

Citizens get chance to vote and elect Porter in landslide

HARRINGTON - William H. Porter, a native of Harrington and 16 year veteran of the Delaware State Police, was swept into office to represent the 2nd Ward in Harrington by a vote of 125 to 43, defeating Leonard T. Englehart, III.

Following the announcement of the results of the election held on Tuesday, Porter said, "...I felt that the people would do what they said they would do when I talked to them during the campaigning. The

momentum carried through the election."

Tuesday's election had been delayed approximately a month when council, in a narrow vote, threw out Mr. Porter's petition minutes prior to the regularly scheduled election which was held on January 12, 1988.

In that election Morris E. Willey of 6 East Center Street, was elected to fill the seat which was being held by incumbent Mrs. Anne T. Minner.

When the council voted on Mr.

Porter's petition on January 12, most of the residents of the 139 households in the 2nd Ward were highly disturbed over Mr. Porter's ineligibility, which came about when council challenged the petition because it contained too many signatures. Mr. Porter, at the time, indicated that no one had advised him about this technicality.

That incident and other incidents by the council focused statewide attention on the municipal activi-

ties in Harrington. In the meantime, Mayor Harry G. Farrow, Jr. appeared to be making more and more inroads into the community with the results being more and more public support.

When the council voted to throw out Mr. Porter's petition, his opponent in that election, as well as the one held Tuesday, Mr. Leonard T. Englehart, III, withdrew his candidacy moments prior to the polls opening.

Based on those facts, Mayor Farrow urged the council to declare no election having been held in the 2nd Ward, and "...set a time for the election which was never held." The council set the time for the election to be February 16, 1988. It took a public forum called by the mayor for the benefit of the 2nd Ward residents to finalize the election held on Tuesday, February 16.

Immediately following the announcement of the election results,

Mayor Farrow said, "...the balance of power has taken a tremendous shift, and the shift is in the best interests and welfare of the citizens of Harrington."

The Mayor also cited the appointment of William F. Smith as interim city manager as being a step in the right direction in restoring sound government to Harrington and further protecting the general welfare of the citizens of the community.

Council approves candidate's petitions; sets rules on the election

HARRINGTON - Council reviewed the petitions of the two candidates for Tuesday's election at Monday night's council meeting.

Councilman Temple asked if the clerk of the council, Mrs. Short, had approved and accepted the petitions. "Were they in order", asked Councilman Temple. The answer was "yes."

Councilman Temple wanted to know who had presented the petitions. The answer was that Mrs.

Englehart had presented her husband's petition and Mr. Porter presented his petition.

Mr. Englehart had 17 signatures and Mr. Porter's petition contained 19.

On all motions related to the election Councilmen Brown, Temple, Willey and Wyatt voted in favor. Councilman Coleman abstained.

Mayor Farrow asked Councilman Coleman to explain why he was abstaining. The answer was that he

felt the charter did not provide for the kind of election.

"The charter does not provide for it", he said. Mayor Farrow asked to be shown, in the charter, where it says that specifically. "I just want to say that, and I don't want to go any further on that discussion," said Councilman Coleman.

"I feel the people in the 2nd Ward are entitled to exercise their rights and being able to vote is one of the protected rights. To do otherwise

would work a great injustice to the people in the 2nd Ward," said Mayor Farrow.

Continuing the discussion, Mayor Farrow said "...the charter provides for special elections, and it follows that the procedure would be the same as in other elections."

Councilman Temple said he "did not understand why you would think it is illegal to hold an election that you say the charter provides for it because you did not feel that way

when you threw out his (Porter's) petition. Where did it say that in the charter."

The council voted to appoint Mrs. Kathlene Montague, Judge Paul Neeman, and Mrs. Virginia Winkler as an alternate, to serve on the Board of Elections. On election day, because Mrs. Montague and Mrs. Winkler could not serve, the election committee selected Mrs. Elwood (Betty) Brown, Judge Neeman, and

Winston Linton, all residents of Harrington.

The council also voted to make certain rules and regulations on election conduct, mainly that unless the election board is going to take names and certify to voter eligibility, then the election board members should remain out of the public area.

On Tuesday the election board sat at the table taking names and certifying to the voters eligibility.

Budget cuts, board elections discussed at meeting

by Bonnie Algier-Mitchell

FELTON. Two board seats, now filled by W. Dale Hammond and Roberta W. O'Neal, will be up for election on May 10th.

Filing deadline for the two-year term and the five-year term has been set for April 10th.

The May 10 elections will be held from 12 Noon to 9 p.m. in Felton, Frederica and Harrington schools.

In other matters, it was agreed upon by Board members that if a referendum to finance building improvements and salary increases is held in spring, the voting should not be held at the same time as the board elections.

According to Board President, H. Earl Roberts the follow-up referendum to the one defeated in November, must be scheduled between May 11 and May 21, 1988.

Three public town meetings have been scheduled and board members would like to wait and get an idea of the public concerns regarding the referendum. The meetings are scheduled for Feb. 25 in Harrington, March 3 in Felton and March 17 in Frederica.

Cutting next year's budget ex-

penses was also a concern.

A committee determined athletic programs could be trimmed, the decisions relating to these cuts should be left to individual departments and schools, according to board member Edward Welch.

Many comments have come from the public concerning the districts waste of money on the swimming pool at Lake Forest High School, commented Roberts.

The committee has researched continuing the swimming programs, both school and community related.

According to Dennis Davis, aquatics director and Mr. Welch, the swim programs are practically maintaining the operating of the pool on a balanced budget and the community programs provide benefits to residents of the district other areas of the state do not have.

The swim program seems to be holding its own, growing, even making money, commented Roberts.

Budget cuts to the vocational education program is a possibility, but will have to be discussed in an executive session, as personnel would be affected, Welch said.

Judges and contestants gathered for the oratorical contest. They are left to right-State Representative G. Robert (Bobby) Quillen, State Representative Tina Fallon, Miss Michelle Hopkins, Jim Givens Commander of Callaway, Kemp, Raughley, Tee, American Legion Post #7 in Harrington, Miss Christine Minner, and Kent County Superior Court Judge, Henry du Pont Ridgely. Christine Minner wins oratorical contest

The 51st Annual American Legion National High School Oratorical Contest was held on a local level last week with contestants Misses Michelle Hopkins of Woodbridge High and Christine Minner from Lake Forest High School.

The contest will continue this Wednesday night February 17th at the Walter Fox Post in Dover where Miss Minner will advance in the oratorical contest. Miss Minner picked up the \$500 scholarship last Wednesday night at the Farmington Fire Hall. Miss Hopkins was awarded a \$250 scholarship.

The contest at the Fox Post will be for the district title which carries with it a \$1,000 scholarship to Del Tech. The winner of the District competition will compete on February 24th for scholarships amount-

ing to \$1,000 plus \$4,000 to Delaware State.

The national winner will receive a \$16,000 scholarship in Denton, Texas on April 12th.

Miss Hopkins is a senior at Woodbridge, pursuing an academic degree. She plans to enter the pre-med program at the University of Pennsylvania. Her father is Mr. Albert Hopkins. She is a member of student council, the marching band and speech club.

Miss Minner plans to attend Salisbury State to study to be a psychologist. She is active in sports, lettering in 3 sports...hockey, basketball and softball. She has been a member of the championship teams at Lake Forest. She is the daughter of Mr. and Mrs. Donald Minner.

Roberts answers Lake Forest referendum questions

Lake Forest School District Board of Education President H. Earl Roberts, continuing a pattern he established in December, again posed questions regarding the district's referendum possibilities during the February 15 Board meeting.

He also supplied the answers.

"We have had a couple of people ask us questions regarding the status of the money that was given to the Lake Forest School District as a result of successful litigation of the suit filed because of the defective roof at Lake Forest High School," he said. "This appears to be a continuing question in the community."

"As a result of that successful litigation," explained Roberts, "the state of Delaware recovered \$107,500. In the FY '85 Bond Act, the state of Delaware allows these monies to be used as the District's authorized share of major and minor capital improvement projects. We currently have this money deposited in our local minor capital improvement account. We use it as the District's matching share of minor capital improvement projects. Then, we use the minor capital improvement tax revenues we collect to pay it back."

Roberts maintained that school officials are planning to use \$100,000 of this money as a means of lowering the tax burden of the anticipated major capital improvement project.

"This will reduce the overall annual tax burden to the local taxpayers for the local share on the major capital improvement program bond issue, since the account will have a beginning balance of \$100,000. The remaining \$7,500 will be used as the local contribution of the minor capital improvement

program.

"Why not use this money for minor capital improvements now," he asked rhetorically, "instead of holding it for a major capital improvement program?"

"Using the entire of this money towards the District's 40 percent share of the minor capital improvement program would serve to lower the minor capital improvement portion of our tax for two years while not providing any additional relief for minor capital improvement repairs and maintenance. Using the \$100,000 for the major capital improvement program would serve to lessen the tax burden of our taxpayers for the length of the bonded indebtedness."

Several years ago, the Lake Forest School District was cited by the Office of the Auditor of Accounts for having an excess of funds within the bonded indebtedness category.

"What has been done regarding this excess?" Roberts asked.

"Beginning in the 1986-87 tax year, the Lake Forest Board of Education lowered the debt service tax rate. Computer projections were made at that time to determine what yearly tax revenue was necessary, along with the balance in the debt service account, to cover the costs of the current bonded indebtedness program through the final bond expiration date in 1997. The tax rate was set accordingly."

Roberts added that he hoped the public would continue to bring questions to the Board's attention in order that "communication between Lake Forest School District and its public would continued to improve."

It was a cold day on Sunday but there was a hot fire at this house on West Street. The fire apparently started in some furniture, causing extensive smoke damage. Photo by HGF.

Moretti resigns — takes position at Indian River

LAKE FOREST HIGH SCHOOL - Richard D. Moretti, 42, who has been employed at Lake Forest for 10 years, has given his resignation which was accepted Monday by the Board of Education.

Moretti, presently Lake Forest School District assistant for administrative services, will leave Lake Forest on March 7. On March 8th he will take up his new position of director of business for the Indian River School District.

The position at Indian River includes a substantial annual increase in salary for Moretti.

John Deere celebrates 151 years of business

by Don Mitchell

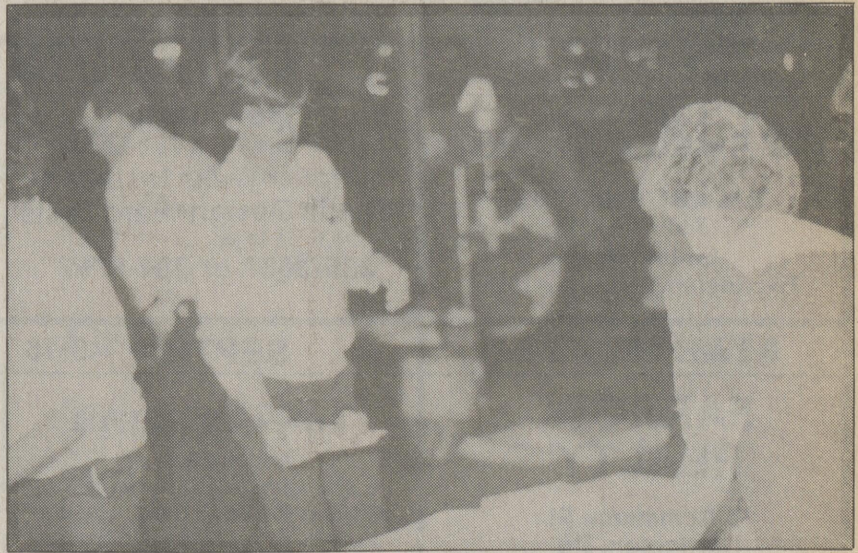

Wednesday night February 9th, Taylor & Messick Farm Equipment of Harrington had a "John Deere Day" open house at their Vernon Rd. location. Local farmers and their families were in attendance. A factory representative was on hand to answer questions and to show movies

on the history and growth of John Deere.

After the movie presentation Walt Messick held drawings for door prizes in several categories, while Taylor & Messick employees were busy serving refreshments. As the evening came to a close, it appeared everyone enjoyed the festivities.

Scouting for the handicapped golf tournament

The Rehoboth Beach Country Club will be the site of the 1988 Scouting for the Handicapped Golf Tournament. This first annual outing on Friday, May 13 will benefit the handicapped Scouts in Delaware and the Eastern Shores of Maryland and Virginia. The field will be limited to 144 players. Trophies and prizes will be awarded. The entry fee will include a dinner dance in the evening, which wives and guests of players may attend for a nominal charge. Raymond F. Book Jr. & Company, CPA of Dover, along with the Sussex Trust will handle finances.

Protect horses now from encephalitis

Horse owners should vaccinate their horses against equine encephalomyelitis now before the onset of the mosquito season. Effective vaccines exist to provide combined protection against the two forms of the disease. Both forms are transmitted by mosquitoes and are more frequent in pastured than in stabled horses. An infected horse or pony will wander aimlessly, suffer impaired vision, have difficulty rising when down and finally become paralyzed or die. Barczewski suggests horse owners have all horses vaccinated early this spring before the start of the mosquito season.

Risk management workshops for farmers

Crop insurance programs will be among the topics considered at two risk management workshops scheduled February 23, and March 1, for Delaware farmers. The February workshop will be held at the Clayton firehall. The March workshop will take place at the Colony Inn on Route 13 near Milford. Both sessions will meet from 9 a.m. to 3:30 p.m. Both workshops will deal with such topics as a risk overview, the economics of irrigation, crop diversification, crop insurance, the Farmers Home Administration (FmHA) guaranteed loan program and the feed grain programs of the Agricultural Stabilization and Conservation Service (ASCS). Reservations for the workshops should be made a week prior to the meeting date at the county Extension office in Newark (451-2506), Dover (697-4000) or Georgetown (856-7303). Sponsors of the two workshops are the Federal Crops Insurance Corporation, the State Department of Agriculture, ASCS, FmHA, and Cooperative Extension.

Local farmers to attend Southern States meeting

Outstanding young farmers from the Harrington area will attend Southern States Cooperative's regional board/young farmer meeting to be held by the cooperative at the Clayton Fire Hall in Clayton, Del., Feb. 17. Invited to attend from this area are the elected directors of Hudson Farm Supply Company, Inc., in Harrington. Also attending the session will be the cooperative's retail managers and agricultural workers. A total of 36 of these regional meetings will be held during February by Southern States over a six-state area. The cooperative serves farmer-members who live in Virginia, West Virginia, Maryland, Delaware, Kentucky and North Carolina. Floyd K. Blessing of Houston, Del., a member of the cooperative's 17-member board of directors, will preside at the session. Registration for the meeting will begin at 9:30 a.m. In a videotape presentation, "The New Dawn Brings Changes and Challenges," Gene A. James, president and chief executive officer of Southern States, will present the financial report for the first six months of the cooperative's current fiscal year. James will be on hand in Clayton to introduce the video. James will also use video to answer the questions many farmers have been asking. Those in attendance will have the opportunity to ask James questions after this presentation. Another major part of the program is entitled "Update '88." Dr. Joe Coffey, vice president of Economics and Planning for the cooperative, has taken a look at what the future holds for agriculture, and his views will be presented by James. Patrick H. Murray of Baltimore, a regional manager for Southern States, will discuss the cooperative's retail operations in the area. The Young Farmer Advisory Board election will also be featured, and a Southern States Farmer's Planning Guide will be available free of charge to those attending the meeting.

Delaware farmer selected to U.S. Jaycees Congress

(TULSA, OK)--Frank Hrupsa, 33, of Harrington, will be the Delaware Jaycees representative at the U.S. Jaycees 32nd National Outstanding Young Farmers Awards Congress (NOYF) to be held February 25 through February 28, 1988, in Orlando, Florida. Hrupsa is among nominees from 40 states who will be vying for the honor of being named one of four National Outstanding Young Farmers for 1988. Deere and Company, manufacturer of John Deere equipment and implements, has sponsored the program for the last 12 years. Hrupsa is operator of a 1050-acre farm and raises chickens, soybeans and corn. He serves as Chairman of the Board for Agway being appointed to this position by his community. A member of Blackarm Tax Ditch and Young Farmers and Ranchers, he is active in community affairs. He has been a member of the Jaycees in his community for seven years. He stated that FFA was a great motivation to him in early years. He and his wife, Cindy, reside in Harrington, Delaware. The U.S. Jaycees has conducted the National Outstanding Young Farmer program since 1954, recognizing hundreds of farmers across America.

PUBLIC FORUM

Towards a budget process that makes sense

by Congressman Tom Carper

As Congress hurried toward adjournment last December, a little noticed provision was tucked away in the huge spending bill which was passed and signed into law by the president. That provision, to provide \$8 million to build schools for Jewish refugees from North Africa in France, caused a firestorm of criticism across the nation, and rightly so.

There is no doubt that \$8 million should not have been appropriated. Moreover, the way the money was slipped into the budget at the last minute taints the image of Congress and is no way to run the government. The sponsor of the provision, Sen. Daniel K. Inouye of Hawaii, agreed. On February 1, he took the Senate floor to say that he had made an error in judgement, and asked that the funds be rescinded, that is, removed from the budget. A few days later, Congress did just that with my support.

But lest we think that the elimination of such government extravaganzas as the pet projects of congressmen and senators is the sole solution to our deficit ills, consider this sobering fact: that \$8 million represents about .0053% of this year's budget deficit. If every congressman and senator had a similar project, and they were all removed from the budget, the deficit would shrink by less than 3%, from around \$150 billion to about \$146 billion. In short, while these kinds of projects should be voted up or down on their merits and not hidden in huge spending bills, they represent only a tiny sliver

of the deficit pie.

Even so, this controversy reinforces the need for a more effective means of weeding out spending which does not enjoy majority support in the Congress. I have co-authored legislation which would strengthen the president's rescission power. My legislation would provide future president's line item veto power for spending bills, but a veto which could be overridden with a simple majority of the House or Senate, not a two-thirds majority.

The way the law presently works, if the president wants to rescind spending for something, he informs Congress; but unless Congress approves his request within forty-five days, his rescission order dies. Congress doesn't even have to vote on the president's request.

My approach would require the Congress to act within a limited period of time. If Congress fails to act, the rescission would automatically go into effect.

For the last few years, the Congress has bundled its thirteen appropriations bills into one omnibus spending bill and sent it to the president for his signature. That bundling, coupled with the relatively short period of time that we have to review the compromise bill at the end of the session, argues strongly for real rescission power for the president. That new authority, coupled with a better job by Congress in passing spending bills in a timely manner, will go a long way toward returning common sense to our budget process.

"Changes"

It was once said that the only thing constant in life is change.

So it is with this column.

For the past year and one half, the thoughts which have filled this spot in the *Harrington Journal* have come from the superintendent's office.

Yet there are more, many more, people who make up a school district. They have specific knowledge of programs and situations often different than that of the chief school officer. The view of an issue from their vantage point is often more refreshing since they may be directly involved in it.

Beginning next week, the comments in "District Dialog" will be rotated among District personnel to take readers inside the schools... for a unique look at what our staff is doing, how they think and what that means to education and to our communities.

Change.

Brought to you by the many individuals who make up Lake Forest School District, read, beginning next week, from the people themselves the issues important to them and their reactions.

I can't wait!

Senatorial Report

by Senator Ruth Ann Minner
18th Senatorial District

Most Delawareans don't stop to think much about this fact, but farmers in Delaware are becoming an endangered species. There are fewer and fewer of them all the time and it seems like the different levels of government spend more time harassing our farmers than working for them. All of a sudden age-old practices like spreading manure on fields have become great environmental evils requiring careful monitoring by the Environmental Protection Agency. Then someone develops a new subdivision next to a farm which has been in the same family for generations and the farmer finds himself the subject of complaints to government agencies about noise, dust and bad odors.

Things have already gotten so bad in Delaware that many farmers are just selling out and going into some other line of work. I don't know about you but that worries me and that's why I was a prime sponsor of a resolution calling for creation of a new legislative panel known as the "Farm Assistance Task Force".

The task force, which I'm a member of, is meeting during the month of February to find ways the State can assist Delaware farmers both on an immediate basis and over a longer period of time. Governor Castle has proposed putting some \$300,000 in next year's budget for aid to farmers, but that

really isn't enough to help much. Nor is it a very large investment in what is still the state's largest industry when you consider what Delaware has done for industry and banking in recent years.

At this point it looks like one of the best possibilities for State assistance is a program to match federal crop insurance subsidies to help farmers in the event of another disastrous year like the last two or three have been. The federal crop insurance program has been revised to make it a lot more useful to farmers than it was in its original form.

Another possibility is an increase in state subsidies to farmers to help cover the cost of manure bins which the E.P.A. now requires as protection against groundwater pollution.

In the next few weeks I'll be letting you know about these and other possibilities. The task force is a really good cross-section of legislators from farming areas like Senator Adams and Rep. Caulk, state agricultural and financial officials, the University of Delaware and representatives of farm organizations like the Grange and the State Farm Bureau.

Not only is agriculture Delaware's largest industry, amounting to \$500 million a year, but it's our heritage and one of the most important factors in what some people like to call our "quality of life". I want to do everything I can to protect it.

A laff a day...

Many wives leave their husbands because they thought the minister said, "I'll debt do us part."

"Get out of bed or you'll be late for school," the mother yelled to her son. "I don't feel like going to school today," said the son.

"Why not?"

"Nobody likes me. The kids don't like me. The teachers don't like me. The coaches don't like me. Even the janitor doesn't like me," said the son.

"You still have to go to school. Remember, you're forty-five years old and you're the principal."

Tax Credit Is Incentive To Hire Targeted Employees

The targeted jobs credit provides an incentive to employers to hire persons who are certified members of certain targeted groups, the Internal Revenue Service said.

The groups that are targeted are those with a particularly high unemployment rate or special employment needs.

For eligible employees hired after 1985 and before 1989, the credit generally is 40 percent of the first \$6,000 of each eligible employee's wages for the first year of work.

The Tax Reform Act of 1986, in addition to reducing the credit from 50 percent to 40 percent, eliminated the credit for wages paid in the second year.

The credit is due to expire at the end of 1988, according to the IRS.

Qualified employees come from these groups:

- Handicapped persons undergoing vocational rehabilitation provided for by law;
- Persons age 18 through 24 from economically disadvantaged families;
- Vietnam-era veterans from eco-

nomically disadvantaged families;

- Ex-convicts who were convicted of a felony, who are hired within five years of release from prison or the date of conviction, whichever is later, and who are from an economically disadvantaged family;
- Supplemental Security Income (SSI) recipients;
- General assistance recipients;
- Youths participating in a cooperative education program;
- Eligible work incentive employees; and
- Qualified summer youth employees.

The employee must be certified by a designated local agency, usually a local office of a state employment security agency (jobs service), or in the case of a cooperative education student, by the participating school.

The credit is claimed by filing Form 5884, *Jobs Credit*.

For more information, free IRS Publication 572, *General Business Credit*, is available by using the order blank in the tax return package or by calling 1-800-424-3676.

TAX TIPS

Tax Guidelines For Foster Care Payments

Foster parents who care for adults placed with them by state or tax-exempt agencies may now exclude certain reimbursements for expenses from gross income, the Internal Revenue Service said.

Prior to the Tax Reform Act of 1986, foster parents could exclude from gross income certain reimbursements for expenses for caring for a foster child under age 19, providing the child had been placed in the foster home by a government agency or a state-licensed tax-exempt child placement agency.

The Tax Reform Act of 1986

eliminated the age limitation. For tax years beginning after 1985, foster parents may exclude from gross income reimbursements for expenses for caring for adults, providing the adults were placed in the foster home by a state or tax-exempt agency. The exclusion is limited to the reimbursement for expenses for no more than five adults.

For further information on the treatment of foster care expenses, Publication 525, *Taxable and Nontaxable Income*, is available by using the order blank in the tax return package or by calling 1-800-424-3676.

Tax Reform Act Changes IRA Deduction

The Tax Reform Act of 1986 included significant changes affecting Individual Retirement Arrangements (IRAs), the Internal Revenue Service said.

The new rules, which generally have taken effect on January 1, 1987, include new eligibility requirements for individuals who claim deductions for an IRA on their tax returns. The new eligibility requirements are based on the size of the taxpayer's adjusted gross income (AGI) and whether the taxpayer is an active participant in any type of employer-maintained retirement plan.

Under the new law, taxpayers can claim the maximum deduction for IRA contributions (\$2,000 or 100 percent of compensation, whichever is less) only if they meet one of the following criteria:

- the individual is not an active participant (or in the case of a married couple, neither spouse is an active participant) in an employer-maintained retirement plan during the year, regardless of the amount of the taxpayer's AGI,

or

- the individual (or in the case of a married couple, either spouse) is an active participant in an employer-maintained retirement plan, and the taxpayer's AGI is less than \$40,000 for a married couple or \$25,000 for a single individual.

If an individual (or, in the case of a married couple, either spouse) is an active participant in an employer-maintained retirement plan, the maximum allowable deduction for contributions to an IRA will begin to "phase out" when AGI reaches \$25,000 (\$40,000 for a married couple). When AGI reaches \$35,000 (\$50,000 for a married couple), no deductions are allowed for IRA contributions.

While many taxpayers may have their deductible IRA contributions reduced or eliminated due to the new eligibility requirements, they will be able to continue making nondeductible

contributions to a new or an existing IRA. As with the earnings on deductible IRA contributions, any earnings realized on nondeductible IRA contributions are not taxed until distributed to the taxpayer, generally at retirement when the individual may have a lower taxable income.

The new law also includes changes in the rules concerning spousal IRA deductions, qualified voluntary employee contributions, and the purchase of gold and silver coins for an IRA.

The spousal IRA provisions have been changed to eliminate the requirement that the spouse have no compensation in the year in order to be eligible for the spousal IRA contribution.

The new law repeals the IRA deduction previously allowed for voluntary employee deductible contributions (DECs) to a qualified plan. Also, beginning in 1987, taxpayers are allowed to establish an IRA by investing in certain gold and silver coins issued by the United States.

Other basic tax rules concerning IRAs have not been affected by the new law. Taxpayers may continue to establish or contribute funds to an IRA at any time during the tax year and the following year, up to the due date for filing their tax return, without extensions.

Taxpayers who withdraw funds from an IRA before age 59-1/2 are required to pay an additional 10 percent tax unless the withdrawal was due to the death or permanent disability of the taxpayer or was due to a return of nondeductible contributions. Taxpayers may also continue to make tax free rollovers either from one IRA to another or from an employer-maintained retirement plan to an IRA.

Additional information concerning the new rules affecting IRAs is contained in IRS Publication 590, *Individual Retirement Arrangements (IRAs)*. Taxpayers can obtain a copy of the publication by writing their IRS office or by calling 1-800-424-3676.

Scholarship applications available

Each year the Dover Branch of the American Association of University Women offers scholarships to students graduating from a four year secondary school in Kent County, Delaware. We have given a scholarship since 1947. 60 scholarships have been awarded with all high schools in the county represented. The application form is available at the guidance office in all county high schools. This year we will

be giving the Sandra Robinson Memorial Scholarship established in the memory of a former member Sandra Robinson by her parents. Both scholarships are based on high scholastic standing and financial need. For more information see your guidance counselor or contact the Youth Scholarship Chairman: Dimity Weingard, 139 Cooper Road, Dover, DE 19901. 734-8480 after 5 p.m.

Jamila Riser

Fleming & Riser nominated for

National Awards at Lake Forest

Officials at Lake Forest School District report that two teachers have been nominated for the 1988 Presidential Awards for Excellence in Science and Mathematics Teaching. James Fleming, who teaches biology and is the head football coach at Lake Forest High School, has been nominated for the science award.

"Jim has super rapport with his students," lauded Ron Burrows, high school principal. "He also has a way of using 'down-to-earth' explanations in helping students understand concepts."

Jamila Riser "meets almost nightly with students after school," praised Marge Davis, principal of W.T. Chipman Junior High School, where Riser teaches general mathematics, basic mathematics, algebra and pre-algebra. "She makes the arrangements with parents. They

are very supportive." Riser also serves on the superintendent's district teacher liaison committee and the building teacher liaison committee.

The Presidential Awards program was established by the National Science Foundation in 1983 to identify outstanding middle/junior and senior high school teachers of science and mathematics who can serve as models for their colleagues. It is intended to increase status and rewards for demonstrated professionalism so that high quality teachers will be encouraged to enter and remain in this field.

A \$5,000 National Science Foundation grant to the awardee's school to be spent under the awardee's direction over a two-year period to improve mathematics or science programs is part of the award package.

Kent Vo-Tech holds balloon release

The Kent Vocational-Technical School in Woodside released approximately 300 balloons at 1 p.m. on February 11, 1988 in celebration of National Vocational Education Week.

Each balloon contains a slip

with a student's name. If finders of these black and gold balloons would please call the school, at 697-3255 we would appreciate the effort. Callers with a winning ticket will receive a VoPro Packet.

Watkins wins TV at Lake Forest High

Continuing to promote the sale and use of meal tickets, Lake Forest High School Cafeteria Manager Sharon DeLong has awarded Joey Watkins a 5" personal television set. The award is the fourth such prize to be given in the "Spartan Extra-

vaganza" program. The program was designed to encourage students to more fully utilize the meal ticket system.

"Joey is a faithful buyer of school meal tickets," said DeLong. "I think this gave him quite a boost."

Caroline Feller Bauer to speak

March 18th

Nationally acclaimed storyteller Dr. Caroline Feller Bauer will present at Wesley College's Penninsula Room on Friday, March 18.

Dr. Bauer, who has worked as a children's librarian in both school and public libraries in New York and was

visiting storyteller at New York Public Library, will present from 9 a.m. - 11:30 a.m. and again from 1 p.m. - 3:30 p.m.

The program is sponsored by Read Aloud Delaware. For more information contact Carol Perrington (674-4423).

Lake Forest school food service program has highest participation in State

Figures released recently by the Department of Public Instruction indicate Lake Forest School District's school food service program had the highest participation in Delaware for the 1986-87 school year. The information marks the second year for the highest level of participation.

"The Lake Forest School Food Service Department, under the supervision of Janice U. Hinzman, promotes a variety of high quality foods and services for the students and staff on a daily basis," said Dr. James H. VanSciver, Superintendent.

Hinzman credited her staff with

making the difference. "There is a dedicated effort among the staff to work together as a team. They are willing to experiment with new products, new ideas and new ways of preparation and/or serving. The staff, convinced the food served

must be presented to the public in a way that is pleasing to both the eye and the palate, is determined to serve only food and meals they themselves are willing to consume. They know this is the secret for appealing to the student and staff that keeps them coming to the cafeteria over and over again."

Former FFA members mobilizing for new ERA

Seeing an opportunity to promote a greater knowledge of the agricultural industry and support education in agriculture, former members of the Future Farmers of America launched a major drive this week in the Woodbridge School District area to form an FFA Alumni Association.

The aim is to provide a mechanism whereby former members can actively promote and support the FFA organization, FFA activities, and vocational agriculture.

The local drive is part of a state and national effort currently underway to unite former members into the FFA Alumni Association.

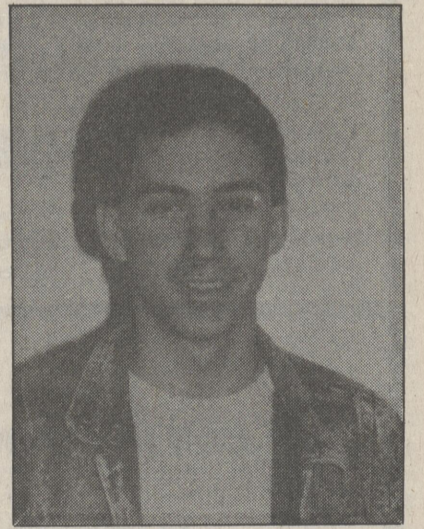

"Since the FFA Alumni Association is a newly formed organization, those who join now will be the charter members of the Woodbridge FFA Alumni Association," said Jeff Beauchamp acting president of the local organizational effort, "and we would like to have as many charter members as possible."

"We seek the help of every potential member in the area to organize and charter the local FFA Alumni Association," said Tommy Tucker. All former, active, collegiate, or honorary FFA and NFA members, present and former professional vocational agricultural educators, parents of FFA members, and others interested in the FFA are eligible for membership.

According to Alan Bailey, a minimum of ten members are needed to charter a local affiliate. "It's hard to

estimate the number of potential members in this area," he said, "But we hope to have at least 25 members by our first meeting."

All are invited to attend a special meeting at Woodbridge High School Cafeteria on March 9, 1988 at 7:30 p.m. for the purpose of organizing the local FFA Alumni Association. Anyone who cannot attend is urged to contact Tommy Tucker or Valerie Warnick for more information.

Artisans sought for Chicken Festival show

Exhibitors are being sought for an arts and crafts show scheduled for June 10, 11 and 12 during the 40th Delmarva Chicken Festival at the Wicomico Civic Center, Salisbury, Maryland. The show is sponsored by the Salisbury Area Chamber of Commerce, hosts for the 1988 Festival.

A juried show, the arts and crafts exhibition will be open to artisans who feature original work.

Application to participate must be made by March 1, 1988. Each application must be accompanied by a labeled photo of the artisan's work. All photos will be returned.

Additional information and application forms are available from Carolyn M. Hammond, 201 S. Washington Street, Snow Hill, Maryland 21863, telephone (301) 632-0600.

February 14-20 is Delaware Cardiac Rehabilitation Week

Delaware Governor Mike Castle has declared February 14th through the 20th as Delaware Cardiac Rehabilitation Week. In response to this, Nanticoke Memorial Hospital and their Cardiac Rehab Department will be offering information on cardiovascular disease and prevention. In addition, on Thursday, February 18th in the main lobby of the Hospital, free blood pressure testing and free cholesterol testing will be conducted.

Cholesterol has been found to be a direct cause of the No. 1 killer in America: coronary heart disease. Cholesterol is a very important substance in your body. It is used for making cell walls and other essential functions. The problem is, many people have too much and the wrong type of cholesterol in their bloodstreams. If there is an excessive level of cholesterol it can lead to "hardening of the arteries" which may then lead to a heart attack or stroke.

Fortunately, there are easy, accurate ways to test your cholesterol. A drop or two of blood is drawn from the finger with a simple pin prick.

The blood is inserted into a cartridge which is placed into a blood analysis instrument. Within minutes the cholesterol level can be determined.

Diet, exercise, and stress management play major roles in lowering cholesterol levels which in turn reduces cardiovascular risk. By decreasing an individual's serum cholesterol level by just 1%, reduces the risk of cardiovascular disease by 2%.

By monitoring blood pressure and cholesterol levels and understanding the importance of these tests related to cardiovascular disease is the purpose of Cardiac Rehabilitation Week. Nanticoke Memorial Hospital will have their booth open to the public from 10:00 A.M. to 6:00 P.M. on February 18th for free blood pressure and cholesterol testing. Kathy Fryling, Clinical Dietician, will be on hand to give information on the importance of a heart-healthy diet and Phyllis McNatt, RN with a BA in psychology, will discuss stress management. Nancy Wooten, the Cardiac Rehab Nurse Specialist, will also be available all day to answer any questions.

Critters!! Critters!!

This is to introduce a new, non-profit organization in the area called "CRITTERS". "CRITTERS" has sprung from the past two Christmas food drives for the Homeless Animals that were sponsored by the area groomers and kennels. We got such a great response from the public, and so many people wanted to donate money to our cause, that we have incorporated into a non-profit organization, set up to raise funds through direct donations, raffles, and various sales during the year. These funds would, in turn, be distributed to the Delaware animal shelters in the form of food, supplies, or a cash donation. In the future, we would also like to look into the possibility of setting up a low-cost spay/neuter clinic in Sussex County.

We basically want to become involved in various animal-related issues and to support our already over-burdened animal shelters in Delaware. We need to make the general public aware of the vast numbers of homeless, unwanted animals in

Delaware animal shelters. For example, how many people realize that in this small state of Delaware over 20,000 animals must be euthanized every year? That breaks down to about 55 animals per day that must be killed only because irresponsible people do not spay and neuter their pets!! We want to educate the public to these facts in an effort to reduce these numbers drastically!

For further information about "CRITTERS", or to make a tax-deductible donation, contact Dawn Walls at 645-2957, or Denise Irwin at 684-8576. Any public response will be greatly appreciated by all the Homeless Animals! Our next fundraising effort will be at the Great Delaware Kite Festival on Good Friday, April 1, 1988. We will be raffling off a stunt kite and as Easter basket filled with pet supplies. Raffle tickets can be purchased in advance at area grooming shops and at the Kite Shop in Rehoboth Beach.

City Digs Out of Windy Snowstorm; Community Activity Curtailed Sharply...The State Highway Department Monday night declared the existence of a state of emergency as nearly 1000 men pressed into service on highway crews and tried to dig Delaware out of what may well be the most crippling snowstorm of the century.

The emergency was called off at 6 p.m. Tuesday.

Pvt. Robert E. Donovan, son of Mr. and Mrs. Eurie D. Donovan, 302 Marshall St., Milford, recently completed eight weeks of basic training under the Reserve Forces Act program at Fort Knox, Ky. Donovan is a 1953 graduate of Milford High School and was employed by C. J. Langenfelder and Son, Baltimore, in civilian life.

A chicken house burned to the ground at Woodside Thursday night, Feb. 13, killing 6,300 10-day-old chicks.

Former State Senator E. Cowfill Barnard, owner of the building estimated his loss at \$4,000.

Kent County community chairmen for the 1968 Delaware Heart Fund Drive were announced by Kent County Heart Fund chairman, Mrs. William R. Humes.

They include: Mrs. Lester J. Hatfield, Farmington, and Mrs. Earl Sylvester, Harrington.

Greenwood High came to Harrington on Friday night and escaped with a narrow 3-point win over the luckless Lions, who have one victory at this point and only one week opponent, Delmar, left on the schedule.

Harrington outscored Greenwood in two periods and tied them in another, only to see the visitors get the victory by virtue of a 22-14 edge in the second period. The Sussex Countains led 32-30 in field goals. Harrington has done a good job from the foul line all year, but blew 12 of 17 free throws this time, to erase all hopes for that elusive second win.

Following a lengthy executive session during the monthly City

Council meeting last week the topic of the rehiring of city employees was brought to the floor. The major discussion centered around whether or not to rehire current City Manager David Peterson.

Mr. Peterson and the position of city manager was the first to be discussed and as soon as the floor was opened councilman Jack Wyatt made the motion that Mr. Peterson hand in his resignation to the town of Harrington. He stated that during the last seven months executive meetings had been held and problems had been discussed by the "performance of the city was still not there." Councilman Earl McCole quickly seconded the motion and discussion was heard. The main discussion concerned the allegations the complaints which had been heard from citizens had not been acted upon as promptly as the council felt they should be.

After the first vote was taken and found to be confusing a second roll call vote was taken and three councilmen voted each way. Those voting to have Peterson resign as city manager were Wyatt, McCole, and the newest councilman William Dill, while Gary Homewood, Vincent Lobo, Jr., and William Shaw voted not to have Mr. Peterson resign. Council Lobo's vote was with the stipulation subject to performance. Ironically, the three which voted to have Peterson not resign were the original three who voted for a different candidate when the job of city manager became open after the resignation of George Robert Quillen.

So with the vote tied at three apiece it was up to Mayor Cahall to break the tie. Eventually Cahall cast the vote which meant that the council would not ask city manager Peterson to resign. Cahall along with several other council members voiced the opinion that city manager Peterson had the potential to be the best city manager that Harrington has ever had but must improve to fulfill it.

The management of The Peoples Bank of Harrington announce the appointment of two new Assistant Cashiers: Frances P. Garey and Robert Everline.

Mrs. Frances P. Garey was elevated from the position of Head Teller to Assistant Cashier. Mrs. Garey is a graduate from Milford High School. She has been employed at The Peoples Bank for 26 years. She has completed several American Institute of Banking courses and holds both Basic and Standard Certificates in banking. Mrs. Garey and her husband live near Milford.

Robert Everline was elevated from the position of Loan Teller to Assistant Cashier.

The February Sunday School attendance campaign continues to show a marked increase over February of 1987. The theme is "I LOVE MY SUNDAY SCHOOL." Sunday, February 21st will be "NEIGHBOR'S DAY." Sunday School opens at 9:30 A.M., with classes for all age groups.

The worship services on Sunday are scheduled for 10:40 A.M. and 6:00 P.M. Kathy Wetherhold will be the soloist for the morning service. Pastor Miller will be preaching.

A special Hymn Sing is being planned for Sunday evening at 6:00. Mrs. Thelma Miller is arranging the songs with "REQUEST NIGHT" in

mind. The public is invited to worship with us at all services.

Children's Choir meets on Wednesday evening at 6:30 with CYC and Youth Activity following at 7:00. An adult Bible study from the Gospel of John will be led by Pastor Miller starting at 7:00 P.M.

The Wesleyan Youth Society presented an outstanding program based on the theme, "It Must Be Love" this past Sunday evening. Shirley Downs, Linda Wamsley, and Sherman Mayle serve as adult sponsors for the Youth. Rhonda Hitchens directs the Youth Choir.

Harrington Baptist Church

God's spirit was evident in His services this past Sunday as He brought forward Mrs. Mary Simpson and Don and Bonnie Reisinger for membership by letter. Pastor Watson spoke on I John 5:13 as the last message in this series. We can be sure of our salvation by keeping God's commandments and loving others as ourselves, because "God is Love". The WMU leaders and members of the church were recognized for their teaching of missions to the women, girls and preschoolers. The adult choir and children's choir blessed us with special music.

Sunday, the 21st, will be a full day with Sunday School at 9:45 a.m., Morning Worship at 11 a.m. At noon there will be a covered dish dinner. Immediately following will be the Home Mission Book Study. There is a class for every age. Adults will be taught by Don Phelps and Ron Jester. Youth, grades 7-12, will be taught by Rhonda Anderson and Patsy Scheufele. Children, grades 1-6, will

be taught by Kathy Morris, Rhonda Schmidt and Beth Schroeter. A nursery will be provided for 2 years old and under. So, come out and enjoy good food, Christian fellowship and missions in the USA. At the 7 p.m. Evening Worship, there will be a Musical of music, testimonies and fellowship.

Happy Birthday wishes this week to Donna Schurman and others.

"But as for you, ye thought evil against me; but God meant it unto good, to bring to pass, as it is this day, to save much people alive. Genesis 50:20. God can take a life spoiled by evil and remake it. He can bring good out of a bad situation. We may never know why some bad things happen to us, but we know that God can use our adversities to carefully mold us into fit vessels for His own good purposes. "And we know that all things work together for good to them that love God, to them who are called according to his purpose". (Rom. 8:28)

"It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness." Lamentations 3:22, 23.

Those attending Sunday's worship-through-song service had the opportunity to sing several favorite hymns. The members of the new confirmation class were brought forward to be enrolled; and we welcomed the Boy Scouts who were with us Sunday.

Tonight at 7:30 is the Ash Wednesday service at Asbury. Ash Wednesday is a reminder that God's justice is blinded by God's mercy. The cross of ashes is God's annual sign to us -- like spring -- that death

does not have the last word. Under the protection of the cross, we believe that, out of the dead ashes of our past sins, we will come to live again.

Next Sunday is the first Sunday in Lent, and new members will be received at the morning service.

Don't forget to read the leaflet that was handed out on Sunday explaining the Shepherd's Program. The Shepherd's Staff will be available on Sunday to answer any questions. Be in prayer regarding what your role will be in this ministry. Please return the sign-up sheet that is in the leaflet explaining your desire to participate.

Lones' celebrate 30 years in the ministry

On Sunday, January 10, 1988 the congregation of Independent Bible Fellowship Church, provided for their pastor, Clifford Lones and Mrs. Lones, a very special day in appreciation for their thirty years in the ministry.

At the beginning of the morning service, five of their children, Mrs. Deborah Gowell and Mr. Tim Lones, Muskegan, Michigan, Mr. Mark Lones, Charleston, W. Va., Mr. Dan Lones and Miss Rachel Lones, Harrington, entered, which was a total surprise to Pastor Lones. Mr. Steve Lones, Cincinnati, Ohio, was unable to attend.

During this service, each of his children recalled many memories they have made as a family in service to the Lord.

A fellowship meal was enjoyed by all and followed by an afternoon service. It was during this time many letters from past acquaintances were read, each expressing their joy in having known the Lones family and related a special event from their memory.

Also, among the many congratulatory letters, was a very special one, from President and Mrs. Reagan.

Everyone was very happy to have been a part of this special day in

Rev. William and Ruth Dore honoring our pastor and Mrs. Lones for their dedication to the furtherance of the gospel.

Harrington United Methodist Church

Joseph V. Holliday, Jr., Pastor Services for all ages are 10 o'clock and worship service is at 11 o'clock. This Sunday was Gideon Sunday and Leroy Calhoun had charge of the opening service. He read O.T. Psalm 50:1-6, N.T. 9:2-9 for the scripture lesson. Gideon speaker was Carlton Goodhand and his presentation was very interesting.

The first part of the presentation was on the Bible. He explained how the Gideons were started and how they put Bibles in hotels, motels, schools, colleges and hospitals. 100% of the money they collect is used to purchase additional Bibles.

Flowers on the altar were donated by the Moose.

Don't forget ash Wednesday services at 7:30 at Prospect. Everyone is encouraged to come. Next Sunday, February 21 is the First Sunday in Lent.

Clara Wilcutts was door greeter. Head Usher was Winston Linton. Ushers were Jerry Geyer and Wayne Porter. Acolyte was Aaron Rhodes. After the workshop service light refreshments were served in the fellowship hall.

Happy Birthday to Matilda Brown and Louise Minner.

Lake Forest girls varsity cagers win two more

by Harry G. Farrow, Jr.

The girls varsity basketball team turned back a young Seaford team 64-47 and stormed a strong Indian River five who were expected to put up a stronger battle.

Indian River had been the strongest contender for the southern conference crown on which the Spartans are tightening their grip.

In the Seaford game, the Spartans scored two shy in the first quarter than Seaford scored in the first half. The Spartans scored 15 in the first quarter. Seaford scored 17 in the first half.

"We played well particularly inside. They didn't have much height," said head coach Pat Dyal Borowski. "Africia (Bell) and Tara (Dixon) got inside," added coach Borowski, "...and really opened up the offense." Tara Dixon scored 21 backed by Melanie Pelton with 14 and Africia Bell with 12. "It marked the first time we had four people in double figures," said coach Borowski.

Arlene May scored 11, "...and Arlene had several steals which made up for her scoring. She is still averaging 15 points per game," added the coach.

The Spartans played a tight defense. "Melanie (Pelton) held the Johnson girl under control until the fourth quarter...when she scored 10 points, bringing her game number to 20. But Melanie really played her well. I was satisfied," added coach Borowski.

"We were expecting a tougher performance from Indian River. After a slow start (16-6 at the half), we really got rolling in the second half," said coach Borowski. Spartans scored 42 in second half.

"For some reason we always find them (Indian River) tough in that gym. Arlene had 6 which is one of her lower performances - but she just could not hit," she added.

Evette Hicks emerged as the team leader in this game. "We always seem to come up with a different player who shines. Evette showed us in the Indian River game scoring 18 - but where she stood out was under the boards clearing them 16 times."

Africia Bell came through with 14 points "we played the box plus one - which worked for us again. We waltzed through the first half but the second half we picked things up...still missing shots, but getting our own rebounds. Sometimes we not only got the second shot but we got the third too," added coach Borowski.

Everyone got playing time in this game as the Spartans won handily moving their record now to 14-1 overall and 11-1 in the conference.

With four conference games remaining in the '88 schedule, Woodbridge remains as the lone threat to the southern division crown.

"Woodbridge must win here on out and we must lose. If we win our two games this week we can win the southern conference," said coach Borowski.

The conference play off (between northern and southern division) will be February 27th (Saturday) at 4:00 p.m. - probably at Laurel.

COACH'S CORNER: Arlene May continues to be the team leader with an average of 15 per game followed by Melanie Pelton (8), Africia Bell (8), and Evette Hicks (8).

W.T. Chipman boys basketball team finishes season 11-0

by Don Mitchell

Chipman played their last three basketball games away and Coach Probst said he was concerned because it's always harder to win away from home. But the dynamic young team he has cultivated and coached did not let him down. They went, they played and they won their last three games making Chipman's first time of being undefeated.

Their game with Smyrna ended with a final score of Chipman 75, Smyrna 42. The top scorers of the game for Chipman was Jermaine

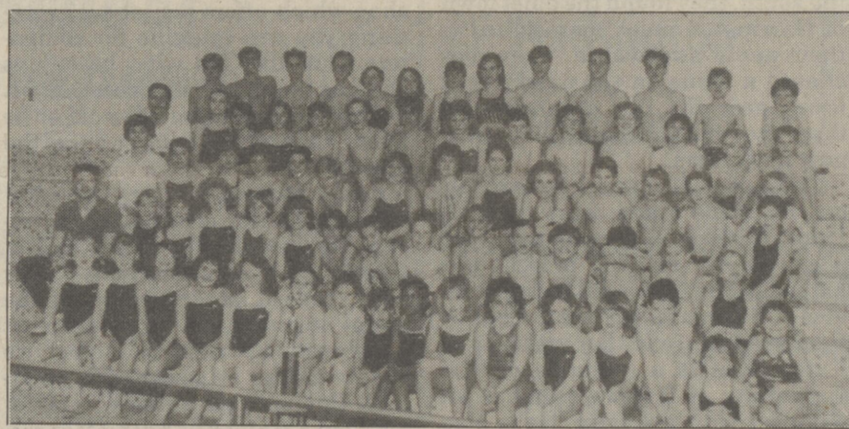

Harmon #35-19 pts; and Gary #10 with 14 pts.

The game with Dover Air, Chipman proved to be too much for the Air Men and rolled on to a 56-31 victory over Dover Air.

Leading scorers for Chipman in this game were "King Kenny" Bailey #24 and Sam Gray #44, with 8 points each.

The last game of the season carried Chipman to Woodbridge, a team

Lake Forest Community Swim Team takes Pioneer League

The Lake Forest Community Swim Team travelled to Widener University in Chester, Pennsylvania on Sunday, January 31 for the Pioneer League Championships. Over two hundred swimmers representing seven teams from northern Delaware and southeastern Pennsylvania participated. Lake Forest had an impressive showing with 36 first place wins of the 64 events at the meet. Fifteen of the first place finishes were new meet records.

The Lake Forest squad was led by triple winner Ann Hollister in the 13 and over girls with wins in 50 free (meet record), 100 free (meet record) and 200 free.

Double winners were, in 8 & under boys, Michael Crockett (25 breast - meet record and 100 IM - meet record); in 8 & under girls, Alyss Lange (25 free and 100 IM); in 10 & under boys, Scott Blades (50 breast and 100 IM - meet record); in 10 & under girls, Devon Borgia (50 free and 50 fly - meet record) and Rebekah Crockett (50 back - meet record and 50 breast); and in 13 & over boys, David Littman (50 free and 100 back) and Matt Kelaher (100 breast and 200 IM).

Contributing single wins in 8 & under boys were David Hartzel (25 fly) and Chad Warrington (25 back); in 10 & under boys, Brian Haines (50 fly) and David Murphy (50 back); in 13 & over boys, Jason Monroe (200 free) and in 13 & over girls, Kelly Rawding (100 back).

Team depth is often measured by the success of the relay teams. At the Pioneer Championship, Lake Forest took first place in 11 of 16 relay events and set six meet records in the process.

8 & under girls free: Alyss Lange, Elizabeth McCarron, Heather Clougherty, Heidi Jones.

8 & under boys medley and free: Chad Warrington, Michael Crockett, David Hartzel, Clay Beachamp - medley relay was a meet record.

10 & under girls medley: Maggie Mason, Rebekah Crockett, Devon Borgia, Jill Shrock - meet record.

10 & under girls free: Julie Stoops, Rebekah Crockett, Devon Borgia, Jill

Shrock - meet record.

10 & under boys medley and free: David Murphy, Nicholas Draushak, Brian Haines, Scott Blades - medley relay was a meet record.

12 & under girls free: Barbara Murphy, Kelly Leven, Jennifer Haines, Monica Salterelli.

12 & under boys free: Brad Maynes, Paul Razzano, Brian MCloskey, Wesley Wood.

13 & over girls free: Amy Draper, Dawn Kane, Kelly Rawding, Ann Hollister - meet record.

13 & over boys free: Jason Monroe, Jonathan Griffith, David Chambers, David Littman - meet record.

The Pioneer League season closed with the championship meet. Lake Forest swimmers will continue competition when they travel to Lancaster, Pennsylvania on February 20 and 21 for a USS B/C Invitational sponsored by the Lancaster Aquatics Club. Swimmers representing nearly 30 teams will be working towards their qualifying times for the Junior Olympics in March.

Toreky, Johnson, Fields & Bounds share top honors

by Charlie Brown

DELMAR, DE - A record \$25,175 was distributed among the top ten drivers in the four weekly divisions at the 18th Annual Delaware International Speedway Awards Banquet. Getting the lion's share of the point fund were 1987 champions Bob Toreky in the modifieds, Lou Johnson in the late models, Oscar Fields in the limited late models, and Dale Bonds in the street modifieds.

The 1987 points fund represented an 800 percent increase in the past four years largely due to increased sponsor support. One of this year's point fund sponsors was Taylor & Messick John Deere, Harrington.

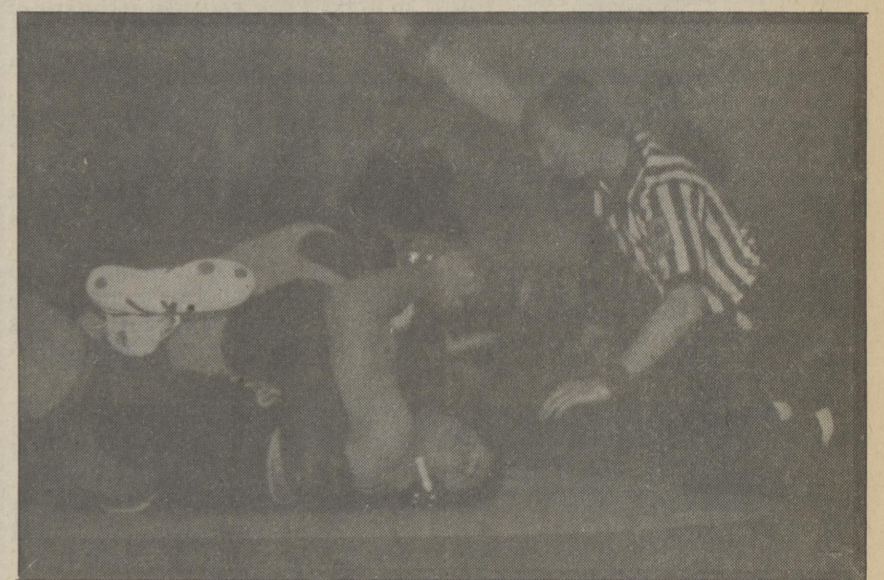

For Bob Toreky, it was his second career point championship at the speedway and he collected \$2100 plus a \$500 bonus from Jerry Kias and McCreary Tires. Toreky was the top feature winner in the modified division, making seven trips to victory lane in his T & T Racing/C.P.

Townsend Farms mount. Trophies were presented to the top ten by Delaware International President, William Cathell. Finishing second through fifth were Bobby Wilkins, Paul Weaver, Ron Keys and Tom Capie.

Jerry Adkins of the Pepsi-Cola Bottling Co. was the sponsor and presenter for the late model awards. Lou Johnson in his Cropper's Pest Control Special, tied the record for track championships of Jimmy Goslee with his 1987 title. Lou received a check for \$1800 plus the \$500 bonus from McCreary Tires. Finishing second through fifth were Mike Tauber, Alex Beaumont, J.C. Webster and Joey Carey.

Drew Blagus of Lankford-Sysco Food Services, Inc. was the sponsor and presenter for both the limited late and street modified trophies.

Chi Chi Rodriguez returns to headline golf tournament

Chi Chi Rodriguez returns to headline the 1988 Nanticoke Homes/MS Celebrity Golf Tournament May 10th at the Hercules Country Club. As the #1 pro on the Senior Tour, Chi Chi, is taking time from his busy schedule to help Nanticoke Homes raise \$50,000 for the Delaware Chapter, National MS Society.

"We are very excited about having Chi Chi with us again. Bill Kratzert played with us last year because Chi Chi's schedule was just too tight," said Fred Sears, Tournament Co-Chairman. "We have always had a waiting list by April. With Chi Chi as a draw along with Bill Bergey returning as Honorary Chairman, we expect to close registration earlier this year."

According to Sears, the tournament will use only the 18 hole championship course, the scramble format, and participation will be limited to 36 groups. Chi Chi Rodriguez will play one hole with every fivesome and give a demonstration clinic after the game. "Besides a great day of golf with a top pro demonstration, players will be treated to an evening barbecue," said John Mervine, Jr., General Manager of Nanticoke Homes Inc., the tournament sponsor.

There will also be a raffle and auction of famous golf pro autographed items as well as many other items such as microwave ovens and other

LF boys basketball team loses squeaker

by Harry G. Farrow Jr.

Boys varsity basketball team lost two games last week. "One we expected to lose, and that was against Seaford. They probably are one of the two or three best teams in the state -- and I look for them to win the state championship," said Spartan head coach, Bill Falasco.

The Seaford score was 97-55. "They had 5 men in double figures, and I think we did a good job scoring 55 points. Most of their opponents score about 45 points," added Coach Falasco. "Seaford is 9 to 10 men deep and anyone of them could start on any other high school team," said Coach Falasco.

The Indian River score was 48-47. "This was a pretty good ball game all the way," said Coach Falasco. "The score was up and down by two points. With three minutes left, we

had a 7 point lead -- for the next two minutes we did not score. We went cold. Time and time again we had three and four shots at the basket and could not make them."

With 23 seconds left, Terrain Giddens made a foul shot on a one and one situation to raise the score to 47 to 46. "Indian River got the rebound (on the second foul shot, which was missed), but we kept them at half court. With 14 seconds left they called time out. I told the group -- do anything but don't foul. We did," said Coach Falasco.

"We fouled the guy back at mid court giving them a one and one situation. Their man made the shots and won the game. We actually lost the game at the foul stripe," said Coach Falasco.

Lake Forest was 7 for 16 at the charity stripe.

LF Spartan wrestlers pin Seaford

by Harry G. Farrow, Jr.

In one of their more impressive matches of the season, the Lake Forest Spartan varsity wrestling team defeated Seaford on Wednesday 47-23.

Freddie Johnson (12-1-0) at 103, Phillip Collison (9-3-1) at 140, and Marvin Hicks (12-0-1) at heavyweight continued their winning ways in leading the team.

Kevin Wix (7-6) at 160 lbs. simply wiped his opponent out winning 12-4. "Kevin had an outstanding season in the second half and really helped this team. I look for Kevin to have a good tournament this weekend," said head coach Tom Shaffer.

In the Seaford match, Freddie opened up with a pin at 2:23. "Freddie was in control all through the match. It was never in doubt just a matter of time," said Coach Shaffer.

John Moyer followed with a pin at 1:33 in the 112 lb. class. "John is a 9th grader and has improved with every match. They looked even on paper but John is good and getting better. He did a fine job," added Coach Shaffer.

Darryl Allen (119 lb.) lost 13-0. "...but Darryl helped us by preventing a pin, and that was important. He drew a more experienced wrestler," said Coach Shaffer.

In the 125 lb. class, Mike Sanders, a JV'er, was stuck in there to prevent a forfeit. "He worked hard but was pinned at 4:41," said Coach Shaffer.

Steve Coppick won his match at 130 lb. 12-11. "Steve and his opponent were back and forth. He was behind at the end of the 1st and 2nd periods, came back to win it," said Coach Shaffer. "The fact he hung in there, kept working the entire 6 minutes was a true tribute to Steve's will to win," added Coach Shaffer. "In the last period he had a reversed and never fell. Steve's opponent was more experienced and one of Seaford's best wrestlers," said Coach Shaffer.

Larry Keller got forfeit at 135. Jay Kawalchick, a JV put in, got a forfeit at 140.

This moved Phillip Collison up to the 145 lb class which he won 16-0 by technical default. "I believe Phillip

will be one of the best wrestlers this school has produced. He will get bigger, plus he is good and he will get better. The height will prove to be an advantage," said Coach Shaffer.

Alex Winchester (152) was pinned in 1:44.

A JV'er, Larry Morris, was shifted into the 100 lb. class and was pinned at 5:09. "He battled all the way, and it looked like he would get through without the pin," said Coach Shaffer.

Kevin Wix won 12-4 in the 171 lb. match. "They were tied at the end of the 2nd period 4-4 but Kevin came on and scored 8 points. Kevin did a good job," said Coach Shaffer.

Newcomer Bobby Reed, stand out football player, who came to the team two weeks ago won the 189 lb. match 16-5. "Bobby's opponent scored 3 of the 5 points in penalties against Bobby on locked hands twice, full nelson, and an illegal start. So he really scored points against himself -- but he is a good athlete, strong and dedicated," added Coach Shaffer.

Marvin Hicks continued his undefeated record with an 8 second pin the heavyweight class. "Marvin used a double underhook and bear hug. His opponent kept moving backwards -- Marvin kept charging and pinned him. The Ref was in the right spot," said Coach Shaffer.

The conference tournament will be this weekend at Cape Henlopen beginning Friday night at 4:00 p.m.

SEASON ROUND UP -

-There were 3 wrestlers with many pins-

Freddie and Tracey Johnson with 8 and Marvin Hicks with 7. The school record for most pins is 9, held by Scott Fleming. Marvin Hicks broke the school record this year for most points in one season with 71. The old record held by Scott Fleming with 62.

Individual records--Marvin Hicks (12-0-1), Freddie Johnson (12-1-1), Tracey Johnson (10-0), Phillip Collison (9-3-1), Kevin Wix (7-6), Steve Coppick (4-7), Alex Winchester (2-5), John Moyer (3-8), and Larry Keller (3-10).

they had played at home and defeated. This time was to be no different, although a little closer game. Nonetheless, Chipman was again victorious, the final score was Chipman 55, Woodbridge 33. The leading scorer again being Kenny Bailey.

Looking back on the teams they have played this season, they have done a tremendous job of staying undefeated. Coach Probst said there

Oscar Fields recorded his first championship in the limited late models driving the Bodie's Market Camaro and was the top feature winner in that division with fifteen. Second through fifth in the limiteds were Doug Beach, John Hudson, Buddy Messick (tied with) Ernie Lowe, Jamie Eichholz.

The street modified championship went down to the final points race with Dale Bounds in the Accubell Chevelle, recording his first championship over defending point champion Tommy Elliott by a mere five points. Rounding out the top five were Richard White Jr., Bob Pritchett, Jack Messick and Dixie Van Meter.

Jerry Lias also presented two special \$250 awards to the driver in the modified and late model divisions

that finished the highest in points without a feature victory. Winning the award in the modifieds was Peter Visconti and J.C. Webster took the late model honors. Modified "Rookie of the Year" went to H.J. Bunting III who finished eleventh in points and had one feature win in his first season of competition. Howard Smith of Speed and Sport Novelty presented the four track champions with beautiful photo plaques and the foursome also received track champion jackets courtesy of the speedway.

Following the dinner and awards, the crowd of nearly 400 were on their feet to dance to the sounds of Golden Touch. The 1988 season at Delaware International will begin on Saturday night, April 16th, featuring the exciting URC sprints.

Person-to-Person

Servanthood

By Rebecca Moore

Every once in a while, you meet someone who really impresses you. Perhaps they're smart or appealing to the eye or extremely talented. Maybe they're one of those people who has been blessed with brains, good looks and multiple abilities. But for whatever the reason, they made an impression on you. I recently met a woman, and before I even saw her, she made a distinct impression on me. It was not her intelligence, her appearance or her abilities which impressed me at the time, for my first communication with her was by phone. What did impress me, was her willingness to be a servant -- to take on those tasks which most would consider lowly and undesirable. Come with me and meet a remarkable woman who has learned that one of the secrets of true greatness lies in humility. "And whosoever will be chief among you, let him be your servant."

Kathy and Robert Monroe have lived in Harrington for the last nine years. Like many families in this area, it was the Air Force which brought them here. The Monroes both grew up in the state of Utah. Their fathers worked in a coal mine, and their mothers got together and arranged a blind date for them. At that time, she was in the eighth grade, he was in the eleventh. The romance rolled along for several years, and Mr. Monroe enrolled in The University of Utah. It was during his college years, that they were married. This was extremely difficult from a financial standpoint, but Mrs. Monroe told me it was worth it. They struggled through the years of college, and on graduating, Mr. Monroe received a commission into the Air Force. He went right into pilot training and began to fly.

Their arrival in Delaware came just after a four-year tour in England. Those years had been pleasant ones for the Monroes, and they enjoyed their life in the small community in which they lived. Coming to Dover, they found the traffic and congestion of the evergrowing Dover not quite what they wanted. Heading south, they found the quiet town of Harrington much more suited to their needs and wants. They purchased a home on the outskirts of town, near the fair grounds, and there they have remained for these past nine years.

Three more Monroes have arrived on the scene since those days in Utah. Michael is a computer whiz who recently married a local girl named Linda. They are both graduates of Bloomsburg State College in Pennsylvania, and they reside up in Exton. Ken is a graduate of The University of Delaware and is an engineer with the state. He is also working on his masters degree. Jason, the youngest, is a freshman at Lake Forest High School. Raising three boys is quite a responsibility, but it was even more so for Mrs. Monroe, because she was a single parent so much of the time. A pilot spends much of his time away from home, and responsibilities of home and family are all left to the Mrs.; but all of Mrs. Monroe's sons are a tremendous source of joy to her, especially with the new addition of her daughter-in-law.

When Mrs. Monroe was still a baby, she was fascinated with water. This fascination continued, and water has become a close friend. For many years, Mrs. Monroe has taught swimming to people of all ages. During the summers, you can find her at the pool at Lake Forest High School from Monday through Thursday, teaching children how to swim. This, too, brings her a great deal of joy. She feels that by teaching people to swim, she is accomplishing something very special, and she's right.

Having never even seen Mrs. Monroe, I was anxious to connect the face with the voice I'd heard over the phone. We agreed to meet at her home, as a person's home is a reflection of their personality. Mrs. Monroe chuckled and groaned at that thought! But she didn't have anything to worry about. Ringing her doorbell, I was greeted by a tall, beautiful woman, with gorgeous, curly, auburn hair pulled back in a banana clip. She was smiling and friendly, just as she had been on the phone. She was dressed in an apricot jogging suit, and was totally comfortable in her familiar surroundings. Walking into her house, I understood why. Her home was warm and cozy, and I immediately

felt right at home. The visits overseas were obvious in the decor of the house, but the Monroe's love of antiques was also in evidence. I curled up on the comfortable love seat in the living room and for the next hour and a half, Mrs. Monroe and I talked about everything from British schools to cleaning carpets. This was one smart lady, and as we talked, my admiration for her increased. Her life has not always been an easy one, but she had no complaints, and was very open about her faith in God and the love she has for her family and those she serves.

So, here's this lady -- this very smart, talented lady who could do just about anything she set her mind to. But she has chosen a part-time occupation that most of us would never, never choose to do. She is the custodian of Asbury United Methodist Church in Harrington. No one forced her into doing it. She does it because she wants to do it. She dons her rubber gloves and washes walls and polishes church pews. She vacuums and shampoos carpets. She empties trash cans and mops the kitchen floor. She dusts the pulpit, the piano and the organ. Then she heads for the bathrooms, armed with all kinds of chemicals, and destroys the nasty old germs and general yuck that we all find lurking inside porcelain fixtures. Most of us dread the thought of scrubbing one toilet, but Mrs. Monroe doesn't hesitate to clean and shine every one under the roof of Asbury Church. Now, is that something that you would want to do? Probably not. But every Friday morning, you'll find Mrs. Monroe busy shining the house where she also chooses to worship God. Probably no one bothers to thank her, in fact she's probably taken for granted. But this doesn't bother Mrs. Monroe. Her service not only brings her a lot of joy, she knows it is a ministry, and that is what really matters.

Whenever there's heavy work to be done in the church, Mr. Monroe pitches in to help. On most days, he can be found in Dover, at a fascinating place called "Products Plus" -- a shop which offers just about everything you can imagine for computers. But, like his wife, he enjoys keeping the church in its best shape. Friday is Mr. Monroe's day off, so he often keeps her company in the church.

Kathy Monroe is a very rare, special woman. She is beautiful, intelligent and extremely talented. But there's not a conceited bone in her body. Indeed, she has learned the secret of greatness -- a secret most people would scoff at. For today, we equate money or power with greatness. But, perhaps we are way out in left field. One look at Kathy Monroe, and you know she has something special -- she has a great deal of faith in God, and that faith carries over into every phase of her life, including her willingness to perform those tasks most of us loathe. We can all learn from her!

*Matthew 20:27

* * * * *

Every so often, an event occurs which draws us together as Americans. Remember when President Kennedy was assassinated? The entire nation mourned as one body. Two years ago, when the space shuttle, Challenger, was destroyed, we shared our shock and sorrow together as a nation. Last fall, when little Jessica McClure was caught underground for all those agonizing hours, our nation held its breath, and leapt to rejoicing when she was able to escape her confinement.

Every four years, an event occurs which has the potential to bring all the citizens of this great land together once again. Do you remember back in February of 1980 when the United States Olympic Hockey Team stomped all over the Russians, and then went on to win the gold medal? Have we ever been so proud? Well, it's happening again. The Olympics are upon us. Who will win? Who will be the best? What records will be broken? The Olympics bring us all together as a nation -- not to mourn, but to rejoice in victory and the sheer joy of America and the freedom we take for granted. So watch the Olympics, and take pride in this -- the best country in the whole, wide world!

Lay leader Jean Miller organized Sunday's service due to the absence of Rev. Holliday. Russell Legates led the service; Mary Lou Wright gave the children's sermon and Hyland Webb brought the message.

Mary Lou used a flannel graph and talked about the heart as a symbol of love and how it is used in various slogans. She then went on to explain how our heart really doesn't look like the Valentine heart and then she showed what happens when our heart is clouded with sin. But when we ask Christ to remove the sin, our hearts become pure again. Blessed are the pure in heart for they shall see God Matthew 5:8.

Mrs. Vines was a registered private-duty nurse for 52 years.

She was a member of First Baptist Church of New Castle, Howard J. Weston Senior Center of Manor Park and Wally Byam Caravan Club International.

She played the organ, and she enjoyed painting and ceramics.

Her husband, Ralph E. Sr., died in 1986. She is survived by three sons, Ralph E. Jr. and Elton, Md., Parker E. and William A., both of New Castle; a daughter, Virginia Lee Waters of Omaha, Neb.; a brother, Henry Atkins of Milton; nine grandchildren and a great-grandson.

Services were at 11 a.m. Tuesday in Gebhart Funeral Home, New Castle, where friends called Monday evening from 7 to 9.

Burial was in Slaughter Neck Cemetery.

Mary F. Webb

MILFORD - Mary F. Webb of Dot Street, Milford, formerly of Milton, died of heart failure Wednesday, Feb. 10, 1988, in Milford Memorial Hospital. She was 88.

Mrs. Webb was a homemaker. In the early 1920's she taught grades one to six in the Smith School in Bridgeville. She is a former member of the Goshen United Methodist Church.

Her husband, Frederick P. Webb, died in 1967.

She is survived by two sons, Alton J. Webb of Milford and Edward L. Webb of Milton; five grandchildren, 13 great-grandchildren and seven great-great-grandchildren.

Services were 2 p.m. Sunday at Short Funeral Home, Milton, where friends called Saturday after 7 p.m.

Burial was in Odd Fellows Cemetery, Milford.

Jessie E. Wehunt

MILFORD - Jessie E. Wehunt, 70, of 203 N. Washington St., died Wednesday, Feb. 10, 1988, of a heart attack at home.

Mrs. Wehunt worked for more than 34 years in the Kent County tax office in Dover. She retired in 1983.

Her husband, Floyd, died more than 30 years ago. She leaves no immediate survivors.

Services were at 2 p.m. Monday in McKnatt Funeral Home, Harrington. There was no viewing. Burial was in Hollywood Cemetery, Harrington.

Charles B. Wilson

HOUSTON - Charles Benjamin Wilson of R.D. 1, Houston, died of cardiac arrest Sunday, February 14, 1988, in Milford Memorial Hospital. He was 71.

Mr. Wilson retired in 1981 from Houston Lumber Co.

He is survived by a brother, Elmer Wilson of Houston; two sisters, Lillian Stafford of Houston and Bertha Bennett of Princeton, N.J.; four nieces; and three nephews.

Services will be 1 p.m. Thursday in Berry Funeral Home, North West Front Street, Milford, where friends may call tonight from 7 to 9.

Burial will be in Hollywood Cemetery, Harrington.

DELDOT

KERMIT H. JUSTICE, Secretary

Rte. 14, Maryland Line to Harrington
 Contract No. 87-062-03

A public workshop meeting will be held on Tuesday, February 23, 1988 between the hours of 4pm and 8pm in the cafeteria of W.T. Chipman Middle School, Harrington, Delaware.

Deldot representatives will present conceptual plans for the Rte. 14, Maryland Line to Harrington project. The proposed work will include widening of the existing roadway to provide for one 12' travel lane and 8' shoulder in each direction, roadside drainage improvements and resurfacing.

The workshop will consist of an open forum format, and will be structured to provide a meaningful exchange of ideas and perspectives. The public is encouraged to attend and participate in this workshop.

For further information, contact Mr. Paul A. Welsh, Manager, Community Relations Section at 1-800-652-5600 or write to the Community Relations Section, Department of Transportation, P.O. Box 778, Dover, DE 19903.
