Harrington Perspective

G. Robert Quillen

What do I like about Harrington? There's always a friendly atmosphere here, and the citizens seem to have concern for one another. G. Robert "Bobby" Quillen

Harrington officer, wife honored by Dover **Police Chief**

By Carlos Holmes, **INI Staff Writer**

In one respect, the arrest of a man in connection with the Dec. 22 armed robbery of Stone's Restaurant in Dover was the result of longstanding cooperation between police agencies.

But the main break in the case came as the result of the action of an off-duty Harrington police officer and his wife.

The day after two armed men

Harrington weathers the Wild West

The sun shone, and the Wild West Parade broke all tradition by reaching downtown Harrington exactly on time -- high noon.

The rains fell, but that did not discourage the bull riders, the mutton busters or those who were willing to scramble in the mud in the great boot rush.

The wind blew, but it did not chill the enthusiasm of Native American and English Country Dancers who joined hands in per-forming dances traditional to both cultures. Now the fifth annual Wild West Days is history, and by all reports, Harrington weathered it quite well

Wild West Days actually got un-derway on Sunday, May 5, when Miss Rodeo Delaware 1996, Katie Young, a Cape Henlopen High School senior from Lincoln, was crowned in the annual scholarship pageant at at the Sheraton Inn, Do-

On Thursday, May 9, the new Miss Rodeo Delaware joined about 400 others in a Texas Barbecue at the state fairgrounds, proving that when it comes to good food and country dancing, a rainy night is no obstacle. The chow was provided by Short Brothers of Greenwood, Delaware; Dancin' DJ Frank Amey was in charge of the dancing.

Harrington man prepares for National Truck Roadeo

Almost A Ride

On Friday and Saturday evenings, rodeo action was the wildest thing in focus as dozens of cowboys tried their luck against the big bad bulls. On Saturday night during Bullride Mainia, history was almost made when Dustin Hoover of Crownsville, Maryland, stayed aboard the infamous Buffalo Bill for eight seconds.

Although Hoover lasted the full trip, his ride was disqualified be-cause he slapped the big beefalo (part buffalo/part bull) three times with his free hand. The rider is allowed only a one-handed grip on the rope that encircles the bull. The free hand must remain in the air and touch nothing else. So it was close, but no cigar and no \$1,000 -the bounty money offered to the rider who could conquer the beast.

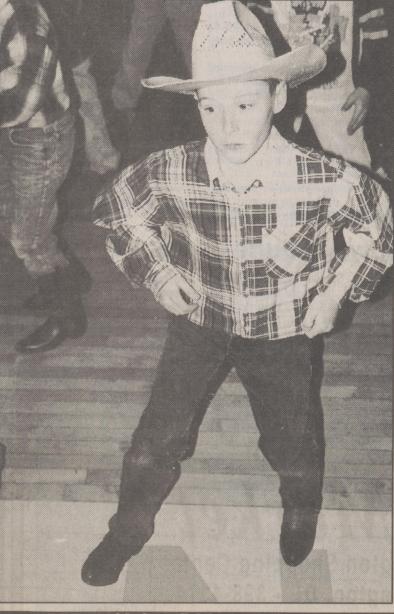

Parade Attractions

On Saturday, Buffalo Bill was just one of the attractions in a Wild West Parade. The JCPenney National Bank staff presented a hilarious skit aboard a float. Sam Yoder's beautifully restored stage coach was waylaid by the Tuckahoe Train Robbers on horseback.

A covered wagon from The Carriage Place lumbered along Har-

Lined up for Wild West Days!

Elementary students bring the Wild West to North

By Carol Ann Porter

In conjunction with Harrington's Wild West Days, students at Lake Forest North Elementary in Felton learned country line dancing.

According to music teacher Linda Simms, the 4th and 5th graders learned to line dance to "get in the mood" for Wild West Days held this past weekend in Harrington.

The dances were taught by Ms. Simms and physical education in-structors, Ed Wheatley and Ricky Brown. The 1st through 3rd grades participated by learning to square

dancings. "The students thoroughly enjoyed this activity, and we plan to make it an annual event," said Ms. Simms. "Next year, we plan to involve more people, and maybe it will be bigger and better," she said."

Left photo, Aaron Mast, shows off a few country line dancing steps to "Elvira." Bottom photo, North students join in the Wild West Days fun with country line dancing. Photos by Carol Ann Porter

robbed employees closing up the restaurant of \$7,180, Lt. John E. Horsman and his wife, Cindy, noticed something suspicious while traveling on the Del. 1 bypass.

Lt. John Horsman and his wife, Cindy, were honored recently by Dover Police Chief J. Richard Smith.

Mrs. Horsman saw two men climbing up an embankment, moving away from something on fire and getting into a car. The car then took off and passed the police officer and his wife.

"They were going about 85 miles an hour, and considering it to be suspicious, I followed them to get the license plate tag," Lt. Horsman said. He said his wife got busy rummaging through her purse until she found a pen and paper to write down the license plate number

The couple then returned to the fire and found it to be a briefcase doused with gasoline. The couple was able to retrieve papers which pertained to Stone's Restaurant from inside the briefcase.

They took the information to Dover Police, who traced the car to

After two tough days of elimination competition, the 1996 Del DOT Truck Roadeo finalists from each District and Expressways gathered at Killen's Pond State Park on Wednesday, April 17, seeing the right to represent DelDOT in Ohio for the Third Ohio Invitational Roadeo on May 22-23.

The Roadeo began with a written test on knowledge of Commercial Drivers License requirements, went on to a timed truck inspection, and culminated with a timed negotiation of an obstacle course driving a fully equipped plow truck.

Competition among the 12 contestants was fierce, and, despite windy weather playing havoc with the course barrels and cones, all the drivers posted good final scores. Unfortunately, all 12 could not advance to Ohio.

Winning the honors to travel

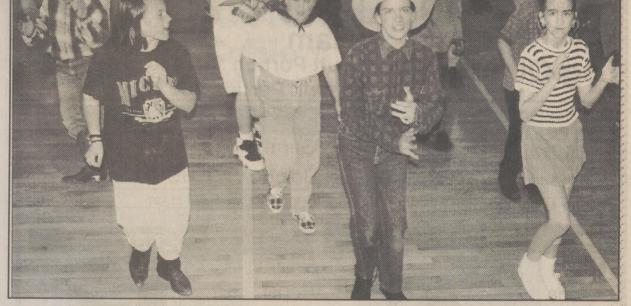

west were: Bud Robinson of Expressways, Dale Holloway of Central District, Tim Lofland of South District, and Jim Cox of Central District. Dave Johnson of North District will serve as an alternate if either of the four cannot make the trip.

Bud Robinson and Dale Holloway tied for first with the most points, but Robinson broke the tie with a faster course time, winning. top honors for the second year in a row. Alan Shields of South District had the fastest course time with an outstanding 4 minute 32 second run -- nearly two minutes faster than the allowable time of 6:30.

DelDOT's four representatives will now travel to Ohio to compete against snow plow operators from across the country. Last year's Del-DOT team placed 8th out of a field of 22

Dale Holloway

Enforcement not main goal for trooper at Lake Forest High School

By Carlos Holmes INI Staff Writer

As Cpl. Harlan R. Blades exits the lunchroom at Lake Forest High School, Felton, a young student waiting in the hallway asks to speak to him.

It concerns a problem.

Cpl. Blades, a 15-year-veteran of the Delaware State Police, was not there because some juvenile offense called him out of Troop 3. Since the beginning of the school year, he has served as the school resource officer at Lake Forest.

The position is a result of Sen. Joseph R. Biden's Crime Bill, which created funding for the Cops More Program designed to put more officers on the street and in the community.

"My role is community policing in the school community," Cpl. Blades said.

Proof that he has become a part of the school community is evidenced by the students who casually greet him by name and joke with him and by the teachers and administrators who express gladness he is there.

"We want him to come back next year because we need such a presence," said teacher Chester Scott. "The kids know he's here and they respect him because they know if they cause problems they could get

into serious trouble. "All the schools in the state need such a presence, so the teachers can teach and not have to be policemen," Mr. Scott said.

Cpl. Blades said although making arrests can become part of his job at Lake Forest, he noted that enforcement is not the primary

goal. Rather, getting involved early on with actual or potential problems before an arrest is necessary is his primary function.

'We hoped that students would feel comfortable enough to come and say, 'I'm having a problem' or

See School on Page 2

Thinking Things Over - Should we try it or render it?

By Miriam Snow Priebe

After 50 years of marriage, conversation at breakfast is apt to be dull. The topic of weather is soon exhausted and, since we have both read the paper, there's not much to say about world news. Our aches and pains and the aches and pains of our neighbors may take up a few minutes, and after that we sometimes have a "silent English breakfast"

This morning, however, our con-versation took a delightful turn. Charley complimented me on the

bacon that I had zapped in the microwave. Stimulated by the compliment, I went to the refrigerator and showed him the brand name of the bacon, telling him that I had bought it on sale the day before.

Since sales interest us and a bargain is dear to both our hearts, we looked the raw bacon strips over and Charles remarked that the white part of the bacon was drier and could easily be pulled apart -different from the strips we usually see where the white part is translucent. He pointed out that it had

been taken from a certain part of the pig and told me of how he had helped a neighbor cut up a pig when he was a boy living in Upstate New York.

This was a story I hadn't heard. I put the bacon back into the "fridge" and listened to his account of how his Dutch neighbor had explained each step in preparing the pig for eating. I recalled that I had once visited a farm in Quebec Province and had watched a farmer cutting up a pig. He had not heard that story

ed, he is certain that many probthe district.

Some students feel comfortable enough with him to invite him over to their lunchroom table to converse or throw their arm around him in the hallway for an innocent ribbing. And while there are probably some trouble makers who just as soon not have him at the school, there are other students, like 10th grader Tanya L. Moore, who claim they are better off with him there.

"It seemed like some teachers we had could not handle the children," Tanya said. "He is always there when you need him, and he

Name: Franklin W. Hendricks Age: 50

Occupation: Assistant Vice President of JCPenney National Bank, Loan Department

Hometown: Harrington

Volunteer at: Asbury United Methodist Church

What I like most about volunteering: If there is a job to do, let's get it done!

Length of time as a volunteer: More than 20 years How I got started volunteering: By serving on different committees in the community

Why I volunteer: For a sense of belonging, sense of accomplishment, achieving a common goal

My memberships (club organization and etc.): Member of Asbury Church, Administrative Council, Cathedral Choir, Finance Committee, Worship Committee, Capitol Improvement, Building Fund, Lay Speaker,

Franklin Hendricks

Director of Hollywood Cemetery, member of Harrington Moose Lodge.

My proudest accomplishment: No one certain thing. I feel my greatest accomplishment has been the ability to have people within the community respect me and my views. I have gained more confidence within myself and feel that I can portray that self-confidence in my work area and in the public. It wasn't that many years ago that I refrained from getting up in front of a crowd to speak. Today, I am a certified Lay Speaker for my church. I have given sermons to the congregation for various Christian holiday services. I have spoken to different clubs and organizations associated with my job, and I have even gone so far as to do an Elvis Presley impersonation.

My greatest disappointment: Not having achieved a college degree.

The best time in my life: Marrying Janet and the birth of our son, Brian.

The worst times in my life: The death of a family members (father-in-law, aunts, uncles, etc). They are supposed to be around forever, aren't they?

The craziest thing I ever did: Filling out this form (just kidding) My pet peeves: People feeling sorry for themselves, people stuck on themselves.

My best habit: Being friendly and congenial and getting along with almost everyone.

My worst habit: Procrastination in some matters.

My hobbies: Collecting gnomes, beer steins, old 45 records, reading, listening to music (oldies but goodies and country) My family: Wife, Janet, married for 22 years; one son, Brian,

attending University of Delaware.

Traits I most admire in others: Neatness, confidence (but not self-centered or arrogant), friendly and caring.

My advice to today's youth: Have confidence in yourself, and if you dream dreams, you can accomplish them. Don't expect everything to be handed to you. The Lord gave you brains and equipment to work with. How you best use them is up to you.

HARRINGTON - JUNE JAM organizers wonder if cold, snow and ice, and more cold, snow and ice has people dreaming of warm lazy summer days of music, games and activities for the whole family and more music. If that's the case, everyone is asked to mark June 22, on the calendar for the 18th annual JUNE JAM at McColley's Pond, Harrington.

Headlining this year's show is the "Wild Eyed Southern Boys," 38

Special. Special guests already JAM and the many other activities booked for the event include several of the East Coast's favorite bands such as Great Train Robbery, The Hurricanes, Montana Wildaxe, Red Letter Day, Bob Croce, Rick Wilson, Johnny Neel, Crystal Zoo and Mercy River.

JUNE JAM Ltd., is a registered non-profit organization which supports local charities and needy individuals throughout Delmarva. All

proceeds from the annual JUNE

supported by JUNE JAM Ltd., go directly to local organizations such as area fire companies, the Delaware Home and Hospital, and the Delaware Association of National Head Injury, as well as several local individuals who have medical problems and who need a helping hand.

Committee members say there is no better way to enjoy a day in the sun, surrounded by the best of tople in your own communities. In 1995, JUNE JAM quadrupled fund raising efforts, raising more

than 13,000 for 20 needy individuals and worthy organizations. So far, this year contributions have been made to eight charitable causes with more than \$5,000. As in the previous 10 years, this JUNE JAM is expected to be a sellout. Pre-sale tickets are \$25. Regular supporters of JUNE JAM who have not received information for this year's event, or those interested in attending the 18th Annual JUNE JAM, call 284-JUNE (5863).

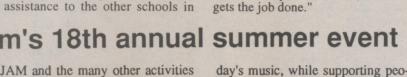

Officer -(Continued from Page 1)

a Delaware State University student, whom they arrested on March 2.

Dover Police Chief J. Richard Smith recognized Lt. Horsman during his department's award ceremony, noting that his actions reflected the cooperation which exists among different police agencies.

"He was off-duty at the time and had family in the car, but he disre-

ing help. He also provides resource gets the job done."

garded that and went beyond the call of duty," Chief Smith said.

Lt. Horsman, 39, said his wife deserves the praise for her observation, but agrees his passing on of the information was typical of what most police officers would have done. "If it weren't for the cooperation between departments, a lot of crime would go unsolved," the 15-year officer said.

Doctor's discovery may end obesity

advertisement

HILTON HEAD, S.C. -- A doctor has discovered that an ingredient found in a small fruit grown in Asia, combined with an ingredient praised by the U.S. Department of Agriculture can help cause significant weight loss

In a study published in a prestigious American medical journal, Dr. Anthony A. Conte, M.D. reported that the formula, now called Bio-Max 3000, caused patients to lose more than twice as much weight as a control group on the same fat reduced diet. Neither group was instructed to decrease the amount of food they ate or to increase their exercise levels. An article published in the American Journal of Clinical Nutrition confirms that you don't have to reduce the amount of food you eat to lose weight, provided that you limit the fat.

Scientists suggest that the mechanism behind the weight reduction includes decreasing sugar cravings and interruption of the "Krebs Cycle", an important step in the body's fat stor-age process. "The best part of this unique discovery is that it is not a drug, but a safe dietary food supple-ment" says Dr. Conte. The Asian fruit, called garcinia, is similar to citrus fruit found in the United States with one big exception-- it may help some people fight obesity! While Dr. Conte's study may be preliminary, the exclusive North American distributor, Phillips Gulf Corp., is calling the Bio-Max 3000 supplement "Nature's Ideal Diet Aid."

According to a spokesperson for the company, Bio-Max 3000 is now available on a limited basis through pharmacies and nutrition stores or call 1-800-729-8446.© 1995 Phillips Gulf Corp Bio-Max 3000 is available locally at:

Greenwood Mennonite Spring Festival set for June1

The 10th Annual Greenwood Mennonite Spring Festival will be held Saturday, June 1, at the Greenwood Mennonite School located in Greenwood.

The day will start at 7:30 a.m. with an All-You-Can-Eat Breakfast. From there, you can move on to the rest of the activities of the day. You can visit the food booths where you can sample a variety of delights -- homemade French fries, ice cream, seafood, strawberries, barbecue chicken and pork, homemade lemonade, home baked donuts and more.

10.9

There will be a large petting zoo which will delight young and old, plus stagecoach rides and ponyrides. Games for the children, new, and used children's clothing, and crafts are other booths to visit. As quilt display will also be availables, Live entertainment will be provided ed throughout the day.

Parking and admission are free, For more information, call 302-629-8017 or 302-422-0843.

DeIDOT celebrates National Transportation Week

The Delaware Department of Transportation will mark National Transportation Week 1996 with three unique festivals. Each year, DelDOT employees put together day-long festivals which are enter-taining, yet educational. While events in each county have their own flavor, all center around a transportation theme.

Exhibitors from across Delaware and around the region participate in these annual events, as well as many DelDOT, DART and Amtrak employees. It's a chance for the public to learn more about their state transportation department, local transit opportunities, police and fire vehicles, plus some antique modes of transportation as well. Cars, planes, boats, trains, bicycles...you name it, we'll have it during National Transportation Week 1996!

The fun starts in Georgetown on Tuesday, May 14, with mini train rides, a flight simulator, the Dover Downs Pace Car and Puppet Shows at 10:30 a.m., 11:30 a.m. and 1 p.m. Opening ceremonies with Highway Operations Director John Gilbert, South District Engi- 652-5600.

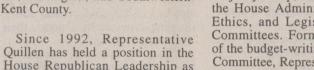

neer Allan Redden and the Sussex Central High School Band begin at 10 a.m. Secretary Anne Canby will attend the festival from approximately 2 to 5 p.m.

The Dover Festival on Thursday, May 16, features helicopter rides from 3 to 6 p.m., a giant model railroad, the Milford High School Jazz Band at 10:30 a.m., Puppet Shows at 10 a.m., 11 a.m. and 1 p.m., the Purple Dinosaur at 4:30 p.m. and live music! Governor Tom Carper and Secretary Anne Canby will be at the festival from approximately 12:30 to 2 p.m.

Fifty cent boat rides on the Christiana River and FREE SEPTA train rides are just two of the highlights of the Wilmington Festival on Saturday, May 18. Rocky Blue Winkle makes a special appearance at 11 a.m., and Joe Aronson will draw free caricatures from 1 to 4 p.m., Governor Tom Carper and Secretary Anne Canby will visit the festival from approximately 11 a.m. to 12 noon.

Education

'Do you have a solution?"

By Dr. James H. VanSciver **District Superintendent**

Julius Robichaux, of Racelands, Florida, once wrote an interesting note to newspaper columnist Marilyn Vos Savant.

"Do you have a solution to the following dilemma?" he asked. "An old man takes a small boy on a trip. The man hoists the boy onto a donkey while he leads the animal on foot. Soon they come upon another old man, who chides the boy for showing no respect to his elders. So the boy alights from the donkey and the man climbs aboard. Then they come upon a young woman, who chides the man for riding while the child walks. So the man hoists the boy up alongside him. Then they come upon a

woman who derides them both for placing such a burden upon a poor animal. So they both get off and walk along side the donkey. And then they come upon a philosopher, who shakes his head in dis-

may that anyone could be so stupid as to walk when they had a donkey to ride. "What are we to do? Or do we just live life according to the adage, 'You can't please everyone

all the time'?' One may reflect on the mission of schooling when reading this piece. Schools have been asked to complete many tasks. Some feel that this myriad to responsibilities is fittingly assigned to educators. Others decry the fact that teachers are being distracted from this main

mission as a result of these duties. Indeed, what are we to do?

Storytime turns young readers into library users

By Carol Ann Porter

It is a well-known fact that unless people develop a sense of curiosity and a love of reading, the books on the library shelves will sit untouched, gathering dust.

Libraries have a history of programs which providing encourage reading and link readers to worlds filled with words. words that paint pictures, words that beat rhythms, words that entertain and words that inform.

Storytime is one such program offered weekly at the Harrington Public Library. This program is geared primarily for pre-schoolers, however, children in kindergarten and the 1st grade can also enjoy the activities.

Storytime is a one-hour program which includes stories, fingerplays, nursery rhymes, songs and crafts.

Each week, a theme weaves through the activities, connecting the stories, songs and crafts, thus adding extra dimension to the material presented.

Storytime also offers opportunities for young children to interact in an informal setting.

Parents join in the fun, allowing parents and children to work together. Parents are their children's first and most important teacher, and the Harrington Library Storytime tries to encourage this very special relationship between parents and children.

Read some comments from parents of children who attend storytime:

"Sarah really enjoys it and looks forward to going each Wednesday,"

imaginations going." Elizabeth Windsor, mother if 5-year-old Lauren, says, "We have been attending storytime since last fall. She loves it and looks forward to it. She gets very upset if we can't go." She then added, "Mrs. Cunningham is wonderful with the kids, and they all love her."

Children's Librarian, Marie Cunningham, is shown here with parents and youngsters during

a recent storytime session at the Harrington Public Library. Photo by Carol Ann Porter

Paula VanSciver, mother of 4-year-old Clint, says, "I think it's really nice, and Mrs. Cunningham is wonderful with the children. Clint looks forward to storytime each week. He loves the crafts and gets involved in the stories. It really does make a difference.

Language and reading are at the heart of storytime, but children are also provided with opportunities to use scissors and crayons. This helps develop eye-hand coordination and fine motor skills.

Using glue is always a favorite with kids, and many of the crafts call for the use of glue. Large muscles are excercised through occasional dance and games, and fun is a part of all of the storytime activities

The Harrington Public Library believes that early exposure to the world of reading can help children become lifelong readers and library users.

Storytime is held every Wednesday at 10:30 a.m. and again at 1:30 p.m. at the Harrington Public Library. For more information, call 398-4647.

Lake Forest PITCH program featured in magazine

Open up the May 1-7 edition of USA Today Baseball Weekly to page 14 and you will see a feature article about Lake Forest High School's "People Involved Touch Children's Hearts" program. PITCH students have donated over

2,100 hours and have raised over \$7,500 for the Make-A-Wish Foundation for terminally ill children.

Writer Paul White detailed the mission and participation of Lake Forest High School PITCH mem-

bers and organizer Karen Wothers, a social studies teacher at the school. Wothers and students David Murphy and Alexis Thompson organized the group in 1994 after reading about Howie Bier-man's Vend-Across-America pro-

gram.

So, the PITCH students and their sponsor spent a week vending through baseball's Carolina League last summer. They worked games in eight cities from July 30 through August 6.

LF moves toward continuous

School District have begun the process of framing a model for embedding the components of continuous improvement in their school system.

With the blessing of the members of the board of education, a team comprised of Superintendent Dr. James H. VanSciver, Lake Forest High School Principal Frederick Duffy, Lake Forest North Elementary School Principal Dr. Judy Craig, and Supervisor of Special Programs Linda Fleetwood, started investigating the links between the process and how they would assist educators.

The committee's first activity was to attend the April 15 public service seminar, "Introducing Quality Programs: Strategies for Implementation," at the University of Delaware. This program was sponsored by the Delaware Public Administration Institute, Graduate College of Urban Affairs and Public Policy at the University of Delaware

Next the group was off to Chantilly, Virginia, to the fifth annual

on Continuous Quality Improvement in Schools, co-sponsored by the American Association of School Administrators Total Quality Network, the Woods Quality Center, and the National Education Quality Deployment Group.

'We hope to create a sound knowledge base about continuous improvement through our school system," explained VanSciver. "Then, with the participation of the members of our board of education, our teachers and administrators, our parents, and our students, begin to craft processes which will promote the concept of continuous improvement here at Lake Forest.

At first glance, this process seems to be neither simple, nor swift. It is going to take considerable effort to make this work. But, in the end, we feel we will have an even more efficient school system than we now have."

The committee intends to make regular reports at monthly board meetings as part of their process for keeping the public informed regarding this initiative.

said Deb Kosciuszko, the 5-year-old little girl's mother. "She's learned a lot. When we first started, she couldn't sit still for anything. Now she is really engaged in it, listens for the questions and is right there with an answer," she said. "And Mrs. Cunningham really gets their

SPORTS **INJURIES**

Glen D. Rowe, D.O.

In all sports injuries, an effort is made to safely return the athlete to participation in his or her sport as quickly as possible. A property prescribed and aggressive physical therapy program, modification of activities, and medication can all be useful in achieving that goal. A team effort and cooperation among the player, parents, physician, therapist, and coaches results in a timely recovery and a healthy outcome.

Dr. Rowe has a special interest in sports medicine. Following his orthopedic surgery residency which included assisting in the care of the Cleveland Browns and Cavaliers, he spent a year at the St. Louis Sports Medicine Clinic. There he helped cover the sports medicine needs of 31 high schools, including the 1989 National Champions of Football (East St. Louis Flyers). He toured as a race physician

nationally while covering the SCCA circuit. He treated members of the U.S. Olympic Biathlon team and the St. Louis Ballet Company, and was team physician for the semi-pro St. Louis Gamblers football team.

Since his arrival in Dover in 1990, Dr. Rowe has joined Dr. DuShuttle in covering area high school football games and wrestling matches. In addition, Drs. DuShuttle and Rowe are the official physicians for the conference and state wrestling tournaments.

If you have questions about a sports injury or would like to schedule an appointment in our Dover, Milford, Seaford or Smyrna office, please call 678-8447, 424-0690 or 628-7702. Our doctors are on call twenty-four hours a day for emergencies, and Saturday appointments are also available.

Harrington Baptist Church

Total Depravity John 6:44

There are only two basic doctrines of salvation that are taught today. One of these, Calvinism, teaches that God controls every aspect of salvation. The other, Arminianism, teaches that man aids God in salvation.

In the previous article we gave our attention to an introduction to Calvinism. Beginning with this one we will consider each of the socalled five points of Calvinism individually, namely Total Depravity, Unconditional Election, Limited Atonement, Irresistible Grace, and Perseverance of the Saints. The concept of our subject as only having five points can be misleading; because, it really has thou-sands of points. Its points are as numerous as the teachings of the Bible. But we will limit our discussion to the five. Let us give attention to the first

point, Total Depravity. The Arminian view on this is given by Duane E. Spencer as follows:

"Man's depravity, as a result of the Fall, is not total but partial. Man has not lost the faculty of self-determination, nor the ability to freely will that which is good in the sight of God. Man is the author of Repentance and Faith unto salvation since the human will is viewed by the Arminian as one of the causes of Regeneration, if man freely wills to cooperate with the Holy Spirit."

Thus, man is said to have "Free Will". According to this teaching it is man, not God, who has the final word. Does not such a teaching make man superior in power to God? The Calvinistic view, also given by Spencer, is as follows:

'Man's depravity, as a result of the Fall, is total. He does not possess free will because he is bound to Satan who takes man captive at his will. All men are born into this world spiritually dead in trespasses and sins so that their dead human spirits are irresistibly drawn to the god of the dead. Man is depraved in the sense that he is dead, blind, deaf, unteachable in the things of God and ruled by. Satan through his perverse heart and corrupt soul

In attempting to formulate a concise definition of Total Depravity let us state what it does not mean. It does not mean that man expresses evil to the nth degree at all times. Nor does it mean that man is incapable of doing things that are good from a human point of view. Some of the most vile and wicked people of this world have done things that are humanly good. But it does mean that man is as bad off as he could be. In Ephesians 2:1-3 we read these words:

"And you hath he quickened, who were dead in trespasses and sins: Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience: Among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others.'

These verses tell us that those to whom Paul was writing were at one time dead in trespasses and sins. When was that? If we are to believe the Bible, it was from their birth. King David said in Psalm 51:5 these words: "Behold, I was shapen in iniquity, and in sin did my mother conceive me." He did not mean that his mother was guilty of the sin of adultery but that he was a sinner from birth. God told Adam that if he disobeyed he would die. Adam disobeyed and he

died. He died spiritually instantly upon his disobedience and later physically. Since Adam was acting as the Federal Head of all mankind, we all disobeyed when Adam did and we all died when he died. This is what Paul means in Romans 5:12 when he wrote: (Rom 5:12 NIV) "Therefore, just as sin entered the world through one man, and death through sin, and in this way death came to all men, because all sinned ---." So to say that man is totally depraved is to say that man is born spiritually dead. Thus, man is unable to deliver himself from the bondage to sin as his human spirit is dead from birth.

It also means that man, in and of his own self, can do nothing pleasing to God until he is "born again". Until such time "...every imagina-tion of the thoughts of his heart was only evil continually." (Gen. 6:5)

It also means there are none righteous or who seek after God. In Romans 3:10-11 we read these words:

"As it is written, There is none righteous, no, not one: There is none that understandeth, there is none that seeketh after God.'

If we allow the Word of God to speak for its own self, then how can one not see that it does teach total depravity and that this con-

"When I call to remembrance the unfeigned faith that is in thee, which dwelt in thy grandmother Lois, and thy mother Eunice, and I am persuaded that in thee also.' (Timothy 1:5)

Rev. James Carmean Jr. is the minister at Prospect Church, which is located five miles west of Harrington on Route 14 in Vernon. Mary Lou Wright is our pianist. We invite you to worship with us Sunday each Sunday We have

mother because she was the mother of Jesus. Mothers have many different roles in life and they need the constant help of God to accomplish all the things they do. It tells us in the Bible to honor our mothers. Fathers are the head of the house, but mother is the heart of the home. She closed with a poem, What Is A Mother?"

Rev. Carmean used scripture from II Timothy 1 for his sermon. Paul was writing to Timothy to lift him up because Timothy had decided to get out of the ministry. Paul told Timothy to remember what his grandmother, Lois, had taught him. She had taken the message of Christ back to her family and had won her daughter, Eunice, to the Lord

NORMA LEA RASH

Norma Lea Rash, 75, of Felton, died of cancer Wednesday, May 8, 1996, in Milford Memorial Hospital.

Mrs. Rash was a page in the Delaware State Senate from 1985 to 1995. She was a member of the Felton Ladies Auxiliary; a 50-year member of the Avon Club of Felton; a member of the Historical Society of Felton; and a very active Democratic committeewoman for many years.

She is survived by her husband of 60 years, Benjamin K. Rash; one son and daughter-in-law, Russell and Jacqueline Rash of Westbury, N.Y.; and two grandchildren, Tami Rash of Hoboken, N.J., and Rusty Rash of Port Jefferson, N.Y.

Service was private.

"Go on," I said.

Thinking - (Continued from Page 2)

"You know when you heat something to get the fat."

"I never heard that word used like that," said Charley. "We always called that process *rendering*."

"Well, trying was what they called it in New England, although I have heard rendering used in more recent times," I said, delighted at the turn of the conversation. Here was a subject we apparently had never discussed in our 50 years together.

"How do you spell *try*?" Charles asked. "Why, just like the other *try*," I

said. Charles got up from the table and came back with the dictionary. We had pretty well finished our breakfast by then.

"I always hated using the dictionary when I was in school," said Charles, thumbing through the book. "It always seemed so timeconsuming."

"You probably had a long list of boring words to look up," I commented. "That's the way we were taught to use the dictionary."

"Here it is!" said Charles. "Try -(1) to attempt to do or accomplish something by deliberate effort."

Baptist

JAMES CONDIFF JR.

James H. Condiff Jr., 74, of Milford died of heart failure, Tuesday, May 7, 1996, in Milford Manor.

Mr. Condiff was a dispatcher for Red Star Express for 21 years, after which he worked for Gooden's Floral Shop in Milford for four years, retiring in 1982. He also worked with his father on the Wilson Line Pleasure Boat which went up and down the Delaware River, and to the Baltimore Harbor and Florida.

He was a member of the First Presbyterian Church in Milford.

He is survived by his wife of 43 years, Violet Minner Condiff; and one son, Gregory J. Condiff of Christiana. Graveside services were Satur-

day in Hollywood Cemetery, Del. 14, Harrington.

Instead of flowers, the family suggest contributions be made to First Presbyterian Church, Front and Walnut St., Milford, DE 19963 or Alzheimer's Association, 321 E. 11th St., Wilmington, DE 19801.

JOHN WILLIAM CONLEY

John William Conley, 73, of Wyoming died of heart failure, Tuesday, May 7, 1996, in Kent General Hospital.

Mr. Conley was born Sept. 15, 1922 in Suddlersville, Md., the son of the late William Henry and Elsie May Conley.

He retired in 1986 fron Roberts Construction, where he worked as a construction worker. He had also owned Conley's Woodworking, a cabinet making business, in Wyoming.

Mr. Conley was a U.S. Army veteran of World War II.

He was a member of London Village Chapel in Woodside.

He was preceded in death by a brother, Thomas W. Conley and a sister, Catherine Thompson.

He is survived by his wife of 56 years, Nellie V. Conley of Wyoming; three sons, John W. Conley of Fenwick Island, Howard W. Conley and James M. Conley, both of Wyoming; one daughter, Joan L. Nutter of Hartly; three sisters, Margaret Robinson of Wilmington, Marion Reed of Woodside and Eleanor Foraker of Felton; seven grandchildren and four greatgrandchildren.

Services were 11 a.m. Friday. Burial was in Gracelawn Memorial Park.

Arrangements by Spicer-Mullikin, 1000 N. DuPont Parkway, New Castle.

way, New Castle. Contributions can be made to Delaware Hospice, Dover Office,

911 DuPont Hwy., Dover DE 19901.

FRANCES V. STRANGE

Frances Vincent Strange, 77, of Philadelphia, formerly of Andrewville, Del., died of heart failure Sunday, Dec. 31, 1995, in her home.

Mrs. Strange was born in Philadelphia, the daughter of the late Frank and Amelia Vincent.

She was raised in Andrewville and graduated from Greenwood High School in 1936.

Mrs. Strange was married to Jesse W. Strange Jr. and moved back to Philadelphia to live.

She worked for the Bell Atlantic Telephone Company, Philadelphia, for some time.

She is survived by her husband, Jesse W. Strange Jr. of Philadelphia; a son, Hale Strange of Poconos, Penn.; a stepson, Jesse W. Strange Jr. of Philadelphia; a brother, Frank Vincent Jr. of Milford; a sister, Beatrice Bradley of Harrington; eight grandchildren; three great-grandchildren; and some nieces and nephews.

Services were held at the Detner Funeral Home, Philadelphia.

ROBERT W. COOK

Robert Warrington Cook, 79, of Lincoln, died Wednesday, May 8, 1996, in his home.

Mr. Cook was born May 6, 1917, in Salem, Mass., the son of the late John D. and Sarah C. Cook.

He lived most of his adult life in Woodstown, N.J., until moving to Lincoln in 1992.

Mr. Cook was a salesman for Lyon Stainless Products and Knapp Shoes, a teller at Woodstown National Bank, and retired as an employment counselor from the New Jersey Dept. of Employment.

He is survived by his wife of 53 years, Gwendolyn S. Cook; two daughters, Linda C. Boyd of Pennsville, N.J., and Judith D. Noel of Preston, Md.; and two grandchildren, Kevin Boyd of Newark and Shannon Hart of Preston, Md.

Memorial services will be at 2 p.m. Saturday in Asbury United Methodist Church, S. Main St., Woodstown, N.J.

Instead of flowers, the family suggests contributions be made to Asbury United Methodist Church, Woodstown, N.J. or Delaware State Hospice Foundation, 600 Du Pont Highway, Georgetown, DE 19947.

WILLARD P. FREEMAN

Willard P. Freeman, 51, of Fox Run, near Glasgow, died of cancer Monday, May 13, 1996, in hishome.

Mr. Freeman operated heavy equipment for Henkels & McCoy Inc.

He is survived by two sons, John J. Donahoe, with whom lived, and Billy Freeman of Wilmington; one daughter, Rebecca Freeman of Wilmington; three brothers, Kermit Freeman of Lincoln, Albert Freeman of Bear and Harry Freeman of Newport; six sisters, Sue Hagerty, Barbara Payne and Rita Snyder, all of Wilmington, and Dorothy Carrall, Helen Billips, Julie Ann Dillow, all of West Virginia; and two granddaughters.

Services will be at 11 a.m. Thursday in McCrery Memorial Chapel, Kirkwood Highway and Duncan Road, Marshallton.

Burial will be in Silverbrook Cemetery.

JAMES F. SALEVAN

James F. Salevan, 76, of Belleville, Pa., formerly of Milford, died Wednesday, May 8, 1996, in Lewistown Hospital, Lewistown, Pa.

Mr. Salevan, born Nov. 17, 1919 in Milford, was the son of the late Edward J. and Jennie McNatt Salevan.

Mr. Salevan was CEO at Kishacoquillas Valley National Bank, retiring in 1985. Prior to that he worked at Milford Trust Company, Milford, from 1946 - 1956 and Somerset Bank, Princess Anne, Md. 1956 - 1961.

He was a member of West Kishacoquillas Presbyterian Church, Belleville, Pa., and AF&AM Manokin Lodge 106 Princess Anne, Md.

Mr. Salevan was a veteran serving in the U.S. Army, 1st Sgt. 44th Quatermaster Co.

He was preceded in death by a brother, Edward J. Salevan Jr.

He is survived by his wife of 53 years, Helen F. Futcher Salevan; a sons, James F. "Jay" Salevan, III of Cary, N.C.; a sister, Floyd Margaret Ann Kingston of Tampa, Fla.; and three grandchildren.

Graveside services will be at 3 p.m. Sunday in Barratt's Chapel Cemetery, Frederica.

Arrangements handled by Lofland Funeral Home, 102 Lakeview Ave., Milford.

be said in defense of Total Depravity, but perhaps at a later time. May God richly bless you. --Willie Johnson, Pastor

Line dancing was a "must" during Wild West Days.

rington streets pulled by two impressive Clydesdales accompanied by a foal. The proud heritage of Native Americans was represented by folklorist Nakakakena (Boe Harris) with her daughter Casey and by GaWaNi Pony Boy in full regalia astride his seven-year-old paint horse Kohla. There were donkey and horse drawn vehicles, several riding groups, 4-H Clubs and more. A tepee Under the Stars

GaWaNi, a Cherokee who grew up on the reservation in North Carolina, travels the country with his horse and family, educating school children and others about Native American myths and legends.

Their tapes were more than just an attraction at the festival grounds. One even provided shelter for the family when a shutdown on the Pennsylvania Turnpike interrupted their trip to Delaware.

They slept in a tepee under the stars on Friday night before arriving at the Delaware State Fairgrounds on Saturday. On Saturday night, the tepee was again a snug home for the family, staying safely anchored despite winds that blew many other things away.

Also featured at the Wild West Festival on Saturday were storyteller Nakakakena, Native American dancer Charles Mohr, the music of Elk Creek Junction and Sal B with a special appearance by yoiung miss Rachel Silkworth, the Dance Dimensions Ensemble, the Magic of Charly and vaulting demonstrations by the Pony Express 4-H Club of Queen Anne's County, Maryland. Donkey, pony wagon and carriage rides plus a petting zoo and carnival rounded out the day.

Gathering of the Peoples Sunday's blue skies also brought cold, blustery winds. But they did not blow away the Gathering of the Peoples. In the true spirit of resourcefulness, the festival just moved inside the Natural Resources building at the fairgrounds and the multi-cultural celebration went on.

The day started with a Native American spiritual service led by Odette Wright and the Nanticoke Dance Troupe. It continued with inter-trible dancing, a dance demonstration by the Lenni-Lenape, a performance by the English Country Dancers, storytelling by Ragatha Calentine, presentations by GaWaNi, and South American music by Marcos Antonio Hernandez. Entertainer Mario Rocco was host for the day.

The Gathering of the Peoples was the final event in the four-day festival.

Sports

Lake Forest Spartan girls defend **Henlopen Conference track title**

By Keith S. Burgess

Unbeaten in dual meet competition, Jim Blades' girls' track team repeated as Henlopen Conference Meet champions, tallying 159 points. Dover was next with 137. The remaining eight schools were distanced.

Sharise Spence had another banner day. The state champion speedster accounted for over 30 points for her team. She took the 100 meters in 12.27, the 200 meters in 26.47, was 2nd in the (new to her) 400 meters in 1.02.8, and anchored the winning 800 relay in 1.47.7. Another speedster, Tanitka Smith, won the long jump with 16-2 1/2, was second to Spence in the 100 meters, started off the winning 400 relay and was fourth in the triple jump with 32 feet-9 inches.

Another state champ, Shatanya Smith, took the shot with a toss of 36 feet, 1 1/2 with Sequoyah Guinn 4th, then won the discus with 116 feet, with Guinn in 5th.

The champion Spartans scored in all 17 events, a mark of a wellbalanced team and a hallmark of most of Jim Blades' teams, as the veteran mentor picked up another "Coach of the Year Award"

Crystal Mack is a largely unsung hero, the type of athlete any coach would love to have on his or her team. The part-time hurdler burst onto two all-time lists on Saturday. She went after Dover's favored Charmaine Favors, twice and was second by an eyelash each time.

This meet was started in 1977, but the 300 hurdles were first used in 1983. The meet record is 46.8. Second all-time is Jamie Hill, Cape, 47 flat, last year's champ. Mack beat her this year with 47.11. Favors is No. 3 all-time with 47.06. Tara Dixon, a Lake great who was state champ in this event, is at 47.1, and the fifth best ever in this meet is Crystal Mack. In the 100 hurdles, Mack is also 5th alltime, just hundredths of a second behind No. 2. One of the two girls at 15.2 is Latarra Smith of Lake Forest, who is on this year's Spartan team, but had a better year in 1995. Mack did 15.27.

Crystal was on the 1st place 400 relay team with T. Smith, Christina Jones and Crystal James, and on the 800 relay unit with Kelly Waples, Jones and Spence. Jones was 2nd, at 200 meters in 27.95 and 4th in the 100.

Angela Brown, Wendy Webb, Holly Hrupsa and Chasity Cole clocked 10.49.1 to get second in the 3200 meter relay.

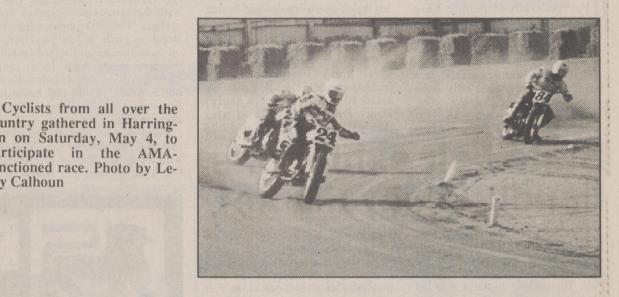

Cole was 3rd in the 800 meters in 2.32.6, which is her best ever or very close to it. Cole and Brown were 4th and 5th at 1600 meters. Kristen Hopkins was 3rd in the 3200 meters in 14.09.5

Crystal James leaped 15 feet, 2 inches to get third in the long jump. Teona Benson had a jump of 32-7, good for fifth in the triple jump. Jennifer Black scored in the high jump with a clearance of 4-8, which equalled the jumps of four of the girls ahead of her, but Jennifer had more misses.

Fifth in the 1600 relay in 4.32.8 was a unit of Portia Leggs, freshman prospect Latoya Smith, Teona Benson, and Chasity Cole. 'Twas a great day in a great season!

And They're

Spartan track girls beat Dover, Polytech

By Keith S. Burgess

Jim Blades' powerful Lake Forest girls' track team downed Dover and Polytech to end an unbeaten dual meet season. These girls won 7 of 17 events in the 1995 state

Rust recruited by Lackawanna College

Nate Rust, a three-sport standout at Lake Forest High School, is among the top players recruited by Lackawanna Junior College (Scranton, PA) head football coach Mark Duda for the 1996 season.

"Nate is tall and has a tremen-

He served as captain and was selected most valuable player by his teammates.

As a junior, he had 13 solo tackles and 26 assists while starting at offensive and defensive tackle. He placed third in the state wrestling

meet and were not extended in the dual campaign in 1996. Angie Brown, Holly Hrupsa, Wendy Webb and Chasity Cole started off the 82-55 defeat of also unbeaten Dover with a yearly-best 3200 meter relay win of 10.46.

The speedy Spartan sprinter corps virtually shut out Dover in the sprint events (4) allowing the Senators one point.

Two-time state champ, Sherise Spence (12.7), Tanitka Smith and Crystal James swept the 100 meters, then Spence and Christina Jones went 1-2 in the 200. Spence did a yearly best of 26 seconds. Kelly Waples, Crystal Mack, Jones and Spence got a 1.50.8 win in the 800 relay, then T. Smith, Mack, Jones and James took the 400 relay

The Spartans' stellar weight duo

Hanson in 3rd with a 14.03. Senior Crystal Mack, an extremely valuable and versatile performer, turned in two fine individual efforts, with seconds in the hurdle events, as Latarra Smith was third in the 100 hurdles. Chasity Cole was 2nd at 800 meters, with a good 2.37. Cole and Wendy Webb went 2-3 at 1600 meters.

Tanitka Smith and Crystal James each had a second and a third in the jumps, while Jennifer Black got 3rd in the high jump. The well-balanced locals scored

everywhere but the anti-climactic 4 x 400 meter relay.

At Polytech, the Spartans cruised to a 98-39 victory, which turned out to be a perfect tuneup for the Spartans' terrific victory in the Henlopen Conference championship meet.

Spartan trackmen are third in Conference

By Keith S. Burgess

A thrilling Henlopen Conference Championship Meet saw Dover and Caesar Rodney battle until the final seconds before the Senators got second in the 1600 meter relay, ahead of 3rd place C.R. If these positions had been reversed, Caesar Rodney would have been the meet winner.

Dover had 127 points, C.R. 124 and Lake Forest was a creditable third (86 points) in the ten-school meet

Lake Forest opened the meet with a victory in the 3200 meter relay behind Charley Vincent, Derick Gerardi, Malcolm Hughes and Dan Matta in 8.33.6, a yearly best. The Spartans ace pole vaulters, Chris Grevis (11 feet), Charley Vincent (10-6) and Garrett Gannon (10-6) finished 1st, 3rd and 4th to score 20 points.

Dan Matta recorded a swift 2.03.5 for second at 800 meters with Malcolm Hughes getting 5th. Hughes, Matta, Derick Gerardi and Ray Scott were 4th in the 1600 relay in a yearly-best of 3.39.6. Scott ran 53.38 to score in the 400

Dion Gambles cleared the winning height of 6 feet, 2 inches in the high jump, but got 2nd on the more-misses rule.

Jabari Franklin was second in the triple jump (42-6). A most unlikely finish occurred in the long jump. Gambles leaped 20 feet, 1/4 inch, just 10 1/4 inches behind the winner, but Dion was 6th as four jumpers were jammed into a twoinch span between 6th and 2nd places. Second was a Cape leaper with 20 feet-2 1/4 inches.

Also unusual was the feat of Perry White. Unknown and unseeded, banished to the slow heat of the 300 intermediate hurdles. White rushed over the timbers in 43.34. Only two athletes from the fast heat did better, so White got 6 points for third place. That's an upset!

Bruce Morris was 3rd in the 110 hurdles in a good 16.23. Kerry Woodward, Gambles, Mike Simpson and Scott were 3rd in the 800 relay in 1.35.9. Fifths were tallied by Pat Gleeson, 3200 and the 400 relay unit by those in the 800 relay unit.

country gathered in Harrington on Saturday, May 4, to participate in the AMAsanctioned race. Photo by Leroy Calhoun

lay

the

In top photo, Scott Bloodsworth receives instructions on the fine art of chipping. In right photo, Scott is shown with touring golf pro, Kathy Guadaguino

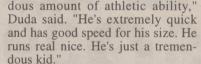

Bloodsworth attends junior golfers clinic

On May 7 officials of the LPGA held a clinic for junior golfers at the DuPont Country Club in Wilmington. this was held in conjunction with the McDonalds LPGA Championship.

Scott Bloodsworth, son of Gerry and Bob Bloodsworth of Harrington, attended and received instruction from many of the area's top professionals, as well as some of the top touring LPGA pros, in the skills of chipping, putting and swing mechanics.

Scott also met and talked with touring pros Lenore Rittenhouse, Kathy Guadagnino and Allison Nicholas. This was the highlight of Scott's day. He said "When I get to play like that, maybe I will be famous, too!'

The event was well attended and a good time was had by all. Hats off to the LPGA, McDonalds and Crayola Crayons for having such an event where so many children can learn so much about such a good sport!

Rust helped lead Lake Forest to the state division II football championship and won a state championship as a wrestler in his senior year. He was a first-team all-state selection in both sports as well.

A two-way starter (offensive tackle-noseguard) as a senior, Rust had 21 solo tackles and 61 assists in addition to three quarterback sacks, two blocked punts, one blocked extra point attempt and three defensive fumble recoveries.

Fax Your

Sports

tournament.

"Nate is really gifted," Duda said. "We're probably going to use him at defensive end even though he was a nosetackle in high school. I think he's going to be a tremendous pass rusher.

Rust joins a football program that will enter its fourth season in the fall. The Falcons are 21-9-1 over those three years with bowl appearances the last two years. The school won the Seaboard Conference championship in 1994 and last season was ranked eighth nationally after winning its first seven games.

of state champ Shatanya Smith and Sequoyah Guinn captured 16 of the 18 points up for grabs as Smith spun the discus 118-4 1/2, a 1996 yearly best, with Guinn next. In the shot, Smith hurled the iron ball 37 feet 2 1/2 inches, a lifetime best, which is close to the Spartan mark of 39-8 3/4 set by Severa Harris in 1985. Guinn was again second in the shot.

Sherise Spence, a newcomer to the 400 meters, added a win in that event for a personal triple individual win at Dover.

Kristen Hopkins was a winner at 3200 meters (13.48) with Jackie

Sherise Spence, Christina Jones and Crystal James were 1-2-3 at 100 meters. Spence, Jones and Kelly Waples did the same at 200 meters.

Waples, Crystal Mack, Jones and Spence relayed 800 meters in 1.53. Tanitka Smith, Mack, Jones and James won the 400 relay in 53.2. T. Smith had fine winning leaps in the long jump (16 feet) and the triple jump (31-11). James had a 2nd (15-4) and a third (30-10).

See Dover on Page 10

Spartan harriers end season at 7-2

By Keith S. Burgess

Lake Forest's track team dropped a hard-fought 79-67 test at Division I Dover, then took a 91-55 verdict at Polytech to end a fine 7-2 dual season.

Dover simply had too much raw speed for the locals, but the gritty Spartans fought to the end.

Lake Forest's strength was in the distance events, where LFHS prevailed 19-13. Charley Vincent, Malcolm Hughes, Derick Gerardi and speedy Dan Matta took the 3200 meter relay in a yearly best of

8.38.9. Matta (2.07.6) and Gerardi were 1-3 at 800 meters. Matta and Rusty Melvin went 2-3 at 1600 meters, while Melvin (10.58) and Pat Gleeson (10.59) got 2nd and 3rd at 3200 meters. Hughes, Matta, Ray Scott and Mike Simpson took the 1600 relay in 3.45. Simpson, Scott, Dion Gambles

and Ken Cartwright ran 46.7 to annex the 400 relay. Bruce Morris ran 16.9 to get the 110 high hurdles, while Roger Alexander clocked a yearly best 44.2 for 3rd in the 300 hurdles.

Cartwright was 3rd at 200

meters, 24.3, tops for 1996, while Hughes was 3rd at 400 meters.

Spartan field event men also had a 30-24 edge. Charley Vincent, Garrett Gannon and Chris Grevis went 1-2-3 in the pole vault. Jason Daniels, Scott McCarthy and Joe Boyer did the same in the discus. Gambles (6 ft.) and Morris were 1st and 3rd in the high jump.

Jabari Franklin, a 1995 state champ, has missed most of this

39th Annual Milford Memorial Hospital Fair is May 18

This year the fair is being sponsored by PNC Bank with the proceeds going for the remodeling of the MMH cafe. The theme is "Buzz on over to the Fair", with the colors yellow and black. It will be held at the Milford High School grounds on Saturday, May 18, 1996, from 10 a.m. to 4 p.m. Rain date is May 19th.

There are two events each year that are not held at the fair grounds. The 5K run/walk/bike/ rollerblade will be held that Saturday morning at 9 a.m. at the Milford Middle School through Milford Parks and Recreation (call 422-1104); and the Middle School Teen Dance, organized by Dr. Gary Annett. The dance is for Milford Middle School students only and will be held Friday night, May 17, from 7-10 p.m. Admission proceeds go to the fair.

For generations people have been coming to the fair to enjoy arts, crafts, food, entertainment and a sense of community pride. this year children can still enjoy games and rides like the moonwalk, face painting, petting zoo, jelly bean express, clowns of Delaware, tiny tots break, fish pond, dinosaur search, and tiny treasures. Just the MHS Dance Team at 12:20

watch the excitement on their faces when they can ride the Big Fire Truck and the Big Tractor and Wagon Pull. For your convenience, there will be locations to purchase tickets for all games and rides.

Also, educational for children and adults alike, are booths like Read-Aloud Delaware with the appearance of Fluffy the Reading Rabbit. Abbott's Mill will have a reptile and amphibian show at 11 a.m. and 1 p.m. Also at 2 p.m., a presentation on beavers will be given. Don't miss these great shows

Other informational booths will be present such as Health Educa-tion, the Red Cross, American Cancer Society, fingerprinting by the Milford Police Department, and many more. A new booth with the stylish person in mind is the Hairstylist booth. It will be offering quick up-sweep dos and braids.

As always, a great line-up of entertainment has been scheduled. Starting with opening ceremonies at 10 a.m., live performances include the MHS Rock Ensemble at 10:40 a.m., Gayle Gardener's Dance Dimensions at 11:45 a.m.,

p.m., the Celebrity Auction at 1 p.m., and the Milford Community Band at 3:10 p.m.

If you love the auction atmosphere, or just like to buy unique and collectable memorabilia from the entertainment world, be sure to enjoy the Celebrity Booth and Auction at 1 p.m. You'll find personalized and fun items from some of your favorite personalities and shows that you would otherwise never have a chance to purchase. Also, take a chance on the fair's two raffle items: 1) a Widgeon Drake decoy donated by Doug Gibson, and 2) a Christmas Tree Skirt donated by Marge Summers. The raffle will be drawn at 4 p.m. and you do not need to be present to win.

Arts, crafts, and gardening are always a favorite for all. There's the Handcrafter's Bazaar, filled with the talents of the many area crafters. The ever popular Bargain Booth is back. It has great prices on overstocked and miscellaneous donated items from local merchants. Visit the Garden Club booth where plants and beautiful flowers are given tender loving care for your home.

Food -- why, the aroma alone makes it feel like fair day. Start off with a cup of coffee or if it's really hot, a snow cone. The Burris' will

be barbecuing chicken for a favorite lunch time platter. And if that didn't tickle your taste buds enough, pizza, fried clams, hot dogs, and hamburgers are right there hot and ready. There's even scrapple from Kirby and Holloway.

There will be plenty of soda and drink booths to whet your appetite. And don't forget to treat yourself to all the homemade candies, fudge, sweets and funnel cakes.

minute announcements need to be made regarding the rain date --tune into WAFL Eagle 97.7 FM or WXPZ FM 101.3. **Entertainment Schedule** 10-10:30 a.m. - Opening Cere-

State Fair exhibitor's handbook available

The 1996 Delaware State Fair Exhibitor's Handbook is now available to those planning to enter exhibits or contests at this year's Fair. The catalog contains detailed entry information and a listing of all premium awards for every competitively judged exhibit, from arts & crafts to poultry and beef cattle. Each Exhibitor's Handbook, formerly known as the Fair's Premium List, includes an official entry form.

Complete rules governing a wide array of contests can also be found in the handbook. Contests this year include a "Best Spam" recipe competition, a flower arranging contest, a horseshoe pitching challenge and the 14th annual All-Youth Talent Showcase.

Delaware State Fair Exhibitor's

may pick up a handbook at the Fair office in Harrington and at University of Delaware Cooperative Extension Service offices located at 910 South Chapel Street in Newark, 2319 South DuPont Highway in Dover, and on Rt. 9 in Georgetown. A limited amount of handbooks have also been distributed to all 32 public libraries in Delaware. Additional information can be

Handbooks are available free of

charge while supplies last. Those

interested in entering contests or

competitive exhibits at the Fair

obtained by calling the Fair office at 302-398-3269. The Fair opens with a free preview night Thursday, July 18, and will continue through July 27 at the fairgrounds, U.S. Route 13, Harrington.

Dover - (Continued from Page 9)

Shatanya Smith added 1/4 of an inch to her lifetime best at Dover, doing 37 feet, 2 3/4 inches this time. Cortress Nichols was third in that shot put. Smith also took the discus.

Jackie Hanson, Missy Kepfer and Amanda Twardus went 1-2-3 at 3200 meters. Crystal Mack (50.2) and Teresa McTeer were 1-3 in the 300 hurdles. Jessalynn Rigterink, Erin Billings, Christina Vincent and Miss Kepfer took the opening 3200 meter relay. Tracy Raksnis, a Lake Forest area girl, was a double winner for Polytech, winning the 800 and 1600. Angie Brown was second in the 1600 in 5.56 with Kristen Hopkins next. Wendy Webb, 2nd at 800 meters in 2.43, a personal best.

Bill Castille, both of Dover. Albert Jeffrey Dixon and Tammy Lou Cole, both of Hartly.

Holly Hrupsa was 3rd in 2.51. Portia Leggs, Brown, Chasity Cole and Latoya Smith won the 1600 relay. Leggs was 2nd in the 400. Sarah Moore was 2nd in the high jump.

Trackmen - (Continued from Page 9)

campaign due to a leg injury. Franklin triple jumped 40 feet for second place, while Gambles was runnerup in the long jump (19-6). Despite the loss, the meet was interesting as Lake Forest turned in a fine effort.

Polytech won six events, as LFHS took the season finale 91-55. Charley Vincent, Kris Thornton, Dan Matta and Malcolm Hughes opened with an easy 3200 relay win. Matta (53.3) and Ray Scott went 1-2 at, 400 meters. Hughes (2.07) and Derick Gerardi were 1st and 2nd at 800 meters. Gerardi (4.52) and Sam Forester were 1st and 3rd at 1600 meters.

Pat Gleeson and J.J. Laskiewicz got 2nd and 3rd at 3200 meters behind Polytech's tough Isaac Parker.

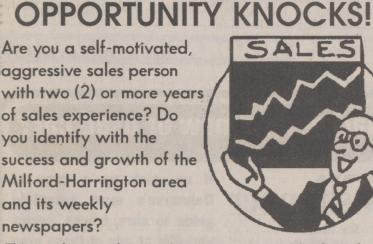

Roger Alexander annexed the meter relay.

300 hurdles in 43.6, with Perry White 3rd. Roger and Bruce Mor-ris scored in the 100 hurdles also. Mike Stevenson (5-10) and Morris went 1-2 in the high jump. Jabari Franklin (41-10) and Derrick Terrell (40-3) captured 1st and 2nd in the triple jump, as did Charley Vin-cent (10-6) and Chris Grevis, pole vault.

Mike Simpson and Micah Parker got 1st and third in the shot put with Jason Daniels 1st in the discus.

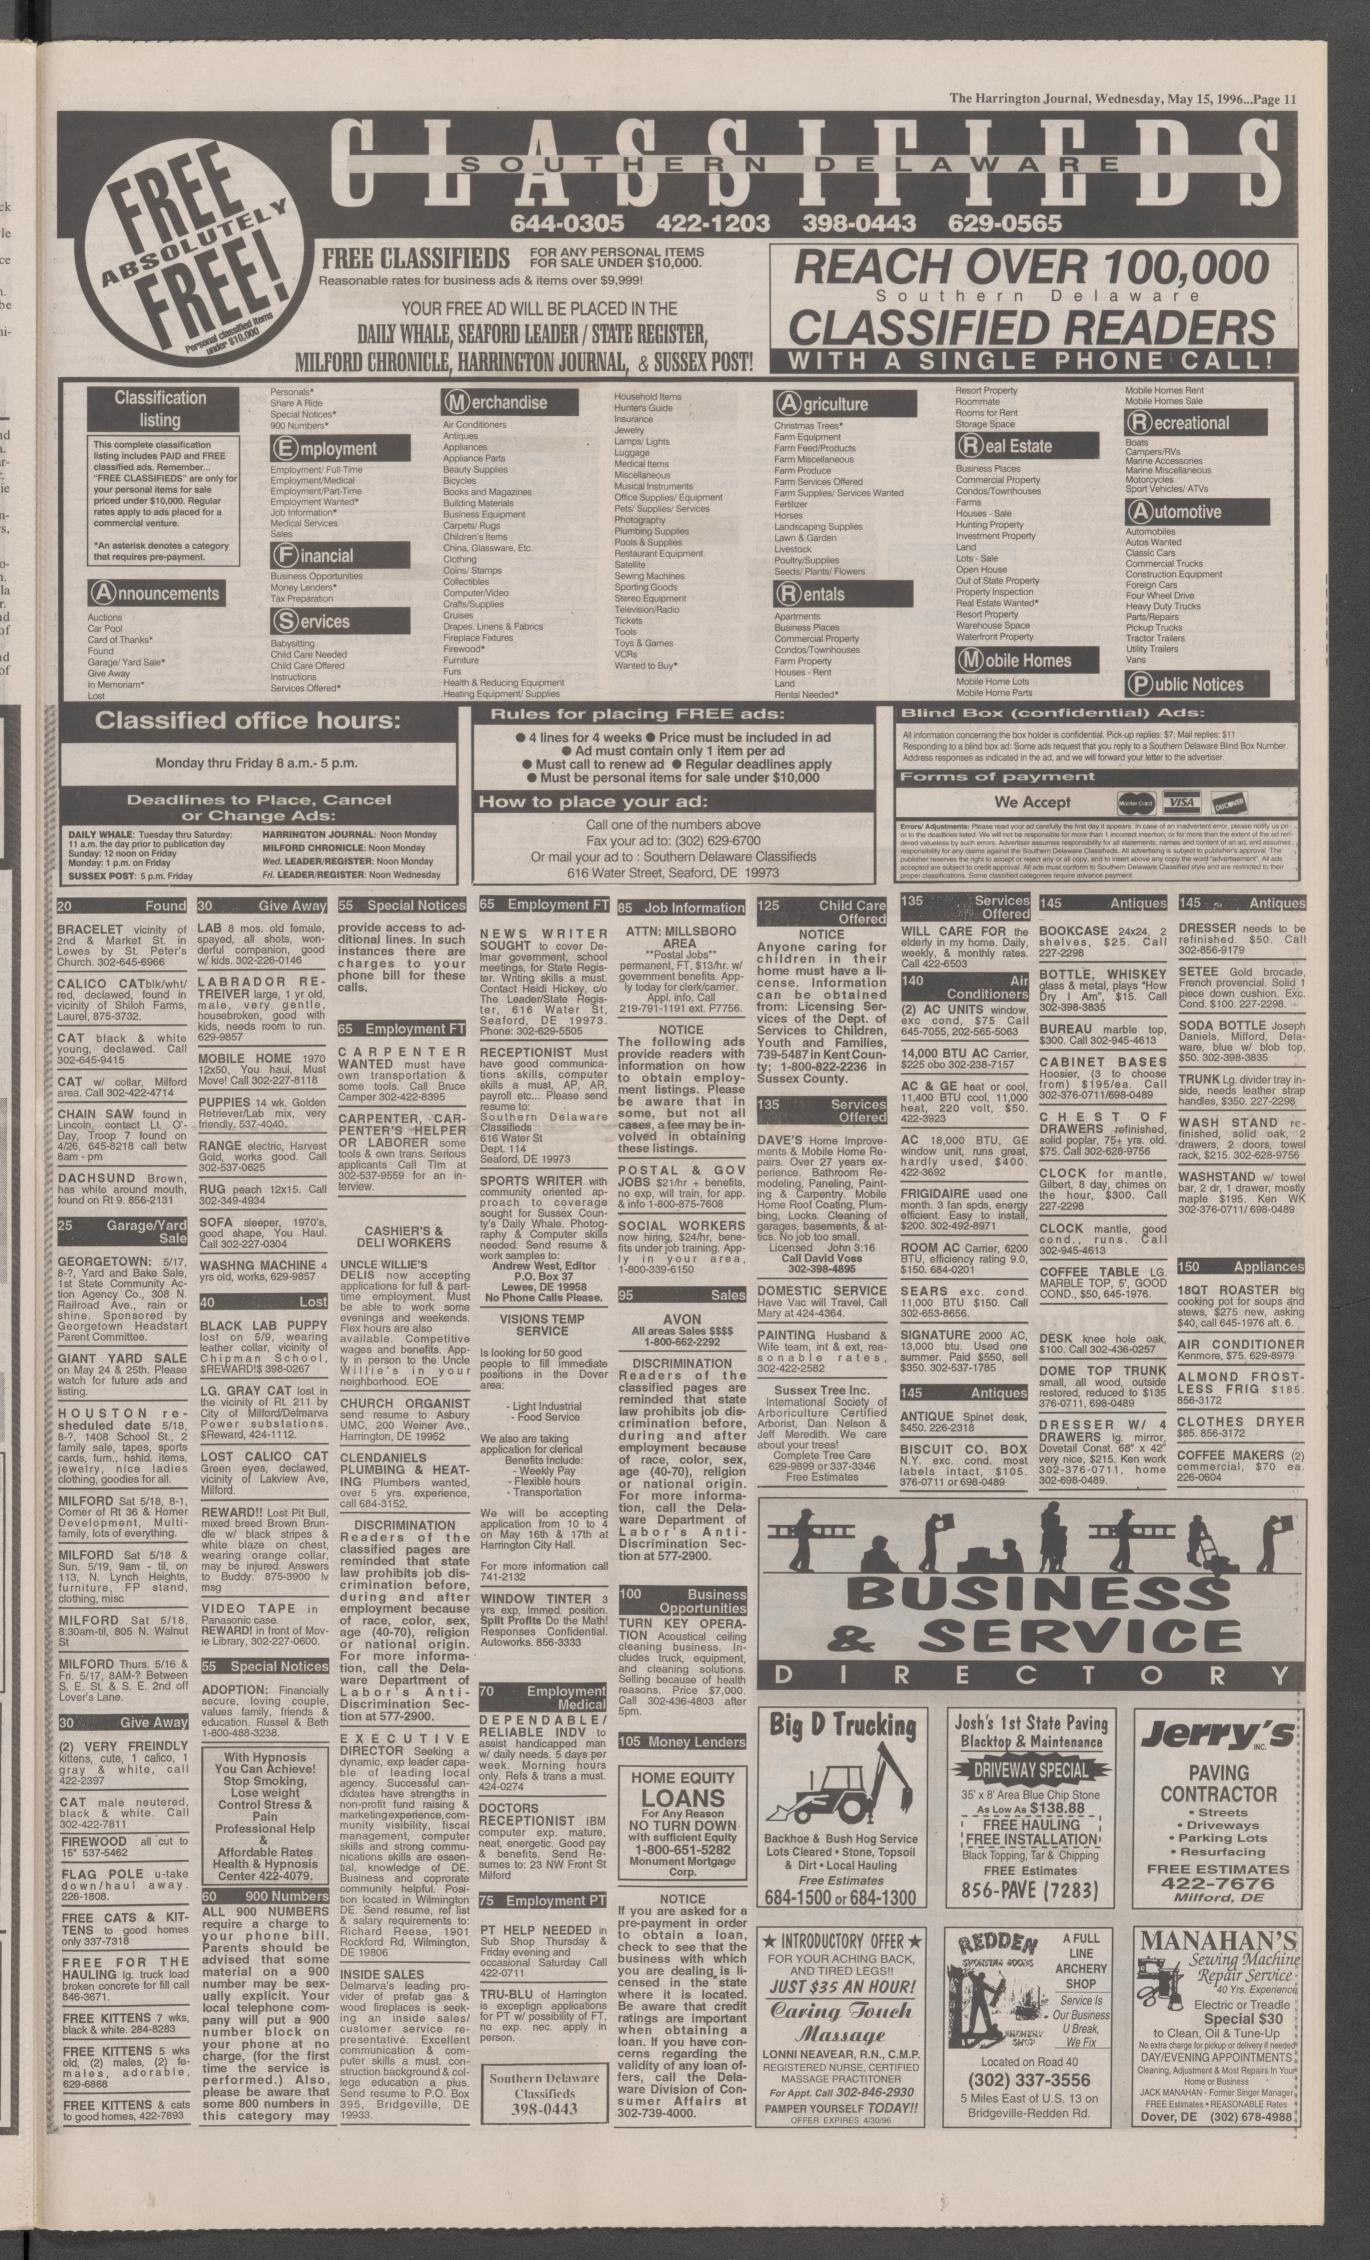

Dan Matta, Ray Scott, Ken Cartwright and Dion Gambles won the 800 relay. Victor Benson missed 19 feet by a scant 1/2 inch in the long jump. Cartwright, Simpson, and Benson picked up points in the sprints. Kerry Woodward, Hughes, Alexander and Yann Faho took the closing 1600

YOUR YEAR OR A DEERE

STX38 5-SPEED

If you're looking for a powerful performer at an affordable price, then this is your year for a **OR JUST \$38 PER MONTH** Deere. A John Deere STX38 5-Speed

Lawn Tractor. Now for just \$1,996* or only \$38 a month.**

Power up with an increased 13-horsepower, overhead valve engine and an in-line, shift-on-the-go transmission. Or trim off mowing time with a 38-inch cutting width and 15-inch turning radius.

If you'd rather walk than ride, then the 14PZ Walk-Behind Mower is for you. Now on sale,

through July 1, 1996, for just \$349

or \$25 a month.** This 5-horsepower, die-cast aluminum deck model is a value-priced critic's choice.

Take the hard work out of yard work. Make this your year for a Deere. See your retailer soon.

Colorado

or just \$25 per month Get behind a 14PZ Walk-Behind and save as much as \$140 now through July 1, 1996.

> Increased, 13-hp engine and larger tires make this the best year to buy a Deere. A John Deere STX38 5-Speed shift-on-the-go Lawn Tractor.

NOTHING RUNS LIKE A DEERE

TAYLOR& MESSICK, INC.

325 Walt Messick Road • Harrington, DE 19952 (302) 398-3729 • 1 (800) 237-1272

*Taxes, freight, setup, and delivery not included. Manufacturer's suggested retail price. Price may vary by retailer. ect to approved credit. 10% down payment required. Based on John Deere Credit Revolving Plan. Monthly payment in California for the STX38 5-Speed is \$50. For non-commercial use only. **Price may vary by retailer. Offer ends July 1, 1996.
