Tower purchase finalized

After much time and constant phone calls between them, the Greater Harrington Historical Society and Con-Rail Officials have finalized the transferral of ownership of the Signal

Tower in Harrington.

Just three short years ago, it was scheduled for demolition. In fact, it is believed the only thing left to do was get bids from demolition people and

Surplus Food Distribution set for May

The next distribution of surplus foods will take place on Wednesday, May 22 in Sussex County; Thursday, May 23 in Kent County; and Wednesday, May 29 in the City of Wilmington. According to the State Division of Purchasing, food once again will be given out by fire companies, Jaycees, Jaycee Women, and other volunteers.

Eligibility requirements are unchanged, but some additional accommodations are being made for the homebound.

Those eligible include recipients of Aid to Families with Dependent Children (AFDC), Food Stamps, Supplemental Security Income (SSI), General Assistance or Medicaid. These recipients must present their Green Photo ID Card or White Medicaid Card. A representative can pick up food for a homebound recipient by presenting that person's card in his place.

Also eligible are those with total household incomes not exceeding 130% of the poverty level, as shown below. Only one person per household may apply.

Income Eligibility Guidelines: Household Size, Annual Income, Monthly Income, Weekly Income: 1, \$6,474, \$540, \$125. 2, \$8,736, \$728, \$168. 3, \$10,996, \$917, \$212. 4, 13,260, \$1,105, \$255. 5, \$15,522, \$1,294, \$299. 6, \$17,784, \$1,482, \$342. 7, \$20,046, \$1,671, \$386. 8, \$22,308, \$1,859, \$429. For each additional household member add \$2,262, \$189, \$44.

Homebound recipients in this category can also have someone pick up

their food by completing a form that their representative can present at the distribution center. The forms are available now at all State Service Centers. Forms can also be obtained at distribution sites during the hours of distribution or by phoning the Division of Purchasing at 834-4512. In addition, twenty-three agencies who provide services to the homebound will make forms available to individuals they are currently serving. When the form for the May distribution is turned in, the representative will automatically receive one for July.

It is extremely important that recipients not tie up emergency phones when inquiring about surplus food. Please do not call local fire companies or Jaycee Chapters. Inquiries should be directed to Jim Godfrey, Division of Purchasing, 834-4512.

Distribution times and locations are as follows: Sussex County Residents on May 22, 1985, 5:30 p.m. to 8:00 p.m. - Fire Companies: Bridgeville, Ellendale, Greenwood, Milton, Millsboro, Rehoboth Beach, Roxana, Seaford.

Other Locations - Georgetown Armory, Laurel Armory, Oak Orchard Community Church.

Kent County Residents, May 23, 1985, 5:30 p.m. to 8:00 p.m. - Fire Companies: Bowers Beach, Camden-Wyoming Cheswold, Clayton, Frederica, Harrington, Hartly.

Other locations - Milford Armory, Prudence Masonic Auditorium and 1412 W. State College Rd., Dover.

All participants are reminded to bring a sturdy container capable of holding 21 pounds of food.

Crash claims seventeen year old

A seventeen-year old Dover man became Delaware's 38rd fatality this year following an early Tuesday, May 14th morning single care accident.

The 12:42 a.m. mishap occurred on Kent 207 approximately six-tenths miles west of Willow Grove. A 1979 Datsun was being driven eastbound on Kent 207 by Ronald A. Walker, 17 of Dover. The vehicle was driven at a high rate of speed. It went out of control and ran off the left shoulder of Kent 207. The vehicle traveled a distance of approximately 143 feet before striking a mailbox. It traveled 122 feet, overturned and ejected Walker.

The victim was transported to Kent General Hospital by the Camden-Wyoming ambulance. He was dead on arrival due to trauma to the head.

Compiled by Harry G. Farrow, Jr.

when that was done it would be gone forever.

A very caring person, called a member of the Historical Society and asked if they did not think it was worth saving. Within hours, letters and phone calls were on the way to Senators, Representatives, Historic Preservation experts, and Con-Rail officials. Whether all of this was necessary or not, it produced the desired results. Con-Rail gave the Tower a stay of execution until the Harrington Historical Society could negotiate for it.

At first, Con-Rail gave the Society a lease for five years at no cost to see if they could be good "Tenants" and do what was expected of the members. They had to construct a fence for one thing. This was to insure that no one would come out of the Tower door and race across the track in front of an on-coming train.

In the time that they have had the Tower, rent free, they have proved to the Con-Rail Corporation that they are responsible people and want to keep the tower as a Museum.

The original land granted to the Society was 25' but when Conrail announced it was about to be sold, the Historical Society decided they would ask for an out-right deed and an additional 50' of land. This was granted and will be included.

On June 6, 1985, the Historical Society will become the proud owners of the Rail-Road Signal Tower. The schedule for the presentation of the Deed and transferral of ownership will be in next weeks paper. It will be an evening program. The public is invited to attend this presentation.

Matters from City Hall

Several important matters from City Hall. The City Office will be closed Monday, May 27, 1985 for the Memorial Day Holiday. The council will sit at 8:00 p.m. Tuesday, May 28, 1985 at City Hall to hear and decide on any appeal that citizens may have from the "Scrap" Assessment. The "scrap" assessment is made annually and includes only those properties whose assessment may have changed during the year. Changes include new construction, additions and demolitions. The "scrap" assessment list is hung in Taylor's Hardware and the U.S. Post Office and at the City Hall. At 7:00 p.m. on Tuesday, May 28, 1985, the Council will hear comment on the Revenue Sharing Budget for fiscal year 1986.

New Legion Officers to be sworn in June 1

On May 2 C.K.R.T. Post 7, American Legion held its annual election of officers. Many members stated that it was the largest turn out for an election in recent history. Several of the positions were contested. Those successful candidates are: James L. Beene, Commander; Edward Dill, Vice Commander; Walter Lekites, Adjutant; Raymond Gagne, Finance Officer; James Cooper, Sergeant At Arms; Randall Smith, Historian; G. Robert

(Bobby) Quillen, Service Officer and James R. Cain, Chaplin. After the election meeting the post made two appointments. Bobby Quillen was appointed Parliamentarian and David F. Coady, Public Relations Officer.

Those newly elected officers will be installed at a special meeting to be held June 1. Cocktail hour will be from 6 to 7 p.m. Dinner is at 7 p.m.

Safety Course for older drivers

Older drivers have fewer automobile accidents than younger drivers but since older people don't drive as far or as often as younger people, they have a higher percentage of accidents per mile.

That's why the American Association of Retired Persons sponsors a mature driving program geared only to drivers 50 and over.

Those completing the course have their premiums on the liability portion of their insurance reduced by 10% for 3 years and will receive a 3-point credit on their driving record. Other features the course deals with are problems of reduced depth perception, reaction

time, failing hearing and vision, loss of maneuverability due to arthritis, effects of medication. The thrust of this 8-hour program is Safety for older persons.

The Harrington Senior Center is offering this Program at the center, 102 Fleming St. on June 6th and 13th (one must attend both days to receive the discount certificate) from 9:30 a.m. to 2:30 p.m. You may have lunch at the Center. Fee for course and materials.

Classes are small so early registration is advised. For further information and/or to register call "Ric" Palomba, instructor, at 422-8969 before June 3rd.

Daughter of Milford resident enjoys Navy career

by Cathy Kurchinak
VIRGINIA BEACH, Va. — Linda D. Nieves works in an area once inhabited by Chesapeake Indians and where the Jamestown settlers first landed.

The 28-year-old daughter of Raquel Coverdale of Milford isn't an archeologist or historian, but a data processing technician at one of the Navy's most advanced training centers — the Atlantic Fleet Combat Training Center.

Nieves works in the center's anti-submarine warfare control division where she operates a sophisticated computer that students attending various courses train on.

"I like my job but I want to pursue a career as a Navy nurse," the 1974 Dover High School graduate and former homecoming queen says. "Everyone in my chain of command is very supportive about it. They feel I'm doing well in my job, but they're behind me in my goal to be a nurse."

Nieves worked in the Navy's medical field as a hospital corpsman when she first enlisted in 1974.

"I wanted to travel and get out of a small hometown," she says. "I thought the Navy had the best schools and I was guaranteed hospital corpsman school."

After completing boot camp in

Orlando, Fla., and corpsman school in Great Lakes, Ill., Nieves went to El Toro, Calif., and worked in the pediatrics ward of the El Toro Marine Base's dispensary, then at the U.S. Naval Academy's hospital in Annapolis, Md.

She returned to her home state after her first enlistment and studied nursing for two years at Delaware State College, where she served on the honors council and made the dean's list every semester.

"Even with the G.I. Bill, I ran out of money," Nieves says. "So I got a job working in sales. But as far as finances, it wasn't what I was looking for in a career."

That's when Nieves decided to try the Navy again; this time as a data processing technician.

"I chose that field because computers are obviously here to stay," she says. "No matter what your job is, if you know a little bit about computers, it helps."

But Nieves is determined to become a Navy nurse and says she's going to apply for a program which will allow her to attend college full-time to earn a bachelor's degree in nursing and an ensign's commission in the Nurse Corps.

Nieves isn't the only one in her family

pursuing a medical career in the Navy. Her younger brother, Tony, is a hospital corpsman studying pre-med at the University of Virginia.

"He followed in my footsteps," she says with a smile.

The Delaware Navywoman says she's glad she re-enlisted.

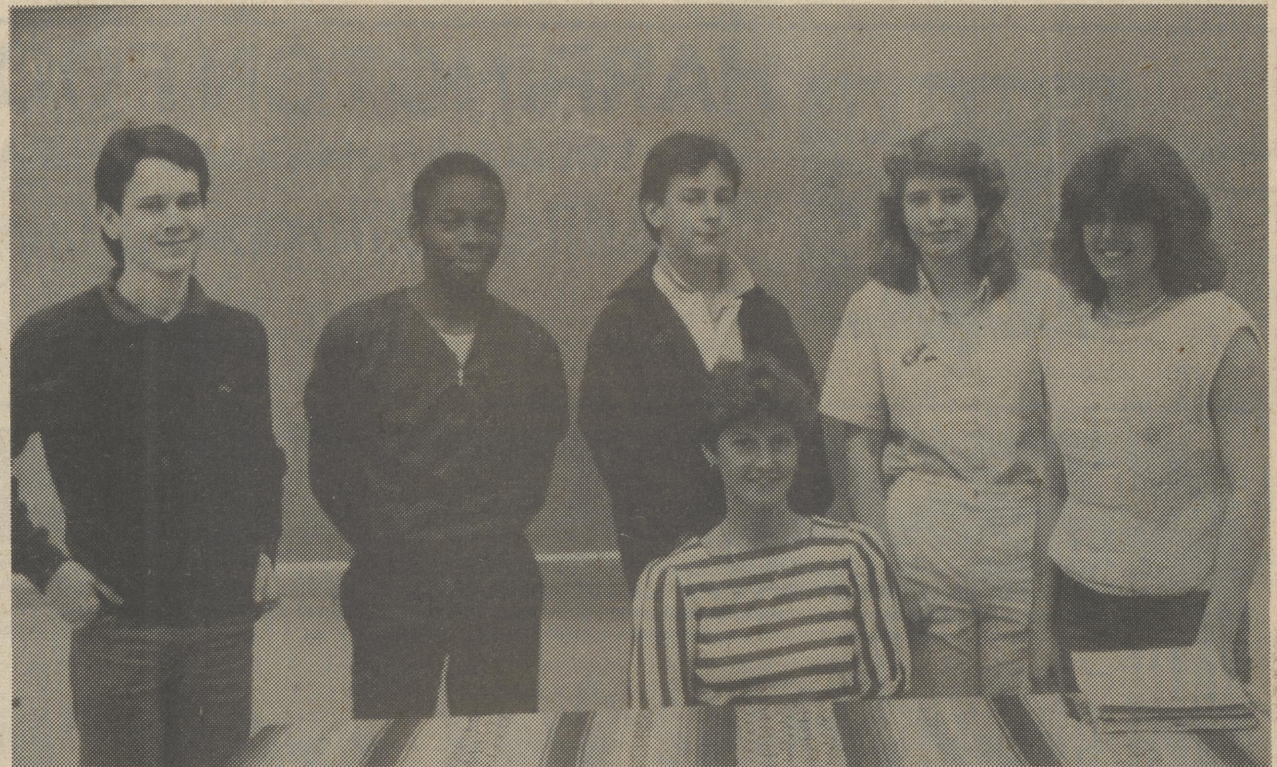

The biggest drawback in the Navy is being separated from family and friends during deployments, she says. Her fiancé, Mitchell Coffey, serves aboard the Norfolk, Va., based-aircraft carrier USS Eisenhower and is currently out at sea on a 6-month Mediterranean deployment.

"There's a high stress factor in the Navy when a husband or wife has to go to sea," she says. "It really takes a special understanding and special relationship to endure the separations."

Nieves adds that Coffey will be home soon and in May they plan to be married in Milford.

The petty officer third class says the Navy has been an "eye-opening" experience.

"You meet so many people from different places and ethnic backgrounds; it's a learning experience just interacting with people," she says. "I feel I have a lot to contribute and the Navy has a lot to give."

On March 30th, the Lake Forest Spanish Students participated in the Delaware Council of Teaching of Foreign Languages Oral Contest. Some 200 students participated. The following Lake Forest students received recognition. Easter Seals recognizes area volunteers

At a recent meeting of the Kent County Auxiliary to the Easter Seal Society of Del-Mar, Doug Bennetti of Dover was given recognition as being the 1985 Kent County Volunteer of the year for Easter Seals. It was also noted that the Harrington Sunshine 4-H Club under the leadership of Jane Everline had collected \$277.85 in the Lily Day

Parade for Easter Seals. They have been participating in this Lily Day Parade for many years and this amount is the most they ever collected. Without the help of these people it would not have been possible for us to give direct services to crippled children and adults here in our area, especially at our Georgetown Rehabilitation

Center and our summer camp at Fairlee, Maryland.

Counselors, over the age of 18, especially male, are still needed for this camp which runs from the middle of June to August. For information contact Caroline S. Abbott at 734-3992, Dover.

Rotary seeks students for abroad

It's been called the trip "no travel agent could ever book" — several weeks in a foreign country where the travelers meet and live with hundreds of people.

It is the Group Study Exchange which is one of several programs of Rotary International. It's leader, who is a member of the Naaman's Rotary Club, and five young business and professional men are now preparing for the trip late this spring.

They will go to Finland where members of Rotary Clubs will host them in their homes while pointing out many facets of their own culture. The journey returns the visit last year of a

team from Finland which toured the State of Delaware and Maryland's Eastern Shore, which comprises Rotary District 763.

The Rotary Foundation pays the airfare for the team's visit to Finland District 138 and 140. Some of the region the travelers will see is above the Arctic Circle, and includes Lapland.

Alfred F. Siegfried of Wilmington is the team's leader. He has his own educational software computer business. The others on the team, who are not members of Rotary, are: Jeff Badger, an Eastern Shore lawyer at

Salisbury; John Haupt, a Wilmington area architect; Roger Hunt, who runs a fitness center in Dover; Lee West, a Somerset County farmer, and Steve Dawson, a wildlife biologist with the Maryland Department of Natural Resources on the Eastern Shore. They represent 30 Rotary clubs.

The team will take a varied background of life in the United States. Their ages range between 25 and 35, and they are among the several hundred Group Study Exchange men traveling the globe. The effort is a multi-million dollar program of Rotary to foster international understanding.

Money Market Account 7.75%

"I've been a customer since 1979. So when I was looking into Money Market accounts, I talked to the JCPenney National Bank about it. It's something I would recommend to everyone because they offered me one of the best paying Money Market accounts anywhere. My money isn't tied up for a long time and it's always there when I want it. Each depositor is insured by the FDIC up to a maximum of \$100,000. I like the idea of making a profit without losing any sleep over it."

MAY 19th and Choir Awards are over. Can it really be the end of the season? It was a lovely service and all the Choirs did such a fine job. We thank each and every one of you for your fine service through the seasons.

It is sad to lose those that are graduating, not only for their fine voices, but because of the person they themselves have become. We think now what lies ahead for them and wish them our best in all that they undertake.

On JUNE 2, is the Baccalaureate Service for the Graduates and their Families at the Morning Worship Hour (11:00 A.M.) This will give us all a chance to wish ALL Graduates the very best life has to offer.

Wednesday there will be NO Adult Bible Study until Sept.

Sunday, May 26 - Confirmation and Membership Sunday.

Saturday, June 1 - Pool Party for the Choirs.

Sunday, June 2 - United Methodist Men Breakfast, 7:30 a.m. Baccalaureate Service 11:00 a.m.

Monday, June 3 - Council of Ministries Meeting, 8:00 p.m.

Tuesday, June 4 - United Methodist

Women Meeting - 7:30 p.m.

There was a Rosebud in Church Sunday for the birth of August Channing Quillan Knox - daughter of David and Renee (Quillan) Knox, born on May 10, 1985. Congratulations to ALL. Grandparents are Frank and Connie Quillan.

On Sunday, May 19 we also welcomed into our Family of God by baptism, little Amber Larimore, daughter of Patricia and Richard Larimore. Grandparents are Dorothy and Jeff Larimore.

Scriptures for the week: Psalm 104:24-34, Acts 2:1-21 or Ezekiel 37:1-14, Romans 8:22-27 or Acts 2:1-21, John 15:26-27, 16:4b-15.

The following is something given to me by a fellow church member and it says so well what each and every one of us would like to say to our Graduates and new members:

GOD CREATED YOU - YOU ARE SPECIAL! Become all God intended you to be.

You are a unique individual with special talents and abilities. God is willing to help you reach the potential He has built into you. If you were someone else, who could fill your shoes?

to attend the Open House at Casa San Francisco, 127 Broad Street, Milton, Delaware on June 1, 1985 from 1:00 p.m. to 4:00 p.m. We are looking forward to seeing you.

Our Annual Memorial Day Field Mass for all the deceased members of the Catholic Diocese of Wilmington, The Blessing of Bishop Thomas J. Volunteers are needed to help in the Felton Nursery during worship. If you can help, contact Lynn Hobbs.

Anyone interested in seeing the Orioles play on Saturday, July 13, can sign up on the bulletin board at Felton, or call Randy Ward at 284-8155.

The young people in our confirmation classes will be joining the Felton Church on May 26. This would also be a good opportunity for any of you who are considering transferring your membership. If you are interested,

From the Pastor's Pen

by Clifford Lones, Pastor Independent Bible Fellowship Church Harrington, Delaware

The Bible describes our body as an earthly house like a tabernacle, and after its dissolution we have a more permanent dwelling in heaven. "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens" (II Cor. 5:1). The life that dwells in our body is more than physical, we have a spirit & a soul. The spirit & the soul do not cease to exist when the body dies.

When we lose loved ones in death we do experience sorrow. If the loved one was a Christian, however, our sorrow is for ourself, not for the one who has died.

The Bible clearly states that we do have a body in the heavenly existence. "Desiring to be clothed upon with our house which is from heaven" (II Cor. 5:2). Those who die in the Lord do not have a ghostly existence but a real

existence and in heaven people know one another. "For now we see in a mirror darkly, but then, face to face; now I know in part, but then shall I know even as also I am known" (I Cor. 13:12).

Memorial Day is a wonderful day to have year after year because we need to take time out of a busy life and remember those loved ones who once helped to make our life meaningful and happy. But Memorial Day also helps us to anticipate the day when we will be reunited with our loved ones who have died in the Lord. The important thing for us now is to know that we are in the Lord. "Now He that hath wrought us for the very same thing is God, who also hath given unto us the earnest of the Spirit" (II Cor. 5:5). It is the birth (earnest) of the Spirit that is so essential. "Except a man be born of the Spirit, he cannot enter into the kingdom of God" (John 3:5).

Worship Hour "Too Many Marthas, but few Marys". Special music for the 11 o'clock service was rendered by Charlene Murray, Jana Jarman and Luchelle Synder and the Mt. HARRINGTON LITTLE LEAGUE OPENS SEASON

Frankly Speaking

When is a race a race and not just a go around?

by Mike Harker

How many of you have asked yourself that question? Have you ever been in a race where a top stakes horse has been entered for a tightener in a non-winners race with an add-on condition just for him or her? Or how about in a qualifier where a big stable is trying to sell a horse or a good horse that has been off for a while goes in two minutes where the rest of you had to go in 2:08, thereby distancing the field and thus making you qualify again next week. The race secretaries must take care of the big stables, but must they do it at the expense of the small horsemen? Race secretaries are only human, although some people think of them as Gods, and to ruffle his or her's feathers is a surefire way to end up where air conditioners are not allowed. This of course only goes along with what track management wants. In other words, if you don't like the stew, don't eat it.

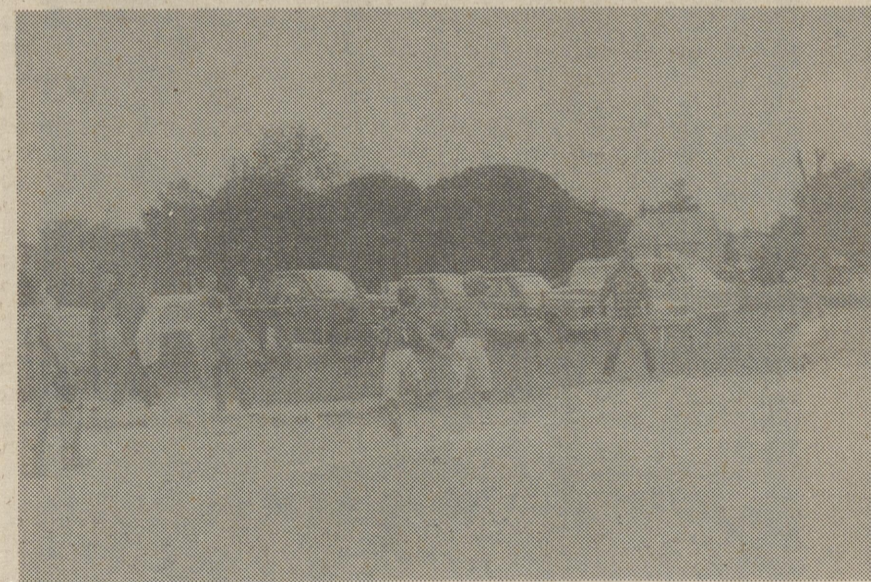

This concept of patronizing the big stables is not only unfair to the backbone of harness racing, the small

horsemen, but also to the most needed aspect of the sport, the bettor. He goes there with his rent money or his grocery money or maybe the money that he was saving to buy a Chevy with. Armed with greed and the knowledge that longshots do come in, and knowing that he could possibly buy a Cadillac after this race he bets on a horse that can beat his class but not the odds-on favorite who will only pay \$2.10. If he was smart he will have kept cab fare. If not it may be a long walk home.

The small horse people in this business are struggling to make ends meet every day. The ship-ins and the little unknowns are usually considered race fillers when push comes to shove, and speaking about shoving, what about the practice of some tracks to grant stalls to a small stable during the first part of a meet and then take them away when the big boys come North. Most of the time there is a purse increase as well. Sure the big stables

Spartan boys get 2nd in State track

by Keith Burgess

Lake Forest's boys' track team, state champions in 1984, had another great performance in the Division II Delaware Track and Field State Championship meet. Jim Blades' Spartans finished second to a Dickinson High powerhouse, in the competition, held Saturday at Dover High.

Lake Forest trailed the upstate Rams 183-138. 108 points will net a team, a state track title, on many occasions, but it did not this time.

Dickinson has three super track athletes, who fortunately, won't be around for next year's meet. Vando Davis won the 400 meter run in 47.8, slashing almost a full second off a long-standing state record. Then he ran 200 meters in 21.2, tying the state record there. These are fantastic clockings and they have earned him an athletic scholarship, to one of the collegiate track powers, clamoring for his services. Davis also took the 100 meters in 10.7, to account for thirty points.

Dave Byers of the Rams took the 3200 meters in 9.52, was a close second at 1600 meters and anchored the winning 3200 meters relay to score 20 1/2 points. Darren Stallings does not dominate like Davis and Byers, but he managed 28 points with a mediocre win in the long jump (20 feet, 5 1/4 inches), a

good triple jump victory (44'3 1/2") and a good second place effort (89 seconds flat) in the 300 intermediate hurdles. This two totalled 78 1/2 points. Wilmington High's third place team could only score 50 points, to illustrate the value of the super trio.

The Spartans led all day before finally falling behind after the sixteenth event, of the 18-event program. In what was a two team competition from the word "go" the Spartans and Rams won 13 of the 18 events in the 17-team meet.

Lake Forest had state champions in five events. None of the Spartan sprinters are fast enough to do much in the open 100 and 200 meter dashes. But put four of them on a relay unit and you have another story. These relay specialists captured both the 400 and 800 meter relay titles, beating out Dickinson both times. Tim Harmon, Robert Young, Frank Coverdale, Don Bell clocked 44.2 and 1:31.9 respectively. The 400 title was a waltz, but Bell had to come from behind, with a superb stretch run to annex the 800.

Eric Warren missed a state title in the shot put in 1984 by inches as Rob Prutyman of Lake Forest & Pat Udovich of Archmere went 1-2. Udovich returned & improved by more than 2 feet to 55 feet, 8 inches.

However, it was enough. Warren had half a dozen throws over 56' to win with 56-8. Kermit Mosley of Lake Forest had a lifetime best of 47-4, to narrowly miss fourth place.

Warren fouled all three throws in the discus, something he has not done in two years of throwing. But this did not affect the outcome of the meet. He had the states' second best platter throw of 151 feet, going into the competition. Warren will be back in 1986 and will again be a threat to win both weight titles. Barry Chaffinch threw 143-2, for fourth place.

Paul Meding, a Spartan senior, finished his high school career, as a state champ, with a leap of 6 feet, 2 inches. Another senior, Ken Hutchins, took the pole vault with a clearance of 12 feet. Joe Dopirak was fifth with 10-6.

Mike Melvin, Mark Whidden, Victor Hill and Dexter Bray were the second-place unit in the 3200 meter relay.

Victor Hill (42-4) and Keith Smith (42-1) were second and third, in the triple jump. Hill, a powerful and courageous athlete, had to run the 800 meters in sneakers, because Lake Forest has not been able to locate size 14 spikes. Despite this significant handicap, the genial giant fought off a persistent Dickinson runner, to finish

third in 2:02.8. It's a Best-ever effort, for Vic, and a yearly best for the Lake Forest team.

Freshman whiz Mark Tozer, had an up and down afternoon. Tozer ran his personal best 1600 meters (4:37.8) to finish fourth, missing the Spartan mark by a little over one second. Tozer already owns the school record, at 3200 meters of 10:19, done some weeks ago. He was running strongly, in that event, when a severe leg cramp forced him to drop out. Since second and third places, in the 3200 went in 10:11 plus and 10:17 plus, it appears that the cramp cost Lake Forest and Tozer some more points. Mark could conceivably have finished second, third, or fourth. Again, points lost in the 3200 and discus, still were not enough to enable Lake Forest to overcome the Rams.

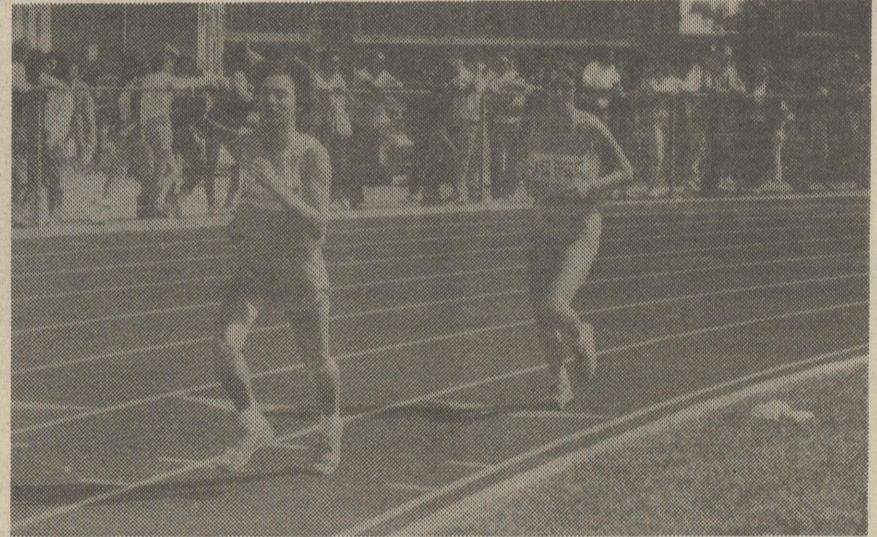

Darren Hammond's third place finish in the 110 meter hurdles, indicate the Spartans will be in good shape there in 1986.

Graduation will take Mike Melvin, Mark Whidden, Micah Parker, Keith Murray, Kermit Mosley, Keith Smith, Paul Meding, Ken Hutchins, Joe Dopirak. Meding's shoes will be the hardest to fill, since replacements are at hand, for every event, except the high jump. It was a very good year.

Spartan girls are third at State meet

Lake Forest's track girls finished off a fine year, by getting third, in Saturday's state meet at Dover High. Like the Spartan boys, the girls lost only one dual meet. The girls also won the Henlopen Conference dual-meet title and the Twilight Relays, in addition to beating the state champion Seaford Blue Jays, in a dual meet.

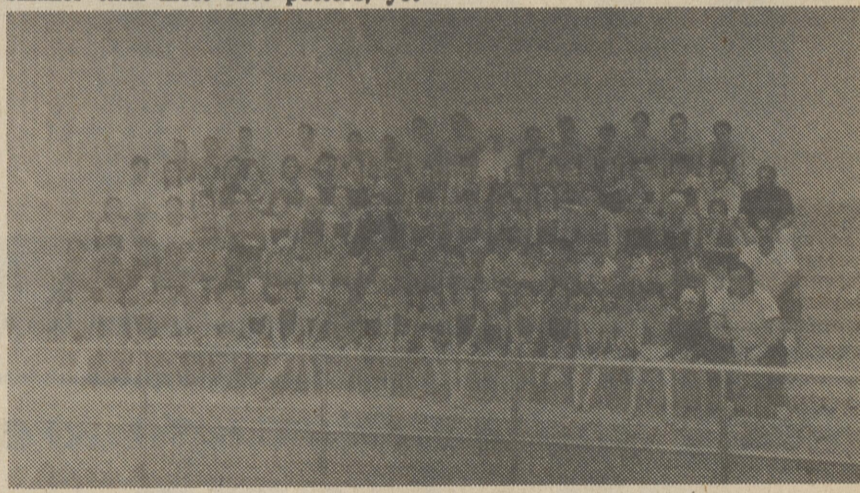

Seaford scored 98 points Saturday, Dickinson was second, as Seaford defended its 1984 title.

Severa Harris was second in the shot put, just missing 39 feet. Severa has beaten the 1984 state champ, Felicia Trammell of Seaford, five times this campaign, but Trammell set a new state record, this time of 41-5 1/2, to defend her title. Andrea Mollohan, who throws only in the big meets, improved two feet, to 32-3, for fifth place. The senior is a letter-winner in five sports, is in track for the first time, is much smaller than most shot putters, yet

she's one of the best in Delaware. Andrea overcame her lack of experience and size with determination, strength and natural ability. Andrea was fourth in the discus with 95 feet, 6 inches. When Andrea and her twin sister Angela graduate, they are going to leave a huge gap in Lake Forest girls' sports.

Lake Forest had a strong group of sprinters this spring when everyone showed up. Carolyn Browne, Joann Smith, Sharon Coverdale, Michelle Briggs, Sheva Batton, Patti Drew, Della Smith combined to rack up a ton of points. Saturday the Spartans had second places, in the 400 (50.9) and 800 meter relays (1:49.9). In each instance, the clocking was the fastest of the year. Browne also placed 3rd at 200 meters (25.8) and 4th at 100 meters (12.6) Coverdale was fifth, at 200

Fastest Ford in the world wins BUD 500 at Dover

by Harry G. Farrow Jr.

Dover Downs. When the dust and gun fire had settled on Talladega two weeks ago, Bill Elliott on the Coors/Melling Thunderbird had become the fastest Ford in the world.

New each time the Daursenville, Ga. native darts around a superspeedway, records fall but fans come to their feet. Not since the glory days of Curtis Turner and LeeRoy Yarbrough or the days of the immortal David Pearson has anyone been able to make a Ford zing and sing around a stock car race track as Bill Elliott continues to demonstrate.

Dover Downs was built by a Ford racing man—Melvin Joseph, Sr. and has been dubbed "The Monster Mile". Joseph knew what he was doing when he constructed the oval just north of Dover. He may not have built the fastest track by any means, but he built one of the toughest on man and machine.

Elliott's Thunderbird made a perfect trip for 500 miles on Sunday at Dover. Bill Elliott, who not only drives the piece of dynamite, also sets up the

chassis. Elliott came so close at Dover last year, and the things he learned served him well here on Sunday. "I just got her dialed in perfectly", he said. "I would run anywhere in the race track with ease."

Ernie Elliott, who builds the engines that power his brother to victory lane said they run the left side tires for 300 miles before they changed them and he said "...you wouldn't believe it but they had no wear whatsoever".

The Elliott team has visited victory lane 5 times in '85 in 10 outings. Bill Elliott's car was the only car in the lead cup at the end. The first three of four finishers were Fords and there were 5 in the top 10 at the end.

Even though Elliott says he attributes his winnings to luck nevertheless he is on top in wins this year (5); money won \$454,810, a host of other accomplishments plus climbing on top of the Winston Cup Grand National Standings.

Elliott picked by \$44,500 by winning the Bud 500. For a good part of the day, it appeared to many experts that

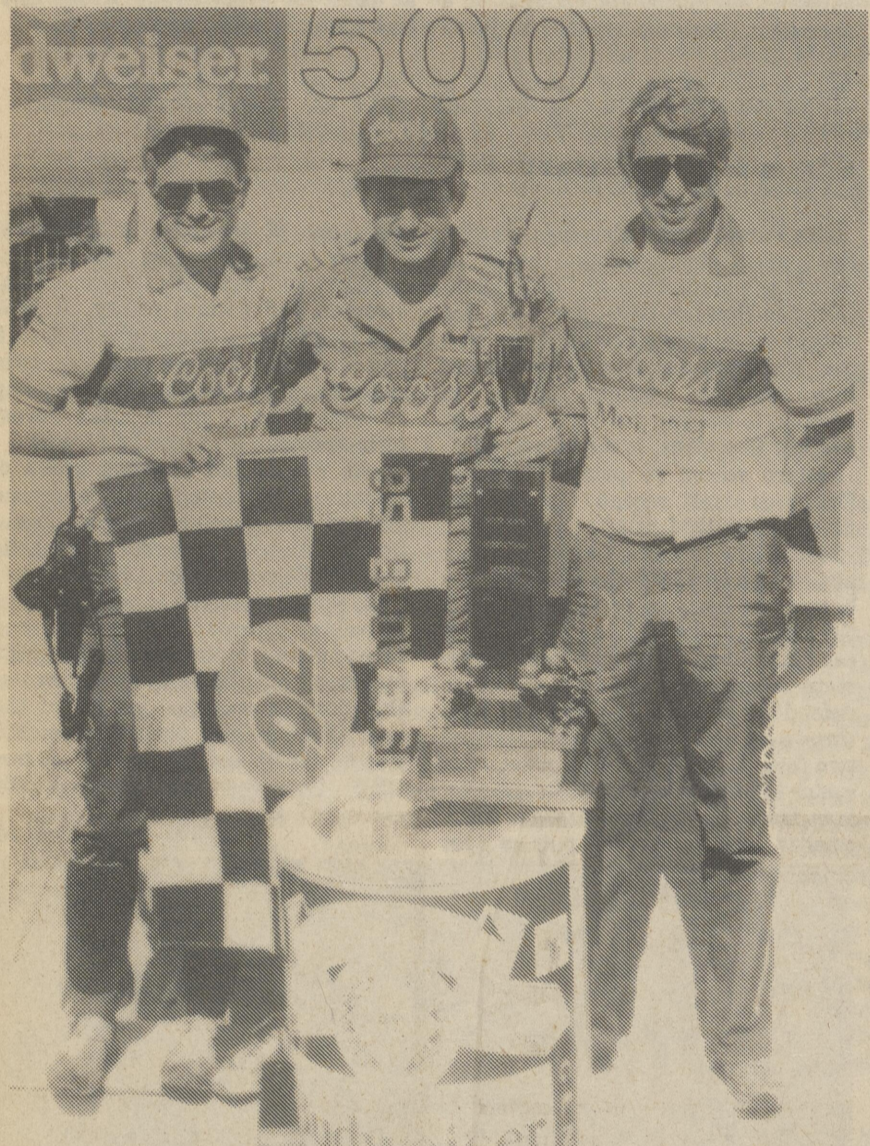

Geoff Bodine would win for the first time at Dover. Bodine and Elliott teamed up to lead all but 21 of the 500 laps. Bodine was plagued by minor problems with the battery, alternator, and lack of gas. Bodine and Elliott drafted very well together at one point opening up a 10 second lead. On lap 385 Bodine went to the pits for the last time. A dead battery caused havoc with the ignition system of the Levi Garrett #5. By the time Bodine could receive the necessary repairs he was 15 laps down and finished for all purposes and intent.

Harry Gant, who drives well at Dover, got the second spot despite the loss of power steering early in the race. Kyle Petty got a third place finish and \$19,000. Kyle now has a 2nd at Talladega and a third at Dover, for a very commendable job under the Wood Brothers tutoring.

Elliott and the NASCAR people move into Charlotte for a big week of racing and a chance for Bill Elliott's biggest pay day if he wins the World 600. It is worth \$1 million dollars to him.

Bill Elliott, second from left, is joined in Victory Lane by Melvin Joseph, left, builder of Dover Downs and one time owner of the fastest Fords on the Sportsman's circuit; Denis McGlynn, President of Dover Downs and Sarah Winston. Photo by Mike Clark.

Pit Notes

J. D. McDuffie...was in a Ford Sunday. This car is owned by Dick Beahr and was driven in the past by Dick May. McDuffie usually drives a Pontiac.

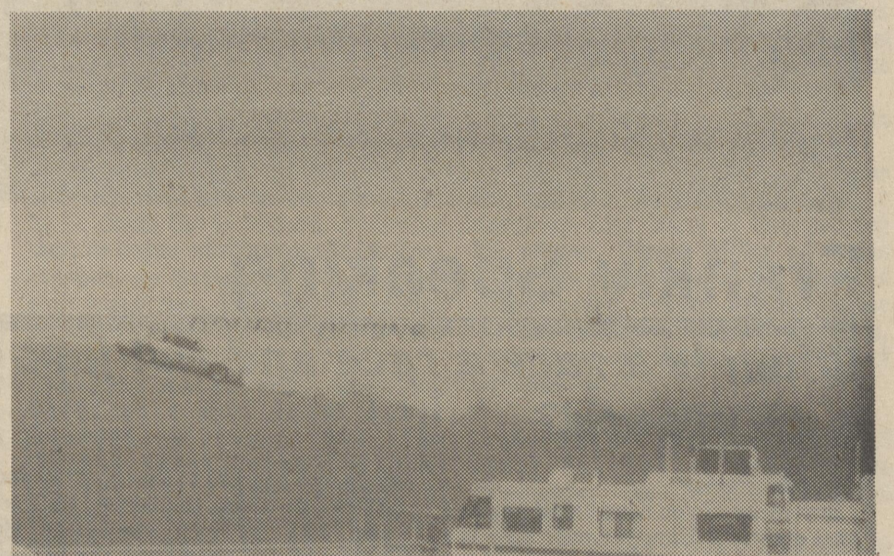

Buddy Harrington...#67 has finally resolved himself to the fact of using power Steering, "I can go faster without it at the beginning but I think about half way into the race I'll be faster due to less fatigue." When asked how he likes the Ford, Arrington said "I love it; wish I'd had one years ago."

Lennie Pond...will be driving Roger Hambys #17 in the races that Ken Ragan was suppose to drive. Ragan suffered a broken neck and a broken leg in a one car accident in the Arca 500 at Talladega two weeks ago.

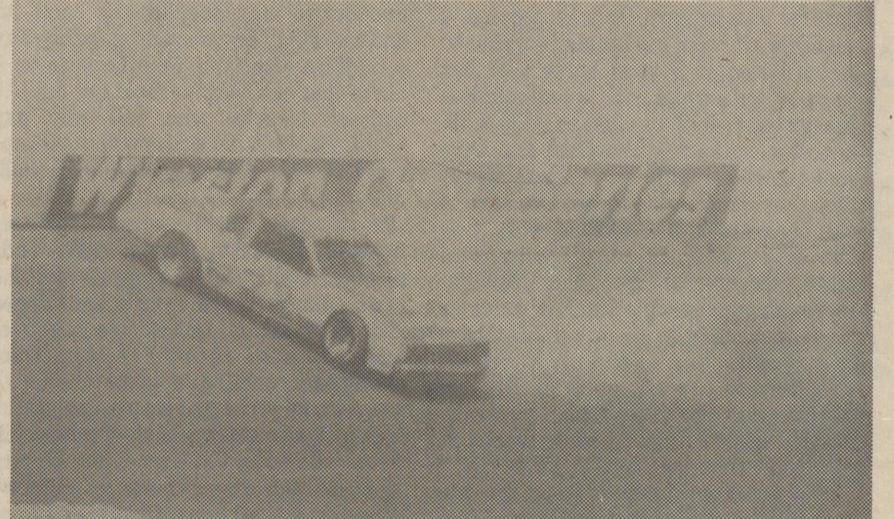

Bobby Hillin...in #8 spun his car on the first lap of qualifying and damaged the entire right side. "I don't know what happened it was so quick. I got a good bite going off turn two but when I got to three it just went around on me" Hillin said.

Petty and Yarborough are neck & neck at Talladega

DAYTONA BEACH, FL — Petty and Yarborough are side-by-side to the finish line. The cars maneuver for position at 200 miles per hour. The huge crowd is on its feet. The finish

line nears. And the winner is...Petty! Kyle Petty, that is. Richard Petty's winning scenario came in the 1984 Pepsi Firecracker 400

at Daytona International Speedway - his 200th career Winston Cup victory. Kyle did it at Talladega last week, winning an almost-identical drag-race to the line with Cale Yarborough for second place in the Winston 500.

"Now I know how daddy felt last year," said the younger Petty. "You put your foot down as hard as you can and hold on. It worked for him and it worked for me."

It would be fitting if Kyle, who turned a few more heads by lapping the entire field in the Winston 500 save winner Bill Elliott and Yarborough, were to score his first Grand National victory on July 4, 1985.

The younger Petty, who has made 149 Winston Cup starts, has improved by leaps and bounds this season, his first with the potent Wood Brothers racing team.

Kyle fashioned a forecast of future greatness when he won his first race, the 1979 ARCA 200 at Daytona. But that was also his last victory. But he feels that skein is about to end.

"If you consistently run at the front and qualify there," Petty noted, "you're going to win some races, and

we feel our time is near." Like at Daytona?

"Winning anything at Daytona is good, that would mean a lot," he said. "But what with Daddy's win last year, and that is the last race the Wood Brothers have won (July 4, 1983), it would mean even more."

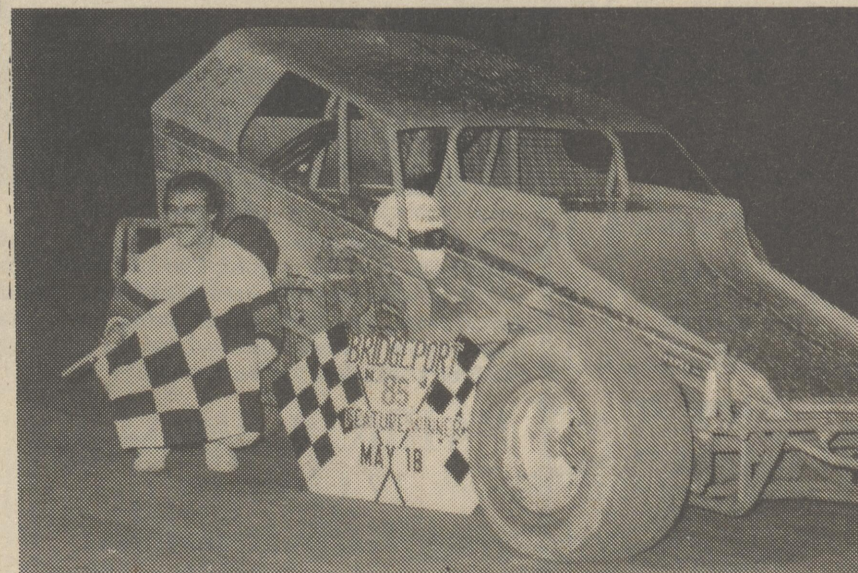

"You couldn't ask any more of a group of people than what the Wood Brothers have done," Petty explained his fast start. They are hard working and all they ask is that I get in the car and drive it as hard as I can."

For their part, the Woods are just as enthused as Petty.

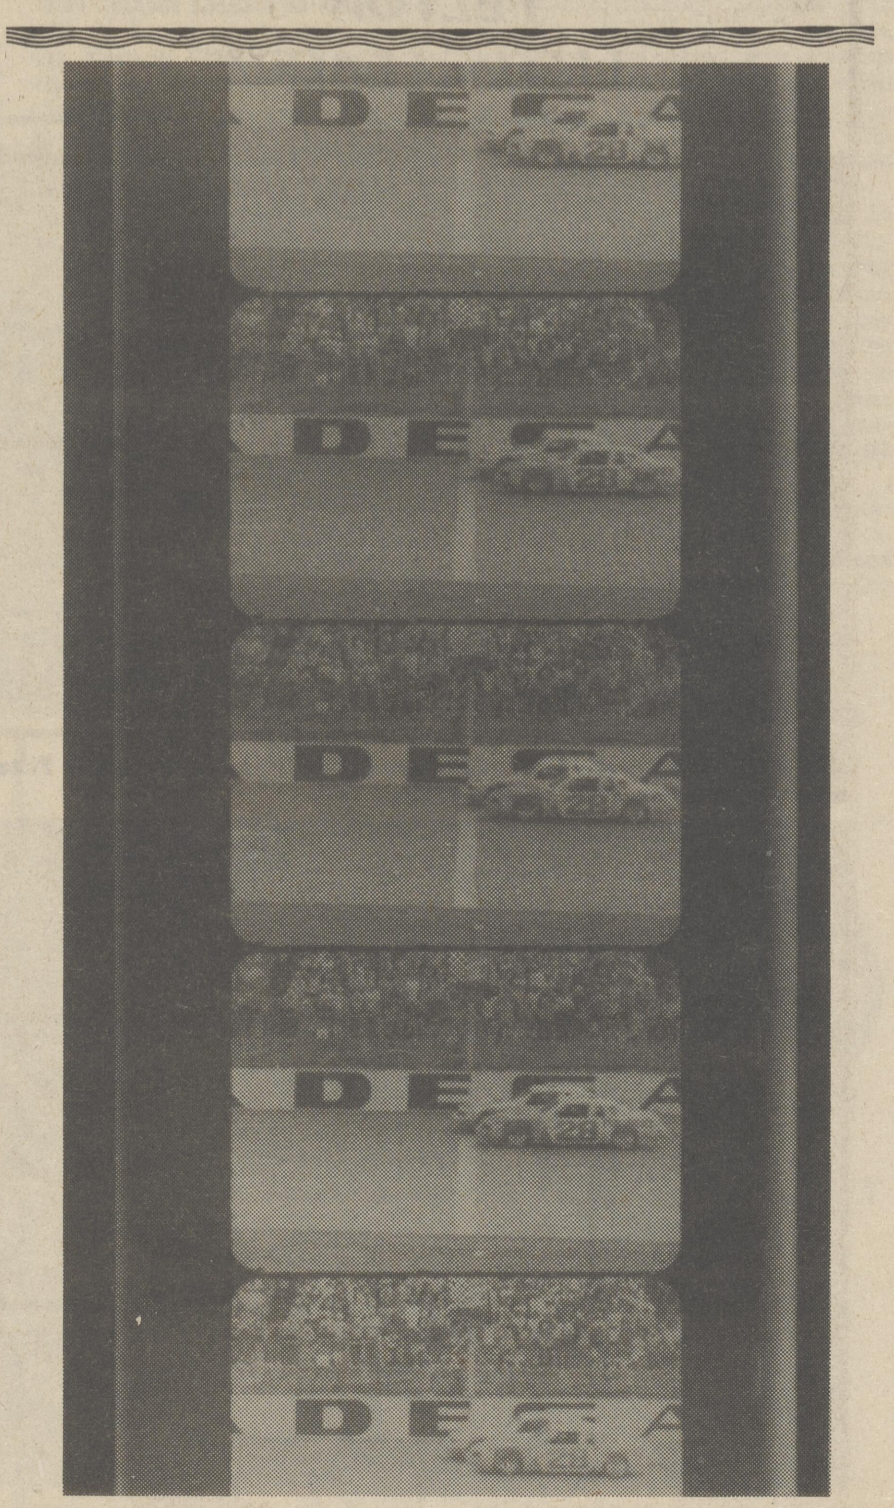

"He's really doing a good job for us," an ecstatic Leonard Wood said after Petty's Talladega showing. "He's doing better, quicker than I thought he would - he really drove like a professional today."

So, will it be another Petty battling with Cale Yarborough for glory in the Pepsi Firecracker 400?

"Winning at Daytona would be great," Petty said. "But we don't want to wait until we get there for that first one."

Memorial Day: Honoring the Dead, Caring for the Living

Reprinted from *The American Legion* magazine issue of May 1985.

At the end of this month millions of Legionnaires, Auxiliary members, their families and friends will gather at cemeteries across America to honor this nation's dead. Row upon row of grave markers — not only in tiny churchyards and in vast national cemeteries, but also on battlefields around the world—vividly demonstrate how deeply this nation is indebted to its many gallant veterans.

Memorial Day, with flags and flowers decorating the final resting places of these valiant heroes, reflects selfless courage and steadfast dedication to America and to the preservation of her democratic ideals.

Since the first shots proclaiming the United States as a sovereign republic were fired more than 200 years ago, almost 1.2 million Americans have died in war; nearly 700,000 of them on the battlefield. Many more were casualties, but survived.

The rows of monuments which span this nation's history pay mute testimony to the magnitude of what those

men and women gave in defense of their land and in defense of others. All other sacrifices pale in comparison.

Generation after generation went into the breach, often against over-whelming odds and with little hope of survival. Those memorials we decorate this month also are a solemn reminder that we who survived have a continuing responsibility to our comrades—both those who are alive today and those who are not.

First, we must continue to emphasize to all generations of Americans the true meaning of Memorial Day and encourage every citizen in this nation to observe it properly, with compassionate and heart-felt thanks to Americans who made the ultimate sacrifice for our country.

Secondly, we must use this occasion to inspire renewed dedication to those Americans alive today who have borne the battle, with some who will soon look to their nation for fulfillment of promises of compassion and care when it is needed.

The responsibilities for remembrance and for compassionate care were incorporated for the foundation of The American Legion and were marked by two significant events shortly after World War I.

When the full force of veterans was brought to bear on the U.S. government to provide adequate rehabilitation and hospitalization of returning veterans, The American Legion oversaw the formation of the Veterans Bureau—later to become the Veterans Administration.

At the same time, The American Legion assumed the responsibility for remembering America's war dead from the Grand Army of the Republic, the organization credited with creating the national observance of decorating the graves of America's fallen heroes.

Today we carry on both traditions with the same devotion that was inspired two thirds of a century ago. This Memorial Day we will lead the nation in observances which recall the final moments of gallant and brave Americans. And today we also turn our attention to the plight of those who remain among us, some rapidly approaching their time of crisis.

Millions rallied to America's call, with far too many paying the ultimate sacrifice.

So, this Memorial Day as graves around the world are decorated with our nation's colors, and as we join in remembrance of those who answered in time of America's need and did not return, we should all draw closer together in dedication to seeing our remaining comrades live out their lives with compassionate care and dignity.

There are many non-Legionnaire veterans who would join us in this effort. Many are just waiting for the opportunity to once again rise to a worthy cause. Seek them out and have them join your post to carry on the founding precepts of The American Legion.

Because, just as Memorial Day is a national observance of this nation's fallen warriors, we must also have a national awareness of the potential threat to America's disabled, aged, sick or poor veteran. Our obligation and that of our country's can be no less.

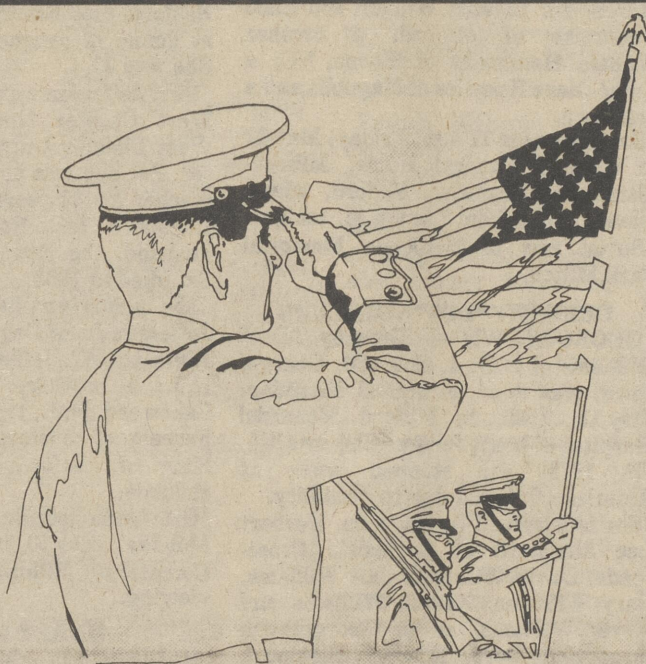

Harrington to Hold Memorial Day Service

On Monday, May 27, 1985, there will be a Memorial Day Service held at Hollywood Cemetery Pavilion in Harrington. The service will start at 10:00 a.m. In case of rain, the service will be held at Asbury United Methodist Church, Weiner Avenue, Harrington, at the same time.

Our guest speaker will be Senator Ruth Ann Minner from Milford. Recitations of "In Flander's Field", "America's Answer", and "The Gettysburg Address" will be given by Guy Kowalchuk, Kim Dannenhauer, and Tonya Braswell, all students at W. T. Chipman Jr. High School. The Lake Forest High School Band, under the direction of Mr. Alex Becton will play several selections. Rev. Kyle Smith from Asbury United Methodist Church will lead us in the Invocation. Rev. Susan Mills from St. Stephens will lead us in the Benediction.

C.K.R.T. Post #7 of Harrington will present the colors and the firing squad.

The public is cordially invited to attend to honor those persons who have honorably served for their country.

Williamsville Historical Society to Present "Honor the Brave"

On Sunday, May 26th, 1:00 p.m. at Griffith's chapel, the Williamsville Historical Society will again present "Honor the Brave" — a blue and grey Memorial Day celebration. The afternoon promises to be filled with historical entertainment featuring:

- The Delaware Historical Reenactment Society (from Wilmington)—best known for their performances at Fort Delaware.
- A tribute to Civil War General Alfred T. A. Torbert, born in Georgetown and buried in Milford.
- Firing of an original Civil War cannon from Lewes.
- A brass band concert presented by The Brass Collegium Musicum from Dover.
- Homemade Refreshments!!

So wear your blue or grey (gowns or uniforms) and come help us celebrate Memorial Day by honoring the brave. Raindate: Monday, May 27th, 1:00 p.m.
