

Council approves new budget

by Harry G. Farrow Jr.

HARRINGTON The Harrington City Council on Monday night made the final adoption of the City's budget.

A controversy which had brewed for weeks as to whether the budget was adopted by way of "...lump sum assignment to each department... versus a line approval of each city employee's salary" was finally resolved.

With a vote of 4 to 1 the budget was approved as per each employee's salary. Councilmen Gagne, Coleman,

Dennis, and Shaw voted in favor of the salary for each employee. Councilman Jarrell was the lone no vote.

Councilman Jarrell who is the Police Commissioner, voted against the pay scale for the Chief of Police and the patrolmen and explained his actions as follows: "I.....feel the patrolmen should receive more money and the position of the Chief of Police less..."

Under the new budget as adopted on Monday night, the Police Chief will receive a base salary of \$18,512.00 together with benefits which will push

his overall salary to \$23,078.93. Other members of the police department which calls for 3 patrolmen at a base salary of \$11,606.40 together with benefits, will make their salaries reach \$15,231.06. The department is due one PFC with a base salary of \$12,563.20 with benefits making the overall salary of a PFC being \$16,318.41.

The Council approved the budget request of \$19,240.00 as a base salary for the City Manager. With benefits added in the total salary reaches \$22,952.74.

The Council approved the position of Office Manager which calls for a base salary of \$15,287.20 with benefits pushing the salary to \$16,617.58. The Council approved Norma Short for Office Manager as well as "Acting City Manager" with Mrs. Short drawing the City Manager's salary until a full time City Manager is hired.

The general consensus around City Hall is that Mrs. Short has for some time performed in the role of City Manager.

Councilman Sue Ellen Dennis requested a schedule for the on-duty policemen. "I want all councilmen to have a copy of the schedule", said Dennis.

Councilman Jarrell said "...I want to amend the motion to state that the schedules be presented by each workshop meeting....and the schedule should be for a period of 30 days in the future".

Councilman Dennis said she is requesting the schedule of on-duty policemen because she is getting numerous calls from citizens in her ward requesting Police assistance. "When the citizens

call the Police Department....they get a recording or the Call Board (911).... and according to these same citizens they are not having their complaints answered", she said. "I want to know who is on duty....and where I can get up with one of our Police officers," she added.

Councilman Jarrell again voiced the desire that if citizens have any complaints about the City Police Department "or in the alternative...anything good to say about our Police Department, I would like to hear them".

Du Ponts offer helping hand to luckless mother

by William T. Ficks

A young Dover mother down on her luck has something to smile about today — thanks to the kindness of Gov. Pete du Pont and his wife Elise.

Separated from her husband, 24-year-old Debbie Spencer is the mother of two boys and one girl, ages eight, six, and four.

Debbie lives with her mother and works part-time at a straight-commission selling job. She is trying to save money to buy clothes so she can look for a full-time job.

For the past month her teeth have been paining her. Last Friday the pain became unbearable.

She had a prescription for medication to relieve the pain but lacked the money to have it filled.

She visited three dentists, but they all wanted at least a \$100 down payment.

"I told them I would pay them something each week I even offered to clean their offices — but they turned me down," Debbie said.

One of the dentists had treated Debbie in the past, allowing her to pay his bill in installments.

"I even cut grass to pay that bill," Debbie said.

"When I mentioned that he had

Elise du Pont

trusted me once before, he said 'That was then, this is now,' she added.

She went to the Salvation Army and the Catholic Social Services seeking assistance.

No go. The Salvation Army would help with medication the following

Wednesday but couldn't do anything about dental treatment. The Catholic Social Services gave some clothing, but they couldn't help regarding the necessary dental work.

Debbie then sought help at United Way and Vocational Rehabilitation Services.

Still no go. United Way could provide clothing but not dental treatment. Vocational Rehab said she would have to wait until the end of the month to be referred to the dental clinic at Delaware Division.

It was then that Debbie thought of going direct to Gov. Pete du Pont for help.

"I didn't want to go to the governor, but my teeth were hurting so bad I had to do something. I figured he's the head man in Delaware, so I went to him," Debbie said.

After knocking on the door at Woodburn, the governor's mansion in Dover, Debbie was invited inside by Elise du Pont.

"She served me coffee and cake. She was so nice — didn't want to hurt her feelings, but my teeth hurt so much I couldn't eat the cake," Debbie said.

A half hour later, Gov. du Pont came home for lunch and immediately set about remedying Debbie's plight.

He made arrangements to have the prescription filled and dental work started on Debbie's teeth. After he called a local church, Debbie was provided with clothes, shoes, and a purse. Elise gave her a blouse.

"I had almost no sleep for six nights, but Friday night I slept so good," Debbie said.

"I thought they would be snobbish — you know, being rich. But they were so nice, I started crying. I didn't want to, but I couldn't help it," she added.

On Monday, a friend drove Debbie to Delaware Division where she had two wisdom teeth extracted.

"What a relief!" Debbie laughed. "I go back next Monday to have them all taken out."

The Dental Clinic at Delaware Division will provide her with dentures in several weeks, according to Debbie.

Debbie has a lot more faith in people today than she had a week ago — thanks to two kind persons in Woodburn who have never lost the common touch.

Betty Brown, right, recently scored a hole in one at Shawnee Country Club in Milford. The score was made on July 26th of this year at the 4th hole which is a par three. She used a 3 iron. She becomes the third lady to accomplish this feat at Shawnee. At the time of the score, she was accompanied by her husband Elwood, who is pictured here with her. Photo by HGF

"Big Cat" sighted in Greenwood

by William T. Ficks

The "big cat" sighted on numerous occasions in the Harrington area during the past eight weeks turned up in Greenwood on August 6, according to a Greenwood man who requested anonymity.

The man saw the animal on his property which is about four miles south of Harrington and west of Highway 13.

"But I don't want 40,000 people out at my house," laughed the man as he asked that his name be withheld.

He said he saw the big cat from a distance of 15 or 20 yards.

"I watched him for about ten minutes. He didn't look back at me. He was lying still and staring straight ahead at a flock of birds," the man said.

"I have a Doberman pinscher who used to love to go out at night. Now I have to pick her up and physically carry her out," he said.

He described the animal as being "coal black," 25 to 30 inches high, and 35 to 40 inches long.

This description is the same as that

given by many others who have sighted the animal.

After looking at a blowup of a picture of the big cat that we ran in the *Harrington Journal* on June 27, the man said, "That's the same animal."

The picture had been taken by Carol Ann Porter of Harrington, who, along with her husband Billy and two neighbors, originally sighted the animal on June 19 in a small wooded area between Liberty and Clark streets in Harrington.

FUNDS NEEDED TO PURCHASE RAILROAD TOWER

Funds are needed quickly! If you have read the papers recently, you know that Conrail is closer than ever to being sold to a private company. Will the lease agreement between Conrail and the Greater Harrington Historical Society be honored? Right now, Conrail has offered to sell us the Tower property for \$500.00. Some of the members have decided to appeal to the public to set up a fund for this. Donations are tax deductible and can be mailed to: Greater Harrington Historical Society, c/o Donald Jester, R.D. 2, Box 105A, Harrington, DE 19952. Please specify "Tower Fund".

Bill Quillen gives old-fashioned picnic in Milford

by William T. Ficks

Bill Quillen, who once wore the magisterial robe of a Justice of the State Supreme Court was heaped with indignities in Milford Saturday when he was dunked into the water repeatedly and besmirched with blueberry pie.

But it was all part of the fun and games at an old-fashioned summer picnic thrown by Quillen at Bicentennial Park.

Quillen, who squares off with Sherman Tribbitt in the primary election in September to determine the Democratic gubernatorial candidate, proved one thing at the picnic — a politician has to be a good sport.

Quillen laughed and joked as he assumed his seat in the Boy Scout Dunking Tank. He good-naturedly heckled those who threw the baseballs in an attempt to strike the metal bar which would unseat him and plunge

him into the water.

Balls sold at three for a quarter with proceeds going to the Milford Little League.

After repeated dunkings, Quillen dried himself off and headed for the pie-eating contest.

For the first time in his life, Quillen became a dropout. He simply couldn't match the pie-gorging abilities of Richard Stokes, of Milford, who walked off with the championship. For his winning performance, Stokes won — you guessed it — a blueberry pie.

About 300 of the party faithful braved threatening skies and intermittent downpours to attend the Democratic bash. Those who worked up an appetite lined up for barbecued chicken with all the trimmings.

When Quillen left Milford, he headed for Georgetown and three more campaign stops on his busy downstate tour.

Harrington Journal offers \$50 reward for live capture of "Mystery Animal"

The *Harrington Journal* is offering a \$50 reward for the live capture, or information leading to the capture of the large black cat-like animal that has been sighted in the Harrington area for the past 8 weeks.

We repeat, the \$50 reward is for the "live" capture of the animal. We emphasize this because no one is quite sure whether the animal is someone's pet. The animal, according to pictures and sightings, is pure black, about 2 feet high and,

including its tail, 3 or 4 feet long, and is said to resemble a panther or cougar.

Anyone who captures or has information regarding the animal should call *The Harrington Journal* at 398-3206, or the Harrington Police at 398-4494.

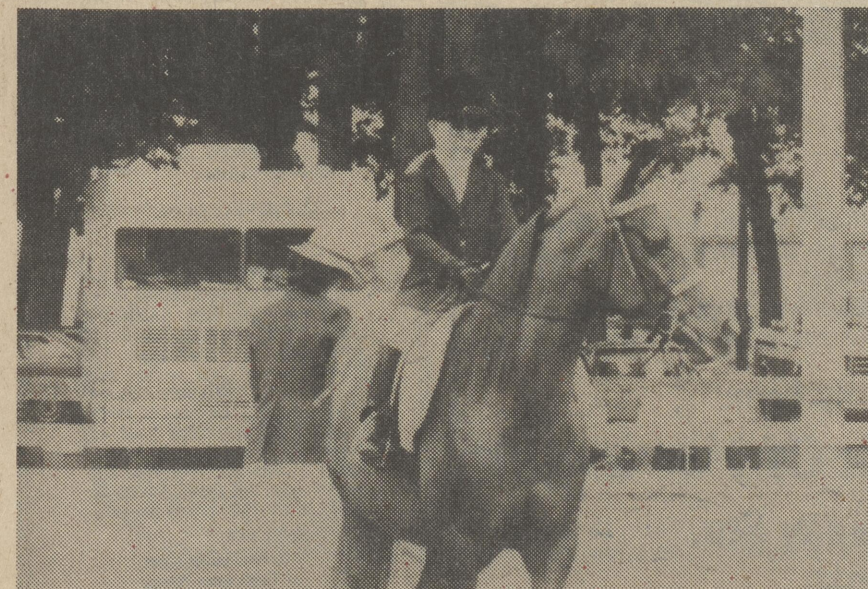

Harry G. Farrow, Jr., *The Harrington Journal's* editor and publisher, will be the sole judge in determining the recipient of the reward.

Kent County burglary ring broken by state police

Delaware State Police detectives from Troop 3, Camden, have broken a Kent County burglary ring which stole only new mobile home appliances and furnishings. The 6-week criminal investigation has resulted in the arrest of three men and the recovery of approximately ten percent of the stolen property. Detectives have arrested Lowell Ridenour, 43, owner of Lake Forest Mobile Estates on U.S. 13 north of Felton, Delaware; Micah Cuffee, 25, of the Leisure Haven Mobile Home Park on route 207, Willow Grove, Delaware; and Walter Coverdale, 17, of 177 North Governor's Boulevard, Dover. Lowell Ridenour, whom state police believe acted as the "fence" for the stolen property, was arrested this morning on a total of 34 felony charges. He was arraigned on Friday at Magistrate Court 6 in Dover. Micah Cuffee and Walter Coverdale were both arrested last Wednesday on 46 and 39 charges, respectively. The three men were charged with a total of 119 counts of burglary 3rd degree, theft felony and conspiracy 2nd degree. Mr. Cuffee

was ordered committed to the Sussex County Correctional facility in default of \$92,000.00 secured bond. The juvenile remains in the Stevenson House in Milford, Delaware, where he was committed earlier on unrelated charges.

The burglaries began in early July and involved twelve known victims. Three mobile home sales businesses and nine individual Kent County residents comprise the list of victims. Larry's Mobile Home Sales, Kent County Mobile Home Sales and B&J Mobile Homes Sales, all located along U.S. 13, between Dover and Camden, were the three businesses victimized by the burglary ring. The total thefts included \$30,000.00 in new mobile home appliances and furniture. The bulk of the stolen items were kitchen appliances and the remainder was approximately \$7,500 in home furniture. State Police detectives expect additional charges to be placed against the three defendants and the arrest of other co-conspirators.

Old man missing since Friday

by William T. Ficks

Caroline County Sheriff's Department deputies are still searching for an 86-year-old man missing since 10 a.m. Friday.

Charles R. Fishpaw, a resident of the Wesleyan Health Care Center, a nursing home in Denton, Md., wandered away from the home and was last seen about a half-mile northeast of the health center.

Maryland State Police brought in bloodhounds in the search for Fishpaw, but the dogs were unable to trace his scent.

Fishpaw stands 5 feet 7 inches and weighs about 135 pounds. When last seen he was wearing a tan waist-length jacket, tan plaid hat, tan pants, brown shoes, brown plaid shirt and was carrying a cane. He has short gray hair and wears a hearing aid.

Anthony Grieco, administrator at the Wesleyan Health Care Center, described Fishpaw as "confused."

Fishpaw has two sons, one in Cambridge, Md. and another in Virginia.

"The sons are taking it very well. We have talked to them every day," said Grieco.

The Harrington Police have distribut-

Charles R. Fishpaw

ed a photo and description of Fishpaw to area businesses. Anyone who has information on Fishpaw's whereabouts is urged to call the Harrington Police at 398-4494.

New lifesaving therapy introduced at MMH

A lifesaving, new medical procedure, never before performed in a Delaware hospital south of Wilmington, was done Thursday, August 2nd in Milford Memorial Hospital by Dr. William M. Kaplan, a gastroenterologist on the Hospital's Medical Staff. The new procedure, called fiberoptic endoscopic injection sclerotherapy, is customarily performed only in major medical centers by physicians specially trained in treatment of disorders of the digestive tract. It is 90% effective for treating patients with chronic liver

disease who are bleeding from the esophagus.

This new medical procedure is more effective and safer than surgery or conventional medication, minimizes the need for blood transfusions, shortens the length of patient hospitalization, and substantially reduces patient mortality.

Dr. Kaplan was formerly chief of the Endoscopy Unit of Temple University Health Sciences Center in Philadelphia and has performed this therapy for more than a hundred patients.

Louis J. Giusto appointed to NACo

Taxation & Finance Steering Committee

WASHINGTON, D.C. - Louis J. Giusto, Levy Court Commissioner, Kent County, Delaware, has been named as a member of the Taxation & Finance Committee of the National Association of Counties by NACo President of Kane County, Illinois.

NACo's 11 steering committees form the policy making arm of county government. Each committee is composed of approximately 40 county officials who meet during the year to examine issues critical to local government.

Their recommendations on county legislative goals are presented to the nation's county officials at NACo's

annual conference. If approved, the recommendations become part of the *American County Platform*, NACo's official policy document.

Founded in 1935, the National Association of Counties (NACo) work to improve county government, to act as a national spokesman for counties, to serve as a liaison between counties and other levels of government, and to achieve a public understanding of the role of counties in the federal system.

With headquarters in Washington, D.C., the association has more than 2,000 member counties representing 42,000 elected and appointed county officials.

Mr. & Mrs. Harvey Marvel, Jr. & son.

Husbands may be present for Caesarean birth in Milford Memorial Hospital

Husbands may now witness the Caesarean birth of their child in the Surgical Department of Milford Memorial Hospital. Harvey Marvel, Jr., of Milford, was the first husband to officially accompany his wife, Kate, to an operating suite in the Hospital for the elective Caesarean section delivery of a son, Joshua Harvey, on Wednesday morning, August 1st. Mr. Marvel was present throughout the normal Caesarean section delivery of a healthy 8 lb., 15 oz. baby boy. Mrs. Marvel and her son are well and have been discharged from the Hospital.

As part of the hospital's effort to make the birth of a baby a shared family experience, husbands will be permitted in the operating suite during elective Caesarean section in order to be near their wife and to witness the birth of their child. Permission will not be granted if the Caesarean section must be performed on an emergency basis or if medical complications are

anticipated. In order for permission to be granted, both the husband and his wife must have attended classes in natural childbirth. Also, the Caesarean delivery must be elective and scheduled with the Obstetrical and Surgical Departments before the mother's admission to the Hospital.

Husbands accompanying their wife to Surgery for a Caesarean section delivery will be given instructions by personnel of the Obstetrical Department regarding their conduct during the delivery, will be given appropriate scrub clothing, cap, mask, and shoe covers, and will be escorted to and from Surgery by a nurse.

Only the husbands of expectant mothers will be permitted to be present during a Caesarean birth.

Milford Memorial Hospital offers classes in natural childbirth six (6) times a year. For further information, call 422-3311, Extension 439.

dition and Technology," which focused on the fact that for more than 60 years, Southern States Cooperative's farmer-members and management have teamed together to render a record of steady service and continued innovation. Dependability and technological leadership have gone hand in hand.

The report on local operations and services rendered to farmer-members in the community was given by W. Roger Hudson, manager of Hudson

Farm Supply.

There was also a special recognition ceremony for new board members, Farm Home Advisory Committee members, as well as those from these groups who were retiring. These included: David Hrupsa, Harrington and Ernest Vogel Jr. Advisory Board; Mrs. Leroy Betts of Felton and Mrs. John Curtis Sr. of Harrington.

Other highlights of the meeting included Share-A-Craft and displays by Mrs. Sherry Betts of Felton.

Milford Hospital, physician and Milford Rotary Club aid young state fair worker

A young worker with the J.M. Strates Show at the Delaware State Fair became seriously ill on July 22nd and was admitted to Milford Memorial Hospital. Diagnosis revealed that the 18 year old man was suffering from a very serious illness requiring lengthy hospitalization. Following the patient's wish to return home, Mrs. Joan Lofland, the Hospital's Discharge Planning Coordinator, arranged for him to fly from Milford Air Park, Inc. to Bridgeport, Connecticut in cooperation

with the Bridgeport Public Health Department. Dr. Karen Rudolph, the internist on the Hospital's Medical Staff who was caring for the patient volunteered to accompany him and provide medical care.

The Milford Rotary Club, after learning of the young man's serious illness and lack of financial means, agreed to pay the expenses associated with the flight of the young patient to his home in Bridgeport.

Perdue honors growers

Poultry growers from this area were among the 46 honored Friday, August 10, by Perdue Farms Incorporated.

Edwin and Doris Meredith, Federalsburg, MD; Alvin and Lois Brittingham, Dover, DE; Clayton and Annabel Turner, Federalsburg, MD; Mark and Lisa Wheatley, Bridgeville, DE; Ted and Bonnie Russel, Bridgeville, DE; C.W. Smith Farm - Ivan Wood Tenant, Bridgeville, DE; William and Aline Parker, Harrington; Joe and Diane

Bauer, Harrington; Raymond and Sylvia Passwaters, Milford, DE; Edwin and Betty Love, Denton, MD; Ray and Judy Dodenhoff, Greenwood, DE were named 1984 Outstanding Poultry Growers because of their hard work, dedication and commitment to quality, and each of the families received an engraved trophy from Frank Perdue at the ceremonies, a reception and dinner at the Wicomico Youth and Civic Center, Salisbury. Don Mabe, Perdue Vice Chairman, also addressed the group.

The basis for their selection is overall growing performance, including such factors as grow-out consistency, total bird quality, maintenance of flock health.

Each of the growers also will have a sign placed at a prominent spot on their property signifying their selection. Perdue has approximately 1,000 contract growers throughout Delmarva.

Senior Center

by Dorothy Graham

Thank all volunteers very much! Smile! A useless life is an early death. Goethe.

Mrs. Clara Judy was leader of Bible Study Monday morning, Chapter 15 of Acts - Verse 1 thru 41 and Luke, chapter 21, verses 1 thru 26. Singing and prayers were thoroughly enjoyed by all seventeen present. "Blest Be the Tie," was the closing hymn.

Band Practice (better known as the Jolly Timers) was swinging and singing and toe tapping Tuesday morning. There were nineteen present. Ina Hughes, Sylvia, Cecil Meredith, Mamie Adams, Lillie McBride, Mildred Vincent, Bertha Dean, Gladys Hill, Elwood Morris, "Andy" Anderson, Annabel Morrow, Roxanne and Marion Brown, Ella Golt, Tony Perrone, Virginia Smith, Ola Tildon, Florence Minner and Louis Gerardi. They do make good music together! Come on in and give them a listen.

Politicians are showing up every once in a while at the Center. First there was S.B. Woo and his wife, he is in the primary for Lt. Governor. They brought fortune cookies, stayed for lunch, and gave a short talk. Nancy Cook was next this week also in the primary for Lt. Governor, she gave out rulers, stayed for lunch and gave a short talk. Welcome all politicians, we like to hear all sides!

"Senior Sounds" Wednesday morning with Sylvia. There were twenty present. Ruth Vincent sang a solo - "Do All You Can." It is so pleasant.

The Senior Citizens saw Rehoboth Tuesday evening through the rain drops. Could not dampen the spirits of the Harrington folk that left the Center at 8:30 p.m. and returned at 10:00 p.m. Plenty of company on the Boardwalk walking in the rain. Most of the group that left here, ate at the Avenue. The menus were varied - ham steaks - french fries - pickled beets - crab cakes, etc. Did not see a bag or box of popcorn Wednesday morning. Sure some had the specialty of Rehoboth a box of popcorn, tucked away in their refrigerator.

Bingo, Wednesday, Rosa was the runner. Had a full house. It is fun!

Come on in and join the B-1, I-16, N-31, G-60, ?-61.

The weather has been hot and humid. Willard Scott said even Santa Claus was in his shorts it is so hot!! But here at the Center, it's cool and friendly. The meals tasty. Do what you like - craftwise. Jeannette is here every Thursday. Mildred Minner usually as well as Barbara and a host of others. Come on in, share a craft or just visit!! Bowling at Milford Lanes. Pool, checkers, ceramics, needlecrafts, quilts.

Want to thank all of you kind vegetable growers for the fine variety of fresh veggies. Enclosed is a recipe from Evelyn Lare. Those that have used it say it is very good. Also included today is a Zucchini pie by Emma Hynson. Best wishes to all. Be kind to each other. Love you. Faith.

ZUCCHINI CASSEROLE

Evelyn Lare
1 layer of raw zucchini (sliced)
1 layer of raw white potatoes (sliced)
1 layer of onions (sliced)
1 layer of hamburger (cooked)
1 layer of cheese
1 layer of zucchini squash
1 can tomato soup, puree or paste, or fresh tomatoes.
layer of cheese
Cover with bread crumbs and bake until done at 350° about 45 minutes.

ZUCCHINI PIE

Emma Hynson
3 cups zucchini, sliced thin, unpeeled
1 onion, chopped fine
1 cup bisquick
1/2 cup vegetable oil
Salt & pepper to taste
Pinch oregano (optional)
4 eggs, beaten
1/4 cup parmesan cheese
Grease oblong or square pan lightly. Arrange zucchini slices in pan, add remainder of ingredients, one at a time, as listed. Mix them gently with fork right in the pan. Bake at 350° about 35 minutes or until golden brown. Cut in squares and serve hot or freeze, defrost and serve as canapes.
Don't forget birthday party time! See you then. Good eating!!

Gab Fest

by Pat Hatfield

It's a beautiful world! This week we had the answer to our second question. A dear Reader from Felton, Ellen Sharpnack, wrote me a letter about it. We do thank her so much. Here is what she says: "In regard to the Magnolia Rose, we do have one. It's very sweet Magnolia smell. We've lived here since 1939. It was here when we came. But it's not a large flower as the lady said the one she knows was. My mother-in-law was given a bouquet of the flowers by a lady in Greensboro, Md., who bought butter from her. She told my mother-in-law if she would put it down and put glass jar over it after the bloom

sort of died out it would root and she could have a Magnolia Rose Bush too, which she did (this was in Fall of year). So I don't know how old this bush is. I've started several since I've been here.

I enjoy your Gab Fest very much." If you would like to talk to her personally about it, her phone number is 1-302-284-4787, and her address is: R.D. 2 Box 999, Felton, DE 19943.

This has been a great year, for gardening. The glads, roses, potatoes, tomatoes, corn and lima beans are

Cains celebrate Silver Wedding Anniversary

Mr. and Mrs. Edgar W. Dill Jr., of Wyoming, DE and Mrs. Paul Mensing of Greensboro, N.C. surprised Mr. and Mrs. Herbert Cain of Harrington with a silver wedding anniversary party in their honor in the banquet room of the Colony Inns, Harrington, DE on Saturday evening, August 4, 1984.

Miss Debbie Cain of Harrington and Miss Julie Collins of Odessa, attended the guest book. Miss Lori Collins of Odessa attended the gift table, and Mrs. Delbert Cain, Mrs. Harvey Collins and Mrs. Charles Rapp assisted Mrs. Dill with preparatin of the guest list.

There were guests from Pennsylvania, Delaware, Maryland, Virginia and North Carolina. Mr. and Mrs. Benjamin Rash of Felton, fooled Mr. and Mrs. Cain by inviting them as their guests to dinner at the Colony Inns.

When they arrived, the Cains were overwhelmed by the guests who greeted them.

One of the highlights of the evening was the introduction of Kathleen's mother, Mrs. Julia Willey, age 89.

Her three sons and five daughters attended the affair. Mrs. Willey was honored by having her oldest son, Norman Willey and wife Dorothy, celebrating their golden wedding anniversary and her youngest daughter, Kathleen Cain and her husband, Herbert, enjoying the celebration.

Many of the guests present had attended the Cain's wedding at the home of Edgar and Carolyn Dill on August 7, 1959. It was a pleasure to have seventy-two guests return to extend best wishes and congratulations to Herbert and Kathleen.

Her address is: Mildred Newnom, Wilmington Medical Center, Room 509A, Delaware Division, Wilmington, DE 19899.

Delaware Development Fund makes final appearance at Brandywine

by Joe Asher

The final Brandywine appearance of the Delaware Development Fund highlighted the week's action at the Delaware Valley oval as the first state's finest bred horses competed for over \$145,000 in purses.

The program, which was initiated over 20 years ago, has featured some of the leading performers in the sport. Perfect Beauty, Bedford Spirit and Elsie Butler left their mark at Brandywine in the stakes before making their presence known on the national level. Since the funds for the program have been cut, 1984 is the final year for the stakes, which will conclude at Harrington and Dover Downs later in the year.

On Saturday, August 11, B Big A crossed the finish line eight lengths ahead of his nearest rival to capture the final Delaware Development Fund race, a \$9,450 event for 3-year-old pacing colts and geldings, in Brandywine history in 2:00. Driver Sam Belote guided the heavily favored son of Big A to the lead at the start and set comfortable fractions of :29.4 and 1:01.2 before being pressured by Metatron (Jim Porter). The Evelyn Shahan owned and Norwood Shahan trained colt responded with a :28.2 third quarter to thwart the challenge and draw off to score the easy win. Valid Michael (John Wagner) finished second ahead of Metatron.

Belote captured the other division of the 3-year-old colts and geldings event when he reined My Souls to a 2:01.4 triumph. The son of Barton's Clipper sat patiently in the two hole as the favored Willow Oak Beau (Ken McNutt) set fractions of :29.4 1:00.1 and 1:30.4. At the top of the lane Belote moved the Bob Quillen owned and Frank Quillen trained colt to the outside and the horse responded by cruising by Willow Oak Beau to score a two length victory over the latter with Grade Penny (Pres Moore, Jr.) finishing third in the \$9,550 event.

Two hole trips were the story in both of the 3-year-old filly pacing events as well. BCB sat in the garden spot as Catch A Bee (Tom Swann) set fractions of :29.2, 1:01 and 1:30.3 before Kim Vincent moved the daughter of Barton's Clipper off the rail for the drive home. The Kim Vincent leased and Don Vincent trained filly responded to urging to score a length win over Go On Gertie (Eddie Taylor) with Catch A Bee earning third money in the \$9,450 contest.

A perfect drive from Joe Schwind enabled Big A's Girl to score a two length victory in a \$9,350 event. Schwind guided the daughter of Big A to the lead at the start before yielding the top to Hopefull A (Wagner) shortly after a quick :28.3 opening quarter. Hopefull A set fractions of 1:01.3 and 1:33.4 before Schwind moved the Todd Bank and Charles and Rose Marie Falciglia owned and Jordan Rubin trained filly off the wood at the top of the stretch. Big A's Girl drew off under mild urging to score the victory over Hopefull A and Christmas gift (Bob Anderson, Jr.).

2-year-olds were in the spotlight on Friday as D.J.'s Charmer and High Hope Janet Lu scored impressive

victories. Tom DeVitis guided D.J.'s Charmer to a 2:03.1 score in a \$18,100 event for colts and geldings. After taking the lead at the start, the son of Dingus James set fractions of :30.2, 1:03.2 and 1:32.4 over a sloppy oval. The Pete Brandstatter and Pete Farina owned and Ron Farina trained 2-5 favorite had opened up four lengths by the top of the lane and added to his lead with every stride in the stretch on his way to a twelve and a half length triumph over Cooter Blu (Ed Gannon) and Bud's Hit (John Childress).

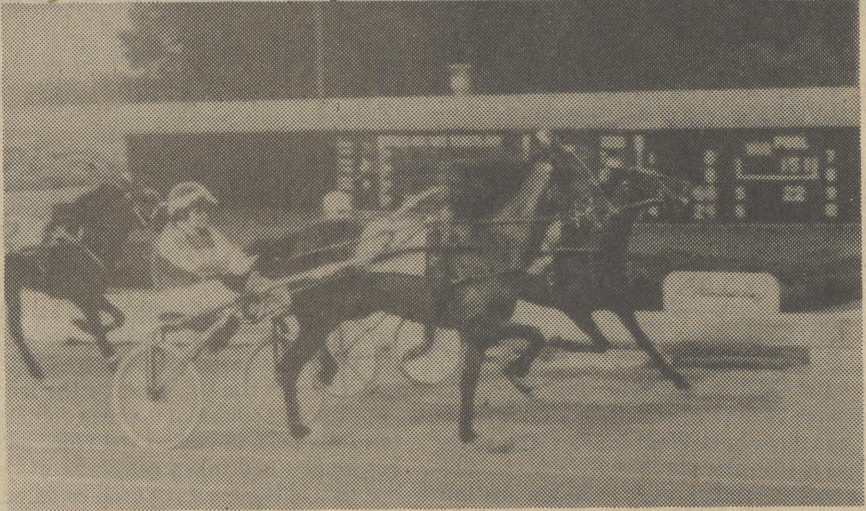

High Hope Janet Lu came from last at the top of the stretch to score a 2:07.3 victory in an \$18,200 event restricted to fillies. Corn Planter (Bob Kinsey) set fractions of :30.1, 1:02.4 and 1:34.4 before surrendering the lead to Big Nine (Bob Shahan) at the top of the lane. Trainer-driver Ty Case, III, moved the High Hope Stable owned High Hope Janet Lu five wide at the top of the lane and the daughter of Widow's trick responded by flying by her six rivals to score a length and a half victory.

On Thursday, Bob Maris guided Von De Crown to victory in a \$18,200 event for 3-year-old colt and gelding trotters in 2:06.3. After Super Tanker (Shahan) took the field by the quarter in :30.3, Yankee Boots (Porter) ranged up to take the lead and set panels of 1:01 and 1:32.4 and held a half length lead at the top of the stretch. The 3-5 favorite, Sniffer (Ken Shand) moved out of third to take the lead but he was passed by Tri State Billy (Mike Rossi) nearing the wire. Von De Crown then came on the extreme outside and got up to post a half length victory over Tri State Billy with Sniffer settling for third money. The win was the first of the year for the Von Valley Farms owned and George Beinhauer trained son of Triple T Crown.

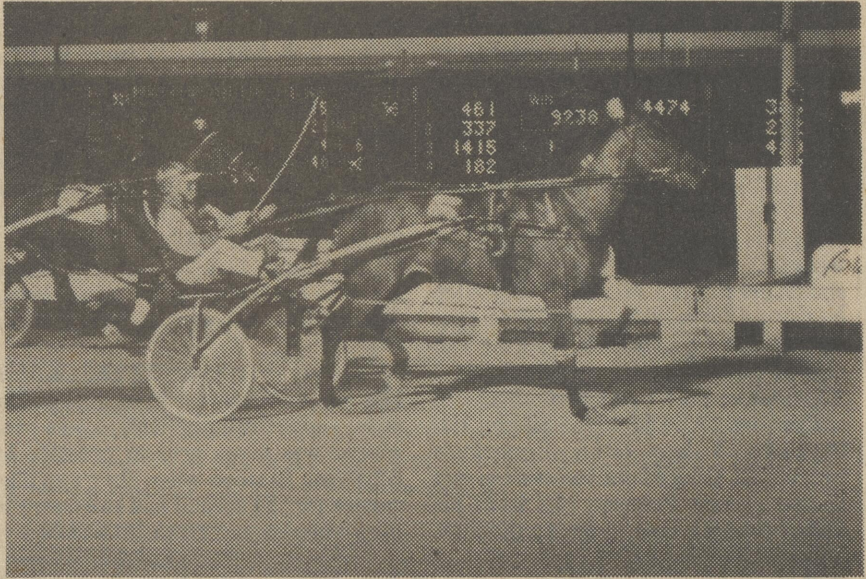

An \$18,300 event for 3-year-old trotting fillies was captured by Widow's Lady in 2:09.1 for driver Jim Porter. The Paul Short owned and Ed Long trained daughter of Widow's Royal met fractions of :31.4, 1:05.1 and 1:37.2 before drawing off to a six length victory over Dillard's Princess (C.D. Harris) and Caroway Carol (Wayde Marsh).

On Wednesday, Triple T Magnum scored his third victory in as many tries with an 11 length, 2:10.1 tally despite going off-stride at the start of the \$17,900 event for freshmen trotting colts. Red Ross guided the Sandra Peterson co-owned and trained son of Triple T Crown to the lead after Big Von Ben set fractions of 33.4 and 1:07.3. By the top of the lane, Triple T Magnum owned a five length lead and he increased that margin in the stretch. Dillard's Windy (Harris) finished second ahead of Big Von Ben.

Swift Number overcame an interference break at the three quarter pole which left her last in the field of 2-year-old trotting fillies to score a neck win in 2:14 in the \$17,900 event. Paradise Eliza (Carlton Williams) set panels of :31.3, 1:04.3 and 1:38 while racing unpressured. A top of the lane, Brian Manges steered Swift Number to the outside for the drive home and the Johnnie and Blaine Vermeulen owned and Jim Kennedy trained daughter of Number One Boy overtook Tri State Fannie (Rossi) and Paradise Eliza in the final strides.

Delaware Development Fund ends; Diamonds & Rust wins feature in 1:57.3

by Joe Asher

The final appearance of the Delaware Development Fund at Brandywine and Diamonds and Rust's 1:57.3 victory in a Winners-Over pace highlighted the week's action at the Delaware Valley Oval.

Over \$145,000 was at stake during the week for first state bred horses. On Saturday, August 11, Sam Belote captured both divisions of the \$18,000 3-year-old colt and gelding event by guiding My Souls to a 2:01.3 and Big A's Girl (Joe Schwind) were winners in sophomore filly pacing events worth \$17,800 combined.

Friday's 2-year-old events were worth over \$18,000 each with D.J.'s Charmer (Tom DeVitis, 2:03.1) taking the colt and gelding race while High Hope Janet Lu (Ty Case III, 2:07.3) winning the filly event as both races were contested over a sloppy track. Thursday's 3-year-old trots carried a combined purse of \$36,500 as Von De Crown (Bob Maris, 2:06.3) won the male version with Widow's Lady (Jim Porter, 2:09.1) capturing the distaff event. Wednesday's freshmen trotting events carried \$17,900 purses with the Red Ross driven colt Triple T Magnum scoring a 2:10.1 wins and the Brian Manges driven filly Swift Number crossing the finish line first in 2:14.

This was the final week for Delaware Development Fund action at the Big B. The program is being phased out after nearly 20 years due to a lack of funds. Harrington Raceway and Dover Downs will hold events later this year to round out the stakes that have featured Perfect Beauty, Bedford Spirit and Elsie Butler.

On Sunday, Diamonds and Rust registered his fastest clocking in two years to capture a \$5,500 Winners-Over event for driver Abe Stoltzfus in 1:57.3. The 5-year-old son of Meadow Skipper assumed the lead from Grandpa's Roger (Joe Hundertpfund, Jr.) shortly after a :28.3 opening quarter. The Glenn Stables, Inc., owned and Merv Stoltzfus trained horse passed

the half in :59.1 and fought off a first over challenge and BJ Scarlet (Vernon Crank) with a :28.2 third quarter, passing the three quarter pole in 1:27.3. At the top of the stretch, Diamonds and Rust had opened up four lengths on Grandpa's Roger, who had to swing three wide for the drive home. The latter closed the gap to less than a length at the finish although Diamonds and Rust paced down the stretch under a comfortable hold.

On Saturday, Allwood's Star Bid turned in yet another impressive performance to capture a \$4,500 Winners-Over event in 1:58.2. Bibbietron (Mark Daniels) set quick panels of :28.4, :58.3 and 1:27.4 while racing unpressured for much of the first three quarters. On the far turn, Pete Petersheim guided Allwood's Star Bid three wide and the 3-year-old son of General Star responded by overtaking the leader in early stretch and going on to notch a three length victory over Bobbietron and Speedy Marvin (Forrest Gerry, III). The clocking established a new mark for the At Frank and Tom Carlock owned and Maitland Frank trained colt who defeated some of the best pacers on the grounds in only his tenth lifetime start. Allwood's Star Bid has won four of those starts and has finished on the board in all but one of his efforts. The lone poor finish came as the result of being first over on a :58.3 half and 1:28.2 three quarters last week.

The race for the Brandywine driving championship has become closer with just three weeks remaining during the meet. A driving double by Abe Stoltzfus on Sunday enabled him to be the first reinsman to reach the 50 win mark. He holds a slim lead over defending champion Vernon Crank (48 wins) and Forrest Gerry, III (47 wins).

Trainer Merv Stoltzfus (Abe Stoltzfus Stable) holds a commanding advantage in the leading conditioners race. His 37 victories give him a 13 victory lead over Purnel Jones, the master of the claiming ranks.

McBee takes Late Model half of Camp Barnes show

by Don Allen
Editor's Note: Don Allen's coverage of motor racing has been well above par this year. He is to be commended for his coverage this year of the Camp Barnes Races.

Jim McBee brought his sleek #11 racer to the Camp Barnes Benefit stock car races held Wednesday night at the U.S. 13 Speedway and won a hard-fought victory in the 20-lap feature. McBee finished scant car-lengths ahead of Lou Johnson who led for some time in the early laps and continued to threaten from the high groove after being relegated to second less than halfway into the race.

Bob Wilkins overcame a flat tire on the Delmarva Electric Motors #69 to finish third followed by Deron Rust in his Cropper's Pest Control #396 and David Hill in the J. Sam Ireland Contracting #75.

Ron Wilson led the first four laps of the 20-lap main. Wilson got off to a late start this season but in the few short weeks that he has been out he has shown great promise in the Rumpstitch Machine Works #15. Those first four laps also saw two of U.S. 13's top LM drivers fall victim to mechanical woes. The first was Ed Pettyjohn on lap one and he was followed to the pits by Hal Browning 3 laps later. Browning's retirement brought out the caution and on the restart Johnson, up from his eighth starting spot, took to the high

groove and made a successful bid for the lead.

McBee had moved steadily from the rear of the pack. By lap eight he was on Johnson's bumper and as the pair left the second turn the next lap McBee moved under the #96 racer for the lead.

For the remainder of the race Johnson tried his best to regain the front spot but McBee had taken command of the low side of the track Johnson could pull even with McBee through the turns and even led momentarily on two occasions in the 1-2 turn, but at the finish line where it counted McBee proved the strongest.

FEATURE RESULTS: McBee, Johnson, Wilkins, Rust, D. Hill, Sammy Lowe, Bob Vickers, Wilson, Charles Wilkerson, Bret Givens, Ray Cable Jr., S. Hill, Browning, Jim Wilkins, Pettyjohn.

Mel Joseph Jr. returned to his winning ways in the Limited Late Model division as he wheeled his way to victory in the Weller's Tire Service #49 Mustang. Jack Abbott was second in the 15-lap feature followed by Gerald Jester, Curt Slaughter and Preston Beach.

Jim West took home the cash in U.S. 13's unique Slide for Five event. The race which usually only pays the winner was given greater prestige by Albatross Seafood when they supplied monies for the second and third cars of Jack Messick and Duck Robinson.

Georgetown Speedway

A large crowd of fans took advantage of the cool summer night to enjoy the fastest sport on wheels at Georgetown Speedway.

Heat wins were notched by Bob Wilkins in the Late Model Division, Harold Bunting and Gary Gollub in the Modified Division and Mel Joseph in the Limited Late Models.

A first lap move put Lou Johnson out front, starting from the fourth spot. Johnson led the entire feature winning with ease over Bob Wilkins, Ron Wilson, Darren Rust and Jim Wilkins.

Freddie Brightbill took the early lead in the Modified Feature, holding the front spot through 18 laps. On the 19th lap as Brightbill began working in the slower traffic, Gary Gollub moved past Brightbill to take over the front spot. Charging into the third turn Brightbill got out of shape, spun taking Bill Towers with him. Brightbill retired for the event, but Towers

was able to continue. 2 laps into the restart hardcharging Towers came up on Shimp and Richie Pratt, wheel-hopped

one of the two, got airborne and went flying off the second turn.

On the restart Gollub led the field to the checkered followed by Harold Bunting, Walt Breeding, Bob Wilkins and Bill Towers who made a late race charge to nip #421 at the wire.

Curt Slaughter scored a flag to flag victory in the Limited Late Model feature followed across the line by Gerald Jester, Jim Mitchell, Lee Joines and John Macklin.

Friday night, August 17th will feature a 5-lap match race between Richard Jarvis and Billy Towers.

Friday, August 24 will begin the small block payoff for the 1st 3 small block modifieds. They will be pumped and the pump is final. Small blocks begin at 3:38 p.m.

Warren scores double at Piney Neck

by Gene Cain

Milford Kart Club was in action once again at Piney Neck Speedway this past Saturday night. The effort that has been put into making the racing surface better has really paid off. The track keeps getting smoother and faster all the time.

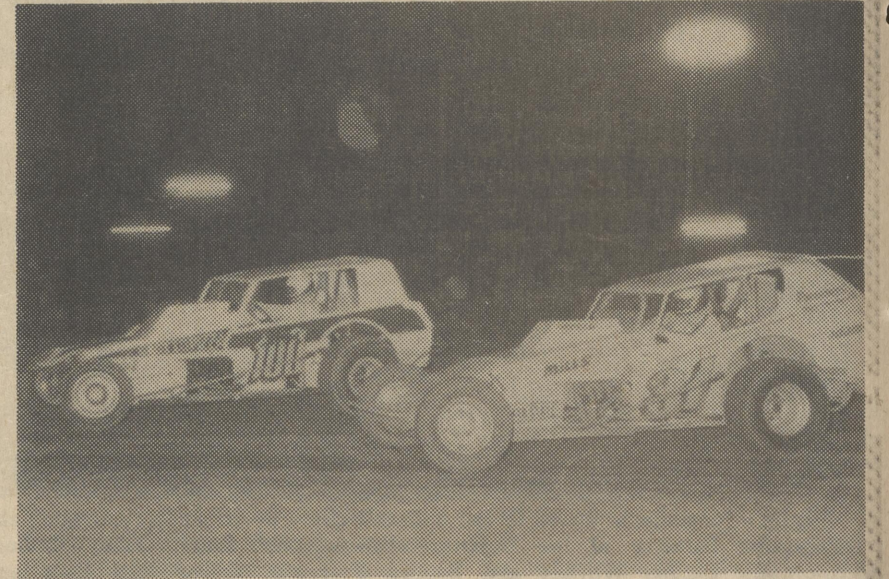

The first race of the night was the Boys and Girls Stock. Robert Scott carried good straight away speed that carried him to the win in the heat race. It looked as if he might have enough to win the feature but a late race bobble going through the three-four turn allowed Craig Anderson to slip by and pick up the win. Scott held on for second and was followed under the flag by Timmy Lyons in third.

Stock Light was next on the track with the heat race victory going to

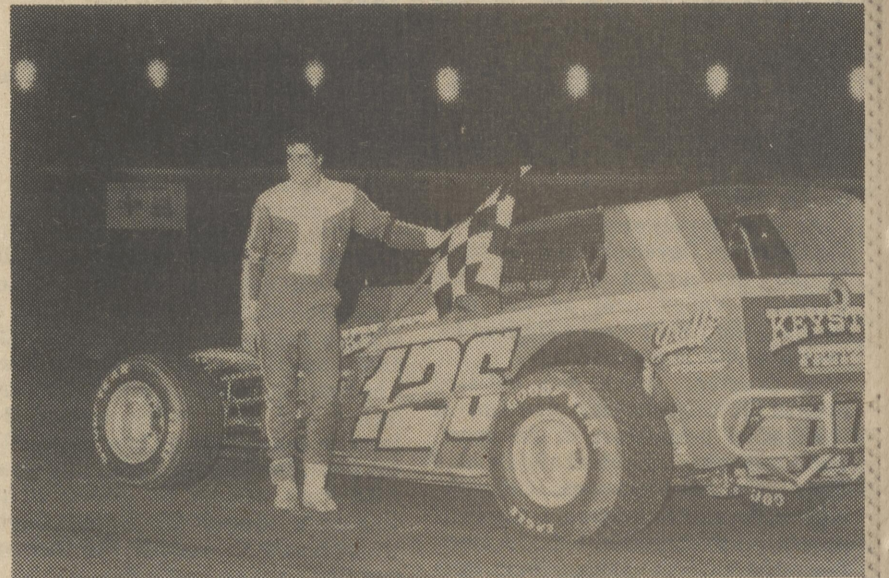

Steve Hudson. Working his way up through the field was Brian Murphy as he ended up on the outside pole for the feature. When the green flag waved on the feature, Murphy powered past Hudson into the lead and was never headed as he went wire to wire for the win. Hudson, running strong the past four weeks than he ever has, wound up in a very impressive second place drive. Jimmy Boone, returning to form after his early season crash, wound up third after a race long battle with Lin Martin who came home fourth.

Next up was Junior Stock. Dale Reed was on hand to take the win over Keith Hall. Chad Marvel placed third behind Reed and Hall. Hall driving the former

Henry and Cain score doubles at Middleford

by Gene Cain

A big night of racing was held at Middleford Speedway this past Thursday as a double program was run. The double program stemmed from last week's rain-out and the regular program both being run. A lot of racing action was seen and appreciated by all.

In results from the races to make up the rain-out it went as follows.

In Junior Stock it was Dale Reed who picked up the win.

The Boys and Girls class saw Doug Henry score yet another victory. Following Doug in second was Kim Cole. Third place went to Chris Mason.

Stock Light saw the ever fast Todd Shaffer pull one out of the bag with a win over Greg Mitchell. Third went to Butch Harrington with Dale Elben in fourth.

Stock Heavy honors went to Eddie Cain with Melvin Miller second. Glen Jarvis was third. Emory West won the open two cycle race.

The last race of the make-up races was Medium Stock Sonny Warrington picked up the win in this class. Ronnie Fensick came home second with Mike Truitt third and Glen Browning fourth.

Then it was time for the running of the regular night's program. Junior Stock got things underway. Charlie Lutes picked up the win with Dale Reed having to settle for second.

Next up was Boys and Girls Stock. This time around Doug Henry had his hands full as Alan Darling put the pressure on early and actually moved to the point for a couple laps until Henry took control for good on lap five. Henry got the win with Darling in second. Shawn Pepper placed third and Chris Mason was fourth.

Stock Light was out next and with a field of sixteen karts this was an exciting race to watch. Charlie Lutes posted the win in impressive style over Greg Mitchell in second. Josh Swain rode home third with Bobby Comstock fourth.

Stock Heavy saw Eddie Cain continue his dominance of this class with an easy victory. Glen Jarvis was in the runner-up spot followed by Mike Passwaters in third. Fourth went to Bruce Tingle.

Timmy Welch had his limited really wound up as he handily won the Limited Modified race. A.C. Lucas came in second with Kim Walls third.

Medium Stock saw another large field of karts put on an exciting show as thirteen karts took the green for the feature. Mike Conley won the heat and looked like he was on his way to winning the feature. Conley led the first eighteen laps but fell victim to lapped traffic as he got held up by back markers and was beat to the checkered by Gene Cain. Following Cain and Conley in third place was Jeff Link. Fourth went to Glen Browning.

The motorcycles closed out the show on this very busy night of racing. The 80cc class was won by D.J. Marshall. Rod Sayers was the runner-up.

In 125cc action, it was Ron Sayers getting the victory over D.J. Johnson in second and Jeff Salevan in third.

The 250cc class was next and saw Bob Sweeten as the victor. Bruce Dickerson came home second with Mark Miller third. Mike Fuller and Roy Collings rounded out the top five.

The final race was the 500cc bikes and saw Bob Sweeten return to the track and post another win. Cam Bartlett had to settle for second.

about perfect, just like the pictures in the seed catalogs. I'm watching my wild Butterfly Weed by the mailbox. It has not bloomed yet and the roadside mowers have not come to cut it down. The Rose of Sharon is lovely, due probably to the rainfall. And have you seen the crepe myrtle? Never have I seen it so deeply pink and gorgeous. I think someone told me that Delaware is as far north as it can flourish since it is basically a plant of the south. Sometimes, when weariness drives us to go out and sit in the yard chairs under the old shade trees, it is restful and good to relax and meditate upon the wisdom of the great writers and thinkers. We often preface our humorous remarks with the words, "Confucious say". But I read recently that he was a most unusual character. He was

"a fussy man who wouldn't sit on his mat unless it was straight, required ginger with every meal, and didn't converse while eating or in bed. On a sudden clap of thunder his countenance changed. He sang to the zither and was capable of tears.

Withal he taught the simple things, sincerity and modesty, scorning pretense. "When you see an admirable person, try to emulate him. When you see one who is not, turn and examine yourself." Asked what virtue is, Confucious said, "It is to love men. Wisdom is to understand them." Our thoughts go back eventually to the greatest Teacher of All. And in spite of the heat and the bugs and the trials, we say with all sincerity, "This is the day that the Lord hath made; I will rejoice and be glad in it."

Cranmer captures ROC qualifier at Wall

WALL TOWNSHIP - Jerry Cranmer made his first win of the season a big one at Wall Stadium as he captured the fifty lap Race of Champions qualifier Saturday night. Starting in sixth spot, Cranmer drove a strong consistent race to record the victory and earn himself a berth in the big race at the Pocono Speedway in September.

John Giacobbe took command of the race from his pole position as Tom Michel sat in second and Dennis O'Rourke third. Several cautions slowed the early pace and on lap five Michel passed Giacobbe for the front spot. Michel appeared to be running well, but on a twenty first lap restart, he lost power giving runnerup Jerry Cranmer the lead in the event.

A caution on lap twenty eight bunched up the field behind leader Cranmer but on the restart Cranmer held his ground as Gil Hearne and Tony

Hirschman ran second and third. Cranmer drove the remaining twenty two laps flawlessly bringing the Cranmer Racing #88 in for the big win.

Finishing behind Hearne and Hirschman was Tony Ferrante, Jr. and Tony Sisco. Rounding out the top ten were Lenny Boyd, Jamie Tomaino, Ed Lilly, early leader, Giacobbe, and Scott Hendrickson.

In the thirty lap sportsman feature Kevin Eyres scored his first win of the 1984 season. Taking the lead on lap eight, Eyres was never tested in the event taking home the win. Finishing second was Tom Dancer as Kevin Cranmer was third.

Rounding out CAM 2 Night was the twenty five lap modern stock feature as Lee Taylor brought home the win besting Glenn Osborn and Brian Scisco. The National Parts Peddler qualifier for the Street Stock went to Pete Cook.

Mr. and Mrs. James Havelow of Felton have arrived home from their week at Wildwood, N.J. The weather was just fine and they roamed the boardwalk and arrived home Friday evening. Miss Lori Dill and Miss Lisa Melvin

will be celebrating their birthday together at a family gathering at the home of Lori's parents.

Mr. James Boone Jr. of Felton went to Pottstown and enjoyed the Go-Cart races over the weekend.

Mrs. Rawlins Minner of Wilmington, Del. has informed me about their beautiful garden. Speaking of her mammoth golden tomatoes being a terrific size: 1 lb. 4 oz. and 15" in circumference. Neighbors and persons driving from distances to see their tomatoes. They also are experiencing the black corn that is edible. Naomi and Rawlins are formerly from Felton, DE.

Warren scores double

[Continued from page 8]

Passwaters Karting machine is showing tremendous improvement each week. It shouldn't be long before this young driver is a constant threat to win.

Stock Heavy shaped up to be an exciting race and it didn't disappoint anyone. Donald Lingo sat on the pole with Eddie Cain on the outside pole. On the very first lap Cain made a move under Lingo coming out of two and took the lead, but Lingo held right on to Cain's bumper. Lingo kept the pressure on Cain as he tried lap after lap to get back into the lead. Then finally at about the halfway point of the race Lingo started what appeared to be an attempt to the high side to get by Cain, but at the last instant Lingo pulled down low through three-four and found a hole wide open as Cain had drifted to high coming off four. Lingo pulled alongside going down the straight and took the lead for good going into one.

Cain once again put the heat on Lingo but to no avail as Lingo drove a steady race to the checker. Larry Holding came home in third behind Lingo and Cain. Mark Bell sounded out the top four.

Limited Modified action saw an awesome display of power as Lionel Lyons

blasted away and left the rest of the field to scramble for second. Dale Venable wound up with the runner-up honors as he led David Lecates in third and Mike Coverdale in fourth under the wire.

Next on the card was Stock Yamaha. Joe Warren, who last week ended Andy Kiker's total domination of this class, was on hand to try for two in a row. And that's just what he did as Warren won the heat and the feature leading from flag to flag. Steve West tried to make a run at Warren but just couldn't quite find the ponies to reel him in. West had to settle for a strong 2nd ahead of C.R. Phillips in 3rd and Cliff Coverdale in 4th. The only question is can a "JR-1" beat an "AK-24" twice in a row?

Closing out the night's show were the open modifieds. Kenny Marvel picked up the win in this class. Artie Pettyjohn came home second.

Next week will be trophy races at Milford Kart Club. Trophies will be awarded four places back in all classes. Also there will be a special trophy awarded to the driver who has the best combined finish in both Stock Heavy and Stock Light.

Pit Chatter

by Harry G. Farrow, Jr.

Goodyear Tire & Rubber Company will be testing today and Thursday, August 15-16 at Charlotte Motor Speedway. Drivers Bill Elliott and Neil Bonnett will be running the tests.

"Ideally, we're looking for a better setup for the track down there," says Goodyear's Reid Kryder.

Kryder admits, however, that the weight of the cars may be reduced during some of the testing sessions. Many have speculated that NASCAR soon may change its rules allowing for lighter, better-handling cars. CMS could be the proving ground for these lighter cars.

Doug Richart, crew chief for Neil Bonnett, had the cast removed from his broken leg Thursday at Forsyth Hospital in Winston-Salem. An infection was discovered and Richart was scheduled to undergo surgery Friday. The injury occurred when Richart was accidentally struck by a car on pit road earlier this year at Daytona Beach, FL. It's not known how long Richart, at 24, the youngest crew chief on the Winson Cup circuit, will be out.

Former NASCAR Grand National driver Darel Dieringer has been inducted into the Speedrome Hall of Fame in Indianapolis, Ind. Dieringer won 11 Grand National races, including the 1963 Golden State 400 at Riverside, Calif., in a Bill Stroppe Mercury, and the 1966 Southern 500 at Darlington, SC, in a Bud Moore-prepared Mercury. Dieringer raced at the Speedrome from

1950-54. In 1951, he won features of 100 and 200 laps and, also, set a new one-lap speed record in a Ford. The driver remains popular in the Midwest for his racing prowess.

Count veteran David Pearson among the growing number of Winston Cup drivers changing to front-steer cars.

"The drag links and pitman arms are in front of the wheels instead of behind the wheels," Pearson explains of the difference between the two. Basically, he says, a rear-steer setup is loose in the corners while a front steer pushes.

"We've been running real good, but the car gets loose going into the corners with the rear steer," says Pearson. "We can't race around anybody going into the corners running side by side."

Master car builder Banjo Matthews is working on changing Pearson's cars to front steer. He had hoped to have a front steer ready for Michigan this week, but that hasn't worked out. He may have a front steer to drive in the Oct. 7 Miller High Life 500 at Charlotte.

"With the front steering pushing and the rear steer loose, Banjo is trying to come up with something in between, the perfect combination," says Pearson. "We'll try it; if we don't like it, we'll take the front end back off and try something else."

Incidentally, Pearson has sold his own personal airplane. he's been a pilot since 1964.

Sports Laffs

by William T. Ficks

Some Chicago Bears still remember a tackle who was a former teammate. "You know what," said the tackle, "there's a crook around here. Someone has been stealing hotel towels from my locker."

The coach of the Greek football team boasted, "What a team we've got. No losses, no ties, no goals scored against us."

"How many games have you played?" asked the sports reporter. "Our first game is next Saturday."

The baseball coach asked Silly Willie to name his best playing position. Willie thought for a minute, then said, "I'd say it was sort of stooped over, like this."

Silly Willie once lost \$25 on the instant replay of a Super Bowl game.

Open House at W. T. Chipman Junior School

HARRINGTON - AUGUST 23 - There will be an "OPEN HOUSE" at the W.T. Chipman Junior School in Harrington for new students and their parents on August 23 from 9:00 a.m. to 4:00 p.m. School personnel will be available to answer questions, and it is hoped that this preview will eliminate any anxiety students may feel about entering a new school.

sponded and, indeed, my statement today affirms that we shall continue to respond to the personal growth, to the educational and cultural needs, to career development and to moral and ethical values of this growing region of our service. Wesley College is staffed by exceedingly committed persons. Managed by a distinguished board of trustees of 37 persons of recognized business, social, religious, civic and professional leadership, this college is, without doubt, destined for a proud future. And we desire to share that future with the community at large.

Widner University Sponsors Back-to-School Workshop

Widner University will sponsor a free seminar for adults who are thinking of beginning, or returning to, a college education. It will be held on August 21, 1984 at 7:00 p.m. in Room 201 of the Academic Center, located on Widener's Delaware Campus off Route 202 six miles north of Wilmington.

Degree programs as they relate to adult career and self-enrichment goals will be discussed by university representatives, along with financial aid availability. Those interested in reserving a space in the workshop should call (302) 478-5286.

with schools, colleges and agencies (public and private) to provide its callers with the best available information, local or statewide, to help Delawareans make wise decisions and investments in their educational goals.

INFO is housed with the Postsecondary Education Commission at the Carvel State Office Building in Wilmington. Its Director, Fran Sentner, and Administrative Assistant, Jamie Martel, have worked diligently

to establish INFO as a State agency. "INFO's calls and services over the past 10 years have increased to the point where the Center needs to be institutionalized," says Fran Sentner, who has watched INFO grow over the years. "People don't know where to go for information and what is available. INFO gives them options. The concept of a central source, INFO, where Delawareans can receive the right combination: information and counseling referral,

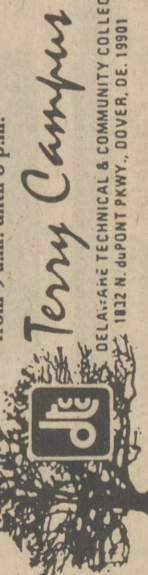

helps adults to make wise decisions before investing in the educational marketplace. This service is unique and performs effectively in a State the size of Delaware." Ms. Martel, who coordinates INFO's counseling network, says the Center's service is personalized and geared to each caller's need. That's what makes INFO work — a one-to-one relationship.

When Your Child Starts School

The first day of school is a milestone in your child's life. Your understanding at this turning point is important to the child's future attitude toward school and to his or her healthy development.

A child's self confidence is built upon good feelings about parents, about authority figures at school, about other children, and about himself or herself as a worthwhile human being. Here are some things to

keep in mind:

- The day your child first goes off to school is an important event. It is the first major separation from the secure, familiar world of the family and it marks entrance into a new universe of friendship, learning and adventure. Your greatest gift to your child at this time is your loving support and understanding.
- Remember, learning to like school and liking to learn are closely related.
- Prepare your child for the new school experience by explaining what to expect and by answering all questions honestly. Visit the school ahead of time.
- Working parents should make certain that the child knows the arrangements for before and after school care. Be enthusiastic about

school and your child is more likely to look forward to it. Make transportation plans clear to the child, walk the route together a few times before and after school starts. If the child is to go by bus help to identify the vehicle.

Say goodbye calmly and leave. If a child cries, try not to overreact; in most cases the tears will soon disappear.

When your child comes home, be a good listener, allow time to talk about school and the people there. Get to know your child's teacher.

Praise your child for the good things he/she has done. Too often we tend to focus on poor performance and behavior.

In rare instances, when a child does not accept school after several days, or when fearfulness and feelings of distress appear and persist, the child may have a problem.

At this point, you should seek advice from the school guidance counselor, the teacher, the family physician, school psychologist, community mental health center staff or call the local Mental Health Association.

With a firm, patient, reassuring handling of the child by parents and teachers, usually the child will soon feel comfortable away from home and will make new friends and learn some interesting exciting things.

What is important for the child's emotional health is that, having mastered a new challenge — with support from others — the youngster has helped build his or her own feelings of self-confidence and security.

quarrels or difficulties that may arise with school friends.

Help your child cope with occasional frustrations and disappointments at school. Learning to cope with all kinds of experiences is important to development and helps to prepare for the stress of life.

Avoid comparing this child's school experiences and how brothers and sisters or neighbors did when they began school. Each of us is different and we meet each of life's turning points and challenges in our own way.

Think of yourself as supporting and helping your children's development — not as protecting them from a world about which they must learn.

Treat going to school as part of the normal course of events. Don't argue the issue of school attendance; it is required by law.

Let your child settle the

Mrs. Jensen's approach to teaching the class will be as she states, "Both from a traditional early childhood approach as well as incorporating elements of the Montessori method of early childhood instruction where a "hands-on" experience and a child-centered environment are essential key elements.

Teachers to Study and Learn too

At this time, the focus of the entire nation is on increasing the quality of instruction for children. To meet this very objective, Chipman is continuing a program of staff development for its teachers.

The professional development program, called *The MASTER Teacher*, presents the professional attitudes and techniques each teacher should have in order to teach effectively and put students' needs first. It is designed to improve the quality of teaching and maintain their positive and professional attitudes toward teaching and their interaction at virtually every level of school activity.

Every week of the school year, the entire faculty of Chipman will be engaged in this weekly study. During

Delaware State College Offers Weekend Business Administration Program

Delaware State College will offer a new weekend Business Administration program in an intensive six-week format to run Fridays from 6:30-9:00 p.m. and 9:00 a.m. - 3:00 p.m. on Saturdays at the Dover campus.

Beginning on Friday, September 7, the first cycle is scheduled for completion before the Thanksgiving Day holiday and will include the following courses: Introduction to Business, Marketing, Principles of Economics, and Basic Auditing. Students majoring in business will be able to complete courses in their major on weekends but other general education requirements will need to be met through regular semester study.

Registrations for weekend courses will be taken through September 6. Late registration is effective September 7. Fees are \$33 per credit hour for Delaware residents with a \$10 registration fee. Late fee is \$15.

Call Continuing Education for information or a course brochure, 738-5164.

New program at W.T. Chipman

All W.T. Chipman students will participate in a teacher advisory program (TAP) this coming year. Each student will be assigned a faculty advisor for the year. A twenty-minute period each day has been set aside for students to meet with their advisor to deal with matters of concern to junior high school students. TAP serve on these committees

Delaware State College Continuing Education will make it possible for lower Delawareans to enroll in a credit course as early as 7 a.m. through the new Fall Semester "Early Bird" program to begin Tuesday, September 11.

Scheduled three mornings a week with breakfast included, the first course will be Parties, Campaigns and Elections. The three-credit Political Science course satisfies a Social Science elective requirement. Campaign workers might desire to audit the course which covers the role of money and television in modern campaigns, voting behavior, electoral reform and the function of political parties in the American two-party system.

Breakfast is compliments of Arby's.

Registration is in progress through the Center for Continuing Education (738-5165). The early morning course fee is \$33 per credit hour for Delaware residents, plus a \$10 registration fee.

Educational Foundation for Foreign Study

In just a week over 2000 European students will be coming to these shores, eager to learn as much as they can about the American way of life. Educational Foundation for Foreign Study is a non-profit organization which provides a ten-month high school exchange program for these students from 13 countries. Each of them will live with an American family, attend a local high school, and generally settle in as a contributing member of the community.

While we are sharing our part of the President's International Youth Exchange Education's High School Year in Europe program is offering students from this country the opportunity to share intercultural experiences with families in France, Germany, Spain, and Sweden.

Delaware State College has received a grant of \$71,800 over a two-year period from the W.K. Kellogg Foundation of Battle Creek, MI, to develop "agricultural literacy" programming for its students.

The program will educate liberal arts students on the profound impact that agriculture has on world society, and to the many social and ethical questions relating to food production, distribution, and human nutrition.

Dr. Jules Belford, Assistant Academic Dean at DSC, and project director of the Kellogg grant, notes that liberal arts students rarely reflect upon the role that agriculture plays in the world, and that like most colleges, DSC does not have a curriculum which examines the interrelationships between agriculture and the liberal arts. "This project," Dr. Belford says, "will provide the College with a unique opportunity to sensitize students to the nature and future of agriculture as well as to reflect upon agricultural issues and concerns from the perspective of the humanities."

The Foundation grant will enable DSC's Department of Agriculture and Natural Sciences to work closely with departments in the

Initiative. For over four years, Educational Foundation has been dedicated to the promotion of international understanding through youth exchange. The organization has a nationwide network of enthusiastic Area Representatives who provide students and host families with year-round support. All exchange students are carefully screened by European staff, and only those displaying clear aptitude for this program are accepted. Host families can choose the applicant most suitable to their home and community. Educational Foundation for Foreign Study maintains a national office in Santa Barbara, California and a regional office in Greenwich, Connecticut. Goldley Beacom College

Goldley Beacom College, founded in 1886 and located in Wilmington, Delaware, is an accredited, independent, nonprofit multilevel college of business. Its multilevel program offerings range from short-term certificates in specific skills to comprehensive baccalaureate degrees addressing the needs of the business community. Business and general education courses combine theory and application with state-of-the-art equipment for its 2,000 full- and part-time students in Day and Evening Divisions.

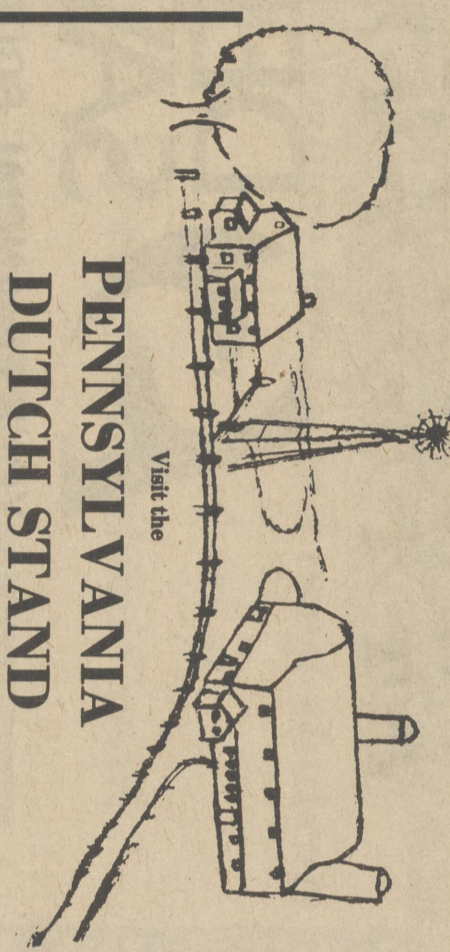

The main campus of Goldley Beacom College is situated on 27 acres in Pike Creek Valley, off Lamstone Road (Route 7), between Wilmington and Newark. Willmington, a thriving corporate business and banking center, affords a wealth of

work opportunities for our students and graduates and provides the College the opportunity for close ties with key business and industry personnel.

Modern classrooms and laboratories provide a learning atmosphere that is pleasant and comfortable. Up-to-date office equipment — computers, word processors, transcribers, and electronic typewriters — allow "hands-on" experience that is vital to business training and education.

The Computing Center features a network of Apple computers providing an opportunity for students to gain experience with micro-computer techniques. In the 12 or 18 spacious apartments Memorial disk drives to increase storage on the IBM system. The recent addition of a new IBM 4861 computer

Wilmington College Prepares for 17th Year

Prepares for 17th Year

Wilmington College, a private, coeducational institution offering associate, baccalaureate and graduate degrees is preparing for the start-up of its seventeenth academic year this September 4. The College will have a new downtown look in 1984-85 as it initiates a comprehensive educational package in Kent and Sussex Counties.

As a compliment to its undergraduate offerings at Dover Air Force Base this Fall, the College will offer a Master of Science Degree in Management and Super-Vision. The major purpose of

this program is to develop and refine administrative skills of supervisors, coordinators, and managers in both the private and public sectors within a holistic framework. Personnel management and supervision will provide administrators with the multi-faceted skills which are needed to function successfully in an increasingly complex world of work involving a variety of human resource and organizational matrices.

options are fully furnished and include a kitchen, dining area, living room, two bedrooms and two bathrooms. The extension campus, The Business Training Center, located at 713 King Street, Wilmington, DE, is adjacent to the rapidly developing Christina Gateway. The downtown location is a quick walk from major corporations, small businesses, local banks, and government offices. The Center offers

the options of short-term, skill-oriented certificate programs, after-work degree courses or education by appointment — custom-designed courses for self-pacing with an instructor's supervision. This dynamic extension has rapidly become a known source for well-trained employees.

A strong community-based advisory board system effectively links area business and industry and various academic and administrative departments at the College.

In addition, cooperative education and internship programs offer students the opportunity to experience the reality of the working world while earning academic credit. The result is that each year 90% of the College's graduates enjoy placement in their major fields.

program and should not be confused with the Guaranteed Student Loan program (GSL), which is obtained through banks and other lending institutions. NDSLs are awarded as a form of financial aid by the college a student attends.

Repayment of this loan is delayed until graduation or until a student leaves school for other reasons. The interest charged is 5%; repayment may be spread over ten years. During the repayment period, interest is charged on the unpaid balance of the loan principal, but while a student is in school, the interest is paid by the Federal government.

COLLEGE WORK-STUDY PROGRAM

Students who must work to help pay their education may be offered College Work-Study as a part of their financial aid package. Jobs may be on or off-campus, and are arranged through the financial aid office of the school. The wage for such jobs is usually based on the federal minimum wage and is related to the skills and abilities required to do the job. Students may work up to 20 hours per week during academic terms and 40 hours per week during vacation periods.

The financial aid officer in charge of a student's need consider: a) a student's need for financial assistance; b) class schedules; c) health and academic progress, and d) employment preferences.

Undergraduate students in degree programs and graduate students are eligible for College Work Study.

SOCIAL SECURITY BENEFITS

Students who are disabled may be eligible for benefits through the Social Security Administration.

Further information about this program is available from the Social Security Administration.

VETERAN'S ADMINISTRATION BENEFITS

The Veteran's Administration has three types of education benefits for those who qualify:

1. The GI Bill is available to veterans who served ten months of continuous active duty. The benefits must be used within 10 years of discharge from the military.
2. The Tutorial Assistance Program allows the dependent of a disabled or deceased veteran a stipend of no more than \$69 per month for a maximum of 12 months within the 45-month eligibility period.
3. The Educational Loan Program extends \$2,500 loans for a regular academic year. Repayment of the loan begins 9 months after termination of studies.

Information about these programs is available from the veteran's representative at the school you attend or from the Veterans Administration.

**Yes... There is a Place
 You Can Call**

Do you want to learn new skills? Prepare for a better job? Explore new subjects or courses to match your needs or interests? When you call INFO, Delaware's Educational Information Center, you can expect a free, updated, personalized service which provides information on courses, dates and class schedules. You will learn about registration, fees, cancellations, locations and the names of contact people and telephone numbers at universities, colleges and adult continuing education agencies throughout the State.

You never finished high school, but now find you need that diploma or its equivalent to get the job you want? With a single phone call — you can learn all about GED, the James Groves Adult Program, trades, technical and business schools which offer training in a number of fields such as aeronautics, auto mechanics, baking, communications, cosmetology, fashion merchandising, real estate accounting, drafting, paralegal, welding, computer science and many more. For the unemployed, INFO has information that will put

you in contact with the (JPTA) job training programs.

Are you a homemaker re-entering the job market or change? Divorced or widowed and in need of marketable skills? Foreign-born and unable to speak English and in need of tutoring? Making decisions about education can be difficult, especially if you don't know what to look and what is available. INFO can help you find alternatives to meet your goals. On a personalized basis, INFO will put you in touch with professional counselors within your community. INFO's counseling network is comprised of professionals and agencies throughout the State, who have agreed to counsel, without charge, any referral made to them by INFO.

Do you need to relax? Want to fill your leisure time with more pleasure? You don't have to run in all directions. With only one phone call, INFO opens up a whole new world of recreational opportunities for you. Through the cooperative efforts of community centers, parks and recreation agencies, YWCAs, YMCAs, senior

centers and adult high schools programs, INFO has collated an incredible variety of recreational programs.

For artists, INFO has listings of courses at art studios or workshops. Learn jewelry making, macramé, ceramics, weaving, photography, dancing, drawing and painting during convenient day and evening hours. Education trips, exhibits and nature expeditions — INFO knows what's happening and where.

Such a comprehensive data service did not always exist in Delaware. In fact, when INFO opened its doors in 1974 as a community pilot project in Wilmington, there was no similar service available throughout the United States. Since then, 18 other States have modeled projects after INFO. Over the past 10 years, INFO's calls have increased to the point where it now receives over 11,000 calls a year. To meet this demand, INFO expanded its data system to include Kent and Sussex Counties, and the Center installed a toll-free line (800-292-7935) to accommodate its callers in lower Delaware. INFO works cooperatively

NEED-BASED FINANCIAL AID

Scholarship Service) make their applications available at all high schools and colleges in the State of Delaware.

Most student assistance programs subscribe to the principles of need-based financial aid. Inherent to these principles is the expectation that parents and students will pay for the cost of college to the extent that they are able. This does not mean that family income determines ability to pay.

DEFINITIONS

ACT
American College Testing program is a company which provides needs analysis services for institutions and scholarship agencies in higher education. There is a processing fee for these analyses, which the student must pay in most cases.

BEOG
This Federal financial aid program has been renamed the "Pell Grant" program. Details of the program are provided under the Federal Government section.

CSS
College Scholarship Service is a division of the College Entrance Examination Board and provides need analysis services to higher education institutions and scholarship agencies. The processing fee for such analyses is paid by the student in most cases.

FAP
The Financial Aid Form is the date collection form of the American College Testing Service.

FPS
The Family Financial Statement is the date collection form of the American College Testing Service.

GSL
Guaranteed Student Loan; see description under State-Sponsored Financial Aid.

NDSL
National Direct Student Loan; see description under Federal Government Financial Aid.

OTHER FINANCIAL AID SOURCES
In addition to Federal and State aid, assistance is available from a variety of private sources. Some of these are strictly merit-based (awarded because of exceptional abilities or academic performance).

COMMUNITY PROGRAMS
Almost every community has organizations, institutions, or agencies that provide aid to students in some form. They may be professional organizations, local nursing or medical organizations, the tuberculous society, etc.) or a service group (Lions, Rotary, Kiwanis). Your local high school counselor may be aware of the sources available in your community. Be sure to personally contact any in which you are a member.

DELAWARE POST-SECONDARY SCHOLARSHIP FUND
The Postsecondary Scholarship Fund is a need-based grant program for Delaware residents who are enrolled (or will be enrolled) as full-time degree candidates at one of the following:

- 1. Public or private institutions in Delaware; or
- 2. Pennsylvania or Maryland institutions as under-graduates, under scholarship reciprocity agreements with these states.

3. Colleges in states other than Delaware as undergraduates, graduate, or professional degree students when their program of study is not offered at a Delaware

tax-support institution (Delaware Technical and Community College, the University of Delaware and Delaware State College).

Students must be enrolled full-time for the period the grant will be used and must be making satisfactory academic progress according to the standards of the school they attend.

The grants vary in amount depending on several factors. There are maximum grant levels for each category.

To apply for grants, students must complete either the College Scholarship Service's Financial Aid Form (FAP) or the American College Testing program's Family Financial Statement (FFS), and include the Postsecondary Scholarship Fund as a recipient of the analysis reported by listing the Fund's code number (0688) in the proper place on the form and pay the processing fee.

In addition, an applicant must answer the questions on the form which pertain to the Delaware Postsecondary Scholarship Fund and must also apply for a Pell Grant.

Further information about this program is available (Continued on page 9)

THE STATE OF DELAWARE

The State of Delaware provides student aid in several forms, primarily in "Aid to Needy Students" and "General Scholarships" programs, which are granted to institutions for their distribution. If you apply for assistance at a Delaware institution you will be considered automatically for these programs.

The grants vary in amount depending on several factors. There are maximum grant levels for each category.

To apply for grants, students must complete either the College Scholarship Service's Financial Aid Form (FAP) or the American College Testing program's Family Financial Statement (FFS), and include the Postsecondary Scholarship Fund as a recipient of the analysis reported by listing the Fund's code number (0688) in the proper place on the form and pay the processing fee.

In addition, an applicant must answer the questions on the form which pertain to the Delaware Postsecondary Scholarship Fund and must also apply for a Pell Grant.

Further information about this program is available (Continued on page 9)

FOUNDATION & CORPORATION PROGRAMS
Many private foundations and large corporations offer financial assistance to students. Several publications are marketed which provide detailed listings of these and other sources. Your local library and bookstores may be able to assist you.

from high school guidance counselors and college financial aid officers, or from the Postsecondary Education Commission, Carvel State Office Building, 820 French St., Wilmington, DE 19801, (917-3240).

The Guaranteed Student Loan Program is not awarded as a form of financial aid in the way the National Direct Student Loan is awarded. Students borrow money to finance education by applying to a participating bank, credit union, or savings and loan institution.

To be eligible to borrow through the GSL program, a student must meet one of the following qualifications:

- a) have a family adjusted gross income of \$30,000 or less, or
- b) if income is greater than \$30,000 the student must demonstrate financial need as determined by the college financial aid office.

A maximum loan of \$2,500 per year can be obtained by undergraduates; a graduate student may borrow up to \$5,000 per year. It is a good idea to contact banks early about these funds, since processing can take up to 60 days.

An 8% interest rate is currently being charged for the interest on the loan until the time the student must begin to repay the loan, and during authorized periods of deferment.

All GSL's must be repaid within ten years after a student graduates or leaves school. The amount of each payment depends on the size of the debt and the student's ability to pay. In most cases the borrower must repay at least \$600 per year. There are provisions for deferring payment under this program for service in Peace Corps, ACTION programs, armed service, and return to school.

Applications for the GSL are available from school participating lending institutions.

Participating lenders in Delaware are:

- Baltimore Trust
- Bank of Delaware
- Beneficial National Bank
- Colonial National Bank
- Delaware Savings & Loan
- Delaware Trust Co.
- Dover Federal Credit Union
- First National Bank of Wyoming
- Melton Bank (Delaware)
- JCPenney National Bank
- Sussex Trust
- Wilmington Trust Co.

The intent of the PLUS program is to make loan funds for education available to families who do not have the ability to borrow through GSL, to families whose need for loan funds is greater than maximums available through GSL. There are no income limitations associated with this program. An interest rate of 12% is currently being charged for PLUS loans; maximum loans are \$3000. Repayment begins 30-60 days after the loan is made.

Students apply for PLUS loans by contacting participating lenders. Not all GSL lenders participate in the PLUS program. Some lenders make loans only to parents of dependent undergraduate students, while others will make loans to independent students and to graduate students. Check with the GSL participating lending institutions to determine whether, and to what extent, they participate in the PLUS program.

Benefits are \$25 per year, or the amount of tuition, whichever is greater. Benefits are limited to 4 years of training or education.

If you feel that you may be eligible for benefits under this program, contact the Delaware Postsecondary Education Commission, Carvel State Office Bldg., 820 French St., Wilmington, DE 19801, (917-3240).

There is no charge to the student for applying to the Pell Grant Program, and an application to Pell is a requirement for other financial aid programs.

This is a campus-based loan (Continued on page 10)

DIAMOND STATE SCHOLARSHIPS

In June 1984, the General Assembly established a statewide merit-based scholarship program which recognizes the academic achievements of Delaware's outstanding students. It is anticipated that the Diamond State Scholarships will be \$1000 each and that they will be renewable for up to four years if the student maintains at least a 3.0 grade point average in college.

Details about this program and application forms will be available through high school guidance counselors and from the Postsecondary Education Commission, Carvel State Office Bldg., 820 N. French St., Wilmington, DE 19801 (917-3240).

demonstrated financial need, a student must be attending an eligible school and must be enrolled as at least a half-time student. A student may receive Pell Grants for undergraduate study (below the Bachelor's degree) only. Students who have earned one Bachelor's degree are not eligible to apply for Pell Grants.

Application for Pell Grants can be made by filing the FFS or the FAP; but once the information is sent to Pell by the need analysis services, all other communications between the student and Pell are direct. A student may be asked to provide follow-up information to Pell and to the needs analysis services. This is not a duplication, since Pell does not receive updated or revised information from CSS and ACT.

EDUCATIONAL BENEFITS FOR CHILDREN OF DECEASED ARMED FORCES AND STATE POLICE

The State of Delaware makes financial aid available

to children of members of the armed forces and state police who suffered service-connected death or disability. Service-connected usually will include only "active duty" death or disability. The member of the military service must have been a resident of Delaware at least one full year immediately preceding last entry into the military service and the applicant must have been a resident of Delaware for three years prior to application.

Benefits are \$25 per year, or the amount of tuition, whichever is greater. Benefits are limited to 4 years of training or education.

If you feel that you may be eligible for benefits under this program, contact the Delaware Postsecondary Education Commission, Carvel State Office Bldg., 820 French St., Wilmington, DE 19801, (917-3240).
