## LF School District Time & Space Committee reports to board

By Carol Ann Porter, Editor

The Lake Forest Time & Space Committee under the leadership of Marie Cunningham, meets a couple of times a month to assess and evaluate how the school buildings are being used. According to Mrs. Cunningham, the assessment and evaluation includes time of usage, scheduling, classes, functions, activities and also how the space is being utilized at the schools.

"Our children need and deserve schools that provide safety and adequate space," said Mrs. Cunningham. "Renovating our schools and building a new elementary school is the number one recommendation of the Time & Space Committee," she said.

Members of the Time & Space Committee believe that the residents of Lake Forest want what's best for their children. "We believe that Lake Forest residents want their children to be prepared for the challenges which await them, and we understand that means providing a high quality education," she said. The committee was commissioned by the Lake Forest Board of Education several years ago, and in an effort to help the district deal with the overcrowding in their present buildings, the committee presented the board with their latest recommendations. They are as follows:

1. Maximum effort be given to the passage of a major capital referendum that would provide for additions to and renovations of Lake Forest's existing school buildings and construction of a new elementary school to replace South A and B.

2. Based upon the passage of the proposed referendum, maintain current grade levels and daily school hours of each school.

3. Relieve current overcrowded conditions in the Chipman/South A cafeteria where overcrowding is intensified due to the size and location of the cafeteria. Possible remedies include but are not limited to 1) eating in classrooms 2) using relocatable(s) 3) offering fewer menu choices 4) increasing the size of the cafeteria.

4. Chipman Middle and South Elementary continue their efforts to co-exist. An inter-school commit-

## Grease is the word

Joining a wave of 70s nostalgia, the Lake Forest High School Drama and Music Departments have once again joined forces to perform the 70s Broadway smash "Grease," featuring book, music and lyrics by Jim Jacobs and Warren Casey.

The show will be performed the weekend of Feb. 26, 27 and 28, and the curtain goes up at 7 p.m. each night in the Lake Forest High School auditorium. Tickets are \$4 for students and \$6 for adults, and \$1 raffle tickets will also be sold at the door for a \$750 jukebox, the proceeds of which will go to the Drama Department.

Itself a nostalgic glance back at the 50s, Grease was the first musical at Lake Forest under Denise Baker's direction in 1985. Grease marks Ms. Baker's 13th year directing for Lake Forest and her first revival.

Musical direction is by Dale

Mann, with accompaniment by Regina Kukulka. Peter Sutcliffe is the stage manager. The eye-pleasing dance numbers, which appear throughout the musical romp, are choreographed by Destiny Kerstetter.

Grease follows the lives of a group of high school friends through their senior year at mythical Rydell High. In the leading male role of Danny Zuko is senior Adam Mayle. Danny is the leader of a black leather jacket-clad gang at Rydell called the Burger Palace Boys.

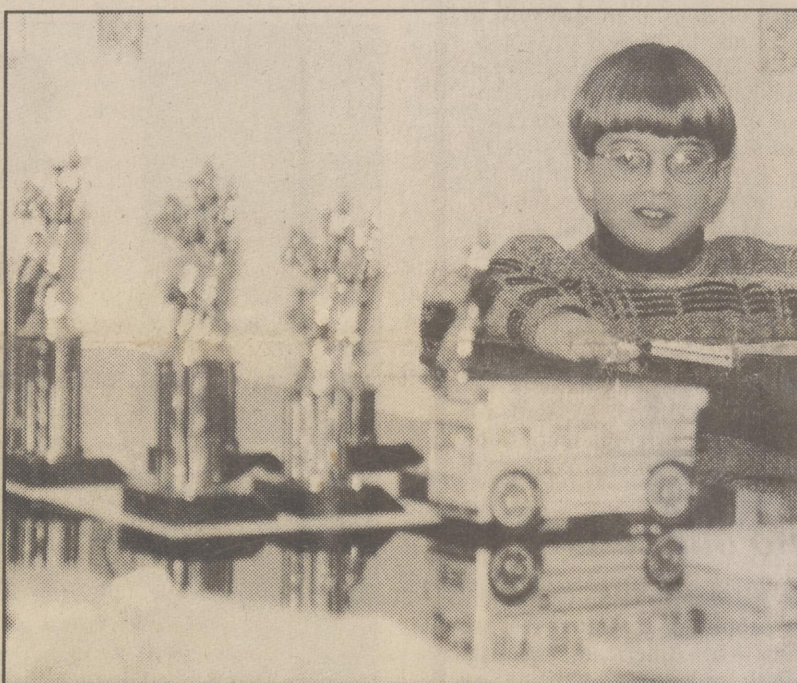

Other Burger Palace Boys include: Kenicki, Danny's right hand man, portrayed by junior Courtland Kerstetter; Doody, an aspiring singer played by junior J.T. Callaway; Roger, the "moon-ing" king, played by junior Eric Dellinger; and Sonny, the self-pro-

## Six-year-old has a lot on the ball

By Carol Ann Porter, Editor

Remember the old TV show "Bowling for Dollars?" Amanda Heinsch, 6, of Harrington, is too young to remember it, but lately that's what she's been doing. . . . bowling for dollars.

On any given Saturday morning, you can walk into Milford Bowl and find Amanda, a Lake Forest South Elementary kindergarten student, and other Pee Wee Bowlers like her in league play.

Amanda bowls on Team One, coached by Pam Phillippi, and it's quite amazing to watch Amanda and youngsters her size actually lift a bowling ball.....let alone throw it.

However, one thing does set Amanda apart from her peers and from many adults for that matter. She recently participated in Bowl For Kids' Sake, an annual fundraiser sponsored by Big Brothers and Big Sisters, and obtained 50 sponsors with pledges totaling more than \$240.

Ken and Debbie Heinsch, Amanda's parents, were fully supportive of Amanda's involvement. Her mother said that Amanda was very excited about participating and wanted to help children who aren't as fortunate she she is.

Amanda's mom and dad immediately set out to join Amanda, contacting relatives, friends and co-workers.

Twenty of her dad's co-workers at George & Lynch Inc. in Dover signed up to sponsor Amanda on either a per pin or flat pledge basis.

Amanda Heinsch gets the ball rolling as she bowls to raise money for needy youngsters. This six-year-old raised almost \$240 for "Bowl for Kids' Sake."

For her efforts, Amanda received two Bowl For Kids' Sake tee-shirts and qualified to win a \$40 gift certificate to the Dover Mall.

## Lake Forest School District holds spelling bee

By Carol Ann Porter, Editor

Accept, deliver and twelve were just three of the words that threw Lake Forest School District 4th- and 5th-graders last Wednesday night at the district-level spelling bee held at the high school's business office.

Mr. J. Glenn Davidson, Supervisor of Elementary Programs, hosted the event while Mr. Randall Ward served as enunciator.

Three 4th- and 5th-graders, one from each of the three elementary schools in the district, prepared for battle as the three judges, Mrs. Susan Berwick, Mrs. Delema Carter and Ms. Betty Myers, prepared to challenge the youngsters.

First place in the 4th-grade category went to Kerry Bowman, a student in Mrs. Ethel Ellingsworth's class at South Elementary. Patience Walley, a student at North Elementary, came in second, and third place went to Holly Morris, a

student in Mrs. Marion Gussett's class at East Elementary.

First place in the 5th-grade category went to Brian Poore, a student in Ms. Betty Myers class at South Elementary. Second place went to Antonio Pizzadilli, a student in Mrs. Kathy Kelly's class at North Elementary. Third placed went to Kristen Starke, a student in Mrs. Nancy Knutkowski's class at East Elementary.

First place winners took home a trophy, \$30 and a pin stating what a terrific speller the student is. Second place winners took home a trophy, \$20 and a pin while third place winners took home a trophy, \$10 and a pin.

Holly Morris is the daughter of Mr. and Mrs. Jonathan Morris, Kristin Starke is the daughter of Mr. and Mrs. Allen Starke, Patience Walley is the daughter of Mrs. Joann Walley and Mr. Stewart Gilbert, Antonia Pizzadilli is the daughter of Mr. and Mrs. Tony Pizzadilli, Kerry Bowman is the daughter of Mr. and Mrs. William

Bowman and Brian Poore is the son of Mr. and Mrs. Doug Poore.

Awards were presented by Dr. Kathleen Andrus, principal at East Elementary School in Frederica; Dr. Judy Craig, principal at North Elementary School in Felton, Mr. Earl Griffin, principal at South Elementary School in Harrington, and Mr. Ed Dean, acting Lake Forest School District Superintendent.

District winners will now go on to the state spelling bee scheduled for Sunday, March 8, at 1 p.m., in the Wells Theatre of Wesley College in Dover.

If for any reason the winner finds it not possible to compete at the state level spelling bee, the 2nd-place winner will take their place.

Congratulations to all of the students who participated in the spelling bees. There were no losers. . . . everyone was a winner!

Bev Turner of Harrington holds a copy of the January issue of Woman's World with a photo of herself and her daughter, Lynda Wyatt. Bev and Lynda were both diagnosed with cancer in 1991, and their story appeared in The Harrington Journal and The Delaware State News in October of last year. Staff members of Woman's World read the article and called the two women to do an interview for their magazine. Bev said that the photographer took 96 photos of the mother-daughter pair to get the one shot shown in the article she's holding. Bev and Lynda have been cancer free since for six years now, and Bev says, "I look forward to getting up every day, and I just thank God that I can see the sunshine and touch my grandchildren." ## Touchphonics introduced to staff at Lake Forest

By Carol Ann Porter, Editor

Lake Forest School District paraprofessionals participated in an entire day of staff development on Thursday, Feb. 12.

Dr. Robin Steed, Professor Emeritus from Brigham Young University presented the Touchphonics Manipulative Phonics System, which she developed after extensive years of research.

Touchphonics, along with teacher and paraprofessional guided instruction, encourages children to use sight, sound and touch to help them understand the structure of words.

According to Mr. J. Glenn Davidson, Supervisor of Elementary Programs for Lake Forest School District, Touchphonics will provide an effective supplement to the current reading program.

He added that the Touchphonics system will allow Lake Forest students to have a "hands on" opportunity for learning how the phonics system works which is a critical component for student proficiency in reading and writing.

Teachers in grades PK-3 and elementary special education teachers received Dr. Steed's Touchphonics training on Saturday, Feb.

claimed "lady-killer" portrayed by junior Jonathon Diggs. Alongside the Burger Palace Boys are the Pink Ladies, led by the sassy Rizzo, played by senior Jessica Lukecart. The Pink Ladies are: "Beauty School Dropout" Frenchy, portrayed by senior Heather Davey; compulsive eater Jan, played by senior Courtney Krebel; and Marty, the "Beauty of the Pink Ladies" portrayed by junior Blair Jost. Rizzo plans to "rule the school" her senior year, but she'll have trouble doing so when a new student, the beautiful, innocent Sandy Dumbrowski, played by sophomore Lisa Buck, transfers to Rydell. Rizzo discovers that Sandy spent the summer at the beach and fell in love with a boy she met there, Danny Zuko. Sandy describes Danny as a kind, loving boy, which defies his delinquent reputation at Rydell. When Rizzo stages a reunion, the high school hijinx ensues, and eventually Danny and Sandy must decide who they really are. The play features such favorites as "Summer Nights," "Born to Hand-Jive," and "We Go

Together," along with a variety of songs and solos that do not appear in the film version. For the number "Greased Lightning," in which the Burger Palace Boys sing about their new car, Ms. Baker and her crew were able to get a Candy-Apple Red 1953 Chevrolet. Both of Lake Forest High School's Assistant Principals, David Santore and Tammy Croce, appear in the show as faculty members and perform a dance solo during "Born to Hand-Jive," one of the songs in the big high school dance scene. Performing Grease is not an easy task for a high school to perform, and Ms. Baker expressed her excitement. "We applied for the rights last June, and I wrote, faxed and called until they finally responded in October," she said. Thirty-one hundred schools and community theaters requested to do it, and we were lucky enough to be on the "yes" list." Ms. Baker even invited all the original "Greasers" to come and enjoy the show. Come see that Lake Forest and Grease really do "go together, like shoo-bop sha wadda yippity boom de-boom."

tee might be established to increase and enhance communication between the two schools. 5. Based upon the passage of the proposed referendum, construction of the new elementary school be scheduled so as to free up the current South A and B spaces, allowing these spaces to be used, if needed, to temporarily house students of other district schools in order to accommodate building projects of these schools. 6. Intended future use of South B, contingent upon the passage of the proposed referendum, be identi-

fied and included in public information prior to the referendum. 7. The number of students enrolled in Lake Forest School District as a result of school choice not cause any school to exceed its building capacity. 8. Lake Forest renew its efforts to encourage the state legislature to increase Delaware's school building formula to meet the national average. *Carol Ann Porter can be reached at (302) 398-3206 or hjournal@newszap.com*

**Felton resident finds police hypocritical**

I find it rather hypocritical that the Felton Police Department sits at the Mobil Station with their radar guns set up, trapping speeders for going over the 45 mph speed limit, but apparently this does not pertain to their own vehicles. The one in question that I'm calling about is tag #969287, who on Tuesday [probably Feb. 10 or Feb. 3] approximately at 2:20 p.m. not only overcame me from a red light but also several other vehicles, was doing well over 45 by the time they hit the end of 35 mph speed limit and not only passed four or five cars, but was also approximately 3/4 to a mile ahead of us and was sitting at the Uncle Willie's red light when the rest of us caught up to him heading south on 13. I don't think it's really fair, and I don't think they should be able to do this. If they are gonna hand out tickets, then the least they can do is be an example to the people who are driving. He had no red lights on, and I don't think the excuse "I'm late for an appointment" or anything along that line would keep me from getting a ticket for doing more than the speed limit while coming through Felton. So I really don't want to hear an excuse. I would like to hear an answer, and while I'm thinking of it, just exactly how many police cars does the Felton Police Department have now? It seems to me that they are in a different color every day. . . green, blue, white, white with gray stripes, etc. I'm just wondering how many policemen are driving all of these new vehicles. They seem to have quite a fleet now. I'm calling from Felton.

*Editor's Note: Felton Police Chief William Topping was contacted for a response and replied, "If this caller has a complaint about a Felton Police Officer, they may call Chief Topping at 284-8441 or attend the Town Council meeting which is the second Monday of each month at 7 p.m."*

**The present is more important**

Who cares what happened years ago with our past presidents? This is now what President Bill Clinton is doing. Are they trying to make Clinton look good because he got caught? The past is gone. This is the future.

**Police really are important to us**

Few people think about how important police are really needed until they have to call for help. They do more than just arrest criminals. They help neighborhoods solve problems and stop crime before it starts. The improvement of our police department is the concern of citizens everywhere and with very good reason: mainly because police agencies provide stability within the communities. That's why it's important to let our elected officials know that we support the high standards in the selection, employment and continued training of our police officers. Citizens should have input on those high standards in each community. A budget cut shouldn't stand in the way of protecting the citizens and their homes. Likewise, citizens shouldn't have to worry about grants running out to prevent their communities from having ample police protection. With help of computers, car-mounted video cameras, and other needed tools of technology, it's possible for innovative programs to keep working. Everyone knows crime has muscled its way into our neighborhood from rural towns to suburbs. But with the right strategies and technologies, police could actually help prevent crime and make our communities a safer place to live. Today's police forces need to meet today's challenges so they can continue to bring people together, promote safety, and encourage peace among our citizens. Our communities should be a safe place to live and work in and not hampered because of budget constraints or grant money running out. We must support bills that make this possible. Let your elected officials know that you support these high standards for the improvement of our police agencies. Aren't our communities and citizens worth that effort? The bills pass that make an improvement in community policing possible are greatly appreciated.

**We must assimilate into our culture**

We should accept our historical past and resolve to prevent future atrocities. In previous articles, several people have written that we must stop dividing our country with Afro-American, Spanish-American, Mexican-Americans and so forth, and get back to being real Americans. Both men have excellent advice. Let's stop our decline. Let's all work to uphold our basic values that made this country great. Assimilate into the American culture and be a democracy governed by our U.S. Constitution and Bill of Rights.

**Trailer residents on the way out**

Fairgrounds official says residents must be gone by March 1

By D. L. Bonar, INI Staff Writer

A group of 14 residents of a small trailer park have until Saturday to vacate the property at the state fairgrounds on which their homes sit.

Members of the Board of Directors of the Delaware State Fair gave the occupants written notice they would have to be out by March 1 more than a year ago.

As of Monday, there were still several families and single residents left in the park. Most of them are elderly. Some are poor and all face the prospect of significantly higher rents and/or home payments.

"I don't have any money left. How am I going to pay rent and medical expenses," said Maria Schmidt, who has lived in the trailer park for six years.

Mrs. Schmidt, who is 67 said she and her husband, Alinson V. Schmidt, 72, can't move their trailer into another location. "I tried, in the beginning to find a place, but they all said the trailer was too old," Mrs. Schmidt said.

Mr. Schmidt is forced to use oxygen and spends most of his time inside the home attached to oxygen bottles.

"I have not even had time to think about moving," Mrs. Schmidt said. "I couldn't find a job if I wanted one."

Another resident said she was concerned about being able to find a place for her mobile home as well.

"The track just wants us out of here," said Elizabeth Morley, who has lived on the property for more

than 20 years. The trailer park was established more than 25 years ago, according to Delaware State Fair General Manager, Dennis Hazzard, as an accommodation to some of the horse owners, who wanted to live near their animals. "They have been aware we're closing the trailer park for more than a year," Mr. Hazzard said. "It is unfortunate, but the trailer park is going to close, and we will just have to move on."

He said there had been no discussion between himself and residents as to possible relocation assistance.

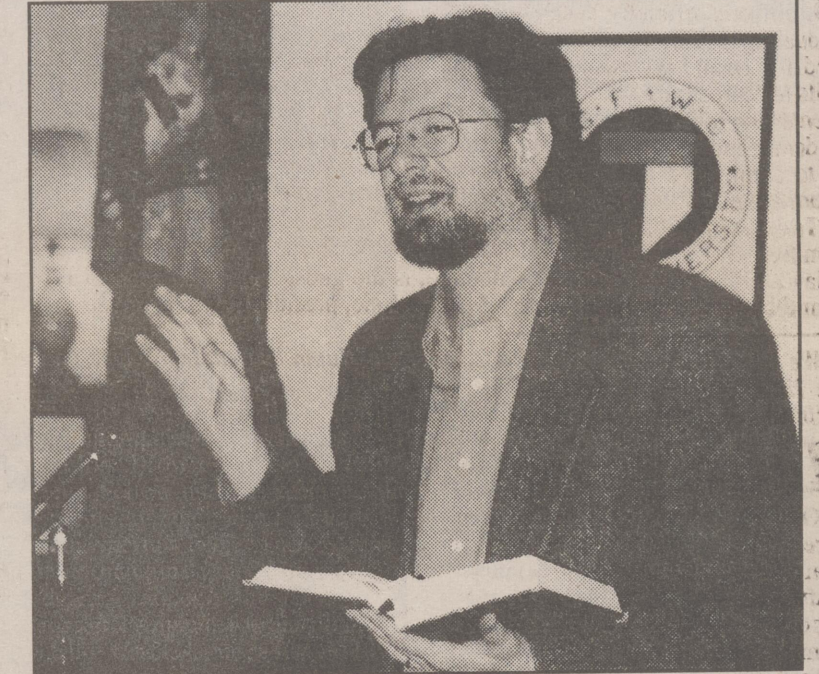

According to plans for the fairgrounds, the area where older barns now stand, on the west end of the track and for new barns, where horses will be shipped in and stored, Mr. Hazzard said it was the board's decision to have the tenants of the trailer park move by March 1, so that construction on the new facilities can begin. Mr. Hazzard said earlier, the Raceway Board hoped to have the new facilities completed in time for the racing season, which begins in May.

"The families are on a limited income, and if they have to move out, many will have to leave their homes behind," said Christopher White, an attorney for Community Legal Aid, who is representing the tenants.

The group is being represented under the auspices of Elder-law, a program which provides legal services for senior citizens who are not, otherwise, able to afford it.

The organization and various other supporters may take other action against Harrington, Midway Slots and Simulcast unless the situation is resolved, Mr. White said.

## Tax Information

### Earned income tax credit (EITC) increased for 1997

The amount of the credit is larger with a maximum credit this year of \$3,656, up from \$3,556 last year. This year, taxpayers with one qualifying child and income of less than \$25,760, or with more than one qualifying child and income of less than \$29,290 can claim the credit. These are both up from the income levels last year.

Also, workers without qualifying children who earned less than \$9,770 were at least 25 but under 65, and were not someone's dependent, may get a credit of up to \$332. Taxpayers are disqualified when their passive income exceeds \$2,250 (up from \$2,200 last year).

For people thinking about filing for the EITC when they know they aren't eligible -- beware! False EITC claims could bar people from the credit for up to 10 years. This is a result of the Taxpayer Relief Act of 1997. The Act also prevents people who recklessly or intentionally disregard EITC rules and regulations from getting the credit for two years. Taxpayers who are denied the credit as a result of deficiency procedures, can't get it at all unless they provide evidence of

eligibility to claim the credit in future years. Paid preparers who fail to use due diligence on EITC returns may have to pay a \$100 penalty per return.

For 1997, the personal exemption amount for each taxpayer and for each dependent is \$2,650, up from \$2,550 in 1996.

"Again this year," noted Paul Harrington, IRS District Director for Delaware, Maryland and D.C., "most taxpayers will not have to itemize deductions but instead, can take advantage of the increased standard deduction."

- single taxpayer, up \$150 to \$4,150.
  - head of household, up \$150 to \$6,050.
  - married filing jointly, up \$200 to \$6,900.
  - married filing separately, up \$100 to \$3,450.
- Additional standard deductions for elderly/blind, however, remains the same as last year:
- single, age 65 or over or blind - \$1,000.
  - married, age 65 or over or blind - \$800 each.

For taxpayers eligible to be claimed as a dependent on someone else's return, the standard deduction remains the greater of \$650 or actual earned income, limited to the standard deduction

amounts listed above.

Most taxpayers will not have to look up their standard deduction in the tax booklet instructions. These amounts are listed right on the form.

Only about 30 days until spring arrives, look out for winter.

I would like to address the Youth Center this week. I would like to start by saying the Youth Center was opened under a (3) three year Criminal Justice Grant. The grant expired Dec. 31, 1997, and was not renewed.

However, there was a \$42,000 grant (one year) applied for and it looked like the youth center would be funded for one more year, but the grant was divided into giving a possible \$21,000 to the city of Harrington and the balance (\$21,000) to another town.

As I understand it from a conversation I had with Chief Frank Melvin, the \$21,000 is still available but must be spread over the full year. There is a way to keep the Youth Center open by accepting the \$21,000 and putting a police officer back in the Youth Center as director.

If you recall when the Youth Center first opened, its director

was a police officer, who did an excellent job as its director.

By placing an officer back in the Youth Center as director (the officer's salary is already being paid) it will allow time for the city to fund a possible long term grant if one is available.

With the officer's salary already being paid for the possible \$21,000, one year grant money and any contributions we might receive, the Youth Center will be able to keep the lights on at least for one more year, giving the City Council time to find funding.

The Harrington City Council had nothing to do with the Youth Center not being refunded with a grant. Your council is working very hard looking for funding.

Say "Hi" to your neighbor and watch out for our kids. Remember, if you have a question or need help, please call me at 398-3530.

## NOTES & NEWS

from the Harrington Business Community

by Linda Chick

A "Stitch in Time", the living history dramatic presentation hosted by Delaware Business and Professional Women, played to a standing room only audience last Friday evening. The Polytech (Denney's Road branch) auditorium was filled with sweet harmonies sung from the hearts of the Seven Sisters. Actually five sisters and two nieces appeared to tell the story of the Underground Railroad in song, dance and storytelling. The "sisters" from Clayton, New Jersey, have been traveling for the past five years with their unique entertainment form.

Integrated within the performance were spirituals sung acapella in perfect harmony, dances like the Cake Walk (similar to the Virginia Reel) and an IMPRESSIVE display of quilts, each one a story in itself. The sisters have been quilting for many years, a handcraft passed down from many generations of women. Their beautiful handiwork is the perfect medium for passing on history as well.

Each quilt had its own tender, heart-warming, sometimes sad, often funny story. The whimsical pieces depicted sets of hands or dozens of little boys pants, while the serious themes ran from the family history to a huge quilt with Jacob's Ladder motif. Quaker women hung quilts adorned with Jacob's Ladder to mark their homes as safe haven for slaves seeking freedom in the north. The entire quilt show was nearly a third of the 90 minute performance, and the audience hung on each word. A standing ovation was a fitting tribute for a tremendously uplifting evening.

The evening was sponsored by PNC Bank and NationsBank with proceeds to benefit the BPW/DE Foundation Scholarship Fund. Over \$2,000 will be placed into scholarships for Delaware women as a result. It was fitting too that the Seven Sisters appeared during Black History Month, a time of cultural reflection and celebration.

BPW seeks to weave into the tapestry of our organization a diversity that enriches the lives of each of us and of the group collectively. Our annual meetings bring together BPW sisters from the virgin Islands, Puerto Rico, Hawaii, Alaska, the midwest, the south and southwest, New Englanders and others from across the nation. Our origins are English, French, German, Italian, African, Caribbean, Scandinavian, Indian -- the list could go on. Our accents are as diverse as the corner of the country from which we hail. And, like the American melting pot of which we are a part, the BPW mixture is the richer for this tremendous diversity. Too bad that we only really appreciate our differences when we create special occasions just for that purpose.

**March 15** is the deadline for applicants seeking a BPW/DE scholarship. Applicants must be a resident of Delaware; must show proof of financial aid; must show proof of acceptance to a school before selection is made; may not be related to any member of the Board of Trustees. For information about the Foundation and scholarship awards, call Loretta Wooten at 302-335-3392 or 302-736-2242.

**April 1** is the last date for BPW/USA scholarships and loans requests. Applicants for scholarships must be women 25 years of age or older; a U.S. citizen; officially accepted into an accredited course of study; be graduating within 12 to 24 months from the date of grant; demonstrate need for financial assistance; and plan to use the training to up-grade skills for career advancement, to train for a new career field, or to enter or re-enter the job market. Applicants for loans must be a U.S. citizen; have academic and/or work experience showing career motivation and the ability to complete a course of study; and demonstrate financial need. For information, call BPW/USA Foundation at 202-293-1200, ext. 169.

**Tues., March 10** - The Harrington Business Association will meet from 8-9 a.m. at the Colony Inn Restaurant. Joan Burris, president of the Delaware State Chamber of Commerce, is the guest speaker. Breakfast is from the menu. For information, call Carl June, president, at 398-8123.

We invite our readers to respond to this column by sending letters to The Harrington Journal, P.O. Box 239, Harrington, DE 19952 or by calling Sound Off at 629-2050 or 678-8255.

## Harrington Police Report

On Feb. 10, Harrington Police arrested Daniel C. Fetterolf, 18, of Harrington, for DUI and related traffic charges. The defendant was also arrested for underage consumption of alcohol. He was processed and released pending future court appearance.

State Police Troop 5 in Bridgeville for commitment to SCI in default of \$8,900 bond.

On Saturday, Feb. 14, in the late evening hours, Harrington Police arrested David Sean Alston, 28, and Milton Dwayne Bullock, 25, both of Columbia, Maryland. The arrest came as the result of a routine traffic stop in which Alston was arrested for speeding. In addition, both men were arrested for possession with intent to deliver marijuana, maintaining a vehicle for delivery of marijuana, conspiracy 2nd, possession of marijuana, and possession of drug paraphernalia. 232 grams of marijuana was seized in the arrest. Alston and Bullock were processed at HPD and transported to Court 7 for arraignment. Both were released from court on \$6,000 unsecured bond pending future court appearance.

While on routine patrol, an officer of the Harrington Police Department observed a suspicious vehicle parked in a local lot. A check of the vehicle's registration revealed that the owner was wanted out of Sussex County Family Court as well as JP Court 2 and JP Court 2. The officer contacted the owner and arrested him without incident.

Arrested was Keith Parker of Craddockville, VA. He was transported to Court 6 in Harrington for processing and later turned over to

## Spartans lose in final seconds

By Deborah L. Dean

Lake Forest's second-quarter surge fell short as the Spartans lost to Salesianum 63-62 Saturday evening.

The Spartans led 35-26 at the half but were outscored 37-27 the rest of the game.

Junior Mike Stevenson lead the Spartans with 17 points while

freshmen Dorell Little added 11 for Lake.

Salesianum's Dan Stroud scored with five seconds remaining in the game when Lake Forest was unable to stop Salesianum's inbounds play. Stroud had a game high 29 points.

The Lake Forest boys host Smyrna Thursday in the final game of the regular season.

**AARON C. CLENDANIEL**  
Aaron C. Clendaniel, a 1995 graduate of Lake Forest High School, and the son of Henry Clendaniel of Milford, and Barbara Clendaniel of Harrington, recently enlisted in the U.S. Coast Guard and has departed for their Recruit Training Center in Cape May, NJ.

During his first three weeks of instruction, he will undergo intensive training in: seamanship, emergency first-aid, firearms instruction utilizing the 9mm pistol, damage control and firefighting techniques, physical fitness, and military drill.

In his fourth week of training, Aaron and his recruit company will be flown by a Coast Guard C-130 aircraft to Puerto Rico for their second phase of recruit training.

This training will be conducted aboard America's tall ship, the Coast Guard Cutter Eagle. The Eagle is a three-masted sailing ship built in 1936 and seized as a war prize from Germany at the end of World War II.

During this second phase, the Eagle will sail throughout the Caribbean and make port calls in Colombia, Venezuela, and Martinique. Then Eagle and her crew will make their way up the east coast to her homeport at the Coast Guard Academy in New London Connecticut. Aaron and his fellow shipmates will graduate on April 10th during a special ceremony aboard the Eagle.

## Independent Bible Fellowship Church News

On Sunday, Feb. 22, Pastor Simpson continued his messages from the book of Daniel. The text was taken from Daniel 10:1-21, and the title of his message was "Daniel's Great Vision".

Pastor Simpson reminded us that unless you know Christ as your personal Savior you cannot and will not understand portions of the Bible. As Christians we have the power of the Holy Spirit within us giving us understanding and knowledge of the scriptures. The more we seek to truly know and understand God through His scriptures, the more He will give us. Whatever we put into our Christian

growth is what we will get out of it.

Daniel was a man greatly beloved of God (v. 11). In verses 2 and 3 we see that Daniel fasted for three full weeks. He ate no pleasant bread or meat--he ate nothing at all. He spent time in prayer. How serious are we as Christians about our walk with the Lord today? Would we be willing to spend time in fasting and prayer? Because of Daniel's serious and deliberate actions that reflected his love and devotion to God, he was greatly beloved of God.

Society today does not seem to really care about God or what He

thinks. Our everyday lifestyle reflects how much we believe in God and how deep our faith in Him is. Society has taken the morals God has given us--morals given to help us and preserve us--and they have tossed them aside and ignore them and have twisted them by claiming that certain sinful urges "are in the genes". Society wants us to think God changes just as society changes. That God is our "buddy" --He is there for us just when we need Him.

This view completely contradicts the scriptures. The scriptures give us various descriptions of God. In Isaiah 6:1-3 we find a

description of the Lord. In verse 3 it says "Holy, holy, holy". In Revelation 1:10-18 we are given another description. In verse 17 we see that John fell at His feet as dead.

Pastor Simpson challenged each of us as Christians to strive to reflect our deep faith in Christ as Daniel did. To live every moment of our lives before the Lord Jesus Christ daily. Not just when we walk into the doors of church on Sunday or in the presence of other Christians, but in the privacy of our own homes.

God opens up more of Himself to those who yearn to see Him in His light. The closer we become to

Him through personal scripture reading and prayer, the more He will reveal Himself to us.

We welcome you to come and worship the Lord Jesus Christ with us. We are located on Route 14, east of Harrington.

## Pilgrim Chapel Church News

We are to live in Christ day by day. John reiterates the call to "walk in the light" as he is in the light. God is light. God is pure, without flaw, holy. There is no evil or sin (darkness) in Him at all. Sin breaks our relationship with God. Concealing sin and presuming upon God's gracious nature are inconsistent with walking in the light. We learn that salvation from sin is available by means of atonement, the shed "blood of Jesus" is payment for our sins. A great price required for the remission of sin - Christ's sacrifice covers "ALL" our sin.

In our Christian life we have an act of faith - confession. By turning to God in confession we acknowledge God is sovereign and Lord. We have assurance that He is merciful and He will listen and forgive. We are accountable to Him. Our confession is of our shortcomings, our short-sightedness and our weakness. It is possible for the fully sanctified to sin. God does not take away choice. We may sin through ignorance, inexperience, temptation, inattention, or choice. Regardless we learn of the remedy. The Holy Spirit pleads God's cause that we might be restored. It is

God's will and our potential through God's grace to remain in His will from salvation to eternity. The lesson came from 1 John 1:5-2:6 and 1 John 2:1. "The Advocate"

The morning worship brought forth many beautiful offerings of hymns and a special ministry of reading by David Legates. Garold Sherwood sang a beautiful song accompanied by his mother, Mrs. Grace Sherwood, on the piano.

Rev. Scott preached his sermon from Jeremiah 28:1-17. Only Jesus can satisfy your soul. We must be more mindful of what is being taught and who teaches. Consider if it bears the message of easy prosperity. Being happy is not always holy. What we see on TV or hear on the radio are not always right. We must take the time to find out what the Bible says and believe it to be the truth. Watch out for false prophets and turn a deaf ear on them. We must not rebel against God as that means death and believing in Him is everlasting life.

Our prayers to our Heavenly Father gave praise to Him - and in our hearts we ask for personal for-

giveness for our sins. I believe all our minds leaned to the uncertainty of the world affairs as we asked for God's help in keeping peace between nations. We asked that He steer our leaders to greater avenues and give them wisdom to lead us. We know that this peace starts within ourselves, then our neighbor, then encompasses our entire neighborhood. Then the city, state, one nation until the whole world can taste love and unity. This prayer can be accomplished by believing that it be God's will and that God wants us to live in this fashion. We pray that He will protect us and that all of His children can come to know and love Him.

To start the month of March, March 1, Sunday night at 6 p.m. Pilgrim Chapel invites one and all to come and enjoy some good old fashioned Southern Gospel music. The concert will be performed by the "Homeland Gospel Band". Then on Friday, March 6, the Sunday School is sponsoring a "Family Fun Night". Think about that and plan to share with us some great fellowship and games for all.

A thought: Let us hold His hand and sense His power and drive out the darkness and bring in the light!

## Asbury United Methodist Church

Lenten Season begins with Ash Wednesday Service on Wed., Feb. 25. The service of SILENT COMMUNION & IMPOSITION OF THE ASHES will be held at Asbury Church from 7-8 p.m.

**Sunday, March 1** - "United Methodist Men's Breakfast" at 7:30 a.m. Birthday Penny Sunday in Church School. Communion during morning worship service.

There will be a Lenten Bible Study to include five churches in our mission area: Asbury, Trinity, Prospect, Metropolitan and Houston churches. The schedule of locations for the Bible Study is as follows:

**Wed., March 4** - Metropolitan Church on West St.

**Wed., March 11** - Asbury Church on Weiner Ave.

**Wed., March 18** - Prospect Church on Vernon Road.

**Wed., March 25** - Houston Church on Broad St.

**BOWL-A-THON** - Sign-ups for sponsors and bowlers are now being taken by the United Methodist Men. See Harold Brode or John Church to sign up for the March 14 event to be held at the Milford Lanes.

**LAY SPEAKING SCHOOL** will be held Sundays, March 22 & 29 from 1:30-6:30 p.m. at Calvary UMC in Milford. Basic and Advanced Courses will be offered. Pre-registration is required by March 6. You may pick up a registration form in the church office. If you have any questions, contact Rev. Doug Lindsay at 302-684-8045 or Pat Dorey at 302-934-6962.

Rev. Herman will be conducting a **CONFIRMATION CLASS** for young people who would like to become members of Asbury Church. Anyone age 12 and up, and not a member of the church, is invited to attend. Please see Rev. Herman for details. Also, for those people who wish to join church on Palm Sunday with our confirmands, Rev. Herman will have a New Member Orientation session on March 24 at 7:30 p.m. at the parsonage. Please see him for details. The new Confirmands will be having a **LOCK-IN** on March 6 starting at 6 p.m. See Rev. Herman for details.

It is not too early to begin thinking about Summer at Camp Pecometh. Applications are now available from Mrs. Minner in the church school office.

We will be accepting donations to our annual Spring Auction. Contact Don Garey, Ralph Butler or Bobby Taylor, co-chairpersons.

The bus trip to "Sight and Sound" to see "Noah" has been moved to Saturday, Oct. 17. The cost is \$70 for person complete, with checks payable to Asbury UMC Church. Make your reservation with Rev. Herman as soon as possible.

Our Pastor, Rev. Herman Lipsius, and the family here at Asbury welcome all who wish to join us. We have an active Prayer Chain and you can call the chairperson, Eloise Shaffer, at 398-8930 with your prayer requests. We have large print bulletins and FM sound enhancement receivers. Simply ask any user for assistance. If you are visiting or new to our community we encourage you to join us. We have a private chapel for use anytime and the door can be closed for quiet communion with God.

Asbury United Methodist Church is found on the corner of Weiner Avenue and Liberty Street in Harrington. Sunday morning worship begins at 11 a.m. with nursery provided for all children age 5 and under. Church School starts at 9:45 and classes are available for all ages of children and adults. If you have any questions or concerns, contact the church office between 9 a.m. and 12 noon weekdays at 398-3390.

## Prospect U.M. Church

"For what shall it profit a man, if he shall gain the whole world, and lose his own soul?" (Mark 8:36)

Rev. James Carmean Jr. is the minister at Prospect Church which is located five miles west of Harrington on Route 14 in Vernon, DE. We invite you to worship with us. We have Sunday School for all ages at 8:45 a.m. and the Worship Service is at 9:45 a.m. Mary Lou Wright is the pianist and Vivian Newman was organist.

On Sunday, Feb. 22, Kevin Robbins was greeter. The introit by the choir was "I Was Glad". They sang "Tell Me His Name Again" for the anthem. Maureen Haldeman prayed the offertory prayer and Alison and Scott Haldeman were ushers.

Vivian Dill talked to the children about what it means to be baptized. Today we are going to have a baby, Mary Beth Robbins, sprinkled. Her brother J.T. was also sprinkled a few years ago. Her grandfather, Herman Zeitler, was baptized by immersion under water at Camp Pecometh. We must be faithful to God and to our church. We as members of the church must set an example for the ones being bap-

tized.

Mary Elizabeth Robbins is the daughter of Kim and Kevin Robbins. She has one brother J.T. Her grandparents are Mary Jane and Herman Zeitler and Elizabeth Robbins. A reception followed the service.

Rev. Carmean read scripture from Mark 8:31-38. The title of his message was "Follow The Leader". We must learn to follow our leader who is Jesus Christ. Sometimes we are challenged to the utmost. The hungry must be fed, the thirsty given a drink, the naked clothes and the prisoner visited. All this must be done when we follow the "Leader" and we should not be ashamed to do this. Jesus often tests us to see if we are truly following Him or just giving Him lip service. God wants you in His kingdom.

We welcome all our visitors this morning and invite them to return to worship with us.

**Thought for the week:** "Millions of angels are at God's command and at our service." -- Billy Graham.

We at Prospect had three wonderful nights of revival services.

## Search to find world's greatest granny begins

The search is on to find the world's greatest granny.  
The Washington Apple Commission announced the official beginning of its annual "Search for Granny Smith" -- a nationwide hunt to find the perfect grandmother to promote the state's famous green fruit.  
"We're looking for on-the-go grannies," said Jim Thomas, search coordinator for the commission. "Someone who personifies the helpful attributes of our apples."  
Thomas said a successful candidate should meet the following guidelines:

Wenatchee, WA 98807, and received no later than April 3, 1998.  
"We've extended the deadline this year so more grannies can participate," said Thomas. "Nominees don't need to have the last name 'Smith', and the photos sent to us, like our Granny Smith apples, should be in good taste."  
Last year's winner was 66-year-old Suzanne Lafond of Nashville, Tenn., a small business owner, community volunteer and avid exerciser. Lafond was selected out of thousands of entries from all 50 states to be the official "spokesgranny" for Washington's apple growers.  
She's been busy.  
"It's been a good year," Lafond said. "I've traveled quite a bit making TV appearances, talking to senior groups. Getting to meet so many people and seeing so much of the country has been a tremendous experience."

## International Women's Day Dinner set for March 4

Celebrate Women's History Month with some of today's history-making women at the 1998 International Women's Day Dinner on Wednesday, March 4, 5:30 p.m. at the Rehoboth Beach Country Club. Sponsored by the Owens Campus Alumni Association of Delaware Technical and Community College, the event benefits the Alumni Scholarship Fund.  
The dinner highlights successful area women and the contributions they make in all aspects of life. Featured speakers include Sally Higgins of Seaford, a trustee of the University of Delaware and a teacher/guidance counselor for over 30 years; Lois Stude of Milford, who served more than 25 years in various positions at Delaware Tech and is currently on the board of Bayhealth, Inc.; and the Honorable (Dorothy) Battle Rankin Robinson of Georgetown, an associate judge for Delaware's

Family Court for the past 12 years and a former Republican nominee for Lieutenant Governor.  
Serving as mistress of ceremonies is Dr. Harriet Smith Windsor, Director of Personnel for the State of Delaware. Presentation of the Jean LaRue Alumni Scholarship will be made by Eric LaRue, President of the Owens Campus Alumni Association, on behalf of his family.  
The Sussex County Council serves as Royal Underwriter for the event, and the Gold Underwriter is Atlantic Litho Printers. Other sponsors include the Agenda for Delaware Women, the Delaware Commission for Women, the Owens Campus Bookstore, and the Sussex Countian.  
For more information, including cost of the event, contact the Alumni Office at 856-5400, ext. 204, or to make reservations, call Lynn Wajda at ext. 353.

## Physical Activity in Your Daily Life

### AHA stresses importance of exercise for adults, children and older Americans

**GET IN ON THE ACTION!** Make Physical Activity a part of your life. Lack of physical activity is now clearly shown to be a risk factor for heart disease, the No. 1 killer in America.

**AT HOME -**  
What are the advantages of working out at home?

It's convenient, comfortable and safe. It allows your children to see you being active, which sets a good example for them. You can combine exercise with other activities such as watching TV. If you buy exercise equipment, it's a one-time expense and can be used by other members of the family. It's easy to get short bouts of activity in several times a day.

Do housework yourself instead

of hiring someone else to do it. Work in the garden or mow the grass. Using a riding mower doesn't count! Rake leaves, prune, dig and pick up trash.

Go for a short walk before breakfast or after dinner or both! Start with 5-10 minutes and work up to 30 minutes.

Walk or bike to the corner store instead of driving. When walking,

pick up the pace from leisurely to brisk. Choose a hilly route.

When watching TV, sit up instead of lying on the sofa. Better yet, spend a few minutes pedaling on your stationary bicycle while watching TV. Throw away your video remote control. Instead of asking someone to bring you a drink, get up off the couch and get it yourself.

Stand up while talking on the telephone.

Park farther away at the shopping mall and walk the extra distance. Wear your walking shoes and sneak in an extra lap or two around the mall.

Stretch to reach items in high places and squat or bend to look at items at floor level.

Keep exercise equipment repaired and use it!

**AT THE OFFICE -**

Most of us have sedentary jobs. Work takes up a significant part of the day. What can you do to increase your physical activity during the work day?

Brainstorm project ideas with a co-worker while taking a walk.

Stand while talking on the telephone.

Walk down the hall to speak with someone rather than using the telephone. Take the stairs instead of

the elevator. Or get off a few floors early and take the stairs the remainder of the way.

Walk while waiting for the plane at the airport. Stay at hotels with fitness centers or swimming pools while on business trips.

Take along a jump rope in your

suitcase when you travel. Jump and do calisthenics in your hotel room.

Participate in or start a recreation league at your company.

Get off the bus a few blocks early and walk the rest of the way to work or home.

Walk around your building for a break during the work day or during lunch.

**AT PLAY -**

Play and recreation are important for good health. Look for opportunities to be active and have fun at the same time.

Plan family outings and vacations that include physical activity (hiking, backpacking, swimming, etc.)

See the sights in new cities by walking, jogging, or bicycling.

Make a date with a friend to enjoy your favorite physical activities. Do them regularly.

Play your favorite music while exercising, something that moti-

vates you.

Dance -- with someone or by yourself. Take dancing lessons.

Hit the dance floor on fast numbers instead of slow.

**EXERCISE TIPS FOR OLDER AMERICANS -**

• If you have a family history of heart disease, check with your doctor first. It's a good idea to have a physical examination and take a graded exercise test before you start an exercise program.

• Pick rhythmic, repetitive activities that challenge the circulatory system and exercise at an intensity appropriate for you.

• Pick activities that are fun, that suit your needs and that you can do year-round.

• Wear comfortable clothing and footwear appropriate for the temperature, humidity and activity.

• If you decided that walking is a great activity for you, choose a place that has a smooth, soft surface; that does not intersect with traffic; is well-lighted and safe. Many older Americans walk at area shopping malls.

• Find a companion to exercise

with it will help you stay on a regular schedule and add to your enjoyment.

• Because muscular adaptation and elasticity is generally slowed with age, take more time to warm

ing. Make sure you stretch slowly.

• Start exercising at a low intensity, especially if you have been mostly sedentary, and progress gradually.

• If you plan to be active more than 30 minutes, then try to drink some water every 15 minutes, especially when exercising in hot, humid conditions. As you age, your sense of thirst tends to decrease and you can't completely rely on your internal sense of thirst.
