# Harrington Council approves tax payer's plea

by Harry G. Farrow Jr.

HARRINGTON - Fred B. Greenly Jr. owns a house at 110A & B Mechanic Street in Harrington. The City Council has condemned the structure. Greenly must make the repairs or demolish the structure.

Greenly has a classic case. He challenged the Council's position on assessment and has apparently won the first round. The house under the assessment made in 1982 is appraised at \$23,000. Yet the house has been condemned. He cannot offer the house for sale without mentioning the limiting condition.

Greenly said he was unable to make the condemnation meetings because he was in the hospital.

Greenly attacked the assessments in the Town because he said all factors in

rendering market on properties within the city limits were not taken into account. Greenly said "the assessor apparently used total square footage in a structure to come up with a market value figure. Gentlemen....other factors such as location, age, and physical condition of a property should have been taken into account."

Mayor Mann answered Greenly by saying that at the time of the reassessment something had to be done because reassessment was long overdue.

Councilman Jack Wyatt agreed with Greenly's plea saying that the tax assessment should have been dropped and picked up later when the repairs were completed or the house demolished.

Greenly said the \$23,000 assessment on

the property is too much. "If I make the \$20,000 improvements....which my estimates indicate....then we are talking taxes on something in excess of \$40,000. Gentlemen....that's out of the question," concluded Greenly.

The Council gave Greenly until the first meeting in January to solve the matter.

It appears the Town will get their portion of revenue sharing for fiscal year 1986. At the next workshop meeting on October 28 the matter of how the funds from the revenue sharing will be used will be discussed. Taxes were raised originally because of the fear revenue sharing would be cut out.

During the giving of the police report, Councilman Donald Jarrell challenged

the use of radar "one mile outside of City Limits." According to Jarrell the city police are running radar outside the City Limits.

On February 28th, 1985, in a special meeting of Council, Councilman Jack Wyatt made a motion which was seconded by Councilman Gagne that "effective this date a letter be sent to the Chief of Police that all usage of radar be within the City Limits." Councilman Wyatt, Gagne, and Coleman voted in favor with Councilman Jarrell voting against.

Under an amendment to the new charter on March 26, 1985, the jurisdiction of the police department was amended to extend the jurisdiction to include within one mile outside city limits.

Councilman Jarrell explained that one there was a motion which reflected the intent of Council and, secondly, the Council should be able to have the last say. Attorney Walls will look into it and give a ruling.

In other matters the Council decided to send the rezoning request by John Seymour to have 4 acres on the south side of Peck Avenue rezoned from Industrial Park to townhouses back through proper channels which means going before the Planning & Zoning Commission for their review.

The Council agreed to pick up the cost of employee health insurance plus 25% of the family plan for the employees. This plan is made available under a medical plan by the Harrington Chamber of Commerce. The individual plan

currently costs \$102.50. The family plan costs \$254.90. Under the additional coverage, the City will pay \$38.10 and the individual under the family plan will pay \$28.38 per week.

Mayor Mann appointed Councilman Joe Gleason to the personnel committee replacing Councilman Ray Gagne who resigned when he moved. The Mayor also named Councilman James Temple to the building committee. Under the plan to expand the size of the building committee, he accepted names of Lloyd Cooper, Dr. Lobo, Ronnie Highes, Gene Currey and Ann Minner. Donald Dell and Leonard Englehardt were already on the committee. The Mayor also put Mrs. Betty VanVessen, the Librarian on the committee also from the last meeting.

## Davis dives into aquatics director position

by Harry G. Farrow Jr.

LAKE FOREST HIGH SCHOOL — First there was Denny Berry — then Michael Urash. Each went onto greater positions after having done such a great job with the Lake Forest Aquatic Program.

There were tears and broken hearts when both men left. But Dennis Davis — the new director....is aiming to make everyone forget the past.

The new director, a graduate of West Virginia Wesleyan University brings a wealth of achievements and credentials.

Davis was an outstanding athlete in college. He was the nose guard on the varsity football team, a member of the varsity swimming team and track team.

In track, Davis ran the 100-yard-dash in 10.4. Pretty commendable for a guy who boasts bulging muscles from weight lifting. He pole vaulted 15'6".

But it was in swimming where Davis

was to set school records in the 100 and 200 meter breaststroke as well as records in the 200 and 400 Intermediate Medley relay teams.

Following his obtaining a Master's Degrees in Physical Education Administration from Indiana State University, David taught at Center Grove H.S. in Indianapolis and Bishop Noll Institute, a private co-ed school outside of Chicago before coming to Lake Forest.

At Center Grove, Davis was the head swimming coach, and for four years there, Center was sectional champs. "We had 4 kids who received swimming scholarships at college," said Davis.

"We also had 4 boys go to the National Military Academies, like Air Force, Naval, Army and Coast Guards. I also coached one girl who made it to the Naval Academy," added Davis.

At Bishop Noll, his teams won the Boys State Swimming Championships

in '83 and '84. "The girls took 2nd in '83 and '84, but made All-American in diving, as well as All-American in medley freestyle relay," said Davis.

One of his girls made All-American 100 backstroke and 200 intermediate medley. Davis' teams consistently won the State Intermediate Senior Championships in 13 and 14 year-olds.

Davis has been at Lake Forest now for the past month and a half. He has taken charge of the aquatics program with such an intensity that most of the people associated with the program know that Davis was the right choice for them.

A questionnaire has been sent out alerting people to the new programs we want here — like underwater photography and scuba training," he said.

Plans to expand the instructional programs and begin a senior citizen

## Food Rite celebrates 12th Anniversary

by Victoria G. Ficks

Harrington's Food Rite is celebrating its 12th year of being in business.

Donald Dadds, owner of Food Rite, has been working for 33 years in the grocery business.

"I began working for Acme when I was sixteen and continued to work off and on for twenty years," said Dadds, who is from Centreville, Maryland.

On October 17, 1973, Dadds opened Food Rite's doors to customers.

"This store was originally an Acme store. I was able to lease it from Acme when they made their move to Milford. It really took guts to open my own grocery store, but now I am glad I did," said the proud Dadds.

Dadds is also the father of an 18-year-old son named Dale and a 15-year-old daughter named Debbie Ann. Dale is in his first year at Chesapeake College in Maryland and Debbie Ann attends Queen Anne High School in Maryland.

To celebrate Food Rite's 12th anniversary Dadds will be holding a drawing Saturday night in which \$100 dollars worth of food will be given away. Only persons 18 years of age or

older may enter in the drawing. On Saturday night, a customer will be stopped in the store and will be asked to pick a name from a container.

"This way no one can accuse me of

cheating," said Dadds with a chuckle. Dadds said that he liked serving the Harrington area, and he wanted to thank all the Harrington people for "patronizing" him for the last 12 years.

## Dancer & Parker top doubleheader day

by Joe Asher

Hall of Famer Stanley Dancer and Harrington native Jack Parker Jr. will be on hand this Saturday at Harrington Raceway to take part in the fan appreciation day doubleheader.

Dancer, one of the 34 men inducted in harness racing's Living Hall of Fame, will return to the track where he was a regular nearly 40 years ago. Among others, Dancer has driven the great Albatross, French Chef, Nevele Pride, Super Bowl, Bonefish and Duenna.

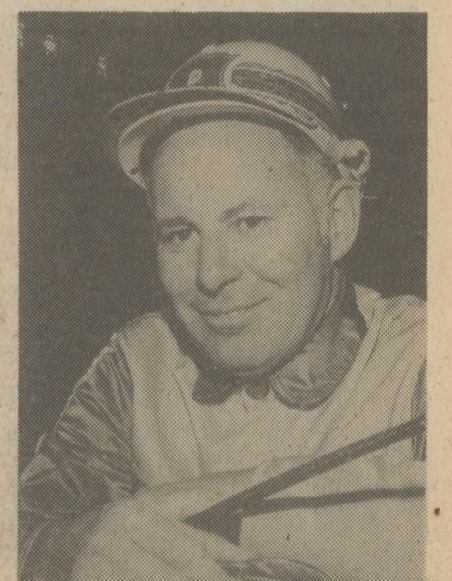

Parker will lead a team of four drivers from Garden State Park in a special two race competition against Harrington's top reinsman. Joining him on the Garden State team will be Mickey McNichol, who drove trotter of the year Jazz Cosmos to major victories in 1982, Abe Stoltzfus, who handles the standout filly Forbidden Past, and Jeff Cameron, who recently guided Bossy Ellie to stunning upset over the nation's top filly Amneris.

Bob Shahan, Hal Belote, Don Brittingham and Jo Dugan Jr., comprise the Harrington team.

Free admission and parking, 1/2 price

Jack Parker Jr.

hot dogs and sodas will be offered during the ten race afternoon program which begins at 1:30 p.m.

Between the racing programs, a chicken barbeque will be held with

music provided. The usual 11 race card on Saturday night begins at 7:30 with Nansetron shooting for her fourth straight win in the featured Open Handicap Pace.

## Dannenhauer's committee reports to board

by Harry G. Farrow Jr.

A committee, headed by William Dannenhauer, formed at the School Board level in February to study curriculum especially as it pertains to electives at the secondary level, was formally presented to the School Board last Thursday night.

Undercurrents indicated that the committee in its findings had failed to meet the goals of the committee.

This is not true according to William Dannenhauer who was the chairman of the committee composed of Kathy Drew, Florence String and Kathy Spence. According to Dannenhauer, "...we had to drop back and dig out the curriculum before we could actually study the curriculum and make recommendations on the electives."

Dannenhauer said the committee "only scratched the surface. We would like the Board to extend the life of the committee in order to work on the second half of the charge and that is to work with the curriculum as it pertains to electives." Dannenhauer also said the feeling is that there are too many electives, "but what this committee should decide is what is an elective." The task was to research the problem area and make recommendations.

The basis for this preliminary study was due to the 1981 evaluation of the school district by the State Department of Public Instruction which called for the curriculum evaluation.

The committee began work in February, "we held 12 official meetings, the curriculum plan which includes

textbook review materials and supplies; 3 - the re-evaluation of textbooks to determine consistency. Many textbooks are 10 years old; 4th - develop policy and who has authority to enforce curriculum as well as being properly staffed; 5 - improve student performance through policy developed by the Board; 6, 7 & 8 - prepare for DPI evaluation and staff required courses for graduation where there are high failure rates as well as more teachers for academic courses like English; 9 & 10 - deal with improving grades in Math and carrying out these recommendations."

The School Board must now decide on the recommendations of the Dannenhauer committee.

## Third Annual Fire Prevention Exposition

The Third Annual Kent County Fire Exposition was held Friday through Sunday at the Dover Mall.

The weekend-long event promoted fire safety week, which began on October 6 and ended on October 12. Numerous Delaware fire and police departments supported the event by displaying both old and new fire department apparatus. The Emergency Medical Services Division of Public Health offered a free blood pressure check to all the mall-goers. Also attending the event was the Delaware State Fire School, which is located in Dover. The fire school gave free booklets away promoting safety. The school also gave away free pamphlets explaining its fire safety programs.

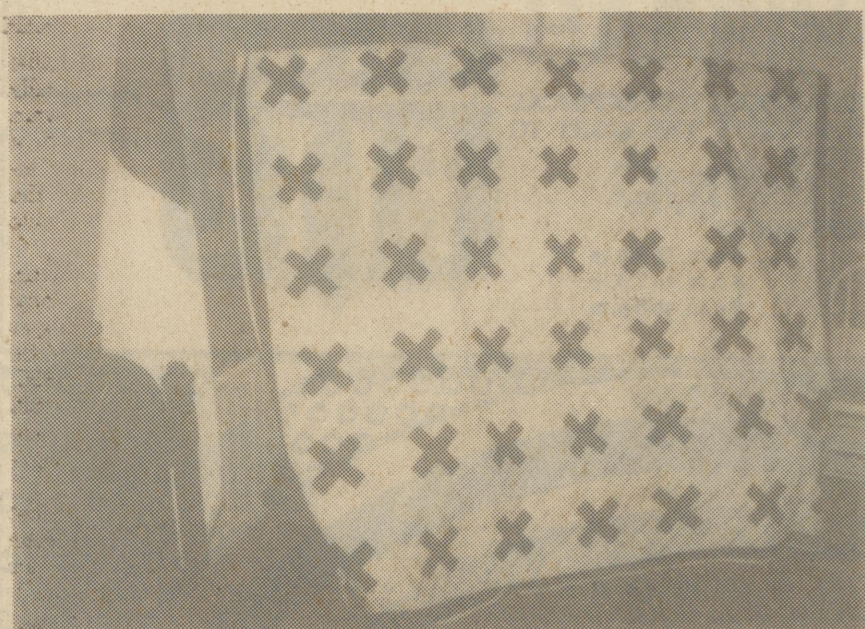

The Clowns of Delaware, Sparky the Dog, Smokey the Bear, McGruff the Crime Dog, and the Robot Fire Hydrant entertained the children as they taught them numerous safety habits.

The Miss and Little Miss Fire Prevention Pageants took place on Boscov's mall stage Saturday night. Winner of the Miss Fire Prevention Pageant was Heather Rennie of Felton. Runner-up was Penny Austin of Marydel. Winner of the Little Miss Fire Prevention was Eric Holly Quillen of Dover. Runner-up was Juanita Marie Jamison of Clayton.

**VIOLA UNITED METHODIST CHURCH HOMECOMING SERVICE**  
Sunday, October 13, 1985  
**HISTORY OF THE QUILT**

The Homecoming Service of the Viola United Methodist Church was beautiful and very well attended. The photos of the 1910 quilt were so nice, and there were three living persons present whose names are on the quilt. They are Mrs. Lizzie Sipple Raughley, Mrs. Mary Dill Friedel and Evelyn Walters Weaver. Dr. Philip Lawton, current pastor of the Felton charge, presented the quilt to Allen B. Clark, Curator of Barratt's Chapel, to remain in the museum. There are over 500 names embroidered on the 1910 quilt.

Mrs. Grace Kersey and Mrs. Lola O'Day offer their "thanks" to everyone who contributed to making the Homecoming Services as successful as they were.

The following are minutes of the meetings of the Ladies Aid Society of Viola M.E. Church leading up to the making of the quilt. These notes were compiled by Raymond W. Dill of Dover, Delaware, September 8, 1983:

At the second meeting of the Ladies Aid Society of Viola M.E. Church held at the home of Mrs. Merritt (their first president) on February 7, 1910. (From now on all statements are quotes taken from the minutes of the society recorded by the Secretary Minnie D. Peter.)

**February 7, 1910** - The twenty-six members presented the question about making a quilt. The proceeds of which should be put in the treasury for future use. It was put before the society. It was decided to make one composed of squares. Different members of the society to take squares and make them. People should write their name on these squares and to do so they must pay five cents. The colors decided on were red and white. Mrs. K. Kersey, Mrs. Moore and Miss Graham were appointed to purchase the goods.

**March 7, 1910** - It was decided that instead of having the people pay five cents, they shall pay ten cents for their name on the quilt. The blocks of the quilt were prepared and given to the membership.

**April 4, 1910** - The treasurer then gave her report and paid a bill of thirty cents for cotton.

**May 2, 1910** - A bill of five cents for cotton was also paid.

**September 5, 1910** - It was asked that all quilt squares be finished and brought to the next meeting.

**November 7, 1910** - It was decided to get all the quilt squares filled in as soon as possible.

**December 16, 1910** - The treasurer also gave an account of the number of quilt squares returned at this meeting. Fifty squares had been returned.

**December 29, 1910** - The treasurer reported that there was \$78.55 in the treasury taken as dues and from the festivals including quilt money there was \$123.55.

**February 13, 1911** - There was \$80.25 in dues, \$53.40 quilt money.

**March 6, 1911** - The motion that the quilt should be finished as soon as possible was carried. Mrs. Moore and Mrs. Todd were appointed a committee to get necessary material to finish it and to help put squares together. All that could be requested to help with the quilting.

**April 3, 1911** - The quilt was reported to be progressing very well. All were requested to help finish it. An entertainment to be held Thursday, April 13, 1911 was decided to be held in place of the seven social March 25, 1911. It was decided to charge \$ .15 admission for adults and \$ .10 for children. The treasurer reported a \$1.00 donation toward the quilt.

**May 1, 1911** - From the quilt \$59.40, amount besides quilt \$107.97, total \$167.37. A bill for material to finish quilt was presented by Mrs. Moore. The quilt was presented for inspection. There was a discussion as to how to dispose of the quilt.

**September 4, 1911** - Next the ladies decided to hold a pie social at which time the quilt should be put up for sale. No definite time was set.

**September 30, 1911** - The committee reported hiring two women to clean the church and paid them \$1.75 respectively. Instead of the pie social, it was decided to hold a seven social on Saturday evening, October 7, 1911. Mrs. Moore was appointed to see Mr. Davidson if his store could be rented for the evening. Other committees appointed were Mrs. Kersey to purchase bananas, Mrs. Gullett to find out the price of a ham in Dover, Mrs. Willis to get price from Mr. Davidson, Mr. Kersey and Mr. Ross to get eight gallons of cream. The girls were to wait on the tables and they were appointed the older ladies were to do the work at the seven social. It was decided to have the quilt on exhibition for sale at the social.

**November 3, 1911** - It was decided to hold a box social Saturday night, November 18, 1911, and that the quilt would be sold then.

**December 8, 1911** - The society met in the church on Friday evening. Mrs. Kersey made the motion and Mrs. Peter seconded it that the quilt should be sold to Mr. Friedel for \$17.00.

**January 6, 1912** - The collectors reported having collected \$2.00. The amount in the treasury was \$258.72. A bill of \$1.00 for a door mat for the church was paid leaving \$257.72 in the treasury including quilt money. Here ends quotes from the original.

On September 8, 1983, the quilt was in the possession of Mrs. Mary Friedel, Viola, Delaware. Still quite a very interesting show piece.

program are also underway. "I want to expand the community swim program and recruit more kids into the program," said Davis with enthusiasm.

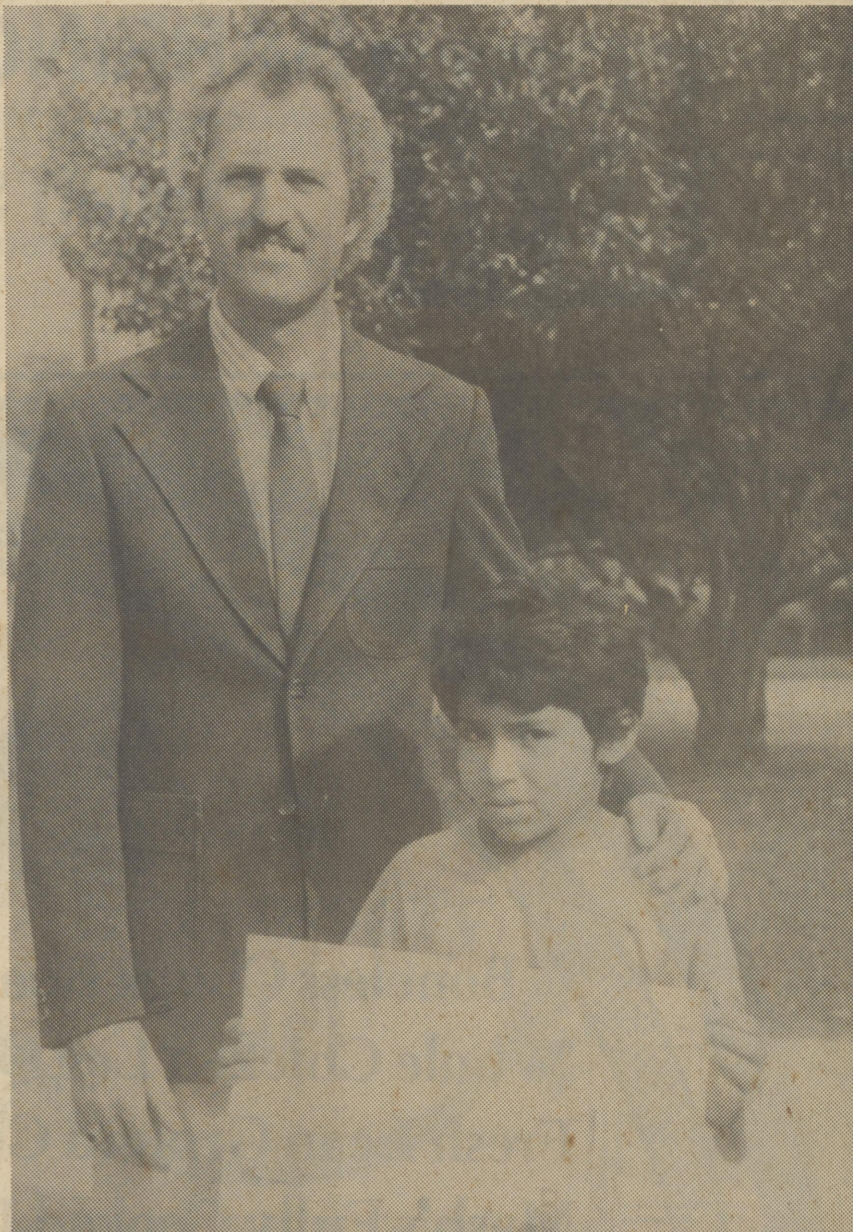

Davis says, "a swimming program is a great fitness building program. For those who join our program, it offers a chance to compete, be fit, get on a good diet, develop leg control....and a chance to do a life-time activity."

Dennis Davis already has established himself as a mainstay in the swimming

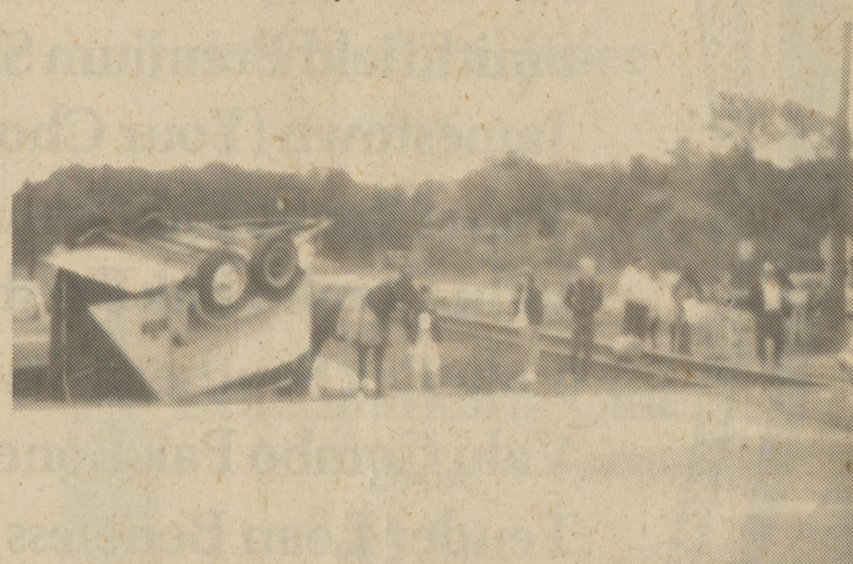

program and fits into the tradition of fine coaches and well disciplined teams.

Davis is married to the former Paula Danko of Highland, Indiana. Paula is an accomplished gymnast. She is a graduate of Indiana State University where she majored in criminal justice. She is presently seeking a position with the state as a probation officer.

We all join in to give Dennis Davis the support he needs to continue the great tradition of a sound swimming program at Lake Forest High School.

**What can a Personal Credit Line from Mellon be worth to you?**

*Something you can't afford - to miss.*

Everyone has a different list—with the same heading. *Someday*.

It's the list of things you want or need, but will only buy if you find it at the right price.

And whether it's furniture for the dining room or cabinets for the kitchen, a new car for the family or an antique for the house, all too often you see what you want at the right price—but at the wrong time.

Well, now Mellon has a solution for your *Someday* problem.

It's called a Mellon Personal Credit Line—and here's how easy it can be to get one.

Come in and talk to a Mellon Banker. We'll show you how much a Personal Credit Line can be worth to you, based on your assets, your income and the amount of credit you qualify for, up to \$5,000...\$10,000...\$50,000 or more.

You may also be able to use the equity value of your home to secure an even higher line of credit with a lower rate and lower payments.

It's easy to apply and you complete only one application. When it's approved, you'll receive your own Personal Credit Line that:

1. Lets you write your own loan by simply writing a check.
2. Doesn't cost a penny in interest until you use it.
3. Lets you repay at an attractive rate of interest that is subject to change monthly. The current annual percentage rate for a Personal Credit Line secured by the equity value of your home as of October 1 is

only 11.95% and 12.70% for other types of Personal Credit Lines.

4. Has no annual fee.
5. Features low monthly payments.
6. Gives you special overdraft protection up to your available credit line if you have a Mellon Checking Account.
7. Lets you repay anytime with no penalty.

In just a short while, you can have your very own Personal Credit Line that will be ready when you are to handle that financial emergency, that bargain you simply can't pass up, or that wonderful surprise for that very special someone.

Why not come in and talk to us this week or call Mellon's Telephone Loan Service toll free (800) 323-7105.

There couldn't be a better time to open a Personal Credit Line and take advantage of our low rates.

**Woodbridge School District**

The third and fourth grade students at Woodbridge Elementary School were given a practical exercise in home fire safety on October 11. The Georgetown Fire Department has created a simulated home facility with a bedroom upstairs and a bedroom downstairs in which they created a smoke condition and showed the students how to escape in case of a home fire. The facility is designed as a mobile unit that can be transported from site to site. The experience was a real learning opportunity for the students. Firemen from Georgetown, Greenwood, Bridgeville, and Farmington Fire Departments volunteered their time for the day in order to instruct the students in fire safety procedures. This was a culmination activity for Fire Prevention Week.

# October is National School Lunch Month

Janice Hinzman, Lake Forest School District Food Service Cafeteria Supervisor. Photo by David Dill

**by David Dill**  
The average Lake Forest cafeteria worker has 10 years of experience and works from 7:30 am to 2:30 pm daily. They must complete a six unit service course which is 180 hours of after school training. This course is taught by Mrs. Janice Hinzman, Superintendent of Food Service of the Lake Forest School District. Along with teaching food service courses, Mrs. Hinzman must make up school lunch menus, order supplies and inform our schools of nutritional requirements.

Since this is National School Lunch Month, parents are invited to eat a well-prepared lunch with their kids.

During the month, there are some days which are special: Western Day, where the cafeteria workers wear western clothes; Delaware Day on October 16 will also be honored with a visit from a special Uncle in red, white and blue at the high school.

Each school in the district serves the same menu daily. If a child does not want the "A" lunch, they may choose from a special line.

Elementary students may choose from sandwiches, subs, salad bar, fresh

fruit, baked goods and ice cream.

W.T. Chipman students may choose hamburgers, hot dogs, pizza, soup, assorted sandwiches, milk, ice cream, salad bar and baked goods.

High school students may choose from hamburgers, salad bar, potato bar, fruit, assorted sandwiches, tacos, soup, snack crackers, pizza, juices, ice cream and baked goods.

There is also breakfast served at all schools in the district. Cinnamon buns, waffles, french toast, cold and hot cereals, eggs, school made biscuits, donuts, juices and milk are some of the items available.

Are you hungry now?

We all thank our teachers for giving our children a fine education. They give our children a chance to meet the many challenges of life today, but without good nutrition under them, which our school workers prepare for them, it would be a long day.

So, the next time you see one of our cafeteria workers, smile and say "Thank You!"

Call your child's school now and make arrangements to have lunch with them.

## McIntire and Harrington receive Fellowship Degree for service to fraternity

Compiled by Ted Layton

The Fellowship Degree, the third degree of the Loyal Order of Moose, is conferred by the Supreme Lodge on Moose members in recognition of their outstanding service to their lodge and fraternity.

At the present time, approximately 27,500 members of the Moose hold this degree. To qualify for this high honor, a member must be in good standing in

his lodge for a minimum of five years and must have also been a member of the Legion, the second degree of the Order, for at least six months.

A member must have demonstrated his loyalty to his lodge, legion and fraternity. In doing this, he must have given generously of his time and energy to build his lodge and fraternity and have exhibited leadership ability.

## Another arrest in Magnolia for marijuana possession

Delaware State Police have arrested a thirty-two year old Camden man in connection with the marijuana plants seized near Magnolia on October 2nd.

Dean E. Seeger, 32, of R.D. 2, Box 84, Camden, was arrested at his residence. He was charged with manufacturing marijuana. At the time of his arrest,

Mr. Seeger was also charged with possession of marijuana and possession of hashish.

Mr. Seeger was released after posting a \$3,000.00 secured bond following an arraignment at Magistrate Court 7 in Dover.

## High school adds six new teachers and one new subject

by Ken Hutchins

This year at the Lake Forest High School you will see some new faces. Six new people have been added to the staff at the high school. The new teachers are Denise Baker, Carol Swales, Linda MacMillan, Elizabeth Reid, Lori Christiansen and Steve VanSant, who came up from Chipman.

Denise Baker teaches English and Drama. Ms. Baker has taught 3 years at Dover High and is certified in speech, drama and English.

Carol Swales teaches Social Studies at the high school. Miss Swales has taught at Glasgow High and has a B.S. in history and a M.A. in history.

Linda MacMillan has been a Lake Forest resident for 13 years, and is an past PTA president. She has 3 years of college experience in business adminis-

tration and 2 years in elementary education.

Elizabeth Reid is teaching English classes. Mrs. Reid has a major in French and a minor in English.

Lori Christiansen is the new Jobs for Delaware Graduates teacher. She has taught at C.R. for 2 years working with the blind and visually impaired. She also has a bachelor's degree in public affairs and government. She will be receiving her master's degree in December.

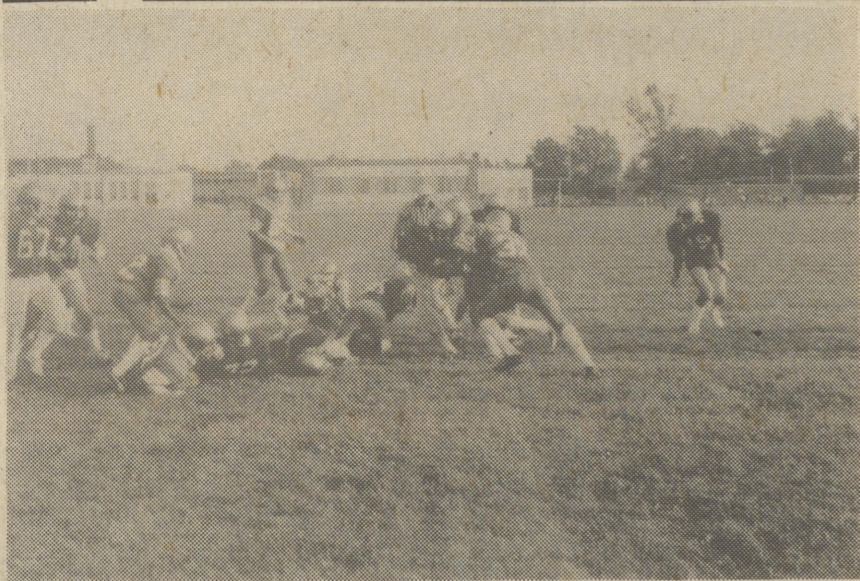

Also at the high school this year is a new class, German. This class is being taught by Dr. Theodor Leithmann. There are 30 students enrolled, divided into 2 sections. The first social event the class will have is a Christmas party with the German classes from C.R. and Dover.

## Spartans tie Indian River

by Ken Hutchins

Friday night the Spartans fought the Indians to a 6-6 tie. This should never have been because the Spartans are capable of playing a much better game.

The Spartans started out fine by scoring in the second period from a 66 yard run from Lionel Dixon. Also the Spartans ruled the first half by gaining 180 yards, compared to Indian River's 79 yards. With this, the Spartans held I.R. to 6-0 at halftime.

After halftime, however, you did not see the same team. The Spartans only

gained 29 yards in the 2nd half. With the Indians gaining 129 yards. Considering the way the offense played, the defense did a pretty good job. The defense was led by hard hitting 285-pound Eric Warren, who hit Indian River Q.B. Clinton Bunting so hard he may have given him a broken nose. The Spartans lead until there was only 1:32 left in the game. At this time, Indian River threw a 35-yard touchdown pass. With only 1:31 remaining in the game the Spartans were unable to change the score.

## Spartan harriers are 3-0

by Keith S. Burgess

In last week's paper, we had an article stating that Jim Blades' cross-country victory total at Lake Forest was 100. Now it's 102 after triumphs over Woodbridge and Seaford.

The Woodbridge meet was held at Lake Forest with the score 21-36. Sophomore Mark Tozer did not feel well, yet won in 18:07, only 8 seconds above his personal best on the home 3.1 mile course.

Woodbridge's Tom Messick, a strong contender for the No. 2 spot downstate was 19 seconds behind Tozer, just barely edging Ray Powell, who chopped 28 seconds off his previous best here. Eric Payne also ran very well and lowered his mark by 19 seconds. After Callaway of Woodbridge crossed, Spartans Mike Mosley and Billy Haggerty finished. Mosley cut off 28 seconds while Haggerty improved by almost a minute.

Daugherty and Pace were eighth and ninth with Spartan Freshman, Jon Kane, improving by a whopping 66 seconds, to get tenth place. Kane is a consistent and steadily improving performer. He could have 3 1/2 seasons left of cross-country. At present indications are that he could contribute greatly, as a Spartan distance runner. Scott Torgeson - 14 seconds; Alvin Hudson - 34 second; Todd Kramer - 1 min. 47 seconds; Billy Walters - 18 seconds; Randy Wroten - 1 min. 45 seconds; Shawn Torgeson - 1 min. 8 seconds; and Pat Caskey - 6 seconds; offered incontrovertible proof that this 1985 Lake Forest team is showing marked improvement. Despite losing some fine runners, by graduation, it appears that the proud Spartan heritage of always posting a winning season, should be safe for at least, this autumn.

Lake Forest girls ran the course against the watch. Kelli Pelton lowered her mark by 8 seconds, despite the lack of competition. Melanie Pelton, Shirlaine Goodman, Tara Dixon, Lorraine Lake, Sheva Batton, Sherri Parson and Della Smith also negotiated the tough, 3 1/8 miles (5000 meters).

At Seaford the Spartan girls took a 21-39 decision over a Seaford team that has a couple of veteran runners in Reni Santos and Laura Painter. Senior Kelli Pelton is having a good year showing plenty of determination and courage, factors that are of the utmost impor-

tance in cross-country.

Kelli clocked 17:35 on a course shorter than most. Lori Wilson and Santos ran together most of the way before the gritty Wilson moved away to prevail by seven seconds. Wilson whose father Bob was a star sprinter on Harrington High's first track team, is a natural runner who is a full-time hockey player and runs cross-country when there is no schedule conflict.

After Santos and Painter finished, Melanie Pelton, Shirlaine Goodman, Tara Dixon and Lorraine Lake crossed the finish to give Lake Forest the victory. One more Blue Jay finished followed by Sheva Batton and Sherri Parson, two more Blue Jays and Della Smith. The girls are showing good improvement and are doing well in the big meet invitationals also.

Mark Tozer ran a little tentatively on the relatively unmarked course. Seaford's Danny Hall, a veteran runner who is having his best year by far, served as Mark's guide for a while. This writer heard them chatting as they cruised by at the two mile mark. Tozer left Hall to win in 13:47 with Hall at 13:52. Seaford's Adashead, a transfer from Parkside High, Salisbury, MD trailed Spartan's Ray Powell and Eric Payne, late in the going, but opened up and beat them by 15 and 17 seconds respectively. This would indicate that Adashead doesn't know how good he is or doesn't know how to pace himself. We wish Jim Blades had him!

Blades got a lot of good work from Mark Whidden, another Parkside transfer last year.

After Payne came Mike Mosley, who ran one of his best races ever. Billy Haggerty in 8th had a good outing, as did Scott Torgeson (10th).

Freshman Jon Kane, Alvin Hudson and Randy Wroten were next. The span between Torgeson and Wroten was only 21 seconds. Wroten is tall, lean and is half Bonniwell. Buddy, George and Larry Bonniwell were all fine harriers at H.H.S. What a shame he didn't come out in grade 7, instead of this his junior year. He is the only first-year harrier on the squad, yet he's shown great improvement, is always in the top ten locals. If this was his fifth year, instead of his first, who knows where he would rank on this team. The winning boy's score was L.F. 24, Seaford 38.

## Lake Forest soccer recreates last year against Milford

by Ken Hutchins

When one looks at the way the game went Tuesday night and the final score, one may think that they were watching last year's home game against Milford.

The Spartans began by letting Milford get the early lead, but near the end of the game with only 10 minutes left, the Spartans were leading 3-2. The Spartans' goals were scored by Jay Green, Dana Wainwright, and Bobby Bassett.

When Milford scored their first goal, the Spartans fied up and played a great game. The Spartans were beating Milford to the ball and keeping the ball in Milford's end zone most of the game. The Spartans more or less controlled the entire game with all out hustle, just like last year.

With only 3 minutes left in the game, misfortune struck the Spartans as Milford tied the score, forcing the game into overtime just like last year's game. Last year's game was also a game where the Spartans dominated, but by overtime, they were just too tired. Well, it seemed like this game was also the same way. The Spartans had a great game offensively and defensively with an incredible performance by goalie Mike Zdradzinski. With such a great game performance: by overtime, the Spartans just seemed out of gas. Next time the Spartans meet Milford the score should be different.

To add to this, the Spartans played Sussex Central Saturday night and won 3-2 with goals by Jeff Dixon, Derek Dill and Dana Wainwright.

## Chipman loses to Indian River

by David Dill

W.T. Chipman football team hosted Indian River Thursday afternoon at home.

For a young team, Chipman showed a very strong defense as they stopped several goal advances for the Indian's team.

Robby Warren of Chipman posted a 35-yard advance for Chipman which was the longest single run of the game.

At halftime, the game was an even 8-8, but the second half brought Chipman out with fumble fever as several fumbles and penalties cost Chipman yardage.

With some work on the offense, Chipman should score big in the ranks of junior high teams. The final score was Indian River 14, Chipman 8.

## Kelli Pelton wins D.C. Invitational

by Keith S. Burgess

Kelli Pelton held off a homestretch challenge by a Yorktown, Virginia runner to win the 9th annual Spingarn High School girls Invitational Cross-Country Meet. Kelli's time over the rugged 2.1 miles layout was 15:42. Lori Wilson was sixth and Melanie Pelton

was eighth. The three Spartans each won medals. First-year runners Tara Dixon and Lorraine Lake crossed together in 17th and 18th places to give Lake Forest the second-place team trophy, behind Yorktown, Va. Sheva Batton and Sherri Parson also did good work.

## Harrington plans double header

HARRINGTON - Four of the nation's leading drivers will take on Harrington Raceway's top reinsmen in a special three race competition, during the first racing card Saturday afternoon, October 19, first post time 1:30 p.m.

Jack Parker Jr., a Harrington native is among the leaders on the Meadows-Garden State circuit, will be featured that day. Mickey McNichol, who has won over \$5,000,000 during the past two seasons will be among the all-stars on hand. Sizzling Bob Shahan

and Hal Belote who lead the local driving colony will also compete on the Harrington half mile, during the three race competition.

Free Admission, General Parking, Food Discounts and a Chicken Barbecue will be offered for the first racing card only. The chicken barbecue will start at 5 p.m. Hotdogs and sodas will be half price during the afternoon racing card. Post time for the day's events will be 1:30 and 7:30 p.m.

## Spartan boys third in D.C.

### Invitational run

by Keith S. Burgess

Mark Tozer was third in Saturday's 9th Annual Spingarn High School Invitational Cross-Country Meet, held at Ford DuPont Park in Washington. Tozer was only a few seconds away from the win and might have been able to finish first if he had known the course as well as the first two finishers who were both from the D.C. area.

Mark is having a great year. In his last three invitationals (multi-team meets) he has been 5th, 3rd and 2nd. Lake Forest was 3rd Saturday picking up the 3rd-place team trophy. With the Spartan girls also getting a team trophy, it would indicate a space problem might occur at OFHS, the way the locals are accumulating hardware.

Eric Payne never runs a poor race. Some of his teammates may be up and down, but Eric never is too far off the pace. Eric was 11th, just missing the tenth and last trophy. Ray Powell and

Mike Mosley were only 5 seconds apart as Mosley continues his mid-season surge. Billy Haggerty (18:54) freshman Jon Kane and Alvin Hudson, all broke 20 minutes on a rugged, new course. The Spartans had a good day and will be more familiar with everything in 1986.

Randy Wroten made a supreme effort in a huge jayvee field. He ran the distance in 20:22, just missing the top twenty finishers. He paced Lake Forest to a good 5th-place finish, just one point from the fourth position.

Billy Walters, Pat Caskey, Todd Kramer, Brad Turner and Jeff Davis were other jayvees to do Spartan work on Saturday.

Lake Forest did themselves proud as most of the competition was made up of city and suburban schools. Lake Forest may have been the smallest school then.

### Hockey team goes 2-1 this week

by Ken Hutchins

The Lake Forest Hockey team had a busy week, by taking on 3 teams and winning 2. They beat Woodbridge 3-1, also beat Worcester 3-1, and lost to Seaford (who has to be the toughest team around) 0-2.

First on Monday the 7th, the Spartans took on Woodbridge. The Spartan goals were scored by Paige Parker, Teresa Taylor and Lori Wilson.

Robyn Moreau played goalie for the Spartans and had 4 saves. Dana Adams

who usually plays goalie was injured in practice. Also the Spartans outshot Woodbridge 13 shots to 5 shots.

On Tuesday, the 8th, the Spartan Hockey team beat Worcester. Teresa Taylor had 2 goals and Lori Wilson had 1 goal for the Spartans' victory. Robyn Moreau also played this game and only had 1 save. This was due to the strong Spartan defense which is really shaping up. Because of the Spartans' strong defense they held Worcester to only 2 shots on goal. This is compared to the

Spartans' 13 shots on goal.

Finally on Wednesday, the third straight day of play, the Spartans took on Seaford. Seaford has to be the toughest team around, and the Spartans "had an outstanding game", Coach Dyal said. Also Coach Dyal added that, "the difference finally came together and had their best game of the year. Also Dana Adams had an outstanding game, considering her recent injury." The Spartans had 9 shots on goal, and Dana Adams had 9 saves.

### Chipman harriers win three of four meets

by Keith S. Burgess

Many of the Lake Forest varsity cross-country runners got their start at the W.T. Chipman School (7th and 8th grades) in Harrington. The present leader there is Baxter Smith, a soft-spoken native of the Down East State, Maine. Smith gets lots of kids to try the sport. Enough of them stay with it to help the high school immeasurably.

Against Lewes, Chipman's boys won here and lost at Lewes while the local girls won twice.

At Lake Forest, Craig Epifanio and Richard Williams of Lewes were 1-2, but Doug Thompson, Paul Schaffer, Scott Pierce, Czar Bloom and Joe Williamson finished within 33 seconds of each other. This is the kind of "pack" finish cross-country coaches strive for. It often brings victory and it did this time by a 25-30 score. Thompson is a second-generation harrier, as his uncles Jerry Garey, Don Garey, Ken Garey, Bill Garey and Bob Garey, all could and did "pick'em up and lay'em down, while in the livery of the Harrington High Lions. We hope we didn't forget any of that running family.

Other Chipman boys were: Mike Vanness, Matt Burrows, Steve Jester, Carl Jones, Randy Thompson, Mel Silicki, David Scott, Jason Monroe, Drew Hammond, Danny Sheline, Tom Bush, Aaron Rhodes, Zeke Roland,

Eric Allen, Chad Collins, Ricky Porter.

At Lewes, the hosts prevailed 25-32. This time Lewes had the home course advantage, but even more important perhaps was the fact, that the course was only 1 1/4 miles long, while Chipman's course is 1.6 miles. In a situation such as this, the athletes used to running a longer course, start at their usual pace and are out of it before they realize what's happening.

Paul Schaffer (third), Scott Pierce (4th), Doug Thompson (6th) and Czar Bloom (7th) ran well again, but Jeff Katts of Lewes, who finished 11th, at Lake Forest was fifth this time at the shorter distance. Thus Epifanio, Williams and Katts had insured Lewes the win, with only five runners in.

Joe Williamson (12th), Matt Burrows (14th) and Mike Vanness (15th) were other Spartans to figure in the scoring.

Jill Blades, daughter of Lake Forest cross-country coach, Jim Blades ran the 1.6 mile Chipman course at Lake Forest in 12.03, followed by Sharon Wyatt (12.05) and Dawn Kane (12.07) with Lea Fitzgerald next in 12.32. Lewes' first runner Kim Norwood, was followed by Diane Wilson and Elaine Zeitler. Heather Morris and Tina Welch were other Chipman runners as Lewes lost 15-40. At Lewes, the score was the same. Sharon Wyatt (8.50) and Dawn Kane (8.55) went 1-2. Lea Fitzgerald was next in 9.06. Jill Blades, Kim Norwood of Lewes completed the top five finishers. We don't have exact placings after that quintet, since the Chipman bus had to leave in order to make the late bus, but we do know that Diane Wilson, Elaine Zeitler and Tina Welch finished between 10.25 and 11.12.

### your energy dollars

If you're losing the battle with your energy bills, switch to energy-efficient propane gas and start winning, instead.

Propane gas handles all the big jobs much more efficiently than electricity because electricity loses 72% of its original energy in generation. That means that you'd need some 27 electric kilowatt hours to match the energy in just one gallon of propane.

So come by today and we'll show you how to fight a winning battle with propane gas.

# Over The Backyard Fence

## Gab Fest

by Pat Hatfield

Remember those long winter evenings we talked about when we are going to have time to relax? I always plan big, but, looking back, I can't see where they were that great after all. "Hope springs eternal in the human breast," so says the poet, so I keep hoping that when winter comes, I will get organized and cope.

Yesterday was completely taken up with making applesauce for the freezer. I made 24 quarts and the only thing I could manage at all was getting the laundry washed, dried and folded. But it still sat around on the dining room chairs overnight.

Last evening, I shelled the last of the lima beans. It was hard work getting them gathered, but I felt kind of sad to have to turn them over to Mother Nature. Today, I am trying to get my life back to something resembling normal. This time I cooked the limas with corn and made hot biscuits for lunch. This was compensating for last night's dinner which was adequate but skimpy. I had planned to eat at the family restaurant and had also planned to meet my friend, Elizabeth Ruff there, and I was very unhappy to have to go back on my word. But, I do not drive, and Himself insisted on getting out his glad bulbs and his sweet potatoes. So! Sometimes I wonder a bit if it was a good idea for our Creator to have designated the man as Head of the Household! (I'm kidding of course.)

I have watered my house plants and said a few words of encouragement to them. I am baking a ham in the oven, and I have dough rising for two loaves of bread. The delightful aroma of the baking will more than compensate for the work involved.

The beds are made and the dishwasher is going merrily. Now when I haul the rest of the laundry upstairs, I may just give myself a few minutes with the daily newspaper. I said to my friend, "Mike", our Minister the other day, "Wouldn't it be fun to print a newspaper with all the great and wonderful news about people and how great they are?" She replied, "Yes, it would, but the only trouble is, nobody would read it!" No doubt that is true. The great majority seem to feed on gross and horror stories.

Here is another cut story about Alice's dog, "Precious". Alice is a great one for decorating her lovely home, and when we shared some of our calico corn, she fixed some for the front door. And you know, "Precious" would not have it there. She carried on so, Alice had to put the corn somewhere else and put back a small doll decoration that had been there. Isn't that amazing?

I have a few tiny tomatoes on the kitchen windowsill to finish ripening. Our tomato crop did not do well this year for some reason. Dad is a perfectionist so he looks upon these small ones with much disdain.

Lisa & Troy Dennis

## Stayton - Dennis wed

Lisa Dawn Stayton and Troy Graham Dennis were married on October 1, 1985, at the Harrington Baptist Church. Pastor W.P. Watson performed the ceremony.

The bride is the daughter of Mrs. Fay Freese of Felton and Mr. John Stayton of Harrington. The groom is the son of Mrs. Gwendolyn Dennis of Harrington and the late Richard F. Dennis.

The Bride was given in marriage by her Uncle, Mr. George Lane of Harrington. Maid of Honor was Lora J. Stayton, sister of the bride. Best Man was Todd Dennis, brother of the groom. Ushers were David E. Freese, step-father of the bride and L/Cpl. Leland L. Hobbs, Jr., cousin of the groom.

The bride's gown had a split neckline leading to a sheer yoke with attached chantilly lace, accented by pearls. The bertha collar front went around to a V-back as sheer bishop sleeves with lace trim and cuffs gave an airy aura. Chantilly lace bands on the front of the skirt trailed down to a flounce hem. A triple ruffled apron effect back led down to a chapel train.

Following the wedding, a buffet reception was held at the Fellowship Hall of the Baptist Church of Harrington.

The bride is employed by Food Rite of Harrington. The groom is in the U.S. Navy.

Mr. and Mrs. William Gallager attended a stork shower in honor of Mrs. Sharon Bradley in Wilmington on Sunday. They stayed overnight with friends.

Mrs. Pauline Morgan and Mrs. Edna Sapp visited Mrs. Anna English at the Manor House in Seaford on Sunday.

The United Methodist Women of the Houston Church will hold their Annual Bazaar at the Church Fellowship Hall Saturday, October 26, 1985 beginning at 9:00 a.m. We will have Christmas crafts, baked goods, and miscellaneous items. Lunch consisting of Navy Bean and chicken noodle soup with hot biscuits, chicken salad sandwiches, homemade pie and coffee and iced tea will be served. Come join us for some bargains, good food and fellowship.

### HEART GIFTS

*It's not the things that can be bought that are life's richest treasure, It's just the little "heart gifts" that money cannot measure..... A cheerful smile, a friendly word, a sympathetic nod Are priceless little treasures from the storehouse of our God... They are the things that can't be bought, with silver or with gold, For thoughtfulness and kindness and love are never sold... They are the priceless things in life for which no one can pay, And the giver finds rich recompense in GIVING THEM AWAY.*

## Delaware volunteers to attend 4-H forum

Twelve Delaware 4-H volunteer leaders will participate in the 1985 Northeast Regional 4-H Volunteer Leader Forum, "4-H Communicating with the World," in Fairlee, Vt., October 24-27. They are Carol Carlisle (Greenwood), Bernice Farabaugh (Newark), Kay Heindol (Townsend), Jay Hukill (Harbeson), Betty Lofland (Greenwood), Ruth Ann and Robert Messick (Greenwood), Virginia Morneau (Newark), Lydia Phalen (Landsberg, Pa.), Kay Powell (Dover), Dee Smoot (Dover), and Grace Tinley (Dover). Delaware area 4-H agent Joy Sparks will accompany the volunteers.

More than 350 volunteer leaders from 12 northeastern states and the District of Columbia will exchange ideas, acquire new skills, and prepare plans of action for use in their own communities.

Workshops will cover communications skills for dealing with the media,

communicating with members and volunteers, opportunities for international education in the local community, leader effectiveness, fitness for leaders, involving more men and boys in 4-H, recognizing stress in children, making programs accessible to disabled youth, using photography to enhance 4-H programs, and recruiting, retaining and involving 4-H volunteers.

Participants will also see Vermont artisans demonstrating various crafts including candlemaking, stenciling, fly-tying, whittling, and wreath-making.

The forum, partially sponsored by J. C. Penney Company, Inc., is planned by a committee representing the Cooperative Extension services of state-grant universities and the U.S. Department of Agriculture. Delaware will host the 1986 Northeast Regional 4-H Volunteer Leader Forum.

## Two U of D students receive scholarships

Two University of Delaware seniors majoring in plant science have received scholarships from the Delaware-Maryland Plant Food and Crop Protection Association, Inc. Recipients were Juliet Marshall (Camden) and Roydean Armstrong (Hockessin). The scholarships were presented by association president Gerard Warwick during the College of Agricultural Sciences Honors Day ceremonies. Marshall is president of the campus collegiate Future Farmers of America (FFA). She recently completed her second summer collecting field data for the university's soybean task force, a joint research and extension project funded in part by the Delaware

Soybean Board and aimed at identifying the key factors which affect yield in this crop.

Marshall has also been awarded a scholarship as a teacher's assistant at the university and will conduct a weekly lab for an introductory soil science course taught by Professor Leo J. Cotoir of the department of plant science. She is considering agriculture related extension or government work, or research as possible career goals.

The Delaware-Maryland Plant Food and Crop Protection Association, Inc. scholarships are given annually to outstanding students with interests in agronomy, vegetable crops or soil fertility.

## Senior Center

Well our week's news begins on Thursday, October 17th. Bazaar Crafts will be the word for that day. I can't say the date of our Fall Bazaar enough:

**FRIDAY, NOVEMBER 1st.** Lunch that day is great — what a feast: Oven baked stuffed chicken, gravy, creamed peas, cranberry sauce, sweet potatoe pie. All this for a donation if you are 60 or over. The meals are provided by MANNA and are surpassed only by the fellowship shared at the Center. We will be having guests for lunch on that date also. United Way in coordination with their fund drive is bringing a tour of Business Workers from Dover to see our facility as well as other United Way agencies within the county. It gives a chance to "show off" a little, right! After lunch and the United Way tour, we will be having Coupon Bingo. Also, there will be a chance to cash your coupons in for various items. On Friday the 18th, our very own Bridge Club, "The Senior Aces" will be meeting at 1:00 p.m. If you are interested in joining the club, you should contact the Center or Mrs. Phyllis Greenhaugh.

On Sunday, the 20th, the Center will be having its monthly Covered Dish Social beginning at 1:30 p.m. The Social is open to all members of the Center and their guests. There is a charge of \$2.00 per person which covers the cost of the entree, etc. Also, each family is asked to bring a covered dish. You must have your name on the list for the Covered Dish by October 18th. These socials are always the third Sunday of the month. We always have a good time.

On Monday, the 21st, our Morning's Bible Study will be with Rev. Beyer. In the afternoon we will be having an old-fashioned hymn sing-a-long. Robert Childs, from right here in Harrington will be here to conduct this sing-a-long.

On Tuesday, the 22nd, in the afternoon, we will be having a Popcorn Party. Now, how many of you know that October is National Popcorn Month? Well, we did, so here is what we have in mind for our celebration. In the afternoon, after lunch, we will be serving popcorn, hot from the popper, with butter if you like. We have a couple of games to play in honor of the celebration and we will have a glass

bottle filled with corn on display during the day. We will be asking everyone to take a guess at just how many pieces of corn are in the bottle. Susan diligently counted every piece of that corn, and has the number hidden, where only she knows the answer. We will have a gift for the person coming closest with their gift. On that evening, 7:30 p.m., we will be having our Support Group *You're Not Alone*. The guest speaker for that evening will be a specialist in geriatric nursing. The group is open to the public and is free of charge. We meet at the Senior Center. The support group is for family members taking care of an older relative. We do meet every month.

Now back at the Center on Wednesday the 23rd, the lunch on that day will be another "goody". Roast beef with gravy, baked potatoes with butter or sour cream, peas and carrots and fresh fruit for dessert. We do ask that anyone interested in coming in for lunch, call a day ahead of time so the proper amount of meals can be ordered. The number to call is 398-4224.

Now for our information tip for this week: Social Security and Supplemental Security Income (SSI) - The Social Security Administration handles these two basic income programs. Eligibility and benefits for Social Security depend upon one's employment history. Even if you are not eligible for Social Security, if your income is low, you may still be eligible for Supplemental Security Income (SSI), the Federal guaranteed income program for the elderly, blind and disabled. SSI provides a guaranteed minimum income, or "floor" for individuals whose incomes are below a certain level. In those cases deemed eligible, SSI payments supplement any other income up to a certain total income.

The Social Security Administration also processes applications for Medicare and will forward applications for Medicaid to appropriate agencies. In most cases, eligibility for those health insurance programs depends upon eligibility for Social Security or SSI. For more information in Kent County call 674-3610 or write to 300 South New Street, Dover, Delaware 19901.

That is it for this week. We will be back next week with more Senior Center News.

## Harrington Public Library

The Harrington Public Library has been scheduling tutors who work on a one-to-one basis with adults who need to improve their reading skills. The Library has been providing space for teachers and students as well as providing books and materials for beginning readers.

Harrington Librarian, Betty Ann Van Vessen, is a certified Laubach Literacy tutor and works with students in her spare time. **More Tutors are needed.** Did you know there are ten thousand

functionally illiterate in Kent County? The consequences of illiteracy add to the problems of crime, unemployment, poverty, and human suffering. Please join the Harrington Public Library's effort to combat illiteracy. Helping others to become readers is a valuable service you can perform for your neighbor and your country. Give the gift of reading by becoming a volunteer tutor.

For information please phone 1-800-282-8696.

## Greenwood

Greenwood United Methodist Church observed communion on Sunday.

Mrs. Hattie Bragg has recently suffered a major heart attack, but she will be recuperating at her daughter's home in Wilmington where she resides. She would greatly appreciate our cards, letters and prayers. Her address is: Mrs. Hattie Bragg, 8728 Lafayette St., Wilmington, DE 19808.

Our sympathy is extended to Mr. Thomas Whittle on the death of his wife, Evelyn, who had many friends in this community.

Mrs. Norman Cannon flew to Reed City, Michigan to attend her 50th High School Class reunion. While there she visited her sisters and other relatives.

Mrs. Edna Hayes' eldest son has been in from California, visiting many friends and relatives.

## Local Interest

by Donna Breeding 398-4474

Mr. and Mrs. James Boyd and family recently visited Mrs. Boyd's brother, Mr. and Mrs. Matt Dominey of Allentown, Pennsylvania.

Mrs. Lena Casler's niece Anna Visili from Vineland, New Jersey visited over the weekend.

Mr. Elwood Wyatt is now residing at Milford Manor.

Mr. Fred Greenly has returned home after a stay at Dover Hospital.

Visitors of Mr. and Mrs. Elmer Brown this week have been Mr. and Mrs. Francis Weldin, Mr. Aubrey Brown, Mrs. Catherine Moore, Mrs. Elsie Pitlick and Mr. and Mrs. Frank Bradley.

Mr. and Mrs. George Lankford and Mrs. Faye Bradley have recently

returned home from Ohio. Mr. & Mrs. Lankford had been blessed with the birth of their second grandchild. Their new granddaughter was born to Mr. and Mrs. G.B. Lankford Jr. She was named Bobbie Sue and weighed a healthy 7 lb. 7 oz.

Much sympathy goes to the family and friends of the former Mary Jo Pitlick. Mary Jo was the daughter of the late Jack and Ada Pitlick of Weiner Avenue. Mary Jo was in the Harrington High School's class of '57'. She had made her home in Minneapolis, Kansas. Many regrets to her husband Gary Smith and children.

So in closing, remember:  
*Do not purchase friends with gifts  
When you stop giving, they stop loving.*

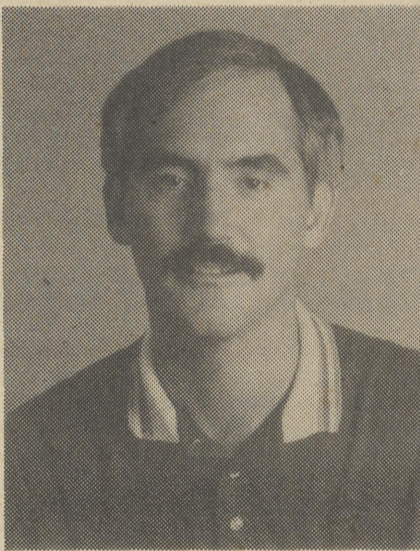

Members of the Greenwood Hi-Flyers 4-H Club send off balloons in observance of National 4-H Week. Those 4-H'ers pictured are left to right, Will Carlisle, John Elliott, Daniel VanVorst, Michele Reed and Delores Reed, volunteer leader. Carol Carlisle, organizational leader taking picture.

## MAACO under new management

The MAACO Auto Painting and Bodyworks center, located at 1111 Bay Road, Dover, DE, is under new management, it was announced by new owner Bill Walls.

Walls said he "expects to continue to bring high quality workmanship at reasonable prices which is synonymous with the MAACO concept to residents of the area."

Walls, who managed the MAACO center prior to becoming owner, has been in the auto body field for nearly 16 years. He formerly owned an auto body shop in Chestertown, MD, for seven years, and was shop foreman of an independent auto body shop in Wilmington for eight years. He also collects and restores classic cars in his spare time. Bill and his wife, Debbie, have one child.

## National 4-H Week observed

National 4-H Week was observed during the week Oct. 6-12 and 4H clubs were involved in promoting 4-H during that time. Many clubs put up posters and displays in their community, attended church as a group and were involved in the 4-H Achievement Banquet.

The Greenwood Hi-Flyers 4-H Club had a special promotion for National 4H Week. The club members sent off balloons with each 4-H member's name and address as well as other information about 4-H. They hope that when these balloons are found the finders will write to the 4-H'ers telling them where they were found. It is also an opportunity to find out if others know about 4-H. Delores Reed, one of the leaders of HiFlyers said "I thought it would be a different idea for National 4-H Week and what better way for the Hi-Flyers to promote 4-H."

Approximately ten 4-H clubs around the county prepared a display telling about 4-H and then placing it in a business window in their community. The displays are then judged and the winners selected. This year's window display winners were: 1st place winner, Broadkill KookKats; 2nd place, Holymount; and 3rd place, Dublin Hill.

Other 4-H clubs winning ribbons were: Sandy Fields, Seaford Blue Jays, Sycamore, Lord Baltimore, State Line, Briceville Wildcats and the Just Kidding Around 4-H Club. A big congratulations to all these clubs for a job well done.

The Sussex Equestrian 4-H Club will be meeting Octobe 24th at Peggy Townsend's in Millsboro at 7:30 p.m. The Equestrian 4-H Club is interested in judging and showing horses as well as learning more about them. New 4-H members are welcome. For more info or directions, call the 4-H Office at 856-7803.

Is there a 4-H Club in your town or community? Would you like to learn about 4-H? Do projects in agriculture, woodworking, fashion review, photography or computers sound interesting to you? If yes, then you should contact the 4-H Office at 856-7803 and we can get you started in 4-H. If you are a boy or girl between the ages 8- 19, then 4-H could be just the thing for you. It is the policy of Delaware Cooperative Extension that no person shall be subjected to discrimination on the grounds of race, color, sex, handicap, age or national origin.

## Ricker accepted at Wesley

Robert L. Ricker, daughter of Mr. and Mrs. Robert Ricker, Harrington, has been accepted as a student at Wesley College, Dover, Delaware, according to an announcement by

Joseph R. Slights, Dean of Admissions. Roberta entered Wesley in September and will major in Pre-Medical Technology. She is a graduate of Lake Forest High School.

## Canines wanted

The Delaware State Police is seeking dogs to be trained and used in the Delaware State Police "K-9" Corps. The dogs must be male German Shepards and must be between one and three years of age. Anyone wishing to

donate a German Shephard meeting these requirements should contact Delaware State Police at Troop 4 in Sussex County at 856-5444 or Troop 2 in New Castle County at 323-4411.

## Thicker and juicier than Burger King,<sup>®</sup> Wendy's<sup>®</sup> or McDonald's<sup>®</sup> \*\*

**Underneath it all... what really matters is the burger.**

It's a basic fact: to end up with the best, start with the best. That's why we start our Big Deluxe™ Burgers, Bacon Cheeseburgers and 1/4 lb.\* Cheeseburgers with the thickest, juiciest burger around.

Thicker and juicier than McDonald's Quarter Pounder<sup>®</sup>, the new Burger King Whopper<sup>®</sup> and Wendy's Single.

The thickest. And the juiciest. Two more reasons why Hardee's is where good people go for good food.
