

# Harrington Council discusses proposals for Revenue Sharing

by Harry G. Farrow Jr.  
**HARRINGTON** — On Monday night the City Council discussed proposals for the return of "revenue sharing". The City is expecting to receive approximately \$52,000 in the City's current fiscal year.  
 The City has already received \$17,599, which came about in the last quarter of last fiscal year, which was the first quarter of the fiscal year for the Federal Government. "But we can

only expect the \$52,000 in our fiscal year.....current one," said Mayor Mann.  
 The Mayor suggested that "...(we) look at a capital improvements program where we set aside money for emergencies. Councilman Wyatt uses the term put away for a rainy day. I don't like to use those terms, but we should do just that," added the Mayor. The Mayor reported that one of the pumps at the water tower has been

pulled because of defects. "The will cost \$6,000 to repair.....plus the motor was burned on one side."  
 Led by Councilman Jack Wyatt, a list was written on the blackboard in the Council chambers describing items to be considered on how to use the revenue sharing. They were as follows: \*set up a contingency fund of \$25,000 for emergencies; \*replace the damaged pumps at the water tower (\$7,000); \*repair ceiling of sewer plant (\$3,500);

\*new police car (\$13,000); \*purchase office equipment (typewriter and terminal \$1500); \*dump truck (\$5000); \*new City Hall; \*bush hog (\$800); \*and street sweeper (\$18,000). Councilman Jarrell suggested that consideration be given to improving the water flow in the area of W.T. Chipman School. "What you are talking about there is a need for a grant, because that would cost between three hundred and four

hundred thousand dollars," said Jack Wyatt. "Well.....it is needed because you don't have enough water pressure in that area to fight potential fires," said Jarrell.  
 The workshop designed for the purpose of discussion and research ended with no order or priority. One councilman said the feeling is that a contingency fund, repair to the pumps and repairs to the ceiling of the sewer plant

would be the items that would rate consideration.  
 Former Mayor Arthur "Buck" Cahall attended the meeting and asked the Mayor and Council to return the money to the people by reducing taxes. The problem there as one councilman said is that it is already written into the budget, which is finalized. A change in the budget could only take place during next year's budget meetings.

## Delaware FFA members achieve national recognition

National recognition will be given to Delaware FFA members at the world's largest agricultural youth convention, the 1985 National FFA Convention held November 14-16 in Kansas City, Missouri.  
 Nearly 22,000 members, guests and friends of the FFA are expected to attend this 58th National FFA Convention. Some of the week's highlights include awarding the highest level of membership, the American Farmer Degree; the selection of winners in agricultural proficiency and judging team competitions and nationally known guest speakers. Six new national officers will be elected to lead the nearly half-million member organization.  
 Guest speakers at the convention include U.S. Secretary of Agriculture John R. Block, NBC "Today" show personality Willard Scott, sponsored by International Minerals & Chemical Corporation; Zig Zigar, sponsored by American Bankers Association; Denis Waitley, sponsored by the FFA; and former pro running back Rocky Bleier, sponsored by the H.J. Heinz Company Foundation.  
 This year's annual theme, "Leaders for the New Fields of Agriculture," will be unveiled during the three day convention.  
 FFA is an organization for students preparing for careers in the agricultural industry. Activities and award programs complement instruction in vocational agriculture/agribusiness by giving students a practical experience in the application of agricultural skills and knowledge gained in the classroom. The major emphasis of the FFA is development of leadership skills and abilities to prepare young people for leadership roles in their agricultural careers.  
 Held in conjunction with the FFA Convention are the National Agricultural Career Show and the National FFA Alumni Convention.

The following are winners and participants of the 1985 National FFA Convention from Delaware:  
**OFFICIAL DELEGATES** — Wilmington - Ray Harrington, Vice President; Wilmington - Mary Herman, Treasurer.  
**AMERICAN FARMER DEGREE RECIPIENTS** — Frederica - John Wilkins (Lake Forest); Greenwood - Valerie Warnick (Woodbridge); Townsend - Lynn Bullen.  
**NATIONAL CHAPTER AWARD WINNERS** — Georgetown - Sussex Central FFA (Bronze); Milford - Milford FFA (Bronze).  
**BOAC AWARD - CHAPTER WINNERS** — Camden - Caesar Rodney FFA (Silver); Milford - Milford FFA (Silver); Georgetown - Sussex Central FFA (Bronze).  
**NATIONAL CHAPTER SAFETY AWARD WINNERS** — Milford - Milford FFA (Bronze).  
**CONTESTS**  
**Nursery/Landscape** — Camden - Wyoming - Caesar Rodney FFA Chapter.  
**Poultry** — Felton - Lake Forest FFA Chapter: Heide Wilson, Mike Woikoski, Susanne Allen and Jeff Dixon.  
**Farm Business Management** — Felton - Lake Forest FFA Chapter: Keith Chandler, Joan Parnell, Lynn Mills and Terry Caulk.  
**Dairy Foods** — Felton - Lake Forest FFA: Dawn Jacobs, Carla Link, Ann Marvel and Susan Hrupsa.  
**Meats** — Felton - Lake Forest FFA Chapter: Toby O'Bryan, Mike McColley, Jim Sipple and Cricket Morris.  
**Livestock** — Laurel - Laurel FFA Chapter.  
**Floriculture** — Newark - Glasgow FFA Chapter.  
**Dairy** — Smyrna - Smyrna FFA Chapter.  
**State Talent Team** — Felton - Lake Forest FFA Chapter.

## Mason-Dixon Line Monument replaced

On Thursday, the Delaware State Boundary Commission and Maryland's Department of Natural Resources jointly replaced the Middle Point monument on the Mason-Dixon Line. The monument is located on the north side of Route 54, three miles east of Mardela Springs, MD, and six and a half miles west of Delmar.  
 Because it is important that boundary markers be precisely located, and because Middle Point is also a triangulation point of the National Geodetic Survey, it was reset in exactly its original position.  
 Middle Point monument, originally set by Mason and Dixon in 1768, was

broken off by vandals at ground level in 1983. Another stone, set by colonial surveyors in 1760, was defaced on, or about, the same time. The Middle Point monument has been stored at the state Highway Administration garage in Salisbury since that time.  
 Protective grille-work, part of a pavilion originally erected by the Daughters of the American Revolution, was also restored.  
 The Delaware State Boundary Commission is made up of Dr. Robert R. Jordan, chairman, (302) 451-2833; Dr. John Munroe, Mr. Jerome Herlihy, Dr. John R. Kern and DNREC Secretary John E. Wilson III.

## Harrington Historical Society seeks funds for Museum

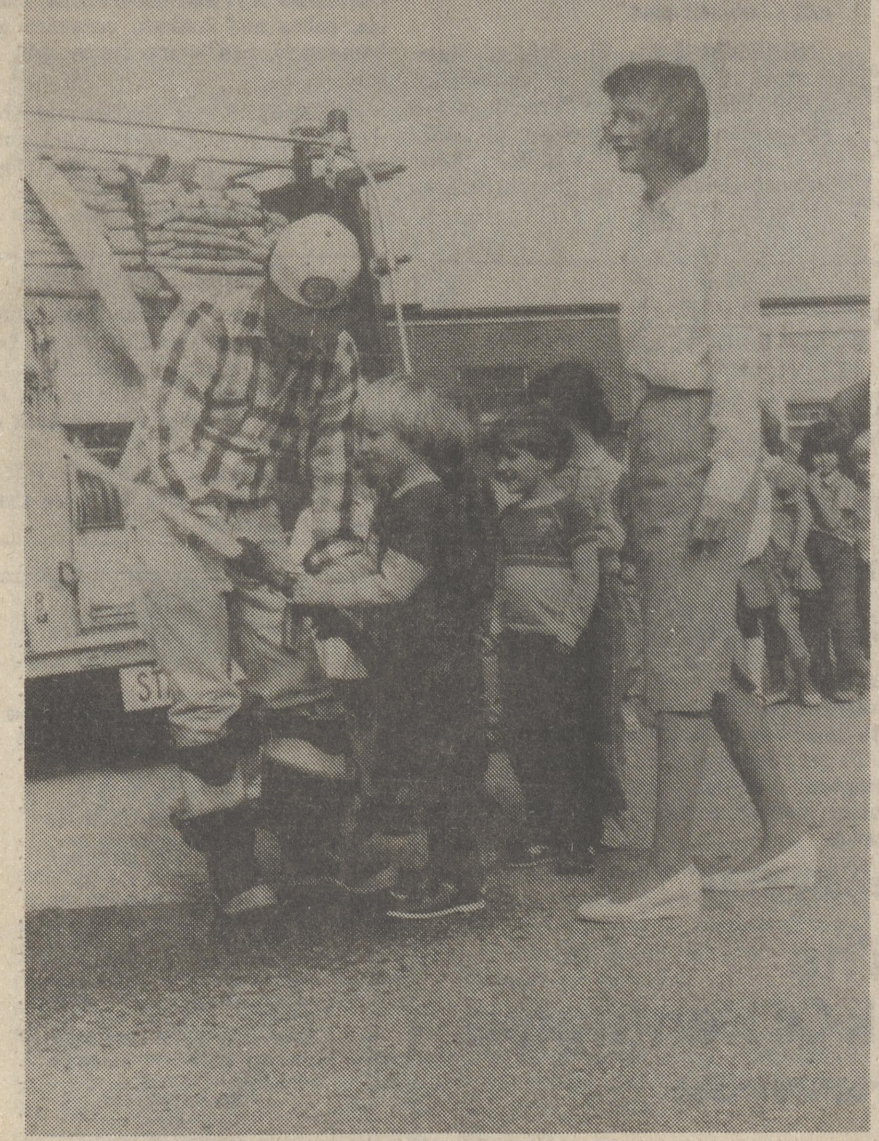

The Greater Harrington Historical Society has been in existence since 1978 when several people decided to preserve part of the area's past for future generations to enjoy.  
 In February of 1982, we were given the old St. Stephen's Church on Fleming St. in Harrington. This original structure is 111 years old, and was in very bad condition. Our benefactor, Mr. John Satterfield, loaned us two men for two weeks to level the old sills and add new ones where needed. He has donated and had installed, amber colored glass windows.  
 We, as a Society, have had several fund-raiser affairs to raise money for the reconstruction work necessary to finish this building. Several people have donated money to help us with this. We have managed to put board and batten exterior on the outside of the building. We have reconstructed the little office and made space for a lavatory. We've had the Cathedral Ceiling scrubbed and varnished. We have put in new studding in all the exterior walls to make it easier to insulate and to apply the interior surface. We are waiting for electrical and plumbing work to be done. We

need a new roof. Then we can install our new interior walls and new floor.  
 As a non-profit organization, we are dependent on donations from businesses and from private sources. We cannot survive without these.  
 There is a Fund which is soon to be available to a non-profit organizations in Delaware. It is called the Bicentennial Improvement Fund and is awarded on merit of your project on a Matching Fund Grant. In other words, if you have 10,000 to use on your project, you may ask for that amount but no more. We do not have enough to do what has to be done to complete this project. We

## Seventeen persons vie for the title of Delaware Teacher-of-the-Year

Seventeen persons have been nominated for Delaware Teacher of the Year for 1986.  
 The thirteen women and four men were chosen by their school districts for their superior ability to inspire students with a love of learning and for representing the best traits of Delaware's 5400 public school teachers.  
 Albert H. Jones, president of the State Board of Education, will announce the State Teacher of the Year at an awards dinner held November 12 at the Dover Sheraton. Members of the Department of Public Instruction review materials compiled about the nominees and observe each candidate at work in the classroom.  
 Final selection is made by a panel of six judges, including the three most-recent state teachers of the year — Susan A. Thomas of Delcastle High School, New Castle County Vo-Tech District, 1985; Teresa G. Carey, formerly of Frankford Elementary School, Indian River, 1984; and Harriett B. Donofrio of Cape Henlopen, 1983.  
 Other judges are Jean W. Allen, president of the Delaware Congress of Parents and Teachers; Kenneth V. Hilton, member of the State Board of Education; and Julie Valentine of Caravel Academy, president of the Delaware Association of Student Councils.  
 The winner becomes Delaware's entrant in the national program sponsored by the Council of Chief State School Officers; *Good Housekeeping* magazine; and *Encyclopedia Britannica*.  
 The program seeks to honor skilled and dedicated teachers who have won the respect of students, parents, and colleagues for their contributions to education and the community.  
 The State Teacher of the Year will address community groups to inform the public about the status of Delaware Schools. By action of the General Assembly, the teacher receives a \$5,000 grant to use for the educational benefit of his or her students.  
 District nominees are:

### Lake Forest Teacher-of-the-Year

Mrs. Kramer, who lives on RD 1, Felton, grew up in Lincoln. Her grandmother was Evelyn I. Morris, for whom the former elementary school in Lincoln was named. Her mother, Eleanor M. Donovan, was Milford Teacher of the Year in 1975. Mrs. Kramer graduated from Milford High School and earned a B.S. at Delaware in 1971. She taught at Heritage and Linden Hill Elementary Schools and other schools in the Stanton and Red Clay Districts and joined Lake Forest East in 1980.  
 Mrs. Kramer has advised the school math league and computer-calculator club and taught summer school. She helped to write the Lake Forest language arts curriculum, served on its gifted and talented committee, and led in revising the math curriculum for Stanton. A member of the Kent County Reading Association and the Delaware Council of Teachers of Mathematics, she's been an officer of the Lake Forest Education Association.  
 Mrs. Kramer is known as a conscientious and well-organized

**TEACHER OF THE YEAR** — Cynthia D. Kramer of Felton, fifth-grade teacher at Lake Forest East Elementary, has been named Lake Forest District Teacher of the Year for her superior ability to inspire students with a love of learning.  
 [Continued on page 2]

### Woodbridge Teacher-of-the-Year

Mrs. Heyd, whose mother and grandmother have been teachers, graduated from Lake Forest High School and received her bachelor's degree at Delaware in 1975.  
 She lives on South Main Street, Bridgeville; serves her church as Sunday School teacher, pianist, and director of its youth choir; and volunteers to work at the Harrington State Fair.  
 Mrs. Heyd is credited with having developed the Woodbridge Office Education Association into one of the state's biggest and most successful chapters. Her students have won many awards, and she has attended three national OEA conferences. A basketball coach and class adviser, Mrs. Heyd organized the school chapter of Students Against Drunken Driving. Mrs. Heyd has recruited business advisers for her school and served on the district referendum committee and Middle States evaluations. She's been an officer of the local education association and of the Delaware Business Education Association.  
 [continued on page 2]

**TEACHER OF THE YEAR** — Karen M. Heyd of Bridgeville, business education teacher at Woodbridge High School, has been named Woodbridge District Teacher of the Year for her superior ability to inspire students with a love of learning.  
 [continued on page 2]

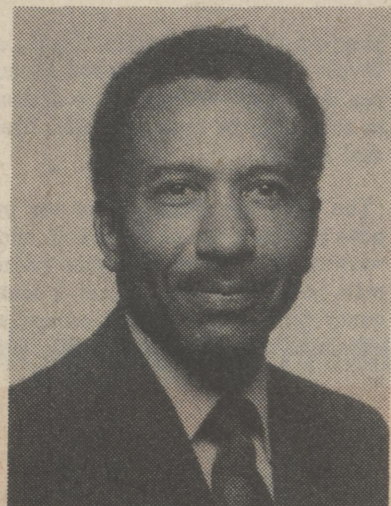

### Kent Vo-Tech Teacher-of-the-Year

Mr. Evans was born in Smyrna as one of eleven children. He served with the U.S. Army in the South Pacific during World War II and studied at the Philadelphia College of Art. After working as a commercial artist in Philadelphia, he joined the Delaware Educational Television Network and later worked as staff artist and teacher for Delaware Technical and Community College. He joined Kent Vo-Tech in 1969.

Mr. Evans lives on RD 2, Milton. He has led local community action projects and lobbied for a state housing code. He served on the Sussex County Arts Council, judged art competitions, and worked on the Georgetown Christmas show organized by Delaware First.

As adviser for the Vocational-Industrial Club of America, Mr. Evans helped his students win several national awards and the

(Continued on page 14)

**TEACHER OF THE YEAR** — Henry J. Evans of Milton, commercial art teacher at Kent Center, Woodside, has been named Kent County Vocational-Technical District Teacher of the Year for his superior ability to inspire students with a love of learning.

### Woodbridge Teacher-of-the-Year

Mrs. Heyd is known as a patient teacher who projects confidence and professionalism. Through her constant work to improve the curriculum, she has made her classroom a positive, efficient, and relaxed setting in which the students are

always on task, show initiative, and thrive on challenge. Her colleagues say Mrs. Heyd never lacked the time or enthusiasm needed to help a student, and they admire her "amazing organizational abilities, poise, and pride in being a teacher".

### Lake Forest Teacher-of-the-Year

teacher who excels at classroom management. She gives the children extra time for individual attention and holds picnics at her home for them. She's said to challenge the gifted and to be adept at easing handicapped children's transition into the regular class. Substitute

teachers leave notes thanking Mrs. Kramer for her thorough lesson plans and students are happy to describe how Mrs. Kramer dances to enliven a math lesson. Her colleagues admire her as a creative artistic teacher; one says Mrs. Kramer "makes me proud to belong to her profession".

### Harrington Historical Society

(Continued from page 1)

hope you can help. If you can make a cash donation, the address follows. If you can donate goods or materials, all we need at this time is a letter on your stationery stating the donation and the amount of value. We sincerely hope you can help us in our time of need.

Our goal is completion by Heritage Day, 1986 (3rd Saturday in September) If you would care to see the building, please contact any of the persons listed below. If you would care to become a member or attend a meeting, we meet at the Harrington Senior Center the first Thursday every month at 7:30 p.m. Please come.

Thanks for taking the time to read this letter. Enclosed is a list of items we need, and their approximate cost if bought at suppliers. This does not include all the cost of labor to do the work.

We need your reply as soon as possible for we have a deadline of November 15.

**Kenneth McKnatt, President**  
**Tom Parsons, Bertha Parsons, Amanda Quillen, Earl Yoder, Carroll Welch, Jr., and Grace C. Welch, Grant Committee Members.**  
The address is 63 Clark Street, Harrington, DE 19952.

### Crime Stoppers

**CRIME STOPPERS**  
Just after 2:00 a.m. on September 1, 1985, a woman was awakened by a man in her room. The man entered the building on the 1200 block of West 8th Street through a window. The woman was raped while threatened with a screwdriver. He then fled through the window and ran west of 8th street. He is described as black, muscular with a smooth brown complexion, wide nose,

and large eyes. He is in his late 20's. He might have been wearing a gray sweatshirt and blue work pants.

If you have any information on this or any other crime please call 1-800-TIP-3333, Monday through Friday between the hours of 9:00 a.m. to 5:00 p.m. Up to \$1,000 reward for publicized or unpublicized felonies. You do not have to reveal your name.

## Community Calendar

**OCTOBER 30** — The "Old-Fashioned Autumn Fair" is scheduled for Wednesday, October 30, from 11 a.m. to 2 p.m. on The Green in Dover. The fair will be the highlight of the state agency campaign for United Way of Delaware, and the public is welcome. Proceeds from activities at the fair will benefit United Way. In case of rain, the event will be held Thursday, October 31.

**OCTOBER 31** — Children's after school movie at the Harrington Public Library at 3:30 p.m., *Contura and the Cat*.

**NOVEMBER 1** — The Possum Point Players will meet at 8 p.m. Friday, November 1 at the new Possum Hall on Old Laurel Highway in Georgetown between Route 113 and the Sussex Central Senior High tennis courts. Members will discuss the upcoming production of "You're A Good Man, Charlie Brown" set for Nov. 16-17 and 23-24. Anyone interested in community theater is welcome. For more information, call the Possum Point Players office at 856-3460. Office hours are Tuesdays and Thursdays.

**NOVEMBER 1** — The Milford State Service Center will be sponsoring FREE Blood Pressure Screenings for Hypertension on November 1, 1985, at 11:00 to 1:00 p.m. at WSFS Bank, Rts. 113 and 14, Milford, Delaware.

**NOVEMBER 1** — The Harrington Senior Center Members cordially invite you to their Annual Fall Bazaar, November 1st beginning at 10:00 a.m. until 2:00 p.m. There will be arts and crafts, ceramics, baked goods, candy, chance items and a white elephant table. There will also be a luncheon beginning at 11:00 for which there is a charge. An entire platter which includes sandwich, soup, pie, and beverage will be available. All items will be available a la carte. Your attendance will be greatly appreciated. If more information is needed, please call 398-4224.

**NOVEMBER 1** - Second Annual Very Special Arts Festival that will be open to the public to highlight the creative and performing arts of the handicapped will be presented Friday, November 1, 1985 and Saturday, November 2, 1985 at 10:00 a.m. to 9:00 p.m. at the Dover Mall, Route 13, Dover, DE.

**NOVEMBER 2** — Clothing Pantry open at Asbury United Methodist Church, Weiner Avenue, Harrington, DE from 10:00 to 2:00. Children's clothing, men's, women's, suits, shoes and winter coats and sweaters.

**NOVEMBER 2** - The annual Tighman Island Day Celebration will be held on November 2, 1985, beginning at 10:00 a.m. until 5:00 p.m. At 12 noon a boat docking contest will be held at Dogwood Harbor, and at 2:30, workboat races will be held off of Knapp's Narrows. Skipjack rides and helicopter rides will be available. To reach the Island, take RT 50 East to Easton, then Rt. 33 through St. Michaels to the Island.

**NOVEMBER 2** — Indoor Flea Market sponsored by Farmington Ladies Auxiliary will be held Saturday, November 2, 10:00 a.m. - 4:00 p.m. at Farmington Fire Hall on Rt. 13. Tables for rent, call 398-9937 or 349-4215 evenings. Refreshments to be sold. Soup, sandwiches, chili, sodas and coffee.

**NOVEMBER 3** — The West Point Military Concert Band will perform Sunday, November 3, Education-Humanities Theatre, Delaware State College, 4 p.m. The public is invited free of charge.

**NOVEMBER 4** — Parents-Daughter Girl Scout meeting, November 4, 1985 at 7:00 p.m. at W.T. Chipman School Cafeteria. All levels (ages 5-17), sponsored by Area II of the Chesapeake Girl Scout Council. For more information call 1-800-342-4044.

**NOVEMBER 6** — The Milford State Service Center will be sponsoring FREE Blood Pressure Screenings for Hypertension on November 6, 1985, from 5:00 - 8:30 p.m. at Milford State Service Center, 11-13 Church Street, Milford, DE.

**NOVEMBER 6** — The Delaware Business Education Association will hold its fall dinner meeting on Wednesday, November 6, at 4 p.m. at the Dinner Bell Inn in Dover. A representative from Eastern Business Education Association will be the guest speaker.

Please call Robert Turner at 998-8814 or Ada Fitzgerald at 478-3000 Ext. 218 for reservation information. The meeting is open to the public.

**NOVEMBER 7** — Tax Savings for Clergy, a one-day seminar led by Manfred Holck, Jr., top tax expert for clergy, will be held Thursday, November 7, 1985, 9:30 a.m. - 3:00 p.m. at Wesley College, Rm. 206 College Center, Dover, Delaware 19901. There is a fee which includes lunch. This seminar is open to all clergy and spouses. It will include an up-dating of all current tax laws as they affect clergy. Please call 1-800-822-9977. Delaware residents call 302-734-4646, or you may send for information to The United Methodist Foundation, 139 N. State Street, Dover, DE 19901.

**NOVEMBER 7** — Post Cana of Lower Delaware, a support group for widows and widowers, will schedule a Coping Session on Thursday, November 7, from 7:30 - 9:00 a.m. at the home of Betty Flanagan, Membership Chairperson, 421 Alder Road, Dover.

Discussion will be led by President Dolores Fenix Sapienza and Vice President James Caccamo. Group sharing is voluntary. Refreshments will be served. New area widows and widowers are urged to attend this support session. Participants are requested to telephone in advance, 784-3203.

Other planned activities include a card party on Tuesday, October 22, at Flanagan's from 8 - 10:30 p.m.; the general membership meeting on November 15 at Dover (at Dover Bowl) on Rt. 13 at 7:30 p.m., and a comradeship dinner at the Hostess House in Greenwood on Friday, November 22, at 5:30 p.m. when car pools will depart from the WSFS parking lot on South State Street. Reservations are required for cardplaying and dinner.

For membership information, local widows and widowers should call Betty Flanagan.

**NOVEMBER 8 & 9** — Deerhunter's breakfast Frederica Firehouse, serving 3 a.m. until 7:00 a.m., November 8th & 9th, 1985. Sponsored by the Men's Breakfast Club. There is an admission price.

**NOVEMBER 8, 9, & 10** — The 15th Annual Waterfowl Festival will be conducted November 8, 9 and 10th in Easton. Among the many exhibits and activities will be a decoy auction, one of the festival's most popular events. It will be conducted Saturday, November 9 at 2 p.m. at Easton High School. Another attention grabber is the duck and goose calling contest, which will be Saturday, November 9 at 8 p.m. The master of ceremonies will be Mike McLemore, three-time calling champion.

The photography exhibit, featuring both black and white and color photographs, is held in Easton's Academy of Arts. Times for the festival are 10 a.m. to 8 p.m., Friday and Saturday, and 10 a.m. to 5 p.m. Sunday.

**NOVEMBER 8 & 9** — The annual Holiday Gift Bazaar of Asbury United Methodist Church, West Mt. Vernon St., Smyrna, Del. will be held on Friday, November 8th and Saturday, November 9th. On Friday, the hours are 10 a.m. till 8 p.m. and on Saturday, 10:00 a.m. till 2:00 p.m. Delicious homemade soups, sandwiches including crab cake, homemade ice cream, dumplings, pie and cake will be served from 11:00 to 2:00 both days and 4:30 to 7:00 on Friday. Many lovely Christmas toys and decorations, candies, cakes and cookies, ceramics and homemade needlework items will be sold.

**NOVEMBER 9** — "By, For and About Children," a vocal recital for the young in age and the vocal at heart by Cheryl

### Letter to the Editor

An open letter to the crew of Delmarva Power Company. We, as residents of the Idle Hour section of Oakdale, Long Island, would like to take this opportunity to thank the men of Delmarva for assisting LILCO in the power restoration in the aftermath of Hurricane Gloria. These men traveled hundreds of miles to work in an area unknown to them. We had the opportunity to talk with them and watch them work. I can tell you first hand - these men worked long and hard under adverse conditions. We found them eager, thankful, friendly and sympathetic to our problem. We thanked each of them, but we feel it's not enough. Therefore, we write this letter to make the readers aware of how we feel about the crew and the fantastic job they did. A special thanks to: Paul Chandler, Mike Kohut, John Sudler, Ray Blanchette, Nelson Justice, G.A. Rickwood and Irving Jackson. Sincerely, Guy & Kathy Krinner, 100 Shore Drive, Oakdale, L.I. 11769

## What can a Personal Credit Line from Mellon be worth to you?

Something you can't afford - to miss.

Everyone has a different list—with the same heading. *Someday*. It's the list of things you want or need, but will only buy if you find it at the right price. And whether it's furniture for the dining room or cabinets for the kitchen, a new car for the family or an antique for the house, all too often you see what you want at the right price—but at the wrong time. Well, now Mellon has a solution for your *Someday* problem. It's called a Mellon Personal Credit Line—and here's how easy it can be to get one.

- 1. Lets you write your own loan by simply writing a check.
- 2. Doesn't cost a penny in interest until you use it.
- 3. Lets you repay at an attractive rate of interest that is subject to change monthly. The current annual percentage rate for a Personal Credit Line secured by the equity value of your home as of October 1 is

- only 11.95% and 12.70% for other types of Personal Credit Lines.
  - 4. Has no annual fee.
  - 5. Features low monthly payments.
  - 6. Gives you special overdraft protection up to your available credit line if you have a Mellon Checking Account.
  - 7. Lets you repay anytime with no penalty.
- In just a short while, you can have your very own Personal Credit Line that will be ready when you are to handle that financial emergency, that bargain you simply can't pass up, or that wonderful surprise for that very special someone.
- Why not come in and talk to us this week or call Mellon's Telephone Loan Service toll free (800) 323-7105.
- There couldn't be a better time to open a Personal Credit Line and take advantage of our low rates.

# Area Church News

## Calvary Wesleyan Church News

All Sunday School teachers, officers, youth workers, CYC teachers and helpers, and Children's Church leaders will be honored this Sunday, November 3, during the opening of Sunday School starting at 9:30. We are thankful for our dedicated workers and this is but one small way to recognize them. Homer Sherwood Jr. serves as Sunday School Superintendent with David Tarburton as his assistant.

Pastor Miller will be preaching during the morning worship hour starting at 10:40. Special songs by the Senior Choir and a ladies trio will be presented.

A special film, "Dead Wrong" will be

shown during the evening service beginning at 6:00 p.m. Mr. Virgil Hostetter of Greenwood will represent "We Care", a crime prevention program that sponsors the film.

Children Choir meets on Wednesday evenings beginning at 6:30 with CYC classes following. A youth activity is scheduled for 7:00 p.m.

The Adult Bible Study will begin at 7:00 this Wednesday evening with Roland Melvin Jr., Lay Leader, in charge.

Happy Birthday greetings this week to Elsie Pitlick, Mark Cannon and Leon Donovan.

**LOCAL PASTOR NAMED DEAN BY BISHOP:** The Most Rev. Robert E. Mulvee [right] Bishop of Wilmington, announces at a press conference held in Salisbury, Maryland recently that Fr. Charles L. Brown [left] has been named a Dean in the Diocese of Wilmington. Pictured with him is Fr. William Irwin [center] who also was appointed a Dean. Fr. Brown in his new position will serve as the personal representative of the Bishop to parishes in Southern Delaware. He will continue to serve as pastor of St. Bernadette's in Harrington and St. John's in Milford. [Photo by Communications/Diocese of Wilmington]

## Bishop Mulvee names Deans and other Diocesan posts

The Most Rev. Robert E. Mulvee has announced several appointments in the Diocese of Wilmington. Named as Deans, personal representatives of the Bishop in geographic sections of the Delaware and Eastern Shore of Maryland diocese are: the V. Rev. Charles L. Brown to head the Silver Lake Deanery; and the V. Rev. William E. Irwin, to the Delmar Deanery.

Fr. Brown succeeds the Rev. Philip Stry who moved from this area to New Castle, Delaware. Silver Lake includes parishes starting in Smyrna and ending

in Bethany Beach, Delaware. Fr. Brown has been a priest of the diocese since 1987. Presently he serves as pastor of St. John's in Milford, and St. Bernadette's in Harrington, Delaware. His other duties include being a Consultant to the Bishop, a member of the Priests Council, and the Long-Range Planning Committee.

A Dean serves as the representative of the Bishop in a cluster of parishes and maintains contact with the pastor and parishioners as the delegate of the Bishop.

## Asbury United Methodist Church

What a Halloween and the daring. I don't know what the count was, but everyone who was there had a great time, from the very young up. Maybe next year, the rest of you will come and join in all the fun. A thank you to the Builders Class who sponsored this and to Cathy Monroe's Class and Delores Collin's Class for their special addition — Oh, that haunted house. There were too many good costumes to mention any special one, but we will be looking forward to see what some of you come up with next year. Happy Halloween!

Here are the events for the week, beginning with Wednesday night, November 30.

The Cathedral Choir will meet at 6:30 p.m. Wednesday night instead of Thursday, due to the fact that some of the choir will be going to the Bill Gaither Concert.

Chancel Choir will rehearse at their regular time. No Cherub Choir rehearsals this week.

Wednesday, November 30, 7:30 p.m. Adult Bible Study with Rev. Baynard. I am told there is still room for more — come if you can.

Sunday, November 3, The U.M.M. Breakfast at 7:30 a.m. All men are invited to attend.

Is your birthday in November? Then be sure to bring the necessary pennies to Sunday School November 3rd. It's Penny Sunday.

Other events coming up this month that you won't want to miss is the annual Beef and Dumpling Dinner, November 9. There will be two servings, one at 5 p.m. and the second at 6 p.m. Get your tickets early. Saturday, November 2nd is the deadline.

Those who have tickets to sell are: Ethel Rapp, Tom Peck, Betty Taylor, Mel Wyatt, Doug Mills, Jerri Outten and Franklin Hendricks.

Also on November 9th, the Cathedral Choir will again have their Craft and White Elephant Sale with the doors opening at 3:30 p.m. and continuing on through the Beef and Dumpling Dinner hours. Looking for that special Christmas gift, you may find it here.

The clothing pantry will open November 3, from 10 to 2. Do let those in need know of this availability, and any mothers who know what it is with growing children, there is an assortment of children's things. If at any time you hear of someone in need call one of the caring friends of Asbury and let them know, so that they can be helped immediately.

Thank you to all those who prayed for my sister-in-law "Eileen". It was good news, and she is now recuperating. Our prayers were answered. Praise be to God. We are blessed. E.M. Hamsher.

Did you know that our first and second graders have had full attendance for eight Sundays? What a record. Keep up the good work. This class is taught by Mr. and Mrs. Franklin Hendricks.

For those of you who would like to drop Beth Jarrell a line, here is her address in Haiti. Let's let Beth know she is missed and that we wish her all the best in her special calling. Beth Jarrell, P.O. Box 15485, Petionville, Haiti.

Intercessory Prayer Line — Nancy Henry, 398-3320 or Cathy Monroe 398-8482.

Ushers for the month of November, Charles Peck, Ralph Butler, Mark Willey and David Adams.

## Greenwood United Methodist Church

Todd's Chapel, located on Route 16 west of Greenwood, will celebrate their worship of God in a Homecoming Service on Sunday afternoon, November 3, 1985, at 2:00 p.m. On this special day the current pastor, Rev. Dr. Michael S. Russell, will conduct the service. The message will be delivered by the Rev. Dr. Paul Wragg, a former pastor of Todd's Chapel, who is currently the Director of the Peninsula United Methodist Foundation, Inc. of the Peninsula and Baltimore Annual Conferences.

A Homecoming Service wouldn't be

complete without special music, and several groups will be sharing their musical talents. The first portion of the service will feature a gospel music program with music by a local gospel group from the Milford area under the direction of Mr. Steve Johnson, and a duet from the Milford area, Mrs. Sandra Wilkins and Mrs. Jana Hood.

There will be refreshments after the Homecoming Service, and time for meeting old and new friends. The public is cordially invited to worship with us.

## Ridgely Wesleyan Church

The Ridgely Wesleyan Church will be having a revival on November 7-10, 1985. The time is 7:30 p.m. each night

with Rev. Glenn A. Staehli as evangelist. Everyone is welcome! (Rev. Robert F. Burdette, pastor).

## Anniversary Services at Barratt's Chapel

Sunday, November 10, is the date for the 1985 Anniversary Service at Barratt's Chapel, located on Route 113 near Frederica, Delaware. Guest speaker for the 3 p.m. gathering will be the Rev. Dr. Frederick E. Maser of Jankintown, Pa., a past executive secretary of the World Methodist Historical Society.

Sponsored annually in November by the Commission on Archives and History of the Peninsula Conference, United Methodist Church, the heritage event commemorates the meeting at Barratt's Chapel on November 14, 1784, of two illustrious figures in emerging American Methodism. The meeting of Dr. Thomas Coke, recently arrived from England, and the Rev. Francis Asbury, circuitriding lay preacher who had been in America since 1771, was the prelude to the Christmas Conference in Baltimore that year when the Methodist Episcopal Church in this country was formally organized.

Commission president, the Rev. Gary L. Moore of Newark's Kingswood U.M. Church, announces that special music for this year's service will be provided by the Youth Choir of Wesley U.M. Church, Dover, under the direction of Pat Sullivan.

Congregational singing prior to the opening of the worship service will be led by the Commission's historian, George L. Caley of Smyrna, with Starr Fioca of Milford at the organ.

Costumed greeters at the door, ushers, and parking assistants will be

members of the Magnolia U.M. Church. For many years, when Barratt's Chapel was part of a Methodist charge, the Magnolia Church was on the same charge.

Dr. Maser, the guest speaker, is a retired pastor of historic St. George's Church, Philadelphia, who has spread the gospel through the spoken and written word. In his retirement years, Dr. Maser carries a full schedule as lecturer, writer, and preacher.

Within the current decade, he has added to many other published works as co-author of the book, PROCLAIMING GRACE AND FREEDOM, THE STORY OF UNITED METHODISM IN AMERICA, and as author of THE LIFE OF ROBERT STRAWBRIDGE.

Licensed to preach at age 20, the speaker served many years as a pastor, as a district superintendent, and was appointed Director of Public Relations of the Methodist Church's Eastern Pennsylvania Conference. Elected executive secretary of the World Methodist Historical Society in 1971, he held the position until a year following his retirement in 1973. Participation as delegate to many Methodist conferences held worldwide, and evangelistic campaigns in this country and abroad, put Dr. Maser's activities on an international plane.

Interest in the history of the denomination accompanied his pursuit of a hobby as book collector and bibliophile.

## Obituaries

### RUTH E. MARVEL

Ruth E. Marvel, 85, of Millsboro Nursing Home, formerly of Milton, died of heart failure Saturday, October 26, 1985, in Nanticoke Hospital in Seaford.

She had resided at the nursing home for five years.

Mrs. Marvel, a homemaker, was a member of Milton Wesleyan Church and former treasurer of the Women's Missionary Society of Milton Wesleyan Church.

Her husband, George C., died in 1960. She is survived by three sons, Harry W., Ralph J. and James W., all of Milton; eight grandchildren and four great-grandchildren.

Services are 1 p.m. today in Short Funeral Home, 416 Federal St., Milton, where friends called Tuesday after 7 p.m. Burial will be in Odd Fellows Cemetery, Milton.

### MURRELL L. WILKISON

WYOMING — Murrell L. Wilkison, of R.D. 2, Wyoming, died Friday, October 25, 1985, in Kent General Hospital. He was 80.

Mr. Wilkison was retired from the State Highway Department garage since 1973.

He is survived by his wife, Ethel Wilkison; two sons, Robert M. Wilkison of Dover and James A. Wilkison of Wyoming; two daughters, Margaret E. Sallam, of Dover, and Ruth A. Wooters of Wyoming; four grandchildren; and four great-grandchildren.

Services were 2 p.m. Sunday in Berry's Funeral Home, Main Street, Felton, where friends called from 7 p.m. to 9 p.m. Saturday.

Burial was in Hopkins Cemetery, Felton.

### LILLIAN M. ROACH

FELTON — Lillian M. Roach, of R.D. 3, Felton, died Friday, October 25, 1985, in her home, of cancer. She was 73.

Mrs. Roach was a charter member of the Felton Community Fire Company Ladies' Auxiliary. She was a member of Avenue United Methodist Church, Milford. Her husband, Pen Roach, died in 1977.

She is survived by two sons, Robert J. Voshell of Milford, and Clarence "Honey" Voshell of Felton; one daughter Louise Blades of Felton; 12 grandchildren; and eight great-grandchildren.

Services were 11 a.m. Monday in Berry Funeral Home, Felton. There was no viewing.

Burial was in Silver Lake Cemetery, Dover.

Instead of flowers, the family suggests contributions be made to Delaware Hospice, 637 S. Governors Ave., Dover, DE 19901.

### MARY M. BUTLER

GREENWOOD — Mary M. Butler, 90, of R.D. 2, died of a stroke Sunday, October 20, 1985, in Kent Convalescent Center, Smyrna.

Mrs. Butler was a member of Bethel United Methodist Church in Andrewsville.

She was a Gold Star mother. Her son, Lt. John M. Butler, was killed in action in Europe during World War II.

Her husband, W. Norman, died in 1965. Surviving are a foster daughter, Mary D. Makland of Boothwyn, Pa.; two brothers, Evan L. Barney of New Castle and Welford H. Barney of Tampa, Fla.; six grandchildren; 11 great-grandchildren and five great-great-grandchildren.

Services were 1 p.m. Thursday in McKnatt Funeral Home, 50 Commerce St., Harrington, where friends called after noon. Burial was in Hollywood Cemetery, Harrington.

### WILBERT HARLAND HILL

SEAFORD — Wilbert Harland Hill, 72, of River Road, died Monday, October 21, 1985, in Nanticoke Memorial Hospital.

Mr. Hill was a welder with the DuPont Co. in Seaford. He retired in 1975 after 30 years.

He was a member of St. John's United Methodist Church.

His wife, the former Virginia Marvel, died in May. Surviving are two daughters, Fay H. Griffith and Jean H. DePaul, both of Seaford; two brothers, Harlan Hill of Blades and Burton Hill of Seaford; three sisters, Irene Morgan of Seaford, Frances E. Merrick of Bridgeville, and Mary Louise Callaway of

# Over The Backyard Fence

## Gab Fest

by Pat Hatfield

Through the years our lives are marked with many milestones. Each year brings a Red-Letter Day or two. In our own lives, today, October 22, is such a day because it is the day we welcomed daughter, Ellen, into the family circle. We are eternally grateful to have been chosen to be the parents of this precious girl. Our lives would have been dull indeed without this special joy, and also the privilege of keeping young with our grandchildren. We are also blessed by acting as "love-grandparents" to four young people who have requested to be "adopted" into this relationship. Many of our grandchildren's friends also call us "Grandmom" and "Grandpop", and this enriches our life.

We are now having some dark, dreary, rainy days, and this, too, is part of the autumn picture. Hot soup taste especially good and the house is warm, snug and cozy. I remind myself that without the clouds we would not appreciate the sunshine.

Tess tells me that she has heard the first wild geese go over. They were too high for her to see, but their cries touched a responsive chord in her heart. Time again to read Rachael Field's beautiful poem that ends..... "Summer sun was on their wings, winter in their cry."

A rainy day always puts me in a cooking mood. Yesterday I made two loaves of bread and a pot of beef stew. Today I made up a box cake and Betty Crocker helped me with the icing. Quick, but delicious. I do not depend on box mixes entirely and probably never will, but they give excellent results. I shall always use the Quick Angel Food. It is fantastic.

.....I left you here for a few minutes while I watered my house plants and thrust a vitamin stick down in their little pots. They are doing remarkably well this season, but I never feel that I have the gift to meet all their needs. When I was growing up, we did not know about vitamins even for people, much less plants. But I do remember that my mother had a favorite fern for years, and she always saved the cold, left-over tea to water it.

November is coming closer, and after Thanksgiving, we will have to get serious about Christmas. I much prefer to make my own Christmas cards with my own personal message, so I must get at this very soon.

Everyone keeps asking me how the book is coming along, and I assure them I shall do my best. Himself urges me to "let something else go and get with it!" My problem is, what to leave out. I expect it will become a different issue if what I leave out is the button he wants sewed on his shirt, or the hot biscuits he wants for breakfast! As small Garith says, "It's all in your attitude, Grandmom." How true.

How very different our reactions are to daily living. It seems to me that there is nothing more appetizing in the early morning than the smell of coffee perking and the aroma of bacon frying. But I have a friend who can scarcely stand to cook bacon for her two young sons, and another friend is turned off if her husband is inspired to cook himself a Western omelet, again with the frying bacon. Some people can't stand the odor of marigolds. I like them. Oh, well. That is what makes the world a fascinating place.

## Local Interest

by Donna Breeding 398-4474

Mr. and Mrs. Robert Brobst of Coopersburg, Pennsylvania spent last weekend with Mr. and Mrs. Melvin Brobst.

Mr. and Mrs. Dominey of Long Island, New York visited Mr. and Mrs. James Boyd and family last weekend.

Mr. Bill Weeks and son Kris both celebrated a birthday this past weekend. Bill's birthday was October 24th and Kris's birthday was on October 29th. Happy Birthday to you both.

A 76th birthday dinner was held for Preston Sapp on Sunday at the home of Mr. and Mrs. Gary R. Harrington. Those present were Mary Sapp, Mr. and Mrs. Gary P. Harrington and family, Mr. and Mrs. John Harrington and family, Mr. and Mrs. Earl Thompson Jr. and Mr. and Mrs. Jackie Sapp and family.

Mr. and Mrs. Bill Week's entertained Mr. and Mrs. Dave Voss on Saturday. They enjoyed dinner at Bonanza in Dover.

Bessie Butler attended the wedding of Joanne Calvert of Andrewsville and Gary Baker in Milford Saturday.

Mr. and Mrs. Melvin Brobst attended the Wilmington Symphony Concert in Milford on Sunday afternoon.

On Saturday evening Mrs. Thelma Raughley was guest of honor at the Flagship Restaurant in Seaford. The occasion was to commemorate her birthday and retirement from the

DuPont Company. She received many gifts, one of which is certain to be very special to her. Her co-workers and many friends compiled a scrapbook including pictures, letters and cards. To see a really glowing response, ask her about the autographed photo from a famous resident of Washington, D.C. with the initials R.R. Happy Birthday Thelma and enjoy your retirement.

On Friday evening, Mr. and Mrs. (Rev.) David Beyer and family were hosts at the wedding rehearsal buffet for their son, Drew, and his bride-to-be Debbie Edgar and their attendants. The paragonage was beautifully decorated and the wishes were many for their happiness and health. They will be married on November 2nd.

Get well wishes go out this week to the mother of Mr. Winston Linton who is very ill in Florida. Our prayers are with her.

Guests of Mr. and Mrs. Elmer Brown have been: Mr. and Mrs. Francis Weldon, Mr. and Mrs. Raymond Brown and Tracy, Mr. and Mrs. James Larimore, Mr. and Mrs. Melvin Brown, Mr. and Mrs. Charles Coverdale, Mr. and Mrs. Leon Wix, Mr. and Mrs. Frank Bradley, Mr. Roger Brown and Mr. Ronnie Gray from Mississippi and Mr. and Mrs. Norman Wix.

There's no defeat in life, save from within. Unless you're beaten there, you're bound to win."

## Greenwood

by Pat Hatfield 349-4255

Greenwood United Methodist Charge enjoyed guest speakers at their morning services on Sunday, October 20. Epworth Church had a Gideon speaker, Elaine Hashman brought the message at Todd's Church and the Greenwood Church welcomed Sen. William Slatcher to their pulpit.

The Rev. Dr. Michael Russell was the guest speaker at the Homecoming Service at St. Paul's United Methodist Church in Laurel.

Bible Study with the book of Peter has been moved to Wednesday nights at 7:00 p.m. in the Greenwood Church.

St. Johnstown United Methodist Church in Greenwood invites everyone to join them on Sunday, November 10th at 2:00 p.m. for their 206th Anniversary and Homecoming Service.

This year the guest speaker will be the Rev. Donald O. Clendaniel, II, pastor of St. George United Methodist Church in Clarksville, Delaware. Don is a good friend and former pastor of Rev. and Mrs. George Patterson.

Miss Grace Porter is planning special music and there will be a time for refreshments and fellowship.

## Area 4-H News

November 16 — 4-H Day at University of Delaware vs. Maine Football Game.

November 17 — International Foods Day

Heather Nennstiehl, a 4-H member of the Bridgeville Wildcats 4-H Club as well as Sussex Equestrian 4-H Club, recently participated in the State 4-H Horse Show held in Newark. Heather won reserve champion English pleasure horse aboard her mount Country Echo. Heather competed with 30 other 4-H members from throughout the state winning this award.

Heather has been in 4-H for six years taking such projects as horse, vet science, and foods. She was a county award winner in the horse area as well

this year, and she is vice president of the Sussex Equestrian 4-H Club. Heather's interest in horses began at an early age and it appears will always be an important part of her life. "Someday I would like to be a professional horse trainer, giving certified riding lessons and helping others better understand horses as my mother and friends have helped me. I would like to go into a field that involves medicine and equine health. That would be my ultimate goal," says Heather.

Heather is the daughter of Bill and Lin Nennstiehl of Bridgeville. This active 15 year old 4-H'er is a sophomore at Woodbridge High School

[Continued on page 10]

Debra Karen Edgar and Andrew William Beyer

## Edgar - Beyer to wed

Mr. and Mrs. Frank N. Edgar of Harrington are proud to announce the engagement of their daughter, Debra Karen to Andrew William Beyer. Drew is the son of David and Carol Beyer also of Harrington. He is a 1983 graduate of Lake Forest High School

and is presently employed at Nanticoke Homes.

Debra is a 1984 graduate of Lake Forest High School and is presently employed at Dr. Warmouth's office. A November 2, 1985 wedding is planned.

## Houston

by Pauline M. Morgan 422-4949

Sunday worship service at Houston United Methodist Church at 9:30 a.m. Sunday School for all ages following the service. Rev. Kyle N. Smith, Minister.

Last Sunday's message was "Let The Redeemed Say No!" The choir sang *His Eye Is On The Sparrow*.

Mr. and Mrs. John Rose celebrated their 38th wedding anniversary on Friday, October 18. On Saturday evening they and Mrs. Doris Wagner of Milford were dinner guests of Mr. and Mrs. Anthony Abbate and children Michael and Mark, at the Sheraton Inn in Dover.

On Sunday, Mr. and Mrs. Rose and Mrs. Wagner visited their sister, Mrs. Margaret Hill in Wilmington.

Mrs. Pauline Morgan and Connie Morgan with Mr. and Mrs. Arthur Sipple of Viola and Miss Dorothy Minner of Camden attended the wedding of Patricia Ann Unrugh of Wilmington to Mr. Michael Edward Sipple formerly of Bridgeville and now of Alexandria, Va. The wedding was held at Limestone Presbyterian Church in Wilmington, the reception was held at the Hercules Country Club.

Members of the Houston Cardinals 4-H Club, Sam Argo, Jennifer Powell, George Simpson and Tim Simpson, along with leader Carol Argo and Asst. leader, Joan Simpson attended the Kent County 4-H Awards Banquet held on October 12th at the Caesar Rodney High School Cafeteria. Other family members and friends of 4-H who attended were Mr. and Mrs. Mike Powell, Mr. Bill Simpson and children, Kevin and Loretta Simpson, Mr. and Mrs. Ronnie Argo, Mrs. Edna Sapp, Mr. and Mrs. Josiah Parvis, Mr. and Mrs. John Eisenbrey and Nicholas Argo.

October 19th the club members participated in Boscov's Pumpkin Day

## Rotary Club News

Heritage Day has come and gone with Harrington Rotary again having provided services at the Information Booth.

Dick Samworth of Kent-Sussex Industries, Inc., was a guest at one of last month's meetings and gave a report on the activities of his organization. They are located at 301 Rehoboth Boulevard, Milford, and provide useful activities for the handicapped, in industrial packaging, assembly and light manufacturing, material handling, and mailing services.

Harrington Rotary is proud to endorse Miss Elva Jane Warren of R.D. Felton as an applicant for a Rotary Foundation Scholarship that includes a one-year fellowship for study abroad. This is the first time that the local Rotary club has had an opportunity to submit the name of a local candidate

## Delaware Symphony performs at Milford

by Melvin Brobst

Once again the Delaware Symphony together with its music director and conductor, Stephen Gunzenhauser, were brought to our area in a concert held last Sunday in the Milford High School auditorium before a large and very enthusiastic audience of music lovers.

The orchestra was joined and featured the Smith Street Society Jazz Band of New York City in a combined performance of the Limehouse Blues, a Closer Walk with Thee, Ease on Down the Road, and a sing-a-long that brought the audience to its feet during a final rendition of the Saints Come Marching In.

For separate numbers, the Smith

and is very proud to be able to do so. International Rotary is the first organization to provide the opportunity for foreign study to college graduates of the United States.

The annual Christmas party is scheduled for Monday, December 16, at the Colony Inns Restaurant, Harrington. Harrington Rotary reminds its members and all persons of the community of the Lake Forest School Referendum scheduled to be voted on at the Lake Forest East Elementary School, North Elementary School and South Elementary/W.T. Chipman complex, Saturday, November 16, from 12:00 noon to 9:00 p.m.

The local Rotary Club meets every Monday evening throughout the year at the Harrington Restaurant and Newsstand, Delaware Ave., with Mr. William Smith, president, presiding.

Street Society Jazz Band played Sweet Georgia Brown, Way Down Yonder in New Orleans, and other selections from their vast repertoire. The group consisted of Bruce McNichols on soprano sax and banjo, "Chicken" Joe Hanchros on the tuba, Herb Gardner with trombone, Howard Alden on banjo and guitar, and Robbie Scott on drums — all excellent musicians in their own right.

The program opened with the Overture to C.M. von Weber's opera Der Freischutz, followed by an American Medley as arranged by Kostelanetz, and this first part of the program concluded with the famous March Slav

## Days of Our Years

by Carol Ann Porter

Thirty Years Ago  
Friday, October 28, 1955

The erection of the superstructure of Harrington's new 200,000 gallon overhead water tower started this week. It is estimated the work will be completed in six weeks.

Jerred's Newsstand was damaged Saturday night when an automobile ran into it. Damage, covered by insurance, was estimated at \$300 to \$500 by the proprietor.

Two men stopped at Irwin's Dairy Queen, on U.S. 13, Wednesday night and ordered a large cone and a chocolate milkshake. Irwin said to one, "How are you doing, Tommy?" The person addressed was Tommy Dorsey, who with his manager, was on his way to Seaford to play at the annual ball given by the State Police.

Harrington School News - Mrs. Slaughter's 4th grade class — The following Halloween rhymes were written by the poets and poetesses of "tomorrow" - On Halloween night, I saw a black bat. High in the sky, Looking down at my cat [Written by June Thompson]; The goblin flew high, Way up in the sky, Wasn't it a shame, He forgot his tie? [written by Charles Moore].

Twenty Years Ago  
Friday, October 29, 1965

Melvin Wyatt of Harrington was installed as president at last week's meeting of the Kent County Volunteer Firemen's Association at Little Creek. Mr. and Mrs. Melvin Brobst spent the weekend with their son who is attending the University of Richmond in Virginia.

Mr. and Mrs. William Kramedas and son, Steven, Mr. and Mrs. Walter Lang and daughter, Stephanie, and Mrs. Weimer visited Valley Forge, Pa. on Sunday. Mr. and Mrs. Frank Hendricks Sr. were Sunday guests of Mr. and Mrs. Robert Taylor. After dinner they all went to see the Georgetown new raceway which will open soon.

Mr. and Mrs. David A. Greenly of District Heights, Md., are spending this week with their parents, Mr. and Mrs. David Greenly Sr. at Lincoln and Mr. and Mrs. Charles Rapp and Ronnie of Harrington.

Miss Nancy Blades of Peninsula General Hospital in Salisbury, spent the weekend at home with her parents, Mr. and Mrs. Russell Blades.

Ten Years Ago  
Thursday, October 30, 1975

After 50 years of business, the familiar Schulze Bros. of Greenwood at the intersection of U.S. 13 and Delaware Rt. 16 will close its doors before the end of the year.

Mr. and Mrs. Kenneth McKnatt observed their 35th wedding anniversary last week.

A 14th birthday party honoring Rhonda Melvin was held at the home of Mr. and Mrs. Jack Carpenter Saturday evening. Several classmates and relatives were present.

Mr. and Mrs. Ken Outten and children were dinner guests of Mr. and Mrs. Leroy Betts Saturday. Later in the evening Chuck Hurd was the guest of the Outten family.

Two men in Troop 5 in Bridgeville were recently promoted to Trooper First Class. They are TFC William H. Porter, of Harrington and TFC James H. Stevenson, Georgetown. Both men were appointed to the Delaware State Police on October 1st, 1972. Both are assigned to Troop 5's Traffic Division, and according to their supervisors, are outstanding officers.

## Felton/Sandtown

by Lola O'Day 284-9175

BIRTHDAYS — Chip Leitner, Jack Hendricks, Marty Hammond, William Bryant III, Tera Brooks, P.K.T., Mildred Reed, Lester Killen, Esther Dill, Delane Saxton, Amber Rains, Susan Rhrupsa, Vicki L. Hobbs, Mike Fisher, Karen Sipple, Kevin Sipple, Ronald Stumpf, Ed Schaefer, Richard Hawkins, Eugene Bailey, Larry Sylvester, Mary Ann Olsen, James Wyatt, Jessica Tatman, Betty Starkey, Tracy Fisher, Jonathan Prahl.

ANNIVERSARIES — Brenda & Wallace P. Wooten Jr., Mr. & Mrs. Joseph Knipe, Tony & Anna Touchard. Mr. Albert Wheeler, Phila., Pa., spent the weekend visiting his mother and dad, Mr. and Mrs. Al Wheeler, Felton, DE.

There were 14 troops of Boy Scouts meeting for the two Bays District, 1985 Fall Camporee, October 25th to 27th held at Cedar Swamp Wildlife Area, Riechart Tract, 1 mile north of Fleming's Landing off Rt. 9, N.E. of Smyrna, DE. The District Executive announced it to be the Camporee of the Decade. Mr. Bob Parker did an outstanding program for the scouts. For the Scout Troop 141, Felton, there were 19 scouts and 3 chaperones left from Felton.

"Happy Birthday" wishes are being sent to Mrs. Agnes Torbert on November 1, 1985. While celebrating and thinking about the nice things you've

done in your own loving way.

Al Wheeler's sister, Alberta and husband Hal, Detour, MD were down Wednesday and Thursday visiting the Wheeler's of Felton.

Virginia Witomski and Grace Kersey both of Viola, DE, took the bus to Atlantic City, Thursday, had a delightful trip and enjoyed the singing bus driver for entertainment.

Mary Ann Stumpf and daughter, Angela spent a 3-day visit in Wilmington with relatives. Mr. and Mrs. Steve Apple and Mr. and Mrs. Harry Terranova were the relatives. The two girls had a wonderful day in craft shops on Saturday while Mom Mom and Pop Pop Apple entertained Angela. All enjoyed the weekend.

Felton Halloween trick or treat hours for children are from 6:30 to 8:30 p.m. Thursday evening. The homes displaying a light on the front of their homes are welcome to the children.

The Knit Wit Craft Club will meet at Virginia Witomski's on Thursday 7:30 p.m.

Cub Scout Pack 141 Felton, will be participating in a hayride for Halloween and families starting at the Sugar Creek Farms at 6:00 p.m., Viola, R.D. The hayride will finish at the Ruritan Club in Viola, where there will be a short meeting, games and fun with refreshments for all. Each hay ride will have chaperones with the cub scouts.

# Raceweek

## Richie Evans dead at 44

Richie Evans, a nine-time NASCAR Modified division champion, died Thursday of a fractured skull, when his car slammed into a wall during a practice run at the Martinsville Speedway, a track official said.

Evans of Rome, N.Y. was practicing for Sunday's Winn-Dixie 500 when his race car hit the wall between the third and fourth turns right below the scoreboard on the .526-mile track at about 11 a.m. said Dick Thompson, a spokesman for the race track.

"It was a straight practice session, and the car hit the wall. No other cars were near him," said Dick Thompson, public relations director at Martinsville Speedway.

It was the first fatality at the track since it opened in 1947.

Evans had been racing stock cars since 1962. He already had clinched the 1985 NASCAR Modified division championship, his eighth consecutive and ninth overall. He had won more titles than any driver in any other form of NASCAR racing.

Evans, who won his first championship in 1973, also was a nine-time winner of the Modified division's most popular driver award. He clinched his fourth consecutive Northeast Region championship in the NASCAR Winston Racing Series.

He had 10 career victories on the Martinsville Track and had won 25 NASCAR Modified races during this season.

Richard E. (Richie) Evans was born July 23, 1941 in Rome, N.Y. He was the son of Ernest R. and Satie Hall Evans. He attended Holland Patent Schools in Holland Patent outside of Rome, N.Y. He was a member of the Rome Elks Club.

He is survived by his wife Lynn Kreuser Evans and his mother Satie Hall Evans of Westerville, N.Y., five daughters, Jodi L., Janelle R., Jill A.,

Richie Evans, NASCAR Modified Champion.

Jacqueline M., and Tara E. Evans; a son, Richard E. (Richie) all of Rome; one sister Sandra Jones of Lutherville, MD.

Funeral services were held Tuesday at 11:00 a.m. at The Rome Capital Civic Center. Friends called at the Civic Center from 6-9 on Sunday, 2-4 and 6-9 on Monday where it was reported that approximately 6,000 friends and fans paid their last respects to one of the most successful stock car drivers in the history of racing.

Instead of flowers, contributions may be made to the Rome Capital Civic Center in care of The Martin J. Nunn Funeral Home, Inc., 418 North George St., Rome, N.Y. 13440.

Funeral arrangements were by the Martin J. Nunn Funeral Home, Inc. in Rome, N.Y.

ROCKINGHAM, N.C. — October 20, Waltrip wins — Karen Beasley, Miss Winston Cup, poses with Darrell Waltrip in victory lane after he won the Nationwide 500 at North Carolina Motor Speedway. [1985 photo by Bryant McMurray]

## Atlanta race televised

HAMPTON, GA — Bill Elliott has won 10 races this year, and he will end the 1985 NASCAR Winston Cup season with winnings of more than \$2 million. But he knows he may need two more victories to win his first Winston Cup championship.

"I am going to approach the last two races just like I have all the others," said Elliott, who trails Darrell Waltrip by 35 points in their duel for the Winston Cup title. "I am going to try and win them both. I am not going to worry about Darrell."

Elliott knows that if Waltrip finishes second in both the Atlanta Journal 500 on Nov. 3 at Atlanta International Raceway and the Winston Western 500 on Nov. 17 at Riverside, Calif., he will capture the Winston Cup title regardless of what he does.

"But if I win Atlanta, lead the most laps, and he finishes fifth or sixth, then we are about dead even going to Riverside," adds Elliott. "It is still too close to say one or the other has the advantage."

If the driver of the Coors-Melling Ford wins the Atlanta Journal 500 and leads the most laps, he will collect 185 points. And if Waltrip finishes sixth, he will earn 150 points.

Waltrip likes his position as the man in front. But he admits a 35-point lead is "not a lot to brag about."

"But if I can leave Atlanta with that kind of lead or bigger, then I will feel a lot more comfortable heading into Riverside."

The two-time Winston Cup champion says he will not change his strategy at Atlanta even though he doesn't need to win the race. "My strategy will change

when I have to finish 20th," says Waltrip. "I hope that's the case at Riverside."

Elliott, who won the spring race at Atlanta, is confident he will run well at his home track. "We did about 380 laps in tire tests for Goodyear there, so I know pretty well how I want to set the car up," he says. "I feel pretty good about our chances."

The Ford driver expects his main competition at the 1.522-mile track to be Cale Yarborough, Harry Gant, Geoff Bodine and Dale Earnhardt.

"I want to win another race or two before the year is over," continues Elliott, who has won \$1,976,818 so far this year including the Winston Million. "That is my No. 1 goal now. If I do that, then I can say I did my best and we'll just have to look at the points after Riverside and see how they stack up."

If Elliott wins the Atlanta race, he will break the record he now shares with David Pearson for the most super speedway victories in a season. Pearson set the mark with 10 triumphs in 1973 and tied it in 1976. Elliott has matched that mark with still two chances to break it.

He can also set the mark for the most super speedway pole positions in a season if he captures the No. 1 starting position for the 500 when qualifying starts at 3 p.m. on Thursday, Oct. 31. Elliott has won 11 super speedway pole positions in 1985 to tie the mark set by Pearson in 1977.

The 500 will get the green flag at 12:45 p.m. on Sunday, Nov. 3 with WTBS televising the \$366,595 event live.

## Allison pleased with 1986 Buick in recent testing

MILWAUKEE — In a recent test session of the new 1986 Buick LeSabre, Miller American Racing team driver Bobby Allison was pleased but reluctant to make predictions about the car's potential.

Allison, in testing the sleek new race car at the 1.5-mile Charlotte Motor Speedway, based his findings on a one-on-one comparison with both his 1985 Buick Regal and his Ford Thunderbird. "Considering all the conditions we were operating under, I came away very impressed with the new Buick," said Allison.

"You have to remember, though, that NASCAR hasn't approved the car yet," said Allison, "so everything we are doing now is on our own, except for the support of the Buick Motor Division."

The new LeSabre body style offers a more aerodynamic composition and

many racing insiders are predicting that the Buick, along with an Oldsmobile model, are comparable models with the Ford Thunderbird.

"I am not one to count my chickens before they hatch, but I think with a lot of work, we could put the new Buick back in the same game with the Ford," said Allison. "It really depends on what conditions NASCAR sets."

"As for the aerodynamic advances over the 1985 Buick, the rear window slopes down more onto a shorter trunk deck," said Allison. "The front nose is about as sleek as anything that has come along."

"Overall, it's a beautiful race car," said Allison. "We are hoping NASCAR gives the car its blessings. It could make Winston Cup racing even more competitive."

Jon Holmquist took this wild ride just before the lap 25 fuel stop and was unable to return. Redden Speedway, October 27, 1985. Jim Ritchie, D&L Photos

## South rises again at Winn-Dixon 500 NASCAR triple header

MARTINSVILLE, VA — Aided by a stunning upset by hometown favorite Johnny Bryant, the South rose again in the \$146,085 Winn-Dixon 500 NASCAR triple header Sunday, October 27, 1985 at Martinsville Speedway.

Bryant, of nearby Bassett, Va., captured the 200-lap NASCAR National Championship Modified race, Tommy Ellis of Richmond, Va., took the 200-lap Busch Late Model Sportsman Championship event and Barry Beggarly of Pelham, N.C. won the 100-lap Late Model Stock car battle before a crowd of 20,000.

In a tight finish that had the crowd on its feet, Bryant became the first Southern driver to win a Modified event on this .526-mile track in eight years as he edged Carl "Bugs" Stevens of Rehoboth, Mass., by one second.

Also finishing in the same lap with Bryant were Tom Baldwin, George Kent, Doug Heveron, Brian Ross, Tony Hirschman, Jamie Tomaino, Jeff Fuller, defending champion Tony Siscone and Paul Radford in the wild scramble.

Bryant, who is 44 and has been racing here for over 20 years without a win, earned \$10,550. "It was beginning to look like I'd never win one here," the happy Bryant said. "But I never quit trying, and I never quit hoping, and this was one thing I was hoping for before I retired."

The speedway, instead of a trophy, gives each winner a grandfather clock with a plaque. "My wife kept telling me we ought to buy one," Bryant laughed, "and I told her that one day I'd win one. Now, I can take it home to her."

There were three lead changes among four drivers with Bryant leading 127 to earn the \$1,000 bonus and Miller 1,000 cup. He took the lead for good on the 74th lap and went all the way without a pit stop.

"The gas was on my mind and I heard the car popping as I came off the fourth turn," Bryant said. "but we found we had a gallon left. The fuel never bothered me because I was in front. I just thought if I can't win, I might as well fall out because this is a chance I've got and it's one I'm going to take so I'm not going to let the gas or anything else bother me."

Brett Bodine led 34 laps but was involved in an accident while pole winner Charlie Jarzombek who had qualified at 97.122 mph, led 28 before losing an engine. Mike McLaughlin led 11 laps but went out with ignition problems. Jarzombek was going for a record fourth straight win here.

It took Bryant one hour, 33 minutes and 32 seconds to go the distance at the average speed of 67.484 mph as ten caution flags slowed the race for 51 laps.

In the second Late Model Stock car race held here, Beggarly came home the winner by one second over Jay Hedgecock. His victory was worth \$3,200 and ten drivers finished in the same lap.

Following were Butch Zevakis, Roy Hendrick, Curtis Markham and David Blankenship, Maurice Hill, Danny Fair, Phil Warren and Elton Sawyer.

In the Quality Racing Team Chevrolet, Beggarly qualified on the pole with a track LMSC record of 87.299 mph and led all 100 laps for a \$1,000 bonus and the Miller 1,000 Cup. Four caution flags for 30 laps held his average speed to 60.344 mph.

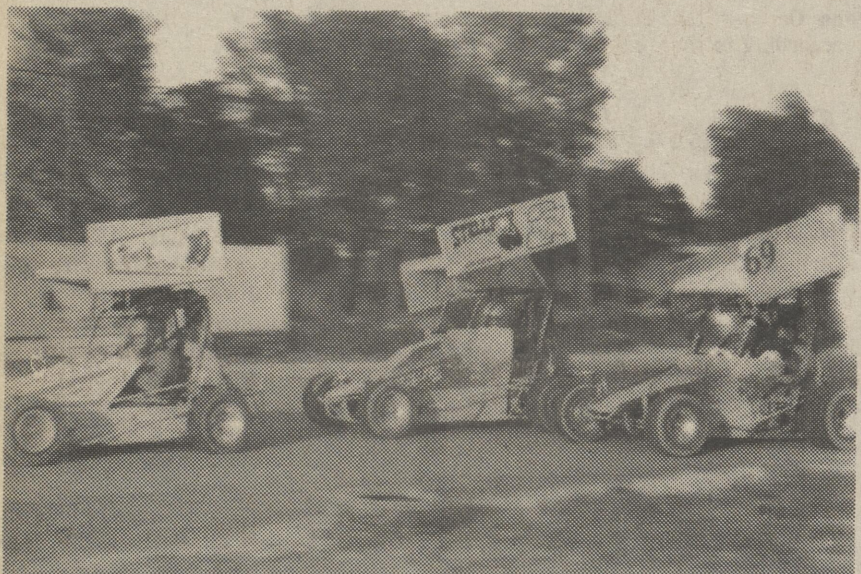

"I knew we had the field covered in qualifying but one lap and 100 laps is a whole lot of difference," Beggarly said. "We were just hoping everything would stay together and we could get out front and stay there."

The events were run under a cloud of sadness as Modified legend Richie Evans of Rome, N.Y. was killed in Thursday's practice session when his car hit the wall between the third and fourth turns. Pat Evans conducted a memorial service in the pits prior to the races for the competitors.

All the Modified drivers' cars carried a small orange 61, Evans' car number, on their cars in tribute. Ironically, even Bryant was thinking about Evans when a caution flag enabled Stevens to close in on his bumper with ten laps remaining.

Evans had ten career wins here and always was the man to beat. "I just said to myself, 'Richie, just help me this one time.' And he held on to the lead, just like Evans would have."

It was a win Richie Evans would have cheered.

## Former winners ready for Flemington "Skoal Bandits" championship

FLEMINGTON, NEW JERSEY — Seven former winners of the Flemington "Skoal Bandits" 200 will be at Flemington Speedway on Sunday afternoon, November 3rd.

Two time winners Billy Pauch (80 & 82) and Jack Johnson (72 & 84) head the elite group of past race winners. Only Sammy Beavers, the 1974 & 78 winner is certain not to be in competition. Former winners Stan Ploski (73), Fritz Epright (77), Billy Osmun (78), Roger Laureno (79) and Alan Johnson (83), will join Jack Johnson and Pauch as former 200 champions.

Tom Carberry who finished second to Pauch in the October 5th is a guaranteed modified qualifier. Pauch already

had secured a guaranteed spot in the race.

The \$45,000 plus purse will pay over \$9,000 to the winner with an extra \$4,000 in lap money.

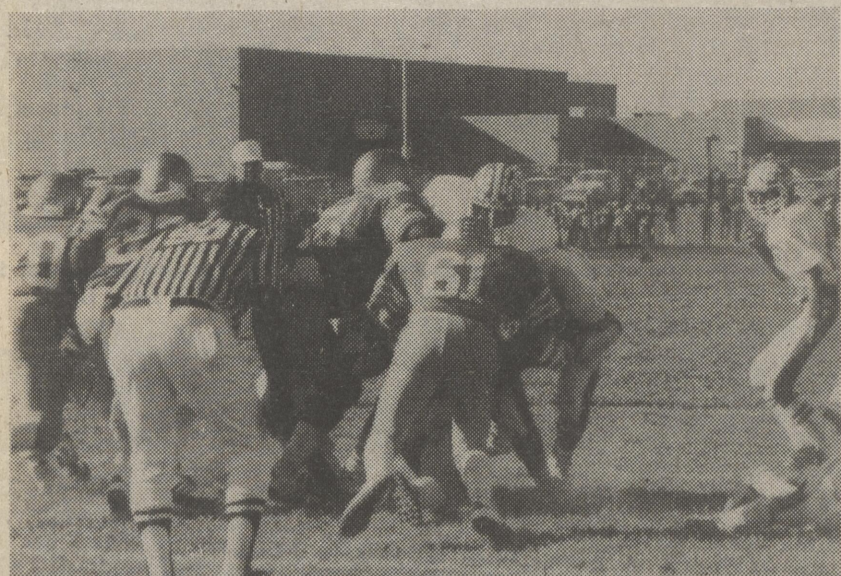

For the first time ever a 100 lap small block championship will be staged as a companion to the 200. The Saturday afternoon November 2nd century distance event will be open to 339 C.I. racers and all drivers, modified and sportsman, are eligible to compete.

The Saturday afternoon November 2nd small block 100 championship starts at 1:00 p.m. and the Flemington "Skoal Bandits" 200 for modifieds on Sunday afternoon, November 3rd, starts at 2:00 p.m.

It was 4th and inches for Laurel, but Fleming's tough defense held the line as shown here by Mike Scott [5], Marvin Hicks [72], Mike Gygrnyuk [58] and Chris Garton [81]. Photo by Dave Dill

### Spartans lose Homecoming game to Laurel

by Harry G. Farrow Jr.

LAKE FOREST HIGH SCHOOL — The Spartans spoiled the Dover homecoming game the week before in one of their best played games ever under Coach Jim Fleming. The Laurel Bulldogs turned the tide on the Spartans as the Spartans were upset 9-6 before a capacity crowd of over 2,000.

Penalties and fumbles were the problems with the Spartan playing. The Spartans had 52 yards of penalties in the first half alone. From time to time all season, the Spartans have been penalized for high tackles.....which for most refs is an automotive face masking.

"There were 7 fumbles altogether.... three by us and four by them....yet we only got one of the seven," said senior linebacker Mike Gygrnyuk. "Coach said to put the game behind us....we just messed up by fumbling so much and missing the count :defense formation by Laurel). We kept losing players (Laurel), and they took it to us," added Gygrnyuk. "But despite all the misques, the team did pretty well considering, for we lost by just three points. It was very possible any play that Lionel (Dixon) or Donnie (Bell).... who saw action in the second quarter) could have broken it loose and gone all the way," said Gygrnyuk. "We played them even....and that wasn't good enough. We know now that they belong to us. We are looking forward to Seaford on Friday night. If we play like we did against Dover....and we can....I just know it....we should win," said Gygrnyuk.

The loss dropped the Spartans to 1-1-1 in Southern Division play. "We are not eliminated yet," said Gygrnyuk. "But Coach said if we can get by Seaford we should figure in the playoffs," said Gygrnyuk. Laurel

went 4-0 in the Division and 6-0 overall with the win against Lake Forest.

The Spartans got their first score when Lionel Dixon plunged over from the two yard line. Rick Brown threw for 107 yards on 7 of 9 passes. He threw five straight strikes for 68 yards taking the Spartans inside the 10-yard line. From there Dixon hauled freight to get the TD. There were 16 seconds left in the first half when he scored.

Dixon, the leading rusher in the Southern Conference, had 51 yards on 13 carries his season low.

The Spartans came out fired up in the second half. Brown was sacked on the first series of plays, bringing up fourth down and 11 yards. The Spartans punted. The Bulldogs were stopped on a sustained drive at the 37 yard line where a roughing the kicker put the ball on the Spartan 12 yard line. The Spartans held and took over on the three. But throwing Dixon for consecutive losses....last one in the end zone gave Laurel 2 more points.

Brown came out throwing one for an incomplete pass and one for an interception to end the game.

END ZONE REMARKS: Coach Fleming called a good game against Laurel. But failure to gain composure and hold onto the ball by the Spartans caused low score ending in the final defeat of the Spartans. No team in the conference can hold the Spartans on scoring unless the Spartans defeat themselves. The team has pride this year. The loss to Laurel is not a true picture of this football team. I think they can rebound and put this game behind them. They need to executive from here on out.... which they can do. Let's get Seaford.... show them what Lake Forest is made out of.....Good luck Coach Fleming, his staff and team.

### In the Pocket

by Harry G. Farrow, Jr.

In the Open Handicap Trot at Yonkers on Friday night, it was Scotch Notch A. winning in 1:58.3 for Mike Gagliaroi over Manfred Hanover, a world record for trotting mares over a half-mile track.

At Mohawk on Friday night in the \$601,895 Breeders Crown for 3 year old trotting colts, it was Prakas winning in 1:57.1 for John Campbell. This is a world record for 3-year-old trotting colts over a five-eighths mile track.

At Garden State on Friday night in the \$1,157,500 Governor's Cup, the richest harness race of 1985, it was Barnery Spur winning in 1:54.1 for Bill O'Donnell over Towner's Big Guy and Souffle.

In the 2nd leg of the Fall Championship Pacing Series at Yonkers on Saturday night in the \$50,000 aged pace, it was On The Road Again winning in 1:55.4.....getting back on the winning ways for Buddy Gilmour over Division Street. Pershing Square wins in 1:58.1 for Bill O'Donnell in the \$37,500 three-year-old pace.

At Rosecroft on Sunday in the \$47,400 Capitol Hill Trotting Series final, Gallant Pro won it in 1:59 for Markku

Vartiaen.

At Monticello in the \$15,000 Invitational Pace on Sunday it was Nihilator winning in 1:56.3 by 19 lengths for Bill O'Donnell. Still no record for the Nihil.

At Mohawk on Sunday in the \$78,000 Sophomore Championship it was Falcon Seelster winning in 1:53.4 for Tom

Harper.

A fire destroyed the "K" barn early Monday morning at Ocean Downs. Five horses were lost in the fire and three others were destroyed due to extensive burns. There were 3 horses owned by Leonard Majeski, 3 by former stock car owner and driver Raymond White, one by Ray Miller and one by Ken Frisch. Faulty wiring is believed to have caused the fire.

Leading dash winners through Sunday are Mike Lachance with 475, John Campbell with 406, Bill Gale with 383, Bill O'Donnell with 374 and the leading money winners are Campbell with \$8.2 million, O'Donnell with \$8.1 million and Lachance with \$1.7 million.

EDDIE DAVIS is home in Smyrna recovering from the accident. Seems to be improving each day.

### Chipman girls run well at Smyrna

by Keith S. Burgess

Baxter Weber's Chipman Girls and Boys Cross-Country teams continue to run well and should funnel more prospects to Lake Forest on an annual basis.

Sharon Wyatt, an eighth grader appears to be a lead-pipe cinch to acquire the coveted LF varsity letter as a freshman cross-country runner in 1986. Many athletes don't letter that early, but this girl can. As good as Wyatt is (No. 2 at Chipman), Dawn Kane is the type which varsity coaches can't hardly wait for. But Jim Blades will have to wait since Kane is only a seventh grader.

At Smyrna, Kane ran the course in 8:31, which would have been good enough to miss ninth spot in the boys race by only 2 seconds. Since most of those nine boys were eighth graders, it becomes readily apparent that Dawn might be close to becoming Chipman's No. 1 runner in 1986, irregardless of gender. Then in 1987, it's Lake Forest's turn to acquire this excellent prospect.

Jill Blades is another fine prospect with a race victory under her belt as a seventh grader. Lea Fitzgerald is improving rapidly. We don't have her grade yet, but we will soon. Elaine Zeitler, Diane Wilson and Tina Welch ran well at Smyrna too.

Tate Garey attempts to stop CR's offense. Photo by Ken Hutchins

The Lake Forest Soccer team busts through a sign made by the cheerleaders. Photo by Ken Hutchins

### Harriers rebound at Smyrna

by Keith S. Burgess

Lake Forest rebounded at Smyrna and triumphed 20-40 over a Smyrna squad, led by Colin Lessard, one of the top downstate cross-country runners.

Smyrna's home course is at Blackbird State Forest. It is more confusing than some layouts but most of the course is shady and the footing is superb.

Mark Tozer eventually shook the persistent Lessard and set a new, Blackbird Forest course record of 15:37

for the almost three miles run. Lessard was at 16:30, with Spartan Ray Powell at 16:37 and Eric Payne at 16:40. Mike Mosley was fifth, Billy Haggerty was seventh, Scott Torgeson, eighth and Al Hudson, tenth. Pat Caskey was 11th, Todd Kramer 13th, Billy Walters 14th and Jon Kane 15th. Shawn Torgeson, a steadily improving freshman was 17th, followed by Rob Burgholzer, Brad Turner and Jeff Davis.

Teresa Taylor takes a shot on goal. Photo by Ken Hutchins

### Lake Forest downs Sussex Central 2-1

Lake Forest scored a goal by Teresa Taylor and went on to down Sussex Central in hockey action on Tuesday 2-1. Dana Adams had eight saves on goal for the Spartans.

In soccer action Sussex Central gained a 1-0 victory over Lake Forest on Tuesday. The Spartans outshot the Knights 24-17. The problem of scoring still plagues the Spartans.

### Scott Pierce leads Chipman's narrow victory

by Keith S. Burgess

Scott Pierce is an eighth grader who may have championship running ability in his genes. Pam Pierce, a great all around athlete at Lake Forest was once the most feared of all distaff Henlopen Conference harriers and was a state champion half miler.

Her brother Scott faced a difficult

challenge at Smyrna. Smyrna's No. 1 harrier, Diaz is a superb harrier. His brother was a star at Smyrna last fall. The Eagle eighth grader knows what the sport is about. He had beaten Pierce by 15 seconds on Pierce's home

where she participates in band, student council and ski club. She is currently treasurer of the sophomore class and the band.

When not so busy in 4-H and school, Heather works part-time at 1st State Arabians where she assists trainers in grooming, exercising, and training Arabian horses. "The new things I've learned will be valuable in showing my own horse plus in my future course,"

says Heather. "And if all else fails, I will always ride and show Arabian horses."

Interested in how you can become more involved in 4-H? Just call the 4-H Office at 856-7303. It is the policy of Delaware Cooperative Extension that no person shall be subjected to discrimination on the grounds of race, color, sex, handicap, age or national origin.

**Delaware Symphony performs at Milford High School**

*[continued from page 5]*

by Tchaikovsky.

The second section opened with Sousa's popular Stars and Stripes Forever, and went on to perform Aaron Copland's Saturday Night Waltz and Hoedown from his ballet Rodeo.

The entire program demonstrated the versatility of the Delaware Orchestra in that it can go from the classical to American popular music with ease that blends it all into an enjoyable format.

The surrounding area is fortunate indeed to have the Delaware Symphony Orchestra pay us a visit now and then with superb performances. The next concert is scheduled for Sunday

afternoon, February 9, 1986, when the soloist will be Takako Nishizaki, violinist, and the featured symphonic work will be the organ symphony No. 3, of Saint-Saens.

Ticket information can be obtained by calling 422-9010, or contacting Deborah D. Kee, South Delaware Series Coordinator, P.O. Box 410, Milford, DE 19963.

It is unfortunate that not every seat in this fine auditorium is subscribed for, but it does make available tickets for individual concerts for those who wish to attend but a single performance.

### Scott Pierce leads Chipman's narrow victory

[Continued from page 9]

course. It didn't seem possible that Pierce could get any closer to Diaz with the latter having the decided advantage of competing on the labyrinthine Blackbird State Forest course. But Pierce came in sight, 300 yards from the finish neck-and-neck with Diaz and held off the Smyrna ace, over the final yards to win, 7.21 to 7.22. Chipman edged the Eagles 28-29. Pierce had to win for his team to triumph. Wicks of Smyrna was also outkicked by Pierce in that home-stretch dogfight. Doug Thompson of Chipman has the distance-running Garey clan blood coursing through his veins. Doug

finished strongly in fourth place holding off Behan of Smyrna. Paul Schaffer was right on Behan and just ahead of Trettel of Smyrna. Despite the great running of Pierce, Thompson and Schaffer, Chipman was on the ropes and faced an almost impossible task. To win, the Harrington school had to have the next four finishers. One more Smyrna athlete in the next four spots and it was curtains for Chipman. But here they came, Czar Bloom, 8th, diminutive Carl Jones (he of the mighty kick) 9th, Ike Roland, 10th and Steve Jester in 11th, just two seconds ahead of Knight of Smyrna. If anyone of the first seven Chipman

runners had finished one spot back of where they did finish, Smyrna would have won. Also running well for Chipman were: Mel Siliicki, Drew Hammond, Matt Burrows, Jason Monroe, David Scott, Eric Allen, Dan Sheline, Randy Thompson, Tom Bush. Mike VanNess who has been a high finisher, heretofore, was ill and did not get a time. Pierce, Thompson, Schaffer, Bloom, Jones, Roland, Jester and VanNess, along with several other Chipman youngsters may some day contribute to the proud Spartan Cross-Country tradition. At present, it's 28 straight winning seasons.

### Parachutist killed at Ridgely

A 19-year-old N.Y. woman was killed Sunday afternoon in Ridgely, Md. as she fell nearly 3,000 feet to her death. This was her first jump with members of Parachutes Are Fun parachuting school. Lori Lee Kerbein is the second

parachutist connected with the school to die in the past three weeks. According to reports, Kerbein began waving her arms and legs as she jumped from the plane, and her arms became entangled in the lines, causing the main chute to open improperly. She

was killed on impact. FAA Investigator Robert A. Koch said he does not believe negligence was involved, but there are no specific federal regulations that govern the instructional practices of parachuting schools.

### Caesar Rodney harriers win battle of unbeaten

[Continued from page 10]

cate a close meet. But this meet was close. With 100 yards to go, two Spartans and three Riders were in a group, sprinting for the finish. The three Riders got there first, but just barely, as only 5 seconds separated the quintet. The positions at stake in this duel, were from 6th to 8th and that is where the meet was decided, since Lake Forest had captured two of the top three positions. Mark Tozer of Lake Forest was first for the sixth time in six dual meets this fall. As usual, it appeared he was in his own separate race as he won by almost a minute. Spartan Ray Powell, one of the most natural runners around was in second place, late in the going when two Riders, Dennis Caswell and Angel Aquilar went by. Aquilar is normally Caesar Rodney's No. 1 runner. Aquilar fell on a narrow bridge and cost Powell about six seconds since he had to wait for the Rider to get up. Powell thus lost any chance he might have had to catch Caswell. Nevertheless, Ray still man-

aged to get third and equalled his personal mark here of 18.26. Charley Bell's Riders are very well balanced. They won the meet with the "pack" finish of Dixon, Aquilar, Cronis, Dawson and Coe, who were only ten seconds apart. The two Spartans who just missed breaking the pack up were Mike Mosley and Eric Payne. Mosley, in ninth place, ran his best race ever in our opinion. He lowered his personal mark here by 19 seconds, was only one second out of seventh, two seconds from sixth and 11 seconds from 4th. Payne was very close also only three seconds behind Mosley. Billy Haggerty ran 16 seconds faster than before as Lake Forest's 5th man in 11th place. Haggerty is an experienced harrier, who might be significantly better if he had not missed his junior year in 1984. That cost him much momentum. He is doing a fine job but almost certainly would be 30 seconds or so faster if that hiatus of a year ago had not occurred. 1. Tozer - LF 17.16; 2. Caswell - CR 18.12; 3. Powell - LF 18.26; 4. Dixon -

CR 18.32; 5. Aquilar - CR 18.33; 6. Cronis - CR 18.41; 7. Dawson - CR 18.42; 8. Coe - CR 18.41; 7. Dawson - 18.42; 8. Coe - CR 18.42; 9. Mosley - LF 18.43; 10. Payne - LF 18.46; 11. Haggerty - LF 19.01; 12. Herrera - CR 19.30; 13. Scott Torgeson - LF 20.05; 14. Kane - LF 20.21; 15. Walters - LF 20.27; (NPR); 16. Hudson - LF 20.43; 17. Caskey - LF 20.58; 18. Sh. Torgeson - LF 21.36; 19. Kramer - LF 21.43; 20. Burgholzer - LF 22.25; 25 runners competed. Analysis of the above figures reveals that C.R. for perhaps the first time this autumn, got a maximum effort from each of their top seven runners. We've seen them win their earlier starts with only part of their athletes coming through for them. But Coach Bell got his squad "up" for this one and the Riders just barely got by the stiff Lake Forest challenge. The Kent County meet and the Henlopen Conference meet may prove to be unusually competitive this year.

### Possum Point Players get new home

Possum Point Players will officially christen the new Possum Hall, Georgetown, Saturday, Nov. 16, when they open with their first children's theatre performance of *You're a Good Man, Charlie Brown*. In 1976 the group moved to the first "Possum Hall," a former warehouse on Washington Street, Millsboro. There they were able to store properties, set pieces, and costumes, as well as rehearse for their four to five annual productions. As the membership and productions grew in size and scope, the need for larger, more permanent facilities increased. The Georgetown Youth Center, which borders Sussex Central High School tennis courts and athletic fields, came to Hartzell's attention four years ago, when the Center first closed. *You're a Good Man, Charlie Brown*, a musical featuring the *Peanuts* gang of Charles Shultz will be performed Saturdays and Sundays, November 16-17 and Nov. 23-24 at 2 p.m. Theatre goes to *You're a Good Man, Charlie Brown* will find Possum Hall on Old Laurel Highway, between Route 113 and the Sussex Central Senior High tennis courts. For information concerning this production or the Possum Point Players, call 856-3460 Tuesdays and Thursdays from 9 a.m. to 4 p.m.

### State Chamber seeks nominations

The Delaware State Chamber of Commerce is seeking nominations for the Josiah Marvel Cup Award for community service. The award is made each year to a Delaware citizen who has performed exemplary service "for the benefit of the state, community, society or fellow beings." Individuals or organizations are invited to submit nominations for the award by sending four copies of a fact sheet, including the nominee's name and address and a listing of major achievements to: The Marvel Cup Committee, Delaware State Chamber of Commerce, One Commerce Center, Suite 200, Wilmington, Delaware 19801. The silver cup originally was presented to the late Josiah Marvel for his services in reorganizing the State Chamber during his term as president from 1913-1915. Marvel's heirs donated the cup to be used at the discretion of the State Chamber. The State Chamber annual dinner will take place on January 27 at the Radisson Hotel, Wilmington.

### Conservative Caucus issues white paper calling for lower financial support of the U.N.

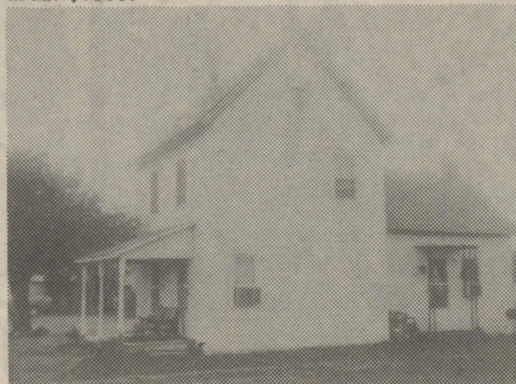

by David F. Coady At a meeting of the Conservative Caucus of Lower Delaware on October 19, the membership drafted a *White Paper* calling for less financial support of The United Nations. Noting that the United States pays twenty-five (25%) of the United Nation's budget, the *White Paper* calls on Congress to reduce that amount to ten percent (10%), and only two percent (2%) payable while any member nation is in arrears of its dues. The *White Paper* also seeks to have the United Nations Headquarters moved from the United States. In letters to both Senators Biden and Roth it was pointed out that having the UN Headquarters in New York permits all countries twice the opportunity to send spies, terrorists and saboteurs into the United States. Because the Soviet Union has three (3) votes in the United Nations General Assembly (one each for the Soviet Union, Byelorussia and the Ukrainian Soviet Socialist Republic), the *White Paper* calls for granting the United States four (4) votes, one each for the United States, Puerto Rico, Guam and the Virgin Islands.

**Maj. James J. McDonald**  
 AIR FORCE MAJOR JAMES J. MCDONALD, son of Mr. and Mrs. Harold J. McDonald of 322 Dorman St., Harrington, DE has arrived for duty at Kelly Air Force Base, Texas. McDonald, a director of tactical communications with Headquarters, Electronic Security Command, was previously assigned at Bergstrom Air Force Base, Texas. He received a master's degree in 1975 from the University of Southern California, Los Angeles.

**Cadet Darryl S. Taylor**  
 CADET DARRYL S. TAYLOR, son of Mr. and Mrs. William C. Taylor Jr. of Rural Route 3, Felton, Del., has completed a U.S. Air Force ROTC field training encampment at Dover Air Force Base, Del. Field training, attended by cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer, according to an Air Force spokesman. The summer's curriculum consists of orientations on jet aircraft, career opportunities, human relations education and equal opportunity training. Physical fitness and survival training is also emphasized. The field training is four weeks, but cadets in the two-year ROTC program receive an additional two weeks of instruction in the development of air power and the contemporary Air Force. Taylor is a student at the University of Delaware, Newark.

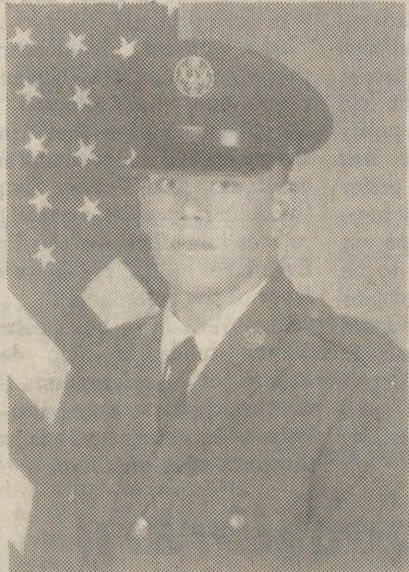

**Airman Michael A. Twaits**  
 AIRMAN MICHAEL A. TWAITS, son of Anna F. Kershner of Rural Route 2, Felton, Del., has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training. During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations. In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force. The airman will now receive specialized instruction in the aircraft maintenance field. His wife, April, is the daughter of Robert G. Shockley and Mary Ann Holland of Rural Route 2, Felton. He is a 1980 graduate of Lake Forest High School, Felton.

**Tech. Sgt. Richard L. Shaw**

RICHARD L. SHAW, son of retired Air Force Tech. Sgt. James L. and Delores J. Shaw of Woodside, Del., has been promoted in the U.S. Air Force to the rank of technical sergeant.

Shaw is a security police supervisor at Tyndall Air Force Base, Fla., with the 825th Security Police Squadron.

His wife, Dianne, is the daughter of Grace Mehrose of Panama City, Fla. He is a 1977 graduate of Milford Senior High School, Del.

**Tech. Sgt. William P. Jester Jr.**

TECH. SGT. WILLIAM P. JESTER JR., son of William P. and Delema M. Jester of 12 Dot St., Milford, Del., has been named outstanding non-commissioned officer of the quarter for the 421st Tactical Fighter Squadron.

The competition was based on job knowledge, significant self-improvement, leadership qualities, ability to be an articulate and positive spokesman for the Air Force and other accomplishments.

Jester is an administrative supervisor at Hill Air Force Base, Utah.

His wife, Rose, is the daughter of Ide M. Tinley of 210 S. Washington St., Milford.

The sergeant is a 1963 graduate of Milford High School.

**Marine Staff Sgt. Joey R. Bailey**

MARINE STAFF SGT. JOEY R. BAILEY, son of Mr. and Mrs. Blaine F. Bailey of Route 2, Felton, DE was recently awarded the U.S. Marine Corps Good Conduct Medal with the Second Oaks Leaf Cluster, his third since he has been in the Marines.

Bailey received the award for the good behavior and conduct over a three-year period in the Marine Corps.

He is currently serving at Marine Corps Air Ground Combat Center, Twenty-nine Palms, CA.

A 1976 graduate of Caesar Rodney Senior High School, Camden, he joined the Marine Corps in July 1976.

### 5th Annual Ladies Spectacular held at Dover Sheraton

by Genevieve Moore  
The 5th Annual Ladies Spectacular was held at the Dover Sheraton in Dover on Friday and Saturday, October 25th and 26th. Several ladies from the Calvary Wesleyan Church in Harrington attended this 2-day fellowship. They were Bea Goodhand, Genevieve Moore, Beverly Turner, Jane Melvin, Karen Hill, Lois Carpenter, Mary Melvin, Brenda Collison, Dawn Deiter, Peggy Mervine, Mabel Jean Donovan, Grace Sherwood, Catherine Moore and Thelma Miller.

Friday evening began with registration and a delightful dinner. Greetings and introduction of theme was presented by Jane Dieter. The theme chorus was "This Little Light of Mine" led by Evangeline Addison. The ladies attending were entertained with music, skits, a flute solo and a fashion show. The guest speaker was Joy Smith, Director of the People Place Counseling Center. Lights went out at 11:00 p.m., but the chatter didn't. With four women to a room, there was much to talk about and

a lot of news to get caught up on. After a short night, the ladies awakened to a delicious breakfast served at 8:00 a.m. and more music, discussion and a seminar entitled "Walking Out Of The Darkness". Door prizes were awarded and lunch was served at 1:00. They said their good-byes after lunch until next year and closed with the reminder, *Good-bye - God Bless - Go home and shed a little light to those around you.* What a better place this world would be if we all lived by this motto.

### Sen. Ruth Ann Minner honored

Senator Ruth Ann Minner (D) - Milford, was honored last week by the Delaware Federation of Business and Professional Women Clubs, Inc., as they recognized her with their annual Woman of the Year Award. The award was presented at their annual luncheon, which was held last Saturday at noon at the Hercules Country Club in Wilmington. This, the 7th Annual Women of the Year Award presented by the Delaware Federation was in "appreciation for exceptional quality of leadership

and integrity, and distinguished achievements for the betterment of her community." Senator Minner, a 12-year veteran of the Delaware General Assembly and local community activist, was selected among 7 other candidates for her outstanding career achievements, efforts on behalf of equal rights for women, assisting other women for advancement, guiding youth and career women and her longtime commitment to community issues. Upon receiving this special award,

Senator Minner said, "I have been very fortunate during my career to be recognized by many groups and organizations for various achievements. But to be recognized by the Delaware Federation of Business and Professional Women Clubs, in my opinion is one of the most prestigious groups in our state, is truly one of the highlights of my career. To be recognized for my work not only in my community but on behalf of all Delaware women, also makes this award very special."

### Kent County Developer indicted

Fred A. Voshell of Dover has been indicted by a Kent County Grand Jury on 16 counts of felony theft and 10 counts of criminal contempt, charges which stem from an investigation conducted by the Division of Consumer Affairs. Voshell is accused of failing to perform on contracts for the sale of mobile home lots, after receiving sizable down payments from buyers. Voshell has been engaged in the business of selling mobile home sites under the trade name Dream Homes, Inc. The lots are located throughout Kent County. Some are situated on a partially developed plat known as

Parris-Villa, near Woodside. Others are located in sub-divisions known as Golden Ridge and Millington Acres. Buyers of these prospective home sites entered into sales agreements with Voshell in which he promised improvements to the properties, including installation of septic systems and electric service, and the construction of driveways and patios. Completion of those improvements, as well as the relocation of mobile homes on those properties, were to occur within a specific time period noted in each agreement of sale. The State's investigation revealed

that the sale of properties and improvements thereto were not completed as described in the contracts of sale and that when pressed for refunds, Voshell failed to return all or a substantial portion of down payments tendered by 15 purchasers. The criminal contempt counts handed down by the Grand Jury represent ten alleged violations of a 1983 Cease and Desist Order issued to Voshell by the Division of Consumer Affairs. The 1983 Order cited Voshell for misrepresentation and deceptive trade practices in connection with the sale of a mobile home lot in Parris-Villa.

### Kent Vo-Tech Teacher-of-the-Year

[Continued from page 2] office of national VICA president. Graduates of his program have gone on to study at the Memphis Academy of Arts, Syracuse University and Italy. Mr. Evans is described as a born

teacher who seems to impart knowledge effortlessly. He keeps himself current with developments in his field and takes a great interest in his students as people. He bolsters their self-confidence and inspires them to work hard and pursue

challenging opportunities. Described by his colleagues as poised, adaptable, and conscientious, Mr. Evans is said to "typify the qualities of dignity, professionalism and respect".

[Continued from page 1] Forest FFA: Reenie Swain and Tony Litano. High Individuals in Agronomic Crops Judging - Felton - Lake Forest FFA: Scott Steele and Billy Walters. High Individuals in Vegetable Judg-

ing Contest - Felton - Lake Forest FFA: Diana Knots and Karen Walters. The Lake Forest FFA Chapter will send 23 students and six chaperones including Mike Wamsley, Bill Abbott of the Ag. Department at Lake Forest

and Harvey Kenton. The cost of the trip according to Wamsley is approximately \$12,000. "The students have earned every penny through fruit sales, plant sales and farming projects," said Wamsley.

## Concerned citizens circulate petition

by Harry G. Farrow Jr.  
LAKE FOREST DISTRICT OFFICE HARRINGTON — Doris W. Draper and her supporters have circulated a petition among the Lake Forest District voters with over 500 signatures calling for the ouster of Superintendent Gerald Lysik and High School Principal Margaret Phelps alleging misappropriation of funds and misconduct by the administration and the board. The petition has been turned over to Attorney General Charles Oberly who initially said his office had no jurisdiction over the matter. The same complaint and petition has been turned into State Auditor's office for State Auditor Dennis Greenhouse to review the matter.

Essentially Draper is saying that the Administration should first use the money they have now to best advantage. She alleged that \$14,000 had been turned in for mileage by district personnel. An outside consultant had been hired for \$13,000 to draft a policy manual, which Draper contends was unnecessary. She feels the policy manual at Caesar Rodney could have been used pulling certain sections out for Lake Forest which deemed to be important. She also said that the copies of the district's expenditures ledgers showed that there was a frequency of expenditures that indicated if lumped together would be over \$5,000 and therefore necessary to put out on bid. She said a bid was not sought.

The District office defends by saying the books are in order and everything was done properly. Lake Forest Administration in preparation for the November 16th referendum has adopted a South Carolina plan used there to promote the passage of referendums such as the one facing Lake Forest. Employees of the district have been asked to provide referendum officials of the district with five names each of residents who are in favor of the referendum. Employees have been asked to contribute funds to help defray the expense of the referendum. Businesses in the district have also received letters requesting funds to help defray the costs of referendum.

## November at the Greenwood library

November 6-9 — Bring in your "Plastic Bottle Face". See what an interesting face you can make from any type of plastic bottle. Be creative!  
November 12-16 — Display of "Plastic Bottle Faces" in library. Be sure you have one on display!  
November 7 — Afternoon Story Hour, 2:30 - 3:00. This is a new endeavor. Ask about it!  
November 11 — LIBRARY CLOSED  
November 13 — Story Hour for

Preschool Children 10:00 a.m.  
November 14 — Films at Library 4:00 p.m.  
November 18 — Children's Crafts. Small charge. Call Library for details 6:30 p.m.  
November 19 — Blood Pressure Clinic. Free!!! 7-7:30 p.m.  
November 20 — Library Closed  
November 21 — Films at Library 4:00 p.m.

November 27 — Story Hour for Preschool Children 10:00 a.m.  
November 28 — Library Closed  
November 29 — Library Closed  
The library is constantly getting new books for the use of its patrons. Why not stop in and look around?  
If you have any materials about our community, county or state and would like to share it with the community, the library will be an excellent place for it.

## St. Bernadette's Catholic Church

[Continued from page 6] (422-6819). If you can donate good White elephant items, please call Charlene Fuller (422-4841). All parish members will be contacted later for Baked Goods donations. We are also looking for helpers during the Bazaar. Come and make new friends!  
STEPPARENTING — Two sessions

dealing with remarriage and the challenges of stepchildren, sponsored by the Family Life Bureau, will be offered at Dover Air Force Base Chapel #2 on November 4 and 11 at 7:30 p.m. To register please call Lori Mahar at 678-6417.

place of continued history-making just last year when, in April, it was the site of a worship service attended by the more than 100 members of United Methodism's Council of Bishops. The bishops and their spouses met at Barratt's in conjunction with their attendance at the denomination's General Conference held in Baltimore during the church's Bicentennial year. An awesome comparison was possible when recalling the 1784 meeting of Methodism's first two bishops, Coke

## Anniversary Services at Barratt's Chapel

[Continued from page 6] The generosity of Dr. and Mrs. Maser has enriched the libraries and collections of several universities which have been the recipients of Maser collections. This historian of early American Methodism will bring a message on November 10 to those gathered at Barratt's Chapel which will be worthy of the hallowed meeting place. As Methodism celebrates its 201st anniversary this year, the chapel was a

and Asbury. Built in 1780, the chapel is known as "The Cradle of American Methodism," and is one of the denomination's historic shrines. The museum adjoining the brick chapel will be open both before and after the Anniversary Service. Allen B. Clark, curator, reminds the public that the museum and chapel are open to the public on Saturdays and Sundays from 1:30 until 4:30, and at other times by appointment.

Salisbury, Md.; and three grandchildren. Services were at 2 p.m. Thursday in Watson-Yates Funeral Home, Front and King streets, where friends called after 8 a.m. Burial was in Odd Fellows Cemetery, Seaford.

## DELDOT

**U.S. Route 13, Relief Route**  
 Contract # 89-110-01  
 Location Public Hearing  
 Time: 6:30 p.m.  
 Date & Location:

**December 2, 1985** Odessa Fire Hall, Main Street, Odessa, DE  
**December 3, 1985** Smyrna H.S., Duck Creek Parkway, Smyrna, DE  
**December 4, 1985** Dover Central Middle School, Delaware Avenue, Dover, DE

The Delaware Department of Transportation (DelDOT) announces that a Location Public Hearing will be held for the proposed construction of the U.S. Rt. 13, Relief Route from I-95 to south of Dover. The hearing will be held on three consecutive evenings beginning at 6:30 p.m. on December 2, 1985 in the Odessa Fire Hall, Main Street, Odessa, Delaware. On December 3, 1985, the hearing location will be moved to the Smyrna High School, Duck Creek Parkway, Smyrna, Delaware. On December 4, 1985, the hearing will be moved to Dover Central Middle School, Delaware Avenue, Dover, Delaware.

These general corridors have been developed for the future alignment of the proposed Relief Route to U.S. Rt. 13. In addition, connections in the Blackbird and Garrison's Lake areas have been developed to interconnect corridors providing a multiplicity of possible corridors for selection. The three general corridors include an upgrading of existing Rt. 13 from Tybouts Corner to Woodside, as well as, an upgrading of existing U.S. Route 113 from Rt. 13 to south of the Dover Air Force Base; a corridor west of existing U.S. Rt. 13 which parallels the Conrail Line from the C&D Canal to Cheswood where the corridor swings west of Dover; and a corridor which parallels existing Rt. 13 crossing back and forth from the east side to the west side of the existing roadway from Tybouts Corner to just north of Smyrna where the corridor crosses Rt. 13 and continues on the east around Smyrna and Dover.

Oral statements will be recorded at the hearing. The Department suggests that speakers submit written versions of their statements so that the record of the hearing is as accurate as possible. Written statements and other exhibits may be presented in place of, or in addition to, oral statements at the hearing. Such statements will be received until December 27, 1985, and should be sent to the Community Relations Section, Department of Transportation, P.O. Box 778, Dover, Delaware, 19908.

The Division of Highways and the Federal Highway Administration will consider the record of the hearing and other information submitted in the selection of a final corridor for this project. The public is encouraged to review maps, drawings and other information relevant to this project, which will be available from 9:00 a.m. until 9:00 p.m. on November 12, 1985 at the Highway Administration Building, U.S. Rt. 113, Dover, Delaware; on November 18, 1985 at the Odessa Fire Hall, Main Street, Odessa, Delaware; and on November 14, 1985 at the Smyrna Fire Hall, Commerce St., Smyrna Delaware. Department of Transportation staff including personnel from the consultant team assisting the Department in this study will be available to answer questions.

An Environmental Impact Statement and preliminary plans have been prepared and will be available for public inspection at the State Office Building, 820 French Street, Wilmington; the Highway Administration Building on Rt. 7, Bear, the Highway Administration Building on U.S. Rt. 113, Dover; in the town offices of the towns of Camden, Cheswood, Delaware City, Dover, Felton, Harrington, Leipsic, Little Creek, Middletown, Milford, Odessa, Smyrna, Townsend and Wyoming; in the Libraries in Appoquinimink, Delaware City, Dover, Harrington, Milford, Newark, New Castle, Smyrna, Wilmington and at the Kent County and the Highway Administration, New Street, Dover, from November 1, 1985 to December 3, 1985. Interested parties are invited to express their views, in writing, giving reasons for support or opposition to the findings of the environmental document. Individual copies of the Environmental documentation may be purchased at the Highway Administration Building, U.S. Rt. 113, Dover, Delaware.

For further information, contact Paul A. Welch, Manager, Community Relations Section, Department of Transportation, at (302) 929-4485, or (302) 798-4818, or write to the Community Relations section at the above address.

## NOTICE OF A SPECIAL ELECTION IN THE LAKE FOREST SCHOOL DISTRICT

**NOTICE IS HEREBY GIVEN** that a Special Election will be held on Saturday, November 16, 1985, in the Lake Forest School District in the County of Kent in the State of Delaware, pursuant to a Resolution adopted by the Board of Education of said School District in accordance with the provisions of Chapters 19 and 21, Title 14, Delaware Code, in order to permit the voters of said School District to vote for or against each of the following:

-A bond issue in the amount of \$1,643,718.  
 -An increase in the rate of taxation of \$.14 per \$100.00 of assessed valuation of real estate located in said District.

The polls for said election will open at 12:00 noon and will remain open until 9:00 in the evening. The Board of Education has designated polling places as follows:

-Lake Forest East Elementary School, Frederica, DE.  
 -Lake Forest North Elementary School, Felton, DE.  
 -Lake Forest South Elementary/W.T. Chipman Complex, Harrington, DE.

The funds realized from the bond issue will be used to finance the local share of the Major Capital Improvement Program of the Lake Forest School District as follows:

-Planning, constructing, and equipping the Lake Forest East Elementary School to include roof repair, upgrading of service systems and the provision of 6 additional classrooms and related spaces for supportive instruction at approximately 7,700 square feet. Cost: State=\$491,738 Local=\$327,325 Total=\$819,063  
 -Planning, constructing, and equipping the Lake Forest North Elementary School to include roof repair and interior renovations including upgrading of service systems. Cost: State=\$613,444 Local=\$408,963 Total=\$1,022,407  
 -Planning, constructing, and equipping the Lake Forest South A Elementary School to include roof repair and interior renovations including upgrading of service systems. Cost: State=\$506,561 Local=\$337,700 Total=\$844,261  
 -Planning, constructing, and equipping the Lake Forest South B Elementary School to include roof repair and interior renovations to provide space for administration, Instructional Resource Center, Pre-School Diagnostic Center, and central warehousing. Cost: State=\$182,409 Local=\$121,606 Total=\$304,015  
 -Planning, constructing, and equipping the W.T. Chipman Junior School to include roof repair and interior renovations including upgrading of service systems. Cost: State=\$427,579 Local=\$285,053 Total=\$712,632  
 -Planning, constructing, and equipping the replacement of roof-top HVAC units and completion of single-ply membrane roofing at the Lake Forest High School. Cost: State=\$243,857 Local=\$162,571 Total=\$406,428

## At the said election, voters will be voting by machine upon which is printed the words "For the Bond Issue" and "Against the Bond Issue", each to be separate and appear on the voting machine next

# Don't Forget Safety With Kerosene Heaters

As days and nights grow cooler, sales of kerosene heaters are booming once again. These appliances are dangerous when used carelessly, reminds Delaware extension garden and home improvement agent, Dr. Willie G. Adams, so keep the following points in mind:

- \*Make sure the heater you choose meets safety standards established by the Underwriters Laboratories, PPG Corporation, or Japan Heating Appliances Inspection Association, Inc.
- \*Keep the carton your heater came in for out-of-season storage. Or use a large, vinyl household trash can to protect it from dust and dirt.
- \*Read and follow the manufacturer's guidelines for the care and operation of your heater.
- \*Remember that good fuel means good performance.

Use only K-1 kerosene. Store kerosene in a cool, dry place, away from direct sunlight and out of children's reach.

- \*Never add fuel while your heater is operating or hot.
- \*When filling the heater, never set the kerosene can lower than the heating tank.
- \*The wick is the most critical part of the heater. Follow the owner's manual for specific care instructions.
- \*Never trim a fiberglass wick.

# Twelve Tips For Better Insulating

Energy mappers still matter a lot to most consumers, when upgrading a home that Department of Energy predicting that the cost of residential oil will more than double and the cost of natural gas will more than triple by the year 2000. And when consumers ask questions about energy efficiency, they often have helpful hints for do-it-yourselfers:

- \*Wear protective clothing such as a long sleeve shirt, gloves, hat and face mask.
- \*Only attempt to add insulation yourself where wood framing is exposed — as in the joints of an attic floor, the flooring under the living space, the flooring or walls in the crawl space, or along an unfinished garage.
- \*When insulating an un-Heater And Save Fuel

## Insulate Your Water Heater And Save Fuel

Now you can buy for your home water heater, an insulation retrofit kit, which can save both money and fuel. The kit consists of a blanket

# Understand Energy Jargon

R-value R-values measure resistance to heat flow. With insulation, the higher the R-value the greater the insulating power. Generally, R-19 is the suggested R-value for sidewalls in the average home, and R-30 is advised for the attic floor. U-value: This is the opposite of R-value. It measures the ability of a material to conduct rather than resist heat flow. Hence, the lower the U-value, the higher the resistance. U-values are used to measure the energy efficiency of windows, for example.

BTU: BTU means British Thermal Unit and is a measure of heat. A BTU is the amount of heat required to raise the temperature of one pound of water one degree F. One BTU is the equivalent of the heat generated by burning a single wooden kitchen match.

KWH: This stands for kilowatt hour and is a measure of electric energy equal to 1000 watts of electricity used steadily for one hour.

## Insulate Your Water Heater and Save Fuel

household hot water use more energy-efficient? Lower the temperature setting on your heater to the lowest degree acceptable to your needs.

- \*Never leave hot water running unnecessarily.
- \*Fix leaky hot water faucets.
- \*Limit dishwasher runs to amount of water used, yet provide a water flow turbulent enough for washing.
- \*Laundry clothes in cold or warm water whenever practical.
- \*Run full wash loads or adjust the water level control on your washer to the size of your washload.

# Is Your House Suffocating?

If you're like most homeowners, you've consistently insulated and weatherproofed your house to conserve energy. But you may not realize that there are some areas of a house that need to breathe, and sealing them up tight can result not only in your discomfort, but in damage to your home.

The most important of these areas is the attic, which requires adequate ventilation year-round in order to fight the effects of heat and humidity. In summer, for instance, a poorly ventilated attic may reach temperatures as high as 150°F, which can shorten the life of the roof. Too much humidity can cause the insulation to mildew and lose its effectiveness.

There are a number of methods of attic ventilation, and the right one for your home depends on the roof shape and total attic space.

The American Society of Home Inspectors (ASHI), a non-profit organization that sets standards for the home inspection profession, offers a brochure with tips on how to properly ventilate your home.

It is available for \$1.00 by sending a stamped, self-addressed business-sized envelope to Ventilation, American Society of Home Inspectors, P.O. Box 1789-B, Rockville, MD 20850.

## Propane Gas Versus the Electric Heat Pump

(Continued from page 4)

propane gas-forced air furnace is hundreds of dollars less than that of an electric heat pump, which usually is sold in conjunction with an electric strip heater to supplement the pump's heating power in colder weather. You may encounter an additional expense if modifications are necessary to accommodate the heat pump in your home. Propane Gas, which fires a conventional furnace, doesn't require custom work.

•Maintenance Costs: A gas furnace is based on simple technology and usually lasts for 17 to 20 years before it needs to be replaced. The electric heat pump, a relatively new invention, may require more expensive repairs and usually lasts only seven to ten years.

•Operating Expenses: Based on figures provided by the National LP-Gas Association, allowing for 20,000,000 BTU for heating and 20,000,000 BTU for cooling, homeowners who regulate the temperature of their homes with a propane gas furnace can expect to save \$20 more in a year than those who use an electric heat pump to accomplish the same task.

•Efficiency: Gas heat offers you a level of flexibility that electric heat pumps cannot because the gas furnace and air conditioner are purchased as separate items. Consequently, if you don't want air conditioning, the cost of the gas furnace is even further reduced. If air conditioning is needed, you can purchase a water heater, wash-dryer, and stove—which can save money on electric bills.

These are some of the reasons many homeowners are giving propane gas heat a warm welcome.

## Kerosene Heater Safety

(Continued from page 2)

within 3 feet of combustible material such as furniture, draperies or clothing.

- Never leave the heater burning unattended. Turn it off before leaving the house or going to sleep.
- Always use the heater in a well ventilated area to avoid risk of asphyxiation.

## Landscaping for Energy Conservation

By Charles Dunham  
Extension Horticulturist

Plants can not only make your home more beautiful and livable, they can reduce your fuel and energy costs. Proper selection and placement of plants can make your home warmer in winter and cooler in summer. Plants can reduce wind velocity, trap the warmth of the winter sun and provide cooling and insulating effects for greater summer comfort.

Here are eight ways for using plants to make your home more comfortable summer and winter:

1. Block the cold winter wind from entering your yard and home with large evergreens such as pines, spruces and hemlocks. The coldest winds come from the north, northeast and northwest. Trees affect wind velocity for several times their height but are most effective within a distance equal to their height.
2. Twiggly deciduous trees are nearly as effective as evergreens in blocking wind and more effective in blunting its velocity. Place them at the end of an evergreen screen to slow the flow of cold air. Chinese elm, pin oak, willow oak, hawthornes and hornbeams are good winter, after the leaves fall, winter sun will provide warmth. Trees should be tall enough and close enough to provide cool shade for the walls & roof of the house. In winter, after the leaves fall, winter sun will provide warmth. Trees should be tall enough and close enough to provide cool shade for the walls & roof of the house. In winter, after the leaves fall, winter sun will provide warmth. Trees should be tall enough and close enough to provide cool shade for the walls & roof of the house.

## Become More Energy Conscious

To find out how conscious heating bill as much as 10 percent and save the discomfort and expense of a winter breakdown.

Do you inspect heating ducts annually for leaks? Repairing them will help put heat where you want it. If your home has zone heating, are your thermostats set for the activity of the area? Use higher temperatures in bathrooms, study and living areas, lower temperatures in the kitchen, sleeping and less active areas.

Do you reset your thermostat higher than needed? Don't. Your furnace will not produce heat any faster.

## Insulate Your Water Heater

(Continued from page 2)

Research sponsored by the United States Department of Energy (DOE) has proved that this insulation refit kit is energy-saving, economical, and safe. The studies show that on a national average, the use of the kit will:

- save \$5 to \$20 per year on your utility bill.
- reap your initial investment (under \$20) in energy savings within 15 months for electric water heaters and within 9 1/2 years for gas water heaters.

What else can I do to make water heaters better and longer. How much energy could I save a year using a refit kit? With the 1 1/2 inches of additional insulation, heat loss must be exercised when installing the insulation on a 400 kilowatt-hours per year for electric water heaters and by about 3600 cubic feet per year for gas water heaters.

# Propane Gas Ranges Offer Amenities

What's cooking in America's kitchens? Many who want to cook better, cleaner, and less expensively, are cooking with propane gas. There are a lot of reasons. Perhaps most important is the money saved and gas efficiency conserved by propane stoves. Various features now available can reduce gas consumption from 30 to 50 percent, representing a savings of one-third over the energy used by similar appliances just five years ago.

Part of this greater efficiency can be attributed to using heavier insulation. Another energy-saving innovation is oven restructuring to replicate the convection-type. Because heated air is drawn from the oven down onto the food, cooking is faster and more efficient. Since 90 percent of the heated air is recirculated constantly, heat loss is minimized. And pilotless spark ignition not only keeps the kitchen cooler by eliminating the standing pilot of light, it also reduces gas consumption.

Not all of the benefits associated with gas ranges are in the area of savings. Other innovations abound. The self-ventilating cooktop offers the option of odorless, smokeless indoor grilling.

(continued on page 6)

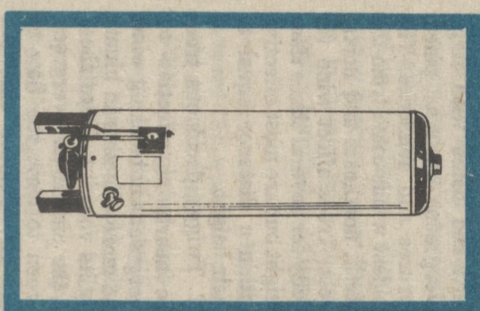

# Propane Water Heaters Get High Efficiency Rating

Your family can find itself in hot water—for a lot less than you may think. If you've shopped on buying a water heater big enough to meet your family's needs because you figured the cost was prohibitive, you may want to think again. You may want to think propane. Government-approved testing methods have shown propane can provide you with twice as much hot water at a lower cost per gallon than electricity. Since the average family uses about 28,000 gallons of hot water per year, you can easily calculate the savings. Further savings result from new energy efficient propane gas water heaters. With advancements in burner design, better insulation, and controls that let you set the temperature to exactly the water you need, propane water heaters now use on average up to one-third less gas than they did just five years ago.

livers 87 percent of its original energy to your home because it's thermal efficient, report the experts at the National LP-Gas Association. This can mean major and continued savings and propane.

Perhaps best of all, with a propane water heater, the risk of running out of hot water is vastly reduced. All propane water heaters recover quickly and efficiently. And with a new instantaneous water heater, you need it and only when you need it, saving you approximately 26 percent more energy. Since heat is only retained when the water flows from the tap, the pilot light is eliminated.

So the next time you're about to scrub off the day's dirt and grime, think about the original energy is lost during the generation process. Propane, however, doesn't generate electricity by burning oil and coal, most of the energy in those fuels literally goes up in smoke. In fact, more than two-thirds of the original energy is lost during the generation process. Propane, however, doesn't.

# Propane Gas Versus the Electric Heat Pump

Some homeowners get hot under the collar over whether to have gas heat or an electric heat pump. Before you decide which system to purchase for your home, you may want to consider a few facts:

Since most electric utilities generate electricity by burning oil and coal, most of the energy in those fuels literally goes up in smoke. In fact, more than two-thirds of the original energy is lost during the generation process. Propane, however, doesn't.

# The neater little heater that doesn't smell like a smudge pot.

The Empire Corcho. It won't fill your home with the odor of burning kerosene. Because the unvented Corcho uses clean, economical gas. So it's good to your nose, and kind to your pocketbook. And of course, by using gas, you're never faced with dangerous and messy fill-ups.

The Corcho comes in two models and offers selective heating ranging from 3,500 to 15,000 BTU inputs. This means there's a model perfect for your kitchen, den, bathroom, family room — any room.

Plus your Corcho heats with almost 100% efficiency and installs easily, either wall-mounted or free standing.

The choice is yours. Kerosene stoves, or the good looking, clean burning Corcho.

The cure for the Common Cold Spot. Empire®

# Solar Tax Credits Due to Expire

By David Gorn, Executive Vice President and Chief Operating Officer, Solar Energy Industries Association

Cloudy thought: President Reagan proposes retaining tax incentives for fossil fuel, while eliminating solar incentives.

Since federal tax incentives were established in 1978, the solar industry has recorded remarkable growth in product development, establishment of core companies that manufacture, market, and install solar equipment, and in attaining consumer acceptance and confidence. In 1984 solar energy accounted for \$1.2 billion in sales. A recent national survey of solar equipment users showed 90 percent were satisfied with overall performance and 66 percent were realizing the savings estimated prior to purchase. Unlike coal, oil, gas, and nuclear, solar energy is 100 percent environmentally safe. Further, technological break-throughs and growing markets, facilitated by tax incentives, have driven down the costs of solar energy applications & made them more cost competitive with conventional energy sources.

However, continued expansion of solar energy use is largely dependent upon obtaining higher levels of technological and design development to make more efficient and competitive applications even more viable.

This cannot be accomplished without an expanding market for solar energy products large enough to attract the capital necessary for large-scale manufacturing facilities and increased privately funded research.

Without extension of the tax credits already in place, many of the solar energy applications offering potential for broader use may never be developed. Another industry our tax dollars have created will be handed over to foreign competitors. Estimated losses of these tax incentives would reduce solar energy sales by 50 percent, costing 20,000 industry jobs. Without solar energy as an option, we will rely more heavily on foreign oil imports already accounting for almost half our trade deficit and one-third of our daily energy needs.

An extra dollar spent now to reduce energy dependence on oil imports may not only bolster our economy, it may well add more to our national security.

Register your opinion. Write to the Solar Energy Industries Association, Suite 603, 1717 Massachusetts Ave., NW, Washington, DC 20036. They will forward your letter to your Washington representative.

# Landscaping for Conservation

(Continued from Page 5)

- the house to cast shade on the roof. Oaks are good for this use as they are both large and sturdy.
- Deciduous shade trees placed to cast shade on the driveway reduce heat buildup of cement. Hot paving radiates heat to the house long after the sun goes down.
- Trees placed to provide shade for the patio add to both comfort and beauty of the patio. Small and medium-sized flowering trees like crab apple, cherry and dogwood are good patio trees.
- Deciduous vines trained on a trellis across the house can act as an awning to keep out summer sun. Wisteria, silver lace vine and Dutch man's-pipe are vigorous deciduous vines easily trained on a trellis.
- How Much Energy Can Be Saved By Landscaping? A good windbreak has been shown to reduce resident fuel needs by as much as 13 percent and reduce wind velocity by 50 percent or more within a distance of twice its height. Every five-mile-per-hour reduction in wind velocity is equivalent to about a five-degree Fahrenheit increase in temperature.
- Summer shade can be equally important in reducing the use or need for air conditioning, which results in savings on the summer electric bill.
- How Long Will It Take For A Planting To Become Effective? Starting out as 4 to 5 foot evergreens, a windbreak will begin to yield significant dividends in 4 to 6 years. About the same length of time will be required for 1 1/2 to 2 inch caliber shade trees.
