Youth center's future unknown

By Carol Ann Porter, Editor (302) 398-3206

Harrington's youth center "Our Place" turned out to be the most popular item of discussion at last Tuesday night's regular city council meeting. Funding for the center will run out the end of this month, and unless the city is successful in their last-ditch effort to obtain a \$41,000 grant for the center's operating expenses, the center may have to close its doors.

According to Harrington City Manager Leonard Coryell, Lt. John Horsman will be pleading the city's case on Friday morning before a panel to receive a three-year grant of \$41,000 a year to operate the center. "This is a hundred percent grant with no matching funds," said Mr. Coryell. He added, however, that there are also five other municipalities vying for the same grant. "Only one municipality will receive it," said Mr. Coryell.

City to get new well

By Carol Ann Porter, Editor (302) 398-3206

During the regular city council meeting last Tuesday night, Hanz Medlarz, the city's engineer, presented his report on the recent well problems in Harrington. He said that all three wells are running full force and are just barely keeping up with the workload.

Several weeks ago, one of the wells in Harrington went down and according to Mr. Leonard Coryell, Harrington's city manager, it is critical to the city that a new well be drilled as soon as possible.

Mr. Medlarz said that he contacted five potential companies to drill the well and build the new well house, and he only received two bids. The low bidder was A.C. Shulties with a total cost of

Harrington Fire Company members honor their own at Ladies Night

By Carol Ann Porter, Editor (302) 398-3206

Members of the Harrington Fire Company and Ladies Auxiliary celebrated their Annual Appreciation and Ladies Night on Saturday, Jan. 17, at the Felton Fire Hall in Felton.

They enjoyed a delicious ham, chicken salad and fried oyster dinner served by the Felton Fire Company. After the dinner and awards ceremony, members and guests enjoyed a dance and a time of fellowship.

Many awards and tributes were presented during the evening's ceremony as well as the appointment of officers for 1998.

A very surprised and gracious William R. Outten accepted his award of "Fireman of the Year" while his mother, Irene Outten, was visibly touched as she accepted an award honoring her for her 50 years of active service with the Harrington Fire Company Ladies Auxiliary.

Mrs. Outten was also honored by the House of Representatives as Rep. G. Robert "Bobby" Quillen presented her with a tribute from the House.

Another award was presented to Harrington firefighter Dan McLaughlin. Mr. McLaughlin is a part-time dispatcher with the Harrington Police Department and a full-time dispatcher at the Kent County 911 Center.

Mr. McLaughlin was honored

for his part in saving the life of a woman while working at the 911 center in Dover.

On Friday, Jan. 31, 1997, a call came into the 911 center with a female reporting that her trailer was on fire and she couldn't get out. Mr. McLaughlin took the call and tried to calm the very frightened woman.

Mr. McLaughlin through his training and experience was able to calm the caller and also help her find a way out of the smoke-filled trailer by having her push out an air-conditioning unit from one of

the windows.

After exiting the trailer, the woman insisted on returning inside to rescue her dog. Mr. McLaughlin was now faced with trying to keep the woman outside and safe. He persuaded the woman to remain outside the trailer, and Delaware State Police officers and emergency vehicles arrived in time to keep her from re-entering the burning trailer.

In a letter from William R. Carrow II, telecommunications shift supervisor for the Delaware State Police, to Mr. McLaughlin's

supervisor, Mr. Carrow wrote, "It is my personal opinion that if it had not been for the quick action Dispatcher McLaughlin took, a tragedy would have taken place."

He went on to write that in his 13 years of dispatching, he had never witnessed such a direct impact a dispatcher has had on the saving of a person's life as what

Harrington youth is winner in fire safety essay competition

By Carol Ann Porter, Editor (302) 398-3206

Thirteen-year-old Jennifer Curtis, an 8th-grader at W.T. Chipman Middle School, "burnt" a little midnight oil writing a fire prevention essay recently. But she says it was worth it. Jennifer won first place in the Harrington Fire Company's competition, and then went on to win first place in the Kent County competition.

To add to her excitement, Jennifer won third place in the state competition and was also honored with a tribute from the House of Representatives. For her winning essay, she was awarded with cash, a savings bond and some beautiful plaques.

Jennifer is the daughter of John and Beverly Curtis of Harrington. She is the granddaughter of Frank and Mary Hendricks and John

Curtis and the late Evelyn Curtis, all of Harrington. She has a 14-year-old brother, John.

Her winning essay follows:

Burn Down

In this essay of mine, I'm going to tell you the importance of a burning building which is the mall. When a fire is in a big mall, the important thing to remember is to get out quickly and safely and to work together.

The first thing to remember in case of a fire is to find exits and try to remember where they are. In a big mall, you would probably find elevators, so if you are in an elevator when the alarms go off, stay calm and wait for the emergency lights to come on.

If you're not on the elevator, the best thing to do is to use the stairs and be courteous to others such as handicapped.

It's best to remember that if you see fire, get down immediately and

crawl to safety. The first person out of the mall should go to the pay phone and dial 911 and tell them that there's a fire, where it is, and to hurry. Answer any questions and then wait patiently.

The last person out of the store should turn the lights off, shut the door and close the windows (if there are any). Try staying away from windows. They may shatter from the heat of the fire. It could shatter and hurt you. Then you may fail by not getting out.

When the fire company arrives, let them take over because it's their job to keep you safe from the fire. In conclusion, I would like to say if anyone could read this and learn these rules, they would be safe from fire. And remember... never go back in for anyone. Because you're not helping yourself. Therefore, if you ever are in a fire, stay safe and keep calm.

Jennifer Curtis, second from left, is shown here with her grandparents, Mr. and Mrs. Franklin Hendricks of Harrington, on the right. On the left is Rep. G. Robert "Bobby" Quillen, also of Harrington, presenting Jennifer with a tribute from the House of Representatives on winning the Harrington Fire Company's Fire Prevention Essay Contest as well as the Kent County competition. In state competition, Jennifer came in third.

Citizen turns Lake Forest School Board meeting around

By Carol Ann Porter, Editor (302) 422-1200

What began as a cut and dried, strictly-by-the-agenda Lake Forest School District board meeting last Tuesday Thursday night, took a

turn just before the gavel came down to adjourn the meeting.

Leroy Calhoun, a bus driver for the Lake Forest School District, asked the board

president, Donald Brown, if he could be allowed to speak. "I know there is no place on this agenda for citizens comments," said Mr. Calhoun. "But I have something very important to say."

Mr. Brown told Mr. Calhoun that citizens are allowed to comment during the monthly workshop but not at the regular school board meeting.

Mr. Calhoun then said that if he

were shut up, he would start working against the board and the referendum instead of working for them as he has always done in the past.

School board member Ronald Draper said, "We don't shut up anybody. What do you have to say Mr. Calhoun?"

"You'll never get a referendum passed if you don't start being honest with the public."

Leroy Calhoun

"The board's credibility has gone down," said Mr. Calhoun. "They need to let the community know what's going on. Why not be above board with everything," he asked. "You'll never get the referendum passed if you don't start being honest with the public."

Mr. Calhoun said that rumors are flying around the community

that Mr. Fred Duffy was taken out of his position as the principal of the high school and put in a new job at the Lake Forest Central Business Office. He wanted to know if there was any pressure on Mr. Duffy to do this.

Mr. Brown assured everyone that Mr. Duffy applied for the position of Supervisor of Special Education and told them that no pressure was put upon Mr. Duffy to change positions. "This was a promotion," said Mr. Brown.

Mr. Calhoun asked what the board was doing to replace Mr. Duffy, and questioned whether the board was going to play musical chairs as they did when Mr. William Daisey (former transportation supervisor) left the high school.

He was told by Mr. Brown that four candidates had applied for the position of high school principal, and they had decided to interview two of them.

"I remember what happened to Mr. Daisey," said Mr. Calhoun. "That's why I'm concerned about Mr. Duffy," he said.

Another citizen in the audience, Rev. Delmar Lawson, pastor of the Deliverance Temple in Felton, said he too was concerned about Mr. Duffy. "There is concern among the African-American parents in this community that Mr. Duffy has not been treated fairly," said Rev. Lawson.

He added that he and others have heard that Mr. Duffy's contract was not going to be renewed and that's why he took the position that was offered to him.

"That's called self-preservation," said Rev. Lawson. "I will work to get the referendum passed, but if the board is playing games with Mr. Duffy, I will be your worst nightmare," he said.

Mr. Brown said that he didn't think anyone would like to hold back Mr. Duffy from an obvious promotion.

Rev. Lawson then looked at Mr. Duffy who was also in the audience and asked him if he still wanted to be principal of the high school.

After a long pause, Mr. Duffy spoke. "I have talked to the board concerning the very things that you are speaking about. They know my concerns. That's why my time is being split between my new job and the principal's job," said Mr. Duffy. "I'll just leave it there. You can believe, gentleman, I'm not going to be playing games with the board, and I feel that they [the board] are going to be above board," he said.

Another board member, Mr. David Henderson said that he resented his integrity being questioned. "If people only knew the heart and anguish that goes into the decisions we make," said Mr. Henderson. "The kids in this community are our first priority, including yours, Rev. Lawson. We will give them the best education possible," he said. "You can criticize us all you want, but please respect the legal ramifications put before this

board." Mr. Calhoun said that it all boiled down to how Dr. James VanSciver was paid the \$100,000 for the next five years to compensate his loss of wages because of the pay cut he took when he left the district.

"I have no problem with the \$100,000. It's the way you went about doing it," he said.

Mr. Brown said that he would like to let the community know about the money paid to Dr. VanSciver, but that the board was restrained by law when it comes to a personnel issue.

"There are lines I can cross," said Mr. Brown. "But if I do, I open up the doors for my family and me to suffer legal repercussions. The decisions I make are based on putting the children in this school district first," he said.

He added that he wished he could call Soundoff and tell all, but that would put the other board members in jeopardy. "Once you cross that line in personnel issues and start opening your mouth, you have problems," he said. "Believe me, we made the best possible decision in Dr. VanSciver's case."

Rev. Lawson said that he knows there are certain things that are confidential and shouldn't be violated. "But I agree with Mr. Calhoun that the community should know more," he said.

Mr. Brown said that the Lake Forest School District is a small community that loves to take rumors and spread them.

And as for Mr. Daisey, Mr. Brown said that there is no one left on this board in any shape or form who had anything to do with Mr. Daisey's situation.

"That just shows you how we can clean out a board if we want to," said Mr. Calhoun.

The gavel came down, and the meeting was adjourned.

Harrington water requires answers

I'm calling about the water conditions in Harrington. I wonder what would happen if a sample of our water was tested at the state lab? When you put the water in your glass, the glass turns brown. When you take a shower, it smells the Clorox or chlorine. It has a terrible odor. You can't hardly stand to drink it. I can't afford to buy bottled water. Would somebody give an answer.

EDITOR'S NOTE: According to Len W. Coryell, Harrington city manager, the city well lost pressure between Thanksgiving and Christmas. Town officials asked the state to test the city water and then to chlorinate it for seven days. Mr. Coryell has documentation that water was tested in three locations on Dec. 17 and 18. "The state determined that our drinking water meets their microbiological standards," Mr. Coryell said. "For verification, call Barbara Ashby at 739-5410. There is no more chlorine in the city water." Harrington is moving forward with plans to dig a new well, he said. For more on this development, see story on page 3.

There is no equity in the courts

I just read in your newspaper about the elderly gentleman from Ocean View who killed his wife with a hammer because she had cancer and he didn't want to see her face the treatments she was to get. I can't believe this. He only got 2 1/2 years which he has already served and then supervised probation for a seven year period after that. Something is definitely wrong here. When somebody kills somebody like that and they only get two years in jail? Many other people have been convicted for lesser things — not paying child support, driving illegally — and they're getting that much time. I don't understand. Something is very wrong.

Lake Forest is looking for a principal

I see where they're advertising for a high school principal at Lake Forest. From my understanding they've already appointed Don Gary. Is this another catastrophe of the school board?

EDITOR'S NOTE: According to Ed Dean, superintendent of the Lake Forest School District, no one has been appointed to the that position yet because the Board has not interviewed anyone.

The majority of men act responsibly

In regards to "the women could have said no," you know the vast majority of men in this country do what men do — love their wives, love their families, go to work everyday, work hard, do what they're suppose to do, and provide for their families, and they don't run around acting like animals in heat. We have a situation where there is a total lack of character, total lack of morality and don't paint all men with a broad brush just because a few act that way. Wake up, get a life.

happened that day. He said he didn't know how the 911 center honors those who go above and beyond the call of duty, but he felt that Mr. McLaughlin would be an excellent candidate for an award.

"There is no doubt that had this happened to anyone of the other dispatchers in the center, that the same outcome would have resulted, but I felt that you should be made aware of this particular incident,"

he wrote. He concluded by writing that he felt it a great honor to be able to work with such fine individuals as Dan McLaughlin and the rest of the men and women who work at the 911 center.

The audio tape from the night of the incident was played for the people attending the ceremonies, and at the conclusion of the tape, Mr. McLaughlin received a standing ovation.

tionnaires to the citizens of Harrington in the past few months, looking for input on how to keep Harrington's youth center open.

Several citizens in the audience asked the city manager to break down the center's budget so they could better understand how the operating expenses are spent. According to Mr. Coryell, the total budget for 1997-98 was \$47,148 with the center's director receiving a total package including benefits of \$31,500. The balance he said is electric, gas, oil, maintenance and a miscellaneous figure of \$2,300.

The center's director, Janet Rettig, works four days a week at the center and eight hours a week in the police department's communications center. On Saturday, a police officer is paid overtime at a cost of \$20 an hour to keep the center open.

There are a total of 71 members at the youth center, but according to the city manager, an average of no more than eight or nine children a day frequent the center. He said he doesn't know why the attendance is so low since there are pool tables, air hockey tables, videos, video games, refreshments and even a computer lab upstairs.

Mayor William H. Porter said

that he agreed with the city manager on the number of youth in the center each day. "I check in there every once in a while, and I have never seen more than eight or nine children a day," he said. "If we don't get the grant to run the youth center, I am certainly not in favor of raising taxes to operate it," he added. Councilwoman Priscilla Coryell said she agreed with the mayor, and she would not support raising taxes to keep the center open.

Mayor Porter added, "I am not saying that those eight or nine children are not worth every penny spent on that center, because they are. But I do think that with the help and input from the Harrington Parks and Recreation Committee, there could be a more economic way to run the center."

The city manager suggested that the discussion be tabled until Feb. 4 at which time there will be a budget meeting. He said that Lt. Horsman will have time to plead his case and may have a feeling as to whether or not the city has a chance of obtaining the grant. "He has been dealing with grants for a long time, so he should probably know which way it will go," said Mr. Coryell.

Well - (Continued from Page 1)

\$184,698, for the block well house, drilling of the new well, upgrading of well 1 and 2, demolition of the old well and capping of all of the wells.

The well will eventually be financed through the RECD (Rural Economic Community Development) for 40 years at a very low interest rate. "This will cost the taxpayers of Harrington

less than a dollar a month," said Mr. Coryell.

"The three wells are pumping now at a rate of 24 hours a day," said Mr. Coryell. "They can barely keep up, and with only half of the city's reserve tank full, if the city's electric went out, there would only be enough water in the tank to run us about five hours max," he said.

He added that if there were a catastrophic fire, the Harrington Fire Company wouldn't be able to handle it. "We have had Greenwood and Houston fire companies on the standby since Thanksgiving," said Mr. Coryell. Mr. Medlarz said he should see some activity in about three weeks on the drilling of the new well and the work should be completed in about 120 days.

Partners in Paragraph program held at WTC

The FLAG (Focus on Learning for the Academically Gifted) students in grades three and four from each of the Lake Forest elementary schools, were paired with students in the program in grades seven and eight at W.T. Chipman for a nine week extended lesson called "Partners in Paragraphs" (PIP). Mod-

eled after the writing challenge Stephen King and Peter Straub set up for themselves in their collaborative novel *The Talisman*, this student writing project became an interesting web of creative writing between the two different student groups.

The FLAG students initially

introduced themselves to their partners by way of letters, while growing to know more about each other and their writing styles with each written addition to their PIP folder. Each had the opportunity to view his or her partner on video during the development of the project. Illustrations, notes, ideas, and completed chapters were ferried back and forth throughout the nine-week period, with each partner adding chapters, editing work, or creating illustrations.

Last week the students met, the majority for the first time, for their final PIP production evening. Partners gathered for an evening workshop at W.T. Chipman on Tuesday evening, Jan. 20, for two hours. Mrs. Brenda Hanes from the W.T. Chipman computer lab and Mrs. Becky Sharp from the South computer lab opened their doors for the student PIP partners to edit and to type their final editions. Mrs. Lynda Rae Gannon and Mrs. Elaine Ippolito, the FLAG program teachers, monitored the students' final touches in the computer labs and the rooms set up for the creation of book covers, illustrations, and book jackets.

Several of the FLAG Raiser parents, Mrs. Sue Shore, Mrs. Pat Jones, and Mrs. Tammy Clifton, along with many others added their encouragement to the student pairs, as they worked in the classrooms. Through the enthusiasm of the PIP partners and the help of the adults, many of the pairs were able to complete their books.

Lindsay Jones, a seventh grade FLAG student, helped two elementary students whose partners were not able to attend the evening workshop. She commented that "It was a lot of fun to get to know and to help these other younger PIP partners."

Jesse Melvin, a third grader from South Elementary, shared his evening with David Hendrickson, a seventh grader. As Jesse typed at one computer, David was anxiously putting together several sketches for Jesse's approval. Jesse and David moved their projects closer to completion with their cooperative spirit.

When asked how he felt about the evening, Jesse sported a large smile and said, "David was nice,

he could type fast, and he could draw."

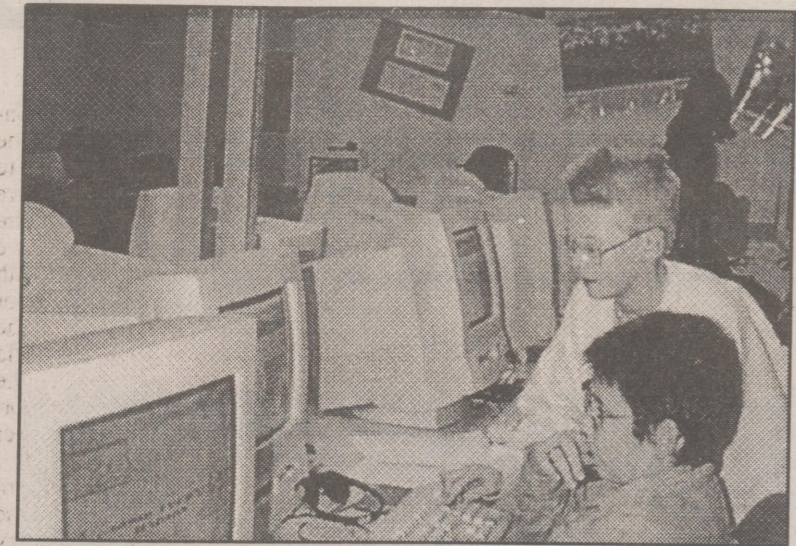

Kristin Walls enjoyed meeting to work with her Chipman eighth grade partner Christen Smith. Kristin said "I got to meet her friends and got to talk about each other's ideas."

All of the students were enthusiastic about the personal touches this evening was able to forge through the books they were creating.

Even though many of the books were not completed during the evening workshop, the PIP partners were inspired to continue their final touches for a presentation in the late spring. This cooperative effort has certainly been a successful one for these FLAG students. It is hoped that these student projects will be able to circulate among the libraries in our district for other students to enjoy.

Chipman), meets the typing needs of her PIP partner for the evening, Chelsea Flores, a third grader from East Elementary.

Andrew Hopkins, seventh grader at W.T. Chipman, adds an encouraging word to his PIP partner, Brian Losh, a fourth grader from South Elementary.

Lake Forest to challenge Caravel Academy on Texaco Star challenge

Lake Forest High School and Caravel Academy will go head to head on the Texaco Star Academic Challenge on Comcast Cable, TCN 24 in Kent County, and TCN 25 in Sussex County on Tuesday, Feb. 3, at 5:30 p.m. and Wednesday, Feb. 4, at 7 p.m. The program will also air on WDOV radio (1410 AM) on Sunday, Feb. 8, at 10:30 a.m.

The award-winning program, now in its 10th season, pits four-person teams from Delaware high

schools in fast-paced academic competition. TSAC is made possible by Star Enterprise, supported by the Delaware Department of Education, and coproduced by John Hannagan, assistant principal of St. Mark's High School, Wilmington, and David Skocik of Dover, who also hosts the show. Delaware State University, Delaware Technical & Community College, Goldey Beacom College, the University of Delaware,

Widener University and Wilmington College offer scholarships to the winning and runner-up schools each season.

The team from Lake Forest includes Jane Alam, Dan Crimmins, Adam Mayle and Tristan Schweiger. Their coaches are Mike Boyd and Elizabeth Reid. The Caravel team includes Jessica Love, Kristin Meyers, Jeff Rybicki and A. Michael Riskus. Their coach is Mary An Love.

Firefighter's Prayer

When I am called to duty,
God
Wherever flames may rage,
Give me the strength to save a life
Whatever be its age.

Help me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.

Enable me to be alert
And hear the weakest shout
And quickly and efficiently
To put the fire out.

I want to fill my calling and
To give the best in me
To guard my every neighbor and

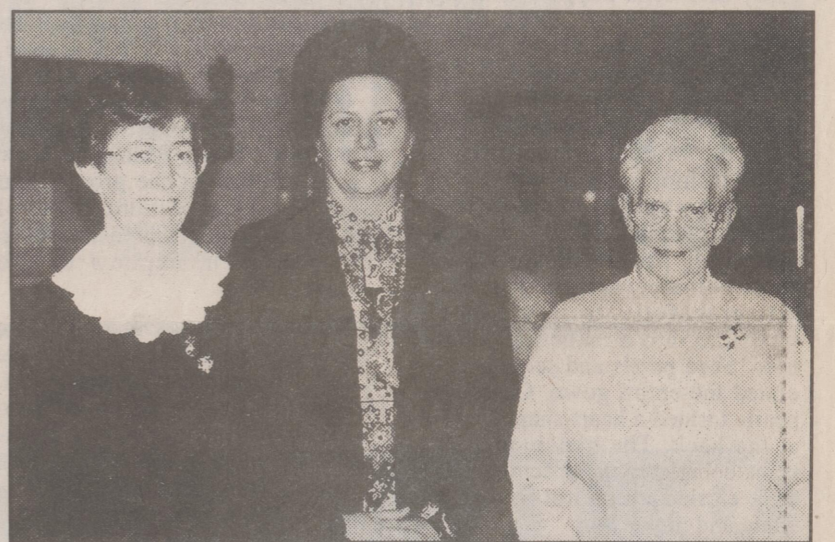

Protect his property.

And if according to your will
While on duty I must answer death's call
Bless with your protecting hand
My family one and all.

Bruce VonGoerres is shown here presenting his father, George, with a watch honoring him for 50 years of service.

Beverly Curtis, Michelle Dill and Jean Harrington are shown here being honored for 25 years of service with the Harrington Fire Company Ladies Auxiliary.

Jack Vogel is shown here accepting a gift from Hope Minner, president of the Ladies Auxiliary. The gift was for helping the auxiliary at different functions. He also came in fourth in ambulance runs with 178 and he was also given an award in appreciation for donating the bell that sits on the No. 501 fire truck. Mr. Vogel also gave the auxiliary a \$500 donation.

Congratulations from the Mayor, City Council and City Staff to all of the participants and award recipients of the Harrington Fire Company Ladies Night!

Mr. and Mrs. Michael Thomas Morrison

Sapp-Morrison wed

Elizabeth Marie Sapp and Michael Thomas Morrison were united in marriage on July 5, 1997, in Cornerstone Methodist Church in Newark. Pastor Paul Owens officiated.

The bride is the daughter of Larry and Leah Sapp of Harrington.

The groom is the son of Thomas and Margaret Morrison of New Castle.

Given in marriage by her parents, the bride wore a beautiful gown fashioned from white satin and battenburg lace. The fitted bodice featured a sweetheart neckline, softly padded shoulders, and short bell-sleeves. The full skirt fell gracefully from a basque waistline into a cathedral length train. Seed pearls and sequins decorated the entire gown. Cascading pearls formed a heart-shaped effect at the back. The matching headpiece completed the ensemble. The bride carried a beautiful bouquet of white and pink roses.

The bride was attended by Maid of Honor Heather Sapp, of Harrington, sister of the bride. Other bridesmaids were Lisa Zerolles of Harrington, Gena Agron of New Castle, and April Robinson of Greenwood, all friends of the bride. Junior bridesmaid was Sherie Branch, niece of the groom.

Flower girl was Danielle Bennett, cousin of the bride. The bridesmaids wore an elegant a-line

gown fashioned from burgundy chiffon. The sweetheart neckline was accented by softly pleated short sleeves which fell gracefully into a cascading bow and flow length skirt. The bridesmaids carried nosegays of pink roses and mini carnations.

The groom was attended by Best Man John Jones of New Castle, brother-in-law of the groom.

Other groomsmen were Thomas Morrison of New Castle, father of the groom, Brian Branch of New Castle, brother of the groom, and Sean Woodall of Milford, friend of the bride. Junior groomsmen was Jacob Branch, nephew of the groom.

Ring bearer was Daniel Branch, nephew of the groom. Ushers were Chad Robinson of Greenwood, friend of the bride, and Tom Williams of Harrington, brother-in-law to be of the bride.

Guest book attendant was Donna Jones of New Castle, sister of the groom.

Reception was held at Schaffer's Caral House in Chesapeake City, MD.

After honeymooning in Atlantic City, the couple resides in New Castle.

The bride has a bachelor's degree in Elementary Education from the University of Delaware. The groom is employed with Chrysler, Inc., Newark.

Harrington Baptist Church News

"What does the Lord require of you but to do justly, to love mercy and to walk humbly with your God." (Micah 6:8)

Pastor Bob Good is the pastor of our church which is located on East Liberty St. across from the Armory. Micah 6:8 tells us that the Lord expects us to be just in our actions, to love mercy, and to walk humbly with Him. We can never walk humbly with Him until we know Him as our own personal Lord and Savior. Our faith and trust in Him makes a difference in how we live and how we treat others.

Read Micah 6:5-8 and see what

the Lord thinks about empty formalism. If our life style does not exhibit the life He expects us (as His children) to live, then it is nothing but as filthy rags in the sight of God.

Some people try to be good and do good works without knowing God. But there is only one way into heaven. Salvation comes only through Jesus Christ by the grace of our almighty God.

Our phone number is 398-3373. Nursery will be provided for your little ones during worship services. Everyone is welcome.

Opportunities for the week:
Sunday School for all ages: 9:45

a.m.

Sunday worship services: 11 a.m. and 7 p.m.

Children's Bible time with Pastor Bob: 11:15 a.m.

Sunday Junior Watchers: 6 p.m.

Wednesday Bible Study with Bonnie: 12:15 p.m.

Wednesday evening Bible study & prayer service: 6:30 & 7 p.m.

Thursday Kids Power Hour at Michelle Davis: 3 to 4 p.m.

Thought for the week:
The Lord requires much more from us,

Than just an outer show;
True love for Him will give itself

To people here below.

Prospect United Methodist Church

"To whom shall I speak, and give warning that they may hear? Behold, their ear is uncircumcised, and they can not hearken; behold, the word of the Lord is unto them a reproach; they have no delight in it." (Jeremiah 6:10)

Rev. James Carmean Jr. is the minister at Prospect Church which is located five miles west of Harrington on Route 14 in Vernon, DE. We invite you to worship with us. We have Sunday School for all ages at 8:45 a.m. and the Worship Service is at 9:45 a.m. Mary Lou Wright is the pianist and Vivian Newman was organist.

On Sunday, Jan. 25, Barbara Clark was greeter and Russell Legates was candle lighter. The choir opened the service by singing "We Have Come Into His House". They sang "Jesus Is Coming Soon" for the anthem. Leah Wheeler prayed the offertory prayer, and Leroy Wheeler and Herman Zietler were ushers.

Rev. Carmean read scripture from Jeremiah 6:10-16. Jeremiah was so full of anger at the things happening around him that he could no longer contain himself, so he started to pour his heart out to this nation of Israel. They had

become a foolish nation, any nation that has ever turned its back on God and God's word is a fallen nation. We are in a position that we might fall also and reap what we have sown. We need to get back to the basics.

The people were laughing at Jeremiah and calling him a foolish old man. We today are learning to live without God. He is no longer a necessity in our lives. People no longer blush. Every Christian should get on their knees before the Lord every day and pray for our nation, for we are in trouble.
Jan. 29 - 7 p.m. Choir practice.

Independent Bible Fellowship Church News

On Sunday, Jan. 25, Pastor Simpson spoke to us from Daniel 9:1-19.

Pastor Simpson spoke to us and showed us through these scriptures the impact of prayer. In James 5:16 it says "...The effectual fervent prayer of a righteous man availeth much."

In Daniel, chapter 9, we see a sample of prayer that we can learn from and apply to our own lives. We see that Daniel began by: 1. Acknowledging God; 2. By confessing sins; 3. He gives thanks and, 4. He then begins supplications.

In Daniel 9, Daniel is praying

In Loving Memory of
John A. Carter
who passed away Jan. 28, 1996

Remembering you is easy, We do it everyday. It is the heartached of losing you That will never go away.

Sadly missed by beloved wife Bea & Children
Jimmy & Patsy Carter, John & Donna Fay Carter, Richard & Debbie Carter, Frank & Rosemary Zimmerman, Bill & Bonnie Mohr, and grandchildren, Mother-in-Law Betty Creed and Step-Father Robert Davis

for Israel. Daniel associated himself with the sins of his people. In verses 5-10 he confesses their sins (Although Daniel was a righteous man he prays "we have sinned.") In verses 11-14 Daniel acknowledges their deserved judgement and in verses 15-19 Daniel supplicates God for His mercy.

Our nation is very sick today. Our society is in a very dangerous position. Society has thrown away God's laws and has decided what is acceptable and what is not. Sins that were once never dare spoken and were looked down upon at one time have become not only acceptable today -- but are defended.

God's laws do not change. Throughout the scriptures guidelines have been set to help us, to

preserve us, and to make us better people. The scriptures also very clearly tell us that there will be a day of judgment. Each and every one of us will be held accountable for the way we have each lived our lives. We will be held accountable for the things we do and the things we say.

Pastor Simpson challenged each of us by asking us, "How real will I be as a Christian in this nation?" Will we point the blame of sin and our society's wickedness elsewhere or will we do as Daniel did and associate ourselves with the sins of our people -- our nation. Will we pray and confess not only our sins, but the sins of our beloved nation and ask God to heal our nation?
"If my people, which are called

by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (II Chronicles 7:14)

We would like to invite you to come and worship the Lord Jesus Christ with us. We are located on Route 14, east of Harrington.

Sunday Services - Sunday School for all ages at 10 a.m.; Sunday Worship service at 11 a.m.; Sunday evening service at 7 p.m.

Wednesday Services - Awana Clubs for ages 3 through 8th grade at 6:30 p.m.; Youth Group at 6:30 p.m.; Bible Study and Prayer Meeting at 7 p.m.

(Nursery provided for all services.)

Obituaries

ANNA E. PASSWATERS
Anna E. Passwaters, 84, of Luther Towers in Dover, died Saturday, Jan. 24, at Silver Lake Rehabilitation Center after a short

Obituaries - (Continued from Page 6)

Glória and John Murphy of Macedes, NY, and Janet and Howard Smith of Parrish, FL; one sister and brother-in-law, Betty M. and Bill Walters of Cumberland, MD; an aunt, Mary Jewell of Greenwood; an uncle, John Wolf of Greenwood; seven grandchildren; 10 great-grandchildren; and two great-great-grandchildren.

Service will be Wednesday (today) at 2 p.m. at Price Funeral Home, 6 Dorman Street, Harrington, where friends may call at noon.

Burial will be in St. Johnstown Cemetery, Greenwood.

Instead of flowers, the family suggests donations be made to Harrington Senior Center, 102 Fleming Street, Harrington, DE 19952.

AUDREY B. HOLLOWAY
Audrey B. Holloway of Frederica and Rehoboth Beach died of heart failure Wednesday, Jan. 21, 1998, in the Washington Heart Center. She was 74.

Mrs. Holloway was retired from the Delaware Oil Men's Association and then was employed for many years with the Young Avenue Children's Shop, Rehoboth.

She was a past member and president of the Junior Board at Kent General Hospital.

Mrs. Holloway will be best remembered for her love of telling jokes to everyone she met.

She was preceded in death by her husband, Carl J. Holloway Jr., in November 1997.

She is survived by her daughter, Carol Holloway of Frederica; a son and his wife, C.J. and Pamela Holloway of Milford; and two grandchildren, Matt and Kate Holloway, both of Milford.

Service and burial was private. Burial was in the Barratt's Chapel Cemetery, Frederica.

Instead of flowers, the family suggests contributions be made in her memory to the Kent County American Heart Association, P.O. Box 1977, Dover, DE 19903-1977.

Arrangements by the Pippin Funeral Home, Wyoming.

CLAUDE W. HAMILTON
Claude W. Hamilton of Wyoming died of heart failure Wednesday, Jan. 21, 1998, in the Capitol Nursing and Rehabilitation Center.

Mr. Hamilton was a farmer in the Farmington and Willow Grove areas and also was employed by the state highway department, Cheswold yard, retiring several

years ago. He was preceded in death by his wife, Dorothy Hamilton, in 1989. He is survived by a daughter, Eva May Glenden of Willow Grove; a son, Galeno B. Warring-

ton of Felton; a stepson, Frank Warrington of California; a brother, Roland Hamilton of Kirkwood; four grandchildren; and three great-grandchildren. Graveside service was Saturday at the Hollywood Cemetery, Harrington.

Mayor's report to the citizens of Harrington

As I approach my second year as Mayor of Harrington, I'd like to take this opportunity to say that the past year was very interesting and very rewarding. I'd like to welcome all new residents and businesses into our city, and say thanks to all those folks who have made Harrington a better place to live, and a big thanks for all their dedication and cooperation. I'd also like to thank our City Manager and Staff for their fine dedication and hard work.

Some of the accomplishments during the past year consisted of completion of the West Street Elderly Project, upgrading our Wastewater Treatment Facility, including some personnel changes, and working with our Fire Department to bring on board a full-time day work EMT to assist our volunteers.

The city has worked hard to control its zoning laws. We have made changes in ordinances to better control trash, weeds, grass, truck and bus parking, tattoo parlors and to prohibit skateboarding on our public streets and sidewalks, to protect the safety of our citizens. Another zoning related issue was to approve bringing in the Talamon

Corporation (Head Start Program) which will benefit a lot of our families.

We are monitoring an on-going program to keep control over unsafe/dangerous and/or unhealthy buildings. We have now complied with all federal guidelines with regard to water meter installation and reading. We have replaced and/or upgraded several city sidewalks.

Other programs in progress are the Clark Street Water Upgrade Project, the Delaware Avenue/Route 14 Sewer Service Extension, and the Harrington/Farmington Joint Venture, which will provide sewer service to the town of Farmington.

Last, but not least, we are continuing our Clean-Up Weeks; one in the spring and one in the fall. This is a great program that helps our citizens get rid of unwanted and unneeded items.

On behalf of all the City Council of Harrington and our City Staff, I'd like to take this opportunity to wish the residents in and around Harrington a very Happy and Prosperous 1998.

William H. Porter, Mayor
City of Harrington

Happy Birthday to: Randy McCloskey, Archie Dill, Betty L. Chambers, Jeremy Chad Hobbs, Carol A. Moore, Cynthia A. Warren, Jennifer Cooper, Franny Bergold, Jean George, Kenny Ryder, Kelly Stone, Michelle Bryant Voshell, Jen White, Sara Katherine Ryder, Mary Ann Stumpf, David Bickling, Lisa B. Chambliss, Ronnie Voshell, Vicki Hudson, Shawna Nicole Killen, Ryan Millman, David W. Houser.

Happy Anniversary to: Doris and Bill Paskey, Dayna and Robert Griffith, Jay O. and Michelle Knolls, Edgar and Betty Sapp.

The Felton Homemakers Club met at Linda Anthony's home. All enjoyed the afternoon at her home.

Glad to hear Margaret Chambers is feeling much better. The weather will settle down soon, for one rea-

son or the other. I can't promise.

Many get well wishes for Susanne Faulkner. Hope you feel better soon.

Hello "Liz" Humphries. I was glad you are improving so nicely. You are too nice to be sick.

Many happy returns of the day for Tommy and Dolly Womack, as you celebrate your anniversary.

I've held a conversation with Vincent Torres on the phone after his arrival home from the hospital. He is doing okay and glad to be home. It saves Jean a lot of traveling and plus taking care of the chores at home while Vince was hospitalized. Jean, take care of yourself and try to relax now you know Vince is home.

Mr. and Mrs. Robert Jackson have arrived home safely from Frederick, MD, after attending their Annual Glider Banquet last week.

When did we as a society lose our sense of dignity and grace? Perhaps a constant psychological barrage of sex and violence delivered right into our living rooms is taking its horrid toll. We have become voyeurs in the lives of others, attentive to every intimate detail of every report, accurate or not.

We seem insensitive to the innocent children who are hurt by this public scrutiny, as if by virtue of fame their right to privacy is waived. Morally, the gauge of human decency is at a low point. Isn't it time to bring a little respect for each other back into our public and private lives?

What we model for our children will come back to bless or haunt us when they grow up and assume leadership roles. It is troubling to imagine what society will be like 20 or 30 years hence unless we grownups mend our ways.

Dignity and grace have been regulated to the shelf marked nostalgia for too long. A good dusting off and a prominent spot in the most visible of displays is sorely needed. And propped along side those should be that little word respect. It can surely be found languishing in some dark corner, probably near the box marked kindness, that we feared was permanently lost. And perhaps honor can be found there too.

The economic picture grows brighter in our little hamlet with construction and new business expansions changing the landscape. Attention to infrastructure has afforded us an ability to expand. And the wise use of grant funding made it possible.

We must credit the past and current city administration, particularly our astute city manager, who has a keen ability to see the bigger picture.

HBA to Meet Feb. 10th

The Harrington Business Association has issued a call for membership renewals. This group of more than 30 local businesses meets monthly to share experiences, plan joint promotions, and keep in touch with city and state officials.

The meetings are both fun and informative, often with guests attending and occasional special presentations.

Dues are assessed on a sliding scale according to the number of employees, with \$25 as the base rate. Interested individuals are also invited to join the group. For information, call Carl June, President, at 398-8123 or Gene Price, Treasurer, at 398-4224.

The next meeting is scheduled for Tuesday, Feb. 10, from 8-9 a.m. at the Colony Inn Restaurant.

BPW to Meet Feb. 3rd

Harrington Business and Professional Women will meet on Tuesday, Feb. 3, at 6:30 p.m. in the Community Room of the Harrington Public Library. The purpose of the group is to promote economic equity for all working women.

It might appear from the name of the group that this is an organization for business owners and managers. This is not the case at all. BPW supports all women and counts among its numbers clerks, secretaries, bus drivers, teachers, beauticians, pharmacists, massage therapists, bookkeepers, retirees, work at home moms and even a few men.

Prospective members are invited to call Kim Vincent, President, at 398-3740 or 739-4208, or Kim Robbins, Membership Chair, at 335-5633 for information.

We invite our readers to respond to this column by sending letters to The Harrington Journal, P.O. Box 239, Harrington, DE 19952 or by calling Sound Off at 629-2050 or 678-8255.

Len's Corner

by Len Coryell,
Harrington City Manager

The weather is still hanging in there. If we can get by another month of this weather we might be able to say we have had a great winter!

Within the next few days the City's well contractor will begin work on the much needed well.

The scope of work will be as follows:

- Construct a new well house building for new well and all controls for the other two (2) wells.

- Remove the buildings over wells number 2 and 3 and cap at ground level. Tie wells 2, 3 and 4 together within the new building.

Houston News

Sunday worship service at Houston United Methodist Church is 9:30 a.m. Sunday School for all ages immediately follows the service at 10:30 a.m. Rev. Herman Lipsius is the Minister. All are welcome.

Last Sunday Rev. Lipsius was attending a Bishop's Retreat in Williamsburg, VA, and was unable to be present. William Fisher delivered the message, "His Name Is John". He also spoke to the children about Angels. Mrs. Lipsius gave the prayer before the message. The choir sang "Mansion Over the Hilltop".

Mr. and Mrs. Major Sockrider were greeters. Mrs. Hilda Donovan and Mrs. Anna May Rothermel were ushers. Richard Layne was acolyte.

Congratulations to Mrs. Ella Simpson, Mrs. Patsy Sapp, John Lemmon and Mark Dufendach Jr. who celebrated their birthdays last

• Well number 1 will be removed, but the building will not. The City will use the building for our water department, for storage of parts and to set up a repair (test bench) for our water meters.

The project, under the bid agreement, is to be complete (weather permitting) in 120 days.

If anyone has pressure or any other water problems during this time of construction, please call City Hall at 398-3530.

Say Hi! to your neighbor and watch out for our kids, and remember if you have a question or need help call me at 398-4476.

Keep in mind the United Methodist Men's Annual Venison dinner to be held Wednesday, Feb. 4, at 6:30 p.m. at Asbury Church. Please bring your place setting and a covered dish. Members from Houston and Asbury are invited to attend. Following the dinner Keith Burgess and Bill Fisher will entertain and then an auction will be held.

The Ladies Auxiliary of the Houston Fire Co. will hold a Valentine Dance on Saturday, Feb. 14, from 9 p.m. to 1 a.m. at the firehouse. There will be door prizes, gifts for the ladies and D.J. Soundations will furnish the music. Anyone who would like a photograph taken may do so (small fee charged) between 8:30 and 9 p.m., and 10:30 and 11 p.m. when a photographer will be available. B.Y.O.B. Soda and refreshments will be available. For tickets or reservations, call 284-8367 or 422-6877.
