

Jim Blades receives coaching honor

Jim Blades

by Harry G. Farrow, Jr.
 Dover. It has happened...it had to happen again, and it will continue to happen to Lake Forest cross country, and track and field coach Jim Blades.
 He was recently voted co-coach of the year by the Lower Delaware Grid Iron Club...along with Marshall Emory of CR...based on his cross-country and track and field teams performance in the school year '83-'84.
 For the Felton High School product (1965) "...land of the Green Devils"...as he calls it when he looks back to his high school days — winning, conditioning discipline and goal setting have always been a natural way of life for Jim Blades.
 When Jim Blades was a 4th grader, he and a group of his friends were taken under the way of legendary coach Joe Kerns to be molded into a championship team. The last two years of his high school days were championship teams with Blades receiving all state recognition on the basketball court as a high scoring team oriented forward. He excelled off the court as well as

receiving academic honors in the classroom. "I believe it is as important to build the mind as it is the body," he reflected recently. "They go hand in hand...for without the one, you will not have the complete athlete," he added.
 "I learned early on from Coach Kerns...that participation in the game and quality team play were essential to a winning combination," he said. To be a winner on the field or in the classroom, it requires sacrifice, dedication, mental attitude and great desire.
 Jim Blades possessed these qualities as a student 20 years ago. They carried him through West Chester State Teachers College and on to a successful coaching undertaking at Lake Forest High School. Shades of what Joe Kerns passed on to him have made a most indelible impression.
 He said recently "...an athlete...I have always felt had to have something up there in the skull." He went on to reflect that "...an athlete must be able to think on his feet...and be right,

because if you are wrong even by the slightest of margins it is going to cost you." Blades feels "...that at some point coaching stops, and the athlete must go on with his own initiative."
 "Athletics develops leadership to be sure," he said "...but again to know how to develop that quality and execute you need quality in the classroom. I feel athletics should be an extension of the classroom."
 He went on to say that it is these basic qualities and fundamentals that carry you through life. For Jim Blades getting on track and staying there started back in that fourth grade classroom. It was to be a molding and honing that would carry him through a successful career.
 Blade's success appears in the record books. In the Spring of '84, his track and field boys team won the Division II State Championship. His girls team was runner up in the State Championship.
 The fall before his cross-country team was the State champs.

In the past his girls cross-country teams have been Conference Champs in '82, '83, and '84. The boys cross-country teams have been State champs...5 times—'73, '74, '75, '76 and '83, and Conference Champions five times as well.
 That's not all The boys track team was State Champs 1 time...runner up once...Southern Division champs 1 time...girls track and field Division Conference champs 5 times and 3 times runner up and once State champs. Some record!!!
 For Jim Blades academics and athletics...as well as being a true gentleman go hand in hand. He said recently in his gentle manner that he had had the pleasure of coaching many good athletes...both boys and girls. "There are many who come to mind—but in recent times there were Tony Scott, Jerome Harris, and Pam Pierce who were a satisfaction and comfort to coach," he said.
 He said that without any reservations "because they achieved what they set

out to do...worked hard at it, but the key to it I think is that they went onto college where they have continued their pursuit of academics and athletics."
 Tony Scott is a sophomore at Howard University who still corresponds with his coach, and Jerome Harris runs track at Del State.
 Scott was first in the State tournament for the triple jump and finished 5th in the nationally recognized Penn Relays. Pam Pierce played all sports at Lake Forest. "She is the type who can do everything." She presently attends Swarthmore College where she plays field hockey, basketball, and lacross.
 For the easy going Blades, rewards of coaching brings satisfaction and fulfillment. Blades has been able to expand that which Kerns gave to him.
 Jim Blades knows what he has to do—he couldn't get off track if he so desired. It is a comfort to know that Jim Blades is on our team, and one of us.

tives to discuss community needs, set priorities and provide feedback on how various extension programs are working.
 The extension service recently held a workshop on the Delaware State College campus. Participants learned how extension agents and specialists develop educational programs to meet client needs. They also learned how population and economic trends in the state are likely to affect future extension programming.
 Officers of the Kent County extension advisory committee include: president, Kay Powell (Dover), medical technician, active in both extension 4-H and home economics programs; vice president, Fred Fifer III (Camden), grain, fruit and vegetable farmer; secretary, Ellen Hamilton (Clayton), admissions counselor for Wesley College and pork, grain and vegetable farmer. Other committee members are Rose Pritchett (Felton), 4-H volunteer leader and meat market employee; Mary Jane Zeitler (Harrington), state computer programmer and analyst and 4-H volunteer leader; Ruth Ann Messick (Greenwood), 4-H volunteer leader and homemaker; Dana Sharpe (Wyoming), clerk at Carroll's livestock auction and 4-H volunteer leader; Roland Ridgeway (Dover), housing specialist for city of Milford; Leonard Smoot (Dover), grain farmer and air force retiree; John

DSEA proposes new salary plan for state's teachers

Wally Young, president of the 5,800-member Delaware State Education Association, proposed a restructuring of the state salary schedule in order to help Delaware attract new teachers.
 Delaware teachers now earn an average \$23,300.
 To counteract the problem, Young unveiled DSEA's proposal for salaries for 1985-86.
 The DSEA proposal is based on a comprehensive analysis of teacher salaries in Maryland, New Jersey, and Pennsylvania. The proposal makes Delaware salaries competitive with those of other states, pays beginning teachers \$12,000, and rewards teachers for undertaking additional training.
 The total cost of the DSEA proposal is \$119.7 million — just \$12.2 million more than the current 1984-85 schedule.

Carper votes against Farm Credit Bailout

U.S. Rep. Tom Carper (D. Del.) voted against the Emergency Farm Credit Act last week. It passed the House and Senate by a wide margin. "It was a gut-wrenching vote, because I want to take a firm stance against more federal deficit," he said. He added that the President would veto the bill.
 Carper cited Delaware farmers as those who are generally solvent. "They do not wish to have the federal government as a partner."
 Carper cited high interest rates and a strong dollar as two foes of farmers. "We must bring the federal budget under control."

Senator Roth looks at the Federal Budget - What should be done

The situation with the federal budget deficit is one of those "good news-bad news" stories. The good news is that if we are able to deal effectively with our deficit problems, interest rates will come down, housing and construction will increase, exports will increase, jobs will be increased, farmers will prosper and the growth of our standard of living will rise "which is what all of us want."
 We have a deficit problem not just because we spend too much on defense or welfare, but because we expect too much from government. And while I am merrily assessing blame, let's not forget the politicians. When it comes to excessive spending, there is not a dime's bit of difference between Republicans and Democrats. Democrats shovel money out the front door for social programs, while the Republicans are busy shoveling out money through the back door for defense.
 "The budget problem affects everyone and solving it will require sacrifice on

School Board sets Board Election and approves reconstruction plan

by Harry G. Farrow, Jr.
 Lake Forest High School Library. The Lake Forest School Board approved May 14, 1985 as the date for the next school board election. The polling places will be Lake Forest North, East, and South Elementary Schools.
 Two seats will be up for election. They are the ones currently held by Earl Roberts and Frederick (Rick) Feutz. The seat which Roberts holds is the one which G. Wallace Caulk vacated when he was elected to the State House of Representatives. It will be for a 2 year term. The one which Feutz occupies is a five year term.
 The Board on February 26th voted to accept "Option A...for Lake Forest High School roof priorities" as follows: new roof - \$250,000; new central heating and cooling system - \$750,000; contingency fees - \$119,688, and work on other buildings in the district - \$4,256,666 for a grand total of \$5,376,304. The vote was 4-1 with McCready, O'Neal, Roberts, and Williams for and Feutz no.

Boys B'Ball make it to second round of State Tourney

The Boys Varsity basketball team took it to Wilmington Christian Academy beating them 53-43 on Tuesday night at Smyrna. "We finally played together as a team," said head coach Bill Falasco. "Eric (Warren) and Victor (Hill) combined for 30 rebounds, which is what we needed under the boards," added Falasco. He also praised Bruce Mosley for doing what a good point guard will do in a winning way as well as Keith Chandler for doing a great job handling the ball. Hill scored 20 with Warren getting 8 followed by Hicks,

Chandler with 6 each and Bell with 4. Mosley gathered in 9 points.
 In the Dickinson game, "I thought we had the upset of the season," said Falasco. With 41 seconds left in the first half the Spartans were in a commanding lead of 7 points threatening to blow the game wide open. The Rams of Dickinson cut the margin to three points, and then in the 3rd quarter outscored the Spartans 19-6. "That hurt us very badly," said assistant coach Chester Scott. "It seems like we can't play three quarters

There is always one quarter which hurts us," he said. But this is a very young team and one that has not played the entire season together. The Spartans came back in the 4th quarter to score 19 with Dickinson collecting 20. The difference was the 3rd quarter. Chandler was hot and scored 14 points with steals and good accurate jump shots along the baseline and just off the key. Hill picked up 15, Mosley 8 and Chuck Bell garnered a hard fought for 5. In the first half, the Spartans looked like championship material.

Lee has farewell role in "Mattress"

by Phillip Kensington
 Senior Linda Lee will be playing her last major role when she stars in Lake Forest's *Once Upon A Mattress* this Thursday, Friday and Saturday nights. Linda plays the part of Queen Aggravain, the domineering leading lady who tries to keep her son from marrying.
 People who have attended Lake Forest productions are quite familiar with Linda. This is the eighth stage production with which she has been associated at the school. She has acted in six, directed two, and worked on the stage crew for all four major productions staged since she has been at the high school.
 Her first appearance was as a teddy bear in a Christmas one act play in 1981. At the time she was a freshman. "At first I was frightened of appearing in front of all those people. But I had made up my mind that my first year in high school I would try everything and stick with what I liked," she says. Obviously, I liked theatre."
 Since then she has appeared in all four major productions at Lake Forest. In spring of 1982 she had a walk-on part in *Barefoot in the Park*, for which she was also in charge of sound effects. In 1983 she played the supporting role of the maid Lizzy in the thriller *The Uninvited*. Last year she played Mrs. Harcourt, who was trying to get her daughter married to an upper class Englishman while trying to thwart her daughter's interest in Billy Crocker.

Linda Lee and Chris Drew, playing the Queen and the Wizard, plot to get rid of Princess Winnifred. Photo by Doug Huffstutler.

On the surface the part of Aggravain appears similar to that of Mrs. Harcourt and even of Lizzy. Linda has found that not to be true. "At first I saw myself as being typecast. But as I got into playing Aggravain, I discovered that she is much different. Lizzy was crusty on the outside, but very caring on the inside. Mrs. Harcourt was just very snobby. Aggravain is downright nasty and selfish." Linda loves playing the queen because she gets to be pushy, almost vicious. She feels she is now playing a

character totally different from her own personality. "Aggravain has expanded my range of acting. To play someone opposite from yourself is a great challenge and a great experience."
 Her director Mr. Stickel has always known Linda was knowledgeable about theatre, but her portrayal of the scheming queen has increased his faith in her acting ability. "I thought I would have to coach Linda very carefully to get that edge of nastiness into her

approve Option B called for a new roof at \$250,000; new rooftop units at \$290,000; contingency fees of \$64,604, and renovations to other buildings to cost \$4,256,666; for a grand total of \$4,861,270. The vote was McCready, Feutz, and Williams against with Roberts and O'Neal in favor.
 Although the savings between the two plans would be about \$500,000, it was reasoned that without attention and correction given to the heating and cooling units in the roof, the problem solved would be a temporary one.
 The reconstruction project relates to work to be completed on the buildings at East, North, and South A & B Elementary. W.T. Chipman Junior School would also figure into the plan.
 The main area, other than the roof on the High School, would be an expansion and otherwise adding to classrooms and sizes of classrooms as a result of a great need for special education instruction. This facet alone requires the need for smaller classrooms to insure individual attention.
 The cost will be proportionally borne

voice," he says, "but she picked right up on it. I have had to do very little directing with her."

Mr. Stickle is also very impressed with her singing voice. "Linda doesn't realize it, but she has a beautiful voice. She sings one solo, a hilarious song with Chris Drew (who plays the Wizard), and it is one of the best performed songs in the show."

Linda's other work with theatre has included writing and directing. She has been a primary writer of the last two Christmas productions. Mr. Stickle's highest praise for her, however, is for her directing ability.

Linda would like to continue her involvement in theatre after gradua-

tion this June whether it be in plays in college or community theatre. Though her director would like to see her direct someday, Linda's first love is acting.

As for Once Upon A Mattress, Linda is excited about the upcoming performance. "It is a comic version of a fairy tale, and everyone enjoys fairy tales. It is very funny and has a wide range of characters. They are stereotypes, but many different kinds of stereotypes."

Linda's outstanding final performance will begin at 7:00 p.m. on Thursday at the Lake Forest High School auditorium. Curtain time for the shows Friday and Saturday is 8:00 p.m.

Sports Round Up Dyal's Dolls lose opening round

Milford. Although it was point for point in the first half against Padua Academy, the Spartans led by head coach Pat Dyal dominated play outside of sharp shooting by Padua's Joanie Reagan, who scored 10 of her 14 points in the 1st half, it was sharp shooting and steals by Carolyn Brown coupled with tough playing on the inside by Teresa Taylor which made some at court side believe the Spartans might blow the game wide open.

Karen Sipple played her usual well-balanced game. The sharp passes and one hundred jumpers from around the key let Padua know they were in for a tough night.

But the half ended...and in so doing ended the hopes of the Spartans advancing. "For the past 11 seasons we have been in the state tournament... and 10 of these tournaments ended in the first round," said Coach Dyal.

In the second half, Padua took the opening tap and immediately scored which pulled Padua to within one point. But the Spartans were to lose the game in the 3rd quarter. Sick over a turn about which saw the Spartans score 2 points in the 3rd quarter and 5 in the

4th quarter.

"I give Padua all the credit they deserve but what I was complaining about was the fact the referees were not calling any fouls underneath," said Dyal. "I mean how could you go that long particularly with the intense play underneath not to have any fouls called. It doesn't make sense," added Dyal.

She was referring to the fact that Padua in the second half set up a 2-3 defense in an effort to shut down the lanes so that Taylor, Browne, and Senter (who was 1-15...and clobbered many times) could not pick up points on the driving layups.

Meanwhile Padua scored with reckless abandon on the inside as Lake Forest had done in the first half. This time Maureen Wells dominated play as time and time again she had easy shots around the basket. She scored a career high of 20 points.

Carolyn Browne scored 17 points with only 2 points coming in the 2nd half where she was 1-11 and Elisabeth Senter was 0-8 in the 2nd half and 1-15 overall for 3 points. Karen Sipple had 7, Teresa Taylor 8, Africia Bell scored 1.

Biggs to star in Mattress

Part II

Bambi feels that theatre has done much for her. She says that participation in drama has increased her self-confidence, improved her speaking ability, and, most importantly, increased her self-awareness. "When you play different roles, you realize how many capabilities you have. You see that there is much more to yourself than you ever thought. I'll be asked to do something in a show and think, 'I can't do that.' Then I find I can do it and, with work, can learn to do it well."

Someday she hopes to try to make it in professional theatre. She plans to study theatre in college, but she realizes the jobs are scarce. Therefore, she wants to obtain a degree in psychology in order to have something to fall back on. But she does still have another year at Lake Forest, and Mr. Stickle must be glad of that.

"Bambi is a bundle of energy on that stage," he says. "When the younger, more insecure actors see her enthusiasm, much of it rubs off on them. When they see how much fun she is having while doing all this hard work, they figure they can have fun, too. Her attitude is contagious."

And it has been hard work. Mattress is an energetic show with much movement, repeated entrances and exits, and a good deal of singing,

dancing and antics. But Bambi feels the production's biggest problem has been last year's show. Mr. Stickle agrees: "I think the tremendous success of Anything Goes haunted us during the first weeks of rehearsal. It seemed many of the cast members were thinking that their great leaders of last year were all gone. Then in the last two weeks it has dawned on them that they are the leaders. But that thought didn't intimidate them; instead, they responded with a burst of hard work and enthusiasm. The payoff has been dazzling; the show will be as good as, if not better than, last year's."

"I think," adds Bambi, "that at first many of us thought we couldn't live up to Anything Goes. Now we know that is not true. We have just as good a show, just as much talent, and just as much dedication, maybe more." She adds with her big, dimpled grin, "We're going to be great!"

Once Upon A Mattress will be performed at 7 p.m., March 7 and at 8 p.m. on March 8 and 9 in the Lake Forest High School auditorium. Ticket prices are \$3 adult and \$2 for students. Thursday night's show will have a special price for children 14 and under when accompanied by an adult: \$1. To reserve tickets, call the high school at 284-9291. Tickets may also be purchased at the door.

It's important to identify handicapped children early and to begin supportive, remedial services before a child's development and learning are seriously and sometimes permanently affected. Research has shown that early intervention can help children reach their potential and can often reduce the need for long term help.

The Woodbridge School District offers a preschool program for children who have developmental delays that require remedial help. If you have a child that will be 4 on or before January 1, 1986, who developmentally seems to lag behind other children of comparable age, please call 837-8296 for screening information.

Roth looks at federal budget

the part of everyone. I will be voting to cut or terminate programs this year that I have enthusiastically supported in the past. But I know of no other way to reduce the deficit. The easy cuts have been done," he said.

"Instead, we must do what I call 'freeze and reform.' We must, for instance, freeze all cost of living adjustments for one year—military and civilian pay and retirement, social security, welfare, the works. This is necessary not only to save money, but to insure fairness in our approach," he added.

But freezing spending isn't enough. "We must reform many of the basic programs in government," he concluded. "Farm subsidy programs should, over time, be eliminated, and changes in federal retirement must be contemplated for new and less tenured employees," he emphasized.

Delaware Extension has new Ridge Planting Publication

The Delaware Cooperative Extension Service has published an eight-page booklet, "Ridge Planting: A Modification of No-Tillage." The publication was written by University of Delaware research associate Cheryl Stevens, professor emeritus Dr. William H. Mitchell, and extension assistant Bob Uniatowski.

The booklet tells how tests were conducted and describes the results. Free copies of the booklet are available to Delaware residents from county extension offices in Newark (451-2506), Dover (736-1448), and Georgetown (856-5250).

Kent General acquires equipment to remove kidney stones

Kent General is the first hospital in Delaware to acquire a nephroscope and ultrasonic equipment for removal of kidney stones.

The advanced technique is called percutaneous lithotripsy, and is performed with a surgical instrument known as a nephroscope. The nephroscope, newly installed in Kent General's operating suite for use by the hospital's urologists, is very much like a telescope. It enables the surgeon to see inside the kidney, and if the stone is small enough the surgeon removes it with a forceps-like instrument. Larger stones are first broken down in small pieces with ultrasonic equipment.

In the past, patients have been referred out-of-town for percutaneous lithotripsy, but now that Kent General has a nephroscope patients and families will save the expense, stress, and inconvenience of out-of-town hospitalization.

Delaware State Fair sets date and Headliners

been to promote agriculture and to provide recreation, education and entertainment. As far as entertainment is concerned, the Fair has been a source of big-name stars for years, according to Fair General Manager, F. Gary Simpson. "There's hardly been a major country performer in the past 25 years who has not appeared here at the Fair sometime during their career." I'm talking of stars like Kenny Rogers, Dolly Parton, Conway Twitty, Roy Clark, Charley Pride and Ricky Skaggs to name just a few. There's also been performances by groups like Air Supply, The Beach Boys, Franki Valli and The Four Seasons, Tony Orlando & Dawn and The Oak Ridge Boys.

But it's the consensus of most of the Fair's directors that this year's Fair talent is extra special. Simpson says, "When you consider the number of awards that have been won by this year's top stars and the number of hit songs they've made famous during the past 5 years, it's just got to make a person stop and take notice. Milsap alone has won more awards from the Country Music Association than any other single male artist ever."

Milsap and Mandrell's TV exposure has probably been greater than any two stars that have ever played at the Fair and Rabbitt is as well known for his many TV commercials as well as country specials.

Fair officials are also banking on the

cross-over appeal of their musicians. In the last 5 years, Milsap and Rabbitt have probably been heard on as many pop and contemporary radio stations as ones with a strictly country flavor. As an example of this are songs by Rabbitt like "Step by Step", "I Love A Rainy Night", and "Drivin' My Life Away". Milsap strengthens the case further with hits like "Any Day Now", "Stranger In My House", and "It Was Almost Like A Song"...all chart-toppers on country as well as pop and adult contemporary stations.

While it is against Fair policy to reveal exact costs of its talent package, Simpson does reveal that this year's total is "a figure well above what has ever been spent in the past."

The entire run-down of shows include an All-Youth Talent Showcase and Fireworks Extravaganza (July 18), Stock Car Racing (July 19 & 24), Demolition Derby (July 20 & 27), Ronnie Milsap (July 20), Moe Bandy and the Regional Finals of the Wrangler Country Showdown (July 21), The East Coast Sand Drag Nationals & Monster Truck Smash (July 22), The Joie Chitwood Thrill Show (July 23), Draft Horse Pulling Contest (July 24), The Perko String Band (July 25), Louise Mandrell (July 26), and Eddie Rabbitt (July 27).

For information on this year's shows, fairground officials suggest sending a stamped, self-addressed envelope to: Shows, Delaware State Fair, P.O. Box 28, Harrington, DE 19952.

Letter to the Editor

Dear Editor,

I would like to tell the people of Felton that we do have one truly dedicated Town Policeman. He is up early on the weekdays patrolling the Town's school zone protecting our children. I would like to take this time to say thanks to Town Policeman Terry Hesel. (I am sorry I am not aware of his current title.) I recently had a couple complaints and Mr. Hesel was so kind to take care of the matter for me. After the situation was handled Mr. Hesel

paid a follow-up visit to my house to assure me the problems were corrected.

In our small Town its nice to know that we do have a dedicated Police Officer to rely on, regardless if it is a small or large problem. Again, thanks Policeman Hesel, "For a Job Well Done".

Sincerely,

Donna K. Calhoun

Wise shoots well in Mexico

Ben Wise, who as a small boy learned to shoot a shotgun following quail dogs in fields and woods near Harrington, last week established himself as one of the best competitive live bird shots in the world. At the World Pigeon Championships in Guadalajara, Mexico, Wise was one of 8 competitors in the Men's Championship to score a perfect 25 straight.

The only other U.S. shooter with a perfect score was famed shotgunner Dan Bonillas of Los Banos, California who eventually won second place behind an Italian in the shootoff. Third place went to a competitor from Spain. Wise garnered 8th place in a field of 560 competitors from around the world. Shooters from as far away as

Australia shot in the 9 day competition. In the "Match of Nations," a 3-man team event, the U.S. team of Wise, Bonillas, and Paul Melton of Texas scored 57 of 60 pigeons to tie with Italy and Spain for top honors. In the ensuing shootoff each man shot at 5 birds. The U.S.A. team won the Silver Medal with 14 of 15, with the Italians prevailing to win the Gold. Spain took the Bronze award.

Wise received a silver medallion for his second place team finish in the "Match of Nations." He will return to his home in Chestertown, Maryland this week. Wise works at Remington Farms as a hunting dog trainer and guide. Ben is the son of Bill and Rosalie Wise of Harrington.

Over The Backyard Fence

Gab Fest by Pat Hatfield

I'm sure that most of our good friends agree with me that they are all for scientific research and new discoveries and programs for learning and growth. But, do you sometimes get the feeling that they are trying too hard?

A recent article in one of our current papers both astonished and amazed me. It stated that there was a movement on foot to cremate our bodies after death and then reduce the ashes to an amount small enough to be stuffed into a capsule. Then these capsules would be put into a container resembling a trash can (how appropriate) and then the container would be shot into space, hoping it would go into orbit. The cost would be several thousand dollars to have this done. And, believe it or not, the article stated that this had been approved by our government. They have had several hundred requests for this already. At times they say the container may be visible to the naked eye. I laughed hysterically as I said to Dad, "Well, we can look up and say, 'There goes Grandpop and Uncle Willie!' With millions of children starving in the world, how can they use money for this?"

One member of our family said he thought it was a mistaken idea by some people that in this way they would get closer to Heaven. That reminded me of the last thing that my dear cousin, Gwen, said to me before her sudden death. She said, "Everyone is trying to find a way by themselves, but Jesus said, 'I am the Way, the Truth, and the Life, and no man cometh unto the Father but by me.'"

We are having wonderful warm weather, making a record of 78 degrees on one day. Other signs of spring are appearing also. Dad came in yesterday and said, "Spring is coming, the wild geese have just gone north". I went

over to the mailbox and there on my kitchen walk was a wee Woolly Bear caterpillar creeping along in the hot sunshine. And this morning, Feb. 24, my friend Tess calls and says she has seen her first robin and he was singing.

Our glad bulb order which we placed last fall for new colors and varieties should be here any day. Yesterday, we ordered our new roses, The red and white Double Delight is a great favorite so we ordered another. And the one I can't get enough of is the tangerine Tropicana, so we are getting another one of those.

We are busily slurping up the 39 quarts of applesauce I put into the freezer last fall. My system cannot seem to get enough apples. I usually eat one before I go to bed. Onions, too, I never tire of. Dad does not care for boiled onions, but he likes them raw or fried. But whenever I boil potatoes, I slip in an onion or two and eat them on my plate with butter and pepper.

My friend, Tess, also had an interesting thing to tell me from her reading. Did you ever hear of a biscuit table? In all of our years of association with antiques we have not come across one. Dough trays, yes, both with legs and no legs. But this is a small table with the top built like a box with sides and a lid with hinged cover. The reading said that the housewife made up her biscuits, put the lid down and let them rise, but it said nothing about yeast. It also stated that once a year, the biscuit table was taken outdoors, scrubbed and rinsed clean and dried in the sun. Well, I should hope so!

Too bad it is not Friday. They say when you learn something new on a Friday, you get a new wrinkle in your brain. I can pass up that one. There are enough wrinkles in my face, so my poor old brain will have to make do.

Frederica by Mary

The Birthday Luncheon was well attended Tuesday at the Adult Center. We were so very happy to see Mrs. Melissa Taylor. Bless her heart she looked so pretty. Her left elbow has been reconstructed and pins in the hip after the terrible fall.

Everyone please be cautious - watch the wind. Coming events Frederica Adult Center:

Wednesday - March 6, Shopping in Dover.

Thursday - March 7, Personal Crafts - Sing-a-Long.

Friday - March 8, Crafts - Game Night 7 p.m. Free, come on down, enjoy great fellowship.

Monday - March 11, Crafts - Covered Dish Supper 6 p.m. Everyone welcome, bring your covered dish and join the crowd.

Tuesday - March 12, "Food and Arthritis" w/Nutritionist Claudia Holden - Bingo.

Wednesday - March 13 - Bible Study - Crafts w/Delores. She is quite a lovely lady. You should see the crafts - come on in and see for yourself.

The new building is coming along very well. When it is completed there will be more rooms and a place for other projects. Join the center, we would like to have you.

Thursday - March 14 - Kent County Agent, For the Aging, Tom Weyant will be here to talk about the services available from this office.

Friday - March 15 - Crafts and Games. Please note - Those eligible seniors who would normally go to the Frederica Fire Hall for the food distribution, will come to the Frederica Adult Center, Market and St. Agnes Street to receive their food.

The ramp entrance on St. Agnes St. will be used. Food distribution will be March 21st (Thursday) 1 p.m. to 4 p.m.

Smile! Thank all Volunteers! Bazaar March 29, 1985 - luncheon, beauties, goodies.

*There ain't no use in growlin'
An grumblin' all the time
When music's ringin' everywhere,
An everythings a rhyme -
Just keep on smilin' cheerfully,
If hope is nearly gone,
An' bristle up and grit your teeth,
An' keep on keepin' on.*

Mrs. Sylvia Meredith was leader of Bible Study Monday morning. There were sixteen present. Singing and a pleasant and an inspirational hour was enjoyed by all.

Band practice (or the Jolly Timers) with Sylvia Meredith at the piano. Tuesday, Cecil Meredith, Mamie Adams, Mildred Vincent, Ella Golt, Bertha Dean, Gladys Hill, Virginia Smith, Elwood Morris, Amy Poynter, Mary Dobraski, Marion Brown, Ola Tilden and Pauline Legates kept the toes tapping.

Ed Sterling was entertaining at the piano Tuesday. Several of the folk gathered round and sang many beautiful old time songs. Oh, my, they sounded so great! There is just nothing quite so lovely as romantic tunes from our courting days! Puts a sparkle in your eyes, a smile on your lips and fond memories in your heart! Goodness me, am I getting romantic! Marian Zambrano was here with an enlightening talk on foods concerning arthritis. "Food is more than just something to eat."

Local shopping, Thursday. Cracker Bingo. Arts and Crafts busy making lovely things for Spring Bazaar - March 29, 1985. The ceramic specialty are pretty. Small ceramic eggs (lifetime keepsakes).

Want to pay a very special tribute to all volunteers at Harrington Senior Center. For almost eight years I have seen them perform duties of every description. Many have gone to sleep, others are now incapacitated - still there are many performing. Volunteers work every day. I thank especially those who have helped me directly in ceramics. I could not possibly name all who have helped me in the eight years that I have been at the Center but you know so I truly thank you from the heart. I volunteered years before I came to work here by donating finished products for the bazaars as they came up, sold many

Prospect United Methodist Women

The February meeting of Prospect UMW was held at the church on February 21st. Edna Mae Gallo used the figures 'The Flight Into Egypt' as the focal point of devotions giving a brief talk on the Holy Family. Edna Mae's Scripture readings was from Matthew 2. She also had a replica of Michelangelo's Pieta and shared with us how inspiring it was to see the real statue at the New York World's Fair in 1964. A reading, 'As The New Year Begins' and a prayer closed the devotions. A game was then played in which we searched for hymn titles in a paragraph handed out by Edna Mae.

Vice-President Mary Lou Wright brought the meeting to order. Thirteen members answered roll call by quoting a bible verse. Minutes were read and approved and the treasurer's report was given. The Bazaar in December was reported on and everyone agreed it was a lot of fun and a worthwhile

project and would like to continue the project next year. New greeting cards will be ordered as the supply is getting low. It was decided to send flowers to Lillie Sullivan in honor of her 90th birthday and everyone present signed a card for her. Jean Miller was appointed to buy a new case of paper for the copier and Anna Webb is to buy new candles for the candleabra. The possibility of doing a cookbook was discussed but more information is needed.

It was decided that the prayer chain needed to be reorganized as there might be others who wish to be included. Jean Miller explained the Lent Calendar which is a Lenten church project and the meeting was adjourned. Jean Miller served donuts, crackers and cheese, and ice tea for refreshments. In honor of Presidents Day the centerpiece was a bras eagle.

St. Bernadette's Catholic Church

NOTES FROM CHARLIE BROWN: Father John Francis Cremin, former pastor of St. John's-St. Bernadette's entered eternal life on Sunday, Feb. 24, 1985. He was born in Wilmington, educated in parochial schools there and completed his studies for the priesthood at St. Mary's Seminary and University in Baltimore. He was ordained a priest of the Diocese of Wilmington on May 30, 1963. He served as associate pastor of St. Edmond's, Rehoboth Beach, St. Patrick's and St. Paul's in Wilmington, St. Frances deSales in Salisbury, St. Mary Magdalen in Sharpley, and Our Lady of Fatima, Wilmington Manor. His first full pastorate was at St. John's-St. Bernadette's from 1969 to 1981. He was pastor of St. Michael the Archangel in Georgetown at the time of his death. Father Cremin was active in the Knights of Columbus and a chaplain of the State Police. He was also on the board of the Delaware Association of Alcoholism Counsellors. Father Cremin loved St. John's-St. Bernadette's parishes. He didn't want to leave, but was most gracious to me in the period of transition. Please keep him in your prayers. In memory of Father John the parishes of St. John's-St. Bernadette's have sent a donation to the Center for Pastoral Care for Drug and Alcohol

Abuse sponsored by the Catholic Social Services in Wilmington.

LAKE FOREST HIGH SCHOOL — Saturday youngsters from the elementary grades through high school came out to demonstrate their talents of shooting the basketball. In the first "Great Shoot Out" staged to help promote an interest in the game, Coach felt the turn out made it a success.

Coach Falasco had conducted a basketball clinic for the past 8 weeks for the elementary students, which ended with the shoot-out.

The winners in the various categories were as follows: Hot Shots - 9-10 Boys - Mark Bordley; 9-10 Girls, Dawn Minner; 11-12 Boys, Steve Lysik; 13-14 Boys, Curtis Baker; 13-14 Girls, Connie

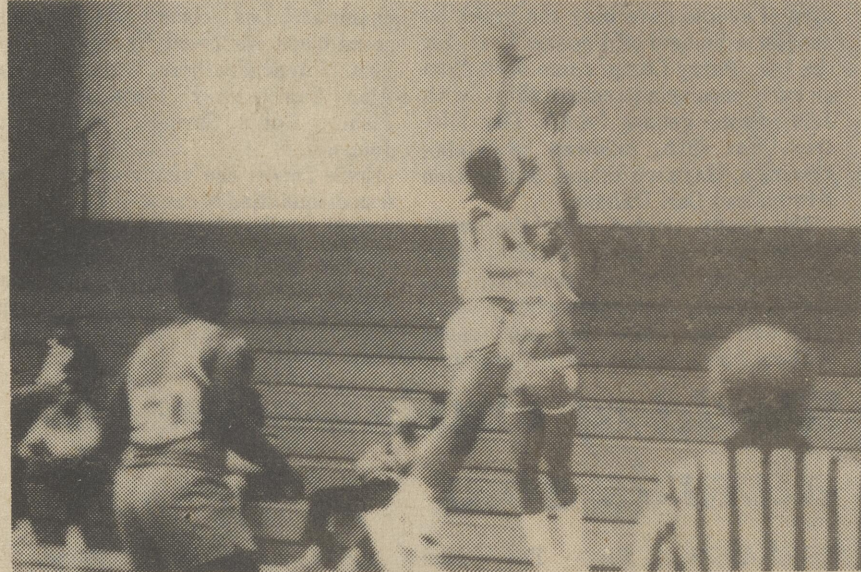

Johnson; 15-16 Boys, Chuck Bell; 17-18 Boys, Eric Warren. Foul Shooting - 9-10 Boys, Bryan Schilling; 9-10 Girls, Dawn Minner; 11-12 Boys, Keith Young; 13-14 Boys, Herman Mosley; 13-14 Girls, Rene Johnson; 15-16 Boys, Tony May; 17-18 Boys, John Caskey. Others who participated: - 9-10 Boys,

Willis Warren, Bryan Schilling, Greg Talley; Girls, Jennifer Rouse, Mia Benson; 11-12 Boys, Clarence Gray, Wayne Church; 13-14 Boys, Danny Lysik, Scott Talley, Kevin Tubbs, Scott Pierce; 15-16 Boys, Kevin Carter; 17-18 Boys, Keith Smith, John Caskey, Donnie Bell, Mike Pederson.

CAMDEN-WYOMING. A few Lake Forest wrestlers returned to the mats on Saturday in the CR Rough Riders tournery. Kevin Wix (a LF freshman) wrestled in the Junior Division (138 lb. class) winning the division. He wrestled 3 times "...with none of the matches close," said Coach Shaffer.

Derek Dill wrestled in the 115 lb. class. He got a bye then pinned the next two wrestlers. One of them was Maurice Evans from the very well taught Dover team. He also beat a boy from New York in the finals.

Several came from W.T. Chipman,

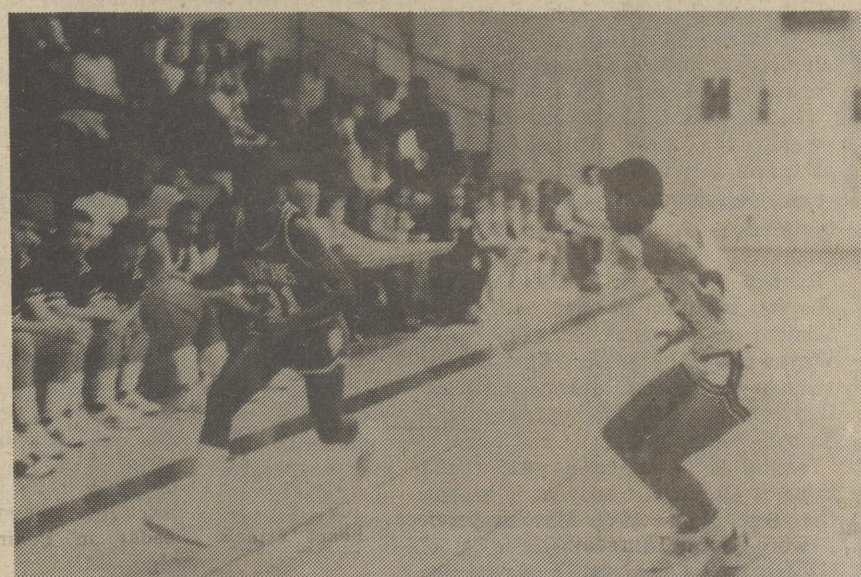

Phillip Collison...the Grant boys and Harry Donovan were winners too. Marvin Hicks, a 9th grader who wrestled JV heavy-weight this past season lost in the opening round.

There are wrestling tournaments scheduled at Cape Henlopen this Saturday for 1st through 9th grades and one scheduled at Middletown on Saturday for 7th through 12th grades. There is also one scheduled by St. Marks on Saturday. The following weekend will be the Jr. Olympics in Newark for all age groups. The Georgetown Tournament follows the Newark tournery.

ENGINEERING A NEW ENTRANCE — Cale Yarborough [right] discusses new backstretch pit entrance at Darlington Raceway with International Speedway Corporation President and Chief Executive Officer Bill France, Jr. The new pit entrances will be completed prior to the running of the Dixie Cup 200 [April 13] and the Transouth 500 [April 14]. NASCAR Winston Cup series drivers will be able to go straight into the back pits and exit the same manner. "It's a fantastic improvement and it certainly will make it more enjoyable for the drivers and race fans," Yarborough said.

DOWN TO THE DIRT — Darlington raceway officials take a look at the asphalt in the first turn, some of which was three feet deep. It was decided to "plow" up the first turn and put down new asphalt before the running of the Dixie Cup 200, Saturday, April 13th and the Transouth 500, April 14th at the track the drivers call "too tough to tame."

Bonnett wins Carolina 500

by Harry G. Farrow, Jr.
ROCKINGHAM, N.C. Neil Bonnett... the third member of the Alabama Gang...held off handsome Harry "I like to be called the Bandit"...Gant on Sunday to win the Carolina 500. It was Bonnett's 14 career win on the NASCAR circuit tying him with LeRoy Yarborough and Dick Hutcherson.

Bonnett's last win came at Atlanta in November of 1983. He is quoted as saying that "we (Gant and Bonnett) were even about 50 ft. from the start-finish line...and my car just seemed to edge forward just a bit. I knew that I had won." Bonnett, who stayed around all day just kept handing in there...as did the Skoal Bandit car of Gant. He praised the crew and how well the car was prepared. "The car has been strong all year. I just knew if we continued to stay in the hunt...we would win sometime. But I was also beginning to wonder if we would ever get back in Victory Lane again." Gant claimed that Bonnett touched his car just before the start-finish line which enabled him to win the race. Gant has finished second three times at North Carolina Motor Speedway...and was second last week too. Bonnett drew a lot of heat from defeating NASCAR champion Terry Labonte and Daytona runner-up Lake Speed. Bonnett, Labonte and Gant

exchanged lap leads until Bonnett and Gant finally hooked up for the spectacular finish which NASCAR is noted for. Gant was followed by Labonte, Speed and Kyle Petty who had his best run in several races. Bonnett became the third different winner in three races on the young '85 season. Bonnett received \$35,505 for his efforts with Gant picking up \$26,330, Labonte \$23,310, Lake Speed getting \$11,360 and Kyle Petty having one of his biggest pay days with \$10,520. Bill Elliott was in another accident and finished 29th just ahead of Bobby Allison. The good finishes by Lake Speed have pushed in front for the point standings. They are as follows: 1. Lake Speed, 469; 2. Darrell Waltrip, 454; 3. Geoff Bodine, 443; 4. Harry Gant, 425; 5. Neil Bonnett, 418; 6. Terry Labonte, 418; 7. Dale Earnhardt, 386; 8. Rusty Wallace, 382; 9. Bobby Hill, Jr., 359; 10. Bill Elliott, 358; 11. Kyle Petty, 353; 12. Lennie Pond, 351; 13. Tim Richmond, 331; 14. Buddy Baker, 324; 15. Dave Marcis, 318; 16. Ricky Rudd, 310; 17. Phil Parsons, 300; 18. Jimmy Means, 294; 19. Ken Schrader, 294; 20. Richard Petty, 293. On the Rookie-of-Year, Ken Schrader leads with 32 to Eddie Bierschwald who was 11.

DAYTONA BEACH, Fla. — Despite increased participation from Suzuki and Yamaha, look for the 44th annual Daytona 200 — the climax of Motorcycle Week 1985 — to be an all-Honda show. Honda factory riders Freddie Spencer and Fred Merkel, who have won the last four Superbike races held at Daytona International Speedway, provided that forecast with their recent test times at the speedway in preparation for the \$103,000 race, scheduled for March 10. Spencer, the 1983 500cc world champion who has won three straight Motorcycle Week Superbike races. Merkel, who set the official track record in last November's Pro-Am Superbike race, also bettered his standard on his Honda VS-750. Other strong contenders for the \$10,000 Bell Bonus Award and Camel Cup, awarded to the Daytona 200 winner, include Yamaha riders Sam McDonald and Rueben McMurter; Kawasaki's Dale Quarterley; Jimmy Adamo and 1981 world 500cc champ Marco Lucchinelli on Cagivas; and

Honda privateers Roberto Pietri, John Bettencourt and Wes Cooley.

The younger Bodine — 26-year-old Brett — makes his NASCAR Busch Late Model Sportsman series debut March 10 in the Mountain Dew 400 at the .363-mile Hickory (N.C.) Speedway. Geoff's brother was a successful New England modified driver. One of Cycle Week's sidelights is the night racing at Daytona Memorial Stadium, where the Camel Pro dirt trackers compete on the quarter-mile track. The track surface has been rebuilt for this year's three nights of racing. Spencer will go after an unprecedented Cycle Week triple: winning the Daytona 200 for Superbikes, the AMA Camel Pro Series Formula One National and the International Formula Two race — on successive days. Birthday boy: NASCAR Winston Cup driver Ronnie Thomas turns 30 on Friday, March 8. "Happy Birthday Ronnie, and good luck with your career," from HGF. "NASCAR Live" will stay as up-to-the-minute as possible with its Tues. night shows. The call-in show airs from 7-8 p.m. (EST) and fans may ask questions by calling the toll-free number 1-8002-NASCAR. Bill Elliott is getting used to Talladega and he must be used to looking to his left and seeing Cale Yarborough. For the last three Talladega races, they've been the front row with Yarborough on the pole each time. Next there will be in the Winston 500 on May 5. Glenn Sears, who is 2-for-2 in ARCA wins this season, including Daytona's

Hagerstown Speedway

Racing before a sun splashed overflow crowd, Hanover, PA star Van May scored an impressive win in the season opening 25 lap Sprint car main event Sunday afternoon at the Hagerstown Speedway. Marvin Lescalloot from Williamsport, MD was awarded the win in the 20 lap Limited Late Model feature, while Randy Bushman, Berkeley Springs, took the 12 lap Roadrunner feature. May, handling the Sturner Cement special, was running second to Steve Smith on the 17th lap when the red flag was displayed for the flipping Darren Eash. During the delay, Smiths crew was caught doing illegal adjustments to the car, and was sent to the rear of the field on the restart. The turn of events gave May the break he needed as he held off Frankie Kerr, for the win. Barry Camp, came back from an early race spin to collect third, with Jerry Stone getting fourth. Dan Dietrich was fifth, followed by MeMe Desanite, Maynard Yingel, Smith, Don Kreitz, and Carl Dillman. "I'm really tickled with the win", commented the feisty little winner, "Everything worked good for me tonight. I really appreciate what Weldon (Sturner) has done for me, cause without him I wouldn't be here today."

Smith bolted from the gate to the early event lead. He had things pretty much his own way as Kerr, Stone and May battled for runner-up honors. May slid past Stone for third slot on the 8th circuit, and set his sights on Kerr. The duo raced side by side for several laps, with May moving past for keeps on the 15th lap. When the red flag flew just two rounds later, Van was in the right place at the right time when Smith was banished to the rear. Dietrich, May, and Kevin Collins won the heat events with Rick Eichelberger claiming the consi. The Limited test was a topsy turvey chase with Lescalloot being declared the winner some ten minutes after the checked flag flew. Defending track champion Les Hare was awarded second spot followed by Roger Watkins, Wayne Feathers, Glen Ninger, Alan Sagi, Mark Plessinger, Don Fisher, Eddie Cornett, and Wayne Johnson. Ernie Davis, the victor of the event, was disqualified because of being underweight on the after race weigh-in. Randy Bushman drove to an exciting victory in the 12 lap Roadrunner feature followed by Lonnie Truett, Dave Lawyer, Marvin Winters, and Doug Mason.

World of Outlaws season awards soar

RICHARDSON, TX — The richest short track auto racing series in history, \$2.25 million, will await competitors on the 1985 World of Outlaws Copenhagen/Skoal Shootout sprint car circuit. The record-breaking year will consist of 42 nationwide events. The World of Outlaws tour will again remain the most diverse of any stateside series by competing at 31

different tracks in 18 states. The schedule consists of 21 one-day programs, 16 two day events, a quartet of three day shows and one four day meet. The latter, the annual Knoxville Nationals in August, will also offer the sport's richest payoff ever, \$165,000. Every track listed on the schedule has

Henlopen Conference Southern Division Champs

Angela Mollohan

Elisabeth Senter

Teresa Taylor

The Lake Forest Spartans Girls Basketball team were the 1985 Southern Division Henlopen Conference Champions. The team is coached by Pat Dyal who is in her 13th year of coaching. Her lifetime record for basketball is 160 wins and 81 losses. Pat Dyal is a graduate of the University of Delaware where she played varsity basketball.

The Southern Conference Championship win was the 3rd in ten years for Coach Dyal. Their record this year was 16-6 with only one loss in the Conference.

The scoring was led by Carolyn Browne (see picture on page 7...being #34) who scored 131 field goals (FG) in 292 attempts for 45%, 42 of 78 from the foul line.

Elisabeth Senter scored 64 of 169 for 38% with 35 of 63 from the foul line for a total of 163 points.

Karen Sipple (see page 7) was the leading ball handler on the team. She scored a total of 143 points with 65 for 171 from the field and 13 of 24 from the foul line. She led the team in steal with 70.

Andrea Mollohan (see page 7) scored

37 out of 110 from the field for 34% shooting and 15 of 29 from the foul line for a total of 89 points. She also had 66 steals.

Teresa Taylor will be returning as a senior next year, scored 199 points. She was 93 of 211 for 44% with 172 rebounds and the leader in that category. She also had 32 steals.

Angela Mollohan scored 65 points with 23 for 69 from the field and 19 of 23 from the foul line.

The varsity assistant coach is Andy Anderson.

Rotary Club News

The Harrington Rotary Club welcomes as its newest member, Mr. Richard Moretti, Assistant for Administrative Services at the Lake Forest School District who replaces Mel Luff, Deputy Superintendent, who has retired. It is with great pleasure that the club introduces this new member on its roster.

The membership was again guests of Gayle and Thelma Smith at their home last Monday and enjoyed a dinner that included delicious wild game on the menu. This is becoming an annual event that is looked forward to during the winter season.

It is being reported that Boy Scout Troop #76 is doing well at their

meetings held each Thursday evening at Asbury United Methodist Church, sponsor of the troop, and under the able leadership of Mr. Richard Porter and his staff. The future for the troop looks bright, and deserves the support of the community.

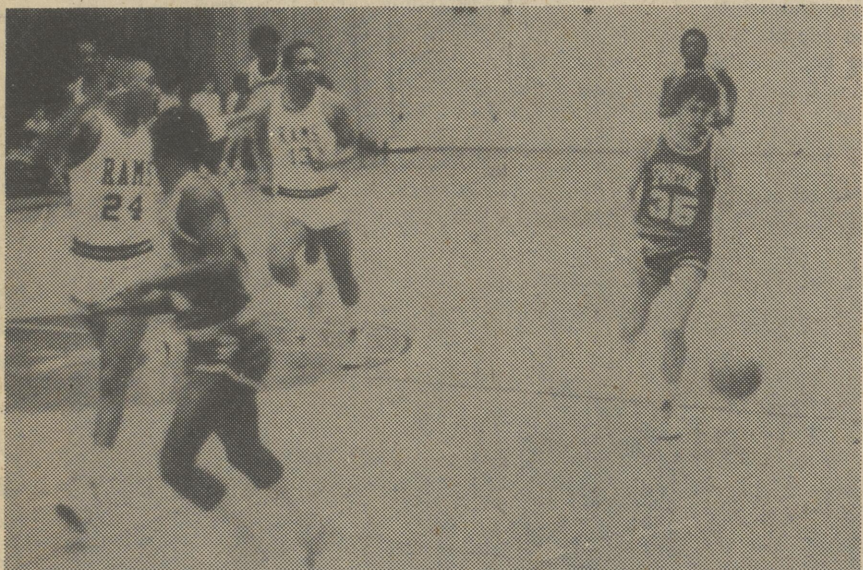

This year's convention of Rotary District #763 will be held at the Downingtown Inn on April 26, 27, and 28, to which several Harrington Rotarians are planning to attend.

Harrington Rotary meets each Monday evening at the Harrington Restaurant and Newsstand, 100 Delaware Avenue, beginning at 6:15 p.m., Bill Smith, President.

this time. Interviews will begin on March 17 with Father Charlie. Our weekend of prayer will be March 23 at Redden State Forest Park.

LET THE LITTLE CHILDREN COME: Anyone interested in helping with the children at St. John's at the 11 o'clock Mass, please call Mary Louise (422-5319) or (422-5827). We are in need of help because of the large number of children.

The children at St. Bernadette's will be video-taped today (Sunday). This tape will be used at a diocesan workshop to instruct others on how to start a liturgy of the word program for children. Many thanks to Terry Mucha for all her work and care with these

children at the special time of prayer and worship.

ANNIVERSARY COOKBOOK: Last call for your favorite recipes! All recipes are welcome, not necessarily original, but ones you and others enjoy. With your help we can have a cookbook of treasured recipes for all to enjoy!

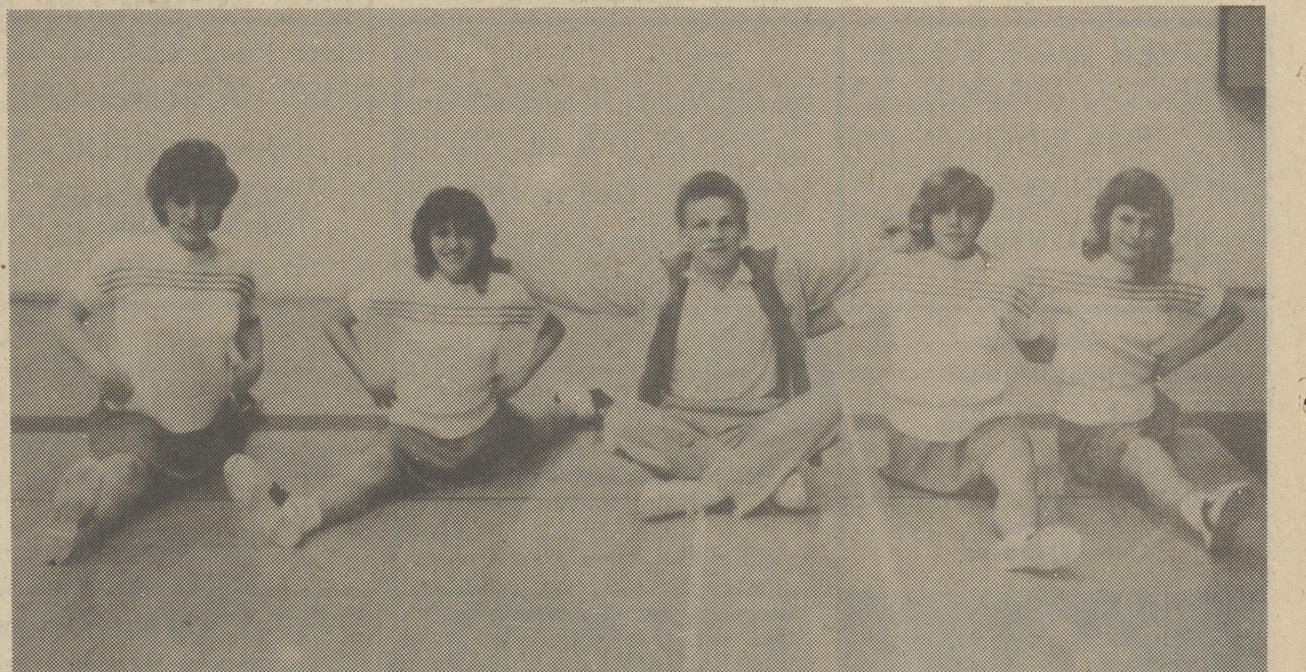

For further information please call Stephanie McDonough (422-7859), Hazel Smith (398-3184), or Mary Stachecki (335-5892).

ATTENTION ST. JOHN'S AND ST. BERNADETTE'S PARISHIONERS: To celebrate our 75th Anniversary we would like to borrow and display any older pictures of St. John's and St.

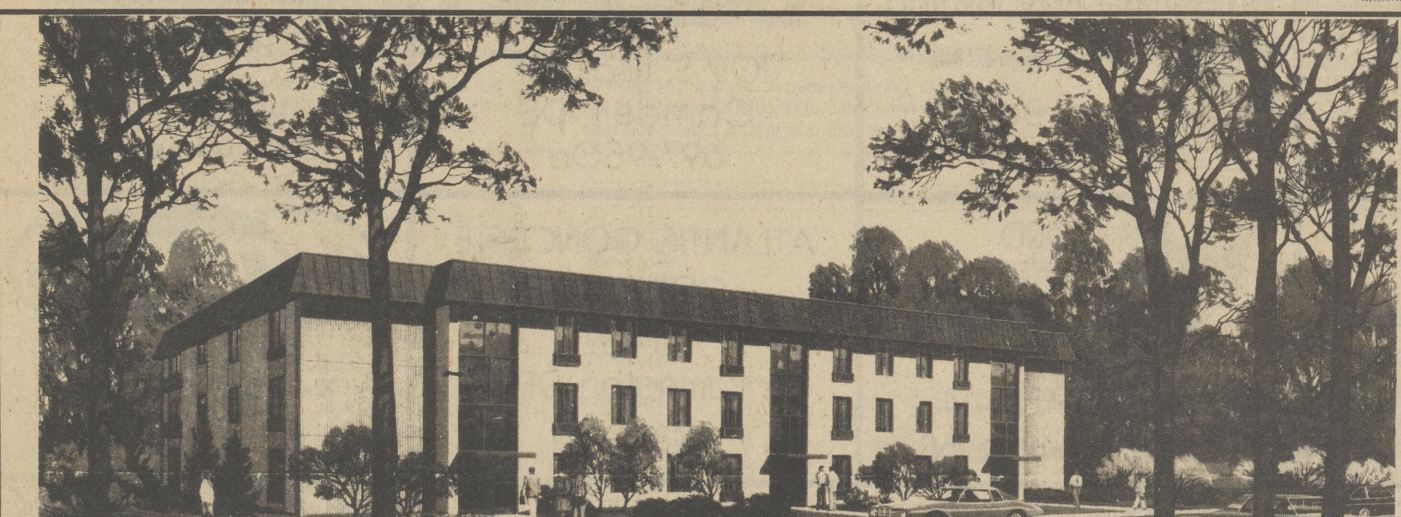

Bernadette's that you would share with us. If you have any bits of interesting history for our Anniversary Booklet please call Charlene Fuller (422-4841) or Carmela Trotta (398-3713).

COOKBOOK ADS: If you would be interested in purchasing an ad in our Anniversary Cookbook, please call Virginia Rockwell (422-2291) or Hazel Smith (398-3184).

WEDNESDAY NOONDAY ECUMENICAL SERVICES: The Milford Ministerium is sponsoring a twenty minute Lenten Prayer Service on Wednesdays at 12:10 PM at First United Presbyterian Church in Milford. Following the service you are invited to lunch in the parish hall. Please join us.

The varsity basketball cheerleaders for 1985 season are left to right Jill Wix, Teresa Wood, Sam Delgado, Tine Jorgensen, and Becky Voras.
