City blamed for loss of chemical plant

HARRINGTON. At Monday night's regular monthly meeting, City Solicitor, John Williams reported on the action to collect back taxes from Burris Foods which are owed the City of Harrington. "They have filed an answer to the complaint and asked for certain information which we will have to provide prior to the trial," Mr. Williams stated.

"One of the things requested is all meeting notes since 1972 related to business between the city and Burris Foods. "It may be an excessive request,"

said Mr. Williams.

In the matter of Port Lumber Company, Mr. Williams indicated the hearing with Port will be Monday, May 23rd at 2 p.m. in Magistrate's Court, Harrington. The question in play here is whether the site plan approval was final for the company to begin stacking salt treated lumber. The opinion of the Harrington Planning & Zoning commission dated December 29, 1987 indicated the final site approval plan was conditional on final agreement that Port Lumber Company would have a

firm agreement on an ingress and egress road.

There was never any agreement presented that indicated there was a final agreement. According to the council. Mrs. Spriglia of the Delaware Development office indicated there was an agreement in effect with Conrail to use the crossing, but no evidence from her office was brought to the attention of the council.

City Manager, William Smith, presented a letter from Dover Attorney

Nicholas Rodriguez, who represents Port Lumber Co., indicating that Port has always had a verbal agreement with Conrail to use the crossing in question.

Mr. Rodriguez's letter indicated that he was working on a written agreement between Port and Conrail which would part this matter to final ending.

Mrs. Spriglia indicated that W.M. Barr Co. withdrew their request to locate here with a plant costing an estimated \$5 million and hiring up to 100 employees over a 5 year period. The

council indicated that these figures had varied from time to time. The blame was laid on the city for holding a public hearing about a month ago in which the discussion turned around the use of toxic chemicals by the chemical which some felt could be harmful to the community unless safety precautions were taken. The company reported to the Development office they were unhappy with the tenure of the meeting, and as a result withdrew their letter of intent to build a new plant here.

Mayor Farrow said all the city was trying to do was to show their good side. "The matter of the public hearing came about as a result of the citizens asking questions. I did not know and I think I can say the same for the council members, that we did not know anything about the company prior to that meeting—or its official name. I think the matter of confidentiality was carried too far—and backfired. It is too bad the town of Harrington has to bear the constant brunt. Too bad," he said.

City owes over \$74,000 — Begins plan to pay debts

HARRINGTON. Harrington City Manager, William F. Smith, made the solemn announcement at Monday night's council meeting that the city owes over \$74,000. "I can't sleep at nights worrying about this problem. We aren't catching up the bills fast enough—and something has got to be done," he said.

"Most bills he claimed go back between 90 and 120 days old. "But some of these bills have outstanding balances back as far as two years. It seems we never get these chemical companies caught up", he stated.

The chemical companies Mr. Smith alluded to related to these chemicals needed at the sewer plant.

Mr. Smith reported that the city has three money market accounts. "We have a city money market account where the fines are accumulated and

currently there is a balance of \$41,198. There is one for sewer and water fees and one for Municipal Street Aid. These two have approximately \$8,000 as a balance," he said.

One of the largest bills is that owed to Delmarva Power which currently totals \$21,500 with approximately \$15,000 as which is in arrears. "The rate we are going with the electric company I have programmed it out, and it means we will pay them (the electric company) around \$90,000 a year. I don't see how we can do it," he continued.

It used to be that revenue sharing which were funds received from the federal government were enough to just about cover this expense. "We no longer have this as an asset—and I guess it has been stopped some time ago. Certainly long before I became the city manager," he sighed.

When Mr. Smith indicated the city was not in a good financial situation to sit on money market accounts, the council voted to withdraw the money and pay the bills.

Councilman Temple stated he felt this information should have been brought to the attention of the council sooner, and asked why it was not.

The city manager said "it is matters that are surfacing. And I think it went on long before I came here," he stated.

Mrs. Dorothy Spriglia of the Delaware Development Office appeared before council on Monday to restate and reaffirm her position and that of the Development Office about Burris Foods and back taxes owed the city which the city states exceeds \$56,000.

"The information which has been presented to me indicates that the building (Burris) is mostly outside the

city limits...and you (the city) cannot tax property outside the city limits," said Mrs. Spriglia.

"My singular response to this is that I wish for all parties concerned this issue had been raised a year ago. Unfortunately for all parties concerned—because what remains is an air of dislike, which should not be the case", said Mayor Farrow.

City Solicitor, John Williams, said "if anyone has any papers, documents, or surveys that would influence the outcome of this matter should make that known to me."

Mr. Williams indicated that what has been offered is not official. "What I have seen are aerial photographs and tax maps, which are not controlling. What we need is a survey which refutes the city's survey," said Mr. Williams. Mrs. Spriglia warned against the

pending lawsuit between the city and Burris Foods for back taxes saying "...you (city) will lose if you pursue this matter through the courts."

She indicated that Mr. Burris had engaged another survey "...which is a field survey costing approximately \$7,000." She had indicated earlier if the city ran a field survey "it will cost you (city) \$50,000."

Dudley Willis, a former partner in the Edward Richardson Engineering Firm, Newark, and former engineer for the city indicated that it would not cost \$50,000, "...and besides the survey is already done. We did it back in the early '70s," he said.

Mr. Willis stated "a survey will be accurate and prove out with all other surveys if you all use the same common starting point."

The survey made in the early '70's used the starting point just north of the train station. "The original starting point called for the point in top of a railroad building which no longer stands—but we were able to get enough information to prove a common starting point."

"This is the accepted starting point—and if you start there and complete the survey it will tell you what you have. That's the way to do it," said Mr. Willis.

Mr. Williams indicated that he had received a letter from the County Assessor's office that Mr. Anthony Gallo of near Andrewville and a member of the County Assessor's office had visited the Burris Food plant and according to the letter had made certain site evaluations that indicated the Burris plant was partly outside the city limits.

JCPenney National Bank to celebrate 100th Anniversary

HARRINGTON—To commemorate its 100th year of providing community banking service, the JCPenney National Bank will stage a number of local events in Harrington and Canterbury in May and June, it was announced today, May 11th, by David G. Jones, president.

The festivities will begin at 8:15 a.m. on Thursday, May 12, when Bank officers dressed in business attire reminiscent of 1888, arrive at the JCPenney Bank in Harrington by horse-drawn buggies. They will be joined by state and local dignitaries for a ceremonial ribbon cutting to dedicate "the next 100 years." The 15-piece Lake Forest High School Band will perform, and refreshments will be served following the ceremony. The inside of both bank locations will be decorated with photos, costumes and memorabilia about the Bank and the communities it has served for the past 100 years. A complimentary copy of a special centennial booklet about the history of the Bank will be offered.

On May 12 and May 13, hot dogs, popcorn, and cokes will be offered for 5 cents at both the Harrington and Canterbury locations.

Between May 12 and June 3, each bank location will have a "treasure chest" with cash prizes. In order to win, customers and other visitors should pick up a lucky key and try to open the treasure chest. It will be stocked with dozens of cash awards from \$1.00 to \$100.00. There will also be a weekly drawing for a JCPenney microwave oven.

The JCPenney National Bank is sponsoring a Young People's Art Contest. Children from kindergarten through 12th grade can submit art work related to the history of the Bank. Four different age categories will be judged, and five winners will be selected from each category, with prizes ranging from \$10 to \$50. After the contest, art work submitted will be on display at both bank locations. Entry deadline is

Monday, May 16.

On Friday, May 13, the Bank will sponsor a senior citizen dance at the Harrington Senior Center from 7 to 10 p.m. Attendees can look forward to door prizes, party favors, and refreshments. Tickets are available at the Senior Center.

Formerly known as the First National Bank of Harrington, the JCPenney National Bank was organized in 1888 by local residents who needed a convenient banking facility. The nearest bank was eight miles away in Milford. When the bank first opened its doors for business, it operated out of a local brandy house until the original building was completed in May 1888. The Bank conducted business from this location until the board of directors decided to purchase the Dickerson Hotel in 1925 for the site of a new facility. Construction on the two-story granite building was completed in 1928. Today this building is still used as the main office of the Bank. A branch was opened in Canterbury, nine miles away, in 1978.

JCPenney purchased the Bank in June 1983, and it became a wholly-owned subsidiary of the Company. Total assets of the Bank were \$28 million at the time of acquisition. They have since grown to over \$650 million in the 100th year of operation. The rapid growth of the Bank can be attributed to the nationwide Visa/MasterCard solicitation program which began in late 1985. The primary source of funding for the bankcard program has been the marketing of certificates of deposits in nine states.

To quote from the centennial booklet, "In 1888, the JCPenney National Bank celebrates its 100th anniversary. Characterized by dignity, prosperity, customer service, and hard work, the first century now rests in the past—but the lessons of its proud tradition have built an unshakable foundation for the centuries of service that lie ahead."

Harrington Alumni awards scholarships

by Harry G. Farrow

HARRINGTON. There were 429 who were in attendance at Saturday night's alumni banquet. Ten scholarships were awarded in the amount of \$700.

The honored classes were 1928 (60th anniversary) with 6 members of that class present; 1930 (50th) with 15 members present, followed by 1948 (40th) and 10 present, 1958 (30th) with 13 present; 1963 (25th anniversary) with 17 present, and 1968 (20th) with 22 present.

Mr. and Mrs. Jehu Camper were honored as being the oldest female and male alumni in attendance. They were members of the Class of 1915. The largest percentage of any class present was 1920 with 100 percent. Mrs. Eleanor Walls Harris (55) travelled the farthest, from BelHaven, California.

The ten scholastic scholarships which were awarded were as follows:

1. The Karen Evelyn Garey Scholarship to Kelly-Snow Jones who is a senior at Lake Forest High School. The scholarship is funded in part by General Foods Corp. and the Garey

Family.

2. Claude Bunnell Scholarship to David Leroy Welch, who is a Lake Forest High School senior. Mr. Bunnell moved to Harrington in 1929, was a member of the graduating class of 1939. He graduated from the University of Delaware in 1943. He worked as a chemical engineer for Hercules. Mr. Welch is editor of the yearbook and president of the honor society.

3. The Grace Clark Welch Scholarship to Patricia Ann Hendricks. She is the daughter of Roger (58) and Priscilla Hendricks. Mrs. Welch and her husband were former owners of Welch's Seed Service (The Old Mill) in Harrington. She was honored for her many hours of community service to Harrington. She was a former "Outstanding Citizen Of Harrington".

4. The Zita Z. Hatfield Memorial Scholarship to Amy Lynne Hopkins, daughter of Ann and the late Lynn Hopkins of Harrington. Mrs. Hatfield was one of the founders of the Alumni Association.

Hindes views race most important for Democrats

by Harry G. Farrow, Jr.

HARRINGTON. Gary Hindes, the Democratic candidate for the office of Lt. Governor, told *The Harrington Journal* last week that the office of Lt. Governor is the most important one for the Democrats this fall.

"I had indicated early when I was looking at the possibility of other offices, that the office of Lt. Governor would be one of the most important state wide offices the Democrats to claim this fall," he said.

"Some people in Sussex remembered me saying this and I guess I got the draft in that fashion. But it is as true now as when I said it—and it will be more so as time gets closer to the election" he explained.

Mr. Hindes said the office of Lt. Governor can be a public advocate. "If someone has a problem where other elected officials cannot be reached, I see this office as one where the public can get through to you," he added. "If elected, I would allow the public to cut through the red tape," he summarized.

Gary Hindes sees the state facing

Gary Hindes

crucial problems in the near future even though economically the state appears to be in good condition. "I see too much

Music Makers Quartet: Center, Sandra McCain, Bass. Back left to right: Kathe deRose, Lead; Jan Para, Tenor; Rae Phillips, daughter of William F. Smith of Harrington, and Eleanore Smith of Florham Park, N.J., Baritone. Appearing at Colony Inn, on May 14.

Harrington Rotary to sponsor barbershop performance

Music Makers, a Sweet Adelines female barbershop quartet, will be appearing on Saturday, May 14 at the Colony Inn at a performance sponsored by the Harrington Rotary Club.

Music Makers, who have been medalists at the last four Region 15 Greater New York Sweet Adeline competitions, will perform their

repertoire of Broadway, gospel, ballad and traditional barbershop tunes. "We'll also be teaching the Rotarians to sing a good old barbershop tag," comments Kathe deRose, lead of the quartet.

All members of the quartet reside in

(Continued on page 2)

Students/parents to march for referendum

Lake Forest students and concerned parents will be marching in a parade on Monday, May 16. This parade will help promote the passing of the Lake Forest School District referendum on May 17.

The parade will begin at 6:30. Line-up will take place in the back of the Mealand grocery store in Harrington. Parade participants will be chanting, carrying signs, and doing anything that

will attract attention.

After the parade ends at Chipman Junior High School there will be a rally held with students voicing their opinions about the referendum.

These activities are being held in order to get community members involved in the voting that will be May 17 at all district schools.

Clyde Beatty-Cole Bros. Circus returns to Dover

DOVER, DE.—The World's Largest Circus Under the Big Top will return to Dover for the benefit of the Dover Jaycees. Performances are scheduled for May 18 and 19 at the Blue Hen Mall located on U.S. Route 113. Cole Brothers, will perform two shows each day. Showtimes are 4:30 and 8:00 p.m.

Covering over an acre of ground, the massive blue and white-striped Big Top will be filled with all the sights and sounds that made Clyde Beatty-Cole Bros. Circus thrilling entertainment for generations. Lions and tigers, jugglers, stiltwalkers, aerialists, horses, clowns, acrobats, the Beatty-Cole herd of performing elephants and a host of

other exciting performers will present their accomplishments in a two hour show.

Clyde Beatty-Cole Brothers Circus is the last of the great American three-ring, circuses. The circus is still capable of moving its tented city and over sixty vehicles every day. Really a "mobile city", the circus has its own dining department to feed its employees, carries generating plants for electric power, water trucks haul over 3,000 gallons of water daily.

Advance tickets are on sale at JC Penney's in the Blue Hen Mall and Marsteller's Mkt, U.S. 113, Milford.

Barbershop quartet to perform

(Continued from page 1)

northern New Jersey and sing with Hickory Tree Chorus, which won the 1988 Regional Championship in Philadelphia on April 23.

The baritone of the quartet, Rae Phillips, grew up in Harrington and graduated as Elva Rae Smith from Harrington High School. She is currently English Department chairperson at Madison High School and recently served on the H.H.S. Alumni Scholarship Selection Committee. "We do a Fifties segment in

our show," said Phillips. "Because I still remember all those hours I spent at Burton's with my gang."

Other members of the quartet include tenor Jan Parra, a member of the Medical Information Department of Ciba-Geigy Pharmaceuticals in Summit. Sandra McCain, bass, is the Patient Education Coordinator of Morristown Memorial Hospital.

Arrangements for the performance were set up by Bill Smith, Harrington city manager and a Rotary member.

Felton Odd Fellows Order makes hospital donation

The Delaware Eye Care and Research committee of the Independent Order of Odd Fellows and Rebekahs presented to Nanticoke Memorial Hospital a check in the amount of \$2,500.00 to purchase a pneumatic tonometer.

The pneumatic tonometer will be used to detect eye disease associated with glaucoma.

The purchase of a specular microscope, made possible by the members of the Independent Order of Odd Fellows and Rebekahs was

presented to the Medical Eye Bank of Delaware.

Several contributions to hospitals in Delaware as well as eye testing machines to schools throughout the state including blind schools have been made by this Fraternal Order.

The Independent Order of Odd Fellows and Rebekahs also supports the Arthritis Foundation and other worthwhile causes throughout the state.

On Wednesday evening, May 4th, the Harrington Public Library was pleased to host a slide presentation on China by Mrs. Rhoda Friedman. Mrs. Friedman had visited China with People to People International. The slides were lovely and Mrs. Friedman's vast knowledge of the country and its customs made for a very entertaining

evening. Twenty-five people attended. Because of the overwhelming response to this program and the recent series of book discussions the library hopes to plan more programs for the future.

Mrs. Friedman, left, modeling a Chinese kimono is joined by Mrs. VanVesson, librarian at the Harrington Public Library.

Harrington Public Library

The Harrington Public Library, located at 31 Commerce Street, is open Monday and Tuesday 1 to 9 p.m.; Wednesday 1 to 6 p.m.; Thursday and Friday 11 a.m. to 6 p.m.

New Books: *Blood and Sable* by Carol J. Kane; and *Washington Goes To War* by David Brinkley.

Coming Events: May 16--Meeting of the Friends of the Harrington Public Library at 7 p.m. in the Library.

Storytime--Every Wednesday at 1:30 p.m.

Children's Movie--Every Thursday at 3:30 p.m.

Boat examinations scheduled

Free Courtesy Marine Examinations will be given by examiners from Harrington Flotilla 12-08, U.S. Coast Guard Auxiliary, at the Cedar Creek boat ramp on Sunday, May 15, from 1 to 5 p.m.

Information will be available on

Federal, Auxiliary and the State of Delaware requirements for recreational boats.

Additional examination dates are: May 21 & 22-1 to 5 p.m.; May 24, 26 & 28-5 to 9 p.m.; and June 5, Noon to 5 p.m.

HOUSE OF THE MONTH—Goes to Dr. & Mrs. Howard O. Weber, who reside at 56 Clark St. Dr. & Mrs. Weber come to us from Puerto Rico. Dr. Weber is a retired veterinarian and Mrs. Weber a full-fledged housewife. The previous owners were Mr. & Mrs. Howard Butler. The home was built by Mr. and Mrs. Arnold Gilstead.

Heritage Day 1988 being planned

Heritage Day this year promises to be bigger than ever. There has been a quick response from many of the regular crafters and hobbyists verifying that they will return. There are more people serving on the Committee this year than ever before. And there are more ideas stirring for improvements which must be done as we grow.

There is the promise of a Medicine Show. There will be more things for children this year than ever before...including the 40 et 8 Locomotive from the American Legion. We always have our Historical Tour and Open Houses.

This year we are celebrating our 10th Anniversary. In honor of this, we are making a cachet for the Stamp and Coin collectors to enjoy. The design and ordering information will be announced later.

Some of the entertainment we know will be returning is a full schedule of

different groups down on the stage at the Senior Center...including the Senior Center Band and Chorus and Alex Benson and the Hitchens Family, The Clowns of Delaware, and many, many more.

The following are chairpersons you should contact to become a part of this great affair: Flea Market, Gene Price, 398-4554; Food Permits and Placement, Donald Derrickson, 398-3747; Antique Farm Machinery, Jack Short, 398-8096; Crafters or Hobbyists, Grace Welch, 398-9617 or Garnet Messick 398-3639 or Dorothea Coverdale, 398-3957; Publicity, Grace Welch, 398-9617; Chairperson, Beverly Turner, 398-3878; Assistant Chairperson, Bill Andrew, 398-8111 (home 674-4564); Secretary, Jean Miller, 398-4660; Opening Exercises, Buck Cahall, 398-3089.

Mark your calendars for September 17 and plan to celebrate all day. ENJOY!

Community Calendar

MAY 13—All Alumni of the University of Delaware Parallel Program are invited to a 20th Anniversary Reunion from 5 to 7 p.m. at the College West Building of the Del Tech & Community College in Georgetown. The Delaware FFA Association will be sponsoring an auction for the benefit of the children of the late Joe and Beverly Gibson. The funds raised will be used to help raise the children who are now with their grandparents, Mr. and Mrs. Gibson.

The auction will take place on May 15, 1988 at 1 p.m. at the Caesar Rodney Senior High School. A number of items have been donated for sale, for example,

a Delaware State Flag, a homemade afghan, horse feed, plants, etc.

If you have items that you would like to donate to the auction, please bring them to the Caesar Rodney High School FFA Chapter during the school day or bring to the high school on May 15th. Telephone inquiries should be made to the Delaware FFA Association at 736-4681.

Crime Stoppers

Delaware Crime Stoppers is asking you to help the New Castle County Police identify the rapist who attacked a woman at the 3000 block of Sussex Drive, Lancaster Court Apartments, Wilmington. It was nine o'clock Friday morning, last October 23rd, when a white male in his late 20's climbed through the victim's bathroom window and jumped on her while she was still in bed. He threw a sheet over her head and raped her, then stole money and fled through the rear door. Since there were many people about at that time and

children waiting for school buses, it's felt that someone may have seen him. He is described as a white male in his late 20's, 5'10" tall, dirty blonde hair and ruddy complexion with facial acne scars. At the time, he was wearing faded blue jeans and a white shirt.

If you have any information on this or any other crime please call 1-800-TIP-3333, Monday through Friday between the hours of 9:00 a.m. and 5:00 p.m. Up to \$1,000 reward for publicized or unpunished felonies. You do not have to reveal your name.

Harrington Alumni Banquet

(Continued from page 1)

5. The Walter L. Voss, Jr. Memorial Scholarship to David Wayne Dill, Jr. Mr. Voss was the long time Chief of Police for Harrington and was honored for his many outstanding deeds to fellow citizens in Harrington.

6. The H. Judson Ramsdell Memorial Scholarship to Carrie Mae Garey. Miss Garey is the daughter of Lt. Col. and Mrs. Larry Garey ('65) now stationed in Tennessee. She is an honor student and will enter the University of Tennessee this fall. Mr. Ramsdell was a former rural mail carrier, a member of the Harrington Public School Board and a long time merchant in the community. Mr. Harold Quillen purchased the Clover Farm Store which was operated by Mr. Ramsdell prior to the purchase.

7. The 1938 Class Memorial Scholarship to Towyna Renee Minner. She is the daughter of Gary and Hope Minner of Harrington. She is a senior at Lake Forest High School. The scholarship was funded by Mr. and Mrs. William (Anne) Minner of Harrington.

8. The David Leroy Welch Memorial Scholarship to Jeffrey Scott Kohel.

9. The Rev. William H. Miller Scholarship to Kevin Allen Dill. The scholarship was presented by Rev. Miller. It is given each year to a worthy recipient in honor of Rev. Miller whose work and reputation in the community preceeds him.

10. The 1958 Class Memorial to Madeline Paige Parker. She is the daughter of William ('62) and Sandra Parker of Harrington.

All scholarships are for \$700. The new officers for the coming year were announced. They are Mrs. Pat Garey, president, Jerald Garey, 1st vice president, Mrs. Iris Feutz, 2nd vice president, Mrs. Viva Poore, recording secretary, and Mrs. Phyllis Masten, corresponding secretary.

The guest speaker for the annual alumni banquet was Dr. Charles J. Townsend Jr. ('41). Dr. Townsend is a native of Masten's Corner, and is married to the former Roselle Hickman of Harrington also an alumnus of Harrington High School. They have three children and four grandchildren. They make their home in Springfield, Ohio. He is president of the Clark County Heart Association, taught at Wright State University School of Medicine in Dayton, Ohio, member of state and national medical associations, served in the Army on two different enlistments (43-46 and 56-58), and he is president of the Vichwood School. He is a graduate of the University of Richmond where he was a member of Phi Beta Kappa the highest scholastic order in undergraduate college level.

Dr. Townsend's topic was "Saddle Bags to Lazars", where he developed a theme of how plagues got started and developed into epidemics. The bubonic plague was carried by the flea. When Europe went through a climatic change suffering very cold weather the rat was killed off, "but farmers made their way to the cities seeking employment causing overcrowding and the spread of the disease which killed off tens of thousands."

He carried his theme on reciting how the louse caused Napoleon's downfall "...among other things" to Viet Nam where drugs really got their start with the American G.I.'s. "Today not only do we face the epidemic of AIDS but also the growing use of drugs in this country."

"Always the theme is first denial...blame, fear and some reaction by society", he said. He suggested that it might come to pass where AIDS victims will be quarantined "...as they did at one point with TB patients or those with other communicable type of diseases in order to bring the epidemic under control", he added.

Five Chipman students participate in art show

Five students from Lake Forest School District's W.T. Chipman Junior High School have been selected to participate in the first Delaware Middle Level Art Show.

The show dates are May 1 through May 31 at the John M. Clayton Hall on the University of Delaware's Newark campus. Times will be from 3:00 to 5:00 p.m. The show will be extended to the Townsend Building in Dover from June 1 through June 7.

"These students were selected because

of their outstanding art work," praised Michelle Melvin, Chipman Art instructor. "This is quite an honor for our school."

All five are eighth graders. Bernard Gilbert (contour pencil drawing of art class), Desmond Cole (pen and ink bear and cubs), Kelly Lister (pen and ink portrait), Donna Moles (pen and ink gloved hand) and Danielle Tesoro (pen and ink portrait) were the students selected.

Stephanie Nicholson and the picture of her sister which took top honors at the recent "Reflections" contest.

Nicholson wins "Reflections Contest"

Officials at Lake Forest School District report that W.T. Chipman Junior High School student Stephanie Nicholson won the National PTA sponsored "Reflections" Contest recently in Wilmington.

The annual arts contest was held at the Delaware State PTA Convention.

Nicholson's drawing of her sister will now enter the national contest.

"It is beautiful," said Chipman PTA President Kathy Schafer, "I am very happy for her."

Nicholson is the daughter of Bonnie Vogel of Harrington.

"I want them to be the best that they can be"

Winona Deputy believes in the future. She also believes that the only way for our youth to take advantage of life's opportunities is to have a sound base of education.

As co-director of the Lake Forest Tutorial program, she is trying to move area children in that direction.

"I want them to be the best that they can be," said Deputy without hesitation. "That is the only way that these children will get ahead."

Deputy, cafeteria manager at W.T. Chipman Junior High School, who, along with Lake Forest High School teacher Fred Duffy, created and run the tutorial program, has attracted children from the various communities of Lake Forest School District to Metropolitan Church in Harrington. The program runs from 5 p.m. - 6 p.m. each Wednesday.

"I believe that's a strength," she pointed out. "We're not just a Harrington program. We reach children from all over the district. It's amazing to see what these

children can do. All they need is a little reinforcement. We try to work closely with the teachers and add to what the school is doing."

Each week nearly two dozen students and a half dozen volunteers gather at the church to read, complete math assignments or work on vocabulary skills.

But that's not all as Deputy added, "Sometimes their work is messy...too messy. We work with them on that, too. It doesn't matter if it's correct and the teacher can't read it."

Despite the weekly commitments of the students and volunteers, Deputy is not satisfied.

"I know there are other children out there who need help. I see them in school and I see them in church. We need those parents to encourage their children to attend, too."

For Deputy, her goal of, "I want them to be the best that they can be," will not be reached unless she cannot identify one student who is not taking full advantage of the educational process.

State honors top students

Top students from Delaware public high schools will be honored by government and education officials at the State Superintendent's Scholars' Dinner scheduled for May 26, 1988 at the Dover Sheraton.

The 26 girls and 23 boys were selected by their principals for being the exemplary scholars of the Class of 1988 and for winning awards of state, regional, or national significance.

State Superintendent William B. Keene said the dinner is meant to recognize the students for their achievements and to encourage them to continue to strive for excellence.

"Their accomplishments show that these students have developed splendid work habits and discipline and have learned to exert themselves in pursuit of a goal," Dr. Keene said.

"These qualities of mind and character will prepare them to succeed in whatever endeavor they choose. They reflect great credit upon the help the students have received from their families, friends, and neighbors, as well

as upon the high level instruction given by their teachers."

Featured speaker at the dinner will be William B. DeLauder, President of Delaware State College.

The students will receive certificates and a special medallion struck for the occasion.

Listed by school district, the local scholars are:

*Caesar Rodney School District: Anita Lynn Pruitt, Caesar Rodney High School.

*Kent County Vocational-Technical School District: Michael Harris, Kent Center Vocational Technical High School; Renee Lehua Cotton, Kent North Vocational Technical High School.

*Lake Forest School District: Kelly Snow Jones, Lake Forest High School.

*Milford School District: Patricia Ann O'Neill, Milford School District.

*Woodbridge School District: Leigh Ann Durig and Donna Elaine Winski, Woodbridge High School.

As Time Goes By...

Days Of Our Years

by Bonnie Algier-Mitchell
30 YEARS AGO
MAY 16, 1988

The City Council, at a special meeting Monday night, approved a number of proposed zoning ordinances and referred them to City Attorney Herman C. Brown for drafting and advertising.

A Zoning Commission, composed of Mrs. William Humes, William W. Shaw, and William A. Minner had prepared the ordinances in 17 pages of single-spaced typewritten copy.

By ordinances, the City of Harrington will be divided into three classifications: R-1-Residential districts; R-2-Residential districts, and C-1-Commercial districts.

Of Local Interest...Mrs. Brown Smith entertained several of her friends of Frederica and Harrington to luncheon and bridge last week.
Mr. and Mrs. H.E. Quillen and Mr. and Mrs. R. Harry Quillen spent

Greenwood broke open a scoreless ball game with two runs in the fourth inning and added six insurance tallies in the sixth frame.

Senior Howard Brown enjoyed his finest hour, as a high school athlete, when he blanked Lord Baltimore's Eagles 5-0 on one solitary bingle, at Millville-Ocean View Monday afternoon.

The high-water mark for Brown came in the twilight of his H.H.S. career, just ten days before he is scheduled to hang up the mitt and spikes for good. The right hander fanned ten Eagles and gave up a single to catcher Doug Megee.

10 YEARS AGO
MAY 17, 1978
Lake Forest School Board voted unanimously to pass a policy which stipulates measures that will be taken for staff reduction Monday, May 15. The policy had been discussed for the

I REMEMBER WHEN!!

When you could ride from town to town and see farms one after another. Now you don't know when you leave one town and reach another. The farms are gone and houses are one after another.

— John Manship

Sunday in Ocean View with Mrs. Sallie Quillen.

20 YEARS AGO
MAY 17, 1968

The property tax of Harrington Special School District was raised 6¢ per \$100 Thursday night, May 9, at the meeting of the Board of Education of Harrington Special School District. The capitation tax remained unchanged at \$11.

The new property tax rate will be 70¢ per \$100, against 64¢ last year. The increase was cited to be used for minor capital improvements, to be paid off in two years.

The City is contemplating street improvements in Harrington Manor, it was learned Monday night at a meeting of the City Council.

Improvements considered are blacktopping the unpaved portions of Dixon, Benjamin and Center Streets, and patching up other streets.

Check out these Acme prices...Kingsford Hardwood Charcoal-10lb. bag 69¢; Marshmallows-2 1 lb. bags 45¢; Fresh, Luscious Strawberries 3-1 pt. boxes \$1.00.

Scott Baker, of Greenwood High, gave up only one hit as his team downed Lord Baltimore 8-0.

Hamstead, at shortstop and catcher Mike Breeding, had half of the winners' eight safeties.

past few months and at last month's School Board Meeting was passed. Monday night, however, school board members changed one item within the policy.

The item that was changed falls under the criteria for reduction. What previously read as "Number of years teaching experience in the Lake Forest School District" now reads as "Number of years of continuous teaching experience in the Lake Forest School District."

The purpose of the policy is to provide a fair and orderly process for eliminating professional staff members should the need arise.

The W.T. Chipman Jr. Band traveled to Ocean City, Md. last Saturday to participate in the 2nd annual Ocean City White Marlin Band Festival and Boardwalk parade. The Chipman band won 2nd place in the Division II Junior band category. Division II Jr. Bands are ones who come from schools with less than a 1,000 student population.

The Lake Forest Board of Education announced at its regular school board meeting on Monday night that Bill Falasco has been named as the new head basketball coach at the high school. Falasco will replace Albert "Buck" Starkey who resigned after the past season and who will take over a head basketball coach position at Milford High School next season.

CELEBRATE GOLDEN ANNIVERSARY — Mr. and Mrs. Marion V. Collins, Milton, celebrate their 50th wedding anniversary on Saturday, March 26, at the Seaford Golf and Country Club. Approximately 179 guests honored the couple at a buffet lunch, given by their children. The guests were welcomed by their son-in-law, Michael Wright. Rev. William McDaniel, long time friend, gave the invocation. Carol Calloway and Barry Dukes provided music and song, using some of the music sheets belonging to the couple from 1933. Ronald Wyatt, grandson, played guitar, and their three year old great-granddaughter rendered several selections. Their life history was given by daughter, Maryann. A money tree and gifts were received by the couple. They will be remembered by many friends here as being married in the Old Historic Barratts Chapel, near Frederica. The Rev. R.W. Sapp, former Pastor of the M P Church was the Minister.

Felton/Sandtown

by Lola M. O'Day 284-9175
BIRTHDAYS

Kenny Armstrong, William Freeman, Ron Rawding, Bobbi Stubbs, Rod Donovan, Robert Fowler, Nancy Sapp, Heath Madden, June Clark, Marion S. Chaffinch, Darrell Voshell, Richard McCloskey, Robert M. The Fraziers Homemakers are taking a trip to Potomac Mills on Monday by bus. Will be able to tell you about the trip next week.

Happy Birthday to Jack Hampton, who celebrated his birthday at home Saturday with his family.

I hope all mothers enjoyed a wonderful day for Mother's Day.

Cub Scout pack #141, Felton, took their collection of cans to Reynold's Recycling Center on Saturday, May 7th. They received \$66.04 to be applied toward summer day camp.

Sharing in your sorrow to convey sympathy and understanding in times of bereavement to the family of John E. Rash, Willow Grove, who was a retired barber.

The JCPenney National Bank is celebrating its 100th birthday on May 12, 1988. Please try to attend the Old Fashioned Ribbon Cutting ceremony at 8:45 a.m. It will be an honor to join them and enjoy the memorabilia from the past.

Harrington Rotary Club

by Melvin L. Brobst

Harrington Rotary was host to a six-member team of a Rotary International Group Study Exchange from Sweden when they visited the Lake Forest High School facilities last Friday. It was only part of a month long visit to Delmarva which includes a five-day stay in Dover, where they include the Dover Days celebration in their activities as well as visits to ILC, General Foods Corp., and a day with the Dover Air Force Base with dinner at the Officers' Club as well as an area Rotary Club evening and dinner. When they leave for Wilmington their trip will include New Castle and the Old Swedes Church, Winterthur, the Hagley Museum, and Longwood Gardens. When in Dover they will be greeted by Gov. Castle and his staff.

In the Harrington area, the group consisting of Willie Rehn, group leader, from Helsingborg; Soren Andersson also of Helsingborg; Johan Heden, Mikael Hakansson, Bo Moberg, and Peter Olsson, all from Sweden, were escorted on a tour of the high school facilities by Mr. Richard Struck, Assistant Principal at Lake Forest High School, who very efficiently escorted the group to all of the departments and were greeted amiably by both faculty and students.

At the conclusion of the tour, the

members of the Harrington Rotary Club transported the members of the Swedish team to the Caroline Country Club, where they were received by the Denton Rotary Club for a luncheon meeting and then a tour of Nationwide Full Fillmont, Inc., after which they went to Federalsburg for a tour of Maryland Plastics, Inc., conducted by members of the Federalsburg Rotary before returning to Milford for the night, where they were entertained in private homes for their stay in the area. The tour continued to the other areas the next day.

Members of the Harrington Rotary who accompanied the tour and made possible transportation to the Caroline Country Club were Mr. Melvin Brobst, committee chairman who made arrangements for the team's visit, Mr. Melvin Luff, who was Deputy Superintendent at the time expansion of the high school was made several years ago, the Rev. Susan Mills, Vicar of St. Stephen's Episcopal Church, Harrington. Mr. H.G. Farrow was responsible for the press photography. Mr. Ronald Burrows, Principal of Lake Forest High School was responsible for making the tour of the high school possible. Mr. James Boyd, Guidance Counselor at the W.T. Chipman Junior school accompanied the group as an advisor.

Harrington Moose

Thousands of Moose members have served beyond the call of duty to fulfill the Moose Program. And for that they earn advanced degrees of the Fraternity. When a man is enrolled into the Loyal Order of Moose, he automatically becomes a member of the first of four degrees toward advancement. After he has been a member of good standing for six months, he is eligible to apply for membership in the second degree of the Fraternity, known as the Legion of the Moose.

As an advanced Degree, the Legion of the Moose provides a means of distinction for its members. Becoming a Legionnaire is the first step up and it is from the ranks of Legionnaires that selections for advancement to the Honor Degree of Fellowship and Pilgrims are made.

If a member has demonstrated his leadership ability by giving of his time and effort to serve various committees and by being a capable administrator while holding appointive and elective

offices, he may be accorded the honors of the third degree — the Fellowship Degree.

Only those who have compiled an outstanding record of meritorious service to the Fraternity and its program over a period of many years receive the highest and most coveted degree, the Pilgrim Degree of Merit.

The Loyal Order of Moose has a distinguished record of both fraternalistic and community service activity. That's because its membership is imbued with a humanistic spirit to help others in need.

But we're proud, too, of the camaraderie between Moose members. It's there at Lodge social dinner-dances, picnics, meetings, and the get-togethers whenever projects need to be fulfilled.

Yes, being a Moose member gives one a good feeling — knowing that with fellow members, you are in a position to help children, people, your own members in need and that YOU DO IT!

Chit-Chat with Bonnie

by Bonnie Algier-Mitchell 398-8551

Hope you all had a lovely Mother's Day. I saw many families treating Mom to dinner at local restaurants which is so nice, it gives mom a real break. I received lovely gifts from both my daughters & we spent the day together.

Mr. and Mrs. Robert Algier of Seaford enjoyed having their granddaughter, Roberta Mitchell as a guest Wednesday afternoon. She was also entertained to lunch out with her Mom-Mom Fran.

Miss Melinda Larimore visited her cousin Susan Larimore on Saturday and they spent the afternoon shopping. Many get well wishes to Kathy Finkbinder who is suffering with back problems.

Mr. and Mrs. Chester Hill had as Sunday visitors their daughter April and children, LeeAnn and Matthew.

Mrs. Anne Paladino took a weekend excursion to Long Island, New York to visit with her parents Mr. and Mrs. Fogliano.

Mr. and Mrs. Don Mitchell and daughters, Susan Nicole' and Roberta enjoyed a lovely Mother's Day dinner with Mrs. Florence Mitchell of Laurel on Sunday afternoon. Later, they surprised their mother and grandmother, Mrs. Fran Algier of Seaford with a visit.

Would sure love to chat with you. Call any day after 4:30 at 398-8551.

7-0 Spartan trackmen best Milford, Smyrna

by Keith S. Burgess

Jim Blades' Lake Forest Spartans defeated Milford and Smyrna by identical 108-38 scores, to remain unbeaten at 7-0, with one meet to go.

With Milford unable to mount a challenge and the difficulty of recording fast clockings on Milford's dirt track, Lake Forest, more or less, used the meet as a tune-up.

Steve Clute, David Elder, Shawn Wix and Mark Tozer took the opening race, the 3200 meter relay.

Tozer also won the 800 in 2.09 and the 1600 in 4.43, which is a fine effort for the conditions.

Rod Parker, Petey Davis, Herman Mosley and Terraine Giddens annexed the 400 relay (46.1). With Jason Tiggs replacing Mosley, the quartet captured the 800 relay in 1.36.9.

Tiggs was first, at 400 meters, in 54.5 with Mac Holmes next. Giddens did the same at 100 meters (11.2) with Davis third. Giddens (23.4) and Tiggs outran Milford's tough John Brady at 200 meters.

Spartan freshman, Alex Winchester, picked up five points in the 100 hurdles, while Carl Young did the same in the 300 hurdles.

Mac Holmes, Top Robinson, Carl Young and Mark Tozer cruised to an easy win in the 1600 relay. We have been watching Top Robinson compete for some three years now. He doesn't have the speed or talent owned by some of his teammates, but nobody tries any harder. We feel there are a number of Spartan athletes who could benefit if they could put out an all-out effort like Top Robinson does everytime out of the starting blocks.

Milford's only win on the track came when improving Wayne Foster, a junior, recorded a front-running 11.12 victory at 3200 meters.

Mike Sanders and Scott Pierce, a couple of sophomores, who ran well in cross country last fall, turned in good efforts for second and third.

Bob Reed and Darren Lawson went 1-2 in the pole vault. Reed was second in the high jump, while Mac Holmes and Petey Davis went 2-3 in the long jump.

Sweeps were recorded by the Spartans in the triple jump, shot and discus. Tiggs, Holmes and Robinson triple jumped.

Spartan girls run in twilight relays

by Keith S. Burgess

In our account of the Dover Relays we mentioned that the Spartan boys were the first public school finisher. The same scenario occurred when Lake Forest's girls competed in Saturday night's Twilight Relays, held in Wilmington's Baynard Stadium.

The local girls came in-fourth behind Archmere, Ursuline and Howard with a total of 54 points. We were unable to obtain a full accounting of the results, but we think we can relate most of the meet's high points as they pertain to Lake Forest.

Mary McGuire does not fit the stereotype of weight people, since she is neither tall or well-above-normal poundage. But Mary hurled the discus over 100 feet (her former goal) for the third or fourth time. Voanita Cherry's toss of 83+ feet gave the Spartans a second in the multi-team meet.

The versatile McGuire added a

seasonal-high clearance of 4 feet, 10 inches to go with Africa Bell's 5 feet, for another second place.

Next McGuire, Lorraine Lake, Melanie Pelton and Tara Dixon came in third, in the shuttle hurdles relay.

Three freshmen, Jill Blades, Dawn Kane, Elaine Zeitler and junior Julie Betts were second in the 4 x 1600 meters (4 mile relay).

The 400 meter relay saw the Spartans come in fourth with a quartet of Tonya Norris, Renee Coverdale, Shani Palmer and Tara Dixon, in 52.1, their fastest such effort this spring. This same group moved up a notch or two in the 800 relay.

Palmer, Dixon, Lake and Pelton clocked 4.28+ in the 1600 relay, finished fourth and again were swifter than in any similar event this season.

The teams seems to be peaking just in time for the conference and state meets.

Teresa Taylor setting torrid streaks at Shepherd

Hometown favorite, Teresa Taylor glides to home plate during Shepherd College softball action.

by Harry G. Farrow, Jr.

SHEPHERDSTOWN, W. VA — While a student at Lake Forest High School, Teresa Taylor was an athletic sensation. She was a starter on the hockey, basketball and softball teams at Lake Forest.

As a senior at Lake Forest, her dominance on the athletic fields of the Henlopen Conference were unmatched. The teams she played on were the beginnings of the Lake Forest female dynasty teams, primarily under Coach Pat Dyal Borowski.

This same winning spirit has stayed with her on a college level, where she is an outstanding first baseman for the Lady Rams Varsity Softball team at Shepherd College. Through the end of April, Miss Taylor has stretched her hitting streak for 22 games, smashing the ball at a clip of .514 with 37 hits, 3 doubles, 7 triples, six homers and 39 runs batted in.

Shepherd completed its regular season with the most wins in the history of the program (18). The Lady Rams finished in the top three in conference play with a 9-3 mark.

W.T. Chipman tracksters win boys and girls meets

by Keith S. Burgess

Baxter Smith seems to have a number of boys and girls with the ability to become a part of the winning thin-clad tradition at Lake Forest High. The Spartans have won a dozen or so state championships in boys' cross country and in boys and girls' track.

The girls overcame a stiff challenge from Sussex Central Junior High to prevail 58-40. Chipman is a junior school (seventh and eighth grades), but often can beat junior highs who use ninth graders.

Stacy Smith (14.1-29.7) and Mia Benson took care of the sprints with Benson getting third behind double winner Smith.

Smith, Romorda Ross, Sellman and Roberts took the 400 meter relay in 56.8, which is getting close to high school clockings. Vanessa Broughton, Sellman, Benson and Roberts also won the 800 relay.

Denise Roberts (13-9), Arkey Snell and Lowanna Tilghman swept the long jump. Ginger Jensen was first in the high jump (4 feet), Delema Dixon had seconds, in the shot and discus.

Alysia Hughes won the 55 hurdles in 10.93. Vanessa Broughton was next with a time just over.

Arkey Snell's second place clocking (67.6) was good enough to have won her a place at LFHS on the open 400 trio and the 1600 meter relay quartet. Vanessa Broughton was third.

Ginger Jensen was third at 1600 meters, Cheryl Mundras, the Chipman scorer (third) at 800 meters, clocked 3 minutes flat, which is exceptional time for a seventh grader. She was only three seconds behind the winner and 2+ behind second place. It is possible that either or both Sussex Central runners could have been freshmen. I hope I got Cheryl's last name right. As good as she is, she certainly deserves it.

Lake Forest High School Varsity Baseball players Stevie Thompson and Tony Noble catch Indian River runner off guard. Photo by David Dill.

LF Spartan girls trip Smyrna 92-45

by Keith S. Burgess

Lake Forest's girls' track team finished the dual meet part of the season with a 92-45 victory over visiting Smyrna. The Spartans are 5-2 with both losses being close ones.

The visitors showed well in the sprints, winning the 100, 200, 400 and 1600 meter relay. Amy Draper and Shani Palmer ran well to grab seconds in the 100 and 200 meter dashes.

Renee Scott took the long jump (15 feet, 1 inch) and the triple jump (31 feet). Renee Coverdale was second each time.

Mary McGuire annexed the 100 hurdles with Melissa Scott third, the discus (93-8) with Voanita Cherry, second, then tied with Africa Bell (4-8) in the high jump. Ilka Bewerunge was next with 4-6. McGuire was second behind Christine Swafford in the shot, with Gwen Scott third.

Melanie Pelton, Julie Betts and Tara Dixon neared all-time bests, in the 800, 3200 and 300 hurdles, respectively.

Pelton ran 2.40 with freshman Jill

Blades getting up in the final strides to nab third (2.59.7).

Betts, a junior, ran a swift 12.50 as a freshman. She appears ready to shatter that mark.

Dixon is defending state champ in the 300 hurdles and she is school record holder with 46.7.

Dixon ran an unpressed 48.77 vs. Smyrna. Pelton won a 6.08-1600 outing, while Elaine Zeitler was third in the 3200, in 14.28. The Spartan freshman could have won several Henlopen 3200's this spring with that clocking.

Tara Dixon, Shani Palmer, Renee Coverdale and Africa Bell were first in the 400 relay, in a good 55.9. Amy Draper replaced Bell and the four prevailed in the 800 relay also.

Lorraine Lake, Jill Blades, Julie Betts and Melanie Pelton clocked a good 11.24 in a winning 3200 meter relay effort.

Several of the distaff Spartans appear to be rounding into peak form as the championship season approaches.

Harrington Little League Tag Day
Saturday, May 14, 1988 • 9:00 A.M.
Harrington Moose Ball Park
For more information on this annual fund raiser, contact Pat Blake (398-4327).

Boating class graduates 19

The thirteen week Boating Skills and Seamanship class, given by Harrington Flotilla 12-08, graduated nineteen members of the class on April 13 at the Kent Vo-Tech School in Woodside.

Chief Warrent Officer Steven Tolbert, Commanding Officer of the Indian River Coast Guard Station, presented the graduates with their certificates. He then gave a talk on the related activities between the Coast Guard and the Auxiliary.

Those graduating are: (from Harrington), Donald Chalmers, Gregory G. Chalmers, Joseph Lane, Joseph A. Lane; (from Dover), Chris

Castello, Larry Castello; Traci Lyn Castello, Victoria Castello, Arthur T. Gauani, Arthur W. Henry, Christopher Rogers; (from Camden), Steven A. Melcher; (from Frederica), Helen E. Swartz, Terry L. Swartz; (from Milford), Carolyn A. Jarmon, Harry E. Jarman, Jr.; (from Magnolia), Kenneth R. Smith, Rita S. Smith; (from Newark) Jacquelyn S. Ott.

A new class will start on September 21, 1988. For information or pre-registration you can contact Charlotte Hunt, 734-3268 or Donald McKnatt, 398-3228.

Delaware Special Olympics to hold training sessions

The Delaware Special Olympic Summer Games Committee will be holding training sessions for those persons interested in volunteering for the Summer Games to be held on June 9th, 10th and 11th at Delaware State College in Dover.

The sessions will be held: Saturday, May 14th at Dover High School, Room 400, 9 a.m. to noon; Wednesday, May 18th, Smyrna High School Auditorium, 7 to 9 p.m.; and Wednesday, June 1st, University of Delaware, Track, 7 to 9 p.m.

In order to work in any of the competition areas, volunteers must attend one of these training sessions.

For further information contact the Special Olympics Office at 368-6818.

W.T. Chipman boys swamp Sussex Central 80-20

by Keith S. Burgess

Baxter's Boys ran off and hid from Sussex Central Junior High's track team, 80-20 in a meet held at Lake Forest High School. Coach Baxter Smith states that these 7-8 year high schools usually bring their freshmen, even though Chipman is only a junior school (grades 7 and 8).

Thus the redoubtable Danny Twardus, who is a 13-year-old eighth grader and his talented brother, Byron, who is a 12-year-old seventh grader, found themselves in a 1600 meter (one mile) contest with a formidable 15-year-old, who reeled off a 5.06, 1600 meters. At Lake Forest, only 1600 meter state champion Mark Tozer has run much faster than that this year.

Danny Twardus ran his best 1600 yet (5.35) for second, while Byron, who runs in the low 5.40's already was fourth. We consider the brothers "can't miss" prospects. We would not be surprised to see either, or both, break five minutes before the age of 15. Danny Twardus trailed the same

Sussex runner at 800 meters. For the second time in the meet, Danny set a personal best (2.34 this time). Steve Cawby looked very good with a 2.43 half mile.

Sussex Central never won another event, as seventh grade speedster, Terrance Benson took the 100 (12.5) the 200 (25 plus) and ran on the winning 400 relay team (48.3) with Mark Bordley, Tony Hooks and Kenny Bailey. Bordley is only a seventh grader, also.

Jermaine Harmon, Robert Godwin, Bordley and Lamar Benson sped to a 1.49 victory in the 800 relay.

Godwin (59 seconds) and Jermaine Harmon were first and third, at 400 meters. Tony Hooks and Eric Moses were second and third in Chipman's 100 sweep.

Kenny Bailey (15.54) and Lamar Benson (16.34) 1-2 in the 110 meter hurdles, should bolster the hurdling corps at LFHS in 1988. Alex Winchester (Continued on page 9)

7-0 Spartans best Milford

(Continued from page 7)

Hicks (43-8) Wright and Chambers were the shot put scorers. Adkins (124) Luckenbach and Hicks, spun the platter.

Smyrna also won three events, as did Milford. The Spartans were back at home, in the friendly confines of Lake Forest's familiar, all-weather track.

History was made in the 200 meters, as the lanky Spartan speedsters, Terraine Giddens and Jason Tiggs unleashed the swiftest, 1-2 punch in Lake Forest annals. Giddens sped to a 22.4 clocking, tying the school standard, set in 1982 by Gerald "Peanut" Perry. Tiggs was close behind in 22.58. Earlier, Giddens won the 100 (10.99) with Petey Davis next. Davis, Tiggs, Giddens and Rod Parker took the 800 relay in 1.34.6.

With Herman Mosley replacing Tiggs, the foursome were first in the 400 relay in 45.3.

Tiggs (52.5) and Mac Holmes (54.84) were 1-2, at 400 meters, as Holmes downshifted and went from fourth to second, on the home straight. Holmes (40-6) and Tiggs (39-10) were 1-2 in the triple jump.

Petey Davis (20 feet, 2) and Holmes (19-3) were first and third in the long jump. Freshman Alex Winchester took a giant step forward in his blooming career as a hurdler. Smyrna's Kosikowski, one of the top Henlopen timber-toppers, may have been surprised when Winchester edged slightly ahead, after clearing the last hurdle. Alex was a little off balance and lost by a hair 15.65 to 15.67. However, Winchester cut almost a full second off his previous fastest trip. He should be heard from in the next 3 plus seasons.

Mark Tozer may be peaking at just the right time. Mark took the baton in the 3200 relay with Smyrna's Rich Hawkinson holding a sizeable lead. Hawkinson is picked to be No. 1 in the conference, this fall in cross-country. Tozer picked up ground immediately and caught Hawkinson before the 600 meter mark. Eventually, the Spartan recorded a swift 2.03 anchor leg, although he was impressed for the final 200 meters.

Tozer took the 800 in 2.06 with Steve Clute next in 2.09. Tozer ran the 1600

meters in 4.38, with Clute third in a very good 5.04. Freshman David Elder, in only the fourth meet of his varsity career, clocked a personal best of 5.17. Tozer concluded a busy afternoon by annexing the 3200 in 10.27, with Mike Sanders getting third.

Clute, Elder, Shawn Wix and Tozer ran 8.57.5 in that winning 3200 relay, with sophomore rookie Wix turning in his best effort thus far.

Marvin Hicks doubled in the shot and discus, despite being troubled by a sore pitching arm. A healthy Hicks could be expected to hurl the iron ball over 50 feet. His 42 feet toss was adequate with Paul Adkins third. Marvin spun the platter 125.1, with Eddie Deusa (116%) and Adkins (115-6%) blanking the Eagles.

Deusa is a new name in these write-ups. The husky Harrington lad is a sophomore and is new to track. Earlier, he had done 99 plus, which is good for a first-year platter spinner, in this technique event.

Carl Young was second in the 300 hurdles, in 44.18, which is just off his personal best.

Bob Reed took the pole vault, with 13 feet. He seems to be able to clear this once-unheard-of height, routinely. No one else in the forty-year history of track here has done 13 feet. Yet, Reed has done 14-6, which is as high as any Delaware scholastic vaulter, has done. We will settle for one more inch. Freshman Ricky Porter took second with 9 feet.

Ray Smith cleared 5 feet, 10 inches to capture the high jump with freshman, Mike Smith getting third with a clearance of 5-8. This event is one in which Lake Forest is getting solid performances of late.

With three, multi-team meets left on the schedule, the Spartans hope to be at their best over the last two weeks of the season. The Spartans may not be able to repeat as state champions, but track is a sport of individual performances. Frequently, a track and field athlete can feel very good over approaching his or her personal best, or exceeding that previous standard. One could finish out-of-the-money and still go home feeling eminently satisfied.

FIND TREASURE AT JCPENNEY NATIONAL BANK

WIN CASH OR PRIZES AS WE CELEBRATE OUR 100TH ANNIVERSARY.

A 100th year celebration doesn't come along very often. So we've put together a centennial event that lets you share in our success. After all, if it weren't for the good people of Harrington, Canterbury and surrounding areas, we wouldn't have anything to celebrate.

TREASURE THE MOMENT.

Thursday, May 12
 Ribbon Cutting Ceremony

At 8:45 am, Thursday, May 12th, we'll

have a major event at the Harrington location. Officers of the bank will arrive for work as they did in 1888: in horse-drawn buggies. State and local officials will be present to assist in a ceremonial ribbon cutting to mark our 100th Anniversary. The Lake Forest Band will perform and refreshments will follow. Please join with us on this significant date.

YOUR KEY TO CASH AND PRIZE TREASURES.

Both the Harrington and Canterbury locations will have a Treasure Chest with cash prizes. To win, visit either location, pick up a lucky key and try to open the Treasure Chest. We'll have it stocked with cash awards from \$1.00 to \$100.00.

We'll also draw weekly for a microwave oven. Entry forms are available at each location. Dozens of prizes will be awarded, so make sure you stop in between May 12 and June 3.

TREASURES FOR ALL.

To share our success we're celebrating with lots of food and fun on two big days.

Thursday, May 12 Only Open House Buffet

From 6 to 8 pm at the Harrington location we'll serve a free buffet with food, beverages and desserts for all. Just stop in and enjoy an evening on us.

Thursday, May 12 and Friday May 13
 5¢ Hot Dogs
 5¢ Popcorn
 5¢ Cokes®

Both offices will serve up 1988 favorites at turn of the century prices, from 10 am to 3 pm both days.

Just one more way we can show our appreciation for your business.

HISTORIC TREASURES.

During our 100th Anniversary celebration, we'll decorate both offices with displays of historic events. Please come and see photos, costumes and memorabilia from the past 100 years, and take home a complimentary copy of a special commemorative booklet about the history of our bank.

SMALL TREASURES.

JCPenney National Bank is sponsoring a Young People's Art Contest. We've asked children from

Kindergarten through 12th Grade to submit artwork related to the history of the Bank. Four different age categories will be judged, and five winners will be selected from each category, with prizes ranging from \$10 to \$50. After the contest, artwork submitted will be on display at both Bank locations. Entry deadline is Monday, May 16. Contact the Bank for further details.

SENIOR TREASURES.

For our slightly-older friends we're going to sponsor a Senior Citizen Dance on May 13th at the Harrington Senior Center from 7 to 10 pm.

We'll have door prizes, party favors and refreshments for all. This party will let us say a special thanks to some customers who have been banking with us for decades. Tickets are available at the Senior Center.

OUR GREATEST TREASURE - YOU.

Our centennial celebration wouldn't be possible without your business and support. As a bank dedicated to the consumer, we rely on customer service and satisfaction for continued growth. We thank you for your support during the past 100 years and hope to have your continued friendship in the coming 100 years.

Lake Forest Spartans run 2nd in Dover relays

by Keith S. Burgess
 Lake Forest's Spartan boys' track team were credited with second place, in Saturday's Dover Relays in Delaware's two dailies. However, Salesianum took home the second place trophy, as confusion reigned at the scorer's table. Pending a final decision, it seems that the Spartans were second, or the Sallies were, or it was a tie.

The Spartans won the pole vault relay, as Bob Reed cleared 13-6 and freshman Ricky Porter made 9 feet, for a total of 22 feet, 6 inches. Reed had one good try that just missed a state record height of 14-7.

Porter deserves a special mention. The ninth grader is young and is competing in a difficult high technique event that many track people won't try. For Lake Forest to have a chance in the event, Porter had to make the opening height of 9 feet. He had only made this height twice before. He missed twice and with only one try left, the pressure was considerable. But the ninth grader reached down deep, cleared the bar and the local pair went on to win.

The Spartan sprinters, Petey Davis, Rod Parker, Terraine Giddens and Jason Tiggs sped to second place finishes in the 400 and 800 meter relays. DelCastle, the winner of the 17-team meet, edged the Spartans both times. The locals ran 44.1 to DelCastle's 44 flat

and 1.30.8 to 1.30.5 in the 800 relay. This latter clocking just missed the school record of 1.30.7.

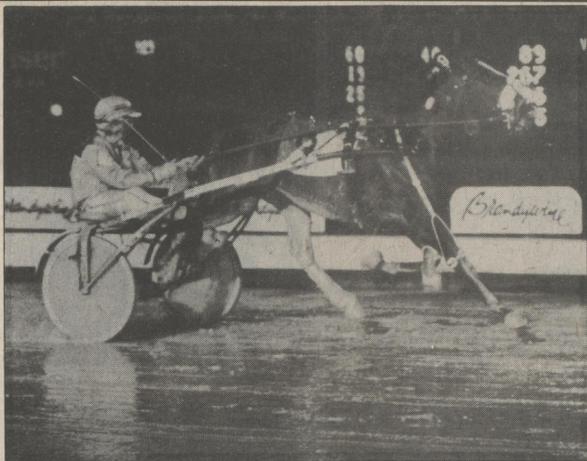

The Spartan timbertoppers were third, in the shuttle hurdles relay. These were: Ron Hill, Carl Young, Rod Parker and freshman Alex Winchester.

Lake Forest was fifth in the shot put relay, as Paul Adkins and Marvin Hicks combined for 84 feet, 5 1/2 inches.

In other Spartan highlights, Mark Tozer reeled off a swift 4.30 opening leg, in the 4 x 1600 (4 miles) relay and freshman Mike Smith cleared 6 feet 2 inches in the high jump.

Mike Smith is at the very start of his track career and could possibly eclipse the Spartan mark of 6 feet, 4 1/2 inches before he is through.

Saturday's team performance was especially good when it is considered that the Spartans were the only public school in the top three finishers. DelCastle and Salesianum teams are not restricted to a specific school area as is the case at Lake Forest. DelCastle's Cougars can come from anywhere in New Castle County to attend the vocational school. Salesianum's athletes come from Delaware and nearby areas of Maryland, Pennsylvania and New Jersey. And Lake Forest finished in front of Salesianum earlier this year in another invitational meet.

Whip It Wood whips a strong field in the \$6,200 Open-Handicap Trot at Brandywine on Friday, April 29. Bob Shahan drove the world class performer to a 2:03.3 victory in the rain for Woodwycke Farm of Milford, DE. He won again Sunday night at Rosecroft in 1:58.4. Photo by Jack Bungarz Photo.

Webster Sunday hit, Jerread heads trainer standings at Brandywine

by Marv Bachrad
 Ben Webster, a perennial Brandywine favorite, made a triumphant return to one of his favorite tracks on Sunday driving a triple and sweeping the evening's major events. Meanwhile, a 22-year-old young lady from Harrington, Karen Jerread, continued her rein as leading trainer at the track, conditioning a pair of two-minute performers also on Sunday.

Webster steered Even Odds to an unchallenged 1:59.4 victory in the \$6,000 Open Pace. The winter book favorite for this year's Battle of the Brandywine thwarted a belated bid from another Battle nominee, Pied Piper, who finished second in front of Maryland stakes champion, B Happy Banker. Webster then rated Mr. Rodeo Drive perfected for a come-from-behind 1:56.4 score in the feature \$8,000 Invitational-Handicap Pace. Local favorite, Chief Temujin was a length back in second with favorite King Charles third. His final tally came behind No Commitment, who was much the best in a \$3,200 Pace, posting a 1:59.1 victory.

Also on Sunday, yet another Harrington native, Larry Manges showed he has a way with women. At least two pacing mares, each conditioned and co-owned by trainer Karen Jerread and her mother, Arleen. Manges reined the much improved 5-year-old Momentum sired-mare Inertia to her fastest career win, a 1:58.3 clocking. Then he revisited the winner's circle with June T following a 2:00 win.

On Friday, Silent Respect took advantage of an early speed duel between Please Please (Barbara Delaney) and Young Hawk (Bob Shahan) as they took turns racing for the lead through fast early fractions before driver Hal Belote turned the 3-year-old Silent Majority gelding loose. Silent Respect then sped from fifth at the top of the stretch and made up more than 4/5 lengths to fly past his foes for a 1:59.2 triumph to win by a nose. Please Please sustained for second money with Young Hawk third.

Benny T returned to the races following a two week hiatus and never missed a beat. Driver Jimmy Takter put the 6-year-old Ayres gelding into an early lead and they were never challenged enroute to a 2:00.4 win. Longshot Earthquaker D needed a two-hole trip to finish second for Mark Beckwith. Donavan Hanover and reinsman Vernon Mitchell spent most of the mile on the outside yet held on for third.

Merci, also displayed a courageous heart, for chauffeur Jack Parker, Jr., who also traces to a Harrington tradition. Failing to clear pacesetter New Creation (Presley Moore, Jr.) after the start, Parker and Merci raced outside until the three-quarters before gaining the lead. From there, they were in command, scoring a 1:59.4 victory in the \$6,200 Fillies and Mares Open-Handicap Pace. A pair of longshots finished next, Big Deanna (Mike Rossi, Jr.), second and Gentle Jody (Jim Morrill, Sr.) third.

In the \$5,200 section of the feature for female pacers, Tapper's Girl raced on the outside for the last three-quarters and still was best in a 2:01.2 effort. Debbie Black (Jim Groff) finished second with Comely Sis third.

There were seven divisions of the Stepping Stone Series. Ross Hayer

Joe Purzycki to speak at Lake Forest Athletic Banquet

Former Delaware State football coach Joe Purzycki will be the featured speaker at the Lake Forest Athletic banquet scheduled for June 2 at the high school.

Purzycki began his coaching career in New Jersey before molding a 15-12-3 record at Woodbridge High in Bridgeville. His next step was at Caesar Rodney High School in Camden where he fashioned a 33-2 record which included a 12-0 state championship season in 1975. He was named the Delaware Interscholastic Football Coaches Association "Coach of the Year" for his efforts.

He returned to the University of Delaware (before he graduated in 1970) to coach the defensive backfield from 1978-1980. From 1980-1984, under his guidance, the Delaware State finished 2-9, 4-7, 7-3, and 8-2 and made the Hornets a nationally ranked program throughout 1983 and 1984.

The past three years he has coached the James Madison University program to 5-6, 5-5-1 and 9-3 records. This year, his charges finished as the ninth ranked 1-AA team in the country.

"We are happy to get a speaker of Joe Purzycki's caliber for our banquet," said Lake Forest Athletic Director, James Blades. "He knows about high school athletes; he knows our area; and no one can doubt the success he has had."

The banquet is set to begin at 6:00 p.m. in the high school cafeteria. Lake Forest School letter winners may participate at no cost.

Tickets may be purchased from Blades at Lake Forest High School (284-9291) or from Ron Draper at R.D. 3, Box 23, Felton, DE 19943. They must be purchased by May 19.

"This affair is a credit to Jim Blades and the Lake Forest Athletic Boosters Club," said superintendent Dr. James H. VanSciver. "It has been some time since an affair such as this has been held here. But, Jim, Ron Draper and the rest of the boosters said it would happen. I have no doubt that it will be a fine affair."

Following the banquet, an awards ceremony has been scheduled for the auditorium.

who last week carved out an exceptional 110 meter hurdles mark, at the high school, was at Chipman last year.

A couple of winning weightmen are Willis Warren and Mark Harmon. Warren threw 34 feet, 5 inches in the shot. Harmon was second with 32.5. Harmon spun the discus 109 feet, 8 inches with Warren second, with a near-90 feet toss.

Tony Hooks' leap of 17 feet, 10 inches was the best long jump effort. Hooks

has done 18-6 and will be competing at the high school level in '89. Mark Bordley's 17-4, second place jump is exceptional at the seventh grade level.

Jermaine Harmon (5-1) and Kenny Bailey (5-0) were first and second in the high jump.

It looks like the Lake Forest farm system will be able to supply new prospects for the LFHS teams, for at least, the next two springs.

"Jaws" returns to Lake Forest

Athletes at Lake Forest High School will have an opportunity to interact with former Philadelphia Eagles quarterback Ron Jaworski when the "Polish Rifle" participates in a school assembly on June 2.

Jaworski will address all underclass athletes from 10:30 to 11:15 a.m. and then attend physical education classes to talk to students.

His comments will refer to the *Beyond Athletics* program which Lake Forest has adopted as a component of the district-wide drug and alcohol effort.

"This program appears to fit perfectly with our philosophy of athletics," said Dr. James H. VanSciver, Superintendent. "We believe the athletic experiences to not be an end in and of itself but rather a means to an end. That is also what *Beyond Athletics* is all about."

And, as part of our district-wide comprehensive drug and alcohol program, it gets into the areas on values clarification, decision-making and peer

pressure. Those are all important issues with which our students must deal."

Jaworski has been a professional football player for 15 years after graduating from Youngstown State College in Ohio. He began his career with the Los Angeles Rams, spent ten years with the Eagles, and last year was listed on the Miami Dolphins' roster.

He has played in the NFL Pro-Bowl and in the Super Bowl.

Beyond Athletics is a training program, modular in its approach and geared to the professional and high school athlete. The 15 training modules are easily adapted to any situation where excellence is promoted. Concepts covered include stress management, substance abuse, diet and nutrition, exercise and fitness, creative visualization, varsity syndrome, goal setting, career transition and financial planning.

Jaworski presented information regarding the program to the Lake Forest Board of Education last spring.

Lake Forest principal to serve on DSSA board

Officials at Lake Forest School District report that Ron Burrows, Principal of Lake Forest High School, has been reappointed by the State Board of Education to a two-year term on the Board of Directors of the Delaware Secondary School Athletic Association.

Burrows, a former president of the Delaware Association of Secondary School Principals, is also a member of the Board of Directors for the Delaware

Principals Academy.

"This is evidence of the leadership roles assumed by the staff at Lake Forest," praised Superintendent Dr. James H. VanSciver. "Throughout our district, there are people who are willing to sacrifice their own time to assume a leadership role in this state."

"Certainly Mr. Burrows is to be commended for his interest in extracurricular programs for our students."

Six car accident leaves two hospitalized

MILFORD—A six car accident on U.S. 113 Friday evening, injured nine persons and left two hospitalized. They remained hospitalized Sunday night due to injuries suffered in the accident.

Alice Cosden of Camden and Connie Louder of Felton were reported in stable condition at Milford Memorial Hospital, where they were taken after the crash Friday.

Seven others injured in the accident were treated at the Milford Hospital, police and hospital officials said. They were Robert T. Blackburn of Harrington; George R. and Shirley Semone of Bel Air, Md.; Cawood Cosden Jr. of Camden; Darrell Louder

of Felton; George J. Hoyt of Harrington and Ann L. Burton of Milford.

The accident occurred when Hoyt, driving on U.S. 13, approached Masten Circle and hit the rear of another car, driven by Cawood Cosden, approaching the same corner, police said.

Cosden lost control of his car which hit three other cars before it came to rest in a grassy median, police said.

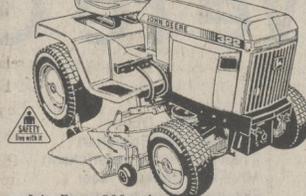

Hoyt, meanwhile, careened and hit a pole south of the intersection.

Police said an investigation is continuing.

Letters to the Editor

Dear Editor:
As a concerned college-bound senior in the Lake Forest School District, I believe it is my duty to inform the local community of the urgent and necessary passage of the referendum. Throughout my four years of high school, I have seen teachers come and go. I have also seen a rapid decline in the quality of education in the district. What has occurred?

As far as I can see, the problem stems directly from low teacher pay. With low pay, the experienced teachers leave. Yes, the District obtains new teachers, but many are young and inexperienced or not as qualified as they should be. Of course, one must have work experience before he or she can be termed a "good" teacher, but the Lake Forest District has most definitely hired more than their share of new and inexperienced

teachers. Moreover, without the experienced teachers to set good examples and demonstrate what makes a "good" teacher, the new and less experienced will never become "good" teachers themselves. Not only is this unfair to the students, but to the new teachers. New teachers deserve the same role models as teachers who came before them.

Through the passage of the referendum, the Lake Forest District can hold on to the experienced teachers that have been loyal throughout this ordeal and bring the quality of Lake Forest education up to an acceptable level. Remember...your children shape the future, so please vote yes in the referendum on May 17. Your vote does count!

Thank you.
Kelly-Snow Jones

Dear Editor:
Community disenchantment, high dropout rates, low test scores and teacher dissatisfaction are all the things of which today's newspaper headlines are written. We are told that we are a "nation at risk" and our educators and educational systems have failed us. I don't subscribe to any of that. Sure, we have problems in education today but none of those problems are impossible to overcome. All of these problems start with the school board's setting of priorities. Somewhere the present Woodbridge School Board has lost sight of that fact and that's why I decided to enter the race for the one year term.

We need to support the positive things that are going on in our District but we certainly also need to address the problems that exist. The status quo is not the solution nor is it acceptable. With my background in education, financial management, and

government, I stand ready, with your help, to move our district forward again. We must re-examine our priorities; the needs of our young people come first. We cannot permit the waste of one cent of our scarce fiscal resources. We must develop a set of priorities that emphasize the educational needs of our District. Any priority developed, however, must begin with public input.

As your Board member, I will insist on the creation of a Citizens Advisory Board to the School Board. I even feel that a system of meetings with student leaders is in order. If our District is to move forward, we must all be in it together.

I've made the commitment; I have the experience and the time; and I will be your voice. Now I need your vote. Let's dare to be great once more!

Yours truly,
Joseph T. Conaway

Dear Editor:
As I write this letter the School Board Election is tomorrow and we do not yet know the results. Regardless of the outcome the people of the Lake Forest Community need to know the caliber of the people they are dealing with.

On Friday my supporters worked diligently to letter signs and we placed these signs on Saturday morning. By Sunday at noon my signs had been removed. The posters which were placed around the district were, with the exception of one, also removed. Why are people afraid of my being

elected to the board? What are they afraid I will find? You decide.

So let this be notice to those who would try to destroy the great American ethic of open and fair campaigning. The letter that I received Saturday from a former Lake Forest teacher has only strengthened my resolve and determination. It reinforces everything I have been saying for several years. I will not give up the fight to improve our schools. The future depends on it.

Yours truly,
Doris W. Draper
Houston, Delaware

Capitol Comments

For ANWR and the nation, a smarter choice

by Congressman Tom Carper

Losing is never fun, but sometimes it can be a harbinger of something better to come. That's how I felt last week when the House Merchant Marine and Fisheries Committee narrowly defeated my proposal to delay development of the Arctic National Wildlife Refuge (ANWR) pending congressional consideration of a national energy plan. My proposal, which had the support of major environmental groups, was defeated 18-23.

ANWR is a pristine two million acre wildlife refuge in Northern Alaska which I visited last summer. Underneath the Refuge lies what may be the largest remaining untapped source of domestic oil and gas in our country. Developers have wanted to drill in ANWR for years. Environmentalists have been opposed to development for an equally long period of time.

Too often left out of the debate over ANWR has been how its development fits into our country's long term energy needs. Why? Because, regrettably, America has no long term energy policy today. We've forgotten the lesson we learned ten years ago during the oil embargo.

To forge ahead blindly to develop our last major domestic oil reserve is short-sighted. The oil under ANWR has been there for millions of years. Waiting a few more years to decide what to do with it doesn't seem unreasonable in the grand scheme of things, and that's what I've proposed we do.

Under my proposal, the development of leasing regulations for ANWR could proceed, but oil and gas exploration

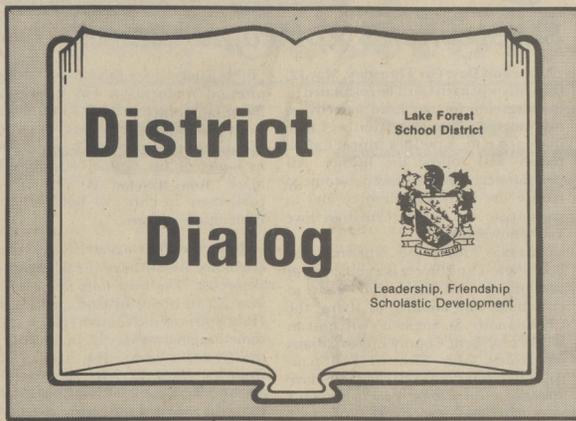

and development would be prohibited, while the National Academy of Sciences prepared a comprehensive national energy plan. The Interior Department would forward the NAS plan, along with specific recommendations on the need for ANWR's development, to Congress in early 1991. No plan for developing ANWR could be carried out unless Congress agreed by an expedited up or down vote.

The NAS study would focus on the demand for oil and derivative products during the period of potential oil and gas production from ANWR. It would also identify realistic, cost-effective alternatives to ANWR's development, including better conservation. The study would rank all energy alternatives, including ANWR, taking into consideration the environmental impact of the Refuge's development.

Instead of my plan, the Committee endorsed a proposal which would require the Department of Interior to permit actual drilling for oil to begin in ANWR by mid-1991. Similar legislation has already cleared the Senate Energy Committee.

We knew we had an uphill battle opposing the chairman of the committee and Alaska's congressional delegation. But despite our loss, the surprisingly close vote buoyed the hopes of those who want to offer an alternative to the proposed ANWR development.

More importantly, though, I think our solid showing and my proposal's common-sense approach to a future ANWR decision will be well received when the bill comes to the floor of the House.

An important day for Lake Forest

by Dr. James H. VanSciver
Superintendent

May 17 is an important day for Lake Forest School District.

We will ask voters to approve a two-part referendum. The first part will cost 6.3¢ property tax and \$5 capitation tax to fund the local share of a \$4.2 million major capital improvement project. This will enable work to repair roofs and heating systems will make our buildings safer.

The second part will cost 17.4¢ property tax and enable us to take advantage of Delaware's equalization formula for school funding. Unfortunately, if this does not pass, we will lose \$250,000 of equalization money we now have. This is because of the reassessment in Kent County. Also, failure of this part of our referendum could eventually result in the district losing \$1 million in federal monies, that's \$1 million in federal funds we now have. If this passes, we will keep the \$250,000 in equalization monies and get another \$350,000. Also, \$327,000 in local funds would be added to our budget. These monies will go towards improving salaries of all staff as well as towards adding equipment, books and supplies in our various curricular areas.

After May 17 Lake Forest School District will not be the same.

We will either be on the road to significant improvement... or... we will have to take drastic steps to cut programs and services, a dire situation for our staff, our students and our communities.

We would appreciate your vote on May 17. Our referendums will not pass without it.

Guest Editorial

OPPORTUNITY KNOCKS

After listening to the remarks that have been made in the Delaware State News by students of Lake Forest High School and people who have called in or written to the paper, plus hearing various comments around town, I would like to say, first to the students: some of you say you are encouraging your parents to vote for the upcoming referendum for different reasons, and -- That's Good!

Some of you say you are upset and bored because of the top priority given to these referendums by teachers, administrators, School Board members and people in general. The fact of the matter is, you're being given the opportunity to both learn how the school system operates, and to help shape the future for those students coming behind you, and maybe even your own children. But let's turn now to the parents -- the very fact that your children have this sense of concern and feel the need for their involvement, even to the point of holding a rally to attract your interest, should tell all of us how serious this matter really is. Beyond that, we have people from the Department of Public Instruction (DPI) and the president of the state school board involved plus the efforts of the local school board to get people involved and informed about real proven facts not just rumors and gossip.

So, I would like to encourage all the people to vote on the upcoming referendum, and to vote for it. Also, I would like to see everyone vote in the school board elections, because I strongly believe we have a good school board, and at least one of the candidates now opposing the present members, who have served for a number of years, really is nothing more than a fountain of bits and pieces, which when all put together mean nothing. So looking at the importance of the referendums and the need for it to pass, we need a proven team to carry on what has been started.

Sincerely,
John A. Manter
Harrington, Del.

Publisher's Choice

by Harry G. Farrow, Jr.

"Blessed are the peacemakers..."

The issue of the referendum for the Lake Forest School District has been reduced to, what amounts to...civil war.

The issues of better education should be the main thrust for this district. The matter of loss of mental composure and discord should not be the order of the day. We have to live together long after the referendum passes or fails.

The first order of business is something which should have been passed a long, long time ago, and this is salary increases to the teachers.

The second issue related to the rehabilitation of the buildings throughout the district. Citizens of the district should never have been divided on this. It would have been fair and equitable to have each side of this issue negotiate to a middle ground. But this should have been done years ago. Now the matter is at crisis at North and East Elementary Schools.

What should have been done was something along the way, and a balancing of the equities for both sides of this issue.

Now it is down to the bottom line—building at North in terrible condition...and more classrooms needed at East. I believe in the voter of this district to vote the best way.

**Editorial Deadline:
Noon on Monday**

Senatorial Report

by Sen. Ruth Ann Minner,
18th Senatorial District

A piece of legislation (HB 177) which squeaked through the Senate last week and was sent to the Governor's desk concerns me a great deal.

In a nutshell, the bill exempts an inheritance by one spouse in a divorce action from being included in marital property, even though the inheritance occurred during the marriage.

Under the present law, a Family Court judge could consider whether property was inherited by one spouse along with several other criteria for making a marital property settlement.

The 11-10 vote in the Senate indicated how controversial an issue HB 177 dealt with and reflects the concern that I and nine of my colleagues had about the effect of the bill.

As I told the Senate during debate, the bill might encourage plaintiffs in a lot of pending divorce actions to withdraw their applications until the Governor signs the bill.

Let's face it, a spouse who inherited money from a relative during the marriage would have to share it with the other spouse under the divorce code as written. Under the provisions of HB

177, the spouse who inherited would not have to share it.

I'm afraid this change will not enhance the chances of family stability. A marriage is a partnership, and any inheritance by one spouse should be shared with the other spouse. Armed with the provisions of HB 177, any spouse in an unhappy marriage could turn in his or her mate on a "new model" after inheriting a large sum of money, without fear that the other spouse will get a piece of the inheritance.

If you were a lawyer representing a spouse who had inherited a large sum of money during the marriage, would you proceed with a divorce at this time before the Governor has a chance to sign HB 177? Of course not and you should be sued by your client for malpractice if you did!

I voted against the legislation because I view it as an encouragement to unscrupulous married persons to break up homes rather than maintain them.

It is my considered opinion that Governor Castle should veto the bill as soon as he gets back from China, where the family is the most important unit in the culture.

A laff a day...

by William T. Ficka

The father felt it was time to tell his young son about the birds and bees. "Son, I think it's time we discussed the facts of life," he said. "Fine, Dad. What is it you'd like to know?"

.....
The Theory of Relativity can be summed up thusly: If a beautiful blonde is sitting on your lap for an hour it seems like a minute, but if a dentist is drilling your teeth for a minute, it seems like an hour.

.....
If the kids turn out good, the husband brags about his family heritage. If they turn out bad, he criticizes his wife's.

.....
My idea of an optimist is a guy who wires a hotel for a room during Kentucky Derby week.

.....
A man and wife traveling cross country took the only hotel room in a small town. The hotel was only a few feet from a railroad crossing. The man went out for a newspaper and his wife went to bed. Ten minutes later a train came roaring by at 100 m.p.h. and the vibrations knocked the woman out of bed. She called the desk clerk and told him what happened.

"I'll bet it knocked you out of bed," said the clerk sarcastically. "If you don't believe me, you come right up here," said the woman. When the clerk came up, she said, "Now get in the bed and see for yourself." Just as the clerk settled in the bed, the husband opened the door. "What are you doing in that bed?" he screamed. "Believe it or not," said the clerk, "I'm waiting for a train."

Undertaxed or overspent?

by E.C. Pasour, Jr.

Have recent Federal budget deficits been caused by taxes falling more than spending, or by spending rising faster than taxes?

Public support for tax increases appears to be rooted in the belief that the former is correct. Rising budget deficits during the 1980s are believed to be caused by falling tax rates. But if we examine the numbers, we see that Federal budget deficits have risen since 1980 because of increased government spending, not because of reductions in tax revenues.

Tax receipts as a percentage of GNP averaged 18.2 percent during the 1960s, 18.3 during the 1970s; and 18.8 percent since 1980. Thus, despite tax law changes, including significant reductions in tax rates in 1981, Federal tax receipts have risen, and have increased as a share of GNP as well, during the Reagan era. Rising tax receipts mean that increased deficits during this period were rooted in government spending policies.

There was a gradual and sustained increase in Federal spending during the 1960s and 1970s. Federal outlays as a percentage of GNP averaged 19.0 percent during the 1960s and 20.7 percent during the 1970s. Since 1980, however, Federal spending has increased dramatically—averaging 23.6 percent of GNP. Budget deficits have increased since 1980 because Federal spending has been outstripping tax receipts even though tax receipts are higher, absolutely and as a share of GNP, than they averaged from 1960 to 1980.

Some analysts contend that rising budget deficits since 1980 are a result of too little taxation rather than of too much spending. A recent study by Citizens for Tax Justice, for example, claims that spending on Federal programs (excluding Social Security and interest payments on the national debt) has declined since 1980 as a share of GNP. In support of this argument, it is shown that total spending excluding interest expense and Social Security declined from 14.9 percent in 1980 to 14.3 percent in 1987.

The Citizens for Tax Justice analysis, however, has two major shortcomings. First, even omitting interest expense and Social Security payments from Federal spending data, Federal spending as a share of GNP may not have decreased during the 1980s. For example, total spending as a

proportion on GNP averaged 14.5 percent from 1970 to 1980. Since 1981, however, it has averaged about 15 percent. Thus, the contention that outlays on Federal programs adjusted in this way have uniformly decreased during the Reagan years is not correct, although this comparison is sensitive to the years selected.

The Citizens for Tax Justice approach, moreover, ignores a basic problem. Why should interest expense on the national debt and Social Security payments be omitted in analyzing trends in government spending? Net interest costs were three times as high in fiscal 1986 as in 1980—the last year of the Carter Administration. It is true that interest costs are determined by interest rates and the amount of debt, and in this sense, are beyond the control of Congress or the President. In a more fundamental sense, however, past government policies are responsible for the current level of debt, and present government policies influence both future levels of debt and current interest rates.

Moreover, the distortions of economic activity associated with taxation are similar whether the tax receipts are used for interest payments on the debt or any other program. Thus, we should include interest on government debt when analyzing trends in government spending.

The situation is similar for Social Security, even if the program is treated as a self-funding entity. From the standpoint of the individual participant, Social Security is a transfer program rather than an insurance program. Payments made to recipients are not actuarially determined by contributions, as they are in a bonafide insurance program. Thus, there is no reason to exclude Social Security taxes and payments in analyzing trends in Federal spending and taxation.

An analysis of the record of the past quarter century clearly reveals the source of Federal deficits. When compared with the 1960s and 1970s, Federal taxes as a percent of GNP have not decreased during the 1980s, whereas Federal expenditures as a share of GNP have increased substantially during this period.

Dr. Pasour is professor of economics at North Carolina State University at Raleigh. This article is adapted from the May 1988 issue of *The Freeman*.

Person-to-Person

That time of the year again

by Rebecca Moore

A few weeks ago, the Johnson and Johnson Company came out with a new advertisement. It pictures an attractive young woman with curly brown hair, sitting on some unknown object, and wearing an apprehensive expression on her face. She wrings her hands and bites her bottom lip, and one immediately begins to wonder what could possibly have this young woman so concerned. Of course, there is appropriate music to accompany her dilemma. Shortly, an individual, presumably a nurse, enters the room, bearing a bundle swathed in an aqua-colored blanket. The reason for the young woman's apprehensions becomes crystal clear—this is her first child and she's really seeing him for the first time. She places this wonder-bundle in her lap and proceeds to unwrap his swaddles. She counts his ten fingers and his ten toes and checks over every inch of his soft, pink anatomy. This is simply amazing to her. Just a few hours before, he was inside of her, trying desperately to get out, and now, here he is. He is a complete human being—perfectly formed and holding unlimited capabilities. He could become anything—a teacher, marketing expert, president of the United States—anything he set his mind to do. And all those capabilities were compressed into one nine pound, four ounce package, raring to go out and take on the world when the proper time arrived.

He was hungry, so I filled his little tummy, and then placed him up on my shoulder, attempting to raise a nice, healthy belch. He was quick to comply and let out a real whooper. I looked down at this incredible creation. He was sleeping and content. And I was madly in love.

Several days ago, my eight-year-old son was sitting in the floor of my bedroom, watching television. His sister and I were in the living room, also watching television. For some stupid reason, we were contributing to Delmarva Power, and both television sets were on the same station. But, sure enough, during the commercial break, on came this new, endearing advertisement of Johnson & Johnson's. A piercing "MOM!" rang out from the bedroom. Within a matter of seconds my little boy and I collided in mid-hall, and threw our arms around each other. The advertisement is a masterpiece of Madison Avenue! It evoked such emotions in both my son and I, that we were instantly drawn together. I held him and cuddled him, realizing that those times of tender closeness would soon be coming to an end, because adolescence would virtually eliminate that form of closeness.

He turned off the television in the bedroom, and he joined his sister and I on the sofa in the living room. There I sat, surrounded by the two most special people in the whole wide world. My daughter who made me a mother—the athlete, proper young lady, animal lover, champion of the down-trodden—so much more than I ever dreamed. My son—the deep thinker, and computer whiz. Two children, same parents, and yet, so vastly different from each other—God has such an imagination. So I sat there between these two beautiful little ones who are part of me and with whom I share the closest human bond. And I gloried in that fact. I thank God that He made me a woman for the simple fact that I have the capability of giving life, and nothing in all this entire universe can compare with that!

Motherhood—the world's toughest job, but one I wouldn't trade for anything else!

Motherhood—the world's toughest job, but one I wouldn't trade for anything else!

Church News

con't.

St. Stephen's Episcopal Church

Ascension Day: On Thursday, May 12, the Holy Eucharist will be celebrated in thanksgiving for our Lord's ascension into heaven. The celebration will take place at 6 p.m. A potluck supper for the parish will follow the liturgy. All parishioners are encouraged to come to receive the Holy Communion and to participate in Agape (Christian love and fellowship).

Ultreya: From the Spanish for "persevere", an Ultreya is a gathering of committed Christians who want to encourage one another in living the Christian life. St. Stephen's will host an Ultreya for Kent County Episcopalians on Friday, May 13th, at 7:30 p.m. Although some of the participants have attended a *Cursillo* or *Walk to Emmaus* weekend, that experience is not a requirement for participation in the Friday evening event.

Diocesan Choir Festival: St. Stephen's will host members of choirs from around the Diocese of Delaware who come together for a festival evensong on Sunday, May 15th. The choir will rehearse from 3 to 4:30 p.m. Evensong begins at 5 p.m. A reception will follow the service. Members of St. Stephen's are encouraged to participate by inviting their friends and neighbors to attend the service, assisting with preparations for the reception, singing in the choir and helping with clean-up after the reception.

Quilters: A group of St. Stephen's members meets each Monday at 1 p.m. for quilting and fellowship. This group has made the banner which we presented to Bishop Tennis at his first visitation to St. Stephen's in December. The Quilters have also made banners for Lent and Easter. They are presently working on larger quilts and items for a bazaar next year. New members are always welcome.

Gary Hindes

(Continued from page 1)

economic development upstate and none downstate as a major problem. Our roads are unsafe particularly upstate where congestion is a major problem. I see overcrowding in our prison system as a major problem," he said. "Prisons are a ticking time

Bible Study: Two Bible Study groups meet on Wednesdays. The Wednesday morning group meets at 9 a.m. and will study the Book of Genesis. A second group meets at 6 p.m. and is continuing its study of the Gospel according to Mark. Any member is welcome to participate in either or both of these Bible Study groups.

The Feast of Pentecost: The Church celebrates its birthday on the Feast of Pentecost. The feast falls this year on May 22. In honor of God's gift of the Holy Spirit to the Church, please wear something red on May 22. In the story of the first Pentecost, the Acts of the Apostles (Acts 2) tells us that the apostles were gathered, waiting for the sign the risen Lord had promised. "Suddenly a sound came from heaven like the rush of a mighty wind, and it filled all the house where they were sitting. And there appeared to them tongues of fire, distributed and resting on each one of them. And they were all filled with the Holy Spirit and began to speak in other tongues, as the Spirit gave them utterance." (Revised Standard Version)

As we prepare to celebrate the Feast of Pentecost, pray that all who call themselves Christian will be open to receive the power and guidance of the Holy Spirit.

Yard Sale: A neighborhood yard sale will be held at St. Stephen's on Saturday, May 21. Parishioners who wish to participate should call the parish office.

Regularly Scheduled Services: Sundays: Church School at 9:30 a.m. Principal Service at 11 a.m. Wednesdays: The Holy Eucharist (with special prayers for healing) at 7 p.m.

We welcome visitors and newcomers to our parish.

bomb—the one at Smyrna isn't that old—yet right now it is very much overcrowded," he said.

Asked if he favored a central national prison where states would share in the custody of prisoners, he said "...I am thinking along these lines especially when it comes to the point of totally removing a prisoner from his environment. I feel the incarceration period should be harsh, like strict penalties and removal from this area."

He served as administrative assistant to the State House of Representatives, "...and it was there that I was part of the team that came up with the first state balanced budget in '76-'77. (Gov.) duPont kept coming up with a deficit budget. They could not get it balanced. We (democrats) kept rejecting it—until we came up with the balanced budget," he said.

Mr. Hindes indicated he received plenty of experience there as well as public information officer for New Castle County.

He indicated that the field of education gives him some big problems. "Our first duty in this field is to beef up the program. You do this two ways—first you increase teacher's salaries which will in turn attract individuals from outside the field of education, and the second approach is to do something about bringing down the size of classrooms."

Mr. Hindes said "...if I had anything to do with it I would say to the next bank or industry that wants to locate in the State that you must go downstate to locate. Over 21,000 people come into the State to work each day," he concluded.

He was asked if a toll road from the end of the state is necessary. He said "...I feel we need to look at a mass transit system rather than a toll road.

We need to improve the quality of life here in this state, and kids who grow up here should have the opportunity of staying here and be gainfully employed," he said.

"We must face the problems relating to quality of life and talk about them. This is what we have failed to do in the past. For instance, I feel the state should be involved with planned development along US 13 between Bridgeville and Delmar. Doing things like this will prevent the need for a by-pass around a by-pass like is in Dover", he concluded.

"We used to have an office called Budget and Planning. Today it is just Budget—but we need an office like this," he added.

On drugs he indicated "the way to solve the drug problem is to simply cut off the market—like the program Mrs. Reagan has promoted, "Just Say No" to drugs as very good—plus very strict penalties, particularly for those who sell drugs to kids. These people should be put away for a long, long time," he said.

Obituaries

(Continued from page 6)

Services were Monday at 1 p.m. in Pippin Funeral Home, 119 W. Camden-Wyoming Ave., Wyoming, where friends called from noon. Burial was in Barratt's Chapel Cemetery, Frederica.

NELSON W. MEREDITH
SEAFORD—Nelson W. Meredith, 89, a resident of Methodist Manor House for about a year, died Thursday, May 5, 1988 of cardiac arrest in Nanticoke Memorial Hospital.

Mr. Meredith, formerly of Greenwood, was a merchant there for 45 years. He retired in 1975.

He also was an insurance agent at Rawlins Ferguson Jones & Lewis, Inc. of Bridgeville.

He was a 55-year member of the Greenwood Building & Loan Association and served as president from 1957 until its merger with Second National Building & Loan Inc. in 1986. After the merger, he became a chairman of the board of the Greenwood branch.

He was a member of the board of directors of the Greenwood Trust Co. He was active in the Republican party and once served on the Greenwood Town Council.

He was a 32nd degree Mason and a member of Hiram Lodge 21, AF&AM, the Tall Cedars of Lebanon, Greenwood Kiwanis Club, Greenwood Fire Company, St. Johnstown United Methodist Church and St. Johnstown Cemetery Association.

His wife, Minnie, died in 1984. He is survived by two sons, Nelson W. Jr. of Wilmington and Samuel E. of Palo Alto, Calif.; two daughters, Jean Lynch of Selbyville and Ann Sisson of Waldorf, Md.; a brother, Earl of Jersey Shore, Pa.; a sister, Violet Bringhurst of Viola; nine grandchildren and three step great-grandchildren.

Services were Sunday at 2 p.m. in Fleischauer Funeral Home, West Market Street, Greenwood, where friends called Saturday night from 7 to 9 and Masonic services were at 8. Burial was in St. Johnstown Cemetery.

Instead of flowers, the family suggests contributions to St. Johnstown United Methodist Church, Greenwood.

MARY M. GRIFFIN MILLER
RIDGELY, MD — Mary M. Griffin Miller of Ridgely, Md., died of natural causes Thursday, April 28, 1988, in her home. She was 94.

Mrs. Miller had recently been awarded the honor of being the oldest member of Replanted Zion Methodist Church in Ridgely, Md.

She prided herself for having one of the prettiest yards in the neighborhood and had a passion for gardening.

She is a native of Ridgely and was born on June 30, 1893.

Her husband, James Miller, preceded her in death.

She is survived by two sons, Calvin Miller of Ridgely and Leon Miller of Philadelphia; a daughter, Virginia Dotson of Philadelphia; an adopted son, Reginald Wilson of Ridgely; two sisters, Edith Cooper of Lawnside, N.J., and Anna Brown of Cherry Hill, N.J.; two brothers, George Griffin of Philadelphia and Arthur Griffin of Camden, N.J.; 21 grandchildren; 37 great-grandchildren; and 22 great-great-grandchildren.

Services were 11 a.m. Saturday at Replanted Zion Methodist Church, Ridgely, where friends called after 10 a.m.

Burial was in Coker's Cemetery, Greensboro, Md.

Arrangements were made by Bennie Smith Services, Denton, Md.

ESTELLA PETERSON
HARRINGTON — Estella Peterson, 79, of 4 Simpson St., died Monday, May 2, 1988 of heart failure in Milford Memorial Hospital.

Mrs. Peterson worked for 30 years in the experimental department of International Playtex, Inc., in Dover, retiring in 1971.

She is survived by her husband, Paul A.; a daughter, Phyllis Callahan of Hendersonville, N.C.; four grandchildren; and a great-grandson.

Services were at 2 p.m. Friday at McKnatt Funeral Home, 50 Commerce St., Harrington, where friends called Thursday from 7 to 9 p.m. Burial was in Hollywood Cemetery, Harrington.

JOHN E. RASH
WYOMING — John E. Rash of RD 3 died of respiratory arrest Friday, May 6, 1988, in Kent General Hospital, Dover. He was 76.

Mr. Rash was a barber in Willow Grove before retiring about 11 years ago. He attended Thomas Chapel in Maryland.

He is survived by his wife, Margaret P. Rash; two sons, John C. Rash and James A. Rash, both of Wyoming; a sister, Alta Chambers of Smyrna; seven grandchildren; and one great-grandson.

Services were 1 p.m. Tuesday in the Berry Funeral Home, Main St., Felton, where friends called Monday from 7 to 9 p.m.

Burial was in Mt. Olive Cemetery, Sandtown.

Harrington man charged in slashing

MAGNOLIA—Police said Michael A. Jackson, 34, of the 100 block of Milby St., used a straight razor to settle an argument Monday.

Jackson was arrested after he allegedly slashed the arm of Ronnie Stratton, 29, state police said.

Police said Jackson and Stratton had argued earlier in the day in Harrington and Jackson showed up at Stratton's house in London Village about 7:30 p.m. He slashed Stratton's left forearm

ALICIA O. SANCHEZ
MILFORD — Alicia O. Sanchez, of R.D. 1, Milford, died Monday, May 2, 1988, in Beebe Hospital, Lewes, from complications of injuries sustained in an automobile accident on April 18, 1988. She was 35.

Mrs. Sanchez worked for Perdue, Inc. in Georgetown and attended St. John's Catholic Church in Milford.

She is survived by her husband, Juan Sanchez; three sons, Jose J. Sanchez, Osvaldo Sanchez and Armando Sanchez, all at home; one daughter, Julia Alicia Sanchez at home; her mother, Maria Ortiz of Mexico; one brother, Roberto Ortiz of Mexico; and her aunt, who raised her, Apolonia Palacios of Mexico.

Mass of Christian Burial was 11 a.m. Saturday in St. John's Catholic Church, Seabury Avenue, Milford. Friends called Friday from 7 to 9 p.m. at the Lofland Funeral Home, 102 Lakeview Ave., Milford.

Burial was in Lincoln Cemetery, Lincoln.

JOHN HOWARD SIMPSON SR.

Services for John Howard Simpson Sr., who died Friday, May 6, 1988, when he lost control of his motorcycle on Boulden Boulevard and was struck by a van, will be at 11 a.m. today at Gebhart Funeral Home, 531 Delaware St., New Castle, where friends may call after 10 a.m.

Mr. Simpson, 37, of 216 Keiser Place, Collins Park, New Castle, worked at his brother's company, R&D Contractors in Newark, until retiring on disability six years ago.

He is survived by his wife of 21 years, Grace R.; two sons, John H. Jr. and Jessie James, and six daughters, Sandy, Shelly, Shannon, Sally, Susie and Sherry Simpson, all at home; a brother, David of Newark; a sister, Stella Caldwell of Collins Park; a step-brother, James Simpson of Ohio; two step-sisters, Ruth Ann Hicks of Milford and Mary Barlow of Collins Park and a grandson.

HAROLD R. TRUITT

WOODSIDE — Harold R. Truitt, 68, of Woodside, died Monday, May 2, 1988 of heart failure in Kent General Hospital, Dover.

Mr. Truitt was a farmer in the Woodside area for 37 years. He is survived by two brothers, Williams F. of Germansville, Pa., and D. Thomas of Woodside; and a sister, Etta T. Thompson of New Dover.

Services were 11 a.m. Friday at Trader Funeral Home, 12 Lotus St., Dover, where friends called Thursday from 7 to 9 p.m. Burial was in Sharon Hills Memorial Park, Dover.

ESTELLA MARIE BERRY WATERS

WILMINGTON — Estella Marie Berry Waters of North Dupont Street, Wilmington, died of heart failure Saturday, April 30, 1988, in Wilmington Hospital. She was 73.

Mrs. Waters was born in Goldsboro, Md. and was a housewife. At one time she was employed as a cosmetologist.

Her husband, William H. Waters Jr., died in 1976.

She is survived by seven sons, James N. Groce of Adlentio, Calif., Earl L. Groce of Oakland, Calif., Thomas C. Groce of Bethesda, Md., Clifton E. Groce of Woodstown, N.J., Charles R. Groce and Benjamin H. Ellegood, both of Wilmington, and Kenneth Ellegood of New Castle; four daughters, Dorothy M. Cale of Felton, Elizabeth Ellegood of Chester, Pa., Shirley Ellegood of Houston, Texas, and Gloria Waters of Wilmington; five sisters, Helen McKinzie of New York, Amanda Selph and Sarah Sorden, both of New Castle, Marian Powell and Florence B. Brown, both of Felton; three brothers, Emory B. Berry Jr. of New Castle, Charles Berry of Wilmington, and Thomas Irvin Berry of Felton; 37 grandchildren, 27 great-grandchildren; and two great-great-grandchildren.

Services were 12 noon, Friday at Rock of Ages Baptist Church, 28 Meadowbrook Ave., Belvedere, where friends called after 11 a.m.

Burial was in Silverbrook Cemetery, Wilmington.

Arrangements were made by Congo Funeral Home, Wilmington.

DOROTHY L. WEBB
WYOMING — Dorothy L. Webb of Wyoming, died of cancer at home Wednesday, May 4, 1988. She was 73.

Mrs. Webb was a homemaker. She is survived by two sons, James L. Webb, with whom she lived, and Donald K. Webb of Mechanicsburg, Pa.; one sister, Helen M. Dill of Rising Sun; eight grandchildren; and five great-grandchildren.

Services were 2:30 p.m. Saturday at Pippin Funeral Home, 119 W. Camden-Wyoming Ave., Wyoming, where friends called Friday from 7 to 9 p.m.

Burial was in Odd Fellows Cemetery, Camden.

Instead of flowers, the family suggests contributions to the Delaware Hospice, Patient Care, 637 Governors Ave., Dover, Del., 19901.

A banker only has to go home to see how important financial planning can be.

Sussex Trust brings a personal touch to your personal finances.

When you're planning for your family's future, you want a banker who understands your concerns... someone who knows how important it is to care for the people who are important to you. That's the type of person you'll find at Sussex Trust.

Talk to us about retirement, investments, estate planning, or your children's education. You'll find we're eager to listen, to understand, and to work with you to find the best ways to achieve your goals.

In short, you'll find people who share your concerns. After all, they only have to go home to see how important financial planning can be.

At Sussex Trust we always remember: when you're dealing with money, you're dealing with people's lives.

There's more to banking than money.

NOTICE OF A SPECIAL ELECTION IN THE LAKE FOREST SCHOOL DISTRICT

NOTICE IS HEREBY GIVEN that a Special Election will be held on Tuesday, May 17, 1988, in the Lake Forest School District in the County of Kent in the State of Delaware, pursuant to a Resolution adopted by the Board of Education of said School District in accordance with the provisions of Chapters 19 and 21, Title 14, Delaware Code, in order to permit the voters of said School District to vote for or against each of the following:

-A bond issue in the amount of \$1,682,245.

-An increase in the rate of taxation of \$174 per \$100.00 of assessed valuation of real estate located in said District.

The polls for said election will open at 12:00 noon and will remain open until 9:00 in the evening. The Board of Education has designated polling places as follows:

- Lake Forest East Elementary School, Frederica, DE.
- Lake Forest High School, Felton, DE.
- Lake Forest North Elementary School, Felton, DE.
- Lake Forest South Elementary/W.T. Chipman Complex, Harrington, DE.

The funds realized from the bond issue will be used to finance the local share of the Major Capital Improvement Program of the Lake Forest School District as follows:
 -Planning, constructing, and equipping the Lake Forest East Elementary School to include roof repair, upgrading of service systems and the provision of 6 additional classrooms and related spaces for supportive instruction at approximately 7,700 square feet. Cost: State=\$521,216 Local=\$347,478 Total=\$868,694

At the said election, voters will be voting by machine upon which is printed the words "For the Bond Issue" and "Against the Bond Issue", each to be separate and appear on the voting machine next to the appropriate levers.

The result of the increased taxation will be to increase the current expense tax rate of the Lake Forest School District so that the District will receive full advantage and funding from the State Equalization Formula (Division III). The funds realized from the increased taxation will be used for personnel salaries, books, instructional supplies and equipment, and other current expense items.

At the said election, voters will be voting by machine upon which is printed the words "For Additional Tax" and "Against Additional Tax", each to be separate and appear on the voting machine next to the appropriate levers.

Every United States citizen eighteen years of age or over who resides within the Lake Forest School District at the time of the election shall be eligible to vote at the school election, whether or not he is at the time a registered voter for purposes of a general election.

BY ORDER OF THE BOARD OF EDUCATION:

H. Earl Roberts
 President
 Dr. James H. VanSciver
 Secretary

NOTICE OF PUBLIC HEARING

Pursuant to 7 Delaware Code, Sections 6401(b) (1) (2) (6) (8) (9), 6401(c) (1) (2) (5), 6403(i) (j) (k) (l), 6404 (2) (6), 6406(a) (7) (11) (13), 6407(a) (3), 6421, 6422, 6427 and other pertinent provisions of 7 Delaware Code, Chapter 64, the Delaware Solid Waste Authority will conduct a Public Hearing to consider (1) Amendments to the Delaware Statewide Solid Waste Management Plan and (2) Solid Waste Licensing and Disposal Regulations. The Public Hearing is being conducted to enable public participation and input regarding the proposed Amendments to the Plan and the Regulations.

(1) The Amendments to the Statewide Solid Waste Management Plan reflect current conditions and incorporate the proposed Amendments to the Delaware Solid Waste Licensing and Disposal Regulations into the Plan.

(2) The proposed Amendments to the Delaware Solid Waste

Public Notice

Licensing and Disposal Regulations are meant to clarify and improve the Authority Regulations. They deal primarily with licensing and bonding requirements, changes in form of ownership, inspection of vehicles using Authority facilities, and credit practices.

The Public Hearing will be held on Thursday, May 26, 1988, starting at 5:00 p.m. in the Auditorium of the Department of Natural Resources and Environmental Control, 89 Kings Highway, Dover, Delaware.

Copies of the proposed Regulations and Plan Amendments will be available upon request on May 9, 1988 at the office of the Delaware Solid Waste Authority, 1128 South Bradford Street, Dover, Delaware, or by writing to the Delaware Solid Waste Authority, Post Office Box 455, Dover, Delaware 19903-0455. Persons wishing to present testimony at the hearing are requested to notify the Delaware Solid Waste Authority for scheduling prior to the hearing date. Please contact June Peacock at the above address or call (302) 736-5361.

N.C. Vasuki, P.E.,
 General Manager
 Delaware Solid Waste Authority
 215-18
