover at 8:30 a.m., has not been found. Weckerly, who has resided with her 33-year-old daughter, Andrea L. Barrow, and granddaughter, Dona K. Barrow, age 12, for the past two years while pursuing her education, was to commence her coursework September 6, 1983, at Delaware Technical and Community College for her LPN Certificate. Although Delaware State Police efforts to locate Weckerly and/or her vehicle through a helicopter search have proved fruitless, Barrow is hopeful that police efforts will be vigorous. Barrow said family and friends have spent hours searching the wooded areas from Hardees to her destination on Road 120, Frederica and have checked all the area motels without success. Dover City Police, Detective Mullaney has also checked local motels. According to Barrow, her mother always informed her of her whereabouts. In fact, Weckerly was to watch her granddaughter the evening of her disappearance while Barrow was working her parttime job at Vanes Florist in Blue Hen Mall. The last thing she said to Barrow was, "Please call Dona today and tell her to be home from the pool for dinner at 6 p.m."

Shirley L. Weckerly

Weckerly was very conscientious and dependable regarding her activities. Barrow stated, "If she could have called to let me know she wasn't coming home that day, she would have called. That was her, reliable; you could count on her always being home." Weckerly was driving a 1979 light blue, two-door Chevrolet Malibu, Delaware license #776098. She was alone when she was last seen at Hardees drive-thru in Dover. She is 5'5", weighs 120 lbs., has blue eyes, and short, curly, light brown frosted hair. She was wearing a rose colored tank top and dark slacks. Barrow is having 1,000 copies of an 11x17 poster with a photo and description of her mother and a description of the vehicle printed today, which offers a reward for information leading to her return. Friends and family are working in a concerted effort to distribute the posters to trucking agencies, police in other jurisdictions, and large malls, hoping that someone, somewhere will recall seeing her in the vehicle. Hardees Restaurant has agreed to place the poster in their drive-thru window. In addition to people responding in all three counties and offering their assistance, church members from Delaware and other states are having regular prayer vigils for Weckerly. Anyone with information should contact City of Dover Police at 736-7111 or Delaware State Police at 674-3111. The reward is being offered by Barrow, her sister, Sharon C. Collins of Lincoln, Delaware, and their brother, Andrew W. Glenn of Ft. Lauderdale, Florida.

Summer Reading Program ends at Harrington Public Library

The Harrington Public Library had a party Wednesday, August 31 and gave out awards and prizes for those children ages 6 to 12 who participated in the statewide summer reading program and read 10 or more books. Punch and cookies were served and a Laurel and Hardy movie shown.

The winner of the high reader award was Kristin Wyatt. She read 96 books this summer and received as her prize the book "Charlotte's Web". The winner of the "Pearl in the Oyster" game was Suzanne Englehart. She received a McDonald's gift certificate as her prize.

Mrs. Betty Ann VanVessen, Harrington Librarian, left, presents the contestants for the Summer Reading Program at the Harrington Library. Kristin Wyatt, far right front row, was the winner. Kristin is the daughter of Bill and Beverly Wyatt.

You must bring your receipt and yearbooks must be picked up no later than September 30 or they will be offered to students on the waiting list.

Levy Court questions Governor on bulk transfer of coal

The Kent County Levy Court has written to Governor Pierre S. duPont expressing its concern that the State of Delaware appears to have endorsed a project involving the bulk transfer of coal in Delaware Bay which may be in violation of the Coastal Zone Act.

President William Paskey told the Governor that any environmental damage resulting from the proposed operation would impact directly on property owners in both Kent and

Sussex Counties.

Disagreement exists within the State over the jurisdictional responsibility for monitoring the activity as well as the effect that dust emissions into the atmosphere and spillages in the waters of Delaware Bay might have.

President Paskey has asked the Governor to organize a County/State Workshop at the earliest possible time to discuss these issues in greater detail.

Perdue News

Named 1983 Outstanding Poultry Growers because of their hard work, dedication and commitment to quality, each of the families received an engraved plaque from Frank Perdue at the ceremonies, a reception and dinner at the Wicomico Youth and Civic Center, Salisbury. Don Mabe, Perdue president, was master of ceremonies.

The basis for their selection is overall growing performance, including such factors as grow-out consistency, total bird quality and maintenance of flock health.

Each of the growers also will have a sign placed at a prominent spot on their property signifying their selection. Perdue has approximately 1,000 contract growers throughout Delmarva.

Coast Guard News

The United States Coast Guard Academy has announced that it is now accepting and processing applications for appointment as Cadet, U.S. Coast Guard, Class of 1988. Applications are being accepted for both men and women. Appointments as Coast Guard Cadets are tendered solely on the basis of an annual nationwide competition with no congressional appointments or geographical quotas. Applications for appointment must be submitted to the Director of Admissions, U.S. Coast Guard Academy, prior to December 15, 1983. Candidates must arrange to participate in either the College Board Scholastic Aptitude Test (SAT) or American College Testing Assessment (ACT) prior to or including the December 10, 1983 administration for the ACT and the December 3, 1983 administration for the SAT. The competition for appointment as Cadet is based on the candidate's high school rank, perfor-

mance on either the SAT or ACT, and leadership potential as demonstrated by participation in high school extracurricular activities, community affairs and/or part-time employment. Most successful candidates rank in the top quarter of their high school class and demonstrate proficiency in both the mathematical and applied science fields. To qualify for the competition, an applicant must be unmarried at the time of appointment, have no legal obligations resulting from a prior marriage, and must have reached the age of 17 but not 22 by July 1, 1984. All applicants must be assured of high school graduation by June 30, 1984. Regulations stipulate that all applicants must have completed three units in English, and three in mathematics to include algebra and plane or coordinate geometry or their equivalents, and must fulfill basic physical requirements.

Blackwater visitor center now open weekends

The visitor center at Blackwater National Wildlife Refuge near Cambridge, Md. will be open again for weekends beginning Saturday, September 10. The visitor center features exhibits that concentrate on the management and wildlife of Blackwater. There are also hands on exhibits and other items of interest from ecology to what a citizen can do to benefit wildlife. The center will be open from 7:30 - 4:00 p.m. every day and films are available. Other public use facilities on Blackwater include a five mile Wildlife

Drive, two walking trails, and an observation tower, which are open from dawn until dusk. Bicyclists are reminded that the last section of the Wildlife Drive is closed to bicycling from September 1 through March 31 in order to reduce the disturbance to waterfowl using the area. Organized school, church, professional and civic groups may make reservations for conservation programs by contacting the visitor center. Programs offered include: outdoor classroom activities, guided tours of the Wildlife Drive, trail walks, and films and slide presentations.

Nanticoke Indian Celebration

It's Powwow time again. Chief Kenneth S. Clark is proud to announce the dates of September 10-11, 1983 for the annual Nanticoke Indian Celebration. You are invited to share in this unique and exciting experience with the Nanticoke people and members of other visiting tribes from throughout the East Coast. The Powwow will be held, rain or shine, on the farm of William and Joan Norwood, which is located on Sussex Road 297, just north of Route 24, near Oak Orchard, Delaware. Admission to the powwow is free - the only cost being a \$1.00 donation per car for parking. Signs will be located at several locations to direct visitors to the parking area. A shuttle service will be provided from the parking area to the powwow site. The schedule of activities includes an opening ceremony and traditional dancing to begin at noon on Saturday, with a second dance performance at 5 p.m. An outdoor worship service to which the public is invited will be held at the powwow site at 11 a.m. Sunday, with the opening ceremony and dancing to begin at 2 p.m. Activities will close at 5 p.m. The Nanticoke Indian Association is pleased that John "Red Bird" Moore will return as our announcer. He captivated the audiences last year with his interpretation of the Native American culture through his music, dance and storytelling, and this year's event promises more of the same. Visitors will be entertained by the traditional music and dancing performed by the Nanticoke people and their tribal guests. To further enhance the knowledge of the audience, a descriptive narration will be given of the colorful regalia worn by the dancers. In response to many requests, we have filled this year's souvenir book with more information and articles designed to enlighten the public about the Nanticoke Tribe and other Native Americans contributions. Featured in this year's book will be powwow photos, powwow program, a memorial to Walt Wright and more. All of these features promise to make "First People in the First State" our most interesting book yet. It includes something for everyone. In addition to the book, the Nanticoke people will be selling Powwow T-Shirts, and a new item, Powwow souvenir pins. A wide variety of Native American arts and crafts will be on display. Many sale items will include, silver and turquoise jewelry, beaded and feathered items, authentic leather goods, wood carvings, and other art forms such as portraits and oil paintings. You are invited to sample a variety of traditional Native American foods such as Fry Bread, Tacos and Succotash. Available also will be the conventional hot dog and fried chicken sandwiches, as well as hot and cold beverages. All proceeds derived from this event will be used to complete the restoration of the "Harmon's School" for the Nanticoke Indian Museum. Unique to the State of Delaware and Sussex County, this museum will be a living illustration of the Native American people, past and present. The scheduled opening date is planned for Sept. 1984. Be sure to mark your calendar for your visit to the 6th Annual Nanticoke Indian Powwow. For your convenience, bring your lawn chairs, plan to spend the entire day with your family and friends. A special viewing area, near the dance arena has been designated for the physically handicapped. This is an entertaining, educational, cultural event that you will not want to miss. For further information, contact the Nanticoke Indian Center at 945-3400, 9 a.m. until 4 p.m. weekdays.

SHORT TAKES.....

A living ferret had not been seen since 1965 in Wyoming, reports *National Wildlife* magazine. But ever since September, 1981, when Lucille Hogg of Meeteetse, Wyoming walked into a local taxidermy shop with a dead "mink or something" killed by her dog, biologists have been sweeping the Wyoming prairie with spotlights, looking for the unmistakable emerald stare of perhaps the rarest mammal in North America -- the black-footed ferret.

SHORT TAKES.....

How big is the world's largest flowering blossom? Would you believe each blossom of rafflesia (rah-FLEE-zee-uh) flower, that grows in the jungles of Sumatra and Malaya, may be three feet across and weigh up to 25 pounds, reports *National Wildlife's Ranger Rick* magazine. It takes nine months for the cabbage-like bud to grow into a blossom.

SHORT TAKES.....

Chemicals from certain tropical plants are now used to treat Parkinson's disease, relax muscles and are used in birth control, reports *International Wildlife* magazine.

Dr. Joyce Brothers to speak at Del Tech Southern campus

Dr. Joyce Brothers, noted psychologist, columnist, author, business consultant, wife and mother, will speak at Delaware Technical & Community College's Southern Campus in Georgetown on Thursday evening, September 29. Sponsored by the DT&CC Cultural Affairs Committee, Brothers will share her expertise and experience with

Southern Delawareans in a one-hour presentation set to begin at 7:30 p.m. in the DT&CC College Theatre. The program is open to the public for a general admission charge of \$5. Crime Stoppers statistics

Delaware Crime Stoppers have handled 36 cases resulting in a total of 22 arrests. The latest three cases include:
1. William Gaines arrested for a murder committed approximately three years ago. The tip came to Crime Stoppers August 16 at about 5:25 p.m. Delaware State Police Troop 4 were notified. Several follow-up calls clarifying information took place between Crime Stoppers and Delaware State Police Troop 4 and an arrest was made on August 28.
2. William Hammons was arrested as a fugitive. Crime Stoppers received a call at about 9:15 on August 29. Through this and several subsequent calls, information on the fugitives location and method of escape to that location was supplied. Wilmington Police received some of this

information directly, the rest came through Crime Stoppers.
3. Gerald Jolley was arrested as a fugitive. A copias had been issued from Court of Common Pleas and Justice of the Peace Court. The call came to Crime Stoppers on August 4 as to his whereabouts and he was subsequently arrested.
Through Friday September 2, Crime Stoppers has received 283 substantive calls on crimes throughout Delaware. Over 100 code numbers have been assigned to callers based on the quality of information. Delaware Crime Stopper's Board of Directors next meet on September 8, 1983 in Dover. Crimes of the week for October will be selected and payments will be authorized for past callers who supplied information leading to arrests and indictments.

Christine Baker recently returned home after attending the Mary Kay Cosmetics Seminar in Dallas, Texas. Christine attended classes to further her knowledge of the product and the company, a Fall Fashion Show and toured the manufacturing facilities and administrative offices at the International Headquarters.
Johnny Mathis performed for the 8,000 consultants attending the convention. This is the 20th anniversary of business for the company. Miss Baker has been with Mary Kay for two years.
I received an invitation last week which read: "The Activities Department at the Country Rest Home invites you to share in the "Reflections on Staff Weddings celebration" on the 24th day of August in the year nineteen hundred eighty-three at one-thirty in the afternoon in the lobby of the Country Rest Home."
A previous commitment made it

impossible for me to attend, but I asked the Director to give me a report for the papers.
The lobby was decorated with candleabras, flowers, bows, wedding bells, and banners, all donated by Violet Swartzentruber, Greenwood. Wedding cake (made by Sarah Slabaugh) and punch was served, wedding cups and napkins added to the atmosphere.
Wedding music was played and wedding pictures were brought in and placed on the wall.
Four bridesmaids dresses and ten wedding dresses were modeled by the Staff or close relatives. Descriptions of the dresses and short history of the weddings were read as the dresses were modeled.
The Administrator and his wife, Mr. and Mrs. Yoder, cut the cake and fed each other. The residents applauded and cheered, thoroughly enjoying a good time.

Delaware Crime Stoppers offers cash for tips

CRIME OF THE WEEK
Since April of 1983, a young man in his late teens or early 20's is causing the people of Dunleith in New Castle County numerous problems. He is a "Peeping Tom", has exposed himself on many occasions, and throws human waste into houses through doors or windows. These acts are done between 9:00 p.m. and midnight all days of the week. The suspect is tall with a

medium build, short hair, dark complexion, and usually wearing dark clothing. He always escapes on foot.
Please call 1-800-TIP-3333 if you have any information concerning this crime. The hours to call are weekdays from 9 a.m. to 5 p.m. Up to \$1,000 reward for publicized and unpublicized felonies. You DO NOT have to reveal your name.

SHORT TAKES.....

Not all flowers attract bees and butterflies, in hopes of being pollinated, with the allure of sweet smelling scents, says *National Wildlife's Ranger Rick* magazine. The skunk cabbage attracts flies with the help of its foul smelling odor like that of rotten meat mixed with skunk spray and garlic.
SHORT TAKES.....
A Wyoming economist estimates acid rain is costing approximately \$5 billion a year in damage to forests, soil, crops, buildings, fish and other aquatic life, and drinking water, report *National Wildlife* magazine.

 Troy Dennis had charge of Bible Study Monday morning at the Center. He chose as his topic Judges 1 thru 6. *False Promise In Prayer*. Todd Dennis sang and played a hymn he had written. Troy gave a prayer at the beginning and the end of the service. Several hymns were sung, and because Sylvia Meredith is so good at picking up the tune, even the new ones Troy had on the program sounded good. Sylvia as well as everyone present was a great help to Troy. As his grandmother, I was very proud of him. Then aren't we all proud of all our grandchildren? Sure we are! Each one is very special to us! Present were: Florence Minner, Thelma Legates, Cecil Meredith, Tony Perrone, Nellie Tyler, Mabel Perry, Mary Sapp, Ola Tilden, Margaret Standaert, Jo Burke, Penny Ashley (Troy's mother), Dorothy Graham, Elwood Morris, Clara Judy, Mildred Vincent, Lillie McBride, Ethel Holden, Amy Poynter, Etzel McCready, Mamie Adams and Anna M. Short.
 Monday afternoon "Senior Sounds" went to Country Rest Home. All concerned were equally rewarded. Participating were Gladys Hill, Thelma Legates, Margaret Standaert, Jo Burke, "Andy" Anderson, Mildred Vincent, Anna Mae Short, Mamie Adams, Ola Tilden, Mary Sapp, Etzel McCready, Troy Dennis, Tony Perrone, Florence Minner, Cecil & Sylvia Meredith and Elwood Morris. When "Senior Sounds" practiced Wednesday morning, Mrs. Mildred Watson was at the piano and Mrs. Sylvia Meredith was directing. There were nineteen present.
 "Andy" Anderson and Ina Hughes along with Tony Perrone called The

Jolly Timers together Tuesday morning. "Andy" had his clarinet, Tony had his trumpet, Ina on the piano, Elwood Morris, kazoo, Mildred Vincent, kazoo. Those with the kazoos were Ella Golt, Bertha Dean, Lillie McBride, Mamie Adams & Gladys Hill. Annabel Morrow, tamborine, also Mrs. Brown. Mr. Brown beats the drum. Jo Burke has the cutest washboard, Louis Gerardi, guitar and Ola Tilden a small gong. There are others in the band but I'm reporting on those there that I can remember. Sylvia and Cecil Meredith play the kazoos when Sylvia is not at the piano or organ or directing.

The Family Album was lead by Mildred Minner Wednesday afternoon in the absence of Nell Bausell. Those who attended said Mildred really did a perfectly grand job on Wednesday morning the calendars were put together.

Thursday was bowling at Milford Lanes. Local shopping and crafts of all kinds.

Thinking of Heritage Day, September 17, 1983, makes me think of the days when I skipped uptown to mail a letter or passed through town to visit a friend and always but always stopped at the water fountain to get a cool drink. The fountain was of cement and it had steps so small that children could reach the cool, cool water. The other side of the fountain was for horses. It was great fun to be drinking and watch a horse drink at the same time. The fountain was situated in front of what is now Simpson's Dry Cleaners. It may be hard to imagine me as a skipping, cart wheeling kid, but that is just how I used to go uptown.

Thursday, Arlene, our DAST driver took the folks local shopping. Bargains came up short. Clerks were kind and courteous.

Bowling at Milford Lanes Thursday p.m. Crafts of all kinds along with pool, jig-saw, rug making, etc. Bingo among the favorites of the week. As always, ceramics are on the agenda. It is so nice to hear from so many of you. As I write, you would be surprised to know just how many pictures flutter through my mind. Best wishes to all. Thank All Volunteers. See you at the Center. Love you. Faith.

Love you. Faith.

 Greenwood Library News: The pictures of the various classes from Greenwood High School proved to be an interesting exhibit at the library during Anniversary Week. My, how we have changed over the years! Many comments were received from people looking over the pictures of old Greenwood and viewed the map of the town at 1930. Wouldn't it be nice to have a permanent display of Greenwood memorabilia?

Along the quiet banks of the Appoquinimink Creek in Lower New Castle County, Delaware, 18th-century life is reflected in a special exhibit, "Cabinets and Coffins." Displayed in the Wilson-Warner House [c. 1769] in Odessa, is the work of the John Janvier Family of cabinet and coffin makers. Organized by the Winterthur Museum and Gardens, the exhibition includes handcrafted cabinetry that ranges from musical instruments, such as the Marimba illustrated in the foreground, to expensive clock cases and desks. The Janvier Family worked and lived in Odessa, formerly Cantwell's Bridge, from 1775 to 1850.
 The exhibition continues through September 25. Winterthur maintains other historic buildings in Odessa, which has been described as a "tiny village, little known, where a leisurely walk becomes a survey of 18th- and 19th-century domestic architecture" [New York Times]. Odessa is located on Route 13, halfway between Dover and Wilmington, Delaware. Call (302) 378-2681 or 378-4069.

Gab Fest by Pat Hatfield

The weather is so hot we can scarcely believe that September is here. We will share our "Prayer for September". No author is ever given, but I think we have all enjoyed these monthly prayers.
 "In Your Book, Lord, it says that my greatest wisdom
 Would be for me to keep my peace.
 Lord, in this world of noise, Give me a quiet heart
 So I can hear Your firm but gentle voice
 Speaking to me --- Teaching me the lesson
 Of inner calm, so lovingly, so wisely."
 The kids are getting bored with vacation, no matter what they say. Our kids often say to me: "What did you do growing up out there in the country? Weren't you bored? No television, no swimming pool, no library. And I tell them about it. "No, I say; it was exciting! There was the day I was swinging on the front gate and heard the tremendous sound of horses' hooves coming down the road. Two runaway mules thundered by, and I screamed to my mother that there was a little boy on the front seat of the wagon. Soon the farmers were all out and managed to capture the rules and quiet them. The little boy was five years old and very scared, but safe."
 And there was the day when we heard our pretty old cow roaring and we found her in the lower meadow stuck in the mud. We had to run and get a

neighbor who put down boards and helped pry her out.
 And there was the day I found the exquisite nest of the oriole hanging from one of our orchard trees.
 And there was the day an old stray cat was hiding in the ditch and running up, grabbing one of my mother's young chickens which was about frying size. She was so clever that grandfather had to hide in the upstairs guest room in order to shoot her.
 And there was the day when I was picking some blackberries in the field by the house, and I nearly stepped on a big, black snake.
 And there was the day when I was visiting Aunt Pinky Jane Jester and while playing around the yard I found a wee baby chick that the sun had hatched after the eggs had been discarded from under the mother hen. Aunt Jane put the little chick in an old sugar dish that had been discarded and I walked home with it. It became my favorite pet and lived for years as Rhode Island red hen.
 Peaches are with us now. Dad eats them four times a day. I like them neatly sliced because they also look pretty that way. But Dad wants his in Delmarvelous style.... "Sugared down". You chop them into odd shaped bits, cover with sugar, mix well with spoon and chop a bit more, and you have old-fashioned Delmarva "sugared down" peaches.

Greenwood Library News

by June W. Bostick

The pictures of the various classes from Greenwood High School proved to be an interesting exhibit at the library during anniversary week. My, how we have changed over the years! Also, many comments were received as people looked at the postal cards of 'old Greenwood' and viewed the map of the town dated 1930. Wouldn't it be so nice to have a permanent display of Greenwood memorabilia?
 The library staff expresses its thanks to Mr. Carl Hill for his most informative and interesting program on stamps and stamp collecting. Let's hope that those who attended the program will increase their interest in stamp collecting.
 With the start of the new school year here, it is time to think of fall activities and your library invites you to participate in its activities.
 Story House - Now that the older children are back in school bring those pre-schoolers to the library September 13 at 10 a.m. for an hour of fun.
 Films - September 12th at 4 p.m.

come see *Dick Whittington and his Cat* and *Three Gifts*. Then on September 24 at 10:30 a.m. come see the film *The Happy Prince*.

The refunding club will be meeting at the library in September. For more details, including the date of the meeting, contact Bridgette Wroten at 349-4331.

Also beginning in September - on Tuesday, September 20 at 7 p.m. there will be a blood pressure taking clinic. Come the third Tuesday of each month and have your blood pressure taken by a qualified and experienced registered nurse. Remember this check up is free!

Thanks to the Greenwood Volunteer Fire Company for their gift of the book, "Fire Protection Handbook" to the library. This book offers the best information on current fire protection practices available. If you have any questions concerning fire protection practices for your home or business building, come to the library and use this book. It will be on the reference shelf.

Health Tip
 OF THE WEEK

SALINE NOSE DROPS

When allergy or a head cold fills the nose with an excess of mucus, it may help to use nose drops made from 1/2 tsp. table salt in a cup of water. Sniff the liquid thru one nostril at a time, until it comes thru to the back of the throat. A spray bottle may be helpful. It should be spat out rather than swallowed. Only 1/2 tsp. of salt in 8 oz. of water is advised. Most people tend to make the solution too strong.

Catholic parishes to aid orphans in local appeal

The needs of dependent children will be addressed on the weekend of September 10 - 11 in most Catholic churches in Delaware and the Eastern Shore of Maryland. Persons attending Masses in local churches will be asked to assist the work of the local Church through the Orphans Collection which began in 1887 in the local diocese and last year resulted in contributions of \$86,845.

Serving a population of young women in their teen aged years, it has been operational for 153 years. Siena Hall works with a younger population of children who are mostly male and is 103 years of age. The homes serve children who are the emotional orphans of our society.

Proceeds of the Appeal go toward the operation of Seton Villa and Siena Hall, the two group-care facilities for dependent children of the Wilmington diocese. These homes located in the greater Wilmington area are operated under the auspices of Catholic Social Services and provide an opportunity for those living there to attend area schools and participate in a variety of recreational, sports and community activities.

In a letter to the people of the diocese, the Most Rev. Thomas J. Maduga, Bishop of Wilmington said, "As a group, young people have had to bear a disproportionate share of the burdens of our distorted life styles and social ills. They are the victims of family disruption, of alcohol and other drugs, of neglect, and of physical, mental and sexual abuse."

The Bishop also noted that in view of the changing concept of public support of activities for dependent-child care, the Orphans collection has been modified somewhat this year. For the first time, it will be possible for contributors, (who may wish) to sponsor an individual girl or boy for a specific period of time.

Asbury U.M. Church

The Worship Committee of Asbury will meet Thursday, September 8, at 8:30 p.m. Plans for the year will be made for worship and music. Also, this Thursday will be the first night of choir rehearsals. Cherubs will meet at 6:00 p.m. and the Cancel Choir will rehearse at 6:30 - 7:30 p.m. Our adult Cathedral Choir will practice from 7:30 - 8:30 p.m.

Sunday, Sept. 11 is Rally Day in the Church School. Come and bring family and friends to Collins Hall at 9:45 a.m. The United Methodist Men will meet Sunday, Sept. 11 at 7:30 a.m. All men are invited for a good breakfast,

fellowship and an interesting program. The Senior High U.M.Y.F. (grades 9-12) will meet in the Youth Room Sunday evening at 6:30 p.m. Join in the fun, fellowship and planning for this year.

Now that summer is drawing to a close, it is time to get back to regular church attendance. Vacations have drawn some of us away. Try to participate in Rally Day on Sunday, September 11.

"Remember the sabbath day, to keep it holy." (Exodus 20:8)

St. Bernadette's Catholic Church

NOTES FROM CHARLIE BROWN: The Annual Orphans Collection will be taken up at all the Masses next weekend. The Diocese of Wilmington maintains two residences for dependent children: Seton Villa and Siena Hall. The rising incidence of child abuse and neglect, and the generally devastating effects of the poor economy, unemployment, and poverty have given a new urgency to the care of dependent children. Because of their general reduction in availability of public money the fact that private, non-profit agencies are being called upon to provide a greater amount of service to meet pressing needs, Catholic Social Services is asking you to consider a \$40.00 donation to cover the weekly cost beyond the public funds given for custodial care. In doing so you will become a Sponsor. Donations between \$20.00 and \$40.00 qualify as patrons. Any gift, no matter what its size, is welcome and appreciated. Jesus once took children into his arms and blessed them. St. Paul has told us religion, pure and undefiled, is the care of the poor, widows, and orphans. We today are in a position to help in this fundamental work of the church.

to the St. Bernadette's Parish Picnic on Sunday, Sept. 18th from 1:00 p.m. until 7:00 p.m. The parish will provide the hot dogs, hamburgers, rolls, and liquid refreshments. Those attending are asked to bring one covered dish - either a salad, vegetable, or dessert. Fun and games for all. St. John's parishioners are asked to sign the invitation form in the main entrance of the church.

INTERESTED IN THE CATHOLIC FAITH? THE CATECHUMENATE: The parish community of St. John - St. Bernadette will sponsor a year-long program for those interested in learning more about the Catholic faith. Adult non-Catholic, adult Catholics wishing to be confirmed or renewed in their faith, and young adults desiring a deeper understanding of their faith are invited to participate.

We believe that the church is to be celebrated and shared. We ask that you think of friends who might like to be included in our faith community and approach them with the invitation. Later you will be asked to participate. Meanwhile, if you or someone you know is interested, contact Fr. Charlie or Sr. Kathleen (422-3701).

YOUTH NEWS - St. John's - St. Bernadette's Jr. CYO: There will be a meeting of all membership of the Jr. CYO and anyone who would like to join on Sunday, Sept. 11th at 6 p.m. at Peggy DeMartin's home, 623 Evans Drive, Eastman Hgts., Milford. There will be an ICE CREAM Party and weather permitting, swimming, so bring your sweet tooth and a bathing suit.

ST. JOHN'S - ST. BERNADETTE'S YOUTH MEETING (Grades 9-12): There will be a general youth meeting for all Ninth to Twelfth Graders of both churches on Sunday, Sept. 11th at 7:30 p.m. in St. John's Hall. There will be an ICE CREAM SOCIAL too!

FOOD: Please support the food pantries of our communities by bringing food to the church next weekend.

RETREAT FOR SEPARATED AND DIVORCED CATHOLICS: October 7-9 at Holy Rosary Retreat Center, Claymont. For further information and registration, call the Family Life Bureau 655-6118.

BANNS OF MARRIAGE are announced between Robert T. Barr of Benedict's Ridgely, and Linda K. Boutin of St. John's, Milford and also between Phillip Jackson and Holly Collison of St. John's, Milford.

Viola United Methodist Church

The cleaning and painting on the inside of the Viola Church for the centennial was a lot of fun and a job well done by a group of willing workers. They were as follows: Mr. Edgar Dill, Mr. Earl Walters, Mr. Geol Habicht, Mr. Gardner Kersey, Mr. Clarence Hurd, Butch Weaver, Mrs.

Lois Walters, Mrs. Grace Kersey, Mrs. Betty Frazier, Mrs. Katherine Lockwood. Anyone with photos, facts on the Viola congregation pertaining to the Centennial, you are invited to attend our open meetings. Watch this church column for dates of meetings.

The week in Harness Racing --A Round-up

Two track records fell Saturday night at Ocean Downs Raceway when Perfect Beauty won her Invitational Trot in 2:00:3. This equivalent to a 1:57 mile at the Meadowlands. Convoy also won his pace in 1:57 which was "....an unbelievable mile at Ocean Downs", a source said at USTA. This is equivalent to a 1:55 mile at the Meadowlands.

Cam Fella, a Most Happy Fella colt, won his 15th straight at Sportsman Park in Chicago. It was a \$60,000 pace and the final leg of the U.S. Pacing Championship. He swept all three legs of the series....at Roosevelt Meadows and Sportsman's park. It was the second time in 6 days he has broken the track record at Sportsman's Park. It was 1:54:2 the week before and 1:54 for this last trip.

The fastest time over the weekend at Louisville Downs for an \$8,000 Invitational was by Fritz in 1:53. Louisville is a half mile. This was a world's record on a half mile track beating Temujin's old record by a full second. Mary Allen drove the powerful

colt to the record. The track put together the race so that he would have the chance to break the record. This would be equivalent to a 1:51:3 mile at the Meadowlands.

Harrington's Jackie Parker, Jr. won with Vereen for the second straight week. Winning week before last in 1:54 and last week in 1:53 at Hollywood Park, a lightning fast mile track, he beat Courageous Red, who last year set the most 2:00 miles for one season winning 25.

Upcoming this week is the \$250,000 pace for 2 year olds heading the field will be Panorama who is the fastest miler of the season....1:54:3, where he did that at the Indiana State Fair.

Ralph Hanover will be at the Mohawk Raceway (Toronto) next Tuesday in the Simcoe a \$100,000 race. It will be last start before The Little Brown Jug. If he wins "The Jug" he will win the Triple in that....having won the Cane, The Messenger earlier in the year. He is the all-time season money winner as reported by USTA.

Power Seat wins World Trotting Derby

by Dean Hoffman, USTA, special to Harrington Journal

There is still hope for the small horseman. In an era when \$100,000 yearlings don't even draw a second look, it's comforting to know that Power Seat, winner of last Saturday's \$580,090 World Trotting Derby cost only \$7,200 as a yearling.

The World Trotting Derby, contested at the picturesque Du Quoin, Illinois, fairgrounds marked the emergence of Power Seat into the forefront of the sophomore trotting picture.

When Power Seat won the second heat on Saturday and paid \$78.40 for a \$2 wager most people dismissed it as a fluke. However, Power Seat roared back to win the final heat by four lengths and thus silenced the pundits.

Pre-race speculation in the Derby, the richest harness race outside of metropolitan New York, centered on the presence of three fillies in the race. In addition to Hambletonian winner Duenna, the fillies Winky's Gill and Tartport Frenzy were also named to start against seven colts.

(Duenna and Tartport Frenzy were both made eligible by payment of a \$25,000 supplementary fees which boosted the purse.)

The track at DuQuoin was, as always, superb. The World Trotting Derby was conceived several years ago to replace The Hambletonian when the premier trotting classic was moved to New Jersey. The entire week of Grand Circuit racing (plus Illinois stakes) was marked by full fields and by the traditions of harness racing at its finest.

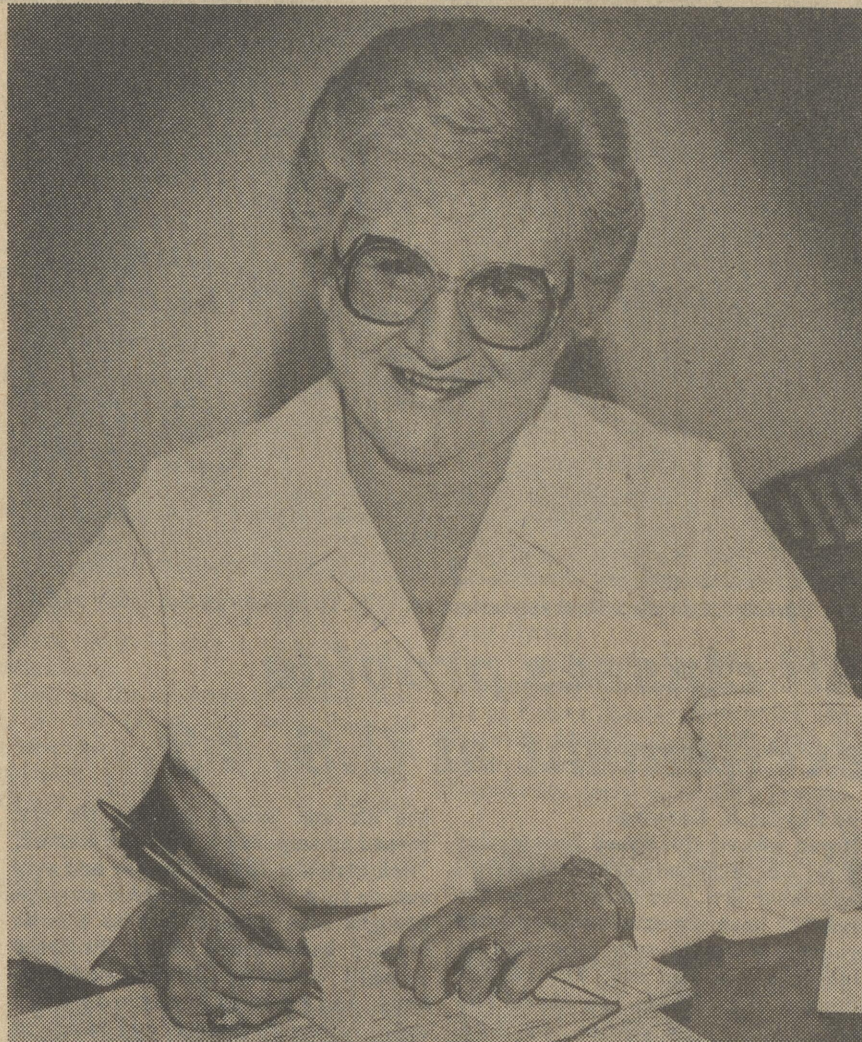

Hambletonian winner Duenna was made the pre-race favorite since she had not lost a race since late June and drew the advantageous rail position.

The Bonefish filly Winky's Gill was made the second choice on the strength of her 1:55 2/5 victory at Springfield two weeks prior to the World Trotting Derby. However, Winky's Gill was battling colic all week at Du Quoin and had drawn the seventh post.

Tartport Frenzy was coming off a five race winning streak with the last three victories coming in 1:56 3/5 or faster.

The colt Joie De Vie was seen as the only legitimate threat to the trio of fillies as he had been a consistent winner all year and was a close second to Duenna in the Zweig Memorial Trot at the New York State Fair in Syracuse in his last start.

Marylyn Abbott
Harrington Racing Secretary

Harrington Raceway opens 37th consecutive season

HARRINGTON, DE - Harness racing returns to downstate Delaware this evening when Harrington Raceway opens for its 37th consecutive season. Harrington is Delaware's oldest pari-mutuel harness track and racing will continue there through November 12th. Harrington's schedule calls for 5 nights of racing, Wednesday through Sunday each week.

Track management announces that Marilyn Abbott will return as Racing Secretary after being first named to the post during last year's season. Abbott became only the third woman in the United States ever to be named as Racing Secretary at a harness facility. Abbott will be charged with the responsibility of putting together each night's racing card, using the ABC system of classification. She reports that over 600 horses will be assigned stall space at the track for the duration of the meet, while many others will be "shipping-in" throughout the season.

C.R. (Bobby) Clark Jr. of Milford has been named by the Delaware Harness Racing Commission as the Presiding Judge at Harrington. He'll be complemented by Associate Judges, Austin (Ned) Galentine and Norman Short.

Harrington was one of a handful of tracks in the United States showing an increase in wagering last year over the previous year, and Track General Manager, George C. Simpson is hopeful to be able to duplicate that feat again in '83.

"There's no sense denying that it's going to be tough this year. We're going to be going head-to-head against nearby Maryland tracks, but I think

there's still room for optimism. It looks like we've got some first class horses that will be racing here, Simpson says, and some top trainers. Another factor in our favor is that we've got an extremely die-hard group of loyal fans. Don't forget, this is where harness racing was born in Delaware."

Another minus factor on Harrington's ledger, according to Simpson, is the fact that they will only be racing 49 days this Fall. Simpson explained that the Track had asked the Delaware Harness Racing Commission for 10 additional days in order to be better able to show their stockholders a profit. That request was denied and the days were instead awarded to Dover Downs.

Simpson noted that the Commission would be meeting within the next few days to award 1984 dates and that Harrington would again request the extra days for next year. "I just don't know how much longer we can survive at Harrington racing just 49 days a year. We've got certain fixed expenses, like all businesses and we need those extra days to cover those costs and try to show a little profit. I don't think that's being too greedy. If we close, I hate to think of the ripple effect it's going to have on the economy of all of lower Delaware."

Several promotions are being planned for Harrington this Fall, the first of which will offer free admission the first two days that the track is open. Post time at Harrington will be 8 p.m. Wednesday through Saturday and 6:30 p.m. on Sunday. The track will again offer two trifectas, exacta, quinella, and win, place and show wagering.

Lake Forest Community Pool opens September 6th

The Lake Forest Community Swimming Pool located at the Lake Forest High School will open for the 83-84 season beginning on Sept. 6th. Fitness swimming, Recreational swim-

ming and lessons are offered throughout the year. For more information please call Denny Berry at 284-9816.

Hunting and Fishing on Delmarva

by David F. Coady

NATIONAL HUNTING AND FISHING DAY: President Reagan has proclaimed September 24 as National Hunting and Fishing Day. The theme of this year's NHF Day is the importance of conserving America's natural and wildlife resources. Each year, a day is designated to introduce the non-hunting and non-fishing public to the benefits of these sports as conservation tools. This year's theme, "A Day for a Lifetime" reflects this objective.

More than 40 of the country's leading conservation organizations will sponsor some 2,500 activities nationwide. As part of the nationwide exhibitions, Remington Farms will be holding a free open house. Some 35 exhibits will be manned by nearly 200 volunteers. Those cooperating to make this exhibition a success include the

Maryland Wildlife Administration, Ducks Unlimited, The Wildlife Federation, a local 4-H Rifle Team and many more.

Maryland Tidewater Administration, Assateague Mobile Sport Fisherman Association and the Maryland Flyanglers will be teaching the finer points of bait casting, surface casting and fly fishing. They will show you how but you will have to do your own casting. On the shooting ranges will be the Remington Pros and the 4-H Team to demonstrate the finer points of marksmanship with .22 caliber rifles and 20 gauge shotguns.

Remington Farms NHF Day Open House will begin at 10 a.m. and end at 5 p.m. rain or shine. Remington Farms is located along Route 20, approximately halfway between Chestertown and Rock Hall, Maryland.

Joe the jockey was marrying a beautiful young woman. She was the same height as Joe, but she outweighed him by over 100 pounds.

At the wedding reception Joe asked Benny, the best man, to accompany him and his bride to the honeymoon suite.

"Joe, it's just not done," said Benny. "But Benny, we've known each other since we were kids. Won't you help me?" pleaded Joe.

"It's just not done, Joe," repeated Benny, "not even with your best friend."

"It will only take a minute," Joe appealed. "I only want you to help me carry her over the threshold."

The fisherman's neighbors didn't exactly call him an out-and-out liar, but they were a bit skeptical of his stories about the sizes of the fish he caught. To remove all doubt from their minds, the fisherman bought a set of scales.

The neighbors no longer questioned his fish stories until one night when one of them asked to borrow the scales.

The neighbor came back a few minutes later and shouted, "I deserve a round of congratulations! I just found out I'm the father of a 38-pound boy."

Little Lenny was prone to exaggerate. He went around saying, "My father is the best tennis player in the country."

When his father objected, Lenny modified it to, "My father is the best tennis player in the state."

His father objected again, so Lenny changed it to, "My father is the best player in town."

The father decided to talk to him. "Lenny, it's not necessary to exaggerate like that. Why don't you simply say 'My father is the best player in the house.'"

"But that's not true," Lenny said, "Mommy is."

Allison captures Southern 500

Expands lead in Winston Cup

DAYTONA BEACH, FLA. - Bobby Allison of Hueytown, Ala., became the second driver to win four Southern 500s by capturing the 34th annual race at Darlington (S.C.) Raceway, Labor Day Monday, September 5.

Meanwhile, Allison also slightly expanded his advantage in the NASCAR Winston Cup Grand National points standings. Allison, driver of the DiGard-owned Miller High Life Buick, now holds a 56-point advantage over second-place Darrell Waltrip of Franklin, Tenn., driver of the Pepsi/Burger King Chevrolet, 3363-3307.

Bill Elliott of Dawsonville, Ga., is third in the Winston Cup standings with 3104 points, while seven-time champion Richard Petty of Randleman, N.C., is fourth with 3024, and fifth-place Harry Gant of Taylorsville, N.C., has 3003. Rounding out the top 10 are Neil Bonnett, 2840; Terry Labonte, 2782; Dale Earnhardt, 2760; Ricky Rudd, 2599; and Joe Ruttman, 2575.

Waltrip leads the Winston Cup circuit in money-winnings with \$475,200, while Allison follows with \$437,825. Earnhardt is third with \$317,851, followed by Petty (\$291,790); Gant (\$291,090); Bonnett (\$271,820); Cale Yarborough (\$245,050); Elliott (\$244,975); Dave Marcis (\$211,605); and Morgan Shepherd (\$176,820).

The NASCAR Winston Cup circuit heads for Richmond (Va.) Fairgrounds Raceway this weekend for the \$235,610 Wrangler SanforSet 400. Allison not only is the Wrangler SanforSet 400's defending champion, but he also posted his first victory of the 1983 season in Richmond's Richmond 400 in February. Bonnett, driver of the Hodgdon Chevrolet, captured the Busch Pole Award for the Southern 500, his third of the season, at a speed of 157.187 mph. Dick Brooks of Porterville, Calif.,

driver of Junie Donlavey's Chameleon Sunglasses Ford, was the Busch Beer fastest second-round qualifier.

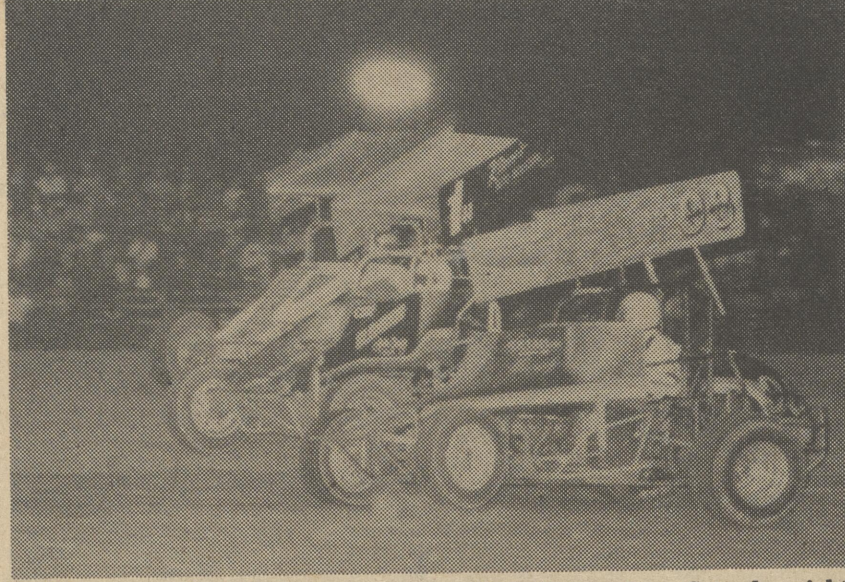

Sterling Marlin of Columbia, Tenn., driver of Roger Hamby's HESCO Pontiac, was the highest finishing Champion Spark Plug Rookie of the Year contender. Marlin leads the rookie standings with 186 points to 157 for Trevor Boys of Calgary, Alberta, driver of the Hylton-McCaig Chevrolet. Ronnie Hopkins of Greenville, S.C., driver of the Food Country USA Chevrolet, is third with 142 points, while Bobby Hillin of Midland, Tex., driver of the Trap Rock Industries Buick, is fourth with 113.

Bobby Wawak of Villa Park, Ill., driver of the Superior Piping Chevrolet, won the \$1,000 Chameleon Change Award for the Southern 500 by improving his starting position 16 spots. Seven different drivers have recorded one Chameleon Point apiece since the competition began seven races ago.

The Pepsi/Burger King team of driver Waltrip and crew chief Junior Johnson won the Southern 500 round of the Ingersoll-Rand/Proto Pit Crew competition. The Hodgdon team of driver Bonnett and crew chief Butch Mock lead the Ingersoll-Rand/Proto standings with 195 points, while the Budweiser team of driver Labonte and crew chief Dale Inman are second with 171.

Allison captured the \$3,000 Gillette-Atra Lap Leader Award for the Southern 500 by leading 119 of the race's 367 laps. Waltrip leads the \$20,000 season-long standings with 1,945 laps-led.

Petty, driver of the STP Pontiac, leads the \$201,000 Union 76 Winners' Contingency point fund standing with \$3,024 points while Bonnett is 2nd with 2,840.

URC Sprints made their final appearance at U.S. 13 Speedway Saturday night.

All classes provide excitement at U.S. 13

by Phyllis A. Donovan
If you missed the Speed Spectacular '83 at US 13 Speedway on Saturday, September 3rd, you missed what has probably been the most action packed program of racing ever presented on Delmarva. Along with the regular program of modifieds, late model and limited late model classes, the URC Sprints made their final '83 appearance.

Gary Gollub and Bob Torecky scored modified heat wins with Gil Clements and Steve Hill notching heat wins in the late model class. The four heats went off like clockwork, without serious problems.

The sprints however proved to be a different matter.

The first heat race found 16 cars entered, but before the first lap could be recorded the field narrowed to 12, by three spectacular crashes. The first found three cars involved in a fracas on turn two with Wayne Rice getting in

the air and upside down. On the second attempt to get the heat started, Nick Strickler flipped his car end over end on turn three. The third attempt brought fans to their feet as Charlie Massey barrel-rolled down the front straight throwing debris down the track, and knocking loose the car's fuel cell. Although Massey was taken to the hospital for a check-up, none of the drivers were seriously injured and all were able to extricate themselves from their cars. The track safety crew was super as they responded very quickly to these horrifying crashes.

On the fourth try the race got underway and went ten laps without incident. Freddie Hogg picked up the win. Fourteen cars took the green in the second sprint heat and one lap was recorded when Mike Wells rolled sideways from the third to fourth turn. Wells was not injured and the race was continued without further problem. Don Kreitz, Jr. scored the win.

When feature time rolled around, the sprints were first on the agenda. Twenty-five cars took the green, but on the first turn three cars got airborne and flipped with the car of Danny Gross being damaged badly. When the race was restarted Buck Buckley took the lead, holding it for four laps when the caution was pulled by Wayne Brittingham who found himself sitting on turn four facing traffic.

On the restart Buckley received a hard challenge from Don Kreitz, Jr. as they battled wheel to wheel around the track. Buckley managed to pull away from Kreitz coming off turn four only to have the race halted again as Frank Hogg came to a stop on the fourth turn and his car caught fire.

Buckley held his lead on the restart through the eleventh lap. When Don Kreitz was able to overtake him, Kreitz went on to win the race with Gary Gollub, and Buckley following him across the line. Kreitz still maintains his URCV point lead over Dave Kelly, who finished fourth on the field.

Twenty modified machines took the green for their 30 lap feature with Gary Gollub on the point. Gollub took the lead with Clifford Todd in pursuit. Two laps into the event Mike Hudson came to a stop on turn four to call a halt to the race. On the restart something broke on Bob Torecky's car for caution #2. A third caution was pulled as Blaine Sadler got turned around in traffic and was hit by Harry Twilley on the fourth turn. When the race went back under green, Gollub stayed out front, but two laps later Ron Keys came to a stop on top of turn 2. Keys had worked his way into second and was applying pressure on Gollub when his mount broke. Gollub again stayed out front, but now was followed by John Kozak. On the 16th lap something broke on Gollub's car and he headed into the pits turning the lead over to Kozak who went on to score the win. Hal Browning finished second followed by Bobby Walls, Gary Trice and Bob Wilkins.

When the green fell for the late model feature, David Hill charged into the lead with Eddie Pettyjohn hot on his heels. Hill held off Pettyjohn through eleven laps, but Pettyjohn bettered him on a restart after Wayne Naylor drew a caution as he lapped his ride on turn four. One lap earlier Steve Hill had brought out the caution as he came to a stop on turn two while holding down the third spot.

Pettyjohn was not to be bettered throughout the rest of the race which was marred by five more cautions, including a hair raising crash when Kelly Hastings slammed into the wall on a restart going down the back straight. David Hill finished second with Nick Kinman, Hal Browning and Lou Johnson rounding out the top 5.

A large field of 22 Limited Late Models took the green for the final feature event with Landy Adams taking the lead on the start. Tommy Jones brought out the first caution before a lap could be scored. Adams held his lead on the restart, with the caution again displayed on lap 2 as Mick Light and Keith Jarmen hooked together on the back straight.

On the restart Mel Joseph, Jr. and Curt Towers got together with Joseph smacking the wall in front of the flagstand. Joseph broke free and coasted around to the pit entrance and out of the race. As the field again regrouped Ronnie Lavere got into the fourth turn wall and Lee Joines into the front wall and back across traffic into the infield.

When the race finally went back under green a new leader was out front as Landy Adams went into the pits leaving Curt Slaughter on the point. Slaughter lead the rest of the race and was followed across the wire by Jim Mitchell, Gerald Jester, Ronnie Lavere and Bunky White.

Only two weeks of racing remain in the '83 season with a regular Super Series program on top for Sept. 10th and a big 40-lap Modified race with a regular program of Late and Limited Late Models on Sept. 17th. See you there!

Tobias becomes 15th different modified winner at Bridgeport

Bridgeport, New Jersey...Ronnie Tobias took top honors by winning the 25 lap modified feature last Saturday night at the Bridgeport, N.J. Raceway.

In picking up the victory, Tobias became the 15th different modified feature winner of the 1983 campaign.

Lee DeVault was the early leader of the modified feature with Billy Ellis taking the top spot on lap eight. Ellis held off all challenges until lap 20 when Tobias powered his way to the lead. One tour later, Howie Cronce moved into second and followed Tobias to the pay off window. Ellis collected third place money with Bobby Braxton fourth and Tom Capie fifth. Rounding out the top ten were Paul Weaver, Barry Burkhart, Jim Briggs, Charlie

Bagleo, and Dale Wissner. Modified heats were won by Larry Solomon, DeVault, and Ellis with Briggs taking the win in the consolation.

In the sportsman ranks, Doug Hoffman scored his tenth win of the season taking the lead on lap eight from Johnny Leach. Throughout the final laps, Leach tailed Hoffman but never re-gained the top spot. Barry VonDohren finished third with Jim Baker fourth and Floyd Ballard fifth. Making up the top ten were Ken Bell, Tom Herbert, Butch Glisson, John Schmalz and Ron Roberts. Sportsman heats were won by VonDohren, Scott Lewis, and Hoffman as Ballard won the consi.

Kremer captures R.O.C. qualifier at Wall Stadium

WALL TOWNSHIP - The veteran campaigner and four time track champion, Charlie Kremer Jr. captured the fifty lap Race of Champions qualifier Saturday night at Wall Stadium. Not only was this the second win on the year for Kremer but it came behind the wheel of the Whale/Jet #28, the car normally driven by Jamie Tomaino.

Starting on the outside pole position, Kremer wasted no time in putting the #28 into the lead as Gil Hearne and Lenny Boyd quickly ran second and third. With one lap down, the first yellow of the race came out for a frontstretch tangle involving Rich Rigsby and Tom Comerford. Both cars were retired from further action, and when the green flag flew again, Kremer took total command of the race. Lap after lap Kremer paced the field of powerful field of modifieds as Gil Hearne continued to stay in the runnerup spot and Boyd sat in third.

With 17 laps of the 50 lap feature complete, Glenn Cummins had something let go in the engine department which sent him into third turn fence and second place runner Hearne out of commission with front end damage.

On the restart, Kremer once again stood strong in the front spot as Lenny Boyd moved into second and current point leader Tony Sisonce third. The trio battled it out for the next 15 laps as on lap 32 Sisonce made his move around Boyd and into second. Kremer continued to run flawless in the Graham-Whale/Jet #28 and as the checkered flag fell he was ten car lengths ahead of second place finisher Sisonce. In for third place money was Boyd, as Jerry Cramer took fourth, and Ray Everham fifth.

Rounding out the top ten were Vinnie Green of Red Bank, Tony Ferrante Jr. of Franklin Square, N.Y., Rick Sendzik of Bricktown, Frank Biddle of Howell, and Ken Woolley Jr. also of Howell.

Power Seat wins derby

[Continued from page 7]

The remainder of the field was comprised of Astro Hill, T V Yankee, Lass Quick, Power Seat, Neil Hanover and Desert Night. Collectively, they were given little chance of upsetting the group of pre-race favorites.

The first heat got off to a ragged start when Astro Hill made a break in the first turn, scattering several horses. Duenna with trainer-driver Stanley Dancer in the bike, shot to the front as predicted and John Campbell dropped Joie De Vie in behind her.

The quarter was in a blazing 27 4/5, but Dancer then backed down the pace and trotted a middle half in 1:00 4/5. Once in the stretch, Campbell tipped Joie De Vie out and the superbly-gaited Super Bowl stallion managed to rally past Duenna to win in 1:56 3/5.

The third place honor went to Tarport Frenzy while Winky's Gill was impaired by Astro Hill's break and finished fifth.

Power Seat had started from the ninth post and was also impeded by the break, but driver George Sholy managed to get him up for fourth.

"The last quarter was in 28 seconds, and you can't trot past many horses when they're coming those kind of last quarters," admitted Sholy.

In the second heat, Duenna and Joie De Vie both wanted the lead at the quarter pole and Duenna got to the front first. Driver Dancer then let Joie De Vie go past him and sat on the colt's back until the five-eighths pole.

Dancer then pulled his filly and she trotted right up to the colt and issued a challenge. Around the scenic far turn the two horses trotted, past the three-quarters in 1:26.

Joie De Vie capitulated in the stretch and Duenna appeared home free until Power Seat was seen trotting furiously from well off the pace. The pace took its toll on Duenna in the final stride as Power Seat edged past her to win in 1:58 1/5.

That startled the knowledgeable Du Quoin crowd and visions of a four-heat race danced around the grandstand between heats. Joie De Vie was a well-beaten seventh in the second heat and Power Seat's victory was totally unexpected. Perhaps Duenna would win the third heat and send the rich event into a raceoff.

Power Seat took care of that with an impressive four-length triumph in the final. Sholy gunned him to the top past the half and simply trotted away from Duenna in the stretch. The time was

1:56 3/5.

Power Seat's owners Angelo Caprini and Orante C. Roncone of suburban Chicago were ecstatic in the winner's circle. They had good reason to be. The \$290,045 winner's share of the purse was triple what Power Seat had earned in his career prior to last Saturday.

Another happy man was Power Seat's trainer Ted Andrews, the Nova Scotia native who trains a stable of trotters and who admitted that even he didn't expect Power Seat to win.

"I honestly didn't expect him to win the race," Andrews told reporters afterwards. "I did expect him to show well. He's always been a game colt and tried to do whatever he can for you."

The race provided harness racing with a little *deja vu* as it was just last year in the World Trotting Derby that an unsung son of Arnie Almahurst named Diamond Exchange upset Jazz Cosmos, Arndon, and Speed Bowl. Power Seat is also a son of Arnie Almahurst.

Next on the schedule for Power Seat is a trip to Liberty Bell Park in Philadelphia where he will have a rematch with many of these same horses in The Colonial on Sunday night, September 18.

Central Delaware Chamber Golf and Tennis Tournament

The Central Delaware Chamber of Commerce is sponsoring its 13th annual golf tournament and 2nd annual tennis tournament on September 15, 1983 at Garrisons Lake Golf Club. Chairman for this year's golf tournament is Jim Strickland (Diamond State Telephone Co.) and assisting him is Dave Mitten (Manter, Lafferty & Mitten). A shotgun start for

the golf is scheduled for 12:30 p.m. with cocktails at 6:00 p.m. and dinner at 7:00 p.m.

Sue Bradley will be running the tennis tournament which will consist of mixed doubles play. Starting times are dependent upon the number of entrants.

Dinner includes; B-B-Q chicken, hamburgers, baked beans, potato

salad, macaroni salad, salad bar, coleslaw, dessert and beverage. Cost for dinner only is \$8.00 per person. For information regarding fees to play golf, call the Chamber office.

Anyone wishing to donate prizes or cash to either event, please call the Chamber office at 734-7513. Reservations are now being taken for either golf or tennis.

Hambletonian champ Duenna elected Horse of the Month

COLUMBUS, OHIO - The sensational trotting filly Duenna, the winner of the \$1,080,000 Hambletonian and quite possibly the best three-year-old trotter of either sex, has earned selection as the U.S. Trotting Association's Horse of the Month.

The daughter of the late stallion Green Speed is trained and driven by Hall of Famer Stanley Dancer for the Clearview Stables of another Hall of Famer, Norman Woolworth. It was Woolworth's decision to start Duenna

against the colts, who are traditionally faster than fillies, in the Hambletonian, and Dancer guided his charge to a brilliant straight-heat victory in trotting's most prestigious race.

In all, Duenna won five races during August, adding victories in two New York Sire Stakes events and in the Zweig Memorial at Syracuse, where she again defeated top colts. The filly, whose name translates from Spanish to "chaperone," earned \$638,938 during the month, with her five triumphs

timed in an average of 1:57 2/5.

Honorable mention for the month of August goes to harness racing's two most consistent pacing performers, the three-year-old Ralph Hanover and the four-year-old Cam Fella, who continued to dominate their respective

classes. Also worthy of attention is the four-year-old pacer It's Fritz, who paced in 1:52 1/5 at The Meadows, the fastest mile ever over a five-eighths mile oval.

Lake Forest alumni cross country run

The third annual Lake Forest High School Cross-Country Alumni fun run will be held at 10:30 a.m. Saturday, September 10, at Killen's Pond State Park. All alumni of the Lake Forest

school district are invited to participate. This would include runners who attended Felton and Harrington high schools in addition to ex-Lake Forest athletes. Females and males

will run.

A picnic will follow the run. For more information call Lake Forest cross-country coach, Jim Blades at 335-5831.

These alumni runners are the athletes whose hard work, courage, perseverance and loyalty have resulted in twenty-five consecutive years of above 500 seasons. Starting in 1958, every campaign has been a winning one. Seven state champion teams have been recorded during that quarter-of-a-century span. Several other teams just missed going all the way.

Fins & Feathers comes to Delaware

A monthly outdoor magazine that emphasizes Delaware hunting, fishing and other outdoor activities will make its debut with the November issue of *Delaware Fins and Feathers*. Although new to Delaware, the magazine is an addition to a family of monthly, state-oriented outdoor publications that was begun in 1972.

The premier issue features a forecast of our upcoming waterfowl season, an analysis of the black duck's problems and how the Humane Society became involved, a multi-article section on hunting white-tailed deer, and the first in a series of monthly state lake maps showing contours, launch sites, information about the fish species found in that lake, plus where and how they are taken.

Letters to the Editor

I respectfully submit the attached letter for consideration to be included in "Letters to the Editor" of your publication.

William J. Brode

William J. Brode
310 2nd Avenue
Harrington, DE 19952

Mayor and Council
Harrington, DE 19952

Dear Sirs:
The Milford Chronicle, published August 31, 1983, carried an article, front page, bottom right corner, headed "Harrington rents new city hall," by Suzanne Banks. Information revealed in this article, came as no surprise to me, as I have made the remark a number of times, since the defeat of the referendum, that factions

in the city council and the owners were determined to unload the "White Elephant" on the corner of Center Street and 2nd Avenue onto the backs of the taxpayers of Harrington. Since the defeat of the referendum, this appears to be a blatant effort to procure the property through the back-door, so to speak. "We will rent the property now, and then in the future, after the stink has settled, try to convince the people of Harrington, that it would be cheaper to buy."

Several questions now should be asked. When a property on Clark Street was offered the City several years ago, the then "undesirable situation was "not enough available parking." Gentlemen, where is the parking facilities on the corner of Center Street and 2nd Avenue, also, is the "White Elephant" zoned residential

or commercial?
What facilities are available for the Police Department, including parking?
What use does the governing body of the city of Harrington, have for such a large building? If my memory serves me correctly, Thomas Jefferson was credited with making the statement, "The less government, the more efficient it governs," or words to that effect.

The second paragraph of the above mentioned article in the Chronicle states - Officials expressed concern that "antagonisms" may be stirred with the decision to rent a building which residents recently refused to buy. How, may I ask, where in the city charter or regulations of good government, gives an elected body, the privilege or authority to antagonize the electorate? This decision in effect,

relates to the taxpayers, that the Mayor and City Council will procure their desires, regardless, damn the referendum or any decisions of the people.

It is my opinion, and I recommend to the people of Harrington, to call for a special election to clean City Hall of the elected officials that tend to antagonize the electorate.
Gentlemen, is there a person or persons on the council, other than the present owner, with an interest in loading the "White Elephant" on the people of Harrington?

In closing, why was the above mentioned article not reported in the Harrington Journal?

Sincerely,
William J. Brode

Dear Editor:
Wednesday, August 31, 1983
A taxpayer and a citizen, as in *From Rags to Riches*. Thomas Paine
Now that the Town Council got beat by 300 and some to 30 some votes, this sure has put a stop to them.
I cannot understand why the Town Council is set on having the Center Street house.
Seems to me something "big is involved". It's a nice-looking building in a very nice, quiet neighborhood.
Just maybe our Town Manager wants a much nicer place to be since she worked her way up from a scrub lady to such an important job like Town Manager. (This I read in the Milford paper).
I'm sure if the Town's people hold still for the Council to accept this location for the small sum of 100 bucks, I just don't believe it will happen. The Town's people who voted against it will not sit still.
The "whoever owners" of this

building sure are willing to have a foot in the doorway. But what comes next? Let's see.

Now then, our Town Manager, and of course, our Mayor may think it will be done with the foot in the door. What a nice go-around to be had by all.

I pass this building each day, and I can say for sure, it's a well kept place. Well kept, that's for sure. And still, I think, it is better for a morgue than for a police station or a place for slamming doors, drunks with bad language, or "people of the night."

How would the neighbors react to it? I feel sure the voting people of Harrington will not sit still for it. Knowing the people of Harrington, I think they will not sit still for a snow job like that.

Just think, a bargain like \$100. per month. Things like that just "grab me". Like for instance the termites eating away at the baseboards. This I read in the Harrington Journal. The front

porch is so rotten, it's really a sore spot. I could go on and on, but like the mayor points out, this could cost the town lots of money in case someone should fall through. I see the City of Harrington's "equipment" is very well kept. Looks like big city stuff. Just why not make a saw and hammer person employed by the City.

Why couldn't someone drive a couple of nails into some plywood, remedy the porch with a buck or so, or should we just spend and spend.

The Mayor or Manager have never said how they got through last winter with the furnace in such need repair.

Another thing, the police department has really grown a lot larger than ever before. I think the police department has outgrown the town.

The City of Milford can afford a big police department. They have "smoke stacks" and giant super markets and store galore.

So the City of Milford is

Dear Editor:
I picked up the Milford Chronicle Thursday morning and read the headline, "Harrington Rents New City Hall." I was so surprised that our "City Government" (for the people and by the people) rented this property on Center St. after the citizens of Harrington voted down the referendum to borrow money to buy it. I wonder if they are renting with the "option to buy"?
I am not a learned person on city politics or city charter or any of that political mumbo jumbo, but I am a tax-paying citizen of Harrington, and I really don't care if Ray Gagne or any of the other councilmen are "unpaid servants".
I searched through our local paper, the Harrington Journal, for the story on this new move by city council. Where was it? I called the Journal office and spoke to Mr. Dave Coady,

(who seems to be under fire by council because he prints the facts) and he was as surprised as I was of the news. He said he would check it out and get back to me. I received a call about 15 minutes later from Mr. Coady advising me that he tried to get in touch with City Manager Norma Short, but she was on vacation. He spoke with one of the secretaries, and asked when the Council ruled on renting the property on Center St. and she told him last Wednesday night at a council meeting. He asked why the Journal was not notified to cover the meeting, and she said she didn't know.
After I read Mr. Gagne's letter to the editor in the Journal, I think I know why the Journal wasn't notified. I think Mr. Gagne has a problem. I think the pressures of being a "public servant" are too much for this man. Is he really that dedicated to the citizens of Harrington that he would subject

himself to these pressures "for nothing". I'm sorry, I don't buy that.

I understand that Councilman Curtis Melvin is in possession of the keys to this newly rented City Hall. Is Mr. Melvin a "realtor"? Will Mr. Melvin receive a commission for selling or renting this property? Is this a conflict of interests? Like I said, I am not a learned person on any of this mumbo jumbo, but I do believe the citizens of this town deserve a few answers to a few pertinent questions.

I asked that my name be withheld from this letter because I have heard of other people in Harrington who have voiced their opinions, and they have been harassed in many ways by council and management. I truthfully admit that I am "afraid" to voice my opinion. That is why I am withholding my name. I cannot afford to "pay the price" that city government puts upon

self-supporting. They don't have to "fine" people to pay the City Employees. I'm sure they get enough money to keep the City aglow.

[Mr. Price brought in the conclusion to this letter Thursday, September 1.]

Dear Mr. Editor,
Please add this message to my letter in your paper. I would like to make another comment after reading the letter to the editor that the councilman wrote in the Harrington Journal. I, Charlie Price, have lived on Wolcott St. for 28 years. As of this date, I have never heard of anyone on this street being against Tom Holston moving a house here on this famous old street. I believe it is the lot next to my very old building, which when I bought it, it was in worse shape than now.

If Mr. Holston said he would make his house suitable and acceptable, I feel sure it will be done so and will be a pretty house.

Yours Truly,
Charles Price

citizens who feel they can speak freely in this democratic and free nation. The price is too high for my very low income.

Is this town being run by the "Gestapo"? Are we, the citizens, going to do nothing? The whole point of all of this is: "It is no big deal renting the property on Center Street for \$100. In fact it is very reasonable." The point is:

"The Council (like little children) cannot take "NO" for an answer. So they use sneaky and undermining tactics to "get their way". A temper tantrum wouldn't look good for grown people, would it? When will we citizens "vote" for a council that is "for the people", and not against them.

Too bad we citizens (including myself) are "afraid" to speak our piece because of "fear" of our "public servants". Too bad.

Name Without Upon Request

Dear Mr. Farrow
Ten women, including three teenagers, were hanged in Shiraz, Iran, on June 18, 1983, by order of the Islamic Revolutionary Court. Their "crime" was that they were active members of the Baha'i religion who had refused to deny their beliefs and convert to Islam. The compelling story of these courageous women and their faith, largely overlooked by the media, is certainly one of the most poignant of modern times.
The Baha'i Faith is regarded by Iran's clerical rulers as a heresy and its teachings are perceived by them as a

threat to Iranian society. The Baha'i principle of equal rights for women and men is particularly galling to the Islamic clergy who relegate women to a second-class status. The practice of sexual equality has earned the Baha'is the charge of "encouraging prostitution."

As a federal judge, I am deeply affected by the injustice of these executions. As a woman, I am intimately informed of what women have endured in their struggle to achieve equal rights. And as a Baha'i, have a glimmering of the boldness of spirit exhibited by these ten women

who refused to yield in their faith.

The story of these and other Baha'i women deserves to be told. In almost any other country, they would have been honored for their contributions to society. In Iran, they were put to death. Among them were Iran's first

woman physicist, a concert pianist, the Personnel Director for Iran Television, a nurse, college students, wives, and mothers. They, and the Baha'i women of Iran, constitute the vanguard of the worldwide effort to emancipate women from the fetters of prejudice and injustice.

This moving story would surely be of interest to your readers. I hope that you will give it every consideration. Please contact the Baha'i Office of Public Affairs for further information and documentation of the persecution of the Baha'is in Iran.

The conduct of business by Harrington's City Government

Recently the residents of the City of Harrington voted 235 to 38 to reject a bond issue that would have authorized the City Council to borrow money to purchase and renovate property located at 110 Center Street. One of the reasons the bond issue was defeated is that the property is located in a residential neighborhood. Many residents stated that they want City Hall located in downtown Harrington. Previously council had negotiated with Harrington resident and businessman, Gayle Smith, to purchase property located at 106 Commerce St. for the purpose of locating a new City Hall at that location. Council went as far as to issue Smith a \$200 "good faith" deposit on the property.

Papers were signed and Smith rightfully thought that the city would, in good faith, hold a referendum to authorize the purchase of his property. Smith learned second hand that council

wanted the \$200 back without holding any referendum. The poor business ethics displayed by City Council did not set well with Smith or his many friends in the city. City Council is determined to move to 110 Center Street and damn public opinion on the issue.

Deliberate or not, the Harrington Journal was not notified about a special session of the City Council held on Wednesday, August 24. This session was called to decide on renting the property on Center Street which the citizens had previously voted against purchasing. Why wasn't the local independently owned newspaper notified about this meeting of City Council? The lack of proper communications with both Mr. Smith and with this newspaper indicates that Harrington's City Council needs to do a lot of public relations work to regain public confidence and faith.

...strong measures called for

The following is a press statement delivered by John F. McManus, Director, Public Relations, John Birch Society, in Washington, D.C., September 1, 1983.

We are saddened and outraged by the action of the Soviet Union which brought about the deaths of 269 innocent, unarmed and defenseless persons.

Dr. Larry McDonald had been a member of The John Birch Society for over twenty years. He first joined our organization while studying medicine at the University of Michigan. In addition, he served on our National Council for the past fifteen years. And in March of this year, he was named Chairman of our Society. He was certainly an important member of our team and will be missed terribly.

The John Birch Society believes that it is about time that our government recognized the Soviet Union for what it is -- an outlaw, criminal government -- and that we follow up on that recognition by withdrawing diplomatic recognition from the Kremlin.

There never has been any good that came from making agreements that they break at will, or from supplying them with technology, equipment, money and dignity. Dr. McDonald fought against providing such support to the Soviet Union -- support which helped the Soviets to perpetrate this and many other outrages.

This is a long-standing attitude of The John Birch Society, something for which Congressman McDonald labored through much of his adult life.

We have discovered that Soviet

fighter planes are equipped with "look down/shoot down" radar which was copied from our nation's F-14 fighters. The Soviets obtained F-14s from Iran, planes which had been provided to the friendly government of the Shah before he and it were destroyed by the Carter Administration.

During the Carter Administration, over sixty large American companies engaged in science and technology transfers with the Soviet Union. This wherewithal to engage in modern warfare was supplied by IBM, Sperry-Rand, Hewlett-Packard, I.T.T., Control Data, Bechtel and others. The Bechtel Corporation during this period was headed, of course, by George Shultz, who now tells us as Secretary of State of the latest Soviet crime.

Many, if not all of these transfers of technology and equipment were financed by loans, grants and loan guarantees supplied by U.S. taxpayers. And these indefensible policies continue during the Reagan Administration.

The real story at this time is not the death of 269 innocent persons, however horrible each one of those deaths is. Nor is it the Carter briefing book or some other trivial matter.

The real story is U.S. financing of Communism, a practice that has continued for decades and has enabled Communist leaders to engage in a long history of criminal activity.

The American people must be made aware of this issue. If the passing of Dr. Larry McDonald helps to bring about this awareness, then he will not have died in vain.

USSR: "We decided to terminate ROK Flight 007"

Terminate: to bring to an end; put to an end. This is the word the Soviet Union used to describe the shooting down of a civilian aircraft which resulted in the loss of 269 lives. With total disregard for world opinion, the communist leadership of the USSR announced that they will do it again if their airspace is invaded. This is not the first such incident of this nature in the past three decades. Other incidents include:

April 8, 1950 - American bomber with 10 on board disappears over Baltic. U.S. says plane was brought down by Soviets.

Nov. 6, 1951 - U.S. Navy plane lost over international waters off Siberia after Soviet planes fire on it. Crew of 10 missing.

April 29, 1952 - Soviets attack French airliner. Two of passengers on the commercial flight injured.

June 13, 1952 - U.S. reconnaissance plane missing after interception by Soviet planes over Japan.

June 16, 1952 - Russian jets down unarmed Swedish military plane over international waters in the Baltic. Seven crewmen rescued.

Oct. 7, 1952 - U.S. bomber with crew of eight disappears over northern Japan after taking Soviet fire.

March 10, 1953 - U.S. Air Force jet fighter shot down by two Russian MiG's in Germany. No casualties.

March 12, 1953 - Soviet MiG's down British bomber above Elbe River Valley at the East-West frontier of Germany. Five crewmen die.

March 15, 1953 - U.S. reconnaissance plane attacked by MiG about 25 miles from Soviet border. Shots exchanged, but neither is hit.

July 29, 1953 - U.S. bomber shot down by MiG's over the Sea of Japan. Sixteen crewmen killed.

Jan. 22, 1954 - U.S. reconnaissance plane over Yellow Sea attacked by eight MiG's. No casualties.

March 12, 1954 - Two U.S. military planes flying near Czechoslovak border on training flight attacked by MiG. Both land safely.

June 3, 1954 - Belgian transport carrying livestock fired upon over Yugoslavia by MiG fighter. One crew member killed, two injured.

Sept. 4, 1954 - U.S. Navy plane shot down by Soviet jets 30 miles off Siberian coast. One dead.

Nov. 7, 1954 - American reconnaissance plane shot down over northern Hokkaido, Japan. One American killed.

May 10, 1955 - Eight American fighter planes on patrol over international waters near North Korea attacked by MiG's. No casualties.

May 22, 1955 - U.S. Navy patrol bomber attacked by Soviet aircraft near St. Lawrence Island in Bering Sea. Seven in crew injured.

June 27, 1958 - Unarmed American military transport, diverted from its course by storm, shot down over Soviet Armenia. No deaths.

September 2, 1958 - Seventeen Americans lose lives when C-130 transport aircraft is shot down in Soviet Armenia near Turkish border.

Nov. 7, 1958 - Soviet MiG's fire on U.S. Air Force reconnaissance jets over Baltic and Sea of Japan.

June 16, 1959 - U.S. Navy patrol plane attacked by Soviet-made MiG over Sea of Japan. One crewman wounded.

May 1, 1960 - Russians down U.S. spy plane piloted by Francis Gary Powers. U-2 pilot captured, jailed.

July 1, 1960 - American RB-47 shot down in Barents Sea near Kola Peninsula. Four of six on board die.

Nov. 20, 1963 - Soviets down Iranian plane after it strays over Russian border and flies back into Iran.

Jan. 28, 1964 - U.S. Air Force jet trainer shot down over East Germany. Three American deaths.

March 10, 1964 - American bomber downed by Soviets after it strayed across East German frontier. No one was killed.

April 20, 1978 - South Korean airliner flying from Paris to Seoul fired at when it crosses Soviet territory. Two passengers killed, 13 hurt.

July, 1981 - Argentine cargo plane crashes after colliding with pursuing Soviet plane in Armenia.

Astro-Analysis By Sonia McGinnis

HOROSCOPE FOR THE WEEK OF SEPTEMBER 11, 1983

ARIES [March 21-April 19] - With interests focusing mainly on public affairs and recreational events this week the pace can be demanding but rewarding. Romance is favored and past restrictions now seem less annoying.
TAURUS [April 20-May 20] - The opportunities you receive for meeting interesting new acquaintances, socializing with people you enjoy can be rewarding. A good time for rekindling romance, matters of affection.
GEMINI [May 21-June 21] - Personal financial matters should be handled with caution; don't take chances or spend recklessly. Give your time and energy to interests that offer more security.
CANCER [June 22-July 21] - The accomplishments you attain now are extremely mentally and physically demanding so conserve energy. Pace yourself so there's time to diversify interests. People now respond favorably to your suggestions.
LEO [July 22-August 21] - Ambitions are renewed and you may be impatient to get on with important aims. Don't get disheartened if obstacles hamper present plans, however. Keep activities centered around pursuit of personal goals.
VIRGO [August 22-September 22] - Both business and personal affairs vie for your attention this week and you can enjoy both with the proper planning. Enlist the help and cooperation of close companions whose confidence you can depend on.
LIBRA [September 23-October 22] - Present activities get the attention of others; you're definitely in the public's eye now so be on good behavior. Your involvement with community projects leads to new opportunities and friendships.
SCORPIO [October 23-November 21] - By providing superiors the cooperation they need you're more likely to reach career goals promptly. People in a higher position favor your opinions and suggestions now so put forth best efforts.
SAGITTARIUS [November 22-December 20] - Employment demands are less strenuous now and you get far more work accomplished. Put aside joint concerns for time being and focus attentions more on travels, tying up loose ends that pertain to your own personal aims.
CAPRICORN [December 21-January 20] - Let one whose judgment you trust take charge of business matters if obligations become too time consuming. You're good at problem solving this week, getting to the bottom of things that were previously puzzling.
AQUARIUS [January 21-February 19] - Matters pertaining to marital or partnership affairs are easily resolved. Consider new methods that are more sophisticated; be open for suggestions from others who have your own interests at heart.
PISCES [February 20-March 20] - Take some extra time this week to see to health needs; this is a favorable time for dieting and exercising programs. Those you work closely with offer their support in all ventures.

Why a Spider?

Don't be surprised to find a spider in your weekly newspaper. The spider is merely looking to see which of the town's merchants is not advertising. He will then go to that store, spin his web across the door and lead a life of undisturbed peace!
