

# Milford Hospital Fair raises \$28,800

by William T. Ficks  
Thousands of free-spending area residents flocked to the 27th annual Milford Hospital Fair on Saturday and helped raise \$28,800 for the benefit of the Milford Memorial Hospital.

Proceeds from the fair will go toward the purchase of a computer for the ultrasound equipment at the hospital and upgrade the fetal monitoring system.

Playing a major role in the fair's success were the efforts of June Grier, Doris Kimmel, and Holly Pfeifer, the three general chairwomen, and their booth chairman and volunteer booth workers who ran a smooth-running

operation capable of handling the large crowd.

The theme for this year's fair was "Look For the Rainbow."

Dick Pack's special services auction was a highlight of the fair.

Scott Sipple put in the high bid of \$105 for the lawnmowing services of none other than John M. Burris, Republican candidate for the U.S. Senate, who attended the fair with his son Scott.

Mrs. John Glenn won a pasta dinner for six with a high bid of \$150. Cooking the high-priced dinner will be auctioneer Dick Pack and his wife Rosanne.

With a bid of \$145, Dr. William Kimmel, Jr. won a sunset supper

cruise for eight on Lewes Harbor.

The various booths featured books, house plants, craft demonstrations, fortune telling, autographed celebrity items, and white elephant items among many other offerings in some 30 booths.

Among the celebrity items was a black and silver high fashion gown from Cheryl Tiegs which went for \$200 to Bonnie Wilson of Milford.

Fun and entertainment were provided for the kids with a petting zoo, tiny treasures, balloons, penny candy, a ducking tank, fire engine, farm wagon and locomotive rides, a fishing well, a

horseshoe throw and other games.

In the judging of the games, the Fishing Well took first prize.

Food and snacks ranging from hot dogs and hamburgers to pizza and the traditional chicken platter were available for those who worked up an appetite.

Various acts on the bandstand provided continuous entertainment, including music provided by the Milford Middle School and High School Bands; the Daniel Sisters, a gospel singing group; Wild Country, a country music group; Johnny Vector and Pathogens, a rock group with Lynn Schwab on vocals;

also featured were exhibitions by Dance Dimensions, the Diamond State Twirlers, and the Milford Karate Club.

Senator Joseph R. Biden, Jr. (D-Del.) and Rep. Thomas R. Carper, (D-Del.) circulated among the crowd pumping the hands of prospective voters.

The fair, which has become a Milford institution, began with the traditional ten kilometer race.

Men's division winners in their age groups were: ages 16-24, Mike Malone; ages 25-30, Kerry Guerin; ages 31-35, Terry McGinty; ages 36-45, Dave Buck; ages 46 and over, J.J. Lynn. McGinty's time of 35:31 was the best

among the men.

Women's division winners: Ages 16-24, Alice Padilla; ages 31-35, Suzanne Fitzsimmons Sloan; ages 36-45, Bonnie Rimmer. Sloan's time of 46:47 was the best among the women.

After an overcast sky in the early morning, the sun broke through and favored fairgoers with temperatures in the mid-to-upper 70's.

The weather, along with a well organized fair and strong community support, enabled the Milford Memorial Hospital to once again find the pot of gold at the end of the rainbow.

## William A. Wheeler dead at 94

by Harry G. Farrow, Jr.  
HARRINGTON - A long-time resident of Harrington died on Friday. William Wheeler was 94 and would have been 95 this July 20th. Mr. Wheeler was a native of Seaford but came to live in Harrington as a result of a job in the freight office which paid \$33 a month. He used to say that "...that was a lot of money then."

Prior to that he had worked since he was 14 years old when he signed on with Greenbaum Bros. Cannery in Seaford for four cents an hour. After joining the railroad, he moved to Harrington but worked in Bridgeville and Seaford as well. He remained with the railroad for 46 years. He retired in the '50s. While still on the railroad he worked at running his radio and television store where part of Taylor's Hardware is located today.

His first radio store was on Gaine's Alley (Cain's Alley) which is the parking lot of the Peoples Bank today. He operated the front of the store and "Winder" Massey occupied the rear of the store where "Winder" kept his telephone equipment. "Winder" owned the store.

It was from that location that Mr. Wheeler later moved to the Commerce St. location where he expanded his radio and television business to the appliance business. Mr. Wheeler had the first radio and first television store in Harrington. He sold the first battery-operated radio and the first TV which was an Atwater Kent with a 6-inch screen. He also sold the first microwave oven in this area.

He wrote a weekly column in "The Harrington Journal" where he spelled out his philosophy of life as well as the advertisements for his store. He used to say "...we're here today...be happy". Mr. Wheeler loved life and people...both adults and particularly children. Remembered by long time business leader of Harrington, J. Edward Taylor who said "...Mr. Wheeler was a wonderful person. He

William A. Wheeler

helped many people in this community. I know he extended a lot of credit to people who just couldn't afford things."

One of his greatest contributions to this community was "The Park.... Wheeler's Park". He opened the Park in 1948 and served as a great pleasure for area residents. The greatest possession of the Park was the miniature train with passenger cars for the children to ride. He also had a monkey cage and bird house. It was a grand place for this community.

My earliest experience with Mr. Wheeler was not a pleasant one. This hot summer day I was playing hockey while roller skating. I had spent most of the day up around the high school (The Chipman School today) and dubbed most of my shots all day. Coming home I came across a tin can as I rounded the corner of what is now Taylor's Hardware. The pavement in front of Mr. Wheeler's store I remember was always very slick. I sped on at a high rate of speed tapping the tin can as I

dribbled along. I drew back to hit the can one more mighty thrust. I made one of the all-time best hits. It would be long remembered for it sailed straight as a die...into and through Mr. Wheeler's picture window. I couldn't believe it. I stopped to survey the damage...and it was a mess. I couldn't believe it. He began a tirade which ended with getting my father on the scene. Then both of them took up the tirade. I began to think that the best thing for me to do was pack up and head for my grandfather's farm on Paradise Alley. I started to leave after they had finished and gotten just a short distance from the "mess". I came back to apologize for I had forgotten to do that. They weren't going to let me have a word anyway. Much to my surprise, Mr. Wheeler and my father were having one of the best side-splitters I can remember. Mr. Wheeler laughed so hard he collapsed in his

## Caulk admonished by School Board

by Harry G. Farrow, Jr.

FELTON - At Monday night's meeting of the Lake Forest School Board, a resolution was passed based on a workshop meeting last Tuesday which resolved "...that G. Wallace Caulk, Jr. cease and desist" from engaging in matters on school property which are related to school affairs, not so much related to Board matters. The protests follow the recent elections in which those candidates supporting Caulk were elected as well as a wave of protest by school officials who have all along protested Caulk's presence at school buildings during regular school hours. It also follows on the heels of the matter of transferring an ag teacher to the Chipman School.

In the Tuesday workshop meeting, Caulk defended himself to his fellow Board members by insisting he had been invited there "...and therefore I felt that I was there on official business. As a result, I did not sign in. I did not feel that was unprofessional", Caulk said, following the heated meeting. This resolution with a motion from Board member Roberta O'Neal passed with a vote of 4 in favor and one abstaining (Caulk). This resolution was quickly followed by another resolution in which it was affirmed that the School Superintendent seek legal advice about what to do with any school board member who violated this policy of the Board. This passed with 5 in favor and none against.

Following these resolutions, Yvonne Armstrong, one of the outspoken members of the Parents group which attend all Board meetings, stated that the action of the Board was in fact "a singling out of Mr. Caulk and persecuting him....when in fact all Board members have been guilty of some acts which the two resolutions relate." This drew a loud applause from the audience .....with Caulk also applauding from his Board seat. Caulk sat helplessly through the proceedings. Armstrong also stated that "...I feel Mr. Caulk is doing what he is elected to do." But Board President Marvin Brown said it was against policy of the Board to discuss matters in open session that went on in closed session.

## Little Heaven resident doing well as a judge

by Harry G. Farrow, Jr.

BRANDYWINE RACEWAY - When one thinks of a judge, the normal inclination is to imagine a white-haired gentleman in a long, black robe.... academic, authoritative, urbane, and like Caesar's wife - beyond approach.

There is a judge who rides circuit in Delaware. The judge is not at all what you would imagine. Not appearing in long black robes...but usually well dressed in casual attire, the judge is a pretty young lady, Theresa Shahan, from Little Heaven, which is near Bowers Beach.

Theresa Shahan

Shahan attended public schools at Caesar Rodney and graduated from that institution in 1973. She majored in agriculture and was one of the first females to be accepted into FFA. Her love of horses drew her to agriculture, and has consequently provided a career for her.

As a paddock judge, she presides over the paddock area, is responsible for making sure the horses go to post on time, as well as making sure the horses are properly equipped when they pass by her office, deal out fines when necessary, and generally settling disputes when they arise.

Theresa Shahan in eleven years since

high school has gradually climbed the ladder of success. "I started as a groom. I answered an ad and got a job with Elmer Looney. I was glad to get it....because it was what I wanted to do. I had been working at Dare's Market, and it wasn't too exciting," said Shahan. She became a horse owner and she admits this was a great thrill for her. She visited the winner's circle many times. "My favorite was Catone. We did not know it at the time, but he was double gaited. He ended up as a pacer - and took a mark of 2:01 at Liberty Bell," said Shahan.

Shahan got her start as a judge at

Harrington two years ago this November as an alternate judge. "It was a tough decision because it meant giving up my involvement with horses, which I did not want to do," she said.

At one point, she had driver's license. "Jim Murray gave me the first chance," she added. "He said to me one day, work the horse in 36 (2:36). I was so scared of failing, I called my friend Canny Camac and asked him for the fractions. He gave them to me over the phone," she said.

Working with horses - tending to horses is a very physical job. Very physical, and most people who work in it must be in extremely good condition. "I remember many times, sitting on a water bucket in the paddock area as a groom, looking up at the paddock judge and thinking I would like to be one some day," she said. She never believed she would ever attain that position in a world dominated by men.

Ray Deputy, the state's chief steward, said recently, "...Theresa is definitely an asset to racing in Delaware. She has a cooling effect on disputes and gets them settled before they get out of hand. She definitely can handle people which is what the job calls for."

## Spartan boys are State Track Champs

by Keith S. Burgess

Lake Forest's boys track team won the Division Two Track and Field Championship at Dover High on Saturday. Earlier this school year, Blades had coached his Spartan cross-country team to a state title. Two state championship teams in the same school year is obviously a tremendous achievement for a small, rural district, such as Lake Forest.

The Spartans tallied 111 points to 90 for runnerup Wilmington High. Seaford (71) was a distant third, followed by Smyrna, Archmere, Woodbridge, Tatnall, Mt. Pleasant, A.I. du Pont, Claymont, Laurel, Milford, Tower Hill, Sussex Central, Friends and Sanford.

Rob Prutzman increased his Spartan record by winning the shot put, with a heave of 53 feet, 9/16 inches. Pat Udovich of Archmere was only an inch or two behind. Lake Forest's sophomore prodigy, Eric Warren improved by almost 3 ft. to 53 ft. 4/16 inches. This has to be one of the most hotly-contested shot finals in history. Warren may annex this record, in 1985. Prutzman has thrown the discus, 157 feet in competition, this year and probably further than that in practice. However, the heavily-favored Spartan had an off-day and finished fourth in the discus. Sophomore Barry Chaffinch had a toss of 133 feet, a personal best, good for sixth. Barry moved past his brother, Mickey Chaffinch, into the No. 3 spot on the all-time Spartan list. Mickey was Spartan record-holder until 1975.

Jerome Harris is the state hurdle champ, skimming over the 110-meter high hurdles, in 14.8 seconds. In the 300 intermediate hurdles Jerome was second, in 39.4 seconds, cutting a full second off the Lake Forest record.

Mike Briggs was the triple jump winner (44 feet, 9/16 inches), with Keith Smith in fourth.

Wm. Scott was runnerup in the 400 meter run. His 50.8 clocking and 50.4 in the opening leg of the 1600 meter

relay, stamp him, as a threat to Nelson Mosley's Lake Forest mark of 50 seconds flat. Scott has had a great first season in track.

## Delaware State Fair Headliners

A star-studded array of talent has been booked for this year's Delaware State Fair in Harrington, Delaware. In the next few weeks, we will be featuring short articles on the Delaware State Fair coming attractions. Headliners include David Frizzell and Shelly West, Boxcar Willie, and the Charlie Daniels Band. Also appearing will be two of Gospel music's most requested acts, The Speer Family and the Hinsons. The Hubcaps, a popular Washington, D.C. based group will also make an appearance at the 9-day event scheduled to begin July 20 through July 28. The Fair will also feature stock car racing, demolition derbies, all-girl mud wrestling and the Joie Chitwood Thrill Show. Joining these traditional fair favorites will be a draft horse pulling contest.

### DRAFT HORSE PULLING CONTEST

Rounding out the grandstand program this year will be something entirely new -- a draft horse pulling contest. These events have proved a popular attraction at a large number of State Fairs across the country and when Fair people were approached about having one in Delaware, they were eager to partici-

pate. The horse pulling contest will take place on Wednesday afternoon, July 25th.

Aside from the grandstand shows, the Fair will offer hundreds of competitively judged events, over 200 commercial and educational displays and a wide array of rides, games and good food. Free entertainment will be provided on the grounds throughout the 9 days of the event.

In all, a completely diversified program will greet fairgoers this Summer in Delaware. Show ticket information may be obtained by sending a stamped, self-addressed envelope to: Delaware State Fair, P.O. Box 28, Harrington, DE 19952.

### MEMORIAL DAY SERVICES

The Harrington Jaycee Women are once again sponsoring Memorial Day Services at Hollywood Cemetery in Harrington on Monday, May 28, 1984 to honor those who gave their lives for our Nation. Services will start at 10:00 a.m. with participants including the CKRT Post #7 American Legion, their firing squad and their Ladies Auxiliary, speakers from Lake Forest High School, the W.T. Chipman Band, and the keynote address by Rev. William Miller. All are invited to attend.

## Steven Lobo saves boy from drowning

by William T. Ficks

A teenage boy is alive today because of the quick thinking and fast action of Dr. Vincent Lobo and his son Steven, both of Harrington.

The 16-year-old Rehoboth Beach boy, identified as Andy West, narrowly escaped drowning in the ocean Saturday afternoon when he was caught in a rip tide and pulled about 75 yards offshore.

Dr. Lobo and 18-year-old Steven were on the outside deck at their beachfront home in Fenwick Island when they heard West's screams for help.

An unidentified boy swimming with West got out of the water, but West was carried off by the current, according to Dr. Lobo.

Steven, who is a Red Cross certified water rescuer, quickly donned a wet-suit, grabbed a surfboard, and paddled out to the struggling West, all the while shouting encouragement. He got West on the surfboard and brought him into the beach.

The water temperature was 52. When Steven reached West in the water, "he (West) could hardly move his arms and legs," Dr. Lobo said.

"When I saw the boy, he was blue and just barely conscious," Dr. Lobo added.

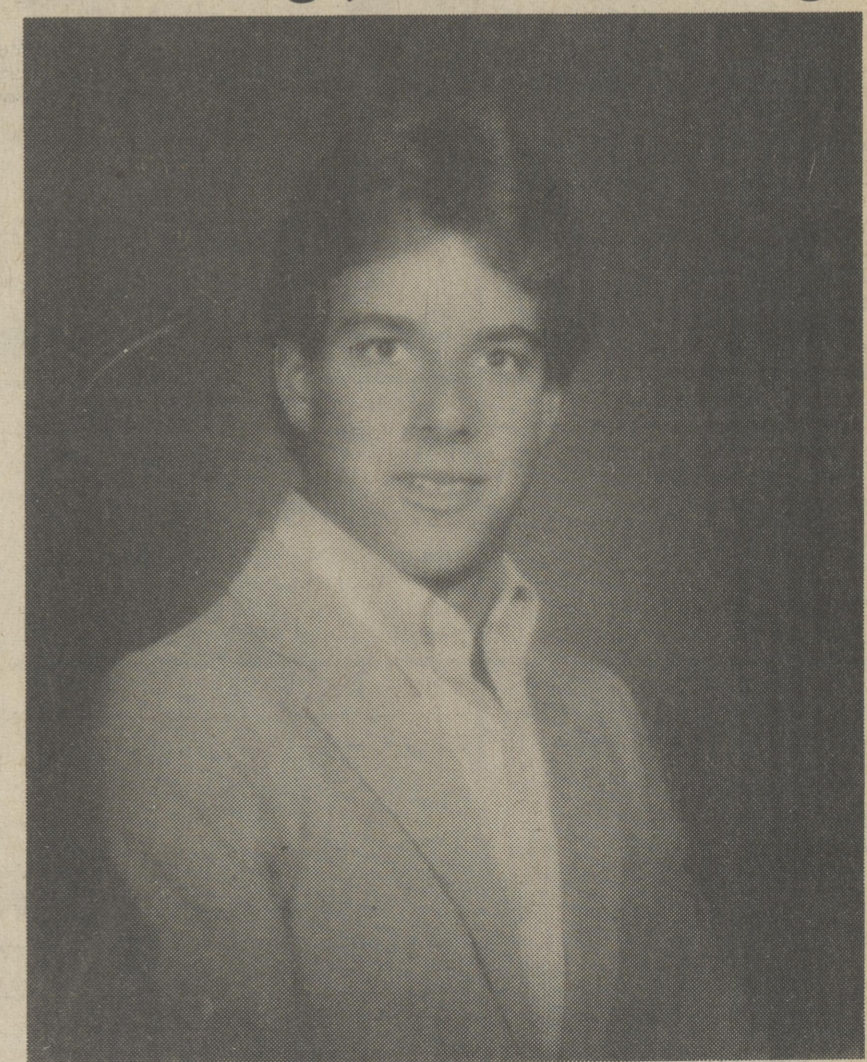

Dr. Lobo treated West for hypothermia by massaging him and keeping him warm.

"It was close. He swallowed quite a bit of water and had been out there about 20 minutes," Dr. Lobo said.

West was taken to the 93rd Street Medical Center in Ocean City, but refused treatment.

"I reacted the way I was trained," said Steven.

Denny Berry, supervisor of aquatics at Lake Forest High School, taught

Steven Lobo

Steven the lifesaving techniques he used on Saturday.

"If he had not reacted in a positive way, the boy would have drowned,"

said Berry.

Ninety percent of those who learn the rescuing techniques never get to use

chair at his desk Years later when I would go to the Park I would give him a dollar. The first time he tried to give me fifty cents change. I said no...you keep the fifty cents as payment toward that window I broke in your store many years ago. He looked up at me and said, "I remember that day like it was yesterday," and gave that little laugh of his. Each time I went to the Park...and it was many times...I gave him the dollar. He chuckled each time.

Mr. Wheeler was a member of the Odd Fellows Lodge in Felton, a charter member of the Harrington Chamber of Commerce, was a member of the Boosters Sunday School Class of the

Asbury United Methodist Church and the United Methodist Men.

He was married twice, to Rhea who died in 1963 and Lillian who died in 1964.

He is survived by one son, William of Hollywood, Fla., a stepson, Luther Hatfield of New Jersey, a daughter, Mildred F. Coeyman of Harrington, a step-daughter Betty Jory of Greenwood, one grandchild, two step-grandchildren, one great-grandchild and two step-great-grandchildren.

Services will be today at 2 p.m. in the McKnatt Funeral Home, 50 Commerce St., Harrington, where friends called last night with a memorial service by The Lodge at 8 p.m.

Scott, Darryl Benson, Tim Harmon and Andy Lasalle were third, in the 800 meters relay. Their 1:30.7 clocking set a new school standard.

Lake Forest was second in the 400 meter relay, in 44.5 The winning Wilmington team might have been disqualified since the Red Devils' third runner, blocked the path of Spartan anchorman Ralph Taylor, forcing Taylor to run wide. The official on the scene said nothing, but later admitted he might have been wrong when he was confronted by two Dover coaches and others. Taylor might have brought

the Spartans to victory or at least another Spartan school record.

Lake Forest's 3200 meter relay quartet was third with Stanton Spencer, Dexter Bray, Victor Hill and Mike Melvin clocking 8:27, their best of the season. Bray and Hill are freshmen are valuable additions. Each is capable of fast efforts, at both 400 and 800 meters. Mike Melvin was fourth, in the 1600 meters, in 4:46.5.

CRIME STOPPERS

On Wednesday, March 23, 1982, between 6:30 p.m. and 8:00 p.m., a series of events occurred in a woman's house on Bethel Cemetery Road on the south side of the C&D Canal. The house was first burglarized. Items taken were furs, jewelry, stereo equipment, silverware, and guns, valued at over \$9,000. Then kerosene was poured onto floors in the living room and

hallway and lit. There was other damage done to the house. There is evidence that the crime was at least partially racially motivated.

Please call 1-800-TIP-3333 if you have any information concerning this crime. The hours to call are weekdays from 9 a.m. to 5 p.m. Up to \$1,000 reward for publicized and unpublicized felonies. You DO NOT have to reveal your name.

# Letter to the Editor

To the Editor  
The Harrington Journal  
Commerce St.  
Harrington, Del. 19952

May 16, 1984

Dear Sir:

I reproduce, to the best of my ability, a faded duplicate of an undated letter presented to the City Council just prior to our effort to attend to the business of the City of Harrington on Monday, May 14, 1984.

"Dear Sirs,  
It is with deepest regret that I write this letter. My regret is not for myself not for you but for the citizens, old, and young of Harrington. Most of you will remember me I served as a police officer in your town for almost two years. I could never say much before this, due to the political climate in Harrington, a climate that I understand has worsened.

When I served as your policeman I saw the town at its best, and worst. I took them home when they were drunk, held your children when they were lost and listened to the wives when they discovered the barbecue missing. I saw everything from murders, burglaries, rapes to a helping hand, a kind word and a smile.

When I left the police in Harrington, I feel I still do, that is that I enjoyed it all but unlike many believe for the following reasons.

1. Pay - I was hired at the bottom of the pay scale under 10,000 a year. I have doubled my salary in leaving.

2. Equipment - I won't say much about this other than stating this. I can guarantee that none of you knew how demeaning and physically hard it is to spend 10 hours a day 40-70 hrs a week in a K-car.

The town laughs at the police and council for this every time it is seen. I ask have you saved any money with this car?

3. The work schedule. The men who were there when I was tried to do there best. I remember when I worked 36 hrs straight investigating an armed robbery and was only paid for 16 hours. I didn't complain because it was a service to the citizens. I saw no police corruption, bribes, or graft. What I did see were overworked officers but we hung in there because we knew our chief was shoulder to shoulder with us. Even if we didn't know all the answers Chief McElroy was behind us and to help.

I remember the crimes at Burtons, CATV, Hgtn Journal, Stones, Conrail, Taylor Messicks, Foodrite, Unks, Quilens, The school, Pennys, Satterfield & Ryan, Del Mar Packaging, Callis Thompson all of which with the chief's guidance were solved. As an administrator, he did everything with only the

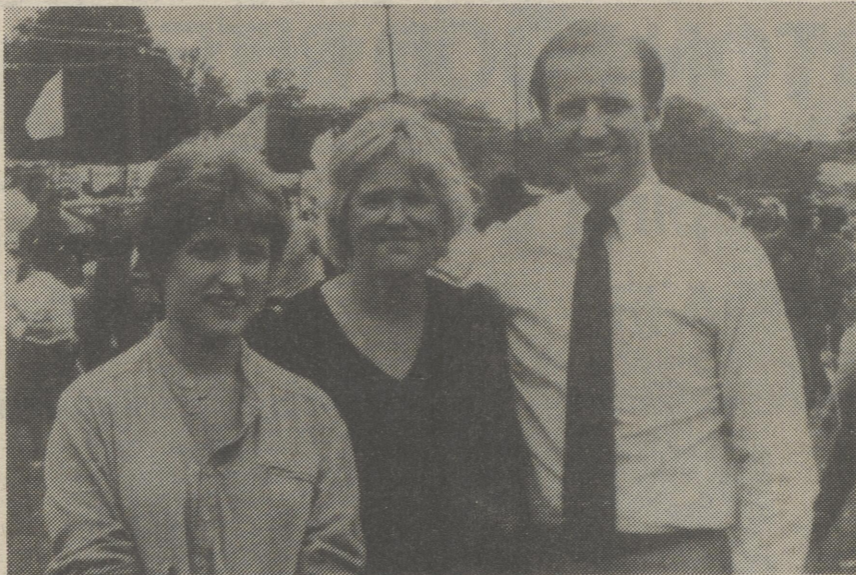

aid of a secretary whom he now doesn't have. In thinking back we were all crazy. We would have done anything for the town with only a little recognition by the council - the citizens representatives - as to what our needs were. I not saying we should have got more, but a simple word of recognition over the solving of a major crime would cost nothing and awareness by the council of what we were doing right in a time that no one seemed to care about us. At least the Chief was always available. Overdedicated is a better word. How many of you get up early in the morning and come to work - going home in the middle of the night. But, heaven forbid, if someone saw him go home for a moment to get lunch or to just take his shoes off for 5 mins and see his wife & kids that day. Everyone else got breaks, but not us we were the cops - right?

By now you probably all getting board so I'll sum this up by saying I left, not because of the actions of Chief McElroy or that other officers. I left because of the non actions of the council and the negative actions of the Police Commissioner". The next few words are unintelligible, evidently due to the failure of our modern word reproduction methods - however - "at least 8 fine good officers so far when I left only two of all the members of the council even asked why and one wasn't even a current council member. Who cares right? Be forewarned those who forget the past are condemned to repeat it.

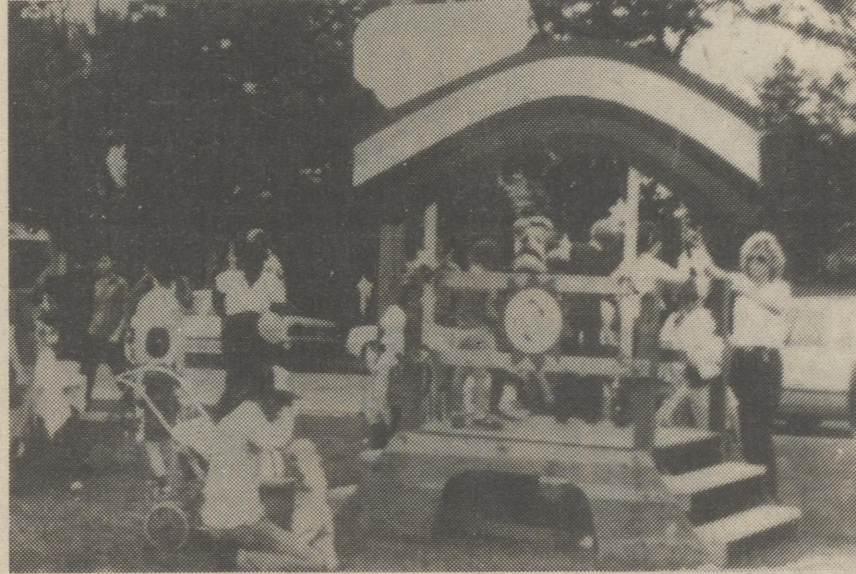

You were all elected by the people because of your ability to make good sound decisions. Perhaps some have been swayed by those in the community with a grudge for the police or the Chief. Make your own decisions after each of you have gathered your own facts - not rumors - but facts. I am sure you will make the correct decision, be it for or against the department and town. But either way do it in a well thought independent manner, not in a buddy, buddy fashion. Which type of person would you respect more.

In closing I would like to ask that you accept this letter in place of my person. Due to the distance involved and my work schedule I cannot be present. I left owing no one anything and no one owing me anything. I own no property or live in Harrington. I can't (unintelligible) nor do I even drive your streets. So why did I produce this letter, because at one time I cared. Signed Jeffery J. Cook."

I invite public comment relating to this letter through the "Letters to the Editor" section of The Harrington Journal. Sincerely, Ray Gagne, Councilman Fifth District

## Golden Craft Night review

For those who took the time to attend the Golden Craft Night reception on Friday, May 18, they were transferred back into time to a world of quiet days and romantic nights. At each entrance, the hostess met you with a cheery welcome and a golden program. Each of these attractive ladies were dressed in colonial dresses which added to the atmosphere of the evening. As you found your seat in the Collins Hall, you could hear the sounds of Country fiddle and guitars in the background, for Jimmy Emberlain and friends were making soft music for your entertainment.

Off in the far corner was the acoustics man, Mr. Raymond Brown, preparing to record the evening's

entertainment. Displays were already set up for the various honorees of the evening. In the back of the room was a register book for the guests to sign... placed upon the old register pad from the former Swain's Hotel.

At 7:30 sharp the music stopped and Mr. Kenneth McKnatt opened the program with a "Welcome" which was sincere. On the stage were Golden Yellow Chrysanthemums which were to be distributed to the honorees later in the evening. The following persons were then honored for their contributions to the Folk-life programs of the area and for keeping old traditions alive. Mr. Calvin Minner, who could not attend due to recent surgery, Mr.

## Lake Forest F.L.A.G. students compete in State Meet

by Steve Childers

Lake Forest School District students were represented at the Delaware State Olympics of the Mind Championship Competition held in April at Smyrna High School with 82 teams represented of gifted and talented students from Delaware. Lake Forest teams finished with one first place, two second places and one third place along with several special awards for creativity.

The teams were given five categories in which to compete: Chariots of Rescue, Mousemobile, Relays, Moby Dick, Strategy Structure and Camelot.

In the first category, the teams had to design and build a "Chariot of Rescue". The weight and limited movements of the driver were the only sources of energy permitted to propel the vehicle. The driver and chariot were to rescue 10 "endangered subjects", which were also designed and built using different methods.

In the "Mousemobile relays", the teams were to design and build five vehicles, each of which used a mouse-trap as its only source of energy. The vehicles competed in a relay race against other team vehicles. Speed and accuracy determined the scores. Accuracy was determined by each vehicle's ability to stay within its course boundaries and break a balloon at the finish line.

For the "Moby Dick" category, the teams recreated chapter 136 from Moby Dick by projecting color slides, illustrating a flashback being discussed by Ishmael and Capt. Gardiner. Ishmael was to open a box found from

the sunken Pequod and display a sculpture of a whale, a drawing or painting of a whaling scene and an article of scrimshaw. The teams created the script, a playbill and all props needed.

The fourth problem was to design a "Strategy Structure" using eight, 3-foot strips of 1/8" balsa wood that would support as much weight as possible. After each 25 lbs. of weight was added a section of the structure had to be removed.

In "Camelot" the team consisted of King Arthur, Guenevere, Sir Lancelot, Sir Gawain and Sir Galahad. Guenevere remained at one spot in the "castle" and used non-verbal communications systems to guide her blindfolded teammates through a course and then complete specific tasks. As each member completed their task, they could remove their blindfold and assist Guenevere, also without speaking.

The winning teams were: Chariots of Rescue, Division I, Lake Forest North, Team B, took 2nd place. They were Oakland Childers, Ryan Myers, John Chambers, Latonya Pittman, Leigh Ann Winninger, Frederick Feutz, Dale Reinhold. This team was led by Mrs. Lynch. Ryan Myers got special mention for creativity.

Chariots of Rescue, Division II, the entire W.T. Chipman Team A got special mention for their creativity. They were Steve Clute, Ronnie Farmer, Debbie Endris, Amy McClements, Candy Gamido, Cindy Gamido and David Welch. This team was lead

## Elise says we cannot ignore St. George's Bridge - vital link of state

In a news conference on May 17, Elise du Pont, Republican candidate for Congress, announced her concern about the problems with the potential closing of the St. George's Bridge.

"The bridge reopened yesterday after 52 days. But we have all heard repeatedly and on good authority that the bridge will have to be closed before 1990 for major repair. I am concerned about what may happen to this state if for two years out of the next six years the bridge is closed or severely restricted to traffic. The Army Corps of Engineers has issued a news release stating that they have no plans at this time to entirely close the bridge. But that does not take away the enormous threat that eventual closing of the bridge would have.

"At the same time, Route 896 will have to be closed for widening, shutting off a major artery in the state. "In addition, the St. George's Bridge will be closed six weeks out of each year for the next five years for a repeat

performance of the last several months.

"I know that Delawareans share this concern about how closing the St. George's Bridge will cripple our state socially and economically. I have heard from Delawareans in my Home Visits and in the streets. We cannot allow such a debacle to hurt our commerce, to endanger environmental safety, the safety of our children, and the accessibility of our state to people, to tourism, or to each other.

"I propose we look more closely at the problem. This is a Federal issue - there is interstate commerce and there are crossings funded and maintained by the Federal government in question. I have asked the Federal Highway Administration to allocate funds to conduct a study to determine the economic impact on the State of Delaware and what alternatives can be put into effect to remedy the problem before it becomes a problem."

## Educational News

### Jarrell named Academic All-American

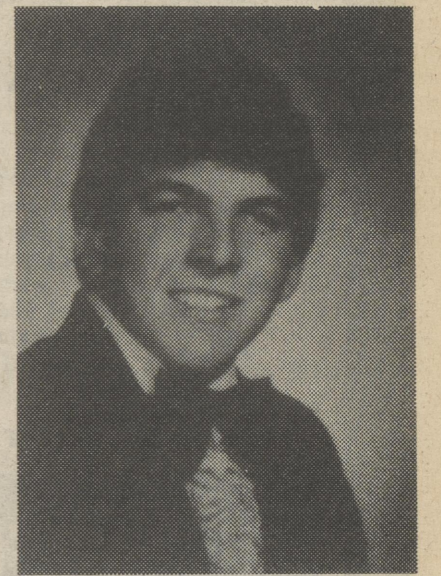

The National Secondary Education Council announced today that David Jarrell has been named an Academic All-American.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

David Jarrell who attends Lake Forest was nominated for this National Award by Mrs. Curt Stickle, Math Teacher. David will appear in the Academic All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

The Council selects Academic All-

David Jarrell

American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the NSEC for other honors.

David Jarrell is the son of Mr. and Mrs. Martin Jarrell. He is the grandparents are Clarence and Ruth Jarrell of Felton, DE and Lula Tweedy of Woodside, DE.

### I DARE YOU Leadership Awards

Elisabeth Senter of Felton and Mike McColley of Harrington have been awarded the nation I DARE YOU Leadership Award by Lake Forest High School.

Elisabeth and Mike were selected for the Award in recognition of excellence in character and well balanced personal development as well as leadership potential.

In addition to the national recognition received, the Award provides the recipients with a copy of William H. Danforth's book, I DARE YOU, and a personalized certificate. Mr. Danforth wrote the book out of his own experience. He dedicated much of his time and philanthropy to youth work. In the book, he challenges the readers to aspire to their highest potential, to attain constructive lives of service and citizenship and to commit themselves to excellence.

The I DARE YOU Award is made available by the "I Dare You" Committee of the American Youth Found-

## Senior Center

by Dorothy Graham

Smile! Peace rules the day, where reason rules the mind. William Collins

Hope your housecleaning is about to draw to a close. The Center looked nice Friday for Open House. It was a pleasure to see the folk tour the Center. Three or four bought ceramics. Refreshments were delicious - cake, cookies, coffee, punch, along with lots of chatting made for a nice two hours.

When the children say, you are old fashion, just what do they mean? What is old fashion? Lemons, juiced and sliced in a glass pitcher, sugar added, filled to three quarters with water and then a nice piece of ice to cool that beverage. Enjoyed by all. Sun bonnets - Let's describe a couple - one with a wide heavily starched brim and a ruffle down the back of the neck to protect you from the sun. It was not fashionable to be tan. Another sun bonnet was a wide brim of hard cardboard slats and the same neck treatment.

Members meeting was called to order by Vice President Dave McCracken Monday afternoon, May 14, 1984 at 1:00 p.m. Old business - report on bazaar and building fund - Those ill - bills, etc. New Business - member building committee - Cecil and Sylvia Meredith and Merle Roth, Gladys Hill and Thelma Legates are the alternates. Nominating committee - Mamie Adams, Virginia Smith and Gladys Hill.

Amy Poynter's Rock-A-Thon was reported on and did very well.

Dave adjourned the meeting.

Tuesday was Jolly Timers practice time with Ina at the piano. There were nineteen present - Ella Golt, Bertha Dean, Amy Poynter, Mildred Vincent, Louis Gerardi, Oletha Rinaldi, Lillie McBride, Annabel Morrow, Roxanne Brown, Andy Anderson, Larry Krommes, Tony Perrone, Florence Minner, Mamie Adams, Gladys Hill, Ola Tildon, Cecil & Sylvia Meredith.

Reverend Koning of Nazarene Church was leader of Bible Study Monday morning. Singing, prayers and a study of Psalms 62. There were sixteen

present. Reverend Koning's inspirational Hour is always well received.

Birthday party time Tuesday afternoon, Dave McCracken presented a movie, "Stratford Hall". Singing, cards, friends, ice cream sandwich, cake and lots of good wishes and pleasant conversation made the day truly a Happy Birthday Time!

Friendly visiting at Dover Mall Wednesday, May 16, 1984 with "Senior Sounds" and "Jolly Timers," with Sylvia Meredith at the organ. Playing and singing was in observance of Senior Citizen Month. In attendance were Julia Astfalt, Mary Sapp, Frances Wright, Mildred Vincent, Elwood Morris, O. Rinaldi, Ola Tilden, Louis Gerardi, Tony Perrone, Andy Anderson, Larry Krommes, Cecil Meredith, Amy Poynter, Catherine Stevens, Gladys Hill, Etzel McCready and Florence Minner. It was wonderful.

Bridge at Mrs. Virginia Willey's for me on Wednesday. What fun! What scores! Mrs. Ruth Powell was high scorer. Mrs. Kathryn Smith was second and Mrs. Hazel Langrell, third. The rest also played. Mrs. Ethel Rapp, Mrs. Kitty Stafford and Mrs. Mildred Wagner. Tables dressed in delicate color with a fresh bouquet of flowers from Virginia's yard on each table. Dessert delicious, "Southern Living - Coconut custard and pie" (and coffee and candy). It was our last meeting of the season. See them in the fall.

What is old fashion? Some say, what do you mean old fashion? Well, in cooking there is the old cook stove, it was nice to bake a pan of biscuits in a hurry, a quick shine with some wax paper or newspaper. Once in a while a good blackening made that cook stove shine. Thinning corn on little sleds was a big boon from the back bending job it once was. How do they thin corn now? Not a bit! That is old fashion.

Bridge, bingo, checkers, Spanish, pool, needlework, bowling, etc.

See you at the Center.

Enjoy life now. By the time you reach those greener pastures, you may not be able to climb the fence. Faith.

Mr. & Mrs. John Thomas McCartney

## Donovan-McCartney Wed

Lorrie Kay Donovan and John Thomas McCartney, Jr. were married in a candlelight ceremony, April 28, 1984 in Prospect U.M. Church near Harrington, Delaware.

The bride is the daughter of Mr. and Mrs. Leon C. Donovan of Felton, Delaware. The groom is the son of Mr. and Mrs. John T. McCartney, Sr., also of Felton.

The bride wore a white gown, fashioned from tissue taffeta. The high illusion neckline was adorned with re-embroidered shiffli lace and seed pearls. The bodice and leg-o-mutton sleeves were graced with Alencon lace. The fitted waistline descended gracefully into a full cathedral length train accented with a gathered drape effect. The matching hat was adorned with seed pearls, Alencon lace and a billowing plume feather. Russian veiling formed a blusher to complete the ensemble. She carried a crystal candle holder with a cascade of white silk bridal and sweetheart roses, blue tulle and baby's breath.

Matron of honor was Michelle Melvin of Felton, friend of the bride. Best man

was David Hampton of Milford, friend of the groom.

Ushers were Allen Butler of Harrington, friend of the groom and Rod Donovan of Harrington, brother of the bride.

Abby Adams, cousin of the bride, of Harrington, was guest book attendant. Pianists were Mary Lou Wright and Virginia Smith, both of Harrington and soloist was Mary Lou Wright. Acolyte was Michael McCartney, brother of the

groom.

The Rev. K. Wayne Grier of Ocean View, Del. officiated at the ceremony with Rev. Alden Hopkins of Lewes assisting.

The reception was held at the Felton Fire Hall.

The couple honeymooned in Ocean City and are now at home in rural Felton.

The new Mrs. McCartney is a graduate of Delaware State College and is currently a substitute teacher in the Lake Forest School District. Her husband is a computer operator at Covey Foods in Seaford, Del.

## Calvary Wesleyan Church News

The annual local church conference will be held this Wednesday evening starting at 7:00 with the Rev. Paul Dieter, District Superintendent, presiding. The order of business will be the election of officers for the church year.

A church family covered dish supper will be held in the Fellowship Hall this Friday starting at 6:30 p.m. The Epworth Quartet will present a program of music and song.

All veterans will be honored this Sunday in the Sunday School hour and worship services. A lapel flower will be given in honor of those who served our

country across the years.

The Sunday School convenes at 9:30 a.m. with the Morning Worship service following at 10:40 a.m. The Evening Gospel Hour starts at 6:00 and will feature a Hymn Sing. Mrs. Lois Carpenter, who has been responsible for the music for the month, is

arranging the special service of music and song. Happy birthday greetings this week to: Earle Dempsey, Jr. and Bessie Taylor on May 20, Peggy Mervine and Matthew Slaughter on May 21, James Mervine on May 24 and Joshua Rawley on May 27.

## St. Bernadette's Catholic Church

Private prayer for this month should include the rosary. The world needs to pray to Mary for her special intercession through her Son as the Patroness of Peace.

**VICTORY THROUGH JESUS** - A Conference for Concerned Christians on Delmarva will be held Saturday, May 29 at the Southern Campus of the Delaware Technical and Community College Picnic and Pavilion Area on Route 18 in Georgetown, DE. The program will begin at 9:30 with registration and will conclude at 4:00 p.m. This is an opportunity to promote a Fellowship and Unity among all Christians on Delmarva. Brochures are available in the back of the church.

**PARISH COUNCIL MEETING** - The St. John's Parish Council will meet Wednesday, May 23, following Mass at 7:30 PM in the Church. All current members as well as new members are requested to attend.

**ST. BERNADETTE'S HIGH SCHOOL GRADUATES** are invited to a mass for the graduates at St. Bernadette's Church on Sunday, June 3 at 9:30 A.M. Please list the graduate's name on a sheet in the back of the church and indicate the school from which they are graduating and also how they would like to participate in the mass.

## Prospect United Methodist Women

The May 17th meeting of the Prospect U.M.W. was opened with Mrs. Gertrude Hopkins leading us in devotions. She read a poem, "Sweet May", which told of blooming flowers and gardens. The Indian Lord's Prayer was read by Gertrude followed by the Mother's Day scripture from Proverbs 31:10-31. Two Helen Steiner Rice poems, "What Is A Mother" and "A Mother's Love", told us of a mother's encouragement and endless love. A grandmother's dreams and memories were brought to us in a poem, "The 90 and 1". Gertrude gave us two quizzes - one on mothers of the Bible and the other on trees and their significance in the Bible. Sure does jog your memory! Try these. Who was Obed's mother? Who was Ishmael's mother? What significance did the fig tree play in scriptures and what do you know about the lily of the valley?

We wish to thank each one who helped in any way in donations of goods or money or time at our bazaar at Spence's on May 11th. It was our biggest success yet!

Our monthly visits to Haven Hill Rest Home continue usually the third Tuesday. Julia Camper and Gertrude Hopkins visited in May and Vivian Dill and Thelma Rae Melvin will go on June 19th. The United Methodist Women of Prospect began visiting Haven Hill on July 17, 1979 with Phoebe Anthony,

Ennice Collison and Mabel Jean Donovan making the first visit. Each year since then, Phoebe and Mabel Jean have visited in July and will do so again on July 17, 1984.

The annual June luncheon will be on the 7th at noon with each member bringing a covered dish of their choice. The Neighborhood House in Wilmington is having their bazaar on June 2nd with proceeds going towards camperships to Camp Pecometh for hopefully 50 children. The Thrift Shop at Neighborhood House is doing very well serving 50 families weekly with 25 volunteers working shifts to man the operation.

Four United Methodist Youth will carry a banner representing Prospect Church at the Peninsula Conference Banner Parade in Dover on June 2nd. Refreshments were served by Mabel Jean Donovan.

## Gospel at its best

The sensational Easternaires of Chester, Pennsylvania will be in concert at the Mt. Carmel SDA Church, 117 N. Washington St., Milford, DE at 4:00 p.m., May 26, 1984. All are welcome. A free will offering will be taken.

## Greenwood Minister receives doctorate

The President and the Board of Governors of Wesley Theological Seminary in Washington, D.C. conferred the degree of Doctor of Ministry upon the Rev. Mrs. Michaela Spitzer Russell on May 7, 1984. Dr. Russell's field of study was Preaching and Worship, and her project-thesis was entitled "Using Drama as a Means of Presenting the Sermon During Christmas and Easter."

During her ministry, Dr. Russell has written five original chancel dramas which have been performed in various United Methodist churches where she has served as pastor. Two of her chancel dramas, "The Christmas Tree" and "Good Friday and the Gifts," have been accepted for publication by Fairway Press.

Dr. Russell is the daughter of Mr. and Mrs. Ralph L. Spitzer, and the granddaughter of Mr. and Mrs. Horace W. Mills of Laurel, Delaware. She is married to Mr. Willard Thomas Russell and they reside in Greenwood, Del.

Rev. Mrs. Michaela Spitzer Russell

aware where Dr. Russell is the pastor of the Greenwood United Methodist Church.

## Peninsula UM to gather in Dover

Saturday, June 2, Peninsula United Methodist will gather in the Dover Central Middle School for a gala celebration of the Bicentennial of American Methodism.

Held in connection with the 45th Session of the Peninsula Annual Conference, the 7 p.m. event, featuring a banner parade, music and the drama "Strangely Warmed", will be open to the public.

Pastoral appointments are scheduled to be announced at the opening plenary session May 31, following the 7:30 p.m. communion and memorial service. A report will be heard at the plenary from those attending the General Conference of the denomination, held in Baltimore, May 1-11.

A reception honoring those being ordained and those retiring will be held at 9 p.m. Friday, at Wesley College.

Dr. William K. Quick, pastor of Metropolitan United Methodist Church in Detroit, Michigan, will speak at two sessions, Friday at 7:30 p.m. and Saturday at 11:30 a.m.

Plenary sessions are scheduled for Saturday at 9:30 a.m. and 2:00 p.m. The Board of Laity banquet will be held Saturday at 6 p.m. in Wesley College Gymnasium.

Bishop D. Frederick Wertz will preach at the worship service Sunday at 9 a.m. after which the final plenary session will be held.

The Reverend Ewart C. Hackshaw,

## Bethel UM church

We are pleased to announce that we received enough contributions to cover all our church windows with storm windows. Thank you everyone for your generous donations. Without your help, we could not have accomplished this project.

In other church news - Usually for Mother's Day, the United Methodist Women sponsor a special bulletin which lists names of women who have been honored or remembered by their families. A donation of one dollar has helped cover cost and provided a source of income for the U.M.W. Bethel Church has alternate worship services with Salem Church in Farmington; therefore, this year's worship service was at Salem. However; this project being one of the few sources of fund raising available to the group and because everyone has enjoyed the bulletin so much, the ladies have decided to do this project for Father's

Superintendent of the Salisbury District and Dean of the Cabinet, will preach at the Service of Ordination Sunday at 3 p.m. in the Middle School.

The Reverend Howell O. Wilkins, Easton District Superintendent, is chairperson of this year's conference, and his is the host district. Choirs participating in the worship services will be from St. Mark's Church in Easton, St. Luke's in Denton, Kent Island Church and Waugh, Cambridge.

Being ordained at the 3 p.m. service on June 2 in the Dover Central Middle School are:

Elders: Susan Keirn Kester, Pamela Jean Lardner, Laura Ann Martin, Charles Oliver Walter, Leonard Henry Wheatley, Jr.

Deacons: Ronald Bell, Carol Eleanor Beyer, Jerome Robert DeVine, Bonnie Bettie Farkasfalvy, Julian Arthur Hurley, Jr., Cynthia Griffith Koski, Herman Edward Lipsius, Lorenzo Harley Murdaugh, Paul Alvin Owens, John Irvin Penn.

Courtesy ordinations at the request of Bishop Arthur Kulah of Liberia: James Wleh Karmbor and MacDilla Myandyne Milton.

Retiring at this Annual Conference are:

The Reverend David W. Baker, the Reverend Howard F. Barclay, the Reverend Samuel P. Sanders and the Reverend Lawrence E. Wimbrow.

## Felton Church of God

On Thursday, May 24, 7:30 p.m. there will be held a special worship services, with special singing and a special speaker, Bob Carroll. Please come one and all for a new life God offers you.

Sunday, 27th, Sunday School will be at 10 p.m. The Rev. Lewes West will be the special guest speaker for the

morning worship service. The evening service, 7:00 p.m. will be a special speaker, the Rev. Otilie Rust, the

public is invited. God is on the move, come to receive blessings, healings and salvation is free. Come enjoy the fun with us. Reporter: Dottie Carroll

## Delaware plays host to \$27,000 national motorcycle race

HARRINGTON, DE - Officials at the Delaware State Fairgrounds have officially announced that the 9th annual Pabst AMA Classic motorcycle race will be held this year on Saturday, June 9th.

The event, part of the Camel Pro Series, will carry a purse of over \$27,000 and is being sponsored by the Pabst Brewing Company and Delaware Importers, Inc., Pabst's local distributor.

Delaware Importers President, Edward Stegemeier noted that Pabst has been sponsoring the Harrington race for the past 5 years and that they considered it to be one of the best on the entire national circuit. "Delaware Importers is proud to be associated with a race of this calibre and we are glad we could play a part in bringing a nationally recognized race to the East Coast and to Delaware in particular", said Stegemeier.

Practice for the event has been scheduled to begin at Noon, followed by time trials, heat races, and semi-finals. This year's card will also include a "Junior" National event will give race fans a chance to get a peek at the up and coming motorcycle stars of the future.

The main championship race will commence at 3:00 p.m. Prior to last year, the event had been held as a night race, but track officials felt that by going to an afternoon race that it

would give race fans a heard start going home or to take part in other activities on the Shore.

Expected to compete in this year's race are such luminaries as the 1983 National Champion, Randy Goss, 1982 AMA champ, and current point leader, Ricky Graham and of course, the formidable Jay Springsteen of Lapeer, Michigan.

Springsteen is a 3-time National Champion and carries an unprecedented life-time victory total of 38 wins. Springsteen was Harrington's first winner when the event was inaugurated on their half-mile oval in 1975. It was also just Springsteen's second lifetime win. Since then Springsteen has posted three other wins at Harrington ('78, '82, '83) and if he wins again this year he will become the only motorcycle racer to have ever won 5 times at any track in the United States on the national circuit.

Tickets are available for the event by calling the State Fair office at (302) 398-3289 or by writing: Motorcycle, Delaware State Fair, P.O. Box 28, Harrington, Del 19952. Track manager, George C. Simpson expects a good crowd to be on hand when the gates open at 11:00 a.m. on June 9th and says fans will be coming from as far away as New York state, the Carolinas and Ohio, as well as New Jersey, Pennsylvania, Maryland, Virginia and Delaware.

## In the Pocket from Brandywine

by Joe Ashner  
From Brandywine Raceway

A track record for 4-year-old geldings and one for aged mares highlighted a week of racing that featured lightning fast times at Brandywine Raceway as well as the official start of the 2-year-old season, the baby races.

Red Ross guided Duke Of Talbot to a national season's mark and a track record for 4-year-old geldings with a lifetime mark of 1:55.4 in Saturday, May 19th's \$9,000 preferred pace, which saw five of the six starters on the lead at least once.

Keystone Gent (Whitey Moore) took the lead at the start and surrendered it to George Allen (Don Irving) as the field passed the quarter pole in 28.4. Teddy Bear A (Mike Izzo) assumed command temporarily as the field passed in front of the stands before giving way to Keystone Gent nearing the clubhouse turn. Terry, III, then sent Barton Lobell flying towards the top from fourth, passing the half in 58.4.

Whitey Moore

Duke of Talbot lost his cover when Barton Lobell gained the rail on the backstretch and began to force the pace with the three-quarters going in 1:27. As the pacer turned for home, Barton Lobell owned the front end by a length and a half. The son of Harold J wore down the latter in the lane to earn the victory for owners Bill and Ruth Dudley and trainer Ross. George Allen, who became the fastest 3-year-old in the nation last year with a 1:53 time trial at The Red Mile, was boxed in fifth at the top of the stretch and swung into high gear when finally shaking free to edge Barton Lobell for the place.

Another track record fell two races

later when Cheryl's Beth demolished her opposition in the \$5,500 fillies and mares open with a seven and half length win in a lifetime best time of 1:56.3, one of six sub-two minute miles on the evening.

Trainer-driver Joe Spoto put the 7-year-old daughter of Keystone Andy on the lead at the start before yielding to Avon Row (Abe Stoltzfus as the field passed the quarter in 28.4. Meadowmate (Ken McNutt) then rushed out of the three hold to take command as the mares passed the stands. After passing the half in 58.3, Spoto tugged on Cheryl's Beth's right line and the John Aloisi owned mare responded by brushing to the top, passing the three-quarter in 1:27.2. Cheryl's Beth accelerated on the far turn, opening up a five length lead at the top of the stretch and drawing off without urging. The odds on favorite, Bola (Vern Crank), closed for the place after encountering traffic problems earlier in the race while Avon Row earned third money.

Also on Saturday, Strauss Walts (Gerry, III) took a new lifetime mark with a game 1:57.4 clocking in a \$5,700 conditioned event. The 4-year-old son of Keystone Ore took the lead past the quarter pole and held off the continuous challenge of Perky Fiddler (Rick Farrington) for owner Earl Groff and trainer Jim Groff. The two horses raced as a team from before the half with Strauss Walts prevailing by a head and Most Happy Glenn (Stoltzfus) four lengths back in third.

Scarlet Attraction took the lead past the quarter and never looked back, capturing Sunday's (May 20) \$6,500 Winners-Over pace in 1:59.4. Ken McNutt guided the 3-year-old son of Scarlet Skipper from third to the front end as the field passed the stands for the first time, taking the colt to the half in a leisurely 1:01 and the three-quarters in 1:31. The Ashton Lewis and Fermer Perry owned and Mike Brock trained pacer threw a 28.4 kicker at the field, easily holding off a late challenge from B J Scarlet and EZ Ben.

The Baby Races got underway on Wednesday (May 16) and Silent Target, a half brother to Carl's Bird, was a ten length winner 2:05 for Dick Farrington. That time was eclipsed two days later when Devil's Adversary paced a 2:04.3 mile for Abe Stoltzfus, with the last quarter in 29.4.

## Pit Notes-Budweiser 500

**DICK BROOKS:** That's water coming out of there (exhaust manifold). It must have busted a head or block or something. The track's bumpy but not too bad.

**MORGAN SHEPHERD:** It's not too bad out there. The car wasn't running real bad, but it wasn't running good either.

**DAVE MARCIS:** A spindle or a hub broke or something. Boy, it's slick out there.

**JERRY CHURCHILL:** The track is very, very slick. The first time (caution) I must have hit a little patch of grease or something. I tried to find where it was but never found it again. Then Bobby (Allison) and I collided. That's what happened. We were real close and my right front barely touched his right rear.

A wrecker was pushing Churchill's car into the garage when it shoved him right into the rear of Marcis' #75 Chevrolet which was being repaired. I had brakes when I came in but lost them. He (wrecker) was pushing me at 30 mph.

**NEIL BONNETT:** We blew a transmission seal out and lost a bunch of time. So, let's go to Charlotte.

**DARRELL WALTRIP:** The track just changed two or three times. We got a lap down and that killed us. We never could get it back. But the car worked good later on in the race.

**RICKY RUDD:** Right after the first caution someone got into me and it closed the rear fender down on top of the tire. We lost two laps on that. Gant was running good at the beginning and he passed us before we could get it running right. That was before the mid point of the race. We got it straightened out but lost three laps.

**RICKY RUDD:** I came up here with a little different motor combination and that made the difference. This is kind of a test. If it works here, we'll use it at Charlotte.

With the Ford, you've got to keep up the momentum in the corners to keep going. If you ever slow down, the Ford doesn't have the super torque to keep going.

They've been trying to develop these Fords right along. Poles are nice, but I want to win races.

Going into qualifying, we had five to seven cars that could have won the pole. It's that close.

When the sun came out, I said "Good, it's going to be to our advantage." But then it got cloudy and that worried me. But going out (on the track) is an advantage.

Maybe it was the asphalt sealer. This track was getting worn out. Even though it's humpy, it's like there's new asphalt on it and the cars are able to get a bit.

**GREG SACKS:** I'm actually a little disappointed. We didn't go far enough down in turn one. I expected to get down in the 25-second bracket, but we'll just have to take what we got.

**RON BOUCHARD:** It didn't run as near as good as in practice. We practiced a lot faster this morning. I don't know just why. Maybe it was the late qualifying that hurt me.

**NEIL BONNETT:** It felt good, but it just wasn't fast enough. Maybe it felt too good. We ran right around the track and maybe it fooled us.

**JIM INGALLS:** The track felt good, and I'm happy at this time. We should do better later on today.

**NOTE:** Ingalls crashed the car yesterday in practice and owner D.K. Ulrich and his crew took it to Kent County Motor Sales, a Buick Dealer in Dover for repairs. "We rebuilt the whole car, the hood, deck, everything but the right side door," said Ulrich. "But don't end your story yet. There may be more to come."

## Dorsey Motor Speedway

BALTIMORE, MD - Jimmy Skinner of Laurel, Md. won his first late model feature of the season at Dorsey Speedway, Saturday night. Starting sixth in the 22 car field, Skinner took the lead on the 9th lap to run away with an easy victory.

Ray Kable of Owings Mills, Md. jumped out to an early lead, as early spin-outs in the second lap kept the field close together. Two-time feature winner, George Kopchak took the lead with Skinner right behind. On the ninth lap, Skinner went low on the backstretch to pass Kopchak and pulled away for an easy victory at the smooth 1/4 mile oval.

Following Skinner and Kopchak passed the finish line was Pete Cameron in third, Ralph Ehlers fourth, and Creed Calton fifth.

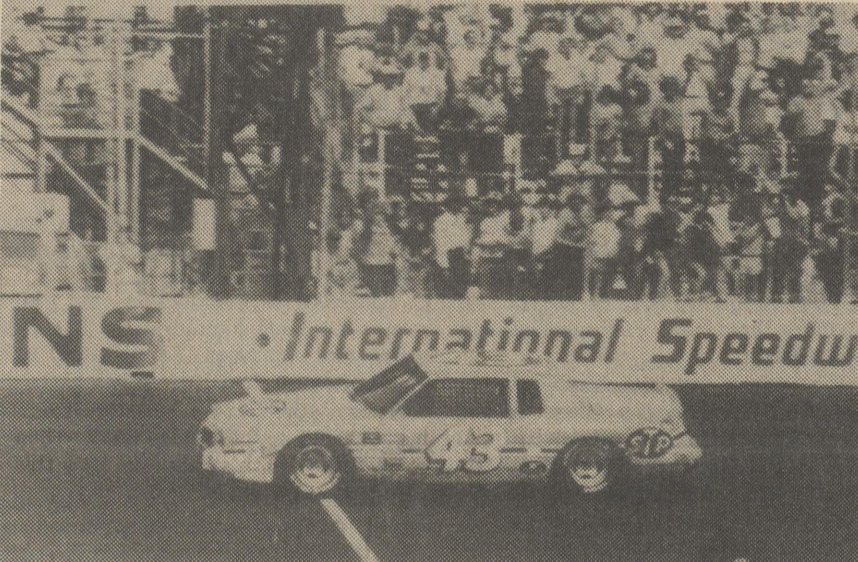

In the limited late models, Roy Deese

Jr. took the lead on the fifth lap to win the main event in his first appearance at Dorsey. Two-time feature winner, Jimmy Wilson was unable to catch the high-flying Deese and finished second.

Tim Hopkins won his second street stock feature in a row and the amazing Willie Stafford made it four in a row in the figure-eights.

Late model heat winners were Skinner, Jones and Cameron with Frank Vacek winning the consi. Limited heats were won by Roy Deese and John Broussard.

Dorsey will be featuring a Memorial Day Double-Header this weekend with the Pocono Van/Scov Qualifier for Late Models and the Sonny Eaton Memorial for figure eights on Saturday. On Monday, Dorsey will host the \$1,000 to win 100 car Demolition Derby, both events begin at 7 p.m.

## Pit Notes-Budweiser 200

**SAM ARD:** It went good, but I figured it might be quicker than that. We should have let those three turns wedge out of it. It's too tight. We figured it would get loose, so we just tightened it back up too much. We took on too much fuel too.

**GLENN JARRETT:** This motor has got a lot of laps on it. It's got about 600 miles on it and is worn out. The car is god though, but I'm a little disappointed.

**RON BOUCHARD:** Sammy just had more horsepower and a lighter car. He had a 311 motor and that's the way all these cars are going to go. But he had the better combination. He weighed 200, 300 lbs. less than we did.

But mine worked better in the corner; but he got me on the straights. My (Winston Cup) guys pitted that car and it drove great.

**JACK INGRAM:** I got into a little crash in the middle of the race with Morgan (Shepherd). He went into me when he blew his motor. I was lucky to recover like I did. The biggest thing was the suspension being knocked out. I had to play catch-up the rest of the day.

**DAVEY ALLISON:** The car just got too loose. We only had four brand new tires and had to put the used ones on that last pit stop.

It was pretty hot. I could have used a relief driver if it was 50 more laps to go.

**TOMMY HOUSTON:** There were no problems with the car and I felt like it would run a good third. But I've had a pretty bad cold all week.

**BOBBY ALLISON:** We just missed on our set up. That's it.

"Why don't you take your sweet young thing and go to the beach," he said to son Davey.  
"Because there isn't any beach in Huetown, (AL) said Davey.  
"Well, you'll find one somewhere," answered Bobby.

**GLENN JARRETT:** Something happened in the ignition. It wouldn't fire up and I didn't have a spare (black) box.

**CHARLIE LUCK:** The air cleaner caught fire. Evidently, the engine backfired. I could see the flames through the firewall. I started unloading on the backstretch and when I hit the grass I got out.

**MORGAN SHEPHERD:** Our car was still handling. We did pit but just for gas because our tires were working so well. Even after they changed tires, we were stronger down the straights.

**DALE JARRETT:** It was the water pump. I think I had'em covered. I was riding most of the time. I didn't change tires the first time but came back in and got four new ones. The car really felt good.

**RON BOUCHARD:** The car ran really, really good. It ran that way right off the truck. But we figured we'd run about that. He (Robert Gee) called me last week and I said sure I would drive. I wasn't going to run here with my (Sportsman car) because we are getting ready for Charlotte. So I didn't have a ride. The car got through the corners a lot better (than a Winston Cup car). I think the big thing is the body style. They really get pushed down in the back.

**ROBERT GEE:** (co-owner along with Rick Hendrick) We figured it would run good, because it's got a good strong motor.

When Geoff got hurt at Talladega, his doctor was talking about three weeks before he could drive again. But he started getting better pretty quick.

Mr. Hendrick said to get someone else to drive it, so I called Ron. He and I have been friends and I know him.

**MORGAN SHEPHERD:** It's been pushing quite a bit. That's a long way from the pole. That's what it did on the second lap. It's too loose.

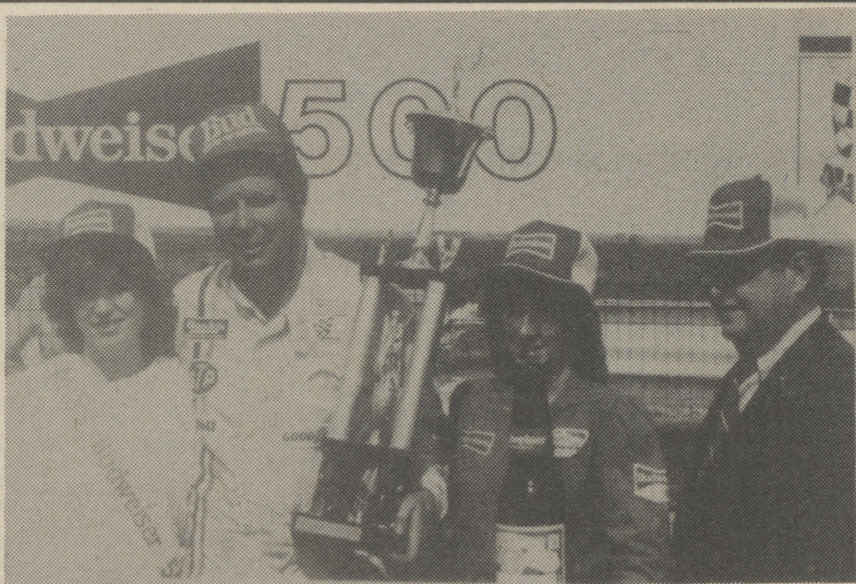

**DAVEY ALLISON:** That was pretty good. I could have taken the car down in the corners a little deeper, but I didn't know that until it was too late. The track is pretty tight.

**TOMMY HOUSTON:** That was a pretty good time. But I believe running stickers (soft tires) would have made it better all the way around.

**CHARLIE LUCK:** This hasn't been a super practice session for us. This is my first time here. The laps felt pretty good and I ran deeper and harder here than any place else. This is our first full year on the Busch Series circuit, but we'll be there.

**DALE JARRETT:** The car is driving just great for a change on a big track. We're excited about this race. The car ran well and felt good. We're set, but I don't know how that time will stand up.

**JACK INGRAM:** That was a good qualifying lap. We ran a 26.01. The track's in good shape.  
The cars have a little less weight and they let us run more spoiler now. So we ran faster today than we did last year. As a matter of fact, it's a little too tight to time trial with, but we're set.

## Veteran Davis tops large field in limited modified action

by Gene T. Cain  
Milford Kart Club returned to regular racing action this weekend after last week's State Series race and had to battle the weatherman to get the show in. A heavy shower during the heat races dampened the track, but not the spirits of the racers as almost everyone waited out the delay.

In fast paced action, the boys and girls class was won by Craig Anderson as he once again ran with the Juniors which saw Chris Davis finally get wired into the track and score an impressive win. While Chris was out front and gone, a good battle developed between Dale Elben and Chad Marvel for the runnerup spot. When they roared across the finish line, Elben had the advantage with Marvel having to settle for third.

The way things went in Stock Light action were probably just what the doctor ordered for Brian Murphy. After a bitter disappointment in last week's State Series, Murphy returned this week, served notice that when everything is right, he is super fast on the flat day oval of Piney Neck. Jim Boone gave Murphy a good battle in the heat, sneaking under Brian late in the race and took the victory. When the green flag waved on the feature Murphy jumped out front going into the first turn and never looked back. Jim Boone had a battle on his hands though for the number two spot but held on forcing Jeff Melvin to settle for third.

With the way things went in Stock Heavy it probably wouldn't be a bad idea for track owner Ernie Lowe to check the deed to the track and see if he still owns it or not because Larry Holding looks for the world as if he owns it. The battle to get to the front

might have been even tougher for Larry, had it not been for some good luck in the heat. Starting eleventh in the heat, Larry was running in the middle of the pack, but a vigor finish which saw three of the lead kart think the race was over on what was the white flag lap moved Marshall Lewis to the point followed by Mike Passwaters and Holding. Larry started the feature right on the bumper of Lewis in the number one spot. In the early stages of the race that is just what Holding saw, the bumper of Lewis' kart. Finally, about midway through the race, Larry made his move, ducking under Lewis exiting turn two and outran him to take command going into turn three. Holding was not to be denied as he then coasted to his 5th straight victory this year. Lewis held onto second, but had a battle on his hands with Mike Passwaters who ended up having to be happy with coming home third.

The race isn't over till the checkered flag falls was never anymore accurate a statement than in the Limited Modified race. The "old man" Jack Davis took home the win. Marvel looked as though he would be the victor when he had a comfortable lead, but Davis got his carb adjusted right and passed Marvel. Mike Coverdale rounded out the top three. For the first time this season the veterans shut out the youngsters in this class.

Stock Yamaha saw a good, fast field of karts on hand and the action was fast and furious. Rick Elliott set the early pace, but at the midway point, Andy Kiker and Elliott were side by side going into the three-four turn and when they came out, Kiker had the lead. When all was said and done, Kiker picked up the win with Elliott in second and Dale Warner in third.

## Mauser, Ling, Osborne & Cook capture feature events at Wall

**WALL TOWNSHIP** - Tom Mauser turned many weeks of hard luck into a well earned victory as he captured the thirty-five lap modified feature at Wall Stadium Saturday night.

Mauser, who started on the pole, wasted absolutely no time in pacing the field of twenty two modifieds as Dick Heally of Howell and Ed Lilly of Allentown, Pa. settled into second and third.

With no caution flags being displayed throughout the first half of the race, the pace was a torrid one with Mauser dominating the race. Lilly had moved into the runnerup spot at this point in the event as Harry Reed of Freehold was third.

The first caution of the race came out on lap twenty-eight when Tom McCann of Huntington, N.Y. spun in between turns one and two. On the restart, Mauser once again picked up the pace and appeared to be unbeatable.

With five laps to go in the race, Gil Hearne moved into the runnerup spot and began closing the gap between

himself and leader Mauser. A late race yellow on lap thirty two appeared to put Mauser's lead in jeopardy, but the young veteran held onto the front spot to record the victory.

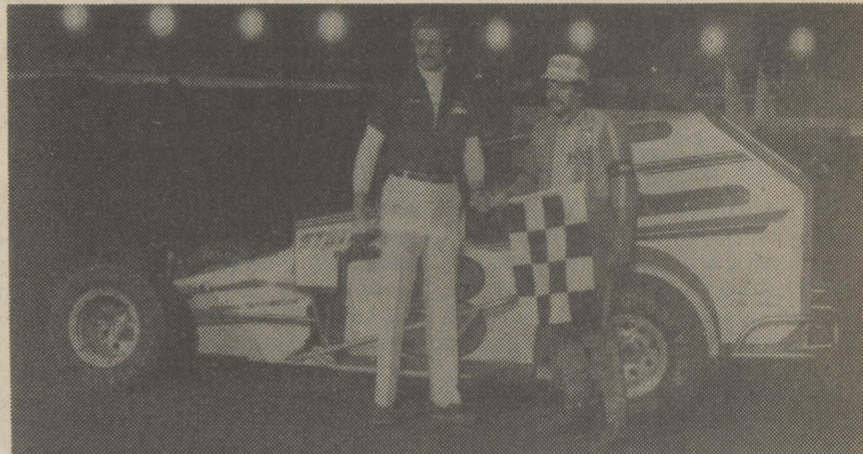

Following second place finisher Hearne was Jamie Tomaino, John Blewett, Jr. and Eddie Bohn fifth.

For the second week in a row, the thirty-lap sportsman feature was decided on the very last lap as Don Ling scored his second win on the season outrunning Bob Cramer of Beachwood.

In for third place money was Steve Golembeski of Sayreville with Kevin Kranmer of Barnegat fourth, and Tom Ciccone of Edison 5th.

Twenty-five lap modern stock feature was taken by Glenn Osborn of Howell, his 2nd in a row. Second spot went to Woodbridge's Steve Springsteel as Bill Cameron of Howell finished 3rd.

In the ten-lap strictly street stock feature, it was Pete Cooke recording his 4th feature of the season besting Les Jioia.

## Tobias wins at Bridgeport

**BRIDGEPORT, N.J.** - Ronnie Tobias rallied to his first win of the 1984 campaign last Saturday night at the Bridgeport N.J. Raceway and Fairgrounds and in doing so became the fourth different modified winner of the season at the South Jersey Oval. The story was slightly different in the sportsman ranks as the talents of Craig VonDohren scored his second consecutive feature win. In the street stock main, Dave Blantz took the top prize for the second week in a row.

of the 25 lap modified dash with Ronnie Tobias taking the top spot on lap four. Tobias nosed into the lead early but had to contend with Doug Hoffman right down to the wire. Hoffman collected second place money with Freddy Brightbill third, Barry Burkhardt fourth, and Howie Cronce fifth. Rounding out the top ten were Tom Capie, Jimmy Horton, Larry Solomon, Ricky Rutt and Al DeAngelis. Modified heats were won by Horton, Cronce, and Capie with Rich Isett winning the consolation.

## Local students win awards

by William T. Ficks  
Forty-nine teenagers gathered together in Dover on the night of May 17.

Not a one was smoking pot, popping a pill, or sipping a can of beer. For those kids were the cream of Delaware's scholastic crop, and they were at Dover's Sheraton Inn to accept their medals and certificates as the State Superintendent's Scholars of 1984.

Over 200 people, including educators, parents, friends and relatives, attended the banquet to honor the 49 students who represented schools from throughout the state.

Representing Lake Forest High School was Pamela Pierce who ranks first in her class with a grade point of 96.

Pam, as she is known, is the daughter of Mr. and Mrs. Victor Pierce, Andrews Lake, Felton.

Pam is living proof that athletes are not "all brawn but no brains."

In addition to taking a full academic course load, Pam is in the marching and concert band and is a varsity letter-winner in field hockey, cross country, basketball, and track. She was first-team All-Conference, third-team All-State, and a member of the All-Star South Team in basketball. She is a member of the National Honor Society, the Forensic Club, and Spanish Club and is class historian, and was voted Miss Lake Forest and was a Girls' State delegate.

Speakers at the banquet were Dr. William B. Keene, State Superintendent of Public Instruction; Albert H. Jones, President of the State Board of Education; and William R. Baldt, President of Goldey Beacom College.

Each student had written a short statement that was read by Dr. Keene as the student accepted his or her award.

Pam had written of "the even balance between athletics and academics," and

went on to say, "I'm thankful for the sense of sportsmanship given to me by my teachers and coaches."

Looking on proudly as Pam accepted her award were her parents and Dr. Margaret Phelps, Lake Forest High School Principal, and Charles Brown, Lake Forest High School counselor.

Art Aranilla was the Milford High School representative at the awards presentation. Art is the son of Dr. and Mrs. Artemio Aranilla of Milford. He is a member of the National Honor Society; is treasurer of the student body; is president of the Milford High School International Club. He participates in the Milford band as lead alto saxophone player, xylophone player, concert master, and accompanist for the annual musical.

Art will attend Yale University in September as an English major.

"I want to be a professor," he said.

Representing Woodbridge High School were Melanie A. Miller and James Baker. Melanie is the daughter of Mr. and Mrs. Charles E. Miller of Greenwood. She ranks first in her class and was a National Merit Scholarship commended student. She is president of her 4-H Club; Secretary-Treasurer of her Church Youth Group; is a member of the Student Council and the Office Education Association; and was secretary of the Audio-Visual Club. Melanie plans to major in computer science in college.

James is the son of Mr. and Mrs. Kenneth Baker of Bridgeville. He is state president of the Delaware Association of American Industrial Arts Student Association. He was a member of the varsity teams in football, basketball, and baseball. He has been named Outstanding Student by the State AIASA.

The next time someone downgrades today's teenagers, tell him about Pam and Art and Melanie and James.

## Perfect Beauty is ailing

by Harry G. Farrow, Jr.  
**THE MEADOWLANDS** - Hall of Fame horseman, Howard Beissinger was called and spoken to personally by phone on Tuesday concerning the condition of Perfect Beauty. Asked if there was something wrong with Perfect Beauty, his response was "...definitely there is". He said the first time he drove her she went out as she usually does, chasing the gate. "Horses went by us at the half...and I did not think much about it until she just literally walked home the last half. She

did the same thing the next trip except she quit sooner. At first I thought I was taking too much of a hold on her and shutting her air down. So the 2nd time out, I let her out a little and she did the same thing. So I knew something was wrong with her. We had Dr. Knowland (sic) and Dr. Sever (sic...of Lana Lobel Farm) look at her. "Their diagnosis...I don't know the medical term for it...was the same thing as tying up. It comes from her diet being too rich. We sometimes experience the same thing with horses

we get from Australia," said Beissinger. "We are taking blood tests every day and have taken her off the high protein diet in an effort to get her blood back in balance," he added.

Beissinger said, "...we do not have a paddock here at The Meadowlands, so we have shipped her to Lana Lobel

followed her career, "...that she is getting the best of care. She is a great mare and deserves the best we can give her....and we are doing just that. We are hoping she will be back soon and in top form, for she is a good racing mare.

He called *The Harrington Journal* on Tuesday afternoon after a day of "Baby Races" where he won with one 2-year-old trotting filly in 2:03.3...a Noble Victory filly. He added that several 2-year-old pacing races earlier in the day had gone "in :59 and a piece".

them, but the "bottom line" is how you react when you do need them, according to Berry.

"It was with something like this in mind that we started the swimming program in 1979. Steven said to me Sunday night that the saving of one life is worth the price of any swimming

pool," Berry said. Speaking of his son, Dr. Lobo said, "I'm extremely proud of him, the way he acted coolly and calmly under pressure." Ernest Hemingway told us, "Courage is grace under pressure." Steven Lobo proved it.

neither available Lake Forest almost had another champ anyway, as Darryl Benson narrowly missed the winning distance of 21-8/4. A similar episode unfolded, in the high jump. Jay Harmon of Lake Forest and Dean Petters of Smyrna, each cleared 6 feet, 2 inches. Petters got the nod under the

least-misses rule. Spartan Paul Meding made 6 feet, to tie for third. Doug Hufstutler made 10 feet, 6 inches, in the pole vault to finish fifth.

Charlie Hrupsa, Mrs. Mildred Welch, Mr. and Mrs. Jehu Camper and Mr. Jimmy Emberlain.

There was also a showing of the film, *Just Whittlin' on the Campers* and another called *What is Folk-Life, and Why?* by Kim Burdick of the Delaware Folk-life Council.

Each participant was given time to answer questions from the audience and Jehu favored the crowd with one of his ever special country humor talks. A special invitation was read in part which invited the Campers to become participants in the Folk-life program at the Smithsonian Institute at Washington, D.C. Congratulations to them. After each honoree had completed their part of the program they received a golden certificate of appreciation for their efforts in their particular special-

ty along with the flower mentioned earlier.

Mr. McKnatt closed the program and everyone proceeded to the back of the room where there were homemade cookies, punch and coffee waiting. Once again we saw the long colonial costumes, and old time charm in the way the table was decorated...with old-fashioned kerosene lights, old cookie cutters and other memorabilia of by-gone days. The cookies were served in Strawberry baskets, in honor of Mr. Minner.

If you missed this program, you should try harder next time to attend. When asked how they chose the ones to honor, one member replied: "It was hard, but we will just keep going until we cover them all!"

## Gab Fest

by Pat Hatfield

Has anyone lost a wee brown dog? About a week ago, such a one appeared in our yard, and after dark camped on our doorstep, insisting on being taken in. She immediately settled herself in the household, got into our laps and acts as though we are her lost family. This is really hard to understand. She responds to us as if she had always lived here. Of course we love dogs and we are kind-hearted folk, so here she is still. But really, our lifestyle at present doesn't relate to pets. She is evidently housebroken and she definitely reacts to a stern "no!" when scolded.  
Of course we could go through hundreds of names and not get her own, so we called her "Ladybug". She adores children, and will sit in anyone's lap by the hour, reclining on her back with all four feet in the air and wants her tummy rubbed. What breed is she? That's the \$64,000 dollar question! I'm sure her mother had several dates with a Cocker Spaniel, because of the feathering down the legs, but the short ears and the sharp little face are not Cocker. The eyes have the same soulful expression as a Cocker, but are not as large. She has no idea what toys are for and ignores them. Surely someone must have loved her dearly. I wish we could find her real parents. Her color is light brown.  
Meanwhile, summer is reluctant to get with it. The thermometer says

sixty degrees today, but it is the coldest sixty I've ever felt. And the cold North wind nearly blew me away on my trip to the shop. Ellen has taken the two kids to the dentist for their checkups, Dad is working in the garden, our friend who works in the shop phoned that her children are sick. So that leaves good old Mom minding the store. I really enjoyed it because I love people.  
And aren't there just some of the most delightful people in the world? They make up for the ones that aren't. On Saturday evening we were just about to get in the car to do an errand, when a car came into the yard, and it was two people from Harrington who said they just stopped to say "Hi!" and to tell me that they enjoyed reading the column "Gab Fest" and to see Trail's End where all the birds and the bees and the bunnies reside that we write about. Wasn't that just super-nice? They made my day.  
We had such beautiful weather for Mother's Day. My day was perfect, too. I received a plant from church, enjoyed the Fellowship time afterward proudly wore my orchid from my precious daughter, and enjoyed being her guest for dinner at the Town and Country. Then, in the evening, my granddaughter, Hilary, called from Indiana to wish me Happy Mother's Day, and that made it perfect.

## Spartan girls are 3rd in Henlopen title meet

by Keith S. Burgess

Lake Forest's 1983 girls' track team were state champions. They had a chance to repeat despite graduation losses, but lost three more heavy, point-scorers, for various reasons. Still, the locals retained enough talent to finish third in Saturday's Henlopen Conference Championship meet. Lori Wilson, Tara Gladden, Debbie Jester and Pam Pierce captured the 2-mile relay in 10:20.8. Pierce ran an extremely courageous 800 meter race, to win over a quartet of rivals who all threatened to pass her with 200 meters to go. Pam's 2:29.8 is her best clocking this spring.  
Pierce, Carolyn Winder, Sylvia Hicks and Debbie Jester were fourth in the

1600 meter relay.  
Caritha Clarke's triple jump of 36 feet, 4 1/2 inches was a winning one. Pam Smith, 6th place 33-6 1/2 and Michelle Briggs, 7th 33-4 1/2 were personal best efforts.  
Clarke was third in the 100 hurdles, final in 15.9, after running a 15.1, Lake Forest mark, in the trials!  
Sharon Burton (105-3) was 4th, in the discus. Severa Harris and Angie Akins were 4th and 5th respectively in the shotput. Kelli Pelton was 3rd in the 3200 meters. Pelton and Lori Wilson were 4th and 5th in the 1600 meter run.  
Sheva Batton, Della Smith, Sylvia Hicks and Madeline Giddens were 4th in the 400 meter relay.

## Parker triumphant at Ascot half-mile

GARDENA, Calif. - Harley Davidson's Scott Parker scored his first National win for the '84 season at a half-mile held here at Ascot Park on Saturday evening, May 12.

Parker's win in round eight of the American Motorcyclist Association's (AMA) Camel Pro Series came as a result of a narrow victory over 1982 Camel Pro Champion Ricky Graham. Parker and Team Honda's Graham fought for the lead throughout the first 15 laps of the 20-lap main event. Graham's bid for victory was stopped short while leading on lap 18 when a crash caused the race to be red-flagged. When action was restarted, it set up a three-lap dash to the finish with Parker emerging victorious and Graham having to settle for second spot. Steve Morehead riding a Harley-

Davidson finished third, Honda's Doug Chandler was fourth, and defending Champion Randy Goss, aboard a factory Harley, was fifth.

Former Camel Pro Series Champion, Jay Springsteen, who missed action in last week's San Jose Mile due to recurring stomach problems, was still ill and unable to compete in this week's event.

## Spartan girls are 2nd in State Track Meet

by Keith S. Burgess

Lake Forest won the Division Two State Track Title in 1983 and on paper figured to have a good chance to repeat. But a 17-foot long jumper, who also is an excellent sprinter, transferred temporarily to Dover. A State Champion, 200 meter sprinter is still in school, but didn't play sports this winter and spring. A fine distance runner was sidelined after trying valiantly to recapture her 1983 form.  
Suddenly a champion team was transformed into a still-strong runnerup squad.

Saturday, Lake Forest gave Seaford some anxious moments before the Henlopen Conference Champion Blue Jays sewed up the title. None of the other teams were able to challenge the dueling front-running teams. Caritha Clarke, a triple jump champion last year won both the triple (34-6) and long jump (15-11) crowns this time. Clarke was also third in the 100 meter low hurdles. Michelle Briggs, a freshman was third in the triple jump, while Pam Smith was 6th in the long jump.  
Patti Drew, heretofore a sprinter and high jumper, was recently changed to the 400 meters by Coach Blades. She was seeded last, in the event, but scorched the track, in 61 seconds flat, to win the event. She now shares the

Lake Forest mark with Donna Pardee, Carolyn Winder, inches back, was second also in 61 seconds flat. Drew, Pam Pierce, Debbie Jester and Winder were fourth in the 1600 meter (one mile relay). That's yet another Lake Forest mark in what has been a record-smashing year.  
Lori Wilson, Debbie Jester, Pam Pierce and Tara Gladden were third, in the 3200 meter relay. Pierce (2:28.8) and Wilson (2:31.4) were third and fifth, at 800 meters, respectively. Pierce, an extremely versatile and valuable senior and Wilson, a sophomore, in her first year of high school track, ran their fastest clocking of the season.  
LaJon Dunbar, Sylvia Hicks, Carolyn Winder and Patti Drew were 6th in the 800 meter relay. Their 1:51.7 was tops for 1984 at Lake Forest.  
Kelli Pelton was fourth in the 3200 meter run. Her 12:58 was a seasonal best. Denise Cain logged a lifetime best performance.  
Severa Harris was runnerup in the shot put. Her 36 feet, 7 inch toss was her best ever. Sharon Burton was fourth. Burton got third in the discus. Pam Smith scored in both the long and triple jumps. Lake Forest's girls had another fine season and have a good nucleus returning in 1985, unless they lose more people than expected as happened this spring.

## Young horsemen rising to the top in harness racing

COLUMBUS, Ohio - To most people, the typical harness racing drive probably looks a lot like Walter Brennan in one of those B pictures from the 40's, short of hair and long of tooth, getting off the sulky and saying, "Well, the little mare, she trotted in 2:13 1/2 this heat, and I betcha she'll be bettah next heat!"  
It may come as a surprise then to hear that while many veterans still fare very well in standardbred racing, more and more of the sport's stars are relatively young men. And recent trends show that the typical top driver is more likely to belong to the Pepsi generation than the Geritol set.  
Perhaps the prime example of the emergence of youth in harness racing would be 29-year-old John Campbell. The native of Ontario set a new all-time record for most money won by a driver last year, guiding home horses that took in \$6,104,082. And he set that new record in just ten months of racing, too, as back surgery necessitated his missing the last two months of the season.  
Campbell's money title, his third in the last five years, complemented his setting an all-time record for most wins at one meeting. Campbell won 303 races during seven months of racing at the mighty Meadowlands of New Jersey - the racetrack with the toughest colony of driving stars in the world.  
Another sulky "wunderkind" is 29-year-old Walter Case, Jr., a native of Maine who won more races in the last two years - 900 - than any other driver in North America. The 1983 winner of the Peter Haughton Memor-

ial Award as the sport's top young horseman, Case racked up his big win totals on smaller circuits, but this year he is meeting and beating the best in an extended campaign at The Meadowslands.  
Harness racing's Universal Driver Rating (UDR), roughly parallel to a baseball player's batting average, is designed to measure consistency among drivers. The UDR championship was won last season by 30-year-old Sam "Chip" Noble, III, his 3rd victory in the last 6 years. In fact, the top 5 UDR drivers were a virtual "kiddie corps," as ranking behind Noble were Case, Bill Zandt (the "old man" of the bunch at 34; Gary Mosher (24), and Wally Hennessy (27).

The Grand Circuit, harness racing's travelling band of all-stars, also features a prominent youngster in 27-year-old Tom Haughton. Son of Hall of Famer Bill Haughton, Tommy won over \$1.5 million last year, handling the likes of stakes stars TV Yankee, Panorama, and Sudden Urge.  
Perhaps the most startling example of the trend towards youth in harness racing can be found near Cincinnati in the person of 19-year-old David Ward. As of this writing, the teenager was leading the driving standings at Lebanon Raceway, getting far more winners than veterans two and three times his age. Of course, leading the drivers' colony is nothing new to Ward, who last year was the top man at nearby Latonia Raceway - while he was preparing to graduate from high school!  
Walter Brennan must be spinning in his grave.

COLLECTING A CLAIM SHOULD NOT BE LIKE TRYING TO NAIL PUDDING TO THE WALL.

Insurance companies aren't exactly famous for being generous or speedy. So it's remarkable that when Aetna customers are polled about their Medical claims, for example, 99% consistently tell us their settlements have been both prompt and fair.  
Behind our rave reviews? Everything from the biggest computerized claims processing network - over 150,000 health care payments alone every day - to on-the-spot auto claims settlement.

"You're really an extraordinary man for your age," said the reporter to the 65-year-old rodeo champion.  
"You should talk to my Pa. He just signed to play pro football, and he's 88," said the rodeo champ.  
"Unbelievable," gasped the reporter, "I'd like to meet your father."  
"You'll have to wait till he gets back from the wedding. Grandpa is getting married tomorrow. He's 114."  
"Amazing, what a family!" said the reporter. "You a rodeo champ at 65. Your father in pro football at 88. And your grandfather wants to get married at 114."  
"Heck, mister, that's not the way it is," said the rodeo champ, "Grandpa doesn't want to get married. He has to."
