Harrington Perspective

Joyce Dyer

What do I like about Harrington?

I like the small town atmosphere, but I also like the fact that it's in a good central location. I could never be a large city dweller. Everybody knows everybody, and you know who your neighbor is.

Harrington High School holds 40th reunion

By Carol Ann Porter

The Harrington High School Alumni Association held their 40th Annual Reunion on Saturday, May 4, at the W.T. Chipman Middle School in Harrington.

Approximately 300 people attended the annual event, and scholarships in the amount of \$1,000 each were awarded to 11 high school seniors.

A delicious dinner was served by the W.T. Chipman Middle School Band members and supervised by Sophie LaSalle. Scholarship awards were presented and members were treated to entertainment. A dance in the field house followed.

One of the highlights of this year's event was the recognition of Donald W. Derrickson, the organization's executive vice president, who was honored for 30 years of continuous service.

The Harrington High School Alumni Association has been well-served by many presidents, vice-presidents and executive board members throughout the years.

In 1966, while Mary Tucker was president, Mr. Derrickson was elected to the position of treasurer

of the association.

For 30 years, he continued to serve in that position and also in the position he now holds. For three out of four decades, Mr. Derrickson, known to everyone as "Dee Dee" has been the single most guiding influence responsible for the longevity, continuity and success of the alumni association.

While the last graduating class from Harrington High School was in 1969, the association continues to be strong with 750 members in good standing.

It has been Mr. Derrickson who has kept track of all of the members as they moved around and away. With the help of his sister, Annalee Derrickson, he is responsible for everyone receiving their alumni newsletter each year.

Out of true respect and appreciation, the alumni association paid tribute to Mr. Derrickson this year for his 30 years of service by honoring him with a scholarship presented in his name to Alison L. Walls.

He was also recognized by the State of Delaware with a tribute presented to him from Rep. G. Robert Quillen.

Belle Everett Annual Dinner held in Felton

By Amy Fleming, Freelance writer

The Kent County Democrats held their annual spring dinner on Monday May 6, 1996 at the Felton Fire Hall.

"The dinner is held each year to honor the hardworking Democrats; the unsung committee behind the scenes," says Abby Betts, co-chair of the Belle Everett dinner.

Throughout the night, Belle Everett Awards were given to outstanding Democrats by their district chairs. The highlight of the recognition ceremony was the presentation of the newest award, The Chairman's Award. This year it was presented to the late Cynthia Simms, a dedicated Democrat.

The award was accepted by her son, Scott Simms, who described his mother as a "trailblazer." "She was a liberal who gave of herself and made sacrifices. She was tolerant and dedicated to reforms and progress," Scott told of his mother. The sixth grade science teacher at Milton Middle School was killed last year in an automobile accident.

Many local faces could be seen around the room as a traditional Felton Fire Hall dinner of fried oysters, chicken salad, dumplings and peas was passed family-style. In attendance was Mr. and Mrs. Robert Voshell, Mr. and Mrs. Harvey Leighty, Ed Melvin, Frank Quillen, Donald Derrickson, Mr. and Mrs. John Walls, Edie

A "gentle" reminder to speeders

The Harrington Police Department is placing a speed awareness radar trailer in different locations around the city to show citizens at a glance what speed they are traveling. Although this device is not for enforcement, it will alert people to compare the indicated speed with their speedometers. According to Chief Frank G. Melvin Jr., this will help the public help the department in saving lives. "When speed awareness goes up, citizens slow down," said Chief Melvin. Cpl. Eric Maloney is shown here next to the device as it alerts motorists on Center St. "Where this has been placed, citizens have been known to leave notes on the device asking that it be brought to their neighborhood," said Cpl. Maloney. Photo by Carol Ann Porter

Friends of Harrington Public Library lend a helping hand

"That's what friends are for"

By Carol Ann Porter

"That's what friends are for" is a line from a very popular song. It could also be the motto of a group of volunteers, The Friends of the Harrington Library.

Recently, the library closed for a week while 24 of these volunteers, including library staff, put in a total of 164 hours to help renovate Harrington's library.

Approximately 15,000 books came off the shelves and were packed and labeled in boxes donated by Rand-Whitney/Delmar Packaging, a Harrington-based

company which is very involved in the community.

Walls were repaired and painted, the old shelving was removed and recycled. New shelves were installed throughout the library and

books returned to the shelves. Mini-blinds were installed and new curtains hung.

The Friends of the Harrington Public Library paid \$6,286 for the

Belle Everett, "Grand Dame" of democratic politics

Each year, the Kent County Democrats hold a dinner in the memory of Annabelle "Belle" Everett, a woman whose involvement in public life lasted most of 60 years.

Belle Everett was born in 1899 and had been known to most Delawareans as one of the "Grand Dames" of democratic politics. She was a volunteer worker for Al Smith's presidential campaign, and one of the founders of the Democratic Women's Club. She served as president of this club for seven years, as well as being a Kent County Democratic Committee Woman for 25 years.

Belle Everett also was the Vice-Chairwoman of the County Party for 18 years, State Vice-chairwoman for 8 years and was National Committee Woman from 1956-1972. Her election as State Treasurer in 1958 made her the first woman Democrat ever to be elected to a statewide office in Delaware. She served in that position for eight years with Governors Elbert Carvel and Charles Terry. She was the first woman in Delaware to serve as a Presidential Elector and was honored with a "Belle Everett Day" in Delaware with President Harry F. Truman as a special guest.

Everett and her husband Levi "Boots" L. Everett were long time residents of Kenton. He shared her love for politics and held county offices himself. Everett officially retired from politics soon after her husband died in 1968, but she continued to advise both male and female candidates.

Her commitment to Democratic politics is carried on through the hard work of Democrats is carried on through the hard work.

The volunteers who helped with the renovations were: Tim Aggen, Chuck and Jenny Asbury, Miriam Bolich, Lisa Dennis, Michelle Gleason, the crew from Bob Grant & Sons Roofing and Siding, Lora Harding, George Thomas Harris, Jim Hayward, Nancy Lawson,

Jeanne McDonald, Donna Miller, Anne Minner, Cheryl Perry, Rand-Whitney/Delmar Packaging, Hazel Smith, Pat Smith and Bob VanVessen.

To celebrate and honor the many volunteers, there will be an open house at the library on Thursday evening, May 23, from 7 to 9 p.m. with light refreshments following.

Come and see what your "Friends" have accomplished.

DRS. DuSHUTTLE & ROWE, P.A.

R.P. DuSHUTTLE, M.D.

Jogging and running have become extremely popular sports with millions of Americans and up to 70 percent of them will develop at some time a running-related injury. While most of these injuries are sprains and strains, some can be major. The physician's role is not to just diagnose and treat the runners problems but to assume an active role in patient education and prevention of injuries.

The knee is the most common site of injury in runners, representing approximately 40 percent of injuries. Collectively, the Achilles tendon, followed by hip and groin problems account for another 30 percent. Approximately 10 percent of running injuries involve the foot and ankle while five percent involve the back. Regardless, however, of the type of injury, most are the result of faulty training techniques, biomechanical abnormalities, or acquired conditions. Training errors are the most frequent cause of running injuries. Excessive mileage, intensive workouts with interval training, increased training on hills, and a rapid increase in mileage all can overwhelm the body's ability to adapt to new levels of stress.

Injuries are most common when runners begin a running program or progress from one level to another. Beginning runners, enthusiastic and out of shape, are often hurt when they run too much, too soon, or run on hard surfaces wearing poorly made shoes. More experienced runners incur overuse or stress injuries when they

RUNNING INJURIES

increase their mileage too quickly and many competitive racers simply overload the skeletal system when training for competitions. Runners are classified into five levels. First, a jogger is someone who runs from 3-20 miles per week. A sports runner runs 20-40 miles per week. A long distance runner runs 40-70 miles per week at 6-1/2--8 minutes per mile. An elite marathon runner runs 70-180 miles per week or more at 5-1/2--6-1/2 minutes per mile. The triathlete averages 100-300 miles per week for combined swimming, biking and running.

When you consider the feet collide with the ground 800-2,000 times per mile (50-70 times per minute for each foot) at a force of 2-4 times the body weight, it is a wonder that statistics are not higher for injury. The athlete should be considered in a class of his own. Most injuries are not due to abnormalities as one of supernormal or conditions of training errors and overuse. These should therefore be handled by physicians who are trained in sports medicine and understand the athlete and his respective sport. With proper education, prevention, and management most running injuries can be minimized and avoided with little effect on the athlete's running sport.

What is the most important issue facing your district? How would you address it? The main issue in our district, as well as in the state, is preparing our children for the new century of challenges.

Harlan R. "Hal" Blades III

Age: 40

Address: 2982 Jackson Ditch Road, Harrington

Employment: Detective, Delaware State Police, 15 years

School Board Experience: None

Other elected public offices: None

Spouse: Denise M. Blades, 37, nurse

Children: Amy Lynn Blades, 17, Lake Forest High School; Melissa Anna Blades, 8, Lake Forest South A Elementary; Christopher Harlan Blades, 5, Lake Forest South B Elementary.

Education: Lake Forest High School, 1973; associate of arts degree, University of Delaware, 1975; bachelor's degree, Salisbury State College, 1977; Delaware State Police Academy, 1981.

Organizations: Past president, ambulance captain, chairman of the board, director, secretary, financial secretary, assistant treasurer, Harrington Fire Company; past president, director, secretary, Kent County Volunteer Ambulance Association; director, Delaware volunteer Fireman's Association.

What is the most important issue facing your district? How would you address it? The most important issue is restoring the community's faith in district officials and the decisions being made at the district level. There seems to be a general distrust of the district administration that I feel stems from a lack of understanding and involvement of the community. I intend to address these concerns by involving the community more in the school activities, especially by including parents in their child's educational process.

U.S. Coast Guard Academy plans national competition

The United States Coast Guard Academy is now accepting and processing applications to the U.S. Coast Guard Academy, Class of 2001. Appointments are tendered solely on the basis of an annual nationwide competition with no congressional nominations or geographical quotas. Applications must be submitted to the Director of Admissions prior to December

15, 1996. Candidates must arrange to participate in either the SAT I or ACT prior to or including the December 1996 administration.

Appointments are based on the candidate's high school record, performance on either the SAT I or ACT, and leadership potential as demonstrated by participation in high school activities, community service and part-time employment.

Most successful candidates rank in the top quarter of their high school class and have demonstrated proficiency in both mathematical and applied science.

Candidates must be unmarried at the time of appointment, have no legal obligations, and must have reached the age of 17 but not 22 by July 1, 1997. Candidates must be assured of high school graduation by June 30, 1997.

Coast Guard Cadets obtain an excellent undergraduate education at no personal expense. In addition, they receive pay and allowances for living expenses. The Academy curriculum emphasizes engineering and science, leads to a Bachelor of Science degree, and establishes a solid foundation for a challenging career. Graduates of the Academy are commissioned as Ensigns in the United States Coast

Guard.

The Academy graduate can look forward to a varied, exciting, and demanding career as a regular Coast Guard Officer. Under the Department of Transportation, the Coast Guard performs a variety of missions, including search and rescue, maintenance of aids to navigation around the globe, operation of icebreakers, enforcement of maritime law, boating safety, and marine environmental protection. Selected officers may pursue further postgraduate education in such fields as aviation, business administration, electronics, engineering, law, and oceanography.

To obtain an application or further information write: Director of Admissions, U.S. Coast Guard Academy, 15 Mohegan Avenue, New London, CT 06320; or call 1-800-883-8724.

Sunday worship service at Houston United Methodist Church is 9:30 a.m. Sunday School for all ages immediately follows the service at 10:30 a.m. Rev. Dr. James Van Der Wall is the Minister. All are welcome.

Last Sunday was Ascension Sunday. Rev. Van Der Wall spoke on the Ascension of Jesus. Many have tried to replace Jesus but no one can replace Him.

Mrs. Van Der Wall spoke to the children. She told of things we record in the Bible and things we wish to keep we put in the Bible. The Senior Choir sang "I Know

Whom I Have Believed".

Greeter was Penny Austin. Mr. and Mrs. Charles Hayes were ushers. Richard Layne was Acolyte.

The United Methodist Men will hold their breakfast on Sunday, June 2, at 7:30 a.m. at Asbury Church. The ladies of the church are invited to attend.

We were glad to hear that Marian Hood has returned home after being a patient in the Milford Hospital and Rehabilitation Center. She had the misfortune to fall and break a hip and her arm. Glad you are able to be home and able to get around with the help of a walker.

Last Saturday, May 18, Mr. and

Mrs. Anthony Abbate hosted a 75th Birthday party for Ruth Ann's father, John Rose. Relatives and friends enjoyed surprising John.

On Saturday, June 1, the United Methodist Women will hold a Bake in front of the church. This is the same day that the Town of Houston will hold their Town-wide Yard Sale.

Sincere sympathy is extended to the family of Mrs. Jane Smith who passed away on Saturday, May 11, in the Milford Hospital. Her funeral was held Wed., May 15, at the Berry-Short Funeral Home. Interment was in Hollywood Cemetery. The ladies of the Auxiliary of the fire company served a meal to the family and friends following the funeral.

Many friends and relatives attended the Banquet and Concert at the Milford High School on Sunday evening. They did a beautiful job. This was the last concert the seniors will participate in.

Last Saturday many attended the Milford Hospital Fair held on the high school grounds. There was much to see and do. The committee was pleased with the attendance. It was much fun.

Answering the call

These members of the Houston Fire Company were recipients of awards for answering the most alarms in 1995. Shown here, left to right, Harry Lindale, Steve Wingo, Dan Noll, Robert Scott, Billy Harvey, Robert Yerkes, Carroll Jester and Harold Aptt. Photo by Leroy Calhoun

Alumni members representing the oldest lady and oldest gentleman present at the Harrington High School Alumni Banquet recently were Lillian Short Camper, class of 1916, and Frank Gruwell, class of 1922. Photo by Carol Ann Porter

"The Araucana Hen" and chickens

For those interested friends of mine and all others may enjoy this article, it is my pleasure.

The Araucana hen lays pastel-colored eggs. This fancy fowl of South American origin produces unusual pastel eggs in colors ranging from pastel blue and green. There are several found in Delaware. To me they are a novelty. Their features are different feathers, muffs and beards. The feathers under their chins are beards and feathers on the sides of their cheeks are muffs and that makes a fluffy appearance.

I enjoy the novelty for their colorful eggs. The egg is a smaller egg and they lay one each day while they are producing their eggs. I also have the Rhode Island

Red hens similar with the white feathered American chickens. I do have the leghorn hens, originated from Italy with brown feathers.

There is no problem in raising the Araucana chickens, as their diet is the same as a regular breed of chicken. They make good conversation to talk about as they are good for stuffing your Easter bas-

ket with an all natural color, as some may say the "yoke's on you"; it's true there is no paint included.

These colored eggs indicate the return of spring and most popular signs of Easter, along with the Easter bunny and the lambs, and churches with white lilies, known as the Easter flower for purity.

Oh, by the way, have you heard

of the Turken Chicken? Species of North American birds, small naked head, a few feathers on head, naked neck, and partially naked chest. They are good layers and a regular diet as other chickens. Not related to a turkey as you would think by the name.

Extending Birthday wishes to: Gail Wentellers, Louise Minner, Phyllis Welch, Joyce W. Sipple, Kasie Lynn Bell, Timmy Welch, Thomas Stapelkamp, Deborah A. Moore, David Dill, Tana Bailey Zlock, Bernice Jones, Betsy Ann Harrington, Kevin Christopher Rains, J.D. Satterfield, Chrissy Scott, Ashley Cooper, Karen Wothers, John Kanoy, Spencer Lynn Wilkison, Steve Sipple, David Kelley, James Robert Gooden.

Happy Anniversary to: Mr. and Mrs. Fred Casper, Shelly and Randy Thompson, Kim and Kevin Robbins, Mr. and Mrs. Lester A. Killen, Mr. and Mrs. Ronald Draper, David and Connie Billings, Jerry and Debbie Hayman, Bill and Ann Cain.

A very nice gentleman I met through Schwans celebrated his birthday on Mother's Day. His mother should be very proud of him as he is polite, respectful, married; he speaks of his family often. He brought his daughter over to see our lambs. I told her to name one and she did, happily. "Happy Birthday, Tray."

Expressions of deepest sympathy being offered to the family of Norma Lee Rash, Felton. We are all aware of her wonderful personal attributes that made her respected and loved by so many people. Norma's death has brought deep sorrow to a host of relatives and devoted friends.

Sharing in your sorrow and conveying sympathy and understanding in times of bereavement of

Rawlins Minner to the daughters, Frances Minner, Richmond, VA, Marianne Eaton, San Louis Obispo, CA, and Janet Czar and Steven, Hockessin, DE, in their difficult time.

I, Lola M. O'Day, was a very happy mother at the Manship Chapel by being present on Mother's Day to receive the beautiful

red potted geranium for being the oldest mother present; and I am happy to say my son Ronald was with me and his family. Being at the right place at the right time pays beautifully.

Warmest wishes to Liz Humphries, Felton, to hope you'll keep improving each day.

Pageant deadline nears

The entry deadline for Farmington Fire Company's annual Fire Prevention Pageant is Saturday, June 8, 1996. Pageant contestants must live in the Farmington Fire District. Pageant categories are as follows: Little Miss: 4-6 years old, Pre-Teen: 7-11 years old, Jr. Miss: 11-14 years old and Miss: 15-17 years old. For more information call 398-8475.

Avon Club News

The Avon Club of Felton held their last meeting of the year on May 8th with a delicious covered dish luncheon. I do believe that some of the best cooks in Delaware belong to the Avon Club.

President Millie Warrington gave all the tables a festive spring look by decorating them with pink and green snapdragons.

A short business meeting was held. Incoming President, Virginia Drabant, and Vice President, Edie Hemphill, will be attending the G.F.W.C. Convention in Wilmington, May 14-16.

The Avon Club sponsored Lake Forest student Jennifer Black through the H.O.B.Y. foundation.

Mrs. Warrington read the many congratulatory thank you notes

from the guests that attended our beautiful Birthday Party.

Betty Baker and her hard-working committee deserve congratulations for a job well done.

It was Mrs. Baker's months of careful planning and efficient manner that became the key factor in making our 100th Birthday Party a complete success.

Outgoing President, Millie Warrington, gave a brief talk on what a great learning experience it was as a G.F.W.C. Woman's Club president. Excellent job, Millie.

Mrs. Warrington installed the officers for the 1996-98 tenure. She then turned the gavel over to our new president, Virginia Drabant. We all wish her a successful reign.

Happy 1st Birthday

Unconditional Election 2 Thessalonians 2:13

All Christians believe in election; some opt that it is conditional and others say unconditional. The words "elect", "election", and "chosen" occur 146 times in 142 verses of the King James Version of the Bible. These words refer to the election of nations, people, both individually and collectively, places and material objects, and persons to salvation.

In our scripture reference we are made aware that God is the One Who has done the choosing. Let us study this verse by asking a series of questions. The first one is, "When did God choose?" Paul says from the beginning. In Ephesians 1:4, it is made even clearer.

"According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love."

Before God created our world, He chose all Christians in Christ.

This was a part of His overall plan. Our second question is, "Why did God choose?" We find our answer in Ephesians 1:5. "Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,"

It was because He so desired. God did not have to choose anyone. None of us is worthy to be chosen. All of us, without any exceptions, deserve an eternity in hell. But God in His grace chose some to salvation.

A third question is this, "How did God choose?" We find the answer in 1 Peter 1:2.

"Elect according to the foreknowledge of God the Father, through sanctification of the Spirit, unto obedience and sprinkling of the blood of Jesus Christ: Grace unto you, and peace, be multiplied."

We have been chosen according

to the foreknowledge of God the Father. But what does the word foreknowledge mean? Arminianism says it means this, God looked down across the ages of time and saw those individuals who would respond by believing the gospel and they became the elect. Thus,

election was conditional in that it depended upon what man would do. Such a definition gives to man the final word. It teaches that a spiritually dead person can respond to God of his own volition. One cannot hold to this definition and also believe in Total Depravity.

Calvinism teaches that foreknowledge means that the elect will believe the gospel because God gives them the faith to believe (Ephesians 2:8-9). God's choice was not based on anything man would do or could do, for man could do nothing. There was and is in man nothing to merit God's sal-

vation. Thus, election is unconditional. This word also appears in Acts 2:23.

"Him, being delivered by the determinate counsel and foreknowledge of God, ye have taken, and by wicked hands have crucified and slain."

In this verse Peter tells the people that the crucifixion of Christ was part of God's plan, an act outlined before time but carried out in time. The very same thing is true of election.

In closing, let us consider Acts 13:48.

"And when the Gentiles heard this, they were glad, and glorified the word of the Lord: and as many as were ordained to eternal life believed."

It does not say that those who believed were ordained to eternal life. Rather, it says that those ordained to eternal life believed. Words could not be plainer.

Trinity U.M. Church

Trinity United Methodist Church is located at 63 Commerce St., Harrington. Rev. James E. Carmean Jr. is our pastor.

Sunday School for all ages is at 10 a.m. and worship service at 11 a.m. Senior Choir and Junior Choir are held each Thursday evening at 7:30 p.m.

Our friendly greeter for Sunday, May 19, was Mrs. Louise Savage. Chad Robinson and Jeffrey Lecates served as acolytes. Mr. John Kanyo and Mr. Winston Linton were ushers for worship service. The service was opened by singing "Surely the Presence of the Lord". The senior choir sang "Jesus Is Coming Again", accompanied by Mrs. Betty Wix.

Rev. Carmean's morning sermon

was from Exodus 32:26. So he stood at the gate of the camp and shouted, "Everyone who is on the Lord's side come over here!". The title of his sermon was "Who is on the Lord's Side?"

There are times when His call seems entirely in vain, when all we can see is failure. Perhaps we have not succeeded in all areas of our heart's desire. We sometimes seem to have lost the magic ingredient that enables us to move forward. What is wrong with us? Have we forgotten the blessings God bestows on us in our daily life? Have we forgotten to restore our faith in Him? Please continue to pray that the church of our Savior will not be defeated by the doings of the devil!

She was preceded in death by her husband Anthony J. Maio in 1974.

She is survived by one daughter, Lorraine Malandrucolo of Lincoln; one grandson, Edward A. Smith, and his wife, Diane, who lived with her and who helped care for her.

Services were Saturday in the Spicer-Mullikin Funeral Home, 1000 N. DuPont Hwy., near New Castle.

Burial was in the Cathedral Cemetery.

Thinking Things Over Peacemaking is dangerous business

By Miriam Snow Priebe

Our boxer, Mike, loved people and most animals, but he hated a Scottie dog who belonged to one of our neighbors, Mr. McTavish. Apparently the Scottie hated Mike too, although he was friendly to people and other animals. Just what had brought on such feelings of hatred I could never figure out.

Whenever Mr. McTavish walked his dog past our house, Mike, who was usually tied in the side yard, would go to the end of his chain growling and threatening. The other dog would respond with fierce growls and would have to be yanked along by his master. I dreaded the day when they might be free to fight.

Well, the dreaded day came. As our neighbor started by our house, one of our children opened the back door to go out. Mike, who happened to be inside the house, rushed through the open door and attacked his enemy. Our neighbor dropped the short leash and stood back. I rushed to stop the fight, screaming at Mike to stop fighting. Wasted words!

A small crowd of neighbors gathered. We were new in the neighborhood and folks were definitely on the side of the Scottie. I was horrified as I saw that Mike had clamped his jaws down on his enemy's nose. I was embarrassed since Mike was bigger than the other dog and was clearly the aggressor. Seizing Mike's jaws, I managed to pry them apart getting bitten as I did so. Mr. McTavish retrieved his pet and graciously accepted my apology. Our son dragged Mike away to be tied. He was somewhat subdued. I think he

Thinking - (Continued from Page 6)

realized that he had inadvertently bitten the hand that fed him.

One of the women who had been watching made a comment about "that ugly dog". I was too upset to be rational and felt called upon to make a little speech in Mike's defense. "Mike is not an ugly dog. He's a good dog and likes people. I don't know why he doesn't like Mr. McTavish's dog." My audience listened with interest. I was about to go on when I noticed blood running down my hand. "Excuse me," I said to the crowd, "but I must leave. I am bleeding!"

The account of my speech and dignified exit became a family joke. However, the sound of dogs fighting still sends my blood pressure soaring.

In later years, as a school teacher, I occasionally had to break up

fights between teenagers in my charge. I always came out worse than either contestant. (Luckily in those days students were unarmed!) Peacemaking is dangerous business!

Back in the days when the Roman Empire ruled the world, there was a period of time when wars ceased. The government was cruel and oppressive but, by its very power, was able to prevent tribal wars from starting. History refers to those times as the days of "the Peace of Rome". Roman legions stopped fights before they started. It was an uneasy peace at best. Nevertheless, people were protected from senseless, costly wars.

Into that world of enforced peace came the baby, Jesus, and angels heralded His birth with promises of

a different kind of peace -- one which would last because people's hearts had changed. Until that great day comes, an enforced

peace may be the only kind we can expect. Let's pray that the peace we help enforce may not cost us too much!

James Greenly graduates

Marine 2nd Lt. James C. Greenly, a 1985 graduate of Lake Forest High School, recently graduated from The Basic School.

During the course at Marine Corps Combat Development Command, Quantico, VA, newly-commissioned officers are prepared for assignment to the Fleet Marine Force.

The course includes instruction on land navigation, marksmanship, tactics, military law, personnel administration, Marine Corps his-

tory and traditions, communications, and the techniques of military instruction.

Officer candidates are also taught leadership by example and the importance of teamwork in addition to participating in a demanding physical conditioning program.

He joined the Marine Corps in April 1986. Greenly is a 1995 graduate of Old Dominion University, Norfolk, VA, with a BS degree.

It's a sad thing

I just read in the paper that Dover Downs has applied for additional slot machines. I think it would be a disgrace to this community to bring in more slot machines to cause people to get poor by putting their last dime in. People are going to have addiction problems anyway, and by adding more slot machines it's going to give people more opportunity to follow their addictions. I think it's a sad thing and it should be voted out.

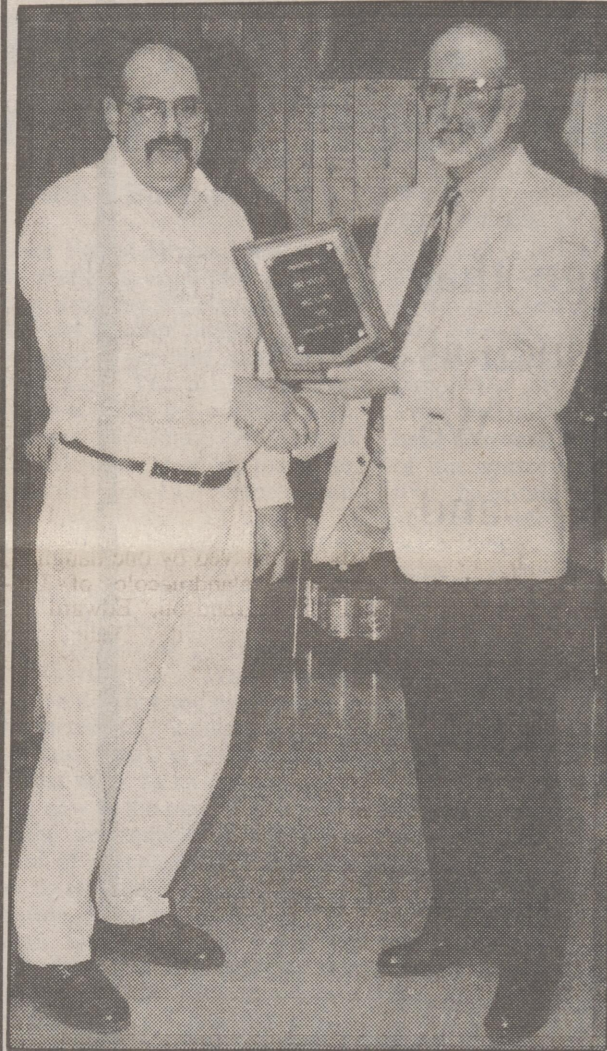

Those 'dreams' cost local businesses

I want to talk about the additional 500 slot machines they want to put at Dover Downs. It's a shame they're even going to consider such a thing. It has already obviously cost other businesses. Many have gone down; people just don't have the money. They're pumping all their money into the slot machines, chasing their dream and it's costing all of the other businesses in the local area. If they want to get more jobs, they need to get businesses in here -- not slot machines, not gambling. They need to add something more stable to the community; not this garbage. But in the end it really won't matter, because with the price of gas, nobody is going to be able to afford to drive to the casino anyway.

In agreement over utility rates

I'm calling because I'm in agreement with the Sound Off titled "Do other consumers feel the same?" concerning utility rates. I don't understand this utility rate either. My home is very seldom used, but my electric bill is sky-high every month at \$100 or \$105. I just don't understand it. Right down the street in the same kind of home I understand the utility bill runs between \$60 and \$70 a month. I'm concerned about the utility rate and the manner in which I'm charged. I'm in agreement with others that feel the same.

THANK YOU

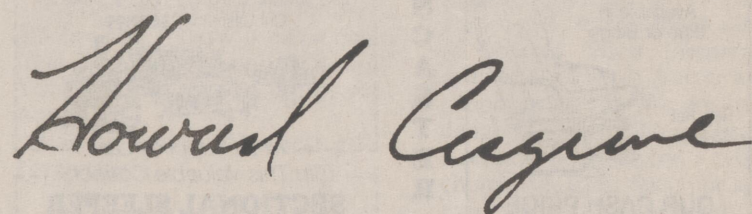

for Your Patience, Understanding, and Assistance.

On Tuesday, May 14, we experienced a major system outage that affected our customers on the Delmarva Peninsula. An incident such as this reminds us of the importance of electricity in our daily lives. We apologize for the inconvenience the outage caused our customers and the communities we serve.

We want to take this opportunity to thank you for your understanding and patience. We also thank the public safety, police, and fire departments for working quickly to minimize the disruption and impact of the outage.

We're grateful that on May 14, the traditional spirit of cooperation on the peninsula brought us through the day together.

Once again, thank you.

Four named University of Delaware football captains

For the first time in the team's 107-year history, four players will serve as captains of the University of Delaware football team, head coach Tubby Raymond announced last week.

Senior quarterback Leo Hamlett, senior offensive tackle Chris Kumpon, senior linebacker Geof Gardner, and senior safety Kenny Bailey have been selected by their teammates to serve as captains of the 1996 team.

Delaware teams have selected co-captains since 1988 and have had three captains just once, when Hugh Bogovich, Albert Newcomb, and Walter Paul shared honors for the 1942 team that went 8-0.

The Blue Hens return 41 letter-

winners and 15 starters from the 1995 team that went 11-2, won the Yankee Conference title with an 8-0 mark, and advanced to the NCAA I-AA quarter-finals. The team will open the 1996 season Sept. 7 hosting Lehigh at Delaware Stadium.

"This is the kind of group (of seniors) that warrants this type of selection," said Raymond. "Each area on offense and defense is represented and all four are talented football players who have already accomplished a great deal and taken positive leadership roles. The voting was close, but these four were overwhelming selections. All four are quality young men who have already demonstrated that

they know how to handle this important responsibility."

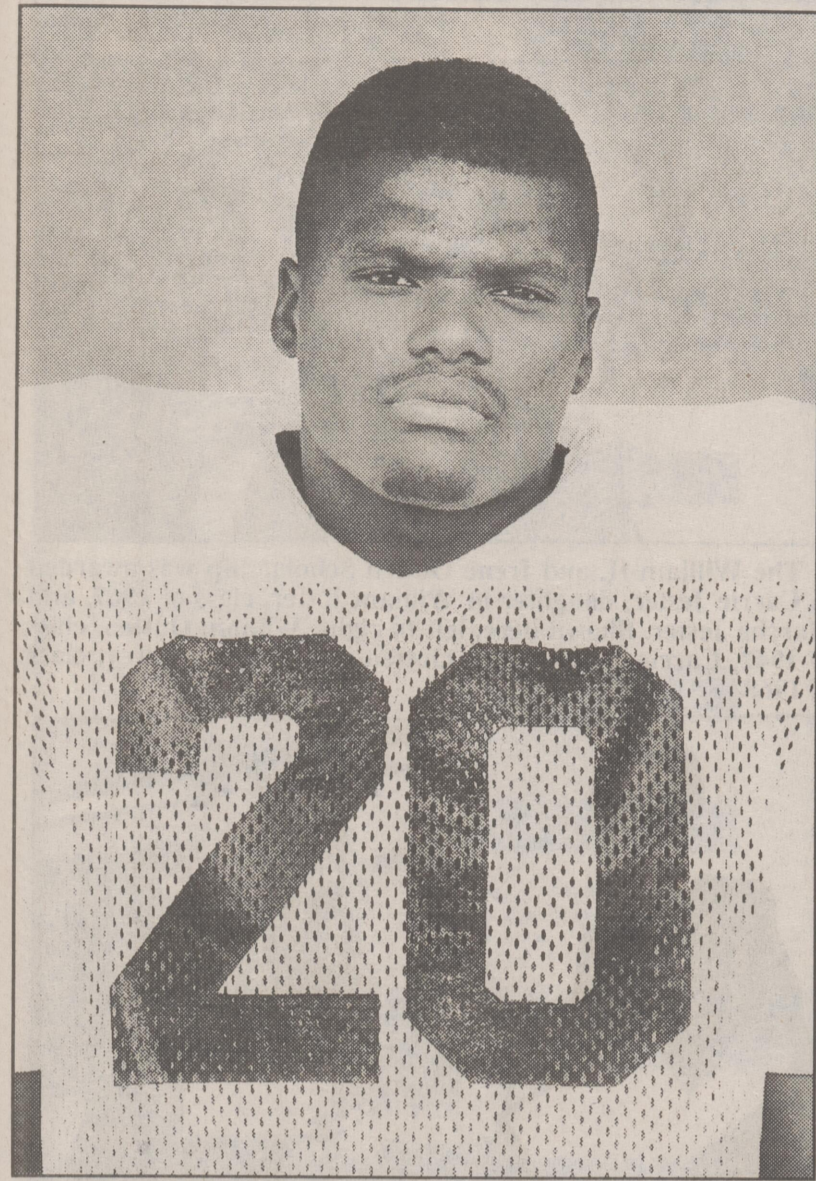

Hamlett, a 6-1, 205 lb. quarterback from Northfield, NJ (Holy Spirit HS), returns as a strong candidate for the Walter Payton I-AA Player of the Year award. He was named Yankee Conference and ECAC Offensive Player of the Year honors last fall when he threw for 2,086 yards and 16 touchdowns, and rushed for a team-high 756 yards and 10 touchdowns.

Kumpon, a 6-4, 290 lb. offensive tackle from Binghamton, NY (Binghamton HS), will be a third-year starter this fall. An NFL prospect, he helped lead an offense that averaged 263.9 yards rushing and 441.2 total yards per game last

season.

Bailey, a 5-11, 200 lb. free safety from Harrington (Lake Forest HS), earned first team All-American honors by the American Football Coaches Association last fall. One of the hardest hitting safeties in school history, he ranked second on the team with 114 tackles, 12 pass breakups, and three interceptions last season.

Gardner, a 6-1, 222 lb. linebacker from Yardley, PA (Pennsbury HS), will be a third-year starter at outside linebacker this fall. He ranked third on the squad in tackles last year with 103 stops and also posted two quarterback sacks and an interception.

Spartan girls place in State Track Meet

By Keith S. Burgess

Lake Forest High's girls' track team made its usual strong showing in Saturday's Delaware Track and Field Championships, finishing second to Ursuline Academy of Wilmington. The private school powerhouse can get athletes from anywhere, including PA, NJ and MD, making it extremely tough for any public school to compete with them. Lake Forest, of course, is limited to the boundaries of the local school district and also loses local athletes to Polytech. Felton's Tracy Raksnis ran a 5.32 1600 meters for second in Division I, and Harrington's Tina Emory scored in the shot and discus for 15 of Polytech's 17 1/2 points.

Crystal Mack was mentioned here last week as an unsung hero. That's now in the past, as the hard-working, determined Spartan upset a field of more experienced hurdlers, to win the 300 meter hurdles state title. Mack wasn't feeling 100 percent, but topped the timbers in 47.72. She also was third in the 100 meter hurdles.

Junior Sherise Spence won her third straight 200 meter title in 26.23 and was nosed out 12.53 to 12.56 in her attempt to capture her 3rd straight 100 title. Spence anchored the 800 relay unit to victory in 1:47.76. Mack, Christina Jones and Kelly Waples annexed gold medals, also in this event. Jones and Tanitka Smith were 5th and 4th, respectively, in the 100.

Shatanya Smith took her 3rd straight title in the shot put, with Sequoyah Guinn in second. Earlier, Smith had apparently won her 3rd straight discus title, but was disqualified for wearing gray shorts instead of the Spartan blue. So Smith's six titles in three years is reduced to five.

The sturdy Spartan is smaller than most weight throwers. She overcame much larger girls the last three seasons, but was done in by disgruntled losers, who desperately

wanted to move up in the standings, and did.

Shatanya asked the official in charge and he allowed her to throw in the gray shorts as he apparently was unaware of the technicality prohibiting the slight deviance. Otherwise, the Lake Forest two-time defending champion could have borrowed blue. Investigation of the injustice seems to indicate that the runnerup and her coach and the coach of the 4th place girl were behind the protest. Furthermore, it seems that the protest was not lodged according to the rule book, and should have been disallowed. So the rule book was followed originally and not followed later. Shatanya Smith, one of the greatest athletes in Lake Forest history, is the victim here of rivals' greed, but in our minds, she is still at 6-time champ. Guinn ended up second in the discus, giving her 16 points in the meet.

Tanitka Smith, a versatile athlete, unleashed an excellent long jump effort of 16 feet, 4 inches for third in the long jump, then led off the 400 relay quartet which was nosed at the wire by Cape Henlopen. Kelly Waples, Christina Jones and Crystal James were her teammates.

Angela Brown, Holly Hrupsa, Wendy Webb and Chasity Cole ran on the 6th place 3200 relay team. Tanitka Smith, Latoya Smith (our pick for an eventual record holder at 400 meters), Teona Benson and Portia Leggs got 6th in the 1600 relay.

The Spartans beat Ursuline in the KSB Invitational and the Twilight Relays this season, but the state meet is a different setup and the unlimited area from which to get athletes is the most obvious advantage afforded the private schools. In the pole vault exhibition, Lake Forest's Lindsay Morris took the first attempt in girls' history and cleared 5 feet. Tracy Hayward, LF, cleared 7-6, Morris did 6-6 and Corie Roy did 5-6.

Dover Downs announces \$100,000 Progress Pace

For the first time in track history, Dover Downs will present a \$100,000 harness racing program.

The resurgent central Delaware raceway will kick off its 1996-97 season with the inaugural edition of the \$100,000 Progress Pace, an event for three-year-old pacers.

The Progress Pace will be the highest-purse event in Delaware harness racing in 1996. It will offer \$25,000 elimination divisions on opening afternoon, Sunday, Nov. 10. The top-eight qualifiers will vie in the \$100,000 Progress Pace Final the following Sunday, Nov. 17. A \$25,000 consolation will also be carded.

The Progress Pace literally retells the recent renaissance of Delaware harness racing for the state's horsemen and its once proud harness racing industry, which before Dover Downs slots, had been in a distressed condition.

When the Dover Downs' 1995-96 Winter/Spring meet began in November 1995, track president Denis McGlynn guaranteed horsemen a minimum purse of \$1,000 and that the meet was also restricted to Delaware horsemen.

Soon after the introduction of

Dover Downs slots in late December, a portion of the track profits was mandated for harness-racing purses. Initially, the purse structure was about \$11,000 per card for a three-day race week. With the advent of slot profits, total purses began quickly to escalate and another race day, Thursday, was added. The track also increased the number of races from 10 races to 13 races per program and extended the meet an additional six weeks with Dover Downs purses averaged approximately \$75,000 a day.

Improved racing also brought added attendance and wagering. Dover Downs fans enjoyed the track's most competitive racing in two decades, witnessed by 14 divisional records broken, seven on each gait. The all-age track record was reduced five times alone. It now is 1:52.3, and was set by Romanoble.

The track record for a three-year-old of 1:55.2, was set in 1990 by Complex Criminal. That record, as well as most of the other divisional titles, is certainly in jeopardy when the Dover Downs 1996/97 Winter/Spring season begins on Nov. 10.

Wilkins catches Mullins to take Delaware DIRT Dollars

By Charlie Brown

Bobby Wilkins drove a smooth and calculated race, taking the lead from Craig Mullins with four laps to go and driving to his third win of the season in Saturday nights DIRT modified feature at the Delaware International Speedway. Bobby Walls III put on one of the best drives of his young career in winning the non-stop dwarf car feature.

A season high of 31 DIRT modifieds were on hand trying to qualify for the 22 starting spots in the main. Heat wins went to Richard Jarvis, Jr., Rick Bishop, and H.J. Bunting, and the consolation was won by small block racer, Chad Marvel.

Rick Bishop started on the pole in the 25 lap feature and led lap one. Bishop went too high in the third turn and Duane Rust took the point. Craig Mullins was on the move from fourth and moved by Rust to become the third different leader in as many laps. The yellow then flew as H.J. Bunting got over the wheel of Richard Jarvis, Jr., and nearly flipped out of the speedway in turn two. Bunting was not injured in the crash.

Mullins held off Rust on the restart and Kenny Pettyjohn pulled into third. Bobby Wilkins was on the move from his sixth starting spot and dropped Pettyjohn to fourth on lap five. Wilkins continued his charge passing Rust for second one lap later. The race continued under the green and at the halfway point the top five were Mullins, Wilkins, Pettyjohn, Bish-

op, and Gary Gollub.

Traffic became a big factor and on lap 14, Wilkins got caught behind two slower cars, giving up lots of ground to Mullins, that advantage was erased on lap 18 for debris in turn three. On the restart, Glenn Reed lost power bringing out the yellow for a third and final time. Mullins controlled the single file restart but going into the fourth turn, Wilkins ducked to the low groove and pulled into the lead with four laps to go.

Spartans boys come in 5th in State Track Meet

By Keith S. Burgess

Once again the private schools' ability to draw athletes from an expanded area, proved crucial in Saturday's State Meet. Hodgson Vo-Tech and Tower Hill were 1-2. The next five schools, one of them private, were virtually even. Cape Henlopen had 46 points, Concord 44, Lake Forest 42 1/2, Wilmington 41, and Archmere 40.

Four Lake cross-country veterans ran a yearly best in Friday's 3200 meter relay of 8:26.5, to handily grab the gold. Derick Gerardi (2.08), Rusty Melvin (2.10), Malcolm Hughes (2.04), and Dan Matta (2.02) each posted yearly-best stints to eclipse all rivals. Matta, the only senior, later posted a very good 4:47.4 to get 4th at 1600 meters, and was 4th in the 800 meters with 2:06.

Like Crystal Mack's hurdles title

in girls' competition, another Spartan athlete capped years of hard work and utilized great determination to capture a state title. Charley Vincent cleared a lifetime best height of 11-6 to get the gold.

Garrett Gannon tied for 6th with 10-6. Dion Gambles was second in the high jump (5-10).

Jabari Franklin, a state champ in 1995, was out with a hamstring pull for most of this season. A recent returnee, he got 5th in the 110 hurdles (15.6) and the triple jump (41-6).

Mike Simpson, Dion Gambles, Ray Scott and Ken Cartwright were 6th in the 400 relay (45.77).

This was a good team which had a fine record, losing only to Division I Dover and Caesar Rodney downstate, and a case could be made that they are the top Division II public school in Delaware.

U.S. 13 hosts 1st Annual Super Ford Sunday

By Charlie Brown

The 1st Annual Super Ford Sunday will be held at the U.S. 13 Dragway on May 26. Hosted by the Lower Delaware Mustang Club, the event will feature 29 show classes, an automotive flea market and a full afternoon of drag racing action.

Gates and registration for both the Ford show and drag racing will open at 10 a.m. Dash plaques will be presented to the first 200 show cars to register. Judging will begin at 12 noon and trophies will be presented at 2:30 p.m. Classes include: 1903-1943; 1946-1953; 1954-1965; 1966-1985; 1986-present; Fairlane, Falcon; and Galaxie. THIS YEAR, A LOT OF NASCAR DRIVERS WILL FIND OUT WHAT IT'S LIKE TO GET BEHIND A DEERE.

John Deere is on the fast track, racing toward the winner's circle.

So, join the team spirit with a sporty little number of your own. The Motorsports Special-Edition STX38 5-Speed Lawn Tractor.

Just like the John Deere race car, this powerful performer features sleek styling with exclusive John Deere Motorsports racing graphics.

Smooth handling, an unbridled 13-horsepower overhead-valve engine, a 5-speed shift-on-the-go

gear transmission, plus a 38-inch-wide mower help you cut a quick path to your own winner's circle.

And, to welcome you to the John Deere Motorsports team, you'll even receive a personalized, hand-signed certificate from

driver Chad Little.

Track our newest Deere, this season. Watch for the green-and-yellow car No.23. And get behind the John Deere Motorsports team with the Special-Edition

STX38 5-Speed. See your retailer soon.
