Parker steps down from Bank Board

by Harry G. Farrow, Jr.
HARRINGTON. William F. (Bill) Parker submitted a letter of resignation from the Board of Directors of The Peoples Bank of Harrington effective January 24th, 1985. Parker citing his

age as being the main factor for his resignation. "I feel banking, as it is done today, is for the young and of course more experienced", said Parker a lifelong native of the Harrington area...and one of the foremost promoters of this area.

Parker lives on his farm near Burrs-

ville. Over the years he has blocked up over 1,000 acres around that village where he raised some of the best tomatoes and grain as well as developing one of the very finest breed of harness horse trotters in the state and nation. Long regarded as an expert when it came to judging horse flesh, Parker is respected for developing the strain the latest of which produced

Directors of the Peoples Bank of Harrington in 1960. He continues to serve as a Director of the Delaware State Fair where he has served for the past 23 years. He has served also as a Director of the Racing Board of Harrington Raceway. He was a member of the Harness Racing commission for 6 years where he was responsible for proposing legislation for the Delaware Development Fund. He personally was the force behind re-writing the Harness Horse rules as they applied here in Delaware. One of the most important points coming out of that was to hold hearings on enfractions here in Delaware instead of holding them at the U.S.T.A. headquarters in Columbus, Ohio.

Parker also personally guided the acquisition of the Harrington Raceway stock held by John Rollins for the Fair and spear-headed the plans for enclosing the present grandstand. His personal overseeing of the project Parker was appointed to the Board of saved the Fair an estimated \$325,000.

it was just an unwritten law...that you back together regarding the American Legion Post, it was Parker who was right there in the background lending his support. Parker saw action in the South Pacific in the Army Air Corps having enlisted in 1942 and discharged in 1946. He was the Crew Chief of a radar outfit.

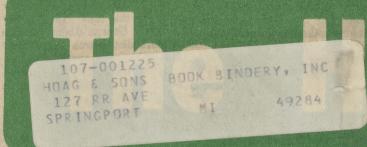

Parker says of himself "...people tell me that I am hard-headed and disagreeable. Maybe it appears that way to some, but when I know I am right no one can change me. It is only on those occasions that I speak out. Maybe to some it seems like all of the time",

Parker had a reputation for having... not just good harness horses...but great ones. "The one you might say got me started was the man...I feel was the

Parker picking up the pieces and putting them recounts the time he went out to see Mr. Clukey to make a deal for a horse...what a deal this was later to prove to be. "I think that I had in mind to get in the breeding business. I wanted a good horse...trotter...so I thought I would go out and get the kind of breeding I needed for a good race horse", he said. He took a colt with him by the name of Misty Hayes. "I sold Mr. Clukey the young colt and took to boot a mare by the name of Flow Bee",

The Clukeys couldn't do anything with Flow Bee. One day she would trot and the very next day she would pace up a storm. "They never gave her a record due to her disposition. They couldn't get her going. She broke loose from them one time...and they all but

Delmarva Power introduces new bill format

In an effort to provide more useful information to customers, Delmarva Power & Light Company has developed a new bill format. The new bill debuts in May for 300,000 customers on the Delmarva Peninsula Two new items are:

• An energy comparison chart which shows customers the amount of energy used in the current month, in the preceding month and in the same month the

• A step-by-step calculation of the bill. Many of the consumers said that they wanted to see bill calculations. The calculations were added.

The company wanted to print a bar graph of customers' energy use over the past year--a popular trend in the utility industry. Customers said that many people did not use graphs regularly and the proposed graph would clutter the bill. The simpler chart was used instead.

Webb renamed Extension Weed Specialist for Delaware

University of Delaware extension specialist Frank Webb has been reassigned from agronomic crops to weeds. This shift in specialty area is in response to increased grower need for help with weed control.

As a crops specialist, over the past few years Webb has become increasingly involved in herbicide screening and weed control through his work on production systems, particularly for no-till corn and full season no-till soybeans, and in variety trials for small grains.

Webb has been serving as weed specialist since last fall.

The Harrington Senior Center last week was notified by the Mayor that they were the recipient of a commu-nity Development Block Grant in the amount of \$50,000.00 for their expansion project. The center members, with a lot of community support and donations, has had a building fund in effect for almost two years. To date, over \$27,000.00 has been raised right here in town. Such projects as bazaars, Heritage Day Sales, Baked Goods Sales, Raffles, and donations to the 'Square Foot Club'. For the donation of \$50.00, a person was deeded a Square Foot of the New Building Project. "Of course, this is just in fun, and no pro-ration of taxes, water and sewer will be charged to their square foot of property," Gene Price, Director of the Center said jokingly. The community has been very supportive to the center for this project. Quite a few of the businesses are members of the Square Foot Club. A chart appears in the building at present. "Of course, we are also very appreciative of those donations of \$1.00, \$5.00 and up. It all adds up." Price added. The building expansion will basically consist of a large congregate dining area and commercial

gave up on her. Except one time they were training her on the pace...and it was one of those times when she wanted to trot. She bowed a tendon, and that was the end of her racing career", added Parker.

Even though Misty Hayes went on to win over \$60,000 for Clukey and a mark of 2:01, Parker came out further ahead. It was from that dam that produced Mr. Regal who was a season champion at two with career winnings of over \$215,000. He was injured as a 3 year old. That same dam produced Flowing Beauty also a season champion and the dam of Perfect Beauty, who trotted the second fastest time as a 2 year old in the history of the sport.

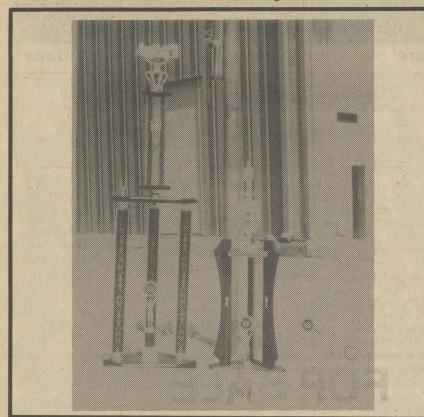

Again Parker gives credit where credit is due. "Mr. Clukey said always breed (Flow Bee) to a trotter. And he

was absolutely right", added Parker. But when it comes to giving credit where credit is due, Parker stated without hesitation "...that the trainer of Perfect Beauty...Sammy Matthews deserves a great deal of credit. I give the boy a lot of credit for making Perfect Beauty what she was. He harks back again to Mr. Clukey where he learned how to take care of a horse and train one. I know that he can train a horse...particularly a trotter", added Parker. That statement could be classified as the "shot heard round the world." No one...no one to my knowledge has ever publically paid that tribute and respect to Sam remember it came from a person who would recognize a talent in others and be the first to speak out. It also comes from a well respected person with lofty standards and morals.

Parker was Chairman of the committee to purchase the properties which currently make up the land on which the Peoples Bank is located.

Parker states that the Peoples Bank is on very solid ground and should remain a bank composed of local stockholders. "It has always been a bank doing the very best for the community. And as a result it has always had the support of local people", said Parker. In conclusion, he wishes to thank the community for their support while he served on the Bank Board.

Bill Parker was first in his accounting class at Beacom Business College where he graduated in 1937. He has since those days developed a successful career. He was a partner with Ben Hughes in the Parker-Hughes Tomato factory at Burrsville, and later at the Hi-Grade Dairy. He sold his interest in the Dairy to Mr. Hughes. He is a member of the Burrsville Ruritan Club and the Farm Bureau. Still the closest thing to his heart probably is harness horses. He knew how to find champions. "Three times I bred my mares to world champion...Super Bowl...and three times I struck out. I developed my horses through local breeding", added Parker. That says something for the man...and for the pattern his life has taken. Bill Parker deserves...and commands a loft-level of deep respect Matthews. It was long over-due...but in this community as well as one never to be forgotten.

Dickinson Medical Group names new administrator

Joseph R. Stokes, 33, a native Dickinson Medical Group's new ad-Milfordian has been selected as ministrator.

Joe Stokes

Joe, a graduate of Milford Senior High School and the University of Delaware, holds a Bachelors Degree in Business Administration. He hopes to achieve a Masters in Business Administration in the near future, as well.

The medical field is not new to Joe who for the past five years has been employed by Beebe Hospital in Lewes, Delaware, as Manager of Business Services. Prior to this he had obtained over seven years of financial management experience in the banking field. When approached about what his ideas and goals were for Dickinson, Joe expressed a strong desire to continue DMG's tradition of providing quality medical care for it's patients. He plans to develop inovative ways to expand our patient services.

Joe is married to the former Terry Gallo of Harrington. They reside in Milford with their three children and for recreation enjoy sporting activities, going to the beach and traveling when

saved the victim's life.

Lobo was heard to have said later to his father Dr. Vincent Lobo of Harrington that he would not have been able to perform as he did without the life saving course taught by Denny Berry, the former acquatics director at Lake Forest. "Steven...knew exactly what to do. It was really a classic case in life saving", said Berry later. "I am very proud of Steven", added Berry.

CITATION TO STEVEN LOBO For selfless and humane action in saving the life of a victim of a near-drowning accident

On May 19, 1984, Mr. Lobo, trained in Red Cross water safety, was at home when he observed a young man caught in an ocean current. After entering the water with his surfboard, Mr. Lobo paddled to the victim, grabbed him and returned him to shore. He continued first aid measures until an ambulance arrived. Without doubt, the rescue by Mr. Lobo saved the victim's life.

For this act of mercy Mr. Lobo has been named to receive the Red Cross Certificate of Merit. This is the highest award given by the American Red Cross to a person who saves or sustains a life by using skills and knowledge learned in a volunteer training program offered by the Red Cross in first aid, small craft or water safety. The Certificate bears the original signatures of the President of the United States, Honorary Chairman, and Jerome H. Holland, Chairman of the American Red Cross.

This action exemplifies the highest ideal of the concern of one human being for another who is in distress.

people were badly hurt late Monday night in the fiery collision of a compact car and chemical tank truck on U.S. 113 at Redden State Forest.

State police said the tractor-trailer tank truck, which was carrying toxic ammonium hydroxide methynol, overturned and caught fire. Unidentified motorists pulled the three victims from the burning wreckage. The road was closed for about nine hours, police said. Michael W. Wimer, of near Milford, was dead on arrival at Milford Memorial Hospital, police said.

Wimer's passenger, Brenda Pruitt, 13, of near Georgetown, was in critical condition Tuesday night at the Milford

The Trucker, Otis Rayford, 48, of Opa-Locka, Fla., was in fair condition at the same hospital with second-degree burns over 18 percent of his body. Cpl. Gerald R. Pepper Jr., a state police spokesman, said the accident occurred when Wimer, who was driving west on Sussex 565, failed to stop at the intersection with U.S. 113 about 10:55 p.m. Wimer apparently made a wide right turn entering the northbound lanes of U.S. 113 and crossed the center line into the southbound lanes.

Rayford, who was travelling south, swerved to the left to avoid a collision, but Wimer also steered back into the northbound lanes at the same time and the vehicles collided head-on, Pepper

Volunteers from Georgetown, Ellendale, Milton, Greenwood, Millsboro and Bridgeville fire companies extinguished the blaze.

Police closed the road for nearly nine hours while the wreckage was cleared, and the chemical cargo was off-loaded

to another truck The State Emergency Response Team supervised removal of the chemical from Rayford's truck, the police said there was no leakage. The chemical is

an irritant and is toxic if ingested. Wimer is the 24th person to die on Delaware roads this year, compared with 25 at this time last year.

Funeral services were Saturday, April 27 at 1 p.m. in Berry Funeral Home, Northwest Front Street, Milford, where friends called Friday from 7 to 9 p.m. Burial was in Odd Fellows

Cemetery, Milford. Wimer was employed briefly in the packaging department at Perdue Inc. in Georgetown. He is survived by his wife, Pamela; his parents, Betty C. and Lurdy of Milford; three brothers, Robert Lee of Landover, Md., David Ray of Milford and James Wilson of Bowie, Md., and four sisters, Patricia Mae Washington, Diana Lynn Messick and Barbara Ann Wimer, all of Milford, and Betty Jean Wimer of Harrington.

Days of Our Years by Anne Paladino

30 Years Ago Taylor's Hardware, your Frigidaire dealer, wishes to thank everyone who attended their open house and for making it a success.

Four houses are under construction here. Pat Fry is building one south of the Delaware Power and Light substation, on the former Pete Derrickson property. Frank Wright is building one on U.S. 13 near the Chicken Basket. Mrs. Geneva Brittingham is building one in Harrington Manor, and Kenneth Tatman is building one on U.S. 13.

Mr. and Mrs. James Harmstead, of New Jersey, were guests of Mr. and Mrs. W. A. Wheeler at their new home in Wheeler's Park, Sunday.

Mrs. C. Thorp Harrington and Mrs. Charles Peck, Jr. entertained several friends at a bridge luncheon at the home of the latter Thursday afternoon. Artie Taylor celebrated his 8th birthday last Thursday with a number of his classmates and friends. Decorations were of cowboys. Artie is the son of Mr. and

Mrs. Leonard Taylor. Specials at Wilbur E. Jacobs General Merchandise Store: 2 qt. Pyrek covered casserole, flamingo or lime, \$1.50; 91/2" pie plate 69 cents; 16 pc. starter sets, pyrex dinnerware \$6.95.

This week at the Reese Theatre: Betty Grable and Jack Lemmon, "Three For The Show", Johnny Weissmuller, "Jungle Moon Men".

Senior Center

Before we get to the Business at hand, the Center News, we would like to say "Thank-you" to Dorothy Graham who wrote this column for many years. As most of you know, Dorothy is now working with another program and not at the Center. Along with this special thank-you goes a Get Well Soon. Dorothy has been in the hospital recently and we hope that she will soon be well and able to come by the Center when she can.

Now for the News: May is Older Americans Month and we will be having a couple of special events planned to celebrate, so watch for future columns. But as always, we don't want you to forget our standard activities.

Wednesday Mornings always welcome the sweet music of the Senior Sounds. A wonderful group the 'songbirds', who entertain at local functions such as Heritage Day and also at the local nursing homes. The group welcomes new members, so if you are interested, 60 or older, just stop by the Center and talk to Sylvia Meredith. Thursdays are always crafts day. These ladies work year round to bring

you the wonderful items you see at their bazaars, Heritage Day, and everyday right in the Center in their Arts and Crafts cabinet. A lot of people don't realize that you may stop by the Center any day Monday-Friday and look at some of their lovely items. Also, if you are interested in helping with crafts, learning crafts, or if you have a craft that you would like to teach, please contact the Center. Every Monday is Bible Study (May 6th with Rev. Watson of the Baptist Church). Local ministers take alternate Mondays, volunteering their time to conduct our very popular Bible Study groups. You are invited to participate in these study groups also. Tuesdays are also Music Days, but its the Jolly Timers Kitchen locally and at nursing homes. On Mondays, Wednesdays, and Fridays, the ceramic rrom is open for your enjoyment. If you have ever done ceramics, or perhaps you just would like to try, these are your days. Many of our ladies have been working in this area for years and would be willing to share some of their knowledge. So you

This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on the yesterdays.'

Greenwood by Pat Hatfield 349-4255

Crafts and Hobby Show sponsored by tures; Dorothy Walsh, ceramics and the Greenwood Library was the very best one yet. Each entry was outstanding. I went around with my little notebook so I could make a report to those who were not able to attend.

First of all, I chatted with my dear friend and neighbor, Charles Jones who was there with a portion of his coin collection. This year it was nickels.

Mary Catherine Warnick had needlework, Florence and Kathryn Eash, stuffed animals, Linda Zeroles and Beverly Breeding, cake and cake decorating. Clara Scull's flower arrangements were lovely. Mary Miller had hand painted saws and other tools, Mary Esther Mills and Joan Mills, basketry, art work and needlework; Donna Yoder, a child's quilt and sampler; Thelma Schultz, sweaters; R. Yutzg, handcrafts and basketry; Lottie Adams, flower arrangement and latchhook rug, Lorna Outten; Celia Miller with pictures.

Greenwood Cheer Center had a wonderful long table with lovely gifts and they also displayed two quilts. The quilt by the Greenwood Mennonite folk to be sold at their school was lovely. They also had more quilts, one a Star quilt made by Sue Yoder, 84 years old,

and quilted by Mary Miller. Kathleen Cannon and Natalie Cannon showed framed pictures; Darlene Chisenhall, child's quilt and rag dolls; Rose Babinski, quilts and pillows.

Charles Parks was there again with his beautiful small items of furniture and his wife, Sarah displayed her wonderful sewing ability. Molly Charlton had needlework, Peggy Mitchell, table mats and cloths, Susan Shupp,

Mary Jane Baker, a large picture in wool and a handpainted guitar. Tonia Gleason, framed pictures, and Kurtis Miller shared his stamp collection.

I really believe that the Annual Arts, Sylvia Swartzentruber, framed picsea fowl.

Doris Mills had an outstanding display of sweaters in many colors and suggestions for the proper necklaces to wear with them. The Elliors were there with many items; June Bostick, embroidered pictures; Ellen Golt, pillow; Winnie Vincent, wonderful cross stitch items.

Since I am as fond of dolls as any little girl, I was fascinated by the large table of dolls shown by Doris Griffin, tel: 349-4195. These exquisite dolls wore hand crochets garments and each had the most luscious names. I must share them: Watermelon Slice, Blueberry Cup Cake, Cherries Jubilee, Peppermint Stick, Pink Lemonade, Orange Marmalade, Oatmeal Cookies, Strawberry Jam, Grape Jelly, Banana Split, Chocolate Chip, Rainbow Slush, Gumdrop and Raspberry Fluff.
There we have it. Now I am old and do

not see too well, so if I have missed someone, please forgive me. It was certainly not intentional.

The Greenwood Library would like to thank all who helped to make their Annual Arts, Crafts and Hobbies Show the success that it was. Thanks to all who exhibited, all who attended, and to Mary Mills and Earl O'Bier and the hosts and hostesses for all their cooperation. A special thanks to the local post VFW for their help and splendid cooperation.

The Library wished to urge those interested in Soap Carving, to come to the library on May 2 at 4 p.m. Mary Mills will be on hand to help. Bring a cake of Ivory Soap and a knife.

Also on May 6, 13, and 20th there will be a series of workshops on Child Care at the library. This will be a good chance for would-be baby sitters to get excellent pointers. Call for details.

Happy Birthday May Folk! Thank All Volunteers!

Smile! Thinking of you and just dropping in-to chat just a minute-and see how you've been. Our visits have been many-enjoyed each one. Best wishes to All-under the sun!

Listen, my Friends, this last column by me for the H.S.C. is really sad and hard for me to write. This will probably be a letter of Remembering!

Remembering all the folk that go and have gone into making H.S.C. a pleasant, friendly, efficient place to come together. Sharing ideas, views, meals, joys and sorrows are always better done at the H.S.C. Then there are hobby's, church, children, grandchildren and yes, great-grandchildren (and so on). Trips are high on the agendal Programs many and varied, from the Beauty Class with Kathryn Smith to the programs on arthritis, Legal Aid, etc. (You name it, H.S.C. has it available for your use.) Birthday Party Time is a must, seems everyone is tuned up and ready to communicate. Besides all that there is, cake and ice cream, as well as singing! Maybe you like to play cards, there's a time for that. If Arts & Crafts is your thing believe me, you will find someone to help you in your desire. Ruth Bradley's hands are never idle, Amy Poynter's needle is forever busy. Dolores Wagner, Velma Whitley, Jo Burke, Clara West, Edna Heiser, Lillian Pearson are usually geared to ceramics, tho they also do many other lovelies. Barbara Evans, Jeannette Legates, Mildred Minner, Catherine Donovan, Catherine Calvert, Virginia Smith, Mary Perry, Myra Hargrove, Lorain Scarborough, Lorene Barker, Phylis Clink, Louis Henry and many others may be seen busily engaged in crafts for the Craft shop. They share patterns and ideas. Wish I knew all or some of the folk that deliver all ready-made crafts to the H.S.C. These have been some gorgeous articles brought to the Center and sold. This is a good time to say a special thank you, to them and to the white elephant donors. Gladys Hill usually takes care of them as well as Sympathy and Get Well cards. New Century News

On April 20th, a Calendar Party was held at the Harrington Century Club as a fundraising project for Mt. Carmel Pathfinders. There were several tables decorated to represent the holidays of each month. The best decorated table went to January - Lavoney Collick who was presented with a trophy. The table was decorated with a beautiful flower centerpiece in red and white with red candles on each of the 5 tables and a Happy New Year sign displayed. The hostesses were all dressed in red and white attire. Lavoney gave special recognition to Mary Parker who helped with the decorating, menu and inviting of guests. The December table was hostessed by Shirley Conaway who raised the highest amount of money and was presented with a trophy. The table was decorated with xmas lights, trees, and centerpieces. February table was hostessed by Margie Conquest and her decorations were red and white, with a stream of hearts hung, cupids, and a valentine shaped cake.

The hostess was dressed in red. July table went all the way out with decorations of red, white and blue, the American flag, dishes of red and blue, picnic lunch of submarines, snacks and punch. The hostess was Oclivery Jones. October table was hostessed by Denise Nichols and decorated with colors orange and brown with halloween decorations and streamers. November table was hostessed by Elizabeth Nichols with an autumn centerpiece. The judges were Eran Murray, Michelle Cephas and Reginald Collick. Special Music was given by David Jones, Dottie Snowden, William Parker and the Mt. Carmel Mass Choir under the direction of Eran Murray. The M.C. for the program was performed by Eran Murray. The Pathfinders director is William Conaway and the money raised will help the club to go to Colorado this summer. Elizabeth Nichols celebrated her birthday on April 20th and when you see her wish her a belated happy

I hope you are enjoying this hot, summer weather. Ever since it started I've been fighting a cold or virus or whatever and can't really enjoy anything. But, as our Teddy says, "I'll get

One of our dear Readers in Harrington Pharmacy asked me the other day how the cooking was going at Trail's End. Not much cooking is going on Bradley and Mervinis as I recall. Must while I am fending off the virus. It is times like these that I am especially thankful that my family own a always been "Johnny on the spot", to restaurant. I can always get hot soup there or whatever I need when I am

I do not think we can trust this unusual weather. Dad suggests putting tree, but I do not agree. We often have heavy frosts in May and even ice. To look at the trees in full leaf, one would think July was here, except the sugar maple and the old sycamore. Nobody pushes them around. They just wait patiently until they feel it is time.

The cardinal was telling me "Sweeter, sweeter, sweeter" as I walked down to the shop to admire the load of furniture that Gary brought in. I am always thrilled with the stuff we get in, so I spent some time looking at the bookcases, tables and little bitty salt dips. I almost wish I had started collecting those, but we collect too many things already. When someone asked Ellen

what they collect, she replies, "Have you got two or three hours?" Even young Garith collects Cabbage Patch dolls and Care Bears.

A letter from our Karen and Matt says that they have their summer all planned. They will continue their studies at Perdue, and Karen will work there. Matt has a weekplanned for Purdue Forestry Camp, which will help his career. Karen asked if I have read The Scarlet Letter by Hawthorne, and I shall tell her I have...most all the classics in fact.

I must tell her that on a trip to New England I enjoyed visiting Hawthorne's home, The House of Seven Gables and stood by the desk where he wrote most of his stuff. This assignment is for her "Principles of Persuasion Class". She has to discuss Symbolism and Scapegoatry. How I would like to sit in! Karen is a Consumer Affairs major.

Meanwhile life goes on at Trail's End. The rose bed is not giving him the response it should, and everything is being done, except as my sister says, to breathe for them! The glads are going in this week, and the potatoes are being replanted. Only one here and there ventured up.

While I am fighting the virus, I've been catching up on my reading. I've just finished "Royal Secrets" by Stephen Barry. I find it to be most delightful and done in very good taste.

Kirby now boasts a record of now striking out 39 batters in his last 15 innings and 70 in 29 innings worked this year. He had 2 hits and 2 RBI's. Mark Kelbaugh went 2 for 4 and Keith Chaneller gathered up a two run triple to spark a 4 run inning in the third. The girls varsity softball team pushed

ROUGHING UP RACING SURFACE--A fleet of tractors pulling discs have been roughing up the surface of North Carolina Motor Speedway's 1.017-mile track for the past couple of weeks in preparation for applying a new asphalt surface in May. Chipping the surface is necessary for bonding the new and old asphalt. Other preparations include a shipment of 1,700 tons of slag [a special rock] from Columbia, Tenn., and an equal amount of local sand will be used in the mix for the racing surface. The safety apron, requiring nearly as much asphalt, will be paved with regular highway mix.

"Brightlights" All The Way In "Wild Bunch" Show at U.S. 13

Bunch" cohorts shook the stands and they visited the U.S. 13 Dragway Sunday. The "Bunch" came with their blowers loaded and they produced three rounds of the finest competition seen here in many Sundays. Though Brightwell took the final round in his match-up with Tommy "The Who" Howe, turning in an ET 8.26/170.13 mph, he was not the fastest. Jeff Weddle claimed that distinction when he came out in the first round and ran an ET 7.97/160.57 mph. Unfortunatly a blown head sidelined Weddle for the rest of the day.

Along with Brightwell's "Brightlight" Camaro others on hand were the "Just Luv-N-It" Chevy Luv driven by Camp Stanley, Buck Proctor's "Wild Buck" Opel GT, the "Kwiksilver Jeep" CJ-5 of Elmer "Dr. Wacko" Watcher, Robby Long's new "Poor Boy's Toy" Corvette and the altered of Carroll and Hines. The show that these "ground pound-

Denny Brightwell and his "Wild ers" put on was memorable to say the least and the fans will no doubt be the first nightime show of the '85 season at U.S. 13.

"Super Combo Eliminator" was also on Sunday's bill for the Super-Pro/Pro class and the Heavy/Street class. These local captains of speed offered their own brand of "wild" excitement. The "Officer of the Day" in the Super Pro/Pro ranks was Karl Martel in the Neely, Webb and Martel Camaro. Martel, last years Super Pro champ, put on a commanding performance on his way to the top. In the final round he was paired with Annapolis, Md.'s Rich Porch and his '67 Nova. Martel, who hails from Dover, De., turned in an ET 10.058/132.54 mph leaving Porch in the runner-up slot. Semi-finalists were Butch Sutphin of Annapolis and David Tucker from Greenwood, De. the quarter-finals went to Bunky Truitt. Bill Groton and Pat Procino.

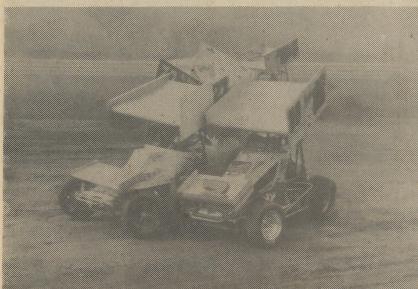

The Heavy/Street combo was the showcase for Jessie Truitt in the Truitt brought the fans to their feet when counting the days until they return and Truitt '68 Dart out of Willards, with this much and more on June 2 for Md. Truitt dashed Carole Williamson's hopes of a first time win in '85 when he clipped the wings of her "Godfather" '36 Ford with an ET 14.151/88.93 mph to leave her with runner-up money. This was however Carole's third consecutive finish in the top three. Semifinals went to Carolyn Johnson and the quarter-finalists were Ken Morley, David Fleming and Tom Bevan.

Mark Thomas of Grasonville, Md. took the Pro Bike field on an '84 Honda running an ET 12.145/105.63 mph to put Michael Durham of Dover, De. in the runner-up slot. Semi-finals went to the 1984 Pro-Bike Champ George

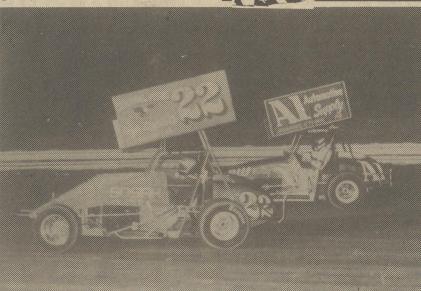

For the third week in a row Delmar, De.'s Lee Williamson captured the Junior Eliminator title on his '81 Kawasaki. The Hot Rod Eliminator of the day was Joseph Stanley of Cambridge, Md.

Spartans win Division

[Continued from page 7]

us. Hutchins is a small, wiry individual, with speed, agility, courage, strength and confidence, traits that are necessary to excel in the pole vault. Thirty years ago, Alvin Jarrell was winning meets, for Harrington High, with clearances of 8 feet, 9 inches and nine

Hutchins, flirting all year with Steve Saulsbury's school mark of 12 feet, 7 1/8 inches, twice set the bar at new. school record height and cleared it, but before the meet started. After a blow to his nose, from either the crossbar or the pole, at a lower height, the gutty Spartan cleared the record height of 12-7 1/4 a third time, to officially put his name in the record book. Joe Dopirak and Brian Greenly made it 1-2-3, Lake Forest.

High jumper, Paul Meding, cleared 6 feet, 3 inches, a new Meding standard, then narrowly missed at 6 feet 4 and a fraction, which would have put his name in the book also.

Speedsters, Robert Young (11.15) and Tim Harmon (11.18) went 1-2, at 100 meters. Harmond and Young had seconds in the 200 meters and long jump, respectively, then united with Don Bell and Frank Coverdale to capture the 400 relay in 45.4.

Carolyn Browne was a triple winner. relay in yearly best 4.30.7.

She ran a yearly best of 12.5 at 100 meters and again at 200 meters in 26.4 with Sharon Coverdale in third. These two along with Della Smith and Patti Drew, took the 400 relay, in 52.5, another Spartan yearly best.

Drew cleared 4 feet, 9 inches, a high jump seasonal tops with youngsters, Jodi Jensen and Mary McGuire, getting second and third.

Severa Harris (81-6½) (35-6) annexed the discus and shot respectively, with Jill Wix, next in each.

Kelli Pelton, Lori Wilson and Melanie Pelton were 1-2-3, at 1600 meters. K. Pelton and Tara Gladden were 1-2 at 3200 meters. Wilson, (2.38) Debbie Jester and Jodi Jensen swept the 800

Michelle Briggs and Pam Smith have been a powerful 1-2 punch all season, in the long and triple jumps. Briggs hit an excellent long jump of 15-5, with Smith next. Smith responded with a lifetime best triple of 34-4, with Briggs second. Sheva Batton (53.2) won the 300 intermediate hurdles and was second, in the 110 hurdles. Batton, Briggs, Coverdale and Sylvia Hicks, took the 800 relay in 1.54.7. Hicks and Drew were 2-3 at 400 meters. Hicks, Jester, M. Pelton and Wilson won the 1600

[Continued from page 7]

united with Marvin Hicks to annex the shot put relay with a combined total of 132 feet, 7 inches. Warren, Chaffinch and Pat Sullivan totalled 394 feet, 4 inches to take the discus relay. Warren's 53 feet plus toss was the day's best effort in the shot put, Chaffinch had a meet-best discus throw of 145 feet, with Warren next at 144. The diminiative Sullivan threw a personal best of 104 feet, 91/2 inches. Observers of the discus competition may have been rubbing their eyes in disbelief when the Spartans arrived. for Warren is a genial giant of 260 lbs., while Sullivan might tip the scales at half of that, if he was soaking wet. Nevertheless, the odd couple, along with the 215 lb. Chaffinch, clobbered all platter foes by a huge margin, as was also the case in the shot put.

In the 3200 relay the Spartans were second with a yearly best of 8.24. Mark Whidden, who ran for Parkside High of Salisbury, in 1984, is fortunately running for Lake Forest, this year. Whidden and Dexter Bray opened with good 2.08 stints. Victor Hill ran a great 2.03 plus to give Lake Forest a narrow lead over Tabb, Va. Mike Melvin anchored & gave Lake Forest another 2.03 plus effort, only to see the Virginia anchor do a 2.02 plus and take a narrow victory. Hill is a powerful giant runner, potential because Lake Forest does not have spiked shoes large enough to fit him. He had to run in "flats". Properly shod, he might have been able to insure his quartet a first place finish, considering how well his teammates did. Ken Hutchins and Joe Dopirak were third, in the pole vault, but were hindered by the latter's breaking his pole before the meet. Using an unfamiliar pole, he could not approach his previous best effort, but he still managed to keep his team alive. When

Lake Forest captured third place in the 400 relay, in a school record 44 seconds flat. Tim Harmon, Robert Young, Frank Coverdale and Don Bell ran hard and used good baton exchanges to make the record book.

Hutchins cleared a meet-high 12 feet,

the Spartans were able to get the good

The triple jump trio was third with a total of 126 feet, 5 inches. Keith Smith and Victor Hill each had a nearpersonal-record effort, with John McGrew doing his best ever with 40 feet, 6 inches.

The distance medley quartet was fifth behind Whidden, Bray, Melvin and Mark Tozer.

Lake Forest's girls had a fine outing, finishing third, with 57 points. Wicomico High of Salisbury had 58 points, as the Spartans just missed getting the top-peninsula effort. Tabb, the suburban Newport News, Va. unit, a class AA Virginia team, won the girls' meet. However, Lake Forest was missing three girls who are fine sprinters and jumpes. We guarantee that the Spartans would have been second, with

Barry Chaffinch. The dynamic duo this two and probably a close second at

Lake Forest won the triple jump relay in what should be ranked as the upset of the day. With rookies in this event, in Patti Drew and Melanie Pelton, the odds were long against us. Drew, unexpectedly passed the thirty-foot mark by 61/2 inches. Pelton, like Drew is a versatile athlete. The tall freshman surprised with a 30 feet, 71/2 inch leap. Not to be outdone, Pam Smith, the only experienced, hop, step and jump Spartan there, unleashed a mighty 34 feet-41/2 combination, probably a meetbest jump and also a new best for Pam. Since Pelton and Drew were triplejumping for the first time, it was a great victory in an event requiring intricate footwork.

Yet another meet-best and personal record effort was chalked up to Severa Harris. Severa hurled the shot 38 feet. 11 inches. The Mollohan twins, Andrea and Angela, joined Harris to give Lake Forest a second place finish.

Patti Drew cleared 4-10, in the high jump, a seasonal best. Youthful freshmen, Mary McGuire and Melanie Pelton, added clearances giving Lake Forest second place.

The distance medley relay was second with Debbie Jester (800 meeters), Patti Drew (400 meters), Lori Wilson (1200 meters) and Kelli Pelton (1600

near-100 feet. Severa Harris (90 feet plus) and Mary McGuire joined with [Continued from page 2] Mollohan to give Lake Forest third

In the 3200 meter (two mile) relay, the Spartans were third, in 10.32.9, slicing 14 seconds off their best previous 1985 outing. Lori Wilson, Debbie Jester, Kelli and Melanie Pelton, carried the baton.

Another yearly-best effort, under the stimulus of the excellent competition occurred in the 1600 meter relay. Sylvia Hicks, Kelli Pelton, Debbie Jester and Lori Wilson clocked 4.27.8, for third place.

Due to the aforementioned missing athletes, Coach Jim Blades, had to put a third girl in the long jump relay, who is not a long jumper. The substitute fouled on all three efforts and thus did not score, in the unfamiliar event. However, Pam Smith and Della Smith did very well and finished fifth against teams with three girls each. Della's personal best of 15 feet, 61/2 inches qualifies her for the Delaware State meet. With one of the missing jumpers present, Lake Forest might have won

Della Smith, Sharon Coverdale, Sylvia Hicks and Sheva Batton, were fourth in the 800 meter relay.

Sixth place in the 400 relay was achieved by the Smith girls, Coverdale and Batton (54.5).

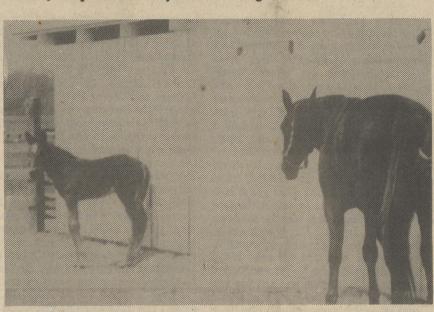

Lake Forest's teams did very well, Saturday, against schools not scheduled by Lake Forest, in any other sport, except cross-country.

boutonniere by his mother, Margaret Kates, for travelling the longest distance, from Virginia. It was interesting to note that 21 of the 30 members in the class are still residing in Kent County. Two other classes were acknowledged. Sylvia Jean Conklin Kemp introduced 12 members of the class of 1965. This group had had an enjoyable reunion on Friday night at the home of Kay Stubbs. Two members of the class of 1945 were present and introduced. Lawrence Kates introduced the following individuals who had graduated over 50 years ago from Felton High School: William Hammond, Grace Turner, Zora Tatman, Pearl Torbert, Virgie Carlisle, Andrew W. Biggs, Homer Torbert, Ann Katzer, Dorothy Donaway, Dorothy French, Grace Havelow, Sarah Gourley and Emma Warner. Mr. Kates stated that it was so nice to have so many of these individuals present.

Mr. Frank Young, principal of Lake Forest School spoke thanking the group for the money donated toward the computers. He also stated that Mr. Herman Bradley, Class of 1917, has donated money to be set aside for a scholarship to be given to the outstanding boy and girl of the sixth grade at Lake Forest North. This year, there will be bonds awarded from the interest derived from these funds.

Marvin Rothermel, In-coming President, introduced the scholarship winners who are present seniors of Lake Forest High School. Paul Meding, son of William Meding of Felton, was awarded \$400 and plans to attend Embrey Riddle College in Florida. William Culp, son of Sally Culp of

Felton, was awarded \$400 and plans to attend the University of Delaware. Rebecca Brown, daughter of Wayne Brown and Barbara Brown of Harrington, was awarded \$300 and plans to attend Washington College. Kimberly Sipple, daughter of Mr. and Mrs. William A. Sipple of Felton, was awarded \$300 and plans to attend the University of Delaware. Karen Sipple, daughter of Mr. and Mrs. Larry Sipple of Felton, was awarded \$300 and plans to attend Salisbury State College. Laurie Arrington, daughter of William Arrington of Felton, was awarded \$300 and plans to attend Lenoir Rhyne College in North Carolina. Marvin stated that a total of \$2,000 was awarded and it was a pleasure to award these scholarships and to see so much potential in our students.

Marvin then introduced his officers for 1985-86: 1st Vice-President - Joyce Wyatt - '59; 2nd Vice-President -William Myers, Jr. - '64; 3rd Vice-President - Marlene Hughes Hurd - '59; 4th Vice-President - Elneta Tatman Harrington - '62; Recording Secretary -Lawrence Kates - '39; Corresponding Secretary - Betty Walters Wood - '57; Treasurer - Marilyn Green Alexander -'67; and Marie Biggs Moore, Historian -

Mrs. McCloskey was presented a gift from the membership from Ann Chambers. The Alma Mater was then sung followed by the benediction given by Zora Tatman.

A dance followed with music by The Pros. All departed with many fond memories of their school years and looking forward to another reunion in

Spiderman visits LFNE to help prevent child abuse

Bob Hall from the National Committee for the Prevention of Child Abuse - Del. Chapter and Spiderman presented an assembly at Lake Forest North Elem. School on Tuesday, April 23. Spiderman, who appears in cartoons on television and in comic books spoke to the children in grades 3-6 about "child sexual abuse". Both Mr. Hall and Spiderman spent about 15 minutes answering questions for the students before Spiderman had to leave. A Spiderman comic book was given to all students by Spiderman. The comic book is approved by the National Education Association.

see, the Center has something for everyone and we are always looking for new ideas and of course, new participants. Now for the special events going on this next week. On Wednesday, May 1, we have a program on the AARP Defensive Driving Course. If you have ever heard of this course and are interested here's your chance to find out about this course. If enough people are interested after this talk, we will be sponsoring this program here at the Center for those persons 60plus. This program will begin at 1 p.m. On Thursday, May 2nd, we will be having Cracker Bingo. For every game that you bingo we let you select a cracker or cookie and we even give you a small bag to place your 'winnings' in. Even if you don't win, the fellowship makes everyday worthwhile here at the Center. On Friday, May 3, we will be having a ceramic meeting at 1 p.m. This is a meeting for all interested persons to find out about this department. On Monday, we will again have Bingo. This time it is for coupons. What we do is issue a coupon for every bingo and once every other month, the coupons can be cashed for prizes, most often household items. This Monday, May 6th, just happens to be Cash Your Coupons Day. Now, on Tuesday, May 7th, beginning at lunchtime, we will be having "Harrington Day". In honor of our members from the 19952 zip code area, we will be having a special door prize drawing for them, we will be

serving their lunch and we will have special guests from Harrington to help us celebrate. Last month we celebrated 'Felton Day" and it was very successful. A door prize of a dish garden was furnished by Jim Sluter of the Golden Years Nursing Home in Felton. We had several guest representing Felton. So you see if you are sixty and a member, you should be enjoying your benefits, if you are sixty and not a member we would love to have you. Just call 398-4224 for details on any of these programs or if you just would like to have information on any issue for senior citizens.

If there is one thing that we want to do most, it is to help whenever we can. There are many programs around for senior citizens. The problem is most people are unaware of them.

In closing, I would like to thank everyone who has helped in our Building Fund effort. We have received a grant of \$50,000.00 and we hopefully will be starting construction sometime this summer. If you have ever thought about donating to the Building Fund, please do so and we will be keeping the fund open for funds to finish the project, furnishings, and perhaps extra needed parking spaces. So Congratulations Senior Citizens, you have worked long and hard and you are most deserving of this project. See you next week, and if you need us, just call 398-4224.

Dorothy Graham bids farewell to Senior Center column

[Continued from page 5]

that were made and enjoyed could have each year. One hangs in the Center, by meowed, honey, that would have been some noise. The hundreds of cups (remember?). You name it, some if you ladies have made it. There was Annabel Morrow, Gladys Hill, Ella Golt, Cleota Willey, Catherine Masten, Emma Denny, Essie Redden, Bertha Dean, Hazel Langrell, Sallie Needles, Mildred Vincent, Amy Poynter, Elizabeth Anthony, Dorothy Chew, Mary Marshal, Bea Russell, Elsie Vineyard, Florence M. Alvado, Gene Hobbs, all of these created many gorgeous, useful articles for the Center's Gift Shop and prizes and birthday gifts. Along with the ceramics they also had the Bead period-remember? Then there was the Mr. and Mrs. Santa's (Reader Digest) years (with the graciousness of Mabel Jean Donovan, Leon made the glasses). The time of the snowmen of small plastic bags, butterflies for refrigerators, curtains etc. Remember the beautiful wreaths of nylon we made, also the Easter baskets and other wonders of the material.

The "reverse painting" was a thing of beauty. Hope you have one somewhere in your home. The oil and water color finished one will be more proud of it your first stop. There is a pride in

Irene Legates, she surprized herself. George Wise was the teacher. We touched on china painting, Artex, weaving on frames (small and large ones), the wool flowers brought to us by Hazel Davis and still as beautiful as ever and still made by many. The time of ceramic eggbird houses. Wish I had saved one for myself. They sold so well and lots of folk made them for their own pleasure. Christmas trees continue to be a speciality as well as large pitcher and bowls. There have been a great variety, all beauties, Gladys Hill has one I hand painted (maybe she gave it to a daughter). Graduates, plates, dolls were made with pride. Crafts at the Center include-lovely crocheted afghans and other pieces-pillows, rugs, throw quilts or lap quilts, cloth flowers, crocheted coat hangers, dolls, bears, bed doll, wreaths, door and wall hangers, door stops (bricks, made to order with your name etc.). The Delaware Brick is lots of material go into these projects of beauty and usefulness. Pot holders, towels for your kitchen. Just remem-

giving a handmade craft. Just can't find them in every store, all made with love as is every piece of ceramics. Can't forget the good times at Bingo, Rosa Coulbourne was the runner many times and Coupon day was like Christmas. Singing and dancing to such tunes as "When the Saints Come Marching Home", wasn't that fun? I loved to see Annabel M. and Tony, Annabel and Mike dance together.

Goodness, how can I close this column without remembering exercise class with Dorothy. Didn't Cam get a kick out of watching us, especially the face exercise. Then there was the sit-down exercises (which I'm doing now) remember moving your toes around in your shoes was and is one. When Charlotte gave them they were fun and useful. Bobbie O'Neal was the last one to give them. She is a professional and makes every move count. She is a perfect example. She used to teach swimming and several grown ups have her to thank for that ability. Gracie and especially pretty. Hours of work and Penny are two. Louise Burgess does many volunteer hours at the Center. following in her Mother's footsteps, in another capacity (typing) none the less painting was fun and those that have a ber if you need a gift, make H.S.C. a good volunteer. (I have the last rug that Mrs. Redden made at the Center.)

Everyday homebound meals are delivered by Dast and driver (Harriett Stevens how) but always a volunteer accompanies them. On the good turn list now are Ida and Woody Welch, Russell Legates, Ed LeCates, Irene Legates and Lester Hatifield. Rain or snow (if the Center is open) these kind folk deliver a warm meal to people who cannot make it to the Center. It is much nicer to partake of the meal at the Center but isn't it wonderful to know that Volunteers are so kind and thoughtful when it is impossible to make the trip. Miss the Grace at the Center but know you say it to yourself. Among those called on for Grace was Marion Brown, Watson Brown, Myrtle Pollard, Mary Sapp, Mary Dobraski, Carrington Burgess and me. Remembering Watson for Grace reminds me of the program he gave in transferring prints, an example of his work hangs in the dining room of H.S.C., "The Last Supper". A lovely piecel His wife and he do nice cards and notes, all hand created. Larry Krommes, Charlies Sharp, Ted Sterling, Mamie Adams, Sylvia Meredith and Virginia Smith can always start a song fest when they hit the ivories! It is such fun to just open your mouth and sing with your heart as they play.

Bible Study, Jolly Timers, Senior Sounds are very special days at the Center—(Mon., Tues., Wed.) Rev.'s Miller, Smith, Koning, Beyer and Watson usually take turns. If one can't make it Sylvia Meredith leads. Bible study and discussion, readings, poems, singing and prayer is a great way to

begin the week at H.S.C.

Jolly Timers with Andy Anderson, Sylvia and Virginia at the helm brings back many happy memories. The folk that join in are happy toe-tapping senior citizens with a host of good times under their belt to bring out the best possible interpretation to the melodies. There's church, love, children, romantic times, hard times endured and the joy of being able to share

times. Ina Hughes used to be at the piano. Reed helped with the trays and enjoyed the Center (moved to Florida). Anna Mae Short was always present at Bible Study, band and Senior Sounds and helped in other ways. Senior Sounds and Band do friendly visiting, all concerned are rewarded. These three days have a regular followingattending either one or all was Catherine Stevens, Mary Dobraski. Mamie Adams, Marion Brown, Andy, Keith Brugess, Ella Golt, Gladys Hill, Dorothy Holiday, Pauline Legates, Thelma Legates, Cecil and Sylvia, Annabel Morrow, Etzel McCready, Mr. and Mrs. Pearsal, Elwood Morris, Amy Poynter, Marge Phillips, Mary Sapp, Charlie Sharp, Virginia S., Ola Tilden, Mildred Vincent, Frances Wright, Catherine Donovan, Thelma Legates and Ruth Bradley. Mary Jane Johnson calls tabbs now as does Rosa Coulbourne, Marge Phillips and Mary Dobraski. There are things to do if you want, if not it is your pleasure to visit, read, chat, TV. It is your Center-make the most of it. Best wishes to all out of towners-a most heart felt thank you to each and every one for their comments concerning this column. Thanks so much for your concern visits and cards, flowers and other acts of kindness to me. Hope and pray the new addition begins in July as planned. The Charter members remember well the very beginning of H.S.C. How Jennie Morris, Mildred Minner and others brought some into the first Center.

There was no Dast Bus then. No meals -provided your own and worked with each other and wasn't it a proud time when you bought the present site. Many donations and years of work. Federal Aid, United Way and other acts of kindness has indeed given H.S.C. (Harrington, Felton and all vicinities near) a grand place to join together and truly make a place to enjoy. Every Director has given her or his best. Like a painting, each one has left a part of themselves. remem-

and desserts have received pleasant comments. Ruth Powell was the hostess to the last one, beautiful spring flowers from her garden, a fantastic dessert from Mothers Aurebay cookbook (apricot salad with bananas and sauce), crackers, sandwiches, candy and coffee. All present had a grand and glorious time. Kathryn Smith was high scorer, others attending were Hazel Langrell, Ethel Rapp, Mildred Wagner, Mary E. Nelson, Virginia Willey and Phylis Greenhaugh (in my absence) meet next at Kathryn Smith.

Can't close without remembering Mr. Gleason and the important part he had in the Center. Then there was Sam Short (the first column writer) and Elbert Stevens (he made lovely wood articles among his credits, as does Marion Brown.

The Bake sales are great and thank

I'm thinking tonight of Charlotte and of many folk that have not been mentioned in this column. Folk I've known for years and years who attend the Center or have attended and give of themself in many ways; Marge Gerardi, Madelyn Layton, Mary Clarner (little Mary), Freida Wilcutts, Emo Wisserman, Grace Howard, Cleora Vincent, Theresa Selders, Gertrude Morgan, Wilbert Porter, Harry Porter, Naomi Truitt, Carl Pearson, Dave McCraken, Elmer Chick, Walter Heiser, Pearl Derrickson, Anna Tucker, Evelyn Masten, Alice and Emile Moore, Sallie Pleastin, Hazel Latch, Margaret Kirby and Marion Moore. Many more will come to mind when this is in print and I'll hate myself for not remembering in time. The ones that have gone to sleep I'll remember in the wee hours of the night and remember the things they have done, the joys they brought. Chrissie Clymer was a good friend to the Center and she was my landlord when I was a young bride. (Heavens to Betsy, I'm going back a few years.) Aren't we all! It's so nice having you around. Be kind to each other and best wishes to all. I love
