

John Curtis given Merit Award

by Harry G. Farrow, Jr.
DINNER BELL INN, DOVER. - Shakespeare may have expressed it best through Anthony's words about Caesar, but on Monday the University of Delaware did something for one of our own. Recognition of John M. Curtis is long over-due. So be it that the University of Delaware saw fit to bestow upon John Curtis the University of Delaware Merit Award.

This award is presented in recognition of contributions to human progress primarily through sustained service to others in the community, region and state.

John M. Curtis, Sr., as we all know, fits the bill perfectly.

He is a native son of Harrington having grown up on the farm his father, Alexander Louis Curtis owned, where he presently lives.

He has been a farmer or associated with farming and the agri-business all

of his life. He graduated from the University of Delaware in 1941 with a degree in agriculture. The war years interrupted his avocation for awhile. Following the war, in which he received a battle-field commission, a Bronze Star and a Purple Heart...as well as serving in both theatres of the way, he returned home to begin a teaching profession in agriculture. He taught briefly in the Milton School District then Harrington High School and later Lake Forest High School. He helped charter the Future Farmers of America at Lake Forest, and just recently helped in the formation of the Alumni Association of that group.

Mr. Curtis is a member of many local, state, and national teachers associations. He has been very active in the Delaware Farm Bureau.

Outside of farming, Mr. Curtis has been prominent in the banking field. He was elected to the Directorship of

the First National Bank of Harrington, and later was selected as its President. It was during his tenure that the Bank was purchased by the JCPenney retail chain.

He said at the ceremony on Monday that still one of his high water marks is meeting again and again with former students "...who still remember me." He added that sometimes he doesn't recall their names mainly due to their disguise "...bald heads, beards, and pot bellies." But for John M. Curtis, life goes on as usual, but he does not change. For most of us, he is still the same now as he was the first time we recall meeting him.

For this reason and many more of which deal with contributions of this man to his area...John M. Curtis was awarded...and most fittingly by the University of Delaware, the Merit Award.

Those attending the John Curtis award ceremony were, left to right, Mrs. Irene Welch, Dr. Samuel Lenher, Mrs. John Curtis, John Curtis, Dr. Trabant, Mrs. John Curtis, Jr. and John Curtis, Jr. Photo by HGF.

Lost revenue forces Harrington tax hike

by Harry G. Farrow Jr.
HARRINGTON. A budget of \$645,664 was approved on Thursday night for the year 1985-1986 for the City of Harrington. The budget, in order to balance, will necessitate a tax raise. The old tax rate was 32 cents per \$100 of assessed value on real estate in the City. The new tax rate will be 64 cents, which is a 100% increase.

Why is this necessary? The simple answer is that the City anticipates the loss of Revenue Sharing program of the Federal Government. The President of the United States has proclaimed that local governments must anticipate the loss of this form of revenue.

The loss of revenue to Harrington will be slightly over \$70,000. The Federal budget will be determined in October. The revenue derived from the revenue sharing is primarily used for electric and telephone bills. The electric, of course, is largely that paid to Delmarva Power for street lighting.

To know what a taxpayer will pay when the taxes are due, an example of a dwelling assessed at \$20,000, you would divide the \$100 (assessment per \$100 of value on the real estate) into \$20,000. That gives you \$200 which you multiply times the tax rate. Last year it was 32 cents or \$64, and this year it will be 64 cents or \$128.

According to City Manager, George Volenik, "for every 1 cent in taxes we generate \$3210 in tax revenue. If you divide the \$3210 into the \$70,000 you get approximately 22 cents. Add that to the present rate of 32 cents, you get 54 cents. So with nothing else done, the tax rate at that point would be 54 cents."

The situation is that for a number of years the City has not developed any comprehensive street repair rehabilitation program. "Street means everything in the street...curbs, gutters, pavement, and storm sewers. You can put down the best street available...

but unless you have a proper storm sewer for proper drainage...you will have problems fast...and lose everything", said Volenik. "So...we must begin a logical program of laying aside funds to do just that. The Council set the figure of 9 cents per \$100 of assessed value for this purpose. This gives roughly the new tax rate of 64 cents," added Volenik.

There will not be a sewer, water or trash rate hike in this budget. The last such hike in rates was approximately two years ago. The budget is approximately 7.5% over last year's budget.

In this budget there is a provision for City employee retirement program. 3% of the annual salary of an employee is paid by the City into the fund. According to Volenik, a pension board will be instituted next year and put into effect by looking at ways this can be best handled. The pension plan does not include those members of the City Police Department. Funds to cover the police come from the State from various programs.

In A-1 areas of salaries effected by withholding taxes and workmen's compensation have naturally risen by virtue of federal laws. "This cannot be helped...as you know", added Volenik.

The Council is continuing the search for a new City Hall. "The search still continues...but I believe you will see the Mayor and Council select a larger number of citizens...a wider base to make a determination of where the new Hall should be", said Volenik. "You will hopefully see this happen...in the sense of selecting people...in the near future", continued Volenik.

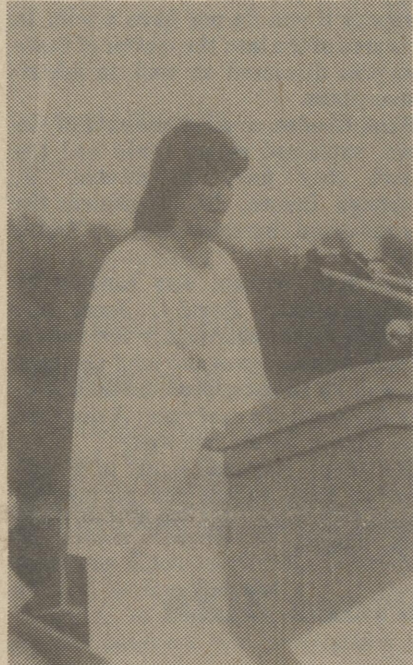

The rent on City Hall has been increased to \$350 each month. The budget takes this into mind as well as dividing the expense between the City and the Police Department "...about equally", said Volenik. The heat expense is treated in the same manner.

Cable TV subscribers may suffer outages on Wednesday

Simmons Cable TV of Midshore and Sussex subscribers may experience the loss of their cable TV reception on Wednesday, June 5th, due to system maintenance work.

The areas affected include: in Midshore: Bowers Beach, Bridgeville, Ellendale, Farmington, Felton, Frederica, Houston, Lincoln, Magnolia, and Milton, in Delaware; Denton, Preston, Federalsburg, Ridgely, Greensboro, and Hurlock in Maryland. Sussex system subscribers living in the Long Neck, Angola, and Oak Orchard areas

will be affected.

The work will begin early Wednesday morning, weather permitting, and is the annual testing and adjustment of Microwave signal levels to conform to FCC standards.

Chuck Stigberg, regional manager of Simmons Cable TV of DE/MD explains, "Most of the communities Simmons serves are linked through microwave signals rather than actual cable wire. The maintenance work that is scheduled to begin on Wednesday is

designed to accomplish two things: one, to follow FCC requirements regarding signal level and control; and two, through the regulation of the signal, to reduce the frequency of outages due to poor weather conditions in the future."

Some adjustments to be made on a site-to-site basis will continue through Friday, again weather permitting, however the majority of the work should be completed by Wednesday afternoon.

Peck named new President Taylor steps down

by Harry G. Farrow, Jr.
HARRINGTON. The Peoples Bank of Harrington was founded in 1905. It all began in a brick building...that no longer stands...on the vacant lot between the poolroom and the Salvation Army store. It was chartered as a bank doing business in the community for "...the people assembled here".

The Bank has only had five presidents in its tranquil history. Very placid, very conservative, yet always there to help the people. The Friendly Bank it is called. Never had a foreclosure! A bank that favors the depositors, who for so many years were the borrowers when in need. The first president was O. Sapp; then Solomon Sapp, next C.

Fred Wilson, E.B. Rash, and finally J. Edward Taylor. All men of high morals and integrity.

Come the first day of July, the present president, J. Edward Taylor will resign that post, and the new president will be Charles L. Peck, Jr. of Harrington. Taylor will remain as a Director.

"When I first came on the Board as a Director January 1, 1946, the Bank had assets of roughly \$2 million", said Taylor, who as a life-long resident of the town has operated the hardware store here his entire life, since graduating from Goldey Beacom. Much to the pleasure of so many, because the credit was easy there. You knew you

could count on a helping hand at the hardware store. "By July 22, 1966... when they made me President following the death of Mr. Rash, the Bank had assets of roughly \$7 million. I was a green-horn still you might say. Mr. Rash was around the Bank most of the day, and he pretty well ran the Bank." added Taylor. Since then, the Bank has jumped up to over \$22 million in assets and will cross the \$30 million mark in the next three to five years. "I am quite proud to have served the Bank during one of its most prosperous growths", said Taylor.

The man, who along with his most faithful and supportive wife, Lela Parker Taylor, founded Taylor's

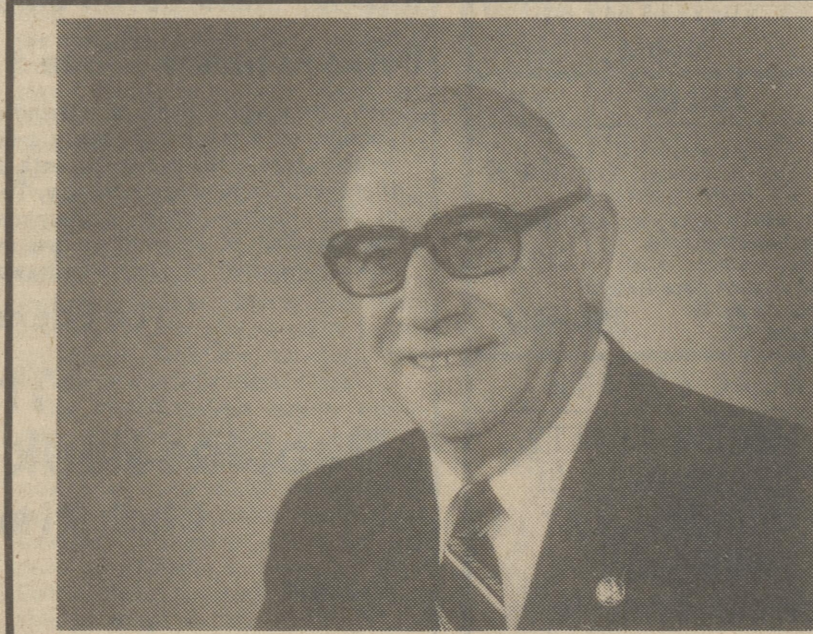

Harrington youth accidentally shot

Wayne Steerman, 13, of Grant Street, in Harrington was accidentally shot on Monday morning. A bullet from a .22 cal. target pistol discharged, creased the right side of his abdomen and lodged in his right elbow.

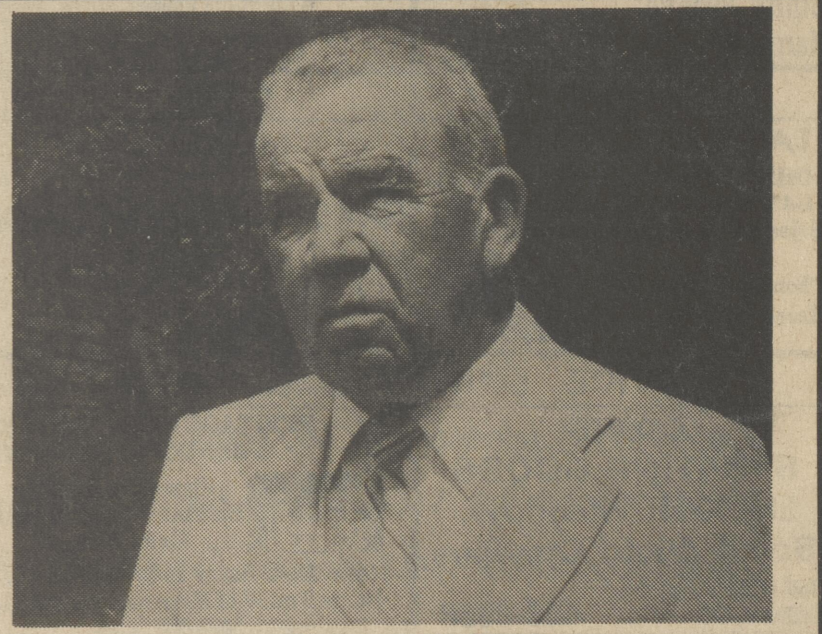

He was operated on Monday night for the removal of the bullet. He remains hospitalized with a fractured elbow.

Hardware in 1935, who served the Milford Hospital Board for 19 years, has served loyally on the Fair Board since 1944, and a former Director of Harrington Raceway feels the pressure as the Bank's President is too much. "Banking today is a lot different than what it was in 1946 when I came on or in 1966 when I became President. We have grown so much. There is more to look after and more responsibilities. Also you must keep up with the federal laws and requirements. I was required to be here at the Bank most of a day...as well as work at the Hardware Store. It gets to be too much after a

 while. You just need a rest from some things", concluded Taylor.
 Charles L. Peck, Jr. on the other hand is a younger man as ages go on the Bank Board, and can assume more duties and responsibilities on a day to day basis. Peck became a Director in 1972. Shortly thereafter was made 2nd Vice President and then was appointed to 1st Vice President.
 Peck has served on several committees for the bank including the finance and personnel committees. He operated the Southern States Agency first with his father with whom he founded Peck's Southern States Co-Op in 1936,

and later under a partnership with his brother, Tom in the same agency in 1947. They sold the business within the last two years to Roger Hudson.
 He has been a former president of the Harrington Lions Club, Harrington Chamber of Commerce, and the Delaware Poultry Improvement Association (DPI). He serves on the Fair Board and is the Superintendent of the Poultry Department. He also serves as Treasurer of the Harrington Raceway, and serves on both Boards of Directors.
 Both Taylor and Peck are members of the Asbury Methodist Church in Harrington.

Low interest home improvement loans available to Harrington Citizens

Citizens of Harrington can secure 8% interest loans for home rehabilitation according to Mr. S. Michael Thompson, Director of Kent County Department of Community Development.
 Mr. Thompson briefed the Mayor and Council on this program at the May 28th Council Workshop.
 Under the program, home owners may borrow up to \$15,000 at 8% interest to bring their houses "up to

code". Loans are for a period of one (1) to ten (10) years. Only owner-occupied properties are eligible and commercial and rental properties are excluded.
 Harrington home owners interested in this program can get complete details by calling Vanessa Scott at the Kent County Department of Community Development, 736-2014.

Elizabeth Butler

Felton woman awarded \$100 prize in contest

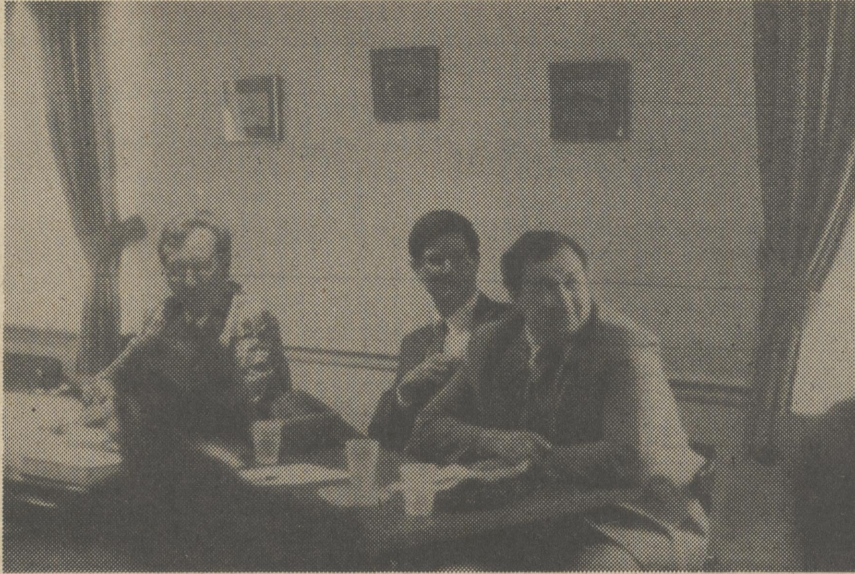

HARRINGTON, DE, MAY 31, 1985 -- Elizabeth Butler of Felton, DE was awarded \$100 in the "Employee of the Month" contest sponsored by Simmons Communications Inc., parent company of Simmons Cable TV of Delaware/Maryland.
 Mrs. Butler, an active member of many local organizations including the Felton Jaycees and Fire Company, has worked for Simmons Cable TV for 2 years and for CATV General for 2 1/2 years before the Simmons acquisition in 1983. She is presently the computer

operator at Simmons Cable TV of Midshore in Harrington handling six of the seven Simmons cable systems in the Delaware/Maryland region.
 Chuck Stigberg, regional manager for Simmons Cable TV of DE/MD commented, "Simmons is proud to reward the people who do an outstanding job for our company and Elizabeth Butler has certainly earned it."
 Simmons Communications has over 100 employees in its 16 cable systems located in Delaware, Maryland, Vermont and New York.

Applications for Delaware Dairy Princess accepted

Applications are being accepted for the 1985 Delaware Dairy Princess contest. Contestants must be Delaware residents between 16 and 25 years of age as of June 1. They must belong to an agricultural related organization, or have lived on a commercial dairy farm. The winner will receive a \$300 cash award and will represent the Delaware dairy industry in the coming year by making personal appearances and slide presentations, and by attending annual DHIA meetings and other dairy-

oriented events.
 Deadline for applications is June 15. Entry forms are available from county extension offices in Newark, Dover and Georgetown, or from members of the Delaware Dairy Princess committee: Alice Mae Dempsey, Sharyn Sheats, Martha Cook, Doris Biggs, Becky Vanderwende, JoAnn Dawson, Susan Blendt and Kaye Webb. Send entries to JoAnn Dawson, 1210 Ogletown Road, Newark, DE 19711 (phone 368-7514).

JCPenney Bank sponsors legal forum

by Harry G. Farrow, Jr.
 HARRINGTON. The JCPenney National Bank of Harrington staged a legal forum recently entitled "Your Will and Your Estate". Joining in as co-sponsor was Brown, Shiels, and Chasnov, a law firm from Dover. The forum was held at The Colony Inn in Harrington.
 There were approximately 165 in attendance. "The house was packed ...not a vacant seat anywhere", said President of the Bank, David C. Jones. Jones explained the purpose behind the forum was part of the Bank's role in providing community services to this area.

happens if you have a will and what happens if you do not have a will. In this area of the law, the matter of State law was discussed as well as inheritance taxes.

Hank Rhodes, another member of the firm, explained estate taxes and the effect they have on estates. H. Cabbage Brown, Jr. explained the meaning and characteristics of a "living will".

The final segment was handled by Bank President, David G. Jones who covered rather thoroughly the matter of safe deposit boxes and joint accounts as well as banking procedures following the death of a customer. A question and answer period followed.

JCPenney National Bank is a full-service bank except for commercial lending abilities. The Bank does have trust powers.

Class of 1955 celebrates 30th reunion

The Class of "1955" celebrated their 30th class reunion on May 3, 1985 at the Harrington Moose Home.

The Ladies of the Moose are to be congratulated on the splendid meal of Beef and Dumplings and all the trimmings. The room was decorated in red and white, which are our class colors. We had a beautiful cake with our class motto on it that was baked by Joyce Lake. The Moose Home was a perfect place to hold a function like this. We had taped dinner music from the 50's which we all enjoyed.

Our guests for the evening were Mr. and Mrs. Melvin Brobst and Mrs. Loretta Purnell. We were very pleased that they could attend. Mrs. Purnell was our senior advisor and Mr. Brobst chaperoned us on our senior trip. We

have fond memories of both these teachers. Gag gifts were given to the following: Pauline Welch Gartner-coming the farthest and changed the most; Billy Fry-the youngest; Esther Ellers Dorey-most grandchildren; Herman Zeitler-youngest child.

Door prizes for the evening were donated by: Harrington Journal, Bridle Bit Package Store, Stones Hotel, Felton Hardware, Sussex Vo-Tech, Smith Sport Shop, Herman and Mary Jane Zeitler, Jackie and Dale Sullivan, and Larry and Mary Ellen Grinolds. Sammy Mackett took pictures of class members which we will be able to keep in remembrance of the evening. Entertainment was furnished by classmates singing a song we composed 30 years ago for Senior Odd Day, about all our teachers, to the tune of Davey Crockett. Mr. Brobst played the piano. Classmates brought old pictures and other mementos of our school days. We also showed pictures of our children on an overview projector.

We had 50 people attend. A good time was enjoyed by all. We will have our next reunion in five years. We hope that the ones that missed it this time will be able to attend then.

Harrington tax hike

(Continued from page 1)

In the vote on the approval of the budget and the new tax rate all council members present voted in favor of both items except for Councilman Donald Jarrell. "I voted against the budget... and in so doing it made sense to vote against the tax hike as well...over a very small item. That I will admit" said Jarrell when asked for his reasoning in his vote. "But even though the small item I believe my position was justified despite the fact that the budget was one totaling over \$645,000," he stated firmly. "The \$1000 was an amount left with the Police Department which I felt that they could use any way they saw fit," he continued. "It was a matter

resulting from the fact that we lost a police officer. She was making, at the time of that policeman's ouster, a \$1,000 over the base pay. When they hired the new police officer, they did not give the new officer what the released officer was making...naturally. I didn't expect that...but I felt the \$1,000 would not have gone to the Police Department. I thought it could have been better used somewhere else in the budget. Now...I was not calling for a reduction of the budget by a \$1,000, because the budget was made. Just that I thought it should not have been left where they left it. That's all," said Jarrell.

Shane and his father, Danny Skinner.

Shane Skinner awarded black belt

by Harry G. Farrow, Jr.
MILFORD - Shane Skinner of Milford achieved a Black Belt rating on May 18th in Detroit. Shane is 11 years old. He is a member of Kim's Karate in Milford. Shane performed before the Grand Master Jae Joan Kim. Shane performs in the Korean style of Karate. He competed against 50 contestants from all over the United States. During the Detroit performance, he was placed first in weapons and was 2nd in forms. His instructors in Milford are Lee and Steve King of Milford. He practices

seven days a week for approximately 3 hours a day. He attends Milford Middle School where he is on the Honor Roll. Shane is believed to be the youngest to achieve the Black Belt in the Korean Style in Delaware. He is the son of Danny and Kathryn Skinner of Milford. Danny is a native of Harrington and the grandson of Morris and Frances Skinner of Dorman St. in Harrington. Shane's goals are to reach the Master level, which is the highest ranking he can achieve.

Scholarship available to 4-hers and former 4-hers

The Cooperative Extension Service's national 4-H youth committee has established a college scholarship fund to recognize and further the education of worthy current or former 4-H members. Each scholarship is directly related to the National 4-H Awards Program, so outstanding achievement in this program is a prerequisite to applying.

Qualified Delaware 4-H'ers and former 4-H'ers are eligible to compete for the following national scholarships:

*Two \$1,000 4-H career scholarships sponsored by Who's Who Among American High School Students. Scholarships are available to incoming freshmen (fall '85) in any field of study at an accredited college or university. Applicants must show evidence of 4-H influence on their choice of a future career.

*One \$1,000 agricultural scholarship sponsored by Alpha Gamma Rho. Candidates must be incoming freshmen (fall '85) who plan to major in agriculture, forestry, veterinary medicine or a closely related field.

*Four \$1,000 agricultural careers scholarships sponsored by DeKalb Ag Research, Inc. Available to high school seniors or college freshmen who plan to study farming, farm management, business and industry, research and industry, processing, marketing, advertising or conservation.

*Ten four-year \$1,000 agricultural career awareness scholarships to land-grant institutions, sponsored by E.I. DuPont de Nemours and Company, Inc. Candidates must be high school seniors who are minority members of 4-H and have been accepted by a land-grant institution. They must intend to study agriculture or a closely related field in order to pursue an agriculturally related career.

*Two \$1,000 animal science scholarships sponsored by the Continental Grain Company. Candidates must be juniors majoring in animal science at an accredited college or university.

*Six \$1,000 dairy goat project scholarships sponsored by the American Dairy Goat Association. These scholarships are available to high school seniors or freshmen at an accredited college who plan to study agriculture, home economics or a closely related field. They must have participated in a 4-H dairy goat project for at least one year.

*One \$1,000 food careers scholarship sponsored by Webster Industries, Inc. Candidates must be freshmen in college who have participated in 4-H food preservation, canning or freezing projects and who plan to major in food technology, food and nutrition, food service or a closely related field.

*One \$3,000 fashion career scholarship sponsored by the Tobe-Coburn School for Fashion Careers. Candidates must have successfully completed 45 quarter or 30 semester hours at an accredited college or university and must be available to enroll at Tobe-Coburn within the year. They must be able to adapt to an urban environment, meet the balance of their financial expenses and submit a brief essay on "Why I Want a Career in the

Fashion Industry." The recipient must intend to pursue studies in the fashion industry in order to prepare for a fashion-related career.

*Two \$1,000 rabbit project scholarships sponsored by the American Rabbit Breeders Association, Inc. Available to high school seniors or college freshmen who have completed one year of 4-H work on a rabbit project and who plan to study agriculture, home economics or a closely related field.

*Two \$1,000 4-H veterinary medicine scholarships sponsored by Champion Valley Farms, Inc. Available to candidates now enrolled in one of the 28 U.S. colleges offering a veterinary medicine curriculum.

*One \$750 career scholarship sponsored by the Gertrude L. Warren Scholarship Fund. Applicants must be college freshmen who show evidence of 4-H influence on their future career choice and who are enrolled in any field or study at an accredited college or university.

Delaware youth wishing to apply for any of these scholarships may obtain further information and application forms from county extension offices in Newark (451-8965), Dover (736-1448) or Georgetown (856-7303) or from state 4-H leader Marcus Butterfield (451-2509). Applications must be approved by him and submitted to the National 4-H Council by October 1.

Coming at the Fair

Harrington, Del. The Delaware State Fair has been officially notified that it will be the site of the regional finals of the 1985 Wrangler Country Showdown, billed as the largest country music talent contest in the world. Popular country music recording star, Moe Bandy will headline the show and emcee the talent portion of the evening which has been set for Sunday, July 21.

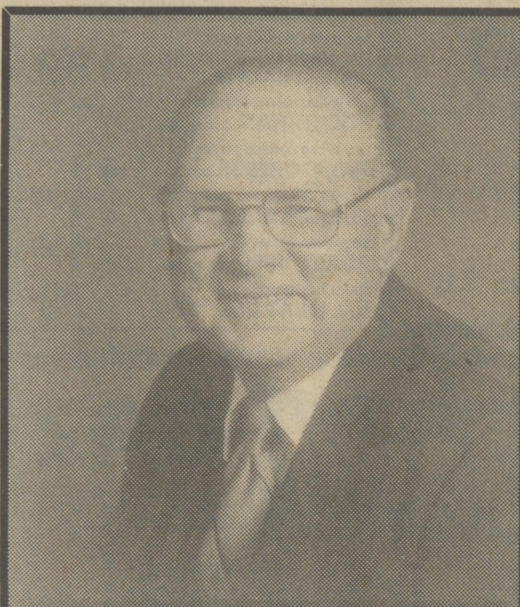

This will be the second year of involvement for the State Fair in the contest, last year playing host to the State finals. The winner of that contest went on to the national finals, finishing 1st runner-up and walking away with a \$15,000 cash award and a Dodge van. This year State Fair officials went after the regional contest and having been selected, will host contestants from Maryland, New Jersey and Delaware.

The winner of the regional contest will receive a \$1,000 cash award and a trip to Nashville to compete in the \$50,000 national finals. To be eligible to compete in the State Fair contest, participants must have first entered a local contest sponsored by a participating country music radio station. In Delaware, those stations are WAMS in Wilmington and WAFL in Milford. State Fair officials suggest that anyone desiring more information on the contest should contact Mr. Bob Fulton at WAMS Radio (302) 654-8881 or Mr. Dennis Hazzard at WAFL Radio (302) 422-7575.

ANNIVERSARIES
Mr. and Mrs. Rodney Comegys, Mr. and Mrs. John Dorofee, Toni and Carl Stalaker, George and Bea Harrington, David and Colleen Whitt, Mathilda and Ronald Knopp.
The Knit Wit Craft Club are going out for their annual dinner. Celebrating our fifth anniversary, our plans are for the Sail Loft near Frederica, for a delicious dinner and evening out.
Mrs. Lola O'Day has been visiting her sister and husband and Mr. and Mrs. Rawlins Minner for four days in

Wilmington, De. They had a very enjoyable time and spent much time with a niece and her husband and also Mr. and Mrs. Steven Apple, all of Wilmington, De.
The Felton Jaycees Chapter sponsored 18 members made up of Cubs, Boy Scouts and their sisters in the Delaware Jaycees, B.B. gun shooting match held at Milford Middle School on June 1, 1985. The winners were: first place Smyrna & Clayton A team; 2nd place Milford B team; 3rd Smyrna and Clayton, B team. Felton finished in 4th place. Congratulations to our young team considering we only had four weeks training. We're proud of all the teams for such a fine showing. Cubs and Boy Scouts extend their appreciation to the Felton Jaycees who sponsored them.

Local Interest by Donna Breeding 398-4474

Our most heartfelt sympathy goes out to Mr. Earl Quillen and family on the loss of his wife, Marguerite this past week. She'll be greatly missed. My prayers are now for Mr. Quillen and family.
Mrs. Legatha Farrow returned home from the hospital Thursday. She seems to be doing very well.
Mr. and Mrs. Willis Kates entertained Mrs. Sandra Scott and Christine, Darwin and Carol Kates and Angela and also Mr. and Mrs. John McDowell and family at a barbeque on Memorial Day.
Mr. and Mrs. Harold McDonald recently visited friends and relatives in Phillipsburg, Pennsylvania and in Toronto, Canada.
Mr. and Mrs. Melvin Brobst spent last Sunday with Mrs. Etta Elliott at the Manor House in Seaford.

traveled to Levettown Long Island, New York to visit her sister Camalle Alaya on Tuesday.
Karen and Billy Stubbs entertained 25 people Sunday at a cook-out.
Bessie Butler attended a cookout in Denton, Maryland at her nieces home. James Steward visited his sister Leah Anthony on Sunday.
Happy Birthday wishes go out to Dennis Beene on his birthday, May 30th.
Stacie Taylor of Felton spent the weekend with her grandparents, Mr. and Mrs. Leonard Taylor.
Jerry and Sherrie Yoder went fishing on Sunday with Sherrie's Dad, Alan MaGhee and Phyllis.
Rev. George Downes and son visited his mother Dorothy Downes and his sister Jeanette Wyatt and family this past week.

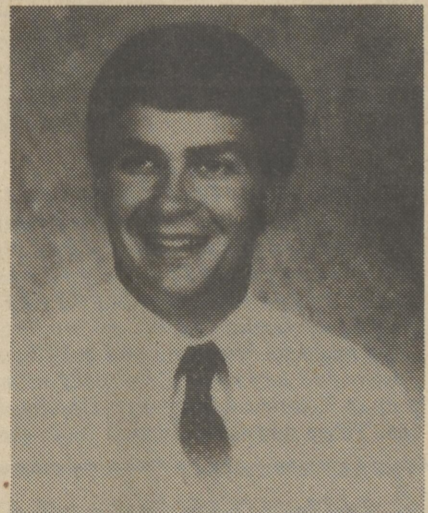

Mr. and Mrs. Francis Weldon, Mrs. Catherine Moore, Mr. and Mrs. William Bullock, Mrs. Norma Jean Bradley and Mrs. Faye Bradley were visitors of Mr. and Mrs. Elmer Brown last week.
Jesse and Mary Strange and children, Jessie Jr., Dennis and Mary of Philadelphia, Pennsylvania were weekend guests of Jewel and James Carpenter and Jack and Bea Bradley.
Sunday was a busy day for Jack and Bea Bradley with guests Ivan and Betty Yoder, Jackie and Faye Bradley, Bill and Joanne Bradley, Frank and Norma Jean Bradley, Jewel and James Carpenter, Jesse and Mary Strange and family, Kevin, Troy and Crystal Yoder, Catherine Cannon, Frank and Lill Vincent, John and Karen Bradley and children, Christina and Johnnie, John and Donna Fay Carter and sons Shane and Justin, Velma and David Rust and Tina. My, my, now that's what I call a small party.
Mrs. Lena Casler visited Roshelle Park in New Jersey on Monday then

Gary Marvel, son of Phyllis Marvel and the late Rev. Fred Marvel, received his Masters Degree from Wilmington College on Sunday May 19th.
Frank, Sharon and I spent Saturday in Wilmington visiting my son Joe Zelano and grandchildren Jennifer and Raymond (Rocky). We then took the children to the Nur Temple Shrine Circus. We spent Sunday at my sisters and brother-in-law, Fredda and Mike Richards and family for a cookout. We enjoyed horseshoes and Trivial Pursuit until we all found out how dumb we were.
I wish you all a safe and happy week. My closing thought:
The clock of life is wound but once. And no man has the power, To tell just when the hands will stop At late or early hour. Now is the only time you own, So live, love, toil with a will. Place no faith in tomorrow, For the hands may then be still.

Greenwood man is awarded medical degree

On May 20, 1985, Steve Hamstead received the degree in Doctorate of Medicine from Bowman Gray School of Medicine in Winston-Salem, North Carolina.

Sunday worship service at Houston United Methodist Church, 9:30 a.m. Sunday School for all ages following the service. Rev. Kyle N. Smith, Minister.
Last Sunday's message was "Their Memory is Precious to Us". Members of Houston Church who have died during May 27, 1984 to May 28, 1985 were Hilda Jewell, Minnie Coates and George Simpson. The Choir sang "This Is My Song". During the service Rev. Smith baptised the infant son of Mr. and Mrs. Richard Carmean, Christopher Allen. Christopher's mother, Mrs. Julie Carmean was also baptised and accepted for membership to the

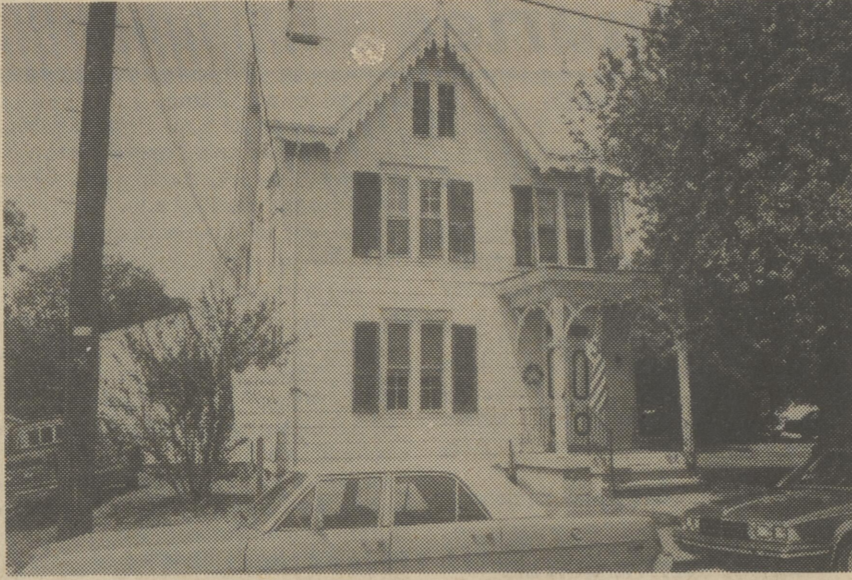

church. Grandparents of Christopher were present to witness the ceremony. Quite a crowd attended the Memorial Day celebration "Honor The Brave" at Griffith's Chapel on Sunday. It was very impressive. Several were in uniform which made the service more authentic.
Mrs. Doris Wagner of Silverlake Estates, Milford and Mrs. Anna Belle Brown of near Houston have returned home after a four week vacation in Borne, Indonesia. They visited Doris's son and family, Mr. and Mrs. James Wagner. They also visited Singapore

The Felton Fire Company Ladies Auxiliary will choose officers on June 12 at 7:30 p.m. at the Felton Fire Company.
Volunteers are still needed to help with the Special Olympics at Delaware State College on June 7 and 8. If you would like to help, please contact

Vonna Hobbs immediately at 284-9229. Donations are still being accepted for the Felton Street Fair. The Fair will take place on June 15 from 8:30-6:00. Events include a 10-K race, parade and an auction. Those wishing to make a donation should contact the Felton United Methodist Church.

The Frederica Center welcomes all, 55 and older, to come and enjoy our facility. Please come, we have lots to offer plus you may have some ideas to add to the programs.
This Center includes Bowers [North and South], Thompsonville, Magnolia, Andrews Lake, Felton, Viola and Canterbury areas. Anyone all around us, we welcome you. Visit us; please call; get a group together.

Ms. Lynne Baynard, Director of Frederica Adult Center, addresses luncheon attendance at the dedication of the new wing.

Frederica Adult Center dedicates new wing

The dedication of the new wing of the Frederica Adult Center for senior citizens took place on Wednesday, May 22. The celebration included a delicious luncheon and open house and was attended by approx. 168 persons.
The new addition consists of a large dining area with a capacity for approximately 85-90 people, an activity room with pool table, card tables and conversation area. Additional office space, rest rooms, consultation/office room and much-needed storage areas complete the lovely new facility.
Special guest speaker was Dennis E. Greenhouse, Delaware State Auditor. The Master of Ceremonies for the event was Edward Minus, Sr. and the

dedication prayer was offered by the Rev. J.H. Williams, pastor of Union Baptist Church, Dover, Del.
Other honored guests included: Barbara Evans and Nick Brown, representing Senator William Roth, Kevin Smith, representing Senator Joseph Biden, and Susan Stuchlich representing Congressman Tom Carper. Eleanor Cain, Director of the Delaware Division of Aging, Thomas E. Weyant, Director of Kent County Office on Aging, Harry K.F. Terry, legal representative of the Center and Samuel S. Beard, President, Delaware First. Also in attendance were State Senator William Torbert and Kent County Levy Court Commissioner Jack Walls.
Her children, too, are not forgotten as to their schools they went. Their lively voices loud and clear. Ring through the day now spent. Of things dear to our hearts.

FREDERICA
by Mary Hitch, age 82
Frederica sleepy lies
Dreaming of her pleasant past,
Of her many businesses,
And stream plied by steam and mast.

She remembers Sackarachem,
Who sold his land for pay
To start Johnny Cake Landing
Which is Frederica today.

A trip to Philadelphia
On the Frederica Steamer
Is enough to bring a smile
To the lady dreamer.

Turkey Day when the wagons high
Were piled with turkeys dressed
And lined along the streets
For buyers to see and test.

Cold was the day, but warm the heart
With thoughts of Christmas money,
Although the snow may have fallen
The day seemed only sunny.

An open team, a sleigh for snow
Which made the bells go jingle,
And hokey-pokey summer brought
To make the taste buds tingle.

A doctor here to cure all ills,
A lamplighter to dispel the dark;
And happy gatherings everywhere
For many a merry lark.

For play and entertainment
To the Town Hall would go all;
But now it is torn down;
Things are held in the Fire Hall.

Her churches too for worshiping,
And Christian fellowship true,
These are the things she holds so dear
And will always surely do.

We salute thee gracious lady,
May your dreams again arise.
May the children of today
Bring you a wonderful surprise.

Senior Center

Well, it's hard to believe but summer is almost here. We have quite a few new programs and trips for the summer so be sure to watch for our announcements. If you are sixty or over, or if you know someone sixty or over that you would like to introduce to the center, just call 398-4224 and we will send them a copy of our Calendar of Events for the month of June. This details all the activities as well as all of the meals and the trips for the entire month. This will be at no cost. All of our members receive a copy every month automatically.
Now on with the news...On Thursday, June 6th, we will be having Coupon Bingo in the afternoon beginning at 1 p.m. (This is contrary to our newsletter that has a flower arranging class on that day, unfortunately Peg Potocki is unable to attend that day). There will be local shopping in the morning on that date.
Let me explain local shopping: Our DAST bus takes anyone that wants to go, to the Quillens Shopping Center on Thursday mornings. This makes available a food store, drug store and 5 & 10 store. You know that a lot of us

take it for granted that we can just jump in our cars and go to the store, go to work, etc. But for several of our members this is impossible. Some don't drive anymore; some don't have family members in this area to lend a helping hand with the shopping, so our 'family' steps in by taking those persons interested local shopping.
On Friday, June 7, we will have our new exercise class with Debbie. We have had exercise classes in the past that were well received so we will be starting them again. This will begin at 10:15 a.m. After lunch, at 1 p.m. we will be having Bridge Games with Phyllis Greenhaugh. If you are interested in playing, please call either the center or Phyllis so she can plan the number of tables.
On Monday, June 10th, our Morning Bible Study will be with Rev. Koning of the Nazarene Church in town. After lunch: sauteed chicken livers or chicken salad, steamed rice with onion gravy, tossed salad, pears, choice of juice, we will begin our Members Meeting at 1 p.m. (The Meals are

Gab Fest by Pat Hatfield

Our little brown dog does not really think she is a dog. She thinks she's people, and she likes to do whatever we are doing. We like to stay up late, so we usually have a late snack before we go to bed. So when we come into the living room with it, she runs out to her bowl in the utility room and selects a "cruncher" (which she has carefully saved from her supper meal), and she brings in one piece at a time reclining at our feet and munching away. It is a social time and she is sharing it with us. Don't get the idea that with all this praise she has no faults. One of the things that bothers me most is her insistence on loving all our guests and expecting them to make a fuss over her. Oh well...
Well, in spite of, or because of, all the pill taking I believe I have finally licked the virus bug. So I celebrated my return to the land of pots and pans with an orgy of cooking over the holiday weekend, since we had no plans for travel. I made four loaves of bread, a dozen and a half cupcakes and four sweet potato pies. One of the pies went to my granddaughter and her friend, Angie, one went to a young friend of mine whom I admire very much, some went to my precious daughter, Ellen, and some stayed here because it is Dad's favorite pie.
Pie is always a big production for me. In a past Gabfest I told you about dealing with the lemon meringues.

Well, sweet potato pie involves about as much activity. First, you have to cook the sweet potatoes. They must be scrubbed well, and you must remember to put a little bit of cooking oil in with them to eliminate that gummy wax buildup around the stewpan.
Then, you cool them and skin them and put them through a ricer to make sure, no lumps. Right here, you'd better scrub and wash the ricer or it will be a grubby mess when you get around to it. Then you beat the eggs, allowing at least three to a pie. I usually throw in an extra one "for the pot" as Grandma used to say. Add the sugar and the vanilla and dump in the milk. I always use undiluted canned milk for creamy richness. Assuming you have already made, rolled out the crust, and heated the oven, you fill the shells, sprinkle the tops with nutmeg, and into the oven. Now, don't go too far away, because you know custard pies must be removed from the oven when there is still an uncooked center about the size of a saucer. This will finish on the countertop and the pie will be much more creamy.
Well, I expect I make too big a deal out of it, but if I'm going to go to all, might as well get first class. After all these holiday goodies were ready to eat, I made a beeline for the old easy chair, put my feet up and spread a smile on my face like the cat who had eaten the canary, cage and all!

"Walking In The Light"

"Heptad," a committee of seven laypersons promoting Christian unity on Delmarva, is planning its second annual Picnic Conference to be held on Saturday, June 8, 1985, in the pavilion area at Delaware Technical and Community College, in Georgetown, DE, between the hours of 9:30 a.m.-4:00 p.m.

Your heart will be uplifted as you enjoy an inspiring music ministry. Your mind will be enlightened as gifted lay speakers share their insight on the nine fruit of the spirit. Your body will be refreshed as you relax in an outdoor atmosphere centered around a picnic lunch. Your soul will be stirred as you discover a new awareness of what it means to be "one in the spirit" through participation in informal small-group discussion.

Children are welcome! There will be entertaining activities such as puppet shows, songs, stories, etc. Nursery services are available for infants and very small children at a nominal fee. Registration for children can be made by calling 302-856-6073.

Our purpose is to draw Christians of all denominations together once a year to fellowship with one another and joyfully worship our Lord in Spirit and in Truth. It is a wonderful opportunity to meet other committed Christians from your area.

So, bring your Bible, something to sit on, and a picnic lunch, and come to receive refreshment from our Lord.

See you on June 8! For more information call 302-829-2248.

FATHER'S DAY NOVENA: Father's Day cars are available at the entrance to the churches. Please return Father's Day envelopes to have your father remembered at a Novena of Masses by Father Charlie.

AIR CONDITIONING COLLECTION: In order to purchase the air conditioning for St. John's Church, with the approval of the Parish Council, we dipped into parish reserves. We would like to replenish and to help pay for the electrical costs of the system. Therefore we will institute a second collection over the summer. We ask our visitors to be particularly generous to this collection.

ST. JOHN'S WOMEN'S GUILD: We invite the women of the parish to an evening of reflection and prayer on Thursday, June 6 at 7:30 p.m. in St. John's Hall. Mass will be celebrated at 7:00 p.m. in the Church.

Frankly Speaking

How to loose a dream for under \$5,000 or If only we had known

By Mike Harker

John and Marvin are excited about today because they are about to embark on a new and exciting adventure. Today they are going to purchase a standardbred pacer and make their fortune the easy way. They will be able to quit their jobs, John being a loan officer at the local bank, and Marian is a teacher of American History at the State College. This horse they have chosen will win everything in sight. Why no more than six or seven months will pass when they will be able to buy that house down the street that they pass every day and long to own.

John met this man from the track one day at the bank and struck up a conversation with him, and the talk quickly turned to racing, a subject that John knew a lot about, because every morning at breakfast he read the racing results in the paper and he knew that a horse could win in excess of one hundred thousand dollars in no time flat. There was even one race there he could win one million dollars. All he had to do was to buy a horse and that money could be his and all his dreams would come true. Marian on the other hand was not as easily convinced that it would be all that easy to make money racing a horse, but then she thought that they should be getting a very good horse for five thousand dollars which was more than they had paid for their car. They talked all the night before about this horse. They talked about his color and the way the little white wisp of hair turned on his forehead, the length of his mane and tail, and about the way the two white socks trailed up his legs. The man said not to worry about the slight limp that he had on the right front leg. He must have slept on it wrong or something. After all the horse was a pure-bred, he came with papers and all the man told them.

This morning, with cash in hand (for

some reason the man wouldn't take a check) they left for the track to purchase their dream. When they arrived at the barn, their future world champ and breadwinner was standing in his stall swaying back and forth from one leg to the other. The man said that was a sign that he was anxious to get going. He also told them that the horse was so fast that he had to drive him in a double wire bit to slow him down some. That made sense to John and Marian. Why? They didn't know but it did make sense.

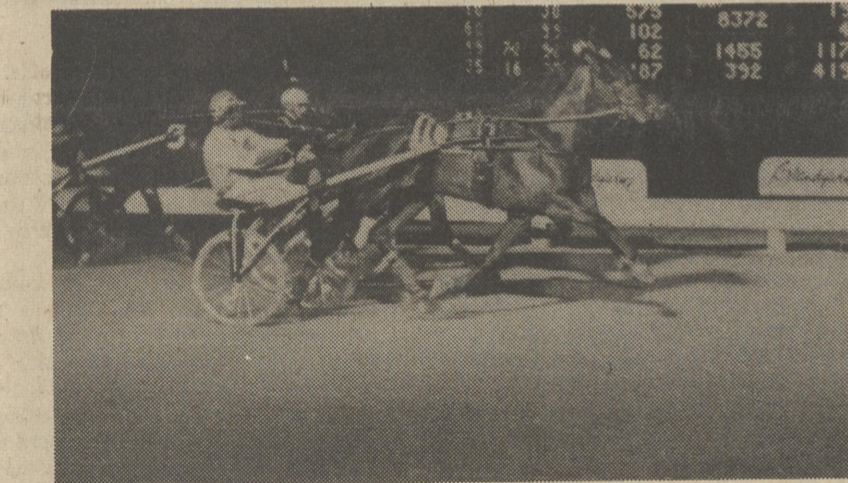

They paid the man the money for the horse and also a month's training fee in advance. Now they were racehorse owners and on their way to independence. As they walked hand in hand back to their horse's stall, they talked to each other as only two people who shared a common dream could talk. When they reached the stall, they found their big brown horse chewing a hole through the stall wall, to which they surmised that he was looking for a quick way out of the stall, such an intelligent horse they had bought.

As the weeks turned into months and still no money being won, in fact not even one race being raced, they finally decided that they had been taken. The two vets who examined the horse for them said that he would never race with that right front foot. So this man called Amos bought the horse for two hundred fifty dollars. Not only did they lose their horse but also a dream, to an unscrupulous trainer who only saw dollars.

John and Marian are fictitious people, but this story happens all the time, and for every time that it does happen, the sport of harness racing takes two steps to the rear. Not only do the new owners coming in to this sport need money and plenty of it, but they must not be dreamers, because a dream can be shattered for under five thousand dollars.

Perfect Beauty

Perfect Beauty gives birth to "perfect" filly

Perfect Beauty gave birth on April 28th to a filly. The unofficial name of the new foal is "LaBeaute Rouge" (the red beauty). According to Barbara Kent of Tree Top Farms in New Hampton, NY "...mother and filly are doing just fine."

According to Mrs. Kent, Perfect Beauty and her foal are owned by Mr. and Mrs. Paul Nigito, Mr. and Mrs. Joseph Costa and Mr. and Mrs. Frank Antonucci. She has been bred back to Speedy Crown.

Asked if they would race her again Mrs. Kent said "...they have been known to race in foal, but nothing has been decided on that as yet."

When Perfect Beauty came to Tree Top Farm, the Kents put a goat in with her. "At first Beauty did not take too well to the goat, but as time went on she became very close to the goat. They were constant companions."

The filly is perfectly built in every way. "She has the long barrel-type like her mother, lots more white than her mother, perfect legs, beautiful head, light red in color, as well as perfectly shaped shoulders," said Mrs. Kent.

Sprint cars return to U.S. 13 for second Taylor & Messick Championship race

by Don Allen
The winged thunder of the United Racing Club Super Sprints will return to the U.S. 13 Speedway Saturday night, June 22nd for the second portion of the five race Delaware State Sprint Car Championship Series sponsored by Taylor and Messick Farm Equipment of Harrington, DE. This series, which is part of URC's 41 race 1985 season schedule, got off to a rousing start in April when Kramer Williamson from Palmyra, Pa., driving the Joe Fiore #8 racer, sped to victory over a full field of the club's finest.

Williamson currently holds the sprint car speed record at U.S. 13 at 19.01 seconds. He only missed breaking that record by a few one-hundredths of a second in his April romp.

The April show at '85 was also URC's premier '85 event and since then three time URC Champ and 1984 Delaware State Sprint Car Champ, Dave Kelly, has become this year's dominator. Kelly has scored a phenomenal five wins already this season, making him the current point leader and moving him to third in the all-time URC career win list with 39 victories to date. Kelly's Schaeffer Beer sponsored #17 will be another that will answer the call when the green falls on the 22nd.

The URC "squadrons" will share the evenings bill with a 25 lap feature for modifieds and 20 laps for the late models. Gates will open at 5:00 p.m. and the thunder will begin to roll at 7:30.

Richardson scores second in a row in U.S. 13 Limiteds

by Don Allen
Todd Richardson brought his Pitt Stop sponsored #8 Limited Late Model to victory lane for the second week in a row at the U.S. 13 Speedway Saturday night by outdistancing the field from the second lap to the finish. Richardson put his racer in the "go groove" leaving the rest of the pack to duel among themselves. Finishing in second was Phil Wells then Bill Penuel followed by John Kenney and Jeff Patilla.

This was Patilla's first time out in his new Coors Light sponsored Monte Carlo. He and his crew had worked

relentlessly all day to complete the car and they didn't get to the track until the feature was rolling out on the track. Patilla, 1983 LIM Champ, fell in at the rear and over the course of the event worked his way up to a satisfying fifth place finish.

Richard Cook scored his first win in the ten lap street modified feature. The order of finish was Cook then Joe Fretz, Steve Cooper, Herb Donahue, Timmy White, Donald James, David Beach, George Ralph III, Richard White, Jr., Elwood Driscoll, Jimmy Driscoll and Keith Dorey.

Kozak romps in U.S. 13 Modified Main

by Don Allen
John Kozak piloted the Blue Hen Racing #30 to a convincing win in the modified portion of the double points show at U.S. 13 Speedway Saturday night. Kozak flashed from a tenth place start to take the lead on lap 13 and held off the strong charges of Bobby Wilkins and his Delmarva Electric Motors #69 Bandit to ace his third season win. Wilkins finished second followed by Harold Bunting, Gary Trice and Ed Brown, Jr.

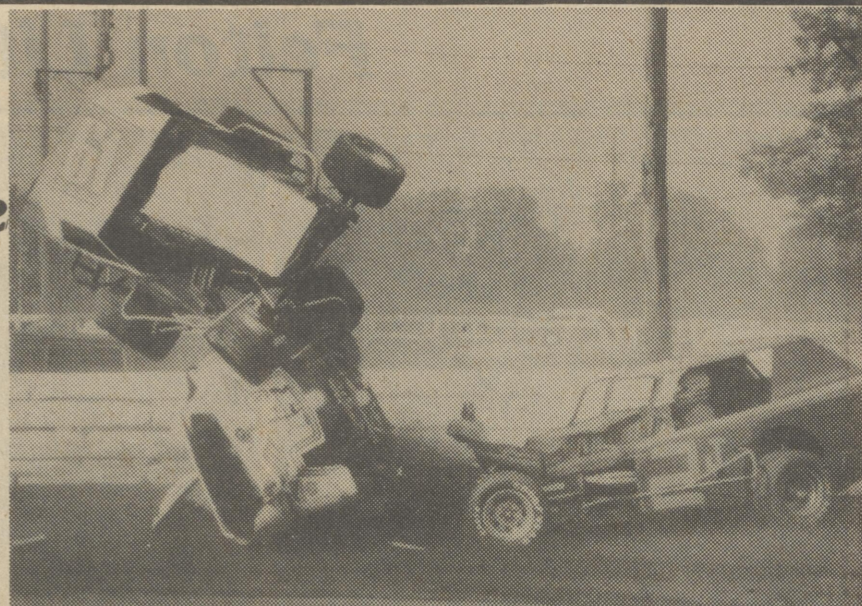

Brown sat on the pole for the start in his Brown's Garage #48 but when the green fell Wilkins wasted no time in snatching the lead. The first thirteen circuits went Wilkins' way as his Bandit Chassid raced laid claim to the low groove and pulled away as Kozak, Bunting, and Trice worked their way into the top five. Two early race cautions closed the field momentarily but with each restart Wilkins renewed his lead.

Lap 13 was Wilkins' downfall, for by now Kozak was knocking on the back door and as the pair roared down the front stretch Kozak put the Olsen #30 to the outside and punched the button. Button punching was going on further back also as Ron Keys, who had climbed into the top five three laps earlier, went door-to-door with Bunting as the pair exited the second turn. Keys hung tough with the seasoned

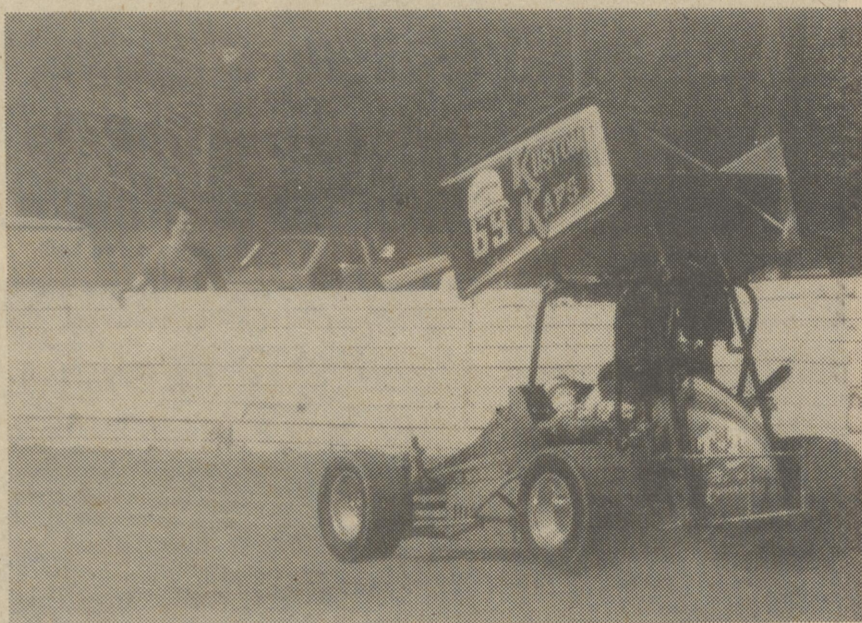

veteran to take the third spot from him. Keys didn't get the chance to move any further in the field for one lap later his mount failed on the back stretch bringing out the caution.

On the restart Wilkins hung onto Kozak while holding off Bunting. Kozak opened a healthy lead as the battle for second raged. He was angling for a seemingly uncontested victory but with only four laps to go another caution came this time for the disabled car of Jack Sapp. This erased the #30's lead. Wilkins stood on his Draime powered racer when the green came on but Kozak once again renewed his lead. When the two lap to go signal was given wilkins gave one last mad dash. As the pair motored through the 1-2 turn Wilkins closed menacingly on the #30. Through the white flag the #69 hung close to Kozak's bumper and as the pair exited the fourth going for the checked Bobby made his last attempt but Kozak held off the #69 by less than a car-length.

"Fast" Freddy Brightbill was forced to watch the evening's show from the pits. Freddy burned a piston in his Stauffer's Machine Works #25 at the Georgetown Speedway show Friday night and was unable to line up another engine. This disappointing turn of events cost Freddy his points lead as Parsonburg, Md.'s Gary Trice claimed that spot with his fourth place finish.

Harris No. 1 with a bullitt in U.S. 13 Late Models

by Don Allen
Prince Frederick, Md. late model pilot Vernon Harris put it all together at the U.S. 13 Speedway Saturday night to win his first feature at that facility for the '85 season. Harris put his G & B Enterprises sponsored, Bullitt chassid racer in the lead on lap three of the 20-lap event and never looked back as the likes of Harlan Williams and Ron Wilson did their best to overpower him. Wilson finished in second followed by Joey Carey, Duane Rust and fifth place Lou Johnson.

The #88 of Williams led the first two circuits of the event. Williams, a native of Salisbury, Md., jumped from his fourth spot on the starting grid bringing Harris along with him. Vernon settled for runner-up for the first two but as the two glided through the 3-4 turn to complete lap three he put the nose of his mount in the low groove and took the point.

Milford Del.'s Ron Wilson made his bid for second one lap later and won. Wilson whose Rumpstitch Machine Works #15 has been a "scrap" competitor all season, never let Harris get more than four car-lengths ahead

for the rest of the race. As the laps wound down Wilson began to wheel ever closer to Harris' bumper setting up for another of those last lap dashes that the fans have come to expect from him. Ron's strategy didn't pay off this time though as Harris held him off by a few yards at the finish.

Last week's winner, Hal Browning ended his night in the heat races as he popped the motor in the J&B Automotive #100 while leading his heat.

The fans and drivers were saddened by the news that loyal competitor Sammy Lowe was seriously injured in a farm equipment accident this past week. Sammy sustained lacerations of the right arm and the loss of three fingers in the incident and is currently in Peninsula General Hospital. The 21 year old driver of the Lowe Farms #01 late model is reported to be recovering nicely and his father reported that Sammy's biggest worry was if someone was going to drive the racer Saturday night to keep the points up. Father Herb took care of the driving chores, the first time he has driven a racer in twenty years.

Georgetown Speedway considered one of the best tracks around

Georgetown Speedway is getting its share of compliments from drivers who say the half-mile clay oval is now one of the best in the region and, the drivers are responding by putting on some great shows for Delmarva racing fans. Friday night race fans were disappointed when an anticipated showdown between Freddy Brightbill and Bobby Wilkins in the Modified feature and a special match race never materialized. Brightbill, who has posted two straight victories at Georgetown, was forced to retire after he blew a piston enroute to a victory in the second heat race.

With Brightbill out of the picture, the Modified feature became a battle between Bobby Wilkins (69) and John Kozak (30). Wilkins led from the start only to be overtaken by Kozak midway through the feature event. However, with eight laps to go, Kozak blew a tire in turn three and went to the pits under the yellow. Kozak made it back on the track in time for the green flag, but ran only one lap before returning to the pits for the rest of the evening.

Wilkins regained the lead to take the checkered flag and the \$1,000 purse followed by Nelson James (290) in second; Bill Trice (33) in third; Clifford Todd (32) in fourth; and a new face at Georgetown, Tom Daggett.

With Brightbill unable to face Wilkins in the scheduled Modified match race, John Pinter challenged Wilkins and they squared off for the five-lap duel. Wilkins held the lead through three laps with Pinter close behind, but Pinter had to retire from the race in the fourth lap with a broken drive shaft. Track promoters see a match race this Friday night between Brightbill and Wilkins.

The Limited Late Model feature went to Chuck Graves in 312 followed by Bill Penuel (84); Lee Joines (228); Leon Johnson (94); and Jeff Calvette (19), fifth.

In the Street Modified feature, James Sockriter (27) took the checkered flag and the \$100 purse followed by Elwood Driscoll (19); Mark Robinson (44); Jimmy Driscoll (17); and Sam Miller (40) rounding out the top five.

Lake Forest North Elementary Puppet Show

Mrs. Cheryl Dill and the first grade class of Lake Forest North Elementary presented its annual puppet show to the school. Each student makes their own puppet of which they play that part. "Be a Good Citizen" was the theme this year. It taught things you should do to become a good citizen in your school and community. Mrs. Dill has taught for 13 years and presented these shows for 7 years. "Good Job Kids." Photo by David Dill.

Senior Citizens eligible for extra income

by I. S. Levitt, District Manager
Social Security Administration, Dover
If you receive Social Security benefits and have little or no additional income and savings you may be eligible for supplemental security income (SSI) payments. The SSI program is designed for people who are at least 65, or blind, or disabled at any age. Although both the Social Security and

SSI programs are administered by the Social Security Administration, they are not the same. Eligibility for SSI is based in part on financial need and not on work in Social Security-covered employment. SSI is paid from general revenue funds and not from the Social Security Trust Funds. A single person may have up to \$1,600

in assets (money saved and the value of things owned) and up to \$345 a month in income and still get some SSI payments. A couple may have up to \$2,400 in assets and \$508 a month in income. If you think you may be eligible for SSI payments, contact the Dover Social Security Office.

Sports Round Up

It was an unearned run in the ninth, but that was all that St. Mark's needed to beat the LF Spartans. The only run scored in the game was due to the fact that superior pitching from both sides controlled the day. St. Mark's pitcher, junior lefthander John Giordano, twirled a no-hitter for nine innings.

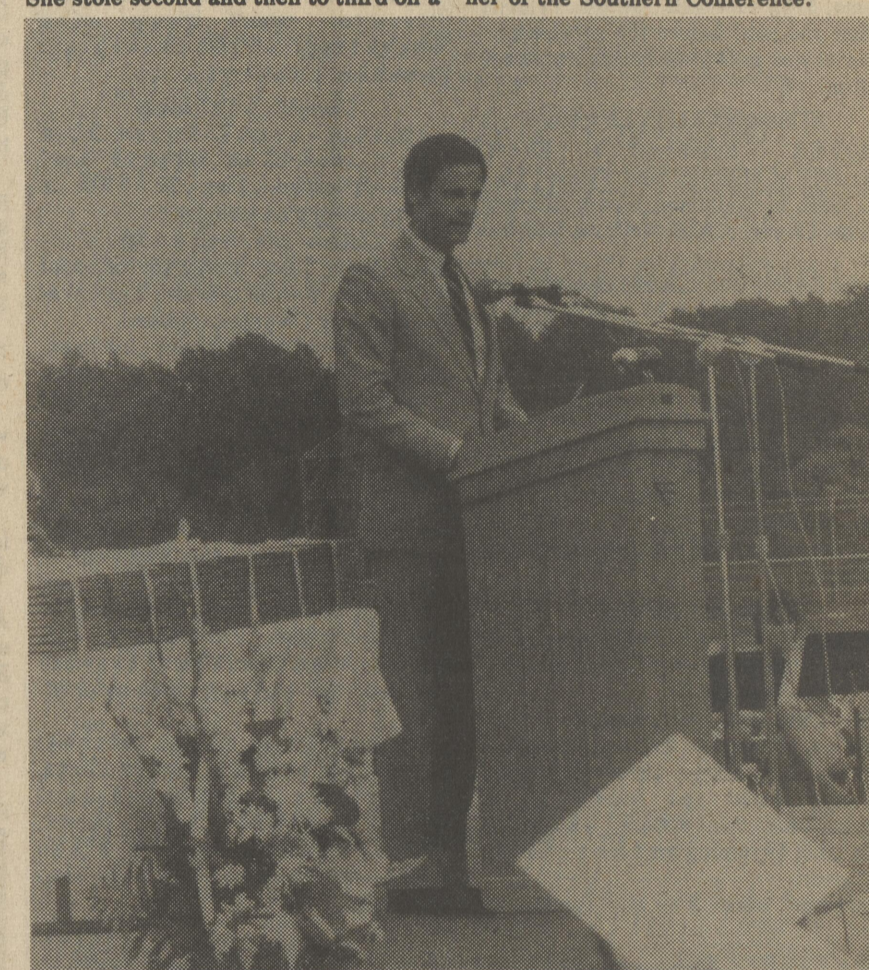

Had the rain not come on Tuesday with the Lake Forest Spartans leading 2-1, it would have been a different story. The game was replayed from the beginning and it was a different story on Wednesday. St. Mark's came to play baseball. Our Spartans threw John Kirby and Ricky Brown at St. Mark's giving up seven hits and striking out 15.

In the ninth inning Lake Forest had runners on second and third with one out. Eric Collins laid down a bunt and was hit in the back while running to first base. The home plate umpire called Collins out for interference sending the runners back to third and second. St. Mark's got out of the inning preserving the win for Giordano.

A single in the bottom of the 10th with no outs scored the winning run for St. Mark's Girls Softball team downing the LF Spartans Girls by a score of 3-2.

The game was played in Bridgeville. The LF Spartans were trailing 2-0 in the top of the seventh when senior right-hander Andrea Mollahan...the top of the seventh when senior right-hander Andrea Mollahan...the losing pitcher...led off with a single. She stole second and then to third on a

wild pitch and came on in on a sac fly. Beth Reed followed with a walk, advanced to third before Chris Minner drove her in with a single. The LF Spartans had the bases loaded in the top of the ninth, but could not score. Our Spartans were the co-winner of the Southern Conference.

Baccalaureate Address by Cong. Tom Carper.

University of Delaware to hold Commencement on June 8

The University of Delaware will hold its 136th Commencement ceremonies outdoors, rain or shine, at 10 a.m., Saturday, June 8, at Delaware Stadium, located on Route 896 in Newark. No invitation is necessary, and anyone who wishes to attend may do so.

Commencement speaker will be Ellen Goodman, Pulitzer Prize-winning syndicated columnist and author.

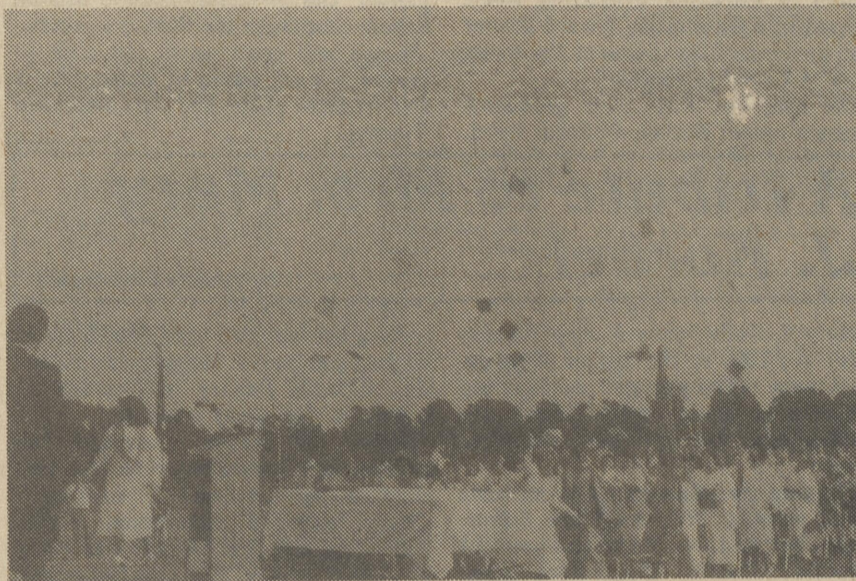

Before the Commencement ceremony, graduating students, their parents and friends who wish to meet University President E. A. Trabant may do so from 9-9:30 a.m. at the entrance to the west stands.

Those planning to attend Commencement are advised to arrive early, by 8:30 a.m., because of possible traffic congestion. Seating at Commencement will be in the east and west stands. Limited on-field seating will be reserved for physically handicapped persons, and the first several rows of seats in the stands will be reserved for elderly persons who are unable to negotiate the stadium steps.

The University's Commencement activities will begin on Friday, June 7, when each of the University's 10 colleges will hold Convocation exercises on the Newark campus.

Convocation locations and times are Agricultural Sciences, Mitchell Hall, 3 p.m.; Art and Science, Delaware Field House, 3:30 p.m.; Business and Economics, Ice Arena, 2:30 p.m.; Education, 128 Clayton Hall, 3:30 p.m.; Engineering, Ice Arena, 5:30 p.m.; Human Resources, Mitchell Hall, 5 p.m.; Marine Studies, 004 Kirkbride Lecture Hall, 5 p.m.; Nursing, 101 Clayton Hall, 5 p.m.; Physical Education, Athletics and Recreation, Loudis Recital Hall, Amy E. du Pont Music Building, 4:30 p.m.; and Urban Affairs and Public Policy, 120 Clayton Hall, 3:30 p.m.

After the Convocation ceremonies, a Convocation dinner will be held from 5:30-8 p.m., on the South Mall, between the Morris Library and Laurel Hall. In the event of rain, the dinner will be held in the Delaware Field House.

Dirt trackers to convene for 13th Annual Youth Camp Benefit Race at US 13

The stars of the Lower Delaware stock car racing circuit will converge on the U.S. 13 Speedway in Delmar, DE, Wednesday, June 26th, for the annual Camp Barnes Benefit Stock Car Races.

One competitor sure to be on hand the 26th will be defending Camp Barnes Race modified champ John Kozak. John has won the modified portion of the last three annual shows and will be hunting for an unpredicted fourth. In

addition to the modifieds, there will be also features for the late models, limited late models and street modifieds. During the evening's intermission there will be an enlightening display of police K-9 Patrol tactics.

The gates at the speedway will open at 5:30 p.m. and the first heat race will go green at 8:00 p.m. Tickets will be \$7.00 for spectators and \$9.00 for the pits.

DELAWARE JUNIOR BROILER WINNERS - Guy Phillips [left], chair of Delaware Poultry Improvement Association's 1985 Junior Broiler Contest and DPIA president Dick Niblett congratulate winners Shawn Cook, Kenton [fourth]; Stephen Carroll, Middletown [third] and Kim Dannenhauer, Felton [second]. First prize winner Jason Breeding, Greenwood, was unable to attend because of illness.

1985 Junior Broiler winners announced

Winners have been selected for the 1985 Delaware Junior Broiler Program. First prize went to Jason Breeding, a 4-H'er from Greenwood. The runner-up was Kimberly Dannenhauer, a 4-H'er from Felton.

This was the 36th year of the program which is sponsored by the Delaware Poultry Improvement Association and the Cooperative Extension Service at the University of Delaware. Last year's program was cancelled due to the threat of avian influenza.

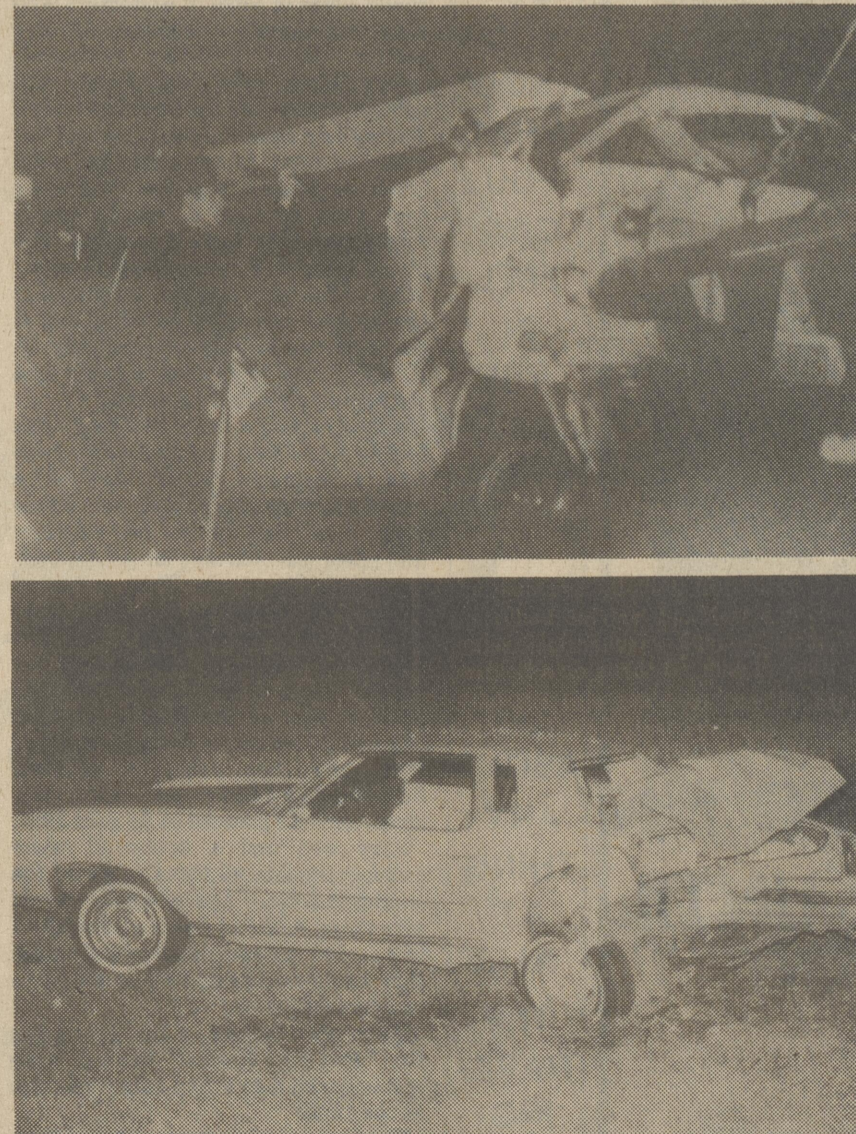

At 37 pounds, Dannenhauer's seven-bird entry had the heaviest total live weight among the 86 finalists. Her chickens averaged 5.29 pounds each in only 43 days' growth. According to extension poultry specialist George Chaloupka, the grow-out time had to be shortened this year to keep weights in line with a broiler-size chicken. Advancements in breeding, feeding and management continue to produce more weight in a shorter length of time with less feed.

Since the contest began in 1949, officials have reduced the grow-out period repeatedly. In 1955 competing broilers required 74 days to reach an average weight of 3.8 pounds. Ten years later, participants were raising chickens averaging 4.39 pounds in 57 days. In 1975 competing chicks reached an average live weight of 4.74 pounds

in 58 days. This year's chickens took only 43 days to reach an overall average weight of 4.55 pounds.

In addition to the first two winners, cash prizes went to the following participants: Stephen Carroll, Middletown (third); Shawn Cook, Kenton (fourth); Stephen Cook, Middletown (fifth); Mark Carroll, Middletown, and Dale Cook, Kenton (tied for sixth); Bobby Fifer, Wyoming (eighth); Fred Biggs, Felton (ninth); Debbie Warren, Kenton (10th); Vivian Mills, Milton (11th); Renee Thompson and Kristie Bullen, Middletown (tied for 12th); Edward Moore, Wyoming, and Chris Kilby, Townsend (tied for 14th); Pam Haman, Middletown (16th); Bobby Willoughby, Odessa (17th); James Skaggs, Clayton (18th); Jamie Straughn, Townsend (19th); Michelle Bass, Viola (20th).

The purpose of the Delaware Junior Broiler Program is to teach boys and girls how to raise a good flock of chickens, keep records and develop responsibility. Industry representatives, feed dealers, vo-ag teachers, 4-H club agents and service clubs help support the event, giving contestants information and advice on growing the birds according to recommended practices. Each participant raised 50 chicks to 43 days of age, then selected the seven best for judging.

An accident involving the 1976 VW Van on the top and the 1974 Monte Carlo on the bottom happened on Saturday morning, June 1st at 1:00 a.m. south of the Felton light on U.S. 13 northbound lane. The VW collided with the Monte Carlo which was parked on the shoulder. Occupants of the Monte Carlo were in the process of changing drivers when the impact occurred. Injuries ranged from fractured ribs to multiple contusions. The driver of the VW Van was charged with careless driving. Photos by HGF.

Greenwood

Report from Greenwood United Methodist Church: Attention: The Cause Ministerial Alliance Program entitled "Communism" which was previously announced to be held on June 10 in the Greenwood Educational Bldg. has been cancelled and will not be held.

Greenwood Church honored its graduates on Sunday morning with a gift and good wishes. Rodney Yoder, Red Durig, and Michael Dickerson were present. Kim Willey was not able to be present.

June 5, Todd's United Methodist Women will meet at 1 p.m. at the home of Mrs. Irene Smith.

June 15 at noon, Mrs. Elnora Anthony will host the United Methodist Women's salad luncheon. Everyone welcome. Bring a salad.

Mark your calendar for July 13. This is Annual Greenwood Day. More details later.

On Saturday, May 25, Graham A.M.E. Church hosted the program sponsored by the Delaware Conference Board of Christian Education which presented a Graduation Award Dinner and program. The theme of the event was "A Christian Mother".

The churches with their graduates present were: Bethel, Milford; Byrd,

Clayton; Emmanuel, Hartly; Graham, Greenwood; Mt. Zion, Ellendale; Star Hill, Dover; Bethel, Smyrna; Dickerson Chapel, Millsboro; St. Paul, Harrington.

Dinner was served by the ladies of Graham A.M.E. Church. The menu was half chicken, parsley potatoes, peas and carrots, tossed salad, roll and butter, ice cream and cookies.

Mrs. Randy Layton of Milford was a Wednesday luncheon guest of Mr. and Mrs. Jacob Hatfield.

At 2 p.m. on Saturday, May 11, Renee Vincent graduated cum laude from Wesley College in Dover, with an Associate Degree in Music Education. She is a member of Phi-Theta-Kappa, an Honorary Fraternity for two colleges.

Renee was pianist for Interlude music at the Greenwood Alumni Banquet the evening of May 11, and also accompanied Keith Burgess and Dale Jarrell of Harrington for musical selection.

On Tuesday, May 21, at the Central Middle School in Dover, she accompanied the William Henry Middle School chorus for the Spring Concert.

Renee will continue in the Fall to pursue her education in music. She is the daughter of Mr. and Mrs. Raymond Vincent.

A tribute to Mrs. Mary J. Korbel

by Amelia McSweeney

Mary J. Korbel passed away Tuesday May 28, 1985 at the age of 83 years. Not many of the younger people in our community knew much about the person she was or where she came from.

71 years ago, Mary came to our town from Queens, NY, with her father, John, her mother, Marie and younger brother, Charles. They were immigrants from Czechoslovakia. They bought a small farm to the east of town in back of the present Plastics Plant. Mary still lived there at the time of her death.

Mr. Korbel was a baker by trade,

servicing the industry in NY and later in Milford and Dover. He also worked for the Sibitke's Bakery in Harrington, before he died many years ago.

Marie, the mother remained the mother and housekeeper to her two children until her death 25 years ago.

Mary attended Harrington Public School and her first teacher was Mary McCabe Greenley. Miss Oda Baker was a sixth grade classmate and Mrs. Loretta Paskey Purnell remembers her as a 7th grade classmate when Mrs. Purnell graduated from country school to the Public school in town. Mary Korbel made good grades in school and was very proud of her ethnic background. She spoke her native tongue fluently. Possibly due to her father's death, Mary was unable to finish school.

She started to work at the local shirt factory. Her transportation for work was as it had been for school, by foot. She traveled in all kinds of weather the 1 1/2 miles each way night and morning. Brother Charles grew up and left town for NY, where he married and raised a family. Whenever he was needed, he was there to give Mary a hand. However, about this time, Mary decided to just stay at home and tend her little farm.

She had a small dairy, selling butter, cheese and eggs. She also had a small orchard of pears and other fruits. Mary had a regular route each week that she would cover in town of customers who were waiting for her door-step delivery service. Many probably remember seeing Mary, who was barely tall enough to see over the steering wheel, driving her wares around town in her 1940 Chevrolet. It was a very beautiful black car when it was new, and Mary took good care of it. She probably remembered the days of walking. The niece from NY remembers coming down to the farm and getting to ride in the antique car. It is believed that it probably still has the original tires on it. Mary stopped driving it in the last six months due to Dr.'s orders.

Many years ago when the new shirt factory was built, it is believed there was a costume dance held as a celebration and Mary and her father John won first prize for dancing. She never lost that zest for good music, for last year at the Fair, a friend thought she would at any time, start dancing just listening to the band. The DE State Fair was also one of her special things in life. She exhibited in the 2nd year of the Fair, a sampler stitched in her native designs, and won first prize. She exhibited produce, flowers, and needlework every year since, and had planned to do so in 1985.

Mary also had a hobby of wine-making. She stated that the better the friend, the older the wine she would give them. A friend received a bottle of 25 year old vintage last year and stated that it was as clear and sweet and had a very smooth taste.

Mary was also one of the last to see the "Mystery Animal" around town and believed that it had only three feet at the time.

Mary was a pioneer in our community. Many thought her a recluse, because her property was fenced, but all she wanted was privacy to live her life as she saw fit. She is survived by her sister-in-law, Mrs. Charles Korbel and 1 niece and 2 nephews. She also has 2 grand-nieces & 3 grand-nephews.

Houston

(Continued from page 5)

and changed planes in Tokyo. It was a wonderful trip for them both.

Mr. Willis Clifton is recuperating at home following surgery at the Milford hospital.

Mrs. Mary Armour is also home following a few days in the hospital. Glad both of our town residents are home and recuperating.

Mr. Seba Grunstra, a former resident of Houston, passed away May 25, 1985. Mr. Grunstra was born March 5, 1908. He was 97 years old. He made his home with his son, Rev. Maynard Grunstra for many years. Graveside services were held Tuesday, May 28, 1985, at

Odd Fellows Cemetery, Milford. Our sympathy to all the family.

Mr. and Mrs. John Lemmon hosted a picnic Memorial Day at their home. Relatives and friends attended.

Mr. and Mrs. Donald Knittle of Rochester, NY are spending this week visiting Mr. and Mrs. Charles Marvel. The June meeting of The Houston Town Council will be June 6, at 7:30 p.m. at the fire house.

The June meeting of the Administrative Board of Houston Church will be June 10, at 7:30 at the church. This is the last meeting until September. All members are urged to attend.

Senior Center

(Continued from page 5)

provided by the MANNA Program). There are several issues facing the membership this month. First, a new slate of officers need to be chosen to start office in July. Next, they need two representatives of the membership to serve on the Board of Directors; and finally, two persons are needed to serve on the MANNA council. Also, plans for the new addition will be discussed by the Building Committee. Please try to attend this very important meeting.

On Tuesday, June 11, the Jolly Timers Band will be practicing beginning at 10:15 a.m., then after lunch we will have our popular Beauty Course with Kathryn Smith. In addition to Kathryn, there will be a Beauty Consultant from Mary Kay Cosmetics here to do complimentary facials for the members that sign.

Next, on Wednesday, June 12, we will have the Senior Sounds Chorus practicing at 10:15 a.m. Their next big presentation will be for Heritage Day. That afternoon we will have a Spring and Summer Fashion Show presented by the Loft of Harrington. What makes

this showing even more special for the members is that the Welchs use not only their models but special models - members of the senior center. Everyone always has a great time. Thanks to Annette and Grace Welch and their family and staff for a very nice afternoon. So plan to be here on Wednesday at 1 p.m.

I would like to talk about the Covered Dish Social which will be on Sunday, June 16th at 1:30 p.m. This is open to our members and their guests. We realize that this is also Fathers Day which is just another reason to get together for an afternoon of fellowship. Our covered dish cost is \$2.00 per person which covers the entree, beverages and even a couple of door prizes. You should see the food that comes in to the center at these dinners. We even had individual strawberry shortcakes at our last dinner.

Well, I guess that does it for another week. If you have any problems, questions or suggestions with Senior Citizen Services, please call the Center at 398-4224. We are there to help.

Do You Remember?

by Dorothy Graham

Smile!
The fragrance of a flower
The tallness and shade of a tree
The gentleness of a breeze
The brightness of the morn you see
The twinkling of a star we need
The patience of all Earthly things
The faith of a mustard seed, indeed
The love of family and a friend
And the joy still round the bend
This is the picture we paint each day
And to you my friend, I must say
Be kind to each other along the way.
Faith.

How are you? It was nice hearing from several of you concerning Ramsdells Store. You reminded me that Ramsdells was also a service station as they sold gasoline, oil and kerosene. They also had an air pump to fill those forever going-down tires. (Some tires were solid rubber. Remember, especially the tires on Henry Stubbs truck. Believe he worked for the Penn Railroad) Didn't he deliver packages? You reminded me of "Teas" lunch and "Halls". Then we got to talking and we remembered the Home Ec Room lunch and the first cafeteria in the basement of the Harrington Public School. We spoke of our favorite lunch at "Teas". (Waffles and chicken and hot chocolate) at Home Girls lunch - toast and chips, beef and hot chocolate and tomato soup. Their tomato soup was simply delicious. Some times they had orange ice. Remember? The Home Ec girls served from a wooden room building in back of the brick public school (the one that has been torn down) of course, the wooden building has long been gone. One said she carried her lunch in a pretty candy box, others had lunch pails, others paper bags. I remember thinking how nice it was when some girls had such fancy candy lunch boxes. One told of carrying his lunch in his pocket, especially of the times a hot sweet potato not only kept his hands warm on the way to school but was his lunch also. Goodness, just thinking of roasted sweet potatoes makes me hungry. A nice hot or cold juicy sweet potato brings up pictures of big or large pans of sweet potatoes coming out of the oven, and honey, getting one as fast as you could was pure joy, juice running down your hand and arm - Oh me, Oh my! Not to mention a huge piece of sweet potato pie and a glass of milk and listen, how about those big tender sweet potato biscuits?

Kids came to school in buckboard wagons, buggies, bikes, car and walking and later by bus. Few came by car. Many of us walked home for lunch. Country folk always in my opinion had the best lunches - ham and biscuits - eggs and biscuits (You now get the same thing at Hardee's). See, some one along the way picked up on the idea & have made a mint. Cold or not, they were good. I traded a cheese sandwich when I stayed for lunch. My bread was "light bread", my preference was biscuits. There were some dainty sandwiches on crackers and bread. One comes to mind - marshmallow whip on crackers. Another goodie was chicken salad on bread. Isn't it funny how thinking of lunch, how many different things come to mind. The kinds of food, places you ate lunch, the clothes you wore, how you got to school, who you shared your lunch hour with, what you did after you had eaten, some of the things that come to mind are learning to dance, marbles, for the boys, (occasionally a girl got in the game, not often though). For girls must always watch the marble, baseball, soccer and football games. Rarely, a girl partici-

pated in those games. Girls did play dodge ball, jacks, jump and skip rope, heavy-heavy what hangs over; come- comey, croquet, tennis, volleyball, running, tug of war, potato sack races, Simon says, Red Rover, Giant Steps, Cartwheels, hide and seek, hopscotch, bound the barn or Tag, hockey, high jump, May I. Remember?

Isn't it funny how we made out with no showers, no pool, no air conditioning, no TV, no computers, few typewriters, no garbage collection (per sa), few telephones?

Getting back to lunch at "Halls", Alice and Edgar had a groc. store with Gulf gasoline pumps out front (Dorman St.). They also had candy, etc. and a very tasty lunch menu. Mrs. Wm. Wecht-hiser (Irene) helped Mrs. Hall at lunch hour and believe Mrs. Tee at one time helped. Mr. and Mrs. Edgar Hall had two children, Ethel and Maurice. Ethel married Louis Hopkins and had two children, Lois and Lynn. Maurice married Ruth Wilson of Milford, De. More about the Halls in a future column.

Mr. and Mrs. Hall had many business in our town. Mr. and Mrs. Harry Lee had one son, Harry. Mr. Lee worked for Sharp and Fleming Drug Store on Commerce St. (Now part of JCPennys Drive-in window. Referring to the first cafeteria in the basement of Harrington Public School-Mr. Clarence Shockley was custodian and also put in partitions for the kitchen, etc. He was a most accommodating person, as was his wife, Edith. The Shockleys had one son, William. (Bill went to sleep as a young man.) Mrs. Arthur Taylor (Helen) had charge of the first cafeteria. Mr. and Mrs. Taylor had three children: Bill, Franklin and Sara. Remember? Hazel Johnson worked with Mrs. Taylor and when Mrs. Taylor quit, Mr. Messener asked Hazel to take over the duties. She did just that in Feb. 1939. She had the cooperation of some of the Home Ec girls. And also there was a National Youth organization. Hazel had the services of some of these. Among them was Annett Hickman, Clara Swain and Ethel Morris. Do you Remember? Hazel hired Mrs. Arta Baker Masten. Mrs. Masten's husband was Joseph. Mr. and Mrs. Masten had two daughters, Phyllis Masten Marvel and Josephine M. Dana. Lydia Johnson entered the cafeteria in 1941. While Mrs. Taylor was in charge, the menu was kept nourishing but it was not until later that a balanced menu was introduced to the kids. To tell you the truth, Mrs. Taylor's big pot of homemade soup was a challenge to anyone. She made a tasty sandwich for three cents. Can you believe it? You could have lunch for as little as ten cents.

Hazel Johnson bought eggs from Mrs. Taylor for the cafeteria. Hazel shopped every morning for the groceries she needed each day. She gave each store a three week business. Can you remember some of the stores in Harrington? Sam Short, Randall Wilbur Jacobs, Wm. Minner, Thayer Swain, Williamson, Howard Martin, Arnett Potter, Layton's (Jim), Preston Brown's Acme, Crooks and Garrett Harrington, to name a few.

Just want to say Hazel and Lydia were good to everyone. A grand job they did for Harrington Public School. They saw the cafeteria grow as well as the school.

We'll talk of other folk around our vicinity and the people they touched. To make the future bright, we must remember the past. Love & Faith.
