

Volenik gives state of City at citizens meeting

by Harry G. Farrow Jr.

HARRINGTON — City Manager, George Volenik, summed up the events of 1985 as being those related to a complete upgrading of the waste treatment plant, implementation of UDAG grants whereby the City will directly benefit through the grants, passage of a new building code for the City, and a clearing out of all storm drains.

Projects such as attempting to correct the drainage problems in the area of Coleman and Mispillion to elevate the flooding problems that are related to that area were also discussed.

Six properties in the West Street area are projected for rehabilitation whereby the government grants will allow the property owner to upgrade their homes to not only meet the building code standards, but bring the homes to an overall standard of acceptability.

"In 1986, the City will be looking for ways to increase the tax base without raising taxes mainly through increases in the number of businesses, additional housing, and industrial growth, said Volenik.

Other topics, the City Manager touched on were the preparation of new laws (code) for the City as well as seeking a suitable place for City Hall. "The lease on the present building is up at the end of August. They will not renew our lease. So...we must buy this building or some other building...or build one from scratch," said the City Manager.

Volenik pointed out that the Mayor had appointed a committee to decide on a place for City Hall. "Their recommendations will be most helpful in allowing the Council to reach a decision on this matter," said Volenik.

With the matter of the sewer treatment plant, Volenik reported that the Chief Operator Dawson Shahan had achieved a Grade-4 level, which is the top rating for operators at that position in the State. Volenik also added that an operating manual is being prepared for the sewer treatment plant.

Poor drainage has always been a problem in some areas of the City. Volenik reported that all storm drains had been flushed out, "...and these drains will be maintained on a regular basis."

Volenik reported an increase in attendance at the local library. "The City's library is also looking for new and larger quarters," he said. Grant monies were obtained by the grant librarian Mrs. VanVessen to conduct a feasibility study, "...and the building committee for City Hall is also studying

the prospects of a combined building for the library and City Hall," added Volenik.

Volenik reported also that there were currently "seven UDAG projects the City is working on, and this means seven new businesses coming to the City, which will mean more revenue for the City." The Mayor told this writer immediately following the meeting on Friday night that one company which plans to locate here could hire between "...300 to 400 people." "This would be an around-the-clock operation," he said.

Volenik explained the USAG grants "...do not cost the City or cause a loss of revenue for the City. The City receives the full benefit of the cost of the project and will in turn receive the entire principal and interest." The City's Police Department

reported handling 1161 traffic complaints last year as well as 1151 civil complaints, and 310 criminal complaints. This was an increase over last year's figures. The Police Chief, Carl McIlroy, was absent due to an abscessed tooth.

This was also a night for instruction of candidates. Those present were Jack Wyatt and Dan Coleman who were incumbents running uncontested.

Paul Yannucci, a 4th Ward contestant was also present and spoke along the same lines as the two previous councilmen that he wanted to see Harrington grow and wanted to be a part of it.

Councilman Dan Coleman gave a very moving speech. Coleman, a retired Social Services worker under the State's Protective Care Agency apologized to members of his ward (3rd) for his

absences. Coleman was hospitalized several times this past year for blood clots. "Although not 100 percent, I feel much better than I did, and I want to serve the members of the 3rd Ward," he said. Coleman also added that he wanted to see the completion of certain projects in the West Street area such as drainage.

The theme of all three candidates was simply to see the City grow and be a part of its growth.

The annual citizens meeting is held on the last Friday night before the City election which this year will be held after the paper goes to press. This year's citizens' meeting was one of the worst attended in several years. There were six citizens in attendance. The flu bug which has knocked everyone around in this area may have been the reason for the slight attendance.

School Board and Administration elect to sit on funds

By Harry G. Farrow Jr.

HARRINGTON — With nearly \$500,000 safely secured in the bank, the school board and the administration again last Thursday night elected to keep most of the monies intact.

The district is sitting on the following funds: approximately \$300,000 in debt service...which means theoretically money that has come about as a result of retirement of debt service, \$107,000 as a result of the out-of-court settlement with the contractor on the lawsuit over the defects in the roof, and \$60,500 which is part of the money coming to the District through the State's "minor caps program."

Through a rather lengthy debate, the board elected to do nothing about disturbing the monies being held except to forego improvements to the high school band room, take that "ear-marked" money and put toward improvements to the high school roof.

Building superintendent Charles Saulsbury stated that "the roof problem

takes the top priority over everything else." Last week more leaks from area rains caused ceiling tiles to fall as well as other problems.

Some members of the school board argued that the money being held in savings accounts now be used to "repair the roof in total"...once and for all. The \$60,500 appropriated will allow "...for a single-ply membrane to be placed over most of the roof areas." Saulsbury said the roof then would last between 12 and 15 years before anything else would have to be done to those areas.

The board elected to hold up using any of the funds until estimates could be obtained. It is also possible that a taxpayer's vote on the matter would be necessary.

The administration argued against using any of the money from the three sources mentioned saying in effect it would cost the taxpayers more in the long run if these funds were used up.

A review of the proposed policy manual was taken up by the board.

Teacher lodges grievance against school board member

by Harry G. Farrow Jr.

There is a petition or copies of a petition being circulated in the Lake Forest School District in which a high school teacher Lynda Rae Gannon has cited several violations by board member Sara Williams, her husband Roger Williams, and presumably the school board as well as presumably the administration.

The grievance relates to "a criticism by board member Sara Williams of Mrs. Gannon. The grievance citation does not disclose the nature of "...the criticism."

The grievance implies that the school board and the administration may be in violation of Mrs. Gannon's rights in that the "complaint"...whatever the complaint relates...is authored by Roger Williams. It further states that the "complaint...which may be used in evaluating Mrs. Gannon has not been investigated promptly and processed according to board policy."

The board according to Dr. Lysik makes policy and the administration carries it out. Dr. Lysik when asked about the matter had no comment about the content of the matter. His general statement was to the effect that this was a "private...personnel matter...that should not have been aired in public."

The grievance is labeled at the top "Stage Two: Superintendent," which was dated December 12th, 1985. The grievance petition cites the first stage as happening on December 9th, 1985, which was presented to Dr. Margaret Phelps, Principal of the High School, and Vicky Boyd a member of the

teacher's union.

The other two violations under the grievance relate to a violation of "personal freedoms" of Mrs. Gannon and the violation of the fact that "the best educational environment has been disregarded."

The grievance petition requests the "Board"...which is the third stage for this kind of proceeding...direct a letter to board member Sara Williams requesting an apology, a letter from the board to Roger Williams describing his actions as being deplorable, condemning the manner in which he registered his complaint, and written assurance from the board "to the teachers of Lake Forest School District that their personal freedoms shall not be usurped..."

EDITOR'S NOTE: Matters such as this have created many troublesome problems within our school district. Lawsuits, class actions, countersuits and individual put-downs should be quashed early on. We as journalists have a job to do just like anyone else. Whatever our job role, we must fulfill it to the best of our abilities. Sometimes the task is very unpleasant. I feel this is one of those times. I see that nothing can be gained from either side with this kind of continued rhetoric of condemnation. I appeal to professional minds for professional actions to cease and desist. Which side will be the first to start the ball rolling in the right direction? Think of the effect this has on the young minds in our district. It is a form of a put-down and very demeaning. Let's get on with the business of educating. What do you say?

Council tables annexation plan

HARRINGTON — The Council tabled a proposal to annex approximately 46 acres of land directly behind the CT Film plant off U.S. 13. The farm is that once owned by Albert Thistlewood. It is presently owned by William Simpson.

The new owner to be is from River Head, Long Island, New York. They are Porter Lumber Co., maker of salt treated lumber. They currently build bulkheads at beachfronts, piers, and the like.

Fire at Lake Forest High School contained in heating unit

A fire contained in a heating unit on the roof at the high school caused the Felton and Harrington Fire Companies to respond. Rescue units were also dispatched to the scene.

Firemen, students, citizens, and parents have, since the fire, been concerned that people inside the building were not asked to exit the building during the fire.

According to one fireman, "one of the school officials did not feel the fire was serious enough to warrant an

evacuation of the building." The same fireman said that there was no excuse for that kind of behavior. "Where there is smoke, there is fire, and no one should put themselves above the safety of others." He also said it was a perfect opportunity for the school to take advantage of a fire drill.

Firemen from both communities felt that this was a serious matter that could have easily gotten out of hand, and hope that a similar crisis does not ever come about again.

Lake Forest school board approves referendum committee

by Harry G. Farrow Jr.

HARRINGTON — At last Tuesday's special school board meeting, the committee which will act in an advisory capacity to help steer a new referendum through in May was selected.

On the committee was Sarah E. Mosley, one of the leading opponents of the November referendum, Rebecca H. Scarborough, a regular attendant at the school board meetings and a former teacher in the CR school district, Cathy Gregory, Arthur B. Cahall, III, Sue Ellen Dennis, a secretary in the District office, Doris Draper, another leading opponent of the November referendum and a cohort of Mosley, Vickie Boyd, a

member of the faculty at LF High School and a member of the powerful "teacher's union," Linda MacMillan, William Luff, David Pryor, Donald Garey, a former member of the Lake Forest School Board, and David F. Outten of Outten Brothers Furniture in Dover and Salisbury.

A plan to discuss the applicants for the advisory committee in closed session was mixed by the board's attorney Harry Fisher, who informed Dr. Lysik, school superintendent, that under the Freedom of Information Act the board could not discuss committee applications in

Temple in middle of stormy session as Council lingers in rhetoric

by Harry G. Farrow Jr.

HARRINGTON — Sparks flew early in Monday night council meeting... which was to be their last council meeting together, for on Tuesday a new Council was elected. The newly elected members of council will be sworn in today (Wednesday the 15th).

The sparks flashed twice at Monday night's meeting. Each time Councilman James Temple was right in the middle as he claimed fighting for the rights of the citizens of Harrington.

In the first episode, Councilman Temple asked the Mayor and Council for special dispensation for property owner Fred B. Greenly Jr. regarding his rental property on Mechanic Street. Greenly had been given since sometime in late fall of '85 to have repairs made or begun on the Mechanic Street property or demolish the same. Greenly faced the Council on Monday night, and informed them that he had received a final estimate on restoring his rental property on Saturday night. He said he had elected to restore the property based on the latest figures to repair the structure. Greenly also informed them that he had taken out a building permit "earlier today (Monday)" on the property.

What Greenly wants the Council to do is to make him special dispensation by refunding the tax money he paid into the City while the property was condemned. At the time of the condemnation, Greenly, a horseman, was out of the country in China helping to set up a harness horse operation in that country. He had notice...but in reality he was not aware of the situation until long after he had returned to this country.

One councilman, James Temple, was so outspoken about the matter that he literally stopped the meeting. Councilmen Jarrell and Wyatt joined Temple in his position for Greenly.

But that was not the end of line for Councilman Temple. His position was taking up the cause for the citizens of the Town. When the matter of the house at 125-127 Fleming came up, and Councilman Temple was told the property could not be demolished, his fury took over. He said in effect that he had sat through numerous Council meetings since last fall when this matter was brought up. He believed that following those earlier meetings that the matter would be resolved with the final demolition of the dwelling.

The dwelling is a double house on the southwest corner of Liberty and Fleming streets. It was destroyed by fire, but the house owned by Walter Lekites Jr., according to Harrington's building inspector was capable of being repaired.

Therefore, under the old laws of the City, the Council could not order that the building be demolished. Temple wanted something done, and done this night without fail. "We have talked and talked about this same situation and property for I don't know how many months...and you are telling me now that we still can't do anything," as he

slammed and slammed a huge book down on the Council table and the Mayor rapped his gavel for control. But Temple kept at it, and not about to be turned away.. He wanted an answer to pass onto the people who live in that area.

Howard Dill, one of the main critics of the situation said in the open meeting "...well...I know now why things are not getting done, because the fault is right at the feet of the Council." The Mayor and Attorney Bill Walls tried to explain that the Council had to follow procedure regarding the demolishing of a building. This they claimed was no exception. Through all the shouting and persistence by Councilman Temple, it was agreed that the next procedure to follow was to send the City Manager to the Magistrate Court Tuesday morning to file suit charging Mr. Lekites in violation of the ordinance.

It is a misdemeanor if found in violation of the ordinance, and the judge in the court can fine the defendant up to \$100 per day.

Temple tried to put this in the form of a motion, but the Mayor and legal council said he could not do this that it was up to the judge to do this. Again Temple alluded to the fact that the taxpayers of the Town "are being overtaxed now, and they are not going to put up with it. They want things made right and final action taken," he said. He also added that they want everything out in the open.

Even with the violation of the Council's order, the day in court by the Town may not render any relief which the taxpayers are seeing in the area of the subject property. The court can fine order the defendant, Lekites, to repair "...or fix it up at the Town's expense and bill the defendant," said City Solicitor Bill Walls.

This was the second episode of the night when Councilman Temple went to the cause of the citizens.

In the final burst which netted the most sparks, the entire structure of City Hall was probably vibrating as much as the lone Council chambers as Temple banged the table repeatedly. The last matter involved the Police Department.

At the last monthly meeting, the Council had asked the Chief of Police, Carl McIlroy to obtain written estimates on what it would require to repair the three police cars. At the time, the K-Car was the only one operating well. Since the last meeting, one of the "big cars" in the Police Department has been involved in an accident in the line of duty answering a complaint.

At the present time, the Police Department is without vehicle. They are on foot. Presently they have lent to them a police car from Greenwood.

The estimates to have the police car repaired were according to Temple and Jarrell excessively high. As a result, Councilman Temple voted to have the matter tabled until the next council

Results of Harrington election

On Tuesday the electors of the 4th Ward elected James Boyd to the City Council. Boyd defeated Paul Yannucci by a vote of 45 to 44.

This was the only contested Ward in the City.

The other three vacant Council seats

were filled by their respective incumbents Jack Wyatt from the 1st Ward, Dan Coleman from the 3rd Ward and James Temple from the 5th Ward.

Wyatt and Coleman will serve a 3-year term, Temple a 1-year term, and

a 2-year term.

meeting. With a motion on the floor, the Mayor tried to persuade the Council to vote to purchase "...a police car". Temple said there was motion on the floor, and called for the vote. The motion passed, and the matter will be decided at the next regular Council meeting.

Mayor Mann then said he wanted a council member to make a motion to put the entire police department on furlough. "...because they do not have a car to ride in, and the Council should get serious right now and correct the problem." But Temple shot back in a loud and demanding tone "...we won't have this shoved down our throats...we will wait and study this matter over a month's time."

Estimates on repairing the "Blue Ford" ran over \$3,000.00. Councilman Jarrell in a solemn voice said that he "...has been putting out warnings all of

last year about the expense of the Police Department versus the protection, and the possibility of running over the budget. At the rate we are going now with the police department we have already spent 63% of the budget for the Police Department. At this rate we will have gone in excess of \$55,000 over the budgeted amount by the end of the fiscal year," he said. "Now on top of all of this we don't have a police car. Well...I don't have the answer or where it will all end," added Jarrell.

In another matter the Council voted to allow the City Manager to investigate the number of people or families living at 110 Hanley Street. If in violation they would have to move enough members to make it a single family home.

The lot behind Hardees is full usually of towed cars...generally referred to as wrecked cars. Councilman Wyatt said he feels this is a violation of the code in that it does not allow "junked cars" to be allowed to remain on City property.

closed session.

The question of whether to hold a May referendum was discussed with mixed emotions. Board member Russell L. McCready was not in favor of holding a referendum in May based mainly on the time element.

When Dr. Nichols appeared before the board in December, he informed the board then that only through special dispensation by the State Board of Education could a referendum be held in May.

It is important that strict construction

Temple calls for public hearing with railroad

By Harry C. Farrow Jr.

HARRINGTON — "It's time. It's time," said Councilman James Temple "...that we have a meeting with the railroad," mainly on the grounds that the railroad is creating problems with the crossings being tied up for an unduly length of time."

According to Temple he has had numerous complaints concerning this

of the law be viewed when planning a referendum, because everything including notice, advertising, and the like must meet certain time elements to be legal. McCready also said the defeat of the November referendum was "...an emotional thing". Board president said if this were true it should be something that could be overcome in a May referendum.

O'Neal asked Sarah Mosley, an opponent of the November referendum if it were emotional or otherwise could a May referendum be successful. Mosley's answer was "...no..."

matter already. "The people say it takes them as much as an hour to get across the tracks sometimes," said Temple. According to Temple the railroad claimed they were to maintain the depot for 24 hours a day. "But this is not being done," added Temple.

The public hearing on this matter will take place on February 5, 1986 at the Harrington Depot beginning at 7:30 p.m.

Council tables annexation plan

(Continued from page 1)

They seek to come into the City in order to get the use of City sewer and water. Mayor outlined a plan whereby the water line could be brought across the property owned by CT Film Corporation. "It is estimated to cost about \$80,000.00. We are working on getting a grant to swing the deal," added the Mayor.

But Councilman James Temple shot back that "...we cannot afford the cost of such a project, because we can't afford what we are trying to do now." Attorney Walls cautioned the Council about bringing new land into the City, "...for at that time you are legally bound to provide the new person annexed with all the entitlements of being within the City limits...such as sewer and water."

Also Walls pointed out that the land coming in would come in as R-1 single family residences, and the City should know what they want before they decide to bring the land into the City. The Mayor stated that there are three possible ways to raise the money to finance the cost of installing the sewer and water. "You can seek monies through UDAG grant money, the State of Delaware, or allow the developer to put the sewer and water in at his cost, and in turn the City will give them free sewer and water for a certain number of years."

It appears that the most successful one would be the installation at costs to the developer and let the City provide free water and sewer for a certain number of years.

Surplus food distribution set for January

The next distribution of surplus foods will take place on Wednesday, January 22 in Sussex County and Thursday, January 23 in Kent County. According to the State Division of Purchasing, food once again will be given out by fire companies, Jaycees, and other volunteers.

Those eligible to receive commodities include recipients of Aid to Families with Dependent Children (AFDC), Food Stamps, Supplemental Security Income (SSI), General Assistance of Medicaid. These recipients must present their Green Photo ID Card or White Medicaid Card. A representative can pick up food for a homebound recipient by presenting that person's card in his place.

Also eligible are those with total household incomes not exceeding 130% of the poverty level, as shown below. Only one person per household may apply.

Homebound recipients in this category can also have someone pick up their food by completing a form that their representatives can present at the distribution center. The forms are available now at all State Service Centers. Forms can also be obtained at distribution sites during the hours of

distribution or by phoning the Division of Purchasing at 834-4512. In addition, twenty-three agencies who provide services to the homebound will make forms available to individuals they are currently serving.

It is extremely important that recipients NOT tie up emergency phones when inquiring about surplus food. PLEASE DO NOT CALL LOCAL FIRE COMPANIES OR JAYCEE CHAPTERS. Inquiries should be directed to Jim Godfrey, Division of Purchasing, 834-4512.

Letters To The Editor

Dear Editor:

The article on the Harrington Day Care Center's annual Christmas program was indeed enchanting. The children have an opportunity not only to see themselves in pictures but also to see their names in the newspaper. I'm sure this article will be a treasured

memory for all our little ones. Thank you for being at our program. May your New Year be filled with many wonderful accomplishments.

Sincerely yours,
Carrie P. Brown, Director

Dear Editor:

Last week my daughter went to school with her new leather jacket on, that was a Christmas gift. She only had a chance to wear it for two weeks. That afternoon she returned home from school with only her sweater on.

Someone decided it would be nice to have this jacket, so this person took it upon themselves to go into her locker (that was locked) and invade her private property by forcing her locker open and stealing her jacket. I'd like to use a less harsh term, but there is none. I'd like to ask this person what gives you the right to do this? Do you feel big and important now? What was

your feeling after you have the jacket? Any conscience at all? Did you need a coat bad enough to steal for it? If so I had several I would have given you.

I've been told that writing this will have little effect on the situation. If only a few persons read this, one may see (he or she) with this jacket on. Maybe the parents of the party will come forth. I have reported this to the proper authorities, and also the school is aware of the situation.

There is a reward offered for any information, as to the whereabouts of the jacket. Call 398-3890.

Dear Editor:

With every coming year, the Harrington Day Care Center, Inc. located in St. Stephen's Episcopal church likes to take the time to reflect on the various accomplishments and events that have taken place in the previous year. As always, we received parental support and community support in 1985 and hope this support will continue into 1986. We are thankful for the many contributions made to the Center in the form of monies, clothing, paper supplies, arts and crafts materials, and other invaluable materials.

We graciously thank parents for their help with our birthday parties and holiday parties especially at Christmas time. We were happy to welcome 90 parents, friends and relatives to our Annual Christmas Program and Party on December 18, 1985. Thanks to each and every parent for all the gifts and Christmas goodies. We also thank Santa Claus who willingly posed for

pictures with the children and added so much excitement to the party.

As we look back on the work the Board of Directors have done in 1985, we see that it was all done in the spirit of encouragement, cooperation, and love.

As for our Day Care staff, we will remember 1985 as a year dedicated to improving the quality of service given to our children through our determination to do a good job and our ability to get the job done. For us each year is a year of growth and discovering new ideas.

So with 1986 upon us, we resolve solely to continue to improve the service we render to Harrington and the surrounding areas and to continue to strive to offer day care program in which any parent would be happy to enroll his/her child.

Harrington Day Care Center

Governor, School Chief urge lights on for learning

State officials are urging the people of Delaware to join in a national spotlight on learning being arranged in connection with the flight of America's Teacher in Space.

Christa McAuliffe of Concord, New Hampshire, is scheduled to lift off in the space shuttle mission beginning January 23. On the sixth day of the flight she will teach two lessons which will be telecast throughout the country for reception in the schools.

The night before her teaching day, people are asked to leave on their porch lights to signify their support for education and their realization of the importance of teachers.

If the original flight schedule holds, lights will go on Monday, January 27, at 7:00 p.m. Eastern Standard Time and be turned off at 7:00 the next morning.

Gov. Michael N. Castle in a prepared statement said he supported the idea and would have the lights on at his Woodburn residence. "It's a good way to show our neighbors that we wish Mrs. McAuliffe well in her adventure," the governor said.

"Launching a space craft and transmitting from its back to earth are tremendous achievements. They are made possible largely because of the skilled and spirited work of the thousands of teachers who educated those who now lead and carry out our space program."

State Superintendent of Schools William B. Keene also endorsed the

porch lighting. "Keeping the lights on is an appropriate way to demonstrate our support both for the Teacher in Space mission and for the long-range benefits we hope it will yield," Dr. Keene said. "As Christa McAuliffe conducts her lessons, we should all be reminded that good teaching requires high-level skills. We should realize also that, for teachers' work to attain the best possible results, they need help from all segments of the community. Every night and every day, we should keep bright our interest in strengthening our schools."

Mrs. McAuliffe was chosen from among 11,000 applicants for the Teacher in Space assignment.

Gov. Castle announced the selection of Delaware's two nominees last April — Stephanie Wright of Stanton Middle School, Red Clay School District, and Henry E. W. Bouchelle of the Pilot School, Wilmington.

All state nominees were oriented on the mission in Washington, D.C. last June and received materials to use in making presentations to school groups. Mrs. Wright will be visiting public schools this spring to discuss the program. Mr. Bouchelle will work with nonpublic schools.

Curriculum materials have been sent to all Delaware schools to help teachers build lessons around the events of the Teacher in Space flight.

Over The Backyard Fence

Gab Fest by Pat Hatfield

Well, I've been 82 now for five days, and it doesn't hurt a bit! That's because, inside, I'm not 82 — I'm forever young! I received a lovely birthday card from a Bridgeville Reader whom I do not know personally. She says she feels she knows me. Well, my dear, if you read the column, you do indeed know me, because it is ME, plain and simple.

I know many of you feed the birds. Do you see the Junco? Some call them Snowbirds. We used to see lots of them every winter, hobnobbing with the sparrows, especially before or during a snowstorm. My friend, Tess, reports that she saw one last week. They are such friendly, fat little fellows with their slate gray coats and white breasts.

Is it time to check the daffodils? They push up rather early. February will probably bring us the swelling of the buds on the trees, especially if we get a February thaw. And March will bring us many things. And March I will bring us out Ted. We, too, are marking off the days just as he is. That will be a second Christmas for us.

My two African violets that have survived these many months looked mighty discouraged at the end of the summer. I had a vague feeling that I should put them into new soil or something, but I did feed them two of those little vitamin sticks you can buy on a card. I think they know that I love them, but I am so stupid about their care. Anyhow they have taken a new lease on life and set about getting some flower buds, and they look great. Maybe

it's like the TV folk say about their Home-Style gravy.... "Maybe I stirred them too much!"

One thing I can say about old January. The sunsets are absolutely spectacular. This is the month the mailbox is full of garden catalogs. We enjoy them as we plan and dream. The new roses just get more beautiful every year. I was reading in a recent article about the folk who spend their time studying and developing new varieties of roses and have difficulty in naming a new one. This does not seem to me that it would become a problem, but I like to study and memorize the names. Two of the favorites in our little rose garden are the Red and White, "Double delight" and my apricot-colored one, called "Tropicana".

January is my month to get organized. I know that Autumn is the traditional time to clean house, but there is too much else going on at Trail's End. We are still trying to preserve the fruits and vegetables and get enough applesauce made, and really taking time to enjoy the gorgeous foliage. Now the cold, gray days of winter are with us, and I must put my house in order. For the heavy stuff that I can no longer handle, I am blessed to be able to have my "Dawn", who now repays me a hundred-fold for the days when she was a chubby adorable three-year-old under my care. All of our homes are blessed when she arrives. Because she does her work with Christian love and caring. Help like that is beyond price.

Reverend George Downes and son visited Mrs. Dorothy Downes and sister Jeanette Wyatt and Mr. Elwood Wyatt who is a resident at Millford Manor on Tuesday, Wednesday, Mr. and Mrs. Dewain Downes also visited his mother Mrs. Downes, sister Jeanette and brother-in-law.

Wayne Remington who is employed by Stars and Stripes of Europe and is living in Germany, is visiting his father Mr. Kenny Remington of Harrington and some other visitors in the United States before returning to Germany on Saturday the 18th.

Happy Birthday wishes go out to Mr. Michael McColey on his 19th birthday. Mike attends the University of Delaware. He is the grandson of Earl and Anna Belle McColey.

My sympathy goes out to the family of Mrs. Ganes McMullen. She was a nice

lady, and I'll remember her as a lady who enjoyed life.

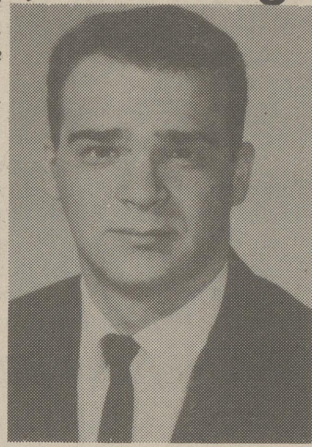

Visitors of Mr. and Mrs. Elmer Brown this week have been: Mr. and Mrs. Francis Weldin, Mr. and Mrs. Frank Bradley and Mr. and Mrs. Charles Coverdale.

My step-daughters Sharon and Sue Breeding surprised me with a birthday Party on Saturday evening. Those who helped me celebrate were: Doris & Winston Linton, Joe and Mary Ann Zelano and my two grandchildren, Jennifer and Raymond, Ray and Donna, Phyllis Marvel, Gary Marvel and friend Betty, Mike and Freda Richards, Tara, Dallas and Michael, Al and Beverly Windon, Robert Bunting, Ronica Willey and Bobbie Bogan. I really enjoyed myself, and the party was a beautiful surprise.

ANNIVERSARIES — Tom & Joyce Williams, Gene & Linda Anthony, Mr. and Mrs. Donald Jarrell, Mr. and Mrs. Ralph Bell, Doris & Bill Paskey.

Mary Ann Stumpf will be the hostess for the Knit Wit Craft Club on Thursday, January 16 at 7:30 p.m., Felton, DE.

Mildred Steele and Lola O'Day paid our last respect to Betty LaCross, Milford at Lofland Funeral Home on Friday, January 3, 1986. Betty was a good friend and member of our Knit Wit Craft Club. Our sympathy is extended to the family.

Ronald Stumpf, Scott and Angela with Lola O'Day went to the Del. State College on Wednesday to try and get a

glimpse of Halley's Comet. We did not get up to see it as they were only taking 200 people a night, and we were past that number. They were showing a movie on the universe, we saw the movie and learned a little about the Heavenly Bodies. It was enjoyable. On April 10, 1986, the Comet will be closest to us. Halley's Comet will still be visible for a few weeks after that, and will fade rapidly. The rest of us will have to wait for the year 2062 for another look. The comet is being watched around the world by professional astronomers with elaborate equipment.

Get well wishes are extended to the following persons, Helen Rawley, Jack Bell, Virginia Witomski, Wilson Hughes & Bobby Biggs, Harry Reed and Jim Sluter.

Mr. and Mrs. Richard Jenner have their son Edward and granddaughter and Heather and another son Ricky from Conn. The sons are in the Navy and just getting to visit their parents for a belated Christmas. Unfortunately as it is, they went roller skating and Edward fell and broke his arm while skating.

The Felton Ladies Auxiliary, Felton Fire Co., will be serving a dinner of approximately 100 persons of the Tri State Investigators on Wednesday evening.

Rotary Club News

Rotary Club members in Delaware and on Maryland's Eastern Shore are looking for five outstanding young business and professional men to go to England next Fall on an all-expense-of-god will tour of six weeks.

It's called Group Study Exchange. Since the program began in 1965, more than 10,900 young men from 147 countries have participated.

The trip to England will begin in early September. The Rotary Foundation will provide air fare and other travel expenses. In England, the visitors will be housed and fed in the homes of Rotary members there.

This exchange with England's Rotary District 111 will return a visit by Group Exchange men from England to Delaware and the Eastern Shore of Maryland, which will begin in early April.

The program's purpose is to improve international understanding by enabling people of different countries and cultures to learn from each other. It is a program supported voluntarily by Rotarians and others in 159 countries and geographical regions.

Visitors observe their hosts' way of life

and the country's economic, social and cultural characteristics.

Applicants being sought must be between 25 and 35 years of age and be able to provide the time off from their work or study to make the six week trip.

Eugene N. Sterling of Dover is the district's Group Study Exchange Chairman. He said plans are to pick the team by mid-March. Applicants should have their applications in the hands of a Rotarian no later than mid-February, he said.

Information and application blanks may be obtained from Rotary Club members, including club presidents. In addition, the area representatives of District Governor Donald E. Osburn have been alerted to supply information. They include: Camden-Wyoming, Dover, Middletown-Odessa, Smyrna-Clayton — Gary B. Patterson, 227 N. State Street, Dover, Del., 19901, phone 674-1246.

Denton, Federalsburg, Georgetown-Millsboro, Harrington, Lewes-Rehoboth and Milford — W. Wade Brown, Route 2, Five Mile Creek Road, Denton, MD, 21629, Phone 479-0702.

Senior Center News

Well, if you have missed this column for the last couple of weeks, I apologize. Changing over to a new year makes things a little hectic. There still has been a lot going on at the Center and here is a detailing of the next week:

Thursday (16th) the Crafts Department has begun to work towards our Spring Bazaar and they could use all the hands and ideas that are available. They will be busy that entire day. In the afternoon, in another section of the building, there will be a presentation by Cori Stein, "The Emergency Food Shelf". This will begin at 1 p.m. Lunch that day will be delicious: Delaware Chicken, Mashed Potatoes, Milk Gravy, Cole Slaw, Cranberry Sauce, Biscuits with honey and Fresh Fruit for Dessert. All of this for a donation! It's the best bargain in town.

On Friday (17th) beginning at 10 a.m., there will be Blood Pressure Monitoring and Weight Monitoring, sponsored by the VNA. In the afternoon, beginning at 1 p.m. will be Bridge Games with Phyllis Greenhaugh and also in the dining room there will be Bingo.

On Monday (20th) Legal Aid was scheduled, but their office will be closed that day so she rescheduled to Wednesday. If you would like an appointment, please contact the Center.

On Tuesday (21st) we will be having our Birthday Party for all those born during the first month of the year. Our theme for the party will be 'A New Year's Surprise'. Wednesday will be a special day (22nd). We are having a Hobby Day beginning at 1 p.m. January is National Hobby Month and in celebration we are asking that all of our members with a Hobby to participate. For example, if you collect stamps as a hobby, you might consider bringing in a couple of stamps from your collection (we wouldn't want you to try to bring in the entire collection). You then could tell about your hobby, like how long you have been collecting, how many stamps you have in your collection, etc. So, here is your chance, no matter what your hobby! I do know one lady who is going to participate, Mrs. Frieda Wilcuts. She told us that her hobby is crocheting and she will be bringing a couple of her items in.

If you are a member of the Center, your donation dues of \$3.00 per year is now due. These monies go into the Membership fund. The membership is hoping for 100% participation this year.

Also, a note about our expansion plans. The building plans are out for bids and the bids will be opened on February 11th. Everyone is extremely

anxious to see those trucks pull into our lot and the work to begin.

For the next couple of weeks we will be mentioning our SECOND ANNUAL SWEETHEART DINNER. On Friday, February 14th, we will be sponsoring our dinner at the Colony Inns in Harrington. This is open to members and non-members alike. The cost of \$25.00 per couple (or \$12.50 per single) includes your choice of entree: Filet Mignon or Flounder stuffed with Crab Imperial, also a tossed salad, baked potato, string beans almandine, rolls and butter, beverage, and dessert every lady in attendance will receive a flower.

Linda Gray from WYUS radio in Milford will be present at both seatings (5 or 7 p.m.) to entertain. Seating is limited, so please call the Center early if you would like to go. Deadline is February 7th, so we can make all the arrangements YOU NEED NOT BEIN COUPLES, YOU CAN TAKE A FRIEND, NEIGHBOR, GRAND-CHILD, DAUGHTER, SON, ETC. IT'S A GREAT WAY TO SHOW SOMEONE YOU CARE! The Staff from the Center will be your waiter and waitresses for the evening. If last year is any indication, we are looking forward to a successful event. Approximately \$4.00 from every couple will be rebated back to the Center to go into our Building Fund.

Area Church News

Calvary Wesleyan Church News

Approximately 200 people attended the birthday celebration for Rev. and Mrs. William H. Miller this past Sunday evening. Mrs. Miller had a birthday on Sunday, and Rev. Miller's is on Wednesday, January 15. Mrs. Carolyn Graham, Mrs. Kathy Wetherhold and Jerry W. Miller provided the refreshments for their parents and guests.

The third in Zig Ziglar's "Living Your Potential" series of video tapes will be shown this Sunday evening, January 19 starting at 6:00. The message this week will be "How God Sees You." This tape will help us to understand that being "created in the image of God" can heal the flaws in self-image and transform every key relationship in your life.

A winter month Sunday School attendance campaign will start soon. The Christian Education Committee will announce plans this Sunday for the promotion. Sunday School starts each week at 9:30. The Morning Worship service is at 10:40. The evening service at 6:00.

Children's Choir meets each Wednesday evening at 6:30 with CYC classes to follow. A Youth activity starts at 7:00 on Wednesday evenings. Bible Study for adults is set for Wednesday evening at 7:00.

Birthday greetings this week to: Darrin Simpson, Carroll Welch Jr., Mrs. Grace Bradford, Mrs. Sandra Frazier, Rev. William H. Miller, Tracy Brown, and Keith Password.

St. Bernadette's Catholic Church

PRAYER SERVICE FOR CHRISTIAN UNITY: The Lake Forest Ministerium will sponsor a prayer service for Christian Unity on Sunday, January 19 at 7:30 p.m. at Metropolitan United Methodist Church in Harrington. All St. Bernadette's parishioners are invited to attend.

CONFIRMATION: We ask you to continue to remember in prayer our Confirmation candidates. We will have a special Mass at which time they will publicly affirm their commitment. Please note the time of change: Special Mass of Election, Sunday, January 26, 9:30 a.m. at St. Bernadette's, 11:00 a.m. at St. John's.

TESTING PROGRAM: There will be a special testing program administered to our students. This is a survey test given to students in grades 5, 8, 11, and 12. This is a diocesan effort to determine the religious education needs of our children. Since we have so few students in grades 11 and 12 participating in our High School program from both parishes, we would like to encourage any students in grades 11 and 12 to spend a short time in answering this survey. This can be done at a time convenient to the student. Any 11 and 12 grade students interested in helping us determine your religious education needs please call Mary Louise (422-5319 or 422-5827).

TRUSTEES: The following were elected as trustees of the parishes: St. John's: Chris DeMartin and Don Clifton; St. Bernadette's, Terry Mucha and Lee Kukulka.

BAPTISM: We will celebrate the Sacrament of Baptism in April. Prior to the baptism of a child, parents are to attend a two-session baptism preparation program in February and March. To register, please call the Rectory at 422-5123.

PARISH COUNCILS - St. Bernadette's, Monday, January 20 at 7:30 p.m.; St. John's Wednesday, January 22 at 7:30 p.m.

LITURGY COMMITTEE: St. John's Wednesday, January 15 at 7:30 p.m. in the hall.

BISHOPS' PASTORAL ON THE ECONOMY: An orientation meeting to discuss the second draft of the pastoral will be held at St. John's on Thursday, January 23 from 7:30 p.m. to 9:30 p.m. You are invited to attend.

PRAYER SERVICE FOR CHRISTIAN UNITY: The Lake Forest Ministerium will sponsor a prayer service for Christian Unity on Sunday, January 19 at 7:30 p.m. at Metropolitan United Methodist Church in Harrington. All St. Bernadette's parishioners are invited to attend.

A VOCATION VIEW: Come on continue your baptism by baptizing others in the Holy Spirit and fire. "You are my beloved child," says the Lord!

RELIGIOUS EDUCATION NEWS CONFIRMATION: We ask you to continue to remember in prayer our Confirmation candidates. We will have a special Mass at which time they will publicly affirm their commitment. Please note the time of change: Special Mass of Election Sunday, January 26 at 9:30 a.m. - St. Bernadette's; 11:00 a.m. - St. John's.

FELTON - Oscar Black, 82, of R.D. 3, died Friday, January 10, 1986, of cardiac arrest in Kent Convalescent Home, Smyrna.

Mr. Black, who was retired, was a farmer and a huckster in the Felton area.

He is survived by his wife, Mildred; a daughter, Hilda Dunkins of Chester, Pa.; two stepsons, Chester Lamb and Samuel Lamb, both of Dover; a brother, Percell Black of Wyoming; three sisters, Gertrude Johnson, Pearl Sparks and Alice Wilkerson, all of Greensboro, Md.; nine grandchildren and 10 great-grandchildren.

Services were 1 p.m. Monday in Bethuel Seventh-Day Adventist Church, Dover where friends called at noon. Burial was in Gibbs Memorial Gardens.

Prayer for Christian Unity

Representatives from Churches in the Lake Forest Ministerium have set Sunday, January 19 as the day for a service of PRAYER FOR CHRISTIAN UNITY. The service will be at the Metropolitan United Methodist Church, 105 West Street, Harrington, at 7:30 p.m. The preacher for the service will be the Reverend Carol Beyer from the Trinity United Methodist Church, Harrington. The Community Choir will sing at the service.

Because of the cooperation of Churches in the Lake Forest Ministerium, the Food Pantry and the Fuel Fund are in existence and responding to needs in the community. The Ministerium is grateful for the

support from churches of the area as well as individuals and businesses. Beyond this, students at Lake Forest High School collected food and sent a large supply to the Food Pantry. Students at the W.T. Chipman Junior School not only sent a large supply of food, they sent their check for a substantial amount of money to be used to purchase food or other items which we do not have in stock. THANK YOU! Your efforts made it possible for us to assist more than 100 individuals during the month of December, 1985.

The above is cause for celebration. The day is: January 19. The time is: 7:30 p.m. The place is: Metropolitan United Methodist Church, Harrington.

Asbury United Methodist Church

Wednesday night is Adult Bible Study to be held in the Pathfinder Room at 7:30 using Book #7. Thursday is choir rehearsal.

Sunday, January 19 at 7:30 p.m., "Prayer for Christian Unity" service will be held at the Metropolitan U.M. Church on West Street. The message will be brought by Rev. Carol Beyer with the Community Choir under the direction of Matt Burgess. All are welcome.

Choir practice for the above service will be held at the Metropolitan Church, Saturday, January 18 at 10:00 a.m.

It's time to lay the ground work for our summer Vacation Bible School Program. All volunteers, please contact Gale Vogelien (398-3791) or Betty Brown (398-4450).

The "Deadline" for the Lenten Devotions to be in our "Visitor" will be Sunday, January 26. We need you to

sign up now for one day in the Lenten season. The sign-up sheet will be on the Narthex.

Last week I told you there would be more news on our Venison Dinner which is to be held on January 31. Plan to bring your children, grandchildren and all the entertainment will be of special interest to children and adults of all ages. "Aunt Ruth" a ventriloquist and her friend "Buddy" will sing and tell stories and "Uncle Gilbert" will assist with music and art work. You won't want to miss this, so be sure to keep this date open.

This couple has a growing children's ministry and the evening will be a surprising and inspiring one for all who attend.

Scriptures for the week: Psalm 36:1-5, Isaiah 62:1-5; I Corinthians 12:1-11 and John 2:1-12.

Prayer doesn't necessarily change things for you; but it changes you for things. Anonymous.

Popivchak, Cherry, Fleming and Hicks get mat wins

by Harry G. Farrow Jr.

The Lake Forest High School Varsity wrestling team pulled down two wins this past week over a highly rated pre-season team, Delmar, and Indian River.

The Spartans are usually behind in their matches due to the fact they give up points in the early going mainly to forfeitures.

In the Delmar match, the match came right down to the very end with the match with Marvin Hicks. "We needed a 3 point or better from Marvin," said Coach Tom Shaffer. The match score was 27-30 in Delmar's favor when the heavyweight match began. "Marvin was ahead going into the last period 5-2...and it did not look too good for us, but he came through with a pin with about 30 seconds remaining," said Shaffer. According to Shaffer, Hicks has always been in good condition "...especially for most heavyweights. He can move when he has to. He gets right up in the middle of it," added Shaffer.

Shaffer also said the reason they stayed so close in the Delmar match "...was that we were getting a lot of pins early on". "We got a pin from Steve Porter. He is the young man who came up from Chipman...but his parents moved out of the District. But they have moved back, and Steve is on the team fitting into that 107 to 114 pound class," said Shaffer. Porter won his match against Delmar. "He is a welcome addition to the team," said Shaffer.

The Spartans downed Indian River on Friday night with Mike Popivchak getting his first win "...a pin in 40 seconds," said Shaffer. "He is light...and he gets muscled but in this match he was the same weight as his opponent. He has real good skills...and he put his man down and won. You can't give up that much

weight down there and expect to win...but this match was on Mike's level," added Shaffer.

Derik Dill lost a real tough match. "He got beaten by a kid who beat him in the Milford tournament. A kid by the name of Hall. He is strong...but we have not figured out yet how to handle him. Derik will most likely see him again in the State tournament," added Shaffer.

Darryl Cherry got two pins this week. "He got one in the Laurel match...so it is three in a row for Darryl," said Shaffer. According to Shaffer "...Darryl is a hard worker and conscientious. We need those extra points so he is coming through and is real persistent."

Mike Gygrnyuk won his Indian River match which makes him 2-1 overall with 2 pins and 1-1 in the Conference. He pinned a good wrestler in the Indian River kid." Gygrnyuk was 9-3 as a 10th grader. "Last year he tore a ligament and missed one half of the season. He came back after surgery and was 5-3. This year Mike is off to a flying start...and he is really one of our better wrestlers," added Shaffer.

Scott Fleming got a pin against Delmar and a forfeit against Indian River. "Year...Scott is going to get a lot of that this season. It is true. He is strong and rugged. He makes the match real physical...believe me I know, because I wrestle him in practice. He is no fun to wrestle...because he is rough," added Shaffer. "Unless you have some skills that can at least come close to his...you are really wasting your time. And I think this is the decision the Indian River coach came to on Friday night," added Shaffer.

Shaffer says the team is healthy and they go on the road this week against CR and Milford. The team is now 3-0 overall and 2-0 in Conference play.

Taylor and M. Pelton lead dribblers to win

by Harry G. Farrow Jr.

The Spartan varsity basketball team dropped an upstate game on Tuesday night to St. Mark's, who play a little different brand of basketball than "...we do down-state", someone remarked recently.

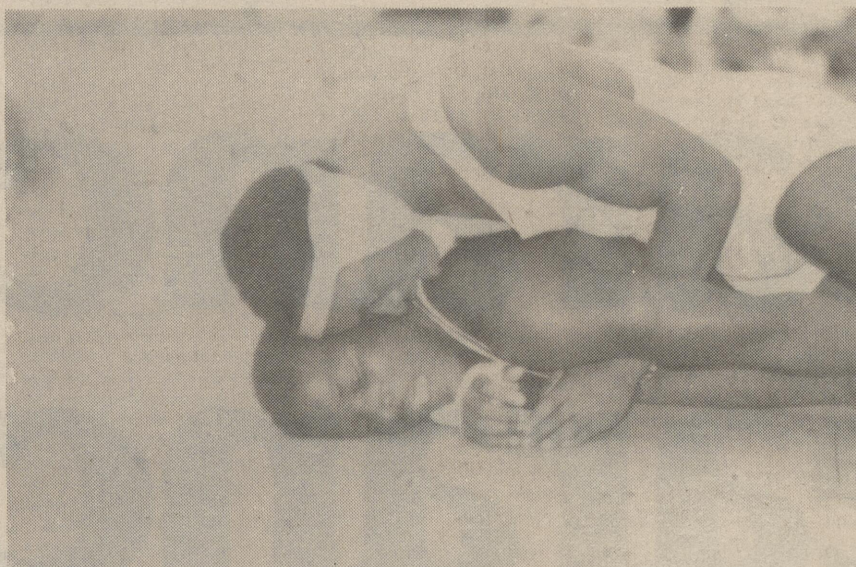

But this varsity team coached by Pat Dyal is not all that bad. "When they are bad...as they were against Laurel...they are bad," said one mother whose daughter is on the team.

In the Laurel game, the tempo was much like it has been on certain occasions. They were troubled with turnovers.

Lake Forest lost to St. Mark's 54-26. On Friday night against Indian River...on the road no less, the Spartans blew the "Indians" right off

the court. The Spartans won 49-40. Teresa Taylor led the scoring with 26 points. Melanie Pelton was the double threat as she scored 13 points behind Taylor "...but", according to one of her coaches, "...did a heck of a job bringing the ball into the forecourt." Melanie was running the base line either feeding Taylor or scoring herself. She also threw in several from the outside. Indian River used the 3-2 zone and tried to double team Taylor, who broke the press.

"The big thing was," according to her coaches "...was that we cut down on the amount of the turnovers, and we played real good from beginning to end," added one of the coaches. Good ball control, sure passing and few turnovers at the mark of a Dyal coached team.

K. Benson leads hoopers despite two losses

By Harry G. Farrow Jr.

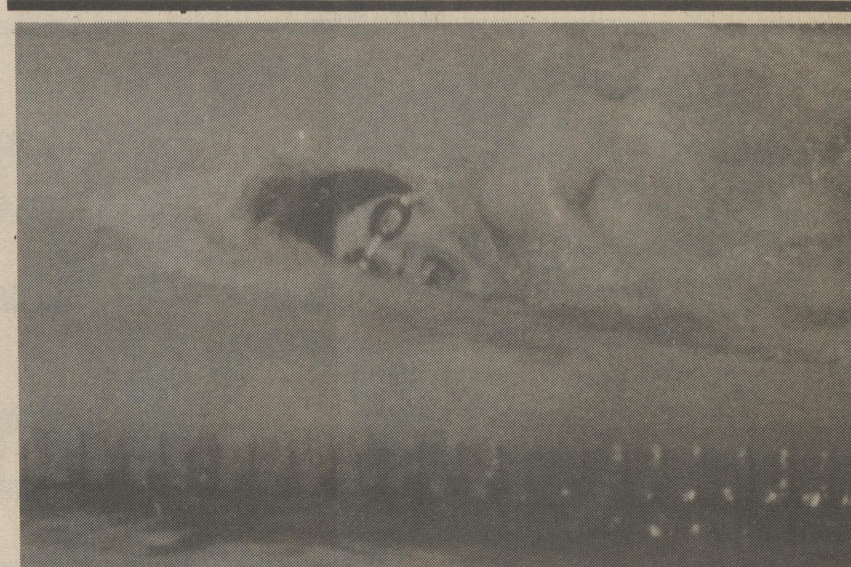

The Spartan basketball team was on the road this past week and suffered losses to St. Mark's 62-35 and to Indian River (60-52).

Although the foul shooting is improving on the varsity, the Spartans continue to have at least one bad quarter in the game, which either

costs them the game or makes it real close.

The Spartans were 7 for 13 in the St. Mark's game, but 6 out of 9 in the Indian River game. Kevin Benson and Lionel Dixon led the Spartan attack with 12 points apiece.

This week the Spartans are at home against CR and Milford.

HARRINGTON LITTLE LEAGUE

The Harrington Little League will have their regular meeting Thursday, January 16th at 7:00 p.m. at the Trinity United Methodist Church Fellowship Hall. Everyone interested is urged to attend.

In the Pocket

by Harry G. Farrow, Jr.

by Harry G. Farrow Jr.

At Hawthorne on Friday in the \$18,000 Invitational Pace it was Nyallo's Jack N winning in 1:56 for Brian Pelling. He also set the all-age track record at Hawthorne with Egyptian Sandman.

In the \$20,000 Open Handicap Trot at Yonkers on Friday, it was Manfred Hanover winning in 2:00 flat for Carmine Abbatiello. Two \$20,000 Fillies and Mares Open Pace winners were Keystone Native in 2:00.4 and Samsu Bluegrass in 1:59.3 both driven by Mike Lachance.

Great Nero showed the Meadowlands crowd some real smoke on Saturday by turning in a mile in 1:58.4 for Bobby Myers. Shannon Majority wins in 1:58.3 for Ron Waples. In the \$20,000 four year old Open Pace it was Next Knight Out for Bill O'Donnell in 1:57.1.

Mike Lachance gets off on the right foot on Saturday by winning no less than 5 races at Yonkers including the \$30,000 Open Pace wit Doc's Fella...no time recorded.

The track record for trotters was broken recently at Dover Downs. Willehook did it for Bob Shahan in 1:59.3 the first 2:00 mile on the trot at Dover...ever.

Micel (Mike) Lachance, the 35-year-old native of Quebec rolled to 592 victories during 1985, a figure topped by only one man in North American history — Lachance's fellow French-Canadian Herve Filion. Herve recorded 605 victories in 1972, then set the all-time standard with 637 wins in 1974.

In repeating as champion, Lachance becomes the first driver other than Filion to score successive championships since Bob Farrington swept to four straight national triumphs in the mid-60's. Bill Haughton, John Simpson Sr. and Levi Harner are the only others to score consecutive championships since records were begun to be kept.

The final standings of the drivers in most wins are as follows:

1. Mike Lachance592
2. John Campbell475
3. Bill Gale470
4. Bill O'Donnell416
5. Dave Wall385
6. Ron Marsh384
7. Herve Filion329
8. Dan Johnson318
9. Leigh Fitch309
10. Mario Baillargeon303

Bill O'Donnell has once again rewritten the record for money won by a driver in a single season, in the process becoming the sport's first "\$10 Million Man" by racking up earnings of \$10,192,282.

The 37-year-old native of Nova Scotia easily eclipsed his own mark of \$9,059,184, which he set in 1984. Contributing mightily to his total were Harness Horse of the Year Nihilator (over \$1.8 million) and Trotter of the Year Prakas (over \$1.6 million).

- The final standings are as follows:
1. Bill O'Donnell \$10,192,282
 2. John Campbell 9,621,761
 3. Mike Lachance 5,864,785
 4. Buddy Gilmour 4,185,571
 5. Ben Webster 3,893,509
 6. John Patterson Jr. 3,050,547
 7. Ron Waples 3,018,197
 8. Ray Remmen 2,952,531
 9. Walter Case Jr. 2,800,465
 10. Jim Doherty 2,717,394

Club seeks award candidates

The Gridiron Club of Lower Delaware which annually presents a scholarship worth \$2,000 over a four-year period to a downstate athlete who overcomes adversity or handicaps to achieve excellence in sports, is seeking nominations.

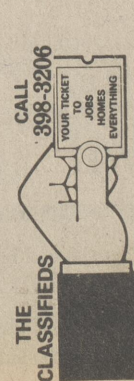

Coaches and athletic directors of all Kent and Sussex County schools are urged to submit the names of any individuals they believe might qualify to Robert Andrus, the Wesley College football coach, who is chairman of the awards committee. Members of the Gridiron Club are available to help write the rationale behind the nomination so if you have any reason to believe that an athlete at your institution, regardless of age or sex or whether the sport is varsity or intramural, might qualify for this scholarship and the honors that accompany it, please write or call Bob immediately. Other athletes may also submit recommendations.

The Gridiron Club Board of Directors will also honor the late Edward "Pat" Knight, former club president, by

making the Pat Knight award, which he established and presented every year, a permanent trophy to go to someone in the downstate community who has promoted the ideals of sportsmanship and fair play, demonstrated leadership in sports by long term service over a period of years and is well respected by his fellow citizens.

Ironically, the committee in charge of the award under the chairmanship of Bob Reed, Sr. determined the most striking individual symbolizing all of those qualities was Pat Knight himself and the posthumous presentation will be made to his wife, Ann, at the Gridiron Dinner on Monday, February 3.

Pat Williams, general manager of the Philadelphia 76ers, will be master of ceremonies on the occasion and Ron Jaworski, quarterback of the Philadelphia Eagles, will be principal speaker.

Wallace Hicks is Delaware's first fatality of 1986

Delaware's first highway fatality for 1986 was recorded early Friday morning when a single vehicle west of Felton claimed the life of Wallace N. Hicks, 21, of P.O. Box 653, Felton. The crash occurred on Kent 247, one and nine-tenths miles west of Felton. Hicks was driving a 1979 Chevette westbound on Kent 247 when for an undetermined reason, the vehicle ran off the south side of the roadway and overturned. Hicks was ejected from the vehicle. He was transported to Kent General Hospital by the Felton Volunteer Fire Company ambulance and pronounced dead on arrival at 2:00 a.m. of massive head injuries.

Mr. Hicks was not wearing a seatbelt and alcohol involvement is unknown. Delaware's first fatality for 1985 was recorded on January 12 of 1985.

Vaccination clinics for dogs & cats

A series of rabies vaccination clinics for dogs and cats will be held throughout Delaware during the next six weeks.

Locations, dates and hours of the clinics are listed below, by county.

A contribution of \$3 per pet will be requested to cover the cost of vaccine. All dogs must be on leashes, and all cats must be in carriers. Pets must be at least four months of age to be vaccinated.

Dr. Donald R. Cowan, chief of the Division of Public Health's Bureau of Disease Control, reminds pet owners that Delaware law requires rabies vaccination as a prerequisite for obtaining a dog license. Dog licenses will be available at clinic sites.

The vaccine used will protect dogs for three years, according to Dr. Cowan. Therefore, dogs vaccinated in last year's public clinics will not need another shot this year. Cat rabies vaccine is good for only one year.

Cosponsoring the clinics this year are the SPCA of Delaware, the State Division of Public Health, kennel clubs and civic groups. Veterinarians are volunteering their services, and the clinics will be staffed by community volunteers.

The schedule, by county, is below.
KENT COUNTY (2-4 p.m.) — Saturday, January 18 - Camden-Wyoming Fire Hall, Camden-Wyoming Ave., Camden, DE.
 Saturday, January 25 - Harrington Armory, Liberty St., Harrington, DE.
 Saturday, February 22 - South Bowers Fire Hall, Thompsonville.
 Saturday, February 15 - Milford Armory, N. Walnut St., Milford, DE.
SUSSEX COUNTY (1-3 p.m.) - Saturday, February 1 - Georgetown SPCA, 326 South DuPont Hwy., Georgetown, DE.
 Saturday, February 8 - Seaford Fire Company, King and Conwell St., Seaford, DE.
 Saturday, February 22 - Georgetown SPCA, 326 South DuPont Hwy., Georgetown, DE.
