Delaware Music School in Milford accepting Scholarships

The Delaware Music School — a non-profit community school in Kent and Sussex Counties — is now accepting scholarship applications for the 1985-86 school year.

Based in Milford, the school has branches in Dover, Seaford and Millsboro and plans to open a Lewes branch in the fall. Individual instruction is offered in Suzuki and traditional piano and strings; woodwind and brass instruments; voice and guitar.

Awards will be made in May and will be kept confidential, as will all applications submitted. For more information, call the Delaware Music School at 422-2043.

Charge inmates the cost of their confinement

State Representative William A. Oberle, Jr., (R-Scottfield) is the author of a bill that would charge Delaware inmates for the costs associated with their incarceration.

The bill would require the Department of Corrections to charge inmates for the cost incurred in feeding, clothing and housing them. Representative Oberle's bill is designed so the charge would not exceed one-half of the total amount earned by any inmate. In addition, inmates making support payments, paying fines or court costs, or making restitution would be exempt.

Representative Oberle explained, "Delawareans pay 16-thousand dollars to feed and house each inmate."

Delaware Library Week recognized

"A State of Readers" is the theme of Delaware Library Week to be observed April 14-20, 1985.

Kicking off the celebration is the Second Annual Delaware Authors Luncheon sponsored by the State Library to honor Delaware authors during National Library Week on Saturday, April 13, at the Sheraton Inn of Dover. The purpose of this event is to recognize and promote Delaware authors, books, and libraries. The public is invited to attend. Reservations at \$10.00 each may be made by contacting the Delaware Division of Libraries, toll free 1-800-282-8696.

On Sunday, April 14, 1:30 p.m., the new library facility for Georgetown Public Library, 10 West Pine Street, will be dedicated.

On April 16, several members of the Delaware Library Association will visit Delaware's Washington delegation. On April 18, members of the Delaware Library Association will host representatives from state organizations at an evening reception at the State Library, to encourage support of libraries, reading, and literacy.

Benton receives 1985 Worrilow Award

Dr. William J. Benton, associate dean of the University of Delaware College of Agricultural Sciences and associate director of the Delaware Agricultural Experiment Station, is the 1985 winner of the George M. Worrilow award. Presented annually by the Agricultural Alumni Association, the award recognizes outstanding service to agriculture by a university graduate.

Benton grew up on a farm near Franklin, Virginia, attending high school there. He studied pre-veterinary medicine at Virginia Polytechnic Institute and in 1956 received his doctorate in veterinary medicine from the University of Georgia.

He joined the University of Delaware in 1956 as a research associate in poultry pathology and while performing his research responsibilities, earned a master's degree in poultry pathology and a doctorate in biological science from the university.

He joined the faculty of the department of animal sciences and agricultural biochemistry in 1966 as an assistant professor, becoming department chair two years later. In 1971 he became assistant dean and in 1974 assumed his present agricultural college titles.

Benton is a member of the American Veterinary Medical Association, the Delaware Veterinary Medical Association, the American Association of Avian Pathologists, Sigma Xi, Phi Sigma Biological Society, Alpha Zeta Honorary Fraternity and Alpha Psi—the veterinary professional fraternity.

His research has resulted in the publication of over 40 scientific articles and papers. Much of this work was in the area of poultry disease prevention and control—specifically respiratory diseases—and resulted in savings worth millions of dollars to poultry growers and processors.

Benton and his wife, the former Peggy Grant Lassiter, will celebrate their 30th wedding anniversary this August. They have two children—Scott, a graduate of the U.S. Coast Guard Academy, and Abby Kay, now a student at the University of Delaware. They are active members of the Newark United Methodist Church.

Rettig nominated for Outstanding Woman Award

by Harry G. Farrow, Jr.

The Board of Advisors for the Outstanding Young Women of America awards program announced that Janet Marie Rettig of Harrington has been selected for inclusion in the 1984 edition of outstanding young women of America.

The Outstanding Young Women of America program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions and their communities. Accomplishments such as these are the result of dedication, service and leadership — qualities which deserve to be recognized and remembered.

Mrs. Rettig, along with approximately 30,000 other Outstanding Young Women of America from across the United States, will be presented in the prestigious annual awards volume. This awards volume also highlights the fifty-one women who, because of their contributions have been selected as the outstanding young women of their respective states — as well as those who ultimately were selected as the

Janet M. Rettig

Ten Outstanding Young Women of America.

Mrs. Rettig was principally recognized for her outstanding achievements in the Jaycee Women from a local and state-wide standpoint. She was voted outstanding Chapter President for the Harrington Chapter last year. She presently serves as individual Development V.P. on the State Board of Jaycee Women. Her church activities at Trinity Church in Harrington are active participation in the fund-raising affairs as well as a part-time Sunday School teacher. She is also a member of the Harrington Alumni Association.

Little League field in Harrington gets new lights

by Harry G. Farrow, Jr.

HARRINGTON MOOSE FIELD. New lights went up last week at the Little League Field at the Harrington Moose Home. "We replaced 75 lights with wattage of 1600 with 24 with the same amount. It will cut down substantially on our light bill," said League President Dave Lawson.

The work was done by Jim and Bill Fibelkorn of Bayside Electric of near Harrington. The new lights will be long lasting and will cut down on the power consumption from 112,000 watts down to 36,000 watts. "It should cut their

Correction

In the March 20th issue of The Harrington Journal, a story was reported concerning two new directors of the Board of Directors. There was a misspelling of Mrs. Jack Short's name. It should have been Betsy Short instead of what was printed. The profile of Mrs. Frances Garey...the longest employed employee of the Bank was incomplete. Mrs. Garey is, in addition to being Assistant Cashier, Supervisor of the Tellers and Supervisor of the Proof Operator.

Harrington Council hears Gas Co. proposal

Eastern Shore Natural Gas Co. appeared at the Council meeting to present plans for the installation of a new 10 gas main through Harrington. They requested the Mayor and Council to grant permission for the line within the corporate limits of the city. It is anticipated that construction will begin in May of this year. The new line is to be installed within the right of way of the North bound lane of Route 13 and will be largely in the unpaved section to the east of the north lane.

Safety assurances during construction were a concern of Council member Mr. Wayne Morris of the Gas Company outlined all safety requirements that were required under their state permit.

In other matters the Council directed that a clean up policy be initiated in the

city for the removal of trash and non-operating vehicles from properties in town. The City Manager was instructed to send notices to any property owner where there is trash or a "junk" vehicle on the property. Under this policy a notice to remove inoperative vehicles will be sent immediately and owners will have 60 days to remove them or face legal action by the City.

With respect to trash the notice will specify removal within 10 days. In the event of non-compliance the City will remove such trash and bill the property owner.

The Mayor and Council feel that with such a clean-up program the image and property values will be considerably improved.

Lake Forest plans special programs for April 10

Lake Forest will continue to conduct programs which serve special groups of students—the gifted and talented, those who are reading or math disabled, handicapped students, and students involved in vocational education, among others. Priorities for the programs will be discussed at the School Board workshop on April 16, at 7:30 p.m. in the Lake Forest High

School library. Plans and applications for the supplementary programs will be written throughout the spring. District residents with questions or comments

may call Carol Lamphier, supervisor of federal programs, or Dr. Arthur Gilbert, supervisor of special programs, at 398-3244.

Kent-Sussex Industries Board President Bill Farlow accepts check for \$30,000 from DuPont Seaford Plant Manager Ben Waide. KSI Executive Director Cliff Crouch applauds in background.

DuPont Manager pledges support to KSI

Dupont Company Seaford Plant Manager Ben Waide pledged continued support for KSI, while addressing a crowd of 300 persons at KSI's Open House and Building Dedication Ceremony on Monday, April 8. Mr. Waide praised KSI for turning out high quality work and for consistently meeting deadlines. He said the company wants to contract as much work as possible to KSI because it is an excellent business arrangement. Ex-

ecutives from Scott Paper and General Foods also lauded KSI for producing excellent work in areas such as assembly, light manufacturing, packaging, material handling, mailing, and custodial services.

directors of three state agencies also pledged support to help KSI expand further. The 75,000 square foot building dedicated today allows KSI to provide all of its rehabilitation and sheltered workshop services in a single

location. KSI now serves as many as 300 disabled persons per day, and its clients earned \$597,000 in wages in 1984. KSI's goals are to provide more regular work for its clients and to expand at the rate of 25 persons per year. KSI hopes to be serving 325 persons per day by January 1986, and to eventually build to a level of 500 persons per day.

The poles are 55 feet in the and each set weighs approximately 70 pounds. "The Fibelkorn brothers worked continuously to complete the job which was necessary. We appreciate what they did for us in such a short time," added Lawson.

Greenwood Lions Club donates \$1,000

by Harry G. Farrow, Jr. HARRINGTON. Last week, the Greenwood Lions Club at their regular monthly meeting at the Colony Inn in Harrington presented Carl Hill with a check for \$1,000. Hill is a teacher and Chairman of the Social Studies Department at the Woodbridge High School. He also serves as Secretary of the Woodbridge Endowed Scholarship Fund. The fund was begun in 1971, and he has been its advisor since the inception of the fund. Criteria for the recipient of the Scholarship is based on academic achievement. "The principal amount of the fund has now reached the point where we can give a \$1,000 a year scholarship," added Hill. It will be given to a senior graduate of Woodbridge High School. The \$1,000 will be added each year to the fund in memory of four deceased members of the Greenwood Lions Club.

[Continued from page 1]

The total cost of the building renovations and equipment purchases necessary for program expansion is \$500,000. The building dedication served as a kickoff for a capital campaign to raise these funds. After praising KSI's contract work, Mr. Waide presented a check for \$30,000 to Board President Bill Farlow to help the campaign get off to a good start. Persons or groups who might consider making a contribution are urged to tour KSI and are assured that they will not be pressured to contribute. DOT's Conrail sale plan ends competition

PHILADELPHIA — The U.S. Department of Transportation (DOT) plan to sell Conrail to the Norfolk Southern Corporation (NS) "spells the end of competition in the Northeast/Midwest rail region" and is "unprecedented," said Bruce B. Wilson, Conrail's Vice President-Law and chief legal officer, today.

In testimony prepared for delivery before the U.S. Senate Committee on the Judiciary, Wilson, a former Deputy Assistant Attorney General in the Justice Department's Antitrust Division, said the DOT sale plan would "exempt the transaction from every municipal, state, and Federal law, including the antitrust laws, and immunize it from judicial review permanently." The immunity, said Wilson, would be granted despite the fact that the plan "would create the largest transportation company in the world, with combined revenue of nearly \$7 billion, which would control a mega-railroad that will possess 50% or more of the Northeast/Midwest rail market for chemicals, grain, automobiles, metals, scrap, and auto parts."

The DOT-proposed enabling legislation which was introduced to implement the proposal also "undermines the important pro-competitive regulatory reforms of the Staggers Rail Act of 1980," which partially deregulated the railroad industry, said Wilson.

"DOT is selling not just a railroad but a fundamental change in antitrust and transportation policies," Wilson said. "Congress must determine whether that change is in the public interest."

Grange Needlework, Quilt, Toy Contests open to all

The National Grange needlework, stuffed toy, and quilt contests are open to all who follow the official rules.

The official rules have some size limits for items, and require use of the official sponsors' products. Proof of purchase must accompany the articles.

Fairfield Processing Co. sponsors the stuffed toy and quilt contests, and its Poly-fil products must be used. The stuffed toy contest has classes for three age groups starting with age 5. Toys become the property of the Grange and are given either to state institutions or nationally selected recipients. About half of Delaware's toys (and nationally) go to the Ronald McDonald Houses for families of children who must undergo long medical treatment. If National winners have had their 4-H leader or school home economics teacher sign their entry, the club or school receives an additional prize.

The quilt contest has two divisions: quilts entirely hand quilted, and quilts quilted in part or wholly by machine. The tops may be put together by machine even though hand quilted, and they can be patchwork, applique, or embroidered quilt tops. Each division has classes for individuals and groups. Needlework Contest contestants must use Coats and Clarks products. Classes include crocheted or knit bedspreads, tablecloths, luncheon cloths, dollies, centerpieces or place mat sets and other assortments.

Items must be turned in for state judging on Sept. 7, 1985, at Capital Grange Hall, Dover, by 9 a.m. Entry blanks and copies of the official rules may be obtained from local Grange women's activities chairmen, or write or call the State Grange Office, 911 S. Governors Ave., Dover, DE 19901; phone 734-4653.

Residents of other states may enter through the Delaware State Grange if they do not have a local Grange to contact. In all contests professionals who teach these skills or make these items for sale are not eligible.

You can still get an IRA from Mellon and save hundreds of dollars on your 1984 taxes. Come into Mellon before you file.

Here's what you can save:

If your 1984 marginal tax bracket is:	15%	25%	40%	50%
Invest this much in Individual Retirement Accounts and your tax savings will be:				
\$ 500	\$ 75	\$ 125	\$ 200	\$ 250
1,000	150	250	400	500
2,000 ¹	300	500	800	1,000
4,000 ²	600	1,000	1,600	2,000

¹Maximum contribution, individual tax return.

²Maximum contribution, married couple, each earning at least \$2,000 filing joint tax return.

Investment options. Choose from two different kinds of investments: fixed rate investments which guarantee a rate for a specific term or our variable rate option where the rate is reset every 91 days.

No management fees. Unlike some other IRAs, a Mellon deposit IRA carries no service charge.

Extra convenience. At Mellon, you don't have to make your entire IRA contribution at one time. You can make deposits through Mellon Bank-by-Phone, payroll deduction plans, direct deposit and your Mellon community office. You can also call Mellon's Rate Line for our current interest rates, (302) 429-4980.

It's not too late to save on your 1984 taxes. So stop in your nearest Mellon office and open an IRA today.

Maximum contribution is \$2,250 if you're married and your spouse is not working (some limitations apply). Early withdrawals subject to substantial penalties and to IRS regulations.

When you open your 1984 IRA, you can make your 1985 contribution, too, so it will be earning tax-deferred interest for you through the rest of this year. If you don't have the money you need to make your IRA contribution—or if you don't want to use your own cash—ask about a Mellon installment loan or Personal Credit Line.

An IRA from Mellon gives you even more:

More security. A Mellon Individual Retirement Account is insured by the FDIC up to \$100,000 unlike insurance company and broker IRA programs.

Rotary Club News

For the first time in the history of Harrington Rotary, the local club was host to an inter-city meeting of the members and wives that included the host club, Milford, Lewes-Rehoboth, and Georgetown-Millsboro Rotary clubs at a dinner meeting that was held at the Harrington Moose Lodge on highway 13, last Monday evening.
The planning committee, consisting of Mel Wyatt, Dick Johnson, Gayle Smith, and Mark Willey, arranged a varied program that included greetings brought by District #763's present governor in the person of Harvey Marvel, Sr., of the Milford club and selections sung by a barbershop quartet from Seaford, the "Lost and Found".
The guest speaker was Miss Lori Scanlon, a member of the senior class of Dover High School, who was a 1984 American Field Service Program exchange student to Mexico where she spent the year with a Mexican family in Monterrey, a large city in northeastern Mexico. She brought with her slides taken during the year as well as personal accounts of her experiences. Her life with the Mexican family included visits to other parts of the country, including a stay in Mexico City, and was made interesting due to the fact that another girl in the exchange program from Japan was spending a year with the same family and who spoke no Spanish, but at the end of the year had become quite fluent with the language. Dr. Arthur Gilbert, of the Harrington Rotary, and a resident of Dover, arranged for Lori's visit to the inter-city meeting. A Certificate of Merit was presented to Miss Scanlon at the close of her talk, at which time it was noted that 82 countries throughout the world are involved in the American Field Service Program.
Bill Smith, president of the Harrington club, presided over the program and kept things running on time. Presentation of the Colors was under the guidance of Mr. Richard Porter, Scoutmaster of Boy Scout Troop #76, when several scouts were used in the opening ceremonies. The invocation was pronounced by Mark Willey, a member of the local club, and the Sing-a-Long of Rotary songs was conducted by the Rev. Dibble of Lincoln and a member of the Milford Rotary Club, accompanied by Mel Brobst.
Harrington Rotary meets every Monday evening throughout the year at the Harrington Restaurant and Newsstand on Delaware Avenue, Bill Smith, president.

Gab Fest by Pat Hatfield

One of my projects at present came out of the attic. Garith was rummaging around in our attic one day and called out that she had found an old battered up suitcase. She wanted to know what was in it, so I said to hand it down and we would look. Much to my surprise it contained a large batch of small quilt squares in the 4-square pattern. From the materials used I knew that it had been made by Garith's great grandmother, "Miss Anne" Hatfield. I found upon counting and placing, there were enough squares to make a quilt, lacking seven. So, I pieced those and added and now we are going to have a nice heirloom for small Garith. Her grandmother Bollinger has agreed to do the quilting. Diamonds at our doorstep.
I do not ordinarily send or receive Easter cards, but this year I have received two that will give me pleasure for all the Easters to come. One was from Germany from my newly adopted granddaughter, Anne Stolzenbach, and the other from my friend of many years, Virginia, from Milford. "Love makes the world go round" is truly more than just a saying.
Speaking of old time things, how many of you like Beaten Biscuits? In this neck of the woods, when I was a young bride, they were always served at Church and fire company suppers, with the chicken salad and fried oysters. My mother-in-law made dozens and dozens of them for the various organizations. We still have the old hammer she used to beat them. My friend, Tess, was telling me that she read a recent article telling about a dear old lady over in Maryland who still makes them commercially. They will even mail them to you upon order. These must be some like I have purchased in The Safeway Stores. I was told that a Maryland lady made them for the store.
All of this reminded me of another dish that was served frequently in my home when I was growing up. When my mother was shopping for crackers, she always included "Water crackers", those little hard as a bullet biscuits. We were great ones for poached mackerel on Sunday mornings and these were served with the fish. We called them "Soaked Crackers". They were put into a stewpan and boiling water was poured over to cover. While the fish was cooking, the crackers steamed until soft. Then they were put into serving dishes and hot milk and butter was added. Did any of you ever have these?
We have been burning wood in our fireplace stove inset and my husband has decided that green wood gives us more heat than the seasoned wood. This is contrary to most opinions I believe. At the bottom of the February page in the old almanac there is this little sentence. "Dry and well-seasoned wood is better than green and costs less in the end. Green wood may make a good-natured fire cross!"
One of my acquaintances who has been a farm wife all her life says that when she had to cope with green wood, she always kept a basket of corn bobs beside the kitchen stove and she threw them in to get a hot fire quickly to make her biscuits.
Most people are so interested in days gone by. We have at the present time in the antique shop an old corn sheller. Very few know what it is and are so interested when I explain it and tell them that when I came here as a bride in 1925, I turned the wheel many times to shell out a batch of corn for my chickens. One of our customers told me that he had purchased one and he finds it great to shell black walnuts. How about that?

GOD HAS BLESSED AMERICA
For singing birds high in the trees; for babbling brooks and mighty forests; for open fields of abundance; for sun and shadow, warm and cool as seasons change; for acre upon acre of blossoms in the noon-day sun; for mothers and dads whose love unfolds us; for tiny tots and older lads and lassies all over our fair land; for friends and neighbors; for all of love and joy and peace that blends to make life abundant in this, our own beloved Land of Freedom... dear Giver of all Good, we do give thanks. Truly, God Has Blessed America.

Lake Forest track teams beat Laurel for 4-0 marks

by Keith Burgess

Lake Forest's track teams reached 4-0 records, as the boys won 121-20 and the girls 102-30, at Laurel, last week.

Ken Hutchins turned in one of the better performances in Lake Forest history, when he soared 12 feet, 6 inches, to miss Steve Saulsbury's nine-year-old, school record, by two inches. 99 times out of a 100, such an effort would have made him the hero of the day. Such was not the case this time as 280 pound Eric Warren, with a Herculean effort, hurled the 12 pound shot 56 feet, 5 1/2 inches, shattering the Lake Forest record by some three feet.

The broken record was set by Rob Prutzman, who was state champion, last spring, a mantle which might rest on Warren's mighty shoulders in 1985.

Senior Mike Melvin was a triple winner, capturing the 1600 meters (4.47) and the 800 meters (2.10.9), then combining with Micah Parker, (Delaware's smallest bass singer-hurdler) Keith Smith and Keith Murray, to win the 1600 relay (3.48.2).

Warren, Kermit Mosley and Marvellous Marvin Hicks went 1-2-3, in the shot, while Warren, (140 feet) Barry Chaffinch and Mosley did the same in the discus.

Brian Greenly was third in the pole vault, behind Hutchins and Laurel's Dave McCants, whose father Bill is the Laurel coach. The elder McCants was a state pole vault champ, at Caesar Rodney High.

Robert Young, Tim Harmon and Keith Murray swept the 100 meters. Harmon, Frank Coverdale and Lionel Dixon emulated that feat, at 200 meters.

Harmon, Young, Coverdale and Don Bell annexed the 400 meters relay. Don Bell, Coverdale, Bill Scott and Dexter

Bray completed the sprint domination, by taking the 800 relay in 1.37.9. Bell, at 190 pounds, is larger than many sprinters. He has the strength and speed to become a super quarter miler, in addition to his value in the shorter events.

Bill Scott and Victor Hill were 1-2, in the 400 meters. Scott is a threat to break Nelson Mosley's Spartan mark of 50 seconds flat.

Hurdlers Micah Parker (43.2) and Darren Hammond were first and third, in the 300 intermediates. Hammond was second and Parker third in the 110 highs.

Mark Whidden and Mark Tozer backed up Mike Melvin at 800 meters. Tozer (4.49) and Whidden (4.55) did the same at 1600 meters. Tozer then captured the 3200 in 10.40.7, with Eric Payne (10.55) and Dan Haines completing the sweep. Tozer, a super freshman, thus ran the equivalent of a half mile, a mile and two miles in the same meet. In the fall he runs in three mile races, the cross-country distance.

Yet, quite often this writer will mention the subject of long distance running to thin, wiry, sophomores and juniors and some of them are extremely reluctant to even consider the prospect. Meanwhile, the 14-year old Tozer, continues to collect awards and accolades.

Paul Meding again cleared 6 feet, in the high jump, with Chuck Bell third. Keith Smith triple jumped 41 feet 2 1/2 inches, backed up by Victor Hill and Daryl Baynard.

Oney of Laurel was a winner, in the long jump, at 18 feet 11 inches, but Robert Young and Chuck Bell got the next two places.

Laurel's girls also were swamped as

Carolyn Browne was a triple winner, for Lake Forest. Brown led teammates, Joann Smith and Della Smith, across at 100 meters then recorded a fine 27.8 at 200 meters, with Sharon Coverdale next. Browne, Patti Drew, Joann and Della Smith, relayed 400 meters, in 58.2.

Drew (66.3) Sylvia Hicks were first and second, at 400 meters. Hicks, Melanie Pelton, Sheva Batton and Debbie Jester captured the 1600 relay in 4.36. Batton (53.6) and Jester were first and third, in the 300 meter low hurdles.

Kelli Pelton was a double winner, recording 5.54 (her best of the spring) at 1600 meters with Lori Wilson next (6.05.9). Kelli (13 minutes) and Tara Gladden, got the first two places at 3200 meters. Lori Wilson (2.43.7) was first at 800 meters, with Shirilaine Goodman third.

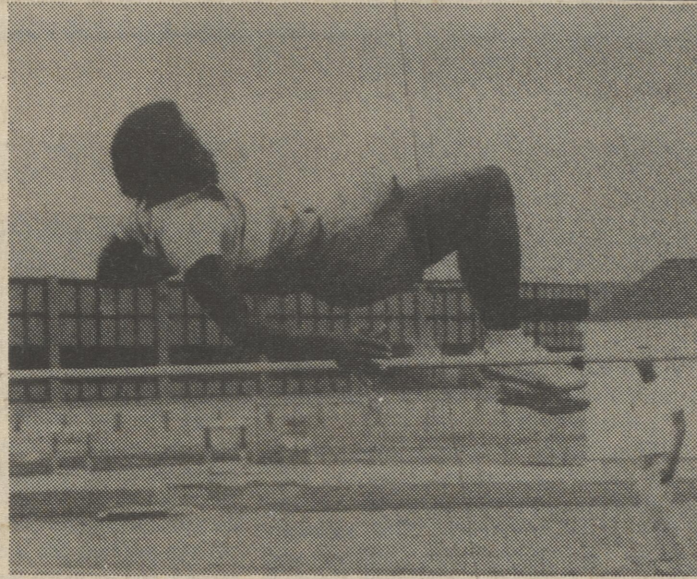

In the field events, Lake Forest captured all five. Jill Wix (75-6 1/2), Angela Mollohan and Mary McGuire, swept the discus. Wix, father Roger Wix, once held the spotlight, a generation ago, at Millsboro. All events were done except the pole vault, in the Henlopen Conference Championship meet. Harrington High won that meet by a scant 1/4 point, when Roger Wix won the pole vault.

Joann Smith (15 feet) and Pam Smith went 1-3, in the long jump. Michelle Briggs (31 feet) and Pam Smith were 1-2, in the triple jump. Patti Drew (4-8) and Mary McGuire were first and third, in the high jump.

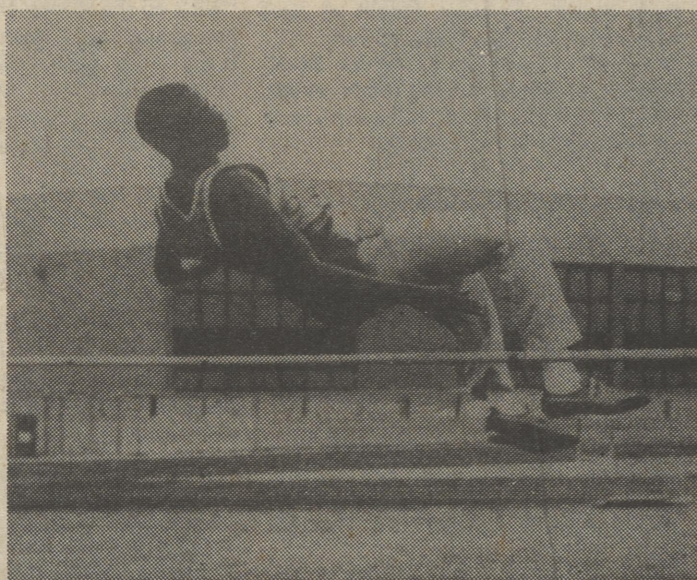

Severa Harris, one of the Henlopen's top shot putters, had another winning effort, in the 35 feet area with Angela Mollohan and Jill Wix completing the sweep.

Indian River trackman lose big here

by Keith S. Burgess

Indian River showed up at Lake Forest last week with several key people missing from both boys and girls squads. At full strength the Indians are probably the weakest teams in the Henlopen Conference.

Brad Morris, the Indians' coach, was an All-American sprinter some ten years ago. Morris and this writer received awards from the Delaware Sports Club in Wilmington in 1975. However, any hope of a strong team at Indian River will have to be shelved until the student body there decides to try the sport in much larger numbers

than at present.

Spartan coach, Jim Blades, attempted to keep the score down, by moving his best people out of certain events. But Indian River still could not capitalize on this situation and lost 138-2 (Boys) and 125-4 (Girls)

Spartans gleam in Multi-team Meet

by Keith Burgess

Jim Blades and his Lake Forest Spartans boys and girls' track teams, did exceedingly well, at Saturday's Diamond State Relays.

The Spartans were up against mostly out-of-state competition, with several states represented, with many athletes from Philadelphia and other cities. The

Baynard Stadium, Wilmington locale, has been the scene of many local triumphs, dating back to 1956.

Spartan athletes captured 44 medals with almost all locals entered sharing in the harvest.

In 10 relay races, Lake Forest scored in nine. Medals were won also in all six

field events.

Top Spartans were Severa Harris and Andrea Mollohan, who captured all-meet honors, in the shot and discus, respectively. Severa topped all distaff shotputters, with 36 feet, 3 inches, her best 1985 throw. Andrea Mollohan has lettered in four sports already, at Lake Forest. As a senior, she is trying track for the first time. She spun the platter 104 feet, to capture the event. The discus is a complicated technique event. You don't learn it in one season, let alone a few weeks. Future rivals will be grateful indeed, that the multi-talented Spartan didn't start this event, at grade 8, like one former Spartan record-holder, who held the discus mark, for eight years.

Ken Hutchins continued his stellar pole vaulting, clearing 12 feet, for second-place overall. Eric Warren was second overall, in the shot, throwing 52 feet 3, behind a Pennsylvania athlete, who had 52-5. Warren had a toss of 56-5, two days earlier.

Barry Chaffinch had a second-place discus throw of 142 feet, 9 inches, with Eric Warren next with 139-6.

Keith D. Smith was fifth in the triple jump, with a fine leap of 43 feet, 3 inches.

The girls 440 yard relay team, won their heat, in 53.3, their best this

spring. Sharon Coverdale, Della Smith, Patti Drew and Carolyn Browne carried the baton. At 880 yards, Pam Smith replaced Della Smith, as the quartet won in 1.54, again the best this year.

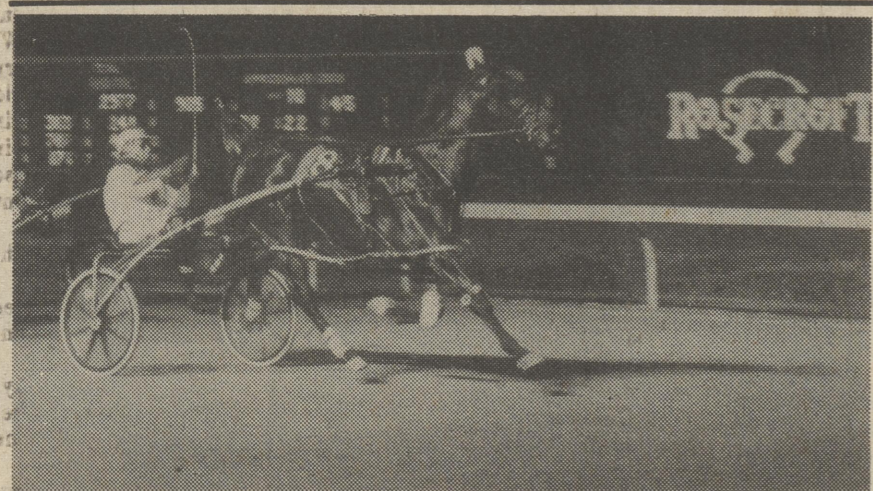

Sylvia Hicks, Melanie Pelton, Sheva Balton and Debbie Jester (4.37.2) were third in the mile relay. In the distance medley, the locals were a close second, with Jester, Drew, Kelli Pelton and Lori Wilson.

The boys won their 440 yard heat in 45.5, best of the season, behind Tim Harmon, Robert Young, Frank Coverdale and Don Bell. Dexter Bray replaced Coverdale on the 880 yard unit. The Spartans triumphed in their heat, in 1.34.1, best of the year.

The mile relay unit was second, in 3.44.3, behind Mike Melvin, Mark Whidden, Darren Hammond and Victor Hill.

The two mile relay heat was captured, in 8.37.7, with Hill, Whidden, Bray and Melvin carrying the stick. The distance medley unit also triumphed, in 11.27, behind Hill, Bray, Melvin and Mark Tozer.

David was up against Goliath again on Saturday and beat the big guy, much of the time, as tiny Lake Forest often finished ahead of larger and much larger schools, from Delaware, Pennsylvania, New Jersey, Maryland, etc.

George S. and driver Eddie Davis, Jr., winning on December 29 at Rosecroft. The 1:57.4 mile clocking over six rivals was the fastest ever at Rosecroft during winter months and was George S.' fourth straight. He has since run that win streak to thirteen.

by Harry G. Farrow, Jr.

Guts and George S., currently two of harness racing's hottest items, clash at Rosecroft in the second leg of the \$328,500 Graduate Pacing Series on Saturday, April 13. The six-race series is open to 4 and 5 year olds and annually attracts the best pacers in North America.

Guts earned \$1,024,967 as a 3 year old in 1984. He made a successful 1985

debut March 30 at The Meadowlands in the first leg of the Graduate, beating 10 rivals in a swift 1:54.3 over the mile track. Guts is driven by "Magic Man" Bill O'Donnell.

George S., with a record of 1:54.3 at The Meadowlands on March 9 this year, has not lost a race since July 8, 1984. The phenomenal four year old's streak presently totals 13 [9 in 1985].

Pit Notes Short takes

by Harry G. Farrow, Jr.

BRISTOL, Tenn. - Ed 'Ace' McCulloch and Billy Ewing each captured their first International Hot Rod Association-Winston national event titles during the Zoom Winter Nationals but in slightly different ways.

McCulloch, 43, Sanger, Calif., took home the Pro Funny Car title when his Miller sponsored Oldsmobile defeated two-time IHRA-Winston world champion Mark Oswald in the finals, 5.988 seconds to 8.771 seconds. The veteran's final round appearance almost didn't surface after he smoked the tires during semifinal action against fellow Miller driver Dale Pulde. In that match-up, Pulde rode out a shakey 5.845 second run at 245.90 miles an hour as McCulloch hazed the tires and clicked off to coast the distance in 25.414 seconds and only 31.99 mph. However, Pulde managed to cross over the outside lane marker, which resulted in his disqualification.

McCulloch collected \$15,000 for his efforts during the event.

Ironically, Ewing, who defeated Morris Johnson in the finals, almost duplicated the feat of Shepherd who won the event in '84.

Shepherd became the first driver to run in the 7.40 second zone, setting a national record of 7.474 seconds on his way to the title last year. Ewing, who runs motors built by the RMS team, missed the mark by .08, hitting 7.478 seconds on his way to victory.

During eliminations, Ewing dominated the field, winning each round by

at least two-tenths of a second. His 7.478 second run at 184.80 in the finals was three-tenths quicker than Johnson's 7.870 run at 173.74.

MILWAUKEE (March 28, 1985) - Danny Sullivan will pilot a new March 85C later this month when he begins his second full season on the \$10 million CART/PPG Indy-Car World Series.

The 35-year-old Kentucky native and former Formula One competitor will race the new Miller American/Penske March, in the 1985 season opener, April 14 in the Toyota Grand Prix of Long Beach. It is Sullivan's first season as a member of the Miller American/Penske team.

Sullivan, drove a Lola throughout most of the 1984 season when he won three races and finished fourth in PPG Cup standings for the National Championship.

"But, the 85C is probably the best engineered car March has built. It reflects some of the better characteristics of the Lola and still retains its own best points," he said.

"Road courses are my strong point," he said. "The Long Beach course is very challenging. With the tight turns, we will probably get into some tough situations and this should make for a fantastic show for the fans. I know the view from my seat is going to be quite interesting."

The Toyota Grand Prix of Long Beach is the first of 14 races on the 1985 CART/PPG Indy-Car World Series,

where points are awarded toward the prestigious PPG Cup.

CHARLOTTE, NC - Jefferson Pilot Teleproductions will originate for a nationwide network of television stations the first running of The Winston, the richest race per mile in auto racing history, from Charlotte Motor Speedway on Saturday, May 25.

The race, to be televised live, is 70 laps (105 miles) and carries a half-million dollar purse. The winner's share is \$200,000 - the largest in NASCAR history. It will feature the previous years' 12 Grand National winners.

Terry Labonte, the defending Winston Cup champion, will sit on the pole. Behind him, in order, will be Darrell Waltrip (7 wins), Harry Gant, Bill Elliott, Geoff Bodine and Cale Yarborough (3 wins each), Dale Earnhardt, Bobby Allison and Richard Petty (2 wins each), and Ricky Rudd, Tim Richmond and Benny Parsons (1 win each).

The Winston, as well as the Coca-Cola World 600, will be carried live on a network of stations from coast-to-coast.

GARDENA, Calif. - A last-lap crash cost Alex Jorgensen a record-tying victory Saturday night (March 30) at Ascot Park, and gave Bubba Shobert his first victory of the still-young 1985 American Motorcyclist Association (AMA) Camel Pro Series. Jorgensen was the night's dominant

rider, despite starting poorly in the 25-lap Camel Pro main event on Ascot's demanding steeplechase dirt track. He stormed from the middle of the pack to take the lead from Shobert on lap nine and pulled away to a comfortable lead until Shobert reapplied the pressure in the closing laps.

When Shobert made a last-turn bid for victory, Jorgensen countered with a different line than he had been riding throughout the race. The strategy failed as "Jorgy" lost control and crashed. He remounted and finished seventh, but had lost his chance to tie Gary Scott's all-time record of five Ascot Steeplechase National wins.

Camel Pro Series point leader Scott Parker qualified for the main event with a third-place finish in his heat race and ran sixth in the feature.

No driver has ever won a NASCAR Winston Cup race after the age of 47, but 50 year old David Pearson believes he will become the first in 1985.

Hoss Ellington, who will turn 50 on May 12, predicts that Pearson's record-setting victory will come "before my birthday."

Both Pearson and Ellington are convinced that the odds are "pretty good" the win will come in the TransSouth 500 on April 14 at Darlington.

Pearson has won more races at the demanding 1.366-mile track than anyone with 10 victories. Seven of Pearson's wins at Darlington

have come in the spring race.

"People are saying a lot of things about Hoss and myself, but I can still win races and so can Hoss," adds Pearson. "I don't have to prove anything," he said.

During the last three years, Pearson drove for the Bobby Hawkins team. But mechanical problems and bad luck haunted this team as Pearson failed to finish 17 of the 28 Winston Cup races he ran during the 1982-83-84 seasons.

When asked if the incentive to win as strong today as it was earlier in his illustrious career, Pearson smiled. "With all the money that Winston now has on the line, I want to win as much, if not more, than before," he replied. "Plus, I think they should pay me the million dollars since I did win those three races in one year and no one else has done it since."

Pearson referred to the driver who wins three of the four crown jewels of the sport - the Daytona 500, the Winston 500, the World 600 and the Southern 500.

Pearson won the Daytona 500, the World 600 and the Southern 500 in 1976. The late LeeRoy Yarbrough was the first driver to accomplish this feat,

which he did in 1969.

"I hate that I'm missing out on The Winston this year," adds the Spartanburg, S.C., veteran. "That is another reason why I want to win a race in 1985. I want to win that \$200,000 next year."

The inaugural Winston will be held May 25 at Charlotte (N.C.) Motor Speedway. To qualify for the NASCAR All-Star race a driver must win a race during the preceding NASCAR Winston Cup season.

The winner of The Winston receives \$200,000 with every starter guaranteed \$10,000.

"I guess Darlington has to be my best shot at qualifying for the 1986 The Winston," continues Pearson.

Qualifying for the TransSouth 500 begins at 8 p.m. on Thursday, April 11, with Pearson hoping to win his 13th pole position at the track.

The Dixie Cup 200 for the Busch Late Model Sportsman drivers will start at 2 p.m. on Saturday, April 13, with the 500 getting the green flag at 1 p.m. on Sunday, April 14. The 500 will be televised live by ESPN.

"Bunny" Burkett fills U.S. 13's Easter Basket

by Don Allen

Carol "Bunny" Burkett made a triumphal return to the U.S. 13 Dragway Easter Sunday to wrestle the Funny Car "King of Kings" championship away from defending king Leroy Dewdney. "Bunny" ran consistently in the high sixes throughout the day with a 6.98 ET, a 6.81 ET and a 6.83 ET to take the final round away from John Paris in his "Yankee Doodle Dandy". Paris made his own Easter contribution to U.S. 13's record books by breaking the track's mile per hour record not once but twice. The old record was 202.93 set by "Bunny" in 1984. Paris turned a 203.16 mph in his second round and an outstanding 210.52 mph in the final round. The final round figures were 6.88 ET/204.09 mph for "Bunny" and an ET 7.08/210.52 mph.

Rob Freels made his first professional start in the Double B's in his 512 cu. in. Rodeck engine Vega "Thriller". Unfortunately Lady Luck didn't smile on his lane and he fell to defeat in the first round.

The Super Pro class provided some heated competition for the crowds as Vernon Russell, 1984 Super Pro Champ Karl Martel, and Melvin Willard burned their way to the top. Russell, aced the top spot with his '87 Camaro when he turned an ET 9.648/138.88 mph as the Tag Team Racer piloted by Willard turned on the red light. This forced Willard into a run-off with Martel for the runner-up slot. Willard

saw red again as Martel took the North Dover Imports Camaro through the traps at an ET 10.124/111.87 mph. Quarter-finals went to Alan Billings and Johnny Ennis.

Donald Lambert captured the Pro honors with an ET 11.374/110.02 mph to put "Stormin'" Norman Layfield in the runner-up slot. Bob Harvey was the semi-finalist.

The Heavy Eliminator for the day was Butch Parrett turning an ET 12.336/108.30. Fred Neidinger, last year's Street champion, was the runner-up with Carole Williamson ending the day as the semi-finalist.

Eric Messick laid claim to the Street title with an ET 17.444/77.08 mph. Mark Walter was the runner-up and Louis Seeney was the semi-finalist.

Neil Taylor took the Pro Bike division with an ET 11.299/117.87 mph dropping Dicky Selter to runner-up as Eric Morris ended the day in the semi-finals.

Junior Eliminator was Jamie Wilson. Alonzo Monokey returned to his winning ways taking the Hot Rod Eliminator with his Vega turning an ET 12.116/86.41 mph.

Next week will be "Super Sunday" as the Super Pro and Pro cars do battle head to head for the cash. Heavy and Street Combo, Pro Bike, Junior and Hot Rod Trophy classes will also be on hand when the gates open at 11:00 a.m. and the eliminations start at 2:30 p.m.

Green captures season opener at Wall Stadium

Wall Township - Vinnie Green started off the 1985 season on the right foot as he captured the thirty five lap modified feature at Wall Stadium Saturday night.

On the start of the race, polesitter Green paced the field of mighty modifieds, but with less than one lap completed, the yellow flag came out for a fourth turn accident involving Tony Ferrante Jr., Doug Wolcott, and Tom Michel. All three drivers were not able to restart the race.

With the green flag flying for the take two restart, Green once again took command of the event as Harry Reed fell into second spot and Steve Ferrara third. The first yellow of the race came out on lap three as Tom McCann hit the fence in turn two.

On the restart, Green once again held onto the lead with Gil Hearne second and John Blewett Jr. third. The red flag flew on lap seven as Blewett tried

to pass Reed on the low side causing both cars to come together needing wrecker service.

With the track cleared and race ready, the field settled into serious driving as Green and Hearne hooked up in a two car battle. The veteran Hearne tried every possible move, but could not pass Green as he went on to record the victory.

Finishing in third was Steve Ferrara as Pete Brittain was fourth and Rick Sendzik fifth.

In the thirty lap sportsman feature, Martin Truex recorded the victory. After taking the lead from Bill Stevens on lap nine, Truex was forced to hold off Kevin Eyres to record the win. Third spot went to Stevens as Alan Wohl was fourth.

Brian Scisco captured the twenty-five lap modern stock feature over Jon Mine.

URC at U.S. 13 - Super way to start 1985

by Don Allen

The 1985 oval track racing season in lower Delaware will open when the U.S. 13 Speedway in Delmar plays host to the Super Sprint Cars of the United Racing Club on Saturday night, April 13th. This will also be URC's season opener and many of the club's winged warriors are sure to be on hand to shake down their new mounts.

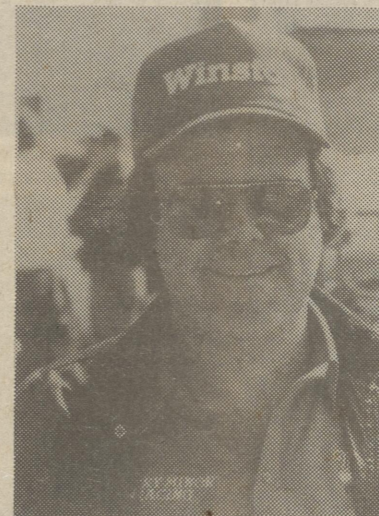

Sharing the evening's program with the sprinters will be the Late Models and Modifieds who will provide their own brand of excitement as they navigate around the half-mile clay oval.

With a record 41 races scheduled at 15 different raceways throughout the northeast, this should be a landmark year for the 37 year-old URC Association. Five of these events will be run at U.S. 13 and these five races will make-up the Delaware State Sprint

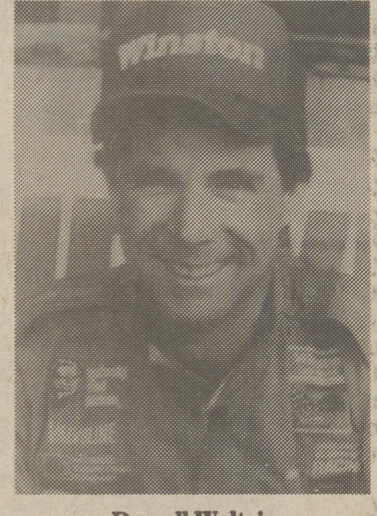

Car Championship Series sponsored again this year by Taylor and Messick, Inc. of Harrington, DE. Dave Kelly claimed this crown in '84 on his way to a third URC season Championship. He will return to defend his titles this year carrying the colors of the Shaeffer Brewing Co. on his Allen chassis #17 racer.

The dates for the other URC shows at U.S. 13 are June 22nd, July 20th, August 31st and the final race in the URC season points battle September 14th.

On April 13th the speedway's gates will open at 5:30 p.m. with the first heat race beginning at 7:30 p.m. Seeing the colorful spectacle provided by these 1600 lb., glistening, winged speed buggies is a must for anyone who enjoys the thrill of true competition.

Auto license revocation for school offenders

State Representative William A. Oberle, Jr. (R-Majority Leader, Scottfield), has introduced a bill that penalizes students who have been expelled from school with the loss of their driver's license.

The bill is expressly aimed at those, under the age of 18, who have been expelled from public school for reasons such as uncontrollable disruptive behavior or disregard of lawful authority.

In discussing his rationale for preparing the legislation, Rep. Oberle said, regretably, the untamed share classrooms and other school facilities with students who are there to learn. These are the ones who say their freedom 'at whatever cost' is more important than their responsibilities. In freedom's name they transgress upon the rights of other students and mock school authorities.

License suspension for poor grades

The parents of minors who are doing poorly in school could elect to have their children's auto licenses suspended under legislation introduced by State Representative William A. Oberle, Jr. (R-Scottfield)

Specifically, parents or legal guardians of minors could have the Division of Motor Vehicles suspend the minor's license upon certifying that their child's academic performance was inadequate.

License suspensions under this bill would be for a period of one month. The legislation requires a two-thirds vote of the General Assembly for passage.

Letters to the Editor

Dear Editor:

It is the policy of the Delaware Insurance Department not to allow inaccuracies which appear in the press to remain unanswered when we become aware of such inaccuracies.

Two letters going the rounds in the Sussex County press reflect total inaccuracies regarding dedicated employees of the Delaware Insurance Department. These letters purport to be criticism of a speech made by Ms. Beverly Moyer, who for the past four years has been the administrative assistant to the former Insurance Commissioner, David H. Elliott, and is now the administrative assistant to the current Insurance Commissioner, David N. Levinson.

The first letter signed by Nellie Chandler of Milton states that she read where Beverly Moyer gave a speech full of criticism of David Elliott. In fact, the only report of Ms. Moyer's speech appeared in the *Seaford Banner* (copy attached). No critical comment whatsoever of the former Commissioner was reported by the paper as having been a part of Ms. Moyer's speech.

The second letter signed by Eva Gruwell of Felton asserts that a Delaware charter granted in the closing days of 1984 by the former Commissioner must have been proper because it was approved by "experts"

within the Insurance Department who have since been promoted by the current Insurance Commissioner.

In fact, those responsible for such activities within the Department opposed, in writing (copy attached), the granting of the charter. They were overruled by the former Commissioner and his out-of-state consultants. These consultants have now been relieved of their responsibilities. Thus, Eva Gruwell's letter is totally inaccurate and an unfair reflection upon long-standing employees of the Delaware Insurance Department who are now attempting, with the bipartisan support of the Delaware Legislature and the current administration, to correct past deficiencies.

We are certain that the ladies who signed these letters, both of whom admit they did not attend the speech and who obviously did not read or understand the accurate account of it in the *Seaford Banner*, were misinformed. We would suggest that all those who sign their name to a letter first ascertain the accuracy of its contents.

Sincerely,

Catherine S. Mulholland
Deputy Insurance Commissioner

Dear Editor:

As a community coordinator for the Washington-based Close Up Foundation, I recently had the opportunity to work with approximately 129 high school students from across Delaware who traveled to the capital city to participate in the Close Up Foundation government studies program.

Over the past several weeks, Delaware students participated in a series of week-long seminars on the issues and processes of the federal government as they questioned members of Congress, political experts, lobbyists, journalists, and policy-makers. The students behaved maturely and responsibly and were always prepared to ask intelligent and pertinent questions of the speakers.

The students were not selected based on academic achievements nor on extracurricular involvement or on ability to pay; the program was open to anyone. Through the diversity of students, they shared their viewpoints on the issues facing the nation.

Dear Editor:

I hope Delawareans opposed to the brutal slaughter of the North Pacific Fur Seals join Senator Roth in writing letters to Secretary of State George Shultz and ask the treaty allowing it not receive ratification should it come before the Senate.

Not only is the slaughter brutal, it is

causing the seal population to decline. Why do we continue and in fact, even subsidize it?

I want to applaud everyone whose combined efforts make the program a successful one for the students.

Sincerely,

Susan Goldberg
Community Coordinator

Lynchburg College to offer Scholarship

The Hopwood Summer Scholarship Program for high school juniors will be offered again this year by Lynchburg College. The program is based upon participation in a one-week summer college course to be held July 28-Aug. 3.

On the basis of the student's work in the summer course and high school records, Preliminary Scholastic Aptitude Test scores, and recommendations, he or she may be awarded a four-year Hopwood Scholarship in the amount of \$2500 a year toward tuition at Lynchburg College, effective upon completion of the student's senior year in high school. Up to 20 percent of the participants will be chosen for the Hopwood Scholarships by a special committee appointed by Dr. George N. Rainsford, College president.

High school students who will be seniors in 1985-86 and are currently in the top 20 percent of their classes are eligible to apply. Application forms are available from the dean of the College, and the application deadline is May 10.

This year there will be courses offered in accounting, architecture, art, biology, business, chemistry, computer science, drama, economics, history, music, nursing, ROTC, philosophy, physics, psychology and sociology.

The scholarship program is named for the College's founder and first president, Dr. Josephus Hopwood, and is made possible by the T. Brady Saunders Scholarship Fund. The late Mr. Saunders was a Virginia industrialist who was interested in promoting private higher education.

Ham Asparagus Rolls wins First Prize for Tammy Rust, Harrington Sunshine 4-H Club.

4-H Blue Ribbon Cooks

Nellie Stokes Elementary School, Camden had the wonderful aroma of many different foods as nearly 100 4-H'ers from throughout Kent County participated in the 1985 4-H Favorite Foods Contest. The contest is designed to allow 4-H'ers taking the foods and nutrition projects to bring a favorite food that has been prepared at home, along with the appropriate place setting and a balanced menu for the day. As one 4-H'er stated, this contest let us explore new recipes that we might not normally try. Dishes ranged from Hummingbird Cake to Chicken Meringue Soup. Another important aspect of the contest is for 4-H'ers to gain knowledge about good nutrition

Area winners were: Tammy Rust, 1st prize for her Ham Asparagus Rolls; Elaine Zeitler, 1st prize for her Layered Salad; Chris Masten, Senior Appetizer top honors for his Chicken Meringue Soup.

and meal planning. The five categories offered this year were: breads, meat and main dish; fruits and vegetables; dessert; appetizers; soup or hors d'oeuvres.

Each food dish was judged on eye appeal, flavor, texture and being properly cooked. The contest is sponsored by the Delaware 4-H Foundation and the University of Delaware Cooperative Extension Service.

Castle will welcome visitors on The Green the following morning after a parade through downtown Dover.

A multitude of events are included in Old Dover Days plans for Saturday: the traditional maypole dancing and games, children dancing in costume, the arts and crafts show, exhibits, the Governor's tea and the candlelight concert by the Dover Early Music Consort.

Tickets for Old Dover Days will be available at the ticket booth on The Plaza in downtown Dover the week preceding the activities. Tickets are available now at the Visitors Center, Forney's, Boaman's, Muriel's Gallery, Dorian's and The Kitchen Cupboard. Proceeds go toward the preservation and acquisition of trees for the City of Dover.

New Extension Agent for Sussex County

Former North Carolina county agent Bill Jester has joined the Sussex County staff of the Delaware Cooperative Extension Service.

Jester is a native of Wicomico County, Md. He holds a bachelor's degree in botany from the University of Maryland-College Park and a master's degree in plant science/plant pathology from the University of Delaware. He wrote his master's thesis on the influence of tillage (till vs. no-till) on soybean root rot. He has also done graduate study at Iowa State University and North Carolina State University.

No stranger to Delaware agriculture, Jester worked from 1974 to 1978 as a field representative for Green Giant Company, supervising Sussex County pea and snap bean acreage.

He moved to Columbia, N.C., to become a county extension agricultural agent, working primarily with field crops—corn, soybeans and small grains, as well as vegetables. He was promoted later to the post of county extension chairman in Hertford, N.C.

During his five year tenure in North Carolina, Jester conducted a number of successful educational programs, including one designed to help soybean producers switch to more profitable narrow row spacing. He also helped farmers find alternative crops to rotate with soybeans for control of the soybean cyst nematode. And he helped

Thank You! It was a Spectacular, Fantastic, Bazaar! Due solely to the participation of everyone!

The Doers-Givers-Buyers-Lookers-Well Wishers-The Past-all contributed to the huge success of the Bazaar of March 29, 1985.

Gene, our Director greeted the festive crowd at 9:58 and wished everyone a grand time and opened the Bazaar. It was a lovely time. Maurice Adams, the chairman was overwhelmed with the Best Spring Bazaar ever and thanks to everyone as stated for everything!

Bible Study with Sylvia, March 25 - Virginia at the piano. Sylvia said, "The Bible is our road map." Study was Luke 18-Verses 8 thru 14. Sylvia offered prayer. April 1, 1985, Pastor Watson as leader of Bible Study and he took as the study Matthew 21-Verses 1-11, Hebrews 12-Verses 2. (Triumph Entry) Prayers by Pastor Watson. Piano, Mrs. Watson (Mildred). Enjoying either one or both Happy Hours, singing of the favorite hymns or in other words getting a wonderful start in the week were Catherine Donovan, Mildred Vincent, Thelma Legates, Gladys Hill, Mamie Adams, Marjorie Phillips, Jo Burke, Martha Porter, Ruth Vincent, Frances Wright, Mary Sapp, Ola Tilden, Frieda Wilcutts, Etzel McCready, Marion Brown, Elwood Morris, Cecil Meredith, and Edgar Porter.

Bible Study and discussion is a marvelous time at the Center. Just drop in and see and hear for yourself.

Friendly visiting with the chorus at Courtland Manor Monday p.m. Keith Burgess and Russell Legates sang two duets, "Beautiful Isle of Somewhere" and "Have Thine Own Way". Virginia Smith was at the piano and Sylvia assisted as well as directed. Others making the visit pleasurable to all concerned were Mamie, Gladys, Mildred V., Etzel, Frances, Mary Dobraski, Catherine Stevens, Edgar and Martha, Amy, Ola, Cecil, Elwood.

Under the direction of Sylvia, The Jolly Timers make Tuesday morning at the Center a time to rejoice. Listen and you will agree. Their eyes sparkle even if it is raining outside. For inside the Jolly Timers are happy and ready to smile and play and sing! Anchoring in were Annabel Morrow, Lillie McBride, Ella Golt, Amy, Mildred V., Virginia S., Cecil, Bertha, Dean, Mamie, Ola,

Helen, Robbins, Marjorie P., Frances, Marion, Elwood, Marie Wheeler, Lola O'Day, Gladys, Mary Dobraski, Pauline Legates, and Charlie Sharp. Wednesday the Senior Chorus holds the stage and, well, there is always room for one more. Make your appearance and sing as tho you really wanted to.

Wednesday was also card day for me and Mary C. Nelson was the hostess. The weather was dismal when we entered her home but we soon forgot that as the lovely Easter decorations greeted us. The tables were beautifully set with daffodils as the flowers, other decorations were peek a booping from several other niches. Dessert was as pretty and as tasty as any Easter basket. Sherbert and several kinds of crisp, fresh fruit. Delicious and oh so pretty and crackers, nuts, candy-eggs wrapped in bright but beautiful foil, cheese, coffee and later punch. After such a lovely party I still have to report, Mary E. was high scorer again, Virginia Witley was second. Others helping them with their scores were Ethel Rapp, Hazel Langrell, Ruth Powell, Mildred Wagner and Kathryn Smith.

Thursday, April 4, 1985, I shall never forget. Thanks to a great group of people that attended the Senior Center that day and greeted me, two of my daughters Penny and Gene and grandson Troy. The kind remembrances you gave were greatly appreciated and shall enjoy them everyone. Tears were plentiful but tears came from a thankful heart. Thankful to have been a part of Harrington Senior Center. I'm remembering many, many of you who over the years have worked in and produced some very lovely ceramics. You know for sure it has been a good time in my life and I thank you so very much, more than words can tell. Take Care. Be kind to each other. Best wishes to all. Have you been to the Center lately? Have you made a new friend lately? Any pool lately? How about Bingo? The meals are tasty and eaten with some chatter it is so much nicer. Make a visit to the Center, you will be glad you did.

Thanks again to all who participated in my party, you made me very happy and shall remember it always. May God Bless You Everyone! Faith.

Harrington Sunshine 4-H'er Elaine Zeitler wins First Prize with Layered Salad.

Senior Appetizer top honors go to Chris Masten, Harrington Sunshine with Chicken Meringue Soup.

and West Streets, Wilmington, at 7:30 p.m., April 10, when he presents his credentials to diocesan representatives, led by the man who has served as Administrator of the diocese in the absence of a bishop, the Rev. Msgr. Paul J. Taggart.

The following day, at St. Elizabeth's Church at 2 p.m., an installation ceremony with nearly 60 bishops participating will take place. Main celebrant at the service will be the Most Rev. William D. Borders, Archbishop of Baltimore. Archbishop Pio Laghi, Pope John Paul II's personal representative in Washington, D.C., will speak on behalf of the Pope.

Ecumenical leaders from major religious denominations and civic leaders have indicated they will be present for

the installation ceremony. A large delegation of persons from Manchester as well as representatives from the parishes in Delaware and the Eastern Shore of Maryland will be in the congregation.

The new head of the area Catholics will begin his contact with the diocese immediately following his installation. He will participate in a major conference on pornography on April 13, at St. Catherine of Siena church, Wilmington. Later in the day he will visit Holy Name of Jesus church and celebrate Mass in Pocomoke City, Maryland. The next morning, April 14, he will be at St. Francis de Sales church in Salisbury, Maryland. That afternoon he will administer the sacrament of Confirmation at Our Lady of Lourdes church in Seaford, Delaware.

Lynch Heights Baptist Church to hold Revival

Lynch Heights Baptist Church will be holding its Spring Revival Services, with the theme "Come Unto Me"...on April 14 through 17. Services will be held at 11:00 a.m. and 7:00 p.m. on Sunday, and 7:30 p.m. Monday through Wednesday evening.

Rev. Walter D. Agnor, Director of Missions for Eastern Baptist Association for the Eastern Shore of Maryland, will be the guest Evangelist.

Rev. Agnor and his wife, Betty, grew up within a few blocks of each other in Baltimore. He served in the U.S. Marine Corps and was born again during that time.

Rev. Agnor is a graduate of Philadelphia College of Bible and he continued his studies at a variety of colleges and universities while succeeding pastorates.

He has pastored in Maryland, and served as a Missionary for the Home Mission Board for seven years, at which time he pioneered work in

Delaware, and later in Connecticut. The work he pioneered in Delaware is known as First Southern Baptist in Dover. Rev. Agnor also served 12 years as Pastor of the Berwyn Baptist Church in the suburbs of Washington, D.C.

Since 1977 Rev. Agnor served six years as Director of Missions for the Susquehanna Baptist Association, and now as Director of the Eastern Shore. Brother Agnor is a man with an evangelistic fervor, who knows the Lord and is able and willing to share the love of God to others.

Lynch Heights Baptist Church is located 3 miles north of Milford, Delaware, on U.S. 113 South. There will be special music nightly and a nursery will be provided each service for birth through 3 years of age.

We cordially invite everyone to come and hear this man of God, and to share in the worship experience in singing and praising God.
