Horsman is new Harrington police chief

By Colin D. DeVault
Freelance Writer

In an executive session thirty minutes prior to its regular council meeting on Monday night, at which five councilmen were present, the Harrington City Council selected John E. Horsman as the city's new chief of police. Horsman, one of two candidates for the appointment, is a graduate of Delaware Technical College and the Delaware State Police Academy, and has worked with law enforcement departments in Rehoboth Beach and Greenwood, DE, and Federalsburg, MD.

Chief Horsman joined the Harrington Police Department in June 1985, and has been assigned such duties as patrol, criminal investigation, narcotics, and shift supervisor, and has been acting chief since an earlier vacancy. He has received numerous commendations, including a lifetime achievement award from M.A.D.D., the Governor's Certificate of Merit, and the Dover Police Distinguished Citizen Award, and was named Delaware's Investigator of the Year by Crime Stoppers in May 1997. The Chief also teaches Delaware Law at Polytech High School as part of a community outreach program designed to bring police and students closer together, and to provide positive role models in the school.

The new chief is married to the former Cindy McGhee, and has three children, the youngest a senior at Milford High School. When she graduates this June, the family plans

to move closer to Harrington.

The council also outlined the conditions under which the new chief can be employed by other than the City of Harrington, and indicated that he cannot work overtime speed enforcement since he is a salaried employee of the city.

After the installation of the new chief of police, the mayor made two presentations. The first was given to John Rathje of the Wastewater Treatment Facility for acquiring his Class IV Wastewater Operator's License; and the second presentation was to the Reverend and Mrs. Miller, longtime pastor of the Wesleyan Church in Harrington, on their 50th wedding anniversary.

Tom Worley, Comcast Director of Government Relations on Delmarva, made an informational presentation to the council and those citizens present, noting that Comcast is the third largest cable company in the U.S., with more than 100,000 subscribers on Delmarva. Mr. Worley reminded the council that Comcast, who took over Marcus Cable this past spring, has a franchise agreement with the city.

He expanded on several plans Comcast has for Delmarva, including linking the area with a fiber-optics network instead of the present microwave system, and

a channel line-up adjustment this spring which will bring the old Marcus channel line-up into alignment with already-existing Comcast subscribers.

Worley also reminded the council that under the city's agreement

Chief John Horsman

with Marcus, the annual rate adjustment took place on June 1st, but since Comcast had just taken on Marcus subscribers, they elected to wait until November 1st to initiate any rate adjustment for the present year. "We were concerned about how it would feel just coming in new and making immediate rate changes."

Those changes will be known within the next week or so, and the city will be notified. Worley also noted that the rates are determined by a federal formula, which takes into account the channels offered in the line-up, inflation figures, and the local subscriber data available. He also stated that Comcast has no plans to close the Harrington office.

The council also received a recommendation from the city's zoning commission, which met on August 10th, to approve a zoning change to allow for senior housing between West Street and Coleman Avenue.

Councilmen and citizens alike commented on the big improvement in

the area in the first phase of the work, noting that the work in the following two phases is greatly needed. The zoning commission's recommendation was unanimously approved by the council.

The council further heard the first reading on two city ordinances. Ordinance No. 98-03, which replaces Ordinance 92-02, addresses the sewer, water, and trash billing abatement, allowing the city to notify tenants whose landlords have not paid these city bills why their utilities are being shut off.

Ordinance 98-04 authorizes the raising of the realty transfer tax from the current 1% to the 1.5% allowable by Delaware State law. Both ordinances will receive a second reading on October 19th, and can be reviewed at the city manager's office.

Mayor William H. Porter noted that two appraisals have been sought to ascertain the value of the current Harrington fire hall, which will be up for sale when a new fire hall is built on Clark Street. The old fire hall is situated adjacent to city property, making a sale to the city a natural.

However, since the two bids were miles apart, it is possible a third appraiser, suitable to both the fire company and the city, will be asked to submit an appraisal. City manager Leonard Coryell noted that Dan Enterline was hired by the city, and gave an appraisal of \$210,000, while the fire company's figure was \$400,000.

Mike Whitecavage and an attorney representing Sprint Communications made a proposal

to the city council, asking permission for Sprint to attach digital phone and data equipment to the city's water tower. "This is a proposal that will have no cost to the city," Whitecavage said. "It will actually generate income for the city."

The agreement would net the city in excess of \$141,000 over 25 years, beginning at a rate of \$4,200 per year and increasing by 15% every five years.

Sprint will soon be connected from Philadelphia to Baltimore, and attempts to use already-existing facilities (like Harrington's water tower) rather than constructing new communications towers.

The equipment would run from the ground computer units up to the catwalk, where it would be attached to nine antennas. When asked, the council was assured that Sprint would be responsible for any injuries to Sprint personnel during installation. The city would only be responsible for any injuries due to negligence on the part of the city. Mr. Coryell indicated that the City Solicitor had already reviewed the proposal and have given his go-ahead. The council approved the measure without further question.

Other business brought before the council included the approval of Harrington Public Library's long-range plan. The five-year plan, which was reviewed in last week's Harrington Journal, was accepted as proposed, the mayor noting that any specific changes recommended by

Heritage Day big success

By Gene Price
Special to The Harrington Journal

Harrington, 6 a.m., already members of the Heritage Day Committee were on duty throughout town readying for the crowds that would be attending the 20th annual Harrington Heritage Day festivities. They day began under overcast skies but before long the clouds gave way to bright sunshine that lasted the entire day. Heritage Day 1998 will go down as one of the most successful in its 20 year history.

Thousands of people attended the day-long event that officially began with a parade down Commerce Street at 10:30 a.m.

Immediately following the parade the focus was on the Harrington Post Office where a Dedication of a Plaque denoting 100 years of Rural Route Delivery took place. Representative Bobby

Quillen helped with those honors. Also attending were Steven Smith, National President of the National Rural Letter Carriers Association, Rus McCabe, and State Archives Department.

Karen Crede was sworn in as the new Postmaster of the Harrington Post Office by Sally Boudart, Post Office Operations Manager and guest Doug Shiflet, Post Office Operations Manager.

Harrington's own, Frank Collins received a special presentation for his 30 years of services to the U.S. Postal Service.

The Opening Ceremonies began at noon at the Entertainment Stage at the Senior Center. Keynote speaker for the day was Joe Gannon.

The Heritage Day Committee presented two annual awards to a business and an individual who embodied the Volunteer and Community Spirit throughout the year. This year's recipients were Robert Taylor of Taylor's Hardware

and Burreis Foods, Inc. of Harrington.

Entertainment from the stage area included The Jones Boys Band, Carolyn's Martial Arts, Alex Benson and Friends and John Simpson.

Keep in mind that all day long the streets were full of people browsing over 100 craft booths on Fleming and Dorman streets. Every description of food could be found around town from crab cakes to Hawaiian Shave Ice.

New this year was a Beanie Baby show on Dorman Street. The Heritage Day Committee sponsored three fund raisers to help defray costs for the day. These included auctioning a basket of Beanie Babies, the raffle of the #1 Heritage Day Commemorative Basket and a 50/50 cash raffle.

One busy area was the Dunking booth on Commerce Street. It seems there were no loss of willing "base-

Porter, Linton "throw hats" into mayoral race

By Colin De Vault
Freelance writer

With just under two weeks left before the filing deadline of Tuesday, October 6th, two more candidates have filed applications for the mayor's race in Harrington. Mayor William H. Porter has filed for reelection, and Winston Linton has joined an earlier candidate, Philip Fluhr, in a bid to unseat the mayor for the next two-year term as the City's chief executive.

In August, Philip Fluhr was the first to announce his candidacy for the office. He had served as a city councilman from the 6th ward until he moved to another part of the City and had to step down. Clarence Black was appointed to complete Fluhr's term, and has also filed an application for his first elected term as councilman from that ward.

Winston Linton

anxious to get back in office. "I miss the people!"

"There were a number of projects that we were able to get started on when I was mayor before, and I'd

like to get some of them moving again," he said, mentioning a truck route around the City to avoid having heavy equipment moving through the City's streets. "I think that could very well be part of the problem on Clark Street," he continued. "Trucks bounce on the street and break water lines under the street."

Mr. Linton talks about how "the citizens joined with him in pursuit of a 'better city' during his six years as mayor. 'I'm asking for their support to return to office,' he said.

In a telephone interview earlier in the weekend, however, Mayor Porter made it clear that he does not intend to give up his leadership of the City.

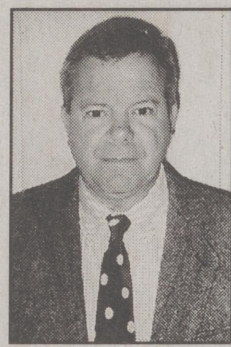

A Harrington native and a lifelong resident of the City, Mr. Porter served eight years on the city council, and two years in his first term as mayor.

"These ten years of public service for the citizens of Harrington can pretty much speak for themselves. I don't have anything in my [voting] background to be ashamed of."

"I'm not a closed-door person. In ten years of leadership, I've been accountable to the people! They know who I am, and that I'm not going to do anything that will affect this community adversely. I was born and raised here, went to high school here, got married here, and raised my family here. I've never lived anywhere else, and I'm not leaving here!"

When asked to name the biggest issue facing the City in the next two years, and what he'd like to accom-

plish in a second term, Mr. Porter talked about the need to maintain controlled growth while holding down the tax base for Harrington citizens. "We've got to maintain

Mayor William H. Porter

the services to our people," he said, "but we've got to be careful about increasing the costs."

The mayor then gave me an example. "Through a referendum, we accomplished the Farmington sewer deal" he said proudly, "which was a win/win situation. The residents of Farmington got a new sewer system, and by adding them, the City of Harrington was able to get a grant to cover the cost of the State-mandated upgrade."

In his final comments, Mr. Porter noted that until the day before he

filed his application for reelection, he wasn't sure he would run. "My wife and I are facing a lot right now, but I believe the town needs my leadership." He promised it would be a no-frills campaign. "No gimmicks, no fancy advertising," he said. "I'm running on my record. If you're doing a good job, they'll put you back in office."

Others who wish to vie for the office have until 4:00 p.m. on Tuesday, October 6th, the filing deadline. The election will be held on Tuesday, November 3rd.

Felton Council meeting focuses on city services

By Debbie McClements
Freelance writer

Felton Town Council held their monthly meeting on Monday, Sept. 14. Discussion was focused on the ongoing construction. New sidewalks have been installed on many of the streets, however, those that are funded but not yet completed are south side of High Street, and the west side of Walnut Street.

Town council has applied for a \$90,000 grant from Senator Nancy Cook and Rep. Bobby Quillen for more sidewalk construction. Senator Cook and Rep. Quillen have been instrumental with implementing grants to improve Felton in recent years. A grant was requested for \$200,000 from the Delaware Development Department to install

new piping to correct storm water problems. Ditch enclosures have also been funded. Those not yet completed are on the west side of Walnut Street.

Beginning in September a new contract was awarded to enclose the ditch from main Street to the north side of Kerry Circle. The construction will continue westerly to the Felton West ditch to divert water that passes through Kerry Circle and Woods Edge Lane ditch.

Since the installation of the new water tower, water improvement efforts have continued. American Water Wells was awarded a new project to construct a distribution water system to a 629 foot deep well. This construction will complete the new water system and has natural ingredients with little or no

chemicals added. Completion of this project is expected by October 1998.

Another issue discussed at the meeting was the excellent service provided by the Felton Fire Company. The dedication and loyalty shown by the volunteers is admirable. Residents are asked to place their 911 addresses on their homes as soon as possible.

Council will no long issue warnings for loose dogs. The loose dog law is now Delaware State Law. First offense is citation, trip to JP Court and a \$25 fine. Second offense is a \$50 fine.

Parents of skateboarders are reminded to pull their equipment off the roadway and to pick up their trash. This will ensure you the continuation of this privilege by the council.

Hockey team ends long week loss

by Deborah L. Dean

The Lady Spartans battled to 1 win and 2 losses this week as they faced three tough competitors. The team traveled to Cape Henlopen last Tuesday but were unable to come away with a win. Cape Henlopen won 2-1. With just over two minutes left in the game, Lake's Summer Bennett scored. Stacey Webb had five stops in the goal for

Lake Forest.

Milford proved to be an easy win as the Buccaneers wooped up on the Buccaneers winning the game 5-3. Among those scoring for Lake Forest were Jordan Jack (2), and Cora Gerardi (1).

Saturday afternoon found the girls on the field again, hosting St. Andrews. Fighting an uphill battle the teams battled to dominate the field. St. Andrews was leading 1-0

at half-time. Lake Forest stepped on the field ready to take control of the second half. After several drives to control the field, a tired looking forward line had several brilliant plays, fighting their way into the St. Andrews circle, but time and again found themselves unable to score. One Spartan ball that found it's way past the St. Andrews goalie was called back, no goal. St. Andrews scored again in the second half to win the game 2-0.

LF gridders lose to Seaford

by Deborah L. Dean
Freelance writer

Friday night, the Lake Forest varsity football team, and many

fans, traveled to Seaford to play the Blue Jays in what proved to be a battle to the very end. Early in the game, with 5:32 left in the first quarter, Seaford ran the ball in for a touchdown but were unable to capitalize on the extra point. Seaford leads 6-0. Not to be outdone by flighty Blue Jays Lake turned on the speed. Victor Benson ran the ball 70 yards for Lake's first score. The Spartans then lined up, going for two points, but failed. The game is tied 6-6. Lake performs and recovers a spectacular onside kick for 10 yards. Lake is again in possession of the ball. They men of the gridiron are unable to capitalize on this possession.

Quinton Marshall stepped up, and over, a Seaford Blue Jay to stop their punt returner at the 19. Not to be outdone, Eric Rust's tackled a Blue Jay resulting in a turnover that Lake recovered. The offensive team stepped on the field determined to score. The next possession found Victor Benson in the end zone scoring both the touchdown and the 2 point conversion. Lake

has pulled ahead 14-6 at the end of the first quarter.

The game didn't go as smoothly in the second quarter. Although the prospects seemed bright after Eric Rust sacked the Seaford quarterback a series of errors plagued the Spartans. A spartan touchdown was called back due to a holding call. Seaford capitalized on the field with a touchdown, but again the extra point was no good. At the end of the half Lake Forest leads 14-12.

The second half game did not provide the razzle dazzle of the first half. Both teams battled to control the ball but didn't play with the same energy as earlier. Seaford was able to score when Lake missed a crucial tackle. Seaford continued to face problems trying to score the extra point, but they now lead 18-14.

In a dazzling end of game performance Lake Forest brought their fans to their feet in anticipation of a last minute scoring opportunity. Victor Benson ran the ball for a 30 yard gain. Art Noell followed with a carry for 9 yards. Lake Forest was in scoring range when time ran out on the clock. Seaford won the battle 18-14.

Spartans nip Ursuline at Lake Forest Invitational on Saturday

by Keith S. Burgess
Freelance writer

Lake Forest cross-country coach Jim Blades orchestrated another superb Lake Forest Invitational, number 41 in fact, and saw his unranked girls' team knock off the number 1 ranked Ursuline team.

This year's thirteenth extravaganza was the largest ever with 40 teams including a college division race put together by Wesley College's Chris Kenton. Fourteen races were held. Some 1200 athletes, some as young as eight competed.

The girls small school race was won by Spartan star Nicole Faries in 1996-97. Faries was under the weather this time but ran a strong 20:22 garnering fifth place. Ironically, that was 21 seconds faster than the big school winner.

Another budding superstar, 14-year-old freshman, Holly Wilson, was third in 20:09 for Lake Forest.

Talented Spartan junior, Tina Knotts was 11th in 21:45 putting her at No. 8 on the coveted all-time top ten chart at LFHS. Tina's uncle, Harry, was overall state champ in 1960.

A strong Spartan freshman, Lena Ewing was 14th in 21:57, narrowly missing top-ten status, in only her third varsity race.

Senior Danielle Main was the fifth Spartan in sealing the upset. Twenty schools ran in the race.

Ben Oyerly was 13th in the boys test with a very good 17:53. J.J. Laskiewics was close to the top 15 of 120 runners.

The "open" girls' race features primarily 7th and 8th graders but some elementary pupil do very well indeed.

Allison Wilson, like her older sister Holly, is a surprisingly strong runner, though she is just an 11-year-old sixth grader. Allison is a student at East Elementary in Frederica. With the Wilmington contingent from the 7th and 8th CYO League present Allison was 5th in the large field of mostly older, more experienced rivals.

Wilson cruised 1.7 miles in a swift 9:15. Katie Kindig, an 8th grader, ran very well and should do well at LFHS in 1999. Seventh grader Colleen Gleeson, the latest addition from the running Gleesons, was only five seconds behind Katie. Lauren Jumper also ran well for Baxter Smith's Chipman squad.

Ryan Collins (11th) and Joe Hrupsa (14th) made the award group in the boys' race. Bob Tjaden, Bryan Stubbs and Morgan Kremer did well for W.T. Chipman. Cari Collins and Marcus Woodward medaled in JV races.

Chris Kenton's Wesley College harriers were fourth in college competition behind Jeremy Dobronski, ex-Caesar Rodney runner, and Rusty Melvin, Bruce Morris and Clay Beauchamp, all former Spartans. Others were Joe Galanti, David Behringer and Adam Ritsenthaler.

Angela Brown, former Spartan star was seventh for Wesley in the ladies race. Others for Wesley were Gail Norheim, Courtney McGeary and Amanda Twardus, ex-Spartan.

Coach Kenton is interested in getting more Wesley students to join his teams in order to field full squads for all races.

Soccer season starts in a slump

by Deborah L. Dean
Freelance writer

It has been a rough start for the Lake Forest High School soccer team. The team has an 0-3 record after posting losses to Smyrna (4-2), Sussex Tech (3-1), and Sussex Central (8-2).

The Spartans were leading 1-0 at half-time against Sussex Tech. Before the Ravens rallied with two goals to win the game 3-1. The upset of the week came against Sussex Central.

John Zimmerman started in the

goal for Lake, but after 6 goals were scored against them he was replaced by freshman Jason Bauer. Sussex Central took two shots, scoring two goals against Bauer to put the game away with a score, resembling a baseball game, of 8-2.

The team has not lost faith, senior John Zimmerman believes they can beat Delmar, who they play this week. The game against Delmar could be the catalyst to turn their record around. The team faces Delmar, Milford, and Seaford this week.

Notes & News

By Linda Chick

Congratulations, Bobby Taylor, the Burris Family

Two family businesses were honored Saturday as the Heritage Day Achievement Awards were presented for community involvement. Bobby Taylor's 60th year and his years of involvement with Taylor's Hardware are one and the same. His parents brought him to the corner hardware store in a clothes basket when they were young entrepreneurs. Growing up in the store gave Bobby a unique opportunity to meet and get to know people. Today those long time friends and acquaintances rely on Bobby and Taylor's Hardware for a variety of needs.

Bobby is an anchor for the business community. He was an active member of the Chamber of Commerce (since disbanded) as well as being instrumental in forming the Harrington Business Association. It is Bobby who is called on when you need to know something---anything.

Bobby is often teased about being Harrington's unofficial mayor; he certainly is the town's good will ambassador. Always cheerful, helpful and generous with his time, talents and possessions, Bobby Taylor is most deserving of the 1998 Individual Achievement Award.

The Business Achievement honor went to Burris Foods, a food distribution network with operations in Milford and Harrington. Robert Burris, great-grandson of the founding elder, and Larry Passwaters, manager of the Harrington plant accepted the award.

Burris Foods began delivering bread and bakery products five generations ago. Today the operation concentrates on frozen foods distributed from the Harrington warehouse complex. With 250 employees at the site, the economic benefit is tremendous.

The Burris Family, like the Taylor's has an age-honored dedication to the community. Congratulations to Jack Burris, Bob, brothers, sisters, nieces and nephews, sons and daughters, husbands and wives who carry on the tradition.

Patience Calms the Wild Horse

David Seay has used the virtues of patience and kindness to save lives. Mr. Seay has been "gentling" wild horses and burros for years and often travels with the BLM's Wild Horse and Burro Adoption Program to demonstrate the technique. He came to Harrington last weekend and left his audience amazed and with a new respect for the animals he loves.

This is the third year the Bureau of Land Management has used the Quillen Arena as headquarters for the Mid-Atlantic adoption. The audience has grown each year. Many horse owners were in the crowd anxious to learn more about animal behavior; others came to adopt; others to see Mustangs, saved from western ranges that no longer support their numbers.

A Friday seminar taught by Mr. Seay focused on animal communication. It was evident that fear best describes the wild animal in captivity. Allaying that fear calmly and gently were foremost in gaining an ability to approach the mustangs. And as dog and cat owners know, body language lets you know how close you can go.

Young and Full of Wonder

The Wonder Years Kids Club has the perfect name for their after school program. Kathleen Cagle and Judith Williams want to capture the natural curiosity of children in the program they hope to open in December.

Construction has just begun with site preparation and final submission of plans to licensing bodies. The building will be 5,000 square feet with an additional 3,000 square feet of playground space. Located near the new Food Rite complex, the site will be convenient for parents physically and hours are being set according to parent needs.

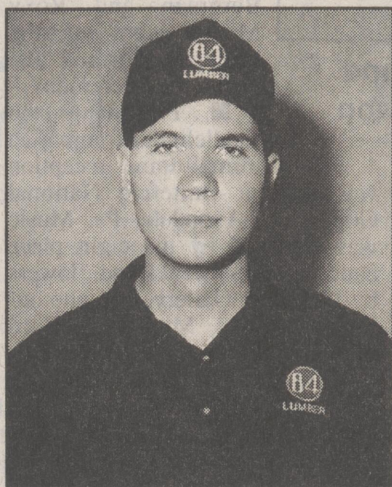

Owners, Kathleen Cagle and Judith Williams, both of Harrington, envision the Wonder Years as a "mini-vo-tech". They will offer wood crafts, horticulture, mechanics, home economics, photography, Junior Achievement and other hands-on programs. Computer skills and tutoring will also be key to their program. In addition, an exercise area is planned to keep kids fit and burn off energy.

The program will have a capacity of 120 children from first to sixth grades and will employ a staff of 8. For information, call 398-0563.

84 Lumber, the nation's largest privately owned building materials retailer has hired Duane Rust, as Manager Trainee at the 84 Lumber in Wye Mills, Md. Len's Corner

By Leonard Coryell, Harrington City Manager

What a great day Saturday, September 19, 1998 was. Weather, entertainment, food, vendors of all kinds made up one of the best Heritage Day celebrations the City of Harrington has had.

The Heritage Day Committee, under the leadership of Ruth Peterman and Donald "D.D." Derrickson did a magnificent job putting everything together.

I would also like to acknowledge our City Police Department and our Fire Department for the great job they did on Saturday.

Last but not least, I would like to thank our dedicated Public Works Department for the excellent performance of their duties. These young men helped with all aspects of the days festivities.

It is a pleasure to see everyone put aside any differences they may or may not have, to come together as "one community" to celebrate their heritage.

Say "Hi!" to your neighbors.

Watch out for our kids and remember, if you need help or have a question call me at 398-4477.

We invite our readers to respond to this column by sending letters to The Harrington Journal, P.O. Box 239, Harrington, DE 19952 or by calling Sound Off at 629-2050 or 678-8255.

New \$20 to be distributed

On Sept. 24 banks and other depository institutions will begin receiving the first shipments of the new \$20 bills from Federal Reserve banks and branches around the country. The new notes will be available to customers in the days and weeks to follow.

There will be no recall or devaluation of the older-series notes, which will be removed from circulation as they wear out and are replaced with the new bills.

News for Kids from a Kid's Point of View

By Amber and Blaire Eecenrode

Q: Why was Cinderella such a bad baseball player? A: She kept running away from the ball!

September 27, 1774 is the birthday of our American folk hero, Johnny Appleseed. Many stories have been told about the man who

travelled to the wilderness of our country, planting appleseeds. His real name was John Chapman, he was born in Massachusetts. His family had orchards where he learned all about planting, growing, and harvesting apples. He decided to move west and spent his time clearing land and planting orchards along the trails the pioneers would follow. Johnny taught many Americans the value of the apple.

Q: Why was the bride crying at her wedding? A: She didn't marry the best man.

Happy belated birthday wished to Uncle Ken Bush.

Q: Why did Washington cross the Delaware? A: Because the chicken needed a ride.

Sorry to hear that our good neighbors Frank, Cindy, Tommy and Frankie Hrupsa will be moving. Hopefully not too far away. We'll miss ya!

Q: What do you call a snowman in June? A: A puddle.

Blaire and I have some good news and some bad news. The good news is Blaire got her yellow belt in karate.

The bad news is I got cut from the field hockey team. They asked me to be manager but I declined because I have a lot to do already. I'm going to keep practicing and try again next year.

Q: All the letters of the alphabet were invited to tea. Which ones were late? A: U,V,W,X,Y and Z. Because they came after T.

Blaire went with Ryan Rust and his family to Bonanza. Connie Pleasanton and I went to Frankie Hrupsa's and rode his 4-wheeler and his golf cart.

Q: What kind of garden does a baker have? A: A flour garden.

We did lose a very special member of our family the other day. Our cat, Pebbles. We found him in the road. Whoever hit him didn't even let us know. "Thanks a lot," Blaire cried for three hours. We'll miss him.

Q: Why did the clown practice his act by the lion cage? A: He loves to hear the audience roar!

Until next week, bye!

We urge organizations such as the Lions Club, 4-H Chapters, Little League, the American Legion, the Moose Lodge, the Century Club, Harrington's Youth Center and local business to bring in articles of interest as well as related photos

Houston Community News

By Pauline Morgan

Sunday Worship Service at Houston United Methodist Church is at 9:30 a.m. Sunday School, for

all ages, immediately following at 10:30 a.m. Rev. Herman Lipsius is the minister. All are welcome to worship with us.

Last Sunday Rev. Lipsius was

unable to attend and William Fisher delivered the message "Peace On Earth? How?" Ruth Layne spoke to the children about "heaven." The choir sang "Since Jesus Came Into My Heart."

Mrs. Ella Simpson was greeter. Mr. and Mrs. Frank Williams were ushers. Richard Layne was acolyte.

The rose on the piano was placed in honor of the birth of Andrew Allen Dufendach, born Wednesday, Sept. 16. The proud parents are Mr. and Mrs. Mark and Debby Dufendach, his sister, Devon and grandparents, Nera and Mark. OUR congratulations to them all.

Congratulations are also extended to Brenda and Carlos Villa whose daughter, Brynn Analise Villa was born on Aug. 31. They also have one other daughter.

Mrs. Pauline Morgan attended

the view of Mrs. Ina Hughes, formerly of Felton. The viewing was held at the Melvin Funeral Home in Harrington. Ina passed away Tuesday, Sept. 15. My sincere sympathy to her family.

On Monday evening, Sept. 21, Mrs. Pauline Morgan and Ms. Connie Morgan attended the retirement dinner honoring Ms. Mary Morris of Dover his is retiring from the Motor Vehicle Department in Dover. The dinner was held at the Olive Garden.

At the Administrative Council of Houston Church last week, a Homecoming Service was planned to be held on Sunday, November 1. Further plans will be announced later. I trust many of our former members and friends of the church will plan to attend.

Warmouth/Johnson

Lora Ann Warmouth and Timothy Nelson Johnson

Lora Ann Warmouth and Timothy Nelson Johnson were united in marriage at 5 p.m. on April 25, in St. Paul's United Methodist Church, Wilmington.

The bride is the daughter of Dr. and Mrs. Whitfield E. Warmouth of Milford and the granddaughter of Paul and Rose Warmouth of Wilmington and Samuel and Blanch Coverdale of Middletown.

The groom is the son of Mr. and Mrs. Irvin C. Johnson of Runnemede, N.J.

The matron of honor was Lisa Strusowski of Newark, sister of the bride. The bridesmaids were Deborah Volkwine and Kimberly Johnson, both of Runnemede, N.J., sisters of the groom; Kamela Harbert of Middletown and Amanda Brewster of Newark, both friends of the bride; and Cheryl Wamsley of Scranton, Pa., cousin of the bride.

The best man was Michael

O'Hare of Newark, friend of the groom. The ushers were Robert Johnson of Cherry Hill, N.J., Dennis Johnson and Irvin Johnson, both of Runnemede, N.J., all brothers of the groom; Daniel Kandra of Landenberg, Pa., and Ronald Harbert of Middletown, both friends of the groom.

A special poem written by the bride to her groom was read by Marjorie Kandra, friend of the bride and groom.

The Revs. Roland Bergman and Roxy Moses, aunt of the bride, performed the double ring ceremony.

Following the candlelight ceremony, a formal dinner reception

was held at Hartefeld National Golf Club, Avondale, Pa. Music was provided by the eight piece band, James Vincent Band, flowers by European Gallery, and photography by Michael Ford Photography.

The bride is a graduate of Milford High School and the University of Delaware. She worked as a branch manager for four years at PNC Bank and is presently pursuing her Masters in Business Administration full-time at the University of Delaware.

The groom is the proprietor of Caffè Bellissimo Restaurants located in Wilmington, and Springfield, Pa.

The couple enjoyed a 10-day honeymoon in Ochos Rios, Jamaica at the Sans Souci Grand Lido Resort and they currently reside in West Chester, Pa.

Asbury U.M. Church News

27 - Church Family Picnic at Harrington Moose Lodge at 1 p.m. Bring your own place setting and a large covered dish. Meats, rolls and beverages will be provided. We'll have lots of games and fellowship so don't miss this great time of fun. Gift wrap orders are being taken at the table in Collins Hall to benefit Asbury's Music Ministries. There are several samples of the wrapping paper and accessories plus other gift items. Place your orders now and no payment is due until

delivery is made. Deadline for placing orders is Oct. 4, so you will get your wraps in time for the holidays. Our pastor, Rev. Herman Lipsius, and the family here at Asbury welcomes all who wish to join us. We have an active Prayer Chain and you can call chairpersons Frances Mason at 398-3410 or Eloise Shaffer at 398-8930 with your prayer requests. We have large print bulletins and FM sound enhancement receivers. Simply ask any usher for assistance. If you are

visiting or new to our community, we encourage you to join us. We have a private Chapel for use anytime and the door can be closed for quiet communion with God. Asbury United Methodist Church is found on the corner of Weiner Avenue and Liberty Street in Harrington. Sunday Morning Worship begins at 11 a.m. with nursery provided for all children age 5 and under. Church School starts at 9:45 a.m. and classes are available for all ages of children and adults.

Fall Revival at Pilgrim Chapel

Pilgrim Chapel will be holding a week of special services featuring camp-meeting style music and old fashioned preaching beginning on Sept. 27. On Sunday, Sept. 27, the week will be started with a special concert at 6 p.m., featuring the Triumphants from Salisbury. At 7 p.m. nightly through Saturday, Oct. 3, local musical talent and ministry from the

Word will be featured. The scheduled ministers include: Monday - Mr. Barry Townsend Tuesday - Rev. Herman Fry Wednesday - Mr. Doug Fluharty Thursday - Mr. John Murphy Friday - Rev. Larry Pritchett Saturday - Steve Peterman Finally, our week of revival services ends with a special Homecoming service on Sunday,

Oct. 4, at 11 a.m. Rev. Liston Moyer will be the featured speaker. Rev. Scott and the congregation of Pilgrim Chapel cordially invites everyone to attend each service. Pilgrim Chapel is located on the Milford-Harrington Hwy. (Rte. 14), 2.5 miles east of Harrington. For full details about these services or any other questions call 398-9344.

A Nice Jewish Girl's Journey From Nashville to Nazareth

Can anything good come out of Nazareth? "Yes!" says Susan Mendelson of Jews for Jesus, "The greatest Jew who ever lived-- the promised Messiah of Israel!" Now Pastor Paul Stauffer of the Bethany Church of the Brethren, 133 School Street, Farmington, Del., invited you on a musical pilgrimage to the birthplace of your Christian faith with Susan Mendelson, Oct. 7, 1998, at 7 p.m. Following her graduation from

the Crane School of Music at the State University of New York, Mendelson pursued a career in country music-- but now she's singing a different tune, and she's singing it to Jesus! "I suffered from stage fright for years and didn't know where to turn," explains Mendelson. "Finally, after a devastating attack of performance anxiety in 1989, and a 'near miss' in 1990, I cried out to God for help-- and in that cry, I met

my Messiah." In 1992, this nice Jewish girl from Long Island, joined Jews for Jesus Traveling Music Team, the Liberated Wailing Wall. As music director, Mendelson toured the U.S. for 18 months singing Jewish Gospel Music, evangelizing, handing out tracts on street corners and creating many of the vocal arrangements for the team's 1994 album, David's Hope.

"See You at the Pole"

By Debbie McClements
Freelance writer

On Wednesday, Sept. 16, students from Lake Forest North and W.T. Chipman came together with teachers, administrators, and pastoral leaders to gather around the flag poles of their school to pray for guidance, protection, and ask God to bless them in the coming year. The ceremony is held nationwide but has not received the recognition it deserves in this area. Assistant Pastor of the Calvary Wesleyan Church in Harrington, Ken Shaw, decided to put more energy behind the event and bring it to the attention of the community. Pastor Shaw led the group in song then gave a brief sermon. In his sermon he spoke of how the country is in trouble and this coming together was a way to bring forth healing. Senior Troy Harrington of Lake Forest High, read from scripture then addressed the assembly on how

important prayer is to everyone, especially students. Prayer is a direct line to God and can affect your life in a major way. Troy continued saying He needs to hear from us. Another member of the group went on to say that we are living in a "no generation." It's time to say yes to God. The national time frame for the event is 7 a.m. The ceremony took place at Lake Forest High School at 6:45 a.m. with Principal Carr, Roger Hovermale and other faculty members in attendance. W.T. Chipman held their ceremony at 7:45 a.m. with 17 in attendance. A rally was planned for 7 p.m. Wednesday night at the Calvary Wesleyan Church to continue the event. Assistant Pastor Shaw hopes that word of this gathering will spread, and the numbers will be larger next year. He says it is a great way for students, government, administration, and the community to come together and bring about change.

The auction to benefit the Youth will be held Saturday, Sept. 26 at 6:30 p.m. The Youth of the church are attempting to raise enough money to go to Cincinnati, Ohio in Dec. for a Youth Conference. There are 53 students and chaperones going. Scrupple sandwiches and hot dogs

will be served at the auction. Monday: Youth BB 7-8:30. Tuesday: Foundation Bible Study 9:30. Wednesday: Dinner at 6 p.m., Youth Ministry at 6:55 p.m., Clubhouse & Adult Bible Study at 7 p.m. Saturday: Auction at 6:30 p.m. Sunday: Sunday School at 9:30 a.m.,

Morning Worship at 10:45 a.m. and Video "Apolapse" at 6 p.m. Apolapse will be shown on Sunday at 6 p.m. and the public is welcome. This is an exciting video on the "end times." A nursery is provided for all services.

Prospect United Methodist Church

"And his father, Zacharias was filled with the Holy Ghost and prophesied, saying, Blessed be the Lord God of Israel, for he hath visited and redeemed his people." Luke 1:67-68 Rev. James Carmean Jr. is the minister at Prospect United Methodist Church which is located five miles west of Harrington on Route 14 in Vernon. Mary Lou Wright and Alison Haldeman are pianists and Vivian Newman is the organist. We invite you to worship

with us. We have Sunday School for all ages at 8:45 a.m. and the Worship Services is at 9:45 a.m. On Sunday, Sept. 20 Terry Woodward was greeter and Marcus Woodward was acolyte. The Introit by the choir was "I Was Glad." They sang "How Great Thou Art" for the anthem. Charles Taylor prayed the Offertory Prayer. Audrey and Al Govatos were ushers. Rev. Carmean read scripture from Luke 1:67-80. The title of his sermon was "From Out of Darkness

Into the Light." Whenever you have a church doing good works you will find that they are filled with the Holy Ghost. The Holy Ghost is the one that maintains us today as it was back in Zacharias' days. God works a miracle sometimes in the darkness, when you look up out of the darkness you will see the light. Sept. 28 at 7:30 p.m. the Administrative Board will meet. THOUGHT - Jesus Christ, the great physician, heals our souls.

Ina L. Hughes, 90

HARRINGTON - Ina L. Hughes of Harrington died Tuesday, Sept. 15, 1998, in Bayhealth Medical Center-Milford Memorial Hospital. She was 90.

She was born in Frederica to the late Calvin and Lena Langrell.

Upon graduating from the University of Delaware, Mrs. Hughes began her teaching career at Caesar Rodney, where she taught for two years. She then taught at the Felton School for over 41 years, teaching fourth-graders. Her greatest teaching accomplishment was that she only missed one day of school in those 41

years. Mrs. Hughes retired in 1970 from the Felton school but remained for several years as a substitute teacher.

She played the organ for the Felton United Methodist Church for many years. She was a member of the Felton Avon Club and also a lifetime member of the Community Fire Co. of Felton, of whose ladies auxiliary she was an active member. Mrs. Hughes was also active in the Harrington and Frederica senior centers, where she played the organ for them on many occasions.

In addition to her parents, Mrs. Hughes was preceded in death by her son, Harry Lee Hughes.

She is survived by her husband of 69 years, E. Reed Hughes of Seaford; three grandsons, Jeff Hughes of Concordville, Pa., David Hughes of Bear and William Hughes of Georgetown; three grandchildren; and eight great-grandchildren.

Service will be 11 a.m. Friday at the Melvin Funeral Home, 15522 South Du Pont Highway, Harrington. The Rev. Phillip Lawton of the Felton United Methodist Church. Burial will be in Barratt's Chapel Cemetery. Friends may call from 7-9 p.m. today at the funeral home.

Make a Difference Day is October 24

On Oct. 24, don't expect to see Reservists doing weekend duty at Dover Air Force Base. Volunteers from the 512th Airlift Wing have decided to devote that Saturday, the eighth annual Make A Difference Day, to raising the roof in Delaware.

Last year, nearly 3,000 Delawareans participated in Make A Difference Day projects registered with the Delaware State Office of Volunteerism. Participants joined more than 1.3 million Americans in thousands of communities across the country, involved in volunteer projects.

Make A Difference Day, sponsored by USA WEEKEND magazine, in partnership with The Points of Light Foundation-- the largest national day of doing good. It changes millions of lives in one day! It connects communities in just a few hours. This year, Saturday

Oct. 24, is your chance to make Delaware a better place-- one person at a time.

This year, the theme is "Raise The Roof--Beautiful, Build, Teach, Serve." However, the Delaware State Office of Volunteerism is encouraging any and all volunteer projects that would Make A Difference in the community.

In just one day, imagine the things you can do!

Beautify and clean a corner of the world.

Renovate a shelter for the homeless.

Teach and inspire a child.

Serve someone in need.

The national sponsors of Make A Difference Day offer \$300,000 in awards to events that capture the spirit of the day. Call 1-800-815-LINK for additional information and entry forms.

Harrington Police Report

Early Tuesday morning, the Harrington police Department arrested Mikeal Brown, 22, of Denton, Md. Police contacted Brown for a crime prevention check and discovered him to be in possession of 3.5 ounces of marijuana. Brown subsequently gave the police a false name.

Brown was charged with two counts of forgery second degree, possession with intent to deliver marijuana, criminal impersonation, possession of marijuana, and drug paraphernalia. Brown was arraigned at JP Court 7 and released on a \$10,260 unsecured bond, pending a future hearing.

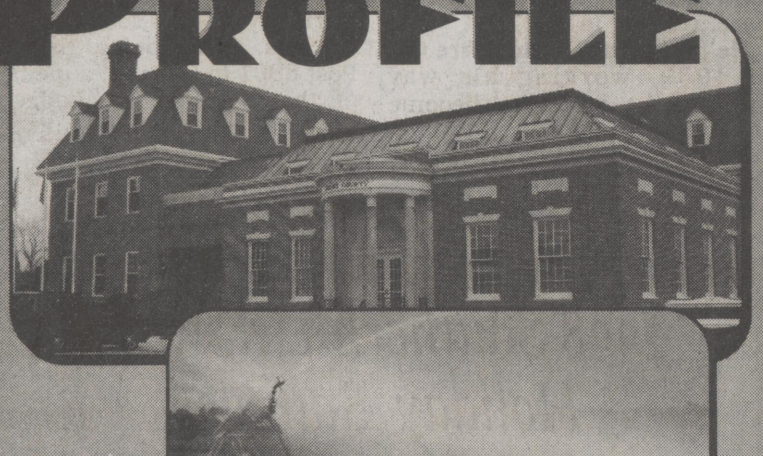

On Wednesday morning, the Harrington Police Department arrested Tammy C. Hall, 28, of Harrington. Police responded to Hall's residence after police were summoned for a domestic dispute. The police investigation revealed that Tammy Hall had assaulted her

husband. She was charged with Assault III and is pending a hearing.

On Saturday evening, the Harrington Police Department arrested Jeffrey Pounds, 37, of Harrington. Pounds was picked up by police for outstanding warrants in the Kent County Superior Court, Court of Common Pleas, and JP Court 7. Pounds was released on a \$500 unsecured bond, pending a hearing.

SOUND OFF

Sound Off provides a forum for readers who wish to express opinions about public issues but not give their names. To Sound Off to The Harrington Journal, call 629-2050 (Sussex County) or 678-8255 (Kent County) any time, day or night. Keep your message brief. The Harrington Journal will edit calls for clarity, accuracy, brevity and libel. Not all Sound Off calls are printed. Comments are selected for publication based on their timeliness and relevance to local issues.

We need more SPCA facilities

I am calling about the tax dollars going to waste and the Sound Off saying we need SPCA facilities. I have to agree we need more SPCA facilities because someone dropped off a bunch of kittens on my road and I've got them. I know if I take them to the SPCA, they are not going to find homes for these things. I don't know what to do with them, because of this situation.

Get a life

I am calling in response to the Clinton investigation. I would like to say that America needs to get a life. Enough is enough. We are tired of the media frenzy and the underhanded way that Ken Starr went after President Clinton. It seems to me as if it were a set-up from day one. What woman would not clean herself up and clean her dress after having sex with any man? She is just as much, if not more, at fault than President Clinton. She set out to get what she wanted at the expense of his wife and child and this is not the first. You don't hear about that. All you hear is what Clinton did. Give the man a break. He who is without sin, let him cast the first stone.

Help the SPCA

On the issue on so many animals being put to sleep in Delaware: I cannot find a logical reason why the state of Delaware cannot help the SPCA and do things and work with the vets to promote the idea of people getting there animal spayed or neutered. We can waste all the money on welfare. People can receive all the checks in the mail for one child after another, out of wedlock. So why not help the animals? After all, the leaders of our country aren't doing so good; maybe the animals could be educated to do the job. They can wake up people when there is a fire in the house. Then can be taught to ring bells, open refrigerator doors for the sick and the elderly and handicapped people. So, why not step forward and help the animals instead of putting them to sleep? Maybe they could do a better job than the way we are doing now.

Stop splitting hairs

Every time I hear one of President Clinton's lawyers hair-split definitions of sex, the thought strikes me this is not the act of a contrite and repented president.

Be careful with women

I think we have here the beginning of a fallout of everybody; it's what they call want-a-be. Anybody who wants to be famous, anybody who wants to get someone to write them a book, anybody who wants to get on television is going to come out against politicians or other professional people. Take notice all men, do not talk to women on the telephone unless you have someone listening in on another line. Do not talk to women privately unless someone else is within hearing distance.

Clinton needs to leave office

I believe that President Clinton should either resign or be impeached. I don't think he is capable of leading the country especially after that affair with Ms. Lewinsky. I think there is more to it than he likes to admit.

In it for the publicity

I am not condoning President Clinton's involvement with Monica Lewinsky but I do feel that Monica Lewinsky and her mother and the other women that are accusing President Clinton of sexual harassment have no respect for themselves and that all of them want publicity and money. I think that Monica Lewinsky should not be given immunity unless President Clinton has the same privilege. I have no respect at all for Monica Lewinsky. I think the news media has focused more on the sex side instead of the perjury charge. I have less respect for Mr. Starr, who is only trying to drag this out and he did not have to be so disgustingly graphic. If he wants to read and see pornography, why doesn't he go to an adult bookstore instead of making a fortune to be paid by the taxpayers who are so tired of hearing anymore of the so-called revelations?

President should live by same rules

To forgive and forget is a Christian thing to do but don't you all think that as our commander in chief he should abide by the same rules as our servicemen who put there lives, not their mouths, on the line?

They all need to apologize

In regards to Washington Follies, all the players need to apologize to the American people. Monica for chasing a married man. Bill for stopping so Monica could catch him. Starr for going after the president with such a vengeance. White House security for letting Monica having such access to the president. What if she had been an enemy agent intending to assassinate the president? Last but not least, good, good pal Linda Tripp for betraying a friend. I think the American people have just about had enough of this nonsense.

People are just jealous

As I see it, 10 percent of Congress is outraged and angry with the president for his affair with Monica Lewinsky. The other 90 percent are just jealous.

City - (Continued from Page 1)

The plan needed the approval of the city council at the time it is to be implemented. There being no further questions, the plan was approved unanimously, and can be reviewed at the Harrington Public Library on Center Street during normal library hours.

Also on the council agenda was the adoption of two personnel policies which were also reviewed in last week's city council workshop report in The Harrington Journal. The policies, which addressed the personal use of the Internet and the city's E-mail system, were adopted and will be added to the Benefits and Policies Handbook for city employees.

The council further considered two resolutions. The first, Resolution 98-R-16, calls for the city to begin charging \$10 for fingerprinting services, with the proceeds going to the employee fund. At the present time, Harrington is the only municipality in Kent County not charging for this service. The second, Resolution 98-R-17, calls for a property at 16936 S. DuPont Highway to be annexed to the city. The council approved that this measure can go to a vote by property owners on Friday, October 9th, after which an ordinance to annex the property must be

approved by the council. The property is to be used as a real estate office.

Regular reports given to the council were accepted as written, including committee reports, the city manager's report, the police report, the accounts payable report, and the departmental reports. Along with these, the mayor's report was heard and accepted.

When the meeting was opened for public comments, Ms. Betty Taylor asked the rationale for the city council going into executive sessions. The city manager read the criteria of what legally must be done in closed-door sessions, and noted that those present must be either council members or invited to the executive sessions because of the specific information they would be able to present.

Prior to adjournment a few minutes after 9:00 p.m., it was announced that three candidates have filed for the mayoral election, and that Mr. Black was the only candidate for the three open seats on the city council. An appointment for the empty council seat has not been made by the council, and will most likely remain open until the election on Tuesday, November 3rd.

Introducing the Harrington Fire Company's coverlet

By Leroy & Doris Calhoun

The design of the Harrington Fire Company coverlet captures the history and spirit of the fire company

from its early days to the present with the depiction of buildings and equipment.

The Harrington Fire Company was established in 1902 when a group of busi-

nessmen and townspeople saw the need to have some equipment. Equipment such as ladders and hoses that could be hooked up to the new pipe system that had been put through the town.

In 1905 the fire company and the town went together and purchased the Protestant Church on Mechanic Street. This became the first fire house to hold meetings and store equipment. It was also used for the town jail.

In 1905 the first equipment used by the fire company was two hand-drawn hose reels and a wagon won which they had their ladders to be pulled to the fire.

In 1924 the first fire house was built, which was shared by the fire company and the City. It was located at 10 Mechanic Street.

In 1929 the Harrington Ladies Auxiliary was established.

In 1950 the members of the Harrington Fire Company saw the need for an ambulance service to the community, so they proceeded to buy a t1950

Cadillac ambulance and began taking patients to the hospital.

In 1997 the newest fire truck was purchased. This

truck is equipped with foam to help fight fires. A new ambulance, with a mural of the Delaware State Fair midway on both sides, was also purchased in 1997.

The bells displayed along the border of the coverlet depict those used on the fire trucks in the early years. The helmet and boots are equipment used by the firemen to protect them when fighting fires. The fire plug is sued to get water when fighting fires within the City limits.

Representing the Emergency Medical Service is the Star of Life Patch. Representing the Harrington Fire Company is the Company's official patch, and finally, the 1999 represents the new building the Fire Company is preparing to build which will house a new fire-hall, offices and quarters.

ball players" that laid down \$1 for a chance to "dunk" their favorite, or not so favorite person in the booth. At about 2:30 p.m. Capt. John Horsman of the Harrington was in the booth and who paid a dollar to see him watered down? His wife! It was all in good fun and for an excellent cause. The Lake Forest Band Boosters.

Heritage Day again proved to be a wonderful day for residents and guests alike to enjoy a hometown celebration where neighbors meet, and new friends are made. A huge "thank you" is due to all of the

members of the Heritage Day Committee who worked all year to bring us this special day. And a "thank you" to all of the many volunteers that work the booths, march in the parade, and have any part in the day. It takes hundreds of people to make this day happen.

Hopefully Heritage Day will continue if enough groups and individuals make the commitment to the event. If anyone is interested in making a commitment to this event, please contact Ruth Peterman at 398-4493.
